The Park Hawks "flew" Friday night, but the crowd more to their use of this route out a bruising 35-6. The Burk Burnett Bulldogs' final non-league battle.

The Hawks' second marker was almost a stereotype of the first. Thompson again was the mail carrier, this time from 15 yards away. Dawson's boot was again true for a 14-0 count going into the second stanza.

Big Terry May, 205 pound Hawk fullback, added six points early in the second, going one yard. Dawson then missed for the first time, leaving the score 20-0 at halftime.

May added his second counter of the night, with 6:03 to go in the third period. The "battering ram" went five yards for this one. Then Bill Jackson went around left end for two points to make the board read 28-0.

With 2:17 left in the same quarter, Thompson tacked up his third tally of the night, sprinting for 10 yards. Dawson kicked to PAT and the score was 35-0.

Just when the Bulldogs should have felt finished, trailing 35 points with 49 seconds to play, having missed on two almost certain chances to score, the Burk youngsters lit up their side of the score board. It came on a beautiful 14 yard strike from quarterback Bob Hubble to halfback Rod Turner in the end zone. This was only the second time in five outings that the Hawks goal line had been crossed. An attempted pass for a conversion failed, and that closed the door on the night's scoring.

On defense the Bulldogs were led by Robert Jones, Pete Glover, Ollie McDonald, Dean Thompson, John Carrah, David Salter and Rod Turner.

This leaves the Bulldogs' non-conference record at 0-4. Next Friday night at 8 p. m. the Bulldogs open their conference slate by hosting the powerful Graham Steers.

Jerry's Comets Win Trophy

Jerry's Comets, a roller skating hockey team, from the Skating Rink, recently participated in, and won, a tournament at the Lake Worth Rink.

Dawson, the Hawk's cool, calm and collective quarterback, kicked the P. A. T. to make it 7-0.

The big play of that drive centered around a pass and fumble. Dawson tossed an aerial to end Danny Tarbet for about 19 yards, then Tarbet fumbled. A Bulldog player pounced on the ball, but not before the ball had gone out of bounds, five yards farther ahead. Iowa Park retained possession and went in for the tally.

'Little Miss Cotton Bloom'

Holding her trophy, which is almost too large for her to handle is "Little Miss Cotton Bloom," Jamie Stubblefield, two years old of Childress, who received her title at the Cotton Festival there. Jamie is the daughter of Mr. and Mrs. James Stubblefield, formerly residents of Burkburnett.

Two year old Jamie Stubblefield, daughter of Mr. and Mrs. James Stubblefield, and granddaughter of Mr. and Mrs. L. V. Stubblefield of 702 Magnolia and Mr. and Mrs. Monroe Gray of 521 Berry, recently won a trophy and the title "Little Miss Cotton Bloom" at the Cotton Festival in Childress.

Twenty-five girls from one to five years old participated in the annual affair. Jamie's parents are former residents of Burkburnett.

Her daddy is manager of the United Drive-In Grocery in Childress.

Festival in Childress.

Marking his retirement as an employee of Mobil Oil Co., C. E. (Ping) Lundberg, 607 Magnolia street, Burkburnett, was honored at a recent luncheon.

J. M. McLaughlin, producing superintendent, presented him with a jeweled retirement emblem and A. J. Monzingo, production supervisor, presented his retirement plaque.

Lundberg worked in the Burkburnett area with Perkins Oil Co. from 1925 to 1952 when Mobil Oil purchased Perkins Oil and he was transferred to Mobil. In 1958, he was selected as Honorary Oilman by the North Texas Oil and Gas Association.

Mr. and Mrs. Lundberg plan to continue to make their home in Burkburnett. They have a son and daughter, Captain B. F. Lundberg who is stationed at Fort Benning, Ga., and Mrs. B. E. Reeves who lives in Lubbock.

LARRY SCHUMANN RETURNS TO USS BUCK AFTER 15 DAY VISIT WITH PARENTS HERE

Larry Schumann, SOG Sn. has been on a 15 day leave visiting his parents, Mr. and Mrs. Charlie W. Schumann, Jr. at 1206 Shady Lane.

Schumann has recently completed 31 weeks of Sonar school from which he graduated with top honors on Sept. 11th. He will be stationed aboard the destroyer USS Buck.

The USS Buck will rendezvous with other ships of West Pacific for a 9 months cruise and maneuvers.

Leslie F. Tuel Rites Were Sat.

Leslie Frank Tuel, 66 who moved to Burkburnett during the oil boom in 1918, died at 4 a. m. Thursday in a Wichita Falls hospital.

Tuel built and operated the Ranch House Motel here for 10 years after retiring from an oil company.

Before moving to Burkburnett he had lived near Randlett. He was a member of the Men's Bible class of the First Methodist church here.

Funeral services were held at 2 p. m. Saturday from the First Methodist church of Burkburnett with Rev. Carroll Copeland, pastor, officiating.

Burial was in the Randlett Okla., Cemetery. Pallbearers were nephews.

Survivors include the widow, Maudie; two sons, Lt. Col. Houston N. Tuel of McLean, Va., and Wesley Rex Tuel of Hurst, Tex.; three sisters, Mrs. Jessie Huff of Fort Worth, Mrs. Bertie Mason and Mrs. Flora Hatcher, both of Randlett; two brothers, John Tuel of Bryson and Luther Tuel of Amarillo; two half-brothers, Ed Smith of Denver, Colo., and Guy Smith of Amarillo; and nine grandchildren.

BURK BULLDOG BOOSTERS PLEDGE TEAM BACKING

The Burkburnett Bulldog Boosters Monday night pledged Burkburnett's full support to Coach Zac Henderson in every game remaining on the Bulldog's schedule. About 70 members attended the meeting presided over by Joe Salter, president.

The boosters voted to meet every Monday at 7:30 in the Burkburnett Bank where 100 to 200 members can meet.

Another project of the boosters will be the sale of team members' pictures to merchants in Burkburnett on a first come first serve basis. The pictures will be 11x16 inches and will go on sale this week.

Monday the boosters saw a film of the Burkburnett Bulldogs versus Lawton Eisenhower game.

The boosters' emphasis on team support got a push from parents of children in Capehart. Most of the parents gave up their bowling night to attend the adult rally for the team.

A boost for the Bulldogs began at the group's last meeting when they elected officers. Besides Salter, Clare Day is vice president; Mrs. Gene Turner, secretary-treasurer; George Hodges, program and social chairman; and Wallace Robertson, reporter.

The Famous and Butler's 5 & 10 Donate Window Space to 4-H Club

The Famous Dept. store and Butler's 5 and 10 Store have donated the space of one of their windows to the Burkburnett 4-H Community Club to be used this next week to celebrate National 4-H Club week, which is Sept. 26th thru Oct. 3rd.

Friday evening 4-H boys and girls made a display in the windows with a few of the projects they have carried in 4-H club work.

Those working on the displays were Connie Swinford, Louise Bentley, John Welter, Teddy Cantwell, Randy Allmon, Judy Klinkerman, Vicki Enders.

Marian Bentley and Diane Bentley. A table will be set up at Piggy Wiggly on Saturdays, Sept. 26th and Oct. 3rd, 9 a. m. to noon and a 4-H member will be there to answer any question you may have about 4-H, the projects we will have this year and how to join.

NOTICE

Burkburnett Study Club will meet Monday night, Oct. 12th, at 8:00 p. m. in the home of Mrs. E. D. Potter.

Theta Epsilon Chapter Chooses Queen

Theta Epsilon Chapter of Epsilon Sigma Alpha has chosen for their 1964-65 Beauty Queen, Mrs. Elmer Klinkerman. Mrs. Klinkerman is a past president of the chapter and is presently serving on the yearbook committee and is Parliamentarian.

Mrs. Klinkerman and her husband, Elmer, have 5 children. They are members of the Church of Christ. She is very active in community affairs and she is president of the Optimisses, recreation chairman for the Ladies Home Demonstration Club, secretary for the Clara-Fairview Community Club, Den Mother in Cub Scouts, and Adult Counselor in 4-H.

The District VI Epsilon Sigma Alpha Beauty Contest will be held November 1st, in Quanah, Texas. The winner from the District will then be in state competition at the State contest held in May in Fort Worth.

New Study Club Organized In Burkburnett

A meeting was held in the home of Mrs. Philip A. Carpenter recently for the purpose of organizing a Junior Study club for young married women in Burkburnett.

Attending were Mrs. H. C. Preston, Jr., Mrs. James Frye and Mrs. Carpenter of the Burkburnett Study Club and prospective members for the new club.

The new club, sponsored by the Burkburnett Study club, was organized and Federated Tuesday night, Sept. 29th and will be known as the Junior Progressive Study Club.

Mrs. Leslie Terry will be president of the club.

The first regular meeting will be in Mrs. Terry's home at 729 Maple street Monday night, Oct. 5th. Other officers will be selected and the by-laws and constitution will be drawn up. The president will also appoint her committees at this time. The membership will be fifteen members.

Two members of the Burkburnett Study club, Mrs. Glen Bear and Mrs. Hugh C. Preston, Jr., will attend the meeting.

Welcome as it is, in our opinion the proposed legislation does not go far enough. It should be broadened to apply to programs in existence, regardless of when they were started. However, it is an important step in the right direction and Congress will perform a distinct public service by enacting the measure.

Mrs. Adrian Dunn Hostess Sept. 28th To Theta Epsilon Society In Her Home

Theta Epsilon chapter of Epsilon Sigma Alpha met Sept. 28, in the home of Mrs. Adrian Dunn. Mrs. Clyde Slusher, president, conducted the opening ritual and presided over the business meeting. A "Model meeting" with each officer stating their duties prior to committee reports proved interesting.

The sorority made a five year pledge of \$50.00 to the ESA Home Foundation. Mrs. Lyle Eaton and Mrs. Quinton Howard were selected as candidates for District VI treasurer and reporter. Mrs. Lyle Eaton, vice president, presented the program "History of ESA." Epsilon Sigma Alpha is one of the largest Greek-letter sororities in the world. It has 1,500 chapters and over 40,000 members, scattered around the globe from Australia to Holland and around the United States from California to Long Island.

Although not directly connected with any academic institution, ESA does place a great deal of emphasis on education. The purpose of ESA is threefold: (1) to provide cultural and educational programs; (2) to sponsor benevolent projects for members and their guests.

Epsilon Sigma Alpha actually was founded back in the 1920's by some of the most prominent women in America, such as the noted author, Willa Cather and Adelia Prichard, president of the National Federation of Business and Professional Women's Clubs. Then in 1941, an educator, philosopher, author and lecturer, E. Robert Palmer, took over as head of the organization. Under his inspired leadership, ESA grew into one of the largest and most respect-

ed organizations in the world. At the conclusion of the program, Mrs. Kenneth Carter accepted affiliation with Theta Epsilon chapter.

Next meeting will be October 12th, with Mrs. Quinton Howard as hostess. A representative from the National Polio Foundation will bring the program.

Delicious refreshments were served to two guests, Mrs. Kenneth Carter, Miss Tracy Janke and sorority members, Mesdames Lyle Eaton, Clyde Slusher, J. A. Tibbets, Clarence Bridges, Raymond Brammer, Neal Tullis, Elmer Klinkerman, Wayne Johnson, Bryan Farris, Quinton Howard, James Spinks, Joe Janke, by the hostess Adrian Dunn.

One Burk Student Is Semifinalist Merit Scholarship

Principal Roy Silkwood of Burk Burnett High School announced today that one of the school's students has been named Semifinalist in the 1964-65 Merit Scholarship competition. He said he became a Semifinalist through his outstanding performance on the National Merit Scholarship Qualifying Test. This test of educational development was given in more than 17,000 high schools last March.

The student cited for his high achievement is Jay Forrest.

Year Begins Sept. 23 Burk Study Club New

Burkburnett Garden club opening of the club year was in the lovely home of Mrs. J. B. Riley, 710 Sunset Drive, Sept. 23rd at 9:30. Assisting her as hostesses were the year book committee, Mrs. John Brookman, Mrs. J. M. Pogue and the president, Mrs. A. H. Lohoefer.

Leader of the day, Mrs. John Brookman, passed out the new books and explained all the programs and insisted every member be ready to answer all roll calls correctly, then stepped aside for the new president, who gave a warm welcome to all the members assuring them of a successful year to the best of her ability.

The new business consisted of a new highway location for the Garden club signs that were moved to make way for the new freeway, and a change in the douncil meeting. Only every three months instead of every month. Discussion of the Garden club tour to Dallas on "State Garden Club Day" Oct. 20th. A number are making reservations for bus trip.

Mrs. J. L. Caffee brought the first of a series of parliamentary briefs. She will continue through the club year.

The lesson for the day was Botany and Horticulture. (a) name of plant you have had success in propagating (b) Exhibit rooted cuttings. Each member brought and showed and discussed what she had succeeded in. Gifts were made to other members who wished the plant.

The highlight of the day was a message by the new president of the garden club council, Mrs. J. A. Johnson.

Mrs. Pogue poured from a silver service on a board covered with imported green linen cloth with gold and brown arrangement to sixteen members and one guest, Mrs. J. A. Johnson.

The club adjourned to meet Oct. 28th with Mrs. Glen Bear.

IT'S UP TO YOU

FALLACIES OF THE FOOD STAMP PLAN

CONGRESSMAN Richard H. Poff of Virginia has sent to his constituents a newsletter explaining the Food Stamp Program. It may be summarized as follows.

Most people think the Food Stamp Program is designed to reduce government surpluses that are in danger of spoiling in warehouses and that cost the taxpayers more than a million dollars a day for storage alone. It is generally thought that the Food Stamp program will use the surplus food in place of money to assist hungry Americans.

The unfortunate truth is that this plan is not tied to surplus agricultural commodities. None of the stored farm surpluses paid for by the Price Support Program are used in the Food Stamp Program. The stored surpluses are not in any way reduced. The food distributed in this manner comes right off the grocer's shelves and is paid for with the federal food stamps.

Furthermore, the Food Stamp Plan is not limited to people on relief rolls, but rather to anyone "whose economic status is such as to be a substantial limiting factor in the attainment of a nutritionally adequate diet."

The householder goes to the local Welfare Agency and makes application for stamps for his family. If he passes the test, he is given a certificate stating the amount of his budget which must be allocated to food purchases. He takes this certificate to the issuing agency, usually a bank, and buys food stamps at a discount of about 40% below face value. He then takes these food stamps to his grocer and uses them to buy food. The grocer cashes the stamps at his bank at full face value. The bank cashes the stamps at full face value out of the federal treasury. The treasury, operating at a deficit, borrows the money to pay the bank and adds the new obligation to the national debt.

The Food Stamp Program is not in anyway a farm surplus disposal program. It is purely and simply a welfare program not confined to those on the welfare rolls and fully financed by the federal government.

Free food is a great temptation. It was one of the powerful factors that destroyed ancient Rome. If allowed to grow in our country, the results will be equally disastrous here.

What Does It Take To Build A Church?

Perhaps you glance at the church on the corner once in a while and wonder what it would be like to visit during a service. What is it that draws those people to that particular building every week? What built that church?

The only possible answer is — the love of God. Their love of God prompted them to sacrifice and give so that the sanctuary might be built. The love of God compels them to meet there with others who serve Him. Their love of God compels them to "go, and tell others".

We pray that you will be drawn to such a church this week and that you will align yourself with it. You can help build it into something even better.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

National Football League Contest Punt, Pass and Kick Competition Sponsored by Wolfe Ford Company

registered for the Punt, Pass and Kick competition.
Registration Period
Boys 8 through 13 may register at their local sponsoring Ford Dealer's from September 1st through October 9th. Each boy must be accompanied by one of his parents or guardian.
Eliminations
Local competitions will be held throughout the United States on October 10th (or alternate dates dictated by local weather conditions). In each local competition, there will be six winners, one in each age group, as well as six second place and six third place winners.
Scores of the first place winners of each local competition in each state will be compared at PP&K headquarters, and six winners representing each Ford zone will be determined. Since there are 362 zones, 2,172 boys will be selected for further competition in 37 Ford Districts. Ford District Sales Offices will supervise district competitions where 222 champions and 222 runners-up will be determined. From the best scores, the top 12 winners in each of the 14 NFL game areas will be selected for further competition during NFL games. This area competition will involve 168 boys.
After area competition scores are submitted, the top six (one from each age group) representing the eastern NFL division, and the top six boys (one from each age group) representing the Western NFL division will be selected as finalists for the national PP&K championship competition.
The 12 finalists then will compete at an NFL championship game to determine the six national PP&K champions, and will be presented during halftime ceremonies.
The six national PP&K runners-up.

PP&K Awards
Top 8, 9 and 10 year old winners of each local competition will receive National Football League warm-up jackets with the official colors and emblem of the NFL team in the area. Second place award will be a place kicker outfit for improving kicking and passing accuracy. Third prize will be regulation size football autographed by the best punter, passer and kicker on each NFL team. Boys 11, 12, and 13 will receive handsome gold, silver and bronze trophies.
Note: In Missouri, Montana, New Mexico and Wyoming all winners will be awarded trophies in lieu of merchandise prizes.
Top winners in each district competition will receive district champion trophies. District runners-up also will receive trophies.
Area competitors will wear junior NFL uniforms and go with their fathers and mothers to the NFL city in their area for division competition during the games.
The 12 division winners, with their mothers and fathers, will go on a "Tour of Champions" to Washington, D. C. Following that, they will travel to the site of the NFL championship game to compete for the national PP&K championship.
When the national PP&K competition is completed, the six national winners (one for each age group) will receive championship trophies. The other six boys receive runner-up trophies. These top awards.

HISTORIC MOVE

Ben Franklin wouldn't believe his eyes, but this handsome new skyscraper on New York's East Side is the new home of The Saturday Evening Post and its sister publications. Franklin brought out the first issue of his weekly in a little Philadelphia print shop 236 years ago. Now The Post, descended from his publication, is housed in a 32-story building on the corner of Lexington Avenue and East 54th Street, in Manhattan.

The Saturday Evening Post building is the new home of the Post's editorial and advertising offices, and of the Ladies' Home Journal, Holiday, The American Home, and Jack & Jill, as well as the corporate offices of their publishers, The Curtis Publishing Company. The Post and other Curtis publications have changed frequently over the years to keep up with new developments. Nowhere is this progress shown more dramatically than the transition from the little shop of "B. Franklin, Printer," to New York's newest office tower.

Drama Class Plans Children's Theatre Week of October 12

The drama class of Burk Burnett High School has cast its first play for the year. The play, HEIDI, will be presented for students in elementary schools during the week of October 12th.

Dramatized by Lucille Miller, HEIDI is a fresh and delightful play of the Swiss Alps. Heidi is one of the happiest characters in all literature, a winning and personable little girl who is full of fun and mischief.

Playing the part of Heidi is Margaret Janeke. Other students attempting to portray all the well-loved episodes include Jimmy Dunn as the grouchy Alm Uncle; Max Crowley as the Minister from Dorfli; and Mike Stever as Peter. Others include Vicki Treliques, Carol Faulk, Renny Broune, Jim Miller, Roilene Silkwood, Donna Todd, Kathy Santos, Doug Renfro and Lahna Wood.

Helping with scenery design and construction are Roger Johnson, Gary Wolfe, Donnie Schnitker, Jerry Mason, Jimmy Owen, Gary Harwell and Charles Reagan.

1963-64 Annuals On Sale At Burk High

Copies of the Burk Burnett High School "Derrick", the 1963-64 annual are ready to be picked up. The Derrick can be picked up from 8:30 a. m. to 3:30 p. m. on school days from Mrs. Zell Smith in Room 16.

Principal Roy Silkwood said there were about 30 extra for those who have not previously ordered. The extra copies sell for \$6 each.

Tricksters Give Bowling Demonstration

A bowling ball in the hands of an expert can be made to do seemingly impossible feats. Two tricksters at Boomtown Bowl give an entertaining demonstration between sessions. The fellow on the left stoops to catch the ball, but reverse English brings the ball back to the one who threw it.

Lone Star Gas Company Plans 57 Mile 20 Inch Gas Pipeline From Bartlett to Travis County

Lone Star Gas Company has made preliminary plans for construction of a 57 mile natural gas transmission pipeline of 20 inch diameter designed to dramatically increase the availability of natural gas to the company's South Texas market area, according to E. A. Brown, Lone Star's executive vice president of operations.

Mr. Brown said that the new line, extending from Bartlett, Texas to United Gas Pipeline Buda Compressor Station in Travis County, will be built in order to obtain additional gas reserves for us in Waco, Texas and the area south of Waco. The line costing approximately \$3,000,000, will have capacity to deliver an additional 45,000,000 cubic feet of gas every 24 hours. It will reinforce gas supplies on the entire Lone Star market area consisting of some 502 communities, towns and cities in Texas and Southern

Oklahoma, Mr. Brown pointed out.

Line surveys and purchase of right of way are now under way by Lone Star. Preliminary plans call for construction of the new line in the near future and completion of the line by mid-December. This schedule will make these new gas reserves available to area consumers during the coming heating season, Mr. Brown said.

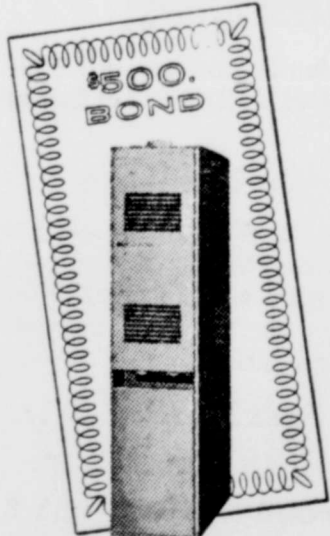

An unspoken, 'I told you so' is the most difficult reprimand to bear.

Those who like to be seen should pay a proper price and, so far as I am concerned, I have never haggled.

Hardin HD Club News

Hardin Home Demonstration club met in its regular session Sept. 23rd in the home of Mrs. M. R. Hewell. Carol Roderick president, called the meeting to order at 9:30 a. m.

Mrs. Julia Roderick had charge of the opening exercise. She gave a reading entitled "Remember". The club sang, "May The Good Lord Bless and Keep You," "There's a Long, Long Trail a Winding and and "Daisy."

After a brief business session the president turned the meeting over to Miss Thelma Wirges, the county home demonstration agent. She talked about selection of materials for carpets and stressed the necessity of picking good pile and good backing in carpet material. Also being very careful to buy material that has a life time moth proof guarantee.

Eleven members, Miss Wirges and Larry and Gary Roderick were present.

The next meeting will be with Mrs. Jess Hageman, Oct. 14th.

Possibly the word that best describes some men who are otherwise lovable is cussedness.

"REMEMBER THE ALAMO" -- the cry that fanned Texas' defeat to victory!

On March 1, 1836, thirty men from Gonzales broke through the lines of Mexican Army Commander Santa Anna to increase the Alamo's defenses to 187. This little band of heroes held the Alamo against overwhelming odds for five more days in one of the most heroic struggles to be found in the annals of man.

On March 6 Santa Anna with over 4,000 troops stormed the Alamo, and the last of the heroic band of Texans died fighting. Names like William Barret Travis, James Bowie, Davy Crockett and James B. Bonham became immortal.

The massacre at the Alamo inspired General Sam Houston's men at the battle of San Jacinto. Crying "Remember the Alamo!", the Texans sprang upon Santa Anna's soldiers and in a swift bloody fight won Texas its freedom.

SPEAK OUT FOR FREEDOM ... with U. S. Savings Bonds!

Through the years that have followed, other "Alamos" and "San Jacintos" have inspired Americans to lead and win the fight for Freedom — Pork Chop Hill, Iwo Jima, the Meuse-Argonne Forest.

Today, by purchasing a United States Savings Bond, you can also speak out for Freedom as clearly as the battle cries of old. Every Savings Bond you buy is an investment in Freedom. Buy Bonds at your bank or on the payroll savings plan where you work.

38th Annual HD Convention Held In Houston, Sept. 16th

The Texas Home Demonstration Association met for its 38th annual convention Sept. 16-17, in Houston Texas.

The program "The American Woman; her changing image," was very much enjoyed and appreciated by Mrs. E. W. Roderick of Hardin Club who will be the 1965 THDA chairman of Wichita County. Mrs. J. A. Fouts, 1964 THDA chairman, and Mrs. Inez Morris of Bowie HD club.

The delegates attended the workshop on "Civil Defense, 4-H, health and Safety and Citizenship and Recreation," Family Life.

The slate of officers for the 1965 Home Demonstration convention were installed by Mrs. Melton McGehee at the banquet which closed the convention.

All reported a good time and learned many new ideas to do in this changing world.

DEATH NEVER TAKES A HOLIDAY

Animals on the highway dangerous.

In spite of the efforts of gentlemen to keep them from they do get out once in while.

Some years ago a fish friends of mine on the Coast, bought a new truck. On the way back to the coast from Portland, the lad met a young bull on the road. The Dodge failed and at thirty mph they met age to both truck and bull quite a lot.

Lawrence Hayes telling friends about it after said: The car was going miles an hour and the bull going thirty miles an hour. results. We can't print word in this column.

In farming areas is a plan to be on the look out for farm animals on the highway. Drive as if your life depends upon it. It does!
