FATHER AND SON BOTH EMBEZZLED, CLAIM; BANK IS CLOSED

By Associated Press. FORT WORTH, Aug. 16.—Charges of embezzlement of funds of the First National Bank of Denton, which suspended operations Wednesday, have been filed here before United States Commissioner Flynn against H. F. Schweer, president, and his son, L. H. Schweer, cashier, Flynn revealed today.

The younger Schweer was arrested last night at Denton and his father, H. F. Schweer, was placed under surveillance. The elder man was not placed in jail because of his physical condition. He is over 70 years of age.

Action was taken against the two here instead of the eastern district, in which they reside, because of greater convenience in handling extradition.

Specific information against the bank president charges him with embezzlement of \$377,158 on April 1, 1927. His son is alleged to have embezzled \$1,194.33 on the same date of this year. No details in connection with the alleged embezzlements are set forth.

The charges are started by Jacob Emery, United States bank investigator, who has been active in the investigation of bank cases for the past eight months.

The two officers of the Denton bank which was established in 1882, are prominent residents of Denton county.

The closest institution is in charge of a national bank examiner.

GIRLS OFF ON CAMPING TRIP

CAMP FIRE GIRLS AND LEADERS, 55 STRONG, LEAVE TODAY

Fifty-five Lubbock girls left early this morning for Camp Canyon, site of the annual Camp Fire girls' encampment, where they will spend a week in recreation and earning organization honors. Miss Cecilia Peterson, Phoenix Arts executive in Camp Fire is director of the camp.

Miss Peterson, accompanied by J. W. Gamel, president of the local Camp Fire council, Miss Phyllis Burleson, of the Lubbock Saurerism, who is camp nurse, and the campment cook, went to the camp yesterday, accompanied by leaders who carried the luggage and other equipment, and made the camp ready to receive the girls this morning.

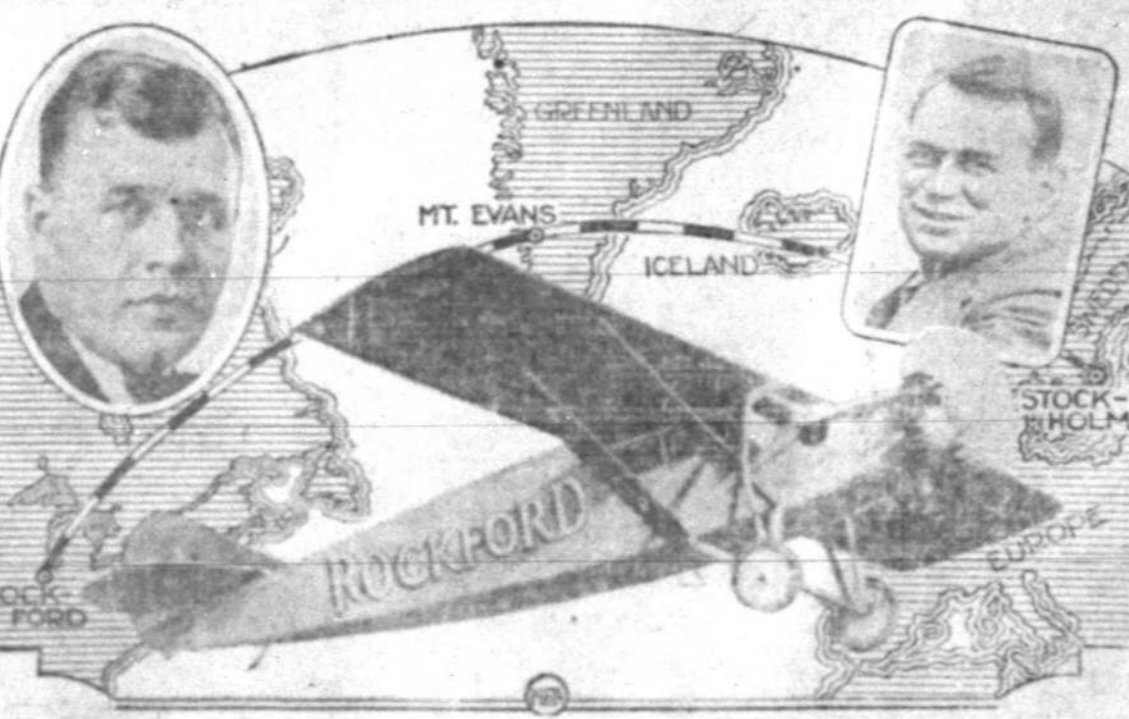

Other adults alone. Other adults who went to the camp yesterday afternoon and this morning are Miss Lucille Jordan, life-saver who will be in charge of the swimming; Miss Johnny Gilbreath of the Technological college physical education faculty, who is to be an instructor; Mrs. Fred Adams, Mrs. P. P. Pivard and her niece, Miss Elizabeth Evans, school teacher of Mansum, Okla., and Mrs. J. V. Tupper, who is a member of the local high school faculty.

Dr. Nan L. Gilkerson, specialist of Amarillo, is expected to be at the camp today. Mr. Gamel said today.

The Baptist Assembly grounds in the canyon are being used for this camp and ten large tents have been set for use. Mr. Gamel said today.

REUNION ENDS FOR PIONEERS AT CROSBYTON

OLD TIMERS HAPPY AS PARTY AT MEMORIAL PARK IS CLOSING

CROSBYTON, Aug. 16.—With the attendance yesterday swelled beyond all previous records, old timers continued to arrive today for the convention here of the West Texas Old Settlers association.

It is estimated that about 2,000 old settlers are on the grounds for the entertainment program. A free barbecue is to be served at noon today to the visitors. Plans have been made to feed 10,000 people.

Remains of an old dinner in the shape of a hat, where soldiers and citizens once were forced to take refuge from the attacks of Indians nearly five decades ago.

Today the last day of the convention, and the check women are preparing 5,000 pounds of beef, mutton, pork and chicken for the old settlers at noon today.

The reunion is being held in one of the old timers' homes.

BOOZE PARTY

Church Folks Help Destroy Rum At Houston

HOUSTON, Aug. 16.—The Rev. F. H. Colley of the First Church of Christ had a row today for his flock.

That was that "people who don't go to prayer meetings miss all the fun," he quoted the pastor.

Rev. Colley's moral developed from a row officers made on a "mashery" near down to his church last night. The raiders waited until prayer meeting was out to destroy the evidence. And then the pastor led his flock on a "delightful party."

They destroyed 1,800 bottles of beer by throwing them against a tree stump and poured 300 gallons of beer down into a bathtub. Of course the ever enthusiastic church workers poured 500 feet and soon were up to their throats in the "mashery" but today they never-theless concluded with their leader that "it was a great party."

FLIERS TO STOP OVER NIGHT IN CANADA; PLANE IS LOADED

BULLETIN. COCHRANE, Ont., Aug. 16.—Bert Hassell and Parker Cramer landed here at 2:30 o'clock this afternoon, completing the first leg of their flight from Rockford, Ill., to Stockholm, Sweden.

ROCKFORD, Ill., Aug. 16.—Bert Hassell and Parker Cramer took off at 6:40 a. m. central standard time, on the first leg of a proposed flight to Stockholm, Sweden.

From Rockford, course of the plane was northeast across Canada to Cochrane, Ont., and thence to Mt. Evans, Greenland, total distance from Rockford to Mt. Evans was 2,100 miles. The pilots planned to make a shorter hop from Mt. Evans to Reykjavik, Iceland, where a land was ready for additional fuel and oil. Between Reykjavik and the Swedish coast, their leg had a great expanse of open sea.

Plane Is Well Stocked. The big plane was stocked with ample food supplies. Besides food the pilots carried a collapsible rubber boat, an axe, a rifle, hiking outfits and first aid kit.

A radio was included among the plane's equipment and the pilots planned to keep in communication with radio stations throughout their flight.

The plane made a perfect hop off from the Rockford airport, circling over the field until the big plane had made an altitude of about 1,500 feet when it was posed northward toward Cochrane, Ont., where Hassell planned to make his first stop and spend the night.

The pilots were scheduled to

Brownfield People To Vote On Paving

BROWNFIELD, Aug. 16. (Special)—An election has been ordered for October 16th, for the purpose of determining whether the citizens desire to have the city streets paved.

It is believed that the proposition will be voted by a respectable majority and it has been found almost impossible to maintain them in a possible condition in either wet or dry weather.

Action On Harvey Bonds Comes Today

Bond of \$1500 set yesterday afternoon in justice of the peace court in the case of Leonard Harvey, charged with burglary, have been filed but not yet approved, county officers said this morning.

It is said that the bonds will be approved or rejected sometime today.

Harvey was arrested early this week by county officers in a charge of the theft of a diamond ring and other jewelry from C. C. Cooke here last July 2.

Others Escaped.

Cooke, one of the 150 in the mine at the time of the blast, was with the 14 in the section where

BUILDING HERE CONTINUING TO MOUNT HIGHER

\$30,850 IS ADDED TO TOTAL TODAY AND WEDNESDAY

Granting of building permits got off for an early start this morning as four residence building permits were issued from the city offices for a total of \$33,850. The four permits were issued by 9:30 o'clock this morning.

Permits granted during August total \$23,550 for fifty-seven permits, and the 485 permits this year aggregate \$2,331,719.

Three To One Man. Three of the permits this morning were to W. S. Moss. They were: \$6,000 for the construction of a home for J. P. Middleton at 2624 Avenue Y; \$4,750 for the construction of a residence at 1211 25th Street for Edwin F. Summers; and \$5,000 for the erection of a residence for Lee Lacey at 1517 25th Street.

The other permit this morning was \$500 to T. T. Brooks for the construction of a frame residence at 1405 Avenue F, for C. C. Abbott.

Four residence building permits of \$17,000 which were issued yesterday afternoon kept the month's total rising at a rapid pace. The permits issued yesterday are: \$9,500 to S. E. Holt for the construction of a residence for C. C. Hunt at 2107 25th Street; \$2,500 to J. B. Durham, who will construct a residence at 1707 Avenue N, for C. M. Mitchell; \$5,000 to G. A. Gunn, for the erection of a residence for T. E. Snider at 2310 15th Street; and \$5,000 for the construction of a home at 2212 15th Street for J. H. Snider.

Survivor Of Mine Blast Tells Story Of Tragedy

(By Associated Press) COALPORT, Pa., Aug. 16.—The sole survivor of 14 men known to have been trapped in the number 3 mine of the Irvona Coal and Coke company when an explosion occurred yesterday, today told the story while rescue workers from various districts explored the gas swept mine for bodies which might have been overlooked.

The survivor, Martha Coe, of Coalport, owes his life more to luck than anything else, having refused to follow a fellow miner whose body later was brought from the workings badly mangled and burned.

Coe, one of the 150 in the mine at the time of the blast, was with the 14 in the section where

the blast occurred. The other 136, in another section of the mine, escaped, their working place not having been visited by the force of the explosion.

"I was with W. H. Mays about 2:15 o'clock," Coe said. "We were in the section where

STATE SCHOOL BOARD LIMITS COST FIGURES

LEGISLATURE'S LIMIT OF \$15 PER CHILD IS DECIDED UPON

By Associated Press. AUSTIN, Aug. 16.—The State Board of Education set aside a per capita appropriation of \$15 for each public school child to run the schools during the coming term at a meeting today.

Figures submitted by State Comptroller S. H. Terrell showed that some \$23,500,000, or enough to make a \$16 appropriation, is available for the schools, but the 49th legislature limited the sum to \$15.

Supplemental Not Needed. The supplemental appropriation of \$1,500,000 made in anticipation of the reduction of the gasoline tax from three to two cents a gallon September 1 would, if used, make the appropriation \$17. This fund was not needed, however, to fulfill the \$15 requirement.

The appropriation made was based on an estimated total enrollment of 1,401,374 school children, which is about 51,000 more than the figure on which the 1927 appropriation was based on, and the latter was 21,000 more than the year before.

Boys Thought Lost Were Just On Hike

Three youths believed lost last night were located several hours later at Idaho where they had terminated a hike.

Leaving here yesterday morning the boys, two of whom were visiting the third here in Lubbock, left for a hike, planning to return that night.

W. P. Knox, scout executive, was notified about 9 o'clock last night by the mother of the boy here that the boys were lost. A searching party was quickly organized, but word from the boys at Idaho ended plans for a search. The boys had come farther than they expected and decided to make a night of it.

Yes Sir—Peaches Grow In Lubbock

As evidence that peaches can be raised successfully here, Mrs. A. V. Weaver, 1801 Broadway, and Bob and Jack White, 1411 8th street, brought samples of this fruit to the Avalanche-Journal office this morning.

The peaches were all albertas and had been grown in the yards at these two places.

Jack and Bob White, who are sons of F. A. White, had six peaches, the largest measuring 10-1/2 inches in circumference and being almost round. No peach was smaller than 10 inches in circumference and Mrs. Weaver's largest peach was 10 inches in circumference. These peaches were said to have been picked from trees which are loaded with ripening fruit.

Murray To Preside Over Scout Confab

R. J. Murray, official of the South Plains Boy Scout council, will be in charge of the meeting of the Scout executive board at the City Hall at 3 o'clock tomorrow afternoon. It was announced today by Scout officials.

Purpose of the meeting will be to check up on the Boy Scout work and to make plans for the Scout activities for the fall and winter.

W. P. Knox, area executive of the Scouts, let this morning for Falls and Crosbyton to get his report of the council lined up for presentation at the meeting tomorrow.

SEND PAPERS TO EAST, IS URGE

"Spreading out the advertising of the section of the country so that it would reach the East would be the greatest thing that could happen to West Texas," J. W. Gamel, local business man, said this morning in commenting on the prosperity and South Plains fair edition of the Avalanche-Journal.

"Local people and the people of the South Plains generally know about the conditions here, but the people in the east do not. I have just returned from a four weeks trip to New York, Boston and other eastern points, and everywhere people inquire about this section."

"If everyone in Lubbock would send a copy of the properly edited edition of the Avalanche-Journal to some friend in the east, this vicinity would be saturated to a certain point with knowledge of the existing conditions here."

Officers Killed. OXFORD, Pa., Aug. 16.—Major Joseph Russ of the United States army, was instantly killed and Lieutenant Colonel Edmund Butcher badly injured when their motor car was struck by a Pennsylvania railroad milk train at Barnley crossing and the Baltimore pike today.

Agreement Made. LONDON, Aug. 16.—An Exchange telegraph dispatch from Tokyo says the Chinese minister called up the Japanese foreign office today and intimated the willingness of the Nationalists to withdraw their notice of treaty abrogation and to proceed to revision of the treaty.

Probe Strike. NEW ORLEANS, Aug. 16.—The United States board of mediation was requested today by the board of directors of the New Orleans Association of Commerce to appoint a fact finding committee to investigate the threatened strike of western railway conductors and trainmen.

The request was made in a resolution adopted by the association's board of directors and telegraphed to Samuel E. Winslow, chairman of the board of mediation. The message was signed by Charles Hamilton, president of the local association.

Hunt Potash. ODessa, Tex. Aug. 16.—Possibilities of Odessa as a potash producing area will be tested in a mine to be sunk by the American Potash company 10 miles south of here. Plans call for construction of a concrete shaft 30 feet in diameter, to a depth of 1,800 feet.

Supports Smith. CORPUS CHRISTI, Tex. Aug. 16.—Answering a query from Henry J. Allen, press director of the Republican national committee, as to which nominee he would support in the presidential election, Luther A. Johnson, congressman from the sixth district, declared today he not only would vote for Governor Alfred E. Smith, democratic nominee, but would stump the doubtful states in his behalf.

Monster Found. SCIENTISTS UNCOVER SKELETON 'SIZE OF WOOLWORTH BLDG.'

PEKING, Aug. 16.—Head bones of a prehistoric monster unearthed by Roy Chapman Andrews at the southern edge of the Gobi desert and described by him as indicating existence of a colossal animal "about the size of the Woolworth building were in a horizontal position."

(The Woolworth building in New York city is 782 feet high.)

Dr. Andrews, leader of the fourth Central Asiatic expedition, said: "This was our biggest strike—one of the most interesting finds ever made. This entire area is rich in fossils. We found a monster in the same area in 1925. The saddle-shaped headed creature discovered on this expedition is believed perhaps to be the great grandfather of the T-Rex monster."

Dr. Andrews said his discovery included Patachtherium fossils and several splendid skulls of a new type of fossil mammal, Titanotherium, quite different from any North American Titanotherium.

The collection fills eighty cases.

GANG'S ALL HERE. CORPUS CHRISTI, Tex. Aug. 16.—Eighty-five children, inmates of the City Jail here, today will have their heads shaved to mark their conversion to a Christian religion.

Each year these newly admitted to the home submit to the operation in a group.

PRINTERS GET BALLOTS HERE. OFFICIAL BALLOTS OF STATE AND COUNTY BEING PREPARED.

Official ballots to be used in the second democratic primary August 25 are expected to be printed today in order to care for absentee voting. Frank E. Wheelock, county democratic chairman, announced this morning.

Mr. Wheelock said that it would be necessary for him to see several members of the executive committee but that he thought that the ballots would be ready this afternoon. Delay in the printing of the ballots was caused by consideration of resolutions by the executive committee to determine the names to be placed on the ballot.

Average voters will be allowed until three days before the election voters who will not be here on the 25th may make arrangements by calling at the county clerk's office after today. Mr. Wheelock said.

COMBINING OF ELECTIONS ON BONDS TALKED

Question of combining the election for the bonds to cover the expense of subways and paved roads for Lubbock county is being considered by members of the county commissioners court, it was learned today.

A called meeting of all of the commissioners who could be reached yesterday afternoon was held in the County court room, but no announcement has been made of any action taken.

Conference Is Held. The meeting was called by County Judge Charles Nordyke following a conference with Mayor Harold D. Woods, other members of the city commission, and officials of the Lubbock Board of City Development, during which a request was made to the county commissioners court to combine the two proposed bond elections.

A bond election ordered early this week by the county commissioners court to be held September 22, to cover the cost of the county's part of the construction of the two proposed subways has not been officially announced, leading to the general belief that the county commissioners were considering the joint project.

Judge Nordyke left the city early this morning on his vacation and could not be reached for a statement. L. C. Denton, who is reported with having attended the called meeting, is also out of the city.

Mayor Woods intimated yesterday that a city bond election probably would be held at the same time as the county election.

VIGILANTES! Diamond Fields Cleaned Up Byirate Citizens

RIO JANEIRO, Brazil, Aug. 16. (AP)—Ten thousand vigilantes under Jose Morbeck called "the Ocell Rhodes of South America," have ended two months of guerilla warfare in Matto Gross by driving 3,000 disgruntled native diamond prospectors across the border of the state of Goyaz.

Lawlessness Is Rife

A period of lawlessness followed, stalling the days of old time American warfare. The governor of Matto Gross tried to control the situation with state troops but gave up the attempt after several disastrous engagements.

Then Morbeck, unowned king of the district, called on his adherents. Ten thousand rallied while the malevolent centers their cause under the command of a bandit chief known as "Carvalhinho," which is the Portuguese name for the sturdy water duck.

NEW YORK'S GOP LEADER IS DEAD AFTER A STROKE

NEW YORK, Aug. 16. (AP)—Sudden death of George K. Morris, chairman of the Republican State committee, has brought widespread expressions of sympathy from friends and associates in both the republican and democratic parties.

Mr. Morris, 45 years old, died in his hotel of a cerebral hemorrhage yesterday. He was a supporter of the "Strait Coolidge" movement and had the state delegation in line at Kansas City until President Coolidge's attitude was made plain.

Lamesa will have an ample water supply according to the present city officials and the two wells now being drilled will be in addition to the present supply.

LOSES GAMBLE Girl, 18, Tosses The Dice With Death And Is Beaten

NEW YORK, Aug. 16. (AP)—A pair of red dice with a seven-up a few pence and a sheet of paper on which had been typed the "ten commandments" of married life, told the police today that 18-year-old Anna Green had gambled with a career and lost.

The young woman's body was found in a gas filled room in Brooklyn last night. Dice and papers lay on a table. There was a pencilled note, too, that read, "I have nothing against anyone. Love to You all, Anna."

Remember you are both human, you are not perfect, and you are liable to error.

STORTI'S SINGLE DEFEATS LUBBOCK; SNAPPERS CINCH PENNANT CARDS WIN, GIANTS LOSE TO EASE TENSION IN NATIONAL LOOP

HUBBER RALLY IS NIPPED IN NINTH AS ANDERSON TRIPLES BUT FAILS TO TAG AT FIRST

MIDLAND WINS BEHIND ROSE; WILEY HITS FOR ANGELO

It's just another case where a home town boy makes good. Lindo Storti, the Bambino, is the boy. Lubbock's "home town" for it was none other than Lindo appearing at Merrill park in the livery of Ahlene's Aces after spending most of the current year as a bulk-war of the Hubbers, who was up to his old tricks yesterday and the Hubbers dropped another ball game by a score of 4 to 3. It was Storti's slashing single in the eighth frame which scored Bean, another ex-Lubbock star, and Sullivan, and set the till in Ahlene's win column.

Aside from Storti's hit, it was a tough game for Smiling Vincent Goddard, Lubbock's southpaw pitcher and outfield star, who hits in cleanup hole whether he pitches or not, to lose. Goddard led the Aces down with 8 hits while his mates were getting nine but it "just wasn't in the book" for the Hubbers to win.

Old Jinx Appears
In the ninth inning it looked like the Hubbers had a chance to tie the score and possibly to win the game. Don Anderson, who has been lately recalled to the Hubber outer garden after his injured knee has healed after a fashion, slapped one of Cromer's slants into the wide open spaces, scoring Burch who had opened through the box and taken second via the wild pitch route. All would have been well but Don neglected to touch first as he ran to third for what ordinarily would have been a clean triple. The ball was called back to first and then there was two away.

To show what might have happened had Anderson tagged up, Manager Brownlow, next up, hit a slow roller to second upon which Anderson could have scored from third, standing up.

Bad Fielding Day
The Hubbers had a bad fielding day, committing four misplays, two by Manager Brownlow at first base, one by Outfielder Wilburn who is subbing for Scaling at second and the other by Anderson in center field.

Here are the statistics:

LUBBOCK	AB	R	H	PO	A	E
Anderson	4	0	0	2	0	1
Brownlow	1	0	0	1	0	2
Lynch	3	0	2	3	0	0
Goddard	4	0	1	2	0	0
May	3	0	1	2	0	0
Wilburn	3	0	1	2	0	0
Kyle	4	0	2	1	0	0
Burch	4	1	6	1	0	0
Hill	4	0	1	0	0	0
Totals	34	3	9	27	11	4

Score by innings—

Lubbock	011	000	001	—3

Summary—Stolen bases: Goddard, Brownlow 2. Wild pitches: Goddard, Brownlow 2. Hits: Hill, Walker, Lynch. Bases on balls: off Cromer 3, off Goddard 1. Struck out: by Cromer 2, by Goddard 4. Umpires: Johnson and Woolridge.

Although Outfit Snappers Win

COLEMAN, Aug. 16 (Special)—Climbing the second half pennant by virtue of their victory, the San Angelo Snappers, although outfit, walloped the Coleman Bob Cats here yesterday by a score of 8 to 5. Mike Wiley, hard hitting Snapper catcher, who has no business in a class D league, hit safely both times he went to the bat.

BIG LEAGUE CASTOFFS BRING PUNCH TO FRISCO CLUB

SAN FRANCISCO, Aug. 16 (AP)—Three major league discards are supplying the pitching punch that enabled the Seals to win the first half of the split season in the Coast league this year and is helping the San Francisco team make a determined bid for second half honors.

The trio consists of Walter "Dutch" Ruether, last year with the New York Yankees, Elmer Jacobs, from the Chicago Cubs, and Walter Mails, formerly with the St. Louis Cardinals.

Ruether, a ten year man in the majors, led the league in games won and lost. Beginning the fourth week of the second half he had 18 games won and four lost.

Earlier in the season, Jacobs nearly tied the 23 year old record for scoreless innings pitched. He reached 35, one below the mark, before a run was scored.

"Dutch" will be 35 years old in September. But if he can foot the hard hitting Coast League in a regulation game it seems likely that he could easily master enough stuff to hold off the big leaguers for a few innings occasionally, so baseball men out here consider it likely that some major circuit club may yet sign him for relief duty.

San Francisco would have something to say about that, though, and officials of the Seals doubtless would demand playing strength as well as cash, for "Dutch" is considered a valuable man hereabouts.

DUTCH RUETHER WALTER MAILS

They said they weren't good enough for the big show, but "Dutch" Ruether, Elmer Jacobs and Walter Mails, San Francisco pitchers, are making a lot of the wanted major league material in the Pacific Coast League.

JOHNNY RIKKO LOSES FIRST BATTLE OF NEW ELIMINATION TOURNAMENT IN SIXTH ROUND WINS FOR ITALIAN

NEW YORK, Aug. 16 (AP)—The record against Johnny Rikko, unblemished Cleveland Baker who took second place in Tex Rickard's heavyweight elimination tournament, stood exactly the same today at the start of the new elimination series as it did at the close of the last one.

Rikko got away to a bad start in the ball park of the Brooklyn Nationals last night, when he lost to Berto Roberti, Italian giant, on a foul in six rounds. Up to the final blow, a low left to the body, the Cleveland brawler had kept his record clear as a giant-killer. He won three of the five full rounds.

Opinions about the ringside were almost evenly divided over the final blow—a low left that landed deep in Roberti's body as he stepped into Rikko from the ropes.

STRATON APPEALS TO SENATORS TO OPPOSE AL SMITH

GREENWOOD LAKE, N. Y., Aug. 16 (AP)—The Rev. Dr. John Roach Stratton has written to Senators George of Georgia, and Josephus Daniels, former secretary of the navy, calling on them to repudiate the candidacy of Governor Smith.

Reciting his controversy with the governor in the course of which he refused the governor permission to answer in Calvary Baptist church the charges he had made against him, Dr. Stratton called on them to turn their political allegiance from Governor Smith to the moral and religious forces which will at last sweep the South.

He enclosed in the letters the sermon to which Governor Smith took exception.

That a lady can "show" might be necessary in order to hold the election was the view Wednesday of County Clerk Chester Holts.

RUTH'S HOMER FAILS TO PUT YANKS ACROSS

BUT MACKS LOSE ALSO AND STANDING STILL REMAINS THE SAME

By WILLIAM J. CHIPMAN (Associated Press Sports Writer)
Some tension has been removed from the National league race by a St. Louis victory and a New York defeat, but the American league quarrel remains in the state—it reached ten days ago when the Athletics came to the peak of their spurt in the west.

While the Cardinals were increasing their lead over the Giants to three and one-half games yesterday the Mackmen were refusing for the second time in two days to reduce the Yankee margin to the same figure.

The latest Yankee reverse, decorated with Babe Ruth's 49th 1928 home run, was due chiefly to the antics of Faber, the ancient spitballer, who for 15 years has been a Cleveland baker but kept his record clear as a giant-killer.

Little was wrong with Athletics pitching served by Quinn, but the Mackmen thought Sam Gibson and George Smith were terrible. Final reckoning was 6 to 3 in favor of the Tigers.

Cleveland won 7 to 9 behind the fine pitching of Ebanie in Boston, while Garland Braxton hurled the Senators to a 4 to 3 decision over Gray and the Browns.

The Wrigley field jinx pursued the Giants again, but Chicago base hits may have had something to do with the ninth inning defeat of the clan of McCray by 6 to 5.

The Cardinal victory over the Braves by 7 to 3 was acceptable though to St. Louisans, but more acceptable as a sign that the Red Trip club had ended.

Cincinnati turned tables on Philadelphia, winning 11 to 4, while Brooklyn smashed its losing streak stopping the Pirates in a nip-and-tuck game by 6 to 5. Vance won his sixth straight.

Blanton Not After Congressional Vote

ABILENE, Aug. 16 (AP)—Congressman Thomas L. Blanton today stated what he claimed to be a growing movement among voters of the 17th district to write in his name on the second primary ballot and re-elect him to congress.

Friends from practically every county in the district have advised me that there is an organized movement on foot for voters to write my name on the ballot Saturday week," Mr. Blanton declared.

"I have notified all I cannot permit this, for it would be manifestly unfair to the candidates who have spent their time and money and made their campaigns with the knowledge that I was not running for re-election."

The two candidates who won their way into the run-off primary were R. Q. Lee, Cisco, and Oscar Callaway, Comanche.

Charges Of Love Found To Be True

DEL RIO, Aug. 16 (AP)—Dr. F. M. Rose, chairman of the Democratic executive committee of Val Verde county, admitted to an Associated Press representative today that "write in" ballots cast for Senator Thomas B. Love for lieutenant governor in the first primary were not counted.

"Tom Love got 35 votes in Val Verde county in the first primary," Dr. Rose said, "but his name was not on the ballot and the votes were not certified to the state committee."

RIVERS OF THREE SOUTHERN STATES ARE WIDE OF BANKS AS FLOODS AND STORMS CONTINUE WITH BIG DAMAGE

(By Associated Press) ATLANTA, Ga., Aug. 16.—Draining a territory drenched by almost incessant rains for two weeks, rivers of three southern states were flowing wide of their banks today. Flood waters isolating cities and causing tremendous damage to crops, highways and railroads.

From Spartanburg, S. C., Asheville and Tryon, N. C., and Macon and Quitman, Ga., came reports of flood conditions equaling or surpassing any in the history of the affected sections.

Communications Out The menaced area of North Carolina was cut off from communication last night out before lines went down. Asheville reported heavy preparations to care for hundreds of refugees from the French Broad river valley, where Bee Tree dam was threatening to collapse.

Many mill communities along the Pee Dee river were threatened with destruction. In C. already feeling the rush of flood waters unleashed when Clinton Lock mill dam No. 2 went out last night.

The suburban mill communities of Mount Airy and Arkwright at Spartanburg were flooded for the second time within a week and Spartanburg was without water.

Freck Tornado Hits A freakish tornado tore up 60 houses at Bath, S. C., and injured one woman. A score of houses were damaged or destroyed by a similar storm at Newberry, but no casualties were reported. Charleston also reported heavy damage from the storm and high water.

In Georgia, Quitman appeared the worst hit, having been isolated by flood water released by the collapse of two dams on Oklawaha river. Since then, Quitman has been isolated by flood water released by the collapse of two dams on Oklawaha river.

Reverts Threatened Meanwhile, with Quitman situated on high ground, the waters of Oklawaha creek were joining already swollen waters of the river, which in turn was threatening several northwestern Florida resort towns.

On passenger train was reported stranded near Campobello, S. C., while two filled buses were held up near Bats Cave in the same state.

This week's flood in the three states is the second within 10 days, both being caused by heavy rains following gales from Florida.

TEXAN SCORES CLAPP READY FOR CLASSES U. S. POLICIES IN NICARAGUA

UNIVERSITY MAN SAYS U. S. FOLLOWING WRONG TRACK (By Associated Press) WILLIAMSTOWN, Mass., Aug. 16.—Prof. Charles W. Hockett, University of Massachusetts, today renewed his criticism of U. S. policy in Nicaragua before the Inter-American Relations round table of the Institute of Politics, reviewing the period from 1913 to 1925.

The "legation guard" consists of a minimum of 100 marines stationed in the Nicaraguan capital continuously since August 4, 1912. Hockett said, "Instituted the chief support of a minor government thus imposed by force upon a helpless state."

Describes Complications which threatened the republic with bankruptcy during its first two years. He reviewed features of the Bryan-Chamorro treaty signed in 1916 and which granted the United States rights for construction of a canal through Nicaragua.

Nicaragua refused to recognize this court, established at the suggestion of the United States in 1907," he said, "and questioned its competence, with the result that its decision, favoring Costa Rica, was disregarded. The court, unable to enforce its decisions, ceased to exist in 1917 and the United States paid Nicaragua \$5,000,000 for rights under the Bryan-Chamorro treaty.

Nicaragua had hoped that this national finances in order, but after would enable her to set her priorities than two-thirds of the fund was appropriated to foreign bondholders and other claimants, little was available to pay overdue salaries and other internal debts. Nothing was left for productive purposes.

The dissolution of the Central American Court of Justice, which had been brought into existence at the suggestion of the United States, was made inevitable when its decisions were flouted by both defendant and original sponsor.

K. N. Clapp returned today and will take charge of the life saving classes being held at the City pool each morning at ten o'clock. Classes are being conducted both for those who wish to qualify in life saving and for those who have entered the contests scheduled for August 24th and 25th.

There will be three contests, one for those who passed their life saving test under Arthur Ragland in 1925 or C. E. Graham in 1927 with a 45 bathing suit as prize for highest score. Another contest for those passing this year under Mr. Clapp with a bathing suit as prize for the greatest improvement in score. The third, to which all are automatically eligible, is for the championship of the Lubbock life saving corps. The one making the highest score in either of the contests or in the new class will receive a silver medal engraved "Champion of Lubbock A. R. C. 1928."

Walter Wicks of St. Louis, national Red Cross representative will hold the test and assist in the water carnival to be held on the night of Saturday 25th.

Mr. Clapp is anxious to secure the greatest benefit possible from Mr. Wicks' visit and urges the cooperation of all life savers and swimmers. He states it is not too late to enter the life saving classes and desires a large entry list in the various events in the water carnival.

TRACE AMUNDSEN BY MESSAGE?

LONDON, Aug. 16 (AP)—A dispatch to the Daily Mail from the Hague says the Norwegian consul believes a message found in a bottle reporting the sighting of Roald Amundsen is genuine. He has compared it with letters in his possession and has now sent it to Mrs. Amundsen.

The bottle found contained a message reading: "Latham 1-7-23. At 08:00. Last Roald Amundsen seen." It said Amundsen and five companions shipped off from Tromsø, Norway, on June 18 in a French-Latham airplane to join in the work of reaching the pole of the Detachable Italia. They have been missing since.

FOREST FIRES IN NORTHWEST BRING VOLUNTEERS OUT

BREMERTON, Wash., Aug. 16 (AP)—Four hundred men are fighting three forest fires near here which are out of control, eating their way through virgin timber and threatening scores of residences.

Cutting a swath one mile wide through a forest, a fire near Seabeck was steadily forcing back 300 fighters. Seabeck and other camps were considered safe unless the wind changed suddenly.

A third big fire was burning in Morgan's marsh, about eight miles from Seabeck, where another hundred fighters attempted to halt its progress. The John Naganan Creek fire, 30 miles east of Orofino, Idaho, was reported to have swirled over 7,000 acres.

The New Fall Dresses Are Ready--Choose Them Now While They Are New

In the style realm a new season is here—a season of rich materials and different silhouettes—a season sparkling with entirely new ideas. The careful observer of style will find here just the creations she has pictured for herself, just the colorings and "type". Those who prefer to take their style tips from local sources will find most accurate information here and a spirit of cooperation that will mean much toward their correct outfitting.

Transparent Velvet Gowns Both Printed And Plain

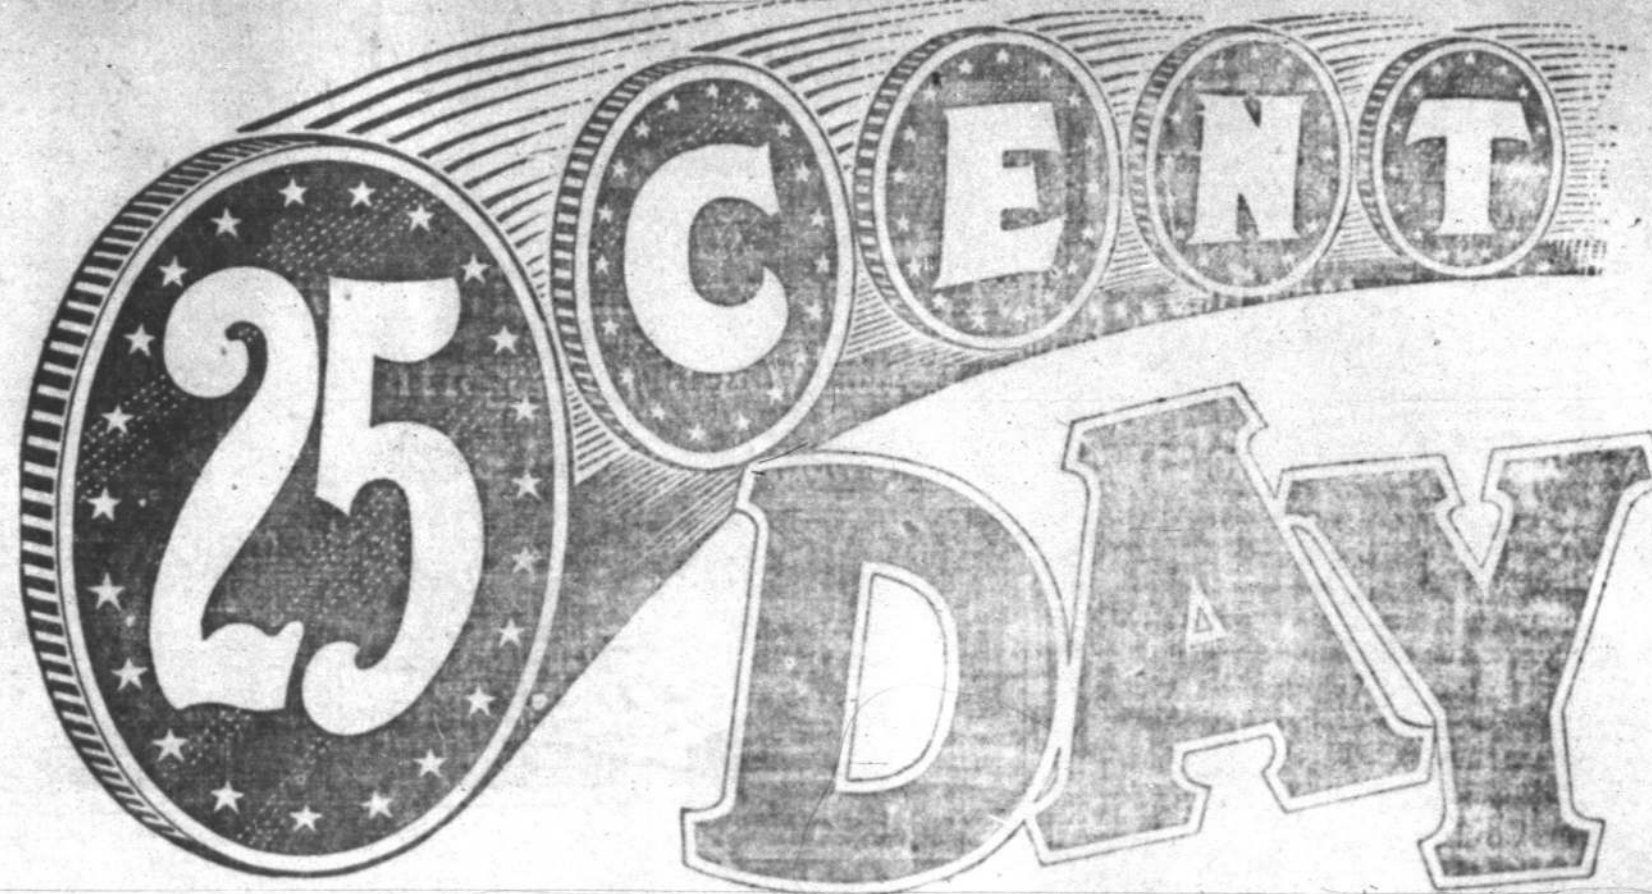

The seasons big style note—beautiful they are in the rich blacks and sparkling browns and blues. No garment has ever been produced with the rare rich elegance of this type gown—they are decidedly the most flattering creations one could desire. On display now are models that range in price from \$69.85 upward to \$114.85

Satin Faced Crepes Are Ideal For Early Fall Wear

No woman will be without at least one Black Satin Faced Dress this fall. The mode has favored new side drapes in this beautiful soft hanging material as well as the combining of the reverse of the material as trimmings. If you prefer there are new shades of blue, brown and red that have merit. Now on our racks in new arrivals are garments that range in price from \$24.85, \$27.85, \$39.85 and upward to include Nensmer creations as fine as \$147.50.

ONDERDONK AT KIWANIS CLUB

METHODIST REVIVALIST TALKS TO CLUBMEN AT NOON TODAY

"Religion not only protects communities but makes them," said the Rev. Frank S. Onderdonk in an address to members of the Lubbock Kiwanis club at Hotel Lubbock Thursday noon. In his talk which he called "The preacher's side of a preacher's life," Rev. Onderdonk pointed out that the preaching of Christianity was a "he-man's" work. He quoted Roger Babson in support of the fact that the influence of Christianity in any community protects investments, stabilizes the values of real estate and summed up his argument by saying that the work of a minister of this world was "to put in some of the indispensable elements that make for the success of any community."

Rev. Onderdonk, who is conducting a series of services at the First Methodist Church, was introduced by Dr. Fred W. Standefer, Kiwanis man, Sun Lightfoot, E. F. Condray, Ray-Graham, Joe Nislar, Jerry Clements, Dr. V. V. Clark, Dr. Fred Standefer, J. W. Gamel, James H. Goodman, J. T. Trigg, Spencer A. Wells, A. C. Jackson, F. A. Norman, T. E. May, D. H. Fifth Avenue Comes To Lubbock

A new season is almost upon us Fall and what woman is there who doesn't regard it with new interest as it affects her wardrobe? There is much for her to study . . . new styles . . . new colors . . . new fabric developments.

And her interest is matched by those merchants who have prepared for this new season in order to present comprehensive assortments of these new things while they ARE new. Lubbock's shops are showing these new things . . . they have brought Fifth Avenue and Paris to Lubbock. They give the women of Lubbock and the South Plains the opportunity to select the newest and smartest in coats, dresses and millinery and wear them at the same time as those fashion women who live in communities closer to the markets. It is no longer necessary for South Plains women to shop in the metropolitan cities some hundreds of miles away, for they are obtainable in Lubbock's shops.

Buyers for these stores in Lubbock as well as their resident buyers in New York have selected the cream of the assortments shown and in every instance, the merchandise is the finest that can be shown ANYWHERE, and is offered at prices that are astonishingly low when compared to those asked for the same merchandise in the cities.

Your enjoyment of these new things will be enhanced by the pleasure of selecting them in Lubbock . . . where you deal with South Plains merchants who have but one idea in mind . . . that of serving you in the manner that will be most satisfactory . . . by providing merchandise of such character that you may shop in Lubbock secure in the knowledge that your purchases represent the latest in style; the best in quality at most reasonable prices.
