Judge Tells How County Prepared for Hurricane Celia

In a talk at the Rockport Lions Club luncheon meeting Oct. 1 at Duck Inn, County Judge John D. Wendell gave a step-by-step account of how Aransas County prepared for the arrival Aug. 3 of Hurricane Celia.

He said that as soon as metorologic data made it apparent that the Rockport area was in danger, the Aransas County Emergency Corps—consisting of 54 men who are members of the Rockport, Fulton and Lamar volunteer fire departments—was called into action. "The Emergency Corps has a plan of action for such disasters, a well-thought-out and well-prepared plan," the judge said. "The members of the Emergency Corps do a tremendous job, and Aransas County is glad to supply fire trucks and other equipment as needed."

Wendell said the first offical action was calling a Hurricane Watch. "Key men in our area, including Civil Defense Director Herman Johnson, Johnny Ray, president of the Emergency Corps, Mayor Delmar R. Hiller and Sheriff Bob Hewes quickly met with me and, among other things, we kept posted by radio on every message from the U. S. Weather Bureau.

The judge pointed out that 22 feet above sea level is the highest point in Aransas County, so it is vital those in charge of coping with a hurricane keep posted continuously on information about the tide.

"A four-foot tide," Wendell said, "will cut off the escape route from the Rockport area, and that's why we urge people to flee as far as possible inland—San Antonio, Austin, etc.—when a hurricane is approaching."

Emergency Corps members stay at Aransas County Courthouse during such emergencies as Hurricane Celia and have radios, trucks and other equipment operating and ready for use.

Judge Wendell said that when the Emergency Corps, through communication (including Corpus Christi radio stations), sends word to residents of Aransas County to "get out for your own safety," the hope is that not more than 200 residents will decide

Student Book Fair Set for Oct. 12-16

The Rockport Elementary Library will sponsor a student book fair from Oct. 12 through the 16. Students will be able to browse and purchase books. The book fair will be open during the hours of 8 a.m. to 3:30 p.m. Books will be on display in the library.

The school invites all students, parents and visitors to attend the fair. The fair will not only help spur student interest in reading and building home libraries, but will also contribute to a worthwhile project. The school earns 20 per cent of all sales, and profits will be used to buy books for the library. The books the children buy will be their own to keep.

The book fair display will include attractive new books from many publishers in all popular price ranges. All reading areas of interest to students will be represented, including classics, fiction, biographies, adventure stories, science, nature, crafts, mystery and reference books. to read or give as gifts. The Wonderful books to read or give as gifts. The library is working with the Educational Reading Service, a professional book fair company, to furnish an individual selection of books for the fair.

Absentee Voting Set for Oct. 14-30

County Clerk W. E. Beasley announced this week that absentee voting for the Nov. 3 general election will begin Oct. 14 and continue through Oct. 30 in the county clerk's office in the Courthouse.

Absentee voting is for voters who expect to be out of the county on election day and also for voters registered in another county but who now reside in Aransas County and fail to meet the six months minimum residence requirement. The latter group will be allowed to vote a limited ballot.

183 Highest Number Reached By S. S.

Local Draft Board No. 107, Exec, Sec. Mrs. Naomi L. Moody, announced today that random selection number 183 is the highest lottery selection number reached in 1970.

However, the board spokesman said, it may be necessary to go to a higher random selection number than the previous high number in order to satisfy the remaining 1970 draft calls.

Mrs. Moody stated that in compliance with the White House Executive Order announced recently, all registrants of Local Board No. 107 who hold the highest number or numbers below the highest reached number and who have not been issued orders for induction due to any circumstance, will be considered for carryover into the extended priority selection group if they are classified I-A as of Dec. 31, 1970. Such young men will have their liability for induction extended for the first three months of 1971.

The Executive Secretary said that the Executive Order states that registrants who held numbers above the highest reached number of Board No. 107 and are classified I-A on Dec. 31, will be placed in a lower draft priority group on Jan. 1, 1971.

DRUM MAJOR AND MAJORETTES—Half the fun of going to the Rockport-Fulton High School Pirate football games is watching the drum major and majorettes perform.

Here are the attractive young ladies who play such an important part in keeping the spectators—students and others—pepped up and pulling for a Pirate victory:

At left is Linda Ballou, a senior, the drum major. The other girls (left to right) are drum majorettes Debra Everett, senior; Pamela Griffis; senior; Debbie Brasher, sophomore and Lucy Griffith, junior.

Editorial

One of few benefits of Hurricane Celia was destruction of scores, perhaps hundreds of unsightly roadside billboards in this area.

Many of the demolished billboards were unsightly and neglected eyesores which served no useful purpose but did obscure the view of travelers. Too often, after a roadside bill board had passed its usefulness or the cause it advertised no longer existed, it was allowed to remain until the gradual process of natural erosion reduced it to unreadable rubble. Hurricane Celia took care of them in the early stages of the storm. Other billboards of more recent origin survived longer, but virtually all finally succumbed.

One might say that Lady Bird Johnson had an able though belated assistant in her campaign to rid the nation's highways of unsightly billboards.

We assume that we shall continue to have our view of the countryside obscured by man-made billboard advertisements of dubious artistic merit. However, we don't think it too much to ask that the outdoor advertising people exercise reasonable restraint to the end that motorists will be able to catch more than an occasional glance at the passing landscape.

105 HUD Homes Are Occupied

A total of 105 homes have been brought here by the U.S. Housing and Urban Development Agency and are now occupied by families made homeless by Hurricane Celia.

Mrs. Ruth Dietrich of the local HUD office said 103 families are living in the temporary housing which the federal government is providing for a maximum of one year to give the families that period of time to repair or rebuild their damaged homes.

It required 105 mobile homes for 103 families because two of the families needed four trailers to house the large number of children.

Mrs. Dietrich said five more mobile homes have been ordered and four more applications are being processed. No more applications will be accepted after Saturday, Oct. 10.

Riding Ass'n Elects Officers

The Aransas County Riding Association's annual election was held Monday, at the Fulton Fire Station.

Those elected to office for the 1970-1971 year were:

President, Edward Truelove; vice president, Jim Kautz; secretary, Mrs. Virginia Davidson, treasurer; Mrs. Joan Truelove; arena director, D. M. Meador; rodeo secretary, Mrs. Mary Ankele.

The following were elected to the Board of Directors: John Davidson, Benny McLester, DeWain Eller, Claude Smith, Miss Audre Ankele, Theodore Tippin, Sr., and Miss Linda Ayers.

Plans are well underway, according to Trail Boss D. M. Meador, for the Oct. 24 and 25 membership drive overnight trail ride. A barbecue supper will be served Saturday night, Oct 24.

The A.C.R.A.'s Mounted Squares still practice every Wednesday night, 8 p.m. at the association's Rockport-Fulton Arena. Admission to the grounds are free and visitors and guests are always welcome. The concession stand will be open.

BOY SCOUT CAMPOREE SET

The annual District Camporee for the Mustang Scout District will be held Saturday and Sunday, Oct. 17 and 18 at Camp Karankawa, it was announced by Eddie O'Donnell, Chief of the Copane Chapter of the Order of the Arrow. The chapter sponsors the district camporee each year as one of its service project.

The camporee program this year will consist primarily of cleanup service to the camp as the camp was hard hit by the recent hurricane. Some competitive events will be held Saturday afternoon following some brush clearing and other work. Competition will be events related to camping skills and will include axmanship, cross cut saw races, chopping and axe safety.

Troops will bring their own tentage and meals for the two day encampment.

Some 250 scouts and leaders are expected to attend the camporee.

A special patch will be sold to all who participate in the camporee.

Tad Bailey Wins Sea Gun Regatta

Tad Bailey of Rockport was the winner of the first annual Hobie Cat Regatta held at Sea Gun Sports Inn Saturday and Sunday.

Competing against 12 other boats in five races, Bailey won two first, a second and two fourths.

Coming in second was Mike Connelly of Pasadena who had a second-place finish, three thirds and a fifth.

Overall third-place winner was Al Newhouse of Bellaire who had three second-place finishes, a fifth and an eighth.

RECEPTION FOR BUSH

The Republican Women of Aransas County have announced a reception and coffee for George Bush, Jr., son of the Republican nominee for U. S. Senate. The meeting will be held between noon and 1 p.m. Saturday, Oct. 10, at the home of Mr. and Mrs. Roy Hicks, 6 Edgewater Lane, Key Allegro. The public is invited to attend.

Heavy Downpour Adds To Celia Miseries

With many residents still struggling to get back to normalcy following Hurricane Celia, the skies opened up Monday night and dumped a tremendous amout of rain on the Rockport area that kept pounding down until Tuesday morning.

Reports of the amount of rain varied from the more than five inches recorded by the gauge at Live Oak Country Club to a reading of 9¼ inches an employee of Aransas Natural Gas Company claimed his rain guage recorded.

At any rate, there was enough rain to cause considerable flooding throughout the area, more miseries for persons whose roofs still have not been replaced or repaired since the hurricane, much standing water, and numerous cases of homes having plumbing problems. Flooding conditions could be seen in many low places throughout the area and it was not uncommon for people to have to wade to their homes.

City crews, plumbers, septic tank cleaners and other workmen did everything possible to alleviate the inconveniences. There were a number of instances in which the city pumped water from yards to prevent water from getting into houses.

For a while Monday night, Highway 35 between Aransas Pass and Rockport was partially closed because of the high water.

Nuckles' Radio Program Cited

L. D. Nuckles of the Texas Parks and Wildlife Department recently was awarded second prize in the radio program category in an annual contest conducted by the American Association for conservation information. The association covers both the United States and Canada, and recognized excellence in nine different categories of conservation information.

The Texas Parks and Wildlife magazine took second place in the magazine category, placing behind the New York state conservation magazine. The Texas publication scored 577 points to 578 points for New York. The Texas magazine had won first place in both of the previous two years.

United Fund Goal Set at $10,300

Goal for the 1970-1971 United Fund campaign was set at $10,300 at a meeting of the Fund board of directors at Duck Inn last Thursday. In the 1969-1970 drive, $10,888 raised.

As a result, all participating agencies received their full allotment from the fund. In addition, the directors had voted to distribute a surplus of $1,700 as follows: Emergency Corps, $400; Chamber of Commerce advertising fund, $600; and the remaining $700 to all participating agencies on a pro rata basis. Later the Chamber of Commerce decided it should not accept the $600, so at last week's meeting the Fund board decided to pro rata the $600 to participating agencies.

It was reported that the Youth Association had ceased to function and had given the United Fund $800 remaining in its treasury. This money represented special contributions from the Youth Council, First National Bank and the Rockport Yacht and Suppy Company. It was decided to refund this money to the donors.

Robert D. Mosier, Jr., budget chairman, reported that requests from participating agencies totaled $11,613 for 1970-1971.

The board reviewed all requests, reducing some and leaving others unchanged to arrive at the $10,300 campaign goal. The board also eliminated the $1,000 emergency fund which has been in the budget for several years.

Don Clancy of Edinbur Salvation Army service fie representative, reported on activities of the Salvation Army following Hurricane Celia, with special emphasis on its work in this area.

Vernon Kleypas, president of United Fund, conducted the Thursday meeting of the board which was attended by 10 members. Kleypas said he thought the 1970-1971 United Fund campaign would attract contributions from many more Aransas County residents than in the past because so many had either benefited personally from various agencies or had witnessed the good accomplished by them.

Agencies which will participate in the 1970-1971 United Fund and the amounts alloted each are as follows:

American Red Cross, $2,000; Aransas County Emergency Corps, $500; Aransas County

Typhoid Booster Shots Are Due

Typhoid booster shots are due this month for all local persons (about 3,000) who completed the typhoid series during Hurricane Bulah three years ago, according to Dr. H. F. Elliot, city health officer.

Only one injection will be given. The complete series of three shots will NOT be given.

All persons in Aransas County who had the typhoid series three years ago are urged to come to the VFW Hall on Sunday, Oct. 25 between 9 a.m. and 5 p.m. The vaccine will be supplied by the State Health Department.

Cancer Society Hears Dr. G. M. Pattillo

The local unit of the American Cancer Society met Oct. 2 at Key Allegro Restaurant. Dr. G. M. Pattillo spoke to the group on diagnostics and methods of treatment as applied to forms of cancer. Most commonly known are the uses of radioactive substances, X-Ray machines and radium needles. Chemo-therapy is another method.

Several persons participated during the question and answer period, and some common misunderstandings were discussed and clarified. The seven warning signs of cancer were emphasized. Dr. Patillo's talk was informative and encouraging in the field of research. He closed by stressing the urgent need for complete check-ups every two years, beginning at age 25 and continuing to age 35 when yearly checks should be made. This would enable early detection of cancer and permit cure in almost 95 per cent of most types, he said.

The business session was conducted by the Rev. Charles Fake, president. Reports were given by committee chairmen. Mrs. Thos. E. McArdle, whose telephone number is 729-6817, reported five memorials last month. Mrs. E. T. Busch, service committee chairman, whose number is 729-2860, has distributed numerous gifts and comfort items, hardline items and assisted with transportation.

Any one in need of this type aid may call her and either she or an assistant volunteer will be glad to help. Miss Lola L. Bonner, 729-2353, is chairman of the legacy committee and will be glad to discuss and explain the legacy gift program of the American Cancer Society.

The next meeting will be Nov. 5.

C of C Happenings

The Chamber of Commerce and the Woman's Club will have greeters on hand at Aransas County Airport at 11:30 a.m. Friday to welcome those persons who will arrive in approximately 40 private planes participating in the annual All-Texas Tour.

The C of C has made arrangements to have hot lunches available for the aviation enthusiasts who will stop here briefly before continuing their air tour.

Among those scheduled to arrive are businessmen, manufacturers, ranchers, farmers, industrialists, lawyers and physicians and members of their families.

CPL HAS CELIA FILM

A 26-minute color movie about Hurricane Celia and the recovery operations that followed has been completed and is now being made available for public showing by Central Power and Light Company.

The movie, titled "Celia . . . And Then There Was Darkness," includes scenes taken during the storm, and shows extensive footage of damage in Corpus Christi and the surrounding towns.

The movie shows emergency storm preparations made by CPL and other businesses on Aug. 2 and 3, and describes how the community reacted when the power went off. The film details repair efforts in the weeks following the storm.

Several copies of the movie are available at no charge for showing to civic clubs and other organizations. Reservations for use of the movie will be made on a first-come, first-served basis.

Requests for the film should be made by contacting the Rockport CPL business office.

Man Faces Charge For Killing Alligator

A criminal information was filed in federal court in Corpus Christi Oct. 1 against Frankie Carrel Scott, no address given, charging him with killing an alligator on federal land.

The information was filed by assistant U.S. Atty. Leland Hamel of Houston and alleges that Scott killed the animal Sept. 11 on the Aransas National Wildlife Refuge.

The charge against the man is for killing a member of a species protected by federal law, which carries a maximum penalty of six months in jail, a $500 fine, or both.

Sign Brings Back Memories

On the south side of the Mundine barbershop building on Austin Street is a sign reading:

"See the Big Fish Now on Exibition At . . ."

The words which once followed "at" are obliterated, causing curious local people to wonder what big fish was on exibition, when and where.

A phone call to Sherman Mundine supplied the answer. He said that many years ago a large sawfish got aground on a sandbar in the bay. Someone brought the fish ashore in a boat, Benny Earp "stuffed" it and the sawfish was on display here for several weeks.

Mundine said the barbershop building was built in the early 1920s.

Identification Of Ducks Told

An illustrated lecture on identification of ducks as an aid to hunters in complying with the new Texas point system was given by L. D. Nuckles of the Texas Parks and Wildlife Department at the luncheon meeting of Rotary Club Wednesday at Corky's Restaurant.

Nuckles pointed out that identification in flight was of great importance this year to avoid shooting ducks whose point value would be in excess of 100. However, he explained that under the new point system it would be possible for a hunter to legally shoot as many as 10 ducks, compared with the four-duck limit of last year.

President Sam Wilcox reported that Ned Price, chairman of the State Insurance commission, had responded to a recent letter and a copy of the local Rotary Club's resolution on the importance of making sure that insurance companies do not refuse to write wind storm insurance in the coastal area or demand unreasonably high premiums. Price wrote that he and the commission were working to make sure this did not happen.

The local club recently sent more than 60 copies of the resolution to legislators and state officials, as well as to all Rotary Clubs in this area.

THENCE North 9 deg. 48' East with the Easterly right-of-way line of Texas State Highway 35, 4066.3 feet to where the Paul Estate East fence intersects for North corner of this tract:

THENCE South 4012 feet with the existing East fence line of the Paul Estate Tract to a point, for Southeast corner of this tract;

THENCE North 89 deg. 40' West 687 feet to the point of beginning, constituting a triangular tract fronting 4066.3 feet on State Highway 35 and containing 31.6 acres.

SAVE AND EXCEPT, however, that undivided interest in and to the entire mineral estate under both Tracts One and Two described in Deed from R. C. Kohler, et al, to W. E. Fox dated August 1, 1936, which is recorded in Volume 2, page 125 of the Oil and Gas Records of Aransas County, Texas; such undivided interest in minerals having been described in said deed as an undivided one-half interest in and to all of the oil, gas and other minerals in and under an undivided 226.96 acres, more or less, in the whole tract originally described as 756.5 acres in Quit-claim from L. M. Bracht, et al, to Simon H. Paul, et al, recorded in Volume Q-2, Page 152, of the Deed Records of Aransas County, Texas, to which reference is made for all purposes; and being the same land described in a deed from Elmo F. Brundrett, Administrator, in favor of John Zarsky, dated the 30th day of January, 1957, recorded in Volume U-3, Page 199, Deed Records, Aransas County, Texas, as said Mechanic's and Materialmen's lien existed on the 10th day of October, 1969 and it is ordered and decreed by said judgment that said property be sold as under execution in satisfaction of said judgment. And if said property shall sell for more than sufficient to pay off and satisfy said sums of money, the excess should be paid over to the said Don C. Wiley. But if said property should not sell for enough to pay off said sums of money, the balance due shall be made as under execution, and such order of sale shall have the force and effect of a writ of possession, and the officer executing same shall make a good and sufficient deed, and place the purchaser of said property in possession thereof within thirty days from date of sale.

Therefore, you are hereby commanded that you proceed to seize and sell the above described property, as under execution, and make a good and sufficient deed, and to place the purchaser of the same in possession thereof within thirty days after the day of sale, and you apply the proceeds thereof to the payment and satisfaction of said sum of Twelve Thousand Eight Hundred Forty-Eight and 72/100 Dollars, together with the interest that may be due thereon, and the further sum of Thirty-Five and No/100 ($35.00) Dollars, costs of suit, together with your legal fees and commissions for executing this writ. And if the said property shall sell for more than sufficient to pay off and satisfy said sums of money, then you are hereby directed to pay over the excess thereof to the defendant, Don C. Wiley. But if you fail to find said property, or if the proceeds of such sale be insufficient to satisfy said judgment then you are directed to make the money, or any balance thereof remaining unpaid, out of any other property of the defendant, as in case of ordinary executions.

Herein Fail Not, but due return make hereof within thirty (30) days, showing how you have executed the same.

Given under my hand and seal of the District Court of Aransas County, at my office in Rockport, this 18th day of September, 1970.

W. E. BEASLEY,
Clerk, District Court,
Aransas County, Texas.

"Why did you fire that gorgeous secretary you had?"

"She couldn't spell—kept asking me to spell every other word when she took dictation."

"I suppose you couldn't stand the interruptions."

"It wasn't that. I just didn't have time to look up all those words." — Boonville (Mo.) Cooper County Record.

PUBLIC NOTICE

NOTICE is hereby given that a Joint Public Hearing will be held by the City Council and the City Planning and Zoning Commission of the City of Rockport on October 26, 1970 at the City Hall at 7:00 p.m. or as soon thereafter as the matter is reached on the agenda.

There will be considered at the Public Hearing the following:

1. Application of Maurice R. Curry for the rezoning of lots 1 & 2, block 48, S&W Division from R-1 Residential to R-3 Duplex and Apartments.

2. Application of Weldon Cabaniss in behalf of Charles W. Marshall and present property owner Mrs. Sallie Saint Beetley for the rezoning of lots 1, 2, 3 & 4 in block 5, D&M Division from R-1 Residential to B-1 Business.

3. Application from Picton-McMillan Construction Co. in behalf of Meredith Long for a special permit to install four creosote piling 25' out from the westerly shore of Meredith Long Art Gallery, extending into Little Bay.

4. Application from David Rossman and O. H. Rossman for a special permit to locate a mobile home on lot 8, block 39, D&M Division.

5. Amendment to the text of the City Zoning Ordinance, the amendment being in the form of a proposed ordinance relating to the issuance of "Special Use Permits". The proposed ordinance is as follows:

ORDINANCE NO. ——

AN ORDINANCE AMENDING THE ZONING ORDINANCE OF THE CITY OF ROCKPORT, TEXAS TO PROVIDE BROADER AUTHORITY TO THE CITY COUNCIL TO GRANT SPECIAL USE PERMITS AND CONSTRUCTION AUTHORITY RELATING THERETO IN ANY ZONING DISTRICT WHICH WOULD OTHERWISE BE PROHIBITED OR LIMITED BY THE ROCKPORT ZONING ORDINANCE.

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKPORT, TEXAS:

Section 1: Section XI entitled NON CONFORMING USES is hereby amended so that henceforth Paragraph 5n of Section XI will read as follows:

"Any building or structure, or any use of any building or structure, that is not offensive to health, welfare, safety, or morals of the public, and does not constitute either a public or private nuisance. The special permit granted pursuant to provisions of this paragraph is authorized when the Planning Commission, while considering an application for a change in zoning from an existing zoning classification to a broader classification, determines that granting the application could permit a use or uses, or alteration or erection of structures or both, in derogation of existing uses permitted by the existing zoning classification of the property covered by the application. In such case, the Commission may recommend to the City Council that a special permit be granted provided that the Commission's recommendation contain a complete statement and plot plan of all requirements determined by the Commission to be necessary for the protection of surrounding property, persons, and neighborhood values; and the Commission's recommendation shall set forth requirements as to paving of streets, alleys, sidewalks, driveways, parking lots, means of ingress and egress to public streets, provisions for drainage, on-street and off-street parking spaces, and street layouts where appropriate, and protective screening and open space. The Commission will forward to the City Council all plans and other data that the applicant has submitted to the Commission which was offered in evidence by applicant at the Commission's Public Hearing. If the Commission shall have recommended that the Council issue a Special Permit its findings shall state that values and uses of properties in the immediate vicinity of the property covered by the Commission's recommendation for issuance of Special Council Permit will not be adversely affected to any material degree.

Nothing herein shall prevent a property owner from applying for a Special Council Permit in lieu of a change of zoning of property; and any application for zoning may, at any time preceding the Commission's public hearing thereon, by motion of the applicant, be considered by the Commission an application for Special Use Permit rather than application for change of zoning.

An applicant for Special Use Permit shall be entitled to hearing on the matter by City Council if the Planning Commission shall have recommended against granting of the Special Council Permit.

Every Special Permit granted by the Council shall be considered as an amendment to the Zoning Ordinance as applicable to the property covered by the application therefor. The City Council may grant a Special Council Permit for such limited period of time as the Council may decide and may impose conditions which shall be complied with by the grantee before Certificate of Occupancy may be issued by the Building Inspector for the use of the buildings and improvements on such property pursuant to such Special Permit; and such conditions shall not be construed as conditions precedent to the granting of the Special Permit but shall be construed as conditions precedent to the granting of a Certificate of Occupancy. Any Special Permit shall be conclusively deemed to have expired one year from the date of granting thereof unless the premises covered thereby are actually being used pursuant to such permit one year from the date of grant thereof, provided that additional time may be granted by the City Council or provisions may be made for extension or extensions of time by terms of the Permit itself. Whenever the use for which a Special Permit is granted is, for any reason whatsoever, terminated, the Special Permit shall be deemed to have expired."

Section 2: This Ordinance shall be published one time in the official newspaper of the City of Rockport, Texas and be effective upon such publication.

The City Planning and Zoning Commission and the City Council will hear all persons in support of or in objection to the requests or the proposed ordinance amendment and the City Council, following a recommendation of the City Planning and Zoning Commission, will take action on the requests and the proposed amendment. Any amendment to said City Zoning Ordinance, will not necessarily be in the form of the foregoing ordinance. The ordinance amending the City Zoning Ordinance, if any be passed, will be one prepared at the direction of the City Council after reviewal of this ordinance and the recommendation of the City Planning and Zoning Commission.

S/DELMAR R. HILLER,
Mayor.

Refugio Beats Pirates 46-6

By Bob Crawford

Sweeping the school series from the Rockport-Fulton Pirates, the Refugio Bobcats posted a 46-6 win over the Pirates in Refugio last Friday night.

The Cats unleashed an offensive show which gained a total of 479 yards. On the other hand the Pirates could mount only one successful drive to the Cat goal and Richard Schendel scored on a great second effort run of seven yards.

The game was one of those "good for the home team" games as the Bobcats would be stopped cold by the Pirate defense, only to have a group of passes, one by a halfback for a score, and a reverse to really blow the game open. As has been the case for the last few weeks, the Pirates have not been out of any game at the halftime, but have experienced trouble holding opponents scoring down in the late quarters.

Regardless of the score, some great individual performances were turned in, especially that of senior defensive tackle Melvin Moore. The big man came through with some big tackles, and recovered two fumbles to give the Pirates possession, once on their own 1-yard line.

End Russell Johnson also gave the Pirates the ball early in the contest with a recovered fumble. Clay Gillis, doubling as quarterback and linebacker, led the defense in individual tackles with defensive back Bark Wright.

Making his debut as a varsity player, was Collins Herron, a sophomore, who played as deep safety in the game, and picked off a Bobcat pass for the interception.

Offensively the Pirates could muster an attack which only netted 53 total yards. Richard Schendel led the ball carriers with 46 yards in 13 carries.

To round out the week's play, Refugio also handed defeats to the Junior Varsity, Freshmen, and Junior High squads.

The JV had many anxious moments, but could not cross into paydirt and lost by a 10-0 score. Halfback Joe Dominguez led the JV runners with 135 yards for the evening. Paul Kuehn, Benny Harris, Andrew Carlin, Robert Stevens, Dean Richard, and Dominguez and the other defenders kept Refugio without a touchdown until the last 48 seconds of the game. Refugio had gotten 2 points earlier on a safety.

The freshmen generated an attack to score their first TD of the season, with Royce Court supplying most of the Pirates' yardage. The Bobcats of Refugio scored twice in the game on passes to defeat the freshmen 14-8. Defensively, Rusty Morrison and Ricky McLester led in tackles and assists.

NATURE TRAILS

By CONNIE HAGAR

"The earth is friendly as a mother's breast."
—Edwin Markham

*

To one who looks every day, autumn is a busy time.

Now the beautiful fall butterflies are everywhere. Ageratum, also called "Miss Flower," pale lavender in color, is covered by the viceroy monarch, frittalary—25 on a small bush.

The monarch was a project of the University of Toronto, which had this investigation for several years, checking to find out how the monarch butterflies flew from nesting areas in Canada and New England to California for the winter.

I assisted by checking those I saw in Rockport and it was discovered that they traveled 146 miles in two days, so look, look, look!

By the beach road, gaillardias, widows' tears, fleabane daisies, indigo peas and rain lillies (day bloomers) can be seen. And again, shore birds line the beach areas, lesser yellow legs, oyster catchers, ruddy turnstones, longbill curlews, willets, least sandpipers—and on FM 881, woodstorks in two plumages, laughing gulls in three plumages and little blue herons in first year plumage, the same size and white as a snowy-egret except for a small touch of yellow streak which the snowy has.

Ageratum is covered by the queen butterfly today. Next look for the snout butterfly and notice the peculiar face marking.

Beachcombing has continued very poor ever since Celia. Nature improves itself slowly but steadily.

Don't miss the beautiful hummingbirds at the end of Fulton Beach Road. They feed on Mexican apples, small red blossoms which they puncture at the base to feed on nectar and insects not visible to humans.

Autumn is a lovely time to look, look, look!

Lunchroom Menu

The following menu selections will be offered in the schools next week:

Monday, Oct. 12: Barbecued veal tips, scalloped potatoes, carrot salad, bread, butter, pineapple upside-down cake, milk.

Tuesday, Oct. 13: Country steaks, gravy, mashed potatoes, seasoned green beans, bread, butter, butterscotch squares, milk.

Wednesday, Oct. 14: Spaghetti with meat sauce, buttered whole kernel corn, cole slaw, bread, butter, apple crisp, milk.

Thursday, Oct. 15: Baked ham, glazed sweet potatoes, Waldorf salad, hot rolls, butter, ice cream, milk.

Friday, Oct. 16: Tuna-noodle casserole, English peas, tossed salad, bread, butter, chocolate cake, milk.

Note: These menus are subject to change without notice, depending upon availability and delivery of foods.

Cub Scouts

Pack 49

Pack 49 of the Cub Scouts will have an organizational meeting Oct. 20 at Live Oak Elementary School cafeteria at 7:30 p.m. All prospective Cub Scouts, 8, 9 and 10 years old, with their parents are invited to attend. Den mothers and a cub master will be needed. Other persons interested in Scouting are urged to attend. For further information, please call 729-6136 after 5 p.m.

Pack 340

Pack 340 held its first pack meeting of the fall, Monday in the Junior High Cafeteria. Rainy weather held the attendance down to about one-half of that expected, but the awards ceremonies proceeded as planned.

Five new Cub Scouts received their Bobcat pins. These were Andy McMillan, Benny Flores, Robert Ramos, and Ronald and Richard Dominguez. Jackie Mundine was presented his Bear badge, and three Weblos Scouts were graduated into Boy Scouts and were given their Webelos awards. These were Bruce Barre (Troop 280), Mike Vermillion (Troop 281) and Robin Arispe (Troop 49).

At present, the Pack numbers 30 members in three dens and a Webelos den. The Webelos leader is Tom McGlathery, and the Den Mothers are Mrs. Barre, Mrs. McMillan and Mrs. Colling.

Those new Cubs who were unable to attend will receive their Bobcat Pins at the Pack meeting on Nov. 2.

Phil Colling, Cub Master.

A secret recipe. Part of the Beam family art for 175 years.

Carl Beam, Master Distiller, is just as particular about the ingredients that go into his Bourbon as his wife is about the fruits and vegetables she puts up for winter. That's because Carl is the fifth generation of the only Kentucky family that's made the same Bourbon since 1795.

So the next time you sip Jim Beam, savor its quality and its light taste. That's what we mean when we say it's a 175-year-old family art.

Good Neighbors Hold Meeting

Bessie Dawes and Pearl Wright were hostesses at the Good Neighbor Club monthly luncheon and business meeting in the I.O.O.F. Hall Sept. 30.

Twenty-five members and one guest, Martha Thomerson, attended. Vases of fall flowers intertwined with ivy decorated the long white table, the piano and the officers table. Neva Sorenson, president, opened the business session.

It was reported that Ruby Lawson and Effie DeWhitt are ill. The piano which the club had in the Bayview Nursing Home is in the Jim Cloberdants home where it will be until such time that the club decides there is a suitable place for it, where it will benefit those who have it.

Erma Cloberdants resigned as club reporter. Mildred Herrington was appointed to succeed her.

Katie Mundine won the door prize and Ruby McLester won the picture which Estle Turner donated to the club.

The hostesses for October will be Neva Sorenson and Ruth Hoover.

Woman's Club News

The next regular meeting of the Woman's Club of Aransas County will feature a covered dish luncheon on Tuesday, Oct. 13 at 12 noon in the Woman's Club Building.

Winter tourist parties sponsored by the Woman's Club will begin in November. They are held every Monday at 1:30 p.m. Dessert is served, followed by bridge and canasta.

Mrs. Francis Woessner had as her house guests, Mrs. I. D. Richardson, Mrs. E. T. Noel and Mrs. Conrad H. Kollenberg from Houston last week. They were here to attend the organization meeting of Chapter EO of P.E.O. on Oct. 2, at the home of Mrs. R. L. McAnally.

MRS. WARREN DIES

Funeral services were held Monday in Marshall Funeral Chapel in Aransas Pass for Mrs. Clara Pauline Warren, 87, of Rockport, who died Oct. 1 in a Refugio nursing home after a long illness. Burial was in Rockport Cemetery.

A resident here since 1942 after moving from Minnesota, Mrs. Warren is survived by a brother, John T. Schraw of Lansing, Mich., several nieces and a nephew, A. C. McLain of Rockport.

Miss Herminia Rios, Sgt. Torres Exchange Vows

Miss Herminia Rios and Sgt. Joe Torres were married in a double ring ceremony Sept. 19 at St. Mary's Star of the Sea Catholic Church, Aransas Pass. The Rev. Thomas Meany officiated at the ceremony.

The bride is the daughter of Mrs. Mary Rios, Fulton, and the groom is the son of Mr. and Mrs. Pedro Torres of Rockport.

Traditional wedding music was played by Mrs. Elaine Smith. Vows were repeated before an altar decked with arrangements of white carnations and greenery.

Given in marriage by her brother, Jesse Rios, Jr., the bride wore an imported gown of white tiered lace over satin and her train length veil was of white illusion.

Miss Mary Torres, sister of the groom, was maid of honor and Larry Samorra was best man. Flower girls were Connie Rivera and Janie Saucedo. Other attendants were Mr. and Mrs. Pedro Torres, Jr., and Mr. and Mrs. Pete Ramirez, Jr.

Following the ceremony a reception was held in the parish hall.

The groom attended Del Mar Tech and received an A.A.S. degree in electronics. He joined the Air Force Aug. 8, 1968 and has been stationed at Randolph Air Force Base. He will leave for Vietnam Oct. 26.

Mrs. Torres is attending beauty college in Corpus Christi.

After a wedding trip to Houston, they will make their home in Rockport.

Rebekah Lodge News

Noble Grand Bonnie Cloberdants opened the Rebekah Lodge meeting Oct. 1, with 14 members present. Lorene King and Myrtle McLester served refreshments after the meeting.

It was reported that Ruby Lawson is still ill and that Katie Lee Clarke was "slightly under the weather" and did not feel up to coming to the meeting.

Raymond Barlow is at home in his mobile home in Lazy Acres Trailer Camp in Aransas Pass. It is reported that he "is not doing well" and would appreciate seeing his friends.

The I.O.O.F Lodge invited the Rebekahs and their families to a covered dish dinner and party at 7:30 p.m., Saturday, Oct. 31, which the Rebekahs graciously accepted.

Tuesday Bridge Club

Mrs. R. E. House was hostess to the Tuesday Bridge Club at her home last week. Members playing were Mrs. Arlo Hansen, Mrs. Chester Johnson, Mrs. Harry Mills, Mrs. Tom Rogers, Mrs. Roy Woods and two guests, Mrs. Weldon Cabaniss and Mrs. R. L. Eckman. Mrs. Hansen won high score and Mrs. Roy Woods, second high.

P.E.O. Sisterhood Is Organized Here

Chapter EO, PEO was organized Friday at the home of Mrs. R. L. McAnally on Fulton Beach Road. The PEO Sisterhood is a philanthropic and educational organization interested in bringing to women increased opportunities for higher education.

The PEO Sisterhood is 101 years old, with a membership of over 170,000.

The purposes of the PEO Sisterhood are exclusively educational and charitable. These purposes are accomplished through three educational philanthropies with which the entire membership is concerned. These are the PEO Educationanl Fund, Cottey Junior College for Women at Nevada, Mo., and the International Peace Scholarship Fund.

Chapter AV of Corpus Christi sponsored the Rockport Chapter and assisted in the organization, with state officers attending.

The following officers were elected to serve Chapter EO, Rockport: President, Mrs. Wm. K. Stoudinger; vice president, Mrs. E. T. White; recording secretary, Mrs. Leland Fisher; corresponding secretary, Mrs. Evelyn Lytle; treasurer, Mrs. R. L. McAnally; chaplain, Mrs. Russell Eastridge; guard, Mrs. Francis Woessner. Mrs. M. H. McKinsey will serve as historian.

The organizational meeting was followed by a buffet luncheon. The next regular meeting of Chapter EO, PEO, will be at the home of Mrs. M. H. McKinsey with a program by Mrs. C. R. Gibson telling about her European tour this summer.

Miss Rebecca Weber, John A. Phillips Exchange Vows

Miss Rebecca Ann Weber and Petty Officer John Amour Phillips were married in a double ring ceremony Saturday at the Church of Christ. Mr. Don Griffith officiated.

The bride is the daughter of Mrs. Clyde Weber and the late Mr. Weber. The groom is the son of Mrs. Erica Phillips, Carlsbad, New Mexico, and George Phillips, Aransas Pass.

Matron of honor was Mrs. James E. Lipe, and best man was James Ballou. Junior bridesmaid was Miss Brenda Kay Lipe and junior groomsman was Shane Harper.

A reception was held in the home of Mr. and Mrs. C. C. Lipe.

The bride is a graduate of Rockport-Fulton High School, and the groom is a graduate of Carlsbad High School and attended New Mexico State College, Las Cruces, New Mexico.

After a wedding trip to Alpine, Carlsbad and California, they will return to Rockport where Mrs. Phillips will reside with her mother until Petty Officer Phillips returns from the Mediterranean.

People who believe in themselves are usually too easily convinced.—Ottawa Journal.

Fred Jackson Is Singing Cadet

Texas A&M University's famed Singing Cadets have announced the return of Frederick B. Jackson of Rockport to the selective 65-voice ranks of the all-male glee club for 1970-71.

Jackson is the son of Mrs. James B. Jackson, and is a sophomore pre-medicine major at Texas A&M.

Jackson is a bass and has been with the Singing Cadets two semesters. He is on a Singing Cadet Scholarship, and belongs to the Singing Cadet Club. He posted a 3.0 grade point ratio on a 4.0 system.

The Singing Cadets have sung throughout the Southwest since 1894 to become one of the outstanding glee clubs in the nation. The group directed by Robert L. Boone is scheduled to sing 20 performances this fall, including two national conventions in Houston.

They will appear Dec. 5 as the official glee club for the seventh straight year at the Miss Teenage America Pageant in Fort Worth. With invitations to perform coming from every major city in Texas, the Singing Cadets go on the road between semesters and on spring weekends to total 50 performances a year.

to "see it through" here. "We always have to carry some persons, such as elderly invalids, from their homes to a place of safety such as the courthouse," the judge explained.

Wendell said another important responsibility of the authorities during emergency situations is to make sure that only authentic information is dispatched over short wave radios or regular radio stations.

Other actions performed by Aransas County in connection with Hurricane Celia included:

—Judge Wendell officially requested the Red Cross to come to this disaster area and Red Cross representatives were on the job the day after the hurricane hit.

—Words was sent out to local residents who had fled to other cities, asking them NOT to rush home immediately after the hurricane because of sanitation conditions which would be made worse by an influx of people.

—After the hurricane, Aransas County officials filled out numerous forms to help the county receive government aid.

Oil News

Continental Oil Co., plans immediate drilling of an Aransas County Burgentine Lake Field well 8.5 miles south-southwest of Austwell.

Projected to 8,000 feet, the No. 54 St. Charles Co. will be located 300 feet from the south line and 10,300 feet from the west line of Aransas County School Land Survey, A-8.

Phillips Petroleum Co. has worked over a West Fulton Beach Field well six miles north of Rockport.

Well No. 23 Copano Bay State Tract 45 was gauged for an absolute open flow of 9,650 Mcf of gas a day from perforations at 6,444-70 feet overall. Gas-condensate ratio was 51,850-1 and liquid gravity was 62.8 degrees. On one hour test through adjustible choke the well flowed 1,035 Mcf with 1,839 pounds pressure. Shut-in pressure was 1,880 pounds.

The Kinsey Report

A little boy, about three years old, accompanied his mother to the Post Office. The mother opened her P. O. box and fetched out a bunch of mail.

She toted it to the counter near the entrance to the Post Office and started going through the letters, cards, notices, advertisements and other pieces of mail to throw away those things she didn't wish to carry home.

"Ain't there no letter for me, ma?" asked the little boy.

"No, there ain't no mail for you, boy. Who'd be sendin' you a letter?" replied the mother, gruffly.

"Are you sure, ma?" the little boy pleaded. "Not even one."

"Now you hush up, boy," his mother shouted, "and quit fussin' me up."

Standing at the counter was a businessman who had extracted a foot-high stack of stuff from his mail drawer. He had heard the little boy's pleas for a letter.

Going through his voluminous stack of mail, the man pulled out a folder urging Texans to vote for Paul Eggers, Republican candidate for governor.

Handing the piece of mail to the youngster, the man (a Democrat) said, "Here, young man, here's a letter all your own."

The little boy's eyes got as wide as a silver dollar as he clutched the folder and gazed at its contents.

"What you say to the man?" the mother shouted.

The boy looked up at the man and quietly said, "Thankee mister."

KLINES BACK FROM EUROPE

Mr. and Mrs. H. R. Kline are back from a three-week vacation in Baumholder, Germany, with their son, Russell, who is stationed in the Army Headquarters, 5th Missile Battalion, 6th Artillery Unit there, and his wife, Phyllis, who is school secretary for the American Elementary school.

During their stay, they traveled through most of southern Germany with their son and daughter-in-law. A few of the places they visited were—the largest wine fest in Germany in the town of Bad Durkheim; a shopping and sightseeing trip to Idar-Oberstein which is famous for its jewelry and a church that holds 500 people which is built into the side of a mountain; a visit to Litchenberg Castle (dates to the 14th century) near Kusel, Germany; and a trip to Wiesbaden, Germany, to have dinner with Russell and Vicki Swann. Russell Swann is also in the Army and is stationed in Wiesbaden.

During their visit they also toured through Switzerland for two days with their main stops being made in Basel, Zurich, and Baden, Switzerland. They also spent three days visiting in Paris and other parts of northern France.

E. M. COURT DIES

Funeral services for Emerson M. Court, Sr., native of Rockport, were held in Port Arthur Sept. 29 at the Grammier Oberle Funeral Chapel. Burial was in Greenlawn Memorial Park in Port Arthur.

Court, a retiree of Gulf Oil Corp., died Sept. 28 in Park Place Hospital after a long illness.

He is survived by his wife, Floy; a daughter, Mrs. Murrill Jordan of Jasper, Texas; one son, Emerson M. Court, Jr., of Port Arthur; one sister, Mrs. Vera Kurtz of Houston; seven grandchildren and five great-grandchildren.

Pallbearers, all grandsons, were Raymond Parker, Joe Langley, M. A. Jordan, Jr., Michael and Ricky Court, Henry Bohl and Rodney Tompkins.

CARD OF THANKS

We wish to express our thanks for the many kindnesses from friends for the comforting service, florals and foods and many kindnesses shown during our sorrow in the departing of our aunt, Mrs. Clara Warren.

Art Guild Gatherings

By JAN WENDELL

The Rockport Art Association met Monday night with a sprinkling of members present—not nearly enough to match the sprinkling outside.

The Association decided to accept the cordial invitation of Meredith Long to sponsor a local artists' show at his gallery on Key Allegro. The show will begin Oct. 13 and end Nov. 13 and will be open to all members of the Rockport Art Association. If any member is interested in showing some of his works, he is asked to deliver them to the home of Mrs. Ed Harper, Nassau Drive, Key Allegro by 9:30 a. m. Friday, Oct. 9. Only framed works suitable for hanging will be accepted. All paintings must be for sale and will be selected by a selection committee. Please contact Jan Wendell, 729-6158, if further information is needed.

All members who still have paintings, equipment, etc, in the Rockport Art Gallery are asked to please get in touch with Estelle Stair, 729-6061, in order to take their things out of the Gallery so that clean-up can get underway.

A number of Association members attended the Art Jamboree in San Antonio the past weekend at HemisFair Plaza. Among members showing were Yvonne Schlichenmaier, Estelle Stair, and Nancy Stair.

The show was exceptionally beautiful and well-planned, although the weather did not co-operate on Saturday and the nearly 150 artists all had to move inside from the "blue, rainy" norther that chose to blow in at an inopportune time. However, on Sunday all exhibitors were outside showing in the lovely booths and there was viewing and entertainment, food, music, etc., for all. It was quite a job well done by the San Antonio Art League under the leadership of Mrs. Libba Barnes and Mrs. Harriet Peavy.

Mr. and Mrs. Gene Carter and children recently returned from Miami, Fla., where they attended the funeral services of Mrs. Carter's mother, Mrs. Viola Goodman.

Letter to the Editor

This is just a note to say thanks to Sheriff Bob Hewes and Police Chief E. D. Taylor and their personnel for their kindness in phoning me to let me know that my car (parked in front of my office) was in danger of being flooded Monday night during the heavy rain.

I'm sure that my car would have been ruined, as the water was already up to the level of the floor of the car.

Rockport is very fortunate to have such efficient and thoughtful people working for the city and county.

Sincerely,
Dr. Leonard Goldman
