

CASSINO, FORMIA FALL

Burma Airdrome Taken, Strategic City Surrounded

Two Armies In China, Burma Converging

By RICHARD C. BERGHOLZ
Associated Press War Editor

A spectacular jungle maneuver by Lt. Gen. Joseph W. Stilwell's American and Chinese soldiers has toppled an important airdrome from Japanese control, placed the main enemy base in North Burma under siege and narrowed the gap between converging Allied armies in Burma and China to less than 80 air-plane miles.

Southeast Asia Allied headquarters announced today Stilwell's forces captured Myitkyina airdrome after a 29-day forced march and now are besieging Myitkyina City, terminus of the important Mandalay railroad.

Immediately after the airdrome was secured, gliders and transport planes landed American engineers and Chinese troops. Brig. Gen. Frank Merrill's Raiders participated in the surprise stroke which "apparently caught the Japanese completely by surprise and only slight resistance was offered," the Allied communique said.

Fall of Myitkyina would threaten to collapse the entire Japanese position in northern Burma and remove an important obstacle in the campaign to link the new Leda road with the old Burma road to China.

Eighty airline miles east, Chinese troops sweeping west of the Salween river swept through several new positions in an apparent pincer movement on a Japanese-held segment of the Burma road. Chinese guerrillas captured Sypinaw Pass.

The picture was still grim for Chinese defenders of Loyaung, former Chinese capital in northern Burma.

Mystery Shrouds Wealthy Indian Student's Death

YONKERS, N. Y., May 18.—(AP)—The Hudson river turgid waters today had yielded the body of Valsa Matthal, wealthy 22-year-old Indian student missing from Columbia university here about two months, but circumstances of her death remained cloaked in mystery.

Attesting Westchester county medical examiner Edwin M. Huntington said the dark-eyed Bombay, Indian girl, who disappeared from a riverside drive dormitory during a pre-dawn snowstorm March 20 had died by drowning.

He did not attempt to explain, however, how she got in the water.

The medical examiner said no bruises or marks of violence were found on her body and remarked that it would be impossible to detect any traces of poison in a body which had been in the river so long.

Huntington said he would not perform an autopsy as it would disclose nothing not apparent in his first examination.

Miss Matthal's body was found last night by a boatman, floating in midstream here about seven miles up the river from Columbia university.

Object of one of the most intensive searches in New York, police history since she disappeared from her room at international house, Miss Matthal was the daughter of John Matthal, head of the Tata Chemical company, of Bombay, and an Indian economist, author and government official.

A nationwide search extended to the Pacific coast.

Police advised several possible reasons for her strange disappearance—that she took her life, had gone out to see the snow and met foul play, or had been the victim of a hit man driver who had hidden the body.

19 New Wells Will Be Drilled

Drilling of 19 new wells northwest of Pampa is contemplated by the Phillips Petroleum company, Supt. Clarence Shearer said today, in answer to an inquiry by The News.

Supt. Shearer said that one of the wells was being drilled now, that the company was rigging up on three others, and that 19 wells in all were to be drilled, under present plans.

Medical Brigade To Help In Yugoslavia

MEXICO CITY, May 18.—(AP)—A medical brigade of American and Mexican physicians and ten nurses will leave soon for the Yugoslav front, the committee to help the Yugoslav liberation army announced today.

Dr. Juan Goldstray, chief of the brigade, said Mexico is the first country offering such aid to Tito's Yugoslav forces.

Russia, Poland May Effect Plan For Cooperation

WASHINGTON, May 18.—(AP)—Russia and Poland appeared today to have made a small but hopeful start on patching up their differences.

As a result responsible diplomatic quarters here are more optimistic about closing this breach in the United Nations than at any time in the past three months.

The immediate cause of this optimism was a resolution of the Polish national council in London yesterday asking that the position of successor to the president be separated from that of commander in chief of the armed forces.

Should President Wladyslaw Raczkiewicz heed this advice he would have simply to appoint someone other than general Kazimierz Sosnkowski, the commander in chief, as his successor.

The Russians have objected vigorously to Sosnkowski because of his alleged anti-Soviet record, and probably would be more willing to do business with a Polish government in which he had no part, even though he remained as commander in chief.

Other governmental changes are expected to be recommended by the council. These changes may result in creating a regime of men generally more acceptable to Moscow.

Nazi Invasion News Is Pure Propaganda

WASHINGTON, May 18.—(AP)—Secretary of War Stimson warned the public today that current Nazi propaganda on the forthcoming invasion of Europe is designed only to confuse the Allied peoples in the face of impending military operations.

In a statement read at his press conference, the secretary called attention particularly to the setting of invasion dates by the enemy, so that when the dates passed without action the enemy could claim the Allies did not dare attempt the invasion.

"The day will come, but it will not be one which the Nazis have selected," he added, asking that the public "remain cool and patient during this trying period of waiting for D-day."

Meal Slaughtering Ordinance Planned

AUSTIN, May 18.—(AP)—Pending the time the group can make recommendations to the next legislature, a house committee headed by Rep. Roger Evans of Denison has decided to send to city health officers recommendations for the sale of proper meat for human consumption.

The committee under authority of a resolution passed at the last general session has made an extensive investigation of alleged sale of diseased beef.

Chairman Evans said the committee would recommend to cities an ordinance on meat slaughtering based on federal standards.

Men Don't Go To War With Glad Hearts

By HAL BOYLE
LONDON, May 18.—(AP)—Leaving the United States to return to the war zone is like talking about heaven. Nearly everybody says he would like to go—but very few exceed the speed limit trying to get there. Like crawling out of bed on a cold morning, the more you think about it the more reasons you find for not doing it.

A few weeks of rest in the home-

CASSINO: ROAD TO ROME

Cassino, one of the hardest nuts to crack, has fallen to the victorious Allies in Italy, and the road to Rome lies ahead. Despite the fact that there lies ahead much hard fighting, the weight of military might is telling on the German defenders. Americans, British, French and Poles constitute the armies sweeping simultaneously into the Hitler line (not shown) which anchors on Terracina on the west and above Pescara on the Adriatic sea.

Baptists Take Up 3 Social Questions

ATLANTA, May 18.—(AP)—Reports on racial, liquor, labor and management problems came before the Southern Baptist convention for consideration at its final session today.

Earlier this week the committee on Negro ministerial education asserted that "subversive groups are finding in the Negro a fertile soil for their destructive aims x x x too often because of the lack of trained Christian leadership."

The committee recommended that the convention furnish \$5,000 annually to each of 13 Negro Baptist colleges and that whites and Negroes join in a program of improved education for Negro ministers.

Dr. Pat M. Neff, president of Baylor University and former Texas governor, was reelected president of the convention for his third year. Dr. Louie D. Newton, pastor of the Druid Hills Baptist church, Atlanta, was elected first vice-president.

Such an inquiry he said, might "open the eyes of Attorney General Biddle who recently said he had found no illegal action by the CIO political action committee."

'Gustav Line Has Now Ceased To Exist,' Communique Says

By RICHARD McMURRAY
Associated Press War Editor

Cassino and Formia, two German strongpoints in central Italy, were captured today by Allied troops who were storming steadily ahead toward Rome on a violently erupting 25-mile front. (See map).

British troops captured Cassino, where the Nazis had repulsed Allied attacks for five bloody months. They had virtually encircled the city

in conjunction with a Polish corps which stormed Hill 593, northern anchor of the Adolf Hitler and the Gustav line. The British had cut the via Cassinella two miles beyond the city on the way to Rome.

Formia, southern anchor of the Hitler line, fell to American troops in a five-mile advance. Both Cassino and Formia are 72 airline miles from Rome and around 40 miles from the southern edge of the Anzio beachhead, where the enemy said Allied troops were attacking cruisers pumped 3,000 shells into the Formia area before the doughboys stormed in.

The old Benedictine monastery on a mountain towering above Cassino was captured by the Poles but it was only a ruin. The Germans had turned it into a fortress. A substantial part of the first German parachute division, the dogged green devils of the Cassino garrison, were wiped out during the considerable victory. Allied headquarters in Naples announced.

"The Gustav line has now ceased to exist," the communique said. "With air power to spare, U. S. heavy bombers ranged across the Adriatic from Italy and bombed Ploesti in Romania and Belgrade and Nis in Yugoslavia. All are rail centers. Ploesti is the center of Romanian oil refining."

French in the center captured Espira—a strongpoint of the Hitler defenses which were reached at many points. The mountain fortress is 70 miles from Rome and 48 from the Anzio beachhead. Another 1,500 Nazis surrendered.

Sec. Forrestal Says New Blows At Japan Coming

WASHINGTON, May 18.—(AP)—James V. Forrestal, warman second class in World War I, financier before World War II, and under-secretary of the navy since 1940, today is officially the number one naval man.

President Roosevelt had nominated him following Knox's death and yesterday the senate confirmed the nomination.

The fourth to hold that portfolio during the tenure of Mr. Roosevelt in the White House, Forrestal held his first news conference yesterday. He marked it with the announcement that the destroyer will be named for his predecessor, and that the outer Pacific defenses of Japan have been beaten down to the level of a "line of defense in name only."

American sea forces, he said, have penetrated 1,500 miles within the enemy defense perimeter extending from the north Pacific Kuriles through the mid-Pacific eastern Marshalls to the Bismarck Archipelago.

And, bearing out the news of the heavy assault on the Japanese by the greatest navy in history, Lt. Gen. Alexander A. Vandegrift, commander of the Marine corps, predicted that new blows will be hurled against Japan, possibly very soon.

Sketching details, Vandegrift said tersely:

Wichita Falls Bus Drivers on the Job

WICHITA FALLS, May 18.—(AP)—About 75 bus drivers, who took a voluntary holiday yesterday in protest against the employer company's alleged violation of a contract signed with the drivers union last February, had city buses back in operation today.

Resumption of service after a 15-hour interlude, came last night following conferences between unionists and the management.

GI SHOW GOES 'BIG TOP'

The "greatest show on earth" will hit the sawdust trail at Pampa Army Air Field tonight at 8:45 in the service hall, when a GI circus staged by PAAF enlisted men and a dance is presented for enlisted men, their wives, sweethearts and friends. Capt. Willis D. Cowan, special services officer, said today.

The service hall will be decorated with all the colorful trimmings of the "big top." A red and white striped canopy which will shelter the circus, a side show, colored banners, a cardboard menagerie of hand-painted wild animals, popcorn and pink lemonade—they'll all be there. Barkers will line "gambler's row" and "drag in the suckers" who won't lose a cent and yet have a chance to win prizes. Inflation money still be used. There will even be the traditional fat lady, the bearded lady, strong man, Siamese twins, and all the peculiar characters found at the real circus. Even a troupe of clowns, a circus band, equestrians, and an educated horse, will perform for the delight-

Pictures Reveal Extensive Maze Of Nazi Defense

LONDON, May 18.—(AP)—Photographed by bit during the steady Allied aerial hammering of the invasion force, the German west wall has been found to be a series of strong points embedded in concrete in a maze of minefields and barbed wire.

The reconnaissance photographs, showing the enemy fortifications gun-by-gun and mile-by-mile, now have been assembled into a giant map against the forthcoming day of invasion, an attack that the controlled Vichy radio asserted last night may be expected "any moment now."

The map, which provides Gen. Dwight D. Eisenhower and his command details on the potential battlefields, shows defense installations in camouflaged concrete clusters in staggered lines back from the mined European coast.

The defense clusters, all hide big guns. From some protrude long barrels of huge sunken batteries. From others rocket guns are set to fire toward the channel.

Flying heavily upon camouflage, the Germans have placed virtually all the defense system underground and have used camouflage extensively in an attempt to keep completed installations away from the prying eyes of Allied airmen. But the photographic eyes of Allied air forces have kept track of the digging step by step.

Dies Forecasts CIO Will Emerge As Communistic

JASPER, Texas May 18.—(AP)—Rep. Martin Dies (D-Texas), chairman of the house committee investigating un-American activities, said here today that "it will become obvious to the people that the Congress of Industrial Organization will become the Communist party of America."

In a telephone interview, Dies, who recently withdrew from the race for the democratic nomination for congressman from this East Texas district, was asked what place in history his committee would take.

"It will go down in history as one of the most important investigations ever conducted by Congress," Dies said. "The hundreds of reports compiled by the committee will form the foundation for future inquiries and future prosecutions. During our investigations there was so much controversy, there was so much explosiveness, so much bitterness, so much dynamite that the American people were divided into two groups—one, those who opposed us and would give no credit, and the other, the strong nation of Americans."

"Actually the committee was two or three years ahead of its times. Postwar conditions, the growing importance of Russia, the dictatorship of Stalin, and the fact that the American is in the hands of the Communist group, when Russia makes her change, it will be obvious to the people that the CIO will be the Communist party of America. When Russia changes, the CIO will trail."

"All that and the growing racial antagonisms and the processes of reaction now going on will not only justify the committee, but will cause people to go back and read our reports."

Dies said ill health and a desire to resume private practice of law prompted him to announce his forthcoming retirement from congress, is resting here on his 1,000-acre farm near Mrs. Dies said he was having "considerable trouble" with his throat.

About published reports that he was to be offered the presidency of the motion picture alliance, he said "I don't have any information on the subject."

NEVER TOOK A LESSON IN MY LIFE

"What's tough about driving?" asks Carol Mackall, 3, of Cleveland, O. "All you have to do is press a few gadgets, just like daddy does." Carol had no trouble in starting the family car. She even managed to stop it, after plowing through the garage doors and smashing fender, headlight and windshield. No, daddy didn't spank. The Mackalls were thankful that Carol didn't suffer a scratch.

Local Philanthropic Leaders Attend Meet At Atlanta, Georgia

Captain and Mrs. Herschel Murphy and Young People's Sergeant Major Edith McPhillips of the Pampa Salvation Army post returned Wednesday from the annual Salvation Army commissioning of Cadets in Atlanta, Ga.

General Evangeline Booth (retired) was the honored guest speaker at the gathering. She commissioned the 58 new lieutenants.

General Booth spoke to several hundred at a banquet held in her honor at the Ansley hotel, where many noted persons were present. The commanding general of the fourth area, a navy admiral, Governor Arnall of Georgia, introduced her. Editors of both the Atlanta Constitution and the Journal were guests, as well as the warden of the federal prison, mayor of Atlanta and numerous military personnel, including the last man to leave Bataan.

Sold Governor Arnall in his introduction of the general: "It is rather peculiar that I should introduce to you one of the world's greatest women—Evangeline Booth. For she was known before me, and will be remembered long after me."

"A great good will come out of a great evil," said General Booth. "There is more religious thought today than ever before in history. More hymns are being sung, and more praying by millions. Religious bodies are more active than ever, and 400,000,000 Bibles were sold in a 12-month period."

"The Salvation Army doesn't wait for red tape or money," she declared, standing poised and graceful, despite her nearly 80 years. "My mother, Catherine Booth, wife of the founder, was the first woman to preach from a public pulpit. Naturally, I am a champion of women. After this war I believe that women will be more appreciated throughout the world. After all, there is no greater influence for good than that of a holy woman."

Service Men Benefits Will Be Discussed

Specialization and other benefits for returning veterans will be discussed when the American Legion meets at 8 o'clock tonight in the basement of the Combs-Worley building.

Ex-service men of both World Wars are invited to the session, according to Gilbert Granson, chairman of the legion's publicity committee.

The ruins of Herculaneum were discovered in 1719.

BUY BONDS—The river Jordan has never been navigable.

DETAIL FOR TODAY

Cadet Widow

A CADET WIDOW is a girl living in a small town near an Army flying field, and who has dated members of each class. The cadets come and go, but the CADET WIDOW lingers on. A date with her is trying indeed—she knows all the answers and has heard cadet talk for a longer time than the lad who is dating her has been a cadet. If a CADET WIDOW lingers on, a date with her is trying indeed—she knows all the answers and has heard cadet talk for a longer time than the lad who is dating her has been a cadet. If a CADET WIDOW lingers on, a date with her is trying indeed—she knows all the answers and has heard cadet talk for a longer time than the lad who is dating her has been a cadet.

Quality

Furr Food has always given the highest quality foods at the lowest market price... even today, they are doing their utmost to maintain this high standard, and in spite of the many difficulties are offering still a wide selection of quality foods.

PAMPA PUBLIC SCHOOLS SPELLING CHAMPIONS

Highest ranking room in all the fourth grade rooms in Pampa schools that took part in the annual city tourney was that of Mrs. Addie Daniels at B. M. Baker school. These pupils' average score was 99.53 per cent.

Baker school, with Mrs. B. G. Gordon's room as the other fourth grade entry, ranked the highest of any school in fourth grade spelling with an average score of 99.32 per cent.

This is the second consecutive year that Mrs. Daniels' room has been highest and the Baker school highest in all-fourth grade spelling. For 1944, the runner-up was Sam Houston school with a 99.04 per cent average.

Bottom row—Danny Malone, Jack Vandover, Billy Frank Davis, Hughey Roberts, G. W. Sloan, Royce Burgess.

Second row—Charles Williams, James Keller, Donald McDonald, C. J. Olsen, Franklin Melton, Jimmie Stevens.

Third row—Mrs. Annie Daniels, teacher; Olea White, Frankie Sue Little, Frances Ediger, Josephine Dorman, Phyllis Tremble, Marie Adams, Frances Smith, Bert R. Nuckols, Baker Principal.

Fourth row—Betty Harrison, Alice Lane, Hazel Mae Matlock, Marilee Felder, Mary Lou Nolen, Frances Pugh, Wanda June Dudley.

Oil Experts See No Increase In Gasoline Rations, Civilians Must Use Sparingly

Oil refineries operating at full capacity are producing petroleum products at the record rate of 1,642,000 barrels a year. Of this, less than a billion barrels—about 65 per cent of pre-war usage—is available for all civilian driving. The remainder is needed for war purposes. Photo shows oil casks on the deck of a mother ship at Anzio beachhead, used to refuel other warships in the harbor.

By S. BURTON HEATH
NEA Staff Correspondent

TULSA, Okla., May 18—There is not going to be more gasoline for civilian motorists, wherever they live, until war demands are decreased by at least the approach of victory.

This is not to say, flatly, that gasoline rationing will not be increased anywhere at any stage. Politics and pressure might conceivably force some letdown in restrictions. If that occurs it will be at the expense of the war effort, and will prolong the fighting and cost the lives of American men who should not have to die.

It is said, occasionally, that no military or naval operation ever has been handicapped by lack of gasoline. This is not true. Flying

MANY NEVER SUSPECT CAUSE OF BACKACHES

This Old Treatment Often Brings Happy Relief

Many sufferers believe nagging backaches quickly, once they discover that the real cause of their trouble may be tired kidneys.

The kidneys are Nature's chief way of taking the excess acids and waste out of the blood. They help most people pass about 3 pints a day.

When disorder of kidney function permits poisons to remain in your blood, it may cause nagging backache, rheumatic pains, leg pains, loss of pep and energy, getting up at night, swelling, puffiness under the eyes, headaches and dizziness. Frequent, or stony, passages with a burning or stinging sensation show there is something wrong with your kidneys or bladder.

Don't wait! Ask your druggist for Doan's Pills, used successfully by millions for over 40 years. They give happy relief and will help the 14 miles of kidney tubes flush out poisons waste from your blood. Get Doan's Pills.

YOUR GARDEN

By HENRY L. FREE
Written for NEA Service

Plan your 1944 Victory Garden so the same crops will not be planted in the same places they occupied last year. If your memory or records are good, there were some vegetables which did not measure up to standard. These might be replaced with varieties which are new to the garden world, but tried and true by the All-America Seed Selection Committee.

Cucumber Cubit, an All-America winner, with smooth round 6 to 8-inch fruits, ready for picking about 68 days after planting.

Green Bush Bean, Keystone, most prolific even under poor growing conditions, and as tender as the best.

Green Beans Logan and Florida Belle, developed by the U. S. Department of Agriculture as being improvements on Bountiful, and Cooper Wax, which resembles Pencil Pod. These varieties are resistant to mosaic, powdery mildew and somewhat to bacterial blight.

Lettuce Great Lakes, developed in Michigan State College, is an "All-America" selection. Order now as the supply of all better lettuce seeds is short.

Tomato Jubilee—now new, but so good; orange-fleshed variety and a fitting companion for Marglobe.

Corn—and who doesn't want to grow some! A continuous supply for five to six weeks from a planting of Seneca Dawn, a yellow hybrid sweet

corn, and Marcross, Sugar and Gold is likewise recommended as an early sweet corn.

Lima Beans—Early Market and Fordhook 242, heavy yielding and uniform in size and color.

Muskmelon, Iroquois, developed at Cornell University and declared to be furarium-resistant. A good size, oval and with thick orange flesh.

Pepper, Early Pimento—All-America winner, heart shaped, 3 1/2 inches long and 2 1/2 inches in diameter, thick flesh, very mild and especially sweet after it has turned red.

Watermelon—White Mountain, which as the name indicates, was originated in New Hampshire. Producing 70 days after seed is sown, weighing 3 to 5 pounds. Thin rind with crisp, sweet flesh, medium red in color. Highly recommended for small garden.

BUY BONDS—NOTICE TO PAINTING CONTRACTORS
The City of Pampa will receive bids addressed to the City Manager, City Hall, Pampa, Texas, for the painting of the woodwork on the outside of the City Hall according to the plans and specifications on file in the City Manager's Office. Said bids will be opened and the contract let on June 6, 1944, at 10 a. m. in the City Commission Room of the City Hall in Pampa, Gray County, Texas.

W. C. deCORDOVA, City Manager.

May 18 and 25, 1944.

Women Respond To Industry Call

Women of Pampa and Gray County apparently are more eager to do their part in war work than the men, judging from the number of women who have made inquiries at the U. S. Employment service concerning the appeal in the current War Manpower commission campaign.

Despite the fact that most of the jobs ordinarily filled by women, such as those in civil service, are taken, the women feel that they still want to do their share in winning the war, and are willing to take employment not generally associated with their sex.

Some employers are still dubious over women's ability to drive trucks, be mechanics or apprentice mechanics, but the women are willing to do these jobs if given the chance.

A total of 65 jobs has been filled in war essential industries in the Pampa area since the campaign started, but this is a long way from the goal of 500.

Meanwhile, calls continue to come in to the U. S. Employment service, 206 N. Russell, for more

employees. For example, in the period from noon Tuesday to Wednesday night, the office received calls for 35 workers.

A railroad sub-contractor wanted 20 laborers, one oil company 10 and another oil company five roustabouts. The need for workers in essential industries does not cease anymore than the United Nations war on the Axis.

If you want to help your country, leave your home in a less essential industry, and apply now to the U. S. Employment service for work of the kind that will speed the day of victory for America.

BUY BONDS—Grandview To Close Year With Picnic

Grandview will again hold its annual picnic, marking the end of the school year, at noon Thursday, May 25, at the school, located 16 miles southwest of Pampa.

The program will be the same as

WACs May Now Name the Job They Want and the Station They Want

If you want to guide the big bombers and power-packed fighters of the Army Air Forces from a control tower, just tell the U. S. Army; and if you want to be a mechanic or a geodetic surveyor or a telegraph operator, just name your job and the camp or airfield where you want to be stationed.

That's the new ticket that women of Pampa and vicinity can write for themselves, Lt. Evan K. Shelby, WAC Recruiting Officer at Pampa Army Air Field, said yesterday. When Women enlist in the Women's Army Corps, they can now not only select their branch of service, but they can pick the actual job, and, depending on the needs of the Army, the camp, post or airfield where they want to be stationed.

Under the new plan, Wacs can choose any one of the three main branches of the Army—the Army

Air Forces, Ground Forces, or Service Forces. A grand total of 239 jobs are combined under these three branches. Covering an enormous sweep of training, backgrounds and interests, jobs range from control tower operator, airplane mechanic and parachute rigger in the Air Forces, to radio operator, draftsman and meteorologist in the Ground Forces, to X-ray technician, truck driver and personnel technician in the Service Forces.

During this week—which has been denoted as WAC Week, since the Women's Army Corps celebrated its second anniversary on Monday—Pampa women between 21 and 49 inclusive are especially urged by Lt. Shelby to call upon him, Phone 1700 and ask for extension 323.

Meat Supplies May Take 10-Pound Cut

WASHINGTON, May 18. (AP)—A 10-pound reduction in civilian supplies of meat is expected during the last half of 1944, was forecast today by the bureau of agricultural economics.

In a report on the national food situation, the agriculture department's statistical agency said civilian consumption during the first half of the year was expected to average about 77.5 pounds per person.

Supplies available during the last six months were forecast at 67.5 pounds.

If borne out, the consumption level of the last half of the year would be at the rate prevailing in 1943, when all meats were rationed.

The bureau's figures indicated a total average civilian supply of 145 pounds of meat for 1944, or eight pounds more than was available last year.

The per capita consumption of all food in 1944 is expected, the bureau said, to average substantially the same as last year.

Los Angeles Negro Defeats Gonzales

LONG BEACH, Calif., May 18—(AP)—John Thomas, Los Angeles Negro lightweight, won a unanimous decision in 10 rounds last night from Lupe Gonzales, also of Los Angeles. Both men came in at 135 pounds.

Thomas is tentatively scheduled to Juan Zurita in Madison Square garden in June.

Philanthropist-Dr. I sent a poor,
starving man down to you with a
note this morning to tell you to give
him a meal. What's the bill?

Philanthropist-What were the in-
cense?

Restaurant Owner-Four beers and
two cigars.

A WAC was driving a jeep for the
first time and became so engrossed
in the passing scenery that she failed to
see the supply truck ahead. At the
base hospital, the doctor asked the
nurse:

Doctor-Did you hold a glass to her
face to see if she was still breathing?

Nurse-Oh, yes, and she opened one
eye, gasped and reached for her
powder puff.

GIFT OF GOD
Chief Justice Maxey of the
Pennsylvania Supreme Court
We hear a lot today about
some "new freedoms"-freedom
from want and "freedom from
fear." Any man who declares that
government can and should pro-
vide these freedoms is either an
ignoramus or a fraud. Freedom
from want is not a gift of gov-
ernment at all, and it is a gift of
God only to the extent the recipi-
ent co-operates, or God helps
those who help themselves. Life
was intended to be a struggle-
not a "donation party."

BUY BONDS
Did you hear the story about the
man who went into a store to buy a
fountain pen? The salesgirl gave him
one to try. He covered a sheet of
paper with the words: "Temper Fu-
gitt." The salesgirl offered him another
pen.

"Perhaps," she said, "you'd like one
of these better, Mr. Fugitt."

Two girls were talking:
First-What kind of a fellow is
your sweetie?

Second-When the lights went out
as we sat together in the living room,
and all the folks out, he put in his
time trying to fix the fuse.

First-Handy, ain't he?

A WAC was driving a jeep for the
first time and became so engrossed
in the passing scenery that she failed to
see the supply truck ahead. At the
base hospital, the doctor asked the
nurse:

Doctor-Did you hold a glass to her
face to see if she was still breathing?

Nurse-Oh, yes, and she opened one
eye, gasped and reached for her
powder puff.

Badwin-Beckham Vows Said Here

Mr. and Mrs. E. A. Baldwin, 1001 Ripley, announce the marriage of their daughter, Lela Pearl, to Petty Officer Harold T. Beckham, son of Mr. and Mrs. H. T. Beckham, 713 W. Francis.

A double ring ceremony was held May 17, in the Central Baptist church with the Rev. T. D. Sumrall officiating. In the Central Baptist church, candelabra provided a background for baskets of white ribbon marked the aisle.

"Sweet Mystery of Life" was played at the church organ by Mrs. J. D. Havard while Miss Mary Jean Evans and Miss Vontell Alexander lighted the candles. Miss Evans wore a pink net dress and corsage of pastel sweetpeas. Miss Alexander wore a gown of white and orchid chiffon and a corsage of sweetpeas.

Cpl. J. D. Havard sang "Oh, Promise Me," after which the wedding party entered to Wagner's wedding march.

Attending as maid of honor was Miss Willadean Ellis who wore a gown of pink chiffon trimmed in alencon lace and carried a colonial bouquet of sweetpeas and carnations.

Miss Freddie Nell Beckham, sister of the bridegroom and Miss Madge Lawrence acted as bridesmaids. Miss Beckham wore a yellow chiffon gown edged with lace and carried a colonial bouquet of sweetpeas. Miss Lawrence's gown was of rose taffeta and she also carried a colonial bouquet.

Jack Wallace, brother-in-law of the bridegroom acted as best man and Sgt. Donald C. Ormsom with Pvt. Tommy Thompson served as ushers.

The bride, given in marriage by her father, wore a gown of white slipper satin trimmed in Chantilly lace. The gown was fashioned with a sweetheart neckline and full puff sleeves above tight gauntlets. She wore a bridal train edged in lace. Her finger tip veil of bride illusion was draped from a halo of white roses she carried a bouquet of Joanna Hill roses tied with white satin streamers.

For something old she wore a small gold pin which belonged to her great-great-grandmother. For something new she wore a single strand of pearls which was a gift from the bridegroom. She carried a white handkerchief belonging to Mrs. Robert Huffines for something borrowed.

Following the ceremony a wedding reception was held in the home of Mr. and Mrs. Robert Huffines. The entertaining rooms were decorated with floral arrangements and the table was centered with a two-tiered wedding cake topped with a miniature bride and bridegroom.

The traditional first piece of cake was cut by the bride and bridegroom and cake and punch was served to Mrs. Howard Ogle and Miss Willadean Ellis to guests.

Following the reception the couple left for a short wedding trip. Mrs. Beckham chose a white alpaca dress fashioned with an embroidered yoke with white accents and a long going-away costume. Her corsage was of white Joanna Hill roses.

Mrs. Beckham attended Pampa High school where she was a member of the A Capella choir. She is now employed as secretary by the United Construction company, Pampa.

Petty Officer Beckham also attended Pampa High school and was employed by Rutherford Enterprises before entering the Navy in January, 1942. He is now stationed at Atlantic City, N. J., as an instructor after serving 18 months overseas.

Mrs. Beckham is residing with her parents and will join her husband soon.

Out-of-town guests present at the wedding were: Mrs. E. A. Donathan, Mrs. M. E. White, both of Oklahoma City; Mr. and Mrs. Howard Ogle and Mrs. D. M. Prantz, all of Amarillo; Mr. and Mrs. Jack Wallace of Dimmock and Mr. and Mrs. Lloyd Cristle and Mr. and Mrs. L. D. Wegman of Claude.

Parent Education Club Has Meeting In Steele Home

Parent Education Club met Tuesday May 16, in the home of Mrs. Dudley Steele for their last meeting in the club year.

Roll call for the day was "How can I bring out the best in my child's personality and appearance?"

In the business meeting, Mrs. Joe Gordon gave interesting highlights from the meeting of the Federated Clubs in Plainview recently.

Mrs. Geo. Friauf, president of American Association of University Women, conducted the installation service for the incoming officers.

The entire club participated in the program, "Between the Bookends" bringing their favorite literary selections.

The coasts served refreshments to the following club members: Mrs. Perry Gault, Mrs. L. N. Atchison, Mrs. Hugh Anderson, Mrs. Ernest Lamb, Mrs. Gene Fatheree, Mrs. Robert Boshes, Mrs. R. K. Edensborough, Mrs. David Weiss, Jr., Mrs. Russell McConnell, Mrs. R. H. Neustiel, Mrs. William Hyde, Mrs. J. B. Johnson, Mrs. Joe Gordon, Mrs. Aubrey Steele, and one guest, Mrs. Geo. Friauf.

Men Can Borrow
Page from Wife's Grooming Book

"There are husbands and fathers — sons, too — who would welcome aids to preserve both fresh grooming, and keep clothes clean longer, similar to those we use, if they could be convinced that no manly traditions were imperiled," writes a woman reader. "Have you any arguments?"

The answer to that one is: "Tell the man of your house that other men use deodorant—he, too, like doctors, athletes and G. I. Joe. Proof comes from one deodorant manufacturer's survey which shows that 30 per cent of its customers are tough-fisted men like these. I cite—a figure that's on the rise since the laundry and cleaning problem."

If he balks at using yours, because it snacks of the feminine, give him a package which he won't mind storing in his locker room or luggage or keeping on the shelf in his own bath cabinet.

Should he want to check moisture as well as odor, give him an anti-perspirant. Either a liquid or a cream will give him and his shirts and coats up to five days' protection—depending upon how active a life he leads, and how warm or constricting his clothes are.

Military Wedding Held in California For Elizabeth Bailey, Fred Burcham

Special To The NEWS.
SHAMROCK, May 16—Miss Elizabeth Bailey, daughter of Mr. and Mrs. Roy O. Bailey of Pontanelle, Iowa, became the bride of Sergeant Fred Burcham, son of Mr. and Mrs. M. W. Burcham of Shamrock, April 29.

The wedding took place at Santa Ana, Cal., at the First Methodist church. Chaplain Milton M. Schaper of the Marine Station officiated at the double-ring ceremony.

Spring blossoms decorated the church and made an effective background for the forest green uniforms of the bridal couple and their attendants.

Private Dorothy Cooper served as maid of honor, and Master Technical Sergeant Max Humphrey, U. S. M. C. as best man.

Miss Gilda Marshall, at the organ played pre-nuptial music and as the bride entered "The Bridal Chorus" from the opera "Lohengrin" by Wagner, was played.

During the ceremony "I Love You Truly" and "Ah, Sweet Mystery of Life" provided a musical setting. The bride is a sergeant in the Marine Corps Women's Reserves. The bridegroom is a graduate of Shamrock High school and graduate of business college in Lubbock. He enlisted for military service in 1941 and saw active service in Guadalcanal, and was transferred to Goleta, Cal., in October of 1943.

The couple will make their home in Goleta, where they resumed their duties at the Marine Corps Air Station following a short honeymoon trip.

The wedding was attended by the bride's parents and her brother and then 50 officers and enlisted personnel.

LABOR

(Continued from Page 1)

Mieh) introduced legislation to outlaw the organization of foremen's unions, saying it was prompted by a "disgraceful and unwarranted walkout" involving supervisory employees in the Detroit area.

Chairman M'By (D-Ky.) of the military committee said he could not predict what action it would take on Shafer's bill, but some other members said privately that probably nothing would be done for some time.

The fact that two labor-opposed representatives—Starnes of Alabama and Costello of California—were defeated in recent primaries, they said, might cause reluctance to take action at this time on labor-opposed legislation.

The issue of Negro voting came up pointedly yesterday in south Carolina where the democratic state convention flatly rejected a request that the Progressive (Negro) party be allowed eight of the 18-man convention delegation. The progressive party had announced that, if refused, it would contest the seating of the all-white delegation.

In other actions, the South Carolina democrats named an uninstrued delegation, defeated an anti-fourth term candidate for state chairman but recommended that the tenure of a president be limited to two four-year terms, and voted to call another state convention after the national convention to consider its decisions.

The Arkansas democratic convention chose 20 uninstrued convention delegates but adjourned without taking action on changing party rules to permit Negroes to vote in local and state elections.

On the Republican side, a nine-man uninstrued delegation was chosen in Vermont, but there was much support reported in it for Dewey. The state party platform backs labor in the right to bargain collectively.

Every Drop Counts

YES! You are doing an important job when you use every bit of food, every drop of milk. America has an enormous role in supplying our armed forces, the Allies and civilian needs. It's an important job because the success of it means one step nearer to Victory.

Now, more than ever before, you need milk on your table at every meal. Give your family its full quota of vitamins in the diet. It's the easiest way of keeping them on the job, keeping your own health up to par. Serve milk—but use every drop!

Just another of the thousand and one items that go to make up invasion materiel—British-made Clinton landing mats, used to establish airfields and roads on soft or marshy ground. Crane is pictured stacking them at an invasion supply depot in England.

BURMA

(Continued from page 1)

Honan province. Furious infantry attacks both inside and outside the city are being met but Japanese forces are spinning a gigantic trap around Loyal. Southeast of the city, Chinese troops reportedly recaptured a 50-mile stretch of the Heping-Hankow railroad.

Another trap, this time with the Japanese the victims, is being sprung in the southwest Pacific. General MacArthur's headquarters said Americans spreading out from the New Hollandia-Alape bases have contacted strong enemy patrols 34 miles southeast of Aitape. This narrowed to 20 miles the gap between the Yanks and Australian veterans striking northwestward from Madang.

Allied planes again blasted the Japanese on Wakde Island northwest of Hollandia and hit the Schouten Islands for the 13th consecutive day.

Central Pacific planes raided isolated Japanese bases in the Marshall Islands.

Oklahoma City Eleven to Play Pampa Harvesters Here This Fall

Grove Blanks Yankees, 4-0

By JACK HAND

It took Oral Grove a year to get even but the Chicago Sox right-hander today has squared his debt with the New York Yankees, who broke his nine-game win streak and ruined his no-hit bid in 1943.

Grove became the first pitcher to shut out the New Yorkers when he blanked them 4-0 with five hits yesterday.

Last July, Grove had a no-hitter with two out in the ninth when Joe Gordon's double spoiled it, and a few weeks later the world champs ruined his attempt for a tenth straight victory.

Washington muffed a chance to go into virtual tie for the American lead by bowing before Cleveland and Vern Kennedy's four hit effort, 4-2. Jeff Heath with a double and two singles, and Oris Hockett with a triple and a pair of singles, sent Roger Wolf down his first loss.

Buddy Hall's boot with the bases loaded—cost Philadelphia's Athletics a 2-1 decision to Detroit much to the dismay of 28,535 Quaker city fans who were trying to root the A's home for their seventh straight. Boston split two with the St. Louis Browns, winning 5-1, behind Tex Hughson's four-hit hurling but losing after a wild scramble in the finale, 12-8. Joe Cronin of the Red Sox became a bench manager again, yielding first base to George Metkovich and appearing only as a pinch-hitter. By the split and Detroit's night win, the Sox plunged into the cellar.

Brooklyn might be last in the National if the Chicago Cubs weren't putting up such a strong defense, for the Dodgers tumbled into seventh position after bowing to Pittsburgh, 8-5. The Brooks, having a poor road trip, came up with four runs in the sixth to grab the lead but the Pirates rolled with four in their half for an 8-5 margin before rain forced them to call it a night. Tommy O'Brien's triple with the bases loaded was the game-winning poke.

The Braves continued to get top flight pitching as Red Barrett rocked the St. Louis Cardinals back on their heels with five blows for a 5-1 edge.

Bucky Walters turned from pitching to hitting and as a pinch batsman cracked a double that gave Cincinnati a 6-5 triumph over the Phils in a see-saw game called a moment after the hit in the eighth inning because of rain.

Joe Medwick and Danny Gardella paced the New York Giants attack on five Chicago tossers for a 10-6 margin in a free-hitting game.

First Time Teams Meet Since 1939

Central High school of Oklahoma City had been added to the Pampa High school football schedule for 1944, Otis Coffey, Pampa athletic director, announced today.

The game will be played here on the night of September 29. It will be the first time the Harvesters have played an Oklahoma City team since 1941 when they swamped Northeast 26 to 6 and the first time the Harvesters have played Central since 1939, when the Pampa eleven edged out the Oklahomaans, 7 to 6.

Last season Central defeated both Capitol Hill and Northeast, two other Oklahoma City teams. Capitol Hill whipped Lawton, the team that beat the Harvesters 21 to 0 in a game last fall in the Oklahoma soldier town.

During the last 11 years, Central has been neither winner or runner-up for the championship of Oklahoma City teams, except for two years. This is an indication of their strength as Oklahoma City teams are generally tops in the Sooner state.

Now that the Harvesters have finished their spring workout, it's workout time for Harvesters park. The gridiron is being graded and smoothed. Bermuda grass is being set out, 400 yards of fertilizer has been dumped on the field, and the gridiron cleaned of rocks and glass.

There are 60 military science students, the school's head janitor, and the gridmen, who are doing this spring cleanup. A tractor is being utilized by the janitor while hoes and rakes are being used by the students. The job started a month ago, Director Coffey said.

As the 1944 schedule now stands, October 13 is an open date. A deal is pending for a game with either Brownwood or Odessa on October 20, but nothing definite has been settled. Location of the game is a factor.

Games definitely set are:
Sept. 15—Phillips, here, night.
Sept. 22—Midland, here, night.
Sept. 29—Central, O. C., here, night.
Oct. 6—Quannah, here, night.
Oct. 27—Brownfield, there, probably night.
Nov. 3—AMARILLO, there, day.
Nov. 11—Lubbock, here, day.
Nov. 17—Borger, here, day.
Nov. 30—Plainview, here, day.

Eye Rippers

By TOM WATERS

Veteran Stage Star

When Jim Jeffries was heavyweight champion we played together in a burlesque show called "World Beaters."

Twenty-one years ago, while a guest of Jeff's at Vernon, Calif., as we stood punching the bag, we saw a dim figure approaching out of the gloaming. It was Ad Wolgast, shadow-boxing as he came by on his way home.

This recalled to my mind the fight between Wolgast and Oakland Frankie Burns in San Francisco, May 27, 1911.

Wolgast was lightweight champion, at his best, but Burns gave him a terrific battle. In the 16th round the Dutchman had pounded Burns' left ear almost off and Referee Billy Roche stopped the carnage.

The raging Cadillac Wildcat of a moment before solicitously helped his beaten foe to his corner.

Tom Waters

Most American Youths Soft, Says Illini Sports Director

Putting physical fitness exercises on a competitive basis in high schools and colleges was favored by 86.93 per cent of the voters in a sports poll that was the basis of an article by Herb Graffis and Ralph Cannon in the June issue of Esquire.

In support of this opinion, Dr. S. C. Staley, director of physical education at the University of Illinois writes:

"Many Americans hold the opinion that our youths are tough, virile, and dynamic. This is true for 15 or 20 per cent. A far larger percentage are soft, flabby, and physically incompetent."

"Our studies show that three out of 100 freshman students cannot chin themselves one time; 15 out of 100 cannot swim. We have students who cannot make a standing broad jump of 5 feet; who cannot do one push-up; and who cannot hold their weight hanging on a bar."

"One of the fundamental defects of our current program is that we are reaching about 15 or 20 per cent. We should double this through junior varsity teams, light-weight teams, soccer, lacrosse, handball, badminton, and softball teams."

One part of the poll was this question: "Do you think the farm system is for the best interests of baseball?"

The answer was 74.77 per cent.

Willie Pep Seeks Bout With Bartolo

CHICAGO, May 18.—(AP)—Willie Pep, who claims the world's featherweight boxing crown (and owns it in New York), isn't overlooking his 10-round non-title bout with Frankie Rubino of Brooklyn tomorrow night, but he has his sights fixed on a proposed match with Sal Bartolo, some time in June.

Bartolo is the National Boxing Pep scored a clean-cut decision over him in defense of his title in Boston last June 8. Then Willie entered the Navy, and the N. B. A. turned over the title to Sal. Now Pep is out of the navy, on a medical discharge, but Bartolo still is the N. B. A.'s champion.

Willie's title will not be at stake Friday, for stocky, dynamo-fisted Rubino will weigh in at 133 pounds—seven over the limit.

Heavyweight — Jack Dempsey 49.72
Light Heavyweight—Bob Fitzsimmons 40.81

Full-Time Coach Rule Retained By Texas AA Schools

AUSTIN, May 18.—(AP)—Class AA Texas High schools in football and basketball competition will retain for next year a rule that coaches in these sports must be full time employees of their respective school systems.

Administrators in this group of schools voted 50 to 33 to retain the rule, said Roy Bedichek, director of the interscholastic league in announcing results of a mail referendum.

Class A and B schools have voted for employment of part time coaches as a concession to war time manpower.

NEWS OF OUR MEN—WOMEN IN UNIFORM

Kenneth Hamilton Cambern, 704 N. Somerville, has been promoted from second to first lieutenant, according to a release from the War Department yesterday.

Word has been received that **Claude R. Cable, AS, son of Mr. and Mrs. Lee Cable,** is now stationed in San Diego, Cal., where he will take his basic training. He entered the Navy April 28. He attended Pampa High school and was employed in Pampa and in Amarillo before going into service. His wife is making her home in California.

A brother, **Clyde M. Cable, 8-1/2,** is now serving overseas, with the amphibious forces. He attended school here and was employed by Cabot companies before leaving for the Navy July 12, 1943.

From New Guinea comes word that **7/2nd James M. Nation, Jr.,** whose wife, Mrs. Hazel Nation, and son James III reside at 320 W. Francis, was recently awarded the Good Conduct medal for exemplary behavior and efficiency. He is a supply clerk with Lieutenant General George C. Kenney's Fifth Air Force in New Guinea.

Lt. Hiram Fenton, Jr., whose wife resides at 315 N. Banks, has been awarded the Silver Star from Gen-

eral Mark W. Clark, Fifth Army. He has also received the Bronze Star for action in the Italian campaign and commendation for meritorious service.

Mrs. Fenton, who is the daughter of Mr. and Mrs. H. A. Doggett, received a photo last week from her husband, photographed by General Clark, showing the presentation which was made March 11. Fenton received his lieutenant's bars March 27.

CANADIAN—Mrs. John C. Isaacs had a telephone call Sunday from her son John C. Isaacs, Jr., serving on a transport ship in the Pacific. He had just returned from an 8,000 mile sea voyage and had been on hand only two hours.

Mrs. Isaacs also received a certificate issued to her son who was initiated into the Solemn Mysteries of the Ancient Order of the Deep on March 27 when the transport crossed the Equator, a navy custom initiating all the seamen crossing the equator for the first time.

CANADIAN—Technical Sergeant John C. Willett, son of the Rev. and Mrs. T. C. Willett formerly of Canadian, now of Muleshoe, has been in the far east since early this year, for a time in India and now is in China.

BUY BONDS—Rites Held Today For Mrs. Sophie Behrman

Funeral services will be held in Detroit today for Mrs. Sophie Behrman, 53, mother of B. M. Behrman of Pampa, now serving in the U. S. navy.

Mrs. Behrman died Tuesday of a heart attack. Her daughter-in-law left Pampa Tuesday to attend the funeral.

FUNNY BUSINESS

"He snores—so we use him for a fog horn!"

Romance Thrives Via AP World Wire—Everybody Is Very Happy

By FRED HAMPSON

AN ADVANCED SOUTH PACIFIC AIRBASE, May 18 (AP)—Miss Ann Bongiorno, Jackson Heights, Long Island, New York, please note:

When Joe Broncato, New York City, parachuted from a burning Liberator off New Guinea in the Bismarck sea the other day he said: "Well honey, here's Joe."

Quite unabashed and very thankful still to be alive, Joe told about it in the pilots camp where he is resting up.

He was talking to you across half the world. He says he's been engaged to you for two years, and in love with you longer than he can even remember, and that you usually can guess what's in his mind. And he wonders if you heard him just before he hit the silk.

Write him right away and let him know—by all means.

It was a tough break for pilot flight officer Joe Broncato when his first mission. They bombed Mokmer airfield on Biak Island in the Schouten group. The formation of Liberators on the mission had no fighter cover when 20 Zeros came at them as they retired from the target. The first Jap pressed his attack hard and sent a stream of 20 men into the number two engine which immediately caught fire.

The wing was almost burned through when the pilot ordered everybody to jump. Joe's chute opened at about 800 feet, but the pilot's feet actually touched the water before the chute broke his fall.

The sea was rough and Joe swallowed a lot of sea water and dye. He got pretty sick before another plane dropped him a life raft, but he managed to reach it about the same time as the pilot.

They froze nights and were scorched in the daytime. But for four days they battled sharks and kept playful porpoises from tipping their rubber raft upside down.

A search plane sighted them the fifth day and picked them up, none of the others were found.

Now all of that is pretty rugged for a first mission, but Joe will be going out again with another crew and another ship in a few days, and I could tell from the light lines around his mouth and eyes that he could use a few cheerful letters from his folks—and especially you.

How about it, Ann?

DEAR JOE

NEW YORK, May 15 (AP)—To

Don't Wait Until "Porrhea" Strikes

Look at your "GUMS," everyone else does. Are they irritated? Druggists refund money if first bottle of "LETO'S" fails to satisfy.

CRETNEY DRUG STORE

Flight Officer Joe Broncato in the South Pacific:

Your sweetheart, and Bongiorno, heard today about your plunge into the Bismarck sea followed by your rescue and you should get a letter soon because she says she writes every day.

And about that message, Joe. Well, here's what she said:

"I keep praying all the time for your safety and I'm going to keep on praying."

She said it made her "very happy" that you were thinking about her.

Joe related at his South Pacific base that when he parachuted from his plane he said: "Well, honey, here goes Joe."

In case her letters haven't been coming through very regularly, Joe, you might like to know she's still holding down that secretarial job. She hopes your Pacific job will be finished soon, because:

"I'm just counting the days until he comes back. Then we're going to get married."

And here's a message for you, Joe: She says she loves you as much as ever.

Mid-Continent Oil Men Meet May 25, 26

War-time conference of the mid-continent district division of production, American Petroleum Institute will be held on May 25 and 26 at Tulsa.

Panhndle oil men will gather with others from the mid-continent district to learn how to operate with more efficiency and how to overcome the handicap of war time restrictions, it was announced today.

The Mayo hotel is convention headquarters. All meetings will be held in the Crystal ballroom. Registration will open at 8 a. m. May 25, and the first meeting will be at 10 a. m. two hours later, when "Manpower" will be the subject.

Presiding at this meeting will be P. H. Bohart, Tulsa, Gulf Oil corporation.

"Training New Employees under War Conditions" will be the subject of a speech by M. L. Ryvers, state supervisor of trade and industrial education, Oklahoma A. and M. college, Stillwater.

A timely topic for Panhndle oil men will be "Secondary Recovery," by C. B. McClintock, chief secondary recovery unit, Petroleum Administration for War, Washington, D. C. This will be at 2 p. m. Friday, May 26.

Most of the conference speakers are Oklahomans. Others are from Kansas, New York, Pennsylvania, and the District of Columbia.

AAA BLANK

(Congressional Record)

Mr. Hoffman, Mr. Speaker, I ask unanimous consent to revise and extend my remarks and include therein certain newspaper articles.

The Speaker pro tempore. Is there objection to the request of the gentleman from Michigan?

There was no objection.

Mr. Hoffman, Mr. Speaker, two recent acts show the fixed determination of this administration to impose its will upon the people, regardless of law. The administration has long been determined to impose its orders upon farmers. It insisted they kill little pigs; reduce production, farm its way, limit acreage, sow or plant the kind of seed it directed, sign up with the AAA, to compel farmers to do this it made benefit payments, imposed penalties upon the sale of some wheat; more recently refused to permit some farmers to sell corn and, with public money, paid thousands of agents to enforce its orders.

Last week, from a substantial farmer who is also a supervisor of one of the townships in my home county, came a letter stating that, when he applied for gasoline for his tractor, he was told that it was compulsory to first see an AAA agent, to make application on an AAA blank. Others were told when they asked for farm machinery or deterring of farm labor, to first see the AAA agent. That is not the law. The AAA has no authority whatever over rationing or deterring. The Department here so admits, but to date has not complied with any request to issue instructions to its field agents to that effect.

Editor's note: The other act referred in the above referred to the order of the President to take over Montgomery Ward's Chicago plant.

THE GREAT ADVERTISING CAMPAIGN IS A FANTASTIC SUCCESS.

20 BOXES OF DE-RUMBLE PILLS!

30 BOXES TAKE YOUR BARREL!

50 BOXES TAKE YOUR BARREL!

THE PRESIDENT OF THE DE-RUMBLE-IZING PILL CO. IS ECSTATIC.

A LETTER FROM MAYOR:

A FLOOR COMMENDING US FOR OUR HELP IN ELIMINATING UNNECESSARY NOISE FROM THE CITY.

AND MILLIONS IN PROFITS!

She's Perfect... are You? Re-Wise... de RUMBLE-ize!!

Spook! A free picture of the Derumble-ize Girl with every box of pills.

TOO BAD YOU HAD TO HIT THE ONLY HOOT TRAIL, STELLA!

FEELIN' SORRY FOR ME, COWBOY?

OF COURSE, BUT...

OH-O-O-REDY! W-W-WHY CAN'T YOU AND I...

I DON'T VAMP EASY, MAMAM! SAVE YOUR GOO-GOO EYES FOR TH' SHERIFF!

BUT I WARN YOU HE'S FAR-SIGHTED!

GOING ABOARD, CAPTAIN? MY NAME'S WAYSON.

I'M CAPTAIN EASY OF A-2... GLAD TO MEET YOU, CAPTAIN WAYSON.

AND THIS IS LIEUTENANT WHITE...

HOW DO YOU DO, LIEUTENANT?

MEANWHILE, IN BANGKOK, SIAM:

THE AMERICAN CAPTAIN EASY, CARRIED IMPROBANT INFORMATION GENERAL. I TRIED TO STOP HIM, BUT...

YOU WERE LONG IN KINAMING CAPTAIN MUTH. THERE MUST HAVE BEEN CLUES TO THE CONTENTS OF THAT PACKET! WHAT WERE THEY? WE MUST KNOW!

I DON'T LIKE THE LOOKS OF THAT GOODY BUT IF WE'RE EVER TO GET INFORMATION WE'LL HAVE TO CHANCE THEIR HOSTILITY!

THE GANG IS PRETTY WELL ARMED!

SCARED, BUT THAT'S NO SIGN THEY'LL BREAK AND RUN!

CROSS YOUR FINGERS, DOC! THE NEXT FEW SECONDS MAY DETERMINE THE WHOLE FUTURE OF THIS EXPEDITION!

OKAY, BOOM!

JUST WHAT I THOUGHT!

YOU HAD NO BUSINESS CARRYING A MODE OF YOURSELF ON THE RUNNING BOARD OF A CAR!

I MAKE MY OWN DRESSES AND I HAD TO HAVE A FIGURE TO MODEL THEM ON. CAN I HELP IT IF THE POLICE FOUND IT?

GOSH, I WAS NEVER SO EMBARRASSED IN MY LIFE!

YOU'RE EMBARRASSED!!!

LISTEN, WHEN YOU WALK DOWN THE STREET WITH ME, NOW, IT WON'T BE YOU THEY'LL WHISTLE AT.

BOOTS KIDNAPED ???

—OH, WHAT A FOOL I WAS TO BRING HER DOWN HERE!

IT'S MY FAULT, LETTING SOME CHARACTER STEAL HER FROM RIGHT UNDER MY NOSE!

DON'T WORRY, BILL! I'LL FIND 'ER ANY WHEN I GET HOLD OF TH' COPS WHO TOOK 'ER. I'LL PLAY 'EM LIKE AN ACCORDION.

I'M GOING TO WORK WITH THE POLICE—WHO TWO SEE WHAT YOU CAN FIND OUT.

LOOKS LIKE WE'RE GONNA GET ACTION, GAWWERS! CALLING HIS HEAD MEN 'T GEDDER!

YEAH—IT LOOKS GOOD, HACK.

WELL, THEY'RE THROUGH NOW, WAIN. INTERESTING, WAIN'T IT?

VERY—THANKS TO YOUR TRANSLATION OF THE DIALOGUE?

BOY! YOUR OLD MAN SURE IS TOPWICK AROUND HERE! HERE HE COMES NOW!

ANY CHIEFS ARE READY TO WAGE AGAINST JAPAN! CAH—BUT I SHOULD WELCOME YOUR MILITARY ADVICE!

YOUR MAJESTY IS MOST GRACIOUS... HERE'S WHAT I THOUGHT WE MIGHT DO...

OUR BOARDING HOUSE - - - MAJOR HOOPLE!

OUT OUR WAY

By J. R. WILLIAM

MARTHA, YOU'RE LOOKIN' AT BORIS BOOCH, TH' FAMOUS FIRE-EATER, WHICH I'M CUTTIN' YOU IN FER A 10 PERCENT HUNK OF! YOU'LL START COLLECTIN' WHEN I GET HIM LINED UP FER GOME SHOWS—TILL THEN HE'LL BITE A FEW BISCUITS WITH US!

I SEE MY 10 PERCENT INCLUDES COOKING PRIVILEGES—WELL, I'LL TAKE MY DIVIDENDS BY THE WEEK, AND IT HAD BETTER BE MORE THAN PIPE SMOKE OR YOUT' THINK YOU'RE EATING VOLCANOES!

HOW-DA-DO, MRS. HOOPLE! YOU LOOK JUST LIKE MY AUNT WHO WAS AN AWFUL GOOD COOK!

JUST SO THERE'S NO MISUNDERSTANDING—

I SURE BEEN GETTIN' LITERACHOR IN PAINLESS DOSES SINCE YOU TOOK UP READIN' BOOKS, STIFFY! ALL I HAVE TO DO IS WATCH YOUR MOUTH!
