General Red Offensive Is Raging Along Entire Front

Bazooka Credited With Shattering Gun

The North Korean tank in the background has its gun shattered like a trick cigar. The Red tank was knocked out of action by the bazooka rocket launcher held by Pfc. Frank Schiarone of Mullica Hill, N. J., somewhere in Korea.

Officers Recapture 3 Youths After Daring Escape Attempt

Three armed youths were recaptured this morning in less than an hour after they threatened a deputy sheriff with a paring knife, took his pistol from him, and fled.

L. E. Haynes, deputy sheriff, said one of the youths, J. D. Martin, 17, of Abilene, held the knife against his throat while the other two took the deputy's gun. Martin was captured a few minutes later by Haynes and city policeman C. C. Dawson, who found him hiding in some shrubbery about five blocks southwest of the county jail.

IN PASTURE

The other two, still armed with the officer's .45 caliber automatic pistol, were captured in a pasture west of the city water tower on Thirty-second Street by John Mullins, a new patrolman on the Snyder police force. They were Elmo Coleman, 18, of Athens, Tex., and Dewey Carl Newton, 17, of Midland.

The youths were being taken by Haynes from the county jail to the courthouse for trial before A. S. Mauzey of Sweetwater, judge of the district court, when they escaped. They were indicted Monday by the grand jury on a charge of burglary.

Haynes said he placed them in his automobile and started driving from the jail to the courthouse when Martin suddenly put the knife blade against his throat and demanded that he drive "straight ahead and keep going." At the same time, Coleman seized the deputy's pistol. Haynes said he then stopped his car, and the youths jumped out and ran.

Lloyd H. Merritt, sheriff, was standing near a window inside the jail and fired one shot at them as they ran. He then called his office and the police station, broadcasting the escape by shortwave. A few minutes later about a dozen police officers and several armed civilians were in the search.

SAID GUN STOLEN

A witness, questioned briefly by officers as they searched the southwest section of town, reported she saw Newton and Coleman take either a rifle or a shotgun from a parked car as they fled by her home. Mullins said some others verified this, but that no other weapon was found with the youths when he arrested them.

Haynes and Dawson said Martin was not armed when they recaptured him and that he had thrown the knife away.

For about 20 minutes, officers and other armed persons searched all homes and premises in the neighborhood west of the water tower before Coleman and Newton were spotted by Mullins.

Mullins said he was driving slowly down a lane in the pasture when he saw them hiding in the grass near the road.

"When they realized I had seen them, they jumped up and ran," Mullins said. "I left the car and ran after them then, firing two warning shots in the air, and Coleman drew the pistol from his pocket and started to return shots but then dropped it when I told him I would shoot him if he didn't.

OTHER CHARGES

The youths, all three former inmates of the state reformatory for boys at Gatesville, are wanted in eight counties in Texas on charges of bank burglary at Trent, burglary and car theft at Abilene, and car theft, trailer theft, and burglary in various other Texas cities, the sheriff's department reported.

The escape was made at about 10:15 o'clock, and they had all been recaptured by 10:55. At 12 o'clock they were back in district court and were sentenced to serve five years in the state penitentiary.

They were tried on an indictment charging them with the burglary Aug. 2 of a Texas Electric Service Co. warehouse on Avenue M and Thirty-second Street, from which they admitted taking 19 spools of copper wire, each valued at about $70.

They were prosecuted by Eldon Mahon, district attorney, after each had signed a jury waiver and entered a plea of guilty before Judge Mauzey. Keith Merrick, Snyder attorney, was appointed by the court to represent them but made no argument in their behalf.

Appearing against them as witnesses were Willie Keel, Jr., 1310 Twenty-ninth Street, distribution supervisor for the electric company, who testified he called police at the time of the burglary; L. H. Hardy, foreman for the company; and A. L. Shelton, of the police force, arresting officer.

The trio was arrested about midnight on the date of the burglary driving a car described to police by Hardy and Keel, who said they saw them flee from the warehouse when the burglary was discovered.

East Outpost To Discovery Set in Borden

Shell Oil Co. has staked a one and one-quarter mile east outpost to the recently discovered Canyon Reef structure in Southeast Borden County between the Von Roeder and East Vincent pool.

The proposed venture will be Shell No. 1 T. J. Sterling, located 879 feet from the north and 656 feet from the west lines of section 70, block 25, H&TC survey.

Drillsite is one and one-quarter mile east of P. R. Rutherford Oil Corp. No. 1 John Gilmer Davis, Canyon discovery in section 68.

Shell acquired the acreage on which the No. 1 Sterling is to be drilled from Brown and Wheeler of Fort Worth with an obligation to drill two Canyon tests.

WILL CONNELL

Kewanee Oil Co. No. 2-D Wil (Connell) five-eighths of a mile northwest step-out to the East Polar Pennsylvanian pool in southwest Kent County, has recovered oil in commercial quantities from the reef pay of that area.

On a drillstem test at 6,935-6,960 feet, recovery after one hour was 1,080 feet of gas, 50 feet of free oil, and 240 feet of heavily oil-and-gas-cut mud. Good pressures were reported on the test.

The venture is now being cored ahead. The 2-D Wil topped the pay of that area at 6,875 feet on a minus datum of 4,654 feet, which is 25 feet low to the Kewanee No. 1-D Wil, north offset to the discovery. The No. 1-D Wil, north offset to the discovery. The No. 1-D is reported running casing to total depth of 7,056 feet. Production will be developed perforations.

The No. 2-D Wil is 660 feet from the south and west lines of the northeast quarter of section 3, block 4, H&GN survey.

MOUND LAKE

Houston Oil Co. No. 1-H C Hinson, northeast Scurry County wildcat, one mile west of the Mound Lake Pennsylvanian field, appears to be approximately 100 feet high to the two oil wells in the nearby producing area.

This prospector entered a lime in the Pennsylvanian at 9,310 feet, at an elevation of 3,271 feet, to give it a datum of minus 6,039 feet at the point.

Operator drilled ahead at 9,320 feet and was still in lime at that point. The core was started there.

It is believed the core, when pulled, will determine whether or not the venture has found a true Mound Lake lime zone.

If that turns out to be the case,

(Continued on Page 3)

Senate Works Hard On Anti-Inflation Bill

WASHINGTON, Aug. 31. (AP) — A Senate-House Conference Committee hoped to work out final details of a broad anti-inflation bill today and speed it to President Truman before his talk to the nation tomorrow night.

The legislation would arm the President with even more powers than he asked to gear the nation's economy to the Korean fighting and an expanded military program.

Mr. Truman is expected to outline in his "fireside chat" just what the people can expect in the way of home-front mobilization.

He sent word to Congress yesterday, even while the conference committee was trying to hammer out an agreement on the economic controls measure, that he would need $60 million to begin with for administration of the powers the legislation would give him.

In advance of another meeting of the conferees today, Sen. Maybank (D-SC) said they had agreed to settle by noon the remaining differences between separate anti-inflation bills passed by the House and the Senate.

This would allow time for the House and then the Senate to stamp final approval on the compromise Friday unless opposition should develop in the Senate, Maybank said.

Under House rules, debate on a conference committee report is limited to one hour but in the Senate it can run on and on.

Sen. Wherry (R-Neb) told reporters he certainly will have something to say about the conference committee's decision to allow. President Truman authority to invoke price and wage controls on a selective basis.

Many Businesses Plan To Close for Labor Day

Labor Day, Monday, will find Snyder half-closed and half-open.

Agreement to close for the holiday has been made by all beauty shops, department stores, tailor shops, and steam laundries, Mrs. Beth Rogers, secretary at the Chamber of Commerce, said today.

The post office, banks, and some drug, grocery, appliance and furniture stores will also observe the holiday.

Several merchants have agreed to close if the majority will do the same.

Snyder Man Is Injured In A Train Wreck

LAMPASAS, Aug. 31. (AP) — At least 15 persons were injured in two train wrecks about 100 miles apart in Central Texas early today.

A Santa Fe passenger train left the rails in pre-dawn darkness near here. At least 11 were hurt, none seriously.

Near Teague, about 100 miles northeast of Lampasas, four men were injured as 47 cars of a fast Rock Island freight derailed.

RAILROADERS HURT

About 40 persons were aboard the passenger train. A Santa Fe spokesman said "we were awfully lucky no one was killed or critically hurt."

The injured in the freight train wreck were reported to be an engineer, fireman and brakeman, all from Fort Worth, and an unidentified Negro. Most of the cars carried wheat, much of which was scattered along the track.

The wreck of the Santa Fe passenger train tore up a long stretch of track.

The diesel-powered train, making its regular run from Los Angeles to Houston, derailed in rolling country about 12 miles west of this Central Texas town about 3 o'clock this morning.

Eleven injured were hospitalized. Several received only first aid treatment.

COLEMAN, SNYDER VICTIMS

The injured under treatment at Rolland Brooks Hospital here:

Melvin Loreman, Cameron, Negro.

E. Wells, Cameron, Negro.

Granis Cox, Houston, Negro.

Flordessa Waiters, Houston, Negro.

Miss Rae Shield, 19, Houston.

Mrs. Earnest Lykins, 32, Coleman.

D. S. Kennedy, 40, Snyder.

Arthur Moody, 32, Oakland, Calif.

Taken to the railroad's division headquarters hospital at Temple were:

J. P. Butler, Temple, the conductor.

F. W. Wilson, Temple, the brakeman.

A news agent also was hospitalized at Temple. His name was not available.

SLEEPERS STAY UP

A Santa Fe spokesman said the train, No. 76 due in Houston at 7:14 a.m. (CST), was "making a reasonable rate of speed" at the time of derailment.

Cohen Is Nabbed In Wichita Falls; Will Fly Home Today

FORT WORTH, Aug. 31. (AP) — Texas Rangers escorted Gambler Mickey Cohen onto a California-bound plane today.

The Rangers' chief said the West Coast underworld character had planned to set up a "gambling and racketeering empire" in Texas.

The Rangers arrested the short, dapper gambler early today in Wichita Falls in North Texas. They roused him out of his hotel room and made reservations for his westward flight.

GAMBLING SETUP

Homer Garrison, Jr., state police director, said at Austin that Rangers arrested and questioned Cohen on reports he came to Texas to set up a "gambling and racketeering empire."

"After the questioning, he apparently decided the Texas atmosphere was not good for him," said Garrison.

"We were acting on definite information that he was planning to come to Texas and set up a gambling and racketeering empire. We didn't want that."

Cohen and his companions came here by car from Wichita Falls. An American Airlines spokesman said the Rangers had booked the party for a plane arriving in El Paso at 12:12 p.m. (MST) and that Cohen was to take an American airliner leaving El Paso at 3:25 p.m. (MST) and arriving in Los Angeles at 5:20 p.m. (PST).

ON OIL BUSINESS

Cohen had said he was in Texas to investigate oil business. Ranger Capt. M. P. (Lone Wolf) Gonzaullos, who led arresting Rangers at Wichita Falls, said "Mickey decided to leave the state of Texas by his own free will and accord and by air immediately."

Four Rangers arrested, fingerprinted, mugged and questioned the Californian at the Wichita Falls police station.

The wife of one of the men with Cohen said they came here on a tip that Dave Ogul, former Cohen henchman, had been seen in the oil fields.

Cohen and his party arrived at Odessa by plane from Los Angeles yesterday. Immediately a pickup order was given out by the Texas Rangers, but the group made off and was not heard from until last night when they turned up here.

Florabel Muir, Los Angeles Mirror columnist, said her husband Denny Morrison, made the trip with Cohen on a tip that Ogul had been seen around the Midland oil fields.

TWO DISAPPEAR

Ogul and Frank Niccoli, also a former Cohen lieutenant, vanished last fall after Edward Herbert, another Cohen henchman, was fatally wounded from ambush.

The Odessa American reported that when Cohen arrived there an airport limousine whisked Cohen and four others away — and that the driver reported taking the men directly to "Paul Harvey's place."

Harvey, an Odessa sportsman and oil man who has a $75,000 showplace home a few miles from Odessa, denied Cohen was at his home. He said he didn't know Cohen; didn't know he was coming to town, and had no plans to meet him.

Morrison told the Wichita Falls Record News, he, Brook and Cohen had never heard of Harvey.

Morrison said the three flew to Odessa after they had received a hurry up phone call on a hot oil deal there — that they were to meet a man he named as Grant Dillon — but no Grant Dillon showed up, and the deal didn't pan out.

Married Men With Children To Be Drafted

WASHINGTON, Aug. 31. (AP) — Chairman Vinson (D-Ga) of the House Armed Services Committee said today the draft soon will be extended to married men with dependents.

Without taking fathers, Vinson told reporters, draft boards will not be able to meet future calls to increase the size of the armed forces.

Vinson made the statement just after the House passed a bill providing for allotments of from $85 to $165 a month for GI families.

"This means," he said, "that selective service now can broaden its calls to include men with children who are within draft age.

"That is the purpose of the allotment act, to make financial provision for the families of such men."

Vinson said he planned to question selective service and military heads soon about the present standards for draftees.

"The IQ (intelligence) requirements now are to high," he said.

"It seems that many more men can be inducted if the mental requirements are lowered. That would mean that fewer fathers may have to be called, but many of them are going to be drafted regardless of what else happens."

Maj. Gen. Lewis B. Hershey, selective service director, said yesterday that nearly 60 per cent of the men now being called in the draft are rejected as unfit for service.

Hershey complained that the armed services are being too choosey.

23 Americans Killed In TWA Crash In Egypt

CAIRO, Aug. 31. (AP) — A trans-World Airline constellation plane carrying 55 persons, 23 of them Americans, crashed and burned today north of Cairo, killing all aboard.

The airline announced there were no survivors among the 48 passengers and seven crewmen. Reports from the scene said the plane was so badly burned that only a small section of it remained intact.

The bodies of the victims, many of them notables and representing a dozen countries, were so badly charred that identification at once was impossible.

EYEWITNESSES

Officials of the district governor's office in Behaira Province placed the scene of the crash near Etay Baroud, about 75 miles northwest of Cairo. Eyewitnesses said they saw the big four-engine "Star of Maryland" plummet to earth in flames.

Earlier the district governor's office had held out hope that six of those aboard had survived, but this was dashed by messages direct from the scene, to which rescue teams had been rushed as soon as a TWA search plane spotted the wreckage in the Nile Delta area. TWA said the bodies are being removed by plane to Cairo.

23 AMERICANS

Five of the crew of seven aboard the plane, bound from Bombay, India, to Rome, were Americans. The other two were French. Eighteen of the 48 passengers were Americans, and the remainder represented 11 other nationalities. Two passengers were Indian nationals en route to a United Nations meeting in Paris. Another passenger was the Eygptian Movie Star Lilianne Cohen, whose screen name is Camelia. She is known as "the Lana Turner of the Middle East."

The Americans listed aboard included Aubrey William Schofield, 52, a native of San Antonio, Tex., who has been living in New York. He has been manager of the Eastern Hemisphere Foreign Production Division of the Gulf Oil Co. Recently he has been filling in as manager of the Kuwait Oil Co.

Another American was listed as William C. Gist, son of Justie Ervin Gist of Lake City, Ia. The senior Gist is administration services and transportation officer at the U. S. Embassy in Cairo.

Three other Americans on the passenger list were identified as from the U. S. Air Force Base at Dhahran, Saudi Arabia. The names were listed as Melvin Hanson, Derek Owen William and Harry Richard Woods. No addresses were given.

The loss of 55 lives would make the crash one of the most disastrous in world commercial aviation history. The heaviest death toll in American commercial aviation was exacted last June 24, when 58 persons died in a Northwest Airlines plane crash in Lake Michigan. The heaviest toll in commercial airline history was March 12 this year, when 80 persons died in the crash of a British transport near Cardiff, Wales.

Renew Fighting On Naktong River Line

Two Divisions Assulting U. S. Positions On The Southern Front

TOKYO, Friday, Sept. 1. (AP)—The Korean Reds threw a major two-division assault against the U. S. 25th Division in extreme South Korea today.

There were fragmentary reports that the Reds also were heavily attacking the U. S. Second Division farther north along the Naktong River.

AP Correspondent Stan Swinton reported from the southern front just west of Masan that the North Korean invaders struck before dawn at 15 points after a heavy preparatory barrage.

ALL ALONG FRONT

Fighting was raging today all along that front in what might be the start of a new general Red offensive, Swinton reported.

The new Communist onslaught, which had been long expected but had been delayed, followed stalling of Red efforts to crack the United Nations defense lines on the northern and eastern fronts.

The new outbreak came as American and South Korean forces on the east coast anchor of the defenses hurled the Reds back north of the port of Pohang.

The enemy had tried for two days to crack through to Pohang along the east coast road but Gen MacArthur's post-midnight summary said they had been driven back within 500 yards of their starting point, about four miles north of Pohang.

The Reds were still firing artillery and mortars in the area of ravaged Kigye, nine miles northwest of Pohang.

In the face of light fire, the Americans reopened the road north from the threatened port on the Sea of Japan.

They moved from three to four miles north of the city beyond the spot where an enemy roadblock Thursday had made it impassable.

ROAD REOPENED.

Army Photographer Ray Turnbull of Miami Beach, Fla., reported the road reopened. He accompanied American tanks and infantrymen north of the port city and returned to Taegu, main allied bastion west of Pohang later in the day.

The Reds had missed their target deadline—last midnight—for driving the United Nations forces out of Korea. It was set by Red Premier Kim Il Sung.

Deep on the south coast at the other end of the 120-mile long battleline, South Korean marines reported the capture of large amounts of enemy material and the killing of 500 Reds in two weeks.

The Pohang action high-lighted the Thursday activities on the warfront.

HEAVY LOSSES

The North Koreans were reported losing 1,000 men a day in the drive on Pohang mounted by 26,000 men.

The Air Force estimated it killed 1,200 North Koreans in strafing and bombing attacks on the front-lines at Pohang. Seven hundred Red dead were counted in one sector and 500 more in another.

Warships and tank guns added heavily to the enemy losses during Thursday, when the North Korean drive gained only about four blocks on the outskirts of the No. 2 Southeast Korea port.

Along other fronts of the box-shaped defense perimeter there were these developments:

MORE STRIKES FAIL

At Changnyong, 23 miles southwest of Taegu, the U. S. 2nd Infantry Division repulsed enemy attempts to cross the Naktong River.

Outside of Waegwan, 12 miles northwest of Taegu, U. S. 1st Cavalry Division troops in small number missed capturing a 1,700-foot hill by 200 feet. They were repulsed by a small force of entrenched Reds.

All was quiet on the extreme southern front. A patrol of the American 25th Infantry Division moved 5,000 yards, better than two miles behind Communist lines north of Haman without drawing a shot. Haman is 10 miles northwest of Masan, south coast port 27 airline miles west of Pusan, main allied seaport on the southeastern Korean coast.

It's Hard to Say Good-Bye

With a firm grasp on her father's hand and her head nestled on his shoulder, 14-months-old Brenda Fay Souris goes along in the arms of Staff Sgt. G. S. Souris, Jr., as the army reserve enlisted man marches to active duty from Alexandria, Va. Brenda Fay postponed the sad parting until the troops left the railroad station.

McCarthy Will Speak

HOUSTON, Aug. 31. (AP)—Sen. Joseph R. McCarthy (R-Wis) is to speak at an American Legion Americanism and defense program here Sept. 18.

Johnson Tells Congressmen To Take Complaints To President

WASHINTON, Aug. 31. (AP)—Louis Johnson says that from now on anyone who wants him to resign as secretary of defense should take his complaints to President Truman.

And that goes for critics of Secretary of State Acheson as well, Johnson told a congressman who had urged him to step out.

Releasing his reply to the House member, Rep. Tauriello (D-NY), Johnson broadened the audience for a defense of his stewardship to include "many American people" who have "been misled by misinformation" about the Defense Department.

EX-LEGION HEAD

At about the time he was giving newsmen copies of his letter yesterday, the Veterans of Foreign Wars encampment in Chicago called on Mr. Truman to replace both Johnson and Acheson. Johnson, a veteran of the first world war, is a former national commander of the American Legion.

That the secretary should defend his own regime was not unexpected. He has done so before. But he gave added emphasis to his statement by blanketing in Acheson as a target of what he declared are politically-inspired attacks.

The State and Defense Departments have frequently been reported at odds on high policy issues.

President Truman recently told a news conference that both Acheson and Johnson will remain in the cabinet as long as he is in office.

BLAMES ELECTION

In his letter to Tauriello, Johnson blamed the coming congressional elections for many of the attacks on him and Acheson.

He said he realized such attacks were armed at "the administration generally" and are "part and parcel of the democratic process."

Tauriello, in a letter dated Aug. 9, had demanded Johnson's immediate resignation because "you have lost your usefulness to the President and to the American people." Other congressmen have made similar complaints.

Tauriello charged Johnson with bungling the national defense job, making "brash statements" and of "consistently selling the idea that we could become strong through pinch-penny methods."

The Weather

WEST TEXAS — Fair this afternoon, tonight and Friday. Not much change in temperature.

EAST TEXAS — Fair this afternoon tonight and Friday. Not much change in temperature. Moderate northwesterly winds on the coast, becoming variable tonight.

Beaumont Is In Lead At Last

By WILBUR MARTIN
Associated Press Staff

Rogers Hornsby's Beaumont Roughnecks bounced into a healthy lead in the Texas League last night —thanks to a terrific assist from the San Antonio Missions.

While Beaumont walloped Tulsa, 16-6, San Antonio kayoed Fort Worth, 16-11, 2-0, to drop the Cats a game and one half back of the Roughnecks. It was the first time Fort Worth has been out of the lead since early May.

For Hornsby's club it is the climax to a terrific struggle — one that brought them from deep in the second division to the top spot.

PLAYOFF SPOT

Tonight San Antonio starts a series with Dallas and on the results of these three games, the last spot in the Shaughnessy Playoff hinges. Right now, the Missions have a full game edge over the fifth place Eagles.

Dallas dropped a 6-1 decision to Houston yesterday in a day game, while Shreveport went ten innings to knock off Oklahoma City, 4-2.

Six runs in the seventh inning cinched a victory for San Antonio in its first game and the Missions went ten innings to lick the Cats in the second. They got only two hits off Ray Moore, too.

GET 20 HITS

Beaumont blasted Tulsa for 20 hits, including two singles, a double and a triple by Gil McDougal. The Roughnecks salted the game away with an eight-run fourth inning.

Jerry Witte doubled home three runs in the third inning to start Houston off to its easy win.

Two walks and a pair of singles helped Shreveport to its game-winning runs in the tenth.

Other games tonight put Beaumont at Oklahoma City, Shreveport at Tulsa and Houston at Fort Worth.

FIRST GAME

San Antonio	004	150	6—16	14	0
Fort Worth	303	302	0—11	11	1

Hudson, Pavlick (1), Gibson (3), Taylor (6), Nardella (5) and Balch, Mancuso (7); Berlinger, Lemish (5), Moore (7), Podbielan (7) and Bragan, Staples, 7.

SECOND GAME

San Antonio	000	000	000	2—2	2	2
Fort Worth	000	000	000	0—0	6	1

Herrera and Balch, Mancuso 10; Moore and Staples.

Beaumont	020	803	200—16	20	3
Tulsa	140	001	000—6	10	0

Delduca, Schaffer (2) and Courtney; Minarcin, Curley (4) and Wrona, Williams (7).

Shreveport	000	001	010	2—4	7	0
Oklahoma City	000	010	010	0—2	7	1

Rowe, Jones (1), Pringle (1) and Bosnick; Wheat and Naragon.

Houston	004	010	100—6	15	0
Dallas	000	001	000—1	8	0

Presko and Rapp; Buhl, Ardizoia (4), Valenzuela (6), Malloy (8) and Aylward.

Play started when second sacker Joe Gordon (4) fielded Coleman's bounder and tossed to Boone. Umpire is Bill Summers.

Redskins Beat Lions 28-24 In Hard Fought Battle At Dallas

By HAROLD V. RATLIFF

DALLAS, Aug. 31. (AP) — It was homecoming for a flock of football players last night in the Cotton Bowl and those Texans didn't fail to put on a show.

Lone Star staters sparkled brightest in a wide-open offensive struggle which the Washington Redskins won over the Detroit Lions, 28-24, as a crowd of 50,000 looked on.

Bobby Layne, the great passer of the University of Texas who had his greatest day in football in the Cotton Bowl in 1946 against Missouri, was up to his old tricks last night. He completed 14 passes out of 15 for 209 yards and three of his throws brought touchdowns as he kept Detroit in the lead most of the time.

Blond Bobby had to leave the game with an injured knee early in the third quarter or there's no telling what he would have accomplished. He surprised the home folks with some neat ball carrying, too. He looked much faster than when he played for Texas.

Doak Walker, Southern Methodist's famed All-America, also had a big night, taking six passes for 123 yards and dazzling the Redskins with his sleek running.

And Cloyce Box of West Texas State caught two of Layne's touchdown throws.

But it was that greatest passer of football history—that indestructible Slingin' Sammy Baugh —who came through when the chips were down and when Washington sorely needed help.

Young Harry Gilmer of Alabama had done a good job, completing six passes out of ten for 168 yards and two touchdowns. But it was Baugh who pulled the Redskins together for a great 80-yard drive with four minutes to go. Passes from Baugh worked the ball down to the one-yard line where, on fourth down with one foot to go, Bob Goode of Texas A&M rammed over for the winning touchdown.

Sam completed eight passes for 103 yards while he was making periodic visits to the line-up. Baugh is getting a little old, you know; he's been playing pro football now for 13 years. The old boy doesn't want to put out too heavily unless it's absolutely needed— especially in this exhibition football. Wait'll the games start counting something.

Pete Stout, the old Texas Christian fullback, was another bright star for Washington. He took three passes for 72 yards and was rough smacking the line when a few yards were needed.

The game's leading ball-carrier was Bill Dudley of Virginia, who played football in Texas with Randolph Field during the war. He got 57 yards toting the pigskin. He also caught two passes for 46 yards.

Walker kicked a 15-yard field goal and three points after touchdown for Detroit. He also gave the crowd a thrill with some quick thinking in the clinches. Back to run and trapped near his goal line, the Doaker stopped suddenly and kicked the ball far down the field. It carried to the Washington 34.

Congratulations

And Best Wishes

To

Mr. R. B. Sears

Corpus Takes Harlingen To Give Laredo More Margin of Leadership

(By The Associated Press)

Laredo got an assist from Corpus Christi last night in picking up a little elbow room at the top of the Rio Grande League standings.

Corpus Christi knocked off second place Harlingen, 7-2, and shoved the Capitols one and one half games back of the Apaches. Laredo went 13 innings to lick McAllen, 7-6.

Del Rio defeated Brownsville, 5-2, to pull within a half game of fourth place.

Parker Has Chance For 30 Wins This Season

(By The Associated Press)

Roy Parker may win 30 games for Pampa in the West Texas-New Mexico League this season.

The big righthander last night posted his 26th victory when he held Borger to three hits in the first game of a doubleheader. Pampa won both games, 3-2, 4-2.

Albuquerque kept a slim grip on second place behind Pampa with a double win over Abilene, 9-6, 10-1.

Lamesa swatted Clovis, 17-4, while Amarillo and Lubbock split two. Amarillo won the first, 5-3 and Lubbock the second, 6-4.

Gladewater Seems Sure Of Winning in League

(By The Associated Press)

Gladewater's picking up a comfortable lead in the East Texas League again and with the season ending Monday, Marshall's chances of overtaking the Bears gets slimmer and slimmer.

While Marshall's tilt with Kilgore was rained out last night, Gladewater knocked off Henderson, 10-3. That gave the Bears a game and one half lead over the Browns.

Tyler beat Longview, 4-3, as Al Valdez singled home the winning run in the seventh. Stan Goletz' two run homer in the sixth had put the Trojans back in the game.

Six runs off four hits in the fourth inning wrapped up the decision for Gladewater.

Alpine To Meet Team From St. Joseph, Mich.

WICHITA, Kan., Aug. 31. (AP) — Only three teams remained undefeated today in the National Semi-pro Baseball Tournament.

Elk City, Okla., kept its record unblemished last night by whipping Quantico, Va., Marines, 5-2.

The other clubs with spotless records in the double-elimination tournament are St. Joseph, Mich., and Alpine, Tex.

Yesterday Sinton, Tex., eliminated Worland, Wyo., 6-0, and Huntsville, Ala., ousted Weiser, Idaho, 5-3.

Stengel Plays His Hunches To Put The Yankees In No. 1 Spot

By JOE REICHLER
(Associated Press Sports Writer)

If Casey Stengel fell into a city sewer he would probably come up owning an oil well.

The puckish pilot of the New York Yankees, who incidentally owns several oil wells, is one of the canniest managers in the business. He also is a great guy for hunches.

Hunches that clicked helped the Yankees sweep a doubleheader from Cleveland yesterday and boost them to the top in the seething American League race.

HUNCHES PAY

The Yankees needed some clutch hitting by Johnny Mize, Phil Rizzuto and Tommy Henrich. The fine pitching of Tom Ferrick and Ed Lopat also played a large part in the 4-3 and 3-0 victories that gave them a one-game lead over the Detroit Tigers.

But if Casey hadn't followed his hunches those things might never have happened.

Until an hour before play began Stengel wasn't sure whether he was going to play Mize at first base. Then Stengel recalled that Mize had hit a couple of homers off Bob Feller, who was due to pitch for Cleveland in the opener.

All the former Giant slugger did was slam a pair of homers, one in each game. He also collected two singles and drew the walk in the eighth inning that eventually turned out to be the winning run.

Hunch No. 2 came in the eighth inning of the first game. Eddie Ford, the little lefthander, was shaken up in a collision with Cleveland's Luke Easter.

HENRICH SINGLES

Stengel thought Ford was favoring his right side. He promptly replaced Ford with Tom Ferrick. The veteran reliever proceeded to stop the Indians cold the rest of the way as the Yankees broke a 3-3 tie in their half of the eighth.

Hunch No. 3 came in the same bottom half of the eighth. Mize had walked. Stengel sent in Joe Collins as a pinch runner. After Hank Bauer flied out, Collins stole second. That necessitated an intentional pass to set up a possible double play. Casey sent in Henrich as a pinch hitter, and he singled to score Collins with the winning run.

Stengel didn't need to resort to hunches in the second game as Eddie Lopat throttled the Tribe with six singles. It was Lopat's fifth straight over Cleveland this season.

SENS, TIGERS SPLIT

The Yanks one game margin was accomplished when Washington's Senators held the slumping Tigers to a split in their doubleheader. The Senators won the opener in 11 innings, 3-2, when Sam Dente singled off Fred Hutchinson to score Sam Mele. The Tigers had to tally three runs in the ninth to come from behind and win the second game, 10-8. Successive hits by Johnny Groth, Johnny Lipon, Gerry Priddy and Don Kolloway produced the runs.

It marked the first time the Tigers had been out of first place since June 10.

Boston's Red Sox stormed into third place, a game and a half in front of Cleveland, by whipping the Chicago White Sox, 6-1. It was Boston's 15th win in 16 starts.

Veteran Joe Dobson turned in his 14th victory.

PHILS WIN

Philadelphia's pennant-hungry Phillies increased their lead in the National to six and a half games over Brooklyn. The Phils rallied for three runs in the ninth to come from behind and nip the St. Louis Cardinals, 9-8. Dick Whitman's pinch double with the bases loaded and Jimmy Bloodworth's scoring fly produced the three runs. Jim Konstanty, in his 59th relief appearance, was credited with his 13th victory.

The Chicago Cubs downed the Dodgers, 6-5.

Vern Bickford coasted to his 17th triumph as the Boston Braves pounded out a 9-4 win over Cincinnati.

Sal Maglie pitched the New York Giants to a five-hit, 4-0 shutout over Pittsburgh. It was his eighth straight and his 13th victory against three defeats.

The St. Louis Browns shoved the Philadelphia Athletics into the American League cellar by taking both ends of their doubleheader.

Big Spring Up, Vernon Down For Third Place

(By The Associated Press)

Big Spring jumped into third place in the Longhorn League last night on a 12-6 win over Sweetwater. Vernon dropped back to fourth when it lost to Ballinger, 6-4.

League-leading Odessa blasted Midland, 9-1, as Jim Carson notched his 14th victory and San Angelo knocked off Roswell, 8-5, using a five run eighth inning to cinch matters.

Clarence Tinkler set Vernon down with three hits and hit three for four. It was his first appearance for the Cats.

Seven runs in the third inning off six hits, two hit batsmen, an error and a walk insured San Angelo's victory.

Midland	000	000	100—1	7	2

Temple Strived to Get Into League Play-Off

(By The Associated Press)

Temple and Texarkana square off tonight in a doubleheader that may have a good deal deciding whether Temple lands in the Big State League's Shaughnessy playoff.

The game between the two teams last night was postponed because of rain.

Greenville, driving hard to make the last spot in the playoff, edged Gainesville, 6-5, and pulled to within two games of the fourth place Eagles.

Waco knocked off Austin, 8-5, and Sherman-Denison at Wichita Falls split a twin bill in other games last night. Wichita Falls took the first game and Sherman-Denison the second, 5-1.

A double loss for Temple would leave it in poor position these last five days of the season. The Majors move into Temple tomorrow for a couple of games.

The eruption of Mt. Katmai, Alaska, in 1912, was heard 750 miles away.

Meeting In Big Spring On Longhorn Playoff

ABILENE, Aug. 31 (AP)—A meeting will be held Sunday at Big Spring to make plans for the Shaughnessy Series for the Longhorn League.

The regular season ends Sept. 10. The play-offs probably will start the next night.

One of the easiest garden herbs to grow is mint, which is excellent in the ice-tea season.

Canadian Rail Strike Ended By New Law

OTTAWA, Aug. 31. (AP)—Canada's trains rolled and telegraph lines clicked again today, ending a nine-day nationwide strike.

The first such general tie-up in the nation's history was called off by union leaders last night just 19 minutes after a special government back-to-work bill became law. It called for the strike to end in 48 hours.

The vanguard of the 124,000 strikers responded promptly to the back-to-work call broadcast by Strike Leaders Frank H. Hall and A. R. Mosher. Roundhouses stirred with activity. Locomotives were fired. Switches and signals were inspected. Wire communications reopened.

QUICK WORK

Canadian National and Canadian Pacific Railway officials indicated it would be 24 hours before operations were normal.

Hall and Mosher told union members they had won "distinct gains" in the emergency-approved legislation, forced through a non-stop session of the House of Commons.

In their first demands, the unions asked a 40-hour week, effective Jan. 1, with pay for 48 hours, plus a seven-cent-an-hour raise, retroactive to June, 1949. The railroads offered a four-cent raise, effective Sept. 1, and the 40-hour week at the current 48-hour pay effective Oct. 1, 1951.

SMALL RAISE

Under the new law, the workers will get the four-cent raise and continue to work the 48-hour week, pending a final settlement. A government-named arbitrator will step in if the settlement is not reached in 30 days.

The end of what possibly has been Canada's most costly strike came after a stormy day in Commons, which paused neither for lunch or dinner. Final passage of the bill left the anxious labor chiefs relatively satisfied, since new amendments introduced by Prime Minister Louis St. Laurent during the day guaranteed that the back-to-work conditions could not be reduced, even by arbitration.

East Outpost

(Continued from Page 1)

the Houston Oil No. 1 Hinson will be approximately 100 feet to the nearest producer.

The samples between 9,310-9,320 carried some slight signs of oil.

Location is 660 feet from the west and 1,980 feet from the north lines of section 2, block T, D&W survey. That makes it about eight and one-half miles northeast of Brownfield. The wildcat is on acreage secured by Houston Oil in a farmout deal with the Seaboard Oil Co. of Delaware.

LAURA COTTEN

Five and one-half inch oil chain has been perforated with 300 shots from 9,998 to 10,073 feet at Union Oil Co. of California No. 1 Laura Cotten, as preparation for completion attempt from the Pennsylvanian reef.

This wildcat showed for commercial production from 9,969 feet to 10,123 feet. Hole is bottomed at 10,182 feet.

Two Colorado City Soldiers Are Injured

Pfc. Lenn McDowell of Colorado City, and Pfc. Willie J. Johnson of Stamford have been reported wounded and injured in Korea, according to the latest Depatment of Defense casualty list.

McDowell, son of Mrs. Linnie McDowell, Star Route, Colorado City, was listed as wounded while serving with the Army.

Johnson, son of Mrs. Alta M. Johnson, 313 S. Haskell, Stamford, was reported injured, also while serving with the Army.

Cretan War Still Looming

HERAKLEION, Crete, Aug. 31. (AP) — A possible break within 48 hours was rumored today in the mountaineers' feud over Crete's missing Romeo and Juliet.

The couple vanished amid the fastness of mythology-famed Mount Ida last week after swaggering Constantine Kephaloyannis abducted the sultry-eyed beauty for whom he yearned, 19-year-old Tassoula Petracogeorgi. An obstacle to their dashing romance was the ancient bad blood between their powerful families.

Someone described as highly-respected by the two Cretan clans was reported trying to smooth over the fiery animosities, intensified by the kidnaping, before they blazed into gunfire. There was no confirmation of the rumor, however.

This unidentified person might even attempt to get in touch with the lovers tomorrow, it was said.

Previously it was reported in Athens that Archbishop Spyridon had enlisted the support of Premier Sophocles Venizelos to assure safe transportation of "Costa" and his sweetheart to the Greek capital.

Chief Gendarmerie Gen. Emmanuel Samuel was understood to be flying here as part of the plan. The idea, presumably, was to remove the couple from the tension on the island and determine in the calmer atmosphere of Athens whether Tassoula was willing to have the swashbuckling Costa for a husband.

Reports that the couple already were married are discounted here. The Greek Orthodox Archbishop on Crete has issued orders against such a wedding in the present circumstances.

Still a mystery, though, is the couple's whereabouts.

NEEDLE IN HAYSTACK

Three thousand police and soldiers have been clambering over Mount Ida for days, and their hunt has been like the proverbial search for a needle in a haystack. Costa's friends say he knows every rock and shrub on the mountain where, according to Greek legend, the god Zeus was born. The searchers never will find the couple unless they are betrayed or come out voluntarily, it was said.

To the family feud have been added backstage whisperings about the famed wartime resistance leader, Manuel Bandouvas.

Bandouvas—a Liberal party stalwart like Tassoula's father George, supposedly offered the help of his wartime followers in capturing the couple. Costa's brother, Manuel Kephaloyannis, is a member of the Populist (Royalist) party.

Cretan Gov. Gen. Nicholas Krasadakis today insisted that Bandouvas had been eliminated from the picture. He said the entire affair was being handled by the police and that tension was abating.

Veteran observers here scoffed, however, at official assertions that the private bands of both families had been disarmed.

"Just let the shooting start, and you'll see how many have been disarmed — a handful," said an informant.

COTTON

NEW YORK, Aug. 31. (AP) — Noon cotton prices were 80 cents a bale higher to 20 cents lower than the previous close. Oct. 39.65, Dec. 39.66 and March 39.76.

Stock Market

NEW YORK, Aug. 31. (AP) — An almost complete lack of buying interest today in the stock market marked a lower drift of prices.

Stocks were lower by a few cents to as much as a dollar a share in virtually every major section of the list. Only scattered advances were in evidence.

Livestock Market

FORT WORTH, Aug. 31. (AP) — Cattle 1,300; calves 1,000; slow, about steady; common to medium slaughter steers and yearlings 21.00-27.00; beef cows 20.00-22.00; canners and cutters 14.00-20.00; sausage bulls 19.00-24.50; good and choice fat calves 25.00-28.00; common to medium calves 20.00-24.50; medium and good stockersteer yearlings 24.00-28.00; heifer yearlings 26.50 down stocker calves 24.00-31.00.

Hogs 700; butchers steady to 25 cents lower; sows and feeder pigs about steady; good and choice 190-265 lb butchers 24.00-25; good and choice 150-180 lb hogs 22.00-23.50; sows 18.00-21.00; good feeder pigs 20.00-21.00.

Sheep 1,100; generally steady; few lots good slaughter spring lambs 27.00; cull aged ewes 11.00-12.00; other slaughter classes and grades scarce; medium and good feeder lambs 23.00-50; few feeder yearlings 20.00 down.

Air Force Runs Up Big Toll In Two-Day Strike

TOKYO, Aug. 31. (AP) — More than 90 B-29s spewed over 800 tons of bombs on strategic targets in Korea today.

Of the total load, 600 tons were dropped on industrial installations at Chinnampo, port of Pyongyang, North Korean capital. Both cities were targets of raiding planes from carriers yesterday.

The Air Force reported United Nations pilots killed 1,200 North Koreans in two days in the raging battle for Pohang on the east coast.

KILL 500 REDS

Four F-51 Mustang fighters were credited with killing 500 Reds yesterday in vicious rocketing and strafing attacks in support of UN ground troops north of Pohang and east of Kigye.

Bodies of 700 other Red infantrymen, killed in fighter sweeps the preceding day, were counted by UN ground troops advancing yesterday west of Kigye. Kigye is nine miles northwest of Pohang, number two allied port on the east coast.

It was the greatest two-day toll claimed by the Air Force in the Korean war. An Air Force release added:

"A constant series of low level strikes in all sectors caused other casualties for which no estimates could be given."

OUT AT DAWN

F-80 Shooting Star jets and F-51 Mustangs were out at dawn Thursday to continue the hammering support for allied ground actions. Night operations included a combined strike by B-29 Superforts, B-26 light bombers and fighter planes at Seoul, former South Korean capital. B-29s bombed pontoon bridges the Reds have been throwing up to replace permanent structures demolished in previous strikes. Then they dropped flares for the smaller bombers and fighters to make night runs at close range.

"All bridges across the Han River at Seoul are now considered impassable," the Air Force said.

Attempted Break From City Jail Last Night

Arriving at the city jail to place two prisoners there last night about midnight, police found that the outside door had its lock pried loose and a hinge broken.

The lock was found about five feet from the door. Upon investigation, police found that a pipe had been pushed through a crack in the door from inside the jail, forcing the hinge to break.

None of the prisoners was missing.

Post Office Will Be Closed During Nights

Effective tonight, the front doors of the new post office will be locked from 8:30 o'clock at night until 6 o'clock in the morning, H. D. Moreland, acting postmaster, said today.

This will not be a limitation on present service, he said, as a letter drop is beng installed today outside the post office where mail may be dropped during the night hours. Mail deposited there will be handled immediately upon opening the post office in the morning, and that box will be robbed the last thing before the office closes at night.

Moreland explained that the panels which separate the lobby from the mailing rooms are not tion and that he also was desirous of keeping tramps out of the post office during the winter months

Sweetwater Lawyer Is Speaker at Rotary Club

The Russian situation was discussed today at the meeting of the Rotary Club by Charles Griggs, Sweetwater lawyer.

Griggs gave his views on the relation of the United States and Russia and the Kroean war and in the cold war in other parts of the world to members of the organization at their meeting at the Country Club.

British Plane With Ten Aboard Missing

SINGAPORE, Aug. 31. (AP) — A Royal Air Force transport courier plane was reported missing today over the South China Sea with a crew of five and five British Army and Air Force passengers.

Acie Bailey to Return

Acie Bailey, proprietor of the Rainbow Market, will be brought to Snyder tomorrow from Roswell, N. M., where he has been recovering from an automobile accident Aug. 17 near Ruidoso, N. M. Mrs. Bailey was killed in the same accident.

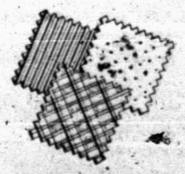

The capital city of Canberra, Australia, was designed by an American architect.

Bus Driver Strike Is Averted For The Time

ST. LOUIS, Aug. 31. (AP) — A threatened strike by 300 bus drivers which would have tied up operations of the Missouri Pacific Transportation Co. in 10 states has been averted, at least until the end of the year.

Negotiators reached a tentative agreement yesterday to go ahead with present wage rates until the end of the year.

The drivers receive six cents a mile and sought a wage boost of a half cent a mile.

November Plane Crash Blame Put On Pilot

WASHINGTON, Aug. 31. (AP)—The Civil Aeronautics Board reports that the probably cause of an American airlines crash that killed 28 at Dallas last Nov. 29 was the faulty execution of a landing approach with one engine out.

Lawrence Claude, 52, of Fort Worth, a pilot for American Airlines for 18 years, was pilot of the plane.

The report said that Claude "did not comply with the approved operating procedures for an engine-out approach with a DC-6 aircraft."

Man Hits Power Line With Plane, Lives

SAN DIMAS, Calif., Aug. 31. (AP) —The old man with the scythe was looking the other way today when Paul Spencer, 45, flew his light plane into a power line near here.

The plane was wrecked and the transmission line severed, but Spencer suffered only a gash on the forehead. The crackup in an isolated foothill area was seen by a motorist, who notified authorities.

REAL ESTATE M

FARMS & RANCHES M5

1155 Acres of land in 7 miles Abilene, Texas. Well watered and well fenced with about $25,000.00 improvements on ranch. 585 acres in cultivation, rest in pasture. If you are interested in this ranch contact B. B. Bridges, Olney, Texas.

I sell ranches all sizes in Southeastern Oklahoma. Walter Thompson, Box 49, Durant, Oklahoma.

RANCHES, farms, city property in the Hub of the Ozarks. Ideal climate; hunting and fishing. SIMS & DAVIS, Real Estate Brokers, Green Forest, Arkansas.

Imporved 193 acre farm on Highway 70. $24,000. OR 216 acre farm ½ mile off highway, $21,500. Both with mineral rights intact. G. M. Peeples, Route 1, Sweetwater.

New Mexico Ranch Land

The following list of ranches are all extra good and are priced proportionally to the number of cattle they will run, location, agricultural potentalities and mineral status. Some of these prices sound very high but the higher the price per acre for the deeded land the more lease they carry.

24 SECTION RANCH

9695 acres deeded, balance lease. Watered by shallow wells and windmills, creeks and springs. Has a large modern adobe house at headquarters, plenty of barns, corrals, shoots and scales. Located in a valley surrounded by hills which afford good protection for livestock. It is a good year around ranch that will carry 400 mother cows. It also carries most of its mineral rights, some of which the owner wishes to retain. The price is $25.00 per acre for the deeded land and it is stocked with good cattle which could also be boughht when ranch is sold.

29 SECTION RANCH

15130 acres deeded, 960 acres State lease, 560 acres Gov. lease. This is nice rolling prairie country, watered by shallow wells, tanks and running creek; plenty of pastures; four room rock house, shoots, corrals, bunk house located near the center of the ranch. It is good for 600 cows and carries 8000 acres of mineral rights, 1000 acres of which the owner wishes to retain. Price $16.00 per acre for the deeded land.

20 SECTION FARM AND RANCH

7860 acres deeded, 2760 acres state lease and about 2560 acres Taylor Grazing lease and free range; has two good sets of improvements and two camps; 1400 acres in farm; fenced in several pastures; watered by springs, tanks, wells and windmills. Practically all the deeded land is nice level plains land. The lease covers valleys and nice canyons with timber which makes good protection for stock in winter. It also has considerable deer on it. It carries practically all its mineral rights and the price is $30.00 per acre for the deeded land.

7 SECTION RANCH

2760 acres deeded, 960 acres Gov. lease, 800 acres private lease; good fences, corrals and shoots; two room rock house; watered by wells and windmills, springs and creek. This is a nice open country with some protection for stock; carries most of its mineral rights and the price is right on it, $12.50 per acre for the deeded land. Good for about 125 cows.

The above described ranches are all located here in the vicinity of House, New Mexico and are priced right and are actually for sale at the price quoted. For further information contact

Goff Armstrong,
House, N. M.

Chicago Jail Condition Said ToBeShocking

CHICAGO, Aug. 31. (AP) — Some prisoners at the big Cook County (Chicago) jail, says State's Atty. John S. Boyle, have been getting women, liquor, narcotics and fine food — By paying a few dollars to the right person.

Boyle termed the jail "rotten from top to bottom," and said a grand jury will investigate the "shocking conditions." Boyle said he had received a report from an assistant, James Condon, who has been investigating jail conditions since an escape plot was thwarted last month.

'NOT AS BAD'

Col. Chester L. Fordney, the jail warden, said "conditions are not as bad as the state's attorney thinks." He added, however, it was "no secret" that narcotics and other items, knives, razor blades and hypodermic needles-have been smuggled into the jail. He denied that prisoners held trysts with women.

Fordney's superior, Sheriff Elmer Michael Walsh, a Republican, said that politics were behind the charges.

ENTERTAIN WOMEN

Boyle, a Democrat, said Condon told him that prisoners, by paying $3 to a guard or a trusty, have entertained women visitors in a consultation cell near the main entrance.

Prisoners by paying $5 have been able to buy whisky and narcotics as well as steaks—not on the prison menu—Boyle said his assistant told him.

Boyle said some inmates paid 50 cents for stainless steel food trays from the jail hospital and pounded them into knives. He said such type of knives had been found among prisoners last month.

Condon also reported, Boyle said, that guards have smuggled prisoners any amount of money from the outside for a 20 per cent cut. Jail rules limit prisoners to $5 a week.

Promotions Made At Oil Well Supply Co.

Ralph Crowe has moved here from Greggton, Tex., to take over the management of the Oil Well Supply Company's store here, it has been announced by V. J. Waters, Central-Midwest division manager for the U. S. Steel subsidiary.

Crowe succeeds Wayne B. Atkins, who has been promoted to sales work in the Snyder area, covering Mitchell, Scurry, Kent and Garza Counties.

Crowe has been manager of the Oil Well store in Greggton for about a year and a half before moving here three weeks ago. He, his wife, and two children live in one of the company houses in Northeast Snyder. Crowe is a native of Anacoco, La., and was educated in Hillsboro, Tex.

Effective Sept. 1, D. L. Wholford will be promoted from a store salesman at Oil Well to a field representative of the firm.

Lightning Kills Boy

PHILADELPHIA, Aug. 31. (AP) Thomas Graham, 16, was killed by lightning yesterday as he played baseball in a schoolyard. Graham was playing ball when a storm came up. There was a blinding flash and he fell to the ground.

Freak Hurricane Hits Florida; Two More Brewing Out At Sea

NEW ORLEANS, Aug. 31. (AP) — The freakish Gulf hurricane that swept inland last night near Mobile, Ala., appeared today to have delivered its heaviest punch at Panama City, Fla.

No loss of life was reported, and the storm apparently caused little damage elsewhere.

Mayor Carl Gray of the coastal resort in extreme Northwest Florida said in a radio broadcast a dock was destroyed by high winds and tides. Several other docks and beach property were damaged. He said 3,500 persons were evacuated from low ground to Red Cross shelters.

TWO HURT

A tornado — believed an offshoot of the storm — seriously injured two persons and wrecked a dozen houses at Apalachicola, Fla.

Another hurricane grew in size and intensity in the Far Eastern Caribbean today. The weather bureau at San Juan, Puerto Rico, reported winds of hurricane force extending as much as 75 to 100 miles north and northeast of the new storm center.

The big wind was placed at a point about 210 miles east of Martinique in the West Indies.

THIRD BLOW

A third hurricane shoved northward in the Atlantic about 500 miles east of Bermuda.

Winds as high as 115 miles-an-hour had been reported by the New Orleans Weather Bureau as the Gulf tropical storm at first advanced toward the Mississippi-Alabama-Northwest Florida coastline.

However the highest wind velocity reported on land was a Coast Guard estimate of 98 miles an hour at Santa Rosa Island, an isolated sand spit with a Coast Guard station about five miles offshore from Pensacola, Fla.

But damage at the island was negligible, the Coast Guardsmen reported.

LITTLE DAMAGE

There was virtually no damage in Pensacola beyond small tree limbs which were snapped off. High tides washed out some beach property and wharves were damaged slightly when waters rose five and a half feet above normal.

Pensacola's power failed for more than eight hours.

At Mobile, 1,050 persons were evacuated from Blakeley Island across Mobile River, and 380 from Bayou la Batre.

Parts of U. S. Highway 90 along the coast were reported under water at times. The Mobile Causeway to the east was shut down because of high water, but it was expected to be opened up momentarily.

To the west of Mobile, high water blocked U. S. 90 near Pascagoula, Miss.

The storm or its weak leftover wind blew into Central Alabama during the early morning hours. Light debris and a litter of torn tree limbs marked its trail.

It threw gales and drenching rains over South Alabama.

New Teacher Is Hired For School Band, First Practice Set Monday.

A successor to Richard A. Elliott, former band instructor in the Snyder school system, has been hired and the first band practice will be held at 9 o'clock Monday morning in the band hall, M. E. Stanfield, superintendent of schools, said today.

The new instructor is Jimmie Frank Vernon, a graduate of McMurry College. Vernon was a friend of Elliott, Stanfield said, and both men received the same training and were recommended by the same man.

Vernon was band instructor at Loraine last year. He plans to move with his family as soon as housing can be found.

G. I. Allotment Bill Is Ready For Joint Action In Congress

By WILLIAM F. ARBOGAST
Associated Press Staff

WASHINGTON, Aug. 31. — Relieved that it won't have to vote on universal military training this year, the House was ready today to approve a compromise GI allotment bill.

Worked out by a Senate-House committee after the two branches passed separate bills, the measure provides allotments ranging from $85 to $165 monthly to families of enlisted servicemen. The figures include deductions ranging from $40 to $80 from the serviceman's monthly paycheck, the government putting up the balance.

HARDSHIP RELIEF

The bill is a direct outgrowth of the fighting in Korea, being designed to relieve hardship among families of men called into service.

On another phase of the military manpower question, Maj. Gen. Lewis B. Hershey rapped the armed services for being too choosey in selecting manpower. The selective service director said in a speech that nearly 60 per cent of men now being called in the draft are rejected as unfit for service.

TOO CHOOSEY

"The armed forces are still laboring under the psychoses of the time when they required relatively few men and could pick and choose," Hershey said.

The armed forces made no immediate reply.

The family allowance bill before the House was expected to receive prompt approval there and in the Senate.

The amount of allotments and deductions varies with the number of dependents and the rank of the man involved. In most cases, the government would put up more than the GI does.

Aid Bill To Get Quick Action

WASHINGTON, Aug. 31. (AP) — A $4 Billion foreign military aid program, mainly for western Europe, appears ticketed for early Senate Appropriations Committee approval.

That was indicated after Secretary of State Acheson and Secretary of Defense Johnson told the committee yesterday that "a forced-draft effort" is needed to re-arm U. S. allies against the threat of Communist aggression.

"The danger we face is clear," Johnson said. "The free world must raise and equip forces sufficient to deter further aggression."

ROUGH SESSION

Johnson and Acheson came in for some stiff questioning at the closed door meeting. Reports were that tempers of the witnesses as well as of the senators flared.

The hearing concerned the foreign aid portion of the now nearly $16,900,000,000 supplemental defense-military aid bill asked by President Truman.

Johnson told the committee in a statement made public after the session that $2 billion of the $4 billion requested by Mr. Truman will be used for "tanks, artillery and modern aircraft to withstand a mechanized assault." Just how the weapons are to be distributed was not disclosed.

BREAKDOWN

But Johnson did say that $3,504,000,000 will be used for rearming North Atlantic treaty countries; $193 million for Greece, Turkey and Iran, and $303 million for the Far East and the "general area of China, including the Philippines."

Johnson added that the military assistance — an addition to $1,222,500,000 previously voted by Congress for this purpose — will be geared directly "to the rate at which the recipient nations raise, organize and train the expanded forces to employ this equipment."

Staff of Roe's To be Honored At Dinner Party

Employees of the Roe Home & Auto Supply Co., who have helped to make the new store a success, are being feted by Mr. and Mrs. Myron Roe tonight.

Dinner will be served to approximately 20 in the dining room at the Sage and Sand.

A program of colored movies shown by Nolen Von Roeder will follow the meal.

This affair is also a farewell for Miss Mary Lou Devenport, who returns this week to her college work at North Texas State Teach-

July Farm Income In Texas Is Over June

AUSTIN, Aug. 31. (AP) — Texas farm cash income for July totalled $143,448,000, up 30 per cent over June but 40 per cent under July a year ago, the University of Texas Bureau of Business Research reported yesterday.

The bureau's index placed the July income at 391 per cent of the 1935-39 base period, compared with 218 for June and 654 for July of last year.

Bureau Of Standards Set For Atom Attack

CORONA, Calif., Aug. 31. (AP) — The U. S. Bureau of Standards is preparing for the possibility of an attack on Washington, D. C.

Dr. Edward U. Condon, bureau director, says: "We plan to duplicate here much of the setup at the national capital so that the Norco Facility (a former Navy hospital could carry on the entire program of the bureau should enemy attack upon Washington incapacitate our establishment there."

If Congress appropriates funds the laboratory, employing some 200 scientists and several hundred other workers, will be established by the end of this year, Dr. Condon said yesterday.

Rites in Ira Today for Mrs. T. C. Devenport

Funeral services were held today for Mrs. Effie Jane Devenport, 78 years old, for 27 years a resident of Ira, who died Tuesday at the Root Memorial Hospital in Colorado City.

The funeral was held in the Ira Baptist Church, and burial was in the Ira Cemetery.

Mrs. Devenport, mother of Silas Devenport of Snyder, was born in 1882 and had lived in this county 27 years. Besides her son, she leaves her husband, T. C. Devenport of Ira; two daughters, Mrs. Clelia Flourney of Snyder and Mrs. Ophelia Roddy of Ira; three brothers, Bob Wright, Rotan, W. A. Wright, Lamesa, and Troy Wright, Brownfield; five sisters, Mrs. Bill Long, Fort Worth, Mrs. H. P. Rogers, Snyder, Mrs. Mabel Parks, Sweetwater, Mrs. Mary Long, Lamesa, and Mrs. Bill Noles, Rotan, and seven grandchildren.

The Rev. C. J. Smith of Dunn officiated at the funeral. Pallbearers were Bailey Thornhill, Algie Brooks, Franklin Eades, Delmer

Alaska's Valley of 10,000 Smokes was discovered by a National Geographic Society expedition in 1916.

Mexican President Buys First Bond

MEXICO CITY, Aug. 31. (AP) — President Miguel Aleman bought the first 1,000 peso ($116) savings bonds from Mexico yesterday.

The first issue of bonds is for 100 million pesos ($11,600,000) maturity value. The bonds are in 25, 50, 100, 500 and 1,000 peso denominations and sell at half their face value.

Bank of Mexico officials said there will be a second issue when the first is sold out.

Private Lives Life Of Colonel In Korea

WITH U. S. FORCES IN KOREA, Aug. 31. (AP) — A 19-year-old private in the Air Force is living the life of a colonel.

For the past month Pfc. Stanley Tompkins of Kirksville, Mo., has had a colonel's job — without the eagles.

He volunteered to stay behind to handle communications when a forward airfield was abandoned. That made him commander of what was left of the base.

Tompkins slept in the colonel's bed, used the colonel's electric razor, helped himself to some of the provisions the colonel left behind. And when he answered the phone he complied with Army procedure, thus:

"Pfc. Thompkins speaking — base commander."

Don't Be Satisfied With Symptomatic Relief! It's Now Possible To

RELIEVE THE CAUSE OF YOUR SICKNESS

Neuritis Pains, Stomach Disturbances, Indigestion, Gas, Heartburn, Constipation, Certain Nervous Disorders When Due to Lack of Vitamins B_1, B_2, Iron and Niacin in Your System!

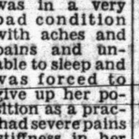

HADACOL One of the Greatest Blessings of the Times!

Just a Few of Thousands Upon Thousands of Interesting Records of Folks With Such Deficiencies Who Have Been Helped

Mrs. C. C. Keller, 1629½ Frederick Avenue, St. Joseph, Missouri, says HADACOL really has put a stop to her neuritis pains. She was in a very bad condition with aches and pains and unable to sleep and was forced to give up her position as a practical nurse. She had severe pains in wrists and stiffness in her hips, being almost unable to walk. Now after taking one bottle of HADACOL, she is able to do her own housework. She most enthusiastically recommends HADACOL to all sufferers from neuritis pains.

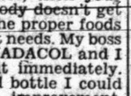

Floyd Mabe, 1401A South 7th Street, St. Louis, Missouri: "For some time after a wartime injury I had been troubled with neuritis pains in my legs and could not work. Nothing seemed to help me until I tried HADACOL. After taking a half bottle, I seemed to feel better. My wife told me it was only my imagination, but I continued to take HADACOL and up to the present have taken 13 bottles. Now I feel fine with no more pains in my legs. (HADACOL is so effective because it relieves THE REAL CAUSE of neuritis aches when due to such deficiencies. Why don't you give HADACOL a chance to help you?)

Link Robinson (a steel worker for over 20 years), 519 Lindsey, Newport, Kentucky: "When your stomach is in bad shape as mine, couldn't eat, gas pains, stomach bloating and nervousness, then your body doesn't get the proper foods it needs. My boss told me about HADACOL and I started taking it immediately. After the second bottle I could tell a definite improvement. Now I can eat anything I want to. Best of all I haven't got those terrific gas pains and stomach bloating."

Mrs. John Geary, 840 Ursuline Street, New Orleans, Louisiana: "I had such a nervous stomach I was unable to eat regularly. Lots of times I was unable to hold any food on my stomach. Then I heard about HADACOL. After the first few bottles I could tell a definite improvement. Now my stomach doesn't trouble me at all. I eat anything I want. HADACOL is wonderful. You can see that, if it did so much for me after suffering so." (A big improvement is often noticed within a few days' time. One of the many advantages of HADACOL is that continued use helps prevent such stomach distress from returning. Don't continue to suffer. Start taking HADACOL *today!*)

Mrs. L. Crifasi, 327 N. 14th Street, Springfield, Illinois: "I am elated with the wonderful results obtained by taking HADACOL. I had emotional indigestion, which is stomach distress and makes a person feel down and out. HADACOL seemed to be prepared for my ailment, for it made a new woman of me."

W. E. Hoxworth, a skilled maintenance man in Waco, Texas: "I almost had to give up my job because of suffering from stomach distress. I couldn't hold my food, as no food agreed with me. After hearing about HADACOL and completing a second bottle, I began to feel better and regain the weight I lost, and suffered no more indigestion. I now take HADACOL regularly to help stay well." (Why don't *you* try HADACOL?)

Mrs. J. Scieszinski, 514 Kruger, Ottumwa, Iowa: "My daughter, Marilyn Sue, is five years old and for some time lacked pep, had a poor appetite, was generally run-down. Since giving her HADACOL, we have noticed wonderful results. She has a much better appetite, eats everything on the table and doesn't seem tired like she used to. Incidentally, she likes to take her HADACOL, too." (Kiddies sure do like HADACOL.)

Senator Dudley J. LeBlanc—the Man Responsible for the Great New HADACOL

Now! Thanks to the tireless efforts in scientific research of Senator Dudley J. LeBlanc—eminent statesman of Louisiana and creator of this great new HADACOL nutritional formula — it's at last possible to relieve the REAL CAUSE of such ailments as neuritis pains, stomach distress, gas pains, heartburn, indigestion, insomnia, certain nervous disorders and a general run-down condition due to lack of Vitamins B_1, B_2, Iron and Niacin.

Senator LeBlanc has just completed a modern $250,000 manufacturing plant and a similar one is well under way so that this wonderful HADACOL will always be available to the public.

What the Great HADACOL Does...

No longer do you have to be satisfied with symptomatic relief—you can start *this very day*, and relieve the REAL CAUSE of such ailments with HADACOL. Get that *wonderful* HADACOL feeling everyone is talking about! A big improvement in the way you feel is often noticed in a few days.

And continued use of HADACOL helps prevent such ailments from coming back. Naturally, there's an explanation for this. You see, HADACOL not only feeds deficient, run-down systems with extra quantities of Vitamins B_1, B_2, Iron and Niacin but also helpful amounts of precious Calcium, Phosphorus and Manganese — elements so vital to help maintain good health and guard against such deficiency sickness.

Sold on Strict Money-Back Guarantee

Don't continue to suffer! Be fair to yourself — start taking HADACOL today. HADACOL

Senator Dudley J. LeBlanc

is very inexpensive—costs only a small amount daily. And HADACOL *must* help you, or your money will be refunded. Trial size, only $1.25 a bottle. Large family or hospital size, $3.50. Refuse any substitute. There's only one true and genuine HADACOL.

MANY DOCTORS RECOMMEND

NORTH SIDE OF SQUARE

Youth Center Acknowledges $1,965 in Gifts

Gifts of money and materials toward the Youth Center are flowing into the center's treasury at an accelerated rate recently, according to the Rev. Charles Mathes, chairman of the building committee.

An incomplete list of donors has been prepared by the officials of the center, and is reprinted below. Due to confusion when the movement was first started here, about $700 in gifts cannot be acknowledged, because the list of early donations has been lost.

Anyone who has a contribution to make to the center is asked to notify Mathes at telephone number 1045 or Frank Stephenson at 392.

Gifts of materials which still are needed include 1,400 linear feet of one by eight rough; 2,000 linear feet of two by four railers; 3,600 board feet of roof sheating; 1,800 board feet of two by four by 10 studs; 480 linear feet of two by four plates; window units; 1,500 board feet of No. 105 siding; doors; 360 sacks of cement; and 360 sacks of re-mix.

The gifts which have been received so far:

Rome Elephant Ready To Set Another Record In The Animal World

By GEORGE PALMER

ROME, Aug. 31. (AP) — Juliet, the child bride elephant of Rome's zoo, is expecting her second baby any hour now.

She stands on the threshold of setting another animal world record — but she's getting no sympathy from her family.

Her giant mate Romeo romps blissfully in the next pen, grabbing every peanut he can from 1,000 daily visitors to the zoo.

Their record-breaking two-year-old daughter, Roma, frivolous to the point of disrespect, is carrying on a flirtation with a hippopotamus.

Juliet, now alone in her hour of trial, began setting records when she gave birth to Roma at the tender age of 14. Most elephants wait at least until they are 18.

Daughter Roma made her parents famous merely by staying alive. Of 15 elephant babies in Europe in the past 120 years, only Roma survived.

Her immediate predecessor, born in Munich in 1938, lived only a few months. Another one, born in Paris, lived 14 days. But Roma is hale, hearty and husky, and now in her third year.

Mama Juliet, who eats 160 pounds of food a day, will set another record when her baby comes. Zoo Director Lamberto Crdui says she will be the first elephant to become a mother twice while in European captivity.

Water Bond Issue Is Passed in Roby, Rotan

Both Roby and Rotan voted overwhelmingly in favor of the issuance of $750,000 in bonds for the Fisher County Water Control and Improvement District No. 1 in a special election held Tuesday.

In Roby the vote was 218 for the bond issue and four against. In Rotan, 133 favored the issue and 76 opposed it. The issue carried by a vote of 351 to 90.

It has been agreed that Roby, Rotan, and Sweetwater will share alike in the cost of water from the new Oak Creek lake and will also share alike in the allocation of water on a per capita basis.

THE SNYDER DAILY NEWS

VOL. I—No .97 SNYDER, TEXAS, THURSDAY, AUGUST 31, 1950 SECTION TWO

Whitney Dam More Than Half Finished

The $42,000,000 Whitney dam, near Whitney, Texas, is rapidly rising above the Brazos River. Begun in 1947, this flood control and hydroelectric power project is currently about 60 per cent complete. This is the largest reservoir projection being constructed in Texas.

Deep Rift In Cabinet Between State Department and Military

Associated Press Newsfeatures Writer

WASHINGTON, Aug. 31. — Not since Lincoln's troubles with his Civil War generals and cabinet members has the government been entangled in as bitter a wartime family wrangle as that involving administration and military leaders today.

The schism between military and State Department thinking began to develop obscurely months and even years ago. But the break now, unfortunately, becomes visible to the friends and enemies of the United States when the nation is fighting in Korea what could be a prelude to another world war.

DIFFERENT IDEAS

It is, indeed, this possibility of global conflict with Communist Russia that has generated the friction. The intra-government controversy is complex, made more so by the different ideas even within the military camp.

Powerful men and grave domestic and international questions are involved, among them these:

President Truman, caught in the middle of the conflicting views of military and the diplomats. At direct issue now is the problem of Far East policy and the question of neutralizing or fortifying the Island of Formosa, held by Generalissimo Chiang Kai-Shek and his Nationalist Government against the menace of Communist on the mainland.

The President decided for neutralization and against the military's proposal for fortification. Aside from international effect, he had to consider the impact of his decision on the forthcoming congressional elections.

ACHESON

Secretary of State Dean Acheson, advocate of a policy aimed at containing Communism within Russia and the satellite states without embarking on new steps that might be seized upon by Moscow as pretext for propaganda or war. He opposes the military's ideas about Formosa —and what the State Department considers intrusion by the military into foreign policy making fields.

Gen. Douglas MacArthur, upon whose shoulders are five stars and legend. For a decade he has operated in and fought wars in the Western Pacific. Alone of all the generals and admirals, he has not returned to the United States—an independent, almost autonomous figure who has conferred with Washington officials and Presidents only when they visited his part of the world.

MacArthur obviously has disagreed with the White House-State Department views about Formosa's strategic position in Far East defense against Communism. He flew to Formosa recently to talk with Chiang, a visit which disturbed the State Department. Then he prepared a message for reading to a convention of the Veterans of Foreign Wars, setting forth his views about Formosa and other things.

CANCELS MESSAGE

At the last minute, he cancelled the message, telling the veterans "I regret to inform you I have been directed to withdraw," the message. The only man who could have issued such direction to a man in his position was President Truman.

Defense Secy. Louis Johnson, who has conducted behind-the scenes tests of strength with Acheson over military-political policies. Johnson, unlike MacArthur who has been subject to little criticism in Congress, has frequently come under fire from various lawmakers. Moreover, he was involved in a controversy a decade ago when an assistant secretary of war—and lost out. Whatever thoughts and support he has for MacArthur and the defense of Formosa, he has been careful about uttering them publicly at this particular time.

NEWCOMER TALKS

Navy Secy. Francis P. Matthews, newcomer of the military family. Matthews landed in the middle of the military-State Department feud with a speech at Boston in which he raised the question of preventive war. He said that "to have peace we should be willing, and declare our intention to pay any price, even the price of instituting a war to compel co-operation for peace."

The State Department anguished, rushed out a statement which asserted Matthews' remarks "do not represent United States policy" and that "the United States does not favor instituting a war of any kind."

Passenger Plane Makes High Speed Landing, Flaps Out of Order

PHILADELPHIA, Aug. 31. (AP) — An American Airlines twin-engined plane with 23 aboard made a 115-mile-an-hour landing at the International Airport last night after the craft's hydraulic system failed.

The pilot, Gordon Pierce, said he noted the hydraulic failure at New York, where fog prevented a landing after a trip from Indianapolis.

Without proper hydraulic pressure he was unable to lower the wing flaps to reduce landing speed and the wheels had to be lowered manually.

Pierce radioed the Philadelphia airfield and fire engines, police cars and a rescue squad were on hand for his arrival.

Pierce brought the plane in smoothly, throwing the propellers into reverse to bring the airliner to a stop.

Big Change In OfficeBuilding On the Square

Workmen last night were to begin tearing out the old bank vault in the office of the Texas Electric Service Co. building, as part of an extensive remodeling of the structure, both inside and outside.

The old vault, a relic of the days when the building housed the Snyder National Bank, has never been removed, although the bank moved to its present location at Avenue S and Twenty-fifth Street in 1916.

Lyman Yoder, who manages the property for the D. P. Yoder estate, said yesterday the remodeling will include a new front, new entrance, outside stairway, removal of the present inside staircase, and closing windows on the ground floor.

Work already has begun on the new canopy across the front of the building. Construction also is under way on the outside stairway which will give a street entrance to the second-floor offices of Mrs. Edith W. McKanna, independent oil operator.

Windows on the south wall of the ground floor are being removed and filled in with masonry. A new entrance, a one-door aluminum unit will replace the present double doors at the electric company offices, Yoder said, and green structural glass will give the building a new front.

The staircase in the center of the building will be removed, Yoder continued, when the outside stairway is completed, and the change will make room for another office on the second floor.

Beaumont Rice Mills Obtain New Stock

BEAUMONT, Aug. 31. (AP) — Comet Rice Mills of Beaumont has acquired all capital stock of the Mouton Rice Milling Co. of Harrisburg, Ark.

Harvey W. Steinhagen, comet president, said yesterday the company would be enlarged and operated as a subsidiary.

Record Number Deaths Loom In Nation Over Labor Day Week End

CHICAGO, Aug. 31. (AP) — The National Safety Council said today there may be a record toll of 435 highway traffic deaths over the Labor Day week end.

The council's prediction was for the 78-hour period from 6 o'clock Friday evening until midnight Monday. It was made with the expectation that 36 million cars will jam the nation's streets and highways over the long week end. And, the council said, the usual critical minority of drivers will show unreasonable symptoms of great hurry, gross inattention or helpless confusion.

Traffic fatalities last Labor Day week end totaled 410, eclipsing the previous high of 310 for the Labor Day holiday period in 1937. In all types of accidents last Labor Day 550 persons were killed, a record for the holiday. Included were 53 drownings and 87 deaths from miscellaneous causes. The previous high was 428 in 1937.

Parachutes To Safety

WILLIAMS AIR FORCE BASE, Ariz., Aug. 31. (AP) — Arnold R. Abrans, 24, of Houston, parachuted to safety here last night from a flaming F-80 jet fighter.

World's Largest Blimp Being Made In Akron

AKRON, O., Aug. 31. (AP) — The Goodyear Aircraft Corp. reported yesterday that it is building the world's largest blimp for the U. S. Navy.

Work on the ship, which will approach zeppelins of World War I in size, is well under way, the company said.

It will cost the Navy about $5 million and will be used mainly in spotting submarines, Goodyear said. The blimp would be able to hover almost motionless or travel at speeds ranging up to 75 knots.

Carrying a crew of 14 men, the ship will be powered by two seven-cylinder engines. Some 875,000 cubic feet of helium will keep it aloft.

Bull Wins Long Chase Through Cincinnati

CINCINNATI, Aug. 31. (AP)—Maybe pursuers have figured out by today what kind of "bait" to use to catch a runaway bull.

The bull, a red shorthorn, escaped yesterday from a slaughter house killing room and took off down city streets.

Police and representatives of the Society for Prevention of Cruelty to Animals took up the pursuit. Once they cornered the bull in a thicket but police said they could not shoot unless it was attacking someone.

The bull was very peaceful.

Finally an SPCA man peppered it with a shotgun blast and the bull headed for a park.

The weary pursuers gave up when it started to rain.

They figured the bull probably spent a quiet night somewhere in the park.

Cucumbers may be trained to grow on poles much like pole beans, making them easier to pick.

NEWS FROM IRA

By MRS. MABEL WEBB

Janice and Royce Lynn Eades of Fairview spent part of last week with their grandparents, Mr. and Mrs. W. O. Webb.

Mr. and Mrs. F. S. Eades and children Donald and Carolyn Sue and Mrs. Edgar Eades were shopping in Lubbock Wednesday.

Mrs. J. R. Payne returned to her home in Snyder after visiting the first of last week with her daughter, Mrs. W. O. Webb.

Mr. and Mrs. J. W. Lewis visited in San Saba Wednesday and Thursday. While there he purchased lumber to build his house.

Several from here visited Mrs. T. C. Devenport who is ill in the Root Memorial Hospital, Colorado City.

Mr. and Mrs. Grady Suiter were in East Texas part of last week. He is hauling lumber for J. W. Lewis.

Mr. and Mrs. Johnny Jordan and children of Big Spring visited his mother, Mrs. Nora Jordan Wednesday. She returned with them for a visit.

Mr. and Mrs. Bill McIntosh and children Sharon and Billy returned Wednesday after a two weeks' visit to points in East Texas.

We regret to loose from our midst Mr. and Mrs. H. E. West and children Patsy, Peggy, Kenny and Eddie who have moved to Shallowwater. We wish them success in their new home.

Mr. and Mrs. Pete Wishert and children Sue and Jerald and G. H. Bishop spent the week end in the Dave Wishert home in Lamesa.

J. D. Smallwood accompanied by H. F. Smallwood and Mrs. M. L. Wilson were in Fort Worth where their son and brother, J. B. Smallwood underwent major surgery Sunday.

Visitors Friday with Mrs. P. J. Moran were Mr. and Mrs. Fred Sorrells, Mr. and Mrs. Jim Sorrells, Mr. and Mrs. J. M. Sterling, all of Knapp.

Mr. and Mrs. D. E. Clark and daughter Amice, Mr. and Mrs. H. F. Smallwood and son, Joe Neil and Mr. and Mrs. J. L. Clark, and children Kilton, Carylon and Drewell Dean attended the Autry reunion at Lamesa Sunday.

Mrs. Jim Brown had visiting her over the week end her brother, Connie Black, of Wichita Falls.

Mr. and Mrs. Leonard Lankford and daughters Sherry, Donna and Brenda of Colorado City spent the week end with her parents, Mr. and Mrs. Edgar Eades.

Mr. and Mrs. Ralph Malone and daughter Alta Faye and Mrs. W. D. Byrne returned to their home in California after a two weeks' visit with their son and brother, Joe Byrne and family.

Mr. and Mrs. Grady Suiter have been at the bedside of their son-in-law F. M. Martin who was injured in a truck accident.

Mrs. J. A. Williams has staying with her and working in the oil field her brothers, Emmitt and Cill of Houston.

Mr. and Mrs. Jack Heard of Brownwood arrived Saturday from a visit with his sister, Mrs. Joe Byrne.

We welcome into our midst Mr. and Mrs. Stevenson and sons from Tex Line. He is our new Superintendent of schools.

Mrs. Pat Falls and children Wally, Lady and Donna visited Mr. and Mrs. S. D. Hays of Bethel Friday.

Mr. and Mrs. Travis Allen and children and Mr. and Mrs. O. W. Halloday and children of Cuthbert spent Sunday with Mrs. J. H. Allen.

Mr. and Mrs. F. L. Gullett and children left Saturday for points East and South on their vacation.

Mr. and Mrs. Jesse Grizzle and son, Wayne of San Angelo, visited last week with her parents Mr. and Mrs. E. E. Carlile.

Mrs. L. A. Hill and children of Lubbock visited in the Millhollon home Monday.

The Ira pep squad met Thursday in the Evans Millhollon home for a business meeting.

Mr. and Mrs. Louie Vaughn of Snyder visited his parents Mr. and Mrs. L. A. Vaughn Sunday.

Mr. and Mrs. Bill Lawless from Colorado City attended the birthday party in the Evans Millhollon home honoring their son Jim Bob.

PERSONALS

Flying to Dallas yesterday were Lee Smythe, Dr. John Blum, Brud Boren, and Donald R. Scott. They attended the Redskin-Lions football game and are expected to be back in Snyder today.

L. N. Periman, 3011 Avenue V, suffered a heart attack at his home Tuesday afternoon. He is reported somewhat improved, and is recuperating at home.

Mr. and Mrs. Howell Harpole from Lubbock spent Wednesday visiting Mr. Harpole's parents, Mr. and Mrs. N. M. Harpole, 2801 Avenue V, and his sister, Miss Polly Harpole.

Mrs. Thee Deere was taken to the Lubbock Memorial Hospital this week for surgery. Accompanying her were her two daughters, Mrs. W. A. Griffin, 2706 Avenue S, and Mrs. Dale Gleghorn, Artesia, N. M.

Mrs. Carl West and her sister, Mrs. Will Price, who is visiting from Bertram, Tex., are in Fluvanna for a few days. They will visit with Mr. and Mrs. C. F. Landrum there.

Mr. and Mrs. Charles Kelly from Rotan spent Sunday here with Mrs. Kelly's parents, Mr. and Mrs. R. E. Huggins, 1301 Twenty-third Street. Mr. Huggins is recuperating from surgery undergone several months ago at Lubbock Memorial Hospital. His condition is reported slightly improved.

Mrs. E. H. Coons and Mrs. J. G. Lockhart, 304½ Twenty-eighth Street, went to Lubbock Saturday. Mrs. Coons, who manages a ceramics business on Twenty-sixth Street, purchased supplies.

Mr. and Mrs. W. T. Ivy, 2801 Avenue T, have as visitors Mrs. Ivy's aunt, Mrs. Lillian Cole from Harlingen, Tex., and Mrs. Ivy's brother Royal Parker, Stockton, Calif. Mr. and Mrs. Ivy just returned from a week-end visit with Mrs. Ivy's mother, Mrs. Ina Parker in Hamlin, Tex. Accompanying them were their two duaghters, Miss Quita Ivy and Miss Judy Ivy.

Mr. and Mrs. E. L. Flippin, 1010¼ Avenue S, have returned from a week at Eagle Nest, N. M. Accompanying them were Mr. and Mrs. Danon Shelton from Post. Mr. Flippin was vacationing from his businesses, Miller Cortel and City Plumbing.

Mr. and Mrs. Earl C. Fish, 2901 Avenue W, entertained their son and family, Mr. and Mrs. Creston Fish and two children Sunday.

Mr. and Mrs. Dan M. Gibson, Clairemont Road, went to Seguin, Tex., last week end to visit Mrs. Gibson's parents. Their sons, Dan Gibson and Kenny Gibson, accompanied them, and on the return trip the twins stopped off at Texas A. & M. College, where they will soon begin their sophomore years as engineering students.

Mrs. Henry Hart, 1901 Avenue M, entertained her daughter and family, Mr. and Mrs. Edgar Galyean from Rotan Sunday.

Mr. and Mrs. Howard Gibbons and daughter, 2308 Avenue N, entertained house guests over the week end. Their friends, Mr. and Mrs. R. R. Barton and son from Eastland left Tuesday.

Mr. and Mrs. E. E. Spears, 3111 Avenue T, went to Dallas Monday to attend the football game.

Ed Casebolt, the son of Mr. and Mrs. W. D. Casebolt, 2712 Twenty-fifth Street, has just returned from a 10-week summer encampment at Durango, Colo. Now that he is home his parents expect to move to Plainview, Tex., where Mr. Casebolt will continue his independent oil lease operations.

Mr. and Mrs. Don Williams Avenue B and Twenty-fourth Street, are parents of a daughter, born yesterday at the Snyder Hospital.

Mr. and Mrs. C. L. Banks, 1001 Twenty-sixth Street, spent the week end in Meadow, Tex., visiting Mr. and Mrs. O. D. Dial. Mr. Dial was formerly the minister of the Church of Christ here.

Mrs. C. E. Walker, 1002 Twenty-eighth Street, spent yesterday in Big Spring visiting her cousin, Mrs. J. T. Gross.

Knighthood Degrees Are Conferred on 4 DeMolays from Snyder

Four DeMolays from Snyder received the degree of knighthood at the state DeMolay conclave held in Dallas last week.

Jack Longbotham, James O. Littlepage, Jr., Eddie Don Floyd and Walter Wells, Jr., received this degree, one of the highest the DeMolays confer.

Other DeMolays attending the conclave were Cecil Agee, Gene Knight and Robert Minton. Walter Wells and Hilton Lambert, chapter advisors, accompanied the boys to Dallas.

While there James Littlepage entered a tennis tournament held by the DeMolays and went to the semi-finals.

Return From Vacation Trips to Relatives

Mrs. W. J. Ely, 3109 Avenue U, has just returned from a week's trip spent visiting relatives. Accompanying Mrs. Ely was her daughter, Mrs. R. M. Phillips and Billy Mark Phillips. Mrs. Ely's sister, Mrs. A. B. Cranston from Abilene joined them on the trip.

The group visited Mrs. Ely's sister, Mrs. Bagley in Canyon, Tex., another sister, Mrs. Arlie Carpenter in Lafors, and another sister Miss Bessie Medlen in Roaring Springs, Tex.

The party also stopped by to visit Mrs. Ely's brother, Robert Medlen in Floydada.

Mrs. Leslie Receives Word of Death of Kin

Mr. and Mrs. A. C. Leslie, 2711 Avenue W, have received word that Mrs. Leslie's brother, A. E. Kolb, Albuquerque, N. M., died Tuesday of a heart attack.

Mr. Kolb had suffered poor health for some time. It was undecided whether the Leslie family will be able to attend the services in Albuquerque.

Mrs. Dell Smith Has Two Tables of Bridge

A two-table bridge party honored Miss Nell Verna LeMond at the home of Mrs. Dell Smith, 3108 Avenue T, Tuesday night.

Mrs. Smith served a sherbet punch drink to the following: Mrs. Weldon Kincaid, Miss Polly Harpole, Miss Thelma Leslie; Mrs. Lee Smyth, Miss Katherine Northcutt, and Mrs. Madge Popnoe.

Miss LeMond will leave Snyder Sunday for Santa Fe, N. M., where she teaches in the public schools.

Bridge Party Given By Mrs. Renal Rosson

Mrs. Renal Rosson, 3012 Avenue V, had two tables of bridge in her home yesterday afternoon.

Mrs. Rosson served small chocolate cakes with whipped cream and cherries, plates of mints, and iced tea to Mrs. James Rosser, Mrs. Flay Joyce, Mrs. Harold Bennett, Mrs. Gene Dulaney, Mrs. Keith Merrick, Mrs. Jack Ray, and Mrs. Ross Hemphill.

Mrs. Dulaney won high score prize; Mrs. Joyce took low score prize.

County H-D Picnic Will Be Held Tonight At Elementary School

The Rev. E. K. Shepherd, pastor of the First Baptist Church, will be guest speaker at the county's annual home demonstration club picnic tonight at the elementary school cafeteria on Twenty-eighth Street and Avenue K.

The picnic, which will begin at 7 o'clock, is for members and guests of all home demonstration clubs in the county, according to Mrs. Mildred Sparks, acting county home demonstration agent.

Among the guests expected to attend are the county commissioners. The subject of Mr. Shepherd's speech will be "Better Homes Build a Better World."

Many from Snyder To Warren Family Fete

A reunion of the Warren family held in Sweetwater Park Sunday attracted several branches of that family from this area.

Attending from the Panhandle area were: Mr. and Mrs. Robert Warren and son of Fluvanna; Mr. and Mrs. Walter Weathers and son of 2801 Avenue M, Mrs. Cora Weathers of 1705 Twenty-eighth Street, Gene Warren of 1705 Twenty-eighth Street, Mrs. Leona Weathers and son of 3101 Avenue K, and Mrs. Lula Alexander of 3101 Avenue K; Mrs. Earl Cray and children, Lubbock; Mrs. Joe Smith and children, Houston; Mrs. Dee McAlister, Cross Plains; O. D. Bland, Mrs. and Mrs. Claude Warren, Mrs. Lora Warren, and Mr. and Mrs. R. C. Warren, all of Merkel; and Mrs. Sam Hill and Mrs. Merel Slough, Abilene.

Governor of Texas's Flag

Gov. Allan Shivers inspects a newly designed governor's flag presented to him by Maj. Gen. K. L. Berry, state adjutant general during ceremonies Saturday at North Fort Hood, Tex., at which the governor reviewed the 36th Infantry Division of the Texas National Guard. The review was a high point of the division's summer encampment.

TALK OF THE TOWN

BY FRANCES BIOW

Those GIBSON Twins will create quite a stir even in city-sized Texas A. & M. Unbelievably identical, they have for years frustrated people who knew them around here. . . They left with the Dan Gibson's, their rancher parents, this week to take up the uniform again. Sophomores in engineering, they can cut classes, interchange on dates, and puzzle a lot of serious minded professors silly.

* * *

NEWEST REASON FOR MOVING:

"We're moving to Plainview because the Snyder Junior High School is in the middle of a gin yard!" stated MRS. W. D. CASEBOLT., whose husband carries on oil activities in this area. "It doesn't matter where we live. So with the son returning from summer camp and in the market for junior high and with an allergy to boot, we just can't risk all that gin dust and lint."

* * *

MISS MARGARET SMYTHE about a decade ago had clear, china-doll blue eyes and trotted down to the old Scurry County Times building daily to see her father, J. C. SMYTHE, who edited the weekly in those days, with WILLARD JONES. Today Miss Smythe, at a far more sophisticated age, returns to Snyder, a member of the bridal party for CLARICE McGLAUN tonight. Miss Smythe's father is still a newspaperman, very active in Liberty, Tex., in the lush rice-growing Trinity River Valley. Margaret still has the blue eyes, hopes for a chance to say hello to everyone here who knew her and her family.

* * *

The final party for Miss McGlaun was at the Martin's last night. Miss McGlaun sat at a beautifully decorated table, yellow daisies running its length. Gladioli brightened the tables of the rest of the wedding party. This was a rehearsal dinner, fried chicken and biscuits. Miss McGlaun cleverly built little flowers; pinned one to each bridesmaid's present. The flower was fashioned of a piece of her dress, her veil, and the lace she will wear tonight.

Louis Wants More Fights After Charles

By MURRAY ROSE

NEW YORK, Aug. 31. (AP)—If Joe Louis still has the old "if," look for the Brown Bomber to do another cleanup job on the heavyweights.

This time there won't be any pieces around for anybody to pick up. It's a big "if," though.

"If I win and fight again," said Joe as he arrived to set up training quarters at Pompton Lakes, N. J., "I want to do it quick. In December, or January at the latest."

BIGGEST TEST

The "unretired" heavyweight champion's first and biggest test comes against Ezzard Charles, the NBA heavyweight boss, in Yankee Stadium Sept. 27.

If, and here we go again, Joe can get by Charles, then he can get past anybody in the heavyweight league today.

That would bring him up against Lee Savold, the Englewood, N. J., veteran who is recognized in Britain and Europe, as the king of them all, the Rocky Marcianos, the Roland La Starzas, the Cesar Brions, and you name 'em.

Joe is in hock for around $200,000 to Uncle Sam for income tax. A single fight with Charles wouldn't take him out of the financial woods.

So it would be logical for Louis to start another one of those "bum of the month campaigns" that kept him active and prosperous in '40 and '41. That would be fine for Joe. But the heavyweight situation would be in a worse mess than ever.

'CLEANUP' JOB

It was Louis' own optimistic words that started the boys to speculating about another cleanup job.

"I think I'm better now than at any time since the war," said the 36-year-old Bomber. "I weigh 218 now and expect to come in for the fight between 214 and 217."

Louis scaled 213½ the night of June 25, 1948 when he knocked out Jersey Joe Walcott in the 11th round of a "farewell appearance."

As for Charles, Louis said, "I saw him fight three times. Against Gus Lesnevich, Pat Valentino and Walcott. He may not look good but he's definitely a good fighter, and he punches pretty fair . . ."

"And," continued Joe with a smile, "he's pretty tough for my age."

Former Hitler Youth Realizes Dream, Joins The U. S. Air Force

NEWARK, N. J., Aug. 31. (AP) — A youth who soldiered for Hitler in World War II has realized his "two wildest hopes" — to be an American citizen and to serve Uncle Sam's Air Force.

Karlhenz Waidman, 23, was rushed from a German officer candidate school to the front lines on the Rhine when he was just 18 years old. But during seven weeks as a prisoner of war in the United States he became impressed with the American way of life.

Back in Germany, he wrote to an uncle, Joseph Mohler of Belleville, N. J., and asked to live with him.

His final citizenship papers were granted July 7. And yesterday he was sworn into the Air Force "with the opportunity to become a pilot —my boyhood dream."

Brazilian Consul's Wife Said Missing

STANBUL, Turkey, Aug. 31. (AP) — Mrs. Aldine de Silva, American wife of the Brazilian consul here, fell from a yacht and disappeared last night in the Marmara Sea.

The 42-year-old Mrs. De Silva was the daughter of Mrs. J. W. Moore of St. Albans, West Va.

Weather Star Misses Forecast, Turns Green

NEW YORK, Aug. 31. (AP)— The Mutual Life Insurance Co. has a red face — all because its new electric weather star turned green instead of a flashing orange.

The company lit its star for the first time last night, 40 stories above Broadway and 55th Street.

The indicator was built to reflect weather bureau forecasts: Green for sunny weather, orange for clouds, flashing orange for rain, and flashing white for snow.

It was raining last night and the star was all wet—it beamed a beautiful green.

MacArthur and Staff To Get New Airplane

BURBANK, Calif., Aug. 31. (AP) — A four-engined plane named "Scap" heads for Tokyo tonight for use by Gen. MacArthur and his staff.

The name of the Lockheed Constellation, specially equipped with radar, comes from the general's title — supreme commander, allied powers.

The general's chief pilot, Lt. Col. Anthony F. Story, and a crew of seven are scheduled to leave Hamilton Field, San Francisco, tonight for Tokyo.

The National Safety council says there are more accidental deaths on U. S. farms than in any other major industry.

Gulf Waterway Sets Decision September 29

DALLAS, Aug. 31. (AP) — Interested parties will have until Sept. 29 to present their views on investigations of the Gulf intercoastal waterway in Texas.

Col. Louis W. Prentiss, division engineer, announced the extension yesterday. The original date was Aug. 1. The report concerns shore erosion at the west end of Bolivar Peninsula near Port Bolivar in Galveston Bay.

Boston Parents Get Mayor's Recognition

BOSTON, Aug. 31. (AP) — A mayoral pat on the back is being given the proud parents of all babies born in Boston.

They are receiving scrolls from Mayor John B. Hynes congratulating them upon additions to the family.

The attractively embossed blue and gold documents also may be used as unofficial birth certificates, the mayor's office said.

Australians Arrive In Japanese Sector

TOKYO, Aug. 31. (AP) — Australian infantrymen on their way to join United Nations forces in Korea, flew into Japan today.

They are the first contingent of the Australian expeditionary force. Their number was not reported.

A spokesman for the British Commonwealth occupation forces declined to comment on when they would go to the battlefront.

Man Fined in County Court; Hearings Set For 2 Innocent Pleas

Three men were charged with misdemeanor offenses in county court yesterday, two pleading not guilty and one pleading guilty and paying a fine of $48.50, including court cost.

L. T. Crawford, 24, of Lubbock, formerly of Snyder, pleaded not guilty to a charge of possessing whisky for purpose of sale in the county. His bond was set at $1,000, and his trial was set for Tuesday. He has not yet been released on bond.

Bond was set at $250 for Audrey E. Fortune, 26, of Cross Plains, Tex., after he pleaded not guilty to a charge of driving while intoxicated. He will be tried some time next week, Edgar Taylor, county judge, said.

Paying a $25 fine plus court cost of $23.50 was Hafford C. Erwin, 36, of Snyder, who pleaded guilty to a charge of petty theft. Erwin was charged with stealing a service station automobile jack.

A check with the Department of Public Safety in Austin late yesterday revealed that Crawford had a long police record for car theft, robbery, and burglary, it was reported by the Sheriff's Department today. He was sentenced to three years in the Texas penitentiary for burglary in 1946 and sentenced again in 1949 to two years in the Oklahoma penitentiary for burglary.

Crawford was arrested Tuesday at the Hut Drive-In, on the East Highway, by E. W. Green, highway patrolman, and Homer Whisnand, deputy sheriff, who reported confiscating several bottles of liquor from his automobile.

Nursemaid Is Shot By Three-Year-Old Boy

CHESTER, Pa., Aug. 31. (AP) — Police said a nursemaid was shot last night with a pistol she had given to a three-year-old boy, thinking it was a toy.

Mrs. Peggy Rose, 34, of Chester, managed to reach the home of a neighbor. She was taken to Chester Hospital, where doctors said she was in serious condition with a back wound.

Police said Mrs. Rose told them she gave a .22 calibre pistol to three-year-old David Palmer after finding the weapon on a window sill in the home of her employe —the boy's father, Jackson Palmer.

As she was putting the child to bed, the gun went off, police quoted the maid as saying.

Locations Spotted For 102 Oil Tests, Twenty-one in Scurry

Twenty-two West Texas counties shared locations the week of Aug. 13 to Aug. 19 for 102 tests for oil, including 11 wildcats.

The preceding week listed 130 tests, including 15 wildcats.

Totals for the first 33 weeks in 1950 became 2,858 in proven areas and 499 for wildcats, a grand total of 3,357. This is a weekly average of 101.7, the same average noted during the 32nd week.

Borden and Crockett Counties added two wildcats each, with one wildcat being added by each of the following counties: Andrews, Dawson, Ector, Lubbock, Midland, Runnels and Schleicher.

For the 46th consecutive week, Scurry led in field starters with 21. Pecos added 18; Coke, 4; Crockett, 4; Tom Green, 4; Ector, 8; Runnels, 5; Andrews, 3; Borden, 3; Gaines, 3; Hockley, 3; Winkler, 3; Howard, Kent, Midland, Sterling, and Upton, 2 each; and Crane and
