THE SCURRY COUNTY TIMES

VOL. 71, NO. 55 — SNYDER, TEXAS, FRIDAY, APRIL 12, 1957 — TEN PAGES—PRICE 5c

AT FLUVANNA BANQUET—Part of the "chow line" of the businessman-farmer banquet held in Fluvanna High School last night is shown above. The banquet was attended by 110 men—Snyder businesmen as sponsors and Fluvanna farmers and ranchers as their guests. From left above are B. B. Forehand, T. M. Hughes, W. C. Reeder, and H. B. Lemons, all residents of the Fluvanna community. Entertainment was provided by students of the school. (Lee Watson photograph)

Snow And Sleet Lash Area

A new cold front, which the Weather Bureau described as much more severe than expected for this area, brought a chilly blast into the Snyder area last night.

By morning snow flurries and sleet surged into the area on the wings of cold north winds.

The temperature, which stood at 86 degrees Thursday afternoon, dropped rapidly after the norther hit at about 6 p.m. and reached a minimum of 29 degrees. At 7:30 a.m. today, the mercury remained below freezing at 30 degrees, according to David Strayhorn, official weather observer.

The Weather Bureau predicted that colder weather could be expected in West Texas through Saturday, and a glaze warning for highways in the South Plains area was posted. Heavy glaze for the lower South Plains if forecast for this afternoon, tonight and early Saturday.

By The Associated Press

A great ice sheath descended on parts of Texas Friday and had spread into the South Plains and North Texas.

State police reported all highways in the Amarillo District were covered with ice by mid-morning. Driving was hazardous.

Bridges were icing over in the Childress District. Ice was forming in the Lubbock District but all roads were open. State police advised extreme caution in driving.

The ice followed a night of turbulent weather which caused up to $250,000 in damages from hail at Stamford.

In Oklahoma, snow and sleet of more than six inches and crop damaging freezes jolted most of the state.

The chilling Texas arctic air mass plunged deep into Texas toward the Gulf of Mexico.

The Weather Bureau said Texas could expect more freezing rain during the night and early Saturday in the north part of North Central Texas. The coldest temperatures in that area were expected to be 26 to 32 degrees. An ice glaze warning was issued for the area.

For West Texas, the Weather Bureau issued a similar ice glaze warning extending to the lower South Plains. Cold and freezing rain or drizzle were expected for the Panhandle and South Plains through early Saturday.

Even the north part of East Texas could expect rain to change to freezing rain, the bureau said.

Temperatures in the Panhandle and South Plains were expected to drop as low as 24 degrees during the night.

At Electra, the cold blast was preceded by a dust storm Thursday night. Icicles formed as the rains came. At 7 a.m., the temperature was 32 degrees, and it had dropped to 30 at 10 a.m.

A few large flakes floated down on the Dallas area early in the day.

The front, borne on chilling northwest winds, had passed a line from near Shreveport to near Austin and northwest to the El Paso area.

The freezing temperatures extended south to Midland early Friday.

A 2.04-inch rain drenched Beaumont. Wichita Falls got .22, Houston .04, Lubbock .02 and Childress .02.

Post Office To Get $41 Million In Extra Money

WASHINGTON (AP)—The House Appropriations Committee today voted to give the Post Office Department an extra 41 million dollars in a move to prevent prolonged curtailment of mail services.

The committee's action, taken behind closed doors, was by a vote reported as 37-10.

The amount approved is six million dollars less than the Post Office Department requested and is for use during the next 2½ months.

It is 24 million dollars more than a subcommittee had recommended after Postmaster General Summerfield said it would be necessary to halt Saturday mail delivery and cut back other postal services if he didn't get more money immediately.

The House will consider the Appropriations Committee's recommendations Monday and is expected to approve them speedily so the Senate can act at once and get the bill to the President.

The new allotment would boost to $2,165,000,000 the funds given the Post Office Department for fiscal year ending June 30.

Summerfield told newsmen yesterday he would not be able to restore any of the scheduled mail service cuts until a bill giving him sufficient funds has passed both House and Senate and has been signed by President Eisenhower.

Under orders already issued, all post offices will be closed on Saturdays and Sundays and all city and rural mail delivery will be stopped on Saturdays, except for special delivery items.

On Monday, deliveries to city business districts will be cut to two a day and post office window service will be reduced.

All third class mail — chiefly advertising matter and small merchandise—is scheduled to be discontinued April 29, except for certain medical items. On the same day, sales of money orders will be halted at first and second class post offices.

A suit was filed in Federal District Court here yesterday seeking to restrain Summerfield from suspending the third class mail service.

Associated Third-Class Mail Users Inc., with headquarters here, and Spencer Gifts Inc., of Atlantic City, N.J., filed the injunction suit jointly. They contended Summerfield's order, as it applies to third class mail, "constitutes an exercise of unlawful authority." They said that unless the injunction is issued, they "will continue to suffer irrevocable damages."

Tax Men Having Trouble

WASHINGTON (AP) — You think you have income tax troubles?

A would-be-taxpayer walked into a federal building, got off the elevator at the wrong floor, saw a lot of men filling out forms, was handed some himself, filled them out and turned them in.

"I still don't see what this has to do with filling out my tax return," he said. It didn't. He had just taken, and passed, an examination for building guard.

That comes from the Internal Revenue Service here. Every year about this time — income tax deadline is April 15 — it receives from its collectors around the country stories of the problems they — and the taxpayers — have.

This is the time when people, along with their returns, send in old shirts and pants, saying: "you've taken everything else, you may as well have this too."

The revenue service reports these events too:

One woman pulled a switch on the shirts-and-pants gifts. She sent in a lock of her hair with a brief note: "I've just been scalped."

One old lady paid her tax and waited. The cashier said: "That's all." She said: "Where are my green stamps?" He was too stunned to answer. But she said: "Everybody gives green stamps nowadays. It's about time you people woke up."

Another woman tried to deduct as a medical expense the price she paid for a Chihuahua puppy. A neighbor had told her having such a dog around might cure her asthma. And, after the dog arrived, her asthma improved.

One man, asked by the revenue service to verify a big dental expense, sent back his false teeth with a note:

"After buying these plates I gained so much weight the doctor told me to go on a diet. By sending them to you as proof of my claim, I hope to solve two problems at the same time."

COPENHAGEN (AP)—Denmark is going to reject a Soviet note warning it against permitting atomic weapon bases on its soil.

110 ATTEND

Fluvanna Dinner Held Last Night

FLUVANNA — Some 110 Fluvanna area farmers and Snyder businessmen gathered at the school here for an informal dinner and program Thursday night.

The event was the second in a series of farmer-businessmen dinners planned by the Snyder Chamber of Commerce agriculture committee.

The session was climaxed by a program in the school auditorium, which featured several students in the Fluvanna schools. A highlight was a one-act play, while the remainder of the program featured Boyce and Royce Holder in western music selections on the violin and guitar, and a declamation by Jacquelyn Martin, who will represent the Fluvanna School in Interscholastic League competition in Odessa on Saturday.

L. M. Dawson, Fluvanna School superintendent, introduced the program, while John Boren of Snyder was master of ceremonies.

Boren presented several prizes, and officiated at several "stunts" in which businessmen and farmers participated.

The meal was served members of the Fluvanna P-TA, assisted by a group of students.

Milk Prices Topple In Fort Worth Area

FORT WORTH (AP)—Milk prices took another tumble here this week.

Quarts have been reduced one cent a quart, to 24 cents, the second decline in the past six weeks. Earlier prices had dropped two cents a quart.

The decline is due to lower prices distributors will pay producers under the federal milk marketing administration formula.

Texoma Bill Okayed

WASHINGTON (AP)— A bill authorizing use of part of the Lake Texoma storage capacity to improve the water supply at Sherman, Tex., was passed by the House yesterday and sent to the Senate.

100 Feared Lost In Sea Disaster

HIROSHIMA (AP)—A small ferryboat carrying more than twice its registered passenger capacity jammed a rocky obstruction in Japan's picturesque inland sea today and sank quickly. More than 100 persons were feared lost.

The coast guard reported 222 persons were aboard the small vessel. It said 29 bodies had been recovered, 73 persons were missing and 120 had been rescued.

The national police, reporting 219 aboard, said there were 27 dead, 9 missing and 95 rescued.

There was no identification that any Americans were aboard.

Twelve patrol boats crisscrossed the area, 27 miles east of Hiroshima, as darkness fell. Hope of finding more survivors faded rapidly.

Hiroshima police said a 16-year-old boy was at the helm and the captain was collecting tickets when the 40-ton vessel slammed into Toramaru Rock at 1:15 p.m.

The boat capsized and sank.

The Ministry of Transportation said the ferry, the No. 5 Kitagawa Maru, had a registered capacity of 82 passengers. It was carrying 4 crewmen and 218 passengers, the coast guard reported.

The boat was en route from Setoda to Onomichi with vacationing Japanese tourists.

Japanese defense forces rushed to the area. Patrol boats converged on the winding waterway between the islands of Honshu and Shikoku.

The Kitagawa Maru went down in the same general area where the Shiun Maru sank in May 1955 with a death toll of 160. Japan's worst ferryboat disaster was the capsizing during a typhoon of the Toya Maru Sept. 26, 1954. A total of 1,172 persons were drowned, including 56 Americans.

Students To Compete In San Angelo

Choral students from both the junior and senior high schools will compete in contests Saturday in San Angelo.

The contests will be held at the San Angelo High School, and Ruth Norton Meade of Southern Methodist University will judge the high school groups, while Eldon Black of San Angelo Junior College, will judge the junior high contests.

Students will compete in both solo and ensemble contests.

From the Snyder High School, Robert Clinton has entered Joyce Shoemake, Jimmy Pior, Robert Selman, Mollie Carroll, Dana Scarbrough, Dottie Dugas, Lou Nell Burges, Davie Floyd, Joy Richardson, Vondel Sumruld, Sharon Babcock, Jan Reep, Sallie Herring, Mary Deffebach and Bill Smallwood in the solo contests.

From the same group, the Teenagers and the Madrigal singers will compete in the ensemble contest.

Mrs. Landis Lee, Junior High director, has entered a girls ensemble composed of Letha Brice, Becky Perkins, Pat Bills, Paula Keaton, Jan Moore, Ellie Contella, Judy Rogers, Nonnie Rodgers, Ann Byrd, Brenda Pitts and Barbara Shoemake.

The Junior High boys quartet which will compete is composed of Tommy Minton, Charles Merritt, Larry Patterson and Steve Free.

Junior High soloists who will compete are Becky Perkins, Pat Bills, Linda Henders, Sue Taylor, Charles Merritt, John Weaver, Tommy Minton and Steve Free.

Typography Winner

PHILADELPHIA (AP)— A small Indiana newspaper beat out 824 other papers across the nation yesterday to capture the Ayer Cup for excellence in typography, make-up and printing. The winner of the annual award was the Goshen News, which has a circulation of 7,745.

Snyder Students To Compete In Contest

Four Snyder High School students are scheduled to compete in leterary events at the regional Interscholastic League meet tomorrow in Lubbock.

Scheduled to make the trip are Bill Smallwood, Marjorie Norton, Barbara McMennamy and Nelda Thomas.

Smallwood placed first in ready writing in the district meet held in Snyder last weekend. Miss Norton and Miss McMennamy composed the team which placed first in the district spelling contest, while Miss Thomas placed second in the district typing contest.

Hand Grenade Mishap

FT. CARSON, Colo. (AP)—The second fatal hand grenade accident within a month took the life last night of Sgt. Donald Grinstead, 21, of Dallas. He died while surgeons here tried to remove a fragment which pierced his chest.

Postal Service To Be Cut Here

Postal service here will be reduced considerably tomorrow, in accordance with instructions laid down by Arthur Summerfield, Postmaster General.

There will be no window service at the Snyder post office Saturday, and the local post office's three rural carriers will not make their routes tomorrow.

Patrons who get their mail at boxes in the post office will get service tomorrow as they do on regularly scheduled holidays.

Dawson Moreland, Snyder postmaster, said the three rural routes operating out of Snyder serve 813 boxes. Patrons who use boxes on the routes will not receive any more mail delivery until Monday.

The three star routes will operate Saturday as usual. Star routes from the Snyder post office go to Clairemont, Fluvanna and the Arah community.

Moreland said that window service at the Snyder post office would be trimmed from nine hours per day to eight and a half hours per day, beginning Monday. The windows will open Monday at 8:30 a.m., instead of 8 a.m.

Instructions to put the curtailment into effect were issued by the postmaster general after his request for additional $47-million to operate the department for the remainder of the fiscal year was turned down by Congress. An additional $17-million was approved for the department, but Summerfield said that figure was $30-million short of the amount needed between now and July 1.

IN JORDAN

Government Being Formed

AMMAN, Jordan (AP)—King Hussein was expected today to call on Abdel Halim Mimr to form a new government. Nimr is a close associate of Suleiman Nabulsi, dismissed as premier by the King Wednesday.

(A Cairo dispatch in the newspaper Al Messaa said Nimr had already been named premier-designate.)

Nimr, 40, was defense and interior minister in Nabulsi's cabinet. He is described as a strong-willed and aggressive politician, but not as fiery as Nabulsi. Both belong to the National Socialist party. Nimr would encounter no difficulties in forming a Cabinet, since the party and blocs aligned with it could command a decisive majority in the 40-man Parliament.

Choosing Nimr to replace Nabulsi could mean a compromise between the palace and the National Socialist party. It may be a face saving device.

Earlier the King was reported ready to reappoint Nabulsi but this failed to materialize.

It is not clear what foreign policy Nimr would follow, but informed sources say he could be expected to carry out the policies of Nabulsi and the National Socialist party.

Nabulsi said he would refuse American aid if this required him to oppose communism. Though he is not a Communist, Nabulsi frequently said he wants to be friends with Soviet Russia. His Cabinet recently ageed to exchange diplomatic relations with the Soviets.

Whether Nabulsi would be included in a government set up by Nimr still was not definite. A source close to Nimr said he would not be. Other informants said he would be given the Ministry of Foreign Affairs.

WEATHER

SNYDER TEMPERATURES: High Thursday, 86 degrees; low Thursday night, 29 degrees; reading at 7:30 a.m. today, 30 degrees.

West Texas—Glaze warning lower South Plains. Cold freezing rain or drizzle in Panhandle and South Plains this afternoon and early Saturday, with rather heavy glazing in lower South Plains. Otherwise occastional rain and much colder through Saturday. Lowest 24-32 in Panhandle and South Plains and 30-40 elsewhere tonight.

Funds For State Department And Information Agency Are Slashed

WASHINGTON (AP)—The House Appropriations Committee today slashed 23 per cent from new funds requested by the State Department and the United States Information Agency. It criticized them both for what it called "amazing and unprecedented" personnel practices.

It refused to approve any money for 2,123 new positions the two agencies requested and for continuance of 950 jobs established during the present fiscal year without prior consideration or appropriations by Congress.

In a sharply worded report written by Rep. Rooney (D-NY), the committee decried "fiscal irresponsibility on the part of the State Department" and "irresponsible handling of the taxpayers' money" in connection with foreign programs financed with funds appropriated to the President.

The report accompanied a bill recommending these appropriations for the fiscal year starting July 1:

State Department, $180,382,743, a cut of $47,331,809, or almost 21 per cent, from presidential requests and $41,317,329 less than was provided this year.

U. S. Information Agency, $106,100,000, a 26 per cent cut amounting to $37,900,000 and $6,900,000 less than was provided this year. The committee stipulated that Voice of America overseas broadcasts are not to be cut and cautioned against "propagandizing the American public."

Funds appropriated to the President for international cultural and trade fair programs, $10,900,000, a cut of $7,6000,000 or 41 per cent, from requests and 7½ millions less than current year appropriations.

Justice Department, $227,855,000 a 3 per cent cut amounting to $6,800,000 but an increase of $11,811,350 over cufrent year money. The FBI was allotted every dollar it requested, including a $5,940,000 boost over this year's funds.

Federal judiciary, $38,562,050, a 5 per cent cut of $2,218,200 from requests but $2,240,615 more than the courts had this year.

All the funds were embodied in an omnibus bill providing new appropriations of $583,799,793, a reduction of $101,850,009, or 15 per cent, from requests and $41,665,364 less than current year funds.

EX-GOVERNOR SPEAKS HERE—Johnston Murray, second from left, former governor of Oklahoma, spoke here on the Country Club last night at a meeting of the Scurry County Oil and Gas Association. He is pictured above from left with Ed Schulz, superintendent of the Welex Jet Services, Inc., Snyder branch, Murray, Bob Wilson, Texas Co. production superintendent, and Homer Dabbs, Humble Oil & Refining Co. district superintendent. (Lee Watson photograph)

2 Charged On Liquor Possession

Two Snyder men were charged with bootlegging offenses in county court here yesterday.

A charge of possession of whisky and wine for sale was filed in county court yesterday against Anderson Davis, Sr., Negro man.

Davis was released from county jail after posting $500 bond.

He was arrested last weekend by officers of the county sheriff's department.

Because of apparent ill health of Davis no enhancement of punishment will be sought, George R. Killam, county attorney, said.

Killam said that Davis has a broken arm or shoulder and is otherwise in ill health.

A charge of possession of beer for sale was filed against Robert J. Cockrell, 33, operator of Cabin Courts.

He was arrested yesterday by officers of the sheriff's department following a raid the previous night on the courts in which a quantity of beer was discovered.

Cockrell has also been released on $500 bond.

TODAY'S MARKETS

FORT WORTH (AP) — Cattle 2,100; calves 700; mostly stockers; strong stock cows choice 17.00; with calves 29.00; cows, calves pairs 140.00-170.00; other classes scarce.

Haverford Township Plays Host To UN

PHILADELPHIA (AP)—Haverford Township residents hope to show the world how a typical suburb spends a weekend starting tomorrow when delegates of 25 permanent missions to the United Nations and their families arrive in the community.

The United Nations families will get a chance to see Boy Scout Indian dances, hear choral and school orchestral groups and join in at square dancing themselves. But apart from a dinner and a community celebration at the high school, the guests will be free to do as they wish.

Sixty township organizations have planned more than a year for the experiment in international understanding.

Hole Is Still A Mystery

SAN GABRIEL, Calif. (AP)—One fact emerged today amid the debris and confusion at the Oscar Murphy home: there is a 15-foot hole in the back yard.

That's about all that is certain after two days of strenuous digging activity by Army Ordnance crews.

The Army, without ever quite knowing what it was looking for, yesterday called off the search that began Tuesday when the Murphy's 10-year-old son Pat found a strange hole two feet deep behind the house.

Shortly before the hole was discovered residents of suburban San Gabriel and surrounding communities had been jarred by a deafening blast, apparently caused by a jet plane breaking the sonic barrier.

While Air Force intelligence officers maintained a knowing, tight-lipped silence, Army demolition experts ripped up the Murphy's patio and clothes line poles.

When the two-foot hole had become a pit 7-by-7-by-15 feet and only a broken baby carriage had been unearthed, the digging was halted.

"If there's anything down here, it won't hurt anything if it does explode," said one officer.

The hole is being filled in today. The patio and the clothes line poles are being restored.

Garbage Collector Fails To Collect Enough Green Stuff

FALL RIVER, Mass. (AP)—Manny Oliveira, who has been collecting the city's garbage five years for a total of $35,000, says he'd have to get $1,333,810 for the same duties for the next five years.

He said he has lost weight and money doing the job.

The contract went to John J. Long, who bid $46,000.

Two other bidders agreed the job is worth more than a million. They bid even higher than Oliveira did.

Rancher's Wife Is Crowned Mrs. Texas

DALLAS (AP)—Mrs. Louis F. Hale of Kilgore, a pretty, dark-haired young rancher's wife, last night was crowned Mrs. Texas. She will represent the state in the Mrs. America contest in May at Fort Lauderdale, Fla.

Mrs. Hale, 32, native of Ranger, is the mother of four children, including twins. She is a graduate of Texas State College for Women at Denton.

She won over 16 other pretty young matrons in the state finals.

Contestants were judged on the basis of cooking, ironing and sewing skills, their technique before the microphone and their charm.

Fire Causes Light Damage At Station

A fire about 7:50 o'clock last night did only minor damages at Lewis Brothers Premier Service Station on Twenty-fifth Street in west Snyder.

Firemen said the fire was caused by a short circuit in electrical wiring.

Diminishing Threat

TOKYO (AP) — Australian Prime Minister Robert Menzies today said the diminishing threat of nuclear war may prompt Communist nations to attempt further territory grabs.

Ira Youth Is Killed Accidentally

Larry Gail Way, six-year-old Ira boy, was accidentally killed by self-inflicted gunshot wound about 3:30 o'clock Wednesday afternoon.

W. C. Davidson, justice of peace, rendered a verdict of accidental death by self-inflicted gun shot wound after investigation of the accident by himself and officers of the county sheriff's department, Gene Parker and L. A. Crenshaw.

The victim and two smaller brothers were playing with some old guns and one of them accidentally fired and killed him, Davidson said.

Funeral services will be held in the Church of God in Ira at 3 o'clock this afternoon with the Rev. Billy Sanders, pastor of Sweetwater, officiating.

Burial will be in Ira Cemetery under direction of Bell Funeral Home.

The child was the son of Kenneth Way of Brownwood and Mrs. Alvin Durden of Ira.

Survivors include the parents, his step-father Alvin Durden, one sister Vicki Ann Durden, and four brothers Rickey Way, Terry Way, Danny Way, and Virgil Way.

Pallbearers will be Horace Fowler, Floyd House, John Harver Taylor, and Mimmie Fambro.

Sentence Of Turncoat Cut

SAN ANTONIO, Tex. (AP) — The prison term given former Cpl. Claude Batchelor for collaborating with the Chinese Communists while a prisoner of war in Korea has been reduced to 10 years, his attorney's office disclosed yesterday.

Batchelor, 25, a native of Kermit, Tex., originally was sentenced to life imprisonment but the term later was reduced to 20 years. He was one of 23 American soldiers who refused repatriation and stayed with the Chinese Communists. He was the second to later change his mind.

He is serving the sentence at the federal penitentiary at Leavenworth, Kan.

The office of Atty. Joel Westbrook, who defended Batchelor at his court-martial at Ft. Sam Houston, Tex., in 1954, announced it had been notified of the reduction. The action makes Batchelor eligible for parole in January 1958.

Johnson To Speak In Brownwood Tonight

BROWNWOOD (AP)—Sen. Lyndon B. Johnson, the Senate majority leader, tonight will address a Democracy in Action Week meeting and receive an honorary doctor of laws degree from Howard Payne College.

Johnson flew to Texas yesterday from Washington. He was due here today for a two-day visit. He will hold a news conference at 5 p.m. and then will address a special convocation in his honor at 7:30 p.m.

Nautilus At Sea

GROTON, Conn. (AP)—The atomic submarine Nautilus is at sea once more today — after her first refueling. The Nautilus, which started cruising Jan. 19, 1955, traveled 60,000 miles on her first charge of nuclear fuel — "about the size of a softball," the Navy says.

HOSPITAL NOTES

The following admissions and dismissals at the two Snyder hospitals are only those whose names have been released by the hospitals.

BATTENFIELD-JONES

ADMISSIONS: Mrs. Minnie Lee, route two; Mrs. Maria Pena, 2505 Avenue U.

DISMISSALS: Johnny Britt, box 471; Mrs. Avalina Ortiz, 3001 Avenue O.

COGDELL MEMORIAL

ADMISSIONS: Joe Gene Hicks, 515 North Delmont, Hobbs, N.M.; Margaret Odessa Kimmel, route one; Rose Marie Clark, box 742; Bobby Ray Smith, 1401 Avenue I; Milton Winkle, Clairemont route; Debra Burgess, 2701 Avenue X; Verba Logan, 2912 Thirty-second Street; Fay Guynes, box 775; David Wayne Wright, 2409 Twenty-sixth Street.

DISMISSALS: Mrs. T. L. DeArmon, 4010 Austin Avenue; Roger Lee Gregg, 2409 Forthieth Street; Larry Don Gregg, 2409 Fortieth Street; Debra Burgess, 2701 Avenue X; Mrs. A. L. Barnett, 501 Thirty-second Street; Lisa Dennis, Gail.

AAUW Holds Convention

TYLER (AP)—The American Assn. of University Women in Texas open their annual convention here today with Mrs. Nannie Tilley giving the keynote address.

Mrs. Tilley is chairman of the department of history at East Texas State Teachers College at Commerce. She is a member of the national AAUW Committee on standards and recognition.

The association will observe its 30th anniversary during the two-day convention.

Major William E. Mayer, department of neuropsychiatry, Headquarters Army Medical Service School, Brooke Army Medical Center, Fort Sam Houston, will speak at the International Relations dinner tonight. Major Mayer interviewed and examined the records of more than 1,000 American soldiers released from prisoner of war camps in Korea.

Audit Shows Bad Condition

EDINBURG (AP) — The Hidalgo County auditor said yesterday a recent complete audit showed county finances in a "most unhealthy" condition.

"While not disastrous, it is a most unhealthy financial condition. Immediate steps should be taken to remedy it," Robert McLeish said.

He said the main reason for the shortage in current funds was that the county no longer received large payments from the federal government for housing captured "wetbacks" (illegal immigrants) in the county jail.

He said operating expenses in the county jumped 75 per cent during the period from 1950 to 1956.

He recommended a general revaluation of rural and city property and urged a tighter hold on the purse strings.

Merry-Go-Round Gone

LOS ANGELES (AP) — Somebody stole a 15-seat merry-go-round weighing half a ton from Bernard Pudlow's kiddie amusement park.

Impounding Of Truck Is Disputed

AUSTIN (AP) — A 1927 model-T pickup truck, impounded by Austin city police as a public nuisance, has stirred up a minor controversy between Capitol Hill and the police department.

Rep. E. E. Shackelford of Jasper County filed suit for a writ of habeas corpus in the 98th District Court charging police acted illegally in seizing and impounding his antique vehicle. He asked the court to order Chief of Police R. D. Thorp to appear and show by what authorit his department is holding the truck.

Shackelford's petition said the truck was seized Tuesday while lawfully parked in the 300 block of East 10th Street. He said it still bore last year's license plate because he had not had a chance to register in his home county. He said the law had not been violated because the truck had not been driven since the April 1 registration deadline.

Shackelford's petition said he had been using the old truck to "create interest on the part of the public for an increase in old age pensions." The truck, when impounded, still had placard signs on its sides reading "back shack" and "aid the old folks."

He charged an unlawful seizure depriving him of property without due process of law. No hearing date was immediately set.

Two other members of the House were listed as attorneys for Shackelford—J. C. branek of Daisetta and Reagan Huffman of Marshall.

Choked By Tractor

WEST WARREN, Utah (AP) — Lawrence Higgs, 25, choked to death when a tractor tipped over, pinning his neck to the ground under the steering wheel.

Services Set For Saturday

Mrs. J. M. Bannister, former resident of Snyder, died at her home in Lubbock at 4 a.m. today.

Mrs. Bannister, 70, had moved to Lubbock in 1936, after living in Snyder for over a quarter of a century. Her husband, the late Dr. J. M. Bannister, practiced in Snyder from 1907 until his death in 1932.

Mrs. Bannister is survived by a daughter, Mrs. Damon Polk of Anchorage, Alaska; a son, W. H. Bannister of Lubbock; four sisters, Mrs. Earl Cook and Mrs. Jess Ryan, both of Phoenix, Ariz., Mrs. Rufus Rountree of Flagstaff, Ariz., and Mrs. Willa Pollard of Button Willow, Calif.; one brother, Joe Caperton of Drain, Ore.

Five grandchildren also survive.

Services will be conducted by the Rev. David Moore in the Rix Chapel, Lubbock at 10 a.m. Saturday. Graveside services will be held at the Snyder Cemetery at 3 p.m. Saturday.

Burial will be in the Snyder Cemetery, under direction of the Bolger Funeral Home.

BIRTHS

Mr. and Mrs. Bobby Kimmel, route one, are parents of a son, weighing six pounds, born at 11:17 a.m. Thursday in the Cogdell Memorial Hospital.

Modern Gas Station

NEW YORK (AP) — Edward D. Stone, an internationally noted architect, has been hired to build a new gas station for automobiles at Idlewild Airport. The Port of New York Authority says it wants to make certain the gas station won't clash architecturally with the rest of the ultramodern buildings.

FRUIT AND CEREAL
. . . Variety For Diet

Dieters Need Good Breakfast

Nutritionists recommend that dieters divide the day's caloric intake into three meals of equal size, starting with breakfast. A good breakfast is the key to successful weight-reduction plans. If you skip breakfast, you are more apt to resort to between-meal snacks or to overeat at the other two meals of the day.

Research at the State University of Iowa has demonstrated that young and old alike not only felt better, but they performed better, especially in the late morning hours, if they had eaten an adequate breakfast. To ensure an adequate breakfast, doctors and dietitians recommend a basic breakfast pattern of fruit, cereal, milk, bread and butter. This breakfast pattern provides ¼ to 1-3 of the daily nutritional requirements for most people. It is also the basis for an adequate breakfast in a reducing diet. Here is a 400-calorie breakfast which is 1-3 of a 1200-calorie diet commonly recommended in weight-reduction programs.

400-CALORIE BREAKFAST

Corn Flakes (1 ounce) with Sliced Bananas,
Blueberries, or Apricots
Milk, nonfat, ½ cup for cereal
Toast, 1 slice, with Butter, 1 teaspoon
Milk, nonfat, 1 cup for beverage
Coffee, black

Wide variety is possible in the fruit, cereal, and milk serving. There are more than two dozen varieties of breakfast cereals, hot and ready to eat, both regular and pre-sweetened types, available at your grocery store. Fresh fruits will soon be in season in quantity. You will find that a breakfast planned according to a 400-calorie basic breakfast pattern is satisfying, inexpensive, and offers variety in your reducing diet.

Three Italian Sisters Make Fashion Hit

ROME (AP)—A small town girl stood bag in hand at the railway station of the Italian cheese city of Parma at the end of the war. The first train that passed was headed south.

That chance, and a 20 pound bag of potatoes, founded one of Rome's most brilliant fashion houses of modern times.

The girl with the big ambition and the potatoes was blonde Zoe Fontana.

She and her sisters, petite Nicol and hard-working Giovanna, have become known as "The Three Fountains of Rome."

Out of a length of cloth that Zoe got by swapping the potatoes, in the post-war chaos when food would get you more than money, the three sisters built their house of high fashion.

They came from generations of Italian dressmakers, up near Parma. But it wasn't until the war-end days of courage, risk and potato-swapping that they decided to try their fortune in the big city.

Their dresses now are worn by royalty and celebrities. They have designed for Princess Maril Pia of Savoy, Margaret Truman, Myrna Loy, Linda Christian and Ava Gardner.

Zoe and Micol do most of the designing, and tiny Micol, who speaks the best English, makes the trips to America to handle Fontana affairs there. Giovanna is usually in the back room handling the business affairs of the "Three Fountains."

Actually there are five fountains, if you count Mamma and Zoe's daughter Gigliola.

Mamma Amabile (lovable) Fontana flutters about the background with a watchful eye on the little crops fo seamstresses who stitch the gowns.

And Gigliola is coming up long-legged and eager from school. She is already trying her hand at designs for the teen-age trade.

Here's Surefire Menu Headliner

A flavorful meat pie, baked in a double crust of flaky cheese pastry is a surefire menu headliner.

Accompany it with a fresh grapefruit and avocado salad, enriched hard rolls, a beverage and fresh strawberry sundaes for dessert.

Enriched breads of all sorts play a major role in your dinner menus. Nutritionally, the enrichment process gives three B-vitamins and food iron as well.

The number of persons voluntarily entering California state mental hospitals has increased 162 per cent since 1946, the state department of mental hygiene reports. However, voluntary admissions still account for only 15 per cent of the total patients.

Spring Garden Show Plans Discussed In Meeting Here

Plans were discussed for the Spring show of the Town & Country Garden Club at its meeting at Martha Ann Women's Club yesterday afternoon.

The show will be sponsored by the club and entries will be limitted to members of Town & Country Garden Club.

Theme of the show will be "Bringing Spring Inside."

Date set for the show is May 16 from 2 o'clock to 7 o'clock in the afternoon.

Tickets will be sold for 50 cents each for attendance to the show.

Educational exhibits and commercial exhibits will be on display in the show.

The Town & Country Garden Club will use this show as its fund raising activity for the Martha Ann Women's Club Fund.

Each club in Martha Ann Women's Club will sponsor an individual fund raising activity this year, to replace the single fund raising activity sponsored jointly in the past as the Rodeo Queen Contest.

In other business yesterday Mrs. Ernest Sears was elected recording secretary-treasurer to replace Mrs. Fred Auforth, who resigned the post.

Mrs. Jim Moss, hostess, served refreshments to 19 members.

Following the business meeting a workshop on arranging Iris was held.

Howling Blizzards Hurting The Easter Shopping Season

NEW YORK (AP)—"Who wants to buy an Easter outfit when there's a blizzard howling outside?"

This gripe, from a worried Detroit merchant, sums up pretty much how retailers feel near the windup of this Easter shopping season.

A national Associated Press survey shows these trends:

Easter sales—blitzed by a combination of blizzards, tornadoes and floods—have been disappointing so far.

"The weather," says Chairman Earl Puckett of the giant Allied Stores Corp., "has knocked Easter prospects into a cocked hat."

Along with the weather handicap, merchants have come up against a new breed of consumer. This consumer is cagey. Sure, he has money, and he'll spend it too. But he wants top value for what he pays. And he drives a hard bargain.

In Detroit, for example, his first choice for an Easter outfit is likely to be that old favorite, the two-pants suit.

There are bright signs too. One is the booming teen-age market. Merchants from coast to coast report that the "Sloppy Joe" craze is dying out.

"The kids want to dress up," says the owner of a swank Midwest apparel shop. "The girls who used to buy dungarees are buying swirling skirts and petticoats. The boys are buying sports jackets and Ivy League slacks."

Brightest hope of all, right now, is the prospect of a turn in the weather. There are still eight shopping days left. That could mean an 11th-hour buying surge that would put total Easter sales this year on a par with last year's record volume.

Other trends reported by merchants: Despite more cautious buying habits, Easter shoppers give no indication of having been scared by "depression" talk. Curtailed overtime in manufacturing centers has reduced the amount of ready cash in shoppers' pockets but these customers are making greater use of charge accounts. Prices of Easter merchandise show little change from a year ago (although wool and worsted apparel items may be a shade higher.

Circular Grill Is Best Type

A few years ago, one of the most prized possesions of the home owner was an outdoor fireplace. Today, such a fireplace is "dead as a dodo." The reason? The introduction of the outdoor grill.

Americans long have had a penchant for cooking out of doors. In recent years, as they have had more leisure time, it has become an increasingly popular hobby. However, it wasn't until the portable outdoor grill was invented that the boom really started.

These grills have made outdoor cooking much more convenient and much less expensive. Outdoor fireplaces cost from $50 to several hundred dollars to construct. A grill can be purchased for as little as $9.95.

Many novice outdoor cooks are confused as to what kind and shape an outdoor grill they should purchase. Engineers have found the circular type is the most practical and popular.

The grills on the circular braziers rotate. Thus, the cook can bring the food to the front of the grill for handling instead of having to reach across hot coals.

In the circular type it is easier to make just a small fire if you are going to use only a portion of the grill. Many outdoor cooks put gravel in the bowl to help fill up the part where there are no coals and make it easier to tend the fire.

Also, the grill in a circular type can be raised or lowered to any desired height above the coals.

FOR GOOD EATING

Sing a song of rhubarb — of pies and puddings and all the rest of the time-honored desserts this spring delicacy inspires. The distinctive sweet-sour flavor of rhubarb, coupled with its appealing color, makes it a perennial dessert favorite.

• • •

What's the quickest sort of pie to bake? Why, a deep-dish pie of course — it has but one crust to manipulate. See how speedily you can put together this luscious Deep Dish Rhubarb Pie. Perhaps the easiest pies of all to serve are those you buy from your baker. Make a point of bringing home one of his tasty rhubarb pies sometime this spring:

DEEP DISH RHUBARB PIE

1½ cups sifted enriched flour
½ teaspoon salt
⅓ cup shortening
3 tablespoons water (about)

Sift together flour and salt. Cut or rub in shortening. Sprinkle with water, mixing lightly until dough begins to stick together. Turn out on lightly floured pastry cloth and press dough together. Cover or wrap in waxed paper and let stand while preparing Rhubarb Filling. Roll out into square about the size of baking pan. Place on top of rhubarb mixture, sealing edges. Cut design in pastry to allow steam to escape. Bake in hot oven (425 degrees F.) 30 minutes.

Rhubarb Filling

2 pounds rhubarb, cut in ½-inch pieces (about 5 cups)
1¼ cups sugar
¼ cup enriched flour
⅛ teaspoon nutmeg
2 tablespoons grated orange rind
2 tablespoons butter or margarine

Combine rhubarb with sugar, flour, nutmeg and orange rind and mix lightly. Place in 8-inch square pan and dot with butter or margarine. top with pastry. Makes 4 to 6 servings.

Sew Easily, Wear Often

1469
12-42

DELIGHT for beginner or expert at sewing — the flattering sleeveless dress that takes every occasion in stride all summer long.

No. 1469 is in sizes 12, 14, 16, 18, 20; 40, 42. Size 14, (32 bust), 3 yards of 39-inch.

Send 35c in coins for this pattern to IRIS LANE, (care of Snyder Daily News), Box 438, Midtown Station, New York 18, N. Y.

YOU AND YOUR TEEN-AGER

By BEVERLY BRANDOW

Next to a nagging wife, in popularity, is the rating of a nagging mother.

Teen-agers are young; they are full of spirit and courage. Bubbling deep inside them is that kind of faith that can move mountains.

It is not fair to undermine this exhuberance with monotonous magging.

"When you are past fifty, you have reached the age of wisdom," I recently read. "That is because," it continued, "few people are around who are old enough to remember how foolish you were at twenty."

If you would build a stable bridge between the frivilous, hectic years of your teen-age offspring and the settled years of your own generation, you must accept the fact that times brings great changes in outlook.

For instance, what is a picnic? To the teen-ager, it is a joyous time. It is a breathing in of the first perfume of spring, butterflies in the stomach, and food more tantalizing to the taste than mystic manna or nectar from Mount Olympus.

To your generation a picnic may be a flat and inconvenient experience. It may merely mean dinner on the ground, shooing flies, swatting knats and slapping ants. So much is a matter of outlook; so much depends upon the spark within and how it glows.

Let's not nag our youngsters for their "silly ideas." For them they may not be silly, but rather the essence of life.

Let's bear with the fads and erratic notions. Let's give a knowing smile to all that boundless confidence and abundant zest for life.

We remember our own youth with longing, and yet were we really different from these teen-agers? Let's put away our envy for their boundless spirit; let's lock away our feeling of mature superiority because of our sedateness.

May we forbid them when we must, but nag them never.

(Your letters are welcome. Address them to Miss Brandow in care of this newspaper.)

Bakery Provides Treats For Party

When shopping for party foods for spring luncheons and showers, be sure to include your local bakery on your itinerary.

It's a hostess' headquarters for all kinds of dainty cookies and attractively frosted cakes and cupcakes. For party sandwiches and canapes, use commercially baked enriched bread.

Both sliced and unsliced loaves are handy for specialty sandwich making.

Ignoring the generally accepted three-mile limit, four nations — Chile, Ecuador, Peru and El Salvador — now claim 200-mile priorities off their coasts where foreign fishermen cannot drop their nets

Meat Storage

Ground fresh meat and variety meats such as liver, heart and tongue should be stored loosely wrapped and used within 2 days after purchase.

The world's highest pipeline, 14,000 feet in the Bolivian Andes, was built by Bolivians accustomed to working in thin air. Tractors and other equipment used had to have super-chargers.

BUCKIN' THE LINE

By BUCK FRANCIS
News Sports Editor

THE TIGER'S TALE, the student newspaper at Snyder High School, comes up with an interesting article on Tiger trackster Rex Wilson that we believe should be passed along.

Wilson, who was high point man in the district track meet here last Saturday, is in Lubbock today competing in his thrid straight regional track meet.

Maybe this doesn't sound so unusual but the odd part about Wilson's regional appearances is that in the three trips to region he has represented three different schools.

Rex qualified for the regional meet as a freshman while attending Van Horn High School. As a sophomore, Wilson was a student at Marfa High School and once again he won a regional track berth.

Now, as a junior, he wins a third straight region trip, this time as a Snyder Tiger.

Gained State Meet Berth Last Year

Wilson, in fact, went on to the state meet last year. He won second in the high hurdles in the region meet that qualified him for a state meet berth.

If you're wondering how Wilson was able to be eligible at these three schools in consecutive years, a boy can compete in track if he has been a student at the school he is representing 30 days prior to track season.

Wilson has been enrolled at SHS since last fall. Rex wasn't eligible to play varsity football this past season but he earned a letter on the "B" team.

Wilson will be an aspirant for the Tiger gridders next fall.

With a sudden turn of the elements, records appear to be pretty safe in the region track meet at Lubbock this weekend.

Tracksters just don't perform as well in cold weather as they do in warm temperatures.

At any rate, competition should still be keen in every event. There is at least four or five strong contenders for first place in virtually every event.

We're going to attempt something we've never tried before—that of predicting the winners of each event in a track meet.

Pollard, Morgan Picked

Here is the way we see the outcome of the Region 1 meet:

First off, we'll pick the San Angelo Bobcats to win the team championship.

By events, our predicted winners are:

100 YARD DASH—Bobby Pollard, Snyder.

220 YARD DASH—Mike Ellington, San Angelo.

440 YARD DASH—Roy Eisenbach, San Angelo.

880 YAR DRUN—Don Dishong, Odessa.

MILE RUN—Bobby Cunningham, Littlefield.

120 YARD HIGH HURDLES—Bob Swafford, Abilene.

180 YARD LOW HURDLES—Bud Morgan, Snyder.

440 YARD RELAY—San Angelo.

MILE RELAY—Andrews.

HIGH JUMP—Robert Orr, Odessa.

BROAD JUMP—Mike Ellington, San Angelo.

POLE VAULT—Bayless Bennett, Amarillo.

DISCUS—Jack Tayrien, Odessa.

SHOT PUT—Jim Windham, Colorado City.

It looks like my 5-year old son, Bruce, is destined to become a baseball player.

In a little neighborhood game yesterday, Bruce came in contact with a swinging bat that opened up a gash over his right eye.

After a rush trip to the hospital to get the wound sewed up, the first thing the little fellow said upon returning home was:

"Daddy, let's play baseball."

OFF TO REGION—The Tiger tracksters were Lubbock bound this morning where they'll compete in the Region 1 track meet today and tomorrow. Despite the freezing temperatures, the show was expected to go on as scheduled although there was a possibility that it would be postponed. The Tigers are pictured with Coach Jim Stehley, left, seconds before their departure this morning. The Tigers shown, left to right, are Bill Dubose, Powell Berry, Rex Wilson and Bud Morgan. Bobby Pollard, the fifth Tiger to compete in the region, made the trip but wasn't present when the picture was made. Pollard was to have joined the squad at Dermott. (Lee Watson Photograph).

Tiger Thinlies To Region

Five Tiger tracksters departed this morning for the Region I track and field meet slated at Jones Stadium in Lubbock this weekend.

Preliminaries were scheduled to commence at 1 p.m. with the finals slated tomorrow.

Tomorrow's finals will begin at 1 p.m. with the field events and 1:30 for the running events.

The five Tigers making the trip with Coach Jim Stehley and the events they'll enter are:

Powell Berry—high hurdles, low hurlles, 440-yard relay.

Bill Dubose—high jump.

Bud Morgan, high hurdles, low hurdles, 440-yard relay.

Bobby Pollard—100-yard dash, 220-yard dash and 440-yard relay.

Rex Wilson—high hurdles, low hurdles, 440-yard relay, high jump.

The Tigers swept to the District 3-AAA championship last weekend with 66 points to 40 for runnerup Colorado City. It was the first district track crown for the Tigers in many years.

Three of the five Tigers entering the regional meet won first places in various events in the district meet.

Morgan and Pollard were double winners. Morgan won both hurdles, the 120-yard highs in 14.6 and the 180-yard lows in 19.5.

Pollard swept the dashes, winning the 100-yard dash in 9.8 and the 220-yard dash in 21.6.

Wilson won the high jump with a 5-11 leap, placed second in both hurdles, tied with two others for second in the pole vault and ran a leg on the third place mile relay team.

Berry tied for second in the broad jump, placed third in both hurdles and ran a leg on the second place 440-yard relay team.

Dubose was second behind Wilson in the high jump with a 5-10 jump.

All five boys stand good chances of placing in the region meet. The Tigers are among the favorites in the hurdles and dashes.

At last report before press deadline today there was a slim possibility that the region meet would be postponed due to the cold weather.

REGION 1 RECORDS

REGION I REORDS

100 YARD DASH — 9.6, Frank Daugherty, Olton, 1953.

220 YARD DASH — 21.0, Troy Harber, Lubbock, 1954.

DISUS — 169-6½, Joe Irvin, Amarillo, 1954.

SHOT PUT — 55-8¼, Jon Cantrell, Pampa, 1955.

Track Coaches Rap TIL's Place Ruling

FORT WORTH (AP)—Some high school track coaches are burned up over the Texas Interscholastic League's sudden change in the number of tracksters who can qualify for the regional meets.

It was cut to two places in each event instead of three and the only notice was in the league's constitution book. Many coaches complained that they overlooked it.

Bill Purser, coach of San Angelo High School, one of the state championship favorites, said his first knowledge of the new rule came a week after the district meet. "I would have run my boys differently in district competition," he said. "I feel that because of intense competition in this district, I have lost four boys who would account for 10 extra points in the regional meet."

Herman Scruggs of Dallas Sunset said, "They must be attempting to get those track boys through quick and back out of football."

Herman Clark, Fort Worth athletic director, said "it seems a special notice would have been put out on a change as drastic as this one and involving so many athletes. Some of our boys were greatly disappointed. They were told third place would qualify, ran for it, and now they are out in the cold."

Robert Groseclose of Abilene said it would not have been more trouble to handle three qualifiers in the regional meet than to take two.

Edwin Nixon of Midland said that as the result of the rule a 12-foot 3-inch pole vault and a 1:59.2 half-mile were not good enough to qualify for further participation

New Faces Aplenty Dot Major Lineups

NEW YORK (AP)—There's been a hefty six months turnover in major league baseball. Teams will have about 25 new players in the opening day lineups next week.

The Philadelphia Phillies will have four changes: first baseman Ed Bouchee, shortstop Chico Fernandez and outfielders Rip Repulski and Bob Bowman. Bouchee and Bowman are rookies up from Miami of the International League. Repulski was acquired from St. Louis and Fernandez from the Brooklyn Dodgers.

The New York Giants will introduce shortstop phenom Andree Rodgers. They'll also reintroduce Whitey Lockman, back from the Cards and Gail Harris, recalled from Minneapolis.

The Chicago Cubs will have third baseman Ray Jablonski, picked up from Cincinnati, and Bob Speake, brought up from the Pacific Coast League. Chicago also will have a new catcher with either ex-Yankee Charley Silvera or rookie Cal Neeman, up from Richmond, Va., likely to start.

Cincinnati will have Don Hoak at third base. The Cardinals have a new left fielder and No. 4 batter in Del Ennis, the former Philadelphia star. The Dodgers probably will have Gino Cimoli in left field. He was used sparingly in 1956 but has been a spring training sensation this year.

The Milwaukee Braves and Pittsburgh Pirates have remained pat on regulars.

In the American, shortstop Billy Hunter and outfielder Bob Cerv, both acquired from the Yanks, will be in the opening Kansas City Athletics lineup as will second sacker Milt Graff, a former Yank farmhand.

The Chicago White Sox fans will get a glimpse of rookie Jim Landis in the outfield with Bubba Phillips, a utility man last season, at third base and Jim Rivera, an outfielder, at first base.

Cleveland has rookie outfielder Roger Maris. George Strickland, a '56 handyman, likely will start at second base, and Bobby Avila, veteran second sacker, will be at third.

Third baseman Frank Malzone and Gene Mauch, a second baseman, are the New Boston Red Sox. Malzone failed in a brief spring trial in '56. Mauch was purchased from the Coast League late last season.

Tony Kubek, in left field, is the only one to crack the starting lineup for the New York Yankees. He hit .331 for Denver of the American Assn. last season. Detroit may start Eddie Robinson, obtained from Kansas City, at first base.

The Washington Senators and Baltimore Orioles opening day lineups will be about the same.

LL To Vote On Master Fund

CHICAGO (AP)—Delegates to the second annual Congress of Little League Baseball today will vote on a master fund for a foundation which will have a million dollar working capital.

P. J. McGovern, national Little League president, disclosed at yesterday's opening session of the three-day congress plans for the "trust fund" to meet an approximate annual national level deficit of $50,000.

In the past a rubber company has met the deficit which is incurred in conducting the national program for some 700,000 Little Leaguers between eight and 12 years of age.

McGovern, whose headquarters are at Williamsport, Pa., said that the million dollar master fund would be raised by friends of Little League baseball in civic and industrial fields. Its interest or investment accurals would be diverted to league improvements.

Once the returns match the annual deficit, future funds will be directed by fund trustees towards a master plan that includes a program of adult leadership training, better field service, workshop courses at Williamsport, research, communications and information to local leagues, permanent national headquarters and a fund against future contingencies.

TOMORROW AT 10

Tiger Gridders Slate Squad Tilt

The Tigers will conclude their first week of spring football drills with an intra-squad scrimmage session tomorrow morning, coach John Conley has revealed.

Tomorrow's squad game has been set for about 10 a.m.

Conley has been pleased with the showing of his charges through the first week of the drills.

"Most of the kids lack polish, of course," Conley said. "But we haven't expected the boys to be in mid-season form this early," Conley added.

Conley pointed out that end Dwayne Merritt, tackles Bill Phillips and Ronnie Giles, guard Gene Williamson, center Bill Rinehart have been looking good in the line.

And backs Richard Mahan and Dickie Martin, the quarterbacks; Israel Hinojos at halfback and Mickey McGrew and Jimmy Allen at fullback have drawn praise from Conley over their early showing.

"Merritt shown more promise at end than any have shown thus far," the Tiger coach says.

"Merritt is stepping into the shoes of all-state Milton Ham who graduates this spring.

"Hinojos is by far the most polished back so far," Conley went on.

"Our quarterbacks (Mahan and Martin) have been doing a good job, too," Conley said.

"The kids are still rusty on their blocking assignments but they'll probably come around in due time," Conley concluded.

Thirty-four boys are currently participating in the Tiger spring workouts.

Top Sluggers Slam Homers In Exhibitions

By BEN OLAN
The Associated Press

Some of the game's top sluggers—Ted Williams, Mickey Mantle, Willie Mays, Stan Musial—hit homers yesterday, but only Musial's circuit blow did his team any good.

He stroked it off Billy Pierce as the Redbirds blanked the Chicago White Sox 5-0 behind the nifty pitching of Lindy McDaniel and Willard Schmidt. Hobie Landrith also homered for St. Louis.

The home run by Williams was only one of two hits collected by the Red Sox off the combined efforts of rookie pitchers Jack Sanford and Angelo Lipetri of the Philadelphia Phils. Philadelphia won 7-1, helped by four unearned runs.

Mantle and Hank Bauer connected for the Yankees, but the worldchamps dropped a 6-5 verdict to their Richmond (International League) farmhands.

Mays' homer spoiled an otherwise brilliant five-inning effort by Early Wynn, who made his first appearance of the spring. The Cleveland pitching mainstay had been bothered by a hip injury. The Indians came up with two runs in the ninth to break a tie and win 6-4.

George Crowe blasted a three-run homer in the eighth inning to give Cincinnati a 7-4 victory over the Washington Senators.

The Chicago Cubs were paced by Dee Fondy's two home runs as they edged the Baltimore Orioles 7-6.

Dale Long and Paul Smith homered for the Pirates, who whipped the Detroit Tigers 10-2. Rookie Don Lee was pounded for eight hits and seven runs in the first five innings.

The Kansas City A's pleased 8,531 home fans by scoring four times in the ninth to beat the Brooklyn Dodgers 5-4. Don Newcombe pitched three scoreless frames for the Brooks.

TIGER-LUBBOCK GAME CALLED OFF

The scheduled baseball game between the Tigers and Tom. S. Lubbock here today was called off due to the cold weather.

A new date for the game hasn't been set.

The Tigers, sporting a 10-6 season record, will resume action tomorrow with a doubleheader against San Angelo at San Angelo.

Ronnie Baker (3-2) and Dwayne Prince (3-3) will be the starting Tiger pitchers in tomorrow's twinbill.

San Angelo owns a 2-0 edge over the Tigers for this season's play. The Bobcats also are the possessors of one of the finest records in the state, 10-1.

San Angelo is the only Class 2-AAA team the Tigers haven't beaten this season.

Jantz—Not Blount New LaPorte Coach

LA PORTE, Tex. (AP) — Robert Jantz, 32, assistant coach here last season, has been appointed head football coach at La Porte High School.

A previous report that Ronald Blount of Pasadena had been appointed was erroneous. Jantz succeeds Joe Newbill, whose contract was not renewed.

Odessa Swimmers Choose Longhorns

AUSTIN (AP)—University of Texas swimming coach Hank Chapman says Odessa swimmers Herschell Atkinson and Woody Reeves have decided to enter the university next fall.

Atkinson won second in the state high school meet this year and chalked up the second fastest schoolboy time of the year in the 100 yard butterfly.

SNYDER AREA CHURCH NOTES

Revivals And Palm Sunday Highlight Church Activity

Revival services at the Trinity Methodist Church will begin with the morning service Sunday and will continue through Easter Sunday.

The Rev. Elton Wyatt, pastor, will open the revival services with a sermon on "Jusus Turns to Jerusalem."

The choir will sing the anthem. "The Palms," during the Sunday morning service.

Services will be held only in the evening during week nights of the revival at 7:30 o'clock each night.

However, Sunday night senior and junior groups of the Methodist Youth Fellowship will meet at 6:30 o'clock, and the Junior Fellowship and choir will meet at the same time. Regular Sunday evening services will be at 7:30.

Floyd Boston will lead singing for the revival.

* * *

Palm Sunday services will be held at Saint John's Episcopal Church Sunday.

Litany and Ante Communion will be held at 11 o'clock Sunday morning, and the sermon will be on "Palms and Crosses," by the Rev. Donald Hungerford.

The blessing and distribution of Palms will conclude the morning service.

Church school will begin at 9:45 o'clock Sunday morning.

Nursery will be provided for preschool age children during the 11 o'clock morning service.

Evening Prayer service will be at 7:30 o'clock.

* * *

"More or Less," will be the sermon subject at the 10:45 a.m. worship service for Palm Sunday of the Rev. Walter L. Lentz to the Grace Lutheran congregation, which worships in the West Elementary School auditorium. Sunday School will commence at 9:45 a.m.

The anniversary of the death of Christ will be observed with a worship service Good Friday night at 7:30 p.m. in the West Elementary auditorium. The sermon subject of Rev. Lentz will be, "God's Copyrighted Redemption."

* * *

At the Firt Presbyterian Church, the Palm Sunday subject of the Rev. Julian Hendren will be "Jesus Is The King" at the 10:55 a. m. worship service. A Holy Week communion service wil be held at 7 p.m., Wednesday at the First Presbyterian Church.

* * *

A revival is continuing at the Avenue D Baptist Church, with services each evening at 7:30 p.m. The Rev. A. J. Martin, the pastor, is conducting the revival.

At the 7:30 p.m. service tonight, Rev. Martin's subject will be "Quenching The Spirit." On Saturday night he will speak on "Coming Of The King," and on Sunday morning, "How To Be Saved." His subject Sunday night will be "Two Ways To Be Saved."

For the "Good News" broadcast on KSNY at 7:45 a.m. Sunday, Rev. Martin's topic will be "An Experience of Grace."

Sunday School at Avenue D Baptist Church begins at 9:45 a.m., and Training Union starts at 6:30 p.m.

* * *

The Rev. H. Carl Nunn of Sparenburg, will be evangelist for a revival at the Hermleigh Methodist Church.

The evival will begin Sunday night and continue through the morning services on April 21. During the week services will be held at 10 a.m., Monday through Friday. Evening services will begin with prayer services at 7:30 p.m., with the worship service to follow at 8 p.m. daily throughout the week.

The Rev. James J. Futch, pastor of the Hermleigh Methodist Church, said the public is invited to attend all services during the revival.

'Satellite' Test Pleases Navy Chief

WHITE SANDS PROVING GROUND, N. M. (AP)—The chief of the Naval Research Laboratory here says he is extremely pleased with the way "satellite" instruments performed on a rocket shoot yesterday.

A container about the size of a gallon can was sent 126 miles aloft in an Aerobee Hi rocket. In the aluminum can were instruments like those to be used in the coming earth satellite project.

John W. Townsend Jr., chief naval laboratory scientist, said he was well pleased with the results. Another laboratory spokesman said, "The initial indications are that the data is complete and quite valid."

He said the information was sent back to earth "on two distinct channels," one for instruments in the rocket, and the other for the satellite instruments.

The wreckage of the rocket hasn't been found. The Navy spokesman explained the missiles frequently disintegrate when they re-enter more dense atmosphere.

Hearing On Bus Line Application For Rio Grande Is Recessed

CORPUS CHRISTI (AP)—A Railroad Commission hearing on Southwestern Greyhound Bus Lines' application to operate between the Rio Grande Valley and Corpus Christi was recessed here yesterday.

The hearing was expected to move to Harlingen.

Greyhound wants to pick up the routes that were dropped by Missouri Pacific Bus Lines in January. Its application is opposed by Continental Trailways, which serves most of the same towns.

More than 40 persons supporting Greyhound were heard.

In earlier hearings at Harlingen and in those here, only endorsements have been heard. Opposition to the application will be given in the same cities.

Owner Breathes Life Back Into Shetland

PASO ROBLES, Calif. (AP)—Midnight Miracle, an aptly named Shetland pony, is alive today because her owner literally breathed life-giving air into her nostrils.

The colt was born limp, and with no sign of life, after the mother quit trying to deliver it after a 1½-hour struggle. Owner Vic Daley, who helped accomplish the delivery, tried artificial respiration, then blew his own breath into the baby's nostrils.

A few hours later, Daley reported proudly, "The little filly was nursing from her mother as normal as any other colt. It was a miracle."

BOY WANTS HIS MISSING ARROW

SALT LAKE CITY (AP)—Police Desk Sgt. E. N. Olson heard a quiet click in his ear after he explained to a young male phone caller that it is illegal to shoot arrows in the city.

The boy wanted Olson's opinion on whether arrows could be recovered from a neighbor woman's yard.

The voice explained the woman had been asked for the arrows and added: "She got mad when I told her one was in her cat!"

Dunn Church Meeting Set

Six ministers of the Church of Christ of this area will participate in a six-night Bible lectureship at the Dunn Church of Christ next week.

The services will be at 7:30 o'clock for six nights beginning April 15.

The general theme of the lectureship will be local congregation problems.

Participating ministers will be; Guy Cakey, Sweetwater; Wesley Fillamon, Fluvanna; Bob Barnes, Colorado City, Floyd Spivy, Colorado City; Dale Brooks, Snyder, and W. T. Hamilton, Lamesa.

Three From Snyder Included In Tour

Three students from Snyder are among the 72 members of the Texas Tech choir who have been selected to make the annual spring tour.

The group will present an Easter sunrise service in El Paso on April 21. They will give five other performances in El Paso, Ysleta, and Hobbs, N. M., before returning to Tech on April 23.

Snyder students who will make the trip are Louise Crook, Herbert Don Portis and Joe Devenport.

Mitchell-Scurry Meeting Planned

The Mitchell-Scurry Associational Training Union meeting will be held Sunday afternoon at 2:30 o'clock at the First Baptist Church in Colorado City.

Hooper Dilday, Texas State Training Union secretary, will be the speaker.

Zone directors of the meeting plan to have at least a carload of people from each church attend.

Contests will be held for each depariment in the conference.

Mystery Of Missing Doughnuts Is Solved

PHILADELPHIA (AP)— Peggy Camac had a total of 15 dozen doughnuts stolen from in front of her luncheonette on five different occasions. Police had watched for the early morning thief without success.

Yesterday a motorist saw what he described as a "beautiful" golden retriever trot up to the luncheonette. The dog picked up a bag containing the latest delivery of three dozen doughnuts and trotted off.

Easter Is Highest Point Of Churches

NEW YORK, April 11 (AP)—Without Easter there could not have been a Christian religion.

Easter is the highest, most ancient festival of the church. It is the key — the fulfillment. If Easter had not happened, Christmas would be meaningless.

Yet in the popular mind, in this Christian country at least, Easter suffers from comparison with Christmas as a festival.

It can be argued Christmas is a folk festival as well as religious observance. But Easter too has popular traditions that date back to ancient nature rites. The word Easter itself is supposed to derive from Ostara, the Anglo-Saxon goddess of spring to whom the month equivalent to our April was dedicated.

In spite of this, do great masses of people get "the Easter spirit" as they do "the Christmas spirit?" Do Easter hymns, as do Christmas carols, pour forth from radio and television weeks ahead of the sacred day? Is Easter Sunday—or Monday — a nonworking holiday?

No.

Of course, Easter doesn't go unnoticed, even by the non-churchgoers who take Christmas to their bosom. We have bunnies and Easter egg hunts. There's the Easter parade and the flurry of shopping so we'll look good in the church we just possibly haven't visited since Christmas.

At least one big store has a man in a white rabbit suit dandling tots on his knee, presumably asking them what they want for Easter.

For the devout Christian who observes Lent and attends daily services, Easter has the greatest significance.

For the Eastern Orthodox Church, the season's observance begins the Sunday before Ash Wednesday.

The Roman Catholic Church starts Lenten observance on Ash Wednesday. It eliminates music from services and omits the gloria and other prayers expressing joy except on the major feast days. Two weeks before Easter Sunday all statues are shrouded in purple as an another expression of mourning.

But on the joyful Easter Sunday, the choir is heard again, statues are uncovered and the priest, who has been garbed in purple, appears in white vestments symbolizing Christ's triumph over the grave.

What about Protestants, not all of whom observe Lent?

"With the Episcopalians and Lutherans and some others it's a climax looked forward to," says Dr. Franklin Clark Fry, president of the United Lutheran Church of America.

"We Lutherans have special services all through Lent, daily during Holy Week. Protestants are beginning to learn that Lent is being observed. It used to be opposed because of wanting to differ from Catholic observances. Now more and more are observing Lent."

But why doesn't Easter equal Christmas in popular appeal?

Dr. Fry suggests Easter is not so commercialized as Christmas. "It's not so easy to sentimentalize the Resurrection of the Christ as it is the birth of a baby. And sentiment is the stock in trade of Madison Avenue."

"But the glorious thing about Easter," continues Dr. Fry, "is that it can't be separated from the Resurrection.

"The Resurrection of Christ is the foundation stone on which the whole Christian faith is built. Sending its rays backward over the life of our Lord, it gives color and meaning to all he has done and said. Shining ahead, it proves the victory of good over evil. It assures us of victorious strength for our own lives."

New Program To Be Aired

"Religion In The News," a community service feature, will be presented by the join sponsorship of the Grace Lutheran Church and various firms and individuals beginning Saturday at 11:45 a.m. on radio station KSNY.

"Religion In The News" will be presented by the Rev. Walter Lentz, who, prior to moving to Snyder, presented similar programs over radio stations in Victoria and Corpus Christi.

As the name indicates, "Religion In The News" will present the national and international news, as edited and compiled by Religious News Service. There will be news of all denominations, personalities and leading religious leaders, special human interest stories. The program will be dedicated to the purpose of creating good will, amity and understanding for all creeds and denominations.

The Public Spirited Firms and Individuals On This Page Bring You This Weekly Message In The Hope That It Will Point To A Better Way Of Life And Be An Inspiration To Everyone.

HEROD AWARDED—The Conoco Good Neighbor award for outstanding service to his community was presented last night to Carl E. Herod, left, Snyder commission agent for Continental Oil Co. at a dinner at the Ranch House. D. W. Newcomb, right, district sales representative, from Sweetwater, made the presentation. (Lee Watson photograph)

FOR COMMUNITY ACTIVITY

Snyder Man Receives Award

Carl E. Herod, Snyder commission agent for the Continental Oil Co., was presented the Conoco Good Neighbor award in ceremonies at a dinner at the Ranch House at 7:30 o'clock last night.

The award, signed by Conoco president L. F. McCollum, honors Conoco dealers, agents and jobbers for their unselfish contributions to the betterment of their towns and states. It is part of Conoco's constant encouragement of its distributors to participate in community activities.

Herod is among the Conoco distributors in a 27-state operating area to receive the newly created award. District Sales Representative, D. W. Newcomb, Sweetwater, made the presentation.

Conoco's commission agent here since 1944, Herod has made valuable contirbutions to the youth of Snyder.

His community activities include having been a member of the board of directors of the Snyder Lions Club, chairman of the youth committee of the Chamber of Commerce, helped organize the Snyder Little League, was member of the board of directors of the Little League for three years, was charter president of the Quarterback Club and of the Optimist Club, was boys work chairman of Optimist Club, two years as city councilman and mayor pro-tem, and is now a director of the Scurry County Boy's Club and of the Optimist Club.

He also originated and sponsors the Herod award for outstanding athletic achievement of high school boys.

It's A Funny World

SILVER CITY, N. M. (AP)—Justic of the Peace Howard A. Johnson fined his father, Clint Johnson, $15 and $5 court costs for illegally crossing a highway center line.

DENVER (AP)—Because her husband settled arguments by picking up their pet tomcat and throwing it at her, Mrs. Flossie Mae Martin won a divorce. She and husband, Joseph, a butcher, were married in 1947 in Boise, Idaho.

HOUSTON, Tex. (AP)—George L. Noble, 88, of Uvalde, Tex., a retired vice president of the Texas Co., wrote a company official that this year's Old Timers awards dinner would be his last. Posing for photographs at the dinner last night, he was stricken ill and died 40 minutes later in a hospital.

CLINIC SCHEDULE IS RESUMED HERE

The regular clinic schedules on Wednesday afternoons and Friday mornings have been resumed at the Scurry County Health Unit, Leah Davis, County Health Nurse, reported this morning.

The schedule was interrupted temporarily when shipments of Salk anti-polio vaccine were delayed. Manufacturers of the vaccine were caught short when a sudden upsurge in demands developed throughout the country. The situation apparently has eased, and drug manufacturers expected to take care of demands during the second half of this month.

Men Fined In Water Dispute

EDINBURG (AP)—Two officials of the La Casita Farms in Starr County were fined and given jail sentences yesterday after being convicted of six counts of water diversion violations in the Valley's water suit.

Jack Reeves, manager, was sentenced to three days in jail and fined $100 per day for each of six days that the La Casita Farms allegedly pumped water from the Rio Grande in violation of court-ordered restrictions. Asst. manager Marvin Kolbert drew a two-day jail sentence and was fined $50 per day.

Both testified they pumped without authorization from the special water master. They said they had no route of appeal and thought the water they pumped was part of their fair share.

Visiting Dist. Judge D. B. Wood of Georgetown was to hear motions on the court order regulating control of the Rio Grande below Falcon Dam after the diversion violation cases were decided.

CUBANS FIND HOME

Miami Is Haven For Insurgents

MIAMI, Fla. — This is the community that has something for everybody, including sun-worshipers, horse players, dog-track fanciers, jai alai aficionados, deep-sea fishermen, samba sirens and Latin-American revloutionaries.

Although the Chamber of Commerce ignores this aspect of community life, there are always shoals of hot tempered Latin Americans who will eat strawberries and like 'em, come the revolution back home, if their Miami plotting is successful.

Political malcontents love to sit it out in Miami between revolutions. Nor is this a new facet of the greater tourism. Cuban cloak-and-dagger operators are an old story, not only in Miami but further south in Key West and in Tampa. They just moved their headquarters to Miami within the past 25 years.

Cuban revolutionaries are a constant factor here. The membership changes from time to time, as another set of rascals is thrown out or, mayhap, in. Many quiet, little out-of-the way business establishments here are known meeting places for Cuban exiles.

At the moment, the best known rendezvous for those Cubans who have only the back of their collective hand of Cuban strong man Fulgencio Batista is a Cuban grocery story called El Paso on Northwest Seventh Street. It is owned by Rafael Izquierdo, who goes off meekly with local police whenever he is hauled into court on charges of illegally smuggling arms into Cuba in violation of the neutrality act.

Rafael is treasurer of the 26th of July Movement, which was the invasion of Cuba launched last Summer by another exile, young Fidel Castro, who had found Florida a hospitable refuge. Castro is now entrenched with a small group of revolutionaries in the rugged mountains of Sierra Maestra in Eastern Cuba.

As far as that goes, no one knows the extent of Maimi hospitality to a politician on the lam better than General Batista. When he was ousted by the Grau government and sent into exile, he headed for Miami as a homing pigeon.

If, by any chance, Castro should make things too hot for the Cuban strong man, Batista can always return here, for he owns apartment-house properties in Southwest Miami valued at several million dollars. He made thrifty real estate investments here during his exile.

Should Batista ever have to bounce this way again, the plane that brings him here may take back, on its return trip, Carlos Prio Socarras deposed by Batista on his (Batista's) return to Havana from Miami exile. (When Batista headed the Cuban "outs" in Miami, he ran for the Cuban senate and conducted his campaign in Miami. He won.)

But not all the out-of-season politicos from South of the Border are Cubans, by any means. When things got too hot in Venezuela, three former presidents of that oil-rich land found Miami a safe and restful haven. The exiles from time to time were Romulo Gallegos, Romulo Betancourt and Eleazar Lopez Contreras. The latter eventually became just another Miami realtor.

Revolutionaries and counter-revolutionaries from El Salvador, including former Dictator Maximiliamo Hernandez Martinez, have found Miami sympathico. And the revolution in Guatemala in 1954 sent the usual quota of "outs" to the Florida Gold Coast.

Local police keep a languid eye on all of 'em. After all, none of 'em are plotting against Uncle Sam.

(Copyright, 1957, by United Feature Syndicate, Inc.)

Sunshine Is Good To See

LOS ANGELES (AP)—After living three months of blindness, Robert Nail says he'll never see enough sunshine, birds and people.

"Most of all, people," said Nail, 24, whose sight suddenly returned.

He lost his sight Jan. 10 from what doctors said was the aftermath of a July auto accident, probably a blood clot. That was in Jacksonville, Ill., where Nail and his wife Doris, also 24, were living.

They came to Los Angeles, and he began a rehabilitation program at the Braille Institute. He was preparing for work as an X-ray darkroom attendant.

"The doctors offered no encouragement and I assumed my sight was permanently gone," he said.

A week ago he suddenly was able to see again. And what he saw, he said, was a different world especially in regard to racial prejudice.

"I admit it," he said. "I had some race prejudice before I went blind. But it's all gone now—if you can't see the color of a man's skin you don't judge him by it."

Headon Collision

SAN BENITO (AP) — Quantemoc Lerma, 22, of Harlingen, died Wednesday of injuries received in a headon auto collision here Sunday.

No one else was injured.

REUTHER REELECTED—Walter P. Reuther (left) acknowledges applause of the United Auto Workers convention which unanimously re-elected him to a seventh term as president of the union. With Reuther is Robert Johnston, of Chicago, director of the UAW region number 4. The election was part of convention activities at Atlantic City, N. J.

High-Fat Diets Causing Concern

BOSTON (AP)—A Cleveland doctor today urged "soul-searching investigation" by doctors into the "possibility" that high-fat diets usually prescribed for ulcer patients might contribute towards development of heart attacks.

Dr. Harvey J. Dworken of Western Reserve University said he had found that of 24 deaths among 135 ulcer patients "followed" for four years after a special ulcer research study, 11 came from heart attacks — a rate "higher than you'd expect."

Another speaker of the 38th annual meeting of the American College of Physicians, Dr. Ancel Keys of the University of Minnesota, said he had found new evidence consistent with, though not established proof of, an "hypothesis" that "dietary fat is a major factor in the development of coronary heart disease."

Saying that the incidence of heart disease is low in Japan where the diet is low in fat, Keys declared the study showed that when Japanese become Americanized in California, they show "conformity with our American pattern of excessive coronary disease."

Dr. Dworken said some ulcer patients drink three or four quarts of milk a day and eat two to four eggs. He said possibly doctors ought "to be thinking more of lower fat . . . possibly utilizing skim milk and avoiding eggs."

Coast Patrol Gets Fast Motor Launches

MEXICO CITY (AP)—Navy Department officials said yesterday 12 fast new motor launches have been added to its coast patrol service.

The Navy said it hoped the new boats would help cut down smuggling and fishing in Mexican waters by what it called foreign pirates.

Jayne Mansfield Does Flying Act

HOLLYWOOD (AP) — Warner Brothers premiered "The Spirit of St. Louis" last night, but Charles Lindbergh would have had to land his plane in the theater lobby to steal the show from Jayne Mansfield.

The voluptuous actress, wearing a far from plain gown that had fans and photographers in a spin, put on a show seldom seen in the dignified Hollywood of today.

Assisted by her boy friend, muscleman Mickey Hargitay, onetime Mr. Universe, Jayne even autographed programs for the fans in top row of the bleachers.

Hargitay, in a performance that resembled a circus act, lifted his blonde girl friend high in the air so that she could reach bobby soxers in the back rows.

Jayne explained that she and Hagitay had practiced the pose at home because it resembled an airplane in flight.

"And isn't this what this picture is all about?" she asked.

Six major television networks shows, both live and film, quickly switched their cameras away from such sedate stars as Greer Garson, James Stewart and Gary Cooper.

As Miss Garson explained philosophically:

"Who can follow that?"

The Egyptian Theater premiere of the movie, depicting Lindbergh's famous 1927 nonstop flight to Paris, attracted one of the biggest tournouts of stars in recent memory. More than 300 attended. But as far as the fans were concerned it was a Mansfield show.

Young Demos Meeting In Dallas Today

DALLAS (AP)—Delegates began moving into Dallas today for a meeting of the executive committee of the Young Democratic Clubs of Texas. The group's fifth annual convention opens here tomorrow.

Atty. Gen. Will Wilson will be the keynote speaker.

Mrs. Frankie Randolph, Democratic national committeewoman from Houston, will be principal speaker at 7 p.m. tomorrow.

The convention is one of the few Democratic organization gatherings which is controlled by the party's loyalist bloc.

Mrs. Randolph was named to her post over the objections of Sen. Lyndon Johnson.

A panel discussion entitled, "How to Prevent Theft of a State Convention," is expected to result in a review of liberal charges that the state Democratic convention last September was "stolen" by a coalition formed by Gov. Price Daniel, Sen. Johnson and House Speaker Rayburn.

Delegate strength is determined by club memberships. Contests will arise only when two clubs are competing for recognition. There has been no apparent effort so far by the state's conservative forces to force a fight at the meeting, which appears in the hands of party loyalists and liberals.

Jet Plane Is Saved By Inexperienced Man

SAN DIEGO, Calif. (AP)—Navy officials say an enlisted radar man with no experience as a pilot saved a jet plane from crashing after its pilot blacked out 40,000 feet above Los Angeles.

The unidentified pilot of the F3D Skyight interceptor became sick on the flight and vomited into his oxygen mask. Unconsciousness at that altitude comes in about 30 seconds without oxygen.

William Howard, 21, Big Pine, Mo., seized the controls and brought the plane to a lower altitude, where the pilot again took over.

AFTER LOVER'S SLAYING

Man Acquitted And Remarries

PHOENIX, Ariz. (AP) — "We've never really stopped loving each other."

That's how a young couple explained their remarriage last night—less than six hours after the husband was acquitted in the slaying of his ex-wife's lover.

After the ceremony in Orangewood Presbyterian Church, Robert Earl Sutton, 29, a Dallas oil promoter, and dark-haired Freddie Davis Sutton, 26, left for San Diego, Calif., where their children have been staying during Sutton's five-day trial.

A Maricopa County Superior Court jury acquitted Sutton of first-degree murder in the fatal shooting of a onetime friend, William K. Boone, who became a love rival after the Suttons separated.

Boone, 28, a former disc jockey, was shot Dec. 4 outside Mrs. Sutton's home, and died 32 days later.

Sutton admitted shooting Boone in trial testimony but said it was in self-defense.

Mrs. Sutton testified she and Boone had stayed at several motels while she still was legally married to Sutton.

"I'm happy with the world," Sutton said after the verdict was announced.

He Listens To Music, Crashes Into 3 Cars

CHARLESTON, W. Va. (AP)—A car driven by Homer Hanna, clerk of the U. S. District Court for Southern West Virginia and a prominent Democratic party figure, crashed into three parked cars in front of a church, causing more than $3,000 damage.

Hanna, who wasn't hurt, said "There is no question that I was at fault. I was driving past the church and became preoccupied listening to the music of the choir. One of the car's wheels locked and I attempted to step on the brake. I hit the accelerator instead."

Hearing On Judge's Case Set May 27

BROWNSVILLE (AP)—A hearing on a charge of driving while intoxicated against County Court at Law Judge Clarence Bennett has been set for May 27.

Special Judge Polk Hornaday of Harlingen overruled an objection from Asst. Atty. Gen. Riley Fletcher and granted the defense motion to have Hornaday set the case.

Defense attorneys contended the original date of April 22, was set before Hornaday was selected to try the case.

Girl Tells Of Driver Who Sped Away After Killing Her Brother

LANSDALE, Pa. (AP)—An 11-year old girl told state police yesterday the driver of a car that killed her 7-year-old brother jumped back in the vehicle and sped away when she called to him for help.

Police say the two, Betty Jean and Richard Kerns, were walking along a road to a Bible class at a neighbor's home. Betty Jean said she saw the car coming, shouted to her brother and jumped into a ditch. The auto hit Richard and hurled him off the road.

The driver stopped for a few moments, then fled, Betty Jean said, when she called for his aid. She ran home for help.

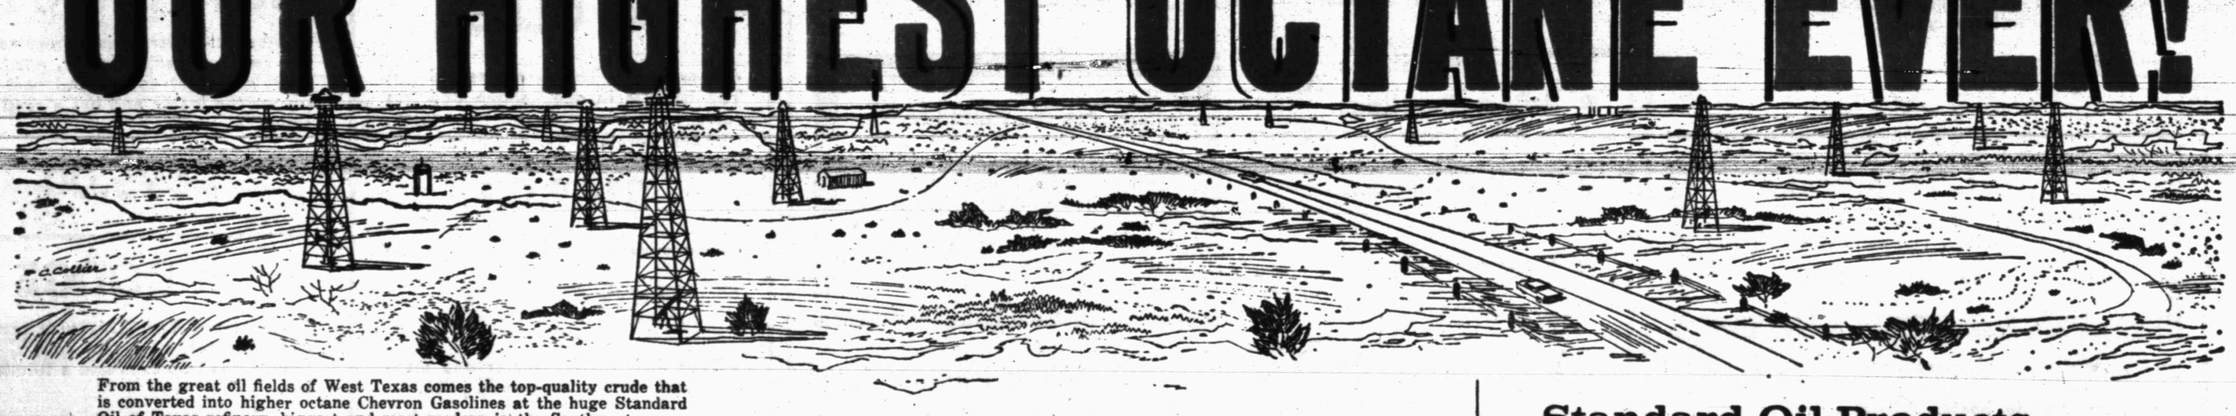
In Chevron Supreme or Regular* OUR HIGHEST OCTANE EVER!



From the great oil fields of West Texas comes the top-quality crude that is converted into higher octane Chevron Gasolines at the huge Standard Oil of Texas refinery, biggest and most modern in the Southwest.

Yes, the highest octane Standard ever made, in Chevron Supreme . . . AND *our highest octane "regular" gasoline, too! So choose the one that's best for your car. . . .

CHEVRON SUPREME with new 1957 SKYPOWER, the exclusive aviation fuel blend that vaporizes harmful deposits, is designed for top anti-knock performance in today's super-compression cars—but gives older models a new level of power and response, too. Actually cuts in half the biggest cause of engine wear — and has all the features your car needs for easy starting, fast acceleration, and maximum power development.

CHEVRON REGULAR, for cars that do not require "Supreme," is refined with the same care, and brings out a new peak of ping-free power, yet gives the economy of regular price. . . . And *both* have improved "Detergent-Action" for smoother idling and extra gas mileage.

So get full value for your gasoline money — a bigger value than ever now that the Southwest's most popular motor fuels have higher octane than ever! . . . You owe it to yourself — and your car — to test a tankful today and see why these gasolines are superior to any others in the Southwest.
