It's Back to School August 27 For Aransas County Students

All schools in the Aransas County Independent School District will open on Monday, August 27th. School buses will run the same routes as last year.

Three Car Crashes Occur

State Highway Patrolman Bill Hill reported the following three auto accidents:

On Aug. 3, one-half mile north of the city on Highway 35, a car driven by Manuel L. Flores, Jr., ran off the road and crashed into a light at Billup's Service Station. Hill said Flores fell asleep at the wheel.

On Aug. 2, 3 1/4 miles south of the city on Highway 35, cars driven by Julius Hander of Aransas Pass and Raymond May, Jr., of Seadrift collided.

On July 23, 4.8 miles north of the city at intersection of Highway 35 and FM 1781, cars driven by Jim Johnson of Rockport and Jose Garcia of Port Lavaca collided. Garcia and a passenger in Johnson's car, Patty Pace of Aransas Pass, sustained minor injuries. The accident was investigated by Hill and officers from the Sheriff's Department.

Junior High School Registration

Students that will attend the sixth, seventh, or eighth grade at Rockport-Fulton Junior High School during the 1973-1974 school year and did not complete the 1972-1973 school year in Aransas County Schools are asked to come to the Junior High School office in order to be registered for classes which begin August 27 at 8:10 a.m. Office hours are 8-12, 1-4.

New students must bring report cards, immunization records, etc. from the last school attended. Students that did attend the Rockport - Fulton Junior High School, Fulton Elementary School or Rockport Elementary School last year have already been registered and need not come to the Junior High School until the opening day of school.

Students that did not receive report cards at the close of the 1972-1973 school year because of unpaid fees may come to the Junior High School office and pay these fees.

Rockport Kids Day at Circus

The Shriners of the Rockport area are undertaking the project of furnishing the children of the area with circus tickets for use only on Saturday morning, August 18. The churches have been asked to assist in telling the children and their parents in the various departments of the churches.

The procedure of getting the children to and from the circus is: They are to report to the Aransas Pass City Hall at about 8:45 a.m., by any means, preferably their parents or guardians (adults), and report to F. Cooper Herndon at the City Hall. Perhaps some of the parents will be asked to carry their carful to the circus from Aransas Pass. The adult drivers will be furnished tickets.

Young Homemakers Help Muscular Dystrophy

The Young Homemakers of Texas are conducting a Kimberly - Clark Premium Seal Campaign. For every two Kimberly - Clark premium seals submitted the Kimberly-Clark people will make a 5¢ contribution to the Muscular Dystrophy Fund. The premium seals are conveniently located on the back of products such as Kleenex Tissues, Kleenex Towels and Delsy Bathroom Tissue plus many more Kimberly-Clark products.

Mrs. Linda Schroeder, 729-7844 or Mrs. Carole Crawford, 729-5913 will be glad to accept your premium seals as well as your club member. Deadline for accepting the seals will be September 28.

and lunches will be served in the cafeteria. All students new to the school system are encouraged to register as soon as possible.

Students should bring records of the previous school attended and a copy of their immunization records when registering. All kindergarten and first grade students must have their birth certificate and immunization records when registering. All students must have immunization records prior to the first day of school.

All kindergarten students must be five years of age on or before September 1st. Kindergarten students will attend school on a half-day basis. The morning session will start at 8:15 and dismiss at 11:00 while the afternoon session will start at 12:45 and be dismissed at 3:30.

All teachers and teacher aides will attend in-service meetings starting on Monday, August 20th.

Due to the rising cost of food, it has become necessary to raise the price of meals in the cafeteria to 45¢ for students at the elementary level, 50¢ for students at the Junior and Senior High School level, and 65¢ for all adult meals. The price for extra milk will be 10¢ per carton.

A snack bar will be available to all Junior and Senior High School students in the Junior High Cafeteria.

The Board of Trustees of the Aransas County Independent School District adopted a budget of \$1,952,846.00 for the 1973-74 school year and levied taxes at a rate of \$1.63 on the one hundred dollar cash value.

This budget is an increase of \$127,776.00 or 6.5 per cent over the 1972-73 budget. Payroll cost was set at \$1,469,675.00 or 75.3 per cent of the total budget. Purchased and Contracted Services cost was set at \$150,698.00 or 7.7 per cent of the total budget. Supplies and materials cost was set at \$125,514.00 or 6.4 per cent of the total budget. Other operating expense was set at \$35,586.00 or 1.9 per cent of the total budget. Debt service cost was set at \$127,853.00 or 6.5 per cent of the total budget. Capital outlay cost was set at \$43,520.00 or 2.2 per cent of the total cost.

The tax rate levy of \$1.63 per one hundred dollar value was set with \$1.45 for local maintenance and operation and 18¢ for the retirement of debt service funds. The tax rate levy for 1972-73 was \$1.61 per one hundred dollar cash value.

The ratio of assessment was set earlier at 45 percent of actual value.

The continued increase in supplies and materials, salaries and the unexpected loss in excess of eighteen million dollars of minerals are responsible for the increase in taxes.

Registration at Live Oak School

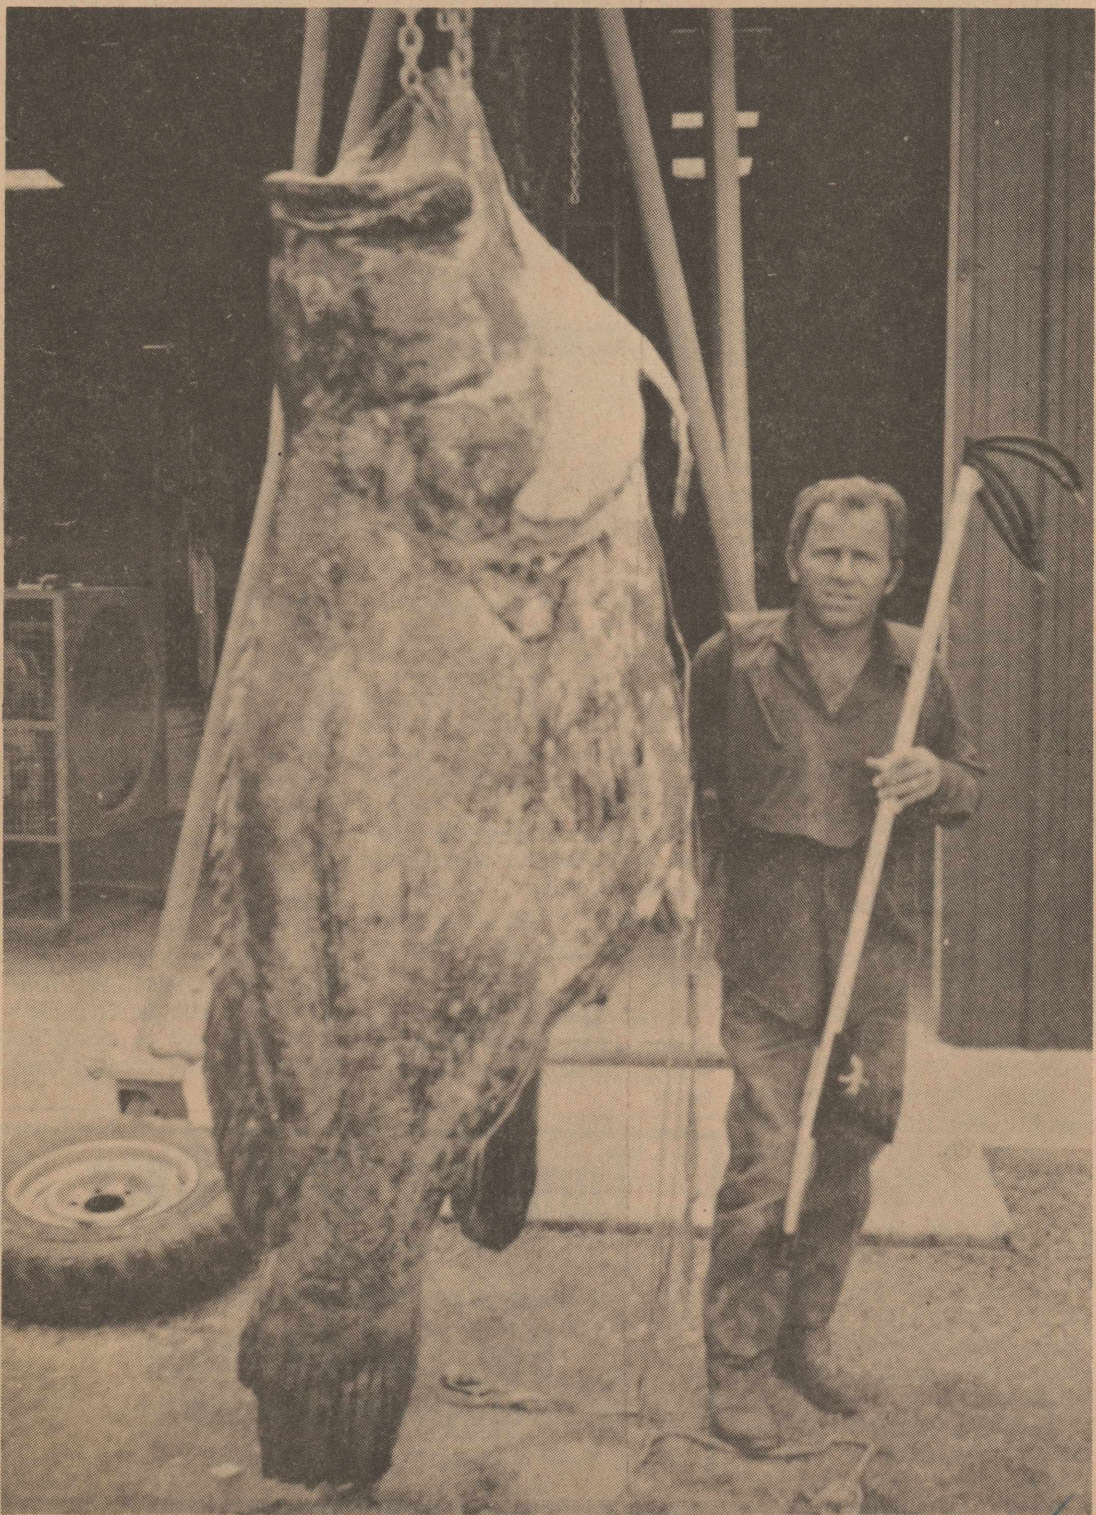

All students who were not enrolled in Live Oak Elementary School during the 1972-73 school year and who will attend Live Oak this year are to come to the Principal's office from 8:30 a.m. until 3:30 p.m. August 13 through August 18 for registration.

Students who attended Rockport Elementary or Fulton Elementary last year but will attend Live Oak Elementary this year should call the Principal's office so their records may be secured from the other school. Students who attended schools other than Aransas County Schools last year should bring their report cards or transcript of school work, immunization records and birth certificates when they come to register.

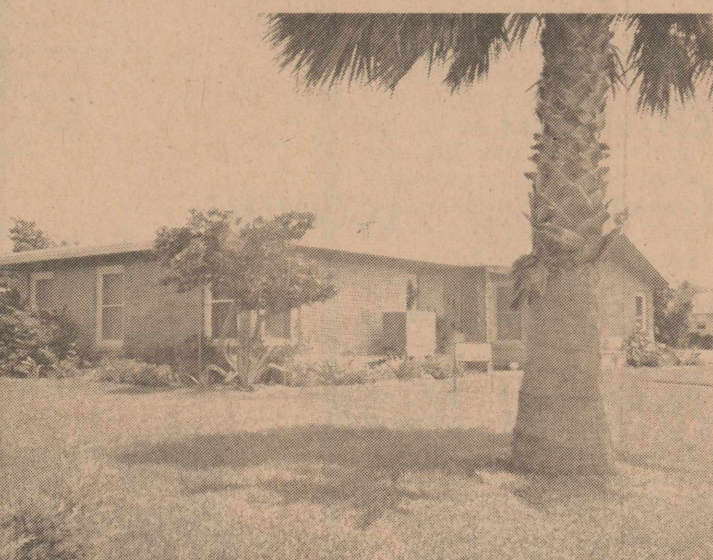

Students entering school for the first time need to bring birth certificates and immunization records. All students must have their immunization records up to date before they can enroll in school.

Registration for students who have not attended Live Oak Elementary is very important so that the student's name may be placed on a class roll.

Yard-of-Month Award Goes To Mr. and Mrs. Garvin Mitchell

Fulton School Registration Set

Registration for all students who will attend George W. Fulton Elementary School for the first time this fall will be held at the school office August 13-17 inclusive. This will include all who have moved into the school attendance area this summer and any who will enter first grade or kindergarten and have not registered.

Birth certificates are required for those entering first grade or kindergarten. All new students must have proof of immunization for diphtheria, tetanus, pertussis, rubella, measles and polio. Those who have moved in should bring report cards from their previous school.

The office will be open from 8:30 to 11:30 a.m. and from 1:00 to 3:30 p.m. Registration during the above hours will save both time and confusion on the opening day of school, Aug. 27.

C of C DIRECTORS HOLD MEETING

The Board of Directors of the Chamber of Commerce held their monthly luncheon meeting Tuesday noon at Rockport Racquet and Yacht Club.

Present were Joe Hugenberger, Mrs. Loyce Landrum, Bill Janacek, James Pearson, L. E. Casterline, Mrs. Louise Zeisler, Sam Wilcox, John Kinsey, Vernon Kleybas, the Rev. Paul Bohot, Frank Langham, Gordon Stanley and Port Little.

Among the matters discussed were: --Plans to acquire additional Christmas decoration on a lease-purchase plan, J. D. Williams of Waco, representing a firm that manufactures Yuletide decorations, appeared before the Board and presented a proposal. --It was announced that the All-Texas Air Tour will make a luncheon stop at Aransas (Continued on Page Two)

PORT O'CONNOR--A Port Lavaca scuba diver Sunday broke the jewfish record for the Texas Coast in landing a 570-pounder.

Jim Mills, scuba diver instructor and manager of the Port Lavaca swimming pool, brought the record catch into Port O'Connor Fishing Center at 11:30 a.m. He is the son of Mrs. Harry Mills of Rockport.

Mills said he located the fish 60 feet below the surface at 9:30 a.m. while it was feeding around one of the pilings at the offshore Mobile rigs, about 15 miles east of the Matagorda ship jetties. He endured a wild ride for 20 minutes following his first successful thrust with a spear gun.

"I gradually began to surface as his strength waned," Mills said. "As we got near the surface, the air expanded his float, and he gradually turned belly up and floated to the surface."

"Marvin Strakes and Van Shrader helped me boat him. One took my scuba gun, so I could ride him through his exhaustion. It took all three of us to get him into the boat. We had difficulty in planing the boat due to the weight. Once we got on top of the water, we came in with no difficulty."

"Checking the books we found the standing record for the open division was a 510-pounder caught on a hand line. The record does not state when or where it was caught."

"We butchered the fish, saving the 161 pound head for mounting. I've been after one for the 13 years I have been scuba diving. This is my fifth jewfish catch, but the first one to top 100 pounds in weight. It was just something I had to do ... I've done it, I am satisfied."

Ski Team Being Formed

A ski team is being organized to enter the Lake McQueenie tournament on or about August 10. Buoys are being set in the ski basin during the hours of 7 a.m. to 10 a.m. These are for purpose of slalom training and will be removed immediately after the morning training period. Persons interested in becoming a member of the team should contact Jack Castle, 729-2344.

County Names Election Judges

On July 31 there was a special meeting of the Commissioners Court with the following members present: John D. Wendell, County Judge; Erie Eller, Commissioner Precinct No. 1; Wanda Sparks, Commissioner Precinct No. 2; Raymond Owens, Commissioner Precinct No. 3; Chas. Hale, Commissioner Precinct No. 4; and Ruby Hart, County Clerk.

J. J. Conlin presented a plat of Goose Island Lake Estates and inquired about the proper procedure of having same placed on record. He is to meet the requirements and appear before the Court on August 13.

J. M. Franz and Coy Kirkpatrick met with the court in regard to drainage in Oak Terrace Subdivision.

Placing cost of Juvenile Shelter in the revenue sharing budget was discussed. No action taken at this time.

The following election judges were appointed by court: Precinct No. 1A, Mrs. Glenn Ellis; Precinct No. 1, Mrs. Faye Henderson & Mrs. Vicente Corpus; Precinct No. 3, Mrs. Nina Garrett & Mrs. Ellen Greer; Precinct No. 3, Mrs. Gertrude Mills and Mrs. Lois Mosler; Precinct No. 4, Mrs. Harry McDow and J. H. Harrison; Precinct No. 4A, Mrs. Jennie Heldenfels and Mrs. Louise Wilkins.

Contract with Franklin Kelly to furnish all stationary equipment necessary to receive and transport all municipal solid waste and to dispose of same was unanimously approved and the County Judge was authorized to sign same in behalf of Aransas County.

The Court authorized the Judge to advertise for bids for a pick-up truck and an asphalt heater for the Road and Bridge Department.

The Judge read a letter to the Court from the Board of County and District Road indebtedness stating that they were crediting the county's lateral road account with \$8,350.38 upon an order from the court stating that these funds be returned to the court and the purpose for which they will be used.

The Court authorized the Judge to purchase a tape deck for use in County Court.

The Court approved a two-week vacation for the Judge to start August 10th, provided Docket and appointments could be arranged.

HIGH SCHOOL REGISTRATION

All new students who are planning on attending Rockport-Fulton High School, grades nine through twelve, should register in the principal's office of the high school from now through August 17.

The office will be open from 8 a.m. to 12 and from 1 to 4 p.m. New students are those students who did NOT attend any of the Aransas County Public Schools; such as Rockport-Fulton High or Rockport-Fulton Junior High School.

Those students who satisfied requirements for promotion by completing work in summer school should register at the time specified for new students if they have not already done so.

Students who attended Rockport - Fulton High School last year and did not receive their report cards because of non-payment of fees should pay these fees on the dates listed above in order to be properly registered.

New students should bring their report cards, book card, and health record showing proof of having immunization for diphtheria and tetanus during the last ten years and polio immunization since their fourth birthday.

Student schedules will be ready for distribution to all students on Tuesday, August 21. They may be picked up in the high school principal's office.

All new students should be enrolled before August 24, 1973 as school will begin on August 27, 1973 and pupils should be prepared to meet all their classes the first day of school.

Facility Construction at Refuge Will Add to Visitor's Enjoyment

Facilities to improve visitors' enjoyment of the out-of-doors are under construction at the Aransas National Wildlife Refuge near Austwell, Texas.

The 54,829-acre area, administered by the Department of the Interior's Bureau of Sport Fisheries and Wildlife is widely known as the home of the rare

whooping crane. Year-round resident wildlife include javelina, wild boar, alligators, white-tailed deer, wild turkey and numerous bird species.

Contracts for the construction of a 40-foot high observation tower and repairs to the 18-mile visitor drive have recently been awarded to Ed A. Wilson, Jr., Inc. of Fort Worth and J. Carrol Weaver of Sinton, Texas, respectively. Work on both of these projects is now in progress with completion dates of late summer expected.

The observation tower will be situated on the edge of the marsh overlooking the winter range of the whooping crane. This modern concrete structure with walk-up ramps replaces an old metal tower. The new facility will be complete with interpretive displays, audio equipment and telescopes situated on an observation deck. From the deck visitors may observe and learn about the rare bird that visits the Texas Coast each winter.

The 18-mile wildlife drive is also a much used facility by the nearly 100,000 visitors that come to Aransas each year. The winding paved roadway affords visitors an opportunity to see deer, hogs, javelinas and other wild animals in their natural habitat. Heavily used over the past few years, the road had become badly worn in a number of places. The present resurfacing will restore the drive and offer a more pleasant ride to the visiting public.

The Aransas Refuge may be reached by taking State Highway 35 to the vicinity of Tivoli and going southeast to Austwell on Highway 113 or FM774. Directional signs from Austwell direct visitors to the headquarters on FM2040, 7 miles southeast of town.

The refuge is open from daylight to dark the year-round. Registration is required but there is no entrance fee.

County Sewer Controls in Effect

New controls governing construction of private sanitary sewer facilities are in effect in Aransas County.

The Texas Water Quality Board has notified the county of approval of the regulations, developed over two years of discussions between the county and state agencies.

County Judge John D. Wendell said TWQB approval of the regulations put them into immediate effect in the county. The controls set forth the specifications for the construction of rural sewer facilities and are designed to protect ground water supply.

It was earlier estimated that some 5,000 or more septic tank systems already are in operation in rural areas. The existing systems will not be affected by the new regulations except when they are replaced or modified.

The new regulations provide for licensing of all new systems. Applications for the license must be made in the county judge's office. The inspection fee for the license will be \$25. The commissioners court some six weeks ago hired Jack Hughes for the job of septic tank inspector.

Soil absorption rate is a key factor in the new regulations. Another factor will be the distance of proposed systems from water wells.

Paul Kutchinski of Corpus Christi, district supervisor for the TWQB, called the implementation of the Aransas County private sewer regulations "a great step forward."

Masonic Lodge Installs Officers

Duncan C. Howard, grand master of Most Worshipful Grand Lodge of Texas, Ancient Free and Accepted Masons installed the officers of Rockport Lodge No. 323, A.F. & A.M. for the coming year on July 28 at the Junior High School Cafeteria.

The officers were: Worshipful Master, Douglas E. Slens; Senior Warden, Ernest H. Davenport; Treasurer, Andrew G. Gardner; Secretary, David P. Gruber; Chaplain, Clarence J. Molmen; Senior Deacon, Johnny R. Green; Junior Deacon, John D. Griggs; Senior Steward, Dillard D. Darden; Junior Steward, Roy E. Kuykendall; and Tyler, Walter L. Thorman.

The cafeteria was decorated with red, white and blue bunting and the ladies of Eastern Star served refreshments. About 240 persons attended. Following the installation the Grand Master gave an address on what the Masons can and should do for the community, not looking for personal rewards for they will come unexpectedly.

Out of town guests were Mr. and Mrs. D. W. Slens, Houston; and Mrs. D. W. Slens, Mr. and Mrs. R. W. McIlwain, Mr. and Mrs. Sam Kilam and family, Mr. and Mrs. Jim Jeffries, Mrs. Nancy Covington, and Mrs. Maureen Haynes, Houston; C. D. Slens, grandson of the incoming master, of Charleston, S. C.; Miss Shay Hayden; Mr. and Mrs. Ed McIntyre of Ithaca, N. Y. All were house guests of the Slens.

About 20 relatives of Mr. and Mrs. Ernest H. Davenport were present. With the grand master were Right Worshipful Harry Andrews, DDGM of the 41st District in Laredo; Worshipful George R. Scott, Grand Junior Steward of Waco; and O'Dell McBride, PDDGM of Waco.

County Airport on October 12. The Chamber plans to set up a luncheon buffet for the visitors.

--It also was announced that the Air Force Band will be here September 12 to present a free concert at the High School Auditorium at 8 p.m.

--The directors voted to attempt to interest the Corpus Christi Area Tourist Bureau to go in with the Chamber and pay half the cost of installing an area light at the intersection of FM881 and FM 181 just east of Sinton to make this turnoff more visible at night.

--Hugenberg, membership chairman, reported that of 72 letters set to C of C members asking them to voluntarily increase their dues payments, 47 agreed, thus increasing C of C revenues. He also said five new members have joined during the past month.

--Frank Langham, chairman of the business planning and development committee, reported that he and Janeeck and possibly one other director will attend a Texas Industrial Development Council conference at College Station, Sept. 13-14.

--Gordon Stanley, advertising chairman, reported that when more results are available from the C of C questionnaire to find out what visitors think of our area, a full report will be prepared and publicized.

If You are 65 or Older -

You are invited to enjoy a
Senior Citizens Checking Account
With no service charge
At First National Bank

We at First National Bank are happy to offer this special type of checking account to our older citizens in appreciation of their many contributions to the welfare and progress of this community.

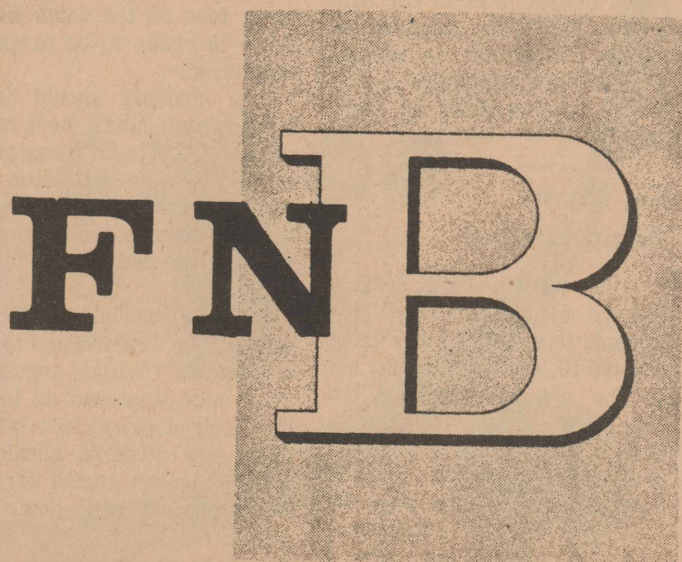

There will be no service charge on these accounts, regardless of the size of your balance, or how many checks you write.

Come in and sign up at our New Accounts desk. If you already have a checking account here, as hundreds of senior citizens do, have it changed to a Senior Citizens account. If not, we'll be glad to open a new Senior Citizens checking account for you.

It is all quite simple. Just bring in proof that you are 65 or older, such as a birth certificate or driver's license. We'll do the rest and welcome you to this new and very exclusive group of First National customers and friends.

SENIOR CITIZENS CHECKING ACCOUNTS

- For anyone 65 or older
- No service charge
- No minimum balance required

Shower Honors Miss Kay Sparks

Miss Jacqueline Kay Sparks was honored with a bridal shower Saturday, August 4 from 3 to 5 p.m. at the First Presbyterian Church Fellowship Hall. Hostesses were Mrs. Edric Deason, Mrs. Milton Harrell, Mrs. Felix Myers, Mrs. Elroy Peters, Mrs. Jay Roden, Mrs. Edward Setterbo, Mrs. Elaine Smith and Mrs. Milton Sparks.

Miss Donna Ann Sparks, Corpus Christi, cousin of the bride-to-be registered the guests. The register table was laid with a white lace cloth and held a white milk bud vase with a yellow fuji mum.

The serving table was laid with a yellow cloth with white ruffled net overskirt with yellow bows at each end of the table. A spray of flowers centered the cloth trailing to the floor. The centerpiece was an arrangement of yellow fuji mums, marigolds, leather leaf and huck in a crystal compote with candleabra which held 5 white candles.

Serving were Mrs. Milton Harrell, Mrs. Elaine Smith and Mrs. Jay Roden.

The gift table was laid with white, with a white net overskirt with two yellow bows, the bride-to-be's chosen colors. Mrs. Denise Webb and Mrs. Max Keller, cousins assisted with the gifts.

Marriage Licenses

The following marriage licenses were issued at the County Clerk's office in July: Joe Thompson and Cynthia Henry.

Andrew Kern and Kathy Jones.

Gordon Kemp and Elizabeth Stacy.

Jesus Martinez and Linda Pena.

Joe Garza and Josephine Ramirez.

Leon Florez and Santos Olivarez.

Robert Polston and Mary Brandes.

Joe Bradshaw and Judy Cantlon.

Allen Rector, Jr. and Helen Brown.

Richard Brush and Vada Nichols.

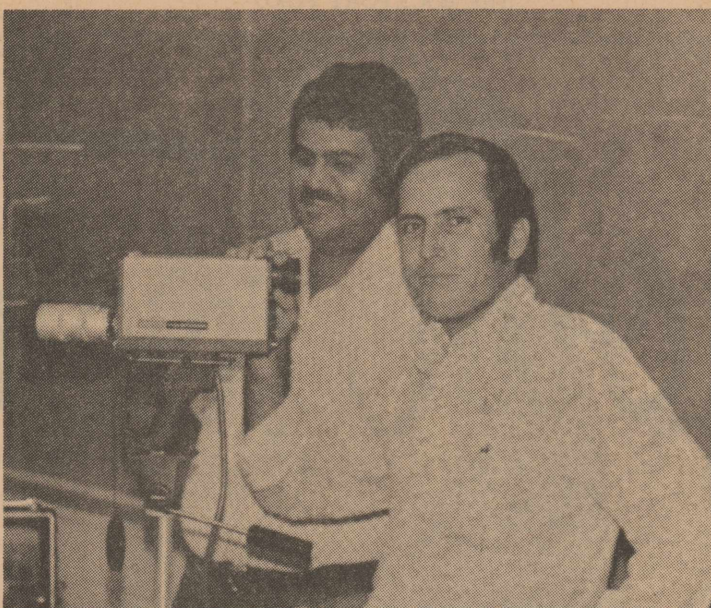

Pete Flowers and Lill Smith.

Juan Moreno and Erlinda Flores.

James L. Davis, Jr. and Mary Vollegrue.

Lesley Chapman and Sylvia Gonzales.

Tommie Taylor and Ollie Howell.

Two law enforcement officers from Aransas County completed 240 hours of basic training at Del Mar Tech in Corpus Christi this week (Aug. 7). They are, left, Mike Swearingen, and right, Mike Webb. The Coastal Bend Council of Governments provides the training with Criminal Justice funds. This session, the COG provided a video tape which the students used to tape performances and play them back for criticism.

LOUISA'S LETTER

Dear Louisa,

I have been going with a girl friend who is very good company. We have lots of fun together at school but my mother will not let me double date with her because she has a bad reputation. I think someone has made up these stories about her because they are jealous of her and because she is so popular. When I ask my mother who told her these things she won't tell me. There is one thing that she does that might make people think she doesn't behave and it is that she will date anybody. She dates one boy who has been arrested for drugs and that makes people think she might use drugs herself. But that doesn't affect me and I think my mother is very unfair not to let me double date with her. Mother lets me double date with another

friend of mine. What do you think about this.

Dot-Ala.

Answer:

Your friend may be perfect but if she goes with people who have bad reputations she will suffer by that association in the eyes of other people.

I can understand why your mother doesn't let you date with this friend. If, on that date you are liable to have as this friend's date, a drug user or pusher. I do not know how old you are but it seems to me that it would be wise for you to confine your association with this girl to daytime activities.

Louisa.

Of course I sell new cars. Everybody knows that. But I am also in the business of renting cars. Not everybody knows that.

I rent everything from Pintos to Thunderbirds. All in tiptop shape. (Who knows more about what makes a Ford tick than a Ford Dealer?) All ready and waiting.

Our rates? Low. And we even include insurance coverage.

All in all, Hometown Ford Rent-A-Car Dealer gives you a good deal. It's something to remember the next time you need a rental car.

Fix-It Tip

When a refrigerator runs and runs and runs, it may be leaking air around the door gasket. Close the door on a sheet of paper. If you can pull it out easily, the gasket is defective.

Location may also cause a refrigerator to overwork. Move it away from a stove or radiator, if that's where it's located.

Make it a habit to brush the dirt and lint from the cooling coils and associated parts of the refrigeration unit. The radiator may become clogged and the motor will have to work twice as hard to cool the refrigerant.

Mrs. Herring Honored On 80th Birthday

Mrs. J. C. Herring was honored on her 80th birthday with a buffet dinner and family reunion.

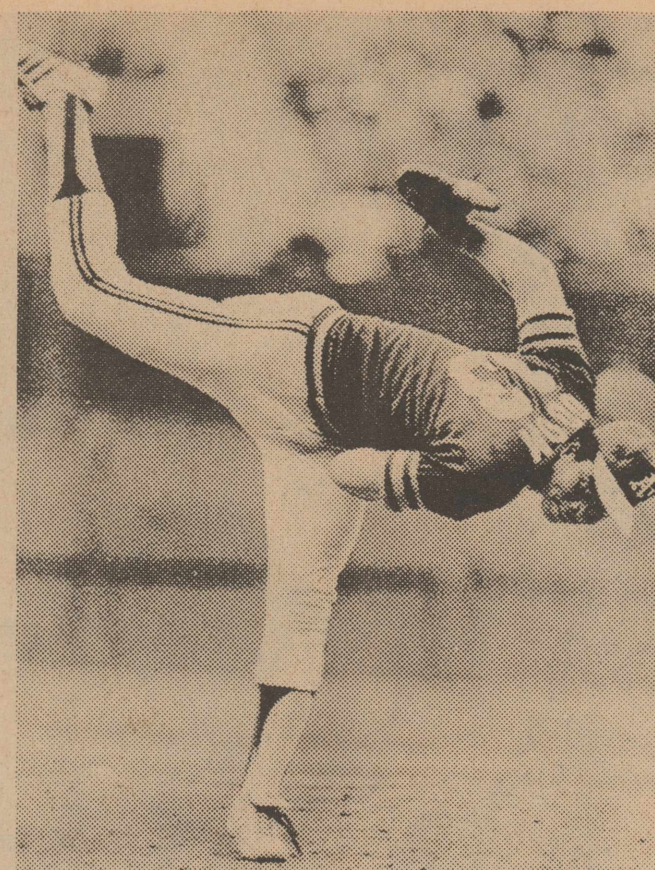

Hosts were her children: Mr. and Mrs. Joe Herring, Mrs. Linda Newsom, Houston; Mr. and Mrs. Jim Herring, Austin; and Mr. and Mrs. David Herring, Birmingham, Alabama.

The buffet table was laid on a cut imported cloth centered with a multi-floral yellow and white arrangement in a silver container, flanked by tall tapers in silver holders. A delicious selection was served. A large white embossed birthday cake glowed with candles. Green foliage and cut flowers were placed throughout the room. Mrs. Herring received many useful gifts.

The guest register table held an arrangement of yellow and white blossoms. Susan, Patty and Gregory Herring registered the more than 55 guests.

Sisters attending from Dallas were Miss Ruth Linda Sneed, Mrs. M. W. Carroll; a brother, Joe Sneed and family, Refugio; John Lee Herring, Dallas; and Mrs. William Patrick.

Grandchildren were: Mrs. Lydia Baugh, Houston; Mrs. Barbara Waters and Gregory Herring, Austin; Clark, John and Scott Herring, Birmingham, Alabama; Susan and Patty Herring, Mrs. Margaret Elban and William Patrick, Jr., Houston. Great-grandchildren: John, Martha and Sarah Elban and Jason Baugh, Houston.

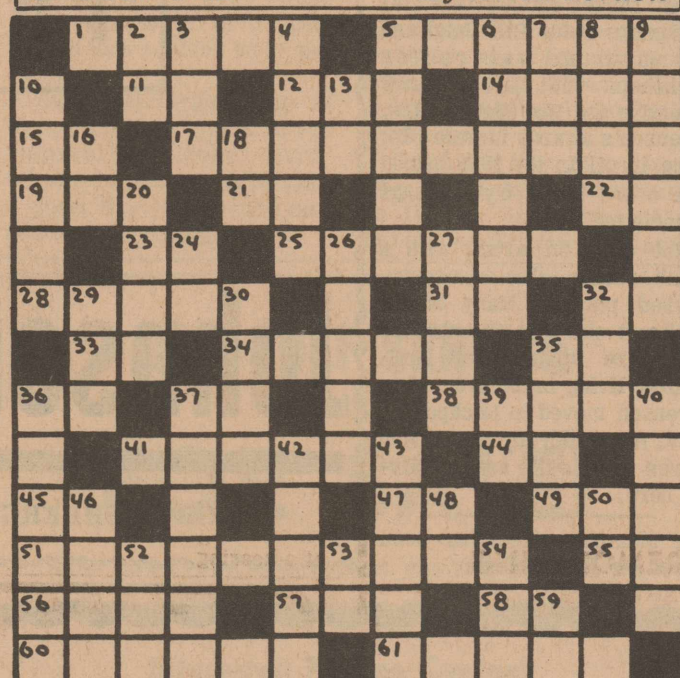

FOLLOWING THROUGH to the Nth degree, Oakland Athletics pitcher John "Blue Moon" Odom still manages to keep his balance.

Happy Homemaking

By BARBARA BAKER

The next time your hubby buys windshield wiper blades, save an old one to use when your windshield fogs on the INSIDE. You can wipe the fog away without streaking or smearing the glass.

When setting the table with your good crystal and sterling silver, wear white gloves to avoid finger marks.

Cut a thin slice from the stem end of a red or green pepper and clean out the center. Use this as a container for salad dressing to be placed in the center of a mold or bowl of salad. It makes an appealing holder for a dip surrounded by chips or crackers.

When wrapping presents for a family birthday party, decorate one big box to hold all the gifts. On each gift, attach a long ribbon that comes out of the box to create a sort of grab bag. There will be no "open mine first" arguments in the family.

When you are knitting with several balls of yarn and need a bobbin, tear the matches out of a match folder, wind the yarn around the folder and close.

If you run out of bobbins when knitting something that requires small amounts of different-colored yarn to be carried along, you will find home-permanent curlers make an excellent substitute.

If you are knitting with two balls of wool, before you start run the ends through paper straws to prevent tangles.

Press a snap fastener into

your knitting to mark the place where the last increase or decrease was made. This saves counting of rows.

When mending a knitted garment, place the torn part over a hairbrush, bristle side up. The bristles will hold the material and prevent the yarn from stretching while you mend.

When washing windows, use up and down strokes on the inside but go crossways on the outside and any smears that are left can be removed since you will know just which side they are on. Also, crumpled newspaper is wonderful for rubbing glass to a shine.

C OF C SURVEY SHOWS GROWTH

The Rockport area, long one of Texas' foremost resort and recreation spots, is one of the state's fastest growing sections. A survey just completed by the Chamber of Commerce shows an overall increase of 32.6 per cent in light connections, telephone connections and motor vehicle registrations in Aransas County since 1950.

If the county's population has increased proportionally, the county would have 5,638 residents. The 1950 census count was 4,252.

The survey was prepared under the direction of the Chamber of Commerce industrial committee headed by B.T. Hardeman and including B. W. Hamblin, R. R. Rice, M. W. Cochran and Paul Wilhelm.

OIL NEWS

Petroleum Management Inc. has gained location for a 9,400-foot Aransas County (East Aransas Pass Field) test five miles north of Aransas Pass.

Named the No. 2 Barber Gas Unit, location will be 946 feet from the northwest line and 660 feet from the northeast line of the Tract in Block R, Section 227, Burton & Dansforth Subdivision, James McKay Survey, A-160.

Miss Anne Close of Houston is spending this week as guest of her grandparents, Mr. and Mrs. R. L. Hart.

B.J. Crowley's HOROSCOPE

Week of August 12

LEO--Persevering, earnest and sincere, with much self-control and compassion, but often hasty and impetuous. Generally kind and sympathetic, and possess a certain amount of pride, ambition and love of power.

LEO--July 23 to Aug. 22--Whatever you do, eat and drink moderately. Use self discipline and your accomplishments can be overwhelming.

VIRGO--Aug. 23 to Sept. 22--Someone you helped will be forever grateful to you. The kind manner in which they speak of you is worth the effort you put forth on their behalf.

LIBRA--Sept. 23 to Oct. 22--If the summer doldrums overcome you, turn your energies towards making your home more attractive for the forthcoming fall, when you will be doing more entertaining.

SCORPIO--Oct. 23 to Nov. 22--Hold tight to your faith. It will carry you through the most trying times. Show your appreciation for the help your loved one is giving you.

SAGITTARIUS--Nov. 23 to Dec. 21--Get on a health program with the proper amount of rest, food and exercise. If you smoke, give it up!

CAPRICORN--Dec. 22 to Jan. 19--Seek conservative ways in which to increase your income. A good sound savings program is a must, if you are to feel more secure.

AQUARIUS--Jan. 20 to Feb. 18--Make plans for an enjoyable week-end. Invite friends to your home or take a short trip. Good food can add to your pleasure.

PISCES--Feb. 19 to March 20--Center your interest on personal plans for the future for you and your family. Stay within the budget you have set. By cutting down on unnecessary spending you can build a nice nest egg.

ARIES--March 21 to April 20--Continue with your habit of paying your bills promptly. A good credit rating will become increasingly important to your business.

TAURUS--April 21 to May 20--Expenses may be greater than usual. Learn from this temporary situation and begin immediately to build a reserve.

GEMINI--May 21 to June 20--Avoid any temptation to indulge in questionable behavior. Commit yourself

for only short term obligations.

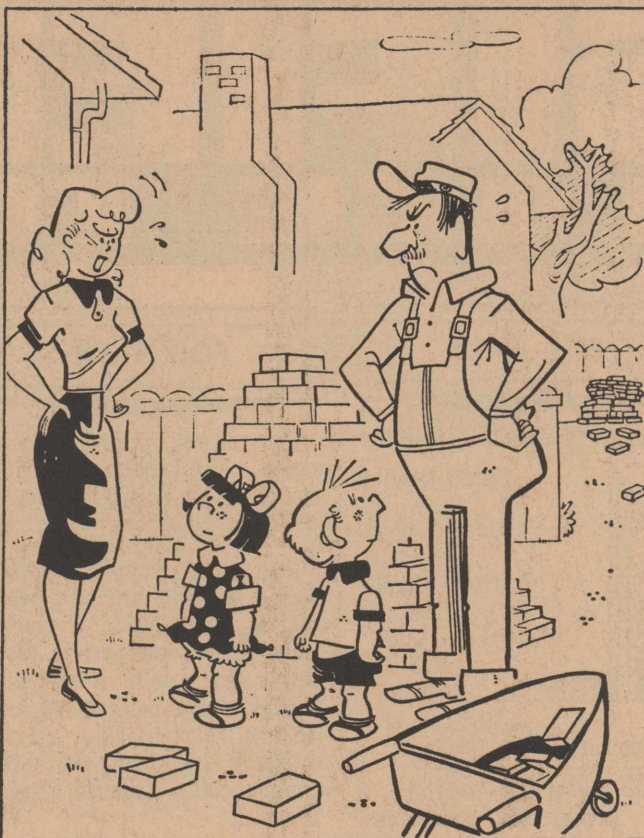

CANCER--June 21 to July 22--Study all important papers to be signed carefully. Keep your eye on the attitudes and actions of the other fellow.

Concern Center Rummage Sale

The Concerned Women of Aransas County are having their fall rummage sales upstairs at Sacred Heart Convent Building, 114 N. Church, every Thursday 9 - 11 and Saturday 9 - 11. This is the Castaway Project of the organization.

Anyone with contributions may bring them 9 - 11 a.m. Monday through Saturday to 114 N. Church. Due to space only small furniture items such as end tables and light chairs can be taken. However, the ladies are starting a list of large items and would appreciate knowing what you have to contribute--especially baby furniture, chest of drawers, and breakfast sets (most common requests).

Two questions often asked are: What is done with the money from sales? Plans are that the money will add up in time to provide our community with emergency equipment or other area needs that will be of benefit to the entire community. And second: What is done with the unused, unsold items? These things are taken to off the beaten path areas where there is no electricity, in-door plumbing, etc. by two local fishermen and hunters. These men are doing a wonderful service in distributing the

things equally among families of the area. They give us reports of how the people look forward to their return trips. The women are able to sew, remake and/or cut down garments. Also, your local ministers, school personnel, welfare department, St. Vincent de Paul and other charitable organizations can call or sign requests to us for help to those in need of our services.

OSAKA, JAPAN--The Japan Housing Corp. is planning an experiment to use heat from burning garbage--for heating 1,400 homes and supplying hot water. The experiment will be Japan's first.

CENTRAL POWER AND LIGHT COMPANY

the magic word is "Off."

Use what you need...
need what you use.

Electricity is a convenient, efficient, economical form of energy. Use what you need, but use it wisely, and you'll save money. The magic word is "OFF." Turn off lights, TV and room air conditioners when not actually in use. Plan careful use of other appliances.

To help you save, here are a few tips. Some will save you quite a lot of money. Others, just a little. But if you make every kilowatt count, you'll enjoy electric living at a bargain price. How much you save is really up to you.

AIR CONDITIONING

Turn your thermostat UP to 76 or 78 degrees.

Clean or replace filters every two weeks. A dirty filter eats up electric energy, cuts cooling.

Weatherstrip windows and doors, then keep them closed. Air leaks make your air conditioning units work harder.

Check your insulation. 6 inches in the ceiling, 3 1/2 in the walls can save you some real money.

Close blinds and drapes to the sun.

Turn off TV, lights, radios when not actually in use. Turn air conditioners off when you're away from home several days.

KITCHEN TIPS

Use your oven wisely. Plan oven meals to save time and energy. And no peeking. Every time you open your oven, you lose up to 20 percent of your heat. That heat makes your air conditioner work harder, too.

Use small appliances — toaster, electric skillet and sauce pans — whenever possible. They're often more economical to use than your range.

Match pan size to heating unit. A small pan on a large unit lets heat escape into the kitchen.

Use your exhaust fan while cooking to remove excess moisture and heat.

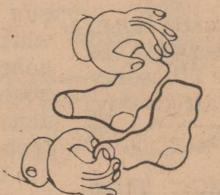

Keep a closed door policy on your refrigerator and freezer. Plan your trips to the refrigerator while cooking, and teach children to open only when necessary.

Clean external coils, fins and motor to keep your refrigerator operating efficiently.

Do full loads in your dishwasher. Load according to directions for most efficient, economical use.

LAUNDRY SAVERS

Wash and dry full loads, but no overloads. Your washer and dryer both operate more efficiently this way.

Clean lint filters after each load.

Dry but don't overdry. Over-drying wastes energy, increases fabric wear and requires more ironing.

Hang permanent press immediately. This prevents wrinkling and cuts ironing time.

WATER HEATING

Fix that drip! A drippy hot water faucet uses gallons of water and wastes energy.

Use cold water whenever possible. Cold water works best in your disposer. Cold water works well with cold water detergent for most laundry.

Showers take less water than tub baths. So encourage showering.

Watch that waste and you'll cut your electric bill. For more money- and energy-saving ideas, ask for CPL's new "Electric Diet" booklet and colorful wall poster. Both are free at your CPL office. If you have other questions, call us. We want to help.

What role do the sun's ultraviolet rays play in molding the earth's weather?

Ultraviolet rays from the sun are short wave rays which, curiously, tend to heat the earth's equatorial zone more than the polar zones. This has a great effect on the winds which circle the earth, as can readily be seen, because heat is a producer of wind and cloud. Generally speaking, when the sun's ultraviolet rays are more numerous than usual, the greater area of the United States is due for stronger west-east weather movements and wetter weather.

Fewer ultraviolet rays from the sun mean warmer and drier weather for most of the country.

Garza - Ramirez Wed

Miss Josefina Ramirez and Joe Henry Garza were married Saturday evening in Sacred Heart Catholic Church.

The altar was decorated with baskets of white gladioli and roses.

Parents of the couple are Mr. and Mrs. Miguel Ramirez of Ahuazotepec Puebla, Mexico, and Mrs. and Mrs. Gavino Garza of Rockport.

Given in marriage by Daniel Corpus, the bride wore a gown of peau de sole and lace with a round neckline and long, full sleeves. A headpiece of orange blossoms held her illusion veil and she carried a small white prayer book and white rosary.

Miss Mary Lou Garza of Fort Worth, sister of the groom, was maid of honor and Mrs. Daniel Corpus was matron of honor. Bridesmaids were Miss Anna Maria Corpus, Miss Sylvia Corpus and Miss Gracie Arsuaga of Corpus Christi.

The maid of honor wore a long white dress and small white headpiece. The bridesmaids wore long dresses in deep pink with small headpieces of a deeper pink and carried small bouquets of red roses with deep pink streamers.

Flower girls were Rosie Salvatierra of San Antonio and Nancy Martinez, Charles Garza was ring bearer.

Mike Arsuaga was best man, Groomsman were Jimmy Gemin and Bob Plumleigh of Fort Worth. Ushers were Gary Plumleigh of Fort Worth and Ray Arsuaga of Corpus Christi.

Other attendants were Mr. and Mrs. Joe Corpus, Mr. and Mrs. Antonio Arsuaga and Mr. and Mrs. Richard Corpus of Corpus Christi and Mr. and Mrs. Dionicio Benavidez of Rockport.

A reception was held at the Rockport G. I. Forum. Miss Debra Plumleigh registered the guests. The hall was decorated in pink and white streamers with and arch setting of white roses and flanked by two baskets of white gladioli which served as the background for the bride's table which was laid with a white linen cloth and held the

bride's bouquet and 3-tier wedding cake.

The groom's table held a

German chocolate cake. At the punch bowl was Mrs. Dale Plumleigh. Others in the house

Lamar One of Early Coast Towns

Lamar is rapidly becoming a leading fishing and hunting center. Many homes and modern tourist cottages are located there. It is also the entrance to Goose Island Park which attracts numerous visitors.

The State Park was one of the projects completed by the Civilian Conservation Corps in the 1930's. Work on the park was started in 1934 and completed in 1936. There are many shelters which provide campers with barbecue pits, tables and benches. Roads were built leading to the shelters on the island which overlooks the bay.

A concession hall was also erected which has become a popular place for parties. The large hall in the building is equipped with fireplace and juke box. Cold drinks and other such items can be purchased there.

Capt. James Bryne was the first settler in Lamar and he came to Texas about 1838. He platted the town for which he planned great things and gave the town the name of Lamar. Archibald McRae was the second man who settled at the sea-side of Lamar in 1838, coming to Texas when Indians were still here.

Other settlers soon followed and built homes. Most of the structures were built of con-

crete or adobe. In a report among President Lamar's papers is the mention that the city of Lamar consisted of twenty homes on May 1, 1839.

It was formerly known as Point Lookout and is said to have been the rendezvous of Comanche Indians when they roamed the Texas prairies. They were warriors who plundered and menaced the dwellers. Lamar was then in its virgin state—a vast flat country apparently arid and sterile except for vagrant and stunted weeds as far as the San Antonio River. There was no underbrush nor mesquite trees, which is why the settlers could see the Indians coming. The old warriors would make stealthy marches and descend without warning on the unprotected settlers, and no man could hunt without peril to his scalp.

In Lamar's heyday it boasted a regular and permanent population. By 1861 the town boasted two stores, and others came. There were two churches and a post office and schools and other regular adjuncts of the old frontier. For a number of years the stores did a thriving business and Lamar grew.

The town was laid out according to a plan which provided for development of a large city.

At that time every hamlet was trying for first oars in the shipping business, hoping and expecting to gain enough trade and importance to ultimately get the much needed "deep port."

There was a spirited rivalry between the Town of Lamar and the ancient settlement started by Colonel Power on Live Oak Point. Much political pressure was exerted when the question of locating the customs house became moot. Colonel Power wanted it located at his settlement on Live Oak Point but the federal authorities favored Lamar.

Private schools supported by individual households were maintained from an early date. Although precaution was taken against the Indian depredations, they succeeded in taking two small girls from the town but both were found and rescued.

Lamar supported three large wharves where vessels traded for many years. It formed the apex of the triangular water route from Rockport to St. Mary's. As late as 1885, shipping by water was carried on between these points and a regular connection was maintained for passenger service.

In 1885 Congress authorized the War Department to purchase camels to be used for military purposes in the southwest. The camels became foot-sore and the experiment ended in failure. Nine roamed to Lamar, later to be sold. The story is told that they were put in a pasture with mules and the next morning the frightened mules were found hanged along a barbed wire fence and scattered over the countryside.

Later, business dwindled, stores closed and families packed their household possessions and moved to towns that were growing larger instead of smaller.

C of C Happenings

United Savings Association furnished refreshments for the Chamber of Commerce hospitality program this week.

The Chamber welcomes a new member Oak Shore Apartments, owned by Mrs. Louise Itchner.

Tid-Bit

One girl to another: "Of course now, I wouldn't say a thing about her unless it was good. And oh boy, is this good..."

ENGAGED — Mr. and Mrs. Guadalupe G. Reyes announce the approaching marriage of their daughter Janet to Oscar Pina, son of Mr. and Mrs. Alfred Pina, Sr. The wedding will take place at the Sacred Heart Catholic Church on August 25.

Rockport Gallery And School of Fine Arts

The Rockport School of Fine Arts had its inception in 1946, when Simon G. Michael, on a visit to the city was impressed with the wonderfully varied opportunities for landscape, marine portrait and still life painting in the region.

In 1952 he acquired the beautiful grounds on which the buildings of the school stand today.

In 1956 as the fame of the school spread, a second studio was added to care for students who came in increasing numbers to the summer sessions.

In 1964, a third addition joined the two studios and the Rockport Gallery of Fine Arts became a reality. In it are exhibited many of the paintings and drawings of students who have studied under Michael.

Three summer sessions are devoted to marine, landscape, figure and portrait painting. A student may enroll for any or all of these sessions or, if located in one of the sites in which he holds classes during the winter, study under him throughout the year.

Attend V.F.W. Convention

Mrs. Rosemary Smith and her granddaughter, Melody Bartholomew, are spending the summer in their summer home. Mrs. Smith, a past department president and national council member of the Ladies Auxiliary of the V.F.W., and Melody attended the state convention in Houston.

They were guests of Mrs. Elmo Self of Rosenberg for a few days. They also visited the Battleship Texas, San Jacinto Monument, Kemah, Seabrook, Galveston and Freeport before returning to Rockport.

Bishop and Mrs. Willard Whipple, Jr., and children, Willard III, Joan, David and Tommy, spent the week visiting. They are El Paso neighbors and enjoyed the local beach, crabbing and deep sea fishing, bringing in good sized kingfish. This was their first seacoast visit anywhere.

When Mt. Vesuvius erupted in Italy in 1631 around 18,000 people were killed.

I.O.O.F. Originated About 1891

Although the date on the charter is May 4, 1921 the I.O.O.F. Lodge was originally instituted about 1891 but went defunct about 1899. The five members who signed the charter were, R. E. Erwin, C. C. Selman, Norman Spears, Robert Holms and O. Roy Erwin. L. P. Merrill, who was a member when the lodge was first instituted, was the only member who came back in 1921.

The first slate of officers were R. E. Erwin, N. G.; C. C. Selman, V.G.; O. Roy Erwin, Secretary; J. L. Paul, Chaplain; O. V. Dye, Warden; M. O. Johnson, Inside Guard; W. D. Ward, Outside Guard; R. O. Daniel, Conductor; M. W. Hayes, R.S.N.G.; Fred Cloberdants, L.L.N.G.; Camp Ezell, R.S.S.; and Carroll, L.S.S.

First members were H. E. Bahr, Ross Brettan, Fred Cloberdants, Oscar Dye, Mr. Delyness, Bob Daniels, Camp C. Ezell, A. Edmondson, W. C. Frandolig, A. W. Fisher, M. W. Haynes, Carroll Moore, M. O. Joe D. Thompson, Miss Cindy Henry Exchange Vows

Miss Cindy Jane Henry of Rockport and Joe Dan Thompson of Aransas Pass were married August 4, at the Sacred Heart Catholic Church. Msgr. Harold F. Palmer read the double ring wedding vows.

The bride is the daughter of Mr. and Mrs. Charles Gaskin of Rockport and the groom is the son of Mr. and Mrs. Leo Gaubert, Ingleside.

Rainbow colors and two baskets of gladioli and carnations formed the setting for the ceremony. Florenzo Lara furnished the organ music.

Given in marriage by her father the bride wore a long white A-line gown of satin brocade, round neckline with pearls on bodice and long lace sleeves, designed by her mother. Her head piece and train was made of nylon net with lace and pearls for trimming. Her crown was made of satin rose buds. Her bouquet was made of white roses and carnations with her going away corsage of roses attached to the bouquet.

Rose Thompson, Ingleside, sister of the groom was maid of honor, bridesmaids were Ronda Nixon, Kay Bell, Cathy and Kim Hayden. Flower girl was Debbie Karow, cousin of the bride. The maid of honor and bridesmaids wore an array of rainbow colors of satin with grosgrain ribbon trim. They were designed of the same pattern as the bride's dress except with short bell sleeves. Each wore a necklace of pearls presented by the bride and each carried a large mum. The flower girl wore a long sleeve round neck satin dress. It was set off with white lace and rosebud trim. She also wore a set of pearls presented to her by the bride. She carried a basket of carnation petals.

DR. LITTLEFIELD DIES

Dr. Clarence W. Littlefield, 66, a resident here four years, died Monday in a Kerrville hospital following a long illness.

A native of Gonzales County, Littlefield was a dentist in Lockhart most of his life until retiring and moving to Rockport in 1969. He was a member of the Masonic Lodge, Texas Dental Association and American Dental Association. He was a veteran of World War II.

Surviving are his wife, Doris; one daughter, Mrs. Jerry Wendell of Rockport; one brother, Lee Littlefield of Shiner; one sister, Mrs. Bert Horne of Houston, and three grandchildren.

Funeral services were held Tuesday in Marshall Funeral Chapel with burial in Rockport Cemetery. Memorial contributions may be made to the Cancer Heart Fund.

O. S. SYDNES DIES

Capt. Olaf S. Sydnos, 89, formerly of Rockport, died June 28 in St. Elizabeth following a long illness. He was a native of Norway and came to America in 1888; educated in Boston, Mass.; moved to Texas in 1901 as a pioneer settler of Beaumont; he married Beaumont's First Labor Day Queen Miss Nellie Hannah Love in 1905 and moved to Port Arthur in 1912. Capt. Sydnos was captain of a Deep Sea Oil Tanker in World War I. He moved to Highland in 1941 and was the tax collector of Galveston Independent School District; retired in 1960.

Capt. Sydnos was preceded in death by his wife and one daughter Mrs. Jacqueline Barrow and a small son; other survivors include two daughters, Mrs. Elizabeth Troegel, Silsbee, Mrs. Mary Irene Johnston; one sister-in-law, Mrs. W. L. Sydnos, Port Arthur; 9 grandchildren; 19 great grandchildren; and several nieces and nephews.

Funeral services were held June 30 in Clayton-Thompson Chapel with Rev. Emmitt Barrow officiating. Burial was in Highland Cemetery, Highland, Texas.

ved the groom as best man. Groomsmen were Charles Nixon, John Lee of Rockport, Dale Hahn, Aransas Pass.

Ushers were Jimmy Henry, Steve Russ, Jerry Hudson and Timmy Thompson.

Following the ceremony a garden reception was held at the home of the bride's parents. The cake was a four layer with stairway to the top in rainbow colors. Lime punch was served, also coffee and ice tea. The centerpiece was an arrangement of carnations and daisies.

Carla Hayden and Debbie Bell were in charge of the guest book. Serving was Linda Kelly and Janet Bowels.

The couple will be at home on 6th St. in Rockport.

The bride attended Rockport-Fulton High School and the groom attended Ingleside High School. She is employed as cashier at Maverick Market and he is employed by Commercial Motors, Aransas Pass as state inspector on cars.
