Of special interest to friends in this area is the color portrait of Elisabeth Luce Moore appearing on the cover of Presbyterian Life, July 15, 1969, also the story, "A Lady of Quality," written by Janet Harbison. The "Lady of Quality" is the wife of Deport's Maurice T. Moore and has visited here on many occasions in the home of Mr. and Mrs. John H. Moore and the late Mrs. J. H. Moore Sr.

She also served 18 years on the Board of Trustees of Wellesley College and is head of the YWCA's Foreign Division.

Austin. — It starts all over again Monday (July 28). Legislators will be back at the capitol, finishing up the finance chores they left dangling in their regular session.

Gov. Preston Smith, who called the special session after he rejected lawmakers' no-tax, one-year budget and insisted on adoption of a balanced biennial appropriations bill, apparently will spell out his recommendations on opening day.

Smith has been conducting a series of talks with business and industry leaders, exploring tax ideas. Legislators are expected to have to come up with a revenue measure totalling \$300 million or more.

Governor abandoned the idea of waiting until after the August 5 vote on an \$80 million welfare spending limit and other proposed constitutional amendments. Advisors and legislative leaders told him lawmakers will need every one of the 30 days allotted for the special session to complete the big money job at hand.

Key legislative leaders have done spadework on a \$5.6 billion two-year budget for the fiscal period extending through August 31, 1971. No major difficulties are anticipated here, although some hitches could develop.

New court bills also are being drawn in preparation for special session effort to enact a measure to replace the courts measure vetoed by Smith last month as reaching his desk too late.

WATER FOR TEXAS — Another state has offered Texas an option to purchase its surplus waters, State Water Development Board Director Howard Boswell revealed recently.

Boswell spoke in answer to criticism of Constitutional Amendment 2 on the August 5 ballot to authorize \$3.5 billion in bonds to finance a master water plan for the state.

Campaigns for and against the proposed amendment are heating up as election date nears. Proponents led by the Governor's Committee of 500 argue that its failure would be "catastrophic" for the state and that the bonds will prove to be money makers for Texas as well as permitting orderly development of water resources.

Opponents, sparked by State Sen. Charles Herring of Austin, wildlife conservationist and strict economy groups, contend that cost of the contemplated program would be tremendous and that delay for a year or two of added study is justified.

Nine amendments will be voted on August 5. Major interest centers on water bonds and a proposal to raise the welfare spending ceiling. Annual sessions of the legislature and higher pay for lawmakers are among other amendments to be decided. A "Nine for Texas Committee" is leading a campaign for the entire package.

INSURANCE PROBE ON — Two tough critics of the insurance industry on occasion were named by the governor to his nine-member citizens committee which will investigate auto policy rate increases.

Smith named the panel after

Mr. and Mrs. Rex Orrill of Carrollton, visited her parents, Mr. and Mrs. Marshall Sikes, during the week end.

Mr. and Mrs. D. E. Welch of Pasadena, were recent visitors of his parents, Mr. and Mrs. W. E. Welch.

Mr. and Mrs. Richard Parrish and Chuck of Plano, spent the week end with her mother, Mrs. Cordell Alexander.

Mr. and Mrs. Johnny Hood have returned home after spending their vacation at Daisy State Park in Arkansas and Lake O' the Pines.

Mrs. Charlie Good visited here during the week with her father, Tom Bean, who is in Red River Haven Nursing Home at Bogata, and her brother, M. C. Bean.

Mrs. Jewell Butler accompanied her daughter, Mrs. J. D. Northam and her granddaughter, Deborah to Manchester, Tenn., for an extended visit.

Mr. and Mrs. Albert Whitney and daughter of Mt. Pleasant, had his mother, Mrs. Lula Whitney and his brothers, Dumas Whitney and Jerry Whitney and family, for an ice cream supper Thursday night.

State Insurance Board staffers recommended an 11.4 per cent rate increase.

Chairman will be former Gov. Price Daniel, who took on the insurance companies in 1961 when claims arising from Hurricane Carla damage were being rejected. Another member is former Secretary of State John Hill, a Houston attorney, who frequently handles cases against insurance companies. Other members include Highway Commission Chairman D. C. Greer of Austin, Harry Hubbard of the AFL-CIO staff (which has repeatedly challenged auto insurance rate increases), Odessa attorney W. O. Shafer (who defends insurance companies), Lubbock accountant Edwin E. Merriman, Austin editor Sam Wood, Dallas television newsman Eddie Barker and Dr. Alford R. Hazzard, an Austin physician.

OIL ALLOWABLE SLICED — For the second consecutive month, Railroad Commission cut the statewide oil allowable, setting the August figure at 53.1 per cent of potential.

Top production would be 3,310,997 barrels a day. Allowable was lowered from 63.5 per cent of potential in June to 54.7 per cent in July. Nine major producers requested the same allowable as July, three sought less and only two asked for more oil during August.

COURTS SPEAK — Supreme Court affirmed a farm anti-picketing order which labor unions claimed blunted the strike of field hands in the Rio Grande Valley.

Court also upheld the Ector County District Court's decision that it did not have jurisdiction in a libel case brought by Nathan Curry of Odessa against Dell Publishing Company because a story in Front Page Detective said he was guilty of a murder after he had been found not guilty by a Palo Pinto County jury.

A former employee of Sears, Roebuck and Company had no good reason to wait 16 months before filing claims for on-job injuries, Supreme Court said.

Third Court of Civil Appeals overruled state cancellation of two Rio Grande Valley water permits (of 1918 and 1928).

Court of Criminal Appeals threw out the conviction of a San Antonio man who dressed as a woman in public because he was tried under an old Ku Klux Klan law prohibiting wearing of a mask in public.

ATTORNEY GEN. RULES — A Richmond State School employee who got tuberculosis as a result of a psychological exam of a tubercular patient is entitled to medical expenses from the school's appropriations, Atty. Gen. Crawford C. Martin held.

In other recent opinions, Martin concluded that:

• Potter County officials can keep land granted in 1904 for a courthouse and jail though they plan to build on other property and sell the old tract.

• New amendment concerning drive-a-way in-transit license plates applies only to movement of new house trailers, trailers and semi-trailers.

Mr. and Mrs. Neal Moore of Winfield, visited Wednesday his sister, Mrs. Myrtle Keener in the home of her daughter, Mrs. Jay Garretson.

Mrs. Robert Kelso and son, David of Galveston, visited her parents, Mr. and Mrs. Robert Reid and other relatives during the week.

Visiting here Saturday with Mrs. B. L. Gieger were her brother, Mr. and Mrs. Van Cato of Clarksville and nephew, Mr. and Mrs. James Gieger of Ft. Worth.

Mr. and Mrs. Bob Kimberlin, Karen and Richard of Mobile, Ala., visited Mr. and Mrs. H. F. Teague and other friends here during the week.

Visiting Monday with Mr. and Mrs. Ellis Harris were her brother, Nathan Burkham of Dallas and her nephew, Charles Burkham of Marshall.

Registration At PJC July 28th

Registration for the fall semester at Paris Junior College will begin Monday, July 28.

Students should have their application for admission on file in the Registrar's Office prior to the date of registration. Also needed will be a transcript from their high school or the last college which they attended, and a record of their ACT score. If students have not taken the ACT test, arrangements can be made with the Registrar's Office to do so.

"The ACT score is not an entrance requirement, but will be used strictly for counseling purposes," said Ralph W. Webb, Dean of Student Affairs at PJC.

After completion of these steps, students may pick up a card packet at the Registrar's Office, fill out their desired schedule, pay the fees, and be fully admitted for the fall semester. As a sizeable increase in enrollment is expected, students are urged to register as early as possible in order to insure getting the classes and the schedule they desire.

Talco OES Has Regular Meeting

Birthday of Mrs. V. L. Taylor was observed with a birthday cake and candles, given by her secret sister, Mrs. Frank Sloan, served with coffee, cold drinks, and toasted nuts.

HISTORY'S GREATEST GIFTS

Some of the personal gifts presented over the centuries were so extravagant that they now seem beyond the reach of reason.

King Nebuchadnezzar created one of the Seven Wonders of the Ancient World—the Hanging Gardens of Babylon—as a gift for his bride, who longed to recapture the beauty of the green hills of her former home.

Napoleon set a brilliant example: he gave Josephine a tiara-blazing with 880 diamonds.

More recently, hotel baron George Boldt tried to recapture his youth by means of an unusual gift to his wife. He bought one of the Thousand Islands in the St. Lawrence River, then had it carved in the

shape of a heart.

The gifts most Americans give today are far less spectacular. Perhaps the greatest gift of all is a charitable one in the form of a donation. The satisfaction received from even a modest donation cannot be measured by material values. Catholic Relief Services, which aids over 40 million of the world's hungry and underprivileged, regardless of race or religion, needs your support. This agency supplies food, clothing and medical supplies and supports programs for education, rehabilitation, job training and community development. You can help by sending your contribution to the nearest Catholic church or to Catholic Overseas Aid Fund, Empire State Building, New York, N.Y. 10001.

Visiting here during the week with the H. F. Teagues were: Mrs. Joda Nelson of Nashville, Ark., Mrs. Johnny Ball of Texarkana, Mrs. Neva Jo White and Lauri Gail of Dallas.

A son was born to Mr. and Mrs. Larry Armstrong on July 15 at Titus County Memorial Hospital. He weighed 5 lbs. 14 ozs., and was named Pride Stewart.

Mr. and Mrs. Jimmy Fail and Loretta and Jimmy Lee of Palestine, visited his parents, Mr. and Mrs. J. C. Fail and sister, Mrs. Glen Harris and family during the week end. Little Loretta Fail remained with her grandparents while her parents attended Six Flags.

Pvt. Alton R. Brown is on leave from Fort Ord, Calif., with his family, Mr. and Mrs. Eugene Brown, before returning to Oakland, Calif., for duty in Vietnam. Another son, Sgt. Bobby G. Brown from Fort Hood, is home this week end to be with his brother, whom he hadn't seen since before Bobby, himself, went to Vietnam, which was March, 1968.

LET OUR AREA DEVELOPMENT DEPARTMENT HELP

The communities we serve can count on the cooperation of our Area Development Department in efforts to attract new business and industry. This department works closely with chambers of commerce, industrial foundations and other groups interested in industrial development.

Why do we do it? New industries mean new jobs, additional tax revenues, new dollars spent for homes, goods and services. We want to do our part to help the communities we serve grow and prosper. We think it's not only good business, but part of our citizenship responsibility.
