ELDORADO — SCHLEICHER COUNTY, TEXAS

THURSDAY, JULY 23, 1953

NUMBER 30

BIG WATER SPOUT DAMAGES PROPERTY, FREEZES SEVERAL HUNDRED TURKEYS — TERRIFIES PEOPLE — & CREATES VAPOR

Waterspout reports continue to come. It seems that the big 8-inch localized rain last week did more damage than was at first thought.

Heavy losers were the Lynn Alexanders, who were in the center of the rain area. Out of the 1200 turkeys they were feeding they lost 350, some of them 20 weeks old and some 15. Weighing up to 20 pounds, the turkeys averaged about 12 pounds each.

The turkeys literally committed suicide. When the wind piled up deep drifts of hail, the extreme cold caused the birds to climb up on each other for warmth in the poultry buildings, and they smothered to death.

When the appraiser reached the county to appraise the loss for insurance, some time had elapsed, and they then got rid of the dead birds by calling a rendering plant.

Loss is estimated by the Alexanders to be about \$900. They are fattening the remaining turkeys for the Thanksgiving market.

Mr. and Mrs. Roy Boyer were away from home when the rain and hail struck their place. The hail riddled screens, broke window lights, and badly damaged the roof, allowing water to pour into the house, part of which will have to be renovated because of water damage. Every shrub, garden vegetable, leaf, and growing plant on the place was demolished.

The two houses on the Bob Hill place were both damaged, as were a barn at L. Kent's and buildings at Marion Wade's, Ovid Wade's, Ross McAngus', Tom Alexander's, Ervin Mund's, Mrs. S. H. Cheatham's and others. All of these farmers and ranchers report dam-

age to buildings, gardens and shrubbery, and most of them are of the opinion that they will lose some trees from hail damage.

Today water is still standing in the lakes and against the terraces. The rain fell so fast that much of it ran off, hence the fields and pastures did not get the soaking they needed. Current reports indicate that the soil is already dry and packed in places.

The hail provided motorists with an interesting sight—clouds of steam from the mixture of rain and hail, creating a vapor which made driving difficult. The motorists who ventured through when the downpour was at its worst had to drive through streams of water rushing over the paving and beside lakes which came up to the paving on both sides.

This week landowners are counting the cost of the precipitation and wondering if they ever want rain badly enough to ask for that kind.

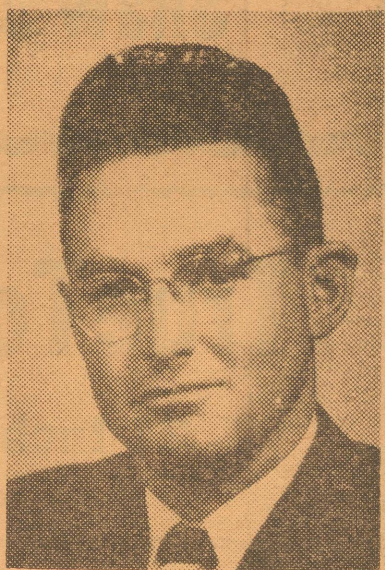

People in the center of the wet area seem to agree that the combination of rain, hail and wind created terrifying conditions, and most of them would not want to go through it again.

Rain to The North

Saturday afternoon brought some rain to wet Huldale again. Reaching within a few miles of the city limits of Eldorado, the rain measured 1.3 at Jess Blaylock's Saturday, and was heavier all the way from there to the county line.

Schleicherites who agree that spotted rains are better than no rains express the hope that the drouth is gradually easing up, and that general heavy rains are in the offing.

NEW PASTOR IS HERE IN RENT QUARTERS

Rev. J. C. Hancock

Rev. J. C. Hancock preached his first sermon as First Baptist resident pastor in Eldorado July 15.

He and Mrs. Hancock have taken up temporary residence at the Tom Buchanan residence, while the church makes plans to build a new parsonage after razing or selling the old one. The new parsonage will be built on approximately the same site.

The church recently acquired the Bearce apartment house at the south and a lot across the street adjoining the parsonage, to provide for future expansion. At this time the parsonage building program is claiming the attention of the congregation.

HOWELL SPEAKS AT MENARD C. OF C. ANNUAL MEETING

Several civic leaders from Eldorado have received invitations to the Menard Chamber of Commerce annual meeting, scheduled Friday night, July 24, beginning at 7:30.

Following the barbecue, which will be served in the school athletic field, and a short business session, Henry Howell of Station WQAI, San Antonio, who is well-known here, will speak.

FIREMEN TAKING COURSE AT A & M

Fire Chief Palmer, West and Robert McWhorter, another member of the Volunteer Fire Department, are attending the Firemen's training school at A&M College Station. This is the 24th session of the school.

West and McWhorter are returning home Saturday upon completion of the course.

THREE SURGICAL CASES

Local doctors have been in charge of three surgical cases this week. All involved major surgery and were performed by the Eldorado physicians: Mrs. E. W. Perry, Mrs. Hanson Nixon and Mrs. Christine Frizzell (emergency).

They were also officiating doctors at the birth of two babies, a daughter to Mr. and Mrs. Raphael Shields, and a daughter Saturday to Mr. and Mrs. Dewey Frissell.

Mr. and Mrs. Ernest Finnigan and Jack Hext and family met relatives Sunday at Richards Park, Brady, and all had a barbecue dinner there.

Explorers Are Back From Fishing Trip

John Miller and his brother Bob of Ballinger chaperoned a group of Explorer Scouts on a fishing trip to the Coast last week. They left Eldorado Sunday evening and returned Thursday noon.

One catch the boys had not planned on was a six-point buck, which came out onto the highway from the side of the road in the path of the pickup, when they were driving between Llano and Fredericksburg. They dressed the meat and had venison for one of their meals while fishing.

They caught 40 catfish, weighing about 100 pounds. Robert Miller caught a 60 pound stinger, and Jerry Perry fought another the same size for a half hour but it finally got away.

They made camp on the Intercoastal Canal, and report the mosquitoes bad. They had part of their meals at a restaurant near by, and also fish and venison suppers.

Making the trip in addition to the sponsors were Gail Mittel, Jerry Perry, Robert Townsend, Clyde Bauguess and Alva Lee Harris.

County Extension News

By S. L. Mullins, Jr.
Asst. County Agent in Trng.

National Farm Safety Week

This week has been proclaimed as National Farm Safety Week by the President. During this week all farmers and ranchers are urged to make a check up of farm and farm home hazards. There are many hazards on the farm that could be done away with if each farmer spent just a little time to correct it. During this week this office would like to encourage you to check your equipment and habits for safety and make living on the farm safer.

Local Men Sell Rams

O. Sudduth and Joe Edens sold some rams at the Rambouillet sale held in San Angelo Saturday, July 18. Most all the rams at the sale sold for a low price but that was expected because of the drouth.

Bulletins Available

Growing Grain Sorghums, B 210 and Guide for Controlling Insects on Corn, Sorghum, Small Grains, and Grasses in Texas, C-334, are available in your county agent's office.

4-H Club Meeting

A meeting of the 4-H Club will be held in the Memorial building Friday, July 31. At this meeting a movie will be shown entitled, "A Heritage We Guard." This film shows how to care for wildlife. Also "Trout Factory" has been ordered and can be shown at the same meeting.

Mrs. H. T. Allmond of Odessa drove to Eldorado Monday to bring home her sister Doris, who has been her guest since school closed. They stopped in McCamey for Mrs. Tom Border, who accompanied them to Eldorado and spent the day with the Dickens family.

H. T. Finley returned recently from a hospital in Dallas and is reported to be resting well since his return home. A nurse, Mrs. Nelwyn Reeves of Monroe, La., is assisting with his care.

New Babies

Born to Mr. and Mrs. D. L. Fissel, July 18, at 9:35, a daughter Debra Sue. The baby weighed seven pounds and five ounces at birth, which occurred at Lindsey Clinic in Eldorado. Grandparents are Mrs. Neva Fissel of Kermit and Mr. and Mrs. Henry Underwood of Myrtle, Missouri. The young father is a driller for Strong.

Born, Sunday evening at 8:50 in San Angelo, a son to Mr. and Mrs. R. A. Crider. The baby weighed seven pounds and 12½ ounces and has been named Richard Albert II. Grandparents are Mr. and Mrs. W. G. McAlpine of Eldorado and Mrs. Albert Crider of Huntingdon, Tenn. The mother is the former Fay McAlpine and Richard Albert is the couple's first child. Mr. Crider is an employee with the S. W. Texas Co-Op. The mother and baby are returning home today from the hospital in San Angelo.

CONSERVATION MEN ANALYZE RAINFALL FOR THIS PERIOD

To date rains have been few and far between in the Eldorado-Divide Soil Conservation District. Recent rains that have fallen registered from no appreciable amount of moisture to 7 inches in a very short length of time.

The intensity of the rain in some instances caused considerable damage and resulted in a large amount of run-off.

Technicians assisting the district made moisture penetration checks on Friday following rains received on Wednesday and recorded the following determinations:

Field terraced and planted on the contour received 3 inches of rain. Moisture penetrated to a depth of 18 inches 125 feet from upper side of the terrace. The terraces held all the water that fell and backed water 200 feet on the upper side.

On an adjoining field with no terraces or contour rows 3 inches of rain fell, but moisture penetrated only 8 inches.

Another terraced and contoured field received 2.3 inches of rain which it held. Moisture on this field had penetrated 12 inches 60 feet above the terrace (still muddy from 60 feet back to the terrace). In the same field away from terraces and not benefited by them only 3 inches of moisture penetrated.

Rangeland, deep site, no cover, up to 7 inches of rain and hail in a short length of time—no appreciable amount of moisture.

Recent rains might be a reminder for us to maintain our terraces if they are run down and not up to the proper width and height. A terraced field that will hold a 3 inch rain might spell the difference between a crop or no crop at all.

This is National Farm Safety Week, July 19-25, 1953. "Consider what's your responsibility toward the safety of others. A good time to reflect on safe equipment and practices is now."

DORSEY HARDEMAN ADDRESSES LIONS' CLUB

Senator Dorsey Hardeman was principal speaker at the regular meeting of the Lions' Club Wednesday noon. He told the group of interesting highlights in the past year at the State Capitol, and traced the history of bills which had been defeated or passed.

During the business session there was discussion of the club project of beautifying the street centers in front of the City Hall and the Post Office. A permanent committee on this project includes Eldon Calk, Lum Burk, Quentin Dunn, L. V. Newport, and Dick Preston.

New members enrolled recently were C. T. Waller and Rev. J. C. Hancock.

Guests in the home of Miss Chris Enochs are Mr. and Mrs. Bob Sewell and daughter Nancy of Los Angeles, Calif.

Post Script

Millard Smith has bought a lot adjoining Bill Lester's lot in Glendale, and is having a two-bedroom house built on the location. Work is starting this week.

Mr. and Mrs. F. B. Calcote bought four lots near the new Calvary Baptist Church last week, and are moving in a new 3-bedroom ready-built house to this location for a residence. They sold their farm to J. H. Emmons of Odessa, and will give possession as soon as their new house is ready.

While that general rain still fails to materialize, the local showers of the past few days have been welcome.

Mrs. C. M. Reynolds, the W. E. Brutons and others in that neighborhood had a quarter inch rainfall Tuesday afternoon, while H. A. Belk had an inch. The same day, there was a shower in the Cooper Gas neighborhood which measured from a quarter to a half inch. There was rain north of town Monday, with Springstuns receiving 1.2 inches and others getting more or less.

A local rain in Eldorado Wednesday afternoon came in from the east, but petered out before it got through town.

DATES TO REMEMBER

Homecoming, August 8.
Southwest Texas Electric Co-Op annual meeting, August 11.
School opening August 31.

OIL NEWS

JAMES C. WATSON

Midland, Texas

Edwin L. Cox of Dallas added a wildcat prospector to the Schleicher County oil picture this week with the staking of a 6,000-foot rotary test in the central-north portion of the county.

It will be drilled as No. 1 Runge, 330 feet from north and west lines of section 67, block M, GH&SA survey and 13 miles north of Eldorado and one and one-half miles north of the North Huldale (Pennsylvanian) field.

Operations are to start at once. Sinclair Oil & Gas Company filed application with the Railroad Commission of Texas requesting permission to start drilling at once on a project in the south side of the Huldale (Pennsylvanian) field of North-Central Schleicher County.

It will be drilled as No. 2 Dwight McClatchey, 1467 feet from north and 467 feet from west lines of section 31, block M, GH&SA survey and seven miles north of Eldorado.

It is slated for a 5,800-foot bottom.

Warren Petroleum Corporation No. 1 Virgil J. Powell, wildcat, in East-Central Schleicher County was flowing to test for completion as a discovery from the Canyon sand.

During the last 24 hours of testing reported, the possible new field opener flowed 32.74 barrels of oil and 14 barrels of basic sediment and water through a 3-4 inch choke. Production is coming from open hole section at 3576-3625 feet. Gas-oil ratio during the above test was 9403-1. Location for this project is two miles southwest of the Webster gas-distillate field and five miles northwest of Port McKavett.

Activity in the Huldale field on last report includes:

Humble No. 5 Brooks, drilling below 1360 feet in sandy lime.

Sinclair No. 6 McClatchey drilling below 3650 feet in lime and shale.

In the South Huldale Honolulu No. 2 Tisdale was making hole below 2630 feet in hard lime.

Atlantic No. 1 Thomerson, project in the Toe Nail field, was making hole below 4795 feet in lime and shale.

Texas Crude No. 1 Daughdrill, wildcat in Schleicher County, was being drilled below 4776 feet in lime and shale.

Sinclair No. 1 Hall, another Schleicher wildcat, was bottomed

at 5342 feet in lime taking a drillstem in the Palo Pinto. The project took a drillstem test from 5270 to 5312 feet. Tool was open two hours and 50 minutes. Recovery was 80 feet of drilling mud with no shows.

Warton Drilling Co., No. 1 R. Wilbur Brown, and others, wildcat in northeast Schleicher, drilled to 6305 feet in dry Ellenburger and has been plugged and abandoned. It was in section 70, block H, GH&SO survey and 15½ miles northeast of Eldorado.

HAZELWOOD BRO'S. ARE NEW OWNERS OF ICE BUSINESS

The Hazelwood brothers are new owners of the Eldorado Ice business, and are already on the job selling ice and groceries.

Mr. and Mrs. Paul Phillips, who have owned and operated the business for some time, remained on the job part of the week, to help the men start out with their new business venture.

The Hazelwoods are long-time residents of Eldorado. Both of the men maintain homes here, and will continue with their farming operations while they carry on the business.

The Hazelwoods and the Phillipses have advertising messages elsewhere in this paper which convey their thanks and announcements of the deal.

The Military

Harold Rutland, son of Mrs. Irene Rutland, has joined the Marines, and last Thursday left San Antonio for San Diego, Calif., where he will receive his boot training.

Alford, son of Mr. and Mrs. Albert Fore, who is now in the Marines, has the following mailing address:

Pvt. Alford Ray Fore
Plt. 220, A Co., 2nd Rec Train Bn
MCRD, San Diego 40, Calif.

Roy Williams left San Angelo by plane Monday night for overseas duty, after spending three weeks with home folks. The Williams families accompanied him to San Angelo Monday and all had a picnic supper in a park.

Lions President Announces Committees For New Year

Membership in the Eldorado Lions Club is nearly 100, according to the new 1953-54 roster, which came off the press Saturday in the Eldorado Success printshop.

Joe Muller Christian has taken over his new duties as president of the Lions Club, and his list of committee appointments is now complete. His vice president is W. T. Whitten, the second vice is Gus Love, the third is John Williams. Secretary and treasurer is Bill Lester, Lion tamer is Buster Hale, and Tail Twister is Eldon Calk.

According to the roster, there

will again be four ladies' nights in the new club year: in September, when teachers will be honored guests; in December, when Monarchs will be honored; in March, when wives will be designated as honorees; and in June when the new slate of officers is installed.

Directors are Ray Tisdale, H. W. Hunt, John Stigler and Charlie Trigg, and the immediate past president is Palmer West.

The roster again appears as a small four-page booklet printed on gold cover paper. Here are committee appointments and a list of members:

Observe Farm Safety Week - - - "Farm To Live and Live To Farm"

METHODIST WSCS SPONSORS SHOWER FOR MRS. SOFGE

The Methodist WSCS sponsored a shower in the reception rooms of the church Saturday afternoon from 4:00 to 5:00 honoring Mrs. Roger Sofge, the former Esther Jones, a recent bride. The social committees of WSCS were in charge.

Guests were received by Mrs. Jones and the honoree, and were registered by Shirley Sofge. Ruthie Dee Harris and Gaynell Belk played piano selections.

The serving table was centered with pink and white carnations, white candles flanking the flower arrangement. The cake was white with pink trim, featuring a pink umbrella. The serving table was laid with white Mexican cutwork.

Martha Dell Williams served cake the first half hour, with Ann Ballew ladling punch; Trudy Gaynor and Reba Zimmerman served cake and punch the second half hour.

Long tables in the reception room provided display space for the gifts.

Fundamental Baptist

The pastor, Rev. Cliff McDougal, and his family, have been visiting this week in Lamesa with relatives and Mrs. McDougal expected to go on to Lubbock also before returning home. In Lamesa the McDougals are visiting the pastor's mother, who is ill.

The pastor will be back in his pulpit as usual for the services Sunday—Sunday school, and morning and night church services. Midweek prayer services will be held Wednesday and the regular teachers' meeting on Thursday, but there will be no young people's meeting Friday.

On last Friday night the young people went to Coleman to take part in the youth Fellowship meeting at Bible Baptist Church. A large crowd is reported.

Rock Church of Christ

Everyone is cordially invited to attend the services of the church, parents are invited to bring their children to Bible study. You will find a group of people striving to worship God according to the New Testament.

Bible study for all ages at 10:00 a. m. each Lord's day. Worship at 10:55. The sermon topic will be "Promptness In Worship."

The Herald of Truth can be heard over the San Angelo station each Sunday afternoon at 1:00 o'clock. James D. Williford will be the speaker for the next few months.

Evening service at 8:00 p. m. The sermon topic will be "Indwelling of Holy Spirit."

Women's Bible class each Monday afternoon at 4:00 o'clock.

Prayer service, song service and Bible study will be engaged in each Wednesday evening at 8:00 p. m.

Quentin A. Dunn, preacher.
-Phone 23901.

Mrs. Elizabeth Goodwin of Hobbs New Mexico, is here visiting in the home of her daughter Mrs. Palmer West, after spending the weekend in Sonora, where she attended the wedding of her granddaughter, Lavon Taylor.

MR. AND MRS. CRAMER SOFGE, OWNERS

CONGRESSIONAL SHEEPHERDER

Congressman O. Clark Fisher (right) of San Angelo, became an "Honorary Sheepherder" when he was presented with a special certificate at his Washington office by Robert Franklin, on behalf of the national wool industry. The California Range Association and the National Wool Growers Association made the presentation "for his commendable interest and active participation in the promotion and welfare of the wool industry in the United States." Ray Willoughby of San Angelo, President of the national grower group, signed the certificate on behalf of the industry. The symbolic goat is one of many sheep and goat pictures hanging in the Congressman's office.

HONORED ON BIRTHDAY

Mrs. James Kimbro and Mrs. Don McCormick honored Shiela and Phil Kimbro on their fifth and sixth birthday with a party at the McCormick home.

Games were played and refreshments of cake and punch were served to: Charles Henry, Sherry Yates, Phil McCormick, Ronnie Welsh, Judy Davidson, Aron Isabell, Judy Marie Rampy of Mertzon, Mack Stephenson, Danny and Ila Jean Boyer, Donna McCormick, Mrs. Rutha Boyer, Mr. and Mrs. Pete Rampy of Mertzon, the honorees and the hostesses.

Favors of bubble gum and balloons were given.

First Baptist News

The First Baptist Church is engaged in revival this week. Bro. J. M. Bradford, evangelist, of Waco is doing the preaching; Bro. Darwin Welsh directing the music and Bro. R. B. Cooker at the piano. The attendance has been excellent.

Sunday, July 26, will be the last day of this revival. We are expecting a record attendance on that day.

A cordial invitation is extended to everyone to all the services at First Baptist Church.

—J. C. Hancock.

Mr. and Mrs. A. F. Uherek came in from Pecos with Joan Trentham who has been visiting them, and spent several days with the Trentham family before returning home.

Methodist News

Four from the WSCS of the Methodist Church were in San Angelo all day Tuesday attending the sessions of the district meeting of WSCS. Attending and taking part on the program were Mrs. Doyle Morton, Mrs. Ray Tisdale, Mrs. Luke Thompson and Mrs. Keno Ogden.

Mary Tisdale and Dale West, of the young people's department of the Methodist Church are in camp at Kerrville this week with the intermediates.

Revival Planned

The dates of August 9-14 have been designated as the week for Methodist Youth revival. The young people of the church, with the pastor and the department sponsors, have been working on plans for their revival, and are beginning to advertise the event.

The speaker for this youth revival will be Rev. Bruce Medford of Sterling City, pastor of the Sterling City Methodist Church. Assisting him as singer will be Robert Ditterline of Gallup, New Mexico, a recent McMurray graduate. In preparation for the revival the young people of the church will take a religious census of Eldorado, Monday, July 27.

Jack Turner of San Angelo spent the past week with his uncle and aunt, Mr. and Mrs. Jerry Pennington, and his parents, Mr. and Mrs. Orval Turner, came after him Friday.

The E. E. Newlins spent the week end in Big Spring with their daughters Mrs. A. A. Cooper and Mrs. O. C. James.

Mrs. L. B. Kersey has returned from McCamey where she spent a week with her husband while he was employed there.

Mr. and Mrs. Tom Wilson have been visiting Mr. and Mrs. James Page, and will visit in Brady before returning to their home at Fort Sumner, New Mexico.

Mrs. Maynard Welch and children spent the day Friday in San Angelo.

Mr. and Mrs. C. N. Shaw and the latter's father W. A. Bowman have returned from a trip to New Mexico and Colorado. They were away from home from Thursday through Sunday, and report a pleasant trip.

Mr. and Mrs. Van McCormick have returned to Midland, where the former is having treatment at a hospital. They expect to be there for some time.

Mr. and Mrs. Joe Wagley and children visited recently with Mrs. Wagley's grandmother at Eldorado, Oklahoma, and were joined there by Mrs. Wagley's mother, Mrs. L. V. Hicks, of Portales, New Mex., who accompanied them here Thursday for a several-day visit. She left for home Wednesday. Joe Wagley was also in Tulia conducting business.

Mr. and Mrs. Jimmie West and Charles and Floyd and Mr. and Mrs. Ben F. Meckel of Sonora have been on a fishing trip since Sunday at Ink's Dam.

**HOUSTON-CLARY
MUSIC STORE**
13 E. Twolig San Angelo

Ft. Worth.—Strong point of the market Monday at Fort Worth was the demand for calves. Both stocker and feeder buyers and the packer buyers were competing strongly for the supply and the result was a strong to \$1 higher market. Both replacement and fat calves topped at \$20 to \$21 on Monday and were considered quotable over that in load lots of the proper kinds.

Cows were uneven, selling on steady to easier basis, with prices about in line with last week's close. Bulls were off \$1 per hundred.

Very small numbers of fat steers and yearlings arrived, and grain-fed were very scarce. Some broadening inquiry is noted for suitable feeders and indications are that sizable numbers of these fleshy grassers and supplementally fed steers and yearlings will wind up in feedlots.

Sheep and lambs were fully steady. Fat lambs topped at \$22 to \$23.50, and feeders drew \$12 to \$16.50, and were quotable to \$17 or better in loads and of suitable quality and weights.

Hogs moved at strong to 50 cents higher prices and again topped at \$27, the year's best levels, and equalling the best price in five years here. Sows were steady at \$23 down. Pigs sold at \$22 down.

Good and choice fed steers and yearlings sold at \$18 to \$22.50, and are quotable to \$23.50 and above. Common to medium sorts sold from \$12 to \$17, with some rannihan yearlings \$9 to \$12.

Fat cows drew \$10.50 to \$14, while canners and cutters drew \$6.50 to \$10.50. Bulls sold for \$8 to \$14.

Good and choice fat calves sold from \$17 to \$21, and common and medium butcher calves drew \$12 to \$16. Cull sorts sold from \$8 to \$12.

Good and choice stocker calves sold from \$16 to \$21, and plain to medium sorts sold at \$12 to \$16. Good and choice stocker steer

yearlings sold from \$15 to \$18.50, and heifer calves drew \$19 down, and heifer yearlings sold from \$16.50 down. Stocker cows cashed at \$10 to \$16. Older replacement steers cashed at \$12 to \$17.50.

TOPLIFFES ENTERTAIN METHODIST CLASSES

Mr. and Mrs. E. H. Topliffe were hosts at a watermelon supper Tuesday night at their home, with the members of the four adult classes of the Methodist Church as guests.

The group spent the evening visiting and seeing motion pictures of a similar party which the Topliffes gave last year. A good crowd attended.

The Jack Etheridge family and Burnell Doyle, left last Saturday on a vacation trip to Denver, Colo. They plan to be gone about ten days, and will visit other places of interest, before returning home.

Mr. and Mrs. L. L. McFaul, of Mertzon visited Sunday with Mrs. C. M. Reynolds.

Visitors in the Roy Boyer home were Mr. and Mrs. Orion Rowinski and family of Pearsall, Mr. and Mrs. Bill Wade of Sonora and Mrs. Clarence Jessup of Sanderson.

Ozona visitors in Eldorado Sunday were Mr. and Mrs. T. J. Bailey, who were guests in the homes of Mr. and Mrs. A. J. Roach, Mattie Cozzens and Mrs. A. K. Bailey.

Mr. and Mrs. Tom Alexander and guest Bubba Alexander visited John Thomas Alexander at Brazoria, where he was visiting home folks before being sent to an air base in Maryland.

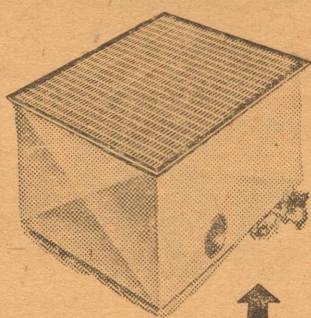

Don, son of Mr. and Mrs. Forrest Alexander of Amarillo, is here for a two weeks visit with his grandparents Mr. and Mrs. Ollie Alexander.

Arriving here this week to visit in the home of her younger sister Mrs. J. L. Carroll is Mrs. C. E. Stout of Corpus Christi, accompanied by her husband and daughter Sallie.

Mr. and Mrs. M. L. Curry of Austin came in after their son Leslie, who had been visiting his grandmother Mrs. Lynn Alexander.

BUILDING MATERIALS AND SERVICES

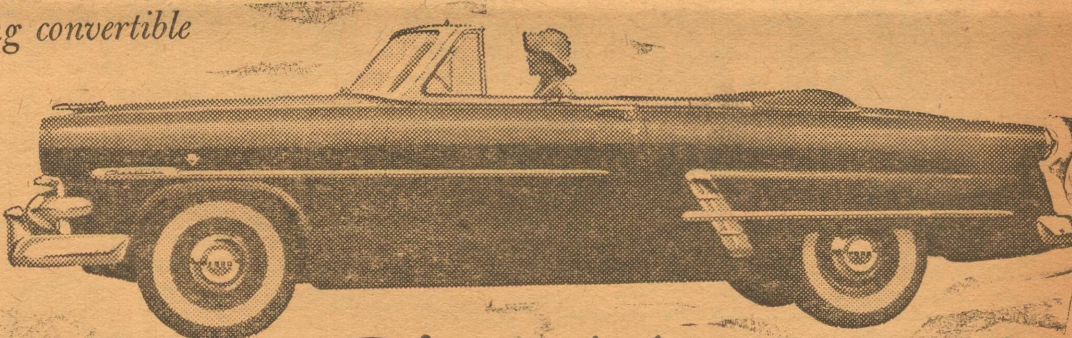

Mr. and Mrs. George Cales and Janice will leave Friday or Saturday on a two weeks' vacation trip. They will stop first in Lubbock to visit a son, Dr. James Morris and his family, then will meet a Fort Worth couple who will accompany them to the Evergreen Valley in New Mexico. There they will make plans for the remainder of the vacation outing.

Mr. and Mrs. John Faught of Mertzon spent the day Sunday with their niece and nephew, Mr. and Mrs. Milton Faught.

FORD SUNLINER

America's fastest selling convertible

Ford's Sunliner is the "top downers" delight! And its power-operated Breezeway top converts it to a snug, closed car in a jiffy. And it's the only low-priced convertible with V-8 power plus a choice of three great drives.

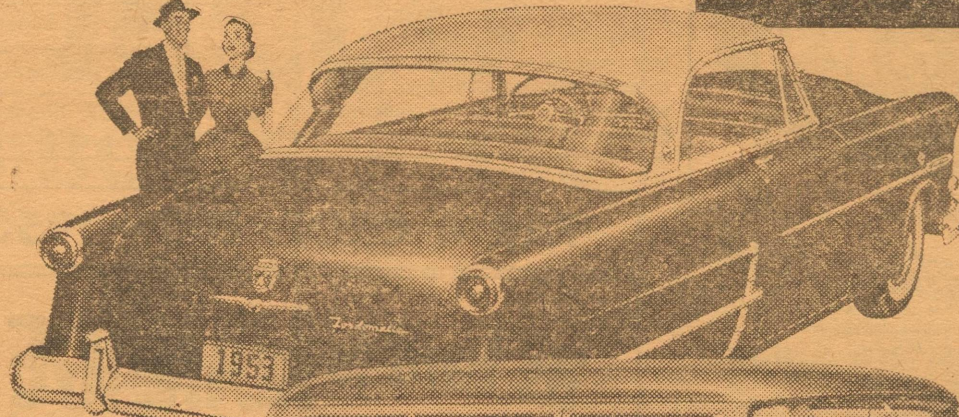

3 Best Sellers!

FORD VICTORIA

America's most beautiful car of its type

Again for '53, Ford's Victoria is America's "best-dressed" car. Like all '53 Fords, its Crestmark body is huiltight, its picture windows give Full-Circle Visibility. And you ride in style on foam-rubber cushions over non-sag springs. Front-end road shock (the kind you feel most) is reduced up to 80%.

FORD STATION WAGONS

COUNTRY SQUIRE, COUNTRY SEDAN, RANCH WAGON (Illustrated)

America's most popular Station Wagons

Ford's wood-trimmed Country Squire is a "double-duty" beauty that changes from eight-passenger sedan to hard-working cargo hauler in three minutes flat. Ford offers two other popular "quick change artists" . . . the 2-door, 6-passenger Ranch Wagon and the 4-door, 8-passenger, all-metal Country Sedan.

Paving For Ozona

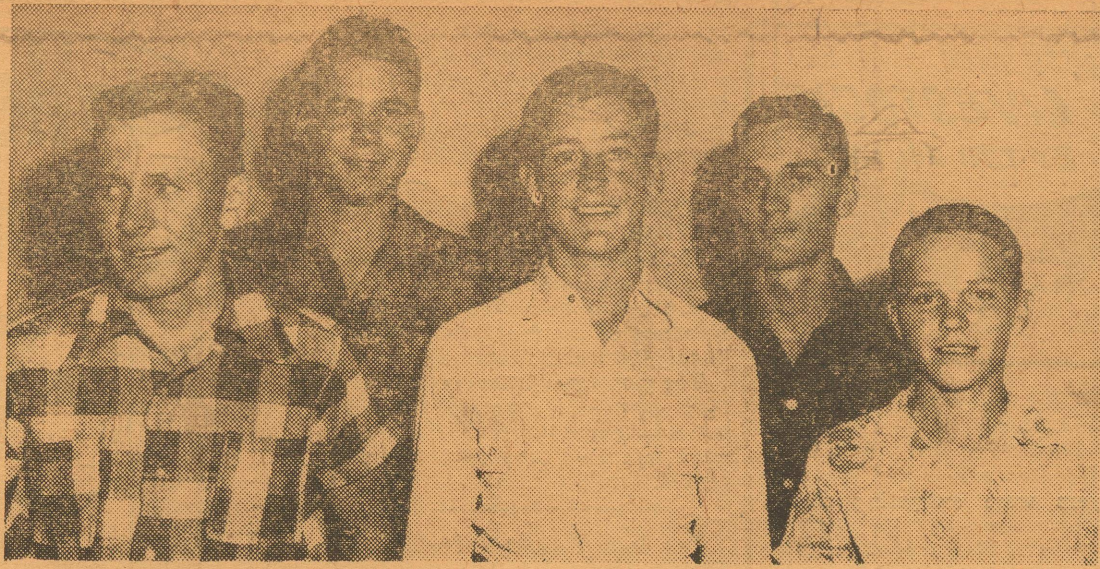

Under direction of Damon Davis, county road engineer, many new blocks of paved streets are being laid in Ozona and existing pavement is receiving seal coat treatment. Caliche base and asphalt and gravel surface is being laid. — Ozona Stockman.

Child Dies of Leukemia

Plucky little Mike Hunter, 11-year-old son of Mr. and Mrs. Lee Hunter, lost an eight-month battle Tuesday when he died of leukemia. Death occurred at 9 a. m.—Fort Stockton Pioneer.

Water Use Increases

Bronte citizens have increased their use of water approximately two and one-half times since the supply has been coming from Oak Creek reservoir. Water bills for the month of June were the first

SCHLEICHER TEAM—State champion 4-H Club land judging team for 1953 is this Schleicher County group. Left to right are Raymond Mittell, Sonney Moore, Herman Phillips, S. L. Mullins, assistant county agent, and Jimmie Whitten.

to reflect the huge increase.

Along with the increase in water usage, has come an increase in revenue to the city from the sale of water. Water bills totaled \$1,745.75 for the month of June, as compared with \$806.25 for the previous month.

City Secretary Mrs. Jerry Proctor said that up until June the water assessment against local residents ranged from \$800 to \$950 per month.—Bronte Enterprise.

Teachers Resign

The Board of Trustees of the Mason Independent School District in its meeting Monday night began to feel the sting of the teacher shortage that exists in Texas. The resignation of Miss Vera Holcomb brought the number of vacancies on the Mason teaching staff to five. Miss Holcomb has accepted a teaching position in the Fredericksburg schools.—Mason County News.

Rain At Menard

Rain, accompanied by high winds and lightning, fell over a goodly portion of Menard Wednesday night. Reports from north, south and west parts of the county indicate varying amounts fell. By early Thursday morning, 126 telephones were reported out of order—thanks to a bolt of lightning which eliminated a fuse.—Menard News.

Rain At Eden

Rains over the county brought relief from the 100 degree temperatures and brought along with them a brighter outlook for the stockmen-farmers, at least as far as stockwater and the grazing picture goes, but came too late to be of much benefit to most grain crops. Rains over the county varied from around 2½ inches in Eden and Millersview areas to around one half inch in Paint Rock area.—Eden Echo.

Bible Class Picnic

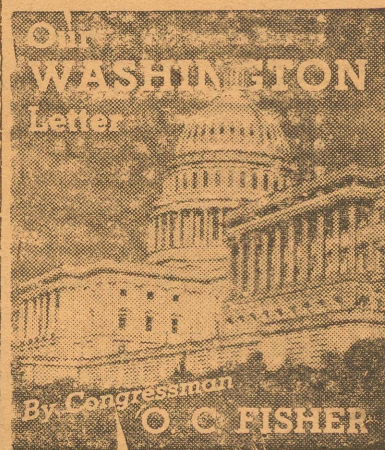

An estimate of 350 was placed on the number attending the Men's Bible Class picnic held at the Mertzson Park Monday afternoon. There were quite a number from Eldorado, San Angelo and Barnhart, and few even further away.—The Mertzson Weekly Star.

Free Barbecue

The County of Reagan will be host at the free barbecue to be served at noon the second day of the county's forthcoming 50th anniversary celebration.

anniversary celebration, it was decided by the commissioners' court when that official body met in regular session on Monday. Plans are being made to feed 3,500 people on the courthouse lawn.

Preparations continue for this two day celebration which is under the joint sponsorship of the Reagan County Lions Club and the Reagan County Sheriff's posse. It will get under way at one o'clock August 21 with a parade.—The Big Lake Wildcat.

Wool growers got a break last week when the House refused to tamper with Section 303 of the Tariff Act, a provision which has been in the law since 1913. It provides that where a foreign country subsidizes a commodity that is exported, it shall be the duty of the Customs to impose a countervailing duty—over and above any tariff that is paid—in a sum equivalent to the amount of the export subsidy.

American wool growers have suffered considerably during the past four years from the effects of subsidies that have been paid to wool exporters from Uruguay and Argentina. To obtain American dollars, which are readily exchangeable in any foreign currency and are very much sought after in international trade, Peron and Uruguay have given their wool exporters a subsidy in amounts that have enabled those people to pay the duty and still be able to sell their wool in this country at prices below our cost of production. This practice has displaced the normal market for some of our own wool and has placed our growers in an unfavorable competitive situation. Import of wool tops from those countries during the past four years has increased more than 1000% because of the advantage of the export subsidy. Wool top is raw wool which has been cleaned, scoured and partially processed preparatory for spinning.

Therefore, as applied to those two countries and as applicable to other similar practices that crop up now and then, the retention of Section 303 is highly important to

our domestic wool growers in order to deter unfair, subsidized competition from abroad. After the dangers of the amendment were explained by a number of us the House overwhelmingly defeated the attempt to scuttle Section 303.

On the drouth relief front, a number of us have protested restrictions on eligibility for feed at the emergency prices—restrictions announced by the Secretary of Agriculture. Although the government has acted promptly and effectively as applied to many localities in providing credit and feed at moderate prices, an announcement has prohibited a good many people from feed purchase unless they take what is virtually a "pauper's oath," attesting to the fact they are unable to purchase feed otherwise. We think all should be treated alike in this feed program in order to keep more livestock off the markets, stabilize prices and bolster the sagging economy in the disaster area.

Truman Murry Kimmy has gone to Ozona to visit his aunt and uncle, Mr. and Mrs. Glenn Williams.

Mrs. Emma Bradshaw and several other members of the family have returned from Winfield, Kan., where they attended the funeral of her sister-in-law, Mrs. Hugo Kaiser Monday.

Mrs. Wiley Hight and son James Ernest have gone to San Antonio to spend the week with Mrs. Hights mother and sister.

Mrs. W. H. McClatchy had as overnight guests her son Cecil and his son of Snyder.

Mr. and Mrs. Lloyd Day, who had an apartment at Mrs. W. H. McClatchy's, have moved to San Angelo.

Mr. and Mrs. P. F. Case have returned from a seven weeks' trip to Maine, where they spent their vacation at Booth Bay Harbor, a resort town. They report the country cool and green.

George Williams was in bed three days as the result of minor injuries he received while working in the oil fields.

LOST: Wednesday night from residence of Mrs. A. H. Green, reddish blonde year-old female cocker spaniel, registered, wears collar. Reward. Return to Mrs. Green or call 24981.

NAT'L SAFETY COUNCIL LISTS SAFETY MUSTS

"Mental alertness, know-how and a commonsense attitude toward farm safety are more essential to safety in agriculture, than a long list of rules and regulations," said Maynard H. Coe, director of the Farm Division of the National Safety Council, in discussing Farm Safety Week, now being observed. For the sake of being specific, however, Mr. Coe listed the National Safety Council's ten commandments for farm safety, as follows:

1. Keep Machines in Good Repair: Make sure your equipment is in safe working condition. Keep

CITATION BY PUBLICATION

The State of Texas

To: J. B. Jones, Defendant, Greeting:

You are hereby commanded to appear before the Honorable 51st District Court of Schleicher County at the Courthouse thereof, in Eldorado, Texas, by filing a written answer at or before 10 o'clock A. M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 31st day of August A. D. 1953, to Plaintiff's Petition filed in said court, on the 17th day of July A. D. 1953, in this cause, numbered 782 on the docket of said court and styled Esse Jones, Plaintiff, vs. J. B. Jones, Defendant.

A brief statement of the nature of this suit is as follows, to-wit: Suit for Divorce, as is more fully shown by Plaintiff's Petition on file in this suit.

If this citation is not served within ninety days after the date of its issuance, it shall be returned unserved.

The officer executing this writ shall promptly serve the same according to requirements of law, and the mandates hereof, and make due return as the law directs.

Issued and given under my hand and the seal of said court at Eldorado, Texas, this 17th day of July A. D. 1953.

Attest: J. P. ENOCHS, Clerk, (Seal) 51st District Court, Schleicher County, Texas. (July 23-30-Aug 6-13-227w)

all guards and safety devices in place.

2. Operate Tractors Safely: Start tractors smoothly and turn corners slowly. Avoid ditches, banks and soft ground.

3. Know and Obey All Traffic Laws: Be a safe, careful driver, and drive a safe car.

4. Be Fire-Sighted: Don't smoke around the barn. Don't start fires with kerosene. Be careful with matches.

5. Speak to Animals When Approaching Them: Animals may "bolt" if startled, so calmly assure them of your presence when approaching.

6. Be A Good Housekeeper: Keep things systematic in your home and on your farm. Have a place for everything and keep everything in its place.

7. Watch Your Step to Prevent Falls: Keep ladders in good repair. Make sure barn floors have no treacherous holes. Watch your step.

8. Follow Safety Instructions: Following printed instructions can save your life. Read and heed them whether they are "No Smoking" signs in the barn, or labels on machinery.

9. Know and Obey Water Safety Rules: Don't swim alone. Know the depth of the water before diving in. Sit still in small boats.

10. Apply First Aid Promptly: Keep first aid kits in the home, in the barn, and on the tractor. Seconds count when infection may set in.

Mr. and Mrs. William Sauer arrived here from Van Horn early Tuesday morning to visit Mr. and Mrs. Otto Sauer, Mr. and Mrs. Fred Gunstead and other local relatives. They took the trip to Schleicher County at this time because of rains which had slowed down the work on their irrigated farm near Van Horn.

Glowanda and Bobby Jeffrey, children of Mr. and Mrs. Odes Jeffrey, have gone to Valley Springs to spend three weeks with relatives.

The Tyrrell Conway family have returned from a week end visit in Slaton with Mrs. Conway's grandmother.

EDWARDS EXHIBIT PLANNED FOR STATE FAIR OF TEXAS

A model ranch home will be featured in the Edwards Plateau region's colorful "Agriculturama" exhibit at the 1953 State Fair of Texas, October 10-25.

The Edwards Plateau is included in the Texas A&M College System Extension District 7, composed of the following counties: Bandera, Blanco, Coke, Coleman, Concho, Gillespie, Irion, Kendall, Kerr, Kimble, Llano, McCullough, Mason, Menard, Nolan, Real, Runnels, San Saba, Schleicher, Sterling, Taylor and Tom Green.

The beautiful home will include modern electric appliances for home and ranch and will typify the prosperity which the people of the Edwards Plateau have managed despite low percentage of rainfall in the area.

In the background of the exhibit will be a dam and cattle grazing.

Accompanying Mr. and Mrs. Albert Fore to Tatum to visit a daughter was Mr. Fore's father Walter Fore, who remained there to visit relatives. The Fores went to Carlsbad, then fished on the Pecos and report good luck and some rain while they were there.

Back from a trip during which they covered 1060 miles are Mr. and Mrs. Dick Jones and Darla. The family went to Carlsbad, then on to Clouderoft, New Mexico, Alamogordo and the White Sands, Roswell and the Bottomless Lakes and Sundown. They were on the road much of the time as they covered the distance in five days.

Here to visit Mr. and Mrs. Tom Johnson are Mrs. W. B. Terpening of Eugene, Oregon, who will remain through Homecoming. On Sunday Mrs. E. T. Johnson and the children of Midland visited in the Johnson home.

Mr. and Mrs. C. J. Kurowski of Chicago, and their daughter Suzanne spent the week end with Mr. and Mrs. Al Jones and other relatives and friends here.

Mr. and Mrs. Granville Kerr of San Antonio came after Mr. and Mrs. L. B. Kerr two weeks ago last Friday and the couple visited in their son's home until Saturday. On Sunday all went to San Angelo where they spent a day and a night with their son J. T., and were present at services Sunday night at which he joined a Baptist church on East Harris. On Monday all returned to Eldorado, accompanied by J. T.'s children.

Mr. and Mrs. S. E. Jones have as a guest Mrs. Ellen Strickland, a friend, from San Antonio.

Bill Bearce, who is a freshman summer student at the Adjunct at Junction, was a visitor in the home of his parents Mr. and Mrs. W. R. Bearce between semesters.

J. S. Nixon of Victoria, and his three children visited home folks during the week end. On Sunday while they were guests of Mr. and Mrs. Ray Jones they were joined by C. F. Jones and his family of San Angelo.

Mary Carroll is leaving this week for Corpus Christi to spend some time with her grandparents.

The Wyndell Hall family have returned from a trip to the West Coast, and after a brief stay in Eldorado went to Harlingen to visit their son-in-law and daughter Mr. and Mrs. Billy Whitley. They returned home Monday night.

Mr. and Mrs. Sam McGinnes spent the week end in Grandfalls with Mr. McGinnes' sister.

Brownwood visitors Sunday were the J. C. McCoy family, who visited in the homes of relatives there.

Guests of Mr. and Mrs. Albert McGinnes Saturday night and Sunday were Mrs. McGinnes' brother Bill Brooks and his wife and daughter Beverley. All visited in San Angelo with an uncle who is seriously ill in a hospital there.

Mr. and Mrs. LeRoy Gorman and Mrs. S. A. Clark of Menard visited the Elton McGinnes family and all were joined at dinner Sunday by the Albert McGinneses and their guests.

On Sunday Mr. and Mrs. Alf Bruton of San Angelo visited in the Alexander and Bruton homes.

Every HELLO is a "GOOD BUY"

Yes, every telephone hello is a "good buy," and in countless different ways. It can be a good buy in convenience—a good buy in pleasure—a good buy in business—a good buy in peace of mind. In any case—in every case, your telephone is a bargain. And its value is increasing daily.

The San Angelo
TELEPHONE COMPANY

15 of these big icing machines are in operation at ice-servicing points along the Santa Fe.

Ever see so much fuss just to chill an orange?

It's the best way there is today to refrigerate a "reefer"—but Santa Fe is developing an even newer and better way to do the job

In 60 seconds flat, the giant ice-crushing machines Santa Fe recently installed can fill the bunkers of a refrigerator car with five tons of ice!

They are the newest and fastest machines for icing cars yet devised. And Santa Fe "reefers" are the

most efficient type of refrigerator cars now on the rails.

These refrigerator cars and icing machines have carried the technique of ice refrigeration to the ultimate of present day knowledge.

WHAT ABOUT TOMORROW?

We can't be sure, BUT—Santa Fe is now experimenting with a newer way to refrigerate cars automatically for hauling foods which may require temperatures as low as 25° below zero.

30 new experimental refrigerator cars designed by Santa Fe, built in its own shops and each with a capacity of 128,000 pounds of frozen foods, are now being utilized in the movement of frozen foods.

Each of these new cars has its

own thermostatically-controlled diesel-driven compressor-type refrigerator unit. It carries 400 gallons of fuel (almost the exact amount Lindbergh used to fly the Atlantic). It can maintain sub-zero temperatures all the way from California to New York.

BENEFITS FELT ALL ALONG THE LINE

All along the line, people and communities feel the benefits of this building new wherever it actually occurs on the Santa Fe—and day-after-day, something new is done to make "America's New Railroad" a little better.

The millions of dollars this newness costs Santa Fe doesn't cost you a single penny in the taxes you pay,

PROGRESS THAT PAYS ITS OWN WAY

...START

Start with good chicks and feed 'em the Purina Way — with Purina Chick Startena improved with Formula 1028. The new growth vitamins and factors help give chicks what they need for a big, fast start.

...GROW

Then, when your chicks have eaten 2 pounds of Startena, put 'em on Purina Growena for fast feathering, full development to get them ready for heavy laying, steady laying early. This year **START, GROW, LAY, PAY**—feed Purina all the way.

ELDORADO WOOL COMPANY

Mr. and Mrs. C. A. May returned to their home at Fort Worth after visiting Mr. and Mrs. J. D. Ashmore.

Mr. and Mrs. C. P. Hebert of Houston stopped here from Sunday to Tuesday afternoon to visit their daughter Mrs. Oran Furr and family. They planned to stop in Austin to visit another daughter before returning home. They had been on an extensive vacation trip to Canada and Chicago and other northern points. While here the two families fished at Buchanan.

Mr. and Mrs. Delbert Taylor and sons have returned from a six-day vacation trip to the Coast. They visited in San Antonio, Rockport, Port Aransas, Austin, and other places, and returned to spend a night at their farm in Hamilton County.

Here for Milton Baugh's birthday celebration Friday were Mr. and Mrs. L. T. Van Eman and children of Marfa and Mr. and Mrs. Jack Brown and four children of San Angelo. They were joined by Mr. and Mrs. Josh Ewing of this county.

The W. A. Schuller family spent a day at the children's park recently in San Angelo.

Mrs. Harlan Graves and her mother Mrs. Daisy Ford came in recently from Greensburg, Kan., for a visit with Texas relatives and friends. They visited relatives in Bonham and San Angelo, and in Eldorado visited the Ellington sisters and others. Mrs. Graves will return to Kansas, while her mother will remain in Texas until September. While here Mrs. Ford is disposing of her remaining household goods.

Guests in the home of Mrs. Geo. S. Robinson at Ballinger during the week end were Eldorado relatives, Mr. and Mrs. Will Doyle, Mrs. L. R. Damron and Donald Robinson.

Guests of Mr. and Mrs. Delbert Edmiston and children were Mr. and Mrs. R. T. McDaniel and children of Brownfield.

Here from New Braunfels recently to visit Mrs. R. A. Evans were her son-in-law and daughter Mr. and Mrs. Roy Smith.

INFORMATION ASKED ON CITY OWNERSHIP OF GAS SYSTEM

Correspondence between the City of Port Arthur and the City of Eldorado Gas Superintendent Palmer West reveals the fact that Port Arthur has asked for information concerning city ownership of the gas system. Eldorado has owned the gas distribution system since 1947.

Letters exchanged include these:

Mr. Palmer West
Gas Superintendent
Eldorado, Texas
Dear Sir:

The City of Port Arthur has found it advisable to appoint a committee to study the feasibility of municipal ownership and operation of their gas system. As chairman of this committee, I am seeking pertinent information with respect to the operation of such a system in other cities.

According to the information compiled by The League of Texas Municipalities I find your city does operate and own a gas system. I would appreciate very much any information you may be able to furnish that might be helpful to this committee in determining the policies that should be pursued in our city. Thanking you in advance for your co-operation. Very truly yours—John T. Lindsey, Attorney.

—Reply, July 18, 1953.

Mr. John T. Lindsey,
Port Arthur, Texas,
Dear Sir:

Eldorado, population less than 2000, purchased this gas system from Rio Power & Gas Company by voting \$80,000.00 revenue bonds. At the time of the purchase, 1947, we had 329 customers—now we have 609 customers.

We require a \$10.00 meter deposit of each customer. Purchase price of our gas is 30c per M. for the first 34 million cubic feet, and 15c per M for the remainder, all at 8 oz. pressure.

We have a rather hard rate to explain because the minimum is \$2.00 for the first 2000 cubic feet or part thereof, and in large quantities costs them only 45c per M, so you see it is a graduated rate. Here are some figures for the past year:

54,668.161 cu ft purchased
\$13,225.15 cost at city gate.

\$31,687.45 cash received.

Our gas system is one of the best assets we have. We would be glad for you to look over our books, our system or anything you care to, if you think it would help you. . . Yours truly, Palmer West, Gas Superintendent.

The Lefty Haynes family have returned from a trip to Colorado, Wyoming and the Dakotas, and after an over-night visit at their home here, went on to Llano to spend the remainder of the week.

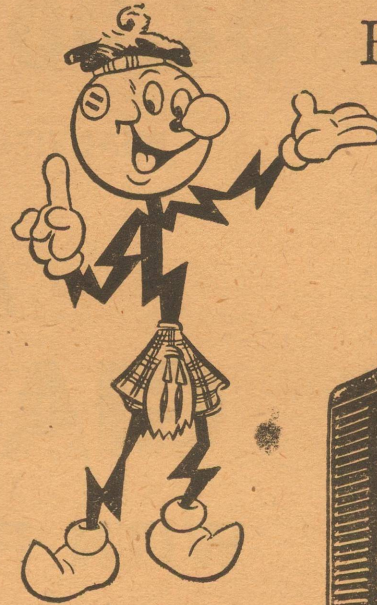

The O. V. Doty family were in Ballinger last week end, visiting in the home of Mr. Doty's parents.

Among those from here attending the funeral of Mrs. Belle Glasscock in Sonora Wednesday morning were Mr. and Mrs. E. H. Topliffe.

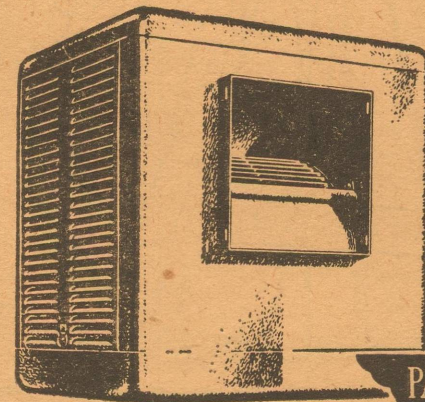

Mrs. Ira Frizzell had an appendectomy in the Sonora hospital recently, Eldorado doctors performing the surgery.

Guests of Mr. and Mrs. Thomas Baker during the week end were Mr. and Mrs. H. O. Polk of Lampasas and Mr. and Mrs. L. O. Tomlinson of San Angelo.

Corrinne Wilson of Comstock is spending the week with her uncle and aunt, Mr. and Mrs. Marvin Logan and other local relatives.
