THE SURRENDER — Warren Lynch, who held law enforcement officers at bay with a shotgun and his pet alligators for more than 18 hours, is helped by his attorney, Albert Pena, as he prepares to surrender. In the background is Lynch's friend, Andrew Heavin of Houston, who rushed to Lynch's aid by driving through police lines, wading through the alligator pond, and handing Lynch a can of (of all things) Gatorade.

Siege at Alligator Farm Ends With Surrender of Warren Lynch

Things are back to normal in Aransas County this week. Scores of reporters, photographers and TV cameramen have left. Warren Lynch is in jail and his alligators are swimming about contentedly at Lynch's alligator farm halfway between here and Aransas Pass.

But the latter part of last week was a different story as everyone in the county knows.

Here's Sheriff Bob Hewes' personal account of the siege at Lynch's alligator farm:

"What started out to be a nice quiet Thursday evening with my family ended up in a 22-hour ordeal over an alligator farm. At approximately 5:30 p.m. Thursday I was just getting ready to eat with my family and the very familiar ring of the telephone sounded. It was Mrs. Ivalea Hinz, the dispatcher on duty at the Sheriff's Office.

"She advised me that Lt. Mike Webb had gone to the Alligator Ranch and that Warren Lynch had obtained a loaded 20-gauge shotgun and had run onto a small island in the middle of his alligator pond.

"When I arrived there were several officers at the scene. I looked over the scene and

observed what I could. I issued two orders at that time.

"First, I wanted Lynch off of the island and in custody at the Aransas County Jail and second, I wanted no one to be injured, either police or Lynch.

"At the Sheriff's Office several calls were made to put into effect an all-night watch. Several members of the Aransas County Emergency Corps volunteered to set up the light plants and keep them running all night if necessary.

"Quite frankly I did not think that we would be there all night. But the lights were set up and the beams placed on the island that Lynch was on.

"Another call to Capt. Ira Dees of the Texas Department of Public Safety received the promise of six DPS Officers to come over at 12:00 midday, and another call to Sheriff Wayne Hitt meant that in about 15 minutes four or five San Patricio County deputy Sheriffs were there for as long as I needed them.

"During this late evening period approximately 20 calls from TV, radio stations and newspapers all over the state of Texas were received. At 11:00 p.m. all TV, radio and newspapers and all other persons

were cleared from the area.

"No food or drinks were allowed on the island. The only exception was when a friend of Lynch's ran the police barricade, ran into the fence surrounding the alligator pit, jumped the fence and raced across the moat and gave Lynch a sandwich and of all things, a cold can of Gatorade.

"Early in the morning we tried to talk to Lynch as we knew he was getting cold and he stated that we would have to take him off feet first. Later in the morning at the office I had calls from all three major TV networks and both major newspaper associations in New York City plus about 40 calls from areas of Texas, notably Houston, Dallas, Ft. Worth and Corpus Christi.

"Albert Pena, attorney for Warren Lynch, went to talk with Lynch and conferred with Tom Bridges and me and went

back to Lynch and just about noon on Friday the long vigil was over and Lynch surrendered to me and was placed in custody at Rockport.

"There is no way to thank everyone who assisted us in this unique situation. So many people in so many walks of life helped us in different ways; my thanks to all of them.

"To those of you who are like me at times, a good chairside quarterback or a second guesser, thanks for all the advice that I was given. I know that most of you think that it was good advice, some recommending shooting him and let the alligators eat him and knocking him off the island with fire hose.

"The only thing that I can say is I accomplished what I wanted in that Warren Lynch is now in custody at the Aransas County Jail and that no one, officers, spectators or Lynch was injured.

Three Positions Open for City Election on April 3

The City Council Monday night set April 3 for the city election.

Three positions will be filled: mayor, alderman from Ward 1 (the position now held by Joe "Pepe" Zambrano), and alderman from Ward 2 (the position

held by the late Seth Steele whose term was scheduled to expire April 3).

So far, the only candidates who have filed for the race are incumbent mayor Walter S. Falk, Jr., and Paul Taylor, who seeks the job as alderman from Ward 2. Deadline for filing is March 3. Absentee voting will be from Mar. 15 through Mar. 30.

Other actions at the Council meeting included:

--Bids for a new police car were received from Creveling Motors, Corpus Christi; Curlee Chevrolet, Sinton; Geo. Clark Chevrolet, Aransas Pass; Commercial Motor Co., Aransas Pass; and Tradewinds Ford, Corpus Christi. It was voted to table the bids to determine if they met specifications.

--On recommendation of Chief of Police James Craig-mille, Council voted to substitute "Stop" signs for "Yield" signs at four intersections: Ann and Sabinal, Cherry and Omohondro, Fuqua and Morgan and Fuqua and James.

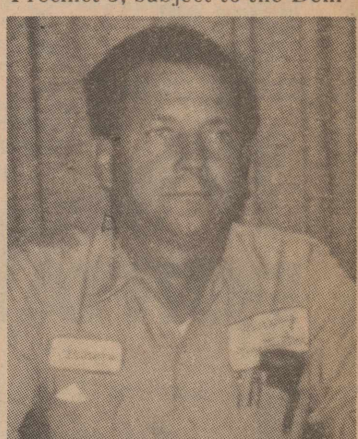

--Regarding proposal of Linwood Bland and about 30 other residents to pay for a sewer line on Luau and portions of Bayshore at Key Allegro, Council requested the Bland group and the city engineer to submit their proposal and (in the case of the engineer) his recommendations.

--Council approved a request from Hugh Goodrich for a building permit to erect a greenhouse at the rear of a photo shop in the 400 block of South Austin Street.

--Set Mar. 22 as the bid opening date for a new 20-yard garbage truck.

HEASLEY RUNS FOR COMMISSIONER

H.D. Heasley, a general contractor, is a candidate for Aransas County Commissioner, Precinct 3, subject to the Democratic primary election on May 1.

A member of the school board of Aransas County Independent School District, Heasley has lived in Aransas County since 1954. He is married to the former Ruth Mullinax and the couple has three children, two in high school and one in the Air Force. They also have one grandson.

A graduate of Aransas Pass High School, Heasley attended the University of Denver.

County Rejects Memorial Hospital Indigent Care Bill

Aransas County Commissioners on February 4 turned thumbs down on a request from Memorial Medical Center in Corpus Christi for \$52,852 the hospital says is owed for indigent care over the past five years.

The commissioners received a letter from Robert McCusick, president and administra-

tor of the hospital, asking that the funds be paid and money put into the county budget for future costs.

According to the letter, 98 indigent persons received medical care at the hospital. There were 17 in 1971 for a cost of \$10,386; 26 in 1972 for \$9,679; 31 in 1973 for \$15,522; 12 in 1974 for \$6,308; and 12 last year for a cost of \$20,955. The request did not list any names of persons, the time they were in the hospital or what treatment they received.

County Judge John Wendell said several weeks ago the medical center sent a list of three names that were said to be indigent persons from Aransas County. Wendell said upon checking he found that two of them were from Aransas Pass, most of which is in San Patricio County, and he has been unable to locate the third person since no address was furnished by the hospital.

Wendell said there is also a question of who is indigent. He said a person in Aransas County wouldn't be considered indigent here but might be in Corpus Christi. "Sometimes someone becomes indigent faster in one place than in another," he commented.

Wendell said he could see the hospital's point because it had to treat someone who is brought in from an accident, but he questioned the bill.

Commissioner Raymond Owen said the county had written Memorial a couple years ago about the indigent problem, also pointing out that persons considered indigent were sent by the county for treatment in Galveston.

The county has approximately \$3,500 budgeted for indigent medical care out of a budget in excess of \$500,000.

Taking the hospital's figures for 1975, the average patient cost was \$1,746, a figure considered high by commissioners.

The commissioners voted to have Wendell write Memorial for more information on the patients to see if they are from Aransas County. Also the hospital will be told again that county indigent patients are sent to Galveston for treatment.

In other action, the commissioners tabled action on naming holidays for 1976 until the next meeting. Commissioners wanted to coordinate the holidays with other agencies.

WIN CONTEST — Shown left to right are L. A. and Margaret Latham and Lodema and Orval Bryant, all of Wetmore, Kansas, E. G. Woody of Woody Acres Trailer Park, and Joe Lister, president of the Chamber of Commerce. Lister is offering congratulations to the folks for winning the "Tell a Friend" contest sponsored by the Chamber of Commerce.

'TELL A FRIEND' CONTEST WINNERS

Winners in the "Tell a Friend" contest sponsored by the Chamber of Commerce this year were Orval and Lodema Bryant of Wetmore, Kansas, L.A. and Margaret Latham also of Wetmore and their host, E.G. and Margie Woody of Woody Acres.

The contest, which began in November and ran through January, required a winter visitor to send an entry blank to a friend back home who in turn sent the completed blank to the Chamber of Commerce. A cash prize of \$100 was given to the Bryants who registered in the Chamber office, \$50 went to Mr. and Mrs. Latham who received wintering information about the area and \$25 to Woody Acres where the Bryants are staying.

This is the third winter Mr. and Mrs. Bryant have spent in the area. They have been enthusiastic supporters since coming here and have encouraged 15 other people to spend

their winters here. Bryant is a retired farmer. He and his wife, who have one son and two grandchildren, spend 5 months in the area.

Latham is a semi-retired veterinarian and came to the area on the recommendation of the Bryants. The Lathams have two daughters, one son and seven grandchildren. This is their third year to spend 3 months in the area.

The Woodys are well known to local residents. They enjoy entertaining some 200 trailer residents at their rec hall every night. Planned recreation includes square dancing, ball room dancing, card parties and covered dish suppers. They have operated Woody Acres for the past eight years.

Raiders Take Opener 48-26

The A.C. Raiders won their first playoff game on their way to the state tournament Monday night. They defeated A&E Sales 48-26. This was one of the hardest fought games the raiders have had to play.

Thanks to great assists and good rebound work the Raiders were able to put it all together. High scorer was Jean Pearce with a season high of 30 points. Karen Rickett and Linda Morgan each contributed 8 and Marcy Wendell dropped in 2 more.

Fine defensive playing was demonstrated by Rita Parrish, Debra Silchensted, Anita Dingemary, Judy Phelps and Bette Cutcher.

They would like to thank those Rockport citizens who made the effort to come to the game and hope that more will come Wednesday night, Feb. 11, to Haas Gym, McArdle Rd. past Airline, at 8 p.m.

Sponsors who have made this season possible include: Pearl Beer Dist. Co. of Aransas Pass, Marshall Funeral Homes, First National Bank of Rockport, Bob McBee of Corpus Christi, Charlie and Rita Parrish, and Bill and Betty Cutcher.

Home & Garden Club News

The Rockport Home & Garden Club held their monthly executive board meeting on February 6th in the Gene Garcia home. Seven of the board members were present.

Mrs. Pat Evers, Spring flower show co-chairman, announced the schedule is ready and will be handed out at the February meeting. Many members are working hard to make this an outstanding flower show. Mrs. Connie Garcia reported that 100 folding screens had been offered our club from the Corpus Council for \$25.00. The board will recommend purchasing the screens. It has been suggested that arts and crafts made by our members be donated to the Chamber of Commerce sponsored Hospital Foundation to be sold at SeaFair in October. The board is in agreement with the suggestion.

The Navigation District has asked the garden club to consider landscaping around two proposed observation areas along Little Bay Shores opposite the Connie Hagar Sanctuary. This will provide areas for tourists to watch and photo-

Friday the 13th
Among the various theories about why Friday the 13th is sometimes considered unlucky is the one that links together the fact that Christ was crucified on Friday and that there were 13 present at the Last Supper, with Judas counted as the 13th.

Aspirin has long been known to inhibit clotting—that's why it's often forbidden before surgery. Now doctors find it protects against heart attack and stroke.

Heart specialists have come up with an odd way to spot possible heart problems. Seems there is a correlation between such trouble and a small crease in the ear lobe, running down from the ear opening.

ARGENTINE CUSTOMS DISCUSSED — Erik and Edgard Tschanz brought some souvenirs from Argentina to show their fourth grade classmates at Rockport Elementary. The boys lived on the Pampa of Argentina for three years before moving to Rockport.

The classes enjoyed a taste of 'mate,' a favorite drink of Argentine gauchos made from dried leaves of the yerba bush. Also pictured are gaucho belts, boleadoras, and a decorated cowhide.

Pictured from left to right are Erik Tschanz, Robert McMillan, Ben Rice, and Edgard Tschanz.

Tennis Tourney April 22-25

Rockport's first-ever tennis tournament sanctioned by the United States Tennis Association and Texas Tennis Association has been scheduled for April 22 through April 25 on the courts of Rockport Racquet Club and Key Allegro Tennis Club. Because it is a sanctioned event, it is expected to attract players from many parts of the state, in addition to the Coastal Bend Area.

Details of the Rockport Spring Men's Senior Classic were worked out at a meeting of the recently organized Rockport Tennis Association's board of directors last Friday. It is anticipated that more than 100 players will participate in the long week-end event extending from Thursday through Sunday, according to Dewey Lingo, president of the local association which is sponsoring the tournament.

There will be singles and doubles in three classifications - over 45, over 55 and over 60 - as well as singles consolation matches for players who lose in the first round. Trophies for first and second places will be awarded. Play will start each day at 8 a.m. and continue until 5 p.m.

Entry fee for the singles will be \$5. The team fee for doubles will be \$10, or \$5 per player. Balls will be provided by the tournament committee. Dewey explained that the entry fee had been set lower than is customary at most tournaments because it is hoped to attract a large number of players to this first sanctioned tournament in Rockport's history. It was explained that a sanctioned tournament permits participants to gain points toward a higher ranking in state standings - even in national ranking. Deadline for entries in the local tournament is April 1.

A series of social events is planned in connection with the tournament, including a get acquainted cocktail party Thursday night, tournament fish or barbecue dinner Saturday night and a free beer and tamale court-side party Friday afternoon. Trophies will be awarded court-side Sunday afternoon following tournament finals.

Dr. Jim Wideman and Jim White are co-chairmen of the tournament committee and will have Willie Rinche, Key Allegro Tennis Club professional,

REENACT BOSTON TEA PARTY — In coordination with a history unit on the events leading to the signing of the Declaration of Independence in 1776, Mrs. Adams' fifth grade class at Rockport Elementary School presented original skits showing the planning of the Boston Tea Party. All scripts, costumes, and props were created by the students.

The English custom of drinking hot tea by the colonists was discussed. Hot tea was served while the students were in costume so they could imagine what it was like to have been a colonist. Then the American drink of iced tea was enjoyed by the class.

Third Row: Dee Anna White, Debbie Reyna, Leslie Miller, Donald Beard, Sylvia Alvarez, and Vanessa Tristano.

and John Gutzke, Racquet Club professional, as technical advisors. Polly Bracht is entertainment committee chairman.

It is planned to send tournament promotional packets to tennis associations, tennis clubs and country clubs through this part of the state, including Dallas, Houston, Ft. Worth, and Midland, as well as cities in and adjacent to the Coastal area. These packets will contain in addition to a fact sheet and tournament entry blanks, brochures and other material describing various attractions of this area, including information on local resorts, because the tournament is planned to attract many who will spend a long weekend in the Rockport area, with a resulting boost to local business, especially motels and restaurants.

Also, it is hoped to enlist

cooperation of the Chamber of Commerce and Rockport-Fulton Tourist Association in planning the entertainment, program for visitors.

CONVERSATIONAL SPANISH CLASS

A class in conversational Spanish is being held at the Recreation Center on Friday at 1:30 p.m. The first meeting was on February 6. Mrs. Grace Rocha, one of the former local teachers, is teaching this course. There were 17 present - room for a few more. There are to be eight lessons - one each week. This is one of the lifetime learning courses for A.A.R.P. and is under chairmanship of Mrs. Helen McCague. This is being held at the Recreation Building on Airport Road.

Presbyterian Women Meet

The Women of the Presbyterian Church met Feb. 5 with thirteen members present. Circle 1 served coffee and home-made cookies preceding the meeting.

Mrs. Van Morgan called the meeting together and read the words of the hymn, "O Master Let Me Walk With Thee," as a prayer. The treasurer gave her monthly report. The secretary read minutes of last meeting which were approved with one correction.

Mrs. Dorothea Montgomery told about the Castaway and Thrift Shops and asked for volunteers. If they had more people to help they could keep the Castaways open for more hours per day. These were

started by the Christian Women of Aransas County several years ago - however, this organization has not operated for the past couple of years.

The Castaway Shop, besides handling used clothing for sale, also has other items and does sell things on consignment (except clothes) keeping only 10%. The overflow is usually sent to Corpus Christi to Goodwill Industries.

Reports from various chairmen were given. It was announced that the women will participate in the World Day of Prayer on March 5, definite plans to be announced later.

It was announced that the Church Directory pictures will be taken on Feb. 29 and March

1. Several of the women will help with appointments, etc.

Family Night Supper was announced for Tuesday, Feb. 24, instead of Wednesday this month, and Rev. Spooner, a missionary, will speak. Circle 3 will be in charge of supper.

Sewing Bee was announced for Feb. 19 and women are asked to come with scissors and pins and a sack lunch to help on layettes and cutting children's clothes for Church World Service.

An unintentional error is often stupid but not as stupid as the derision which sometimes greets it.

Engagement Announced

ENGAGED — Mr. and Mrs. R. G. Patterson of Winnipeg, Manitoba, Canada announce the engagement and approaching marriage of their daughter, Donna Marie, to Melvin Joseph Brown, son of Mr. and Mrs. F. M. Brown of Fulton. The wedding will take place on April 3 at First Baptist Church of Rockport.

Saudi Arabia Speech Topic

Life in oil-producing Saudi Arabia during the past quarter of a century was described by Vol Williams, Rockport resident who worked for Aramco in that country from 1944 until he retired in 1968. He spoke at a luncheon meeting of Rotary Club Feb. 4 at Sandollar restaurant.

He traced development of the oil industry in that Arabian country from the time the first well was drilled on an island off the coast in 1930. Participants in the project came to include Standard of New York, Standard of California, Texaco and Mobile Oil. Original contract

with the king of Saudi Arabia called for a royalty of 25 cents a barrel paid in gold. The royalty gradually was increased until finally Saudi Arabia bought a 60 per cent ownership in Aramco, and it plans to buy the other 40 per cent in the near future. However, it is planned for Aramco to continue in an operating capacity, according to Williams.

After a brief discussion of the business aspects of the operation, Williams, who was general superintendent of Community services, responsible for management of three American communities or compounds, described the scope of services provided for American employees and their families by the oil company.

The largest compound is Dhahran which has about the same population as Rockport. All homes, laboratories, and business establishments are very modern and all have central air conditioning and heating. Also there is a modern water and sewage system. There is no charge for utilities, and the houses may be redecorated every two years at company expense. Recreational facilities include a theater, golf course, baseball diamonds and tennis courts.

There is a modern hotel, supermarkets and shops of all kinds. Food is available at cost to the company plus 6 per cent. Also there is a 150-bed fully staffed hospital in Dhahran, and smaller ones in the two other American communities, as well as a cemetery and funeral home with a mortician on company payroll.

Schools from kindergarten through the ninth grade with American teachers are provided

for children of employees. Beyond the ninth grade pupils are sent to schools in Europe or the United States with the aid of a company subsidy, Williams said. The American schools operate on a trimester plan with month-long vacations in April, August and September to accommodate the long vacations of employees.

Because use or possession of liquor of any kind is prohibited in Saudi Arabia, a special arrangement was worked out to permit liquor within the confines of the three Aramco compounds, but this was rescinded after commission of a liquor-related murder of a foreigner by a member of the royal family, Williams related. After that the supply of liquor was cut off. Employees of the oil firm learned to distill their own liquor and were able to produce everything but Scotch, all of a very acceptable quality, Williams said.

In addition to a highly paternalistic treatment of American employees, Aramco made it easy for native workers to acquire their own homes through company financed loans on which 20 per cent was immediately forgiven and the balance collected through payroll deductions. When Williams retired some 6,000 modern homes were owned by the 12,000 Saudi Arabians employed by the company.

Fix-It Tip

The way you use sandpaper determines how successful that finishing or refinishing project turns out. This is especially true with the clear finishes - varnish, shellac, lacquer.

In fact, any of them will gleam on a properly sanded surface. But you can buy the most expensive finish available and if your sanding has been careless it will magnify every flaw, scratch and rough spot. Any rough spot will immediately come through darker than a smooth surface.

Power sanding has become popular, but power sanders can be tricky and if not used properly can ruin a job. Nothing really beats hand-sanding. When you sand by hand you are always in control of the job. It isn't going to get away from you.

Grand Jury Impaneled

A new grand jury was impaneled in Aransas County Monday.

Judge John Miller of 36th District Court summoned 20 men and women for consideration for membership on the grand jury panel.

The list of 12 selected and later announced by District Clerk Agnes A. Harden included Mrs. Floyd Rouquette, Dan R. Shelton, Robert Martin, Leroy C. Hicks, Mrs. L.C. Huff, Mary Lou Ashley, Joe Rucker, Graden N. McVay, Leslie Cole, Richard Fox, Charles Fike and W.B. Neville.

District Judge John Miller on Monday gave the following "charge" to members of the Grand Jury:

"You are now the Grand Jury of Aransas County.

"As you know, serious crime continues to increase in America. In this community we are

doing better than in many parts of our nation but we cannot afford to become complacent.

"You are fortunate in having a clean government in Aransas County. We have able law enforcement officers and they will be glad to help you in your work and you should feel free to call on them. Your Sheriff, the Honorable Robert Hewes, is especially knowledgeable about the crime situation and you should, as soon as convenient, obtain from him a full report as to matters he feels ought to be investigated.

"You as Grand Jurors occupy a unique position. You have both the duty and the responsibility of helping to maintain public confidence in the judicial process. By your refusal to indict those against whom evidence is insufficient, and by your indictment of those against whom evidence indicates the need for a public trial, you help sustain the people's confidence in the grand jury system and in the criminal justice systems it serves.

"When any suspected law

violation is brought to your attention or notice, it is your duty to make careful investigation of it and determine whether an indictment should be returned. In making this investigation it is your privilege to subpoena witnesses, place them under oath and interrogate them in secret in the Grand Jury Room. In making your investigation in any case you should do your best to get all the information possible before you make your final decision of whether to return an indictment. But in no case should you ever indict anyone unless you believe from the evidence that a trial of the accused would result in a finding of guilty.

"I further charge you that there may come to your attention notice of conditions that are not necessarily criminal in and of themselves, but which are unhealthy and likely to lead to serious violations of our penal laws. The Grand Jury, oftentimes by going into these matters and by directing the law enforcement officers to take corrective action will eliminate the undesirable conditions. If you believe any such conditions exist in this County, you should look into them thoroughly and make such recommendations as you deem necessary.

"You may meet and adjourn at times agreed upon by a majority, but you may not adjourn for more than three days without the consent of the Court. Nine of your number constitute a quorum. Your Foreman may excuse members from attendance so long as nine remain on hand. Your District and County Attorneys will be available to assist you when you need them, however, it is imperative that neither they nor any other person, be present when you are deliberating upon, or voting upon whether or not to return an indictment.

"You are further charged that all proceedings of the Grand Jury in the Grand Jury Room are secret and you should never divulge them to any person, except in a judicial proceeding when ordered to do so by a Court.

"It is permissible for you to seek and receive advice from the Court on the law pertaining to any matter before you. However, in so doing you must not disclose the particular investigation before you, and you must propound any questions in writing.

"Your vote is not required to

be unanimous for a true bill. Nine votes for indictment require its presentment to the Court.

"And, last but not least, bear in mind that your duty under the law and by the oath you have taken as Grand Jurors is to indict those whom the evidence shows to have committed serious crimes.

"I appoint Richard Fox your Foreman. The Foreman will preside over your deliberations and conduct them in a business-like manner."

ARGENTINIAN FIESTA HELD

The Fourth Grade classes of Live Oak Elementary held an Argentinian Fiesta as a climax to their study of the pampas of Argentina.

The children were served meat and tortillas. A group entertained their classmates singing Spanish songs including La Cucuracha, Pasa la Marina, Venga Mirar mi Chacra Sirmosa, No Tengo Dinero and Alla en Rancho Grande.

Library News

New books added to the collection at the Aransas County Public Library include the popular "Billy Baldwin Decorates," and "The Art of Making Houses Liveable," by Peter and Susanne Stevenson. The Stevensons have written a guide for the reasonably handy homeowner to use in molding his house to suit his needs while adding appreciably to the market value and earning power of his real estate.

Mrs. Robert Reynolds was in charge of Story Hour, Feb. 5. Mrs. Reynolds read several stories and then the children decorated valentines. Some 21 children and adults attended this event. The library thanks Mrs. Reynolds for this service to the community. Story Hour is scheduled for Feb. 19, 10:30 to 11.

The library gratefully acknowledges donations and memorials from the following: Mrs. Frederick Lewis, Mr. and Mrs. Lee Rasco, Mrs. D.J. Patterson, J.C. Wright, Mrs. Henry Sauerberg, Mr. and Mrs. Ed Frazer, Mr. and Mrs. Fred A. Bracht, Sr., Aransas County Woman's Club and the Chamber of Commerce. Rotary contributors for the purchase of Bicentennial books for the month of February included Daughtry Roberts, Ron Levy, Joe Lister and Robert E. Price.

Homemakers Hear Author

James Sullivan, author of "The Frog Who Never Became a Prince," was the guest speaker at the Feb. 3 meeting of the Young Homemakers.

Sullivan spoke to the members about how he began his writing career and said there was always a market for good books.

He told the members not to be afraid to take a chance at writing or any of the other creative arts.

His book is described as a book for "performing" Christians. "The Frog Who Never Became a Prince" points out that people should not try to be someone they feel other people want them to be, but they need to find out what God wants them to be.

Also, this month the members were given a demonstration in the use of liquid embroidery. Bonnie Fletcher brought plenty of paints and patterns, so each member was able to try this new art.

VA Benefits

Lost documents should not deter veterans from applying for Veterans Administration benefits, the agency's chief benefits director, Rufus H. Wilson, said recently.

"We have trained benefits counselors in each of our 58 regional offices who can assist veterans and their dependents in establishing eligibility," he said.

Wilson is responsible for administering the G' Bill education and training program as well as VA's home loan, compensation, pension and insurance programs.

"Secondary proof of marriage or birth can be accepted when this information is required to establish eligibility for benefits or claims for increased benefits," Wilson said. A certified statement of marriage is sufficient on applications for compensation and education benefits for veterans, widows and orphaned children, provided it is the first marriage for both the veteran and spouse, and the VA has no contradictory information on file, Wilson added.

Similarly, a certified statement is acceptable for documenting birth of a veteran's child and as proof of age and relationship in disability cases.

FOURTH GRADERS PRODUCE FILMSTRIP

Fourth grade students in Mrs. Christian's, Mrs. Steelhammer's and Mrs. Smith's classes at Live Oak Elementary school have produced a colorful filmstrip for the Governor's Office of Traffic Safety in Austin.

The title of the film is "The Safest Show on Earth." Materials are provided by the Governor's Office of Traffic Safety for the purpose of stimulating youngsters to become more aware of pedestrian, bicycle and passenger safety fundamentals.

In the Safety Ranger Program, students create their own illustrations. These illustrations are reproduced in Austin by Canson Associates Limited, designer of the program. Each class receives a custom produced filmstrip using work done by that class. The filmstrip and a sound recording become the property of the school.

Last year, nearly 250,000 Texas school children participated in the Safety Ranger Program. The program is offered free to all Texas 4th grade classrooms this fall.

Nursing Home News Feb. 2-8

Last week our activities got off to a good start with our exercises beginning at a later hour so I could go to my TOPS club meeting.

We had thirty-four in attendance at exercises and everyone really enjoyed it.

Tuesday afternoon the Ingleside Rebekahs were over for their monthly game day. Also several of my lady volunteers came out and helped our little ones to play our game. We all love to have you come.

Wednesday morning Bonnie Jean and her helper were out for the paint class.

Wednesday afternoon Pat Baker and Alfred Zabel entertained us with their guitar and accordion music. Our residents really do enjoy this type of program very much.

Thursday morning the ladies and Bro. Pruitt from the Aransas Pass Pentecostal Church came out for their weekly program.

Friday morning Mrs. Roggerman from the Central Baptist Church of Ingleside was out to show stories of the Bible by

using a Flanagraph board and figures of people, places and things to illustrate her stories. This is both a colorful program as well as entertaining.

Friday evening is another program that our residents look forward to. This is the "Bible on Film" which is done by the Aransas Pass Church of Christ.

Saturday morning Father James Hamilton came out to give Holy Communion to our Catholic residents. We appreciate the sincerity as well as the time that Father Hamilton spends in doing this.

The rest of Saturday was left for people coming to visit us, some of our residents going out for the day, others watching television, and of course, those who enjoy playing dominoes.

Sunday morning found a large group of our residents down for the morning worship service with Rev. Al Bankert.

Sunday afternoon was again time for the Ingleside Church of Christ group to come over for their singing program. I was there and the singing was just beautiful.

Thank you for wanting to come and spend your afternoon with us.

Again, I will say thanks to all

and visit us when you can. You are always welcome.

Recipes are being prepared by the club members and books of these recipes will be on hand at the door for a small fee. This is a come and go affair and food will be served throughout the duration from 11:00 'til 2:00 P.M. as well as the informal modeling continuing throughout.

Tickets are \$3.00 and may be purchased from any Woman's Club member. Tickets for six wonderful prizes are also available from Woman's Club members and will be sold at the First State Bank on Mondays and Fridays. Proceeds will be used for the Estelle Barry Scholarship Fund and community projects.

TRAV-TRAIL-R TALK

Before we all take off for our home lands we want to pay tribute to Lucille Johnson, our "Sunshine Girl," who remembers our sick with carnations and visitations to let them know we all are wishing them a speedy recovery. A big thank you, Lucille for a job well done.

Ladies day was hosted by Mamie Heavener and Hally Tillie. A delicious Watergate cake, mints and fruit punch was served. The craft of the day was making a net broom, taught by Thelma Rice. Kay Cook of Rockport was the guest of Sally Irvine.

The big winners at game night were Irene Webster and Pete Morlock. Due to the weather our fish fry has been postponed to Monday, Feb. 9th. Ruth Freeman is making arrangements with Suttles, of Rockport, for a Style Show and luncheon. More about that later.

Feb. 3rd was a big day for Leonard and Bessie Campbell. Not only was it their 48th Wedding Anniversary but it was also Bessie's Birthday. They were joined in their celebration by Ruby andervine Fuller of Twin Oaks, with a nice drive to Corpus Christi and a lovely dinner. A double con gratulations to you both.

"Little Doc" and Thelma Rice along with Dr. and Mrs. Robert Fleege visited the Val-

ley. Stayed at Wesleco and ventured into Mexico. They brought back some very interesting macramé. Eva and Roland Wilson will leave Feb. 7 for San Antonio, where their home is. They will be joined there by their son and daughter-in-law from Pauline, Iowa, for a visit. Eva and Roland will return in about three weeks.

Mrs. Letha Dearth of Wat-sika, Ill. is back with us, recuperating from surgery at Spohn Hospital. You are looking real good Letha. Mr. Ralph Potter of York, Neb. is in Spohn Hospital. Get well soon, Ralph.

A great big howdy to our new arrivals. We hope you stay around long enough to find that "Life Can Be Beautiful." We welcome you: Mr. & Mrs. Alvin Bauman, Caledonia, Ill., Mr. & Mrs. Wendell Briggs, Virginia, Ill., Abe and Alice Vanderburgh, Sanborn, Iowa, Mr. & Mrs. Paul Swenson, Loveland, Colo., A. J. and Maxine Gallaway, Pleasant Hill, Ill., Carl and Aveland Johnson, Great Bend, Kans., Paul and Virehm-berg, Rockford, Ill., Mr. & Mrs. G. C. Patterson, Burns Flat, Okla., Eual and Donna Douglas, Larned, Kans., Ursula and Corlie Walker, Plainfield, Ind.

It would seem from all our visitors from Iowa and Ill., they must be having a little cool weather up that way. Relax and enjoy our beautiful sunshine.

Shower Honors Debra Freeze

On January 26 Debra Marie Freeze was honored at a surprise baby shower.

The shower was held at Mrs. Freeze's home in Fulton and was given by the members of the Blue Army.

Guests present were Mrs. S. Cortinas, Mrs. Martinez, Mrs. P. Picarazzi, Mrs. Alicia Dominguez, Mrs. John Clark, Mary Clark, Mrs. I. Cruz, Mrs. Licha Chavez, Mrs. Tony Mejorado, Mrs. Lupe Perez, and Mrs. Garza.

Punch and cake were served following the Rosary. Gifts, which consisted of baby suits, shoes, bibs, blankets etc., were then opened.

The baby, which is due Feb. 28, will be delivered at Lyman Roberts Hospital in Aransas Pass.

Mrs. Freeze has three sons and is hoping for a girl this time.

Baptist Ladies Hold Meeting

Woman's Missionary Society of the First Baptist Church met February 3 in the church parlor.

Mrs. James Russell, the president, was in charge of the meeting. Mrs. George West was in charge of the program, the topic being "Baptist Women in American Heritage."

The meeting opened with singing "America". Mrs. Truett Roach read the "Call to Prayer" and a scripture.

Mrs. C.O. Lutz read the minutes of the last meeting which was followed by roll call. Fourteen members answered to roll call and two visitors.

Mrs. Lillie Calvert gave the treasurer's report.

Mrs. Russell read a letter from Dr. Rutledge telling of the appointment of new missionaries. Different members told of missionaries they had known personally in the past.

Last month the ladies of the Missionary Society and the Men's Brotherhood of the church cooperated and gave a fish fry at the church, with the men cooking the fish and potatoes, the ladies bringing the salads and desserts. More than a hundred attended.

San Antonio Stock Show

On February 13 the 27th Annual Stock Show and Rodeo opens at Joe Freeman Coliseum featuring 10 days of exciting activities for the whole family.

Activities really get underway a week before the show when more than 7,000 Trail Riders in nine separate trail rides embark on what will be a week-long thousand mile, cross-country trek to the show, ending in a giant welcoming ceremony in front of Joe Freeman Coliseum at 2 p.m. Thursday, February 12.

Starting the Show's schedule a gigantic Western Parade will be in store downtown at 10 a.m. then the main center of interest will move to the Coliseum at 2 p.m. for the opening performance of the Rodeo of Champions.

From there on it's fun and entertainment for all. Thousands of livestock entries—from steers to dressed poultry—will be sifted and judges for the coveted ribbons, trophies and cash awards in 59 separate judging events.

Auction Day on February 20 is always the pinnacle of excitement for young exhibitors of prize-winning livestock.

The auction begins at 8:30 a.m. with the exciting sale of the Grand Champion Steer of the Show and continues all day until the last place barrow goes on the block, some 12 to 14 hours later.

A major attraction is the big Horse Show, where exhibitors of Quarter, Appaloosa, Paint and Cutting Horses will be in competition for nearly \$20,000 in combined purses and entry fees in a variety of events.

Special attractions are planned for the youngsters during all ten days of the show. There is a Children's Barnyard where the younger folks can get close enough to touch the baby farm animals. Members of the FFA will be on hand to answer questions.

City kids can get a first-hand view of a typical dairy farm at the Milking Parlor. Also the

million-dollar Farm and Ranch Machinery Show will display the newest and best in agricultural equipment.

Western art buffs will have a chance to see the nation's largest exhibit of Western art in the gallery adjoining the Exhibit Hall directly behind the Coliseum. Consignments of western painting and sculpture come from top members of the Cowboy Artists of America, including many of the best-known names among western artists. Adult admission is 50 cents, with a 25 per cent charge on the sale of paintings. Proceeds go to Kiwanis Club charities.

The Alamo Exposition Carnival, with an old-fashion midway and thrilling new rides, sprawls east of the Coliseum building for funseekers of any age.

With seventy cafeterias, snack bars and refreshment stands in and around the Coliseum there will be no doubt that a hearty fare for every taste will be satisfied. Food will range from cotton candy to pizza to charcoal broiled steaks, and including plenty of hot dogs, hamburgers, barbecue, doughnuts, popcorn, soft drinks, and beer.

On the final two days of the giant show, February 21 and 22, nearly 50 of the nation's best old time fiddlers (including the current and immediate past national champions) will vie for \$1,300 in prize money at the fifth annual World Series of Fiddlin'. This event started in 1972, has since become the most exciting old time fiddling Contest in the Southwest. Contestants will compete in preliminaries throughout the afternoon Saturday. The top contenders will compete in the finals beginning at noon Sunday.

Throughout the entire 10 days, the Exhibit Hall will be alive with exhibit booths displaying everything from jewelry to leather goods, bands and beauty contests.

Whatever your idea of enjoyment, chances are you'll find just what you're after at the 27th annual San Antonio Stock Show and Rodeo.

TOPS 849 Says Thank You

The members of TOPS #849 would like to take this time to give a big thanks to all the business and professional people who contributed to the success of the Golden Wizard Magic Show.

There was a great turnout and a good time was had by all. The proceeds from this and other activities will enable TOPS #849 to send representatives to the TOPS Area Recognition Day in Houston in May.

During this time many people have asked just what is TOPS? TOPS (Take Off Pounds Sensibly) is a nonprofit weight-control organization dedicated to helping people lose weight sensibly.

They compete, give recognition and moral support to each other and to those who lack the will power to do it alone. TOPS is a world-wide organization. Since its beginning in April of 1974 Rockport TOPS #849 had a net loss of 303 1/4 lbs. for 1974, and a net loss of 293 1/4 lbs. for 1975.

The club has about 30 active members. Of these members 12 have reached their physician-set weight goals and became KOPS (Keep Off Pounds Sensibly).

The KOPS help each other to keep those pounds off, just as the TOPS help each other to lose them.

TOPS #849 is proud to have many family teams losing together. This consists of men, women, and children all taking off pounds sensibly.

"So you want to try that proof-reader job on the Woodmen of the World Magazine, eh?"

Lie down and be counted.

In America, 3% of the people give 100% of all the blood that's freely donated.

Which means that if only 1% more people—maybe you—became donors, it would add over thirty percent more blood to America's voluntary bloodstream. Think of it!

But forget arithmetic. Just concentrate on one word.

The word is Easy.

Giving blood is easy. You hardly feel it (in fact, some people say they feel better physically after a blood donation).

And, of course, everybody feels better emotionally.

Because it's a great feeling knowing your one easy blood donation has helped up to five other people to live.

So how about it, 1% of America? Are you going to lie down and be counted?

Call your local Red Cross Chapter, or your community's volunteer blood bank. We need you now.

Red Cross.
