MEXICAN FACTIONS CLASH TODAY

MYSTERY CLOAKS CO-ED'S DEATH

President Henry Bennett, of Oklahoma A. and M. college, has deeded that the death of Miss Pauline Pruitt, above, 17-year-old co-ed of that institution, occurred as the result of a sorority initiation. Reports to relatives of the girl at Wichita Falls, Texas, said that she died shortly after drinking shoe polish given her as a castor oil during an initiation. Mystery has surrounded the exact cause of her death, police refusing to divulge details. At her funeral services her sorority sisters said their rites over her body.

FIRE RECORD WORTH MONEY

**\$25,000 ANNUALLY IS
SAVED CITY BY
REDUCTION**

A saving of between \$22,000 and \$25,000—more than the entire salary of the Lubbock fire department for a year—is given to the city with the fifteen per cent reduction in the fire insurance rate here, which became effective March 1.

City Manager G. W. McCleary was advised of the reduction by a wire yesterday from J. W. DeWeese, state fire insurance commissioner. The reduction was due to the city's good fire record during the past year and to the efficient and well equipped fire department.

Although Mr. DeWeese has not submitted the figures of the total fire insurance premiums for this city, Fire Chief W. E. Twitty said today that the total was sure to be as much as \$153,000 and that he thought it would total \$170,000. Either of these figures would make the saving to Lubbock more than the fire department's yearly salary, which is approximately \$20,000.

Chief Twitty estimates that the loss here is about thirty-one per cent of the premiums. He said that the exact figures would be available in the near future.

Methodist Stewards Will Meet Tonight

The regular monthly meeting of the Board of Stewards of the First Methodist church will be held at the church at 8:30 o'clock tonight, it was announced today by the Rev. H. L. Munger, pastor of the church.

C. E. Maedgen, chairman of the board, will preside at tonight's meeting. A lunch will be served in connection with the business session.

Listen To This Tale of Woe; Jail Crowded

With beds for only twenty-eight prisoners in the Lubbock county jail, forty-eight prisoners are now lodged in behind the bars, Sheriff W. H. Hardy said yesterday.

He pointed out the county's urgent need for a new jail, and declared that the present situation is acute.

MELLON IS FACING SENATE INVESTIGATION

NEW CABINET NOMINATIONS RECEIVE OKE

**LAW MAY FORBID HEAD
OF TREASURY FROM
CONTINUING**

(By Associated Press)

WASHINGTON, Mar. 5.—The Senate today ordered an investigation of the right of Andrew Mellon to continue as secretary of treasury and of his right to hold office under the law forbidding the treasury head to be interested in business.

WASHINGTON, March 5 (AP)—The eight new members selected by Herbert Hoover for his cabinet were confirmed today by the senate within a few minutes after the president had forwarded their nominations.

The nominations follow:

Henry L. Stimson, of New York, secretary of state.

James W. Good, of Iowa, secretary of war.

Wm. D. Mitchell, of Minnesota, attorney general.

Walter P. Brown, of Ohio, postmaster general.

Charles Francis Adams, Massachusetts, secretary of navy.

Ray Lyman Wilbur, of California, secretary of interior.

Arthur M. Hyde, of Missouri, secretary of agriculture.

Robert P. Lamont, of Illinois, secretary of commerce.

As has been forecast, President Hoover did not submit the names of Secretaries Mellon and Davis, that procedure being unnecessary under the law.

Senate Adjourns

WASHINGTON, March 5 (AP)—The special session of the Senate called to confirm the new members of President Hoover's cabinet adjourned sine die today at 1:37 p. m.

WEST TEXAS LAND FUSS DISCUSSED

SNYDER, TEXAS, March 5 (AP)—Discussion of the West Texas land situation was expected to be among the principal business at the regional convention of the West Texas Chamber of Commerce here today.

Efforts are to be made to induce the legislature to override the governor's veto of the Small bill, designed to cede river bed lands in certain legally-defined "navigable streams" to abutting land owners. Governor Dan Moody vetoed the bill after an opinion by the attorney general's department holding it unconstitutional.

Allow Taxes To
Build Sea Wall

AUSTIN, Mar. 5 (AP)—By an 81-37 vote the house last night passed a bill reading a bill by Representative B. E. Quinn of Beaumont allowing Fort Arthur to keep eight-ninths of its ad valorem tax for 20 years in order to construct a sea wall. The measure probably will be called up for final vote later in the week.

Under operation of the bill, the state would contribute approximately \$2,200,000 and the Jefferson county precinct in which the sea coast town is located would furnish approximately the same amount through a special tax.

TEAR BOMBS QUELL RIOTING STUDENTS IN FRENZY OVER BASKETBALL VICTORY

ANN ARBOR, Mich., Mar. 5 (AP)—Four thousand students celebrated Michigan's basketball victory over Wisconsin last night by attempting to storm their way into the Michigan theater.

Police tear bombs repelled three attacks, but it was the appearance at the theater of Dr. Clarence Cook Little, university president, that finally dispersed the crowd. Five students were arrested and later released.

The students, snake dancing through the streets in a riotous frenzy because the team had just assured Michigan a tie for the Big

SOMETHING ELSE TO THINK ABOUT

Furious and almost boiling over with rage, a Lubbock woman appeared at police headquarters this morning. It seems that she had not only looked for a parking place but that when she finally did find one some cop tagged her car because it was parked too near a fire plug. As it was her first offense, Desk Sergeant J. T. Immon gave her a thirty-day suspended sentence and told her if she was caught again she would have to pay both fines.

"If I am caught again, I'll pay three fines," she said, "for I'm not coming to town any more."

HOOVER GOES INTO CARES OF STATE TODAY

**FIRST TASK TO PLACE
NEW CABINET IN
OFFICE SOON**

By JAMES L. WEST
Associated Press Staff Writer

WASHINGTON, Mar. 5.—President Hoover gathered up the threads of federal governmental affairs today where they were laid down yesterday by Calvin Coolidge.

While many matters of major policy soon will press upon the new chief executive, his immediate concern is that of getting his own cabinet office so he can have a smooth functioning machine at the earliest possible time.

Two departments, the treasury and labor, are going ahead under the men who have conducted them for eight years—Andrew Mellon and James J. Davis. The president has decided against sending their names to the senate as there is no requirement that he do so since their nominations were confirmed at the time of their original appointments.

Opposition is removed

The nominations of the other eight had been prepared for transmission to the senate today and prompt action by that body was expected, although there have been rumblings of opposition to some of those Mr. Hoover has selected as his counselors.

All of the present officers hold over until their successors qualify and Secretary Kellogg will serve until Henry L. Stimson of New York arrives here from Manila late this

(Turn to Page 10, Column 6, Please)

MIAMI MURDER IS STILL A MYSTERY

MIAMI, Fla., March 5 (AP)—Mystery today surrounded the killing in a hotel here Sunday of Mrs. Nora Wilson, 40, whose body was found with a bullet through her head.

The first theory advanced by police, which still was their strongest belief, was that the woman, a former housekeeper for Guy A. Loomis, wealthy New York winter visitor, had taken her own life.

Officials investigating the case, however, now have disclosed that the fatal wound bore no powder burns and some were inclined to believe she died by a hand other than her own.

40,000 Blaze At Humble Oil Plant

BRECKENRIDGE, Texas, March 5 (AP)—Damage estimated at \$40,000 resulted at the Humble Oil and Refining company station at Albany today when fire started at a leak in a line for transferring oil from tanks to railroad trailers.

Two 9,000 gallon tanks, two warehouses and three trailers were burned, according to reports received here.

IS FIRST AT WORK

WASHINGTON, Mar. 5 (AP)—President Hoover made an early start on his first full day as chief executive, arriving at his office at 8:35 a. m., ahead of nearly all of the members of his staff and the White House force.

THIRD VICTIM OF EXPLOSION DIES TUESDAY

**PREMATURE BLAST AT
GRAVEL PLANT HAS
TRAGIC RESULT**

(Special To The Journal)

PLAINVIEW, Tex., Mar. 5.—E. P. Hodgkins, 50, general superintendent of the Panhandle Sand and Gravel Company near Quitaque, died here today of injuries received in a dynamite explosion at the plant yesterday.

San Apperson, 31, and Chan Hitchner, 32, also were killed.

The blast occurred when the men were fitting caps for blasting.

A fourth man, whose name was not learned, was with the trio at the time of the explosion. He was thrown into the air and over a nearby shed, but was not injured.

BROWN FLEW TO SCENE IN PLANE

Headquarters of the Panhandle Sand and Gravel company are located here in the Myrick building.

A. B. Brown, president of the company, was in Lockney when informed of the accident at the plant yesterday and he flew to the scene in an Eagle Rock airplane which was at Lockney to carry him to Lubbock.

SEEK DELAY IN RUBY HEARING

CONTINUANCE MOTION
BEING ARGUED IN
COURT TODAY

Hearing on a motion for continuance in the case of M. S. Ruby, former city manager, facing charges of both swindling and forgery consumed most of the morning's session in the 99th district court before Judge Clark M. Mullein.

It was thought that the case would either come to trial or be continued shortly after court convened at 1:30 o'clock this afternoon.

Discuss Indictment of Wurzbach at Waco

WASHINGTON, Mar. 5 (AP)—Discussion of the indictment of Representative Wurzbach, republican, Texas, for alleged violation of the corrupt practices act before the senate patronage committee today produced a renewal of sharp exchanges between Chairman Brookhart and R. B. Cregar, republican national committee man for Texas.

Brookhart questioned Cregar about the indictment and asked the committee man if he had "anything to do with it."

"It would not make any difference to you if I had," Cregar said. "You have no jurisdiction over such affairs. What are we doing this morning, trying Wurzbach or investigating southern patronage?"

"We are trying you," Brookhart answered.

AIR CORPORATION ORGANIZED TODAY

NEW YORK, March 5 (AP)—Formation of a new \$200,000,000 corporation to be known as the Aviation Corporation was announced today by Graham B. Grosvenor, president of the Fairchild Aviation Company, who will head the new concern.

The new corporation, which includes representatives of several large railroad, steamship and banking companies, will be a holding company and will acquire an interest in at least six established manufacturing and transportation companies.

William B. Tarrinan, head of the banking firm bearing his name, will be chairman of the board of directors of the new concern. Other directors include Harry S. New, former postmaster general and L. W. Baldwin, president of the Missouri Pacific railroad.

Four Arrested In Rothstein Murder

NEW YORK, March 5 (AP)—Four men with papers in their possession showing dealings with the late Arnold Rothstein were arrested today and five packages of narcotics valued at \$1,000,000 at street prices were seized as they were about to be shipped by express to points in Kentucky, California, Missouri and Texas.

One Killed When Youthful Bandit Holds Up Houston Cafe Last Night

**'INNOCENT BYSTANDER'
MORTALLY HURT
IN CONFUSSION**

(By Associated Press)

HOUSTON, March 5.—Police conducted an intensive search today for a young white man who last night attempted to hold up the Boulevard Cafe, 3819 Harrisburg Boulevard, with the result that one man was killed and another wounded seriously.

Leonard W. Hight, 33, was almost instantly killed when A. Ruddle, the cook in the cafe, mistook Hight for the bandit and shot him with a shotgun.

S. W. Clifton, 40, of Kingsville, a fireman for the Missouri Pacific railroad, was shot in the head and seriously injured when the bandit started firing his pistol in the confusion following Ruddle's shot.

The bandit ran out of the door as Ruddle fired a second charge from the shotgun but witnesses said the bandit was not hit. He is believed to have jumped into a waiting automobile which carried him away.

Witnesses said the bandit entered the cafe, pulled a pistol and commanded every one to hold up hands.

"Open up the cash register," the bandit shouted to Miss Edna Parsons, waitress. The young woman faint.

"Hey, you," the bandit said, turning to Hight. "Open that register and make it snappy."

Hight, who was sitting on a stool by the register, reached across and began fumbling with the keys in an effort to obey.

Ruddle looked through a small opening which separates the kitchen from the rest of the cafe and saw Hight reaching for the register. He thought Hight was the bandit and fired a shotgun charge into the man's back and head.

As Hight fell mortally wounded, the bandit became unnerved and started firing. One bullet struck Clifton in the cheek and came out of his jaw.

The bandit then ran out the front door as the cook fired again.

Too Much "Whoopie" Costly For Youth

That a rented room in a family residence is not a good place to have a party was rather painfully demonstrated to a local young man late yesterday in Justice of the Peace court here.

According to officers, the young man was making "whoopie" too loud for the satisfaction of the other persons in the house and for the neighbors. He paid a fine of \$22.15 on a charge of disturbing the peace. His trial was set for this morning and several women reported to testify in the case to learn that he had already pleaded guilty and paid off.

SCOUT DRIVE OPENS TODAY

TEAMS TAKE STREETS
TODAY IN CAMPAIGN
TO GET \$10,000

With \$10,000 needed to pay the past debts and carry on the work of the Boy Scouts organization here for the current year, an army of public spirited workers, divided into four divisions with a Scoutmaster and four patrol leaders in charge of each, this morning began the annual Scout financial drive.

The workmen held a short session at the city hall at 9 o'clock this morning, receiving final instructions before beginning the city-wide solicitations. They were scheduled to make a report to headquarters at about 3:30 o'clock this afternoon.

The campaign is under the direction of George Dupree, general

Two Released In Plumbing Law Case

Two local men were released under \$100 bond from the city corporation court this morning after they had been arrested on charges of violation of the city plumbing ordinance.

FEBRUARY'S COLDEST DAY FIXED NEW RECORD FOR MONTH IN LUBBOCK AREA

During the past month, Lubbock shivered under the coldest February weather ever recorded for the city as the thermometer dipped to the one degree mark on the 10th, according to a summary of weather conditions compiled by Don L. Jones, superintendent of the State Experiment Station located east of the city.

Although the temperature varied seventy degrees during the month, reaching the seventy-on degree mark at one time, the average of the month was 8.02 degrees colder than

the normal mean temperature for February. The temperature averaged about thirty-five degrees. The month contained nine clear days, eleven partly cloudy, and eight cloudy days.

Precipitation for the first two months totals .77 inch, 36 inches below the average 1.13 for that period. February's moisture was only .34 inches as compared to the average of .77 inches for the month.

Last month's wind run of 4,389 was considerably below the normal of 5,569.

WEATHER CHANGE CAUSES BLAST

Owing to a change in weather from bitterly cold to mild, this huge gas tank near Berlin, Germany, exploded, damaging surrounding houses. With the blast 36,000 cubic meters of gas were simultaneously released.

POISONED WHISKEY CLAIMS HEAVY TOLL

MORE FATALITIES ARE
FEARED IN PEORIA
ILLINOIS, TODAY

(By Associated Press)

PEORIA, Ill., March 5 (AP)—Murder warrants against two men and their wives were ordered issued today following the coroner's inquest into the death of Clarence Toupe, one of 15 persons who died in the Peoria district during the last three days, supposedly from poisoned liquor.

PEORIA, Ill., Mar. 5.—Sickness, blindness and death from poison liquor in and near Peoria struck a new high today. Fifteen were dead, dozens were seriously ill, and four were probably permanently blinded.

The death list has grown steadily since the first three fatalities occurred Saturday night. There were seven dead yesterday morning, and eight more deaths were reported during the day and night.

The coroner's investigation has been held up because of the possibility of more fatalities. Coroner William Ellis said the first death list might contain 20 or more names.

Ben Teel, 60, and Lance Hitz, 55, died last night. Teel at Peoria and Hitz at his home in Vermont, Ill.

Three men were under arrest. Officers said the tragic aftermath of week end drinking had instilled genuine fear into bootleggers, and sale of liquor had been virtually suspended.

Alarm was felt in other Illinois cities, principally Galesburg and Decatur, where police fear shipments from the same batch of poison.

(Turn to Page 10, Column 5, Please)

Gay Splash of Color Marks Inaugural End

WASHINGTON, March 5 (AP)—A gay splash of color rising out of the wet drabness of the weather marked the evening's end of Inauguration Day.

The Inaugural Charity Ball ushered the day into history with a blaze of bands, a riotous mass of brilliantly colored gowns, and a ceremonial dash of officialdom in the persons of 30 governors of states and the vice-president of the United States.

Work 'On Lubbock Hotel Opens Soon

Construction of the Hotel Lubbock five-story annex will begin in the near future, W. A. Myrick, Jr., said this morning.

Mr. Myrick said that although the date had not been set definitely, he thought that the final arrangements would be made within the next few days.

W. G. McMillan, contractor for the job, had previously announced that construction would start about the first of March.

CITIES TAKEN IN VERA CRUZ ARE DESERTED

**FIGHTING REPORTED IN
FIVE STATES OF
MEXICO**

(By Associated Press)

First bloodshed in the Mexican revolution was reported today in five different states as the government and revolutionists settled down to what appeared a life and death struggle for supremacy.

Capture of Monterey, strategic railway center in the state of Nuevo Leon, was claimed by the revolutionary leaders.

Loyal federal troops clashed with rebels in the state of Vera Cruz and claimed victory, while the insurgents claimed a victory at Monterrey after a battle in which there were heavy casualties.

Coahuila, Sonora and Sinaloa also reported fighting.

The central government made wide plans for action on two fronts, the North and South.

Former President Calles, as commander-in-chief of all government troops will conduct the campaign in Sonora, while General Andrew Almazan will concentrate on the South. Already 8,000 of his troops are on the march to Vera Cruz.

Opposing these two leaders will be General Gonzalo Escobar of the

BOY LOAFERS TO BE CAUGHT

EIGHT YOUTHS TAKEN
ON CHARGES OF
PETTY THEFT

An order for a general round-up of youths who habitually loaf and lounge downtown came from police today following the arrest Monday of eight Lubbock youths, ranging in age from fifteen to seventeen. The boys were all arrested on charges of petty theft.

Five of the youths were still in the city jail this morning, three having been released when it was determined that they had not figured in the recent wave of petty thefts.

With the arrest of the young boys city police officers recovered considerable stolen property, including several bicycles, clothing, and samples cases. Two of the youths are charged with opening a locked car, parked in front of a local hotel, and taking from it a sample case containing valuable merchandise.

Parts of eight bicycles were recovered at one place, and other property was found stored in vacant and partially burned houses.

Gay Splash of Color Marks Inaugural End

WASHINGTON, March 5 (AP)—A gay splash of color rising out of the wet drabness of the weather marked the evening's end of Inauguration Day.

The Inaugural Charity Ball ushered the day into history with a blaze of bands, a riotous mass of brilliantly colored gowns, and a ceremonial dash of officialdom in the persons of 30 governors of states and the vice-president of the United States.

Mr. Myrick said that although the date had not been set definitely, he thought that the final arrangements would be made within the next few days.

W. G. McMillan, contractor for the job, had previously announced that construction would start about the first of March.

FLOYDADA TO GET CREAMERY

LOCAL CORPORATION IS FORMED TO PLACE PLANT THERE

(Special to The Journal)
FLOYDADA, March 5.—Stock has been subscribed and plans are being completed this week for the installation of a creamery in Floydada, which it is hoped by organizers to have in operation within sixty days. It was announced recently by J. Daniel, who is one of the stockholders in the \$1,000 corporation formed locally for the purpose of buying, butchering and operating a creamery. The firm will also deal in other products of the farm, including eggs and poultry.
A building for the creamery will be constructed, beginning at an early date, on Wall Street on a lot owned by J. G. Martin. Contract for a term lease on the building has been obtained and it is believed the building will be ready for occupancy in thirty to forty days and machinery will be installed as soon as the building is ready.
The local incorporators, in order to obtain advantage of good marketing facilities, have prevailed on Walter Fuller, a successful creamery operator of Lawton, Oklahoma, to become associated with them in the enterprise. Fuller is expected to be named one of the directors.
In addition to the commercial activities of the organization, it is the plan of the men backing it, to aid in the development of the dairy industry locally, to sponsor testing associations, bull circles and similar projects having for their aim a stimulation of the dairy industry and the development of the territory, Mr. Daniel said.

OKLAHOMA PASSES TOLL BRIDGE BILL

OKLAHOMA CITY, March 5 (AP).—The interstate toll bridge bill, authorizing the Oklahoma Highway Commission, to acquire by purchase or condemnation portions of structures on the Oklahoma boundary within the state was passed by the House of Representatives today by a vote of 81 to 4.
The House yesterday acted favorably on a measure authorizing purchase of all interstate toll bridges.
The interstate bill would instruct the highway department officials to cooperate with adjoining states and the federal government in purchasing the structures.
The state, however, would not be

"I'M STICKING BY ORGATONE FOR IT STUCK BY ME"

Lubbock Man Suffered For Four Years And Got So Weak And Run-Down Could Hardly Work

Business men, farmers, artisans, and in fact Lubbock people from all walks of life, including innumerable women, have actually tested Orgatone and have made statements to the preparation's remarkable merit. This undeniable evidence was further strengthened recently by the statements of an unusually large number who have realized the powers of the medicine, among whom was Fred Joyce of 2410 Ave. F, who is a plumber, and is well known here, having been a citizen for several years of this city.

"I must say that Orgatone was the very thing for my run-down condition," he said to the Orgatone representative, "and it took hold of my trouble and picked me up so quick that I was actually surprised. I suffered from stomach and liver trouble, and was extremely nervous. I couldn't get any strength or nourishment from my food, and just couldn't get a medicine that would improve my case. I had severe intense pains shooting through my back and sides, all day long, from liver and kidney trouble, that would almost drive me distracted. Every day got to be a dread for me, and I suffered so, I got to where I couldn't hardly do my work. Gas formed on my stomach, and I was so restless I couldn't get any rest at night."

"At last I made up my mind to give Orgatone a trial, and to my surprise I began to notice a change in my condition, after the first few days. I've taken one bottle now, and the way it has built me up and given me an appetite is something to wonder at. I enjoy my food, and can sleep a good deal better. I sleep fine and get up in the morning feeling refreshed and ready for my day's work. All of my severe pains have left me, and my liver and kidneys are much better. I don't feel heavy and get tired like I did, after a little work, the fact is, I can hardly remember the time when I felt as good as I do now. I am telling my friends about Orgatone and am sticking by it, for it has certainly stuck by me. It's a fine thing and there's no doubt about it putting the ginger into a fellow when he feels all tired out and run-down. One bottle of it has helped me so. I am buying five more bottles and know then I shall feel like a new man."

Genuine Orgatone is not a so-called patent or secret remedy but a new scientific treatment containing no alcohol or other false stimulating drugs and is sold in Lubbock exclusively by the Bowen's drug store under the personal direction of a special Orgatone representative.

ARRESTS BELIEVED TO HAVE SOLVED CHICAGO GUN MASSACRES

THREE WHO FINGERED MACHINES LISTED BY OFFICERS

(By Associated Press)

CHICAGO, March 5.—Names of three men who the state's attorney believes fingered the machine guns that slew seven gangsters February 14, were made public today.

Joe Lofredo whose brother, Pasquale, met a gang death January 8, was named as one of the actual executioners.
Frederick R. Burke, alias Thomas A. Camp, alias Joseph F. Lewis, long hunted as a bank robber, and James Ray of St. Louis were the other "choppers."

Burke and Ray, according to David Stansbury, who is directing the state's attorney's independent investigation, were disguised as police officers. Besides Lofredo, Burke and Ray there were two others who entered the North Clark Street garage and participated in the actual massacre.

Jack McGurn, who has been arrested and booked on murder charges, was not one of the killers, as Stansbury reconstructs the crime, though he may have been active in its planning.

Lofredo was given the "honor" of handling a machine gun against the George (Bugs) Moran gangsters so that he might avenge the death of his brother whose slayers were believed to have been Moran men.

"Marketing" To Be Discussed At Meet

The session will be the subject discussed this afternoon at the Wolfarth Home Demonstration club meeting, according to Miss Louise Baird, Lubbock county home demonstration agent, who will attend the meeting.

The session will begin at 2:30 o'clock and will be held in the new Wolfarth auditorium.

authorized to expend more than half the amount necessary to acquire a bridge or build a new one.

In event the bridge could not be purchased amicably or through condemnation at a fair price the commission might assist adjoining states in building free bridges on the boundary line. The bill carried an amendment preventing any action on interstate bridges until all intrastate structures had been bought.

FARMERS ASKING FOR POISON HERE

Farmers from all sections of Lubbock county reported to the offices of County Agent D. F. Eaton this morning for a supply of the poisoned grain to be used in prairie dog extermination work.

R. J. Powell, field assistant of the state biological survey, is in charge of the county-wide campaign, and will make a check-up of every community. Instructions are given the farmers concerning how to use the poisoned grain. It is estimated that the grain will kill about 90 per cent of the prairie dogs, and it is planned to stage a follow-up drive with poison dust to kill the remaining pests. The campaign will continue for about ten

R. N. Miller New Bus Agent Here

Robert N. Miller, for a number of years agent at the bus terminal in Roswell, N. M., this morning assumed duties as agent for the Union Bus Terminal of this city.

Mr. Miller has had a wealth of experience in this line, having a good acquaintance with bus lines throughout the nation. He has

been connected with the Pickwick system for a number of years. Mr. Miller replaces Hayes Bryant as agent here. He announced this morning that his assistant would be James Marlow.

HEATHS GAIN NEW ENERGY AND VIGOR ON TAKING SARGON

"My phone number is 4-4135 and anyone may call and I'll be glad to tell them what I think of Sargon—and that ought to be proof of its worth."

Mrs. W. J. Heath, 1908 Cockrell St., Dallas, made the above state-

MRS. W. J. HEATH
ment recently to the Sargon representative. Her husband, civil engineer for the Proctor-Gamble Co., said:

"I don't believe any two people ever suffered more with stomach trouble than my wife and I. I could scarcely eat anything and my wife had to live on corn-flakes, milk and liquid foods. Nothing agreed with us. We always carried soda about with us so we could get a little temporary relief after meals. We had to use strong laxatives continually. Extreme nervousness, biliousness and headaches harassed both of us and many a time we'd walk the floor, unable to sleep. Many days I couldn't go to work."

"Recently I came home and found two bottles of Sargon and Sargon Soft Mass Pills on the mantel. My wife said: 'I'm tired of suffering and know you are. I've heard so much about this Sargon that we are going to try it.'"

"Very shortly after we started taking it we both began to improve and now we can eat anything without bad effect. Our nervousness left us; the aches and pains. Our strength and vigor returned and we now sleep soundly and get up filled with energy and hearty appetites."

"Our liver troubles were overcome almost at once by Sargon Soft Mass Pills and our biliousness and headaches disappeared. These pills are wonderful for they don't sicken or purge in the least. They are dependable too."

"We are in fine shape and I don't believe either of us ever enjoyed better health."

Sargon may be obtained in Lubbock at the City Drug Stores and in Slaton at the City Drug. adv.

YOU CAN MOVE ALONG WITH ANY GASOLINE

BUT YOU RIDE—
"HIGH, WIDE and HANDSOME"

There's a real thrill to motoring when you have Conoco Ethyl in the tank.

This snappy power fuel literally pulls at the leash—eager to go—just "rarin" to release the full power which your motor was designed to develop.

And remember, Conoco Ethyl operates efficiently at all temperatures—and at all seasons.

It "Knocks out that Knock"—turns carbon into power. Betters the performance of any type of car—whether of low or high compression—and more than saves its slight extra cost

by insuring a smooth running engine—thereby reducing repair bills.

Once you've tried Conoco Ethyl you will appreciate what a pleasing difference it makes in the operation of your car.

Get it at the Conoco Ethyl pump—at service stations and garages.

ROBINSON TAKES OVER TRAINING REINS IN BROOKLYN CAMP

DID YOU KNOW

Random Scraps Of News Pertaining To Sports World

That was a swell story about Kress putting in his own figures on a contract. He put down \$7000... but the Browns ruined the story. George Lott will play baseball and tennis for Stagg's Maroons... perhaps... if he passes enough work. Dick Porter, the Cleveland's rookie outfielder, runs a liverwurst factory in Maryland... and he hasn't signed a contract yet. Bulow, who can't be seen by Herr Maxie as a manager, knows Choe Charcos. He took Mike McTigue away from Choe once. The British Columbia legislature congratulated Percy Williams the other day... for those Olympic victories... it was better late than never. The El Dorado Club in the Cotton States League owned by a big oil company... and it is called the "Lion Oil Company El Dorado Club of the Cotton States League."

MOVING THE SPORTS WORLD

By ALLEN CARNEY

The return of Coach Victor Payne from Ableme where he has been at the bedside of his father, means that the Tech thinsy clads will get down to serious business this week in preparing for their first track competition of the season, March 29, when the locals journey to Austin to compete in the Texas relays. The Matador mentor was absent from the city during a large part of last week and as a result was not able to give his attention to the track candidates. Individual training has been under way for the past several weeks, however, and a large number of the squad members are in shape to start working for time in their respective events.

Following the Texas Relays on the 29th, the locals will enter the S. M. U. Relays the next day in Dallas. Outstanding cinder stars will add lustre to both meets. Such speed champions as Fazio, Narmi, Perry, Williams, Ray Dodge and Claude Bracey are expected to enter. Although the Matadors are not predicting a run-away in the events they will enter, Coach Payne expects his entrants to give a good account of themselves.

In the meantime, the fourth annual intramural track and field meet will hold the spotlight around the Tech campus. Beginning Thursday afternoon, the three major schools of the college will begin preliminaries in all dash events and finals in the pole vault. The Liberal Arts tracksters carried off high honors last year, and are considered the favorites to repeat this season. Rumors abound indicating the Liberal Arts aggregation has within it ranks several "dark horses" who may show flying heels to the remaining field.

Announcement from athletic headquarters that the 1929 Tech football eleven will meet the Baylor University Bears on the Cotton Palace gridiron next fall bring the fourth Southwestern Conference school into football relations with Tech. The Matadors have previously met Baylor on the football field but never before have the football teams of the two schools met. T. C. U. A. and M. and Texas are the other Southwest teams who have clashed with the Crimson warriors on the grid. The date is November 2.

This last named date was the second agreed upon by Tech and Baylor officials. Originally the teams were to have met November 16, but in working out a five-game schedule for the month of November the Baylorites changed their plans. In accordance with the recent agreement between members of the Southwestern Conference that the annual Texas-A. and M. Thanksgiving day classic be given full sway, no other games were scheduled on this date. Instead, games will be played on the Saturdays before and after Turkey Day.

Ordinarily, the football season has closed on Thanksgiving Day, but the new arrangements will give the teams more games as well as afford the Longhorn-Aggie clash the center of the stage. Early communications between Tech and Canyon mentioned November 2 as the date for the annual Thanksgiving day classic, but it was intimated yesterday that the usual season's finale with the Herd will be played during the first week in November.

HOWLEY BANKS ON ROOKIES TO PUT BROWNS IN RACE

M'GRAW PUTS REGULARS AT SPEEDY PACE

BABE RUTH DISCARDS GOLF CLUBS FOR BIG BAT

(By Associated Press)
CLEARWATER, Fla., Mar. 5.—With Wilbert Robinson at the helm, the Brooklyn Robins have gone to work in earnest.

Robinson yesterday took over the reins Max Carey held since the Robins' camp opened and immediately ordered a three hour workout including on full nine inning game.

Among the spectators were Denny Vance and Doug McWeeny, the Robins' right handed pitching ace, both of whom have refused to sign contracts the club has tendered them.

At San Antonio, John McGraw, who does the New York Giants' "master minding," has a new stunt training camp use. He calls it "continuous baseball."

Instead of having a change of side after three put outs, John has his regulars bat until 27 outs are recorded. Then he calls in the second team to bat until they've exhausted their quota of outs. The "Little Napoleon" thinks his scheme saves time.

Babe Ruth will let his golf game alone for a while and get down to work of preparing himself for the baseball campaign to come.

He came out for his first workout with the New York Yankees at St. Petersburg, Fla., yesterday and immediately gave the spectators a thrill by pulling out many long hits.

The Phillies are going through a two-a-day program at Winterhaven, Fla., but no serious drilling is attempted. Don Hurst, first baseman, and Presco Thompson, second sacker, reached camp yesterday. The other infielders and outfielders, who are not due until the end of the week.

With the training camp cluttered up with athletes, Connie Mack is having trouble to find places for all the Athletic regulars and rookies in practice camps at Fort Myers, Fla. For the present he is using the ten-man team plan, making it unnecessary for any of the pitchers to go through the motions of batting.

In yesterday's Regular-Yankee game, which the regulars won 19 to 4, Boey did all the batting for the regular pitchers and Captain Eddie Collins enacted the same role for the Yankee flingers.

McKain With Sox
The wanderings of Harold McKain, former Cleveland hurler, declared a free agent by Commissioner Landis, have ended at Dallas where the White Sox are being put through their spring training jobs by Manager Lena Blackburne. McKain, who won 20 and lost six games with the Decatur club of the Three-Eye league last season, signed a Sox contract yesterday.

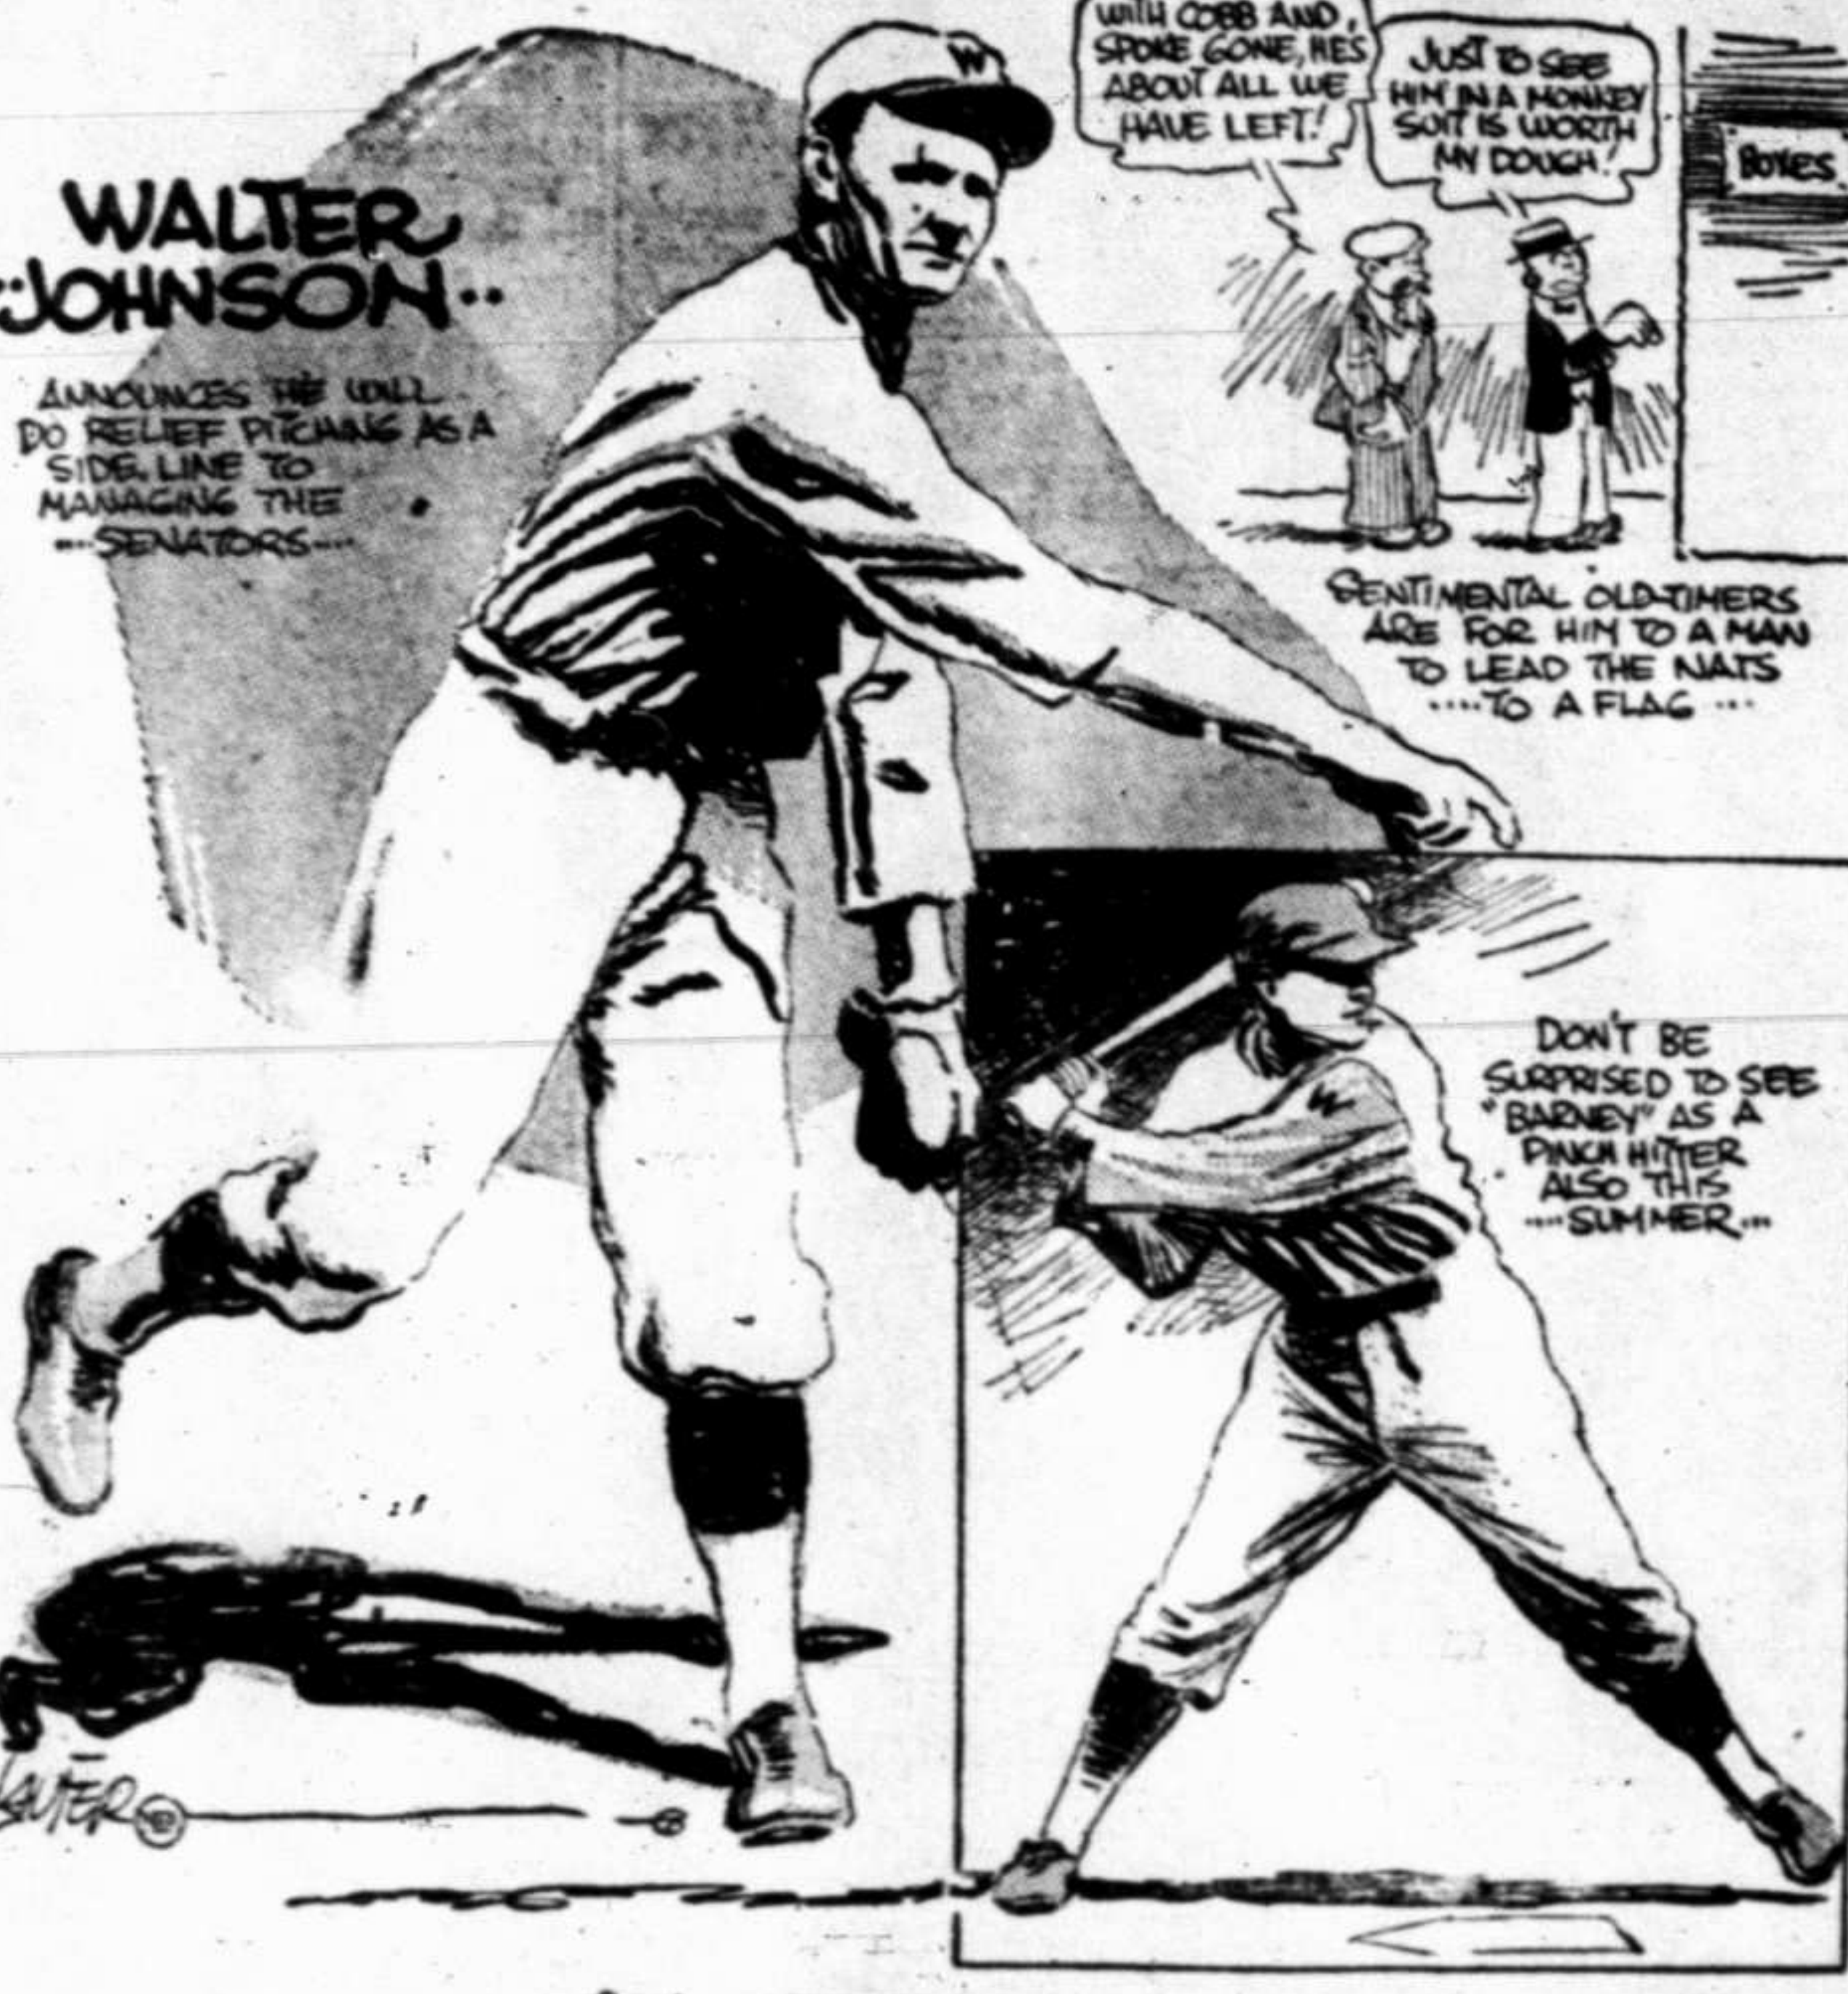

Blackburne sent the Sox through four hours of strenuous workout yesterday. Red Faber, the 41 year old Cascade hurler and Tommy Thomas let loose with a few mid season tosses.

The unexpected arrival of Fred Schulte, St. Louis Browns center fielder, Sunday night blazed the trail for the incoming regular cutfielders and infielders due to arrive at West Palm Beach, Fla., today to go into training.

At Bradenton, Fla., the Boston Red Sox, 39 strong and boasting not a single holdout, looked today as if they had been south ten days like most of the other clubs, although they arrived only 24 hours ago.

It appeared to be a group of tired clerks that Manager Bill Carrigan led into town yesterday but an hour and a half practice followed by a swim in the Gulf of Mexico, painted a sunburn on every member of the team.

BIG TRAIN WILL DO RELIEF HURLING ON SIDE

JOHNSON MAY ALSO DO SOME PINCH HITTING IN SEASON

The recent announcement of Walter Johnson that he will work as a pinch pitcher this summer as well as manage the Washington Senators comes as great news to the army of fans who have to see the old favorite fade from the major league picture.

Johnson and his early contingent of pitchers and catchers were among the first of the big leaguers to start training in Florida, where the Big Train lost no time in setting a good example to the younger pitchers and rookies in his fold.

After a few workouts, Walter was convinced there is plenty of stuff in his famous right arm to at least help out in the late innings if not occasionally to turn in a full game.

And, while on the subject of pinch pitching, it is more than likely that Johnson will serve nearly as often as a pinch hitter. He always has been a good batsman and during his long career broke up many a game with a timely bingle.

A few years back when called in to the game as a pinch hitter in the ninth inning of a game with Cleveland at Dunn Field, he sent a scorching homer over the high right-field screen, a feat which had been accomplished but once before by a right-hand batter in the history of the park.

Last year the Newark Bears illness prevented Johnson from showing what he could do as a manager. Also there was talk that the good-natured Walter was too easy-going with the bad boys of the team, which was generally accepted as the reason Newark finished second instead of winning the pennant.

This year Walter will stand for no fooling. With his full health once more and the old fast ball to rely upon in a pinch, you can scratch last year's story right off the books.

NAME JUDGES IN TRACK MEET

TWENTY OFFICIALS ARE LISTED FOR TECH CONTESTS

The names of twenty officials for the fourth annual intramural track and field meet which starts Thursday afternoon were given out this morning from athletic headquarters by Coach Victor Payne.

Coach E. J. Lowry of Lubbock high school has been secured as the starter for the meet and Jake Scober will do the announcing.

Other officials are: Timers—Franks, Morgan and Higginbotham. Judges—Ingerton, Gondry, Pender, Mahoney, Mowry and Nelson. Jump—Tadlock and Davis. Distance races and remaining field events will be run off.

PILOT AGAIN HAS TITULAR ASPIRATIONS

EDDIE GRIMES, TULSA RECRUIT, COUNTED FOR BIG THINGS

BY BRIAN BELL
Associated Press Sports Writer
WEST PALM BEACH, Fla., March 5.—Manager Dan Howley of the St. Louis Browns believes that what has been done in baseball can be done again. Last season he tossed two untied youngsters into his infield and they made good. Now he is considering repeating the experiment with another lad.

Eddie Grimes, is the boy who may be given the acid test on his first trial. He is a third baseman and batted .334 for Tulsa in the Western League last year. If he gets the assignment for the Browns, Frank O'Rourke, one of baseball's energetic performers, will move over to the second base, temporarily forcing Otis Brannon to the bench. Grimes has shown that he can field. If he can hit he is in.

The infield will be completed by Lu Blue at first base and Ralph Kress at shortstop. Kress was good last season and will be better this year, says Howley.

Browns Confident
The Browns, who finished third in the last campaign, are confident that they can do better. They base their optimistic predictions on increased reserve strength, additions to the pitching staff and a never-say-die spirit.

At this time last year the Browns had only two outfielders for Harry Manush who was later to fall only one point shy of the league batting leadership, was injured. Now Manush, Schulte and McNeely are ready with Frank McGowan who finished in sensational style with the club, threatening to make a regular place for himself. Morris Badgro, former University of Southern California star, up from Tulsa, probably will get his major league experience at first hand.

Wally Schanz, still a great catcher and Clyde Manion, will tutor Young Dick Ferrell as the freshman member of the catching staff. Ferrell has much to learn but is willing.

Big Collins Back
The outstanding pitching recruit is Warren "Rip" Collins, a 32-year-old veteran with numerous major league service stripes. The Big Texan who had a great year in the International League last season, seems certain to succeed in his comeback effort.

Manager Howley expects two of his youngsters who did little active pitching last year to be ready to take their turns in 1929. Dick Coffman and Ed Strelecki worked less than a dozen games between them in 1928 but every indication points to more activity to come.

Alvin Crowder and Sam Gray may not do so well in the new season but

GOLF KING

Spending practically all his time between classes on the links has enabled Allan Moser, University of Southern California student to become the state's new intercollegiate golf champion. Now he has to devote his spare moments to keeping in trim to defend his title.

LOCAL HOPES FOR BASEBALL ARE BRIGHTER

O'NEAL SAYS CITY TO BE REPRESENTED IN WEST TEXAS LOOP

The question of whether or not Lubbock will be in the West Texas League when the season opens on May 1 assumed a definite possibility last night upon the announcement by Jimmy "Buck" O'Neal that the Hubber franchise was to be held here and that the president of the league had been notified that Lubbock would positively be in when hostilities start.

Although the present owners of the club are not holding their positions for another season, they have promised O'Neal moral and financial backing, it was announced. In a statement to the Avalanche-Journal last night, H. H. Shell, president of the Lubbock baseball association, expressed hopes that the club would remain in the city.

Stating that he comes here with years of baseball experience at the head of baseball clubs, O'Neal plans to "put over" the local club through the co-operation of Lubbock business men and baseball followers. Considerable money has already been raised, Mr. O'Neal said, and by the opening of training season next month he hopes to have sufficient cash to start the ball rolling.

The twelve players still under contract with the local club have been notified to report here April 1. The official training season for the league opens April 18.

costs more and worth it

The New Mobiloil costs 35c a quart. It is made especially for today's high-speed driving conditions

This New Mobiloil now awaits you at any Mobiloil dealer's for 35c a quart. Surprising savings in oil and gasoline consumption together with better engine performance make this new lubricant the most economical oil you can buy today.

MAKE THIS TEST
Drive to the nearest Mobiloil dealer... have him drain all the old oil from your crankcase and... fill it up with the correct grade of the New Mobiloil. You know from experience how your engine ran the last time fresh oil was put in the crankcase... Now—notice the difference!

Look for these results—
Increased Oil Mileage: Often 100 extra miles per quart from the New Mobiloil.
Increased Gasoline Mileage: Many tests show gasoline consumption reduced as much as 16%.
Faster Pick-Up—More Power: Quicker get-away, more "pep" on the road, less labor on the hills.
Smoother Operation: A quieter motor, a velvety smoothness of acceleration, less vibration when speeding.

new Mobiloil 35c a quart
The dealer who sells a quart of the New Mobiloil for less than 35c (except Mobiloil "B" the chattering oil for Model T Fords, at 35c) is not making his fair reasonable profit. Lower prices often accompany substitution.

VACUUM OIL COMPANY
Specialists in the manufacture of high-grade lubricating oils for all types of machinery.
Dallas Branch, Main & Lamar Sts.

FIGHTS LAST NIGHT

(By Associated Press)
NEW YORK.—George Courtney, Oklahoma, knocked out Nando Tassal, Italy, 14th Street, Missouri, 10th Street, New York (6); Walter Peters, Germany, and Ted Moses, New York, drew (6).
PHILADELPHIA.—Matt Adgie, Philadelphia, outpointed Con O'Kelly, Ireland (10); Midget Kiburn, Philadelphia, and Tiger Taylor, Madison, Ga., drew (6); Joe Proctor, Washington, stopped Jack Carroll, New York (3).
BUFFALO, N. Y.—Jimmy Matlock, Buffalo, outpointed Le Darcy, Michigan (6); Maxey Rosenbloom, New York, outpointed Garfield Johnson, Pittsburgh (6); Jimmy Mahony, Chicago, and Oak Till, Buffalo, drew (6).
SIOUX FALLS, S. D.—Angelo Pugliese, Duluth, outpointed Tony Sanders, Chicago (10); Red Engman, St. Paul, knocked out Matt Mathews, Flaudreau, S. D. (8).
NEWCASTLE, Pa.—Willie Davies, Charlert, Pa., outpointed Frisco Grande, Buffalo, N. Y. (10); Chet Smallwood, Terre Haute, Ind., outpointed Eddie Ruman, Akron, O. (6); Tom O'Leary, Cleveland, outpointed Kid Goldman, Akron (6).
SPRINGFIELD, O.—Tate Langford, Dayton, outpointed Billy Anderson, Louisville, Ky. (10).
LITTLE ROCK, Ark.—Douglas Layton, Springfield, Mo., won a foul from Joe Kid Peck, Kansas City (3).

PERFECT SCORES AT SUNDAY SHOOT

Two perfect scores went down on record at the Lubbock Gun Club Sunday afternoon when that organization held its first shoot of the 1929 season. St. Gooden, local marksman and J. O. Dudley of Floydade were the ones turning in the perfect "25's".

In the official shoot for high prize, Dudley and Gooden were tied with 21 out of 25. In the shoot off between the two, the visiting marksman scored a perfect 25 while Gooden was on his heels with 24 out of 25.

An unusually good first-day crowd was on hand for the shoot, Mr. Gooden said last night, and indications point to a greater organization for the coming year.

Due to the fact that part of the equipment for the "Skeet" range had not arrived, club members were unable to hold the new feature which is being planned. The remainder of the equipment is expected in within the next two weeks.

NEW AND BETTER SCHEDULES ARE IN EFFECT NOW!

UNION BUS TERMINAL SCHEDULES
LUBBOCK TO AMARILLO LINE
NORTH PLAINS COACHES—ARCH TYLER, OWNER
Cars leave Lubbock for Amarillo at 7:15 a. m., 11:00 a. m., 3:30 p. m. and 9:00 p. m. Convenient connections made at Amarillo for Panhandle oil fields, Oklahoma and Colorado.

*"To stay slender-
reach for a Lucky
a most effective way of
retaining a trim figure"*

Billie Burke

"To stay slender reach for a Lucky Strike instead of a sweet when your sweet-tooth tempts you. I have practised this for years and find it a most effective way of retaining a trim figure. There is something to the toasting process which develops a flavor in Luckies that completely satisfies the desire for sweets. At the same time, toasting takes out the irritants and Luckies never affect the voice."

BILLIE BURKE

Note: Authorities attribute the enormous increase in the process of Cigarette smoking to the improvement in the process of Cigarette manufacture by the application of heat. It is true that during the year 1928, Lucky Strike Cigarettes showed a greater increase than all other Cigarettes combined. This confirms in no uncertain terms the public's confidence in the superiority of Lucky Strike.

FOR SALE--To hear from parties owning large tracts of land for lease and sale. Graham Roberts, Rt. 3, Decatur, Tennessee.

RARE OFFER

We wonder if you would be interested in the purchase of raw land on the Plains. If you will take the pains to go to Morton, then about two miles this side, on the north side of the highway, and lying broadside with it, you will see what you yourself will say is the best looking quarter section of land you ever saw. Big statement, you say? Yes it is, but every word true.

No soil any richer, no table any more level, no sand, no grubs, two miles from fine school, court house and gin, an ideal location for a home.

We are authorized to sell this land for \$25 per acre, and when we say that do not get confused with low sand lands at \$20 and \$15, and that are not worth one-half this land.

Its special value is due to the high quality of the soil, its beauty, its location close to Morton, the ease and certainty of getting a bountiful supply of the finest water. As a matter of fact if this land should sell for its value it would not be one cent less than \$55.00 per acre. Let us tell you more about it.

Jno. L. Ratliff Co.
 No. 1, Brown Bldg.

\$1500 ONLY, \$400 CASH will buy this beautiful 1 1-2 acre tract just 600 feet south Tech grounds. Will cut 12 fine lots. Lights in alley.

STOCKS OPEN WITH SELLING

HOME OF FAVORITES BREAK SHARPLY AT OPENING

(By Associated Press)
NEW YORK, March 5 (P)—Fur-
ther selling developed at the open-
ing of today's stock market. Radio
and stock broke 3-4 points to
1-1-4, as contrasted with last
week's high of 4131-2. National
Bank and Light and National Bel-
mont each dropped 23-4 points
and initial losses of a point or so
were registered by Radio (new), In-
ternational Telephone, American
and American and Foreign
Ins. Anaconda opened with a
tick of 15,000 shares up 13-8, and
Anaconda opened 15-8 points
higher. Erie Railroad, common,
closed a new 1929 high.
High priced industrials were the
feature of the day. Aeronautical
closed 23-4, National Cash Regis-
ter 23-4, Union Carbide 2
W. S. Steel, common, Allied
Chemical, Sears Roebuck, Dupont
Electric Auto Life yielded a
tick more.
Coppers were in fairly brisk de-
mand on predictions of further in-
crease in the price of the red metal.
Unconfirmed rumors that di-
rectors of the Anaconda Copper
company would meet Thursday

formulate a plan for the retirement
of funded debt through the issue-
ance of additional common stock.
Good buying support also was sup-
plied for Curtiss Aeroplane, New
York Central, Canadian Pacific,
Lambert, National Dairy Products
and General Electric, all of which
recorded early gains of a point or
two.
Foreign exchanges opened steady,
with cables unchanged at \$4.85 7-32.

ANOTHER OIL RECORD MADE

ESTIMATED DAILY OIL OUTPUT CONTINUES TO GO UPWARD

(By Associated Press)
TULSA, Okla., March 5.—Despite
proration in effect in the Greater
Seminole field, Oklahoma's flush
area, the estimated daily average
production of light and heavy
gravity oil in the United States con-
tinued to gain to set a new high
record in the history of petroleum
in the country during the week end-
ing March 2, according to the cur-
rent report of the Oil and Gas
Journal.
The estimated total of 2,704,319
barrels is 18,822 barrels more than
for the week ending February 23,
and is the seventh new record pro-
duction estimate reported during
the past three months.
The sixth record was set during
the week ending February 9, when
a total of 2,690,350 barrels was re-
ported.
For the first time in a number of
months, the Santa Fe Springs field
and California total production
showed a decline, approximately 4-
500 barrels in both heavy and light
oil. Virtually all other fields showed
increases during the week.
Oklahoma fields forced ahead ap-
proximately 9,373 barrels, West Tex-
as 7,984, while the total Mid-Con-
tinent area showed an increase of
approximately 13,992 barrels. Cal-
ifornia's decrease was approximately
4,500 barrels in light and heavy oil.
The total light oil increase for all
fields was approximately 18,985 bar-
rels.

SANTA ANNA WELL LOOKS LIKE PAY
DALLAS, Texas, March 5 (P)—
The Green and Owens Westbrook
No. 1 test, just west of the city lim-
its of Santa Anna, drilled to 1,885
feet, was said by oil men to have
indications of developing into a
good producer. No gauge of the oil
in the hole had been made. The
well is a north extension of the
Moody pool, which has several pro-
ducing wells, and has created re-
newed interest in oil circles in that
section.

COTTON OPENS FIRM, ACTIVE

LIVERPOOL REPORTS GET CREDIT FOR MOVEMENT

(By Associated Press)
NEW ORLEANS, March 5.—The
cotton market opened firm and
active in response to much higher
Liverpool cables than due and on
some buying promoted by recent
heavy rains. Initial trades showed
advances of 10 to 13 points and de-
mand continued aggressive on a bul-
lish consumption statement by a
Wall Street operator.
March sold up to 19.88, May 20.09,
and July 20.15, or 11 to 16 points
above yesterday's close. Towards the
end of the first hour the market
met realizing and prices eased off 4
points from the highs.
Offerings were absorbed at the
small setback and the market
promptly rallied and was on the
upgrade for the remainder of the
morning. At noon May traded at
20.17, July at 20.23 and October at
19.91, or 21 to 24 points above yester-
day's close.

COTTON OPENS FIRM AT GOOD ADVANCE

NEW YORK, March 5 (P)—Cotton
opened firm at an advance of 14 to
17 points. May sold up to 20.85 and
new October to 20.00 on covering,
trade and commission house buying,
prompted by relatively steady cables
and the advance from southern selling
and realizing but the offerings were
absorbed on reactions of 4 or 5
points. The market was steady at
the end of the first half hour.

A further broadening of Wall
Street and commission house de-
mand was reflected by additional
advances later in the morning. The
bullish private estimate of world's
consumption for the first half of
the season seemed to promote a
broadening of interest and all
months made new highs for the day
and movement, with May selling up
to 20.90 and the new October con-
tract to 20.09 or 24 to 27 points net
higher.
The volume of business tapered off
slightly around midday with prices

flow was estimated at 168 barrels
daily. The well is 150 feet from the
east and 150 feet from the north
lines of section 16, Andrew Gabel
survey, No. 271.

COOLIDGE RETIRES TO QUIET OF HIS NORTHAMPTON HOME LIFE

ARMY OF REPORTERS STILL DOGS TRAIL OF EX-PRESIDENT

(By Associated Press)
NORTHAMPTON, Mass., Mar. 5.
Calvin Coolidge, thirtieth president
of the United States, came home
today eager to embark once more
upon the quiet and homely life that
was his before the nation beckoned
him to Washington, eight years
ago.
With him was Mrs. Coolidge,
seemingly as thankful as her hus-
band that the responsibilities of
state had at last been transferred
to other shoulders.

With them, however, came a re-
minder that not as speedily as they
might have wished, was the public's
interest in their activities to sub-
side, for of the two car special train
which steamed into the railroad sta-
tion here this morning, one car was
filled with newspaper men and on
the platform at least 30 or more re-
porters and photographers lay in
wait.

The journey from the tumultuous
to strong; slaughter steers, good and
choice 9.50 to 10.00 pounds, 12.25 @
14.75; fed yearlings, good and choice,
7.50 to 9.50 pounds, 12.75 @ 13.00;
vealers (milk fed) good and choice,
14.50 @ 17.00.
Sheep: 8,000; steady to strong;
lambs, good and choice, 92 pounds
down, 18.00 @ 17.40; ewes, medium
to choice, 150 pounds down, 8.00 @
9.75.

FRESH DECLINES IN WHEAT PRICES

CHICAGO, March 5 (P)—Fresh
downturns in wheat values took
place early today, the market con-
tinuing to be affected by unofficial
estimates indicating large reserve
domestic holdings on farms.
Opening 3-8c to 11-16c lower,
wheat afterward inclined to sag.
Corn and oats were also easier, with
corn starting unchanged to 1-4c
off, but subsequently rallying some-
what. Provisions had an upward
trend.

PRODUCE PRICES

CHICAGO, March 5 (P)—Poultry
firm; fowls 27 @ 32; springs 33;
roosters 23; turkeys 30; ducks 24
@ 30; geese 21.
BUTTER AND EGGS
CHICAGO, March 5 (P)—Butter
unsettled; creamery extras strand-
ards 48-4-4; extra firsts 48 @ 48 1-2
seconds 44 @ 45 1-2.
Eggs higher; extra firsts 35 @ 36;
ordinary firsts 30 @ 32.

crowds of Washington to the peace
and quiet of Northampton was ac-
complished through an almost
steady downpour. The two cars
which had been detached at
Springfield from a Montreal bound
express were pulled the 15 miles to
this city with the rain unabated.
All on board remained in their
berths and the score or so of towns-
people who gathered at the station
respected the desire of the Cool-
idges for sleep and refrained from
demonstration.

With them, however, came a re-
minder that not as speedily as they
might have wished, was the public's
interest in their activities to sub-
side, for of the two car special train
which steamed into the railroad sta-
tion here this morning, one car was
filled with newspaper men and on
the platform at least 30 or more re-
porters and photographers lay in
wait.

The journey from the tumultuous
to strong; slaughter steers, good and
choice 9.50 to 10.00 pounds, 12.25 @
14.75; fed yearlings, good and choice,
7.50 to 9.50 pounds, 12.75 @ 13.00;

down, 18.00 @ 17.40; ewes, medium
to choice, 150 pounds down, 8.00 @
9.75.

FRESH DECLINES IN WHEAT PRICES

CHICAGO, March 5 (P)—Fresh
downturns in wheat values took
place early today, the market con-
tinuing to be affected by unofficial
estimates indicating large reserve
domestic holdings on farms.
Opening 3-8c to 11-16c lower,
wheat afterward inclined to sag.
Corn and oats were also easier, with
corn starting unchanged to 1-4c
off, but subsequently rallying some-
what. Provisions had an upward
trend.

PRODUCE PRICES

CHICAGO, March 5 (P)—Poultry
firm; fowls 27 @ 32; springs 33;
roosters 23; turkeys 30; ducks 24
@ 30; geese 21.
BUTTER AND EGGS
CHICAGO, March 5 (P)—Butter
unsettled; creamery extras strand-
ards 48-4-4; extra firsts 48 @ 48 1-2
seconds 44 @ 45 1-2.
Eggs higher; extra firsts 35 @ 36;
ordinary firsts 30 @ 32.

CAGE TOURNAMENT DRAWING IS HELD

AUSTIN, March 5.—Drawing was
held here today by the executive
council of the Interscholastic League
for the state basketball champion-
ship tournament to be conducted at
A. and M. College, College Station,
Friday and Saturday of this week.
Two teams drew byes and will go
to the second round uncontested.
These are Knippa, Uvalde county,

and San Jacinto High school of
Houston. Play will begin Friday
morning at 9:15 and continue until
noon Saturday.
The first game will be Athens vs.
May, Brown county; second, El Paso
vs. Denison; third, Main Avenue of
San Antonio vs. Cisco.
Friday afternoon the schedule in-
cludes:
First game, Corsicana vs. Perry-
ton; second, Denton vs. McAllen;
third, Estelline vs. Bryan.
Winner of Corsicana-Perryton
game plays winner of Denton-Mc-
Allen game.
Winner of Estelline-Bryan game
plays San Jacinto of Houston.

American Business Enterprise

IT IS the drive and energy of the American business
man which have brought our nation supremacy in the
marts of the world. That spirit which impels a man ir-
resistibly onward once he has faith in his idea. And it
is the American bank, ever ready to back a good prop-
osition with American dollars that provides the motive
force. A typically American bank—

SPECIAL ANNOUNCEMENT

Due to the unusually large increase in our business we found that
our facilities were inadequate and had to turn many people away.
We have just received more tables and chairs and are now able to
seat

36 More People

at every meal. We have also employed the services of more waitresses
and can give better and more efficient service.

When you are planning a banquet let us serve it for you in our special
banquet dining rooms. We have the facilities to handle two large
banquets at once. Every effort will be made to make your banquet
a success.
