Greyhounds To Host Munday For 1995 Homecoming

Game Is Saturday Night At 7:30, Royalty Will Be Crowned At Halftime

SCRAMBLING FOR VALUABLE YARDS, Greyhound quarterback Wes Grimsley is shown in both the above and below photographs during the game with Paducah last Friday night here in Knox City. Fighting a tough battle, both teams wanted a win and both were forced to settle for a 12-12 tie when the final buzzer sounded. (NEWS Photo)

DRAGGING A DRAGON along for the ride, Greyhound Lance Dever is shown here gaining a substantial amount of yards against Paducah last Friday night. Knox City and Paducah ended the game in a 12-12 tie. (NEWS Photo)

FRIENDS AND RELATIVES OF Wyman Melnzer attended the Sunday afternoon Booksigning of his latest book, *Coyote*, held at Burnett House in Benjamin. Melnzer's mother, Earlene, at left and longtime friend Jimmie Kay Ryder, at right, both of Benjamin, were among those attending during the afternoon. (NEWS Photo)

Saturday night is the night for the "county clash" between Knox City's hosting Greyhounds and Munday's Moguls as Knox City will be celebrating their homecoming.

Kickoff time is 7:30 p.m. and for those who cannot make it to the game, KVRP FM 95 will be broadcasting.

A bonfire is planned at the same location as "last year's" and will begin at "dark thirty" according to high school office. Kristi Richardson has once again been named "Miss Firelighter" and will start this year's bonfire.

This week's pep rally is planned

for Saturday at 4:00 p.m. in the high school gym. (The time of the pep rally is pending the outcome of Tuesday night's volleyball area championship game for the Houndettes and the possibility of the Houndettes being in Saturday's regional volleyball tournament in Lubbock.)

Halftime ceremonies will be the coronation of the Football Sweetheart and Band Sweetheart and Beau.

Nominees for Football Sweetheart are Melissa Barnard, Stefani Stephens, Melissa Stovall, Audra Dale and Sarah Vacek.

Band Sweetheart candidates are

Sarah Vacek, Kristi Richardson, LaTasha Birdow and Laurie Casillas. Band Beau nominees are Bradley Rios and Monty Averitt.

In Friday night's contest, the Hounds deadlocked with the visiting Paducah Dragons, 12-12.

Paducah's Clarence Thomas was the first to score on an 80 yard run with the PAT failing.

In the second period, Duane Toliver hit field goals of 27 and 40 yards and Wes Grimsley ran the ball in for a touchdown in the fourth. The PAT failed.

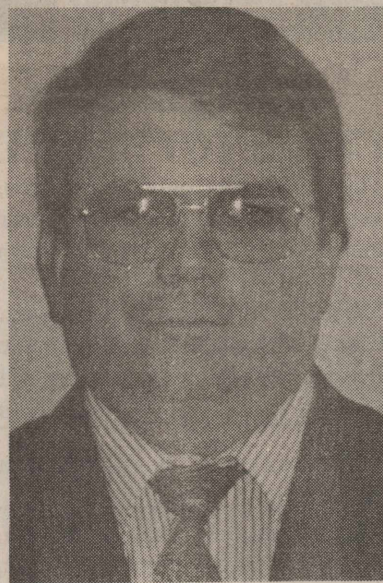

Rounding out Paducah's scoring in the third quarter was Thomas on a five yard run.

First Christian Hosting 25th Harvest Day

First Christian Church will be the host church for the Annual Harvest Day Festival and Luncheon on Tuesday, November 14.

Registration begins at 10:00 and the service will begin at 11:00 with the luncheon to follow.

Doris Crownover will be guest speaker for the service.

The Festival began 25 years

ago this year and is conducted by ladies of the various community churches. It is a time to come together to praise God for the many blessings received. Knox City has been blessed in many ways with dedicated people willing to make sacrifices for the good of the community.

Rev. Bill Christian of the host

church stated, "Certainly we should be thankful for these blessings at all times but especially at this time of harvest and Thanksgiving we should all come together in praise of our Lord who continues to raise up men and women of dedication and who continue to mightily bless Knox City."

CHEERING FOR THE HOUNDS this football season have been these 1995 cheerleaders, from left, Sara Dillon, Kristi Richardson, Kim Grimsley, Stefani Stephens, Diana Estrada, head cheerleader Sarah Vacek and Melissa Barnard. (NEWS Photo)

Local Fireman Attends Training School At A&M

Lane Davis of the Knox City Volunteer Fire Department attended the 66th Annual Texas Firemen's Training School from July 23 - 28. The school, attended by nearly 2,000 students representing about 750 cities from more than 25 states, was held on the Texas A&M University campus.

Firemen can choose their course at the school from a list including Fire Fighting, Fire Prevention, Fire Department Officer Training, Fire Department Pump Maintenance, Specialized Fire Protection, and Disaster Rescue Training.

Fireman Davis was sponsored by the Knox County Farm Bureau and Texas Farm Bureau Insurance Companies by contributing

toward the cost of the school. Since volunteer firemen are interested in attending this school to help do a better job of fire fighting and fire prevention, 125 County Farm Bureaus and the Texas Farm Bureau Insurance Companies in the statewide program have sponsored 125 firemen at the school.

"The Farm Bureau Insurance Companies believe Volunteer Fire Departments have been very effective in reducing the amount of loss involved by fire in rural areas, President Bob Stallman of Columbus, said. "It is our hope in sponsoring this program that the fireman will help the Knox City Volunteer Department to better serve the residents of Knox County."

WTU Awards Economic Development Scholarship

Rice, Edwards Are Attending

West Texas Utilities is providing a scholarship for City Manager Joe Rice to attend the 29th annual Economic Development Course in San Antonio, November 5 - 10.

The course is a one-week intensive training program rather than a workshop, seminar or conference. The course, sponsored by the Texas Economic Development Council and Texas A&M University, has two major objectives: first, to provide a medium for the exchange of ideas on the principles, practices and ethics in the field of economic development; and second, to provide the background theory and practical application of economic development techniques.

"We strongly believe the principles of economic and community development offered in this course will aid in helping West

Texas communities grow and prosper," Eric Geisler, WTU Director of Business Development, said. "WTU is proud to have provided the scholarship allowing Joe Rice to attend the course."

The course covers a variety of topics including:

- Communications for Economic Developers
- Project Financing for Your Town
- Community Development
- Industrial Sites and Buildings
- Business Retention and Expansion
- Group Prospecting and Prospect Handling

Also attending from Knox City will be WTU area manager Keith Edwards.

The course is accredited by the American Economic Development Council.

Alzheimer's Disease is the nation's third most costly malady, according to a Univ. of Southern Cal. economist. The most expensive diseases are heart disease and cancer. Average costs for an Alzheimer's victim are \$33,000 to \$35,000 a year.

The Social Security Adm. will cut about 5000 jobs in the next five years as part of the government's efforts to trim costs. During the 80s, Social Security eliminated about 17,000 positions.

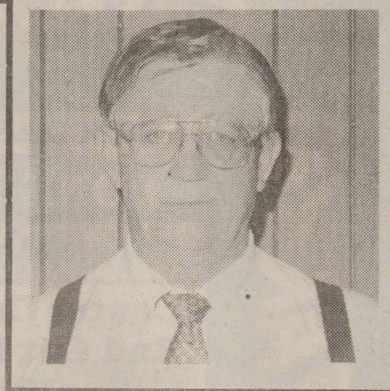

O'BRIEN MID-SCHOOL STUDENTS recently competed in a stamp contest held locally through the O'Brien Post Office. Winners were back row, from left, Roni Morrow, eighth grade; and Angela Roberts, sixth grade, overall winners; eighth grade - Manuel Ledesma, second; and Myles Richardson, first; and seventh grade - Michelle Torres, first. Front row, are sixth grade - Belinda Lerma, second; Melissa Ruiz, who tied for first with Felipe Sanchez (not

pictured); and fifth grade - Teresa Rodriguez, first; and Ashley Turner, second. O'Brien Postmaster Susan Emerson held the contest in connection with National Consumers Week and students designed a stamp of their own with no criteria being given. Judging the contest was Teresa Scoggins, Rochester Postmaster. Winners received collector's stamps as prizes.

BILL'S HINESight.....By High School Principal Bill Hines

How about them Hounds the last two weeks. OH! You say our football team got beat. No! They didn't get beat. Roby just had more points at the end of the game than our Hounds had and Paducah had the same number of points. Our guys played their hearts out the entire game. They never gave up and I am more proud of them for that than I was when they beat Crowell and Aspermont so bad. The determination they showed the last two weeks when they were behind is the stuff that will make these young men successful throughout their whole life. This is what athletics is all about in high school.

I have to say a big Thank You to the many thoughtful and caring people that did so much for me while I was in the hospital in Abilene. They tended to my dogs, prayed for me and called to check on me and Mr. Dillon's class came and took my plants to the greenhouse for the winter. I'm so blessed to have friends and loved ones like you.

Sue Woodall

The Family of Grady Ellis wishes to express how much we appreciate the many acts of kindness during the illness and death of our loved one. Thanks for all the food brought to the house. It lifts a burden for all to not have to cook. The meal at the church was delicious. Thanks for all the flowers, memorial donations and your cards and concern. May God bless all of you.

WEARING WHATEVER THEY COULD TO STAY WARM, members of the Knox City band and flag corps are shown in the above and below photographs during the halftime of the Knox City - Paducah game last Friday night here in Knox City. Faced with temperatures in the 30's, the band left their traditional uniforms behind and dressed in a wide variety of clothing to try and beat the cold. The students performed an excellent half time show and received a very loud round applause from equally cold spectators and fans. (NEWS Photo)

Knox County Eligible For Emergency Disaster Loans

The Secretary of Agriculture has announced through the office of Governor George Bush that Knox County has been designated eligible to apply for emergency disaster loans due to the fact that it is contiguous to a declared county.

Foard County has been designated as a natural disaster area where eligible family farmers may qualify for Consolidated Farm Service Agency (CFSA) emergency (EM) loans due to damages and losses caused by flooding, hail and tornadoes, which occurred from May 23, 1995, to June 4, 1995.

In addition to Foard County, Knox County and five other Texas counties have been named as contiguous counties where eligible family farmers may qualify for CFSA EM loan assistance, pursuant to section 321 (a) of the Consolidated Farm and Rural Development Act. Those counties are Baylor, Cottle, Hardeman, King and Wilbarger.

Emergency loan applications will be received through May 21, 1996, for physical and production losses and applications pending on that date may be processed and completed. EM loans will be made under Farmers Home Administration Instruction (FmHA) 1945-D. This determination is coded S885. Also, for the purpose of establishing security values as set forth in section 1945.175 (c) (2) and (4) of FmHA Instruction 1945-D, the following dates are provided: The Day Before the Governor's Request - July 12, 1995; One Year and One Day Before the Governor's Request - July 12, 1994.

CELEBRATE BIRTHDAY

Mr. and Mrs. Charles Clarke visited in the home of Mr. and Mrs. Greg Whitten of Cedar Creek over the weekend.

While there, Greg and Sandra helped them celebrate Peggy's birthday. Greg planned a trip Sunday aboard the Hill Country Flyer, a restored steam-powered passenger train. The winding scenic two and one-half hour trip took them up to Burnet where they enjoyed lunch and several hours for shopping before boarding the train for their return.

The Clarkes returned to Knox City Monday night.

Noah Project - North To Meet Thursday

The Noah Project - North will hold their monthly meeting on Thursday, November 9, at the East Side Baptist Church.

The meal is pot luck and everyone is asked to attend to plans for the Annual Tour of Homes to be held in December can be finalized.

O'Brien Happenings

By Audle Johnston

"They're Playing Our Song - Having difficulty with my tax forms, I called the IRS 800 hot line for assistance. A recorded message announced that all agents were busy and suggested that I hold for the next available one. They came background music. The tune was "They Can't Take That Away From Me".

HERE AND THERE

Recently visiting Edrie Barnard was a cousin of Edrie's, Caroline and Charlie Dieta of Elephant Butte, New Mexico. They had lots of fun reminiscing and eating.

J.O. and Charlene Brothers were in Abilene Saturday to visit their son, Craig and family.

Bernice Rowan spent the weekend in Henrietta with her son Jerry and wife Margaret and girls Angelia and Julia. They enjoyed visiting and running around and they attended a big singing convention in Fort Worth with lots of longtime singers.

Adeline Kahoot of Stamford spent Sunday with her sister, Veeta Reid.

Mutt and Bertie Ivie returned home last week after spending several weeks of traveling almost every direction you can turn.

They're enjoying retiring and doing things.

Aderle and Doris Herring of Junction and Andy Hines of Lubbock spent the weekend with Ranzy and Adelle Herring. Ranzy is recovering from hip surgery. Adelle was in the hospital a few days recovering from some infections on her legs.

Junior and Myra Reeves were in Andrews over the weekend to attend the funeral for Junior's sister, Vera Underwood. She had been in poor health for awhile.

Sammie Murry of Plainview spent a few days with her mother, Beatrice Ellis, last week.

Delbert and Norma Hayes, Vivian Hendrix and I were in Rochester Sunday afternoon to attend a gospel musical in the American Legion Hall. Singing was enjoyed by those that were present.

Edna Davis of Snyder will return to her home this week after spending several days with her daughter, Loretta Hewitt and her husband, Coy.

The Disciples Sunday School Class of O'Brien Baptist Church met at the parsonage Saturday night for a fun night of eating lots of good food and playing games.

Thos attending were Sandy and Jimmy Chappell and family, Jennifer and Bigun Holmes and family, Diane and Donnie Roberts and family, Joany and Rob Wills and family, Craig and Susan Carver and family, Billy Joe and Linda Large and George and Gena Yarger and family.

Stefani Stephens attended the 9th annual Collin County Livestock Show in McKinney, October 2. In the heavyweight Hereford Steer competition, Stefani's heavyweight steer took first place, then winning the overall Hereford Breed Champion Steer. Also in the Simmental Heavy Weight Steer competition, she took first with her heavyweight Simmental steer, then won the overall Simmental Breed Champion Steer.

"When my wife was admitted to the hospital for hip surgery, the anesthesiologist told her she could select the music played in the operating room. She suggested classic rock.

As the medication was being administered, an Eric Clapton CD began to play. The first song to greet my wife as she was being wheeled into the operating room was "Knocking on Heaven's Door."

Munday's Band Takes Second In State In Class A

Munday High School's Purple Cloud Band finished second in Class A in the state UIL marching contest at Austin Monday.

This was the band's sixth trip to the state contest since 1986 and the fifth time that the band qualified for the finals.

Also competing from this area in the state contests was Anson. However, Anson failed to reach the Class 2A finals.

Project RIO Underway

Project RIO (Re-Integration of Offenders) is a multi-agency initiative to successfully reintegrate ex-offenders into the community by offering a linkage system between training and services "within the walls" to job placement in the local community. It is a difficult task but essential if Texas is to ever benefit from a reduced recidivism rate.

Project RIO is unique in that it coordinates services provided by various state agencies and other organizations including the Texas Department of Criminal Justice Institutional Division (ID), Pardons and Parole Division (BPP) and the Texas Employment Commission (TEC).

Subsequent to release from prison, the Board of Pardons and Parolee initially refers potential clients to the Texas Employment Commission's intake personnel. The ex-offenders then report to the local TEC office for intake evaluation, counseling and, if needed, additional testing as well

Benjamin News

By Gladene Green

Well, hi again everyone - Sorry to have missed last week but was unable to do any different. Had a little "sick spell" and ended up in the Childress hospital for four days. Entered on Monday morning and got out Thursday. Am feeling lots better now and hope I can continue to feel good. Not having been very sick too many times in my life, I'm really not a very good patient. I always want instant relief and it don't always happen that way! Well, enough about me.

Others on the ailing list are gradually improving. Leroy West feels some better after a couple of weeks of dialysis. Think it'll be 10 to 12 weeks before he really begins to feel just real well.

Larry Neal underwent angioplasty on Humana Hospital in Abilene last Monday. He returned home Friday and says he's sure feeling much better.

Bill Ryder is feeling fair after his little "bout" a couple of weeks back. Still not completely "up to snuff" but maybe with a little time he'll feel good again. We do hope so.

Tammy Lyles took a fall off her horse the other day and sort of messed up her arm and shoulder. She's wearing a sling and I imagine is pretty uncomfortable. Don't think she has any broken bones but she still has pain. Plus - Mike's had the "flu-like" stuff that's going around so they have had a time of it the past few days.

Maretha and Rex Patterson's daughter, Sharon Johnson, who resides at Alpine tripped over a foot stool a couple of weeks ago and broke five bones in her ankle. She's doing better but it will be a

while before she's back to her regular routine. Sharon, being as "on the go" as she is, I bet is not having a bit of fun with this problem. Of course, we wish her well, also.

Saw Bud Clower on Sunday. He says he's feeling lots better and he does look good. It was so good to seem him "out and about".

Lonnie Bohannon, son of Royce and Betty, is just doing great. He's out of the hospital and will be coming to Benjamin today (Monday) to spend some time while his recuperation continues.

FALL FEST NEWS

Tho I didn't attend, I'm told that the annual Fall Fest this year was very successful. A good crowd was on hand to enjoy all the "goings on".

The Harvest King and Queen and their court was crowned at the end of the festivities.

Elected King and Queen were Seniors Zeke Duke and Michelle Conner. Their parents are Pam and Dennis Duke, Steve Conner and Janet Reed.

The prince and princess are from the eighth grade, Justin Waldron and Lynne Moorhouse. Justin is the son of Jack and Kathie Waldron and Lynne's parents are Mike and Debra Moorhouse.

The kindergarten class won the honor of duke and duchess. They are Julia Acevedo, daughter of Pancho and Amelia Acevedo and Joe Bufkin, son of Mike and Lori Bufkin.

It's congratulations to all these young folks.

FOOTBALL ROYALTY

Also on Friday night, October 27, during halftime of the Megargel-Benjamin game, Lacy

Carver was crowned football sweetheart. She's a freshman, cheerleader and the daughter of Craig and Susan Carver.

The football "hero" came in fours. All the senior boys were selected to receive this honor. Those senior heroes are Zeke Duke, son of Pam and Dennis; Edward Estrada, son of Nesto and Teresa; Willd Kujawa, who resides with Carla and Alan Porter; and Riley Carver, son of Craig and Susan. And congratulations to these kids.
