Q. Is it true that Colorado City students will have to go to school on a Saturday to make up for the third day missed because of gas curtailments?

A. No, said Dr. Jim Ramsey, superintendent. The school, and many others across the state, were given waivers this week by the Texas Education Agency and the third day will not have to be made up. The school district had already planned for two bad weather days in its calendar this year and, consequently, students will not have to attend any Saturday classes.

Annual Jaycees' Mud Bog set Sunday

Lone Wolf Relays underway Saturday

The Mitchell County Jaycees' fourth annual Mud-Bog contests will be staged at the Mitchell County fair grounds rodeo arena this Sunday.

Publicity chairman Mike Ratliff said the club is again expecting 35-40 entries in Mud-Bog IV, which will pit vehicles in five different classes to negotiate the muddy bog. Each class will be competing for cash prizes.

Several other features are in the offering for event, which have pleased the crowds of about 500-600 people in the past.

The popular "Red-Ryder" vehicle will be demonstrated and will again give a car-

crushing exhibition.

A tug-of-war is planned between members of the police and fire departments.

Registration of entries will be held from 10 a.m.-12:30 p.m. and the races will begin at 1 p.m.

The gates will be open to the public at noon. Tickets for the event are \$5 each with children under six admitted free.

A concession stand will be open, offering food and drinks.

Proceeds from Mud-Bog IV will be used by the Jaycees for their scholarship program and other community activities such as the scouting program.

Three new champions will be crowned at Wolf Stadium Saturday when Colorado High School track teams host the 1989 Lone Wolf Relays. Field events begin the meet at 9:00 a.m. with running preliminaries scheduled for 10:30 a.m. and running finals set for 3:00 p.m.

1988 team champions were Randy Donnell and the Midland Greenwood Rangers in the boys division, Wall in the girls division and Sonora in the junior varsity boys division. All three teams will be absent from this year's field.

In the varsity boys division "Ballinger is the team to beat," said CHS boys coach

Chuck Claxton. The Bearcats are led by distance runner Gary Picon who holds the area's top times in the 3200 and 1600 meter runs. Picon will have to work for wins at the Lone Wolf Relays because the Jayton Jaybirds are also entered and will bring along Cody Stanaland. Stanaland is right on Picon's heels as the area's top distance runner. Picon owns a 10:11.35 in the 3200 meters while Stanaland has run a 10:25.38. In the 1600 Picon has a 4:41.44 while Stanaland has a 4:43.06.

Ballinger also has a 6'4" high jumper in

Commissioners study cemetery proposals

Legal ownership over part of the Mitchell County Cemetery was the topic of discussion during a special meeting of the commissioners' court Tuesday morning.

Although the meeting had been called to approve the payroll and bills and to discuss new covering for courthouse entrances, much of the discussion centered on the upkeep of the cemetery located in northwest Colorado City.

Pct. Commissioner Larry Hale recently with a group of about 50 concerned citizens at the cemetery to discuss the cemetery's upkeep.

The cemetery is divided into two parts with the west part commonly referred to as the Catholic Cemetery. A fence separates the Catholic part of the cemetery from the rest.

However, County Judge Mac Morris said he had talked with the Catholic diocese in San Angelo and someone there told him the cemetery is listed as church property even though they do not have a deed.

Pct. 4 Commissioner Bill Preston said a research of county records reveals several references to the Catholic Cemetery, but he has not found where that portion of the cemetery was ever deeded to the Catholic church.

A group of citizens is scheduled to meet with the commissioners Monday concerning the upkeep of the cemetery.

In the meantime, Hale said he has enough funds to purchase a riding lawn mower to help keep the cemetery mowed. Hale also had obtained prices for installing some 6,000 feet of water line, but the other commissioners indicated they want to wait until the legal ownership of the property can be determined before doing anything else.

Preston said he is concerned that if part of the cemetery is actually owned by the Catholic Church, then perhaps the county should not be making improvements to that part of the cemetery since there are many other cemeteries in the county that are not provided county maintenance.

In other business, the commissioners agreed to recover the north and south entrances to the courthouse in a top-grade astro turf type material with the cost to be about \$550. Bob Motley will do the work.

The payroll in the amount of \$41,245.47 for the period March 18-31 also was approved. There were no bills presented for payment.

Virginia Dearen named cancer crusade chairman

Virginia Dearen from the Mitchell County Unit has been appointed chairperson to lead the American Cancer Society's educational and fund-raising Cancer Crusade in Colorado City, Loraine and Westbrook. The announcement was made by Anna Staats, president of the Mitchell County Unit.

"The money raised in the campaign will be used to support programs in Mitchell County that help prevent, detect and treat cancer and offer assistance to cancer patients," said Dearen. "Considering the public's dedication and

commitment to the crusade this year, I am sure it will be a huge success."

"In addition to raising funds, the crusade helps the society save lives through education," said Dearen. As part of the crusade which starts April 24, volunteers will be knocking on their neighbors' doors offering information on how to reduce their risk of cancer through proper diet and nutrition.

Door-to-door crusaders also will be distributing to their neighbors a pamphlet entitled, "Eat Right!"

Sterling re-elected to board of Texas Beef Industry Council

Cattiewoman Lucille Sterling of Colorado City was re-elected to the board of directors of the Texas Beef Industry Council March 22 in Austin.

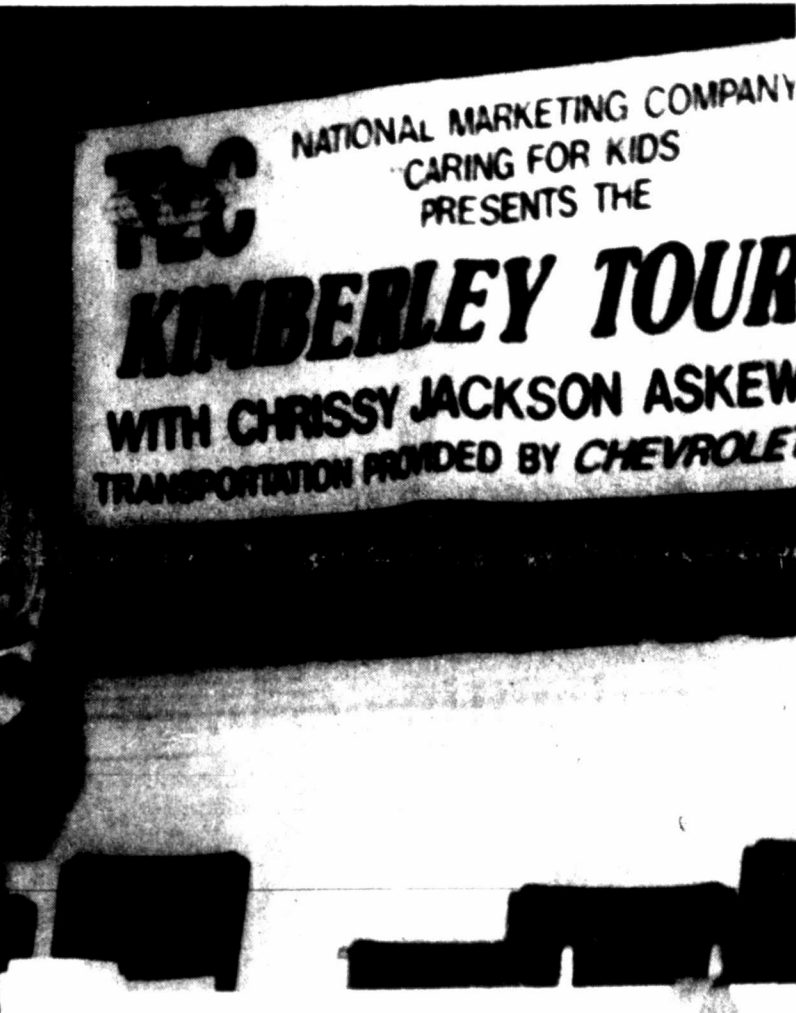

Newly elected TBIC officers include Wheeler of Pleasanton, a commercial cattle producer and owner of the Atascosa Livestock Exchange, president; Clark Willingham of Dallas, a cattle feeder, president-elect; and S.M. True of Plainview, a cattleman and head of the Texas Farm Bureau, secretary-treasurer.

Open house set at hospital lab

The Mitchell County Hospital laboratory will hold open house April 10-14 from 9-11 a.m. and 2-5 p.m. in observance of National Medical Laboratory Week.

"We would like to invite everyone to come by to see what we do in the laboratory," said Ben Bell, lab director. "The medical technologist is a very important part of your health care team."

"We would especially like to invite the high school students who might be thinking of careers in the medical field to come by," said Bell.

Moonlighting is taxable

If you worked a second job, for instance at night or on weekends, you must report these earnings on the federal income tax return, the Internal Revenue Service said.

Some examples of "moonlighting," which produces income that must be reported, include an office worker who doubles as a babysitter in his or her spare time, a newspaper reporter who writes free-lance articles, a public school teacher who tutors for pay, or a construction worker who picks up extra money doing home repairs on weekends.

McAdams elected to student senate

SAN ANGELO - John McAdams, a junior from Loraine, has been elected to the Angelo State University Student Senate for the 1989-90 academic year.

McAdams will represent Electorate D. undecided majors.

Income from any source is taxable, the IRS emphasizes, whether it is received in cash, property or services, unless it is specifically excluded by law.

Even if you do not receive a Form W-2, "Wage and Tax Statement," from an employer, income from moonlighting jobs must be reported on the tax return as wages or salaries. You should also be aware that you may have to pay estimated tax if little or no tax is withheld on the income from moonlighting jobs.

If an employer indicates that a Form W-2 will not be issued, you should keep your own record, including dates, names and addresses of employers, type of employment and amount of income. Because employers are required by law to issue a Form W-2, you should also notify the IRS.

Some people who do work in addition to their regular jobs are considered self-employed, not employees. Examples may include free-lance writers and repair persons who set their own schedules and work out of their own homes. These people also must report their income. Generally, they use Schedule C (Form 1040).

Journalism scholarships available to area seniors

Two Mitchell County high school seniors have an opportunity to win a \$500 college scholarship, it was announced this week by Earl Plagens, publisher of the Colorado City Record.

The Colorado City Record is a member of the West Texas Press Association, the world's largest regional press group, and that organization is seeking out two future community journalists to receive stipends of \$500 each.

Through the "Bob Craig Memorial Scholarship" program, named in honor of long-time Hamlin Herald publisher Bob Craig who died in 1981, the West Texas Press Association is sponsoring an essay contest based on the theme "My Future and Career Plans in Community Journalism". High school seniors interested in pursuing a career in community journalism may submit their es-

says to WTPA Scholarship Committee, Stephen Henry, Chairman, P.O. Drawer 1628, Levelland, Texas 79336-1628.

The essays must be postmarked no later than April 21, 1989.

The essay is limited to a maximum of 400 words and no letters of reference will be accepted for consideration in the contest.

In addition to being a senior in high school, they must maintain a "B" average or better and plan to continue studies at a school of journalism. Once the winners are selected they must be enrolled in at least three hours of journalism each semester he or she receives assistance.

The scholarships will be divided into payments of \$250 per semester for two semesters for two students. The essays will be judged by the Texas Press Association.

Boy Scout troop attends camporee

Mitchell County's Boy Scout Troop 100 returned home last weekend from its first major scouting competitive event.

Last Friday afternoon, 11 boys embarked upon an adventure to Camp Post's 1989 New Rendezvous Camporee. They were led by DPS Trooper Frank Costabile who serves as their scoutmaster and by St. Luke Methodist Pastor Rev. Jon Farris, who acts as chaplain and assistant scoutmaster.

The camporee was held at Camp Post, two miles south of Post, in the rolling desert grassland canyon country off the Caprock Escarpment. There were over 600 boy scouts, Webelos, Cub Scouts, and their leaders in attendance.

Events were held for each scouting level to test the boys outdoor and scouting knowledge

and skills.

Troop 100 Boy Scouts won awards in several events--Scouting History Speed Trivia, Communication Breakdowns Relay, and Scout Law Relay. A six-member flag ceremony team from Troop 100 won the praises of scouting executives and were asked to perform all three flag ceremonies. The boys had additional fun hiking and exploring the canyon, building campfires and telling campfire stories. The troop also was entertained by the Kwadhi Indian Dancers, a group of professional Indian dancers from Amarillo who tour nationally.

The Scouts of Troop 100 returned late Saturday night full of plans for future camping experiences and fun. The plan to return to Camp Post for the full-scale summer camp program June 25-July 1, as well as going to Camp Tres Ritos in the lush mountains of New Mexico later in July, not to mention also attending the local Hughes Aquatic Base when it runs its summer camp program.

Interested dads and their boys are invited to join the troop. Boy Scouts are between the ages of 11-18.

Loraine Senior Center

...by B. Ann Vaughn

In March the center was gaily decorated in green shamrocks for the St. Patrick's Day theme. And upon entering, individual paper shamrocks trimmed in silver glitter was pinned to the lapels of members by Gladys Hart.

For Easter there were bunny and egg placards and posters pinned to the wall and pretty Easter egg mobiles suspended from the ceiling.

March 1, County Extension Agent Libbi Garnett spoke on good basic nutrition, reminding each the hazards of a diet high in cholesterol.

March 3 and the 8th, movies were shown by Gus Armstrong. Bingo was enjoyed the 6th and the 28th called by Laura Lewis and Arlena Claxton. Also on the 6th of March the nutritional council had their monthly meeting and sitting on the board were Iris Preston, Blondie Hamilton, Effie Wheeler, Ruth Richburg, Roy Price, Laura Lewis, Sybil Walker, Arlena Claxton, Ralph Lankford, Willie Taylor and Veida Gage.

March 8th was blood pressure reading with Home Health Care from Colorado City.

A beautiful friendship quilt was put on display the 8th for a fund raising project. The blocks and names were sewn and then individually quilted by members.

It was then color coordinated by Frankie Cummings, in blue tones. If you would like a chance on the quilt, contact Eva Wells or Lela Richburg. The Loraine Kitchen Combo played for the Loraine Nursing Home March 6 and for Valley Fair Lodge in Colorado City March 17.

The monthly social covered dish supper was cancelled March 11 due to inclement weather. The next will be slated for April 18. Hosts and hostesses will be Harris and Blondie Hamilton and Bessie Ann Vaughn. The evening's entertainment will be musical.

We are saddened by the death of our friend and fellow member **Leander Morris**. Our hearts go out to his family at this time. We are also concerned that some of our members are ill. We hope they soon recover and will be back with us.

Good Friday, March 27 was celebrated with an Easter Hat Parade. Ladies on the fashion

runway were Ruby Lee Small, Lela Beaty, Lucille Cox, Laura Stewart, Laurie Lewis, Eva Wells, Hazel Pratt, Iris Preston, Effie Wheeler, Margaret Brame and Sybil Walker. Applause rated winners and Ruby Lee Small, wearing a scare crow inspired fashion won for the most outrageous.

Iris Preston wearing a genuine coolie with flowers fashioned by Butsie Hall won the zaniest and most comical was won by Leila Beaty for her Minnie Pearl rendition.

March 29 was "Birthday Party Day," and sitting at the party table were J. M. and Laura Lewis, Effie Wheeler, Annie Bell Jones, Vida Alsobrook, Corcen Taylor, Allie Wiggins, Darlene Hamrick, Julia Green, Geraldine Parnell, Lewis Claxton, Raymond Hackfeld and Bill Varnadeere. Gladys Hart made the special birthday cake.

Sheriff Wendell Bryant and officer Jimmie Sanders spoke at the center March 15 on security for women living alone and also for the public in general. It was interesting and informative and greatly appreciated.

Those attending were Eva Wells, Elaine McMichael, Mildred Rose, Sybil Walker, Darlene Hamrick, Margaret Brame, Nina Meadows, Loretta Pettit, Effie Wheeler, Veida Gage, Willie Rose and Bessie Ann Vaughn.

In residence at this time at "the LSC apartments" are Julia Mathis, Dorothy Haltom, Victor and Cruz Briseno, Pauline Smiley, Pearl Preston, Agnes Hancy, Mary A. Meadows, Ellie Bryant, Willie Preston, Loretta Pettit, Jewell Boatler, Joyce Holman and Aubrey Jones. If you

wish any information about the apartments, contact complex manager, Billie Schroder at 737-2711 or 737-2639.

Visitors for March included Nannie Lou New, Bonnie Farrar, Rina and D. L. Pierce, Howard and Lorene Callaway, Johnnie and Blanche Burke, Pauline Pitman, Estelle Merrick, Allene Richburg, Lora Lee Horn, Lewis Small, Bill Carey, Jack and Mary Allbright, Velma Lindsey, Harold Martin, Doris Criliver, Mary Agnes Meadows, Aubrey Jones, Bobbie Graham, Gerry and Sandra Hammond, Sid McAdams, Jim Brannon, Mingle Ortiz, Linda Briseno, Jack Reeder, Mandy Smith, Mac Morris, Velma Lindsey and George and Billie Ruth Abernathy.

Happy Huggers for March were Juanice Butler, Raymond Hackfeld, Effie Wheeler, J. M. Munoz, Veida Gage, Iris Preston, Harvey Jones, Jean Vest, Eldie Bryant, Margaret Brame and Ruth Richburg.

March 29 the center was the meeting place for the defensive driving course, "mature driving 55 alive" with instructor Laura Linam.

Attending classes were Woodrow and Hazel Pratt, Margaret Brame, Dede Hantsche, Aubrey Krop, Effie Wheeler, Jimmie Jacks, Estha Coffee, Cecil Martin, Roy and Mary Helen Price, Fern Coon, Howard and Marilyn Tart and Lela Richburg.

March 31 was group singing with Homer Richburg and Corcen Taylor.

Table games and visiting with friends are enjoyed preceeding and following the noon meal.

A "Big Thank You" for your participation and for your volunteer service--be it large or small.

Loraine Personals

...by Lois Phillips

Mary Coffee has been in Dallas recently where she visited with a daughter and her husband Nick and Mary Lee Nickols. She also visited Mary Lee's kids while she was there. Also a brother Jack and Reba Mayes. Butch Nickols, a grandson and his wife came to Loraine to get her and brought her back home.

Did I tell you that Stella Rainey is a grandmother now? I kinda think I did but I am not sure. Anyway Mary Glenda and her husband have a baby boy about two weeks old. Elmer says it's his grandson also.

I have another bit of good news. The little dog we asked someone to take found a home in Colorado City. I am real pleased about it.

Ruby Epperson is about the same I hear. Mrs. Sims is doing okay I think.

Irene Stewart doesn't seem to be doing very well and I am sorry about that.

Linton Ray went back to Lubbock Monday. He was supposed to have surgery yesterday or today. We hope he does real good and can come home in a couple of weeks.

I know that all of you know about the awful car wreck that Naomi Mize had and that she had more surgery last Saturday and is doing as well as she can at this time. It is a terrible thing for Naomi and her family. Please put Naomi and all these others on your prayer list that God will comfort their lives and always be with them.

Jack and Mary Love Allbright visited her mother recently, the mother being Syble Walker.

Last week Terry and Tina Morris of Dallas, Doug and Sue Morris of Hereford, Jeff and Sherry of San Angelo, visited in Loraine and Colorado City and attended the funeral service for their aunt, Loneta Harris.

The good word is that Kenneth Butler is doing nicely following surgery in Abilene last week.

Junior and Jerry Young of Dallas and Eva Phillips also visited here and Colorado City and attended Loneta's service. These are cousins and an aunt of Loneta's.

The Rev. Orvel Brantley of Sweetwater has brought the message the last two Sundays at the First Baptist Church in Loraine. We are enjoying him.

Truman and Mavis Nix visited in Loraine last Friday with her mother Inez Webb and her brother Linton Ray Webb and

family.

Shep and Sally Compton and their daughter Kim flew to California for the Easter holidays with Kevin Compton and family. They really did enjoy their trip and their grandson.

Deanna Faye Troutt of Roscoe stopped by our house last Sunday afternoon and visited a short while. She was on her way home after being in Colorado City to visit a sister-in-law, Punk Hale.

I was real pleased to see all of Janet Moore's fourth grade chili kings pictures in the paper. If you guys and gals want a regular job cooking chili, I will advertise for you.

Amaz Webb's mother of Sweetwater and Inez Webb were in Lubbock on Tuesday for Linton Ray's surgery.

Irene Kidd is visiting in Austin with Clovis and Jean Hale.

O. B. Darden died this week after a lengthy illness. He was quite well known here, because he played dominoes almost every afternoon. You will be missed O. B.

My this is a lovely spring day. Most people would want to do yard work or house cleaning but not me. I am sorta lazy.

Mrs. Lynn Compton had her daughter Jean Furge and Lindy of Lubbock Monday and Monday night. Also visiting were a grandson and family, Max Furge of Atlanta, Texas.

Jana and Jon Berron of Dallas visited her mother over the Easter holidays.

Letters to the editor

Sale to raise fire radio funds

TO THE EDITOR: One of the big jobs of the Loraine Volunteer Fire Department at this time of the year is Cloud Watch. This is done to help protect you in the event of a tornado by early warning.

We are in the process of upgrading our two-way radio system. This is a costly undertaking, but we feel it is something that will help us better serve you in the event of fires, EMT calls and especially during Cloud Watch.

The Loraine Volunteer Fire Department will be having a farm implement sale on Saturday, May 6, to be held at the gin yard west of the Co-op Gin at 10 a.m. Inspection of items will begin at 8 a.m. Barbecue brisket sandwiches will be available. Left-over brisket

will be sold at the end of the sale. When you come out to vote, come by the sale, look around, and eat with us.

We need your support in donating any equipment and/or cash donations to help us pay off this radio system. As soon as the new system is installed, we will publish the frequency so those of you who have scanners will be able to program in our new channel.

A list of equipment will be printed and distributed. In order to have your equipment on this list, your donations must be in by April 22. We will take donations later, but they won't make the list.

Remember, all donations are deductible from income tax. You will be given a receipt at the time of the sale for tax purposes.

We will be glad to pick up the equipment if you are unable to bring it in.

If you have donations, please contact one of the following firemen:

Donnie Phillips, 737-2933; Earl Phillips, 737-2265; Donald Graham, 737-2744; Glenn Sanders, 737-2421; Clay Graham, 737-2621; and Doug Foshee, 737-2769.

Cash or checks may be mailed to: Loraine Volunteer Fire Department, P.O. Box 202, Loraine, Texas 79532.

Thank you for supporting your volunteer fire department so we can better serve you.

Thanks

TO THE EDITOR: We wish to thank the Colorado City Volunteer Fire Department for its quick response and professionalism exhibited during the recent fire at our home. Our thanks also to the community for its support.

LADY WOLVES for the Colorado High School varsity track team are, front, left to right, Amy Chitsey, Oria Gonzalez, Elia Aguilar, Jackie Smith, Melissa Rivera and Bea Rivera. Back, left to right, are Mendy Conner, Angie Williams, Jessamyn Holstine, Tracy Hoover, Kendra Ritchey, Rosemary Rosas and Wendy Bradbury. Not pictured are Rachel Coronado, Bridgett Bridgford and Jeanette Sosa.

WOLVES for the Colorado High School varsity track team are, left to right, George Rivera, Jerry Bob Hulme, Darvin Jackson, Beau Rees and Hal Morren.

Wolves

From Page 1

Mark McCuiston. The Merkel Badgers have 800 meter runner James Dayhoff who has broken two minutes at 1:59.86.

Other teams entered in the varsity boys division are Coahoma, Winters, Bronte, Loraine and Colorado City. The Wolves, who took second last year, have a severely depleted team due to injuries, grades and quits. The Wolves scored 10 points to place 14th among 16 teams at the San Angelo Relays Saturday.

Beau Rees led that effort and should do so again this week. Rees made a tremendous jump in his discus efforts by taking second at San Angelo with a throw of 166'4". Rees had three throws in the 150' range. His top throw neared the CHS record of 176'7" set by Tim Stansel at the 1973 Ballinger Relays. Jerry Bob Hulme took sixth at San Angelo with a discus toss of 147'9". Tracy Edwards won sixth in the shot with a put of 45'1/2" and Darvin Jackson ran a 54.27 to take third in his heat of the 400 meter dash preliminaries. "The kids made a tremendous effort at San Angelo," said coach Claxton.

In the girls division Merkel and Coahoma will bring relay teams that are among the area's best. Coahoma also has sprinter/long jumper Kelly Williams. Other teams entered are Michi Atkins and the Loraine Bulldogs, Winters and Colorado City.

The Lady Wolves are coming off a 13th place finish among 18 teams at Saturday's Hamlin Pied Piper Relays. Freshman Tracy Hoover led the team's effort with a third place high jump of 5'. Senior discus thrower Oria Gonzalez, the team's most consistent scorer, placed fourth at Hamlin with a 97'5" throw that was below her best of 101'7".

The CHS junior varsity boys, who also finished second last year, will be looking for first against Merkel, Coahoma, Winters, Ballinger and Bronte. Colorado City's Chamber of Commerce will greet the Lone Wolf Relays with coffee and doughnuts while First National Bank again will be serving coaches and helpers a barbecue lunch.

Hulme CMS double winner

Christi Hulme and the eighth grade girls track team led a Colorado Middle School effort at a Breckenridge track meet Saturday, March 25 where Richard Gomez again set a CMS record. The Wolves end the 1989 season Friday when they travel to Kermit for the district 7-AAA junior meet.

Hulme led the eighth grade girls to a third place finish among 14 teams by winning the shotput and discus. The Wolves scored 90 points to trail only Graham's 101 and Breckenridge's 97. Hulme's mark in the shotput was 28'5" and she threw the discus 80'10".

Other victories for the eighth grade girls were Tammy Ceballos' 6:28.62 in the 1600 meter run and the 1:58.74 run by the 800 meter relay of Stephanie Austin, Elaine McKnight, Shondilyn Ross and Crescent Ross.

The seventh grade girls placed fourth among 11 teams with three, second place relay finishes. Frank Briseno placed third in the 3200 meter run (12:47.0) to lead the eighth grade boys to a fifthplace finish.

Gomez took second place in

the shotput to lead the seventh grade boys in a sixth place finish. Gomez' put of 40' erased his own CMS record of 38'10" he set a week earlier in Stanton.

Tomorrow's district meet in Kermit begins with 3:30 p.m. field events. Running events begin at 5 p.m. or after the completion of the field events.

Lawn & Garden Gypsum
helps your lawn, flowers, shrubs and trees grow better.

Loosen the soil particles allowing water and air easier access to the entire root system. Better utilization of the water extends the time between irrigations and conserves water. It activates the enzyme systems which are critical to optimum plant growth and neutralizes organic acids produced by the plants. It is non-toxic and will not burn or otherwise damage lawns or plants.

One stop assistance for small businesses

Dear Commissioner Nabers:
What are the criteria for qual-
ifying formally as a "small
business" and is there some
sort of central government
office for small business to get
information and help?

— G.V.
Rowena, Tx.

Dear G.V.: Under state law,
a "small business" is a sole
proprietorship, partnership,
corporation, or any other legal
entity that:

- was created for the pur-
pose of making a profit,
- is independently owned and
operated,
- has fewer than 100
employees or less than \$1
million in annual gross
receipts.

The Texas Department of
Commerce has a portfolio for
new entrepreneurs and fledg-
ling small businesses called
Texas Road Map to Starting
A Business. Along with gov-
ernment forms you need for
starting and running a busi-
ness, this portfolio contains
information and advice on
business plans, cash flow state-
ments, legal structures, per-
mits, employees and contract
labor, and financing options.

COMMISSIONER
Mary Scott
Nabers

TEXAS BUSINESS TODAY

Commerce, Small Business
Division, P.O. Box 12728,
Austin, Texas 78711 or call
1-800-888-0511.

Dear Commissioner Nabers:
I am 72 years old and I draw
Social Security and work a lit-
tle bit on the side. I recently
lost my part time job and was
wondering if I would qualify
for unemployment benefits.
Thanks for your help.

— M.S.
Ft. Stockton, Tx.

Dear M.S.: The only way to
find out if you qualify for ben-
efits is to file a claim at your
local TEC office. Please be
forewarned, however, that the
amount of your benefits will be
reduced by the amount of your
social security income.

FIFTH GRADE WINNERS - Taking wins at the Westbrook Science Fair were these fifth grade students. First row, from left, are Lisa Cardenas, first; Candi Baker, second; and Tony Lopez, third. Second row, from left, are Amanda Rich, fourth; Jeff Hill, fifth; and Jeremy Reyes, sixth.

SIXTH GRADE WINNERS - These Westbrook sixth graders were judged winners in the recent school Science Fair. First row, from left, are Danny Cook, first; Nikki Claxton, second; and Jeremy Spinks, third. Second row, from left, are Terry Dixon, fourth; Kristi Moore, fifth; and Jason Claxton, sixth.

FIFTH GRADE PARTICIPANTS - Also participating in the Science Fair at Westbrook were these fifth grade students. From left are Jeromy Connell, Jesse Martinez, Jodie Duran, Homer Matlock, Chad Morris and Darla Mickle.

SIXTH GRADE PARTICIPANTS - These sixth grade students also participated in the Westbrook School Science Fair. First row, from left, are Mandy Hogue, Josh Morris, Gary Hays and Laura Conaway. Back row, from left, are Neil Allen, Jennifer Morris, Becky Hawley, Heath Morris and Adolph Lopez.

Westbrook students enter science fair

Westbrook fifth and sixth grade science students of Mrs. Margaret Ann Conaway participated in a science fair at the school last week, the first such event ever held at the school.

Projects ranged from causes of earthquakes and volcanoes to closer looks at underwater life, planets in outer space and growing of plants hydroponically.

Each student researched his or her topic and wrote a report. The report had to include a bibliography and plans of the posters and display. Posters were then planned and constructed that would emphasize and explain the report. Finally, a display was developed that would prove facts researched in the report, said Mrs. Conaway.

The winning entries in the fifth grade were Lisa Cardenas, volcanoes, first; Candi Baker, geysers, second; Tony Lopez, constellations, third; Amanda

Rich, light bulb, fourth; Jeff Hill, solar cooker, fifth; and Jeremy Reyes, plants, sixth.

Sixth grade winning entries were Danny Cook, volcanoes, first; Nikki Claxton, hydroponics, second; Jeremy Spinks, oil, third; Terry Dixon, islands, fourth; Kristi Moore, terrarium, fifth; and Jason Claxton, growing beans, sixth.

Other fifth graders participating were Jeromy Connell, Grand Canyon; Jodie Duran, earthquakes; Jesse Martinez, plants; Darla Mickle, solar system; Homer Matlock, aquarium; and Chad Morris, Continental Divide.

Other sixth grade participants were Gary Hays, pollution; Adolph Lopez, pollution; Heath Morris, rocks; Mandy Hogue, terrarium; Josh Morris, earthquakes; Neil Allen, heart; Laura Conaway, hydroponics; Becky Hawley, solar system; and Jennifer Morris, hydroponics.
