Gains Made On Central Front; Resistance Stiff

Wets Win In Committee At State Capital

AUSTIN, March 29. (AP)—Prohibition lost, but Texas 'Drys" say they aren't discouraged.

The state House hearing Wednesday on an amendment to set a state-wide election on prohibition was just like the half-time show at a football game.

Some 1,000 "Wets" sat in the gallery, then together whipped out big cards saying: "I am against prohibition."

The "Drys" were outnumbered, and wore smaller cards that read simply "WCTU".

The Legislative Committee killed the amendment, 15-5.

Mrs. Claude Devan Watts, state president of the Women's Christian Temperance Union, said: "Of course, we are disappointed - but this unreasonable, undemocratic act of a hostile legislative committee is only a temporary obstacle in our progress."

C. L. Clark of Houston, one of the anti-Prohibitionists, said "They didn't catch us asleep this time." Both sides presented ministers. The "Drys" let Frank Boydstun, captain of last year's Baylor University football team, carry the ball too.

The "Wets" presented the Rev. James McLain, now the rector of an Episcopal Church, but the original Dr. I. Q. of radio. He gave a hit of his routine as Dr. I. Q. and "knocked 'em dead."

McLain said prohibition is part of a religious conviction and should not be a part of legislation.

Walter Green, a former member of the San Angelo, Tex., police force testified more women went to drinking places during prohibition than at any other time.

Salute For Korean Boys

Three American soldiers sit up on their litters and give a salute of thanks to two small Korean boys who carried a message from them to an American patrol which resulted in their rescue. The GI's left to right are Pfc. Ellis Wadley, Leachville, Ark.; Pfc. Kenneth Moreland, Alexandria,Va., and Cpl. Walter Smith, Martinsville, Va.

Ellenburger Top Corrected In No. 1 Glass

Stanolind Oil & Gas Co. No. 1 M. A. Glass, flowing discovery from the Ellenburger in Southeast Fisher County, is to set casing at 7,324 feet, which is corrected top of the Ellenburger, and make production tests to try to complete as a commercial producer and a new discovery.

This development had flowed oil at the estimated rate of 37 barrels per hour for 55 minutes during a drillstem test. The section covered by the test was originally reported to have been at 7,279-7,327 feet.

An electric log, which was taken after the flowing test, corrected the total depth from 7,327 to make it 7,347 feet. That correction then made the section which flowed the oil at 7,399-7,347 feet.

Open flowing bottomhole pressure during the test was between 750 and 1,875 pounds. Shut-in bottomhole pressure after 20 minutes was 2,725.

No water was developed with the oil. The top of the Ellenburger at 7,324 feet is on a datum of minus 5,027 feet.

New field opener is one-half mile east of the Scurry County line and the same distance east of the town of Pyron.

It is 1,980 feet from north and east lines of section 246, block 3, H&TC survey. That makes it about 10 miles southeast of Hermleigh, which is in Southeast Scurry County.

STONEWALL

Seaboard Oil Co. of Delaware has completed its No. 2 W. F. Edwards as the third producer from the Pennsylvanian in the Double Mountain field of Southwest Stonewall County.

The well flowed 24 hours through a 20-64th-inch choke to make an initial production of 259.77 barrels of oil.

Gravity of the petroleum was 38.6 degrees. No water was present. Gas-oil ratio was 305-1.

Top of pay is at 5,234 feet and total depth is 5,314 feet. Five and one-half inch oil string is cemented at 5,234 feet.

The pay section was treated with 5,000 gallons of acid.

Location of the new producer is 1,860 feet from east and 660 feet from south lines of section 318, block 2, H&TC survey. It is a west offset to the same concern's No. 1 W. F. Edwards, the discovery well of the pool.

HARRIE WINSTON

V. A. Brill, of Houston No. 1 Harrie Winston and others, wildcat in South - Central Scurry County, is reported drilling below 4,387 feet in lime and shale.

Top of the Wolfcamp was called at 4,215 feet on an elevation of 2,314 feet. A drillstem test on the interval from 4,044-4,107 feet recovered 90 feet of drilling mud. The well is to drill to 8,000 feet into the Ellenburger.

Drillsite is six and one-half miles south of Snyder in section 7, block 1, J. P. Smith survey.

KENT COUNTY

Sun Oil Co. No. 1-B Bilby Wallace, East-Central Kent wildcat, is drilling below 7,099 feet in lime, shale and chert. Drillsite is in section 43, block 98, H&TC survey and four miles southeast of Clairemont.

NO 1 MILLER

Stanolind Oil & Gas Co. No. 1 Miller, North-Central Borden prospector, is drilling below 8,175 feet in lime. It is in section 3, block 30, T&P survey.

GARZA COUNTY

Continental Oil Co. No. 1 Fumagalli, wildcat in Northeast Garza County, is drilling in dolomite and shale below 5,210 feet. It is 13 miles northwest of Post and 1,980 feet

(See OIL NEWS, Page 2)

County Law Court Approved In Senate

Sen. Pat Bullock said today in Austin that the state senate passed shortly before noon the bill providing for a county court at law for Scurry County.

The bill had earlier passed the house and had been waiting several weeks for senate approval as an uncontested bill.

SIGNATURE NEEDED

The measure now lacks only the signature of Gov. Allen Shivers before becoming law. The governor is not expected to sign the bill until next week.

The county court at law will have jurisdiction over the county court, leaving Edgar Taylor, county judge, free to devote his full time to the executive affairs of the county and to the commissioners cuort.

At present, the county judge acts as a part of the commissioners court and also is jurist of the county court.

TWO YEAR TERM

The judge for the new court is to be elected by qualified voters of the county for a term of two years. The bill specifies that the judge must be a licensed attorney at law in this state. He must also be a resident of Scurry County, and a practicing lawyer in Texas for at least four years immediately prior to his appointment. No two-year residence requirement is included in the measure as reprinted in the House Journal of March 12.

The commissioners' court will appoint the first judge of the court as soon as the bill becomes effective and he is to serve until an election is held. The judge of the court may be removed from office in the same manner in which any county judge may be removed under state laws.

The county attorney will represent the state in all prosecutions in the court at law.

The bill carried an emergency provision.

The judge of the court at law probably will draw $5,250 a year, Judge Taylor said today. That would make the position pay the same as other high county offices such as auditor and tax collector.

According to the bill, as reprinted in the Senate Journal of March 13, the bill provides for the appointment of official shorthand reporter and for the appointment of an official interpreter.

City To Ask Bids On Construction Monday

Bids for construction of a wing to the city-hall to house additional fire fighting equipment and on the new fire sub station to be located in Southeast Snyder are to be opened Monday night, Mrs. Clara Jones, city secretary, said.

Bids were called for separately on the two projects.

Six contractors have asked for plans on the buildings, but no bids have been received so far, she said.

Panhandle Pulls Out Of One Of Its Worst Winter Storms

By The Associated Press

Residents of the Upper Texas Panhandle today began crawling out from under what was described as "the worst snow and ice storm here in years."

Hundreds of utility poles were down and at the height of the storm Wednesday an estimated 150 cars were stranded on snow-drifted highways in the Perryton area alone.

The freak, post-Easter storm was only one phase of the statewide weather picture.

While snow hit the Panhandle, hail fell in San Antonio, temperatures rose to summer-like readings in South Texas, and small twisters hop-skipped in South-Central and East Texas.

Irvin R. Buchanan, manager of Radio Station in Perryton said snow drifted four feet deep.

Five towns were still without long distance telephone service today — Beaven, in the Oklahoma Panhandle; Booker, Barrouzett, Follett and Spearman, in the Texas Panhandle.

T. M. Rogers of Guymon, Okla., director of the Southwestern Associated Telephone in this area, estimaed 330 to 400 of the company's telephone poles were down.

The Rural Electrical Association had poles down and the private phone line of the Northern Gas Pipeline Company of America was "laid flat."

SNOW FOLLOWS ICE

Rain fell first, causing ice to form on utility lines; then came the snow, which—lashed by a 50 mile-an-hour wind-fell from around 8:30 a.m. until 7 p.m. Wednesday. Visibility dropped to zero for several hours because of a blinding snow storm.

The surprise wintry blast caught scores of motorists out on highways.

Buchanan said 150 motorists were marooned in their cars in the Perryton area, and probably escaped death or frost bite because the temperature never fell below 30 degrees.

No reports of any serious livestock losses have been received.

Bright sunshine beamed over the area today.

Gambler Says He Won't Talk

WASHINGTON, March 29. (AP) John Croft, linked to gambling in Northern Kentucky, refused today to tell Senate Crime Investigators about his activities and associates. He was put under $10,000 bond for possible contempt charges.

Questions were put to Croft behind closed doors.

After a brief session, Senator O'Conor (D-Md) announced that Croft had refused to answer many of the queries.

MORE QUESTIONS

O'Conor said Croft, along with four other balky witnesses, had been directed to appear before the full committee Friday for further questioning.

That will give these recalcitrant witnesses a final chance to talk and escape possible prosecution for contempt of Congress. Conviction of contempt carries a possible penalty of up to $1,000 fine and a year in jail.

FOUND IN KEYS

The FBI announced Wednesday that Croft, long sought as a witness by the crime probers, had been picked up in a fishing shack on the Florida Keys about 125 miles south of Miami.

He was one of 17 missing witnesses for whom the Senate issued arrest warrants last Monday.

James M. Brink, who has admitted interests in gambling casinos in Northern Kentucky across the Ohio River from Cincinnati, previously has testified that Croft was a partner in the Yorkshire Club of Newport, Ky.

Still Search For Escapees

A state-wide search continued today for five escaped prisoners who removed bricks to escape early yesterday from the Scurry County jail.

Those who escaped are: Duwell Turner, 27 Fort Worth, under grand jury indictment of armed robbery of the Western Union office here;

Horace Edward Lyday, 21, Snyder, charged with robbery;

Virgil Muse, 29, Snyder, charged with robbery;

Charles Gardner, 18, Fillmore, Calif., charged with robbery by assault; and

Fred Paul Moore, Gail, charged with forgery.

Four of the prisoners were in the bull pen, and one, Muse, was in the run-around. Lloyd H. Merritt, sheriff, said two locks were broken to free the four from the bull pen. They then chipped a 12 by 16 inch hole in the foot-thick wall to drop to the kitchen roof and from there to the ground on the west side of the building.

$400 in Proceeds For Kiwanis Children Fund

A preliminary report on the Womanless Style Show held recently by the Kiwanis Club showed that approximately $400 had been taken in.

The report was incomplete because some tickets and money have not been turned in yet, Ford Caperton said yesterday at the club's luncheon.

Kiwanians indicated that a large part of the money taken in would be profit, because rental of the auditorium was the only expense incurred in the production.

Frank Fisher also gave a report on the activities of the Kiwanis Scout committee. Bill Brown and Joe Watson are members of the Scout committee.

These reports were given in the absence of a planned program for the Kiwanis luncheon.

Skipper And 8 Girls Missing

MIAMI, Fla., March 29. (AP) — Navy and Coast Guard air and surface craft intensified the search today for eight girls and their male skipper, missing in rough seas off the Lower Florida Keys in the 43-foot schooner, Tropicair.

Small craft warnings flew over the area. The Weather Bureau said the wind, easterly 20 to 30 miles per hour, had been building up since Monday.

Coast Guard cutters searched throughout the night while planes joined them at daybreak.

The Tropicair was unreported since Monday and fear was expressed that the four-day food supply may have run out. It also may have put in at one of the thousands of small islands in the area.

Defiantly flying a confederate flag as "rebels," Owner Le Hédérman and his all-girl crew left St. Petersburg Saturday noon on the 284-mile trip to Havana. They had been refused permission to compete in the St. Petersburg-Havana yacht race and went along "just for fun."

The two-masted schooner was ruled out of the race because the crew, the Board of Directors said, was not competent.

Meeting Arranged In Berlin With Russians On Shooting Episode

BERLIN, March 29. (AP)—U. S. and Russian authorities arranged tentatively to meet late today to discuss the firing by East German Communist police Wednesday on a sightseeing convoy of 73 Americans in Berlin's Potsdamer Platz.

American officials said the issue is the right of Allied personnel to travel with safety in four-power Berlin, including the Russian Sector.

Mathewson was reported to want a public reiteration of that right by the Russians and some kind of assurance that the East German Communist Police Force is so advised.

The East Police opened fire on a convoy of American Army busses carrying tourists, including women and children, on a regularly scheduled sightseeing tour of the city. Three shots punctured one of the busses but no one was hit.

First Atom Spy Trial Over As Three Persons Are Convicted

NEW YORK, March 29. (AP)—Two men and a woman were convicted today of passing wartime atomic secrets to Russia in the first atom spy trial in the United States.

The jury returned its verdict at 10 a.m. (CST) after seven hours and 18 minutes of deliberation.

The convicted defendants, who could receive the death penalty, are Julius Rosenberg, 34-year-old electric engineer; his diminutive dark-haired wife, Ethel, 35, and Radar Expert Morton Sobell, 33.

The prosecutor did not ask for the death penalty, however, during summation.

The jury had weighed the fate of the three defendants for one hour and two minutes today after being locked up for the night at 12:40 a.m.

A-BOMB SECRETS TOLD

The trio was accused of relaying atom secrets to an international Red spy ring headed by Klaus Fuchs until his arrest in England early last year. The secrets, the government contended, included drawings of the atom bomb dropped on Nagasaki, Japan, in 1945.

The government's star witness in the sensational case was David Greenglass, brother of Ethel Rosenberg. Greenglass, who pleaded guilty to the espionage indictment, is awaiting sentence for his part in the plot.

The espionage indictment also named a fifth defendant, Anatoli A. Yakovlev, who is now believed to have fled to the sanctuary of Russia.

Greenglass is a former Army technician who served in the Atomic Bomb Center at Los Alamos, New Mexico. He said the information he obtained there was turned over by him to the Rosenbergs for relay to the Russians.

DEFENDANTS CALM

Only Mrs. Rosenberg showed any sign of emotion as the verdicts were announced. She shook her head slightly, then stared grimly at the floor of the courtroom.

Sobell and Rosenberg sat calmly in their chairs.

Judge Irving R. Kaufman, after congratulating the jurors and extending "deep gratitude" for their services, said:

"I must say as an individual that I cannot be happy because it is a sad day for America."

Hope Rises In Deputy Meet

PARIS, March 29. (AP) — Western sources today greeted Russia's new proposals for a Foreign Ministers' Conference agenda with reactions ranging from cautious optimism to enthusiasm.

The delegates of the United States, Britain and France met at the French Foreign Ministry to exchange views of the new and apparently conciliatory suggestions submitted Wednesday by Soviet Deputy Foreign Minister Andrei Gromyko.

They postponed until Friday the meeting with Gromyko, scheduled for today, in order to give more time to discussion of his proposals.

Gromyko submitted a new wording in which Russia dropped her previous demands that German rearmament be considered as a separate subject, as well as her earlier insistence on the Potsdam Agreement of 1945 as the basis for East-West discussions.

An official source said one of the Western powers is enthusiastic about the new Russian line.

The second power, he said, believes the Big Four Deputies may now really be on their way towards arranging a Foreign Ministers' meeting to east world tension.

The third power, he added, is a little more reserved.

French Leader Pledges Help

WASHINGTON, March 29. (AP) — President Vincent Auriol of France today pledged his nation and its people will "do all within our power not only to resist aggression, should it occur, but to deter it and save the peace."

He asserted any charge that the French will not fight to repel aggression is "an insult as cruel as it is unjust."

The French Chief of State spoke for his country in an address prepared for a National Press Club luncheon.

This and more than a score of additional speeches scheduled for Auriol's one-week visit to the United States are expected to answer in forthright terms American critics of Western European defense planning.

These critics, including some lawmakers, contend the European countries are depending too much on America to check the threat of Communist aggression.

Auriol received an enthusiastic ovation on his arrival here Wednesday.

Two Trailer Trucks Are Reported Stolen Here by E. L. Farmer

The E. L. Farmer Trucking Co. reported today to police that two heavy trucks and trailers were stolen.

Police said that the company revealed that a 1948 International tractor pulling a red and green Spencer trailer and a 1950 GMC tractor pulling a red and green Spencer trailer were missing when company employees came to work this morning.

No tract om the trucks had been located early today.

Police said that the theft of such trucks would be difficult to conceal, however, and that perhaps the motive was the theft of heavy oil field equipment from this area, but no such equipment had been reported missing to them.

Collie Fish Candidate For School Trustee

One new candidate for the Snyder school board election of April 7 was announced yesterday afternoon, the final date for filing of formal applications.

The Snyder ballots will carry the name of J. Collie Fish, 1104 Twenty-sixth Street, along with the two incumbents who are being run for re-election, J. B. Turner and E. H. Williamson.

The only others in the county's four school districts having officially announced their candidacies are Grady Williams, James Davidson, and E. L. Vandiver, incumbents whose terms are expiring on the Hermleigh board. Their candidacies were announced in a petition to Edgar Taylor, county judge, signed by Hermleigh citizens.

The announcement of Fish's candidacy was also made by petition bearing also the names of Turner and Williamson, whose candidacies were announced earlier by verbal petition.

Others may seek election as write-in candidates.

Mickey Cohen Can Come, But Probers Balk

AUSTIN, March 29. (AP) — Gamoler Mickey Cohen says he's got the money to come to Texas now but the State Legislative Crime Committee hasn't decided it still wants to hear him.

Cohen was cited for contempt when he didn't show up Tuesday like he was subponeaed to do.

NO MONEY

For days before the committee's first Texas crime probing session Cohen contended he didn't have the money — an airline ticket costs $168.02 round trip — to come to Texas. He said if Texas wanted him, Texas could send him the fare.

But Wednesday after he was notified of the contempt proceedings he tossed in the towel.

SOLD CAR

He said he had raised some money on his $16,000 armored car. He can't drive the car because it is illegal in California for a private individual to drive one.

Chairman Fred Meridith of the Crime Committee indicated Mickey's future was in the hands of a Texas District Attorney and the committee as a whole.

"If he contacts us and comes we'll get the committee together and see what it wants to do," Meridith said. "I don't know if we can just suit his convenience."

CASE UP MONDAY

The Travis County, Tex., District Attorney is to present the Cohen case to the grand jury Monday.

Cohen could be fined and jailed for failure to appear.

Rep. Horace Houston of Dallas, a member of the committee, said he didn't want to hear Cohen and hoped the grand jury would indict the gambler.

New Clues In Cook Murder

RIVERSIDE, Calif., March 29. (AP) —A man's clothing, found stuffed in a garbage can, is the newest clue in the slaying of a young Los Angeles couple in the desert near here Monday.

A pair of gray civilian trousers and a maroon shirt were discovered in a garbage can at nearby March Air Force Base Wednesday a few hours after the woman's body was found in a quarry two miles from the base.

Officers said Sgt. Lawrence J. Walker, Newark, N. J., Negro, who is being questioned about the killings, refused to try on the trousers and shirt.

Investigators said the clothing appeared to be bloodstained.

Deputy Newt Abbott quoted a Perris, Calif., couple as telling him they saw a Negro, wearing gray trousers and a maroon shirt, standing beside a stalled car near the fatal scene the day of the slayings. They said he waved to them to stop but they drove on.

The body of Doris Cook, 18, was discovered by a steel worker who helped build power lines through this area. Posses had searched the wasteland two days.

The woman's husband, Richard Cook, 18, was shot to death beside his car on a desert road. A passing motorist found their infant son playing on a blanket near Cook's body.

Bucks Pendergast

Mayor William E. Kemp of Kansas City, Mo., smiles as unofficial incomplete count of ballots in the city election showed a clear cut victory for the Citizens association administration challenged by Pendergast Democratic organization.

Temperature Down to 31

A cold sweep which brought snow to the Panhandle and hail to South Texas brought Snyder only dust and a drop in temperatures yesterday. The maximum here was 55 degrees, and a minimum of 31 degrees was recorded here before dawn. By 7:30 the temperature had risen only two degrees from the minimum.

New Offensive Expected From Chinese Soon

Air Sorties Contact The Enemy, But No Damage Reported By Either

TOKYO, March 29. (AP)—Australian Diggers and Canadian Princess Pats rolled up sizable gains today on the muddy Central Korean Front.

But elsewhere in the Central and Western Sectors, the Communists fought their stiffest defensive action of weeks. They were dug in about four miles south of the Red Korean border in both areas.

The Red stand came as China rejected MacArthur's bid to talk peace with the Communist commander in Korea.

MacArthur's Headquarters told of red troop and supply movements which indicated the Communists might be massing for an offensive when April's seasonal rains bog down allied heavy weapons.

The British Commonwealth Forces racked up their gains northwest of Kapyong. Aussie and Canadian troops forded streams and scrambled over hills soggy with three days of rain.

Kapyong is 9 miles south of the border and 12 miles southwest of Chunchon.

AP Correspondent Nate Polowetzky reported the advances were significant. He said the distance could not be disclosed. He added, "Only the difficulties of the going determined the speed of their advance."

REDS MOVE SOUTH

Field dispatches said the Chinese were moving south of the border in the Chunchon area. They were digging defense positions in the northern hills overlooking the Chunchon Basin.

The Reds poured heavy mortar fire into Allied patrols striking up the Pukhan and Soyhan river valleys between Chunchon and the border, eight miles away.

Between 7,000 and 10,000 Reds were reported dug in along the central front south of the border. At least 80,000 more backed them up along a 20 mile deep stretch of Red Korea.

In the air, 16 F-86 Sabre Jets of the U. S. Fifth Air Force tangled Thursday with 23 Russian-Type MIG-15 jets in three separate encounters over Northwest Korea. No damage was reported to either side.

The Fifth Air Force flew 536 sorties by late Thursday afternoon. And pilots said they killed or wounded 250 reds and destroyed seveen enemy tanks.

Allied artillery fire and ground force attack Wednesday killed or wounded 1,740 Reds.

The Chinese Thursday fought their stiffest action in weeks north of Munsan on the Western Front. Firing from dug in positions about four miles south of the border, they all but stopped the allied advance in the west.

On the Eastern Front, South Koreans roamed six miles into the Redlands. But that sector was regarded as relatively unimportant militarily since the bulk of the Communist forces were on the Western and Central Fronts.

22 Scurry Men Take Physical

Sixty-seven men from selective service board No. 96 were sent to Abilene for physical examinations yesterday.

Included in the number were 14 men from Snyder, three from Ira, two from Hermleigh and one each from Knapp, Fluvanna and Dunn. Sixteen men were ordered to report from Sweetwater. Eight men from Roby were to report, with six each from Rotan and Roscoe.

Snyder men who reported for examination were William Alfred McGlaun, Jr., Leroy Alfred Walker, George Orlando Darby, Tommy Rea Falls, Jerry Eugene Kelly, Edward Pena, Bobby Lynn Taylor, Cloys Dale Walser, Billy Joe Middleton, Thomas Caudle, Donald Ray Boren, Stephen A. Boone, Jr., Bennie Nax Boone and Doyle Gene McBride.

Other Scurry County men who were to report were Lee Edward Palmer, Lynden Carlis Moses and Charles Raymond Williams of Ira; Albert Phillips and Albert Joe Roemisch of Hermleigh; Harvey Leroy Key of Knapp; William Allen Jones of Fluvanna, and Charles Leonard Goodlett of Dunn.

Five Per Cent Federal Retail Sales Tax Proposed By Group

WASHINGTON, March 29. (AP) —A five per cent national retail sales tax and a $6,000,000,000 slash in government spending were among steps proposed today by the Committee for Economic Development to achieve a balanced and adequate Federal fiscal program.

In addition to a $10,000,000,000 tax increase as soon as possible, the businessmen's research group suggested tight restrictions on expansion of bank credit, and a national program to encourage private savings.

PROMOTE SAVINGS

"This program, fully carried out," it said, "would yield a cash surplus of two to three billion dollars in fiscal 1952. Thus it would maintain the anti-inflationary influence of the budget but would not rely exclusively upon higher taxes to do this. At the same time, it would greatly strengthen the defense against inflation at the points where the defense has been weakest namely control of the expansion of credit and the promotion of savings."

The program was developed and put forward by the Research and Policy Committee of the business research organization, and released by CED Chairman Marion B. Folsom, treasurer of Eastman Kodak Co.

The Committee's "emergency tax program" calls for raising an additional $5,250,000,000 from excise taxes, including the sales tax; $3,850,000,000 more from individual income taxpayers, and $1,000,000,000 more from corporations by means of a "defense profits tax," with profits above $25,000 taxed at 50 per cent instead of the present 47 per cent. No change was recommended in the present excess profits tax on corporations.

Weather

WEST TEXAS — Generally fair, colder in Del Rio-Eagle Pass area and the Big Bend Country this afternoon; lowest temperatur 28-34 Panhandle, South Plains and Upper Pecos Valley tonight. Warmer Friday afternoon.

EAST TEXAS — Partly cloudy and colder tonight; lowest temperture 28-34 in north portion tonight with frost in exposed places. Friday fair, warmer in northwest portion in the afternoon.

News From Plainview

Carl Ray Lloyd, son of Mr. and Mrs. Raymond Lloyd of the Plainview community, was among the men inducted into the army in Sweetwater yesterday.

Week-end guests in the home of Mr. and Mrs. Raymond Lloyd, Plainview community, were G. A. Lloyd, Mr. and Mrs. George H. Lloyd and Delbert, Mr. and Mrs. W. M. Lloyd and Virginia, Mr. and Mrs. Duaine Davis, Mr. and Mrs. Horace Davis, Mr. and Mrs. Allen Davis, Roland, Millie and June, of Snyder, Barbara Anne Huckaby of Hamlin, Mr. and Mrs. Homer Hutto of Abilene, and Mr. and Mrs. Carl Gray of Hermleigh.

Mr. and Mrs. Delwin F. Maas and daughter, Debra, from Houston are visiting here in the home of Mrs. Maas' parents, Mr. and Mrs. W. B. Werner. Guests in the Werner home over the week end were Mr. and Mrs. R. G. Gilmore and children, Sharon, Karen and Marc Kent, of Baird.

Kalkbrenner Trial Is Continued to May 7

A motion of continuance until May 7 was granted yesterday in 132nd district court in Gail in the case of P. A. Kalkbrenner, charged with felony theft of drilling pipe.

The motion was granted by Ben F. Thorpe, district judge, when a medical certificate signed by a physician was presented in court by Pat Beene, council for the defendant, showing that Kalkorenner was unable to appear in court.

The defendant is charged with theft of 155 joints of 4½-inch drilling pipe from the C. D. Boyd lease in Borden County. Bob Davie, district attorney, protested the motion.

Locations In Scurry Area

Humble Oil & Refining Co. has staked location for the No. 5 J.E. Sorrels in the Sharon Ridge-Canyon field. It is to be 1,980 feet from south and west lines of section 96, block 25, H&TC survey, 17 miles southwest of Snyder.

Burdell Oil Co. has staked location for five wells in the shallow Sharon Ridge field of Mitchell County 10 miles northwest of Colorado City.

The No. 2 Mills-Patton will be 330 feet from north and east lines of the northwest quarter of section 195, block 3, H&GN survey. The No. 5 Mills-Patton is 330 feet from north and west lines of the same quarter section and block.

No. 6 Mills - Patton is 990 feet from north and 330 feet from west lines of section 195, same block and survey. No. 7 is 990 feet from south and 330 feet from west lines of the northwest quarter of section 195, same block and survey. No. 8 is 330 feet from south and west lines of the northwest quarter of section 195, same block and survey.

Mr. and Mrs. Hugh Birdwell, and daughter, 1208 Twenty - eighth Street, were in Lubbock visiting friends over the Easter holidays.

Mrs. Perry Harris and Mrs. J. R. Sims have returned from Corpus Christi, Tex., where they vacationed two weeks. They were joined by Dr. Sims and Mr. Harris, who flew down for the Easter week end. The group all returned together.

Don't Overeat But
Don't Go Hungry Either

Are you one of those overweight gals who are trying to fight the "battle of the bulges" on a starvation diet? If you are, you probably have found the going a little rough. It just doesn't make sense to go on a starvation diet, take off weight and then quickly put it back on again when the diet period is over. For it is obvious that one cannot continue a rigid diet over a protracted period.

Other than the hunger and health angle, a starvation diet is apt to make one look haggard and "flabby". "What can I do then?" you ask. "How can I take off ugly fat otherwise?" Nearly four million bottles of a preparation called Barcentrate have been sold in Texas in the past eight years.

When you buy Barcentrate, you buy a preparation for taking off weight. You do not follow a starvation diet, nor buy vitamins to fortify you against weakness from lack of food. You need never know a hungry moment while reducing with Barcentrate. It contains no harmful drugs, but does contain ingredients to make you feel better.

Barcentrate does this: First, cuts down your appetite. Barcentrate takes care of your DESIRE. Second, dehydrates and eliminates, so that water is eliminated—almost like melting fat. At the same time, you feel better, more peppy, more alive, but never starved or hungry.

Barcentrate is a home recipe. Just get four ounces of Barcentrate from your druggist. Pour into a pint bottle and add 12 ounces of canned grapefruit juice. Then just take two tablespoonsful twice a day. The makers agree to refund your money if the very first bottle doesn't show you the simple, easy way to lose bulky fat and help regain slender, more graceful curves—if reducible pounds and inches of excess fat don't just seem to disappear almost like magic from neck, chin, arms, bust, abdomen, hips, calves and ankles.

Fulbright To Get The Justice Department To Answer On Profits

WASHINGTON, March 29. (AP)—Senator Fulbright (D-Ark) said today he may ask the Department of Justice to get the answers about a profitable ship deal which Joseph E. Casey refused to give Senate Investigations Wednesday.

Casey, former Democratic Congressman from Massachusetts, refused to give a Senate Banking Subcommittee headed by Fulbright details of a transaction in which Casey has testified he ran a $20,000 investment in war surplus ships into a $250,000 profit in three years.

Fulbright said he will call a closed door meeting of the group Tuesday to determine the next step.

Casey challenged authority of the subcommittee to study the ship deal.

1 Charged On Driving Count In Court Here

Howard Hickman, about 32, temporarily of Snyder, was charged in county court today with driving a motor vehicle while under the influence of intoxicating liquor.

He was arrested last night after his car struck a rural mail box about five miles west of town.

A similar charge against Lester Shuler, about 36, was dismissed yesterday afternoon upon recommendation of the county attorney on grounds of insufficient evidence.

Wichita Falls Patrolman Shot

WICHITA FALLS, March 29. (AP)—E. F. (Jack) Deuberry, 47, Wichita Falls patrolman, was shot and killed in a beer tavern on the edge of town early today.

Deuberry worked in the tavern in his spare time as a night watchman. Officers said robbery was not the motive, and held a 42-year-old woman for questioning.

Police Capt. S. J. Lawrence said Miss Othella Williams, 28, discovered the body about 1 a.m. in the store room of the establishment, Troy's Place.

The patrolman had been shot twice, Lawrence said.

Justice of the Peace H. M. "Doc" Newman returned a Coroner's Verdict of "Death from gun shot wounds at hands of unknown assailant," and placed time of death at about 12:30 a.m.

Deuberry is survived by his widow and two or three children.

PERSONALS

George Harold Evans of Snyder was among four West Texas men who enlisted in the Marine Corps this week. The men were processed at Dallas and have been sent to San Diego for training.

Mrs. W. W. Gross, 1704 Twenty-eighth Street, has recently returned from Houston where she has been visiting relatives.

Cotton Prices Pass Peak In World Mart

WASHINGTON, March 29. (AP)—The International Cotton Advisory Committee says cotton prices in world markets appear to have passed their peak.

After advancing to record levels since outbreak of the Korean War, prices have declined substantially, the committee said Wednesday, in the case of Egyptian, Mexican, Pakistan and Brazilian cottons.

The committee is an inter-governmental agency set up to keep major cotton producing and importing countries advised of developments.

Factors which are bringing about price declines, the committee said, include imposition of price controls and credit restrictions in the United States and prospects of a considerably larger cotton crop this year.

Record-Breaking Total of 188 Wells Located in West Texas

For the second consecutive week, the all-time high for oil tests in West Texas was established during the week March 11 to 17 when 188 tests for oil, including 21 wildcats, were staked in 30 West Texas Counties.

The previous high for oil tests in West Texas was reported March 10 of last when 169 tests for oil including 30 wildcats, were staked in 33 counties.

Totals for the first 11 weeks in 1951 became 1,129 in proven areas and 185 for wildcats, a grand total of 1,314. This is a weekly average of 119.45, up from 112.6 through the 10th week.

Schleicher and Upton Counties led the wildcat locations with three each, Crockett, Crane, Gaines Midland, and Yoakum, added two each. Borden, Howard, Loving, Martin, and Winkler Counties one each.

Scurry County was first in field starters with 22. Midland gained 18, Cochran 15, Ector 14, Glasscock 13, Jarza 12, Pecos 11, Andrews and Runnels nine each, Crane, Sutton, Tom Green, and Upton four each, Coke, Hockley, Howard, Terry, and Ward three each, Borden, Kent, Mitchell, and Schleicher two each, Dawson, Gaines, Loving, Lubbock, and Winkler Counties one each.

Child Removed From Disagreeing Parents

LOS ANGELES, March 29. (AP) — The judge is going to take a two-year-old boy from his mother, accused by her husband of being "violently pro-Russian."

Superior Judge Ben Rosenthal Wednesday ordered the child, Robert Lee Bledsoe, placed in a neutral "All American" foster home pending trial of the parents' divorce suit.

The father is James L. Bledsoe, 37, former pilot with the "Flying Tigers" in China.

Mrs. Tossie Kukushina Bledsoe, who married the flier in Shanghai, denied his charges that she is anti-American.

Long Not To Run For Louisiana Governor

SHREVEPORT, March 29. (AP) — Gov. Earl K. Long made the flat statement that he would run for lieutenant governor in 1952.

He made the announcement in an interview here Wednesday.

He also said Lt. Gov. William J. Dodd's proposed "State of the Union" speeches scheduled in several towns would be promoting his candidancy for governor.

Dodd, in Jennings, commented on Long's statements

"I am still of the opinion that my good friend Gov. Long has made Louisiana a good governor. I wish him nothing but the best now and in the future."

Harsh Accusations Thrown In Senate On Redistricting Bill

AUSTIN, March 29. (AP) — Rep. Paul Wilson of Geneva was accused of trying to "gut" Congressman Tom Pickett of Palestine in a Congressional Redistricting Bill approved Wednesday by a House committee.

Rep. Jim Paxton of Elkhart said Wilson deliberately had thrown Pickett into a district where Rep. Lindley Beckworth would be able to beat him.

Wilson denied the accusation. He said he had worked out a redistricting plan to give Texas as composite districts as possible and an equitable distribution of population. He claimed advance approval of his bill by 116 to 120 House members.

"I know a few people are unhappy," he said, adding later:

"I know Mr. Regan is very unhappy about being cut off from his El Paso District."

The Wilson Bill sets up a Trans-Pecos District in which no incumbent congressman lives. Rep. Ken Regan of Midland is thrust into the corner of a district in which most of the counties now are represented by Rep. O. C. Fisher of San Angelo.

CONGRESSMEN COMPETE

Two other Congressmen would have to compete with each other for re-election from a common district under the proposal. They are Reps. Ed Gossett of Wichita Falls, and Omar Burleson of Anson.

The committee accepted an amendment by Rep. Clyde Manning of Decatur pulling Wise county out of a proposed tie-up with Speaker of the House Sam Rayburn's District.

"We want Gossett. Some people in Austin told us we ought to be happy to have the speaker of the House for Congressman, but for some reason, my people don't want him," said Manning.

He suggested that if Rayburn's district wouldn't have enough population without Wise county, then Cooke County should be added.

"Rayburn doesn't want Cooke," Rep. F. H

Green Beans as Casserole, Vegetable Dish and Salad

Thrifty-minded housewives will make use of canned green and wax beans for main dishes. Last year, when there were lots of these fresh beans available at low prices, the canners put up plenty of them, and so now you'll find them good buys.

Canned green and wax beans come in three styles whole, cut, and French. Generally they're in the No. 2 can that holds 1 pound, 4 ounces. You can use these beans in such different ways as in a casserole, for a hot vegetable dish, or in a salad. Here are the recipes.

QUICK GREEN BEAN AND TUNA DISH

Ingredients

½ cup soft bread crumbs, or bread cut with tiny star cutter
1 tablespoon butter, or margarine (Melted)
1 No. 2 can frenched green beans
1 seven - ounce can tuna (flaked)
1 can condensed cream of mushroom soup.

Method: Toss crumbs or stars in melted butter. Drain beans; mix with tuna and mushroom soup in shallow baking dish; arrange crumbs or stars around edge. Bake in moderate (375F.) oven 25 minutes. Makes 4 servings.

GREEN BEANS VINAIGRETTE

Ingredients

1 No. 2 can whole green beans
6 tablespoons salad oil
3 tablespoons vinegar
⅛ teaspoon tabasco
½ teaspoon sugar
¼ teaspoon salt
1 small onion (sliced)

Method: Drain beans. Mix salad oil, vinegar, tabasco, sugar, and salt. Beat until well blended; add onion. Pour over beans in can; let stand several hours. To serve, arrange beans in lettuce cups. Makes 4 servings.

GREEN AND WAX BEANS FIESTA

Ingredients

1 No. 2 can cut green beans
1 No. 2 can cut wax beans
1 onion (sliced)
1 tablespoon butter or margarine
½ teaspoon sugar
¼ teaspoon salt
¼ teaspoon tabasco
2 pimientos (coarsely cut)

Method: Drain beans. Mix bean liquid with onion and butter in saucepan. Cook until liquid is reduced to about one half. Stir in sugar, salt, tabasco, and pimiento, then beans. Heat to serving temperature. Makes 8 servings.

Maurine Leird Becomes Bride Of J. R. Burney

Mrs. R. D. White of Ira has announced the marriage last Sunday of her niece, the former Miss Maurine Leird, to Joe Rue Burney. Mr. Burney, the son of Mr. and Mrs. Joe Burney of Portales, N.M., is co-owner of the Chuck Wagon Drive-In and has lived in Snyder two years.

The ceremony was performed at 3 o'clock in the afternoon in the home of Boyd Fanning, minister of the Church of Christ.

Mrs. Burney's only attendant was Mrs. R. W. Burney, Don Burney, brother of the bridegroom, served as best man in the double ring ceremony.

The bride wore a white tailored suit with blue and white accessories and carried a white Bible topped with an orchid.

Following the ceremony, a reception was held in the new home of the couple at 1109 Twenty-first Street. The dining table was centered with an Easter scene.

Presiding at the punch bowl was Mrs. Jim Sullinger, Jr., Mrs. White, aunt of the bride, served the two-tiered wedding cake.

Others present at the reception were Mr. and Mrs. Woodrow Wilson and Linda Wilson from Ira; Mr. and Mrs. Jack Burney, Norma Jean Burney and Linnie Burney from Ira; Mr. and Mrs. Vernon Sewell from Ira; Mr. and Mrs. Pete Wishert from Ira; Mr. and Mrs. Robert Warren and Miss Nell Warren from Fluvanna; Mr. and Mrs. Noble Oliver and Donna Oliver, Jim Sullinger, Jr., Jimmy and Kay Sullinger; Miss Wanda Kinney, Miss Loran Nell Gerkson, Miss Pat Riley, and Miss Betty Frances White.

Following the party, the couple left for a wedding trip to Carlsbad, N.M.

Birthday Party For Allen Daughters, Twins

Deane and Diane Allen, twin daughters of Mr. and Mrs. Ed Allen, 711 Twenty-seventh Street, celebrated their fourth birthdays Saturday with a party at home.

Twin birthday cakes and ice cream were served for refreshment after games had been played. Favors were ballons and Easter baskets.

Mrs. Paul Jones, Mrs. Tom Carney and Mrs. Vertie Eades assisted Mrs. Allen in directing the games.

Guests at the party were Tim Allen, Treva Ray Moore, Ronnie Eades, Elizabeth Ann Williams, Cheryl Hensley, Linda Robinson, Jimmy Robinson, Tim Carney and Billie Holman.

Dinner Party Marks R. F. Burks' Birthday

R. F. Burks was honored Tuesday with a birthday dinner party, given by Mrs. Burks, 605 Twenty-ninth Street.

Those present were Mr. and Mrs. J. B. Moore, Mr. and Mrs. K. L. Fouch, Mr. and Mrs. Jack Berry, Mr. and Mrs. B. T. Bynum, Mr. and Mrs. Jodie Bynum, and Mrs. Edwin Stable, Jr.

Easter lilies and red gladioli's were the decorations for the dinner party.

Mr. and Mrs. C. L. Banks, 1001 Twenty-sixth Street, plan to leave Friday morning for a week's vacation in East Texas. They will visit in New Boston, Texarkana, Mt. Pleasant and Mt. Vernon. They visited their daughter, Mrs. J. M. Lewis, and family in Cuthbert Sunday.

Dr. and Mrs. H. P. Redwine, 2704 Avenue W, are in Dallas to attend a medical meeting. They are to return home next week.

Woman's Culture Club Has Art Discussion

The Woman's Culture Club met Tuesday with Mrs. Lois Wilsford, 1707 Twenty-eighth Street.

Mrs. Henry Kelley, leader of the program, talked on the topic "With the Artists".

Mrs. Mabel German gave an article on "Margaret Truman Answers Criticism", and Mrs. Morris, who is president of the club gave a talk on "Their Art Belongs to America".

Refreshments were served to the group.

Other members present were Mrs. J. P. Avary, Mrs. R. W. Cunningham, Mrs. W. W. Gross, Mrs. A. C. Martin, Mrs. Lora Miller, Mrs. D. P. Strayhorn, Mrs. H. L. Wren, and Mrs. Joe Caton.

The next meeting will be April 10 with Mrs A. C. Alexander, 2906 Avenue U.

Mr. and Mrs. I. B. Berryhill, 2901 Avenue J, had as guests over Easter Gene Holcomb and children, and Mrs. J. B. Holcomb from Denton, Tex.

TALK OF THE TOWN

BY FRANCES BIOW

Mr. and Mrs. FOREST SEARS and daughter, Carolyn, drove to Lubbock this week to hear "Sweethearts", a musical play presented by the music club of Lubbock. Mrs. Sears early next morning was still humming romantically . . . spring has certainly hit, if you could judge by the number and color of corsages pampered at a meeting of Business and Professional Women's Club this week . . . MISS VERA PERIMAN might be called a super hostess she superintended the high school home economics girls in providing a savory chicken pie and tasty trimmings . . . her long table was done in green and yellow. "Best dinner we've had together," everybody in the club said . . .

• • •

Seen at B&PW dinner: MRS. E. P. KETNER looking wonderful, despite a recent illness. She wore a stylish canary yellow spring suit of tailored lines with a cluster of violets tucked piquantly at her belt . . . MRS FORREST BEAVER wore a rose-shaded frock of crepe with elaborate studded design of nailheads . . . MRS JUNE SPARKS wore an all-over accordian-pleated frock of black and white with a boy chapeau of black and white checks . . . Miss Periman wore a formal gown, white crepe evening blouse with studded trim with a black crepe skirt.

• • •

From Alpha Study Club's ranks April 9 go six members to the district convention of the Texas Federated Women's clubs. Assembling wardrobes for it and very enthusiastic about the trip are Mrs. Wayne Boren, Mrs. Lawrence W. Dumas, Mrs. Forest Sears, Mrs. Alfred McGlaun, Miss Myrtle Harrell, and Mrs. Wilson Connell.

Newcomers' Party In Humble Recreation Building Tuesday

A Newcomers' party was given at the Humble recreation hall Tuesday. The group played bridge, canasta, and had refreshments.

About 36 attended the party.

The main purpose of the party was to acquaint new members with one another.

There was no regular meeting. The Newcomers' regular meeting will be at the Village April 3.

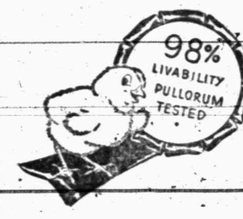

Mrs. C. A. Likes and Mrs. W. G. McAfee were hostesses of the party.

Mr. and Mrs. Earl Roberts, Wells Trailer Court, are parents of a son, Billy Ray, born yesterday at the Snyder Hospital. His weight at birth was seven pounds, six ounces.

A daughter, Deborah Jean, was born Sunday to Mr. and Mrs. Homer Stokes, 128 Milburn Street, at the Snyder Hospital.

Russians Happy Over Recent Dissension In West Nations

By DeWITT MacKENIE
(Associated Press Staff)

The head men in Moscow may be rocking with belly laughs over the complaints among the Democracies about the political and military conduct of the Korean war.

Such dissatisfaction perhaps is worth more to the Muscovites than legions on the battlefield. It not only may help them in the military sense but it could provide propaganda for the spread of Communism.

Rather typical of recent criticism was that voiced Wednesday by Prime Minister Nehru of India in Parliament. He characterized General Douglas MacArthur's recent peace-talk offer to the North Korean and Chinese Reds as an "extraordinary development fraught with grave consequences for all countries concerned."

"Certainly no field commander is going to lay down the policies of the Government of India," declared Nehru. "Political policies are laid down by government, not commanders in the field."

The Prime Minister had in mind MacArthur's recent statement that he was ready to confer with the enemy commander "to find any military means whereby the realization of the political objectives of the United Nations in Korea . . . might be accomplished without further bloodshed."

One can't dismiss lightly such a statement coming from the head of an Asiatic nation of 300 million people. His views are bound to sway a host of folk, especially since his influence extends beyond the borders of his own country.

Moscow must be no end pleased over this Allied bickering. A quick end to it would be welcomed, but we find ourselves rather in the position of Captain Bruce Bairnsfather's "Old Bill" and the "better 'ole". The famous British artist during World War I pictured his soldier character "Old Bill" as sheltering in a shell hole with a companion who was complaining bitterly about the heavy enemy barrage. Says Bill:

"If you know a better 'ole, go to it."

So now some critics on both sides of the Atlantic are saying that if we know a better 'ole we can go to it. They hold that if there is a better allied military leader, and one who knows Asia better, why then send him to Korea. The alternative, from their viewpoint, is to support the man already there. That might halt any belly laughs in Moscow.

Peace Treaty For Japs Ready

By JOHN M. HIGHTOWER

WASHINGTON, March 29. (AP) — The State Department is distributing to 15 nations this week a completed American draft of a Japanese peace treaty. These nations are being invited to state their reaction and propose, as soon as possible, any changes they may want.

State Department officials hope that within about three months an agreed treaty draft may result.

Some difficulties are foreseen, however, since Australia and New Zealand are worried about possible future Japanese rearming, the Philippines have insisted on reparations and Britain would like to curtail the Japanese shipping industry.

Russia is one of the countries receiving a copy of the U. S. treaty draft but is not expected to accept it as a basis for negotiation. The Soviets have strongly indicated they do not intend to cooperate with the other World War Two allies on an early peace treaty for Japan.

In substance what the U. S. is proposing is a treaty which would end the state of war with Japan, give that nation full control over its own affairs, and impose no barriers in the way of Japanese rearmament or economic development.

Japan would, however, be bound to accept the principles laid down in article two of the U. N. Charter. These include the basic requirement that all U.N. members settle international disputes by peaceful means, and refrain from the threat or use of force.

Mahon States TaxesUpAgain

WASHINGTON, March 29. (AP) — Price increases and program revisions may add $10,000,000,000 to the defense budget for the next fiscal year, Rep. Mahon (D-Texas) said today.

Instead of the $60 billion military budget foreseen by President Truman in January, Mahon said, the outlay needed for defense will be closer to $70 billion.

Mahon is chairman of the House Appropriations Subcommittee.

The present fiscal year ends on June 30 and indications have been that an extra $10 billion would be requested for military purposes before then.

Mahon said his revised estimates of defense financial needs were based on conferences with the Department of Defense.

The department, he said, will give the committee detailed estimates of its supplemental needs for this year early next week and will submit the breakdown of the 1952 budget late in April.

Shoe repairing is an eight million dollar a year business in Texas, according to the Census Bureau. An additional $208,000 are spent annually in shoeshine parlors.

Nervous Tensions Are Overworked As Causes For Outbreaks Of Rash

DALLAS, March 29 (AP) — Dr. Francis E. Senear, Chicago skin specialist, hints that nervous tension may be overworked as a diagnosis.

He said it is true that nerves are the origin of some rashes—particularly to exzema of the hands.

But, he said, most hand eruptions come from the patient's association with an irritating substance—at home, at work, or at a hobby.

A third cause is a fungus.

Dr. Senear is one of twelve visiting lecturers at the Dallas Southern Clinical Society's 20th Annual Spring Conference.

The Mackenzie, 2,514 miles long from its headwaters, is Canada's longest river.

PERSONALS

Mr. and Mrs. Lloyd Gray, D&D Trailer Court, are parents of a daughter, Tommie June, born Saturday at the Snyder Hospital. The child weighed six pounds, 10 ounces.

Mr. and Mrs. Jesse Rudd, 612 Thirtieth Street, are parents of a daughter, Carol, born Tuesday at the Snyder Hospital. The child weighed five pounds, nine ounces.

Mrs. Dan Barton, 406 Twenty-ninth Street, left Friday for Rosston, Okla., to visit relatives and to accompany her mother, Mrs. Walter Scott, home after a visit here.

David C. Smart, 2010 Avenue T, returned home Sunday from Dell City, Tex., where he has been working. Mr. Smart is now employed at the Stamex Drilling Co.

Mr and Mrs. Roy Weaks, 2205 Avenue M, had as guests Wednesday their daughter, Mrs. C. M. Hodges, and children, from Rotan, Tex.

Mr. and Mrs. Roy Weaks, 2205 this week from Lamesa where they have been visiting relatives, Mrs. Mervin Scott and Mrs. Bill Pierce.

Mr. and Mrs. John Taggart, 2526 Avenue R, had as guests over the week end their daughter and her husband, Mr. and Mrs. S. O. Chaney from Carlsbad, N. M.

Mrs. J. M. Doak, route No. 2, has recently returned from Fort Worth and Denton, Tex., where she has been visiting relatives and friends.

Mrs. G. B. Clark, Jr., 3012 Avenue X, and her mother, were in Abilene Tuesday on business.

Ask Mildred

Question: What can I do to assure myself that I will have beautiful blooms on my rose bushes this spring: Mrs. A. D.

Answer: Best blooms may not be expected from roses unless leaves are free of disease, and unless the soil is sufficiently fertile. Fermate is one of the best fungicides for this spraying or sulfur compounds or mixtures. Fertilizing may be done by using commercial fertilizer or barnyard residue.

• • •

Question: Please give me a recipe for Strawberry shortcake. Mrs. M. R.

Answer: 2 cups sifted flour
1 teaspoon salt
4 teaspoons baking powder
¼ cup sugar
¼ cup shortening
1 egg
1½ to 2 qts. strawberries

Sift dry ingredients together into a bowl. Cut in shortening with a pastry blender or two knives until uniformly crumbled. Beat egg well in a measuring cup and add milk to make 2-3 cup. Add to dry ingredients and mix to soft dough. Turn on to lightly floured board and knead 30 stokes. Roll dough ¼ inch thick and cut into 7 inch squares. Place layers on baking sheet and bake in hot oven (425-450) 12 to 14 minutes. Brush layers with butter and put together with sliced berries and top with sweetened whip cream.

• • •

Question: I have found that I cannot pin a hem in satin dress without snagging the fabric. Do you have a suggestion? Mrs. B.M.I.

Answer: As you turn the hem, slip bobby pins over the fold at frequent intervals to hold it as you put the hem in with fine hand stitches.

• • •

Question: Can white nylon clothing be bleached?

Answer: Yes it can be bleached but the bleach will take away from the lifetime of the garment. A rule that should always be followed in caring for nylon is to wash it often, every day if necessary and be certain not to put off until a week later the washing of white nylon blouses. It will be helpful to rinse the garment through two or three rinses of clear lukewarm water. By the way, if you bleach your nylon, make a mild solution and allow the garment to be in the bleach only five minutes.

• • •

Question: Soon it will be time for washing the windows of our home. I remember the dreadful task of finding out whether the smears on the pane were on the inside or on the outside and of all the wasted steps in finding out. Can you give me a suggestion for making window washing easier? Mrs. A. I.

Answer: You might try using an up and down motion on the inside of the windows and a side to side motion on the outside of the windows, you will know how to get rid of those smears.

Repair - Remodel - Add Rooms!

Let us explain how this may be done on convenient, easy payment plan, no lien or mortgage required in most instances. Check the following list and let us know your wants—BRING US YOUR BUILDING PROBLEMS. ....

—Storage space added to any building
—New fences—Repair present fence
—New garage
—Additional porches
—Repair entire house or other building
—Walks and-or driveways
—Repaint entire house
—Install new cabinets
—Repaint other buildings, fences

There are a number of other things that can be done under the suggested easy payment plan. Competent personnel will give your needs prompt, courteous attention at no obligation on your part. CALL US TODAY!

Another Fire In Sweetwater

SWEETWATER, March 29. (AP) — Flames swept the Sweetwater Sash and Door Co. here Wednesday night. It was the third major, unsolved blaze to strike this town of 13,000 in 12 days.

P. L. Ullom, plant manager, estimated damages at $250,000.

The wholesale house handled doors, screens, paints and other household items.

Cause of the fire, as was the case with the two previous blazes, was not known.

The two other major fires were the Moore-Edison Grain Elevator Co. last Sunday, with $35,000 damages; and the Municipal Airport fire Tuesday, March 20, which destroyed a large hangar which housed Pioneer Airlines, 23 privately owned planes, several trucks and automobiles and the National Guard Armory. Damages in the latter blaze amounted to an estimated $300,000.

Oscars To Go Out Tonight

HOLLYWOOD, March 29. (AP) — This is the night of the Motion Picture Academy awards, and it looks as if everybody will be there except a sizable batch of the potential winners.

The usual extravagant preparations include a list of distinguished guests.

But several top academy nominees are out of town. Their Oscars, if they win, will be sitting on the shelf. Standins will pick them up.

In the best actress category, Bette Davis has gone to England, Judy Holliday and Gloria Swanson are in New York. All are leading contenders.

Miss Swanson and Jose Ferrer, who seems to be pacing the field for best actor, are in the same Broadway play, "Twentieth Century."

Best last-minute bets on the winners appear to be these:

For best Actress, Judy Holliday ("Born Yesterday") or Miss Davis "All About Eve"). Best actor, Ferrer ("Cyrano de Bergerac") or possibly William Holden (a dark horse in "Sunset Boulevard").

Best picture, "Sunset Boulevard." But "Born Yesterday" might block the road. This Oscar will be presented by Dr. Ralph Bunche, director of the UN Trusteeship Department and Nobel Peace Prize winner.

Rites at Camp Springs For Mrs. Mary Holman

Graveside funeral services for Mrs. Mary Ellen Holman, daughter of W. C. Davidson, justice of the peace, are to be held at 2 o'clock tomorrow afternoon at the Camp Springs cemetery.

Mrs. Holman, a resident of Mt. Vernon, Wash., died Friday there.

The Rev. W. W. Adcock, pastor of the Snyder First Methodist Church, is to officiate at the rites.

Survivors in addition to Mrs. Holman's father include her husband, F. J. Holman; two sisters, Mrs. David Williams of Rotan and Mrs. Roy Hargrove of Abilene; two brothers, Bill Davidson of Snyder and James Davidson of Hermleigh.

Bolger - Barnes Funeral Home is to direct funeral arrangements.

To Open Lake Colorado City At Meeting Soon

COLORADO CITY, March 29—Lake Colorado City is expected to be opened for fishing May 1, according to information received from Sen. Pat Bullock. The lake was to have remained closed until July 1, but the state Fish, Game and Oyster Commission will remove the restriction at a meeting in Austin on April 13.

Two Completions In Salt Creek, Cogdell

Stanolind Oil & Gas Co. has reported completion of the No. 1-B Daniel M. Bigson in the Cogdell field of Scurry County.

The well made 118.37 barrels of 42 gravity oil and 13 per cent water on a 24-hour pumping test. Gas-oil ratio was 236-1. The hole had been treated with 1,000 gallons of acid. Location is 617 feet from north and 467 feet from east lines of the lease in section 550, block 97, H&TC survey.

In the Salt Creek field of Kent County, the Caroline Hunt Trust Estate No. 24 J. W. Young was finaled for 223 barrels of oil on an 11-hour test.

The hole had been treated with 4,000 gallons of acid. Gas-oil ratio was 554-1. No water was made on the test. Drillsite is 467 feet from south and 2,800 feet from west lines of section 167, block G, W&NW survey.

Easy to Break Jail

On the outside, with its turrets and towers and battlements, the Scurry County jail may appear quaint. But inside it is a medieval dungeon which any progressive county should be ashamed to own.

Since most of us expect never to be personally inconvenienced by the lack of modern facilities at the jail, we are inclined to ignore the problem.

However, the escape of five men from the prison yesterday brings forcibly to our attention another great disadvantage of the present jail: it is dangerous to every inhabitant of this county.

Lloyd Merritt, sheriff, says that any man with a spoon handle can dislodge the bricks of the rotten old building and leap to freedom. Obviously, this isn't much security for the rest of the population.

Many desperate men have been imprisoned there, and more than one has been made desperate by the foul conditions he finds there.

When these men escape, they are a constant threat to the safety of our citizens until they are back in prison.

Aside from the danger of putting desperate men in a jail which will not hold them, the present jail is inexcusable simply because it isn't a fit place to keep human beings.

It has no tub or shower, and only two old toilets. Because it has no cells, there is no separation of prisoners possible. All are thrown into the bull pen—juveniles with adults, desperate criminals with minor offenders, mentally deranged men with sane men.

Merritt said yesterday the bad conditions in the jail force many men to attempt to escape.

The grand jury has twice recommended a more adequate jail.

The city jail is no more a source of pride than the county jail, and something must be done there, too. A sensible procedure, we believe, would be for the county to build a new county jail with increased capacity and adequate facilities; then the present county jail could be given to the city to house its police department and to be remodeled as a city jail.

The arrangement is not perfect, and a new city jail would be desirable. But anyone familiar with city finances knows the city has no money for a new jail at this time, and the present county jail could be made adequate to serve the city's purposes.

NEWS FROM IRA

By Mrs. W. C. Fargason

Our community received a light rain Sunday night and Monday.

Quite a few have had flu the last week.

Mr. and Mrs. Edgar Eades and Mr. and Mrs. Grady Suiter attended church in Vinson Sunday night.

Mrs. J. A. Williams accompanied her daughter, Mrs. H. W. Harbuck and small daughter Sharon to Lawn Thursday. She also visited her sons, Roy Williams and Marvin Williams in Abilene, Friday.

Roy Crowder of San Angelo visited here early this week.

C. D. White visited his son who is being inducted into the Navy.

Mrs. Curtiss Terry of Anson visited her parents, Mr. and Mrs. W. W. Isabell the first of last week.

Mrs. W. O. Webb, spent Wednesday afternoon with her daughter, Mrs. B. F. Eades of Fairview.

Mrs. Leonard Lankford and daughters, Sherry, Donna, and Kay of Dunn, spent Saturday night with Mr. and Mrs. Edgar Eades.

Sunday visitors of Mr. and Mrs. Edgar Eades were Mrs. Norma Jean May of Loraine, Mrs. Joy Reeves of Dunn, Mrs. Cecil Lankford of Canyon, Mr. and Mrs. Leonard Lankford and daughters of Dunn, Clarence Lankford of Odessa, and Mrs. Lankford of Colorado City.

Mr. and Mrs. Dave Wishert returned Saturday after a week's stay at Cisco.

Mr. and Mrs. J. L. Byars and daughters, spent Sunday with her parents, Mr. and Mrs. Edd Grant of Dunn.

Mrs. J. A. Williams had visiting her Sunday a brother-in-law, Bill Maxwell of Buffalo Gap. They visited in Snyder and Justiceburg Sunday.

Mrs. Cora Plumber accompanied by her father and sister of Cisco visited old friends here Thursday.

Mr. and Mrs. Fred Price visited Mr. and Mrs. Roy Dawson of Abilene Saturday.

Mr. and Mrs. J. L. Byars and daughters, Mr. and Mrs. Edd Grant of Dunn, Cpl. Dale Grant of Sheppard Field, Wichita Falls, and Miss Katharine Burns of Snyder visited Sunday afternoon in the Claud Newton home in Westbrook.

Wynell Crowder of San Angelo visited friends here over the week end.

Mr. and Mrs. Cecil Eades of Snyder visited in the J. J. Eades home Monday morning.

The Baptist Church finished a training union study course last week.

School was dismissed early Friday and Easter egg hunts were held in various places.

Mrs. Annie Dosier returned home last week after a visit with her daughter, Mrs. Ray Crowder.

W. R. Ashmore, who has been confined to his home following a heart attack last Wednesday night, is now able to be up again.

Mrs. Wise returned last week end after being with her daughter in Fort Worth for a week.

News From Hermleigh

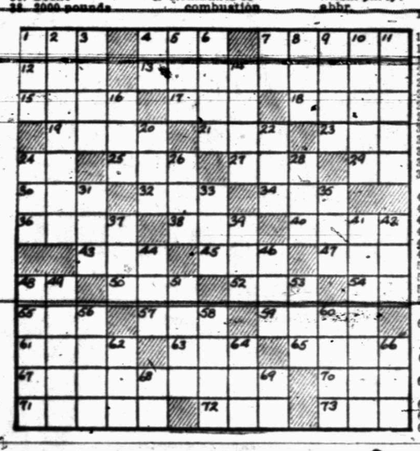

Mrs. W. C. Fargason

Open house is being planned at the Hermleigh high school on April 10 by the Parent-Teacher Association. New stage scenery and seats have recently been installed and are now in use. This completed furnishings for the building, which has been in use since the first of the year.

Three trustees for the Hermleigh independent school district are to be elected April 7. Incumbents, who are unopposed for re-election, are James Davison, Grady Williams and E. L. Vandiver. Dave Hess is unopposed for re-election to the county board.

The Lions Club is sponsoring a project to raise funds for the construction of tennis courts on the school ground. The Parent-Teacher Association has provided playground equipment for elementary students, but facilities for high school students are limited.

One Repeater On Texas All-Star Cage Team

ABILENE, March 29 (AP) —Texas A. and I.'s Harlan Huibregtse was the only repeater on the All-Texas Conference basketball team announced today.

The mythical team was boosted to seven because of a three-way tie for the fifth position.

Dick Richey, McMurry forward, led the balloting with 11 votes out.

Damon Miller, 6-5 center from of a possible 12.

Howard Payne, was the only freshman to make the team. Abilene Christian's Oscar Dorsey was the only senior.

Rounding out the first team were Carl Jowell of McMurry, Bill Walls of Howard Payne and Dempsey Watkins of Austin.

Coaches selected the team.

J. B. Floyd New Coach

LONGVIEW, March 29 (AP) —Joe Berry Floyd, coach of Avinger High School, has been named coach of Judson High School. He succeeds Forrest L. Covin, who resigned

Eight Colleges To San Marcos Track Meet

SAN MARCOS, March 29, (AP) Eight colleges will participate in a track and field meet here Saturday.

Sam Houston State, Stephen F. Austin and Southwest Texas State A and I. and McMurry of the Texas of the Lone Star Conference; Texas Conference and University of Houston and Trinity University of the Gulf Coast Coference will enter. Texas Lutheran, independent, also will compete.

Aggies Favored To Take Track, Field Meet

COLLEGE STATION, March 29. (AP) — Aiming for their fourth straight one-sided victory, the Texas Aggies take on Louisiana State in a dual track meet in Beaumont Saturday night.

At the Border Olympics in Laredo three weeks ago A&M was the big winner with 77 1-3 points. LSU was third with 21 1-3 points.

LUCILLE BARKLEY, Universal-International star, finds Pink Ice is a cooling, refreshing, stimulating 5-minute facial that achieves beauty by use of a new rosy film which dries rapidly and sends blood Teen-tingling under sluggish skin.

Pink Ice Facial Is Fresh, Frosty Stimulant

By GWEN
National Beauty Consultant

Now milady can buy her facials by the jar. An old cosmetic house has introduced Pink Ice, a wonderful facial, which enables you to put your best face forward in a matter of minutes, 5 or less, to be exact.

Captured in the jar is a cream that looks like a raspberry sherbet and feels just as cool when applied to the face. Even the name sounds cool. Pink Ice conjures up visions of rosy frostiness on any blistering day.

Pink Ice Not Drying

Besides being a wonderful pick-up before a date, it is a treatment that is suggested for every morning and, unlike many masks, Pink Ice is not drying and can be used safely every day. In no time at all you will notice your face seems less flabby, your muscles firmer and the pores much smaller, since Pink Ice does a grand job of stimulating the blood which is one of the main things our sluggish skins need.

Good for All Skins

All skins, regardless of type or age, need a stimulation, some more than others. More mature women usually have to fight large pores, sagging muscles, tiny lines. The blood and its circulation is what keeps the skin young. You'll laugh at summer heat and you'll laugh at sunburn, for Pink Ice seems to soothe sunburn instantly and seems to smooth away tiny weather lines and wrinkles in just five minutes.

Pink Ice Works Fast

The big advantage of this new facial is that it can be completed so quickly and without fuss or furor. Simply smooth on this cool, feather-light, invisible mask after your morning shower. By the time you are dressed it is ready to remove. Just rinse off with cool water and you glow with Pink Ice loveliness and are ready for your make up. A jar of Pink Ice holds enough for about 25 facials and it feels so good on a tired face. Only $2 plus tax at your favorite cosmetic counter everywhere.

North Korean Farmers Not Too Happy With Red Land Reforms

WASHINGTON, March 29. (AP) — Out of Korea has come the first official report of how Communists treat farmers. It is written by Robert A. Kinney, an officer for the Economic Cooperation Administration who followed United Nations troops into North Korea last summer.

He talked to North Korean farmers who had lived under both the Japanese occupation and the Communist government which started in 1945.

He also talked to South Korean farmers who lived under the American occupation and then under the government of the Republic of South Korea.

Never before has a U. S. Government official had the chance to walk into former Communist territory and actually talk to the men who had tried to till the land under the Red flag.

"USE RIGHTS" ONLY

Kinney found the Reds made a hurried gesture in 1945 to curry political favor with the North Koreans. They redistributed the land —took it from absentee landlords and gave it to tenants—in 25 days.

That lasted until 1948, when the Reds suddenly redistributed the land again, giving all the rest to Communist Party favorites. It seemed the Communists had only given farmers "use rights" rather than title to the land. When they wanted to throw a farmer off his land they simply took away his "use rights."

Kinney says the farmers realized that the system made them "merely tenants of the state and reduced them to the status of slaves."

RED TAXES HIGH

In 1947 the Communists decreed a "production tax in kind". Farmers were forced to turn in 27 per cent of their rice and 23 per cent of their other crops. The farmers though, this was high enough, but they found in some cases they acually had to pay the new Red government as much as 50 per cent of what they produced.

The percentage tax was not levied on what they actually produced but on what their Red masters thought they ought to produce.

The North Korean farmers were astounded to learn of the land reform program which had been put into effect in South Korea under the American occupation and the Republic of South Korea.

In South Korea farmers were given the chance to get title to their land in five years in return for a third of their major crop for five years.

Irregularities Suspected In The Big Ten

CHICAGO, March 29. (AP) — A Milwaukee sports gambler says he will tell Big Ten Commissioner K. L. (Tug) Wilson the name of a Western Conference basketball official he accuses of "irregularities," and back up the charge with "iron-clad proof."

The admitted gambler is Sidney A. Brodson. He testified before the Kefauver Crime Committee in Washington, Saturday about his, and other gamblers' suspicions of a Big Ten official.

Wilson said he is willing to meet Brodson in Chicago to discuss the allegation. He had asked the Crime Committee for a copy of Brodson's testimony made under oath.

"The fact that the suspicions" of an admitted gambler have been given wide attention and distribution is very regrettable," said Wilson. "I, as commissioner, am determined to investigate the entire matter as rapidly and thoroughly as possible and I am already in contact with the Senate Committee."

The Big Ten uses 27 or 28 "varsity" officials during the basketball season.

Brodson told the Chicago Tribune he can "supply iron-clad proof to Mr. Wilson of this official's irregularities."

"I prefer to delay the meeting for a week or two—I am on the front page right now and would like to get off," Brodson said.

12 Oil Wells Are Spotted In Snyder Area

Burdell Oil Co. has staked locations for nine wells in Mitchell County. In the same period, Texaco staked one well in the Kelley-Snyder field and Chapman I McFarlin staked two in the Cogdell field of Kent County.

Burdell will drill the No. 2, No. 5, No. 6, No. 7 and No. 8 Mills-Patton wells about 10 miles northwest of Colorado City at once. All are to drill to 1,800 feet with rotary tools.

The No. 2 Mills-Patton is 330 feet from north and east lines of the northwest quarter of section 195, block E, H&GN survey. The No. 5 is 330 feet from north and west lines of the northwest quarter of section 195, same block and survey. No. 7 is 330 feet from west and 1,980 feet from north lines of the northwest quarter of section 195, same block and survey. No. 8 is 330 feet from south and west lines of the northwest quarter of section 195, block 3, H&GN survey.

Burdell No. 5-B Edmondson is to be in the shallow Sharon Ridge field, 330 feet from south and east lines of 18 acres in a lease in section 31, Kirkland & Fields survey 10 miles northwest of Colorado City.

The No. 3-B Edmondson is 263 feet from east and 330 feet from north lines of section 31, Kirkland & Fields survey. No. 6-B Edmondson is 330 feet from south and 1,263 feet from east lines of section 31, same survey. No. 8-B is 330 feet from south and west lines of section 31, same survey.

Texaco will drill the No. 149 P. L. Fuller in the Kelley-Snyder field 12 miles north of Snyder. Drillsite is 467 feet from south and 931 feet from east lines of section 497 block 97, H&TC survey.

Chapman & McFarlin will drill the No. 42 and No. 43 D. M. Cogdell in the Cogdell field of Kent County, 22 miles northeast of Snyder. The No. 42 is 1,900 feet from west and 570 feet from south lines of section 46, block 4, H&GN survey. The No. 43 is 560 feet from west and 1,980 feet from south lines of section 46, same block and survey.

Ferrier And Mangrum Fight For High Money

WILMINGTON, N. C., March 29. (AP) — Jim Ferrier and Lloyd Mangrum, a couple of Dead-eye Dicks when it comes to nailing down golfing prize money, carried their rivalry into Wilmington for the $10,000 Azalea Open Tournament which began today.

Ferrier, who has picked up $7,400 this month with three victories in Florida and a second at Greensboro three days ago, has passed Mangrum in the money race. The big San Franciscan has won $9,662 this year to $8,611 for Mangrum.

No. 11 Cogdell Finals For 1,074.93 Barrels

Chapman & McFarlin have reported completion of the No. 11 Cogdell in the Cogdell field of Kent County.

It was finaled for an estimated 1,074.93 barrels of oil. Flow was on an eight-hour test. No water was made on the test. Gas-oil ratio was 759-1, with gravity of the oil 40.8 degrees. Location is 5,968 feet from west and 4,620 feet from north lines of the lease in section 46, block 4, H&GN survey.

200 Entries At Austin Meet

AUSTIN, March 28. (AP) — The first National Intercollegiate Swimming and Diving Meet ever to be held in the Southwest opens here tonight with more than 200 Aquatic stars on hand.

Leading off in the only event tonight, the 1,500-meter free-style race, will be record-holder Jack Taylor of Ohio State University. Taylor set the Intercollegiate and NCAA records last year at 18 minutes and 38.3 seconds.

With 33 colleges and universities entered, the meet this year is expected to be another battle between Yale and Defending Champion Ohio State for team honors.

Most of the teams had arrived Wednesday night, Hank Chapman, University of Texas coach and meet manager, said. Early practice performances in Gregory Gym pool promised a record-breaking meet.

ACC Picked In Texas Relays April 6-7

ABILENE, March 29. (AP) — With six performers, Abilene Christian College is expecting to be in the money in four events of the Texas Relays, April 6-7.

Coach Oliver Jackson will have runners in the college division mile and sprint medley relay races and in the pole vault and javelin.

A.C.C. this season has started capturing track and field meet championships outside its own Texas Conference. The Wildcats took the college division titles in the Border Olympics at Laredo and the Southwestern Recreation Meet in Fort Worth.

Double-header At A&M

COLLEGE STATION, March 29. (AP)—Texas A&M and the University of Minnesota square off here today in a double-header baseball game, weather permitting. Rain washed out a scheduled tilt Wednesday.

SMU Beats LSU

DALLAS, March 29. (AP) —Southern Methodist University's tennis team blanked Louisiana State University, Wednesday, 6-0.

You can get draining trays, for dishwashing, in aluminum, rubber, or plastic. If you choose one of plastic make sure it is the type that won't be damaged by almost boiling water.

We get the top-rate proteins our bodies need from meat, poultry, fish, eggs, milk, and cheese. You need to include some of these protein foods in your meals every day.

Don't overload your child's plate or he's likely to get discouraged before he's through eating. Give him small servings, let him clean his plate and then offer him a second helping.

Thunderbirds Embark Again

For the second time since 1943, the 45th, Thunderbird, Division embarked in New Orleans for service aboard. Here advance elements of the division, made up mostly of Oklahoma's national guard, aboard ship for the trip to Japan. The remainder of the division will follow from Camp Polk, La., where the troops have been training since last September.

Texas Tech Sports Praised At Stag Dinner Here Last Night

Athletics definitely have a place in a college's program, but will never be allowed to get out of hand at Texas Technological College, Dr. D. M. Wiggins, president of the college, said last night at an athletic rally held at the northwest elementary school.

"I don't know to what extent athletics are being overdone in most colleges," Dr. Wiggins said. "I have a soft spot in my heart for athletics, because through them I worked my way through college years ago, and to become a lawyer I coached four or five years on the side.

PLACE OF ATHLETICS

"The important thing is balancing the extra-curricular programs such as athletics with the in-school education which is the college's first responsibility.

"When scandals arise in college athletics such as those involving basketball players in New York City colleges, the college presidents and boards are as guilty as the players themselves."

"The present board of Texas Tech will not let athletics get out of hand, but will see that it remains the healthful and virile program it now is. We need good men in our athletics program, just as we do in our arts and sciences."

Present here with Dr. Wiggins for the stag dinner here were DeWitt Weaver, new head coach at Texas Tech, and his staff, including Bobby Goad, end coach; Babe Wood, backfield; Wade Walker, split T expert from Oklahoma University; Wyatt Posey; and Polk Robison, scout and basketball coach.

In his short address to the 82 Snyder service club members who attended the meeting, Weaver said,

"How was I able to assemble this great coaching staff? They could see the possibilities of West Texas and Texas Tech."

SNYDER COACHES

C. T. McLaughlin, president of the Texas Tech foundation, who served as master of ceremonies at the banquet, then introduced Speedy Moffett, head coach of the Snyder high school, who introduced his coaching staff, Mule Kayser, Jack Blanchard, and Ernest Kinney.

"We appreciated Speedy and his staff and their excellent work," M. E. Stanfield, superintendent of schools, said in his brief talk from the floor.

"Like Texas Tech, we are improving our athletics department, and we definitely can see in the future better teams and better athletic records for Snyder high school."

McLaughlin introduced Sammy Baugh, professional with the Washington Redskins who is a member of the athletic committee of the Texas Tech foundation; Charlie Thompson, Colorado City, chairman of the board of regents of Texas Tech; Obie Bristow, Big Spring, and Eddie Chiles of Midland, both members of the board of the foundation and assigned to its athletic committee.

In their brief remarks, Chiles, Bristow, and Thompson praised Texas Tech as a great West Texas institution, which serves the area and deserves the support of this part of the state.

"Everything I have I owe to West Texas," Bristow stated, "and I'm going to pay it back through Texas Tech."

Dr. John Blum welcomed the guests on behalf of the service clubs of Snyder which sponsored the meeting.

Training Notes

By The Associated Press

EL PASO, March 29. (AP) —The St. Louis Browns and the Chicago White Sox open a four-game exhibition tour through Texas today.

Other games will be at Alpine Friday and San Antonio Saturday and Sunday.

MIAMI, (AP) — Roy Campanella, Brooklyn Dodgers catcher, probably will be out of action 10 days to two weeks because of his injured thumb.

In Wednesday's 11 inning, 7-7 tie with the Philadelphia Athletics, Tod Davis of the A's broke Rookie Chris Van Cuyk's string of 12 scoreless innings with a homer on the first pitch.

ST. PETERSBURG, (AP) — Manager Leo Durocher of the New York Giants apparently feels satisfied that Bobby Thomson has shaken his 1950 batting slump.

Thomson played the first 15 Giants exhibition games and is hitting .333. So Durocher gave him the day off Wednesday as the Giants beat the St. Louis Cardinals, 4-1.

WEST PALM BEACH, (AP) — Jimmie Dykes, manager of the Philadelphia Athletics, is planning to give his rookies a chance tonight against the West Palm Beach Indians of the Florida International League.

CLEARWATER, (AP) — Outfielder Dick Sisler will be lost to the Philadelphia Phillies for several days because of a twisted left knee.

Sissler was injured sliding into second in the fifth inning of Wednesday's game with the Boston Braves. The Braves won 3-2.

DELAND, Fla., (AP) — General Manager Branch Rickey of the Pittsburgh Pirates today expects to get his first look at nine Buc Minor League farm clubs in training here.

On tap are two camp league games and a tilt between the New Orleans Pelicans, a private farm club, and Louisville.

TAMPA, (AP) — The Cincinnati Reds' farm affiliates should get some encouragement from Wednesday's 13 to 2 Redleg victory over Indianapolis of the American Association.

Manager Luke Sewell gave several of his rookies a chance and they came through nobly. Outfielder Bob Hazel blasted three Indianapolis pitchers for two doubles and two singles.

PHOENIX, (AP) — Mickey Mantle, the New York Yankees prize rookie, got a single and double, and drove in three runs, but the Yanks were beaten by the Chicago White Sox Wednesday, 10-8.

BRADENTON, (AP) — Boston's Battling Braves sported the best winning record in Florida's Grapefruit Circuit today as they went after their 13th victory against the Philadelphia Phillies here.

Wednesday's 3-2 win over the Phils was the 10th in the last 12 games.

SARASOTA, (AP) — Mel Parnell and Willard Nixon will divide the pitching chores for the Bowton Red Sox today against the Washington Senators in Orlando.

PHOENIX, (AP) — The Chicago Cubs today open a two-game series with the New York Yankees, a team they haven't faced since losing four straight to the Bombers in the 1938 World Series.

Badminton Tournament

DALLAS, March 29. (AP) — The National Badminton Tournament gets underway here today.

College Sports Commissioner

NEW YORK, March 29. (AP) —Dr. Forest C. (Phog) Allen, University of Kansas basketball coach, had another mild tempest stirred up today after his remarks in connection with demands that there be a national commissioner of intercollegiate sport.

Allen said "we will never put a ceiling on aid for athletes" until a national commissioner is named. He suggested the commissioner would be paid $100,000 per year and would take over powers held by college presidents.

"It was told that Bobby Reynolds was offered $10,000 and a Cadillac to go to some other school," Allen said. Reynolds was an All-America halfback at the University of Nebraska.

"He didn't go," Allen added. "That raises the question of what he gets at Nebraska."

In rebuttal, Reynolds said "I came to Nebraska because I wanted to. I never heard about any $10,000 or any Cadillac."

Your Host Gets Death Sentence

ARCADIA, Calif., March 29. (AP)— The sentence of death has been passed on Your Host, the 1950 Kentucky Derby favorite, and as game as thoroughbreds come.

Four veterinarians have examined Movie Executive William Goetz' four-year-old colt since he was injured at Santa Anita Jan. 13. All have recommended that he be destroyed.

Only the red tape involved in a $250,000 insurance policy is prolonging the pain-wracked existence of a badly-crippled animal whose right leg, the tendons withering, is drawn up at a 45-degree angle.

Andrews Wildcat Staked

Humble Oil & Refining Co. is to drill a 12,500-foot wildcat to explore the Ellenburger in Southwest Andrews County.

It will be drilled as the concern's No. 1-C R. M. Evans 1,980 feet from west and 660 feet from north lines of section 29, block 72, psl survey.

That makes it southeast of the Dollarhide field and near the Winkler County line.

Midland Well Testing In Spraberry Section

Moore Exploration Co. No. 1 A. R. Bauman, North-Central Midland County wildcat, three miles southeast of Midland was running a drillstem test at 7,700-7,800 feet, in the top of the Spraberry section.

Operator tried a test on that zone late Tuesday but it was unsuccessful. The current investigation was due to be ended late yesterday.

Top of the Spraberry is at 7,700 feet. Elevation is 2,778 feet. The section of the Spraberry so far drilled was cut using oil base drilling fluid. As a result it was impossible for geologists to determine wheather or not the samples from that zone had any shows of oil or gas. The drillstem now being run should determine that question.

Location is in the 220-acre Bauman lease in the southeast part of section 14, block 38, T-2-S, T&P survey.

It was started out under a permit to dig to 10,500 feet to explore the Pennsylvanian lime.

More than one billion dollars are spent annually in Texas retail food stores, according to the Census Bureau.

Howard Wildcat Gets Salt Water In Test

Electric log surveys are being run in Sunray Oil Corp. No. 1-A Lester, wildcat in Northwest Howard County, after a drillstem test of the Pennsylvanian reef developed 1,700 feet of salt water.

A one and one-half hour test was made of the interval at 8,724-8,800 feet. No shows of oil developed on the test.

Location of the wildcat is 1,980 feet from west and 610 feet from north lines of section 27, block 33, T&P survey and three miles west of Vealmoor.

The United States has about three-fifths of the world's telephones.

King Cole Gets His Mansion Back Again

LOS ANGELES, March 29. (AP) — Pianist Nat (King) Cole has his mansion back.

The government seized it recently for nonpayment of $146,000 in back taxes. The Internal Revenue Bureau Wednesday said Cole had paid in cash the amount the government expected to get from the sale of the house.

One in nine of the residents of Yugoslavia are Moslems.
