GM Closes 20 Plants As Wildcat Strikes Continue

Bargaining Session On

By NORMAN WALKER

DETROIT (AP)—General Motors Corp. today closed 20 car assembly and body plants idling 60,000 workers because of what it described as strike - caused parts shortages.

National contract bargaining between GM and the CIO United Auto Workers continued, meanwhile, with every indication that the nation's largest auto firm intended to make its bid during the day to stave off a threatened strike at midnight Sunday.

It was learned that GM had made no offer to the union as yet on whether it will go along with the same contract deal that the UAW negotiated last Monday with the Ford Motor Co.

This called for a modified form of the guaranteed wage, plus pay, vacation, holiday and other concessions estimated by the UAW to be worth more than 20 cents an hour per worker. UAW President Walter Reuther said GM's 325,000 UAW workers were ready to strike Sunday night unless GM matched these demands.

GM said the shutdowns were caused by earlier wildcat strikes, in apparent protest against slowness of the national bargaining negotiations, with the walkouts shutting off parts pouring into various GM plants across the country.

This lack of parts, GM said, compelled the company to close down GM Chevrolet assembly and body plants in Detroit, Flint, Bay City, and Saginaw, Mich., and in Buffalo and Tonawanda, N. Y., Indianapolis and Muncie, Ind., Toledo, Ohio, and Baltimore, Md.

GM said all the walkouts violated its expiring contract with the UAW and added, with apparent hope of a contract settlement being achieved before the Sunday night strike deadline, that all workers would be recalled Monday.

Other companies supplying parts to GM plants closed today also were notified to stop shipping parts and material into the factories.

The contract negotiations were recessed last night just before midnight until this afternoon. It was believed that GM then would make its contract offer bid to match, or improve upon, the Ford settlement to give the UAW time to assess it in advance of the Sunday night time limit.

The UAW claimed it had solved all the GM wildcat walkout situations except one—at the Southgate plant, near Los Angeles, involving several thousand workers, and sent special union emissaries there to get strikers back to their jobs.

GM estimated that work stoppages had cut its car production for the week by 20,000 cars and trucks, or roughly one-fifth of weekly output.

Meantime, it was learned that one reason for the delay in GM's submitting an offer containing the controversial guaranteed wage plan was that GM was seeking legal rulings from Washington agencies on the tax exemption status of any guaranteed pay arrangement, and whether the government would absorb the costs on defense contracts.

Bonn Spurns Rapid Plan On Recruiting

BONN, Germany (AP) —The Bundesrat spurned today a bill for recruiting volunteers to serve in the German army. It sent the bill back to the government with a demand for clarification of policy on rearmament legislation and the legal basis for it.

The action threatened to wreck the Adenauer Cabinet's plan for getting German soldiers quickly into uniform. The Bundesrat de - clined to take a stand on the measure because, members said, it was "unclear on a number of basic questions" connected with putting Germans into uniform.

The action was unanimous, despite the fact that Adenauer government has a two-thirds of the 38 members.

The 250-word bill provides for giving the first volunteers for the German forces the status of civil servants. The government intended it should eventually be replaced by permanent regulations laying down conditions of service for future soldiers.

The government aim was to push through temporary legislation that would authorize the call-up of the first 10,000 volunteers to begin training this autumn. The permanent legislation consists of some 20 complicated laws and will take months to pass. The upper house was apparently angered by the government's tactics in trying to shortcut normal legislative processes.

A resolution of the Bundesrat security committee, saying the chamber could not take an immediate stand because it had not been possible to clarify a number of questions, was passed unanimously.

This does not kill the bill but will make it very difficult for the government in the Bundestag — or lower house. Adenauer had often expressed hope the bill would become law before the bundestag adjourns for the summer recess in mid-July.

Andrews Man Hurt In Wreck

Eugene Smith, 40, of Andrews, escaped serious injury but suffered a fracture of his right collarbone when his car overturned near the Colorado River 14.2 miles southwest of the Snyder city limits yesterday afternoon.

When questioned by Bill Zimmerman, highway patrolman who investigated the accident, Smith said he lost control of his car when he applied the brakes in an effort to slow behind a truck which he had previously planned to pass. He said he was en route to Snyder from Andrews, where he was employed as a maintenance man for Cook Drilling Co.

The 1950 Packard sedan overturned once and stopped inverted in the west roadside ditch. Several persons, some of them driving other vehicles there at that time and some others working on the highway there, said they witnessed the accident and that Smith was thrown from the car as it was overturning. Some said it appeared the car partially fell on him.

Smith was taken to Cogdell Memorial Hospital by Bell ambulance.

Mercury Sinks To 55

Surprisingly cool weather for June kept the temperature down to 67 degrees in Snyder yesterday. A high mark of 100 degrees was recorded on the previous day. The overnight low was 55 degrees, David Strayhorn, weather observer, said, with 57 degrees at 7:30 this morning. Rainfall yesterday morning totaled .11 of an inch.

ARRIVES FOR COMMENCEMENT ADDRESS—Gov. Allan Shivers of Texas chats with Y. Frank Freeman (right), vice president of Paramount Studio, as the governor arrived in Burbank, Calif., for his commencement address to graduating seniors of the University of Southern California. The school's student senate recently protested selection of Shivers as commencement speaker, declaring he has shown a lack of "torerance, integrity and intelligence." Some of the school's faculty members sided with the senate, but USC President Fred Fagg, Jr., declined to cancel the invitation. Freeman and Shivers are old friends.

Shivers Silent As Others In Squabble

By CLAYTON HICKERSON
The Associated Press

Just about everything was set Friday for dinners in Texas honoring National Democratic Chairman Paul Butler. Everything, that is, except the Democrats.

The dinners, designed to foster party harmony in a state where the party has been badly split, begin June 14 in Lubbock. And few times in Texas Democratic Party history has there been more family feuding.

There was one bright note for Democrats who wanted party harmony, however. Gov. Allan Shivers, who with some help led the Democratic state machinery into the Republican fold in 1952, was staying silent as other party leaders bickered and indulged in some good, old-fashioned name-calling.

Shivers was out of it at least temporarily. He was in Los Angelis where he is scheduled to make the commencement address before the graduating class of the University of Southern California.

Perhaps the politically astute Shivers wanted out of the present party hassle. Or perhaps he thought others could do enough talking without him. And there was plenty of talking.

Mrs. H. H. Weinert, Texas' national committeewoman at Seguin, called Judge Jim Sewell of Corsicana "rude, ungallant, and discourteous" and said she would not be present at any of the dinners for Butler.

Sewell, blind veteran of World War II's U.S. Nav fighting, apparently had his hands full with Mrs. Weinert, a veteran politico. He is chairman of the state Democratic Advisory Council, organized under Speaker Sam Rayburn in 1952 to carry on Democratic Party business in Texas after Shivers and his friends took the party machinery into the GOP camp.

Sewell recently wired Mrs. Weinert:

"In a sincere desire for good wishes in the Democratic Party of Texas, we are, on behalf of all Texas Democrats, extending invitations to the state's elected officials to the functions honoring Paul M. Butler next week.

"This list would not be complete without the state's national committeewoman, so, on behalf of the Democratic Advisory Council, I should like to extend a warm invitation to you to be present at one or all of the fund-raising meetings with Mr. Butler."

Mrs. Weinert, who says she supported Adlai Stevenson in 1952 when most of the state's Democrats voted for Dwight D. Eisenhower, declined.

"Your recent rude, ungallant and discourteous treatment of me makes me doubt the sincerity of your invitation," she wired Sewell. "You better than anyone can explain the reason for my absence."

Mrs. Weinert told Austin newspapermen she attempted to carry out instructions of Rayburn and Butler to make the Butler meetings "for all Democrats" but that Sewell balked.

In Corsicana, Sewell said, "It is my desire that all Democrats work together in harmony for the good of the Democratic Party in Texas and America."

He said he "in no way intended" for his telegram "to be of a rude nature, and if it offended her, I at this time tender my humblest apologies and at the same time re-extend to her an invitation to participate in the Butler visit."

Ex-Police Chief Shot

HAVANA, Cuba (AP)—Police shot former secret police chief Jorge Agostini to death in a gun battle last night. Agostini, an associate of deposed President Carlos Prio Socarras, had sneaked back into the country from exile under an assumed name.

U.S. Set To Aid Austria, Dulles Says

WASHINGTON (AP)—Secretary of State Dulles said today the United States stands ready to help Austria rearm within the limits allowed by its new treaty.

Testifying before the Senate Foreign Relations Committee, Dulles told Sen. George (D-Ga), committee chairman:

"If that (military aid) is requested, and we think it probably will be, we will give some assistance to Austria in equipping the forces allowed by the treaty."

The treaty allows Austria to build as large an army as it likes. But it is forbidden to possess, build or experiment with atomic or other weapons of mass destruction, limiting it to civil purpose arms.

Dulles was before the committee to urge speedy approval of the treaty. He said Russian agreement to the pact "may open the way to further cooperation to fulfill other wartime pledges" by the Soviets.

Dulles said:

"President Eisenhower stated in his speech of April 16, 1953 and the United States has repeated on numerous ocasions since, that Soviet agreement to the Austrian treaty fulfilling the Moscow agreement of 1943 would be considered a significant deed as distinct from words.

"It may open the way to further cooperation to fulfill other wartime pledges."

Dulles' hopeful attitude came on the eve of Big Four talks which the West wants to hold with the Soviet Union next month. One area of possible discussion may be Soviet promises and agreements at the Big Three war time conference at Yalta that Russia would cooperate in holding free elections in Poland and other Eastern European nations. Dulles, however, did not mention the Yalta agreement, in a statement he read before the committee.

The new treaty with Austria, he said, is "more just and satisfactory" than the original draft treaty as it stood from 1949 until the negotiations last month in Vienna. The secretary said the treaty was changed in several "important ways" during the two weeks of "intensive negotiation" prior to its May 15 signing.

He noted that the 1949 draft treaty provided that the Soviet government would retain for up to 30 years "most of the valuable Austrian oil properties" and would own "in perpetuity" Austrian Danube shipping and docks.

Dulles said the "danger" that these provisions would give Russia a "legal right to undertake an economic reoccupation of Austria" was "so great" that he refused to go to Vienna to sign the treaty unless "some way could be found to eliminate the risk." Russia agreed.

He paid tribute to his "predecessors in office," former Secretaries of State George C. Marshall and Dean Aheson, for their "contributions" in the long, tedious struggle with the Soviet Union on the Austrian peace treaty.

Adenauer Is Optimistic

BONN, Germany (AP)—Chancellor Konrad Adenauer was quoted today as saying that "the signs of relaxation in world tensions justify a certain optimism."

That view was attributed to him by the bulletin of the government press office in a preview of his visit to the United States and Britain next week.

It added that Adenauer "believes the forthcoming four-power conference has a good chance of bringing results."

"The chancellor no longer considers it as hopeless to bridge the gap between East and West as it used to seem," the bulletin said.

This followed yesterday's declaration from a government spokesman that Adenauer is willing to meet with top Russian leaders after preliminary exchanges to determine the "appropriate circumstances."

The bulletin said Adenauer will present these "fundamentals" to the Western statesmen next week:

1. West Germany "is equally opposed to neutralizing Germany and to the idea of a reunified Germany without any alliances."

2. "The West must be strong and united if further success is to follow on the good results already achieved."

The bulletin added:

"Meanwhile, perhaps, the desire for genuine disarmament has become stronger in the East, too."

Chances of negotiating an end to the atom arms race "are better than they have been for many a decade," the review continued, adding:

"The realist Adenauer makes a strong bid for disarmament and collective security."

To Speed A-Program

COPENHAGEN, Denmark (AP) — Denmark announced today the United States and Britain have pledged to help speed up her atomic program.

WHAT'S COMING OFF HERE?—An unidentified small boy almost lost his pants in his eagerness to watch the firefighters battle a warehouse blaze in Lakeland, Florida. Merchandise valued at $250,000 was lost in the fire.

Eisenhower Signs Postal Pay Measure

WASHINGTON (AP)—President Eisenhower today signed into law the bill raising salaries of the 500,000 postal workers an average 8 per cent—an increase of about 164 million dollars a year.

He called it the "greatest forward step for our postal employes in more than a century."

The bill was the third postal pay hike measure sent to the President in 10 months. He vetoed the other two.

The measure which he approved today, however, meets the main requirement which he and Postmaster General Summerfield laid down. It contains broad authority to reshuffle postal jobs with a view to removing inequities and promoting efficiency.

The bill gives all postal employes a 6 per cent increase retroactive to March 1. This will mean distribution of a 40-million-dollar nest egg as soon as the department can arrange the payments.

The additional 2 per cent of increase comes about through the reclassification features of the measure. These will take effect six months from today.

The reclassification will mean much bigger increases than 8 per cent for some supervisory em - ployes. The department contends these have been slighted in salary raises since World War II.

The President approved the compromise legislation just before entering a morning Cabinet meeting.

Both houses completed action on the measure last Tuesday, the Senate by a voice vote, and the House by 407-1.

An effort to override the veto of this year's original measure was made in the Senate, but it failed by eight votes to get the required two-thirds majority.

That bill, carrying a 7 per cent minimum increase, provided for an average boost of 8.6 per cent with fringe benefits raising the over-all payroll effect to 8.8 per cent.

The President vetoed a 5 per cent postal pay raise in the last Congress because raises were not accompanied by corresponding increases in postal rates. He vetoed last month's bill on the ground that it cost too much and left inequities in pay grades.

The compromise went further than the original to meet the administration proposals on reclassification of jobs and bigger raises for more responsible posts.

In his statement today the President said the new law "will bring about the elimination of inequities in the postal field service which for years have violated the principle of equal pay for equal work and discouraged employes from seeking advancement."

His statement added:

"The salary plan which the measure provides for firmly establishes that principle. It will at last place the wages for postal service positions in proper relationship to each other. Incentives for advancement are finally a reality. A fair pay increase is granted to each and every employe.

"The act represents a major step in the administration's personnel program of providing federal employes with a salary structure and employment benefits comparable to those available in the more progressive companies of private industry."

The annual increases will range from $160 to $4,400, with the average in the neighborhood of $320.

For the first time, under the new law, postmasters will get the six annual pay step-ups which other employes of the department have enjoyed. The measure also switches all the workers to a bi-weekly pay basis, instead of semi-monthly as in the past.

$2,000 Check Wasn't Bribe Lev Declares

WASHINGTON (AP)—Wealthy hat maker Harry L. Lev swore today a $2,000 check he handed a government girl's husband was not a bribe to get her help in landing a two-million-dollar contract.

"No, sir," he told the Senate Investigations subcommittee, and denied also that he was trying to portray the beautiful woman, Mrs. Mella Hort, as "just a bad woman" who had tried to blackmail him.

The subcommittee, seeking evidence of possible graft in buying uniform equipment for the armed forces, is exploring in general the "advantage" Lev says he enjoys over business rivals in dealing with the government.

Lev landed the contract in question, for the manufacture of about seven million white sailor caps. The award was on May 5, 1953 to Lev's Chicago firm.

Robert F. Kennedy, subcommittee counsel, told Lev that the versions given by both Lev and Mrs. Hort of the story behind the $2,000 check "just can't be so." The check is dated April 23, 1953.

Mrs. Hort has testified it was a sort of "binder" on a deal in which her husband, Eugene Hort, and Lev would go in the plastics manufacturing business. Lev says it was his payment to Hort for a survey to determine whether the venture could pay.

CIO Official Assessed Fine

WASHINGTON (AP) — John T. Watkins, 44, an official of the CIO-United Automobile Workers, today was fined $500 and given a one-year suspended jail sentence for contempt of Congress.

The sentence was imposed by U. S. Dist. Judge Joseph C. McGarraghy, who found Watkins guilty May 27.

Watkins' attorneys Joseph L. Rauh Jr., and Sidney A. Sachs, said they will appeal.

Rauh said the appeal will be based solely on the right of the House Un-American Activities Committee to "engage in exposure activities rather than those of a legislative purpose."

The charges against Watkins, who lives in Rock Island, Ill., and is an international representative of the CIO-UAW, grew out of his appearane before a subcommittee of the Un-American Activities Committee April 27, 1954.

Watkins denied he had ever been a member of the Communist party but said he had been associated with Communists in the past. He refused to answer questions about persons he said had long since left the party.

WEATHER

NORTH CENTRAL TEXAS: Clear to partly cloudy and cool this afternoon, tonight and Saturday.

WEST TEXAS: Partly cloudy, widely scattered showers and thundershowers except in Panhandle and South Plains this afternoon, tonight and Saturday. No important temperature changes.

EAST TEXAS: Cloudy to partly cloudy, scattered thundershowers in south this afternoon and in extreme south tonight. Saturday clear to partly cloudy. Slightly cooler in south this afternoon. Moderate northerly winds on the coast, except gusty in thundershowers.

SOUTH CENTRAL TEXAS: Cloudy with scattered showers and local thunderstorms this afternoon and mostly in south tonight and extreme south Saturday. Slightly cooler this afternoon and extreme south tonight. Moderate southerly winds on the coast, except gusty in thunderstorms.

New Safety Factors Developed For Making Salk Polio Vaccine

By LEE GARRETT

WASHINGTON (AP) — The Public Health Service said today it was required to deveop new and safer standards for Salk polio vaccine after unexpected problems in mass manufacture had threatened to wipe out a "built-in factor of safety."

Surgeon General Leonard A. Scheele expressed belief, however, "that this vaccine will fulfill its bright promise as a major advance in the prevention and control of a disease that has shadowed the lives of children and young adults for many generations."

And the lessons that have been learned, he said, "offer promise of solutions to a hitherto baffling group of disease problems."

A special health service report, in discussing the "built-in" safety factor, said the vaccine is composed of three types of polio viruses mixed together after they had been inactivated, or killed. In some cases, the report said, live viruses were found in the final mixture after tests of the three component parts had shown none.

These things showed up, the report added, when the health service made an intensive study of the manufacturers' records. They had not been reported to the health service, it said, because the manufacturers had not asked for clearance of the faulty lots.

"The intensive investigations of the past five weeks," the report said, "indicate that the records required of manufacturers were inadequate to permit realistic assessment of consistency in the performance of each establishment."

Noting that antibiotics and sulfa compounds, the "wonder drugs" of recent years, "have made little impression on the problems of virus infection," Dr. Scheele added:

"We can expect that potent new biologics will be developed which will have unprecedented application, particularly to control of virus diseases."

The statements were contained in a comprehensive and highly technical review of the entire polio vaccine program, long promised but released unexpectedly early today. Publication of the document, running 163 typewritten and printed pages, was ordered after the New York Times printed a portion of it.

In a letter transmitting the report to Secretary of Welfare Hobby, Scheele said that "events which in the traditional course of scientific development would have covered years were telescoped into months and, as a result, both successes and failures have been magnified.

"In the long run, however, the nation and the world will surely have gained from efforts to speed the availability of an effective immunizing agent against this disease."

Much of the material in the report is history—the story of last year's extensive field tests, the general approval of the polio vaccine on April 12 this year, the development of polio in some vaccinated children, the go-slow warnings and subsequent stoppage of immunizations, and the development of new standards which Scheele said at the time were designed to "make a safe vaccine safer."

Much of the new material reviews the tehnical data and studies made by scientists behind closed doors, which led to the increased safety standards.

These studies, the report said, "demonstrated unanticipated difficulties in production and testing."

For one thing, it was found that the fewer live viruses there were in a solution, the slower they died. That led to increasing the time allowed to inactivate the viruses.

The investigators also found "other physical and chemical variations in different portions of the total suspension" from which the vaccine was prepared.

These factors, the report said, "can operate to remove the so-called built-in factor of safety."

The vaccine is composed of three types of polio viruses mixed together after they have been inactivated, or killed. But the report said that in some cases live viruses were found in the final mixture after tests of the three component parts had shown none.

These things showed up, the report said, when the health service made an intensive study of the manufacturers' records. They had not been reported to the service, it said, because the manufacturers had not asked for clearance of the faulty lots.

"The intensive investigations of the past five weeks," the report said, "indicate that the records required of manufacturers were inadequate to permit realistic assessment of consistency in the performance of each establishment."

8th AF Chief Quits Service

FORT WORTH (AP)—"I want you to know that leaving the Air Force is the toughest job I have ever done," Maj. Gen. John B. Montgomery, 8th Air Force commander, said today after acceptance of his resignation was announced late yesterday in Washington.

The general, indicating that an announement of his new civilian career will be made by future associates "within a short time," declined to elaborate on the "compelling reasons" he referred to in a statement Thursday night.

Explaining his failure to request retirement benefits, available after 20 years' service, Montgomery declared:

"Don't misconstrue this as criticism of 20-year retirements at all, but I just think personally that when a man is still young and in good health, he should round out his 30 years with his service before claiming retirement pay, under normal conditions."

The general will exchange his two stars for the eagles of a colonel in the Air Force Reserve Monday, a status which will permit 30-year retirement in 1964 and recall to duty at any time in the event of national emergency.

Frost's Progressives Win Ontario Election

TORONTO, Ont. (AP)—Running on their record of 12 years in power, Premier Leslie Frost's Progressive Conservatives swept the boards in yesterday's election of a new Ontario provincial parliament.

The party, which has held sway since 1943, elected 83 members to the 98-seat one-chamber legislature. The result was generally expected. The party had held 78 places in the old 90-seat house.

The Communists lost the lone seat they held in the old house.

Cotton Fire Under Control On Freighter

HOUSTON (AP)—A cotton fire aboard the SS Neva West, a Houston-based freighter in mid-Atlantic, was reported "under control" at 9:10 a.m. today by the ship's master, O. L. Snodgrass.

Capt. Snodgrass reported by radio to the ship's owners here, the Bloomfield Steamship Co.

"No assistance needed," Capt. Snodgrass' message said.

Cool Weather Is Due To Continue

By The Associated Press

Much-needed, always welcome rain continued to fall over much of Texas Friday, following a night of near-record low temperatures for this time of year.

Victoria, Corpus Christi, Alice, Beaumont and Laredo reported rain Friday morning, with more in prospect from clouds that covered East and South Texas.

Friday's wet weather was restricted to rain, however, lacking the damaging wind, hail and lightning that accompanied storms earlier in the week.

Officially, Beaumont's 1.87 inches was the highest total reported for the 24 hours ending at 6:30 a.m.

Orange, however, measured an unofficial 2.22 inches at 7 a.m., after an all-night downpour that flooded streets briefly and knocked out electric service at times.

Dallas recorded its lowest June 10 temperature in Weather Bureau history with 58. Dalhart's 40 was the overnight low and Brownsville's 74 the overnight high for the state.

Other 6:30 rain totals included Houston .98, San Antonio .61, College Station .56, Houston .46, Del Rio .31, Galveston .29, San Angelo .23, Victoria .49 and Lufkin .41.

Amarillo, Austin, Fort Worth, Dallas, Midland, Temple, Waco, Wichita Falls, Palacios, Childress, Mineral Wells, Texarkana and Dalhart all reported rain of less than .25 inch.

Cool rains and cooler weather were to continue, forecasts indicated, at least through Saturday. Drinking establishments, ball games, and outdoor sporting events of all kinds—even fishing—suffered. But crops and reservoirs benefitted.

North Texas lakes were filling up. Lake Dallas, in Denton County, was only 5.1 feet from the spillway Thursday with more water on the way. A year ago, it was feared the big reservoir would dry up. Other lakes from Austin northward were filling almost as well.

Light, scattered rains fell Thursday from high in the Panhandle and from San Angelo to the Dallas-Fort Worth area. Good runoffs were recorded at many lakes in the big area.

Friday, most of the rain was deep in South Texas where three counties—San Patricio, Refugio, and Aransas—Thursday were designated as eligible to receive federal drought relief. That brought about one-third of Texas counties to the Beaumont-Galveston area under the federal program, 115 of them to be exact.

AREA OIL ROUNDUP

Fisher, Runnels, Nolan Tests Set

The Easter Platform area of the Permian Basin of West Teas has gained four new wildcats located in Fisher, Runnels and Nolan Counties.

Two of the projects are in Fisher County. Youngblood & Youngblood and C. W. Byrom, both of Dallas, will dig the No. 1 A. L. Barnes as a 6,600-foot wildcat one-half mile north of Roby in central Fisher County. Site is one mile southeast of the one-well Roby-Canyon sand field. 467 feet from south and west lines of subdivision 28, league 314, Bastrop County School Land survey.

Ten miles west of Rotan in northwest Fisher County, C. L. Norsworthy, Jr., of Dallas, spotted the No. 1 J. S. Criswell as a 7,500-foot Cambrian wildcat.

Location is three miles northeast of the Camp Springs-Strawn field of northeast Scurry County, 660 feet from north and east lines of 212-2-H&TC.

Caroline Hunt Trust Estate will dig No. 1 I. B. Zappe as a 5,300-foot wildcat three miles northwest of Ballinger in central Runnels County. Site is two miles west of the Balling-Palo Pinto field, 467 feet from south and 2,183 feet from west lines of section 169, ET survey.

Bill L. Holland of San Angelo will dig No. 1 Maggie Rawls Cuthrell as a 6,600-foot lower Strawn wildcat three miles south and slightly east of Roscoe in northwest Nolan County.

Location is two miles north of the Roscoe South Strawn field, 660 feet from south and 751 feet from east lines of 63-23-T&P.

DAWSON WILDCAT

Cities Service Oil Co. will dig a 9,800-foot Pennsylvanian exploration five miles southwest of Welch in northwest Dawson County.

It is to be the No. 1 W. T. Hendon, 1,980 feet from north and east lines of 72-M-EL&RR, one and a quarter miles south of the western part of the Welch-San Andres field.

MITCHELL COUNTY

Ada Oil Co. of Midland is moving in equipment to spud the No. 1 A. L. Dunn, wildcat in extreme northwest Mitchell County which is slated for tests of the Strawn reef.

The project, slated for a 7,600-foot bottom, is 660 feet from south and east lines of 73-20-Lavaca Navigation Company survey.

Site is one mile northeast of Standard Oil of Teas No. 1 Dunn, an Ellenburger failure. This project flowed oil from the Strawn reef and produced several weeks from that formation.

The Ada wildcat also is one and a half miles southwest of Strawn production in the Allen Holliday field of southwest Scurry County.

The no. 1 Dunn is located on a lease obtained from E. E. Reigle and Charles F. Henderson of Midland. The pair obtained leases in the area from Sinclair Oil & Gas and other mineral owners. Ada also acquired alternate 80-acre tracts in the west half of section 73 and east of sections 74 and 53.

Regile and Henderson retained a one-sixteenth override as well as lease interests in the balance of the acreage in the above sections.

Sinclair, Southland Royalty Company, Federal Royalty Company and E. H. Samuel of Tyler contributed acreage. The Ohio Oil Co. is supporting the test with dry hole money.

OFFSET STAKED

J. R. McLean Oil Account and J. B. Tompkins of Dallas have staked a west offset to their recently completed Strawn discovery in the Martin Ranch field of south Stonewall County.

It is No. 2 W. I. Martin, 660 feet from south and 1,599 feet from east lines of 137-1-H&TC, 10 miles south of Aspermont.

Operators will dig to 6,100 feet.

NOLAN COUNTY

Skelly Oil Co. has completed a new pay discovery in the Vena Madre field of southwest Nolan County, and C. L. Norsworthy, Jr., will deepen the field's Strawn discovery for tests of the new pay.

Skelly's No. 1 May Sears was completed from the Odom lime for a daily flowing potential of 445.44 barrels of oil through a three-quarter-inch choke and perforations from 6,834-848 feet and 6,854-870 feet.

Potential was based on an eight-hour flow of 148.8 barrels of oil.

Location is 660 feet from south and west lines of 154-1A-H&TC.

Norsworthy will deepen his No. 1 Lance Sears, the pool's Strawn discovery, for tests of the Odom lime. It was finaled in March for a daily flow of 243.5 barrels of 47.5-gravity oil to open the field.

Hole will be deepened from 6,814 to 6,950 feet. Site is 660 feet from south and east lines of 153-1A-H&TC.

Stage Set By Panel For New Power Fight

WASHINGTON (AP) — The House Appropriations Committee drew clear lines today for a major congressional fight over the controversial Dixon-Yates power project.

It struck a double blow at the project as it sent to the House floor for debate next Wednesday a bill appropriating $1,282,216,242 to finance government power agencies for the fiscal year starting July 1.

By a split vote, the committee turned down an administration request for 6½ million dollars to build a power line linking the Dixon-Yates plant at West Memphis, Ark., with the Tennessee Valley Authority power system. Then it earmarked the money to start construction of a new TVA steam plant at Fulton, Tenn.

The effect of the action, if sustained by Congress, could be to leave the Dixon-Yates project without an outlet for its current and to build a new TVA plant to generate power in an area the Dixon-Yates group plans to serve.

House leaders conceded that the action would stir up a hot floor fight that would have repercussions in the 1956 political campaign. Democrats predicted that the committee recommendation would be upheld by a partisan vote.

Ground already has been broken for the 107-million - dollar West Memphis plant to be financed by the Middle South Utilities Co. headed by Edgar H. Dixon and the Southern Co. headed by Eugene Yates. The Dixon - Yates group has signed a 25-year contract with the Atomic Energy Commission to supply the TVA with power as replacement for energy TVA supplies to atomic plants.

The administration concluded the contract in place of asking Congress for money to build the Fulton TVA plant, which Congress has turned down several times.

The contract provides for the Dixon - Yates group to pipe its power to the middle of the Mississippi River, with a proposed TVA transmission line taking it from there into the TVA system.

In diverting the 6½ million from the Dixon - Yates project to the proposed new Fulton plant, the committee said there is no indication that litigation involving the Dixon - Yates contract will be settled soon.

Four Snyder Boys At SA Youth Camp

Four Snyder boys are now attending the Salvation Army Youth Camp near Dallas, according to C. E. McGaw, local service unit chairman.

The camp is held each year for boys 8 to 15 by the service unit division of the Salvation Army, and it offers outdoor camping under guidance and supervision of SA officers. This summer the camp is being held in temporary quarters pending completion of a new statewide Salvation Army center now under construction near Midlothian. It will be open on the year-round basis when complete.

Boys are taught handicraft, swimming, sports, and are given lessons in Christian living at the youth camp.

New Stop Signs Are Installed By City

New four-way stop signs have been placed at the intersection of Fortieth Street and Avenue V in south Snyder, B. J. Shelley, city manager, said.

The new signs will stop all traffic passing through the intersection.

Police patrol of the intersection will be stepped up until motorists regularly using the intersection have become accustomed to the new stop signs, he added.

FIERY RUIN—Flames spout high above the wreckage of the Ostend Hotel in Atlantic City, N.J., as fire razed the five story structure on the beach of the resort city. Spectators on the beach watch the fire across the city's famed Boardwalk as wind whips smoke and flying embers from the building. Three firemen, a guest and employe were injured slightly. An appraiser estimated the total value of the hotel and furnishings at $200,000.

Ike Takes To Airways Again

WASHINGTON (AP)—President Eisenhower takes to the airways again today if the weather is good, to fly to Pennsylvania State University for a commencement address tomorrow.

The school is located at University Park in central Pennsylvania.

It is headed by the President's youngest brother, Dr. Milton S. Eisenhower, who signed yesterday an honorary doctor of law degree to be awarded the President and commented: "You can't imagine the emotion I feel in signing an honorary degree for my own brother."

Penn State has awarded only two other honorary degrees in its 100-year history, and this will be the first one in 47 years.

A crowd of 20,000 has been forecast for the commencement exercises, to be broadcast by national radio and television networks tomorrow morning.

The chief executive planned to use his new two-engined, four seater Air Force plane on the hour-long flight to Phillipsburg, about 25 miles northwest of University Park.

Police Will Check Your Home During Vacation

Snyder vacationers can enjoy their vacations this summer without the usual worries about the safety of their homes during their absence if they follow the suggestion of the Snyder Police Department.

"Units of the police department regularly tour all parts of town each night, and making checks on the residences of vacationers will be easy," Suttle said.

HOSPITAL NOTES

The following admissions and dismissals at the two Snyder hospitals are only those whose names have been released by the hospitals.

BATTENFIELD-JONES

Admissions: Mrs. James B. Taylor, route 1; Mrs. Henry Nichols, 2511½ Avenue M; O. C. McCormick, route 3; Joe Parks, Arah route; Ray Eugene Sue, 2512 Avenue R; Tim Roberts, route 3.

Dismissals: Mrs. Alma Crabtree, Snyder; Linda Sue Martin, 1400 Nineteenth Street; Mrs. Douglas Vineyard, Hermleigh; Mrs. A. L. Martin, 1001 Avenue E; Mrs. Ray McKeown, Snyder.

COGDELL MEMORIAL

Admissions: T. C. Scarbrough, 601 Twentieth Street; Larry Sewell, 3101 Avenue T; Mrs. Abraham Barrera, Snyder; Mrs. Troy Wiley, Snyder; Raymond Ruiz, Snyder; Mrs. W. W. Manges, Snyder.

Dismissals: Mrs. G. W. Bigham and baby, Snyder; Larry Sewell, 3101 Avenue T; Jose Martinez, Snyder.

BIRTHS

Mr. and Mrs. Troy Wiley of Snyder are the parents of a seven-pound, nine-ounce baby girl born at 12:21 this morning in Cogdell Memorial Hospital.

Mr. and Mrs. W. W. Manges, Snyder, are the parents of a son weighing six pounds, 11 ounces, born at 10:56 p.m. yesterday in Cogdell Memorial Hospital.

State Press Meet Opens

GALVESTON (AP)—The 76th annual meeting of the Texas Press Assn. opened today as Galveston laid out its welcome mat for more than 400 publishers of daily and weekly Texas newspapers.

The opening session schedule was highlighted by a speech by Texas Atty. Gen. John Ben Shepperd. Shepperd was to discuss new legislation of special interest to newspapers.

Convention chairman David C. Leavell, vice president of the Galveston News, said requests for tickets to the dinner at which Vice President Richard Nixon will speak were continuing to pour in, although the dinner is already a sellout.

A luncheon was scheduled today to honor two Texas winners of Pultizer Prizes in journalism, Mrs. Caro Brown of the Alice Echo and Kenneth Towery of the Cuero Record.

A third winner, former Texan William S. White of the New York Times, was forced to cancel plans to attend.

Speaker at the luncheon was Edward G. Logelin of Chicago, vice president of the U.S. Steel.

Work scheduled at today's business sessions include the report of President W. R. Beaumier of Lufkin and committee appointments.

Afternoon activities were to include a tea for women attending the convention. Men attending were to be guests of the Galveston and Houston breweries.

A shrimp boil is set tonight.

Father Gives Daughter Diploma In Hospital

TRAVERSE CITY, Mich. (AP) — With his daughter in the Traverse City High School graduating class, Douglas Linder as president of the school board had looked forward to awarding the diplomas.

But he was confined by illness in a hospital.

His daughter, Patricia, was in the same hospital recovering from injuries suffered in an auto accident.

So Patricia put on the traditional cap and gown and received a diploma from her father in a little ceremony at the hospital last night.

Yankees Move Into Cleveland With Best Lead Of Season

By ED WILKS
The Associated Press

Are the New York Yankees being conned into a false sense of security, or is that really a bunch of dead Injuns back there in third place in the American League?

The next three days may tell. The Yanks move into Cleveland tonight for a four-game series.

Having disposed of a two-game losing string and Detroit 7-3 yesterday, the Bombers barge into Municipal Stadium with a fat 5-game lead over the second place Chicago White Sox and a 5½-game spread over the Clevelands, who lost their third straight to Boston 4-2.

That's the best Yank margin yet. A week ago, when they were three games up, it looked like New York would be lucky to reach Cleveland still in the lead. The Yankees had eight games to play against Chicago and Detroit, both first division clubs, while the Indians were entertaining Washington and Boston for seven games.

But the Yanks split the two series, playing .500 ball, while the Indians won just once. Washington hadn't won in Cleveland since Aug. 25, 1953, losing 14 straight. And the Red Sox had beaten the pennant-winning Indians only twice all last season.

Manager Casey Stengel goes into Cleveland playing the percentages. He needed a victory yesterday, so he called on Whitey Ford (7-1), presumably passing him over for the Indians' series, while naming Ed Lopat (3-4) to face the Tribe tonight. Lopat, only 14-20 lifetime vs Detroit, is 40-13 against Cleveland.

Ford didn't go all the way, Jim Konstanty won it in relief, but Stengel got the victory he wanted, gaining a half game on the White Sox who were rained out of a doubleheader with Baltimore.

The other AL game was won by Kansas City, 4-2, over Washington.

In the National, Chicago's Cubs beat Pittsburgh 6-2 and Robin Roberts beat St. Louis with a three-hitter 2-0 for Philadelphia.

Rain and cold postponed Cincinnati at Brooklyn and Milwaukee at New York.

Eddie Robinson hit his 10th home run (the Yankees' 71st) with two on in a four-run first inning that beat the Tigers. Konstanty, making his sixth appearance in seven days, replaced a shaky Ford in the fifth and blanked the Tigers on one hit the rest of the way for his third decision.

Three errors beat Cleveland and Herb Score, who was knocked out in the first inning by Boston Tuesday night. Only one of the Red Sox runs was earned, driven home in the fourth on a double by Frank Sullivan—who shut out the Tribe on four hits until the ninth when he needed help from Ellis Kinder to win his sixth.

Score, lifted for a pinch-batter in the fifth, fanned nine to boost his league leading strike out total to 101.

Washington's second straight defeat at Kansas City pulled the Senators into sixth behind the Red Sox. Four runs in the fourth on just two hits did it for the A's. Art Ditmar singled home the final two runs to win his third.

At Philadelphia, Roberts won his ninth, walking none and retiring the first 12 men he faced before giving up the first of the Cards' three singles.

Paul Minner tossed a six-hitter for the Cubs. Walker Cooper's home run broke up a 2-2 tie in the seventh as Chicago tagged Bob Purkey for 13 hits and his seventh defeat.

Brooklyn, losing a half game for a 7½-game lead over the Cubs, sold righthander Joe Black to Cincinnati for an estimated $25,000 and a minor league player to be named later.

SPORTS

The Snyder (Texas) Daily News, Fri., June 10, 1955

NEWCOMBE COLLECTS NO. 10—Don Newcombe, right, Dodger hurler, shows a tray of baseballs to manager Walter Alston after he pitched his team to a 3-1 victory over the Cincinnati Redlegs at Ebbets Field in New York. Still unbeaten, Don became the first major league pitcher to win 10 as he allowed only four hits and struck out seven. The big righthander, who has become a home run threat at bat, also got two hits including a double.

Corpus Wins Another In Big State

By The Associated Press

Corpus Christi lost in the Big State League Thursday night, but it doesn't matter a hill of beans so far as current standings are concerned.

The Clippers clinched early this week the first half title and a place in the playoffs.

The second half of the season starts June 19, and games until then mean nothing. The second half will determine three teams that will join Corpus Christi in the playoff.

Tyler smashed the Clippers 14-5, cutting their lead to 11½ games. The way they were going the Tigers, at home, might have made things worse had not the contest been called after six innings because of rain. The victory gave them a 2-1 edge in the series.

Tyler's hero was righthander Gayle Pringle. Not only did he hurl his ninth straight victory this season, Pringle also drove in five runs, One of his hits was a grand-slam homer.

The Tigers, behind 5-3, sent 13 men to the plate in the fifth inning, scoring eight runs on nine hits.

Second-place Port Arthur edged Waco 7-6 at Waco. Harlingep downed Texas City 5-3 at Texas City. Galveston and Austin split a doubleheader in the capital. Galveston won the first game 4-3, Austin the second 6-2.

Port Arthur won with a 3-run rally in the ninth inning. It gave the pitching victory to Fidel Alvarez, who relieved Garland Turano in the second inning.

Pitcher Mel Tappe's two-run single in the eighth inning won the game for Harlingen.

Galveston rallied for three runs in the top of the seventh to take the opener. Stan Karpinski's pinch-hit double drove home the tying and winning runs.

Austin got four runs in the fourth inning and wrapped up the night-cap. Galveston made three errors in that frame.

Tri-Service Tries To Hold Its Loop Lead

Tri-Service will either recapture first place alone or will drop to second place in tomorrow night's City Baseball League play.

Now tied with the Tigers for the lead in the league with a 5-2 record, the Tri-Service team is to meet Sun in tomorrow night's game. The Sun team now stands third with a 2-4 mark.

The teams have met twice previously in league play. Tri-Service won both times, once 3-2 in one extra inning and once 8-4.

Americans In French Meet

PARIS (AP) — Five Americans, headed by British champion Joe Conrad of San Antonio, Tex., two Englishmen and one Frenchman start battling today for four places in the semifinal round of the French Amateur golf championship.

By nightfall, after another round in the afternoon, only two will be left for the 36-hole final tomorrow.

Conrad, a lieutenant in the Air Force, and Bruce Cudd, 21-year-old member of the American Walker Cup team, from Portland, Ore., face each other in one of the quarter-finals. The other Americans meet foreign opponents.

Don Bisplinghoff, 1952 American Junior champion, now 20, from Orlando, Fla., clashes with Ken Thom of Britain. Bill Campbell of Huntington, W.Va., captain of the U.S. Walker Cup team which beat Britain two weeks ago, meets Arthur Perowne, a British Walker Cupper. Naval Lieut. Jim Grey of Jacksonville, Fla., tackled Henri De Lamaze of France, the defending champion.

The Conrad-Cudd match assures the U.S. of one place in the semifinals but it would be a real surprise if all of the other Americans came through in today's first round. In Lamaze, Lieut. Gray faces a player who knows the 6,100-yard Chantilly Course backward and forward.

Bob Nieman, outfielder for the Chicago White Sox, led the Texas League in hitting in 1951. He hit .323.

Cardinals Win 14-1, Second Game Called

The third place team will face the second place nine in the National Little League tonight, while the American Little League's second and last place teams will meet.

The National League game matches the Kiwanis Club Braves, third place with a 1-4 record, with the Lions Club Cubs, second with 3-2. The Holder Indians, who have a 3-2 record and are in second place in the American, take on the West Texas Bank Athletics, who have lost all five of their games so far.

Only one game was completed in last night's league play. The second game was rained out, called in the second inning when the American Legion Yankees were leading the Trinity Methodist White Sox 1-0. It will be rescheduled later.

In last night's first game, the National League leader, the Rotary Club Cardinals, crushed the Quarterback Club Giants, who had been tied for third place 14-1.

John Billy Koonsman pitched the win for the Cards, striking out 12. Loser was Dale Cates, who was relieved during the game by Mike Morris.

Dallas Holds Lead For Its First Time

By BRUCE HENDERSON
The Associated Press

Dallas leads the Texas League the first time this season. But the Eagles must whip San Antonio again Friday night to stay in front.

That could be a tough assignment. For San Antonio, first place is practically the old homestead. Only six percentage points separate the Missions from Dallas.

Dallas bounded into the top spot by sweeping a doubleheader from San Antonio 2-1 and 4-3 Thursday night before a happy crowd of 1,708 in "Big D."

Tulsa beat Beaumont 7-5, and Oklahoma City shaded Shreveport 6-5. Houston at Fort Worth was rained out.

Rain delayed both games at Dallas. The Eagles won the first on one-hit pitching by southpaw Pete Burnside, the second on first baseman Bill White's two-run homer in the seventh inning.

Houston takes on Fort Worth in a doubleheader at Fort Worth Friday night. Shreveport is at Oklahoma City. Beaumont and Tulsa take the night off.

Artesia, San Angelo Tied Up In Longhorn

By The Associated Press

Artesia didn't lift a bat and San Angelo jammed in 14 runs as the two teams bounced into a tie for first place in the torrid Longhorn League race Thursday night.

Midland's Indians, which had entered the night's play in sole possession of the top spot by four percentage points, lost to last-place Big Spring 8-5 and skidded into third place, a half game back of the two new leaders.

Artesia, scheduled to host Odessa, was idled by wind and rain. The Numexers started the night only four points back of Midland. San Angelo clubbed Roswell 14-1 to take its share of the first position.

In the other game, Carlsbad held off Hobbs 4-3 in a game that lasted only an hour and 44 minutes, one of the quickest to be played in the league this year.

The teams all stay in the same locations Friday night.

Wichita Falls Girl Being Spotlighted

SAN ANTONIO (AP)—Carol Cummings, 17-year-old Wichita Falls schoolgirl, held the spotlight today as the Texas Sectional Tennis Tournament entered the semi-finals.

Carol, the Texas Interscholastic league Class AA champion, upset defending champion Ethel Norton of San Antonio 6-1, 3-6, 7-5 yesterday in the quarterfinals of women's singles.

Carol faced Betty Gray of Houston in today's semifinals. Betty beat Ruth Latta of San Antonio 6-1, 6-1 yesterday.

The other semifinal paired Peggy Startzman of Houston and Marilyn Montgomery of San Antonio. Peggy beat Mary Margaret Schmitz of San Antonio 6-1, 2-6, 6-1. Marilyn eliminated Judy Mills of Chickasha, Okla., 6-4, 8-6.

Men's singles semifinals match Bernard Bartzen of San Angelo against Courtney Henderson of Dallas and Sammy Giammalava, Houston, against Pancho Contreras of Mexico. Bartzen and Henderson play today, Gimmalva and Contreras tomorrow.

Bartzen ousted Tommy Spring of El Paso 6-0, 6-3. Contreras beat John Been, Houston, 6-4, 3-6, 6-3. Giammalva defeated Leo Leborde of Baytown 6-3, 6-0.

Aussies, U.S. Players Pace International

WASHINGTON (AP)—Australia and the United States paced the field into today's second round of the International Golf championships.

Rain was predicted for the second straight day of the 26-nation tourney.

The Aussies held a 4-stroke lead in the competition for the low team score and Australia's Peter Thomson had a 3-stroke edge over Chick Harbert of the United States for the individual title after 18 holes of the 72-hole tournament.

Thomson was the only player among the 50 in contention to break par over the 6,510-yard Columbia Country Club Course yesterday.

The Australian, who with Kel Nagle is defending the team championship, was the last man in yesterday, and he turned in a 67.

Harbert, who had one bad hole, a 7 on the par 4 second, was in a four-way tie for second with an even par 70.

Harbert's partner on the U.S. team, Open Champion Ed Furgol, scrambled to a 73 for a team score of 143, good for second place.

DeMarco To Face Basilio In 15-Rounder

By MURRAY ROSE

SYRACUSE, N. Y. (AP)—Welterweight Champion Tony DeMarco bucks the "one-defense" jinx that has plagued 10 other modern 147-pound kings when he faces favored Carmen Basilio, the home town pride, at the War Memorial Auditorium tonight in a 15-round title bout.

The chunky, 23-year-old Bostonian is familiar with the hex. He knoked the crown off Johnny Saxton's brow by stopping the Brooklyn defender in the 14th round in the Boston Garden, April 1. That was the first time Saxton had risked the title he had won from Kid Gavilan.

Jimmy McLarnin and Barney Ross, two greats of the division, were among the 10 to lose their titles in the first crack.

Although he did a thorough job of demolishing Saxton, who never had been stopped before, tough Tony is a 17-10 underdog to the more experienced, 28-year-old exmarine from nearby Canastota.

This hasn't bothered either the young champion or his handlers.

"He was a 4-1 underdog against Saxton," pointed out manager Bobby Agrippino, "and you know what happened. Tony is a greatly under-estimated fighter. He'll knock out Basilio, you'll see. Sure, I know Basilio hasn't been kayoed before but neither had Saxton."

From the other camp came the same confident tones.

"Carmen will flatten him," said comanager Johnny DeJohn. "I've never seen him more determined or in better shape. He should have had it from Gavilan and now he'll make sure."

Gavilan, when champ, took a close decision from Basilio.

The landlocked salmon does not like warm or tainted water. The lakes he inhabits must be pure and deep.

NCAA World Series Begins

OMAHA (AP)—The annual NCAA college baseball World Series was set to get underway here today with a late morning game pitting Colgate against Wake Forest, the latter one of the top bracket favorites.

This was to be followed by Southern California and Colorado State in the afternoon game on the Omaha Municipal Stadium diamond.

Night games were to see the two top favorites—Arizona and Oklahoma A&M, both blessed with pitching depth and free swinging hitters, in action.

Arizona was slated to go against Western Michigan and the Oklahoma Aggies against Springfield (Mass.).

The tourney is a double elimination affair.

The weather prediction was for cloudy skies and possible showers.

McAlester Gets Into First Division Spot

By The Associated Press

McAlester tripped league-leading Shawnee 10-4 Thursday night and moved into the first division ahead of Ardmore in the Sooner State League.

Vic Caradona paced the Rockets' 11-hit attack with three singles and a double.

The combination of a Shawnee loss and Muskogee's wild 10-9 victory over Seminole enabled Muskogee to climb within three games of the top.

Rain interrupted the Ponca City-Ardmore game four times at Ponca City, and the home team finally came up with a 7-5 decision.

Paris and Lawton split a doubleheader, Paris taking the first 5-2 and the Braves the second 9-5. A grand slam homer by Dick Stanford spelled the difference for Paris in the opener.

Lefthanders Are In Semifinal Rounds

SEGUIN —Semifinal rounds of the annual Texas Lefthanders Golf Assn. Tournament were to be held today.

Two-time winner Allan Mitchell, San Antonio; Denver Elliott, Houston; J. C. Thorpe, Corpus Christi; and A. T. Cook, Houston, moved into the semifinals yesterday.

Mitchell beat Lloyd Fikes, San Antonio 4 and 3, Elliott beat Colin Campbe, Nixon, 1-up in 19 holes, Thorpe ousted E. B. Jobe, San Antonio, 5 and 4 and Cook got by Fred Skelton, Jacksonville 4 and 3.

Pony League Play Tonight

The Pony League got weathered out last night, so last night's games have been rescheduled for tonight.

Starting at the new time of 6:30 p.m., the Courthouse Tigers will meet the Scurry Butane Dodgers. The Tigers are in third place in the league, the Dodgers leading. In the second game, it will be the second place Von Roeder Red Sox against the last place Lions Club Phillies.

Eagles Sell Pitcher

DALLAS (AP)—The Dallas Eagles of the Texas League sold hurler Stan Milankovich to Port Arthur of the Big State League yesterday. The righthander had a 3-1 record with the Eagles this year.

TGA Amateur Meet To Be At Dallas

HOUSTON (AP)—The State Amateur Tournament of the Texas Golf Assn. for 1956 will be held in Dallas as the association marks its 50th anniversary. The tournament will be at the Dallas Country Club.

The association's first tournament was held at that club in 1906. A. L. Exline, Dallas, secretary-treasurer, said the 1956 site would not be selected formally until the winter meeting in San Antonio, but plans were being made on the assumption Dallas would be selected.

The association was organized at the Houston Country Club Feb. 2, 1906. Seven country clubs made up the membership then. There now are 83.

Ty Cobb made five or more hits in a game 14 times during his major league career. This is an all-time high.

Methodist Congregations To Observe Student Day Sunday

Revival services and plans for meetings highlight this week's church activities, along with at least one guest speaker.

Revival services are ending at one Snyder church this weekend, services are beginning for revivals in two other area churches, and several churches are planning summer meetings.

Methodist Churches here Sunday will observe Methodist student day, along with other Methodists in the U.S. The churches contribute each year to a Methodist student loan and scholarship fund, which during the past 83 years has helped more than 75,000 students in schooling, with scholarships and loans equalling more than $11 million. About 450 students each year, usually those studying for the ministry or other full time service, receive the loans and scholarships.

• • •

Beginning Sunday at the Ira Methodist Church is a revival meeting which will last through the following Sunday. The Rev. John Ferguson is speaker for the services, in which nightly services will be at 8 o'clock. The first service will be at 11 a.m. Sunday.

• • •

Dale Brooks, minister at the Thirty-seventh Street Church of Christ, has as his Sunday morning sermon topic, "God's Fourfold Secret of Success." He will speak Sunday evening on "There Is Death in The Pot."

• • •

"The Appealing Christ" will be the subject of the sermon of the Rev. Jimmie Nelson, pastor of the Colonial Hill Baptist Church, at the Sunday 11 a.m. service. "The Tragedy of Indifference" is his subject for the 8 p.m. service.

• • •

The Sunday morning sermon of the Rev. Jack Riley, pastor of the Trinity Methodist Church, will be on "Faith and And Action." Topic of his Sunday evening sermon is "Father, Forgive Me."

• • •

"The Deanconship" will be discussed by the Rev. G. M. Cole, pastor of the First Baptist Church, in the Sunday 11 a.m. service. Special music will be by Jack Inman. On Sunday evening, Rev. Cole's sermon will be "Answers By Fire," and special music at that service will be by Mrs. Landis Lee and Mrs. J. C. Barnett.

• • •

At the Sunday 10:45 a.m. service of the Twenty-fifth Street Church of Christ, Ted Norton will speak on "Unity Or Union." Bible study classes are held at 9:45 a.m., and training classes for young people are at 6:30 p.m. Mr. Norton's sermon for the 7:30 p.m. service will be "Portraits of Christ In John's Gospel."

• • •

The Union Baptist Church has set VBS commencement exercises for its 8 p.m. service Sunday. The Rev. Roy Womble, pastor, will be in charge of the service, in which 111 pupils will graduate. Each department will have a part on the program.

• • •

Members of the Avenue D Baptist Church will decide Sunday what type financing they will use, loan or bonds, for a new building unit, which will include an auditorium and educational space. The present building will be converted into education space in the building program. The Rev. Avery Timmons, pastor, is now making plans to serve as music director for the District 8 Junior Girls Auxiliary camp at Big Spring June 20-24.

The Rev. Allen Adams, associate minister for the First Methodist Church at Big Spring, will speak at 11 a.m. Sunday services of the First Presbyterian Church during the absence of the Rev. Jay Hendren, pastor, who is attending Army reserve camp at North Fort Hood as division chaplain. James Rosser will be in charge of music. There will be no evening services.

• • •

The Revival meeting at the North Side Baptist Church will close with Sunday services. The Rev. W. F. Lovelady of the Hollands Chapel Baptist Church at Denton, Ark., is evangelist. His Sunday morning sermon topic will be "The Faith of the Saints." That for Sunday evening will be "The Second Coming of Jesus Christ." Baptistmal services will be held following the evening service. Special music will be by T. O. Miller, music director for the Bethel Baptist Church at Morrilton, Ark. The evening service will be broadcast on KSNY, as will the church's Sunday School of the Air, which starts at 9:45 a.m.

• • •

A film in keeping with the vacation church school theme at the First Methodist Church will be shown in that congregation's Sunday evening service, which begins at 7:30. It will follow a sharing session which will be held in vacation school classrooms at 6:30. The color film, "Hidden Treasures," will last 46 minutes. The Rev. J. Lennol Hester, pastor, will speak at both morning services, in which the church will observe Methodist student day.

• • •

Revival services will open at 8 o'clock tonight at the First Baptist Church at Fluvanna. Evangelist will be the pastor, the Rev. Bill Roberts. The meeting will last 10 days.

• • •

A fellowship supper for the entire membership of the First Christian Church will be held at 6 p.m. Sunday, prior to evening services. The Christian Youth Fellowship is sponsoring the supper, and two members of the fellowship, Bob Harlin and Fred Williams, will give reports on the young people's conference held this week at Lake Brownwood. The Rev. John Reaves, pastor, also attended the conference and has presented vesper sermons on the meaning of church membership. Sunday services at the church are at 11 a.m. and 7:30 p.m.

• • •

The Calvary Baptist Church is making plans for a revival meeting to be held July 17-31. Heading the meeting will be the Rev. J. Ed Miller, Baptist evangelist from Hickory, N.C., who is now holding a meeting in Dallas.

• • •

Novel Baize of Tuxedo will be speaker at the Sunday 10:45 a.m. service of the Avenue R Church of Christ. Speaking at the 7:30 p.m. service will be Bentley Baize. At 7:45 Wednesday evening, speaker will be Joe Ellington.

REV. LAWAYNE HULSE

Rev. Hulse Is New Pastor In San Angelo

The Rev. and Mrs. LaWayne Hulse and their children, LaRonna Joyce, seven, and James David, five, plan to move in a few days to San Angelo, where Rev. Hulse recently became pastor of Belmore Baptist Church.

The church was organized April 3 after being a mission of the First Baptist Church of San Angelo about two years. It is located at Bell and Medina Streets in the Belaire addition near the Goodfellow Air Force Base.

The new pastor will be employed only by the church. During his four previous pastorates, he was also employed in secular work or was a student.

Rev. Hulse is employed at present as a reporter for the Daily News, having worked in this position here since Nov. 2, 1949, when he was employed on the Scurry County Times by Willard Jones, then publisher. He will continue work here through June 18.

He attended high school at Ardmore, Okla., and later served nearly three years in the Air Force during World War II, 18 months of which he spent in New Guinea. After the war, he entered Southern Methodist University and was graduated with a bachelor of science degree in 1949.

Rev. Hulse was ordained at Dallas in December, 1945. He and the former Miss Vanita Holland of Mart married in Dallas April 10, 1946.

Demonstration Of Work In VBS Slated

A demonstration of some of the work done in vacation Bible school at the Twenty-fifth Street Church of Christ will be held at 7:30 o'clock tonight at the church.

Everyone is invited, according to Ted Norton, minister at the church, especially parents and friends of the children. The school began May 30 and concluded this morning.

Attendance was more than 200 each day, and its peak was 241.

Ira Methodist To Open Revival Sunday

Revival services will begin Sunday at the Ira Methodist Church.

The Rev. John Ferguson of Abilene will direct the services, which will start at 11 a.m. Sunday.

Services will be held each evening at 8 p.m. Morning services will be held on Sundays only.

The closing service will be on June 19.

Colonial Hill VBS Sets Commencement

Commencement exercises will be held at 8 o'clock tonight at the West Elementary School for vacation Bible school of the Colonial Hill Baptist Church.

The evening's program will begin with an open house starting at 7:30 p.m. There were 121 enrolled in the school.

Christian Women's Guild Meets Monday

Meeting at 7:30 p.m. Monday will be the Christian Women's Guild of the First Christian Church.

The group will meet at the home of Mrs. Jack McGlaun, 2911 Avenue S. Mrs. Dave Harlin is president of the organization.

Knapp Church Will End VBS With Program

The Knapp Baptist Church has scheduled commencement exercise for 8 o'clock tonight for students of its vacation Bible school.

There were 65 enrolled in the school. The Rev. C. J. Smith, pastor, said there was co-operation during the school from all denominations in the community.

THE CHURCH OF CHRIST

IS NOT THE CHURCH OF CHRIST COMPOSED OF ALL DENOMINATIONS? No. The church of Christ is neither a denomination or is it a combination of denominations; instead, it is the body of Christ (Col. 1:18). It is composed of individual Christians (Rom. 12:3-5). But does not Jesus teach that He is "the vine" and all denominations are "the branches"? No. Read John 15: 1-6 and observe that "men" are "the branches".

ARE NOT ALL DENOMINATIONS, CHURCHES OF CHRIST? This question may well be answered by asking a few other questions: Did Jesus Christ establish the church you are thinking about? If He did, then it began on pentecost and a record of it is found in Acts 2. Is Jesus Christ the head of the denomination? (Eph. 1:22,23). Does it wear His name? (Acts 4:12). Must men be members of the denomination to be reconciled to God (Eph. 2:16; 5:23). Is its organization congregational with elders (bishops or pastors) under Christ to oversee it? (Acts 14:23; 20:17,28; Phil. 1:1). Is its worship "in spirit and in truth"? (John 4:24). If all answers to the above questions are "yes", then the church of which you are thinking is not a denomination; it is the church you read about in the Bible—the church of Christ. If the answers to the above questions are "no", then it is a denomination and this implies religious divisions. The Lord condemns division (1 Cor. 1:10 cf. John 17:20-26).

BUT THERE ARE GOOD PEOPLE IN ALL CHURCHES! Certainly there are! Also, there are good people members of no church! Goodness alone is not enough. It takes the blood of Christ to forgive sins (Eph. 1:7). Let the church be neither Catholic nor Protestant. There were none in the beginning; let there be none now! Let the truth of God (the Bible) condemn all error and expose all falsehood and there will be liberty and freedom in Christ Jesus (John 1:17, 8:32) and the Lord will "add" all saved men to His church (Acts 2:37,38,47b).

NINETEEN HUNDRED YEARS AGO THE CHURCH OF CHRIST WAS ESTABLISHED. Today, she has the same name, worship, organization, doctrine and life. "The churches of Christ salute you." (Rom. 16:16).

CHURCHES OF CHRIST

CHURCH NEWS

The Snyder (Texas) Daily News, Fri., June 10, 1955

Lay Readers Get Licenses

Lay Readers Licenses were presented to Ed Aldridge, Jr., and Harland Birdwell during worship services at St. John Episcopal Church Sunday night.

The presentations were made by the Rev. William Boyd on behalf of Bishop George Quarterman, bishop of the Missionary District of North Texas. The licenses entitle the men to read specified services in the absence of a minister in the church.

Bob A. McAlister was appointed to the Bishop's Committee of the church by Bishop Quarterman. He replaces C. B. Keever, Jr., who has moved to Midland.

Courses Taught For New Church Members

Special classes for new converts and church members are being held by at least two Snyder churches.

They are the Green Hill Baptist Church and First Baptist Church.

At the Green Hill church, the Rev. Hubert Austin, pastor, is teaching the classes each Wednesday night and has 21 enrolled. He is teaching the book, "Your Life And Your Church."

The Rev. G. M. Cole, pastor of the First Baptist, teaches that church's class of 25 members each Sunday evening. "What Baptists Believe and Why" and "The New Testament Church" are the books used for that course.

Services Are Started For Inmates Of Jail

Services for county jail inmates have been started here under sponsorship of the Brotherhood organization of the Green Hill Baptist Church.

The services are held once each week on Saturday evening by the Rev. Hubert Austin, pastor of the church, with assistance from other men in the church.

At the first service last week, there were about six men in jail.

Youth Rally Set At Union Baptist Church

A youth rally for young people of the Scurry-Mitchell Association of Southern Baptist Churches is scheduled for 8 p.m. Monday at the Union Baptist Church.

The rally will be an outdoor meeting, with a weiner roast followed by a worship service. Mrs. Leonard Hartley of Loraine, president of the association young people, will preside.

About 150 youths are expected.

Green Hill Baptist To Conclude Its VBS

Commencement exercises will be held at 7:30 o'clock tonight at the Green Hill Baptist Church for those who have completed vacation Bible school.

The school, which lasted a week, had about 150 students and 30 workers.

The Rev. Hubert Austin, pastor of the church, will be in charge of the commencement program.

Sharing Program To End Vacation School

A sharing program for parents and friends of all vacation church school students has been scheduled for 6:30 p.m. Sunday by the First Methodist Church.

The program will be an open house, with visitors viewing work done by students in their classrooms. This will close the school.

A film, "Hidden Treasures," which is in keeping with the school theme, will be shown during evening services.

Men's Fellowship To Meet Monday Night

The Christian Men's Fellowship of the First Christian Church will meet at 7:30 o'clock Monday night at the church.

R. E. Jacobs, president, will preside at the supper meeting.

GOP Faces Tough Task In Missouri

By ALLAN MERRITT

ST. LOUIS (AP)—Missouri Republican leaders, barely successful in swinging the state to President Eisenhower in 1952, are locked in battle for control of the state party, and national leaders may have to step in before the presidential campaign next year.

The party hasn't won an election since 1952 and lost a Senate seat that year.

The long-smouldering feud flared into the open last week. It developed over distribution of government jobs in the state.

A. D. (Bud) Welsh, Republican National Committeeman from Missouri, tossed a lighted bomb today right into the middle of plans for a "harmony meeting" of the GOP state Committee at Columbia or Jefferson City June 26.

Welsh indicated he and Mrs. Estelle Tanner of Jefferson City, the state's national committeewoman, won't go along with any decision to turn over control of the party in Missouri to a committee. Such a proposal is up for consideration at the June 26 meeting.

Last week a group of St. Louis Republicans headed by Barak T. Mattingly suggested a plan to end the "open and bitter fight." It called for the Republican high command in the state to either restore peace immediately or step aside.

If the rival factions can't get together, the Mattingly group said, the GOP state committee should name a small committee to "assume full management of the Republican party of Missouri."

One faction is headed by Perry Compton of Montgomery City, Republican state chairman who said he agreed with the recommendation of the Mattingly group. He called the state committee meeting to act on the proposal.

The other faction is led by Welsh, a wealthy St. Louis baby carriage manufacturer, and Mrs. Tanner.

The two national committee members and Compton have handled patronage matters in the state since 1952, when Missouri's last GOP senator was defeated. Now they can't agree on who should get the jobs.

Would Welsh and Mrs. Tanner abide by any decision that they step aside, along with Compton, in favor of committee rule?

"As far as I can see now, we (Welsh and Mrs. Tanner) intend to continue functioning in our duly elected offices until the end of our terms," Welsh said.

Compton conceded the state committee is powerless to remove them. Earlier Compton offered to resign if Welsh and Mrs. Tanner would do likewise.

Mrs. Tanner said she wouldn't. And Welsh said, "If Mr. Compton wants to resign that's his privilege and he should go ahead and do it —but there shouldn't be anything tied to it."

The group headed by Mattingly, former national committeeman and an Eisenhower bandwagon leader three years ago, was named to determine why the Republicans were so soundly trounced in the St. Louis municipal election this spring.

It said it was clear the strongest GOP financial supporters in the St. Louis area will keep their purse strings drawn tight "unless harmony is achieved at the higher (state) level."

SHOELESS SHOOTER TOES THE MARK—Shoeless Joe Bowen demonstrates the form he used in the First Maryland National Championship Muzzle-Loader Shoot in Annapolis, Md. Davy Crockett might not have approved, but Joe did well enough in the multiple-class event to win the pistol title. Note that he's leftfooted as well as lefthanded.

Survey Is Made On Caesarian Births

By ALTON L. BLAKESLEE

ATLANTIC CITY, N. J. (AP)—The practice of sterilizing women after they have had several babies by Caesarian birth is apparently not justified, two obstetricians said today.

Their study finds many women apparently can safely have a number of babies by this surgical method.

The old wives' concept is that a woman can have only one or two babies by Caesarian delivery.

Drs. Hugh B. McNally and Vincent de P. Fitzpatrick of the University of Maryland told the American Medical Assn. of a study of 130 women who had had three or more earlier Caesarian deliveries.

They said they were seeking evidence to confirm or refute the need for what they called the "common practice" of sterilizing women after a few such deliveries. They said the practice is based upon fear that a scar in the uterus (womb) will rupture during pregnancy after a few such operations.

Their 130 patients had had 464 previous Caesarian babies, and 44 earlier normal deliveries, and another 130 babies were born later during the time of the study.

More than 60 per cent of the women had had more than four Caesarian sections or deliveries, 30 had had five, nine had six, five had seven, one had nine, and one 10.

They said the number of pregnancies had begun to drop sharply after about three Caesarian births, for reasons not explained. Among possibilities were earlier sterilizations, natural sterility, or fear of repeat operations.

Their studies were based on women in 18 United States and two Irish hospitals where sterilization is forbidden unless diseased tissues can be proved.

In the 130 deliveries during the time of study, seven resulted in death of the unborn baby or fetus. But there had been 36 such deaths of the fetus in the 508 previous deliveries. Only one death of the fetus was attributed to rupture of the previous Caesarian scar. Only one woman in the group died, and that death was apparently due to causes not related to delivery, they said.

McNally and Fitzpatrick said a series of Caesarian births is not in itself a "justified indication" for sterilization, and that women can apparently have any number of babies by Caesarian birth so long as there is no diagnosable defective scar from a previous operation.

Woman Fliers Try For Takeoff Again

WASHINGTON (AP)—Refreshed by an extra night's sleep, 61 women fliers were poised today for a second try at getting started for Havana in the 6th all-woman international air race. The scheduled takeoff yesterday was canceled in midafternoon because of bad weather locally and low ceilings to the south.

Freed Bishop In Hong Kong

HONG KONG (AP)—Roman Catholic Bishop Frederick Donaghy of New Bedford, Mass., arrived in Hong Kong today after nearly five years confinement in Red China.

His return leaves only one American bishop in Red China: The Most Rev. James Edward Walsh of Cumberland, Md., who is in Shanghai.

Bishop Donaghy, 52, arrived by train from Wuchow, Kwangsi province, wearing a plain white shirt, shabby brown trousers and black leather shoes.

About 50 nuns and priests greeted him and took turns kneeling and kissing his ring.

"I am very happy to be in Hong Kong and pleased to see all you people," the bishop said. Looking pale and tired, he said he would talk to newsmen after a few days rest.

The prelate, who spent 26 years in China, was named bishop of Wuchow in 1938.

He was arrested on Christmas 1950, and after five months imprisonment placed under house detention. He was tried three days ago, convicted of subversive activities and ordered expelled from Red China.

Graham Looks Toward Soviet

PARIS (AP)—Evangelist Billy Graham wound up his 5-day Paris crusade last night and told newsmen he is ready to conduct a revival meeting in Russia "if the opportunity comes."

Eleven thousand persons — the largest audience of the crusade—turned out despite a drenching rain to hear the North Carolina preacher's final sermon. More than 450 persons came forward when Graham asked for "Decisions for Christ."

Almost everyone else in the huge audience stood up when Graham asked those who did not come forward "if you are ready to rededicate your lives to Christ."

The evangelist said that the proportion of "decisions" to the size of the audiences here was more than double that in any other city where he had conducted campaigns.

Graham said he would go to the Soviet Union to preach "if I were invited."

Attendance at the five-day crusade here totaled nearly 43,000 persons. The total decisions for Christ were 2,254.

Gasoline Tank Put To Use As Piggy Bank

KINGS MOUNTAIN, N. C. (AP) — A motorist drove into a service station here and asked that his gasoline tank be taken off.

He said that every time he got gas, he had been putting the change in the tank. Lately his car had been sputtering.

Inside the "bank" was $25.95 in half dollars, quarters, dimes, nickels and pennies. He saved only $21.45, however, because it cost $4.50 to have the tank emptied and put back on.

Penguins In Surly Mood After Voyage

FORT WORTH, Tex. (AP) — Six disgruntled penguins, shipped from Lima, Peru, arrived yesterday for the local zoo and promptly started biting hands.

Apparently miffed at a delay that kept them in Mexico City three weeks while congressional interveners persuaded an air line to bring them to Fort Worth without escort, the birds were in a surly mood.

Among those pecked were a zoo curator, park board official, airline hostess, and Sid Willems, Chicago, representative of Kaiser Aluminum, the firm which donated the birds to the zoo.

INTERNATIONAL DESIGNER PATTERN

Emilio of Italy

Emilio Pucci catapulted himself into the fashion world with ideas for striking sports clothing. The famous Capri shirt is only one of his contributions. He began branching out into other aspects of fashion more recently, and his design today is a versatile addition to any wardrobe. The simple sheath dress has a clever handling of buttoned-through tabs. The little lined jacket can be worn on either side. If you wish to make it reversible, eliminate the buttonholes and buttons and leave the placket closing plain. You might make it in linen, novelty cotton, shantung, faille or surah. Use striped, plain or printed cotton or silk for the lining. Size 12 requires five yards of 36-inch material for the dress and jacket and two yards of 36-inch material for lining. To order the pattern, No. S-266, send $1 to International Designer Patterns, P.O. Box 993, G.P.O., Dept. SX-13, New York 1, N.Y. Add four cents for handling if paying by check or money order. Be sure to state the pattern number and your bust, waist and hip measurements.

APPLE COFFEE CAKE
. . . quickly made for breakfast

Helps For Homemakers

Send your questions to "Helps for Homemakers," Snyder Daily News, or call 3-5486.

What's cooking for breakfast? Scrambled eggs and sausage links are among favorite American breakfast items. Add this quick apple coffee cake for new appeal.

APPLE COFFEE CAKE

2 medium apples
2 tablespoons sugar
¼ teaspoon cinnamon
2 cups packaged biscuit mix
2 tablespoons sugar
½ cup undiluted evaporated milk
¼ cup water
1 egg

Pare, core and slice the apples. Put them in a bowl with a tablespoon of vinegar and water to cover to prevent discoloration. Mix two tablespoons sugar and cinnamon in a small bowl for topping. Measure the biscuit mix and two tablespoons sugar into a medium-sized mixing bowl. Add the milk, water and egg, breaking yolk. Mix just until blended, about 25 strokes. Turn into a greased 8-inch square baking pan, spreading evenly. Place apple slices in rows across top. Sprinkle topping over apples. Bake in 400-degree oven for 25 to 30 minutes. Makes four to six servings.

• • •

Are you a with or without milk scrambled egg cooker? Milk adds a bit of nutrition to the eggs, and may help you turn out creamier eggs. For four servings, beat 6 eggs, ½ teaspoon salt, a dash of pepper and ½ cup undiluted evaporated milk. (Beat the eggs first until the yolks and whites are blended, then add the other ingredients.) Melt 2 tablespoons of butter over low heat in a skillet 9 or 10 inches in diameter. When the butter is foamy but not brown add the egg mixture. When the eggs begin to set on the bottom and sides, lift the cooked portions with a large spoon and fold over, lifting and folding until the mixture is cooked evenly.

Jane Refuses To Be Siren Off Screen

By BOB THOMAS

HOLLYWOOD (AP)—Jane Russell continues to confound the type casters by refusing to live up to her film siren reputation offscreen.

Between scenes of "The Tall Men," which she is making with Clark Gable, she explained her great interest in WAIF. The initials stand for Women's Adoption International Fund.

"The organization was set up three years ago," said Jane, one of its leaders. "There seemed to be a real need for a group which could attend to one of the world's most pressing human problems. That is: that there are areas in the world where people want children, and there are other areas where children need parents.

"The purpose of WAIF is to help these two groups get together."

She said WAIF operates as an arm of International Social Service, Inc., a 35-year-old organization with headquarters in Geneva.

"One of our principle problems is adoption laws," she said. "Most of them were enacted merely as a protection against white slavery. There are 33 different adoption laws in this country, and many of them are pretty poor. We hope all of the states will adopt a standard, up - to - date code for adoptions."

Jane said she became interested in adoption matters when she encountered difficulty adopting children herself. She and Bob Waterfield now have a daughter, Tracy, 4, adopted in this country, and Tommy, 5, from a British couple who felt he would have more advantages in this country.

The actress said the main sources of children for adoption include Italy, Germany, Greece, Japan and Korea.

Beauticians See Demonstrations

New techniques and materials for use in hair coloring were demonstrated for members of the Snyder Beauticians' Unit by representatives of the Roux firm at a meeting Wednesday night.

Methods for bleaching were demonstrated on Mrs. L. T. Nail, with the demonstration featuring the use of a root cream and toning. A soap cap to bring out highlights was demonstrated on June Alsabrook, and shade blending was demonstrated on the hair of Mrs. Loraine Lackey. Other subjects and materials were covered in lecture and discussion.

Attending the session were Mantha Landfried, Viola Smith, Mrs. Wanda Holland, Mrs. Jessie Hampton, Mrs. Jean Gilbert, Mrs. Thelma Clark, Mrs. Verba Logan, Mrs. Gladys Whisnand, Mrs. Betty Howard, Mrs. Lackey and Mrs. Mary Wenetschlaeger.

OVERBLOUSE SOPHISTICATE

Designed with long, willowy lines this wide-necked overblouse has the merest suggestion of a waistline, jaunty hip pockets, teams with the slimmest of skirts.

No. 2408 is cut in sizes 12, 14, 16, 18, 20. Size 16: 3¾ yds. 35-in.

B&PW Group Attends San Angelo Meeting

Four members of the Snyder Business & Professional Women's Club attended installation ceremonies for the new officers of the San Angelo club last night. Marie McCutcheon of Dallas, state president, served as installing officer.

The ceremonies were held in the Green Room of the St. Angelus Hotel. Plate favors at the banquet were miniature hats which had been decorated by the San Angelo club members. The club collect was given by Mrs. Addie B. Payne of Colorado City.

Snyder women attending were Mrs. J. W. Leftwich, Mrs. Forrest Beavers, Mrs. Mollie Pinkerton and Zaida Brown.

Want those stuffed eggs you're taking along to the picnic to taste extra good? Mash the yolks with deviled ham, mayonnaise and a bit of grated onion. Of course the eggs must be hard-cooked and cut in half before you start this deviling process.

NEWS FROM HERMLEIGH

By MRS. JESS SPYKES

Mrs. Harold Mason and son, Harold Royce, left Sunday for Corona, Calif., to visit her parents.

Mr. and Mrs. Jim Farr and son, Larry, attended a reunion of Mrs. Farr's relatives in Colorado City Sunday.

Mr. and Mrs. James White and family spent the weekend in Plainview with their nephew who has polio.

Mr. and Mrs. Vestal Boothe and sons of Lovington, N.M., visited over the weekend with Mrs. Boothe's parents, Mr. and Mrs. L. M. Reeves.

Mr. and Mrs. Buell Lewis and sons, Mr. and Mrs. Harvey Myers and son and Mr. and Mrs. Dale Hess and daughter visited Mrs. Lewis' brother, Charlie Drennan, and family in Sterling City recently. Other guests there were Mrs. Lewis' sister, Mrs. Jim Wilcox, and family of Downey, Calif., her oldest brother, Joe Drennan, and Mrs. Drennan; her niece, Mrs. Charlie Davis, Mr. Davis, and Mr. and Mrs. LeRoy Hulsey and son, Jack, of Abilene.

Mrs. Douglas Vineyard underwent emergency surgery Saturday night in Battenfield-Jones Hospital in Snyder.

Mr. and Mrs. Lonnie Bryce and family and Clinton Lewis left Tuesday to visit Mr. Bruce's sister in Fort Worth. They plan to attend a family reunion over the weekend before returning home.

Mr. and Mrs. Melvin Vernon returned home Sunday after spending two weeks repairing their cabin on a lake near Abilene.

Calvin Withers and family of Andrews, S. E. Keeton and daughters, Lou Keeton and Mrs. Ray Bass and her family of Post, Mr. and Mrs. Doyle Newman and daughter, Mr. and Mrs. T. T. Withers and daughter and grandson, Travis Withers, spent Sunday in the Dick Withers home.

Candidates Pledge To Keep Segregation For Mississippi

CANTON, Miss. (AP)—Mississippi's five candidates for governor stood on the same platform last night for the first time and promised to keep Negroes out of white public schools if elected.

The joint speaking engagement was sponsored by the Citizens Councils, a white organization designed to keep segregation despite the U.S. Supreme Court decision outlawing such practice.

About 800 white persons, including candidates for state and local offices, jammed the high school auditorium to hear the candidates. Cheers and applause punctuated each 15-minute talk.

The speakers were former Gov. Fielding Wright; Mrs. Mary Cain, Summit newspaperwoman; Atty. Gen. J. P. Coleman of Ackerman; attorney Ross Barnett of Carthage; and attorney Paul Johnson of Hattiesburg.

The Citizens Councils claims 253 chapters and about 55,000 members in many Mississippi counties.

VBS Commencement Slated At Avenue D

About 165 students who were in vacation Bible school at the Avenue D Baptist Church will be in commencement exercises at the church tonight.

The exercises will be held at 7:30 p.m. A picnic was scheduled for 4 p.m. today in Towle Memorial Park. Each department will have a part on tonight's program.

Index Takes 106 Pages

WASHINGTON (AP)—It takes 106 pages of fine print just to compile the Army's "index of blank forms." It was put into distribution today.

Cut the top off a green pepper and remove seeds and membranes; fill the pepper with a cheese spread; you'll need three ounces of the spread for a small pepper. Chill until cheese is very firm, slice crosswise and serve on salad greens with dressing.

WINS SPRY CONTEST—Mrs. J. Nelson Dunn, 2907 Avenue J, is shown above with a display of Spry in the Rainbow Market after winning $50 worth of groceries as first prize in a county wide contest sponsored by the Spry manufacturers, Lever Brothers. (Lee Watson photograph)

Winners Of Spry Contest Announced

Winners of a county-wide contest which awarded free groceries to several local persons have been announced by the makers of Spry who sponsored the contest.

Mrs. J. Nelson Dunn, 2907 Avenue J, won first prize of $50 worth of groceries.

Second place winners of $25 worth of free groceries each were Mrs. R. B. Green and Mrs. S. Clark, whose enteries were made at the D & H Super Market.

Ten-dollar third prizes in groceries went to Mrs. V. A. Parmley, Mrs. W. E. Gandy, Mrs. O. Arnold, and Mrs. A. M. Armstrong from Piggly Wiggly Super Market, and Mrs. H. V. Dozier, from Lieb's Cash Grocery.

Five dollars worth of groceries as fourth prizes in the contest went to Mrs. T. Cronk, Rainbow Market; Mrs. E. Slaughter, Mrs. E. Way, Mrs. N. Ford, Mrs. P. Huddleston, Mrs. M. Johnston, Mrs. C. McDaniel and Mrs. J. Scott from Piggly Wiggly; Mrs. J. E. Bryant, Mrs. E. K. Featherston, Mrs. E. L. Fikes, Ettie Lee and G. W. Lee from Sunbeam Cash Food; Mrs. C. Dorman from Jones Grocery; Mrs. C. L. Glenn from Cates Grocery; Mrs. R. D. White from Smallwood Grocery, Ira; Mrs. E. F. Newman and Mrs. W. H. Scarborough from D & H Super Market; Gene McKay and Sarah Tirrell from Burns Grocery.

The Spry manufacturers sent checks for the amounts of the prizes to the grocery stores, and the winners receive credit for the amount of groceries they won at the stores where they entered the contest.

Graduate Sends Out Invitation To Ike

DAYTON, Ohio (AP)—Dale Mote, 18, thought his graduation from Brookville High School was important enough to tell President Eisenhower.

So Dale sent Ike an announcement. Yesterday he received a letter from the White House in which the Eisenhowers' offered their congratulations. "It was the best graduation gift of all," said Dale, who starts working for the United States next Monday—in naval boot training.

Premiers Of India, Soviet Swap Toasts

By STANLEY JOHNSON

MOSCOW (AP)—The premiers of Russia and India toasted each other as champions of peace last night and chorused hopes the rest of the world would follow in their footsteps.

The exchange took place at a Kremlin dinner honoring India's Prime Minister Nehru. Russia's top leaders were present.

Soviet Premier Nikolai A. Bulganin led off by voicing hope that the joint efforts of India, Russia and Red China could "ease the tension" over Formosa.

"Everyone knows the leadership exercised by Mr. Nehru in the cause of peace," said Bulganin. "The government of the Chinese People's Republic together with our own government is taking all possible measures to ease tension off the east coast of China. This is in the region of Taiwan (Formosa). Lately the news has come to us of the representations made by the Indian representative Krishna Menon. Let us hope that our joint efforts ease the tension."

"I hope your hand stretched out for peace will be held by others," Nehru responded. "Since I came to your great country, I have sensed the strong desire and yearning of your people for peace. My people echo that yearning as do other people."

Then Nehru and Bulganin raised their glasses and toasted "all peacemakers."

The Indian prime minister will be visiting Moscow or touring in the Soviet Union until June 23.

In New Delhi, the British-owned newspaper Statesman said Russia already has hinted it is "prepared to offer economic aid to India without strings." The paper's correspondent is accompanying Nehru's party.

Other Indian papers hinted that Nehru and Bulganin might issue a joint statement at the end of their talks echoing Red Chinese Premier Chou En-Lai's five principles of peaceful coexistence, which Nehru already has endorsed.

Forest Fire Edges Near Georgia Town

WAYCROSS, Ga. (AP)—A huge forest fire, which slowed down overnight, inched toward Fargo, Ga., today as fire-fighting units fought desperately to control it.

District Forester G. W. Lavendar said the fire, moving along a three-mile front, was a definite threat to Fargo, a town of 1,100 population near the Florida line and on the west side of famed Okefenokee swamp.

The fire started Tuesday night near Thelma, Ga., and has swept 18 miles south, burning over more than 30,000 acres.

Robertson Launches Drive For Prison Building Program

A selling program for eventual approval of a long-range building program in the Texas prison system was inaugurated in Snyder yesterday by French M. Robertson of Abilene, chairman of the state prison board.

Robertson announced the proposed program while making a talk at the weekly Rotary Club luncheon here on progress in the system during the past few years. The building program was proposed because inmate population has increased 74 per cent since 1947. Robertson told the group here that the prison system is now so overcrowded that some of the inmates are sleeping on mattresses laid on floors at night and picked up and stacked in a corner during the day. The building program, as proposed, would cost about $9-million. The prison board will ask the 1957 legislature for its approval.

On January 1, 1948, the Texas prison system was ranked 46th in the nation, only above Arkansas and Mississippi, by the National Association of Prisons. At that time a majority of the board members taking over were new. Recently the national association, in a new survey, rated the Texas system as among the top five.

"We have a long way to go, however," Robertson told Rotarians here.

Seven years ago the prison system was run down. Buckets were used to catch the water dripping from plumbing in cell blocks. A "tank," or a large cell housing 75 to 80 men, at that time had one commode and antiquated showers, Robertson said. He said that when he and several other board members were new to the board, they visited a farm for young repeaters and found that many of the inmates had running sores on their bodies because they were not being provided soap to help them keep clean. Housing facilities were run down, as were other facilities.

Now, in the system's 13 units, improvements are noticeable, the board chairman said. Each farm now has large, permanent brick buildings, bath houses, and laundries, and all have drilled wells to provide adequate water. The prison system's 1,000 employes are being provided with better housing, as indicated in the board's recent approval of the building of 30 new duplexes. Much money used by the prison system is made by the system itself. The prison rodeo annually nets more than $100,000, while commissaries also make money which goes into a fund later used for improvements.

The prison system has been for the past several years modernizing its 73,000 acres. Radio-telephone communications have been put into use in the system. In 1948, Robertson said, all cultivated lands of the system were farmed by walking plows and mules. They have since been mechanized. The system now raises more of products it uses. A few years ago the system was spending thousands of dollars annually on meat. It now raises all its own meat.

Personnel of the system have been improved since the system began to improve salaries and housing. The system now employes at least 40 graduates of Texas A&M College. Key personnel are all capable. Incentive bonuses are now provided for employes. The system has put thousands of acres of idle land under cultivation. The legislature, at the request of the board, passed a law that all funds from minerals coming from prison land be earmarked for the prison system.

"I believe that in the future this will mean several million dollars and will take a large part of the burden off the taxpayers," Robertson said.

While there have been many improvements, many more are needed. While the system is now overcrowded, Robertson said, the crime rate is increasing in the U.S. at the rate of four times the increase in population. The prison system, even after bettering facilities, is operating at a cost of 69 cents per man per day, while the national average for state prisons is $2.25 per day and the average for federal prisons is $3.

Robertson said that among plans of the board is an eventual probation system for adults whereby some of the criminals can be rehabilitated, in order that "lives might be salvaged."

The proposed building program would take care of 3,809 more inmates, according to Robertson. It includes the building of new cell blocks at various prison farms and the remodeling of some of the present facilities.

Tribute Due Famed Marine

CRESAPTOWN, Md. (AP)—People of Cumberland and Cresaptown are planning a unique tribute to the memory of the late "Bull" Evans, once known as the "One Man Army of the Marine Corps."

A drive for about $1,000 has been launched to send Evans' mother, Mrs. Rosa Evans of Cresaptown, to Japan to visit Bull's widow—a Japanese girl—and his son.

The marine, a native of nearby Cumberland, earned a niche in corps history for his exploits during World War II on Bougainville, Midway, Tulagi, Makin, Guadalcanal and during the Korean fighting.

He won the bronze and silver stars, two Presidential citations and has been recommended for the Navy Cross—highest award the Navy can give and second only to the Medal of Honor.

He died, however, of a heart attack in the spring of 1954 while on a beach outing with his wife Chiyoka Matwsoka and son in Japan.

The fund so far has reached $200.
