

HALL OF FAME INDUCTEES - James Eldon Franks and R.V. Allcorn are new members of the Olton Athletic Hall of Fame, receiving the honor at the pep rally Thursday afternoon.

Queen Crowned

Three Named To Hall Of Fame

Connie Kennedy was crowned the 1977 Homecoming Queen Thursday afternoon during a rafter-lifting pep rally in the high school gym. Daughter of Mr. and Mrs. T.C. Kennedy, she was escorted by David Johnson.

Other candidates were Donice Quigley, daughter of Mr. and Mrs. Dan Quigley, escorted by Martin Brown; Irene Hernandez, daughter of Mr. and Mrs. John Hernandez, escorted by Roger Russell and Elena "Lonnie" Sanchez, daughter of Mr. and Mrs. Jimmy Sanchez, escorted by Rene Saldivar.

Three persons were inducted into the OHS Hall of Fame, James Eldon Franks, R.V. Allcorn and Carrol M. Jones. Jones was unable to attend.

Kelly Cox, master of ceremonies, made the introductions saying, "It is always nice to be called 'The Best' - no matter what the endeavor. It is especially nice when being among the best from a long established tradition. And because our athletic tradition in Olton High School is so very rich, introduction into the athletic Hall of Fame is a very special event."

Allcorn was cited for football honors he achieved during 1951-1953. He was selected to All District honors in 51, 52 and 53 and was named All Regional and All State in both 52 and 53. He was picked All American in 1953 and was one of five Texas footballers selected to the All Southern Team. He was also chosen to the 1953 Fort Worth Star Telegram Super Team, a team comprised of all classes.

The new Hall of Famer scored 372 career points and, in 1953, returned 14 or 18 kick-offs for touchdowns. In his best game, he averaged 38 yards per carry and had a 90 yard punt.

He also excelled in track and was a member of OHS' only regional championship baseball team, with a batting average of 461. In addition to being chosen Best All Around Athlete, he was elected Mr. OHS and Best All Around Boy.

Allcorn's plaque was presented to him by his son, Brad Allcorn, quarterback of the 1977 Mustangs.

Franks was a captain of the 1943 Mustangs and was chosen Most Valuable Player. He was the second leading ground gainer in district that year.

Participating also in basketball, he was selected to the All Tournament Team at Sundown. He ran track, competing in broad jump, low hurdles and 440 yard dash. He was district and bi-district winner in the broad jump and low hurdes and was third at regional, qualifying for the state meet.

Franks was valedictorian of the 1944 graduating class.

Jones, whose home is Louise, is not only a former athlete of Olton High School but also was later to serve as teacher and high school principal of his alma mater.

Nicknamed "Pug" in school, he competed in the 1925 state track meet but on the rainy day of competition, cinders clogged his shoe cleats and he "went through instead of over" the final hurdle, he recalls.

That 1925 trip to Austin was a solo trip as he made the trip alone after buying his own bus fare.

In 1926, he again qualified for State in the high hurdles (which were six inches higher than the hurdles of today). This year he was accompanied by Superintendent H.P. Webb and he brought home the state title.

He had qualified both years for the mile run but chose to devote himself entirely in one effort, the hurdles.

Investigation Continues

Daylight Robbery Committed

Investigation is continuing in the early morning robbery Wednesday of Masso's Department Store. Police have good description of the two men who took approximately $39 from the store's cash register while one of the two intruders physically restrained Masso.

Described as black, one was a heavy-set bearded man who forced Masso to the floor while the other took the cash from the department store's register. He was wearing a striped shirt. The second, slightly built, was dressed in a gold tee shirt.

The men had entered the store earlier that morning inquiring about the purchase of shoes with a check. Masso informed them he did not accept checks from persons he did not know. The two left but returned shortly and tried on shoes before committing the robbery.

Prior to the robbery, they also entered the Enterprise office where they inquired about having a photograph made. They made no attempt to take money there.

Night patrolman Gayle Morgan announced this week that his number, 285-2272, may also be used to call the police department during night hours.

$9000 Goal Set

United Way Campaign Begins

Kick-off for the 1977 United Way campaign is Monday, Oct. 31, with nine service and health organizations to be underwritten by the contributions received. Goal has been set at $9,000. Last year's goal of $8,500 went over the top in Olton's first United Way campaign.

Mrs. Fred Thompson, Campaign Chairman, says the theme is "Give yourself a pat on the back. Olton has always come through when there was a need. Definitely the workers deserve a pat on the back for they are the ones who make it go."

Kids Incorporated and Easter Seals have been added to the list which includes the American Cancer Society, American Heart Association, American Red Cross, Salvation Army, Caprock Council of Girl Scouts, South Plains Council of Boy Scouts and Cystic Fibrosis Foundation.

"Some people may not be acquainted with Kids Incorporated," Mrs. Thompson said. That program will provide Olton's little boys and girls with the opportunities to play Little Dribblers basketball and participate in organized track, tumbling and boxing.

Zone chairmen for the drive have accepted their volunteer assignments. All workers with the campaign will be named in The Enterprise in a forthcoming issue.

"Please remember," Mrs. Thompson asks, "the workers will be knocking on your door one time for all nine causes. You won't be hit by fund drive after fund drive. Won't you consider this and summarize what you would give to each cause and to give that amount at this time."

Contributions to the campaign may be made in one donation or persons may authorize monthly, quarterly or semi-annual bank drafts or you may be billed for spaced out contributions.

The plea is, "If you give five dollars to the Salvation Army, five dollars to the Heart Fund, five dollars to the Cancer Society and such, don't just give five dollars to United Way, that's just 55 cents for each."

Water Systems To Be Discussed

Discussion of Olton Water System Improvements, GA-77-125, is listed on the agenda for a meeting of the Executive Committee and the Board of Directors of South Plains Association of Governments Tuesday, Oct. 11, at 1:30 p.m.

The meeting is set for the SPAG conference room, 1611 Ave. M Lubbock. The agenda contains a listing of nine other matters to be considered.

FOOTBALL QUEEN FOR 1977 is Connie Kennedy, daughter of Mr. and Mrs. T.C. Kennedy. She was crowned during ceremonies prior to the pep rally Thursday.

In Football Contest

Two New Names On Top

Two new leaders took over the season's lead in the Enterprise football contest this week. Doug Goen and Don Nafzger share a hold on the top spot with 55 correct picks thus far in the season.

Nafzger also was in the top bracket for the week, missing just one game but W.E. Thomas edged him for the week's first place money by coming closest on the tie-breaker. Thomas was off four points with a 14-20 prediction of the Philadelphia-Detroit tie-breaker. Nafzger missed by 28 points with a 24-34 guess.

Third place was also determined by the tie-breaker. Four persons missed two games each but Rodney Smith collects the $2 prize money by missing the tie-breaker three points with a 10-17 guess. Others were David Britton, 6, 15-21; Goen, 7, 10-21 and Joel Nelson, 11, 14-27.

Contestants with 50 or more points are listed elsewhere in this issue. No contestant should give up seeking the season grand prize of $50, even though they may trail by a number of points. Standings are subject to change each week.

Remember, any contestant might be a weekly winner. Enter today, the contest is fun.

Changes Suggested

Speaker Warns About Books

Some 90 people were in attendance Thursday, Sept. 29, for the first regular meeting of Olton Parent-Teacher Association.

Superintendent Joe Turner greeted those present.

Mrs. Lawrence McLain of Hart spoke of the value of the P-TA organization and the need to develop an awareness of what is being taught children in today's schools. She detailed how group action has been used to influence the use of undesirable books in public schools.

Mrs. McLain also showed how tax dollars were being spent to produce books and support meetings that would have an adverse effect on young minds. She offered suggestions for changing this trend.

Next meeting will deal with Drug Abuse and will be presented by Raymond Powers in November. The public is cordially invited to attend.

Presiding at the meeting was John Ratliff, president.

Week Set Aside To Honor State's Teachers

A statewide observance of Teacher Appreciation Week was set for Oct. 2-8.

Locally, observance of the week was postponed until Oct. 9-15. "Gestures of appreciation will be offered throughout the week, according to John Ratliff, president of the local P-TA. He further states "I hope that parents and students will take this opportunity to make teachers aware of their feeling of appreciation, not only this week, but throughout the entire year."

Annual Turkey Dinner To Be Served October 21

The Community Turkey Dinner, sponsored annually by Olton Women's Clubs, is slated for Friday, Oct. 21, in the school cafeteria.

Planned to precede the Morton football game, the self-serve dinner will include turkey, dressing and all the trimmings. Doors will open at 5 p.m. and serving will continue to 8 p.m. according to Mrs. Jack Allcorn, general chairman.

Advance ticket sales are underway by members of Women's clubs who will prepare the home made foods. Adult tickets are $3, and children, under ten years of age, will be admitted for $1.75.

Funeral Services Conducted For Longtime Olton Resident

Services were held at 2 p.m. Saturday in First Baptist Church for Dewey Hopson Ball, 79, former longtime resident.

Officiating were the Rev. John E. Lewis, pastor, and the Rev. Russell Pogue, pastor of First Baptist Church of Spearman. Interment was in Olton Cemetery under the direction of Parsons Funeral Home.

Ball died Thursday in Hansford County Hospital in Spearman where he had been a patient eight days.

Born May 13, 1898 in Caddo, Okla., he was married to the former Myrtis Harper Jan. 16, 1926 in Lindsey, Okla. They came to Olton in November, 1928 and moved to Spearman in 1974. He had been a Baptist 41 years.

Survivors include his wife; two sons, Charles Ray Ball and Gene Ball, both of Spearman; a daughter, Mrs. Ralph Loveless of Lubbock; four sisters, Mrs. Carmen Alsup of Phoenix, Ariz., Mrs. Beulah Measles, Mrs. Delbert Hyman of Kermit and Mrs. Pauline Alexander of Plainview; four brothers, Jody Ball of Oklahoma City, J.D. Ball of San Francisco, Calif., Louis Ball of Lubbock and the Rev. Fred Ball of San Antonio; seven grandchildren and five great-grandchildren.

Pallbearers were nephews, Garner Ball, J.D. Hyman, Don Hyman, James Ball, Elvis Muse and J.B. Ball.

Blood Donors Needed For Former Oltonite

At least 40 donors are needed Monday for a blood drive to benefit a former Oltonite, Mrs. Glenn (Gertie Fae Seawright) Nichols. Mrs. Nichols is the daughter of Tom Seawright and daughter-in-law of Mr. and Mrs. Bill Nichols.

Blood Services of Lubbock will have their mobile unit in Olton at the agricultural community building between the hours of 8 a.m. and 1 p.m.

Local Bank Reports Increase In Assets

A release from Olton State Bank Sept. 30 showed an increase of $2,400,000 above a year ago.

This increase resulted to some extent from an earlier than normal corn harvest with ideal weather. "Cotton prospects look good," President Dale Cary stated, "so we feel that 1977 will be a banner year for the Olton area."

Total assets as of Sept. 30 were $24,200,000 as compared with $21,800,000 a year ago.

Equal Rights Amendment Discussed At HD Meeting

Northwest Home Demonstration Club met Tuesday afternoon in the Edmonson Community Center.

Mrs. Dan Hayes was program leader, speaking on the Equal Rights Amendment. She told of the various organizations which are working in support of the amendment including NOW (National Organization for Women) and IWY (International Women's Year).

Former President Jerry Ford appointed a 35 member national commission of the observance of IWY. Many of the issue endorsed by this group are being challenged by concerned persons who believe that the good found within the proposed amendment is heavily out-weighed by the bad.

Mrs. Hayes said that the "W's" organization, Women Who Want to be Women, opposes the amendment for those issues which are a threat to freedom of religion, family life and the American democracy.

The amendment proposes federally funded and controlled 24-hour child development centers for all children, government-financed retraining centers for "displaced homemakers," school based programs for sex education and family planning beginning in the elementary schools, government-financed abortions, public election financing, full legal and social status to homosexuals, world disarmament and guaranteed annual income among many other plans.

Mrs. Spain Reviews Book 'To Lib Or Not To Lib'

Mrs. A.J. Spain gave a review of Joyce Landorf's "To Lib or Not To Lib," a woman's views on what the Bible says about being a woman in the '70s, at Tuesday evening's meeting of the Wesleyan Circle of United Methodist Women.

"I see three rather specific types (libbers)," Mrs. Landorf says. "The woman who is rebellious and militant, the woman who is an intellectual crusader and the woman who is a perverted protestor."

Mrs. Landorf cites an article written by a woman minister which appeared in "The Philadelphia Inquirer" which quotes her as saying, "The least we can do is call God 'She' part of the time and the Holy Spirit 'She' all of the time."

"You are free to speak your opinion," Mrs. Landorf says, "but what is your biblical proof? Now, about that 'supreme male Chauvinist,' Paul. Most women's libbers take a small part of what they THINK Paul said and misuse. If women would read the words of Paul in their entirety, they would see that Paul did not believe in the abject submission of women."

"Actually, as you read what Paul says, he's three times (count 'em!) harder on the man in marriage."

Mrs. Landorf concludes her "life-tested conclusions" on women's liberation with the recollection of the New Year's Rose Parade in which Billy Graham was Grand Marshall. Mrs. Graham was surrounded by sign-carrying Women's Lib protestors and one reportedly asked her about her feelings on women's liberation.

"She simply smiled and responded, 'I'm liberated, thank you.' When I read that I thought, Ah, there are many fine women in our 20th century world, but the woman who has been truly liberated by Jesus Christ is the best, the very best of them all."

Hostess for the meeting was Mrs. Gene Trotter.

Johnson, Mauntonn Wed In Mountain Setting

In an outdoor setting in Echo Valley high in the Colorado Rockies, using the natural beauty of golden aspens as a backdrop, Miss Charla Denise Johnson became the bride of Alan Maunton.

The mid-day ceremony, Oct. 1, was directed by the Rev. Clay skurdahl, pastor of Atonement Lutheran Church of Colorado Springs.

The bride is daughter of Mr. and Mrs. Krueger Johnson of Security, Colo., and granddaughter of Mrs. Virginia Bryant. Maunton is the son of Mrs. Martha Maunton also of Security.

A semi circle of picnic tables formed seating arrangement for guests in the informal setting.

Presented in marriage by her father, the bride wore a full length gown of natural Calcutta cloth with lace trim. Styled along Empire lines, the gown was designed by the bride and fashioned by her maternal grandmother, Mrs. Bryant.

The jewel neckline of the fitted bodice was outlined in lace, as were the lace insets of the lantern sleeves. Lace also edged the ruffles falling softly over the hands. Gores of the slightly A-line skirt were traced in lace, and the wide ruffle at the bottom of the skirt was also edged in lace.

Wearing flowers in her hair, the bride carried a Colonial bouquet of daisies, chrysanthemums and baby's breath, tied with yellow satin streamers.

For "something old" the bride wore her grandmother's ring on a ribbon around her neck and a bracelet belonging to her great-grandmother, Mrs. M.T. Bagley. She "borrowed" a white Bible belonging to her aunt, Mrs. Robert Priest of Hereford, and she wore the traditional "blue". In her shoe she carried pennies minted in the years of birth of both bride and groom.

Serving as her sister's maid of honor was Miss Pamela Johnson, gowned in green. As a junior bridal attendant another sister, Jenny Johnson, was gowned in gold. Each of the feminine attendants carried a long stemmed yellow carnation tied with yellow streamers.

Bob Maunton served as his brother's best man. Another brother, Val Maunton, was groomsman, both are from Security.

Following the ceremony the bride presented each of the mothers and the grandmother with long stemmed yellow roses.

A reception, honoring the young couple, was held in the Community Buidling of a nearby mountain village, Divide, Colo.

The bride's table was laid with an ecru crocheted cloth, handcrafted by her great grandmother. A gold fabric underlay was used. An arrangement of gold mums and carnations interspersed with baby's breath formed the centerpiece. The traditional tiered wedding cake was topped with a miniature bride and groom and was touched with gold and green. Miss Gitta Mastine of Security presided at the table.

The bride and groom are both graduates of Wide Field High School in Security. They left immediately following the ceremony for Cheyenne, Wyo., where the groom is employed in construction.

Attending the wedding from the Olton area were Mrs. Bryant, Mr. and Mrs. Bill Johnson of Hart Camp and Mrs. Avinel Cannon of Littlefield.

The heat pump
"THE ELECTRIC SAVINGS MACHINE"
BUYING, BUILDING, REMODELING?

It's time to consider the heat pump. Southwestern Public Service Company can suggest the system that will give you the most for your energy dollar, and come up with some accurate information on installation and operating costs.

The heat pump is the electric savings machine. And usually a machine of such sensitive operation calls for a lot of space and some pretty technical installation procedures. NOT SO WITH THE HEAT PUMP! "Split systems" — most adaptable to homes — consist of an outdoor and indoor section, easily tucked away in a closet, garage, basement or attic. The single package unit looks very similar to a central air-conditioning unit that's placed outdoors. Both systems can be installed in most every home or office that has central air ducts. If you're buying, building or remodeling, it's time you said . . .

"Yes, the heat pump!"

A.M. MEEKMA

Olton Graduate In Retirement

Word has been received that A.M. (Arch) Meekma, Dairy Specialist for Agricultural Extension Service, Texas A&M University, retired at the end of August ending a 29 year term at that post.

Meekma, 1934 graduate of Olton High School, is the son of Mrs. John Meekma, Plainview.

His 35 year association with the state's dairy industry dates back to 1938 when he was employed as Assistant County Agent, Hopkins County and supervisor for the Hopkins County Dairy Herd Imrovement Association.

Following a five year lapse for advanced degree study and military service, Meekma renewed his association with the Texas dairy industry in 1946 as manager of Kraft Foods Company bulk cheese plant at Winnsboro. He was appointed Dairy Specialist in September 1948.
