RICHARDSON GOES OVER THE TOP-SIDEWAYS--Eric Richardson, with the ball, holds on tight as he heads for the grass on his side. He had just been upended by a Dimmitt Bobcat defender. The Bobcats found themselves in a desperation bid to keep their unblemished season record in Muleshoe Friday night. With less than a minute and a half to play in the game, the Bobcats pulled out a come-from-behind victory over the Mules, winning 20-14. (Journal Photo)

Hospital 'Question And Answer' Column To Start In The Journal

On October 26, West Plains Medical Center will be open again for one year. After almost a year of 'shoe-string' operations, the doors remain open, but there are still financial problems to be worked out.

With this first anniversary of the re-opening of Muleshoe's

hospital, there are certain to be a number of questions you may have in the back of your mind about the operations of the hospital.

If you have questions, you are encouraged to write or call your question, or questions, to *The Journal*. Attention: Clea Williams, P. O. Box 449, Muleshoe, TX 79347.

Or, you may call her at 272-4536.

She will present your question, or questions, to the proper WPMC staff or board member and you will be provided an answer.

Beginning next week, *The Journal* will be starting a regular 'Question and Answer' column, concerning West Plains Medical Center.

Do you want to know the hospital policy for accepting patients? Do you want to know how many people are employed at the hospital, and in what capacity? Do you want to know how the 'bills' are paid for the hospital, and how much? Do you want to know what equipment and supplies are needed by the hospital? Or perhaps you want to know if you could volunteer to help in some way at the hospital -- whatever your question, if the answer is not known, it will be found out for you.

In recent weeks, many, many local people have found out just "how lucky we have been" to have a hospital available, and an emergency room available here.

As long as you, the general

public, do not become too complacent, and take the hospital for granted, we can keep the doors open as they were intended to be.

Get your mind busy, and ask that question that's been nagging at you about WPMC.

Board members from WPMC are continuing to work toward a 'workable' and a 'permanent' solution to the hospital's financial problems, but your input, your interest is needed at this time.

If you will respond, there is no reason we cannot keep our hospital open and ready for the 'rush' of emergencies that have inundated this area in recent weeks.

Finley Gets Scholarship For Doctorate

Cynthia Phillips Finley, CHE, has been awarded the \$500 Janice Cory Bullock Scholarship by Phi Upsilon Omicron, national home economics honorary. She is the daughter of Mr. and Mrs. Leldon Phillips of Sawyer, OK, formerly of Muleshoe. Her father-in-law is Clifton Finley of Muleshoe.

Finley is completing her doctorate in home economics education at Texas Tech University, Lubbock. Her dissertation subject is "Attitudes and Expectations of Engaged Couples toward Financial Management." She hopes to teach or do career counseling at the university level.

She has a master's degree in guidance and counseling with a minor in family studies.

She serves on the Special Education Advisory Council, Lubbock Public Schools and was named Handicapped Professional Woman of the Year by the Lubbock Chapter, Pilot Club International.

Cindy and her new guide dog recently graduated from Guide Dogs for the Blind in San Rafael, CA, after a two week training course.

The purpose of Phi Upsilon Omicron are to recognize and encourage academic excellence, professional leadership, and service to the home economics profession.

Members of the honor society are home economics students and alumni selected for outstanding ability and performance

Mexican Supper Planned Friday For Sudan School

Sudan High School is sponsoring a Mexican Food Supper on Friday, October 14, from 5-7 p.m. in the Sudan High School Cafeteria.

The menu includes two enchiladas, one taco, beans, rice, salad, sopapilla, and ice tea.

Students in the Home Economics classes said they are striving to attain 100 percent membership in the FHA organization. They are sponsoring the dinner in order to earn their membership dues.

Mrs. Lanette Whitley of Muleshoe is the Home Economics teacher in Sudan. She and her students said they would like to especially invite Muleshoe area residents to attend. You may contact her or any of the students for ticket information, or purchase tickets at the door.

Following the dinner, the undefeated Sudan Hornets football team will host Kress at 7:30 p.m.

Two Controversial Fumble Calls Help Give Bobcats Win

Friday night, the Muleshoe Mules almost pulled off the "upset" of the year when they led the unbeaten Dimmitt Bobcats for the first three quarters of the district opener for both teams.

At the end of the first quarter, it was 7-0 for the Mules, after A. J. Liles, Mule quarterback, picked off a Bobcat pass, then led the Mules in consecutive plays to see Michael Dunham make it into the end zone with 2:52 left to play in the first. Daniel Glivas booted in the extra point.

Continuing in the first stanza, the Mules led on stats with 48 yards to 15 for the 'Cats and making 15 plays to seven for Dimmitt. The Mules also had four first downs in the first quarter, holding the Bobcats to one first down.

In the second quarter, the Bobcats had to decide that the Mules were for real, when the Mules' John Orozco slammed over from the six, with Olivas again kicking the PAT. At this point, the Bobcats settled down to play a little more.

The Bobcats made it in from the 20, but their PAT failed, and at halftime, the Mules were still dominating both the stats and the score, at 14-6.

Continuing their domination of the game, the Mules continued to hold the Bobcats through the third quarter until 1:22 was showing on the clock, and the Bobcats got on the scoreboard once again on a 26 yard pass play.

The Cat quarterback tried a two point conversion that failed, and left the score at 14-12.

A referee's decision that Daniel Olivas had lost a fumble when the whistle had already blown stopped the Mules in the third, and when the Mules recovered a fumble (before the whistle blew the play dead) proved to be a decision that provided a 'double-whammy' for the Mules. The fumble recovery that wasn't allowed set up the Bobcats third TD, which came with 1:21 left on the clock. A 45-yard pass play by the Cats, which left the ball on the five, another play that took it to the two yard line, then on the next

play, into the end zone, proved deadly for the Mules' chances to pull the upset.

This time a two-point conversion play worked, and the Dimmitt Bobcats took the game at 20-14.

With 1:12 left in the game, the Mules made a desperation drive that ended at mid-field, as they had no time outs left, and could not advance the ball against strong Dimmitt Bobcat defense.

Coming into the game, the Mules had a season record of 2-3 and were ranked 140th in the state. The Dimmitt Bobcats record was 5-0 and the team was the 12th ranked team in the state. The Bobcats were favored by 25 points, and nearly lost out on that.

After Friday night's district opener, no one can dispute the fact that the Mules are definitely championship material. They proved they could hold their own against the 'power' teams.

The Mules had 160 rushing yards and 17 yards passing for 177 total offensive yards. Workhorse for the night rushing was Michael Dunham, who had 30

Muleshoe Native To Hold Revival At Local Church

A native of Muleshoe, Bill Hart, will be conducting a revival at the First Assembly of God Church in Muleshoe at 501 South First St.

The revival starts with the Sunday evening services at 6:30 p.m., then will be conducted Monday-Wednesday at 7:30 p.m.

Pastor Hart is founder and Senior Pastor at Church on the Rock, Austin.

He started the church with 13 members in 1984, and now has a membership of more than 700.

Leading the music for the revival will be Leon Cliff. Pastor David McCune, of the First Assembly of God Church said, "Come expecting a miracle."

A nursery will be provided for the services, added the local pastor.

FLIGHT FOR LIFE TO THE RESCUE--Late Wednesday night, Flight For Life from St. Mary's Hospital in Lubbock was in Muleshoe one more time. This time, it was to transfer 28-year old Anita Gardea, who had internal bleeding. At presstime, Mrs. Gardea was still in Surgical Intensive Care at Methodist Hospital following surgery. Saturday morning, Flight For Life had to turn back after being summoned to Muleshoe to pick up a cardiac patient. The emergency helicopter could not land due to very heavy fog in the area. They were expected to pick up the cardiac patient later after the fog lifted. (Journal Photo)

New Telephone Program Available For Elderly

A new financial assistance program, aimed at older, disabled Texans, has been established by the Texas Legislature in cooperation with the local exchange telephone companies throughout the state. "Tel-Assistance" is the name given to the new program.

"Tel-Assistance will reduce certain charges on a qualifying person's telephone bill by 65 percent," according to Tim Raven, president of the Texas Telephone Association. "Eligible customers may have Touchstone service or custom calling services, however, the discount will not apply to these services."

Raven adds that Tel-Assistance service recipients will also receive appropriate reduction of the Federal Communications Commission (FCC) line charge. Discounts do not apply to long distance, telephone equipment or installation charges.

The Tel-Assistance program is under the direction of the Texas Department of Human Services. To qualify for Tel-Assistance, an

applicant must meet several requirements.

Applicants must be 65 years of age or older and must be disabled. Additionally, applicants must be the head of a household and have an income at or below the Federal poverty level.

"Additional information regarding Tel-Assistance is available from the Texas Department of Human Services," Raven said. "Interested parties can call toll-free, 1-800-343-8353, or write to Tel-Assistance Service, Texas Department of Human Services, Mail Code 952-X, P. O. Box 2901, Austin, Texas 78769."

Applicants for the program are processed by the Department of Human Services, as well. The Department will advise telephone companies if a person is eligible for Tel-Assistance.

Kiwanis Learns How To Make 'Apple Cider'

By: R. A. Bradley

Sixteen Kiwanians and one guest met Friday morning at the Old Corral. President Keith Turner called the meeting to order. Howard Watson led the pledge to the flag and invocation was given by R. A. Bradley.

Glen Morris had the friendship coin and said it was about to burn a hole in his pocket. Glen then gave the coin to Nick Bamert. Watch it, Nick, that coin may be hot.

Friday's guest was James Atwood.

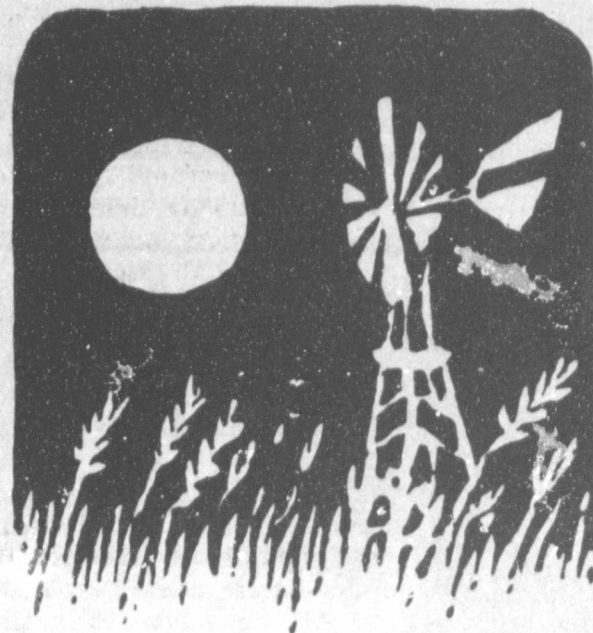

The Kiwanis Club will put out the flags next Wednesday for Columbus Day.

Nick Bamert had the Friday program and showed a film on "Making Apple Cider." This film was produced about 20 years ago, but was very interesting and

entertaining. It showed from the picking

stage to the grading-cleaning-grinding-pressing and bottling.

Nick, it was very good and enjoyed by all.

Creative Living

By Sheryl Borden

Information on the quality of baby food, a presentation on "20 Fashions in a Hatbox", as well as a recipe to make a homemade pancake will be featured on "Creative Living" on Tuesday, October 11 at 12 noon and repeated on Saturday, October 15 at 2 p.m. on KENW-TV. (All times are Mountain.)

Amy Riley is with Gerber Products Co. in Fremont, Michigan and will cover such topics as convenience in preparation, quality ingredients used, nutrient and ingredient data as well as on-going research on baby foods. This should prove to be a very informative segment for both parents and their infant.

Audrey Childress, Metairie, LA, performs magic as she illustrates 20 different fashions. Audrey travels throughout the country presenting programs for her own business, Fashion/ Sewing Seminars. The fashions illustrate the different shapes that are evident in all garments and Audrey will explain this concept.

Our flashback segment presents Connie Moyers who will demonstrate how to make your own homemade pancake. The process is fast and is easy to do and works just as well as the commercial products—at a much reduced price. Connie is Marketing Home Economist with Southwestern Public Service Co. in Clovis, N.M. and has shared several delicious recipes and helpful ideas during the past ten years.

On Tuesday, October 11 at 9:30 p.m. and on Thursday, October 13 at 12 noon, "Creative Living" will present information on self blood glucose monitoring

for diabetics and tips on what to do for unexpected company as well as a flashback segment on Wine PUNCHES.

Keeping diabetes under control requires dedication to a program of diet and exercise and maintaining proper medication. To aid diabetics, Dr. Los Jovanovic-Peterson will introduce the self blood glucose monitoring tool to help patients better manage the disease condition. Dr. Peterson is a research scientist at the University of Southern California in Santa Barbara.

Boehringer Mannheim Diagnostics has provided this important tool for monitoring blood sugar levels for diabetics.

What do you do when unexpected company arrives and there is nothing prepared to serve? Polly Murray is with McCormick-Schilling Spice Co. and will share tips and recipes on how to solve your dilemma. Polly is from Baltimore, MD.

Our flashback segment will feature Aldo Cella who will share some of his favorite recipes for using sparkling wines in punches. We hope you will enjoy Aldo again, as he represents his own firm, Cella Wines.

"Creative Living" is produced and hosted by Sheryl Borden. The show airs on more than 100 PBS stations in the United States, Canada, Guam and Puerto Rico and is distributed by Pacific Mountain Network, Denver, CO. Viewers can request copies of printed materials offered on the show by calling on KENW-TV's toll-free telephone lines between 8 a.m. and 5 p.m. In New Mexico, the number is 1-800-432-2361, out-of-state: 1-800-545-2359 and Portales and Roosevelt County: 562-2112.

Hospital Administrators Discuss Rural Problems

Some 150 rural or small hospital administrators are meeting Oct. 6 and 7 at The Worthington Hotel in Fort Worth to discuss critical health care issues affecting their institutions. The "Fall Forum" is sponsored by the Rural or Small Hospital Constituency Section of the Texas Hospital Association.

Sen. Richard Anderson will report the "Findings of the Special Task Force on Rural Health Care Delivery and the Texas Rural Health Caucus." Sen. Anderson and other members of the caucus are seeking an increase in the base amount paid hospitals under the Medicaid system from the current \$1,200 to \$1,500, an action which would benefit some 218 Texas hospitals.

Juanita Carrell, Ed.D., associate commissioner of Special Health Services at the Texas Department of Health, and Bill E. McCutchen, deputy regional administrator of the Health Care Financing Administration in Dallas, will provide updates on the regulatory activities of their agencies and their impact on small and rural hospitals.

"Inspections of Medicare-accredited hospitals, investigations of complaints and compliance with regulations governing Medicare beneficiaries are concerns of all hospitals. However, costs of complying with various agencies' regulations may be more of a burden to small or rural hospitals already facing financial problems," said Charles Bailey, vice president of legal services for the Texas Hospital Association.

Legal problems facing small or rural hospitals will be addressed

Hobby Club

Muleshoe Hobby Club met on the sixth at the Senior Housing Complex meeting room.

Glenda Morris was hostess for the 12 members present.

The roll was called and the minutes read and approved.

Jane Williams, Glenda Morris, Laura Mae Stansell, Myrtle Chambless, Frances Bruns, Ruby Lambert, Vickie Hendricks, Sammy Ethridge, LaDema Wright,

Mabel Caldwell, Mattie Benton and Edith Fox were present.

Glenda Morris brought a shadow box with her youngest son's baby shoes and his baby picture enclosed. Sammy Ethridge brought a painting she had painted. Glenda Morris had a birthday cake for all the October birthdays, and it was real nice. Chips, dips and punch were served.

Next meeting will be October 28 with Hazel Reeder as hostess.

Larry Shafer Gets Honors In Belgium

It's a long way from Muleshoe, Texas to Florennes AB, Belgium, but Maj. Larry and Cassie Shafer and their sons, Scott, five and Steven, two, made the transition. Recently, Maj. Shafer acted as escort for the 10-member Soviet baseline inspection team, led by Vyacheslav Lyebede, toured Florennes AB.

According to information received by Kenneth and Marjorie Precure, the parents of Cassie Shafer, the baseline inspection tour was very successful, and the Soviets had very complimentary words about the success of the inspection.

Maj. Shafer, the son of Jimmy and Joyce Shafer, former Muleshoe residents, is expected to be transferred to another Air Force Base in the near future.

His wife, Cassie, recently gave a lot of credit to local teachers, including Jean Allison, Kerry Moore and Johanna Wrinkle, for playing a part in the success Maj. Shafer has enjoyed in the U. S. Air Force.

"I hope kids will look at what he (Larry Shafer) has accomplished, and be more motivated to listen to their teachers," said Mrs. Shafer. "With motivation, anything can be accomplished."

Maj. Shafer is the grandson of Roy and Margaret Atchison of the Y-L community.

In a telephone conversation with her mother, Marjorie Precure, on Tuesday, Cassie Shafer said Maj. Shafer had just been named "Field Grade Maintenance Manager Officer of the Year" of the 17th Air Force.

He will now be in competition with other winners throughout the Air Force in Europe for further honors.

ON ITS WAY AT LAST--(L-R) Evelyn Peat, Vivian White, Ann Camp and Thursie Reid put the final pages of the Bailey County History Book in the box ready for a representative of Taylor Publishing Co. to take to the publishers. This book has been a project for the History Book committee of the Muleshoe Jennyslipper for almost two years, and a lot of hard work has gone in to putting this book together. You may still purchase your book for \$55.00 if you haven't already done so.

County Book All Ready For Shipment

After almost two years, and a lot of long hard hours put in by a group of hard working and dedicated ladies led by Vivian White and Thursie Reid, co-chairmen of the Jennyslipper History Book committee, the Bailey County History Book "Tales and Trails of Bailey County" is on its way to the publishers. A representative of Taylor Publishing Co. was in Muleshoe Tuesday and Wednesday helping with the final preparation of the book and took the last pages back.

"The response to the last

phase of the book--Special Tribute--Memorial and Advertising pages has been overwhelming" said Billie Downing. "The committee appreciates so much your participation and generosity in the vital part of the

Library News

By: Anne Camp

Storyhour was held Wednesday morning at the library with 40 attending. There are now 46 enrolled.

It may have looked to some that the library was "going to the dogs," not so, the program was on pets in general, and dogs in particular, with four lively little puppies as guests.

The children enjoyed the petting time with them.

Two movies were shown, one was "Behave Bernard," about a dog who got into trouble and was

sent to the pound, but upon his release became a very good pet.

At the close of the program, Della Snell, Muleshoe Animal Control Officer, gave a good talk to the kids on the care and control of their pets.

She also let them go out and look at her pickup that she uses, and told them if their pet is picked up and placed in the pound, they need to pick it up within three days.

She also explained the importance of having pets inoculated and tagged, so they can be identified. Upon leaving, the children were given a treat.

I want to thank the members of the Young Homemakers for having the storyhours in my absence.

The collection of children's videos is growing, and the circulation is very good. Anyone (who is an adult) with a library card, may check these out for overnight use, at no cost.

Tops Club

TOPS Club met Thursday at 6 p.m. at the Heritage Thrift Shop.

Lavern James called the meeting to order with the TOPS Pledge, fellowship song and a prayer.

Minutes of the previous meeting were read and approved.

Orvdie Burris called the roll with eight members responding. TOPS welcomed a new member, Alene Bryant; and a visitor, Ruby Lambert.

Lavern read an article entitled "Why We Don't Have a Standard Diet," written by Esther Manz, founder of TOPS.

Best loser for the week was Lavern James. First runner-up was Aurora Mata; second runner-up was Orvdie Burris.

Best loser for the Month was Ernestine Steinbock; first runner-up was Aurora Mata; and second runner-up was a tie between Jewel Peeler and Mary Edmiston.

Next month will be a short meeting with an 'Open House.'

The meeting was closed with the Goodnight Song.

PREVENT FIRE

Fire Prevention Week Oct. 9 - 15, 1988

Fire is a tragedy no one wants to experience... it is a destroyer of lives and property that can bring destruction and heartache to all in its path.

For your own good, for the good of your family, your property and the properties of your neighbors, observe good safety practices this week and every week, all the time!

CANCER FACTS

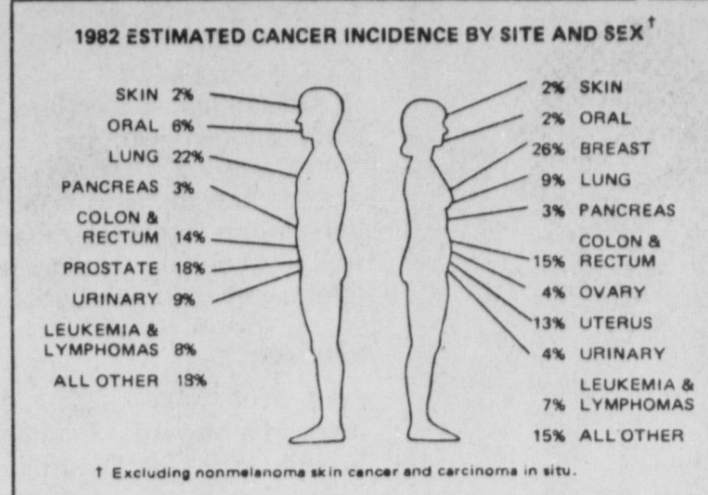

Cancer is the second most common cause of death in the United States, second only to heart disease. Cancer will account for twenty-one percent of total deaths.

The exact cause of cancer is unknown. However, through research, we have identified risk factors for the development of cancer, preventative measures, and methods for early detection.

The incidence of cancer differs by site and by sex. For females, the leading cancers are breast, lung, colorectal, cervical and uterine cancer. For males, the leading cancers are lung, colorectal, and prostate cancer.

In the following weeks, we will discuss the most common types of cancer, what are the major risk factors for its development, preventative measures and recommend screening procedures to detect cancer in the early, curable stages.

Rebekah Lodge News

Muleshoe Rebekah Lodge #114 met Tuesday night, October 4, in regular session. Louise Allen, Noble Grand, conducted the meeting. Pat Langfitt led the opening prayer; and minutes of the last meeting were read by June Green, and approved as read.

It was reported that Alvin Talley's surgery went well and at the present, he is doing as well as expected. Please continue to remember him by cards and prayer.

Election was held for lodge deputy and District Deputy President. Pat Langfitt was elected lodge deputy and Ruby

Green was selected as District Deputy President. Congratulations to these two.

Adele Tompkins, lodge deputy, conducted a meeting in which each member was asked to tell what being a Rebekah had meant in her life and the things in the lodge that interested her the most.

Many different views were given and each member presented many beautiful memories of her lodge years. Everyone enjoyed this special time.

Happy Birthday was sung for Ona Berry, who will celebrate 'her day' on the sixth.

"The Evening Prayer" was sung and lodge was dismissed by Pat Langfitt.

Fourteen members enjoyed refreshments served by Lori Tosh and Lena Hawkins.

FB Followers Class Holds Lunch, Meeting

Followers Sunday School class of the First Baptist Church met October 5 at Louise Agee's home for a luncheon and business meeting.

New officers for the coming year were elected.

Also, new projects for the coming year were discussed.

Attending were Elizabeth Watson, Louise Agee, Mildred Bartley, Faye Wellborn, Violet Dean, Lois Baldwin, Nola Ivy and Dorothy Bowers.

Sudan News

By: Evelyn Ritchie

Word was received that Tommy Henderson, a former resident of Sudan, is seriously ill in Methodist Hospital, Lubbock. Also, that Jesse Moncado is improving.

Bonnie Roberts recently spent a few days in Albuquerque, N.M. with her sister and her husband, Mr. and Mrs. Buddy Dennis. Accompanying Bonnie was No-rene Moore of Littlefield.

Funeral services for the mother of Dewey Coldiron were held Wednesday morning in Guymon.

Mr. and Mrs. Frank Lane and Mr. and Mrs. Edwin Harper have been vacationing at Eureka Springs, Ark. and Branson, MO.

Mr. and Mrs. Billy Chester have returned home from Evans, Colorado after a visit with their daughter and family, Mr. and Mrs. Dale Masten and children.

Shirley Martin took her mother to Olton to attend their 50th Class Reunion of Olton High. Then they spent the weekend in Seminole.

Mr. and Mrs. Bobby Carson and Angie fished during the weekend at White River.

Mr. and Mrs. Kelton Doty of Shallowater visited Thursday evening in the home of his mother, Evah Doty, and with Mr. and Mrs. Wayne Doty.

Mr. and Mrs. Glen Cardwell were in Greenville over the weekend. They visited with his mother, Mrs. Hal Cardwell, and attended funeral services also for Glen's aunt, Dessie Bench. Six of the Cardwell children were there.

Visiting with the Ken Carr family Sunday and attending church services with them were their parents.

Rhoda Minyard has returned home after spending some time at Bandera with her sister, Larue.

It has been reported that Mrs. O.O. Baker fell this week at her home and has been in the hospital.

Lynn Williams, RM2, son of Mr. and Mrs. R.C. Williams, Sudan, is among personnel aboard the USS Vandergrift now on duty in the northern Persian Gulf where four mines have been discovered recently. U.S. Naval officers say shipping will be endangered if rough winter weather rips more mines from their moorings. Three of the mines were spotted drifting on the surface after breaking loose from their seabed anchors.

Naval officers issued the warning as the 3,600 missile frigate arrived off Kuwait, escorting what U.S. military sources said could be the next-to-last convoy of U.S.-flagged Kuwaiti tankers to be protected by American warships. The U.S.S. Vandergrift is an escort for the 81,283-ton oil products carrier Surf City.

The Navy has been escorting 11 Kuwaiti tankers re-flagged with the Stars and Strips since July 1987 to protect them from Iranian attack. The Vandergrift was patrolling near two secret U.S. Navy barges when bridge lookouts spotted a mine bobbing 100 yards off the port side. All mines have been 500-pound M-08 contact devices that Iran is known to have own widely, according to AP news sources. All were covered with marine growth, indicating they had been in the water for some time. Some mines had been recovered but "a couple hundred" were thought to remain in the area.

TIPS Will Be Continued This Year

Technology Increases Profits (TIPS), a Cotton Foundation program initiated last year to expedite and maximize the transfer of production technology to growers in 15 cotton-producing states, will continue this year.

Through a grant from Valent U.S.A. Corp., the program provides funds to state Extension services to train their cotton county agents so they can help producers stay competitive by improving efficiency and increasing profits.

During the program's first year, "TIPS" grants were used in part for travel scholarships for agents to attend meetings such as the annual Beltwide Cotton Conferences. The program targeted the top 86 cotton-producing counties in the nation's 15 cotton-producing states. Seventy county agents from 12 states attended the 1988 conferences, nearly double their previous best attendance.

"Agents who attend the Beltwide will be better equipped to help growers more efficiently produce quality fiber because the conferences provide a wealth of ideas and information on new products, management techniques, farming practices, and marketing strategies," said foundation president Bobby Carson, a Marks, Miss., producer. "The industry is pleased with Valent's continued support of 'TIPS' because the program is aimed at agents representing about 80 percent of the annual U.S. cotton production."

Dr. Zerle Carpenter, director, Texas Cooperative Extension Service, said that by allowing more county agents to attend the conferences, "TIPS" is helping Extension meet the challenge of staying current with the rapid generation of new production and marketing technology.

"It's vital that we get as many agents as we can to the Beltwide Cotton Conferences because this forum has emerged as the cutting edge for unveiling new industry information and technology," Carpenter said.

County Extension agent Eugene Terhune said, "In January, 1988, I was extended the privilege to attend the 1988 Beltwide Cotton Production Conference in New Orleans. For a young agent who works primarily with cotton producers in Mississippi County, Ark., it was beneficial to me to get a chance to hear firsthand reports of new cotton production technology being used in other parts of the Cotton Belt."

County agent Joe Vestal, Lewisville, Ark., said the production conference and the technical sessions provided him with abundant new industry contacts and ideas for various agricultural projects.

"The data I obtained on the value of cottonseed for wintering beef herds was very useful to our local Extension in designing beef educational programs," Vestal said.

Lazbuddie

4-H News

By Joanna Gallman

The Lazbuddie 4-H Club met for the first time this school year on Monday, September 12, 1988. Club officers for 1988 are Leland Brockman, president; Brett Thomas, vice president; Holley Morris, secretary; Casey Bradshaw, council delegate; and Joanna Gallman, reporter.

Membership sign-up was completed with a total of 49 members for the coming year. New and old business was discussed, followed by the designing and making of posters to promote 4-H Week. The posters will be on display in the school during 4-H Week. Games were played and refreshments served before the meeting was adjourned.

Safe cotton harvest calls for constant vigilance

In recent years, many incidents have occurred involving cotton module builders. The extended portion of the cotton module builder can easily come into contact with overhead electric lines if the operator is not very careful. The same problem exists with overhead baskets on cotton strippers.

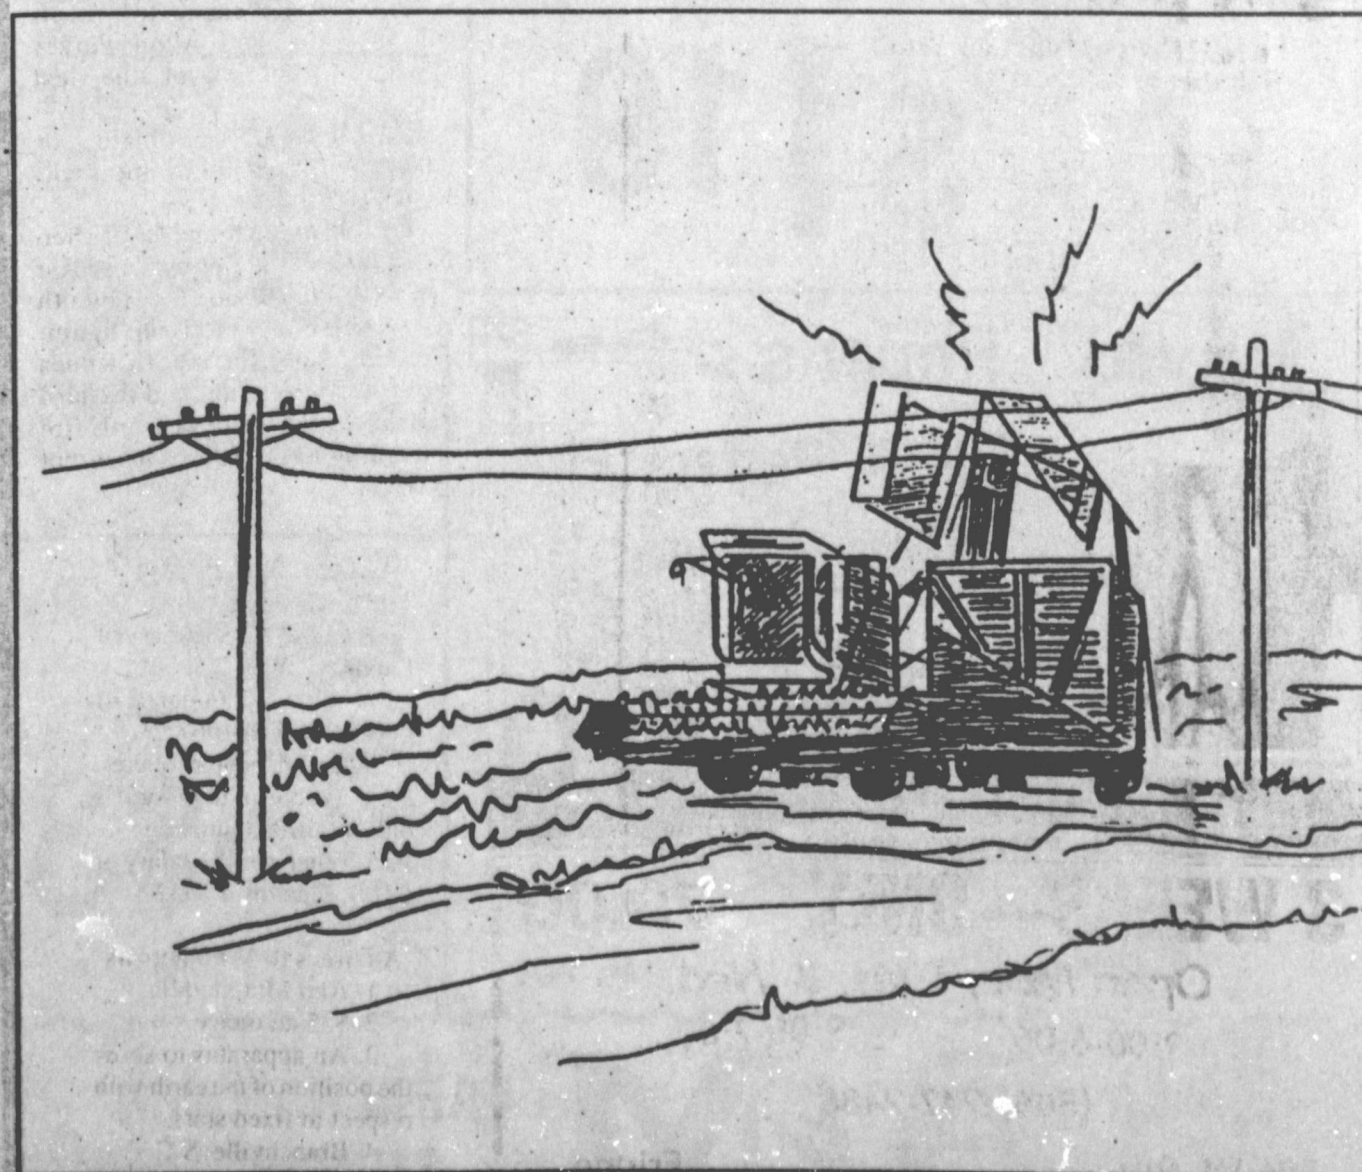

Cotton harvest is here again and the Co-Op urges extreme caution when operating farm equipment near electric lines.

We urge farmers and their employees to be alert to these potential hazards and to take every possible precaution to avoid serious injury or even death. When you are moving a module builder, be sure the packer arm is lowered as far as it will go. When using a stripper with an overhead basket, be sure to check for overhead lines before dumping.

If some piece of equipment does contact the 7,200-volt overhead lines, it is important that you or the operator not try to simply back away. The line could break, or if it's already broken, it could tangle in the equipment and break again, compounding the problem and increasing the danger.

Jump clear of the machine, being sure not to touch the ground and the machine at the same time. Move quickly away at a right angle to the power line. Then call the Co-Op office whether or not the line is broken so Co-Op employees can help you.

Remember - It's your life that is at stake!

Fire Department News

by: Alton Parker

H.E. Reeder called the meeting to order and Alton Parker read the minutes of the last meeting.

Jim Watson, candidate for county judge, came by the dept. for a visit.

New fireman, John McCutchen was voted on the dept. as a rookie fireman and will be on a 6 month probation and voted on again. Firemans vote for month comes for Scott Churchman and Richard Railsback. "If you play with fire you will get burned. So learn not to burn."

Lazbuddie Notes

BY: LHS NEWSPAPER STAFF

Monday, October 3, in the Lazbuddie cafeteria, Patsy Britting presented a drug and alcohol awareness program for the parents of the Lazbuddie community. Britting is the drug education specialist from Region XVI Educational Service Center in Amarillo. The purpose of this program is to assist school districts in providing a drug and alcohol education prevention concept in grades K-12.

Mrs. Britting noted that there are four components in having a drug and alcohol free school system. The first of these is decision-making, the second self-responsibility, the third self-esteem, and the forth communication skills. A special emphasis is to be placed on the self-esteem of the students.

Principal Anne Farris said, "In order for our students to develop self-esteem, the teachers must be trained in this area. We are proud to announce that our Lazbuddie teachers are."

Have you ever held a python? Well, the Eighth Grade did when they travelled to Portales, New Mexico on a field trip. The students travelled with their history teacher Richard Luscombe, on September 27. They visited three different museums, the Balck Water Draw, the Roosevelt County, and the Museum of Natural History. At these museums, the students learned more about animal habitats, Indians, cinosaurs, and the livelihood of early man.

Many students agreed that it was interesting and exciting. One student even stated, "It was a blast!"

The Lazbuddie Cub Scouts began their activities during the spring. They had a campaign on August 3, to pick up the litter around the school houses. On August 20, the Cub Scouts had a very exciting day by having a picnic at the wildlife reserve near Muleshoe. They also went on a hike. On September 26, they watched a movie and had refreshments.

Mrs. Gay Williams is the Den Leader, and she has arranged for the meetings to be held on

Wednesday at 5:00 p.m. Mr. Carl Bodiford is responsible for teaching the scouts how to raise the American flag. He is hoping that the Cub Scouts will raise the flag in one of the upcoming LHS games.

Two bits! Four bits! Hey!

Six bits a dollar!

All of Lazbuddie,

Stand up and holler!

Carl Bodiford, Spanish and history teacher, is sponsoring the Lazbuddie pep squad. Many names were suggested for the squad, but most students thought that the Orange and Black Pack would be the best

name.

Mr. Bodiford is hoping that the pep squad will be going to the football games every Friday. The pep squad will be helping the cheerleaders with the cheers and will give their support to cheer the Longhorns to victory. Bodiford hopes that the pep squad will keep going during the basketball season, also.

News

By: Joy Stancell

Autumn...It's awesome! Get the family in the car pack a snack and take a drive in the country. Nature's putting on its seasonal spectacular, and the show is just too good to miss. Effie Smith, Thelma Stearns, Ora Roberts, Emma Schuster, Pearl Cox, Roy Taylor, got in cars Thurs. afternoon and headed for a drive in the country, visiting Jeff Smith buffalo, sightseeing the beautiful homes and yards along the way and back through town going west viewing the beautiful produce hanging and displayed at the produce stands, driving on, someone called our attention to a truck load of green shiny bell peppers, a truck load of carrots and then on to Ben Roming's pumpkin patch and pyramids of yellow orange pumpkins. It is just too beautiful to take it all in. One taste of ice cream at the Sonic, brought us back to the "here and now." Our thanks to Lona Embry, Dusty Moynihan and Melissa McNutt for helping us take such a spectacular tour.

Sunday morning Mrs. Sanders came to teach the Bible lesson adn visit. Pat Young brought a group of children from the Methodist Church to visit and "adopt" a grandparent.

Clara Weaver is having company this week, her daughters Pat and Linda and her sister who she hasn't seen in several years.

Among those visiting Guy Kendall this week were, Kenneth Precure, Lewis Scoggins, Clara L. Jones, and his family and Mr. Wuertlein.

Mrs. Chaney was visited Thurs. by her brother Mr. Bowington and her niece Jolene Swanner.

We are planning on having a Oriental food party Thurs. Oct. Our chefs will be Jim Swanner and Dennis Hayes.

Among those visiting the Nursing Home this week were Winnie Berry and Ollie Sebring.

The Muleshoe Church of Christ came Monday afternoon to visit and play games with the residents.

Sun. afternoon the Calvary Baptist Church came to sing and play Gospel music and to share their love for the Lord with the residents.

Monday morning Clara L. Jones and Lorinda Bodiford visited. Lorinda read another episode from Fox Fire to the residents. Congratulations to Eric Bodiford who had just recently learned the "art of walking."

Tues. afternoon Lula M. Shanks, Jackie Johnson, Elaine Greenhouse, Beth Watson, Olive Cox, Florene Upchurch, Claudine Embry and Freida Locker came to shampoo and set the ladies hair.

Fri. afternoon the J.O.Y. choir from the First Baptist Church came to sing Gospel music with the residents and to visit. Refreshments of finger sandwiches and punch was served to those attending and residents in their rooms.

Ruby McCamish went to her daughter's Barbara Bilbry over the weekend to visit with relatives from Ark.

SEASONS CHANGE

For a time leaves are green, then in early fall they become brilliant with many colors. Finally they turn brown and fall from the trees, leaving them drab and lonely looking.

God never changes, he is an ever present help.

"For I am the Lord, I change not" Attend church and learn more of God's wonderful and never changing love.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

NOTICE OF EXECUTION SALE STATE OF TEXAS COUNTY OF BAILEY

By virtue of an Execution issued out of the District Court of Cochran County, for the 286th Judicial District of Texas, on a Judgment rendered in said Court on the 11th day of September, A.D., 1987 in favor of FIRST STATE BANK, MORTON, TEXAS, and against G.D. HOWELL, in the case of FIRST STATE BANK, MORTON, TEXAS, Plaintiff vs G.D. HOWELL, Defendant, No. 2804 in such Court, I did on the 14th day of September, A.D., 1988, at 11:00 A.M. levy upon the following described tracts and parcels of land situated in the County of Bailey, State of Texas, as the property of the said G.D. Howell, to-wit:

TRACT I: An undivided 25 percent interest in and to Block 24, League 108, Fisher County School Land, Bailey County, Texas, containing 292 acres of land.

TRACT II: An undivided 25 percent interest in and to Labors One (1) and Ten (10), League 122, Childress County School Lands, Bailey County, Texas, containing 354 acres of land.

TRACT III: An undivided 25 percent interest in and to Labors Five (5) and Six (6), League 121, Childress County School Land, Bailey County, Texas, containing 354 acres of land

And on the 1st day of November, A.D., 1988, and being the first Tuesday of said month, between the hours of 10:00 A.M. and 4:00 P.M. on said date, at the East door of the Courthouse of said County in Muleshoe, Bailey County, Texas, I will offer for sale and sell at public auction for cash, all of the right, title and interest of the said G.D. HOWELL in and to said property.

DATED at Muleshoe, Texas this 28th day of September, A.D., 1988.
