Winners Of Contest Are Announced

The winners of this week's football contest were very accurate.

First place and $15 goes to George Griffith of 903 Rusk in Colorado City. Georgie missed only two of the predictions made.

A prize of $12 belongs to Orvel Griffith, also of 903 Rusk. Orvel missed four of the attempted guesses.

A tie for third place results in a splitting of the $5 prize between Dave Smith and Delza Moore. Both contestants missed only four games and had the identical score of 14-7 on the tiebreaker game.

If you think you're pretty good at "pigskin prognostication" enter our contest this week. Details and entry forms can be found inside.

"The Rainmaker" Begins Tonight

The first presentation of the Colorado City's Playhouse production, "The Rainmaker," will go on stage tonight (Thursday) at 8 p.m. This production will run through Saturday, and again October 1 through 3.

"The Rainmaker" is the tale of a drought stricken county in the Midwest. A roving con man, called Starbuck and portrayed by Leslie Anderson, appears on the scene and declares to the citizenry that he can make rain.

Tandy Curlee portrays the stern, but loving father of an "old maid," who's portrayed by Dixie Rader. The father seizes the opportunity to bring a little bit of happiness into his daughter's life by encouraging Starbuck to woo her. Her brothers, Noan and Jim, characterized by Kent Womack and Tom Kelly, protest to this match up.

The Sheriff, portrayed by Tommy Baker, takes a hand in the action and the story's pace picks up.

To find out the rest of the story and whether Starbuck is a con man or a lover, Director Monte Jones invites you to attend the Colorado City performance of "The Rainmaker."

Advance reservations may be made by phoning 915-728-3491 between the hours of 1 and 5 p.m., Monday through Wednesday. Also the box office opens daily from 1 to 5 p.m., and 1 to 8 p.m., during performances. The tickets sell for $3.50. Curtain rises nightly at 8 p.m.

For an evening of fun and entertainment, attend the Colorado City Playhouse production of "The Rainmaker."

SHOWN IS THE CAST OF "THE RAINMAKER" during rehearsals. "The Rainmaker" begins today (Thursday), and will run through Saturday and again October 1 through 3.

Archery Season For Deer Opens

Archery season for deer opens in Mitchell County and most of Texas beginning October 1 and will run through November 1, according to Game Warden Ronnie Aston. Also beginning on October 1, will be turkey season, added Aston.

"Bowbenders" can then be seen venturing forth in camouflage garb seeking to scure the family venison and bird with only "stick and string."

According to Aston, the limit is three deer of either sex with no more than two bucks, and hunters may kill two turkeys of either sex.

Hunters may begin hunting 30 minutes before sunrise and should stop 30 minutes after sunset, stated Aston.

An archery stamp is required for all hunters and may be obtained from any place that sells hunting licenses. Also required, added Aston, is all arrows must be clearly marked with name and address in non-water soluable materials.

Of the few hunters who are successful this fall, most will have begun preparations well beforehand. In fact, at least a month of preparation is needed for the serious bowhunter, because it isn't the same as hunting with a rifle, stated Game Warden Aston.

Practice in hitting a particular part instead of the entire body, added Aston, and equipment should always be tuned up and repaired to ensure safety.

Aston also recommended that the bowhunter, check his arrows for straightness and determine if any need refletching.

In conclusion, safety and obeying the law should always be the primary goal of any good hunter, added Aston.

Mrs. Charles Harris Hosts Baumann T.E.H.A. Club In Her Home Tuesday

Mrs. Charlie Harris was the hostess for the regular meeting of the Baumann T.E.H.A. Club Tuesday afternoon.

Mrs. Harris presided and led the club prayer. Mrs. Vada Preston led in recreation by giving a Bible quiz and roll call was answered by each giving "My goal to improve myself this year."

Pauline Smiley gave the treasurer's report and Bernice Hallmark read minutes of the last meeting.

Members discussed plans for their booth for the Cotton Festival and Mrs. Pauline Smiley brought the program on "Happiness."

In her talk on happiness, Mrs. Smiley said there were many ideas of happiness, can we make our own happiness? Why are we not happy when there are so many things in life to make us happy? Can happiness be bought? She stated that happiness cannot be bought, but it must be lived. We should never say we will never attain happiness, but reach out each day for happiness that may come our way, and determine to attain it, one day at a time. She quoted Lao-Tsze as saying "A journey of a thousand miles begins with one step." Therefore, take one step at a time to attain happiness.

Refreshments were served by the hostess to Mmes. Willis Cornutt, Clara Butler, Hallmark, Clarence Cain, Pauline Griffin, Harvey Leach, Mable Givens, Cullen Payne, Smiley, Preston and Lynne Compton.

Miss Kelly Moore became the bride of Barry Wayne McBee September 5 in a backyard setting with a double ring ceremony.

The bride is the daughter of Ms. Pat Moore of Colorado City and Jerry Moore of Big Spring. Mr. and Mrs. Wayne McBee of Lubbock are the parents of the bridegroom.

Rev. Glenn Roenfeldt, pastor of the First Baptist Church, officiated at the 7 p.m., ceremony. Selections from Christopher Cross and Dan Fogelberg were played along with the traditional wedding march and reception waltz.

An archway decorated with spider mums, puff mums and English ivy and set on veranda were the ceremony decorations. Hanging plants and potted white mums decorated the surrounding area.

Given in marriage by her father, the bride wore a white formal gown, with silk chiffon. The V-neck consisted of three rows of lace that fell over the shoulders. Long thin chiffon sleeves accented the dress. She wore a hat of chiffon with white roses on the side and a veil that fell to the floor.

Miss Leslie Moore of Lubbock was maid of honor.

Bridesmaids were Christi Moore of Big Spring, Kim North of Lubbock and Pattie Leonars of Carrolton, Tx. They were dressed in the type of dress as the maid of honor.

Their dress was made of white chiffon with off the shoulder ruffles. The skirt featured ruffles in the back that came up into a bustle. They carried a basket of white spider mums, puff mums and English ivy.

Groomsmen were Scooter Roy, Mark Johnson and Greg Raines, all of Lubbock.

Ushers were Mark Solisby and Rick McBee, both of Lubbock.

The couple was honored at a reception in the back yard of the bride's parents home.

Members of the house party were Rhonda Jackson of Tyler and Denise Evans of Lubbock.

The bride's table featured a three tier wedding cake with champagne punch and sandwiches as side dishes.

The groom's table held a chocolate cake with coffee and sandwiches on the side.

The bride and groom traveled to San Antonio for their honeymoon. The bride wore a gray pant suit with multicolored shirt.

Following their honeymoon, the couple will be at home in Big Spring.

Resolución Conjunta No. 6 de la Cámara *de Representantes propone una enmienda constitucional que disponga que la mitad de los ingresos sobrantes de impuestos sobre el límite de gasto designado por el Artículo VIII, Sección 22, de la Constitución de Texas, sean depositados en un Fondo de Asistencia del Agua a ser usados como provee la ley, incluso en proyectos para el desarrollo y conservación del agua, la mejoría de la calidad del agua, el control de inundaciones y cualquier combinación de estos propósitos.*

La enmienda también provee aportaciones del fondo para garantizar bonos emitidos en cualquier subdivisión política, incluyendo ciudades, condados y distritos especiales. PROPOSICION NO. 6 EN LA BOLETA

La porción libre de impuestos puede ser hasta 20% para el período 1982-1984; 30% para 1985-1987; y 20% para 1988 a los años siguientes. La cantidad de la exención no puede ser menos de $5,000 a menos que la legislatura por ley general prescriba otras estructuras monetarias de la cantidad de exención. A un adulto elegible se le permite recibir otras exenciones aplicables prescritas por la ley. Si hace exención en caso de que los impuestos por avalúo hayan sido comprometidos previamente para el pago de deudas.*

La enmienda además requiere a la legislatura que especifique que se les dé a los propietarios una estimación razonable de impuesto sobre su propiedad en ciertas situaciones.

La enmienda propuesta aparecerá en la boleta como sigue: "La enmienda constitucional que autoriza a una subdivisión política proveer alivio en los impuestos sobre la propiedad para los dueños de hogares de residencia y que cambia ciertos procedimientos administrativos en los impuestos sobre la propiedad."

PROPOSICION NO. 7 EN LA BOLETA

Resolución Conjunta No. 1 de la Cámara *de Representantes propone una enmienda que autorice a la Junta de Terrenos para Veteranos poner en circulación y vender bonos adicionales en la cantidad de $250,000,000 lo cual aumentaría de $700,000,000 a $950,000,000 la autorización total de circulación de bonos del Fondo de Terrenos para Veteranos. My Predictions

Last week went just about as predicted except for the Oilers-Dolphins contest and the Colorado City-Denver City matchup. This week, we'll try for 100 percent accuracy.

Giants at Dallas

The Cowboys won't be stopped by the New Yorkers this time. Though the game will be interesting to watch, the "Pokes" will beat the Giants handily. Dallas by 10.

Houston at NY Jets

The Oilers had trouble scoring against the Dolphins last Sunday, but they'll have no problems with the hapless Jets. Campbell will begin to roll as the Oilers defeat the Jets by at least 10.

Colorado City at Ballinger

The Wolves haven't won a game yet, but their defense has looked absolutely superb. They held Slaton to only 7 and Denver City to but 12. Look for the defense of the Wolves to beat Ballinger in a low scoring contest. Colorado City by 6.

Texas Tech at Baylor

Tech could beat the Bears, but will they? One week they are up the next week they lose to the likes of Colorado. They'll lose this week to an aggressive Baylor team. Baylor by 12.

There they are. Don't bet large amounts of cash on these picks or you could run out of grocery money.

Until next week . L.M.

SPORTS ACTION

Wolves Come In Second In Tourney

By GEORGE MARTIN

The Colorado High Varsity Wolves volleyball team took second place in the Water Valley Tournament this past Saturday. The first match saw the Wolves come out ready to destroy any opposition as Pam Wilson and Karla Herm were setting super to their spikers. These setters had eight and six sets as the spikers downed seven good spikes. Laura Baum (three), Stacy Hamrick (two), Tomika Randle (one) and Diana Castillo (1), did an exceptional job of spiking. The Wolves were 20 of 24 in serving for 84 percent as four aces were served, three by Karla Herm. First match score was Wolves, 15, Grady, 5.

The second game of this first match saw the second bunch of the Wolves fight back the champions. Hollie Toplin and Karla Herm set the ball for a total of 19 with Hollie (13) and Karla (three). The Wolves had 11 spikes downed with Robyn Turner (five), Laura Baum (four) and Carolyn Green, (two) leading the way. High point scoring in the first match was Karla Herm, 15 points; Robyn Turner, six points; Stacy Hamrick, five points; Diana Castillo, two points; Laura Baum, two points and Hollie Toplin and Carolyn Green, one point each.

The second match of the tourney, the Wolves faced a very good Water Valley varsity team. The Wolves finally put it all together after losing the first game 14-16. The second game, the Wolves scratched and clawed for a 15-9 win and in the final game completely destroyed the Wildcats, 15-5.

In the first game, the Wolves had 17 sets as Pam Wilson (10) and Karla Herm (seven) led the way for the offensive attack. Spikes downed were Stacy Hamrick (two), Laura Baum (two), and Tomika Randle (two) as the Wolves had five dink shots. In the second game, the Wolves had a certain look in their eyes as they came out with 16 sets, eight spikes downed, three blocked opponents shots and 29 of 34 serves good for 86 percent. Karla Herm (11) and Pam Wilson (45) started things off with great setting as Stacy Hamrick, (three), Diana Castillo, (two), Tomika Randle (two) and Pam Wilson (one), spiked the ball on the opponents. Blocked shots were from Pam, Diana and Karla. High point honors went to Stacy Hamrick, six points, Diana Castillo, four points and Pam, Kerry Spivey, Karla and Laura Baum, one point each. Four good saves were registered in the game by the Wolves.

In the third and final game of the match, to see who went into the finals, the Wolves completely destroyed the Wildcats, 15-5. Karla (10), Pam (three) and Hollie (three) set the ball 16 times for the spikers to down and dink as the Wolves played smart ball and overcame Water Valley. Serving as a team 20 cf 22 for 90 percent and high point honors going to Kara, seven points, Carolyn, six points and Diana, two points as the Wolves were in the finals.

The Wolves were in the finals against a very good team this night, Miles, as the Wolves could not do very much good at all, as they took runnerup honors 4-15, 5-15. Doing good jobs for the Wolves were Karla Herm (17) and Pam Wilson (11), setups for the spikers. Spiking were Stacy Hamrick, (two), Tomika Randle (two) and Laura Baum (one). Serving as a team for the first games 9 of 15 for 60 percent and the second game nine of 10 for 90 percent as the Wolves just could not get any aggressiveness going.

"The Colorado High Wolves volleyball are champions and they know there is going to be down games and we as a team have to cope with this. We'll work out any problems and be ready to open district play on Monday against Merkel. We appreciate the support of the fans, school and community, that they have given to our athletic teams. Everyone can be proud of our young people."

Why gas is plentiful:

50% of the Gas

There are thousands of square miles of natural gas formations in these nine basins. Industry experts estimate that these basins hold 50% of the nation's remaining onshore reserves. Lone Star's pipeline system extends to eight of them, which should give you a nice warm feeling for many a long winter. It's another reason to be glad you're served by the Lone Star system.

Gas. It's plentiful, efficient and right for the times.

The Loraine Senior Citizens met at the Senior Citizens Center on Tuesday night, Sept. 15 for their monthly business meeting, eating and party night. About 100 attended.

The Center had been decorated by Mrs. Angie Barrera, Paula Munoz and Mrs. J. M. Munoz. The Spanish decor was done with colorful serapes, paper flowers, hanging balloons, sombreros, etc.

Rudy Baumann, president, opened the business meeting. Fred Witta had comments to make concerning recent improvements at the center.

The meal was pot luck with emphasis on Spanish dishes, although many other dishes were brought.

The roll call was answered with "My goal to improve myself this year," and thought for the day was "You're not fully dressed until you put on a smile."

Members were encouraged to participate in the county wide craft program in the C. C. Thompson Room in Colorado City on Sept. 29th.

Officers elected for the coming year were as follows: president, Mrs. Hubert Meadows; vice president, Mrs. Clarence Matejowsky; secretary, Mrs. Jack Linam; treasurer, Mrs. Roy Wells; council delegate, Mrs. T. L. Holman; alternate, Mrs. Raymond Wheeler and reporter, Mrs. Raymond Wheeler.

For the program, Mrs. Wheeler brought a portion of the material on "More personal happiness." The purpose of the program is to look at what happiness is, and how we can learn the habit of happiness through a process of self acceptance, logical thinking and the belief that an individual has choices. Another thought presented is that happiness, like beauty, may be in the eye of the beholder. Happiness is setting our own goals—not those of parents, friends, teachers or mates. A major cause of unhappiness is accepting other people's expectations and goals rather than evaluating them to see if they are the same as ours.

Work sheets covering many areas of happiness were handed out and the group will bring these back at a later meeting for discussion. The group considered this a good self-improvement study.

Mrs. Holman served refreshments to Mmes. Jack Linam, J. E. Price, Hubert Meadows, Clifton Henderson, Roy Wells and Raymond Wheeler.

Mrs. Hubert Meadows will host the club October 7th.

Guests were registered by Vicki Givens. Other members of the houseparty were Mrs. Wayne Oliver, Mrs. E. J. Schroeder, Brenda Aguillon.

Even if you're unhandy, you can do something to help hold down electric bills.

Save energy and money at home by learning how to insulate, caulk and weatherstrip — it's easy when you know how. Just call us, or ask for our "Unhandy Person's Guides" on the comments portion of your bill.

It's important to learn ways to conserve energy, especially since the cost of electricity must continue to increase, partly because all fuel used to make electricity continues to cost more.

For example, a contract for low-cost natural gas expires at the end of this year, and we'll have to use more high-priced gas next year.

You *can* conserve and help hold down your bill by using the "Unhandy Person's Guides" from Texas Electric.
