Ten Cents (Plus Tax)

6,762 Licenses Issued

A total of 6,762 vehicles were registered in Mitchell County during the two and 1/2 month period beginning Feb. 1 and ending April 19, according to county tax assessor-collector C. G. (Skeet) Harkins.

Of the 6,762 total, 3,821 were passenger cars, 1,136 were trucks and the remainder included trailers, house trailers, machinery and motorcycles.

Revenue from license plate sales amounted to \$167,798.36 for the same period.

Mitchell County received \$107,819.25 from the sales, the remainder going to the state.

These figures represent a substantial increase over last year's figures of 6,346 licenses issued for the same period, the county receiving \$103,407.93 and the state getting \$55,427.54 from the sales, the remainder going to the state.

Sweeping Changes Called For In City Government

Colorado City Mayor Protem J. Lee Jones Jr., has sent a letter to all members of the city council, itemizing what he believes to be "some

of the critical and most important projects and problems" facing the city of Colorado City.

The list of projects and problems calls for sweeping changes in the city's government.

The Record learned of the letter and obtained a copy but was unable to contact Jones for comments regarding the letter.

The list set out in the letter covers just about every aspect of the city government. The list covers seven major categories including corporate structure, ordinances, law enforcement, city employees, taxes and utilities, long range water supply plans and other long range plans.

Probably what would be considered the most controversial issue on the list is a proposal that the basic tax assessment be raised from 45% to 55% of market value which would mean a tax increase in excess of 20%.

Jones said in the letter that the city should do this just "as the Colorado Independent School district has been compelled to do."

Also on the list of what could be a controversial nature is a proposal by Jones that charges be increased for water, sewer and sanitation services to "a realistic level in an effort to combat and compensate for inflation and ever rising costs of labor, equipment and materials."

Jones also in the letter calls for a bond election "for the purpose of financing the installation of an adequate, modern water filtration plant and system in order to supply clean, clear, fresh water in quantities sufficient to meet the needs of our city and its increasing industrial growth."

Jones concludes the letter by saying, "I realize that this is indeed a 'big order', and that it will require both time and money; but, if we pull together, it can be accomplished. In this connection, I respectfully suggest that you (fellow city council members) and each of you, select areas of particular interest to concentrate on; in this way, we will avoid duplication of time and effort and obtain the maximum from our time and particular talents. Please let me have your reactions."

The letter is addressed as being from Lee Jones "TO: His colleagues on the City Council and at the City Hall." The letter was dated May 4, 1974.

Here is the list of ideas Jones sent to his fellow council members.

1. Corporate Structure:
1.1 The calling of an election for the purpose of adopting a modern, model charter in accordance with the recommendations of The Texas Municipal League with appropriate changes, if any, to fit the Colorado City situation; and
1.2 The placing of the business affairs of the City on a calendar, rather than on a fiscal basis.

2. Ordinances:
2.1 The selection of modern, model ordinances recommended by the Texas Municipal League, with such changes, if any, as may be necessary or advisable to suit the Colorado City situation; and
2.2 The repealing of all existing ordinances.

3. Law Enforcement:
3.1 The adoption of the metropolitan, or county-wide, law enforcement system patterned after the most successful such system in existence in cities and counties of comparable population and size; and
3.2 Insist that all laws and ordinances be strictly enforced without fear or favor.

4. City Employees:
4.1 Strict compliance with the recently enacted minimum wage and hours law affecting municipalities; and
4.2 Increase the salaries and wages of all deserving employees if the minimum is deemed inadequate under the particular circumstances.

4.3 Blue Cross, or some other adequate hospitalization insurance, for all City employees; and
4.4 Instruct the City Manager to severely reprimand, and if advisable or necessary, discharge any discourteous city employee who, for any reason, throws his or her weight around and makes derogatory statements to or about anyone.

5. Taxes and Utilities:
5.1 Increase all charges for water, sewer and sanitation services to a realistic level in an effort to combat and compensate for inflation and ever rising costs of labor, equipment and materials; and
5.2 Raise the basic tax assessment from 45% to 55% of market value as the Colorado Independent School district has been compelled to do.

6. Long Range Water Supply Plans:
6.1 Call a bond election for the purpose of financing the installation of an adequate, modern water filtration plant and system in order to supply clean, clear, fresh water in quantities sufficient to meet the needs of our city and its increasing industrial growth; and
6.2 Take additional steps to make certain that our stand-by water towers and wells are capable of meeting any emergency.

7. Other Long Range Plans:
7.1 "Dust off" the \$20,000 master development plan; and
7.2 "Dust off" the Parks and Wild Life plans for the area which could and should have been "Hickman Park"; and
7.3 Make plans for a centrally located center for the proper maintenance of automotive and heavy equipment;

7.4 Make plans for the acquisition of additional equipment for fighting grass fires; and
7.5 Plans for an adequate "open-ended" or drive-through fire station and living quarters for paid, as well as volunteer fireman;

7.6 Work out arrangements for a museum of adequate size; and
7.7 The elimination of junk, and particularly junked automobiles from our streets and alleys and the eventual removal of all mobile homes from the town down, as well as the residential, areas of our city.

Two Children Suffer Shock

Karen and Allen Davidson, the younger children of Mr. and Mrs. Lynn Morris of Lake Colorado City, are in John Sealey Hospital in Galveston after receiving severe electrical shock and burns at their home on the lake Sunday morning.

A rain and wind storm Saturday night blew down an electrical power line pole near their home, about 300 or 400 yards from their house, according to a neighbor's report. Eight-year old Karen and 10-year old Allen got into the line Sunday morning when they went outside to play.

Their older brother, Clifton, 13, saw them knocked down and he and their mother helped them to safety. Mrs. Morris rushed the children to Root Memorial Hospital and arranged plans for J. O. Dockrey to fly them in his airplane to Galveston.

They left between 7 and 7:30 p.m. Sunday from the airport but the plane was forced down in Austin by bad weather conditions.

Dockrey rented a car in Austin and transported the children and their mother to Galveston, arriving there at the hospital about 4 a.m. Monday.

Morris drove down and both parents are with the children at the hospital.

Karen received burns on her feet, hands and face but is reported to be improving slightly.

Allen is in critical condition, having received a more severe electrical shock, with burns on his hands. An operation was performed Tuesday night to relieve pressure on muscles in his arms.

Betty and Lynn Morris are both employed by Mitchell County Utilities and they have an older child, Kathy, 15.

Winds which swept the Colorado City area Saturday night also damaged a \$77,000 fishing pier at Colorado City Lake State Park and the pier is now closed to the public, said regional parks director Leonard Winstead. The department will inspect the pier and make necessary repairs soon, he added.

Mother's Day Shopping

Colorado City merchants are holding bargain days for shoppers wanting Mother's Day presents for their mothers May 12.

Merchants participating in the bargain days are Holbert's Appliance, Western Auto Store, Landau's, Marshall's Sewing Center, Sparks Hardware, Anthony's, Ben Franklin's and White's Auto.

Season Now Underway

The Little League season got underway in Colorado City Monday afternoon with opening ceremonies at Little League Park. Players on eight major league teams and six farm league teams were in team uniforms, posing for pictures and watching the first game of

the season between the Tigers and Dodgers, followed by a game between the Giants and Indians. Major leaguers will play games on Mondays, Tuesdays, Thursdays and Fridays, with farm league games scheduled for Saturdays, until June 25 when playoffs begin.

Baseball News By Joe Phariss

The Colorado City 1974 Little League season began in earnest on Monday evening of this week.

The season started with lots of activities. One annual event is to have the teams of the Farm and Major leagues, boys and coaches, introduced to the fans; this was carried out this year with enthusiasm. An event introduced this year was a cake auction with Keith Neff acting as auctioneer. The monies from this activity will be used to support the local league.

Many people are responsible for the functioning of the Little League each year; these people usually go unnoticed. Buddy Marcom is this year's president. He is assisted by vice president James Bobo; secretary-treasurer, Bill Carter; and player agent Rick Robinson.

The games kicking off the season Monday evening were closely contested and well played by all four teams involved. In the first game the Dodgers defeated the Tigers by a score of 7 to 6. The score was close and so was the ball game that eventually had to go into extra innings. Steven Morris set the tone of the evening by blasting the season's first homer for the Dodgers. The Tiger's Jerry Vann then followed with his own version of the long ball.

Both teams played exceptionally well even if it was the season opener. The two teams were ready and they proved it. The Dodgers are coached by James Shoemaker and Bill Carter. Their counterparts on the Tigers are Bill Simmons and Mike Walla.

Giving a good pitching performance for the Dodgers were the Carter brothers, sons of Ruby and Bill Carter. Jerry Espinoza of the Tigers looked calm and efficient on the mound for the Tigers and his bat was an added asset.

In the evening's second game, the Indians blasted the Giants by a score of 8 to 6.

The Giants jumped off to a quick lead but were overtaken by a determined Indian team that showed much improvement over last year. As I have stated earlier this was an evening of the long ball, in this second game, Clay Hammonds, the son of Bonnie and J. H. Hammonds, took over and sent his ball over the center field fence. This was not enough as the remainder of the Giants team could not shake the saw dust off their bats in this their first game of the season.

Victor Jackson of the Indians went the distance for his team and also scored an inside the park home run to assist his team in their effort. Russel Noel of the Giants used a blazing fast ball against the Indians.

Coaching the Indians for this season will be Keith Smith, for the Giants it will be Bill Stinson and R. C. Noel.

In Tuesday evening's action which was actually two marathons, the Yankees defeated the Pirates by a score of 17 to 16 and in the second game the Rangers, with their running and hustling unit, defeated the Astros by a convincing score of 20 to 8.

In the Yankee victory, outstanding performances were turned in by Ken Baker and Chuck Claxton. Both boys aided the team with their pitching and hitting. Clay Sawyer made a good showing for the losing Pirates.

In the second game the Rangers, coached by J. L. Moore and Pat McPhaul, defeated the young Astros with the aid of home runs by Steve Moore and Charles Edwards. Williams and Alvarez were the winning pitchers.

This evening at the Little League Park the Dodgers will do battle with the Giants at 6 p.m., and then at 8 p.m. the Indians will play the Tigers.

Lots of action left this week. So go on out and see a ball game.

Chamber Directors Pass Resolution

Colorado City's Chamber of Commerce board of directors met Monday night, taking care of routine business and hearing a number of reports from Chamber committees.

A resolution was passed by the Chamber, recommending that the Texas Highway Department build a low water crossing on the Colorado River on Interstate 20 so that farmers may move their machinery across the river without danger from traffic.

The Agriculture Committee, Alton Raschke chairman and Don Hodges director representative, recommended to the Chamber that the resolution be passed. Copies will be sent to U.S. Representatives and Senators.

Chamber president Bobby Lemons said that the new director, Woody Anderson, has been named director representative of the new Youth Committee, taking the spot that Lemons had filled before being re-assigned as director representative of the Natural Resources Committee.

B. B. Hardee reported that the Interstate 27 Committee has collected new information, updating the committee's report at the request of the Abilene Highway Department. New information, including a community audit, economic and transportation data, was submitted at the department's request.

Hardee also reported on the plans for new housing in the city, mentioning Craig Hardee's building houses in San Angelo to be moved here, as well as the plans for new houses on display in the Chamber offices, City National Bank and Colorado City Savings and Loan. The directors also discussed possible apartment housing and a mobile home park for the city.

Lemons reported to the directors on possible industrial prospects for the city, noting the expected move of Larmer Manufacturing to Colorado City soon. Larmer will assemble a revolutionary type of pump for distribution to West Texas oil fields from the Colorado City central location. Parts will be manufactured in Fort Worth and brought here for assembly and distribution.

Nelda Garrett, director representative of the Cultural Committee, reported that Mrs. John Mikow will be coordinator for the committee. Plans for a Mayfest similar to last year's in Ruddick Park, were also discussed by the directors. Dick Wistrand reporting that no date has been set for the music and art and crafts festival.

Seniors To Present Play

The Loraine High School Senior Class will present their senior play at 8 p.m. today (Thursday) in the High School Auditorium.

The play, entitled "Shy Guy," was written by Paul S. McCoy and is about a high school football player who poses for a cosmetics ad and his adventures related to the advertisement. Characters in the play are: Fred Hastings played by Sylvester Rose; Cora Hastings, Nancy Smith; Gilbert Hastings, Frankie Bennett; Nancy Graham, Dianne Graham; Larry Madison, Dennis McMenamy

Mothers Know What Flowers Say

Mothers are kind of special people; they can talk to dolls and fix space ships with a hair pin, and they can tell you what the wind says and what to feed sick lady bugs.

It's only natural; mothers also know that flowers on the second Sunday of May say, "I love you!"

It's so easy to send her this message. Stop by and together we'll choose the plant, the arrangement, the corsage for her day that is lovely enough to speak for you.

Thank You

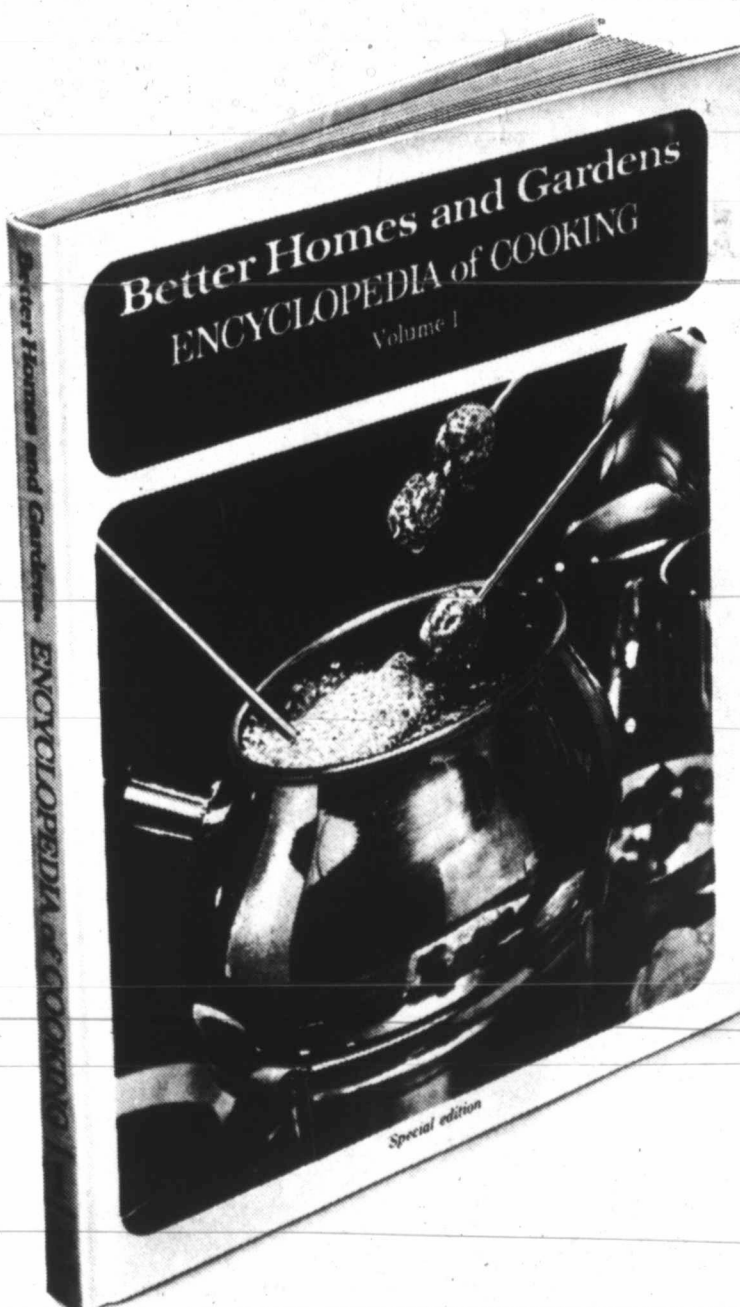

I'd like to personally thank each voter and campaign worker who helped me in my campaign. The run-off is June 1. The next 30 days, I'll be working even harder to become your State Representative. I ask all of you who voted for me, to be sure to do so again on June 1. I'll need your support now more than ever. You only get one voice in Austin. I'll make it a strong one.

Vote June 1, and elect Mike Young
State Representative, District 61.

You need to know more than good recipes to be a good cook.

A kitchen full of cookbooks can't prevent disasters at your dinner table. Because most cookbooks stop at recipes, and assume you know the rest.

Now, Better Homes & Gardens, publisher of America's best-selling cookbooks, tells you the rest. Just about everything you need to know about cooking, along with thousands of great recipes, in a special encyclopedia for the kitchen.

The Better Homes & Gardens Encyclopedia of Cooking. 20 hard-cover volumes stuffed with money-saving, embarrassment-preventing tips on everything from how to boil an egg, to which wines go with pheasant.

You'll find entries on just about every food or beverage you're likely to meet on our shelves. Or anywhere.

Recipes for over 4,000 dishes, many illustrated in color. And this encyclopedia tells you not only what goes into them, but what your family gets out of them—with charts on vitamins and calories.

There's information you'll use whether you feel at home over a range or are brand new to it.

Features on how to shop for and store meat, fruit and vegetables. Ways to save money when you buy and save time when you cook. How to plan well-balanced menus and serve them with a dash of genius.

What's more, you don't have to dish out a lot of money all at once.

As a special introductory offer, you can try Volume 1 now for just 29¢. Then buy the other volumes for only \$1.89 each and complete the set.

We figure the more you know about cooking, the more often you'll come back for the good food we sell.

RSVP Members Meet In Lamesa For Board Meeting

Representing Mitchell County at the R.S.V.P. Advisory Board meeting of Mitchell, Howard and Dawson Counties held in Lamesa in April, were Mrs. Dona Reed, Mrs. Jewell Richter and R. W. Wells.

Program Director, Nancy Easley, told of plans to rebudget different categories in the program. She also explained how

the Big Spring State Hospital will gradually pick up the R.S.V.P. grant over a period of five years.

R. W. Wells, chairman said that the R.S.V.P. funds should be used for a good purpose but thought that it should not be a program for just spending money.

C. B. O'Neal of Big Spring

felt that volunteers should keep a record of all hours worked, miles traveled and meals eaten

while doing volunteer services. Presently there are about 25 volunteers in Colorado City who help in the Root Valley Fair Lodge, Claxton Lodge, Root Memorial Hospital, the local schools, Boys' Club and to shut-ins.

COLORADO JR HI CHATTER

Teacher Profile

Jerry Ellis is our choir director at Junior High. He is 28 years old and he was born November 5, 1946 in Brownwood, Texas. He taught three years in Brazosport Independent School District, Freeport, Texas and at Clute Intermediate School. He moved here in July of '72. He likes to travel and has been to Colorado, New Mexico and Oklahoma. He also hopes to go to Alaska this summer.

Ellis likes to hunt and especially bird hunting. He also likes the mountains. He attended school at Howard Payne College. Under his direction our Junior High Choir has done well at the Cisco Junior Music Festival and also at UIL contests. Ellis really means alot to us at Jr. High. We couldn't do without him!

Secret Student at CJH

Last week's secret student was Maria Bodine. Did you guess it?

This weeks secret student at CJH is a seventh grade boy that is really liked around here! He's got dark hair and participates in football and basketball and tennis. He's not as tall as everyone around here, but that doesn't matter at all you still know he's around. He really represents his 7th grade class well. Also he made a hit with some of the high school coaches during a 7th grade football game last year. Get him to tell you his unique technique! Can you guess who we're talking about?

The National Junior Honor Society held its induction ceremony Tuesday at 1:30 in the Junior High Auditorium.

The ceremony welcomed new members into the society for their high achievements. The induction was opened by Luis Rios (President of NJHS) and he told of the four qualifications for membership.

The Emblem Bearer was Ma-

ria Bodine who held a flaming torch which is the emblem of NJHS.

Scholarship was represented by Sharon Coldewey and she led the new members in a pledge.

Leadership was represented by Kelley Roach and she along with Leslie Moore (Service) and Lynn Britton (Character) led the new members in their pledges.

Joe Pharliss announced the candidates and as they came forward Mr. Dulin presented them with their membership cards.

Eighth grade society members installed were Mary Devorce, Don Dulin, Priscilla Helm, Karen Herm, Kim Hollis and Jack Martin.

Also Jack Martin, Teresa McClure, Scooter McGaha, Susan Meynig, Randy Prince, Paula Thompson and Karen Thomas.

Members from the 7th grade inducted were Lisa Bobo, Deborah Bowen, Charlotte Bradbury, Karen Brown, Anita Bryant, Gene Carter, Travis Cranshaw, Linda Englert, Russell Erwin and Jaye Feaster.

Including Tony Franco, Carla Fuller, Julie Fuller, Chonita Gonzales, Delores Gonzales, Delores Gregory, Scott Haggerton, Craig Helm and Barbara Jackson and Leah Johnston.

Also Rene Jones, Stephen Kimmel, Lupe Landeros, Linda Luncford, Rusty Merrett, Lesa Morren, Robert Parker, Hector Pineda, Ronald Proctor and Blake Reynolds.

With Robie Rhea, Jesse Rios, Jaye Salmon, Ricky Sanchez, Tracy Shawn, Gail Sheen, Kirk Stubblefield, Coalen Swann, Andy Swinney and Rodney Taylor.

Others were Brad Turner, Elizabeth Turner, Janet Wallwork, Sherri Williams, Mike Womack and Joey Wright.

After the Induction Ceremony, the Honor Students, their parents, guests and teachers went to the cafeteria for a reception. Serving at the reception and registering guests were Terri Edwards, Susan Sheen, Charlotte Goodlett, Dorthea Westbrook and Cathy Forbes.

Officers and sponsors are President-Louis Rios, Vice-President-Frank Sanchez and

last but not least Secretary-Treasurer-Beverly Fuller. Sponsors are Joe Pharliss and Donna Burnam.

Friday the Honor Society will board chartered buses and head for Fort Worth for a day of fun and sight seeing. This is their annual trip. They have certainly worked hard for this and we wish them a real blast!

Girls P.E. News

The new P.E. suits for the girls arrived at Junior High this week and will go on sale Monday at Junior High and also at Wallace for next years classes. The girls are allowed to wear shorts of their choice, but must have the uniform shirts. The shirts next year will be red with white lettering W O L V E S - 75. The shirts will sell for \$5.00 each. This includes all tax.

Colorado Junior High had a very strange but exciting program presented to them by some students from Colorado City High School last Monday afternoon. It was the sort of program you don't come in contact with too often.

It was a drug program from the Education Service Center Region XIV in Abilene. It was directed by Mrs. Shirley Temples, coordinator for crime prevention and drug education, career education consultant.

The program lasted from 1:30 to 3:30 that afternoon. All the teachers in CJH were given a free time in which to catch up on grading or planning or just relaxing in the teachers lounge while their classes were divided and taken over by different high school students who had been trained by Mrs. Temples.

After it was all over we really got the meaning of the program. Its a great program which CJH enjoyed very, very much and we are hoping that they will be able to come back again. It's a program that really has a lot to do with trust and problems. And we really need a lot of trust in this world to help solve our many problems. This program was quite an experience for all of us.

McMeekin Services

Held Here

John McMeekin, 95, of Colorado City, died at 11 p.m. Saturday night in Root Memorial Hospital. Services were at 2 p.m. Monday in the Kiker-Seale Chapel.

Eddie Swinney, minister of Northside Church of Christ, officiated. Burial was in Westrock Cemetery.

Born June 23, 1878, he had lived in Colorado City since 1922 and was a retired farmer.

He married Effie Bacon in 1900 in Coryell County. He was a member of the Church of Christ.

Survivors include one daughter, Mrs. Beulah Fisher of Waco; two sons, Joh. Aaron of Colorado City and J. T. of Sand Springs; three sisters, Mrs. Mollie Whitten and Mrs. Lizzie Fewell, both of Gatesville, and Mrs. Lena Williams of Goldthwaite; a brother, Hugh of Gatesville; 12 grandchildren; 15 great-grandchildren; and four great-great-grandchildren.

Bryant Services

Held Here

Overton H. Bryant, 62, of Lubbock, formerly of Colorado City, died Saturday at a Lubbock hospital. Services were at 4 p.m. Tuesday in the Kiker-Seale Funeral Home Chapel in Colorado City.

Burial was in Colorado City Cemetery.

Bryant was born Aug. 1, 1912, in Durant, Okla., and moved to Lubbock in 1969.

Survivors include his mother, Mollie E. Bryant of Lubbock; one son, Jerry Arnold of Spain; one daughter Betty Lou Frenzell of Colorado City; three sisters, Mrs. A. B. Woods of Lubbock, Mrs. Quin D. Sheppard of Grand Prairie and Mrs. G. C. Whitefield of Lubbock; and six grandchildren.

OUR THANKS

To everyone in Mitchell County for placing your confidence in us at the ballot box. We have all pledged to do our very best. We hope to deserve the trust and confidence that you have placed in us.

Sue Beach left and Toni Wulfjen, right members of the Lone Wolf 4-H Club in Mitchell County placed second in Natural Resources Division at the District 2 Method Demonstration Contest in Lubbock, May 4. The girls qualified to attend the State 4-H Roundup to be held on the campus of Texas A&M University in College Station on June 4, 5 & 6. They will be accompanied by Bob Benson, County Extension Agent, Dawn Lemons and Nina Bodine, also members of the Lone Wolf 4-H Club placed 1st in the Junior Division in Foods and Nutrition-Let's Speak Out.

A Personal Thank You...

Without a doubt the folks of Mitchell County are the finest people in the world. And our thanks to you is everlasting.

Your voting in last Saturday's Democratic Primary for re-election of Elmer Martin as your State Representative is almost beyond belief. There is no better recommendation in the runoff than the fact that you--the home folks--cast an overwhelming 88 per cent of your vote for our candidacy.

We are in the runoff because we missed by fewer than 170 votes of surpassing the combined totals of our two opponents. Again, just as in the primary campaign we'll be handicapped. This is because the Texas Constitutional Convention reconvened Monday in Austin. We will be back in the district to campaign only on weekends after each convention recess.

We trust you will understand. We pray for your continued help, your good word and, above all, your friendship.

Introducing Ray Burke

New General Manager of
Dairy Queen & Dairy Frost
For Colorado City & Slaton

Lloyd Ledbetter, owner of the Dairy Queen here and in Slaton, and the Dairy Frost here, welcomes Ray Burke to Colorado City and to his staff. Burke will be in charge of all of Ledbetter's operations here and in Slaton while Ledbetter is on the road operating his refrigeration business.

In A Statement, Burke said:

"I pledge to give the best service possible to our many fine customers at the Dairy Queen and Dairy Frost. I would appreciate any suggestions on how we can improve our service and our food. I'm glad to be in Colorado City and want to become acquainted with everyone possible. It is good to be here."

Mr. and Mrs. William Lawrence and children of Midland spent the weekend with her grandmother, Mrs. Cullen Payne.

Joe Jarratt and daughter, Mrs. John Skipper of Stephenville are here this week visiting his brother, Lester Jarratt and in the homes of his sisters, Mr. and Mrs. Frank Crowover, Mrs. Marion Mahon and Mrs. J. D. Norman.

Mr. and Mrs. Frank Crown-

over returned home Monday after spending last week fishing at Kingsland and visiting in the John Frazier and Al Wilks homes in Brownwood.

Band Director, Eddie Hankins presented the Loraine High School Band in UIL in Odessa Tuesday and they received a 3rd rating in concert and 3rd in sight-reading.

The band is now preparing for a concert, date of which will

be announced later.

Mrs. Jim Johnson returned home last week after a three week visit in Denison with a daughter and family, Dr. and Mrs. W. N. Porter, with her son and wife, Mr. and Mrs. Raymond Johnson in Denton and while gone also visited her brother and wife, Dr. and Mrs. A. C. Miller and her two granddaughters and their families in Dallas.

Guests of Mr. and Mrs. J.M. Templeton during the weekend were her two sisters and a brother-in-law, Mr. and Mrs. John D. Seale of Fort Worth and Mrs. T. L. Crosley of Irving.

Mr. and Mrs. Billy Pinkerton and children, Brum and Vera Ruth and Thomas Andrew of Turkey, Texas spent the weekend with her parents, Mr. and Mrs. Marlin Moore.

Mrs. Harvey Leach and Mrs. Bernice Hallmark visited from Thursday until Saturday in Plainview with Mrs. Leaches' sister, Mrs. W. W. Eaves.

Mr. and Mrs. Harry Hallmark were honored with a dinner Sunday, May 5, a compliment on their 50th wedding anniversary.

The dinner was hosted by one of their two daughters, Mrs. Aubrey Phillips of Odessa and her sister, Mrs. Hubert Thomas in the Thomas home.

The table was centered with a gold floral arrangement and the white and gold trimmed wedding cake, topped with fresh strawberries.

The group sang the happy 50th anniversary song to the couple before the dinner of baked ham, and turkey.

Present with the couple were Mrs. Alfred Willford and Pat Mayes, Roscoe; Mrs. Phillips, Pete and Genna, Odessa; Clayton Estes, Dallas; Olen Mayes, Rev. and Mrs. Jimmy Roberts and Mary, Mrs. Clyde Neely and Mrs. Thomas, of Loraine.

Mrs. Hallmark was, before their marriage, May 7, 1924 in Sweetwater, the former Virginia Mayes of Loraine. They have lived in Loraine 50 years.

Mrs. Hallmark's parents were the late Mr. and Mrs. W. P. Mayes and Harry Hallmark's parents were the late Mr. and Mrs. S. M. Hallmark of Loraine.

They have two daughters, Mrs. Phillips of Odessa and Mrs. Charlie Marth of Chapapaqua, New York. They have six grandchildren.

Mrs. J. E. Coles

Mrs. Coles Honored In Iraan

Mrs. J. E. Coles of Iraan, a former Loraine resident was named Woman of the Year in Iraan recently. The Omicron Sigma Chapter of Beta Sigma Phi of which Mrs. Coles is a member, hosted a tea in her honor at the Iraan Community Center in that city from 2 to 5 p.m. Sunday.

In naming Mrs. Coles "Woman of the Year," a high tribute was paid her by the chapter, the entire town and the press.

Naming a few of the things she had consistently done to bring sunshine to others, the spokesman for Beta Sigma Phi told of her love for flowers, growing them, arranging them, and giving them to others. She spent much energy in planting flowers in the city park, her own arrangement of flowers to her church, The First United Methodist of which she is a member and serves as assistant organist. She has flowers ready for social functions of the town, she bakes homemade bread and it said that at least three fourths of the townspeople have sampled her bread.

The small-fry of the town calls her Mama and she takes time out to help doctor their pets, dogs, or fix a birds broken wings.

This is the woman Iraan knows and honored last Sunday, but this woman was once a Lorainian, she was born in the Valley View Community, north of Loraine, daughter of the late Mr. and Mrs. S. H. Hart. She graduated from Loraine High School, married Euel Coles of Colorado City and they entered Texas Tech, where they received degrees and came back to Mitchell County and taught school at Landers, Little Sulphur, Buford and Westbrook.

They went from Westbrook to Stanton where he was superintendent and she taught, from there they taught in Grandfalls and while there Mr. Coles bought the Chevrolet-Buick agency in Iraan and they have lived there some twenty years.

They have one daughter, Jane who with her husband, Charles Lafoon and three children live in Iraan, both teachers, though he is now postmaster at Iraan.

The long tea table was laid in white and members of Beta Sigma Phi served punch, party sandwiches and cookies.

On display was the beautiful bronze plaque with her name, date and occasion. Also a loaf of her bread with her own label, "from the kitchen of Mrs. Euel Coles." A large collection of ceramic birds of every kind, one of her hobbies was also on display along with some of her oil pictures, another of her talents.

Mrs. Coles's Loraine kin are two sisters, Mrs. J. Wiley Walker and Mrs. Kenneth Butler and a brother, Homer Hart, another brother Chester Hart and wife live in Colorado City.

Those from Loraine attending the tea Sunday were Mrs. Walker, Mrs. Butler, Mrs. K.L. Taylor and Mrs. Roy Baird.

These bright ideas will help you light your home more efficiently.

It makes sense to use adequate lighting for reading, working or for security, and it makes sense to do it efficiently.

Locate table lamps so they provide the most light and fewest shadows.

When buying light bulbs, choose the right bulb for the job. Remember that the lumen rating tells you the light output of bulbs. Watts tell you how much electricity is needed to produce that light. And bulb life is the estimated number of hours the bulb can be expected to burn.

Where bulbs are difficult to change, choose a "long life" bulb which may have less lumens for its wattage, but will last longer.

Decorative lights call for less lumens and lower wattage. A photo electric cell or timer will regulate the use of security lighting.

And it's always a good idea to turn lights off when they are not needed.

For more ideas on how to use your electric service wisely, call us. We'd like to help.

ahead, again I will be handicapped in campaigning. My responsibilities to the historic convention which reconvened Monday in Austin will keep me in Austin away from District 61 and its good citizens almost for the entire runoff campaign. However, I believe that the citizens of Mitchell, Nolan, Fisher, Jones and Taylor counties will understand this handicap. I trust my friends and supporters will say a good word for me while I tend to convention business.

"And again we want to thank you with all our hearts, for the fine support."

Farabee also expressed his appreciation to county voters for the margin of votes returned in his favor.

He said, "I am looking forward to being in the Mitchell County area in connection with my campaign for the general election. As you know, I will be running against Mary Virginia Kirchhoff for Senator for the 30th District."

Farabee added, "The great challenge now is to effectively represent this area in the state Senate during times that really demand new and better solutions to our problems."
