## Petit Jury Summoned for District Court

### Grand Jury to Reconvene After Two Weeks Recess

A petit jury has been summoned to report Monday, Nov. 29, 10 p. m., for the third week of the present term of the 84th District Court. Those called are: J. R. Thomas, Knox Pipkin, Harry T. O. Patton, Daniel Newman, W. W. Wamske, Omar Truax, Kenneth Trosper, E. E. Stuart, Fred W. E. Perry, Jack Todd, W. E. Wagner, Robert Thurman, P. Spicer, Percy Powers, George H. B. Urban, Debe Riley, Ray Robb, Ray Weir, Earl W. Ed. Pubs, H. A. Wiebe, E. A. Roy, O. Johnson, Paul R. B. H. Beckenbaugh, Roy R. R. Leatherman, W. A. Brown, W. H. Lackey, Frank J. Kelly, A. L. Swink, Earl Sill, Earl Miller, Kirt Williams and J. A. Russell.

The grand jury for this term of court recessed after meeting on the opening day of the term, Nov. 15. They will reconvene Monday morning. One indictment for forgery was returned.

Several non-jury cases have been heard before Judge Jack Allen. A number of jury cases are due to be heard next week and it is possible that there will be one or more criminal cases come to trial.

Next week is the third and final week of the regular term.

## Fourth War Loan Begins January 18

WASHINGTON, Nov. 21.—The Fourth War Loan Drive, with a goal of \$14,000,000,000, will begin January 18 and run until February 1. Secretary Morgenthau announced today.

The three previous drives raised more than \$30,000,000,000, and each exceeded its goal.

The treasury head said state war financing committees have been strengthened and expanded, and millions of volunteer salesmen will carry the campaign to every individual investor in homes and plants throughout the nation.

Major emphasis will be placed on the \$5,500,000,000 quota for individuals. During the period from January 18 to February 1, only sales of individuals will be reported to the treasury. Sales to other non-banking investors will be included in the reports beginning February 1.

Morgenthau explained that this arrangement will not preclude the acceptance of subscriptions from other non-banking investors at any time.

## Patton Brothers Are in Army and Marine Air Corps

Lt. Tom L. Patton

Pfc. Billy D. Patton

Sgt. Charles W. Patton

The three Patton brothers, sons of Mr. and Mrs. Grace L. Patton, 504 S. W. 2nd St., Perryton, are serving in the air corps. Lt. Tom L. Patton and Sgt. Charles W. Patton are in the Army air corps, and Pfc. Billy D. Patton is in the Marines. These young men are native Texans and have resided in Perryton the greater part of their life, receiving their grade and high school education in the Perryton schools. They are graduates of Perryton high school.

Lt. Tom L. Patton, born in Collins County, Texas, March 5, 1920, enlisted September 22, 1941, at Fort Sill, Texas, in the air corps, and was sent to Fort Sam Houston, Texas. He received his basic at Jefferson Barracks, Mo. He also trained in Colorado and Florida. He attended officers' candidate school at Kelly Field, San Antonio, as instructor, his address is: Lt. Tom L. Patton, 100th Depot Repair Sqn., Ft. Sill, Okla.

Sgt. Charles W. Patton, who was inducted May 10, reported for duty at Fort Sill, Okla., and was transferred to Kelly, Texas, where he trained until July 25, when he went to Laredo. In September, he completed the Flexible Aerial Gunnery Course at the Army Air Forces Flexible Gunnery School, Laredo. He was promoted to sergeant and received his aerial gunners wings. He recently was home on a visit from San Antonio, where he is a member of an Army Air Forces combat crew, as a gunner. Sgt. Patton was born at Miami, Texas, June 10, 1923.

Private First Class Billy D. Patton, the youngest of the brothers, who volunteered in the U. S. Marine Corps on March 7, this year, is at present a patient in the Navy Hospital, Brooklyn, N. Y. On Oct. 24, Dock had his leg amputated eight inches above knee as a result of a knee injury received while training in Jacksonville, Fla. He took his basic at San Diego, Calif., and was sent to Florida, May 23, where he was studying radio when he injured his knee. He was born February 12, 1925, at Miami, Texas. When he enlisted, he was employed at the Paramount Theatre, Amarillo. He will appreciate hearing from his friends while he is in the hospital. His address is: Pfc. Billy D. Patton, U. S. M. C., U. S. Naval Hospital, Ward C, Brooklyn, N. Y.

## Kenneth Silsbee To Sell Dairy Herd at Auction

Kenneth Silsbee, owner of the Silsbee Dairy, has announced that he will dispose of his entire herd of high grade milk cows at public auction. The sale will be held at the Perryton Sales Co. pavilion, Monday, November 29, starting promptly at 1:30 p. m.

Terms of the sale will be cash. Onas Littleton will cry the sale and J. R. Thomas will serve as clerk. Mr. Silsbee is forced to sell his dairy herd on account of continued ill health. This fine dairy herd, consisting of 45 head of Jersey and Holstein cows, was assembled for milk production, not for the purpose of selling, so buyers will find a herd of high production cows. Many of the cows are in heavy production. Eighteen are heavy springers. Mr. Silsbee says they are all of good production age.

## Christian Science Has Thanksgiving Day Services

It is an annual custom for Thanksgiving Day service to be held by The Mother Church, The First Church of Christ, Scientist, in Boston, Mass., and its branches throughout the world. The order of service includes the reading of a Lesson-Sermon on the topic of "Thanksgiving." Opportunity is also afforded those present to give testimony of gratitude appropriate to the occasion.

Services will be held today, Thursday, November 25, at 10:30 a. m., in the Perryton church, 801 S. W. 3rd street.

The Golden Text is: "What shall I render unto the Lord for all his benefits toward me? . . . I will offer to thee the sacrifice of thanksgiving, and will call upon the name of the Lord" (Psalms 116:12, 17).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "He that hath my commandments, and keepeth them, he it is that loveth me; and he that loveth me shall be loved by my Father, and I will love him, and will manifest myself to him" (John 14:21).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "To keep the commandments of our Master and follow his example, is our proper debt to him and the only worthy evidence of our gratitude for all that he has done" (page 4).

Lt. Kathryn LaMaster of the WAC stationed at Pampa, visited Thursday with her parents, Mr. and Mrs. W. B. LaMaster and with friends here.

Sgt. and Mrs. Nelson Pointer and Mrs. Pointer's mother were visiting in Perryton the first of the week. Sgt. Pointer is now at Camp Forrest, Tenn.

## Thanksgiving in AMERICA

This year, America's lands are still free from foreign invasion; its skies untroubled by enemy aircraft. We have good cause to thank our God for his beneficence. Let us do so, and let us look forward to the day when all countries will be as fortunate as we are.

## Nine Men are Accepted in Armed Forces

Of the thirteen men who reported at Lubbock last Thursday for their army physical, five were accepted by the Army, three in the Navy and one in the Coast Guard. Two were rejected. Two transferred from other states, and no report has been received on them.

Those inducted into the Army are: William Earl Brown, Kenneth Munger, Chellis Elbert Gidley, Harold Ray Murray and Elton Bryan Symons. These men will leave Dec. 10.

The three going into the Navy were Willie Alvin Smith, Walter Wilson Adams and Norman Frank Lewis. Russell Harold Turner went into the Coast Guard. Floyd Lester Johnson transferred from Oregon and Eugene Carl Reynolds from Kansas. Elmer Charles Rupprecht and George F. Margrave failed to pass the physical.

Miss Zola Mae Sheets was a Borger visitor last week.

## Herald Receives Two Five Year Renewals

The Herald continues to receive many new and renewal subscriptions from readers who are taking advantage of the present rate before the Herald subscription price raises on Jan. 1. We have taken two five year renewals. Mrs. Delta Davis gave us her check for \$10, paying for the Herald to Jan. 18, 1949, becoming the Herald's No. 1 reader for being paid in advance. Mrs. Sam McLain also paid up for five years, moving their expiration date up to Nov. 11, 1948. Present rates are \$2 for readers living in Ochiltree and adjoining counties, and \$2.50 for subscribers of other points, on Jan. 1, 1944, the rates will be increased to \$2.50 for local subscribers and \$3 to those outside Ochiltree and adjoining counties in Texas and Oklahoma. The rate to men and women in the armed forces will remain at \$2 for the duration.

## Correction in War Fund List

F. B. Sumpter, chairman of the Special Gifts division of the Ochiltree County War Fund Committee, announces a correction in the listing of donations. In the published listing, Ed and W. R. Skinner were listed as giving \$50, this should have been Ed and W. R. Greever, \$50. W. R. Greever was listed as giving \$50, this should have been Perryton National Bank, \$50.

The committee is very sorry that this mistake in compilation happened. With hundreds of subscriptions, it is very possible that there have been other mistakes. The Herald will gladly publish any corrections in the listings.

## Raining as Herald Goes To Press Wednesday

It was raining at noon Wednesday as the Herald went to press. The moisture started falling about 10 o'clock Wednesday morning. This is a gentle rain and if it continues through the day will be of great benefit. The Herald is coming out early this week because of Thanksgiving. Report on the moisture will be given next week.

## Week of Prayer Held At Baptist Church

Beginning Monday morning, Nov. 29, a Foreign Mission Week of prayer will be held every day for one week, at the Baptist Church from 3 to 4 p. m., with the exception of Friday when an all day meeting will be held.

This is for all circles of the missionaries and it is hoped that a good crowd will attend.

Bookkeeping and Accounting Systems at Stewart Printing Co.

## New Manager At Perryton Sales Co.

O. E. Davis, formerly of Durham, Okla., is now manager of the Perryton Sales Co. Mr. Davis is no stranger to Perryton as he has sold and bought much livestock at the Perryton sale.

Kenneth Munger, owner and manager of the Perryton Sales Co., will leave early in December for service in the army. He has not disposed of his interests in the business and expects to resume active management at the close of the war. Mr. Davis will have charge of all activities at the sales pavilion, including the trucking operations. Mr. Davis says that no changes are contemplated in the operation of the sales or employees. Onas Littleton, chief of the auctioneering force, and J. R. Thomas, clerk, will continue as usual.

The Perryton Sales Co., under the able management of Mr. Munger, has developed into one of the Southwest's leading livestock markets.

## Elect AAA Community Committee

Community committeemen for the administration of the AAA program were elected Friday in a county-wide farm, meeting at the courthouse in this city. The newly named committeemen will serve from Dec. 1, 1943, through Dec. 1, 1944.

Committeemen selected were as follows: Community A: (south of railroad in west half of county) L. H. Lance, Roger Pearson and Waldo Turbox. Alternates: Walter Davis and James F. Hardy. Community B: (north of railroad across county) Harold Kershaw, Ollie Morris and H. C. Brown. Alternates: Earl McGarrugh and Clinton Horn. Community C: (south of railroad in east half of county) A. E. Devers, W. C. Cotner and Julius Sell. Alternates: D. A. Cornister and Morris E. Smith.

R. A. Flowers, L. L. Lance and W. M. Good were named as delegates to name the county committee. They met Wednesday afternoon. (Due to the Herald going to press early on account of Thanksgiving, no report on their selection was possible.)

Members of the present county committee are Audie Conley, H. C. Brillhart and G. B. Mears.

## Scoutmaster's Training Course

Roy K. Killingsworth, field executive for Boy Scout work in Ochiltree, Hansford and Lipscomb counties in Texas, and Beaver, Texas and Cimmaron counties in Oklahoma will be in Perryton November 30 and December 3 to conduct a Scoutmaster's Training Course.

The course of instruction will be held at the American Legion Hall and will begin at 8 p. m.

This training course is for Scoutmasters and all adult Boy Scout leaders, such as members of troop committees and any and all persons interested in Scouting.

Mr. Killingsworth has been in Perryton much of the time during the past two weeks making a survey of boys, eligible and anxious to become Boy Scouts or Cub Scouts. He has sufficient boys ready now to form two new Scout troops and at least one Cub Pack.

Adequate leadership is the need now for a successful Boy Scout program in Perryton. It is hoped that this leadership will be made available by the training course.

## Do Not Molest Government Traps

Government Trapper Brumblow states that steel traps and animal caught in government traps are the property of the United States government. He cautions the public against interfering with traps or captured animals or any part thereof under penalty of federal regulations.

Federal penalty code, section 47, provides a fine for theft of government property of not more than \$5,000 or imprisonment for not more than five years, or both.

The government is spending large sums of money for the destruction of predatory animals in this area and they desire and expect the cooperation of the general public.

## Business Houses and Schools Close For Thanksgiving

Practically all business houses and offices in Perryton are closed today, Thursday, Nov. 25, in observance of Thanksgiving. The Perryton schools dismissed Wednesday afternoon to resume classes Monday morning. Students and teachers will have a two day holiday from classes, Thursday and Friday. This with the regular Saturday and Sunday recess gives them a four day vacation.

## JUST HERE and THERE

We have a recent copy of the Honolulu Star-Bulletin at the Herald office. It was given us by Bert Manning of the Gray community whose son is in the Islands. It is a regular American up-to-the-minute daily. Come in and look it over.

Due to restrictions on newspaper space due to news print rationing, shortage of help and increased cost of production, the Herald is forced to leave out or "cut to the bone" many stories. We wish to point out that stories of "coming events" will take precedence over stories about events or meetings that have already happened. So we are asking that you bear with us for the "duration" and not ask to print a re-hash of a last week story just because you want another clipping for your scrap book.

SERVICE SMILES: "No," said the girl returning from a date with a Navy man, "I don't know what his rank was, but I think he was a chief petty officer." "And where is Cadet Smith?" "A. W. O. L." "After women or liquor?"—A ducky soldier who said he was in the Artillery was asked: "What do you do in the Artillery?" "Ah opens the big gun, puts in a big shell, closes the gun, puts it in the right direction, pulls the trigger and says, 'Mista Hitler, recount your army!'"—A couple of colored boys were crouched in a shell hole while a barrage whanged over their heads. "Look here, Rastus," said one, "ain't you skeert?" "Not me," boasted the other. "Ain't no shell gonna come along got my name on it." "Me neither," said the first fellow. "I ain't worried about my name on no shell. What I am worried about is, maybe there's one marked 'To whom it may concern'."

There is much ado in the newspapers and on the air about the alleged altercation involving Lt. Gen. George S. Patton Jr. and a shell shocked soldier in a Sicilian hospital. The report was released by a radio commentator Monday night.

We ask that you not be too hasty in condemning the officer, even though the report is true. If you never been in the army, you have no idea what some men will do to avoid duty. The armed forces are made up of just the same kind of people we have in civilian life. Putting men in uniform doesn't make heroes out of all of them.

If Gen. Patton did smack this private down, let's not be too hard on him. The chances are he needed just what he got. Where the General made a mistake, was doing it himself and not letting a non-com or a private do the job.

In World War I we've seen soldiers chew on soap until they'd froth at the mouth, then take an epileptic attack; we've seen them with stomach trouble, had heart, and such poor feet, almost blind, hard of hearing and just a thousand and one things go wrong with them that they think they should be discharged at once.

If this war is like the other and we're pretty sure it is, officers and non-coms get fed up on such complaints and are inclined to look upon all such disability claims with suspicion. The truth

## Mrs. Wes Izzard Guest Speaker General Sorosis

The Perryton General Sorosis will meet Wednesday afternoon, Dec. 1, at 3:00 o'clock at the Methodist Church.

Mrs. Wes Izzard, Amarillo, president of the eighth district of Sorosis will be present and will conduct the entire program.

After the program the members will entertain with a tea.

## Old Clothing And Rag Drive Under Way

### Collection Opened November 22 and Will Close December 4

In answer to the urgent appeal of the Textile Division of the War Production Board to the National Salvage Division, Ochiltree county has been organized for a full scale collection offensive of discarded clothing and rags. Cecil Dodd, county salvage chairman, and Mrs. C. B. Rogers, chairman of the Women's Division, are heads of the local drive.

The drive opened Nov. 22 and will close Dec. 4.

Mrs. Rogers will hold a conference at her home Friday afternoon at three o'clock with the heads of all women's organizations of the county at which plans will be made for an all-out participation.

Arrangements have been made for a collection depot at the Perry building one door north of the Ellis Theatre, occupied by the F. B. Sumpter Insurance Agency. Mrs. Sumpter will be in charge at the collection point. She will be assisted by a committee appointed by Mrs. Rogers. Those who have transportation facilities are asked to take their donations to the depot. Those that do not have means to transport them are asked to call Mrs. Sumpter or Mrs. Rogers and a collection truck will be dispatched to pick up the salvage.

Clothing and rags are urgently needed both for domestic and foreign use, and for war purposes. Clothing is needed to help clothe and rehabilitate peoples in liberated countries abroad and for relief purposes in the United States. Rags are critically needed for wiping cloths and other essential needs.

## Thanksgiving Service At Lutheran Church

Special Thanksgiving service will be held Thursday morning, Nov. 25, at 11:00 a. m. at the Lutheran Church.

Rev. H. M. Daenzer's sermon will be on the Lesson Thanksgiving Day Teaches. The sermon is taken from 2 Cor. 9:6-11.

## W. J. Newman is Made 1st Lt.

Word has been received by the Herald from the War Department, European Theater of Operations, United States Army, announcing the promotion of William J. Newman from 2nd Lieutenant to 1st Lieutenant. W. J. is with the Ordnance section of the army and at last reports was stationed in the British Isles.

## Methodist Pastor

Rev. Herschel L. Thurston, new minister of the Perryton Methodist Church, and his family have arrived in Perryton. Rev. Thurston occupied the pulpit at both the morning and evening worship hours Sunday. He comes to Perryton from three years of service at Spur, Texas. This is his second church in the Panhandle. He was at Priona for three years, 1933-36.

Thurston is a native of Duncan, Oklahoma, but lived in New Mexico during his boyhood. His father was a Methodist minister. He is a graduate of the Clarendon Junior College and McMurry College and did graduate work at S. M. U. At the present time, he is serving as secretary of the Board of Missions and Church Extension of the Northwest Texas Conference.

Rev. Thurston is married and he and Mrs. Thurston have three children. The oldest, Ann, is a student in Texas Wesleyan, Fort Worth; a daughter, Norma, is a high school senior; and Bob, the youngest, is in the eighth grade.

He is a member of the Masonic blue lodge and the Royal Arch Masons and both he and Mrs. Thurston are members of the Eastern Star.

## Gestapo Tactics by Lubbock OPA

By W. E. Rutherford, Editor Moore County News,  
Dumas, Texas

OPA at Lubbock, is advertising for investigators. Of course it's not paid advertising. A local newspaper that does anything for OPA always gets paid the same princely sum as is paid those poor devils who slave out their nights in the Courthouse, trying to unravel OPA red tape and ration gasoline, tires, etc. The salary for anything done locally is exactly nothing. There is never anything left over from the slush fund gobbled up by the swillers of taxes.

When OPA first set up a board in Moore County, it asked for "Gestapos" or snoopers who would go around and find where some overworked merchant had made a nickel overcharge and report him to the Board.

Then, they had the colossal nerve to ask that they be local volunteers. The Board did nothing about it.

Now, they are hiring them and paying them out of your bond money and your withholding tax.

OPA will pay them \$2,000 to \$3,200 to snoop on your neighbor and mine, hound him, ask him ten thousand questions and try to catch him and his overworked wife and kids who are trying to serve you, try to catch them overcharging you a quarter of a cent on Post Toasties so that the \$3,200 "Gestapo" who rides around on a C card with unlimited gasoline, and tires, can have something to report.

Then OPA started rent control, they urged renter to sue Landlord and Landlord to sue renter and where is rent control in Dumas, Dalhart and Amarillo today.

OPA has quit howling about it because too many Federal judges have kicked their stooge attorneys out of court, when they attempted to persecute, not prosecute cases.

OPA claimed 299 rent violations in Dalhart alone and when the Dalhart Texan dared them to file that many charges and go to court, they tucked their tails like whipped curs and slunk out of town.

When OPA started gasoline rationing, they told service station operators how long they would stay open and a big shot OPAer in Houston ordered a group of stations closed for so many days, as a penalty for non-conformance. But when they reached the Federal Court the judge was a lot harder on them than this editor and immediately afterwards all filling station owners were allowed their constitutional right to worry along on short help and OPA pestering, for as long as they cared to take it.

OPA has sent forms to gasoline dealers urging them to report their competitors, to renters urging them to report their landlords, to customers and labor unions, urging them to report their home town merchants. In fact they have stirred more dangerous class hatred in America than men with brains can abolish in years, much less OPA.

Less than two weeks ago OPA out of Lubbock, issued a ceiling price on turkeys that no man under high heaven could understand. This week they are putting out a new one that is worse.

A week ago we received two legal pages, attempting to tell of a simplification in the rules for farm slaughtering of animals and if that order simplified the first one, then God help the poor devil who received the original and had to work by it.

In this day of paper shortage the Lubbock office has fired this paper reams of copy about everything from the fourth dimension to the lace on ladies drawers, yet when 10,000 people in Moore County had to register for their No. 4 War Ration Book, no one received any notice until the days of registration even though big shot Lubbock officials spent an hour of our time discussing the personnel in the local office a week before registration and another was in the office two days later. He took telephone calls to members of the local Board, Sup't Roger, Sunray and Cactus to get you the only real news OPA has ever had.

Without legal authority, without any consideration for people who are loyally trying to make rationing work, without a thimble full of brains or business experience, OPA is building up an army of wasteful of bond and tax money and using German Gestapo methods to instill hatred and class prejudice in the minds of the American people, at a time when men are dying in the hell of jungle swamps for a liberty that was . . . before OPA.

## Funeral Services for Adkins Baby on Friday

Funeral services were held Friday, Nov. 19, at the graveside for Michael Adkins, still-born son of Lt. and Mrs. Ralph Adkins. Burial was at Ochiltree cemetery with Rev. O. C. Curtis, pastor of the Baptist Church, in charge of the services. The baby was born at the Shattuck Hospital, Tuesday, Nov. 16.

Lt. Adkins, stationed at Tucson, Ariz., as bombardier instructor, is spending a ten-day furlough with Mrs. Adkins, who was able to return to the home of her parents, Dr. and Mrs. E. R. Jarvis, yesterday afternoon.

## 'Town and Farm in Wartime'

### Ration Reminder

GASOLINE—In states outside the east coast area A-9 coupons are good through January 21.

SUGAR—Stamp No. 29 in book four is good for 5 pounds through January 15, 1944.

SHOES—Stamp No. 18 in book one good for 1 pair. Stamp No. 1 on the "Airplane" sheet in book three, good for 1 pair.

MEATS, FATS—Brown stamps G. H. J. and K. good through December 4. Brown stamp L. is good through January 1, 1944. Brown stamp M. becomes good November 28 and remains good through January 1, 1944.

PROCESSED FOODS—Green stamps A, B, and C in book four good through December 20.

To Hold Down Flour Prices

To hold flour and bread prices at present levels, the Office of Economic Stabilization has inaugurated a subsidy program that will enable wheat flour millers to pay as high as parity prices for wheat (should the market go that high) and at the same time sell flour for no more than present ceiling prices. Without the subsidy, the Office of Economic Stabilization says, it would be necessary to increase present ceilings on flour, which in turn would force an increase in bread prices.

No Increase in Butter

Butter available for civilian use will not increase during the next few months, although the Federal Government has discontinued all purchases of the commodity until April, according to information from OPA and WFA. Current production of butter averages about 16 pounds a year per person, or about half a pound less than in pre-war years. Of this, 3½ pounds are being sent to our armed forces and our allies, leaving approximately 12½ pounds per capita for civilian consumption. Up to 5 million pounds of butter will be released to hospitals from stocks held by or set aside for the Food Administration. The butter is to supply the hospitals from November through March, and ration coupons will be required.

Lift Pork, Lard Restrictions

Restrictions on the number of pounds of pork and lard made from home-slaughtered hogs that can be sold or given by a farmer to people not living on his farm have been lifted from November 17 to February 17, 1944. The War Food Administration lifted the restrictions to help handle the slaughter and distribution of this year's record hog supply. Farmers are asked to find out from their market agency or processor whether their hogs can be handled before sending them to market.

Restricts Farm Equipment Sales

To prevent others from getting scarce farm equipment needed by farmers, the War Production Board has issued a revision of the Farm Machinery Order, L-257, which prevents dealers from selling rationed farm equipment for non-farm use, except on a rated order of AA-4 or higher.

Apple Products to Cost More

Consumers will pay more for apple products because OPA has increased maximum prices for apples in sales to processors. The amount of the increase at the consumer level will vary with the product and the size of the package.

Increase in Unemployment Money

Unspent and unemployed money in the United States during the second quarter of 1943 amounted to 2.6 billion dollars, compared to the

1.7 billion dollars in the second quarter, 1942. The Office of War Information said in its first quarterly report on economical stabilization. In spite of paying more taxes and buying more War Bonds, Americans still were able to build up a store of unspent money. Should holders of this money now begin to bid against each other for scarce products, it would make the job of holding the line against rising prices enormously more difficult.

Give War Stamps for Xmas

"A stamp in every stocking"—that's what the Treasury Department wants for Christmas. To encourage the giving of war stamps, many ideas for utilizing them in gifts and decorations have been suggested—war stamps attached to a cellophane bag containing a small gift; war stamp label ornaments; a tiny Santa Claus holding stamps; small Christmas stockings containing stamps; a baby's rattle with stamps tied on with ribbons; and children's toys, with stamps attached. The stamp may also be used as decoration on wreaths, fastened to candles, and on Christmas cards.

Be Thankful for Food

"I think we should thank the Creator with particular humility for the possession (food) that makes our armies liberators, not looters said Marvin Jones, head of the War Food Administration, in a Thanksgiving day statement. To the peoples of looted, starving countries, Mr. Jones continued, "The coming of the Americans means a chance to live again, to work their land and enjoy its products. We will not take their food. We have our food. For that, and for all it means, we give thanks."

May Cut Point Values

Storekeepers, distributors, and others in the food trade may cut point values of canned, frozen, and dried rationed foods that might spoil if held in stock too long, OPA announced recently. However, point values may be cut only if prices are cut at least 25 per cent.

To Collect Clothing and Rags

The nation-wide drive for collection of discarded clothing and rags started November 22 and will continue through December 4. Only discarded clothing is wanted and all types are needed, according to WPB. Donors are requested to see that woolen garments are brushed and cotton garments and rags are clean. Mending is not required. Any unwearable clothing that can be reduced to rags is also desired. ## WARTIME SAVINGS SUGGESTIONS for Electric Appliance Users

### Six Ways to Avoid Waste in the Use of Your Electric Washer and Iron

- Disconnect iron at wall outlet when called to door or telephone or when ever ironing is interrupted by other duties.
- Sprinkle clothes lightly — just enough to permit easy ironing out of wrinkles. Excessive dampening wastes heat and electricity.
- Set heat control of iron at correct temperature for each type of fabric and avoid using higher temperature than necessary.
- Plan washing so full capacity of washer is used once rather than partial capacity a number of times. But be careful not to overload. Overloading wastes electricity and results in a loss of efficiency.
- Turn off washer completely when not in use. Do not let it continue to run while you prepare next load.

**Uncle Sam Says:**  
Waste of anything in wartime is a crime. Do not waste electricity just because it isn't rationed. Wasting electricity involves a waste of fuel, transportation facilities, manpower and critical materials needed elsewhere in the war effort. Use all the electricity you need but need what you use.

### LET US BE THANKFUL!

"Let freedom ring!" is the phrase on every American's lips today. Yes, how thankful we should be for a hope of eternal freedom. How beautiful life is, and it becomes more precious every day. Let us be thankful for the freedoms: freedom of speech, freedom of worship, freedom from fear, and freedom from want! The heart of every human being

## Rangers and Memphis Cyclones Battle to Tie

The Perryton Rangers and Memphis Cyclones fought one of the hardest battles of the season when they battled to a 6 to 6 tie on the Cyclone field Friday night, November 19.

The first quarter was a hard battle with neither team scoring. Both lines held solid during the most of the quarter with neither team getting off a long run.

Most of the second quarter was a punting duel between the Rangers and Cyclones. Just before the half, Memphis scored on a long pass from the Rangers 45 yard line. The try for the point failed.

The Rangers came out fighting mad after the intermission and marched deep into enemy territory but failed to score. The Rangers were in possession of the ball on their own 35 yard line as the quarter ended.

The fourth quarter began with the Rangers going to the air with Hargrove completing several passes to Allen who finally crossed the Cyclone's goal standing up. The try for the point missed the goal by inches.

The game ended with the Rangers in possession of the ball on their own 35 yard line.

## Homemaking News

A tea was given by Miss Betty Jane Alexander's third year Homemaking class as a combination entertainment unit for the mothers or close friends of the girls. C. Wedgeworth, Martin L. Stevens, Gilbert Mize, Doyle Thompson, other teachers of the senior high school, and some leaders of the P.-T. A. were invited. A decoration committee of Betty Pshogoda, Florence Peterson, and Carmen Kizzar decided on Thanksgiving decorations. Sue North and Billie Jean Hoy had charge of the invitations. Carmen Kizzar served and Pauline Cotner acted as hostess.

should be filled with praise and thanksgiving this year more than ever before.

To a number of individuals, Thanksgiving Day merely means a turkey dinner, with cranberry sauce and pumpkin pies, while for others, this day holds a great significance. Could we be so thoughtless, so neglectful, and so unthankful, as to let greed and selfishness steal into our hearts, crowding out the wist of praise and thanks. Let not such evil thoughts and deeds cheat us out of our blessings.

Let us be thankful for health and a home; for comfort in time of need; for happy thoughts and holy talk, and for God's mercy. For everything, let us be thankful! You can't be thankful for yesterday, because it is gone; we can't be thankful for tomorrow for tomorrow is not here. But we can be thankful for today; so let us give thanks while the privilege is ours.

### Thanksgiving Prayer

We are thankful, Dear Father, For your mercies today; Let our light so shine, As to brighten the way.

Comfort our boys In the service today, Gladden their hearts, That they too, might pray.

Make us more humble, Each passing day, As we stand in faith, 'Till You pass our way.

We ask thee, Dear Father, Pray let these prayers be, And help us each one To be more like Thee.

Now let our hearts rejoice with thanksgiving and "Praise God from Whom All Blessings Flow!"

## Grade School Assembly

The grade school opened their assembly, Wednesday, November 17, with Earl Olmstead acting as master of ceremonies. Leroy Uuh and Walter Thrasher acted as color bearers, with Lavern Swink reading the scripture. Delbert Trew announced each reading as given by: Dora Lee Gossett, Connie Mae Edwards, Beverly Barnes, Meryle Hulsey, Pat Woods, Charlotte Anne Flowers, Adie Lou Dodd, and Dean Johnson.

A one-act play entitled "The Sewing Circle" was given with the following characters:

## "Book Week" was Assembly Theme

A special assembly of both Junior and Senior High was called on Friday, November 19. The annual Book Week was recognized in our schools, and a playlet was given by The Librarian Club and the seventh grade, under the direction of Miss Maude Jo Fields and Miss Vivian Chenault. Earlene Reagan served as master of ceremonies, and after the regular formalities were over the curtain opened on a scene of a library. Geraldine Martin played the part of a tired librarian, while Mary Jo Craig, Peggy Luthi, and others illustrated the different books coming in.

Books from different fields and thoughts were represented by pupils, and each told a little of the story. Keeping books clean and neat was stressed and how books should be checked out and in, was brought out.

Jimmy Dick Key gave a short synopsis of the very good novel by Lloyd C. Douglas, "The Robe." A summary of "Centennial Summer" was given by Gloria Goettsche.

Posters made by members of the Librarian Club illustrated each book. The program was given well and taught a lesson to "book worms."

Just remember how lucky students of Perryton High School are to have so many good books to read. No matter what field of literature is wanted it can be obtained. Let us celebrate Thanksgiving and be thankful for libraries and books.

What adds more to the development of school than the athletic program? Some people have the idea that athletic programs are a waste of time. But to that person I say the athletic program is the one thing most needed for education. To be mentally alert you must be physically fit. Let's take a look at the athletic program of P. H. S. as it stands so far this year.

First comes the football team led under the able direction of Coach Tom Slack. The Rangers this year have had lots of trouble with eligibility, "cause, unknown it seems," but it looks as if the Rangers are ready to finish the football season in real Ranger fashion. The Rangers have one remaining game with Guymon on November 25. The Rangers have a tight team but they all have that old football fight and hustle, which it takes to make up a winning ball club.

While we are on the line of football we can't forget that hard fighting Junior team led by Gilbert Mize. It looks as if the school will have a winning football team before many years pass.

The girls again enter the athletic program of P. H. S. The sport is volleyball, and much enthusiasm has been stirred up. These girls are directed by G. L. Goolsby and Warren Marshall. They plan to have games matched with other school teams in the near future.

A regular Physical Education program has been started in the Junior and Senior high school. All boys that are not participating in football are required to take Physical Education. This program is offered at study periods. The program helps build and develop future athletes for P. H. S. and makes the boys fit for Uncle Sam.

The Ranger football squad is badly in need of new equipment for next year. Let's talk this up to people who are in authority and encourage new equipment for the Rangers.

The Canadian Wildcats will battle the Phillips Blackhawks on Wildcat Field for the conference championship, Friday, November 25, at 3 p. m. Here's hoping luck to Coach Chester Walker's Blackhawks against the highly touted Wildcats.

Here's signing "30" for the sports of P. H. S.

We missed Pat Arnold the first part of the week. She accompanied Eugene Wade on her trip back to Denver, where she attends college.

O'Neal Wilson, a former senior of P. H. S. now enrolled in Dumas, was seen on the campus Monday, November 15.

Kay Kizzar was absent from school due to illness, last week. Warren Marshall was in Amarillo over the week end visiting his wife who is in the hospital there.

New students enrolling this week are: Norma Thurston, senior, entered from Spur; Bob Thurston, 8th grade, from Spur; Ray Taylor, sophomore, entered from Cisco; Marvin Fleming, freshman, entered from Corn School, Okla.

Mansell Keith, a cousin of Audrey Lee Stump, visited school Monday.

## Library Magazine Donations Appreciated

The librarian of the Perryton school libraries again wishes to express thanks to all of the families who are contributing their old magazines to the libraries. The magazines are greatly needed to complete the magazine files and are appreciated very much. You will never know how much they are used and will be used in the future by students and outsiders as well.

The following have contributed magazines and papers recently: Mrs. W. B. LaMaster, Mrs. Henry Cutter, Mrs. E. W. Hearn, Mrs. L. R. Buchanan, Mrs. W. C. Herndon, and Mrs. E. W. Thomas. Some others may have given some too, and we hope that others may be given, because they can always be used in either the Junior high or Senior high library. Thanks again.

## Christian Science

"Ancient and Modern Necromancy, Alias Mesmerism and Hypnotism, Decried" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, November 28.

The Golden Text is: "Be merciful unto me, O God; for man would swallow me up; he fighting daily oppresseth me. . . . What time I am afraid, I will trust in thee." (Psalms 56:1,3).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "There shall no evil befall thee, neither shall any plague come night thy dwelling. For he shall give his angels charge over thee, to keep thee in all the ways" (Psalm 91:10,11).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "Truth and Love come nearer in the hour of woe, when strong faith or spiritual strength wrestles and prevails through the understanding of God" (page 567).

Any clothing which the owners know will be used now or in the immediate future, should not be salvaged nor turned in for this collection. Only discarded clothing is wanted, clothing "out of the attic," not from the closet, clothing the owner no longer intends to wear. Clothing is needed for men, women, girls, boys and infants.

Donors of clothing are requested to see that woolen garments are brushed, and that cotton garments and rags are clean. Mending is not required.

## List of Clothing Wanted

Men's and boys' clothing wanted includes overcoats of every kind, snow suits and woolen leggings, complete suits, coats, vests, pants, slacks, jackets, sweaters, underwear, pajamas, wool gloves and mittens, pairs of hosiery, shirts, mufflers, work clothing of all kinds, house robes and blouses.

Women's and girls' clothing on the needed list include coats, jackets; wool, cotton and rayon dresses, skirts, nightgowns, pajamas, robes, aprons, wool mittens, scarfs, shawls, pairs of hosiery, snow suits, woolen leggings sets, sweaters and smocks. Also most all kinds of infants clothing including blankets.

## Clothing Not Wanted

In the not wanted list are hats, caps, shoes, leather gloves, neckties, garters, rubbers, overshoes, galoshes, slippers, collars, suspenders, belts, spats, leather leggings, rubber coats and boots, masquerade costumes, brassieres, girdles, corsets, veils, and diapers.

Mr. and Mrs. George Cutter had as guests for Sunday dinner, Mr. and Mrs. Elmer Hutchings.

## Training at Lowry

## Bill Parker Joins V-5 Naval Aviation

Bill Parker, Perryton Senior high student, has been accepted by the V-5 United States Naval Aviation program. He passed the mental tests at Oklahoma City and the flight physical examinations at Dallas last week.

Bill will leave for training shortly after the first of the year at the close of the first high school semester. He will be awarded his diploma at that time.

He is a son of Mr. and Mrs. George M. Parker. Another son, Cpl. George Parker, is stationed with the U. S. Army Engineers at Fort Belvoir, Va.

Youths accepted for the V-5 program must have their high school diplomas and stand in the upper one-half of their class in scholastics. They must be at least age 17. Youths of 18 will be accepted prior to being called by Selective Service.

High school youths interested in signing up for V-5 Naval Aviation can obtain full information by writing Navy Department, Office of Naval Officer Procurement, 1580 Allen Bldg., Dallas, Tex.

## No. 2 Continued from Front Page

about the matter is that a lot of poor fellows with honest-to-goodness ailments are apt to not receive proper consideration due to the many fakers who hope to avoid duty.

David M. Warren in his Spearman Reporter takes exception to our definition of an essential man . . . "pick-up, boots, pool hall, etc." Now we can't understand why Dave got so riled over this unless it is because his town happens to be made up of a preponderance of town farmers, many of whom are getting rich on account of the war. It may be that this little "shot" of our's hit some of them. If it did, well and good and we don't give a tinker's dam about the hard feelings.

The truth is that we think there has been entirely too much pussy-footing in this war. We're all so darned afraid we're going to make somebody mad. How about making some of these birds mad enough to grab a gun, don a uniform and go to war. Think there's any danger?

We'd like to see this war get tough on the home front. We'd like to see public information as to why men are deferred. We'd like to have public information as to who buys War Bonds and every other support of the war effort. Make this information public so that the people may know whose helping and who is not helping.

We've been on our ear ever since they started drafting pre-Pearl Harbor fathers. We just can't see how young single men and young married men without children can stand by and see these fathers with two, three, four, five and even six children march off to war while they stay at home.

There should not be any occupational deferments of any kind. The only just way to fight this war is to take all single men under a certain age, say 30 or 35, first. Then the married men with no children next. Then if the military still needs men, start in on the men who were fathers before this war started.

Mrs. Jim Anderson employed as bookkeeper at the City Hall, has been enjoying a weeks vacation. She visited with her sister, Mr. and Mrs. Furman Williams and family at Canadian and in the home of Mr. and Mrs. H. C. Brown, Farnsworth.

Norma Jo Boyd was a week end guest of Marion Day.
