

Quail to Observe Community Wide Frontier Day

One of the highlights of the school year is scheduled at Quail Thursday, April 1, when the first Frontier Day celebration will be held. Given in connection with the celebration will be the school stock show for vocational agriculture students, and the pet show for children of the grade school.

This is a community-wide entertainment, which will not only provide a time for the people from over the large school district to get together, but they will also have an opportunity to see the work the school is doing and view the accomplishments of the children.

The Frontier Day will begin at 10:00 a.m. The student council of the school is in charge of the arrangements.

Pets of all kinds and varieties will put in their appearance for the day. Each grade will have its own exhibit.

Calves and hogs will predominate in the livestock show of the high school age boys, but the show is expected to be one of the outstanding features of the day.

To add to the atmosphere of the occasion both students and patrons are asked to come in western style dress.

Dinner will be served at the noon hour, and a good picture show will be given in the afternoon for those wishing to attend, Supt. Noah Cunningham announced.

"We extend a cordial invitation to the public to visit us on this day. While it is planned primarily for the students and the patrons of the Quail school district, we are anxious for the general public to know what we are doing. So we are extending to each of you our hospitality, western style, and saying,

"Come on over, folks, and help us celebrate!" Mr. Cunningham said.

Dodson Methodist Revival to Open

Revival services will open at the Methodist Church in Dodson Easter Sunday, March 28, and continue through Sunday, April 11, the Rev. W. H. Gaston, pastor, has announced.

The Rev. Shan M. Hull of Miles will be in charge of the preaching, and good singing will be heard throughout the revival.

"Rev. Hull has helped me in many meetings in the past, and he is the best help I have ever had," Rev. Gaston declared.

"Come let us worship together during this revival, and receive the joy and fellowship which our worship will bring to each of us," Rev. Gaston said as he extended a cordial invitation to the public to attend.

Services will be held twice daily, at 10:30 a.m. and 7:30 p.m.

Alva Wood and Texas Cowboys to Give Program at Dodson

Alva Wood and his Texas Cowboys will present a program at the Dodson high school auditorium Friday night, March 26, at 7:30.

Featured at this time will be little Miss Alva Nell Wood, talented young violinist whose playing of old-time music and "fiddle" pieces has not only won her first place in a number of old fiddlers contests recently, but has attracted state-wide attention. Entertainers consider this particularly remarkable in view of the fact that she is only 11 years old.

The public is invited to attend the entertainment at Dodson.

SCHOOL'S OUT IN MINNEAPOLIS

These kids don't look as if they were worried about the Minneapolis teacher strike as they watch A. J. Philstrom, chemistry, and Carolyn Burton, kindergarten, on the picket line. But at many schools both pupils and parents joined the picket parade carrying similar signs. More than 75,000 pupils and 1100 teachers of the AFL American Federation of Teachers were affected by the strike for higher pay. The superintendent of the Minneapolis Schools was one of the speakers on the recent meeting of the Northwest Texas Conference for Education, and was heard by a majority of the Collingsworth County teachers.

Churches Present Easter Cantata At Vesper Service on Sunday

Norwood School Queen To Be Selected Friday

Bob Scivally Of Dodson Dies On March 21

Bob Scivally, widely known farmer of the Dodson area, died Sunday morning, March 21, at 4:00 a.m. He had resided in this county for the last 28 years.

Born at Sunset on August 15, 1901, Mr. Scivally was 46 years, 7 months and 6 days of age. He was the son of the late Rev. and Mrs. M. L. Scivally. His father was one of the widely known teachers and Baptist preachers of southwest Oklahoma and the lower Panhandle for many years. Rev. Scivally died in 1926 and Mrs. Scivally passed away last April.

During the almost 30 years that Mr. Scivally had made this county his home, he had made a host of friends and an even wider circle of acquaintances, who valued his friendship, and he in turn was a good neighbor and friend to them.

Funeral services were held at the Baptist Church in Dodson with the Rev. Howard Jones, pastor of the First Baptist Church of Wellington and the Rev. Guy Killian, pastor of the Dodson church, officiating.

(Continued on Page Eight)

Crowning of the Samnorwood School Queen will be held Friday evening, March 26, at the Samnorwood gymnasium, but not until the hour of the coronation will the identity of the school's reigning member be known.

The coronation is being held in connection with a box supper, sponsored by the senior class of the high school, Mrs. Selba Rainey, sponsor, said. The entertainment will begin at 8:00 p.m.

Classes have selected their candidates for the place of Queen, with high school and junior high grades competing. Nominees in the race will serve as the Queen's attendants, choosing their escorts for the evening. A boy and girl from each of the lower grades will also take their places in the court.

Mid-week developments in the queen's race indicate that the contest will be a hotly contested one, Mrs. Rainey said.

Candidates from the various classes are:
Seventh grade, Maiesta Kidd.
Eighth grade, Joy Martindale.
Freshmen, Catherine Kirklin.
Sophomores, Betty Bullock.
Juniors, Fern Thompson.
Seniors, Joycerene Price.

Rodeo Association To Plan Season At Meeting Saturday

A meeting of the Wellington Rodeo Association will be held at the Cicero Smith Lumber Company Saturday night at 8:00 p.m., for the purpose of laying plans for the coming season.

All who are interested in belonging to the Rodeo Association this year are urged to meet with the group.

Climaxing the services of Easter Sunday will be the presentation of a cantata, "He Rose Again" which will tell again, for the last time here this Easter season, the story of the crucifixion and resurrection of Christ.

The cantata will be given at the Methodist Church in Wellington at the vesper hour, 5:00 p.m. with singers from several of the local churches taking part.

Mrs. L. E. Gribble is organist and Mrs. Pat Swift is director.

"This is a community-wide event and we extend a cordial invitation to the entire public to attend," Rev. Noel Bryant, pastor of the Methodist Church, said. "Through the days approaching Easter, and on the day itself, you will be worshipping with your prayers and in the services of the churches of the area. In presenting this cantata, it is our aim that you may hear once again in song the story of the risen Lord."

Approximately 35 voices will make up the choir that will sing the cantata.

Written by H. W. Petrie, "He Rose Again" was presented in Wellington last year, with many of this season's singers taking part. It received wide acclaim, and it was at the request of a number of Wellington people that it was decided to give it again this year.

Taking part will be a number of college students, home for the Easter holidays.

Members of the choir include the following:
Sopranos: Mrs. E. F. Bartlett, Mrs. A. L. Elliott, Mrs. Noel Bryant, Mrs. Tom Campbell, Mrs. Lowell Wells, Mrs. Bura Handley, Mrs. Fred LeDerer, Mrs. Bess Owen, Mrs. G. L. Jones, Miss Dolores Somerville, Miss Priscilla Chase, Miss Patsy Smith, Miss Barbara Ann Brickey, Miss Peggy Riggs, Miss Veda Mae Kiker and Miss Helen Jo Holder.

Altos: Mrs. A. L. Cochran, Mrs. Frank Anderson, Mrs. S. K. Parsons Sr., Mrs. Calvin Aaron, Mrs. (Continued on Page Four)

Kiwanis Club Sponsors Annual Kiddies Easter Show Saturday

One-Fourth County Red Cross Quota Now Contributed

Approximately \$500—one fourth of the quota—has been raised in this year's Red Cross drive, it was announced Wednesday morning, March 24.

"We are just now getting started good, and we are gratified by the contributions," John Forbis, drive chairman, declared.

Reports have been received from part of Wellington and a small portion of the rural communities to date, since a majority of the workers are waiting until they have contacted all people in their section before turning in their money and reports to Miss Katherine Boverie, secretary-treasurer of the Red Cross.

Mr. Forbis issued a direct appeal to those who have not yet contributed in the drive. He reminded them that the Red Cross last year spent more disaster relief money in Texas than it was asking from the state in the 1948 drive. A large amount was spent in the Panhandle itself.

Since it is impossible to contact every person in the county in the drive, anyone who is missed is urged to bring his contribution either to the worker in his area, Mr. Forbis, or Miss Boverie at the county library.

Contributors include Mrs. Elmer Chambliss, Mrs. Bob Armstrong, Mrs. A. C. Boverie, Mr. and Mrs. E. M. Edgar, D. Burkhalter, Mr. and Mrs. Lewis Tingle, Mrs. Dean Perkins, Mr. and Mrs. C. L. Moody, Mrs. T. E. Young, Mrs. Frank Moore, Mr. and Mrs. Littleton, Byron Hollingsworth,

Mrs. Lola Ward, Mrs. Mandie Little, Mr. and Mrs. Ralph Martin, Mr. and Mrs. W. C. Spear, Mrs. H. K. Matney, Mrs. J. H. Haynes, Mrs. H. Calloway, Mr. and Mrs. E. M. Fletcher, Mrs. Lester Dodd, Floyd Kilgough, Leslie Kelso, Mrs. D. C. Beard, Willie Mae Floyd, Mr. and Mrs. J. E. Burkhalter, (Continued on Page Eight)

Assembly of God Revival Opens Easter Sunday

Revival services will open at the Assembly of God in Wellington Easter Sunday, March 28, and continue for a period of two weeks or longer, the Rev. Walter Lane, pastor, announced this week.

Conducting the services will be Evangelist Nola Stout, while Miss Elliott will be in charge of the music. Both young women are from Missouri, and this is their first time to appear locally.

"We feel that these revival services will be a blessing to the community, and especially to those who attend. We extend to the public a cordial invitation to be present at any or all of the services during this revival," Rev. Lane said.

Services will be held each evening at 7:45 p.m.

The church is located at 403 El Paso Street.

East Ward to Give Operetta

An operetta, "The Cobbler of Fairland" will be given by the children of the third and fourth grades of East Ward School Friday evening, April 2, at 8:00 p.m., in the high school auditorium.

Mrs. W. L. White, public school music instructor, is directing the production.

The story told in the operetta goes back to the fairy tale of "Sleeping Beauty"—but this time it tells what might have happened if the princess and her court had not been put to sleep for a hundred years by the evil witch.

Approximately 140 children will take part, all students of the two grades having been given an opportunity to appear in the operetta. Gay costumes are being made by mothers of the boys and girls, and appropriate scenery will be provided.

In addition to the group singing, a number of solo parts will be heard, Miss Bonnie Willis, principal of East Ward, said.

The names of children taking part will be announced next week.

City Schools Give Two Days For Easter Holidays

The Wellington schools will be dismissed on Thursday for an Easter holiday that will extend through Monday, March 29, E. L. Pritchett, superintendent of schools announced today.

Mr. Pritchett emphasized the fact that this is an official holiday for the schools and will not have to be made up as will the unavoidable ones caused by the weather this winter.

School Election Carries With Two Dissenting Votes

Only two voters opposed the annexation of the Kelley and Kesler school districts to the Wellington Independent Rural High School district in the election held Saturday, March 20. Favoring the step were 145 voters.

This opens the way for the district to take up immediately its plans for construction of the new grade school building, which will be located on 15th Street, one block west of the high school and junior high building.

"We are most gratified with the overwhelming vote," Supt. E. L. Pritchett declared. "With this cooperation we feel that we can do great things for the school in the time that lies ahead."

Plans for the new building are being drawn, and representatives of the Architectural firm of Wilson and Patterson have been here confronting with school officials.

Seek to Get All Students in Census

The students in the Wellington school district that have not been included in the census enumeration should phone 340 and make arrangements to be added.

This is very important since the number of teachers the school may have next year depends on the number of scholastics.

Anyone who will be six years of age before September 1, 1948, and not eighteen before that time is eligible to be included in the school census.

Baseball Practice Begins at Dodson

Baseball practice has opened at Dodson High School, T. E. Lennon, superintendent, said Tuesday.

Howard Perkins, high school science instructor, is acting as coach.

Approximately 20 boys are out for this sport, and Mr. Lennon expressed the belief that this will be one of the strongest teams the school has had recently.

A game with Wellington will be matched within a few days, and one with Centerville next week. Other games will be scheduled within a short time.

Former Officer in Philippines on Staff of the First National Bank

In addition to its staff William E. Lewis Jr. recently, the First National Bank brought to Wellington a man who, while he is just beginning in the banking business, has had considerable experience as a training specialist with the Veterans Administration and six years as an officer of the Army.

Four years of this, however, was spent as a prisoner of war of the Japanese, for Mr. Lewis and Wellington's John Coleman met shortly after they were interned and remained until they were liberated by American soldiers.

Mr. and Mrs. Lewis and their eight and one-half year old son, Billy, come here from Lubbock. Mrs. Lewis has also joined the business life of the town, for she recently became secretary at the Mill Iron Ranches office here.

Mr. and Mrs. Lewis call Bryan home, and he was taking post-graduate work at A&M College before he went on active duty with the Army.

In 1940, he was sent to the Philippine Islands, and Mrs. Lewis and Billy, then a baby, accompanied

Children from All Parts of County Invited

The traditional Easter show for the kiddies of Collingsworth county, given by the Wellington Kiwanis Club, will be held Saturday morning, March 27, at the Ritz Theatre at 10:00 a.m., Dr. J. M. Orr, president of the club, announced.

This party is an annual feature for the boys and girls of the county, and is given through the cooperation of the Kiwanians and the Ritz.

"Every child in the county is invited," Dr. Orr said. "And it is our sincere hope that all of you can attend."

Emmett Passmore, manager of the Ritz, is making arrangements for the pictures, and while it is not yet known just what will be shown, Mr. Passmore assured that it will be one or more pictures that will offer a full hour of entertainment for the boys and girls.

At the conclusion of the picture, candy will be distributed to the children attending. This, too, is a regular feature of the show.

Members of the Kiwanis Club will be on hand throughout the show to care for the children.

L. E. Ward Named Ferguson Tractor Dealer Here

The new Ferguson tractor with the genuine Ferguson System of implements will shortly be on display in the showrooms of the franchised Ferguson dealers throughout the territory of the Southwest Co., distributor for the new Ferguson tractor and Ferguson System of implements in Texas, New Mexico, Oklahoma, Arkansas and Louisiana. The franchised dealer in Wellington is L. E. Ward Tractor & Implement Co.

The genuine Ferguson System tractor is imported from Coventry, England, where it is manufactured by the British affiliate of Harry Ferguson, Inc., Detroit, Michigan. It is American engineered and designed throughout and a great many of the vital parts of this tractor are American made such as the Continental valve in head engine. Many important improvements have been made over the tractor formerly marketed by Harry Ferguson, Inc., which will result in greater power and better performance. The large number of users of the Ferguson System of farming will be pleased to know that other improvements include four-speed constant mesh transmissions, wet sleeves, tip-up hood, side mounted distributors, non-clogged crank case breather, accessible air cleaner and improved water pump.

The availability of this new Ferguson System tractor is news of significant importance to the American farmer permitting him again to purchase the tractor and the implements manufactured by (Continued on Page Four)

him. She and Billy were returned to the United States in April, 1941. Lt. Lewis was stationed at Ft. Mills, Corregidor, and Fort Wint, an Island outpost.

"Part of the time I was with the 92nd Coast Artillery, a unit of Philippine scouts. On the whole, they're a higher type than the regular Philippine soldier. With the Scouts, it's a profession, and often a son will follow his father into the service," he said.

Speaking of the regular Philippine soldiers, Mr. Lewis named the language barrier as the chief handicap to their becoming efficient.

"There are 89 dialects in the Philippine Islands. You can give an order in one dialect and to part of the soldiers it may mean something else. For example, you might give the order to turn left. Maybe in the language of the next soldier, that same word means turn right, and that's what he does."

Mr. Lewis says that he got only ragged glimpses of other sections (Continued on Page Eight)

Wellington Churches Observe Holy Week and Plan Services Sunday to Commemorate Easter

The people of Wellington and the surrounding area this week are joining Christians throughout the world in the observance of Holy Week, commemorating the last seven days of the life of Christ.

Opening with Palm Sunday, March 21, marking the entry into Jerusalem by Christ and his disciples, the week that follows is one of solemnity and thoughtfulness, closing with joyous note of the resurrection on Easter Sunday.

Methodist Church

Services at the Methodist Church in Wellington will begin Good Friday and close Easter evening, the Rev. Noel Bryant, pastor, has announced.

Beginning at 7:00 a.m. Friday

morning, a Watch Service will be held for the 24 hours that follow, ending in a special prayer service at 7:00 a.m. Saturday. "People will be at the church at all hours during the Watch Service, and we urge all who wish to come for a period of prayer or meditation," Rev. Bryant said.

Communion service for the entire church membership will be observed at 7:30 p.m. Friday evening.

The traditional Easter sermon will be preached by the pastor Sunday morning, and the closing service for this church will be the cantata to be sung at the vesper hour Sunday evening.

Through this week, a class of

instruction is being held for children who will be received into the church Sunday morning. A communion service for these children and their parents will be held at 5:00 p.m. Good Friday afternoon.

Approximately 24 children are now attending the class of instruction, and a majority of these will be admitted into the church on Sunday. In addition, the baptism of infants will be observed.

Our Lady of Mercy

High Mass, at 8:15 a.m. Easter morning, will close the series of religious services that have been observed throughout Lent. The Rev. Charles Knapp is pastor of

the church and also serves the mission at Shamrock, where he will conduct Mass later in the day.

Services will also be held at Our Lady of Mercy Church from 2:00 to 3:00 p.m. Saturday.

First Baptist Church

Easter Sunday marks the close of a revival meeting which has been under way this week at the First Baptist Church in Wellington. Rev. Howard Jones, pastor, is in charge of the preaching, while Pete Fast of Odessa is conducting the singing.

A drive is under way to have 600 in the Sunday School. (Continued on Page Four)

Rockets Take Bout From McLean 11 To 3 Friday

The Skyrocket boxing team defeated McLean 11-3 in the boxing meet in the high school auditorium on Friday night, March 19.

Wellington took both the matches in the 60-pound class as Olan Murdock won his match with Earl Moore, McLean, by decision; and Gary Phillips won his match with Claude Blocker, McLean, by decision.

In the 70-pound class, Jack Hupp, McLean, won his match with Richard McSpadden by decision, and Roland Coleman won the match with Don Crockett, McLean by decision.

Drew Wyrick won the match in the 75-pound class with a decision over Jerry Copeland of McLean. and Ben Dannel, McLean, won the match in the 80-pound class by a TKO in the first round with Calvin Aaron.

In the 85-pound class Wayne Moore, McLean, defeated Harold Hudson by decision; and Calvin Hiett won his match with James Andrew of McLean by a TKO in the first round.

Jimmy Clubb won his match with Jacky Bentley of McLean by decision in the 95-pound class, in the 100-pound class Douglas Duncan won his match with Edd Reeves of McLean by decision and Gene Baird defeated Alvin Blackshire, McLean, by a KO in the first round.

Both matches in the 125-pound class were won by the Skyrockets with Earl Patterson winning his match with Kenneth Carter by decision and Billy Karnes winning his match with Cliff Calahan, McLean, by decision.

In the 135-pound class, Bill Plank defeated Vick Shelton by a KO in the first round.

Referee for the game was Jimmy Bowen, Homer Ingram, Hiram Cudd and Paul Kennedy were the judges and Claude Caison was the time keeper.

SALT FORK

Weather seems to be the main subject out here, and it's a good one since we are having all kinds. But we have lots to be thankful for no damage has been done out here that we have heard about.

Mr. and Mrs. Hick Morrow were visitors in our community Friday and Sunday.

G. C. Wright and Bill Clifton were in Hollis Friday on business. Mr. and Mrs. Dude Bruce visited near Vinson Thursday.

Farmers are very busy getting their spring plowing started. Quite a few are gardening, too.

Mr. and Mrs. Bob Isbell and Miss Ola Isbell spent last week end at Whitesboro visiting Mr. and Mrs. Lee Sanders. Miss Isbell went on to Orange.

Zook Thomas and several other men are working on Zook's new house. If the weather will fair up they will soon have a lovely home there.

We are glad to report that Walter Needham's mother is better. She is in the hospital at Wellington.

Mrs. J. P. Cummings returned home Saturday from near Pampa, where she had been visiting Wayne and Earnestine Cummings. Wayne came for his mother when Earnestine burned her hand badly.

Mrs. John Gollighugh honored several relatives with a delicious birthday dinner Sunday. Those having birthdays were Mr. and Mrs. Dee Harris, Mrs. Duard Harris and Mr. and Mrs. Bob Isbell.

K-F INTRODUCES 1948 MODELS

WILLOW RUN, Mich.—The graceful styling of the 1948 Frazer Manhattan, style leader of Kaiser-Frazer's four new models, is graphically portrayed in this tropical setting. Now on the floor of every Kaiser-Frazer dealer, the 1948 automobiles embody 35 new mechanical and body improvements at an increase in price. All models are factory equipped with super cushion tires.

Quail 'A' Honor Roll for Six Week Lists 29

Twenty-nine students made the "A" honor roll in the Quail school for the fourth six weeks. They are:

First grade: Billie Boyce, Linda Kay Davis, Janice Howell, Linda McGill, Michael Vaughan, Jimmie Don Waddell, Neal White.

Second grade: Dale Ratliff, Jerry DeBord, Edith Messer, John Allen Whitehead, Gano Wilson, Jimmie Calwell.

Third grade: Patsy Aaron, Betty Dollar, Ellen Messer.

Fourth grade: Darryl Morris, Mary Jo Phipps, Bobby Ken Robertson, Mildred Beall.

Fifth grade: Wanda Rose Phipps, Beatrice Claunch, Donna Black.

Sixth grade: Jenetta Bruce.

Eighth grade: Georgie Lauder-milk, Barbara Davis.

Freshmen: Helen Wischkaemper. Juniors: Marilyn Watkins, Avy-rilla Clay.

Mrs. Raymond Powell and Mrs. E. B. Morgan of Perryton, Mrs. W. M. Boston of Littlefield and Mrs. J. W. Brooks of Hale Center spent the latter part of last week visiting their father, T. B. Starkey.

R. L. Pendergraft was called to Denton to be with his mother who is ill.

Others enjoying the dinner were Mr. and Mrs. J. P. Cummings, Mr. and Mrs. Dave Brewer, Miss Jean Sanders, Duard Harris, John Gollighugh, Clyde Gollighugh and Jeanette Gollighugh.

Mr. and Mrs. Bill Clifton, Mr. and Mrs. G. C. Wright visited Sunday with Mr. and Mrs. C. A. Wright and family.

We are all saying "Thank you, gentlemen, for dragging our roads out here."

Next Sunday is Easter. Be sure to go to Sunday School.

2500 Workers Under Social Security In 3-County Area

Over 2,500 workers are employed in the three-county area including Childress, Collingsworth and Wheeler counties on jobs covered by the federal social security program, Ray L. Miller, Dallas regional director of the Department of Commerce reported today. The report made public by the Department of Commerce reveals the annual pay roll in the three counties covered by social security taxes amounts to \$3,500,000.

The figures do not include non-taxable wages, nor do they include wages drawn by workers in industries or occupations outside the social security law. (Taxable wages under the old-age and survivors insurance program are limited to the first \$3,000 which a worker received in a year from any one employer in covered industries.)

The report was the first made available on social security tax data broken down in detail by states and counties. Mr. Miller said the basic data presented in the bulletins are "of prime value in deriving and analyzing market potentials and sales quotas, in the measurement of efficiency and effectiveness of sales operation and advertising efforts, and in the planning of sales territories."

In Texas, 1,224,135 workers are employed in jobs covered by social security. The total pay roll in the state from which social security taxes are drawn amounts to nearly \$2,250,000,000 a year.

The statistics were compiled as a joint project by the Department of Commerce, Federal Security Agency, U. S. Employment Service and other interested government agencies. The information was taken from social security tax reports by 2,254,445 American employers in 1946.

Throughout the nation almost 31,000,000 workers are employed on jobs which fall under the social security law. Their pay roll, from which taxes were deducted in 1946, amounted to more than \$65 billion dollars.

Of 507 employers in the three counties making reports for social security tax purposes, only two had more than 50 employees from which the tax was deducted, and only 18 had more than 20 employees. 489 employers, or 96 percent of the total had fewer than 20 employees.

Kaiser-Frazer Introduces Four New 1948 Models

- The 1948 KAISER • The 1948 KAISER CUSTOM
- The 1948 FRAZER • The 1948 FRAZER MANHATTAN

AT NO INCREASE IN PRICE!

While Other New Car Prices Are Advancing

HERE'S WHY Kaiser-Frazer can make this announcement while other new car prices spiral upward. Kaiser-Frazer controls its own supply of many basic raw materials . . . has its own engine plant, foundry and steel mill. Materials from these sources funnel into new and modern Willow Run—the largest automobile manufacturing plant in the world under one roof.

Unfinished steel goes in one end of this great plant and comes out a quality automobile, ready to be driven away. All this is accomplished in a matter of hours, and with the economy of Kaiser-Frazer straight-line production. This is an achievement of men who are injecting new methods and ideas into an old industry.

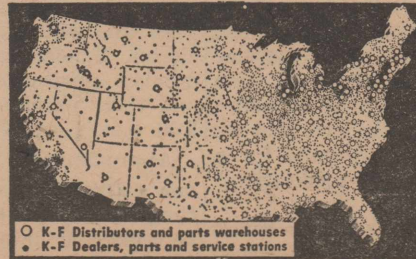

In the new 1948 Kaiser, Frazer, Kaiser Custom, and Frazer Manhattan you get all the features

that others have attempted to copy since Kaiser-Frazer design was introduced in 1947.

So far no one has been able to more than approximate the graceful exterior body lines. No one has come near matching the roadability . . . the ride resulting from seats cradled between the front and rear wheels, such wide seats with both elbow and shoulder room. And none have the style features, the wide choice of colors and fabrics.

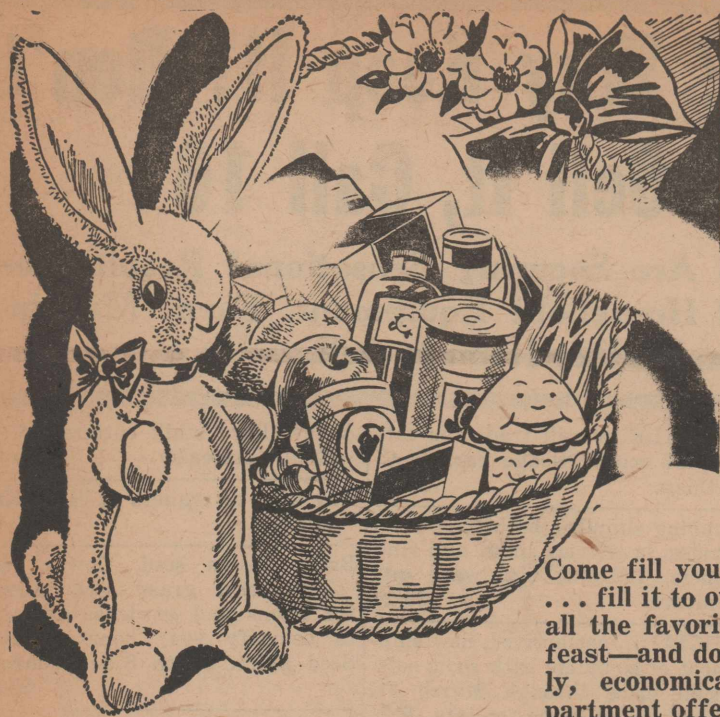

You get all this plus the many refinements made possible by years-ahead engineering and design. And, of course, all 1948 Kaiser or Frazer cars have the new Goodyear 24-pound pressure Super-Cushion tires that make bumps something you see but never feel.

Enjoy a ride today in America's newest new cars—the 1948 cars that have not gone up in price!

Wherever you drive, wherever you go, round the corner, down the street, there is a Kaiser-Frazer dealer ready to serve you with genuine factory parts and approved service.

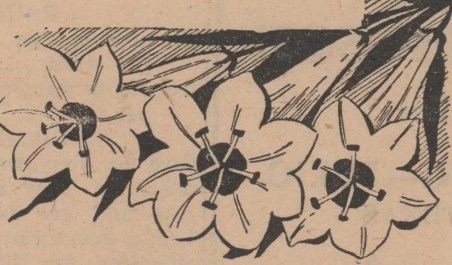

We Invite You to SEE, DRIVE and COMPARE Them, Today!

PHONE 239 - WE DELIVER - WELLINGTON, TEXAS

Loco Revival Opens Sunday

Revival services will open at the Loco Baptist Church Easter Sunday, March 28, and continue through the week, ending on Sunday, April 4, the Rev. Guy Killian, pastor, has announced.

The Rev. Guy Self of Olton will do the preaching, and Mrs. Killian will be in charge of the song services.

Two services will be held each day, at 10:30 a.m. and 7:30 p.m. Rev. Killian has extended a cordial invitation to the public to attend.

Churches Plan -

(Continued from Page One)

Appropriate music and the Easter sermon are planned for the morning hour Sunday.

Church of Nazarene

A communion service Sunday evening at 7:30 p.m. will be the high point in the Easter observance at the Church of the Nazarene in Wellington, the Rev. Austin Moore, pastor, announced.

This will follow the regular service on Sunday morning, when the sermon and music will be in keeping with the Easter season.

First Christian

The Easter services at the First Christian Church are planned for the morning service, the Rev. J. N. Darnall, pastor, has announced.

The program will include the doxology, invocation, response by Miss Jocille Gray, a hymn, the communion meditation and hymn, Communion, a prayer hymn, prayer, a duet by Mrs. Alice Prince and Miss Gray, a hymn of praise, and the sermon, "The Great Resurrection" by the pastor, Rev. Darnall. Mrs. Raburn Holton will be the pianist for the service.

Assembly of God

An all day service will be part of the Easter observance at the Assembly of God, the Rev. Walter Lane, pastor, announced. This also marks the opening day of a revival meeting to be held there.

Young people of the church will be in charge of the morning service.

Lunch will be served at the noon hour, and a fellowship meeting will begin at 2:30 p.m. Plans are being made to take pictures of the service.

For this day, any person who does not have a way to come to the services will be called for. Those desiring transportation should contact Rev. Lane.

Cantata -

(Continued from Page One)

T. J. Jones, Mrs. Noel Cudd, Mrs. M. D. Daw, Miss Mary Ann Daw, Miss Sue Anderson, Miss Tommy Ann Campbell and Miss Bessie Rainer.

Tenors: Benny Karnes, E. F. Bartlett, J. N. Griffis and Teddy Joe James.

Basses: Dr. E. W. Jones, R. R. Crawley, Percy Wells, Rev. Bryant, Bura Handley and Howard Moore.

Dodson School to Name 2 Trustees

Two trustees will be elected for the Dodson School district, Saturday, April 3, Supt. T. E. Lennon, said Tuesday after checking the school law covering election of trustees following the consolidation of additional school districts.

The election will be held at the First State Bank, with Gilbert Hunt as election judge.

Gospel of Christ

(Rom. 1:16)

CORNELIUS CONDEMNS US. Acts 10:2 mentions at least four of the outstanding traits of Cornelius. (1) "A devout man." He was filled with devotion for God. (2) "One that feared with all his house." He not only feared God, but influenced others to fear. (3) "Who gave much alms to the people." His giving to those in need was "much"! (4) "And prayed to God always." In these traits he condemns many Christians.

But with these fine traits of character, Cornelius was an unsaved man. He was told to send for Peter, "Who shall tell thee words, whereby thou and all thy house shall be saved" (Acts 11:14). Therefore, goodness and devotion alone are not enough to save. When Peter arrived Cornelius made known his desire to learn all that God required, for he said they were present "to hear all things that have been commanded thee of the Lord" (Acts 10:33). In this he condemns the many who want to do only a part of God's commands. Though he was a devout, fearful, benevolent man, and prayed to God always, which evidenced his faith in God, yet he was unsaved until he obeyed all the things commanded by Peter.

GOSPEL BROADCAST DAILY AT 10:00 A.M., SUNDAYS AT 9:15 A.M. KCTX CHILDRESS.

(Continued from Page One)

the inventor of the system which markets one of the greatest improvements in agricultural development.

On February 24, the first showing in the Southwest of the new Ferguson tractor took place in Dallas. Dealers throughout Southwest Company's territory were present and were informed of the Company's marketing plans by factory officials who had come from Detroit to keynote the inception of the program. The franchised Ferguson dealers learned that a construction contract had been let to Campbell Construction Company of Detroit and that work had started on "Ferguson Park" in Detroit. The contract calls for completion of the plant by July 31, 1948, and manufacture of the new Ferguson tractor will begin immediately thereafter. It will be the same tractor that is now offered to the American farmer by the Ferguson dealer organization. The initial rate of production will be 100 tractors per day which will be increased as rapidly as possible to 500 a day and later to 1,000 a day.

With its own source in this country, Harry Ferguson, Inc., its distributors and dealers, will do much to relieve the serious shortage of labor and farm machinery which is a limiting factor in the success of the proposed Marshall Plan. In this regard the new Ferguson tractor also makes available to the American farmer a new system of low cost hauling. The Ferguson Company has announced that the Ferguson tractor will pull a newly designed Ferguson built two-wheel trailer with a three ton load over soft ground, slippery roads up steep grades and over rough terrain.

This latest Ferguson invention should be of valuable assistance in the profitable marketing of the products of countless farms located at some distance from the nearest market. The first shipload of the new Ferguson tractors is expected in Houston, Texas, on or about March 16. Other cargos are en route to that port. From there they will be shipped to the Southwest Company Ferguson dealers at a rate permitting Ferguson dealers to display, demonstrate and deliver in increasing quantities. The week of March 29 has been proclaimed by the above Company's Ferguson Division, as "Ferguson Week", at which time the new tractor and the entire Ferguson System of implements will be displayed in the showrooms of each Ferguson dealer and the farming community will be invited to inspect it.

John Paul Jones was the first great naval hero of America.

Deck's DIDACTICS

—By Deskins Wells

It looks like a certain very prominent Panhandle man will enter the race for Congress from the 18th district. He is most able and one of the hardest working men I have ever known. He is a graduate of the University of Hard Knocks; but he is better educated than many who hold several degrees. For years he has been active in American Legion and Rotary circles; but he is best known as the creator and main inspiration of one of the Panhandle's most humanitarian and efficiently run projects. I'll give you one guess as to his name.

Last Saturday I went to a reunion of some of my old classmates and fraternity brothers. J. W. (Bill) Murphree who used to work for Fred LeDerer here in Wellington who is now the president of the Southwestern Engraving Co. in Fort Worth was the host. The occasion was a dinner in honor of Roy Crane, who created the Buzz Sawyer comic strip that you see in a number of papers. In fact he created Wash Tubbs and Captain Easy; but he got in a row with NEA Feature Syndicate and it turned out that they owned both the title and the characters in the strip. So Royston washed his hands of them and created another strip with a different set of characters and it is being distributed by King Features Syndicate.

In other days the title of a comic strip was the only thing that was copyrighted. But Hearst and Pulitzer got into a battle about 40 years ago. One hired the man who drew the Katzenjammer Kids out from under the other and the reprisal was that the other hired the man who drew Mutt and Jeff. But only the titles were copyrighted. In a short time each publisher had employed other cartoonists and that is the reason you see two sets of these comics if you read more than one daily paper. Here is how it was done. The name of Katzenjammer Kids was changed to Captain and the Kids, and the new cartoonist kept drawing the same characters. This made the syndicates cautious. When Roy Crane had his trouble with NEA he found that he was out, and he had to start all over again. There is no cause to shed any tears over the plight of this boy from Sweetwater, Texas. He is doing right well for himself in his home in Orlando, Florida, and every week more and more papers start using his strip.

There was a lot of wise-cracking and story telling at the Fort Worth reunion of the aged and weather beaten Phi Kappa Psi's. There was the tale about "gravel-wagon" Allen who hit what ought to have been a home run in a crucial game against Baylor but he was so slow on foot that he barely managed to get to second base. Texas lost the game and he acquired the name of "gravel-wagon." There was another about "radio" Mason

who is now a banker in Vernon. He did talk a little loud—about one-fourth as loud as Rufe Williams over on the east side of the square—but the name stuck. They also had a name for your patient understanding soft-spoken editor. It was something like "spit-fire" Wells. A brother was trying to tell me that the Ku Klux Klan had some good points, and what I meant to say was "hell-fire."

Wild Bill Murphree was the host. He paid for the meals and therefore he had a right to tell the best tales. All of a sudden he decided to quit drinking. He did this years ago and is now a pillar in the First Methodist Church of Fort Worth. He did not take a drink at his own party; but he did tell the best stories.

Here are two of Bill Murphree's best reminiscences. Bill was a buddy of John Bullington, nephew of Orville Bullington of Wichita Falls. One night he and John decided to attend the jam—a dance held for the entire student body. The doorkeeper decided that they should not enter—one of the minor reasons being that they did not have a ticket. The doorkeeper's name was Murphree. Bill Murphree told him that he was a disgrace to the name of Murphy and invited him out into the street. The doorkeeper had a job to do and he persuaded them to leave quietly.

Rumor of the event spread over the campus. It came to the attention of William Fred (Bill) Schmidt. He was up early the next morning and on the telephone. First he called Mr. Murphree and announced that he was Bill Murphree. He explained he was not

satisfied with the events of the last evening and wanted to meet him at the gravel pit east of the campus at 10 o'clock on Sunday morning. There were a few insulting remarks and doorkeeper Murphree was more than ready to go. Then Bill Schmidt phoned up Bill Murphree and told him that he was Jim Murphy and he wanted to see him at the gravel pit. At first the Wellington lad protested that he was not mad at anybody; but the remarks grew so bad that he became angry and agreed to be at the appointed spot at the appointed time. Fearing he might be ganged up on, he asked J. D. Sugg to act as his second. In the meantime Bill Schmidt had collected a number of spectators and driven up to the scene to see the event. When J. D. and the Wellington Murphree arrived a lone Jim Murphy awaited them. When the fight started and turned against his Wellington friend, J. D. could not interfere for Jim had no second and Bill Murphree took the whipping of his life.

He found out what Schmidt had done and bided his time. Bill Schmidt needed a course in Spanish to get his degree; but he did not know enough Spanish to pass a freshman course in high school. He knew a Phi Beta Kappa who had made A in a correspondence course in Spanish and bought his papers, and enrolled in the Extension Department to take Spanish by mail. He bored his classmates no end by reminding some who were sweating over French and Spanish and German how dumb they were and he would flourish his A report.

Murphree secured some letter-heads from the extension department and sent Schmidt the follow-

ing letter: Due to certain irregularities in your correspondence course, it will be necessary for you to appear before an instructor on April 10 and take an oral examination in Spanish. It was signed by the dean and Murphree, who could draw well, had forged the signature exactly.

A number of us were in the living room at the fraternity house when Schmidt came in and picked up the letter. Here is another A for old Schmidt, the Spanish student, he observed. It is too bad some of you French students can't make grades like I can, he said, looking right at me. He tore open the letter and his face went as white as a sheet. After a period of some silence Murphree asked solicitously: "What is the matter, William Fred?" Schmidt answered: "I've got to quit school. My old man is in trouble and I've got to go back to Fort Worth and help him in the egg business." He was allowed to sweat for two days and was on his way to the dean to resign when informed of the hoax.

As the evening wore on there was considerable serious talk at the reunion. Most thought well of Stevenson or Peddy in the senator-

ial race; but one came up with the remark not to sell O'Daniel short.

They were concerned about the Russian situation just as people are here. Some thought that there was a hope for peace if the Russians do not decide to start the war this year. After that the strength of a united Western Europe might make war improbable. Whether Italy goes communist will be an important factor. If it does the rush for preparedness will be on in the United States. One man thought that we might be in war by May if Italy goes communist. He thought the strategy of giving Trieste back to Italy was a sound move and could do a lot of good. One felt that price controls would be restored here in the United States if Italy goes communist. Regardless of how this comes out most felt that there would be an expansion of the Armed Forces of this country. Most of them did not think much of the Republicans lowering taxes this year; for they felt they would have to be raised again in 1949 if a preparedness program was started. One told of standby orders being given to some of his friends who were in the reserve. This is true in Wellington too.

Rev. Howard Jones, Evangelist

Pete Fast, Director of Music

A cordial invitation is extended to everyone to attend these services.

First Baptist Church Wellington

Beginning . . . another great era in power farming!

A Great New Farming Machine to help you cut the costs of food production still more! A powerful, rugged tractor with many new high-performance features designed from the experience of over 300,000 Ferguson System users. Stepped-up power lets you walk away with two 14-inch plows—with reserve for the tough spots. You can brake both wheels with a single pedal, or use the individual brake pedals for turning. And many other improvements for greater safety, economy and convenience.

A Miser on Fuel! Powerful Continental valve-in-head engine, combined with the weight-saving and automatic traction control of the Ferguson System, gives you more work from a gallon of fuel than you ever dreamed possible! High-torque design to give you amazing lugging power at low engine speeds. Responsive governor, fully enclosed from trash and dust. High-efficiency cooling fan and removable "wet" sleeves with full-length water circulation. An engine built to "take it!"

A New System for Low-Cost Hauling with revolutionary method of linking trailer to tractor. With this new Ferguson System of transportation you can haul loads of 3 tons or more out of soft fields, up steep grades, on slippery roads or over rough ground. On countless farms, located at average local market distances, this latest Ferguson invention slashes costs of hauling farm products—a revolutionary new solution to your farm transportation problems.

Only the Ferguson System, invented, perfected and patented by Harry Ferguson, and authorized only for use in the new Ferguson Tractor, gives you all five of these big advantages: 1. Penetration without excessive implement weight. 2. Both finger tip and automatic hydraulic depth control. 3. Traction without excessive built-in weight. 4. Keeps the tractor's front end down. 5. Automatically protects both implement and tractor when the implement strikes an obstruction.

NOW ON DISPLAY!

Avyrrilla Clay Crowned Queen of Quail School

By RUTH HIGHTOWER

In a setting of royal splendor, Avyrrilla Clay was crowned Queen of Quail School by Marvin Blevins Tuesday night, March 2, at the annual pie supper and queen coronation event in the Quail gymnasium.

No one knew who was to be queen until the attendants were grouped on the stage waiting for her Majesty the Queen to arrive, and Avyrrilla entered dressed in an orchid and yellow evening dress with long, flowing train. Avyrrilla, the junior candidate, was the candidate who received the most votes at the pie supper.

The queen's attendants were Marjorie Wilson, escorted by Jack Morgan, Jan Allen, escorted by Tommie Emmert, Pauline Spear, escorted by Perry Kennedy, Virginia Miller, escorted by Douglas Little. The prince and princess attendants were LaDonna Horton, escorted by Billy Manuel, Jean Ivey, escorted by Don Keith Wells, Donna Black, escorted by Z. J. Neeley; Fayteen Peeples, escorted by Jimmie Langford, Johnnie Lou Bruce, escorted by Ben Ray Ratliff, Patsy Sue Aaron, escorted by John Alf Thomas, Edith Messer, escorted by Bobbie Langford; and Janice Howell, escorted by Michael Vaughan. Train carriers were Delvin Black and Neal White. Flower girls were Meriece Sweeden and Gleta Faye Kennedy. Crown bearer was Connie Kay Souder. Mistresses of Ceremonies were Mae Blevins and Pat DeBord. P. J. White and Jimmie Pegram were

LETTERS From The PEOPLE

Hedley, Texas
March 2, 1948

Editor The Leader.

I read the article in last week's Wellington Leader about H. W. Lee of San Jon, New Mexico, bringing his cotton to Wellington for ginning.

I wonder if you have heard that Mr. Lee passed away in January, on the 17th, I think. I am not sure of the exact date. He was buried at San Jon. Survivors include his wife and 7-year old daughter, also several brothers and sisters.

And, speaking of dry-land cotton raising in New Mexico my father, N. A. Simmons, now of Clarendon, was the first to plant cotton in Quay County. He lived at Logan, which is a few miles north of San Jon, eighteen years and had some cotton every year. The first crop, 3 1-2 bales, was shipped to Hedley for ginning, in 1919. It was picked by hand and brought 45 1-4 cents per pound.

Mrs. C. D. Messer

flag bearers.

The crown placed on the queen's head by Marvin Blevins, was of white satin trimmed with gold. The queen's bouquet was a nosegay of sweet peas, iris, and carnations.

Rocket Boxers Nearing End Of Season

With the close of the boxing season approaching, the Rocket fighters will have two more bouts and take part in one tournament before going into the district contest at Clarendon April 15, 16, and 17, Coach John Lee announced this week.

The Rockets will go to Clarendon for a bout Thursday evening, March 25. The fights will begin at 8:00 p.m. and approximately the same boys that fought here, both Clarendon and Wellington, will again see action.

On April 1, 2 and 3, the Rockets will take part in the Shamrock Boxing tournament.

NEW FERGUSON TRACTOR DEALER VIEWS PRODUCT

A recent meeting of Ferguson Tractor dealers in Dallas was attended by L. E. Ward, Wellington dealer, recently, when the new tractor was put on display. Mr. Ward is shown second from left. The group of six men pictured above represent dealers in five states, Texas, Oklahoma, New Mexico, Arkansas and Louisiana.

John Caldwell To Play Here

At the Easter Dance the Wellington Veterans of Foreign Wars post is bringing to Wellington John Caldwell and his orchestra, who will be here Saturday night, March 27.

The dance will be held in the community building, according to Russell Yates, entertainment chairman for the VFW.

Featured with the orchestra will be Dorothy Day, known through entertainment circles for her charm as a singer, and the Harmonaires.

Playing a type of music that has earned him the title of "The King

of Sweet Swing," Caldwell has built up a wide following—music that doesn't go too far one way or the other, but that hits the spot with a majority of the dancers, as well as with those who like to sit and listen.

And for the latter, Mr. Yates said, there will be plenty of accommodations.

In addition to the Wellington area residents who have learned to look to the VFW for their dance entertainment, and to those from towns throughout the lower part of the Panhandle who also look to Wellington for entertainment, there will be present many of the college crowd, home for the Easter holidays.

MORE PRIZE WINNERS AT THE YOUTH PROJECT SHOW

Shown here are more of the first prize winners exhibited in the Youth Project Show here February 28, when 4-H boys and Future Farmers had an opportunity to show the public what they are doing with their livestock. At upper left Dale Hively shows the young bull which won first place for him in that division. Jimmie Pegram, center, exhibits a young White Face heifer, entered in the breeding heifer class, while at right J. C. Nelson shows the calf that won as junior grand champion in the division for fat calves under 800 pounds which was bought by Dick Wiley of the First National Bank. The prize winning hen at lower left was owned by Billy Joe Langford. W. D. Jones, second from left, exhibits the winning dairy cow, and in the next picture, Dan Knoll the winning dairy heifer. Not a competitor in the show, but on display was the fine bull at right owned by Mrs. S. W. Norwood and Bill Oldham of Samnorwood. While these animals were the winners, many other fine cattle, hogs and chickens were exhibited, each of which was a dollars and cents demonstration of the value of work that is being done with the youths who will be the Farmers of Collingsworth in a few more years.

Staff Photo

Baseball Opens As Major Schoolboy Sport

For the first time, high school baseball will be offered at Wellington, Bob Percival, who will be in charge of that sport, announced this week.

The Rockets will be in District 2-A, just as in football, and the season's schedule was announced this week by Mr. Percival.

The first conference game will be played against the Memphis Cyclones on April 6, although one or two practice games will probably be matched before that date.

Approximately 50 boys have indicated they would like to play baseball this spring, but the team

will probably be weeded down to around 25 or 30, Coach Percival said.

At present, the boys are working out on a diamond laid out behind the high school building, but as soon as the diamond at Marian Airpark is completed, the games

will be played there. An attempt will be made to match some night games, provided this can be done without interfering with the schedule of the Wellington Independent Club.

*ACA Program Gives Opportunity for Many Practices

"These are the efforts of the farmers of Collingsworth County in helping to conserve and build up the soil for the benefit of this generation as well as for future generations," Millard Brown, AAA administrative officer, declared this week as he indicated an impressive list of accomplishments by farmers of this section.

These soil conserving practices, all of which were carried out under the AAA program, ranged from terracing and building dams to seeding permanent pastures and applying commercial fertilizer, the latter a relatively new practice here. Altogether, they brought the farmers who carried out the practice a total of \$97,213.71.

J. A. Coleman of Dozier, county chairman under the AAA setup, continued the point.

"Conservation of soil should concern each of us. Everyone who eats has an interest in our soil bank account. Everyone has a responsibility in helping keep the account from running out. If that responsibility is not met, everyone will eventually be eating less with a greater comparative cost. Erosion affects the whole nation, not just the farmer who produces our agricultural products.

"By conserving our soil we preserve our future security as a nation. To do that is the aim and purpose of the Agricultural Conservation Program," Mr. Coleman continued.

To further get before the public an idea of the amount of soil conservation that has been done during the last year alone, Mr. Coleman and Mr. Brown have given the following summary, including (Continued on page Eight)

Come to Easter Services

Attend church services with your family and friends. The doors of the church are open to welcome you within . . . embrace you on this glorious day in sacred worship of His resurrection. You, your family, your friends will enjoy the beauty and magnificence of the service . . . the feeling of good-will derived from the significance of Easter. Come to Church this March 28th.

Come to church this Easter and glory in the magnificence of our beautiful Easter music. The organ, the choir . . . voices raised in harmony in worship of our Lord, Jesus Christ.

First Methodist Church

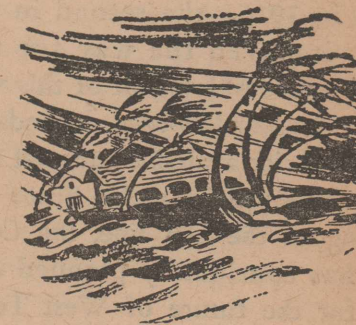

Rev. Noel Bryant, Pastor

Your Red Cross Depends On You

The Drive Is Now on in Collingsworth

When flood, fire or famine ravages the land the Red Cross stands ready to stem the tide, soothe the scars and succor the pangs of suffering. Now Ready your Dollars—to help the Red Cross help humanity wherever and whenever it is needed.

People successfully face many critical problems thanks to Red Cross Aid; the misery of the ailing soothed, and accident emergencies are met because the Red Cross prepared the way. So now Ready your Dollars to help the Red Cross, comfort, sustain, and restore.

MEMBER FDIC

Farm and Ranch Chatter

With Layne Beaty, WBAP, Fort Worth

This is being written in El Paso, where some 1500 cattlemen of the southwest have gathered to discuss the status of the outbreak of foot and mouth disease in Mexico. It is the 71st annual convention of the Texas and Southwestern Cattle Raisers Association. Attention is being given to other affairs too, but the gravity of the "Aftosa" situation, its economic effect upon Mexico and the danger of its spread to this country, accounts for a majority of the convention time.

Representatives of various branches of the government of Mexico, are in attendance here at the invitation of the TSCRA officials.

In its 71st year, the association has a membership of over 7100, which makes it easy to remember. It is an all time high. Represented are over a million and a third head of cattle. The association has many members in Oklahoma, New Mexico, Arizona and Louisiana.

One sign of the times has been observed by El Paso airport officials. During the cattlemen's convention, more private planes landed than at any other one time in history, they declare. Likewise, the foot and mouth disease dilemma attracted more attendance to the convention than usual. Many New Mexico and Arizona cattlemen, who seldom attend the meetings in other places, have registered for the El Paso conclave.

Several unofficial meetings in restaurants just across the Rio Grande in Juarez, Mexico, have been reported as unscheduled adjuncts to the convention.

The Texas Agricultural Experiment Sub-station at Ysleta, established in 1942, is doing some noteworthy work on cottonbreeding. In the El Paso region, all farming is done under irrigation. Cotton yields of from one to two bales are common.

Coming to El Paso by automobile, we ran into the first dust storm of the year at Pecos. They make apologies for it though, saying that only in March and April does this happen, and seldom at all after the first irrigating of farm land in the Trans-Pecos area. Hundreds of new water wells are being drilled now, and acreage under irrigation this summer is expected to reach 25,600, about five times last year's total.

Some old timers look with alarm at this heavy pumping of underground water, fearing the supply will run out. Other farmers point to scientific studies which reportedly show a bountiful and "inexhaustible" supply. At any rate, farming is undergoing a change around Pecos. Cotton will be at the main crop, necessarily grown in rotation with alfalfa. Drought years have seen virtually all cattle shipped out of the area.

It's no place for the man with small means, however. The word "acre" is seldom used. Land is worked by sections with heavy machinery. Clearing of brush, leveling, ditching, and well drilling must precede the first crop. It's a gigantic engineering job. Cantaloupes and other truck crops will be grown to some extent, too, as they have been for many years in the irrigated Pecos river Valley ground water.

Dodson Family Moves To Littlefield to Make Their Home

Mr. and Mrs. Kenyth Cass and children, Jerry and Marian Gay, moved recently from near Dodson to Littlefield to make their home. Mr. Cass has bought a labore of land two and one-half miles west of Littlefield, and they will make their home on the land. For a number of years he has farmed the place belonging to the late Mrs. W. M. Alexander.

Both grew up here, but their families moved away several years ago.

Fewer Meat Animals And Less Meat Is Due in 1948

COLLEGE STATION — There will be fewer meat animals and less meat in '48 which is hard on the consumer but money in the pocket for the producer. The situation holds true for Texas as well as the whole nation.

Extension farm management specialists for Texas A. & M. College say there are several favorable factors affecting the livestock market. Cattle prices will be affected by the heavy marketing of cattle and calves in 1947, as it brought breeding cattle numbers down and means a short calf crop in '48 for certain. Fewer calves and strong demand mean good prices for beef. The recent cold wave may cause still more breeding cattle to be marketed because of the high cost of winter feeds.

An early spring and good pasture conditions in the Feed Belt would make a good market for Texas cattle, as many farmers in that area plan to buy younger and medium to good grade cattle for use on their pastures this spring and summer and will feed them only a little corn until the new crop comes on in the fall.

Not only will there be fewer cattle to market this year, but fewer lambs. Many ewes in Texas are in poor condition and won't be able to stand continued severe weather without heavy feeding. Winter wheat pastures in Texas as a whole are in relatively poor condition. Last year small grain pastures carried a million lambs, but very few moved to that area in late '47 because of the drought. Many ranchmen have culled their flocks closely.

All in all, it looks like the demand will be good and the prices right for the livestock producer in Texas in 1948.

LOCO

By BETHINE ADKINS

Rev. C. O. Wells filled his regular Sunday appointment at the Bethel Methodist Church. A pre-Easter revival is being conducted by Rev. Hamilton of Clarendon from March 21 to 28. The public is cordially invited to attend.

Little Ronnie Brown visited his grandparents, Mr. and Mrs. G. K. Patterson of Buck Creek.

A musical was held in the J. R. Thomas home Tuesday night. Those attending were Mr. and Mrs. Alva Wood and daughter, Alva Nell, Mrs. Arley Sutton and children, Mr. and Mrs. G. W. Adkins and daughter, Mr. and Mrs. M. L. Adkins and children, Mr. and Mrs. Thomas and children, and Pat Patrick.

A spring revival will begin at the Loco Baptist Church March 28, with the Rev. Guy Killian in charge. Everyone is invited to attend.

T. H. Rainer and Silas Crawford were Pampa visitors this week. Mr. and Mrs. L. A. Sachse and Miss Virginia Sachse made a business trip to Amarillo Friday.

Mr. and Mrs. J. R. Thomas and family and Mr. and Mrs. G. W. Adkins and daughter visited in Hedley Friday night.

Our community was saddened by the passing of Mr. Bob Scivally, a brother of Mrs. E. V. McClelland. Mr. Scivally was well known throughout this section of the county.

Mr. and Mrs. J. A. Nichols and granddaughters of Childress attended the services at Bethel Methodist Church Sunday.

Mrs. W. C. Minter was a patient in St. Joseph's Hospital this week. She is reported to be on the road to recovery.

Mrs. Velman Warrick of Wellington and Mrs. W. D. Durfee made a business trip to Childress Wednesday.

Mrs. Roger Ellerd and Joe Roger of Memphis visited in the home of Mr. and Mrs. Roscoe Ellerd.

Mrs. R. H. Lacy is suffering with the flu this week.

Mrs. Clarence Kesler of Fresno visited services at the Methodist Church Sunday night.

A dollar bill is six and one-eighth inches long.

Michelangelo, the famous painter, was born in Italy.

I'm always planning and building for the future of West Texas

WHEN the West Texas Utilities Company built the first high-voltage transmission line in West Texas in 1915—the second in the state—it paved the way for the growth and development of this vast area by making low-cost, dependable electric service available to small and large communities alike. Since the building of the first line, the Company has continually planned and built for the future of West Texas until today it operates more miles of transmission line than any other company in the state.

During 1947, the West Texas Utilities Company constructed 121 miles of additional transmission lines; brought electric service to 6,033 more customers, including 514 rural connections. As a result of careful planning there was no curtailment of the use of electric power. In spite of unprecedented demands and despite shortages of materials and equip-

ment, an abundance of electric power was available for all consumers. In fact, 59,879,000 more kilowatt hours of service were provided in 1947 than in the preceding year.

Also, during 1947, more than \$2,800,000.00 in wages were paid to employee citizens of West Texas. During the year \$1,873,000.00 were contributed to local, state, and federal governments.

While supplying the present electric requirements, the people of your service company are devoting full energy to planning and building for the future. During the next four years, the Company will spend \$18,000,000.00 enlarging plants and existing facilities and constructing transmission and distribution lines in an all-out effort to bring low-cost electric service to more and more people—in their homes, on their farms and ranches, and in their businesses.

The Simple Wash Dress

The simple wash dress pictured above once more steals the show as spring and warm weather make their appearance. The dress is available in solid colors, and the simple lines make laundering an easy thing.

Mrs. Vergil Owens Is Honored With Pink and Blue Shower By WMU Baptist Church

The WMS of the First Baptist Church met at the church on Monday afternoon, March 22, to honor Mrs. Vergil Owens, a French war bride, with a pink and blue shower. The group sang "America," at the opening of the program, and the French Anthem, "Marseillaise" was played. Mrs. Howard Jones read the scripture and Mrs. C. C. Bishop gave the prayer. Zora Dell Austin gave a piano solo, Mrs. Jack Hurst gave a reading, Mrs. Truman Estes played an accordion solo and Mrs. Rufus Sweat and Mrs. Fred LeDerer sang a duet. The honor guest was introduced by Mrs. Bishop.

Attending were: Mmes. Jess White, Jess Cook, W. M. Tucker, W. T. Williams, Ben Wilhelm, L. A. Hunt, J. M. Hurst, Steve Owens, C. C. Bishop, Noble Murray, Ed Smith, Fred LeDerer, W. C. Davis, G. T. Austin, L. V. Moore, W. W. McClaskey, J. F. Isaac, Lester Hunter, Mary John Moore, Truman Estes, Orval Couch and C. A. Bradford.

Also Mmes. Floyd Nipper, Cicero Gully, Howard Jones, L. A. Moore, Hattie Clifton, Henry Davidson, Rufus Sweat, H. A. Davis, Raymond Patton, Dan Jones, J. B. Castleberry, J. M. Stowell, J. C. Whisenant, Claude Neese, Cecelia Williams and Zora Dell Austin and the honoree.

The group packed eight boxes to be sent overseas to French families.

Delta Kappa Gamma Meets In Wellington Saturday For Regular Session

The regular chapter meeting of Delta Kappa Gamma, national honorary education fraternity, was held in Wellington on Saturday afternoon, March 20, and was attended by members from Clarendon, Memphis, Childress and Wellington.

"Helping Handicapped Children" was the subject of a talk given by Miss Florence Kitchen of Childress. Two new members, one from Childress and one from Memphis, were initiated into the group.

Attending the meeting from here were Mrs. Ruth Barton, Miss Lovea Pierce, Miss Delia Cowan, Miss Maudie Coffee, Miss Bonnie Willis, Miss Hattie D. Wells and Miss Novella Chambers.

Mrs. Sid Rogers Hostess To 1924 Study Club Members March 18

Mrs. Sidney Rogers was hostess at the 1924 Study Club meeting that was held in the Community Building on Thursday, March 18.

Mrs. Chester Fires gave a talk on "Silver and Glass," that was illustrated by a moving picture, and "Home Furnishings" was the subject of a talk given by Mrs. D. G. Ellis and this was also illustrated by a movie.

Seventeen members and three guests attended the meeting. Present were Mmes. John D. Glenn, Tom Campbell, J. F. McWilliams, Frank Anderson, J. B. Castleberry, Ansel McDowell, Clark Anderson, Annie Wall, W. O. Richards, Morris Wells, J. W. Wells, Sam Gholson and Miss Katherine Bo-verie, Mrs. Fires, Mrs. Ellis, Mrs. Singley and the guests, Mrs. William Barjenbruch, Mrs. Warland Brummett and Mrs. Taylor from Indianapolis.

Society News

Game Tournament To Be Held Mon.

Games of forty-two and bridge will be played and refreshments of coffee and pie will be served at the game tournament on Monday evening, March 29, at the Community Building.

Members of the Business and Professional Women's Club will be hostesses for the evening.

At the tournament, guests may either play with chosen partners during the evening or play with the group whose partners progress game after game.

Tickets may be purchased from members this week or may be bought at the door.

Home Demonstration Council Holds Regular Meeting Saturday, March 20

Members of the Home Demonstration Club Council met on Saturday afternoon, March 20, in the office of the home demonstration agent.

Plans were announced for a reporters' training school that will be held in the office on Saturday afternoon, April 10. It is also announced that the Achievement Day would be held on October 9, and that the encampment would be held on August 26 and 27.

Work is now underway for a county-wide silver tea that will be held on May 6.

The council voted to invite the T.H.D.A. district meeting to the county in 1949.

Homemakers Class Members Have Covered Dish Luncheon Meeting

A covered dish luncheon and business meeting was held by the Homemakers Sunday School Class on Wednesday afternoon, March 17, at the Baptist Church.

After a social hour, Mrs. G. T. Austin, president of the class, presided at the business meeting. Mrs. T. E. Bengé gave the devotional and a round table discussion was held on prayer and spiritual life.

Attending were Mmes. W. E. Davis, C. C. Bishop, L. A. Hunt, H. A. Davidson, L. A. Moore, T. E. Bengé, Claude Neese, Bill Smith, A. N. Hutcherson, George Austin, J. C. Whisenant, Howard Riggs, J. A. Dukeminier, Charles Slay, J. M. Stowell and Jess Cook.

Miss Robena Johnson Is Wed To George W. Duncan Jr. In Twilight Service

Miss Robena Johnson, daughter of Mr. and Mrs. Robert N. Johnson of Quail, and George Wesley Duncan Jr., son of Mr. and Mrs. G. W. Duncan of Artesia, N. M., were married at a twilight service on February 28, in the parsonage of the Church of Christ. Min. Vaughn D. Shofner officiated. Accompanying the couple were Miss Eva Mae Turner of Canadian and Joe Shamford of Artesia, N. M.

Mrs. Duncan was dressed in a brown suit with matching accessories. She is a graduate of Samnorwood High School, where she was

Miss Mary Beth Dupree Becomes Bride of Walter A. Nelson In Lubbock Ceremony

Miss Mary Beth Dupree, daughter of Mr. and Mrs. Tom W. Sawyer, became the bride of Walter A. Nelson, son of Mr. and Mrs. J. R. Nelson of Wellington, on Saturday night, March 20, in a double ring ceremony in the home of the bride in Lubbock.

Dr. H. I. Robinson, pastor of the First Methodist Church, read the vows before an altar arranged in front of the fireplace that was decorated with pink and white and lighted with white tapers.

The bride, given in marriage by Mr. Sawyer, wore a dusty rose gabardine suit with navy accessories and carried a white Bible topped with an orchid corsage. Her only jewelry was a gold locket belonging to her mother.

Miss Ruth Dupree of El Paso attended her sister as maid of honor. She was attired in an aqua gabardine suit with accessories of black and a corsage of pink and white variegated carnations. Claude Nelson attended his brother as best man.

Immediately after the ceremony, a reception was held for the newlyweds. The wedding cake centered the bride's table which was covered with a Mexican drawnwork cloth.

The bride, a graduate of Lubbock High School, attended Southwestern University for two years where she was a member of Zeta Tau Alpha sorority. She attended Texas Tech in the fall.

Mr. Nelson was graduated from Wellington High School where he was an outstanding football player. He served for four years in the Navy and is now a senior at Texas Tech where he is a member of the Double T association.

The couple is at home at 920 Twentieth, Lubbock.

Circle 1 of the WSCS Of Methodist Church Will Meet Friday

Circle 2 of the WSCS of the Methodist Church will meet on Friday afternoon, March 26.

The group will continue its study of the "Great Prayers of the Bible."

Childress B and PW Club Is Hostess At District Meeting

Approximately 100 Business and Professional Club members from District 10 attended a meeting in Childress on Sunday afternoon, March 28. Special guest at the meeting was president-elect, Miss Ruth Townsen of Fort Worth.

Miss Townsen was introduced to the group by Mrs. Louise Bowers of Childress, director of the district, and she outlined the plans that have been made for the biennial convention that will be held in Fort Worth in July.

The holding of the national convention in Texas is a personal victory for Miss Townsen as she first extended the invitation eleven years ago. Now, as Texas prepares to act as hostess to the national convention, Miss Townsen is chairman of the biennial committee and reports that plans have been made for a greater biennial than any state has ever had.

The Texas Federation has a \$10,000 budget setup to cover the expenses during the six days of the convention. Miss Townsen reported that 1,100 advance reservations had already been received.

Attending the district meeting from Wellington were Misses Dorothy Robertson, Dora E. McClaskey, Bessie Rainer, Anna Lee Graham and Priscilla Chase.

Mrs. Raburn Holton Hostess To Missionary Society At Breakfast

Mrs. Raburn Holton was hostess at a breakfast honoring the members of the Missionary Society of the First Christian Church on Friday, March 19.

The home was decorated and a centerpiece with an Easter motif graced the serving table.

Attending were Mmes. Obert Childress, Emil Kersten, O. D. Holton Sr., Zook Thomas, Ernest Lewis, Gordon Peters, David Peters, Earl Fenley, J. N. Darnell, Greer Dumas, O. E. Plank, Jess Wilson, Sandown Smith, Herman Childress, J. M. Strong, C. C. Ralls and the hostess.

Mrs. W. C. Harwell Hostess To Fresno HD Members At Recent Meeting

Mrs. W. C. Harwell was hostess to Fresno HD club members on Tuesday, March 16, and the group enjoyed a demonstration in house wiring that was given by Joy Riley the home demonstration agent.

Refreshments were served to those attending the meeting. Present were Mmes. H. B. Lowrie, W. A. Morrow, C. A. Kesler, H. E. Wynn, E. C. Clement, and Misses Inez and Mable Clement.

The next meeting will be held on March 30 in the home of Mrs. T. C. Clement.

Guy B. Clement was a recent medical patient in St. Joseph's Hospital.

Shorter in Sleeves

Spring dresses will be shorter in sleeves, perhaps to make up for the longer skirts. The cool number shown above has the abbreviated sleeve length.

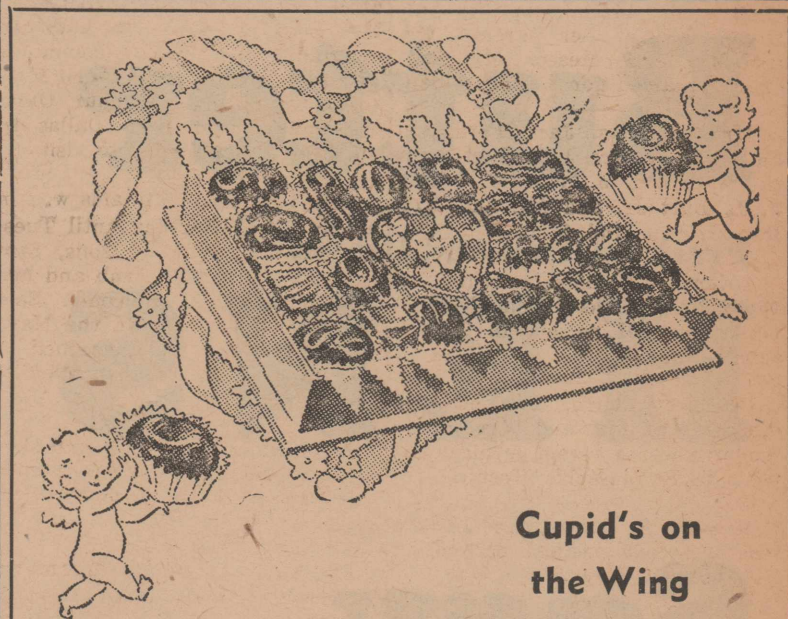

The Faithful Workers Class Members Have Dinner Meeting March 22

The Faithful Workers class of the Samnorwood Baptist Church met in the home of Mrs. Charlie Bradley on Monday evening, March 22, for the regular monthly dinner meeting.

After a delicious covered dish dinner had been served, Mrs. Roland Bryan presided at the busi-

ness meeting and Mrs. Harry Jones gave the devotional. The group played games under the direction of Mrs. Theo Parker, the class teacher, and the hostess.

Present were Mmes. Ernest Browning, Roland Bryan, Tom Cunningham, Preston Glazner, Clyde Brown, Harry Jones, Theo Parker, Guy Lindley, Orville Cunningham, C. R. Holt, Odus Bradley and the hostess, Mrs. Bradley.

Mr. and Mrs. Herbert Duncan and son of Englewood, Calif., are visiting their parents, Mr. and Mrs. G. N. Scruggs and Mr. and Mrs. H. L. Duncan, and other relatives.

Mrs. J. F. McWilliams was a recent medical patient in St. Joseph's Hospital.

Mrs. Shelby Smith of Childress was a recent medical patient in St. Joseph's Hospital.

Larry Jessie, son of Mr. and Mrs. Tom Jessie was a recent medical patient in St. Joseph's Hospital.

Mr. and Mrs. Vernon Ratzlow and children of Phillips visited her parents, Mr. and Mrs. Pink Sullivan over the week end.

Mr. and Mrs. Grady Penley and Mr. and Mrs. Mack Hunter of Childress spent the week end in Wichita Falls visiting Mr. and Mrs. Idus Smith.

Mr. and Mrs. Charles R. Mitchell went to Oklahoma City Saturday to visit her parents, Mr. and Mrs. S. R. Meason. Mrs. Mitchell remained for a longer visit.

Mr. and Mrs. Jack Ford and children and Mrs. J. L. Burt spent the week end in Amarillo visiting J. L. Burt Jr. and Mr. and Mrs. Roy Brinson and family.

Leverne Coleman, daughter of Mr. and Mrs. Alce Coleman was a recent medical patient in St. Joseph's Hospital.

Glenda Amburn, 2 month old daughter of Mr. and Mrs. Clyde Amburn was a recent medical patient in St. Joseph's Hospital.

Mrs. W. E. Brewster of Dodson was a recent medical patient in St. Joseph's Hospital.

Mr. and Mrs. C. McMillin of Allison and Mr. and Mrs. Donald McMillin and Linda Ann of Amarillo spent the week end visiting Mr. and Mrs. Sandy Parsons Jr.

Mrs. Austin O'Neil is a medical patient in St. Joseph's Hospital.

Mr. and Mrs. Clark Hudson spent Sunday in Altus visiting his parents Mr. and Mrs. H. L. Hudson.

Mr. and Mrs. O. D. Martin and daughter Jimmie of Vernon spent the week end with her sister, Mr. and Mrs. S. L. Lindsey.

Mr. and Mrs. Joe Coleman and daughter Anne visited relatives in Pampa Sunday.

Mr. and Mrs. Aubrey Stuckey and Sam Howard of Wichita Falls spent the week end visiting Mr. and Mrs. Frank Stuckey and Mr. and Mrs. V. V. Durham.

Mrs. N. Shadid, George, John, Marie and Rose spent Sunday in Altus visiting their uncle Mr. E. A. Shadid.

Mrs. J. S. Pool and Miss Winnie Pool of Portales, N. M., visited her sister, Mr. and Mrs. A. T. Smith over the week end.

Mrs. Curtis Brewer of Dodson underwent major surgery in St. Joseph's Hospital Monday.

Glen Brickley was a medical patient in St. Joseph's Hospital two days week before last.

Charles Lee Watts entered St. Joseph's Hospital recently following an accident. He was dismissed last Monday.

Treva Young, daughter of Mr. and Mrs. Tiffin Young is a medical patient in St. Joseph's Hospital.

W. H. Davis was a medical patient in St. Joseph's Hospital three days recently.

D. G. Mahaffey who has been quite ill at his home near Aberdeen, was reported by friends early this week to be improving.

Mrs. W. W. Sugg and Miss Jewell Sugg returned home recently after two months away from here. Mrs. Sugg spent the time with her daughters, Mrs. Price Dukeminier, who now lives in Dallas, and Mrs. Jessie Crawford in Sulphur, Okla. Miss Sugg went from Dallas to the Rio Grande Valley to visit.

Mrs. R. Martin Williams was in Austin from Thursday until Tuesday, visiting with her sons, Sam Holcomb, Carter Holcomb and Mr. and Mrs. H. A. Holcomb. Sam Holcomb, who served in the Navy during the war and remained in the reserve, has been recalled to active duty.

Mike Scales, son of Mr. and Mrs. Samuel Scales, was a recent medical patient in St. Joseph's Hospital.

Mr. Monroe Lewis of Shamrock is a medical patient in St. Joseph's Hospital.

Mr. and Mrs. Waddell Bailey of Colorado Springs were here late last week visiting his sister, Mrs. Dave Thomas and Mr. Thomas, and their son and family, Mr. and Mrs. Richard Bailey and children.

Triple Birthday Celebration Honors Harvie Price, Newt Price, Mrs. O. A. Terry

Newt Price, Harvie Price and Mrs. O. A. Terry were honored at a birthday celebration and dinner at the home of Mr. and Mrs. Newt Price of Lutie on Sunday, March 21.

After gifts were presented to the honorees, dinner was served buffet style to the guests. Attending were Mr. and Mrs. Harvie Price of Wellington; Mr. and Mrs. O. A. Terry, Eugene, Daphne and LeDon of Lutie; Mr. and Mrs. Claudie McCullough, Claudine and Beveda of Dallas; Misses Norma Dee Price and Ina Dean Browning of Childress; Mr. and Mrs. John Price of Tahoka; Mrs. E. P. Price, Mr. and Mrs. Bobbie Price, Peggy and Calvin and Ruth Pitts of Littlefield.

Also Miss Johnnie Price of Lubbock; Mr. and Mrs. C. B. Brown and Sterling; Mr. and Mrs. Wesley Terry and Eddie and Ellen, and Rev. and Mrs. W. E. Brown and the hosts and their daughters, Joyce and Bettye.

Belle Lettres Club Meets In Bartlett Residence Friday, March 12

The Belle Lettres Club met in the home of Mrs. Esdell Bartlett on Friday, March 12. "Trees" was the subject of a talk given by Mrs. J. M. Stowell.

Present were Meses. A. B. Clark, Cameron Beam, Dick Richards, F. A. Hatch, Howard Riggs, Velman Warrick, Cicero Gulley and Mrs. Stowell and the hostess.

Mrs. Albert Van was readmitted as a medical patient in St. Joseph's Hospital last week.

Rumin Osborn of Vinson was a medical patient in St. Joseph's Hospital recently.

Mr. R. B. Lewis of Shamrock is a medical patient in St. Joseph's Hospital.

Mr. and Mrs. Gurrin Hardin of Cold Springs, Okla., are here this week visiting her brother and sister-in-law, Mr. and Mrs. Glenn Kirk, and attending to business. Mr. Hardin who was a clerk in the Wellington Post Office prior to 1935, is now a rural route carrier out of Cold Springs.

Trim-Waisted

A dress such as the one shown above is useful not only for early vacations but right through the summer as well. White crepe, polka-dotted in black, is cut on princess lines, with interest focused on the middle. Fan-shaped stack pleats are set in on each side of the waist to give fullness to the skirt. The collar is pointed, with a black velvet tie.

WCS Has Regular Monthly Meeting of Circles 1, 2 On Friday, March 19

WCS of the Methodist Church met on Friday afternoon, March 19, for the regular monthly business meeting of Circles 1 and 2.

Mrs. Sam Gholson reviewed the book, Women of the Bible, and Mrs. A. L. Elliott gave the devotional.

Attending the meeting were Meses. L. E. Gribble, Sid Rogers, Myrett Henry, Hazel Watts, Velman Warrick, W. A. McClure, J. K. Porter, E. K. Jones, Noel Cudd, Noel Bryant and Mrs. Gholson and Mrs. Elliott.

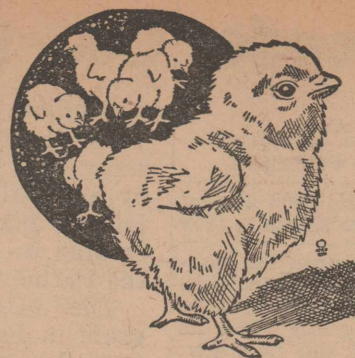

NOTICE

The Teachers Still Hold the Bag

Over 21,000 teachers seem doomed to be the goat in Texas politics during this election year. Rural aid school teachers now face the probability that they must borrow money from their local banks in order to receive a full-year's salary.

Rural aid school districts are coming up on the short end of things this year. Governor Jester has refused to call a special session of the legislature to remedy the situation.

During Governor Jester's administration steps for equalization have gone forward throughout the state. Qualifications and obligations were carefully laid out. But when the funds were appropriated for the equalization program, the potential number of state aid schools were underestimated.

As school district after school district qualified as a rural aid district, budgets were set up around the money the legislature promised would be available. Approximately 260 new schools qualified and applied for these funds.

Now, these new rural aid school districts have used up the available money and are short some \$3,000,000 for the current year. This shortage must be made up somewhere. Since it is impossible to cut down on the utilities and other services in the schools, the teachers will make up the difference one way or another.

The governor refused to call a special session of the legislature to make up what seems to be an obligation. However, he had another solution. The president of the Texas

Planting by Plane

About 1600 acres of Parmer county range land has been seeded to Love Grass by a low-flying airplane with a Flying Farmer pilot in the past few weeks, according to Harold Carpenter, secretary of the Parmer county ACA.

The ACA sponsored the seeding program in Parmer county as a part of the 1947 Conservation program. Land infested with Johnson grass, thinly sodded native grasses, and land subject to erosion was chosen for the experiment.

Charlie Walker, of Plainview, an ag major out of Texas Tech and President of the Texas Chapter of Flying Farmers, was the pilot for the experimental planting.

It worked like this:

A plane is loaded with enough Love Grass seed to sow one pound per acre over the plot to be seeded. A two-man ground crew, generally the owner of the farm and one helper, take positions at the edge of the field to be sowed, showing the pilot where to fly.

The plane is brought in at an altitude of about 10 feet—yep, that's right—10 feet, not 100—and as it reaches the turn row at the designated spot, the seeder is turned on.

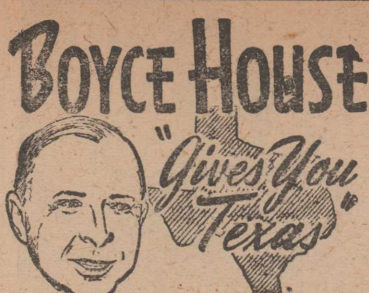

Seed are dropped through a blower powered by the wind blast of the propeller, and spread across a 45 foot swath. When the plane has flown the length of the field the two ground crewmen step off 45 feet and mark the course of the second run. The pilot shuts off his seeder at the turn row, and makes a 180 degree turn, coming back across the field in line with his markers.

The whole operation is accomplished with such speed and efficiency, Carpenter reports, that 100 acres can be sown in an hour. The seed hopper is regulated so closely that only a handful of seed is left in the hopper after a field has been seeded—John W. White in the Friona Star.

Bankers Association, W. A. Kirkland, was called in and it was agreed that the local banks would tide over the districts.

These banks have been directed to accept the teachers warrants for which there are no available funds. The warrants will be accepted as security for individual loans to each teacher. Neither the state nor the school district will be legally obligated under this set-up.

The governor expects that the 1949 legislature will make up the deficit next year. At any rate he has side-stepped the issue so that the problem will not have to be faced until the elections are over. And, once more, the teachers are holding the bag.

Almost 25 years ago, Brady sent out a motorcade to extend an invitation to the sheep and goat raisers to attend the convention which was to be held that year in that city and I went along, being in those days a young newsgatherer for the old Fort Worth Record.

Just as soon as the motorcade—consisting of about 20 cars with nearly 100 persons—came to a stop in the first town, somebody stepped out of the waiting crowd and asked, Where is Boyce House? When this had happened four or five times, the other motorcaders—none of whom had ever heard of me until that trip—began to be impressed.

Fact of the matter was, I had written to the mayor of Chamber of Commerce manager in each town and said that if he'd see me and give me a few interesting facts about the place, I'd include it in the writeup!

That was the same trip that a fellow newspaperman imbibed rather freely across the Rio Grande and when he got back to the hotel, gave me his packet book to keep for him. Next morning, he'd forgotten all about it; told me he'd been robbed and when I told him I'd be glad to make him a loan and he eagerly agreed, I pulled out his pocketbook and handed it back to him to his great surprise and delight.

Then there was another newspaperman and he had just raised the water bottle for a drink when the car hit a chug-hole and he almost strangled. We pounded him on the back and at last he gasped, "Don't tell anybody; they wouldn't believe it was water—or else they'd say I was so unused to drinking water, that it strangled me."

Tragedy threw its shadow across the trip. In Del Rio, an attorney gave the address of welcome and then we "fell to" on the barbecue dinner. An hour or so after the

speech, the attorney was stricken with a heart attack and died.

At Sonora, there was a dance on a platform in the center of town and it was quite a scene to hear the fiddles going and see the cowboys clumping about the dance-floor in their high-heeled boots.

A citizen told a story of a shooting which he said had taken place in the town's wild-and-woolly days. Two men were playing a game of pool one night. One player stooped over the table to make a shot and, the instant that he bent, a bullet came through a window and killed his adversary.

Quite an interesting experience was that Brady motorcade. It doesn't seem like towns have them, any more.

Elias Howe invented the sewing machine in 1846.

Dynamite was invented by Alfred Nobel in 1867.

China was the first country to develop gunpowder.

"Zero-Zero" to "CAVU"

By BILL HUGHES

Now at Marian Airpark is the opportunity to learn to fly. It is an opportunity open free to all eligible G. I.'s. It is open to all who have any desire to learn to fly. This opportunity is located just one and a half miles South and East of the Collingsworth County Court House in Wellington, in other words, right here at home.

The flight school is called Kane School of Aviation. Let me tell you why Tom Kane is an opportunity, a real opportunity. He has lived, slept and eaten aviation and flying for eighteen years. He has piloted an airplane for a total number of hours that exceeds 7,000. That is the equivalent of 365 24-hour-days spent flying in the air above the earth. That is equivalent to having traveled 850,000 miles or 37 times around the world in an airplane. He has in that time flown 43 different types and kinds of airplanes. The smallest was a two cylinder 20 HP Aerocopa dubbed the "Air Knocker." The largest single engine airplane was the P-47, the "Thunderbolt," rated at takeoff around 3,000 HP. His experience in multi-engine airplanes includes through the B-25 class. He has flown different types of planes 7,000 hours and never damaged one of them!

He has instructed student classes from primary through advanced training including instrument flying. He has taught to fly approximately 700 military and civilian pilots. He has never had even a student scratch an airplane!

He has 1,500 hours experience giving exhibition and teaching acrobatics. The purpose of acrobatics is to learn to fly and to accurately control an airplane in any altitude. It is an exercise to develop orientation and precision. Real precision acrobatics demands the ultimate skill in obtaining the maximum flying performance of an airplane. It is an important part of a thoroughly rounded pilot's background.

There are three maneuvers which I particularly hope to see Tom do in a 225 HP Steerman Trainer. I will promise you that there is not one out of a thousand who can "roll around the table," "loop off the top of an immelman," and do a "four leaf clover with a quarter turn on the bottom," and make a real "square loop," as they should be done. Tom says, "I can fly 'em a lot easier than I can sit here and talk about them." I don't doubt it.

In his eighteen years of experience he has had all kinds of engine failures and numerous emergency landings, particularly back in the early days of flying. He has lost a complete engine out of an airplane. Yet, in that eighteen years of over 7,000 hours of flying, he has never used a parachute and has never wrecked an airplane. Think of it! 845,000 miles by air, more than 700 students, better than 1,500 hours of acrobatics, not a single parachute jump, and not a single accident! I believe that this record speaks most adequately for itself. That record is rare. Tom Kane, the man who made that record, is our real opportunity right here in our own back yard. Don't miss the boat, for you will never find a better instructor anywhere.

Real Estate Transfers

Thirty-Five on High School Honor Roll

High school honor roll students, numbering 34, were announced this week by Principal Boyd Russell for the six weeks which has just ended.

In explaining the grading system, Mr. Russell said that those on the A honor roll were students who had made a grade of A in all subjects. Those with an A average were students whose average of all subjects was 90 or above, and the B honor roll were those with an average of B.

The list includes:

Seniors: A roll: V. C. Saied and Betty, Karnes. A average: Joy Lamkin, Junior Trimble and Elmon McBroom. B roll: Neeta Ball, Zora Dell Austin, Joyce Hightower and Billy Wayne Karnes.

Juniors: B roll: Joe Evelyn Hackler, George Shoff and Virginia White.

Sophomores: A roll: Joan Thompson. B roll: Ann Phillips, Betty Fenley, Delores Somerville, Ginger Russell, Richard Wright, Robert Patrick, Joe Lynn Moore and Rudell Burkhalter.

Freshmen: A roll: Barbara Wells. A average: Bobby Tinney, James Posey, Jimmie Agée, Billy Warren and Peggy Carroll. B roll: Jack Hunter, Floyd Keller, Laddwin Bowen and Galia Needham. Eighth grade, B roll: Donald Shoff and Margaret Kersten.

Baseball -

(Continued from Page One)

sponsored Junior baseball team will be used by the high school players.

"Practice has just begun, but we already have several boys who look like they are going to develop into something good," Coach Percival said. Three of this group gained valuable experience playing for the American Legion team last summer, Walter Johnson, Robert Fulton and Walter Lee O'Neil.

The 1948 schedule includes the following games:

April 6: Memphis at Wellington.
April 13: McLean there.
April 16: White Deer here.
April 20: Canadian there.
April 23: Shamrock there.
April 27: Memphis there.
May 4: McLean here.
May 7: White Deer, there.
May 11: Canadian here.
May 14: Shamrock here.

Boys out for baseball include Walter Johnson, Bobby McCutcheon, Newell Van Pelt, Gene Moore, Rogers Melton, Walter Lee O'Neil, J. R. Spear, Jack Ball, Bobby Tinney, Keith McMillin, Jack Hunter, George Shoff, Billy Wauer, Tommie Lowrie, Bill Spraggins, T. J. Mayhugh, Gene Harrison, Floyd Keller, Howard Ball, Rudell Burkhalter, Clinton Childress, Lindell Norman, Robert Fulton, Earl Patterson, Jimmie Terry, Dale Hively, Donald Terry, Leland Finley, Boone Eads, Jerry Bollen, Earl Smith, Pat Riley, Jimmie Brock, Dwain Bowen and Bill Combs.

Much Progress -

(Continued from Page One)

the number of farms on which the practice was carried out, the extent and amount of payment each practice brought:

Terracing, 98 farms, 1,584,024 linear feet, \$23,759.36.

Houselog H. D. Club To Sponsor Food Sale on Saturday

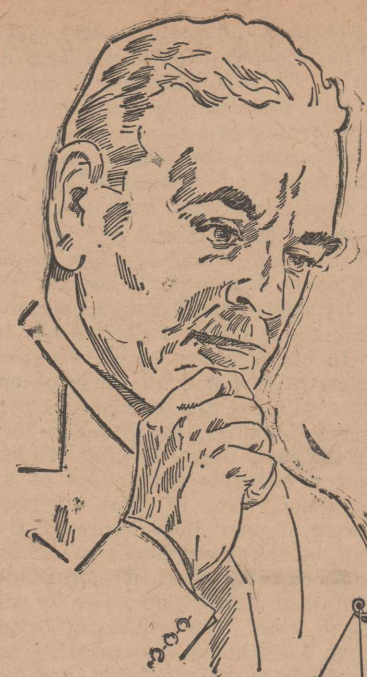

The Houselog home demonstration club will hold a food sale at the H & H Furniture Company Saturday, March 27, it was announced this week.

The sale will begin about 9:30 a.m. and continue throughout the day.

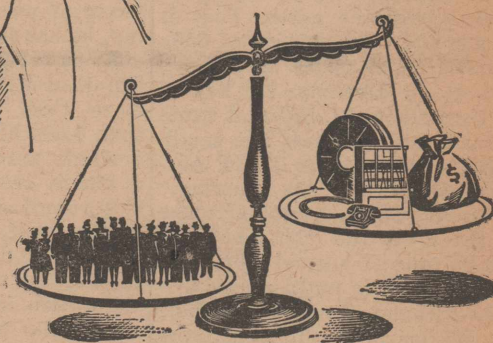

The public is invited to attend, and a wide variety of food will be offered.

Numismatics is the science dealing with coins and medals.

Don Quixote was written by Miguel de Cervantes.

how much is enough?

We wish we knew. In spite of our best efforts, the demand for telephone service continues to exceed the supply of materials necessary to provide it. We have already installed a record number of telephones, but still more applications for new service continue to come in. All of our efforts are aimed at "balancing the scales"—to have installations keep pace with new applications. It takes time and money, but we hope before too long to keep up with this tremendous demand.

Judas betrayed Jesus for 30 pieces of silver.

Denmark sold the Virgin Islands to the U. S. in 1917.

Turn that Junk Pile into **CASH!** Highest Prices paid for Scrap Iron and Other Metals.

SIMMONS GIN & SALVAGE

When the Weather Man Says "GO" Will You Be Ready?

BETTER BOOK A HURRY UP REPAIR DATE WITH US RIGHT AWAY

We'd Like to Be Optimists

But we just can't honestly see too much of the bright side yet along farm machinery prospects. Deliveries are still just "dribbles." There is no reason to expect any radical change for the better.

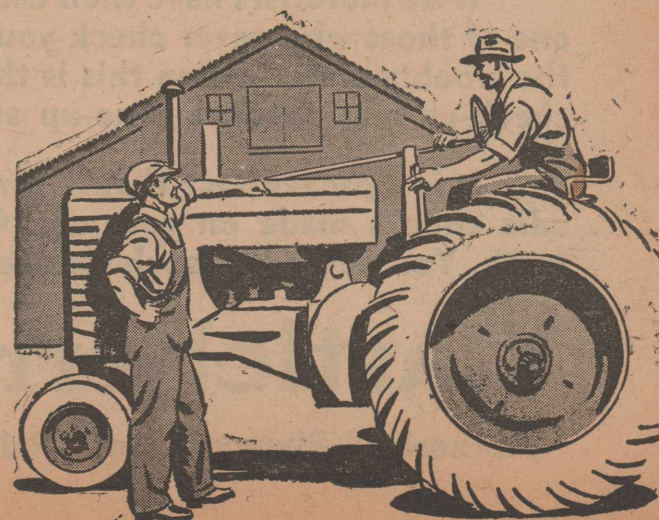

WE EARNESTLY ADVISE

"PLAY IT SAFE"

GET YOUR EQUIPMENT REPAIRED. GET ALL THE PARTS YOU'LL POSSIBLY NEED.

KELLY PIGG Tractor Sales
