SHERIFF WENDELL BRYANT (second from left, standing) looks on as Mitchell County Judge Bill Carter signs the documents making his appointment as sheriff official. Carter and County Commissioners (left to right) Billy Preston, Paul Hunter, Paul Logsdon and Johnny Shackelford spent three days interviewing and evaluating ten applicants for the position and agreed unanimously Thursday morning on Bryant's appointment.

County Commissioners Appoint Bryant Sheriff

Wendell P. Bryant was appointed Sheriff of Mitchell County by County Commissioners Thursday.

Bryant, one of ten applicants for the position vacated by the resignation of Sheriff Bill McGuire on March 10, was given the oath of office about 11:30 a.m., just after commissioners made their final selection.

In his new position as sheriff, Bryant will serve until Dec. 31, 1982, following the next general election.

Twenty-nine years of age, he is a native of Mitchell County and a graduate of Colorado High School.

No stranger to the sheriff's office, Bryant served four years as deputy under Sheriff McGuire. He resigned in 1979 to work at The Parts House.

Bryant also served 13 months on the Colorado City Police force.

He holds a basic law enforcement certification.

During the three days of closed session questioning, commissioners asked such questions as how will you operate the jailhouse, will you keep the reserves and how many deputies and cars

will you need to operate the sheriff's office.

Bryant notes his intention is to retain the three deputy positions.

"I will set down standards and guidelines for my deputies and if the two current deputies can meet the qualifications and choose to stay,

it is their option," Bryant stated.

He noted he will use the four vehicles currently allotted the department.

"I plan to study the situation with the reserve deputy program.

County Attorney Cracks Down On "Hot" Checks

Hot check writers beware! County Attorney Pat Barber has announced a new policy concerning persons who write bad checks.

The existing policy was established by my predecessor, at a time when far fewer hot checks were written than currently are, Barber said.

He noted in the past two years, a major increase has occurred in the number of persons

writing hot checks.

The county attorney is charged with the responsibility to represent the people of Mitchell County in misdemeanor criminal matters, such as the issuance of hot checks.

In the vast majority of the cases, checks are a convenient and safe way for a buyer to transmit funds from his bank to a merchant, Barber said.

In a few instances, however, the intent of the maker is to defraud and, of course, by so doing, he violated the laws of the State of Texas, he said.

Under state law, any merchant holding bad checks must first notify the writer by certified mail of the hot check. At that time the writer has 10 days in which to redeem the check, Barber noted.

Before the DA can prosecute on the check, the merchant must furnish

a copy of the postal receipt or show that the writer never picked up the certified letter. This information must be accompanied by the bad check.

Under the current policy, the merchant must make two trips to the office of the CA. The first trip is to bring the items listed above and the second trip is to sign a complaint.

After the merchant brings the check and receipt to the office, the CA sends an informal notice letter to the writer, setting an allotted amount of time in which the writer must redeem the check and pay a fee, Barber said.

In the event the writer does not pick up the check in the allotted amount of time, charges are filed and a warrant is issued for arrest.

Under the new policy, See CHECK Page 10

Bowie Girl Killed In Gun Accident

A four-year-old girl from Bowie was pronounced dead on arrival at Root Memorial Hospital Thursday, the apparent victim of an accidental gunshot wound.

Deputy Sheriff Robert Bullock, accompanied by Texas Highway Patrolman James Burson, reported they received a call about 11 p.m. that a shooting had occurred about 10:45 p.m., near a drilling rig south of town on the Spade Ranch.

The two officers headed out Highway 208 and met the Mitchell County

Ambulance coming back to town with the victim.

The two officers continued toward the drilling rig and located a station wagon about one-half mile from the highway with a flat tire.

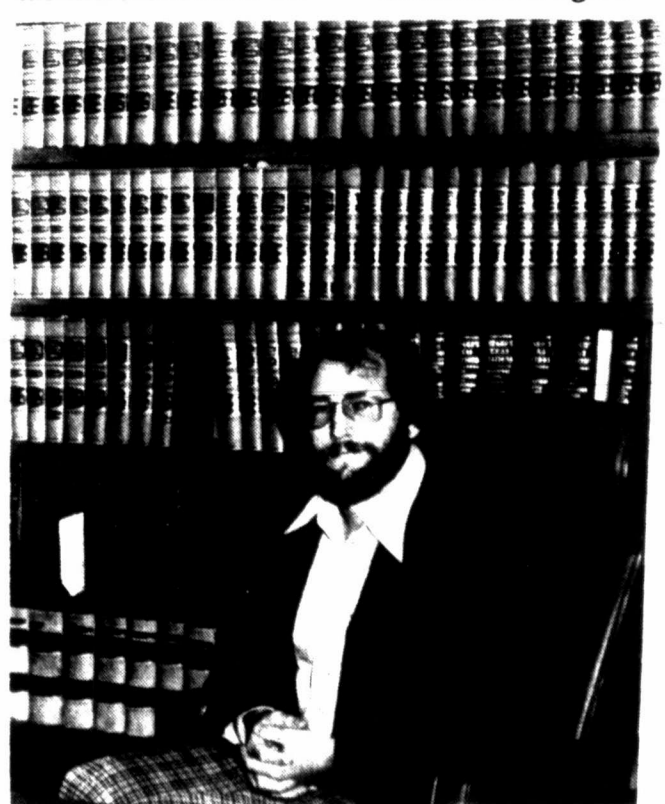

The mother had apparently been taking the girl to meet the ambulance when the car had a flat tire, Bullock said.

The four-year-old girl, Joyce D'Rae Butler, her mother, Raenell Butler and Mrs. Butler's brother, all from Bowie, had been visiting the child's grandfather who is a tool pusher at the rig, Bullock said.

The child was apparently asleep in the back seat of the vehicle and two rifles were lying between the bucket seats, one pointed toward the floor and the other pointed at a low angle at the back seat.

"Apparently, someone bumped the butt of the .2520 caliber rifle and it discharged, the bullet hitting the girl in the abdomen and ruptured her liver," Bullock said.

Dr. Bill Rhode To Be Honored By Friends

Dr. W. S. (Bill) Rhode, the epitome of the legend of a country doctor and long time resident of Colorado City, will be honored with a reception by The City National Bank "Family" March 29 between the hours of 2 p.m. and 5 p.m.

After 45 years' residency in the community, Dr. and Mrs. Rhode and his mother, Mrs. W. W. Rhode, have announced plans to move to Yakima, Wash. in April.

"The Rhodes are moving to Yakima to be

nearer to their daughter and grandchildren," stated Mrs. Ray Anne Carlock, assistant cashier of the bank, when making the announcement. The reception is to be held in the bank annex building.

Dr. "Bill", as he prefers to be called, first established a practice in Colorado City in 1936. At one point, he estimates he delivered between 100 and 200 babies each year, although, he notes, he never took an actual count.

Mrs. Rhode (Naomi) commented during the

same interview, "We had to schedule our wedding around the deliveries."

Students Experience Various Dimensions Of English Life

By JANA BASSINGER

Windsor Palace was the first of many sites seen by high school students from Colorado City and Loraine when touring the grand island of England March 6-14.

Lift-off took place at the Dallas-Fort Worth Airport with a brief lay over in Houston. From there it was a straight 10 hour trip to London, England.

The great places seen by the tour group included a visit to Westminster Abbey, the Houses of Parliament, Trafalgar Square, Piccadilly Circus and Hyde Park.

The group attended a Medieval Banquet given at the "Beefeater Pub by the Tower of England."

"Annie" was one of three theater presentations attended by the travelers.

The ancient Roman Baths were an extraordinary sight according to Sam Houston. This mysterious stone formation was built in 3,000 BC and was used until just last year when the water became impure, explained Houston.

Also visited was the home where Shake-

speare was born in the town of Stratford-on-Avon.

Karla Joiner, who previously visited the country two years ago, stated that she had a good time, but had seen many of the sights the first time she went.

According to the sponsor of the group, Mrs. Chrystene Hall, "Every-

time you go it's a rejuvenating experience, and both culturally entertaining and historically interesting.

"I just marvel at what major contributions that little island has

Cotton Producers Invited To Lunch

Area cotton producers are invited to a free bar-b-q luncheon Thursday at 11:45 a.m. in the civic center.

Following the luncheon, producers will have an opportunity to hear guest speakers discuss information pertinent to cotton production in Mitchell County.

Included in the discussion will be information on weed control, cotton varieties, uniform delayed planting for boll weevil management and fertilizer usage in cotton.

Booths will be set up and chemical companies will display pesticides and other production related chemicals.

Federal Crop Hall Insurance will also be explained.

Ambulance Budget In Good Shape

Mitchell County Ambulance Board of Directors met Thursday afternoon and heard a report from Hospital Administrator Ray Dillard which indicated the service has stayed within its budget guidelines so far this year.

To date the service has made a total of 319 runs since June 1, 1980.

Of these runs, six were dry runs; 150 were emergency runs; 138 were transfers; 266 were local runs and 53 were long distance runs.

This shows an increase of about 25 per cent over the number of runs at the same time last year, Dillard said.

Collections are up over the same period last year with a total of

See SHAPE Page 10

All cotton producers are invited to attend and learn about insecticides, herbicides, fertilizer usage and insect control.

Four area extension specialists participating in the meeting will be Dr. Willis B. Gass, area agronomist, San Angelo; Dr. Thomas Fuchs, area entomologist, San Angelo; Dr. H. See LUNCH Page 10

High School Band On Stage Tuesday

The Colorado High School Band will present a benefit concert in the CHS auditorium Tuesday night at 7:30 p.m.

There will be no charge of admission but donations will be accepted.

The band will present the following selections: "Americans We"; "Battle of Jericho"; "Overture In B Flat"; "Armed Forces Salute"; "Spanish Fever."

Two of these selections will be played when the band will travel to the Greater Southwestern Music Festival in Amarillo scheduled for April 30 through May 2.

The 110 member band will travel in school buses to Amarillo and Canyon.

Chaperones for the trip will be Peggy Maddox, Ann Nobles, Kent and Mrs. Womack, Katie Byrd, Donna Burnam, Kitten Arthur, Band Director Bob Newman and his wife, Carolyn and CHS Band Director Don Chandler.

Fact & Fiction

By Donna Watson

At this point, I don't know whether to offer my congratulations or condolences to the new appointee, Sheriff Wendell Bryant.

He has taken office in the midst of one of the worst epidemics of vandalism this county has ever experienced.

And will, I am sure, have his hands full just making the transition from civilian to law enforcement official for a time.

One way or the other, he will need the support of the general public in his new duties, if he is to do a good job for the county.

Another organization which needs public support and assistance is the Colorado City Police Department.

Vandalisms have increased in number and intensity until over six thousand dollars in damage has occurred since January and several hundreds of dollars are now offered for information leading to the apprehension and conviction of the individual or individuals who create this havoc.

Vandalism is a crime from which no one benefits. There is basically no motive for vandalism and therefore, the crime is virtually unsolvable, that is, without the help of the general public.

There have been too many of these destructive incidents for the vandals not to have been seen in action.

Perhaps the persons who witnessed the acts did not realize what they were witnessing, but upon reflection, can remember an incident or incidents which now seem strange or out of character.

Your local law enforcement agencies need this information. Any person suspicious of what has been seen is encouraged to contact the authorities.

I know in my own case, I have been, at times, hesitant to contact authorities with my suspicions for fear that I am wrong or that I would look a fool, only to discover later that what I had seen was, in fact, a crime being committed.

Police are working overtime to prevent vandalism. Day shifts are going off duty four hours later than normal and evening shifts are coming on duty four hours earlier.

Officers are only reporting about half of their

THURSDAY - Tacos, taco sauce, lettuce, tomatoes, cheese, ranch style beans, Rice Krispie bars, cornbread and milk.
FRIDAY - Beef stew with vegetables, cheese or peanut butter sandwiches, crackers, carrot sticks, white cake with chocolate icing and milk.

Small Grain Report *By Bill Jany*

The rain we received last week has greatly improved the looks of area wheat fields. Some fields had been top-dressed prior to the rain and they are now showing good growth and a healthy green color.

Do not let this healthy green color fool you into making windshield checks on your wheat. Greenbug populations have risen dramatically in some area fields. Even fields that have been sprayed once are showing heavy infestations again in some areas. Counts last week ranged from 25 greenbugs per linear foot of row to populations that are causing large, yellow, dead, spots in fields. On a warm day (above 55 degrees F) greenbug populations can quadruple. Producers should check their fields at least once a week and preferably twice. Oat bird-cherry aphids are also present in most area wheat fields. Oat bird-cherry aphids are dark green but may appear black, slightly larger than greenbugs, and can be identified by the presence of a red area at the base of the cornicles (tailpipes). These aphids are not as damaging as greenbugs, but can reach levels that require treatment.

Beneficial activity is increasing in area wheat fields. Parasitized "mummies" are now being found. "Mummies" are the hollow remains of an aphid or greenbug that has had an egg laid in it by a small parasitic wasp. The egg hatches in the greenbug, the larvae feeds on the insides of the aphid, and later the adult wasp emerges from the hollow shell of the aphid, leaving a small exit hole. Lacewing flies and lady beetles are also present and increasing in numbers. Check your fields closely for beneficial activity. These predators and parasites can eliminate a greenbug problem in instances, especially if we experience temperatures about 65 degrees F. The guide listed below will aid in determining when to treat for greenbugs.

Plant height (inches)	Number of greenbugs per linear foot
3-6	100-300
4-8	200-400
6-16	300-800

Recommended insecticides for greenbugs are Dimethoate (Cygon, De-fend), Disulfoton (Di-Sy-ton), Malathion, Parathion and Phorate (Thimet). As with all insecticides check the label carefully before application.

Food For Thought

Morris Wood
 Pastor
 First Assembly Of God

Genesis 2:7 "And the Lord God formed man of the dust of the ground, and breathed into his nostrils the breath of life; and man became a living soul." The human being as described in I Thessalonians 5:23 is composed of body, soul and spirit. This is the three fold nature of man. Of course we all realize that each person has their own body. How magnificent, wonderful and complex the human body is with all it's members working together. With the five senses: sight, smell, taste, hearing and touch, we communicate with the world around us.

Let us well consider that man is more than just a body. He is spiritual with a soul. The soul of man is the real you. Your likes, dislikes, love, hatred, the emotions and personality all are part of one's soul. The soul of man is that spiritual part which contains the affections and nature of man. Feeling, thinking and the will are all acts of the soul.

Because man is spirit, within that spirit (our life itself) is the capacity to sense the spiritual presence of God, to worship, reverence, and acknowledge our Creator. With a spiritual nature man is a spiritual being living in a human body, created in the image and likeness of God.

Films Are To Be Presented

Missionaries from the Indian reservation in Coolidge, Ariz., will be at the St. Luke Methodist Church tonight (Sunday) at 7 p.m.

They will be showing films on their 30 years on the reservation.

The public is invited to see the film presentation.

Testing Is Set Tuesday

Three, four and five-year-olds will be tested here by the "Early Childhood" staff of West Central Texas Education Cooperative Tuesday.

The Colorado City School Administration Building will be the site of the testing, beginning at 9 a.m. and continues until 3 p.m.

The testing is designed for children with possible difficulties in areas of speech, language development, hearing or delayed learning according to Erna Lou Burt, counselor.

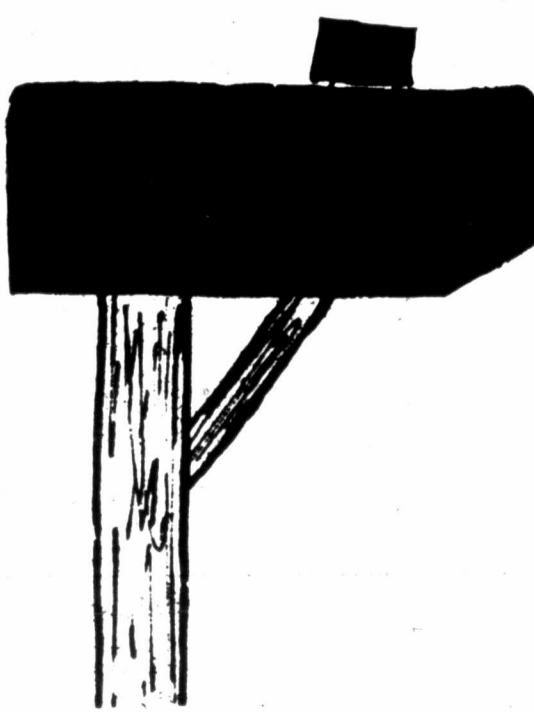

She said that the testing will determine which children are eligible for special training during the school term.

Mrs. Burt stated that if the child is behind other children in these areas, this testing will give that child a time advantage, as opposed to those children who are tested after the school term begins and special training is delayed until testing is completed.

The trained personnel will be available for this free service offered to Mitchell County children, including Ira and Hermleigh School Districts, on Tuesday only.

Appointments for the free pre-school evaluation may be made by phoning 728-3330.

Kelly Sings Irish Ballads At AARP Meeting

The Mitchell County Chapter No. 1461 of the American Association of Retired Persons met

for their regular meeting and covered dish luncheon Monday at 11:45 a.m. in the C. C.

Thompson Room.

Roger Wells gave the invocation and Joy Culwell led the pledge of allegiance and the singing of "America."

A St. Patrick's Day program was presented under the direction of Margaret Oyler, who introduced Tom Kelly. He is the art teacher at Colorado Middle School moving here from Odessa. He served four years in the United States Navy.

He sang four Irish ballads: "Little Bit of Heaven," "When Irish Eyes Are Smiling," "My Wild Irish Rose" and "An Irish Lullaby."

He was accompanied at the piano by Lois Sweatt.

Jim Baum, the guest speaker, was introduced by Mrs. Oyler. He is the owner and manager of the radio station, KVMC.

His topic was "Ireland-It's History and

It's People", giving a detailed sketch of the land. He spoke of their fight for independence touching on characteristics of the Irish.

A short business session followed with Beeman Dockrey, president, presiding. Minutes of the previous meeting were read and approved along with a treasurer's report.

Members voted to donate some money to the Old Timers fund. The president announced that G. Edward Jones, assistant state director of West Texas, wanted a meeting of the executive board immediately following adjournment.

Members present were Ann Rowell Gregory, Ben Costin, Bertie Costin, Lena Porter, Lenora M. Berry, Juanita Coker, Mrs. Oyler, Zama Palmer, Mrs. Sweatt, Minnie Anderson, Thelma Tidwell, Geneva Killian, Albert

Gerald Anderson, Arma Lee Steger, Velma Moseley and Lona Pritchett.

Others attending were Betsy Davis, Dewey Davis, Jewell Tiller, Dollie Jarman, Velma Pond, B. H. Gregory, Mrs. T. D. Wiman, Jr., Ida Miles, Mr. and Mrs. E. L. Ashford, Ida E. Keith, Leslie A. Keith, Olmon Sweat, Louise Sweat, Beeman Dockrey, Linnie Anderson, Bill and Angie Harris, R. W. Wells and Syble Wells.

Guests present were Edward and Margaret Jouis of Odessa, Ethel Clawson and Helen Oglesby of Westbrook, Elizabeth Moore of Sweetwater, Blanche Bell of Westbrook, Thomas Lane Coker of Dallas, Pansy Northcutt and from Colorado City were Debbie Kelly, Joy Culwell, J. Lee Jones, Della Mae Salley and Herman Salley.

Jackpot Series Calf Roping Planned Today At Grounds

The Jackpot Series Calf Roping will be held in the Colorado City Arena beginning at 11 a.m. today (Sunday). Cash prizes will be awarded to winners in both the open and junior divisions.

All entries for the Jackpot Series Calf Roping contest to be held in Colorado City at the arena will be accepted up through 10:30 a.m. today (Sunday). Entries for the area-wide competition will be divided

into both an open and a junior division. Those entries who are 17 and under at the time of entry will be placed in the junior division.

The cash entry fees for the divisions and competition will be \$67 for three long and one short roping attempts in the open division; \$57 for three long and one short run in the junior division; and \$24 for two runs in the barrel racing.

The winners in each division will have their prize money awarded in cash after each roping completion.

The contestant winning the most money, and who has entered at least three roping categories, will receive a \$400 Gist Belt Buckle. For more information on the Jackpot Series Calf Roping, phone (915) 263-7900 or (915) 728-2168.

Letter To The Editor

Dear Editor:

Take a ten and one half year old boy and make a man of him instantly. That is the approach that some would-be good doers seem to think is taken when a boy becomes a Boy Scout as a member of a scout troop. He is expected to instantly learn everything and because he is a "scout", not a little boy, he is

assumed to have the ability to handle responsibilities that even older "adults" do not attempt. These so called adults are in such a sedentary life style, that they don't have any interest in doing particularly anything, except seeing to it that someone else does what ever task they wish to take the credit for.

A group of boys who want to be helped, need just that-help. They don't need to be told to "earn what they need, because they won't respect it if it is not earned." They need to be given the help they have requested and taught respect. Respect cannot be forced on anyone, whether so-called earned or not. Respect is part of a learned behavior pattern, not an earned one or manufactured one. Take a boy and let him learn to be a boy first. Then let him, with proper guidance, learn to be a young man. If all of this is put into place properly, he will become a man everyone will be proud to know.

Walter P. Hearin Scoutmaster, Troop 9 Colorado City, Texas

Birth

Mr. and Mrs. Danny Wall of Colorado City have announced the birth of their son, Travis Franklin born at 7:15 a.m. March 17 in Root Memorial Hospital. He weighed 7 lbs., 8 ozs., and was 21 1/2 inches long.

Maternal grandparents are Mr. and Mrs. Wayne Webber of Colorado City and paternal grandparents are Mr. and Mrs. Loyd Wall of Whiteface, Tex.

Great grandparents are Earl Webber of Colorado City and John Stroud of Poteau, Okla.

Carol Eiland & Jeff Trulock Joined In Evening Ceremony In Snyder

Miss Carol Jane Eiland became the bride of Jefferson Leath Trulock, Saturday, Feb. 28 at 5 p.m. in the First Baptist Church of Snyder. Officiating at the double ring ceremony was Rev. Ken Branam, pastor of the church.

Parents of the bride are Mr. and Mrs. Bill Eiland of Snyder and Mrs. Nancy Eiland of Vernon. Parents of the groom are Mr. and Mrs. O. B. Trulock, Jr. of Colorado City.

Given in marriage by her father, the bride wore a gown of candlelight organza and Venice lace. The fitted bodice was accented by long tapered sleeves and a wedding ring neckline. Venice lace appliques etched the bodice and skirt which swept into a chapel train. Her matinee length veil cascaded from a Juliet-cap covered with lace, which also formed the edge of the veil. She carried a cascade designed bouquet of

white sweetheart roses, white Stephanotis, baby's breath with accents of English ivy and candlelight satin streamers.

Maid of honor was Miss Debe Longbotham of Snyder. Bridesmaids were Mrs. Terry Martin of Snyder, Mrs. Susan Robinson of Dallas, both sisters of the bride, and Miss Becky Jackson of Waco. Attendants wore identical formal gowns of powder blue chiffon with ivory lace insertion and satin ribbon accenting the solitary neckline, empire bodice and tiered skirts. Each carried a colonial nosegay of true blue French carnations, silk miniature imperial lilies and navy silk phlox with baby's breath.

Hope Papay, niece of the bride, served as flower girl. She wore a powder blue chiffon dress with puffed sleeves and an A-line silhouette skirt with an ivory lace petal-shaped apron.

Serving as best man was Steve Shackelford. Groomsmen were Johnny Trulock, Jimmy Trulock, brothers of the groom from Colorado City and Mickey Neff of Afton. Ushers were John Latimer, Allen Sparks, Randy Anderson of Colorado City and Delbert Helm of Rotan. Groomsmen wore navy tuxedos and powder blue shirts.

The altar of the church was decorated with brass

arched and spiral candelabra holding white cathedral tapers and decorated with boxwood garlands and burst of jade and emerald green foliage. The pews were marked with single brass candelabra topped with burning tapers in crystal chimneys and ivory satin streamers completed the candlelight setting.

A reception honoring the couple was held in the Snyder Country Club. The bride's table was laid with a white lace cloth and decorated with ropings of green smilax and satin bows. The four tier wedding cake was decorated with nosegays of white roses, Stephanotis, baby's breath and silk blue lilies. A silver candelabrum holding five tall white tapers with an arrangement of white roses completed the table. Serving were Mrs. Don Stoker and Mrs. Mickey Neff.

The groom's table was laid with a blue linen cloth, brass coffee service and matching brass candelabra. The German chocolate cake was served by Miss Beverly Fuller and Jill Linam of Colorado City.

Presiding at the guest register was Miss Robin McGlamoury of Corpus Christi.

The bride graduated from Snyder High School and attended T.W.U. in Denton and Baylor University in Waco. She is presently employed by the West

Texas State Bank in Snyder. The groom is a graduate of Colorado High School and attended Texas Tech University in Lubbock.

Following a wedding trip to Cancun, Mexico, the couple will reside at their farm residence east of Colorado City where the groom is engaged in farming, ranching and trucking with his father and brothers.

The rehearsal dinner was hosted by the groom's parents at the Snyder Country Club.

Out of town guests attended from Colorado City, Odessa, Midland, Ingram, Dallas, Bedford, Grand Prairie, Post, Corpus Christi, Lubbock and Rotan.

Deloera And Terry United In Afternoon Ceremony

Emily Deloera and Scott Jones Terry were united in marriage Saturday, Feb. 21 at 4:30 p.m. in the Christian Student Center on the Western Texas College Campus in Snyder.

The double ring ceremony, officiated by

Justice of the Peace Don Callaway, was performed at the foot of the stairs before a heart shaped candelabra. Baby blue satin bows and greenery decorated the stair bannisters. The bride is the daughter of Mr. and

Mrs. Raymond Deloera of Lorraine and the parents of the groom are Dr. and Mrs. Joe C. Terry, also of Lorraine. Given in marriage by her father, the bride wore a high-neck Victorian gown of silk organza. The bodice was

made of Venice lace, while the bishop sleeves, bottom of the dress and train were of pleated organza. For a head piece the bride wore a white derby hat with a long bow of lace in the back. She carried a cascade of baby blue and white roses accented with baby's breath.

Elida Deloera, sister of the bride, was the maid of honor and Sylvia Barrera was the bridesmaid.

The maid of honor and bridesmaid wore identical formal dresses of baby blue satin featuring a long sleeved chiffon print jackets.

Their hair was adorned with a wreath of baby blue and white silk flowers and each carried a long stemmed blue carnation with long satin streamers.

Patrick Terry, brother of the groom, served as best man.

Rudy Garza was the groomsman and serving as candlelighter was Ruben Deloera, brother of the bride. Matt Preston, nephew of the

groom, was the ring bearer. Following the ceremony a reception was held in the Christian Student Center.

Benita Lopez registered guests. The bride's table was

covered with a white linen cloth. The table featured an old fashioned two tiered wedding cake. Served with the cake was punch. Janet Gattis, Emma Ramirez and Sara Goebel served at the

bride's table. An arrangement of baby blue silk flowers highlighted the table.

A German chocolate cake was served at the groom's table by his sisters, Mrs. Susan Preston and Liz Terry of Brownwood.

The table covered with a white lace cloth,

featured a blue cut glass candle holder.

The bride is a 1979 graduate of Lorraine High School and a 1980 cosmetology graduate of Western Texas College.

The groom attended Lorraine High School and is presently employed with CRC Wireline in Snyder.

Mr. & Mrs. Scott Terry

Running: The "In" Sport

By JANA BASSINGER

Why Running? There are many sports in which active motivated people can involve themselves.

Running one hour burns more calories than any other sport done in the same amount of time.

Running is also a sport that can be participated in all year round in all kinds of weather.

A great myth popular in belief is a person over 40 should "take it easy." In contrast to this theory, the older a person is, the more exercise is vital to their health.

According to "The Complete Book of Running," if a person is over 40, they should "Train, not strain."

Even with older people, exercise, running in particular, can do a lot to reverse the long-term effects of smoking, drinking and overeating, and assailable conditions of 20th century living," reported "The Complete Book of Running."

Running is a good hobby, but even runners have their problems.

One of the biggest problems are dogs.

There are many theories of how to get rid of a dog, but no sure-fire method has been developed yet.

Another thing that might discourage a person from jogging is other people. Most persons enjoy the sight of a jogger and then there are those that can't stand the thought of a runner intruding on their "space."

These are the people that a jogger needs to avoid if at all possible. Some passersby like to yell obscenities while others would just as soon throw something at the runner.

Another negative aspect a jogger might "run into" is the weather, but an experienced runner will know how to handle this problem.

There is no reason why a person can't run in just about any kind of weather after they have been in a jogging program for a while.

An important aspect to consider before running is what to wear. The most important piece of clothing is the shoe.

When a person jogs,

think of what they ask of their feet. Each shoe lands on the ground some 800 times in a mile.

Tennis shoes and basketball sneakers aren't supportive enough for the average runner's feet.

The soles of a running shoe should be padded but firm. Running shoes should also be a bit snugger than street shoes.

When considering other clothing to wear for running, remember that you will be exercising heavily and not to overdress. "In Winter, you'll feel comfortable if you dress more lightly than common sense would suggest," reads "The Complete Book of Running."

The hardest period of running is when a person is first getting started.

Before starting to run, a person should consider a few things. "If you're overweight and have a tendency toward high blood pressure or have a family history of heart disease, ask a doctor to check you thoroughly," commented "The Complete Book of Running."

The second thing to consider when starting a jogging program is

how much in shape the body is.

If the body hasn't had any vigorous exercise in quite a while, then that person should most likely start at the bottom of the ladder, which is walking.

Gradually increase from a walk into a slow run, but don't worry about speed yet.

Consistency is a must if a jogger wants to improve. After a few weeks, a big difference will be felt. More energy, zest, sounder sleep, loss of weight and a better physical and mental feeling will be acquired.

Before running, warm-up exercises are a must. Sit-ups, hamstring stretches and other exercises for the legs are best while warming-up.

The question of where to run might arise. Jogging on a track will prove to be a hum-drum experience, so it is suggested that a person run in places that are scenic. Remember, variety is the spice of life.

Information in this story was found in "The Complete Book of Jogging" by James F. Fick. For further consultation, this book may be checked out of the Mitchell County Library.

Johnson and Jackson Voted All-District

Doug Johnson and Victor Jackson both received the honor of being voted to the 7-AAA All District Basketball Team for 1980-1981 basketball season.

Johnson is a 5'10" senior at Colorado-High School. Jackson is a 5'7" Junior at CHS.

Receiving an Honorable Mention was Mark Carter a 5'10" senior at CHS.

Mark Carter did a splendid job this year defensively and that's why he received an honorable mention explained, Coach Mike Hart.

He also commented that Jackson and Johnson did a good job for the team this year.

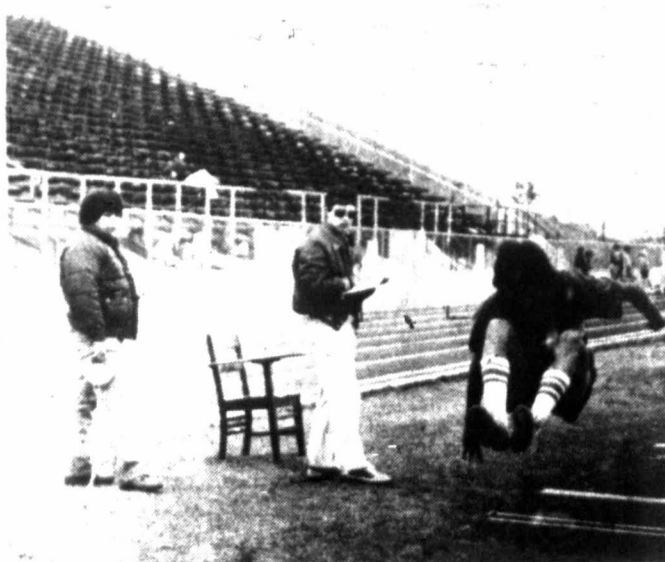

Others selected for the All District team were: Mike Cox, a 6' senior at Stamford High School; Rocky Lewis, a 5'9" senior at Stamford High School; Clay Hatcher, a 6'4" junior at Clyde High School; Sal

Romas, a 5'7" senior at Wiley High School; John Trammel, a 5'10" senior at Breckenridge; Terry Slemmons, a 6'3" senior at Breckenridge; Danny Riggan, a 5'11" junior at Merkel; Kevin Smith, a 6' junior at Wiley High School and Kip Elkins, a 5'11 senior at Wiley High School.

Billy Joe Schulle, a 6'2" senior was voted as "Most Valuable Player."

Others receiving Honorable Mentions were: Bart Rolenquist, a 6' senior at Stamford High School; Randy Lane, a 5'11" junior at Breckenridge High School; Dusty Barnhill, a 6' senior at Merkel High School and Don Darby, a 6'1" senior at Wiley High School.

The five coaches from the 7-AAA District had three votes each to vote on three opponent players.

SAILING THROUGH THE AIR is Freshman Trackster Richard Franco trying for the longest distance in the broad jump Friday at the Jr. Lone Wolf Relays.

Big Spring Tourney Ruled A Success

"I'm really proud of their progress," stated Mitchell County Boxing Coach Vince Gaona, when commenting about the teams participation in the Big Spring Boxing Tournament.

The team lost only one

fight by split decision.

The next boxing tournament will be held in Roscoe Friday and Saturday.

"I think we'll do as well or better in the Roscoe Tournament," stated Gaona.

Tournament Scheduled

The Youth Basketball program climaxes their six weeks of games with a play-off next Saturday to be held in the gym in the school administration building in Colorado City.

Over 150 children are involved in the basketball league. There are 24 coaches and 12 teams participating.

Medals will be awarded after each championship and consolation games.

The double elimination tournament will begin at 8 a.m. and end at 8 p.m.

Admission for age 12 and over is 25 cents. Charge for under 12 will be 5 cents.

Kim Hardegree Hardegree Nominated For '80-'81 Cover Girl

Colorado High School Senior Kim Hardegree has been nominated for the Texas High School's Girls' Coaches Association Cover Girl Award.

If Ms. Hardegree receives this prestigious honor, she will represent the State of Texas Coaches Association. She will then go to Fort Worth this summer for a clinic.

Ms. Hardegree lettered in volleyball four years and was named an all district player two of those years.

Ms. Hardegree was voted as "Most Valuable Team Member" of the 7-AAA volleyball district. She also won

All Tournament Player three times. Kim was a cheerleader for the 1980-'81 sports season.

TFLB and FLB To Hold Meeting Tuesday

Texas Freshmen League Baseball and Farm League Baseball of Colorado City will be meeting Tuesday, at 8 p.m. in the C. C. Thompson Room.

There is a need for three managers and a couple of officers. If interested in filling one of these positions, attend the meeting.

Current officers are Vice President, Juan Moling Molina, Secre-

Varsity Track Statistics

Colorado High School's Varsity boys' basketball team lost the District Championship by a total of 6 points to Clyde, according to Coach Mike Hart.

The following statistics for the following team members came from the 22 games played this year.

-Mark Carter scored 72 points; made 83 rebounds, achieved 23 assists, and had 140 defensive plusses.

-Doug Johnson - 202 points, 164 rebounds, 38 assists and 96 defensive plusses.

-Jay Green - 112 points, 93 rebounds, 9 assists and 104 defensive plusses.

-Victor Jackson - 347 points, 132 rebounds, 39 assists and 145 defensive plusses.

-Dwight Staats - 81 points, 72 rebounds, 10 assists and 45 defensive plusses.
-Mike Staats scored 122 points, 34 rebounds, 9 assists and 75 defensive plusses.
-Randy Uselton - 173 points, 193 rebounds, 10 assists and 89 defensive plusses.
-Stacy Tarter - 143 points, 116 rebounds, 6 assists and 60 defensive plusses.

-Farm League Coaches will be David Hoover, Benny Lamb, Joe Silva, Byrle Chapman, David Lelek and Glenn Sullivan.

substantial savings to farm families in the death of a landowner. Savings in estate taxes can be as much as 50 per cent for those that qualify, said Dr. Lawrence L. Bravenec at an Estate Planning Seminar held recently at Texas A&M University. The seminar was sponsored by the Texas Agricultural Extension Service of the Texas A&M University System.
The opportunity for farm and ranch families to reduce their estate taxes came about with Internal Revenue Code Section 2032 A enacted in 1976. The law set forth provisions for special use valuation for farms and ranches. Purpose of the provision was to help family farms survive financially and not be taxed out of existence, noted Bravenec,

professor of accounting at A&M.
For an estate to qualify, numerous requirements must be met:
1. The property must be used actively for farming or ranching.
2. The owner or a close relative must be actively involved in working the property.
3. The owner must have some "risk" involved or have an "economic interest" in the operation.
4. The property must pass from the decedent to a close relative.
5. It must be owned and used for agricultural purposes at least five years before the decedent's death.
6. The owner or a close relative must be paying self-employment tax and must work the land full-time or do all the necessary work if less than full-time.

In addition to these requirements, there are numerous other factors involved in establishing a farm or ranch estate for special use valuation, noted Bravenec. A landowner that is interested in this special IRA treatment of agricultural land should contact his tax lawyer or accountant for further details.
The scholarships provide \$200 per year. Students who wish to apply are invited to contact

Holguin Retires After 45 Years

By JANA BASSINGER
Raul Holguin of Colorado City has officially retired from the Missouri and Pacific Railroad after working for the company 45 years. Holguin started working for M&P in 1936 making 22 cents an hour. He worked eight hours a day as track maintainer until he retired January 2 of this year.
Holguin reported that

his "gang" was sometimes called to surrounding cities to help with emergencies. There were several trips taken because of

Raul Holguin

trains turning off the tracks and also car and train collisions.

Holguin recalled that the worst emergency ever to occur was when the Colorado River Bridge was washed out. He said there was a worker who fell in the moving water and was nearly drowned.

While working at the railroad, Holguin received three pins. His last was a 40 year pin. Holguin was born in Mexico, but has lived in the United States since he was three-years-old. He became a citizen in 1960.

In 1923, Holguin married Hope Acosta. They have 10 children, 12 grandchildren and two great-grandchildren.

Rice Aston Dies

Rice Knox Aston, Jr., 62, of San Antonio, died in the home of his son in Waxahachie at 7 p.m. March 14 following a lengthy illness.

Funeral services were March 9 in the Boze-Mitchell Funeral Home Chapel in Waxahachie with Rev. John Clifford, pastor of the Ferris Heights United Methodist Church, officiating. Burial was in the Auburn Cemetery in Maypearl.

Born Jan. 1, 1919 in Frost, he attended schools in Navarro County and served with the Air Force in World War II. He had been interested in baking since he was 12 and while living in Waxahachie had operated the Aston Bakery for several years.

He was employed at Fort Worth several years in charge of the bakery department of Buddies Super Market chain. He was employed at Handy Andy Food Store in San Antonio for the past number of years and was also employed by US of AA Insurance Company of San Antonio, but he was forced to retire due to health reasons.

He was a member of the Edge Park United Methodist Church in Fort Worth.

He is survived by two sons, Ronnie Aston of Colorado City and Donnie Aston of Waxahachie; two daughters, Mrs. Pat Tekell of Italy and Mrs. Frances Whitten of Waxahachie; two sisters, Mrs. Betty Green and Mrs. Novelle Hickman, both of Waxahachie and seven grandchildren.

County Entomologist Report Alfalfa Producers Beware!

By BILL JANY
Alfalfa Producers Beware!

There is not much alfalfa in Mitchell County, but there is enough for the alfalfa weevil.

This pest is occurring in extremely high numbers this year and may be extremely damaging to alfalfa less than six inches tall.

The adult alfalfa weevil ranges in size from one-fourth to three-tenths of an inch long.

The weevil is grayish brown in color with a distinct dark line down the center of the back.

The adult weevil feeds on alfalfa, but is not damaging except when they occur in large numbers.

The alfalfa weevil larvae are the true damaging stage of this insect. Newly hatched larvae are about one-thirty-second of an inch long, having a light yellowish-green body with a brown head capsule.

The small larvae crawl up the stem to the growing tip of the alfalfa plant to feed.

As the weevil larvae increase in size, they

become a darker color of green, with a white stripe down the middle of their back.

Larvae feed for about three to four weeks or the terminal and upper leaves. The mature alfalfa larvae are those that do the heaviest leaf

feeding and cause the most damage to the crop.

The larger the alfalfa plant, the more alfalfa weevil larvae it can support without sustaining economic damage.

In Spring, alfalfa plants two to six inches

in length will receive economic damage when two or more larvae are found per plant terminal.

At this population level, the damage that these alfalfa weevil larvae are doing would equal the cost of treating the alfalfa.

Larger alfalfa plants can stand higher numbers of alfalfa weevils before a significant economic loss is experienced.

Twelve to fifteen alfalfa larvae are required

to defoliate larger alfalfa that is 12 to 18 inches in height.

If alfalfa is two weeks or less way from cutting, it may be advisable to cut early, rather than apply an insecticide treatment.

There are 12 insecticides registered for alfalfa weevil control. Each has a required grazing or cutting restriction period, ranging

from zero to 28 days. Some also have some systemic activity.

Some of the more popular insecticides include: Methyl Parathion; Malathion; Sevin; Gerthion; Seipracide; Diazinon; Methoxychlor; Furadan and Imidan.

Remember to follow label directions carefully. If more information is needed please call 728-5973.

Ribbon Cutting Slated

Colorado City Ambassadors will host a ribbon cutting ceremony in honor of Loyd Ledbetter Buildings at 10 a.m. Tuesday.

Ledbetter has remodeled the building located at First and Elm Streets and converted the structure into an office building.

Appraisal District To Meet

A special called meeting will be held by the Mitchell County Tax Appraisal District Thursday at 7:30 p.m. in the Administration Curriculum Building in order to elect officers for 1981.

Officers to be elected include chairperson; vice-president and secretary. Officers, by law, hold positions for a period of one year.

District members will also set a board of review for mineral tax rolls on June 19, at 10 a.m. in the middle school cafeteria or library.

Compensation of members of the board of review will be considered by District members during the meeting.

A report will be heard from board members who appeared before the County Commissioners Court in regard to location of the tax district offices.

At that time, a committee will be appointed to further study the possible locations for the tax district offices and future needs for furniture and equipment.

MICHELLE HAGGERTON smiles into the camera shortly after winning the title of Champion Mitchell County Speller. Miss Haggerton is a Seventh Grade Student in Middle School. She competed against students from Grades Four through Eight and defeated Loraine Grader Abraham Garcia in the final round, when he misspelled "tassel" and she spelled the word correctly then followed by correctly spelling "blatherer." Debbie Denson was co-ordinator for the Spelling Bee. George Womack (pictured) acted as enunciator and Bob Reilly, Carl Beery Moore and Kathy Wilson judged the event which took place Thursday in the Middle School Cafeteria.

SHAPE

From Page 1
\$10,929 in charges made since June 1, 1980 and of that amount, 82.8 percent is the ratio of cash received on account.

Receipts from all sources since June 1, 1980 total \$58,630.95. Budgeted income for this period was estimated to be \$62,151.

Total cash disbursements since June 1, 1980, including the purchase of a new ambulance are \$78,508.47.

Barber has available in his office information for merchants on the proper procedures to follow in the event they receive a hot check.

4 GOOD REASONS to see your good neighbor agent CAR • HOME • LIFE • HEALTH

Gary Harkins
728-3062

Like a good neighbor,
State Farm is there.

STATE FARM INSURANCE COMPANIES
Home Office: Bloomington, Illinois

BRYANT, From Page 1

It is a good program, in my opinion, if well supervised," he said. Bryant stated his intention to move into the jail house living quarters. "I lived in them for three and one-half years while I worked under Sheriff McGuire and found them comfortable," Bryant said.

"I wish to express my

appreciation to all those who supported me in my effort to become sheriff. I hope I will have their continued support, as well as that of the entire community," Bryant commented. "I shall do the job to the best of my ability and will be available to the public at all times," he said.

THE 1981-1982 COLORADO HIGH SCHOOL CHOIR sings in harmony and melody Friday at the Noon Day Lions Club in the Civic Center. Directing the choir is Mrs. Chris (Cecile) Hubbard. The choir was accompanied by the CHS Stageband.

COLUMN, From Page 1

overtime to the payroll clerk, working the other half at their own expense.

Every effort is being made to locate and stop the vandals, however without the "eyes of the public", the task is a difficult one. There are only 10 (county and city) officers with hundreds of square miles to cover.

"We need your help," Chief of Police Jimmy Roundtree and Sheriff Wendell Bryant stated.

It's almost that time of year again when Texans take off on the "Bluebonnet Trail" April 4-5 and again, April 11-12.

Points of interest on the trail include Austin, Largo Vista, Marble Falls, Longhorn Cavern State Park, Burnet, Buchanan Dam, Kingsland, Llano and Enchanted Rock State Park.

Special Bluebonnet festive events will be featured in each of these locations and, for those of you who have not enjoyed the "Bluebonnet Trail," I would say, try it, you'll like it.

Politically across the state, several events are worth mentioning.

Farm bill hearings are set in Abilene, Lubbock and Amarillo by United States Representative Charles Stenholm.

Tentative plans have been laid to hold these hearings on the 1981 Farm Bill with Abilene being the first meet set, April 20; Lubbock, the second on April 21 and Amarillo on April 22.

These hearings will give local farmers and ranchers the opportunity to have a voice in legislation that will have a vital influence on agriculture for the next four years.

The U.S. Department of Agriculture published the estimated number of persons participating in the federal-state food assistance programs for the month of December in comparison to the previous month and the same month in 1979. I found the figures interesting and thought perhaps my readers might, too.

The Food Stamp Program: People participating in 1979-80: 1.1 million; in November 1980-21.9 million and in December 1980-22.2 million.

Value of bonus coupons in 1979-\$662.8 million; in November 1980-\$742.8 million and in December 1980-\$780.5 million.

A recent report received by my office indicates food prices increased 10.5 per cent in Texas last year and jumped 10.1 per cent nationally. These same prices are predicted to decrease substantially in 1981.

Last year's 12.4 per cent national rate of inflation was the highest reported since 1946 when the rate hit 18.3 per cent. Wartime wages and price controls were lifted that year.

The U.S. has not faced two consecutive years of price increases higher than 10 per cent since 1919-19 when the nation was returning to a peacetime economy after World War I.

It's a real shocker when the Consumer Price Index shows that goods costing \$100 in 1967 now cost \$286.40, making the dollar worth about 35 cents.

BAND, From Page 1

museum at West Texas State University in Canyon, a visit to the Esquire Dinner Theater and a stop at Wonderland Amusement Park.

The trip will also include a side trip and performance at the Cal Farley Boys' Ranch.

GUN, From Page 1

turing the liver.

Justice of the Peace Mary Lee Moore was contacted and pronounced the child dead at the hospital. At that time, she ordered an autopsy be performed on the child and ruled accidental death.

RHODE, From Page 1

When Dr. "Bill" first moved here on Oct. 24, 1936, his mother and brother, Alfred came with him.

Influenced by George Mahon and Charlie Thompson, Dr. Rhode notes he decided to remain here and set up a clinic.

He and his brother, Oscar, had helped each other through medical school by alternately taking a job while the other attended school. Dr. "Bill" and Dr. "Oscar" established the first clinic in Colorado City at 505 Chestnut St., where it has been housed for the past 43 years.

Dr. "Oscar" retired in 1965 and moved to Victoria, Tx.

Since that time there have been from two to five physicians housed in the clinic.

Dr. "Bill" was stricken with cancer in 1977

CHECK, From Page 1

a complaint will be filed by the merchant at the time the check and receipt are brought into the CA's office and at that time a warrant is issued for arrest. This eliminates the necessity of the merchant making two trips, Barber said.

Habitual bad check writers have been waiting until the last day of the grace period to redeem the bad check. Under the new policy, no informal letter will be sent and no grace period allowed, Barber said.

If it turns out that the writer was taking an extended vacation or there were other extenuating circumstances, charges can always be dropped, Barber noted. Some writers believe

if they don't pick up the certified letter, they won't get into trouble, Barber noted. This, however, is not the case.

Under the law, it is prima facie evidence that the writer intended to write a hot check if the certified letter from the merchant is not picked up within the 10 day period, Barber stated.

Writers should be aware that the expense of writing a bad check can amount to twice the amount of the check in the first place. For example, on a \$20 bad check, fees and court cost plus redemption amount to \$43.50, Barber noted.

Barber has available in his office information for merchants on the proper procedures to follow in the event they receive a hot check.

Deadline Slated For Students

Students wishing to transfer to the Colorado ISD from another district must make a transfer application before May 1.

Deadline for making this application will be Thursday, April 3.

Parents may fill out the transfer application at the CISD superintendent's office located at 534 E. 11th Street.

By Aaron Carpenter

Q. I have a six-cylinder 1965 Rambler. The engine sometimes runs rough, but only occasionally. I have noticed that when it begins running rough it usually continues that way until I fill up with gas again. Could the octane rating of the same brand of gasoline vary that much from tank to tank?

A. Probably not. But you may get a tank of dirty gasoline occasionally. Good gasoline rarely is dirty, but the rough performance it causes - even if only two or three times a year - is distracting. A fuel filter eliminates rough running caused by dirty gas, but your car does not have a filter unless it is one of the '65 Ramblers with a Carter carburetor. They have filters attached right at the carburetor. If yours is one of those without a filter, by all means get one. It installs easily.

THE STATE OF TEXAS
TO: FANNIE KERSHAW ARNOLD, GLADYS

Public Notice

KERSHAW, and their unknown spouses, their unknown heirs, descendants, devisees, and legal representatives, **DEFENDANTS IN THE CAUSE HEREIN DESCRIBED:**

YOU ARE HEREBY COMMANDED to appear and answer before the 32nd Judicial District Court of Mitchell County, Texas, in the County Courthouse in Colorado City, Mitchell County, Texas, at or before 10:00 A.M. on the first Monday after the expiration of 42 days from the date of issuance hereof, being at or before 10:00 A.M. on Monday, the 4th day of May, 1981, then and there to answer the Petition of R. KEVIN PENNER, in Cause No. 10083, styled R. KEVIN PENNER VS. FANNIE KERSHAW, GLADYS KERSHAW, ET AL, in which R. KEVIN PENNER is Plaintiff and FANNIE KERSHAW ARNOLD, GLADYS KERSHAW, ET AL are Defendants. The said Petition, filed on the 19th day of March, 1981, discloses that the nature of said suit is as follows:

For the appointment of a receiver to lease the undivided interest of the Defendants in the following described property in Mitchell County, Texas, to-wit:

Being the West 160 acres of a 260 acre portion of the West half of Section 40, Block 29, Township 1-North, Texas and Pacific Railway Company Surveys, as surveyed for said Railway Company by the Commissioner of the General Land Office of Texas for the benefit of the Common School Fund under and by virtue of Certificate 2-1688, issued to said Railway Company, said 260 acre portion of said survey being particularly described in deed from J. J. Barker to John Magness and Jodie Eubank, dated July 27, 1908, recorded in Volume 28, page 554, Deed Records of Mitchell County, Texas - the 160 acre tract covered by this lease having for its South boundary line the South boundary line of said 260 acre tract, same being also the North line of the right of way of the Texas and Pacific Railway Company; having for its North boundary line the North boundary line of said 260-acre tract, same being also the West boundary line of said Section 40; having for its West boundary line the West boundary line of said 260-acre tract, same being also the West boundary line of said Section 40; and having for its East boundary line a line parallel with said West boundary line and a sufficient distance therefrom to include within said four boundaries 160 acres.

If this citation is not served within 90 days after date of this issuance, it shall be returned unserved.

ISSUED AND GIVEN UNDER MY HAND AND SEAL OF SAID COURT on this 19th day of March, 1981, at Colorado City, Mitchell County, Texas.
BILL ERWIN, District Clerk of Mitchell County, Texas

Hickmans To Perform In Annual Kendrix Easter Pageant

By LULU TURNER
The Texas Monthly rated the Kendricks Easter Pageant, that is

held between Eastland and Cisco every year, as the "best Outdoor Show" in Texas as re-

corded by Richard West, writer of the article, "The Best of Texas."

Several persons from Colorado City are involved with the dramatization of the "Life of Christ" but the J. W. Hicklin family of Lake Champion is wholeheartedly committed to its entire meaning and purpose of the pageant. He and his wife and two daughters are among 40

others, as they themselves portray more than 21 characters from the lifetime of Christ.

This will be the 17th year of productions and is set to begin at 3:30

a.m. Easter Sunday and will conclude at sunrise.

The entire "Life of Christ," from birth through the resurrection, will be portrayed in 60 scenes, by a cast of

dedicated Christian people of all walks of life and denominations who devote many hours of time to rehearsals and presentations.

This production is a

non-denominational presentation with the entire script being taken word for word from the King James Bible.

Included in the cast is a white donkey, better known as Snowball and a camel, alias Sugar. It was said that the white donkey made an even more triumphant entry for Jesus.

Admission is free-will donations. Free parking is available and overnight camping is permitted on the grounds. Restrooms and concession stands will also be provided for the convenience of spectators.

Along with the annual presentation, the only

Texas religious Diorama and Museum is located on the grounds. It is open seven days a week year around from 10 a.m. - 5 p.m. After hour tours may be arranged for groups with reservations.

The pageant is located half-way between Cisco and Eastland.

If any local club or group is interested in Mr. or Mrs. Hicklin giving a talk about the pageant, they are asked to contact them by phoning 728-3809.

For additional information you may write Kendrix Amphitheater, The Life Of Christ Pageant, Rt. 2 Box 46, Cisco, Texas, 76437.
