

Fair Opens With Parade On Friday

Collingsworth County Fair, largest in this part of the Panhandle and Southwestern Oklahoma, opens its two-day run Friday, Sept. 10 at 11 a.m., when Sheriff Kenneth Maxwell and the color guard leads a long and colorful parade onto the court house square.

It will be an action-packed fair until some time late Saturday afternoon, Sept. 11, when the Youth Open Horse Show winds down at the VFW arena in northeast Wellington, and Fun Fair

events are finished at Ellison Park, 16th Street and East Avenue.

Not in the history of the fair have so many new events been added in a single season.

Wellington merchants, with Bill Hatch as chairman, will send up their own balloons.

More than 100 discount balloons (the discount carried inside) which will be redeemable at Wellington merchants. This is another of the new events that will

make this the liveliest in the fair's history.

A Sidewalk Sale is scheduled for Friday and Saturday, with most downtown merchants participating.

Fun Fair, has been added for Saturday, Sept. 11, beginning at noon: according to Frances Schmidt, fair chairman.

And the highlight of this will be the Collingsworth County Chili Cook-off, which will be under way all afternoon at Ellison Park,

with judging to be held at 4 p.m. Henry Wells is chairman.

The terrapin race and water polo have been incorporated into Fun Fair. Other events will continue through the afternoon.

There will be a variety of demonstrations at the exhibit building, Bura Handley Community Center, through the two days.

Another new event is the horticulture division.

Fair Week started Monday, Sept. 6, when Jest

Amusement Co. opened its carnival at Marian Airpark on the site of the old golf course. It will remain through Saturday night.

The Chamber of Commerce sponsors the fair each September and will again hold its game booth at the carnival location on Tuesday, Thursday, and Saturday night, starting about 7:30 p.m. Tommy Thomas is in charge.

Samnorwood Fire Department and Lions Club will be in charge of the big

beef barbecue at Ellison Park at noon Friday, immediately after the parade. This is a beef barbecue prepared by Carrolls of Dumas,, with Norwood Lions and firemen and their wives preparing all the trimmings--potato salad, slaw, and dessert.

Tickets are on sale at the Chamber of Commerce, both Wellington banks, and by all members of the Samnorwood fire depart-

Skyrockets Travel to Canadian on Friday

Wellington Skyrockets travel to Canadian Friday, Sept. 10 to meet on a non-conference basis an opponent they formerly met in district play.

This is the Rockets first game away from home and starting time will be 8 p.m.

Canadian moved up to Class 3A this fall.

Last week, in the season opener, Canadian scored one of the biggest upsets in Panhandle football by defeating District 2-AA favorite Clarendon 21-19 on Canadian Wildcat field.

Last year at mid-season, Clarendon had rolled over Canadian 51-7. With Wellington's loss to Hollis, Rocket coaches are looking at the two Clarendon scores as an indication of what they may expect Friday at Canadian.

This year, Canadian scrimmaged Beaver, Ok., 1-1, then scrimmaged Guymon, Ok., by the same count, 1-1.

Coach Gary Newcomb's Wildcats have 11 lettermen returning from the 1981 squad, including 7 starters

and they don't figure to be pushovers for anybody.

Among the returning regulars are senior tight end Shawn McDaniel, 165 pounds a second team all district selection last year; and senior split end Harper Johnson, 6-1 and 165 pounds, who, like McDaniel doubles capably in the defensive secondary.

Senior Guy Morrow, the back-up quarterback last season, will run the team, with junior Shannon Prater as his back-up. Both are

Chili Cookoff Calls for Quality, Showmanship

County Fair Chili Cookoff entries will be taken through 12 noon Saturday, cookoff chairman Henry Wells said this week.

The cookoff, a new feature of the county fair, will be judged by KAMR-TV's Julie Emry and Chuck Martin and by Amarillo Globe-News writer Earl Moseley.

Groups or individuals may enter by contacting either Wells at 447-2559 or fair chairman Frances Schmidt 447-5803.

There will be two separate contests: one for best chili and one for best showmanship at the cookoff.

Rules for the cookoff are as follows:

1. All chili must be

cooked on the site on the day of the cookoff from scratch (starting with raw meat).

2. Regular commercial chili powder is permissible, but complete commercial chili mixes are not permissible.

3. All chili must be prepared out in the open at Ellison Park. No cooking

RUNWAY EXTENSION

Work was completed last week on the surface of the main runway at Marian Airport, making the runway 60 feet wide and 4,000 feet long. Texas Aeronautics Commission engineer Bill Schneer of Austin ap-

proved the project Wednesday. Dirt work on the sides of the runway and installation of a new lighting system will be completed within two weeks.

Salvation Army Drive Kicks Off Thursday

Tommy Hudson will be the "main cog" in the Salvation Army Unit Fund Drive which kicks off Thursday morning, Sept. 9, in a county-wide effort, County Judge Zook Thomas, chairman, announced.

Hudson announced team captains: Bill Hatch, Billy Jackson and Nancy Lindsey.

Each of these will recruit

four or 5 workers each to conduct the actual drive.

Frank Judah, service unit field representative, Region 4, will pay a second visit to Wellington to explain the mechanics of conducting the drive, which will run into next week.

No fund goal has been set, Judge Thomas explained, but as much as can be

raised will be raised.

In explaining the need for the drive, the judge praised the "real cooperation of the Salvation Army with the local unit."

Over many years, it has provided help to both local and transient people where they have been actual need, but those who are helped are screened carefully by a

local committee to determine if their requests are legitimate and to determine if no other help is available.

During the drive, the business section will be covered door to door, contributions from individuals are also needed.

"The Salvation Army exists to help people who do not qualify, for one reason

or another, for help from other sources," Judge Thomas explained.

"We handle many non-resident cases. A non-resident is anyone who has lived in the state less than a year or in the county less than 6 months.

Salvation Army rules are flexible, making sure that no one goes without food.

Parade Starts the Fair Friday, 11 a.m.

It takes a parade to start a fair, and the 1982 Collingsworth County Fair will officially open when the annual parade moves onto the court house square at 11 a.m. Friday, Sept. 10.

It isn't too late to enter a float or other type entry, declared Jack and Frankie Campbell, parade co-chairmen.

"It doesn't have to be elaborate, but we want businesses and organizations of the county represented," they said.

Campbell emphasized that every parade entry that is judged in its category must be registered at the Chamber of Commerce office and receive a number by 10:30 a.m. This number

must be placed on the left side of the entry where it will be visible to the judges. The deadline for getting it is 10:30 a.m.

"We want to encourage everyone to please get their numbers and register if they want to be judged. They will not be judged without the

number, the parade chairman emphasized.

The numbers can be picked up until the time of the parade.

One major addition is emphasized.

The merchant discount balloons, carried in a trailer, will be the last thing in the

parade. The balloons will be released equally along the parade route, so that everyone will have the same chance of capturing one.

The judges stand will be located on the south-east corner of the square.

In addition to the usual division winners, there will

be a handsome new prize:

The judges will pick one thing in the entire parade, an eyecatcher, and that will be the "Judges Choice." "It can be picked out of any category, but it will be the most eye catching, eye appealing of the entire parade," Campbell explained.

Leading the parade on to the square and clearing the way will be Sheriff Kenneth Maxwell, followed by the color guard, with the flags of the United States, Texas, Collingsworth County and Wellington.

Next come the Skyrocket Cheerleaders and That Skyrocket Band, then the Veterans of Foreign Wars

Peanut Meeting Slated

The annual peanut field meeting for peanut producers in Collingsworth County and surrounding counties will be held Monday, Sept. 13, at 3 p.m. at the John Coffee farm 5 miles north of Quail, according to Don Reeves, extension agent.

Dr. Leland Tripp, state

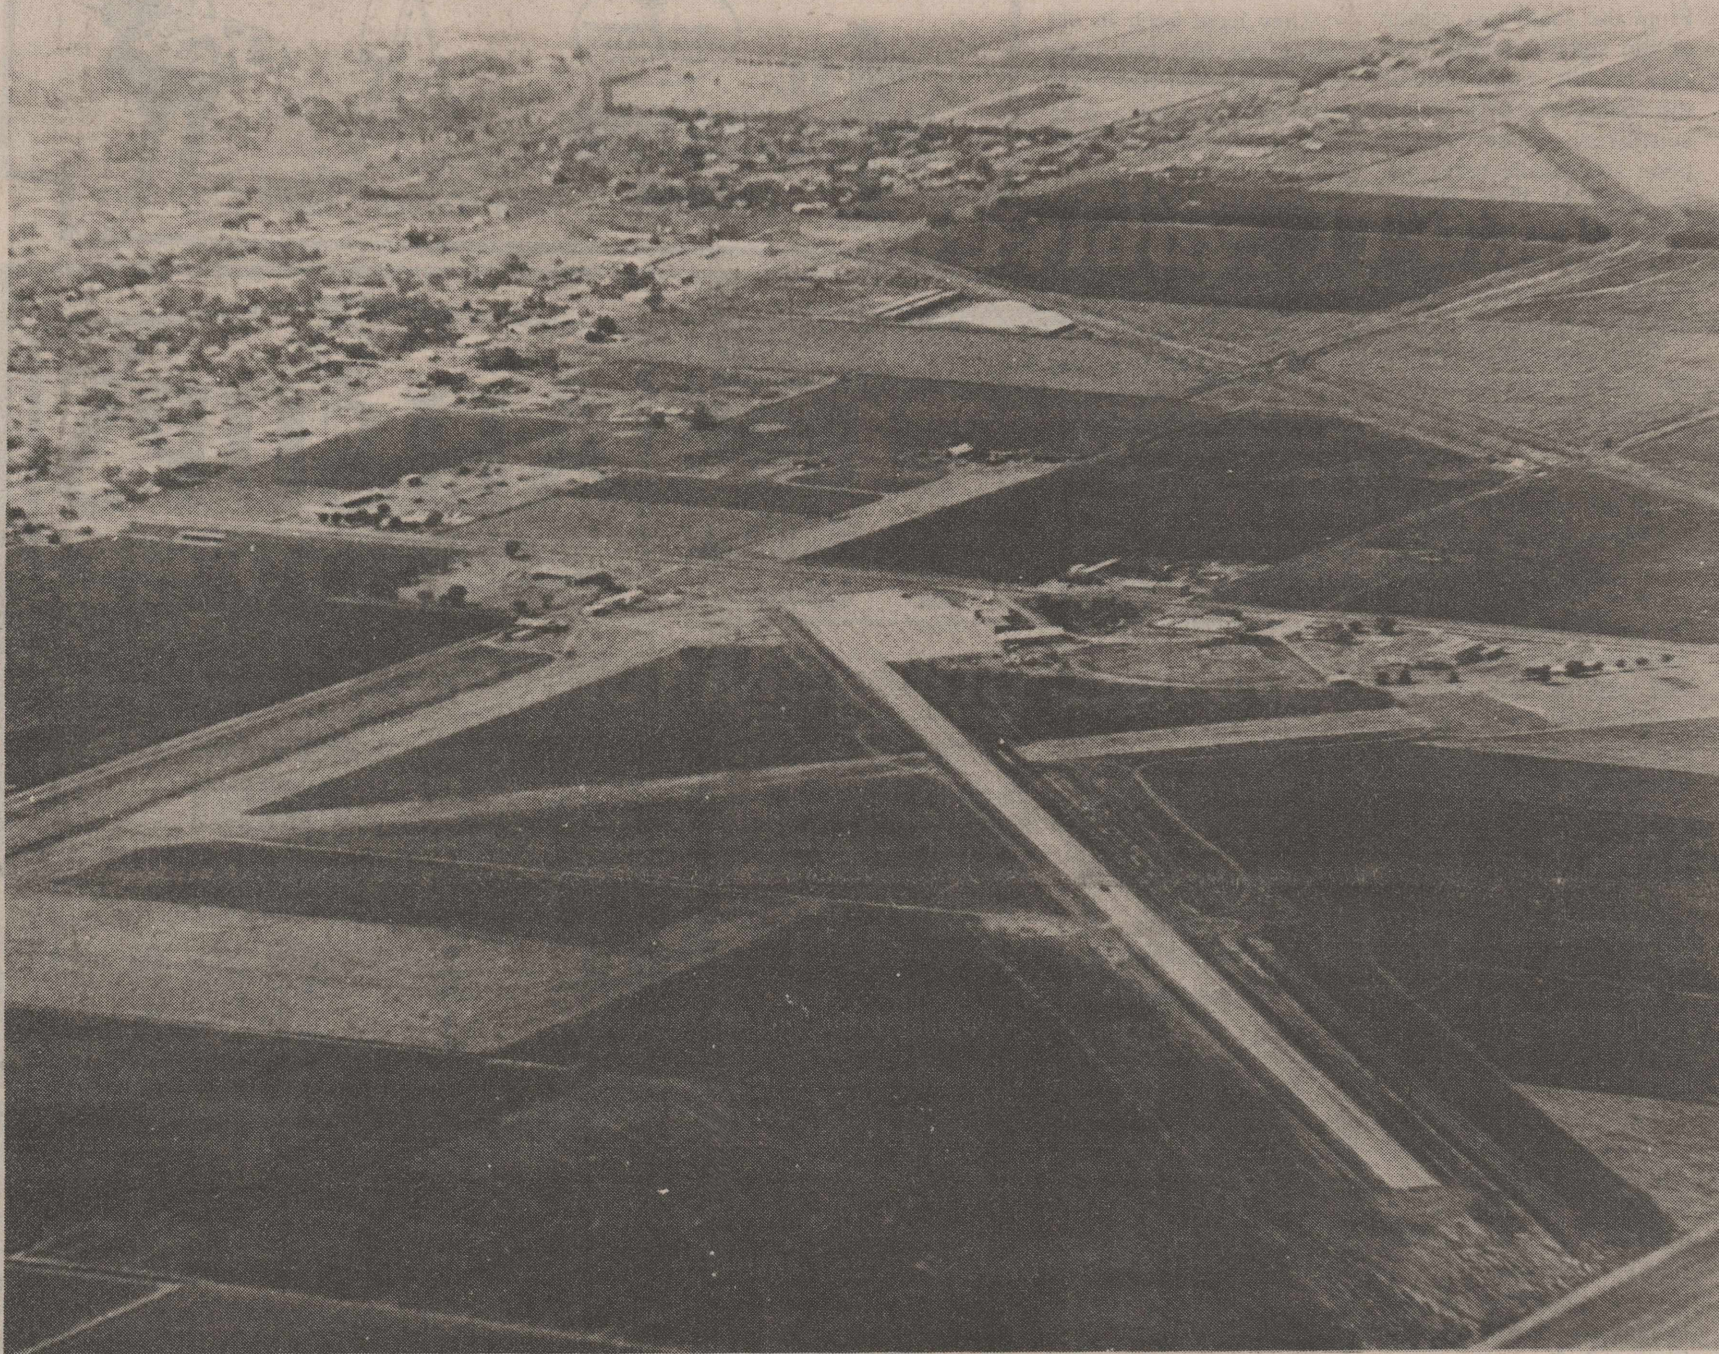

agronomist specializing in oil seed crops with the Texas Agricultural Extension Service and Dr. Chip Lee, area plant pathologist with the Extension Service, will be at the meeting.

Peanut producers are urged to attend and if any

have some problems they should bring plant specimen to the meeting.

The peanut crop looks good at this time, and most problems relate to plant diseases and soil fertility.

The county has about 650 acres of peanuts.

FLYING

The nearest thing to flying for area children comes every night on the musical swings at Jest Amusement Co. Carnival at Marian Airpark. This is only one of the fun rides that signal the approach of the Collingsworth County Fair.

Turn Loose the Balloons

A trailer filled with hundreds of balloons will be at the end of the Fair parade Friday morning—but there's more than meets the eye, even after they are released along the parade route.

Inside approximately 100 of the balloons will be **Wellington Leader** (USPS 673-980)

discount certificates of up to 40% which may be presented to the merchant whose name appears on each certificate for a discount on the merchandise named.

This is one of two promotional events sponsored by Wellington merchants to promote business during the Collingsworth County Fair.

Balloon certificates must be used either Friday or Saturday

Anyone may try to catch a balloon although Hatch points out that most of the balloons will not contain certificates, but the fun of catching one pays for the effort.

Saturday's Sidewalk Sale will find merchants offering a wide variety of goods at

drastically reduced prices. Here, everyone has an equal opportunity to benefit. Sale merchandise will be moved onto the sidewalks and in case of bad weather, it will be just inside the merchant's door. Hours will be the regular hours of the individual merchant.

Participating merchants are My-T-Burger, WAC Donut Shop, Livestock Supply and Western Wear, Jake's Cycle Shop, Sullivan Hardware and Furniture, Parson Rexall Drug, Duncan Chevrolet/Olds, Inc., Hatch Dry Goods, D.C. Bargain Shop, Cablecom, Saied's, Rosey's Jeans and Things, West Texas Utilities, House of Jewelry, Gifts and Flowers.

color guard.

Vehicles from Samnorwood Volunteer Fire Department, Wellington Volunteer Fire Department and Collingsworth Volunteer Ambulance Service follow.

There will be a full contingent of motorcycles, bicycles, and antique cars. Floats will appear in this order: youth, adult and commercial floats, then farm machinery, horse drawn vehicles and finally the many horses.

A large contingent of decorated bicycles is urged for the Fair parade, say Mr. and Mrs. Campbell. All bicycles should be decorated and they should be registered and receive numbers from the Chamber of Commerce office. This is emphasized. Bicycles without numbers will not be judged. Numbers should be on the left side of the bicycle.

The parade will form on West Avenue from the post office south, and start moving north at the corner of 10th and West Avenue. From the southwest corner of the square, it will turn east on 9th, move around the square and back to the southwest corner. From here, the parade route will be west to First United Methodist Church, at 9th and Bowie Streets, south on Bowie, for several blocks and disassemble.

The parade will go around the square only once, move in single file and slowly so that everyone will have plenty of time to see the floats and other entries.

Following the same plan as last year, the parade will form on West Avenue, but the various divisions will be lined up on the side streets and will be fed into the parade as it moves toward the square, in the order they are scheduled to appear.

Everything must be in place by 10:30 a.m., said Campbell.

Here is the schedule: Bicycles will line up on 11th Street between West and East Avenues.

Motorcycles: 11th Street between West Ave. and Amarillo Street.

Antique cars: 12th Street between West Ave. and Amarillo Street.

Floats: youth division, 12th Street between West and East Avenues.

Adult organizations, miscellaneous floats and the National Guard Armory, 13th Street between West and East Avenues, and to Arlington Street if needed.

Commercial floats: 13th Street between West Ave. and Amarillo Street.

Farm machinery: 14th Street between West and East Avenues and to Arlington if needed.

Horse drawn vehicles will lead the horse division and all will begin lining up on 14th Street between West Avenue and Amarillo and on toward Bowie Street.

excellent passers and good running backs.

Also at running backs the Wildcats will have seniors John Albin, Steven Byard and Darren Morris, and juniors Larry Longhofer, Ricky Rogers and Mike White any of whom can start the game.

The Wildcats 1981 starting backfield was all lost to graduation.

In for forward wall, the Wildcats have size in Clinton Vines and Tony Lloyd, 200-pounders, and senior guard Ross Cates, 182-pounds.

Defensively, junior Justin Swires returns as linebacker and will be a starting center on offense.

Although small, 130 pound senior split end Jimmy Anderson is a quick and experienced player.

"Again, we face a defense a lot larger than we are, and coming after their big win over Clarendon, the Wildcats are going to be high," declares Rocket Head Coach James Williams.

"They have been in our district the last two years and we defeated them both years. They are going to be after us," declared Williams.

"We're looking forward to a big game"

Iron Deficiency Worldwide Problem

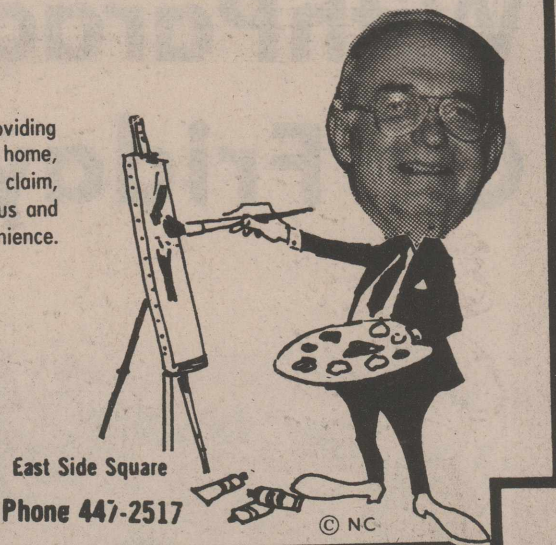

COLLEGE STATION - Nearly 20 percent of women in their child-bearing years exhibit some degree of iron deficiency ranging from iron depletion to anemia, warns a Texas A&M University biochemist.

Iron deficiency ranks as the most serious nutritional disease in both humans and plants today, said Dr. George Bates, and is second only to protein/calorie malnutrition in the worldwide severity of its effects.

She had lived in Lubbock since February.

She and her husband, the late Mr. Whitson, had been active workers in the Church of Christ in Wellington for a number of years.

Band to Play After Parade

That Skyrocket Band will march in the Fair Parade at 11 a.m. Friday, Sept. 10, and immediately afterward will hold its traditional pep rally on the Courthouse lawn, according to Band Director Frank Aue.

This will be the second public performance for the band this year, the first being at the Wellington Hollis football game Friday night.

All those who gather to watch the parade are urged to remain and listen to the band and pep squad.

Public Deer Hunt at Gene Howe Area

Approximately 2,700 permits to hunt deer on 9 state wildlife management areas will be up for grabs when the Texas Parks and Wildlife Department holds a drawing Sept. 30 to determine the lucky winners.

One of those areas, the Gene Howe near Canadian is near enough for Collingsworth hunters.

These are for white-tailed deer.

To participate in the drawing, hunters must submit application cards which are now available by writing the Parks and Wildlife Department at 4200 Smith School Road, Austin,

78744, or by calling the toll-free information number 1-800-792-1112. Applications are also available at many department offices around the state.

Lavonia Messer is a most enthusiastic family researcher. One of her search methods that has paid off several times is placing classified ads in newspapers serving areas where she is searching, one at Pittsfield, Ill.

She does not ask that her request for information be run free of charge. In her search around Meridian, Texas, she did find a most co-operative member of that town's genealogical society who looked up information and passed on to Lavonia.

Homer Moore left Wellington over 40 years ago to live in California. In June, he surprised his relatives here with his decision to come back here to live.

"I feel secure," he told them.

His decision came after he was struck by a car and injured and while he was hospitalized his house was burglarized, they said.

Moore is the brother of Mrs. Lala Dunson and Mrs. C.C. Taylor and great uncle of Judy Hall.

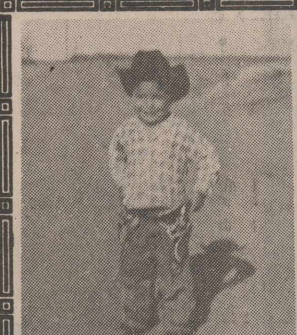

If you followed the 1982 Texas Ranch Roundup in Wichita Falls recently, you know that the Moorhouse

Ranch of Benjamin won by a nose over the Pitchfork Land and Cattle Co., of Guthrie.

Bob Moorhouse, Linda Richardson's husband, is one of the Moorhouse Ranch family, but he works for Pitchfork.

A talented wildlife photographer, he'll bring some of his work to exhibit at the Fair.

Eddie and Mary Blacksher had a team and buggy all ready for the Fair parade when their house was destroyed by fire last week. The buggy wasn't damaged and the Blackshers will have it in the Fair parade, Friday. This comes from Parade Chairman, Jack Campbell.

GOLF AT WILLOW CREEK

By MARY SANFORD

The Willow Creek Women's Golf Association met for golf and covered dish luncheon and business meeting Wednesday, Sept. 1 at Wellington Country Club.

Iva Belle Mauldin and Lyna Hurst were pretty pooped from the Round Robin tournament the day before at Memphis. Betty Cochran, Billie Holton and Benny Sullivan were so tired they didn't make it for play Wednesday morning, however, Billie's team won first and Betty's tied for second. I guess they deserve a rest after that.

During the business meeting, the women worked

out plans for selling hot dogs in the Gazebo at Ellison Park for the Fun Fest Saturday, Sept. 11. This will be from 12 noon until we sell out.

The women also voted to serve the dinner following the men's partnership tournament, Sept. 19.

In October, they will sponsor a fish fry for the country club. Also coming up Sunday, Oct. 4, is a Guys and Dolls tournament, sponsored by the women's association. A catered dinner will follow.

Eugene Sherman passed out awards to the following:

July 21: lowest score on No. 3 hole was a tie between Lou Mabery and Patsy Martin.

July 28: highest score on Hole No. 9, was also a tie, Edna Wooldridge and Robbi Mabery. Edna said she couldn't play, just make holes in one. (She had the

highest score but she's the only one of us who can make a hole in one.)

I chipped in on No. 6 that day (For someone who is a lousy chipper, I sure luck out a lot).

August 4: Lyna took it all. She had low score, and low putts for the 9 holes.

August 11: low score went to Billie and Edna chipped in. (Looks like she needs to amend her earlier statement).

August 18: low score on No. 5 hole was made by Bennie and on the 25th she won the chipping cup.

Also on the 25th, fewest putts were made by Betty and most putts by Lyna.

When the meeting adjourned, the members went to inspect the Rinky Dink Club House that the Women's Golf Association has purchased.

Lori Larain Marcum and Scotty Lynn Wells of Pampa were married Monday evening, August 30, at Highland Baptist Church in Pampa. Edler Jack Hays of the Primitive Baptist Church, Wellington, performed the ceremony at seven-thirty in the evening.

The bride is the daughter of Mrs. Melba Marcum of Pampa and Dennie Marcum of Amarillo. The family formerly lived in Wellington and Quail, and the bride is also the granddaughter of the late Jim Langley.

Parents of the bridegroom are Billie Hupp of Pampa and Tommy Wells of Renton, Washington. Church decorations were four seven-branched candelabras decorated with foliage and urns on each side filled with white gladiolas and yellow chrysanthemums.

Carmel Jackson of Groom was the pianist, and she was joined by David Gamage of Amarillo to present the wedding songs.

Mr. Marcum gave his daughter in marriage.

She wore a wedding gown of silk organza over satin, designed with a sweetheart neckline and lace sleeves that were edged in ruffles. The skirt, which had an apron effect, was accented with ruffles ending in a chapel train. Her fingertip illusion veil was held by a Juliet cap. Her bouquet was a cascade of white roses and baby's breath.

LeAnn Marcum was her sister's maid of honor, and the bridesmaids were Donna Langley of Canyon, her cousin, and Kelli Wells of Pampa, sister of the bridegroom.

They wore dresses of yellow lace with wide ruffles outlining the square yoke and cap sleeves. The accordion pleated skirts were floor-length.

Roger Wells of Dallas,

brother of the bridegroom was the best man and groomsmen were Robert Fick and Kerry McGuigg both of Pampa.

Randy Langley of Quail and Randy Barnett of Wellington, both cousins of the bride, ushered.

Candles were lighted by Anthony Carson and Curtis Neeley, while Jenifer Carson was the flower girl and David Neeley the ring bearer. All of these are from Quail and are the bride's cousins.

Afterward, a reception in the fellowship hall of the church honored the couple.

An ecru linen cloth, enhanced with lace, covered the bride's table, and brass candelabras holding lighted tapers formed the centerpiece.

Susan Barnett of Wellington, Joleta Edwards of Pampa, Mrs. Cary Don Neeley and Mrs. Ben Carson, both of Quail,

served the guests.

The bride is a 1982 graduate of Pampa High School and of Pampa College of Hairdressing. The bridegroom, a 1981 graduate of Pampa High School, is a laboratory technician for Lone Star Industries in Houston.

The couple will live in League City.

Recruit Busy People

If you need volunteer help for your group, agency or association, search out busy, dedicated people--they usually make the best volunteer leaders.

"Volunteers play a key role in the success of many organizations and groups," notes Dr. Lanny Bullard, 4-H and youth specialist with the Texas Agricultural Extension Service, Texas A&M University System. "PTAs, civic groups, social agencies and youth organizations such as 4-H depend heavily on volunteer leaders for the success they enjoy."

Getting the type of volunteers an organization needs to accomplish its goals and objectives requires careful attention to recruitment.

"Recruiting can never be a mass enterprise--it must be highly specialized and detailed," says Bullard. "Each person is an individual and must be treated as someone special."

Facts about individuals, such as their special interest, abilities and skills, are essential in the recruitment process.

In Memoriam

This poem was written by R.L. Templeton was a memorial to his little brother, Sergeant/Pilot Pat N. Templeton who was killed on September 7, 1942 when his twin engine bomber crashed and burned near Bicester, England. Pat was 19 and an experienced bomber pilot with 1,000 flying hours. He was the first man from Collingsworth County to be killed in World War II. The poem is published on the 40th anniversary of his death. It is published by Mr. Templeton to prove the truth of the old quotation... "They are not dead who live in hearts they leave behind."

Kim Judd, Greg Amburn Wed in Chapel Ceremony

The J.A. Hill Chapel on the campus of West Texas State University, Canyon, was the setting for the wedding of Kimberly Kaye Judd of Cousins Hall, Canyon and Gregory Paul Amburn, 3906 Montague, Amarillo.

The Reverend Darrell Feemster, pastor of East Side Baptist Church, Haskell, performed the ceremony at two o'clock Saturday afternoon, September 4.

The bride is the daughter of Denny Judd of 501 11th Street, and the late Delia Pearl Judd. While attending high school she made her home with Miss Mary Bearden. Parents of the bridegroom are Mr. and Mrs. Thomas W. Amburn, 3906 Montague, Amarillo.

Altar decorations were an arch decorated with live greenery with yellow, and brown flowers with touches of orange. A pair of seven-branched candelabras were entwined with greenery, and the kneeling bench and unity candle completed the altar arrangement. Pews were marked with live greenery and yellow bows.

Mrs. Lidia Grey of Amarillo was the organist, and vocalists were Mr. and Mrs. Mark Howard of Lubbock.

Mr. Judd gave his daughter in marriage.

Her white silk wedding gown was touched with lace over the bodice, and the long sheer sleeves and high neckline were lace-edged. Lace also enhanced the skirt and edged a wide ruffle at the hemline, which swept to a chapel train. Lace motifs touched her sheer veil with blusher.

She carried a bouquet of white silk roses and yellow rosebuds with baby's breath, touched lightly with brown and orange and tied with satin and lace streamers.

Miss Tina Young of Canyon was the maid of

MRS. GREGORY PAUL AMBURN

honor and Mrs. Gary Judd of 5511 Alvarado, Amarillo, sister-in-law of the bride, was the matron of honor. They wore floor-length yellow dresses with pleated bodices having spaghetti shoulder straps and sheer matching capes. They wore yellow dress hats and carried free-style bouquets of azaleas and baby's breath in shades of yellow, brown and orange.

Gary Robison of Amarillo was the best man and Bryan Gober of El Paso was groomsman. Gary Judd, Amarillo, brother of the bride, and Donnie Nichols, Canyon, ushered.

Candles were lighted by Dee Dee Judd, Amarillo, niece of the bride, who wore a yellow dress printed with flower sprigs and a yellow silk wrist corsage.

Shelly Feemster, of Haskell, also dressed in yellow, was the flower girl and Jason Melvyn of Amarillo, cousin of the bride, was ring bearer.

After the ceremony, a reception was held at

Cousins Hall.

The bride's table was covered by a white lace cloth with a lace trimmed pleated skirt, having an underlay of yellow satin. Centering the table was a silver candelabra holding white tapers, and a floral arrangement accented with greenery.

Guests were served by Tina Haynes of Clovis, N.M., Kim Phillips of El Paso and Cindy Schafer of Texhoma.

Upon returning from their wedding trip to Albuquerque, N.M., the couple will live at 26th and University Streets, Canyon.

The bride, a graduate of Wellington High School, is a senior at West Texas State University with an accounting major. She is employed as director of Cousins Hall of West Texas State University.

The bridegroom, was graduated from WTSU in 1981 with a major in economics and management. He is employed by Southwestern Bell Telephone Co., Amarillo.

Senator Bill Sarpalius Reports

WHY WE'RE BACK IN AUSTIN

AUSTIN — Once again,
poor planning has forced a
special session of the
Legislature. This time, we
are in Austin because the
Texas Unemployment
Compensation Trust Fund,
which pays unemployment
benefits, is broke.

There are several reasons
this fund is out of money.
One is the high unemploy-
ment rate in this state.
True, others are worse off
than we, but for Texas, the
jobless rate is very high.
The other reasons relate to
the fund itself. The fund
has not been well-planned in
the past few years.

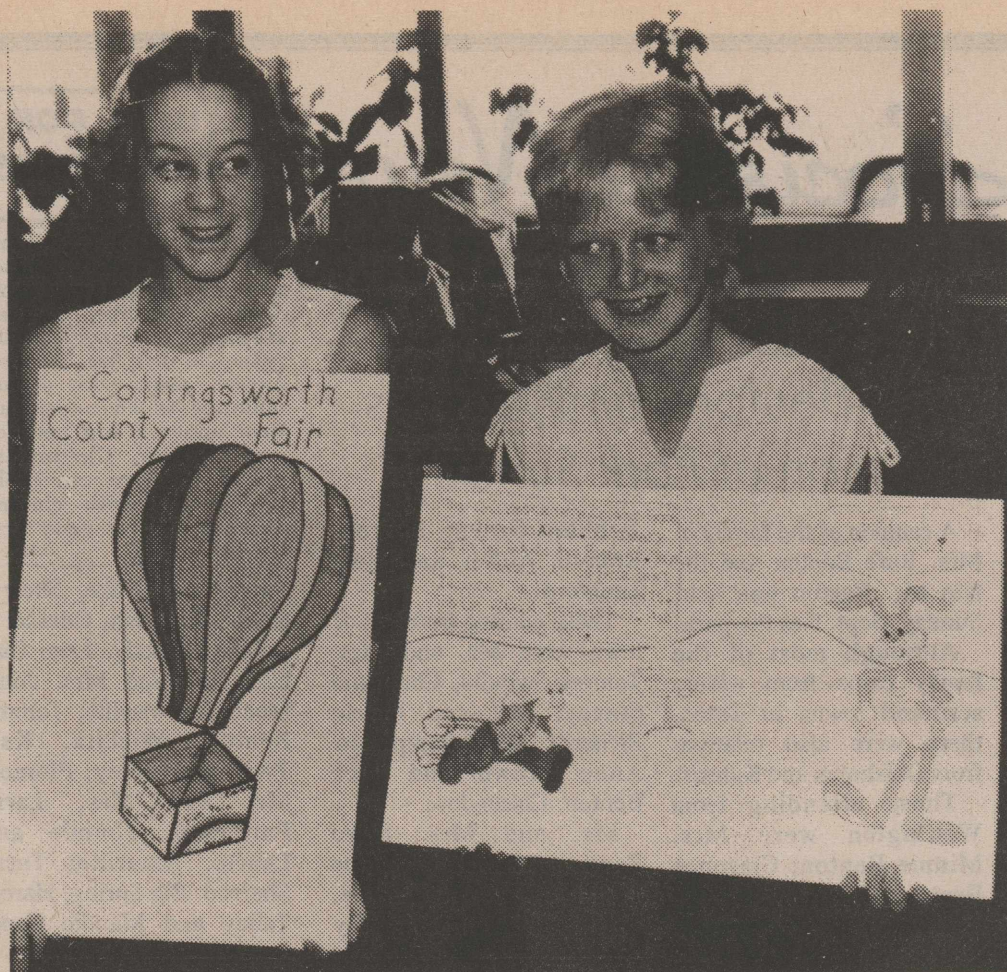

Texas employers pay taxes
on the first \$6,000 of each
of their employees' wages.
This money goes into the
now-broke fund. Whenever
the fund's assets drop below
\$225 million, the tax on
this \$6,000 is increased by
0.10 percent for each five
million dollar deficit.

In other words, most em-
ployers normally pay six
dollars a year for each em-
ployee. When the assets in
the fund drop to \$220
million, each employer pays
his normal six dollars plus
another six dollars. If the
fund gets down to \$215
million, each employer pays
his normal six dollars plus
an extra \$12, and so on.

The fund is so low that
employers might have to
pay \$150 a year for each
employee, instead of the
usual six dollars. This will
be a harmful blow to the
business community in
Texas, to the tune of
\$1.216 billion.

The reason we are in this
situation is poor planning.
The fund has not changed
its level of funding since
1957. It does not take an
economist to see that the
dollar is not worth what it
was in 1957, and that a
floor of \$225 million and a
ceiling of \$325 million are
inadequate. Salaries are
larger now and so are
benefits. We have a larger
work force and more unem-
ployment. The fund needs
to be larger so it will have
a cushion for economic
slumps. This cushion would
prevent having a massive tax
increase every time we had
a dip in employment.

The fund only taxes the
first \$6,000 in income. This
makes the tax highly re-
gressive; it hits poor people
the hardest. Even though
the employer pays the tax,
the money ultimately comes
from the employee. The
way the tax is set up now,
a person who makes \$6,000
a year pays just as much
as someone who makes
\$600,000 a year.

Rocket JV Opens at Clarendon Thursday

Coach Allen Sanders' Skyrocket Junior Varsity opens its season Thursday, Sept. 9, against the Clarendon JV, on Broncho Field.

The game starts at 7:30, following the 7th and 8th grade games.

"We haven't gathered much information about Clarendon," said Sanders. "They're going to have a pretty young team, about like us and their size is not that big. They have a good line, but their backs are not as strong."

The coach is pleased with his hard-working team.

"The JV is coming along real well and we looked fairly strong in both scrimmages. We looked very good as far as execution and defense go and we have improved quite a bit as we scrimmage the varsity."

"This is our first game and we will have a few mistakes. I think we will have to do a good job," he said.

Sanders has 22 boys on the JV squad.

The starting lineup offensively will be center.

8th Grade Meets Bronchos Thurs.

Coach Gano Wilson looks with pride on the 22 eighth grade boys who make up this year's Firecracker football team.

This team will open at Clarendon Thursday, Sept. 9, with game time set for 6 p.m.

7th Grade Plays at Clarendon

Wellington 7th grade football team, wearing its Skyrocket red uniforms, play the first game of their careers against Clarendon 7th grade at Broncho Field Thursday, Sept. 9.

Coached by Tom Johnson, they will go on the field at 4:30 p.m.

Thirty-two 7th graders are working out and for some the last week has been finding out what football is about.

"They're doing pretty good, as well as can be expected until after the first game," Coach Johnson said.

"We teach them all the plays and such, and they're doing a good job catching on to it."

In so far as is known here, the two teams will be about the same size.

Like all teams, the 7th grade will have red suits and white suits, they'll be wearing the red at Clarendon.

Team members and their numbers are:

40 Danny Davis, 70 Dudley Owens, 62 James Reynolds, 51 Donnie Pena, 73 James Sherwood, 71 Raul Torres, 60 James Brown, 21 Donnie Heisler, 10 Brad Long, 61 Tony Lemons, 13 Brant Gray, 83 Ray Garcia, 72 Wes Anders, 11 Lee Souder, 82 Tommy Thomas,

The defensive starting lineup includes: tackles, Mote and Willingham; ends, Hale and Cantu; cornerbacks, Brown and Barber; free safety, McKay and strong safety, Munn; linebacker, Duncan; weak side linebacker, Duncan; middle linebacker, Skelton; strong side linebacker, Day.

"These boys have been through one year of football and they know what they're doing. They have size on the line and speed in the backfield."

They are a group of hard working kids," Wilson declared.

He added that coaches will know more about the team's capabilities next week.

Little is known here about Clarendon's Colts.

Like their high school counterparts, the Firecrackers will have red suits and white suits.

Team members and their numbers are:

81 Terry Day, 61 Darrel Kemp, 73 Jimmy Carroll, 74 Marvin Brown, 63 Jeff Powell, 23 Anthony Baker, 30 Frank Sanchez, 71 Arthur Pennon, 50 Bennie Encinia, 21 Mario Villanueva, 70 Frank Granados, 62 Spencer Seale, 88 Derek Seal, 80 Wesley Reeves, 72 Tim Hartman, 64 Kenny Peeks, 12 Mike Myrick, 10 Kelly Goforth, 51 Pepe Martinez, 82 Brian VanPelt, 33 James Patterson and 83 C.H. Campbell.

Bed Race a Lively Affair

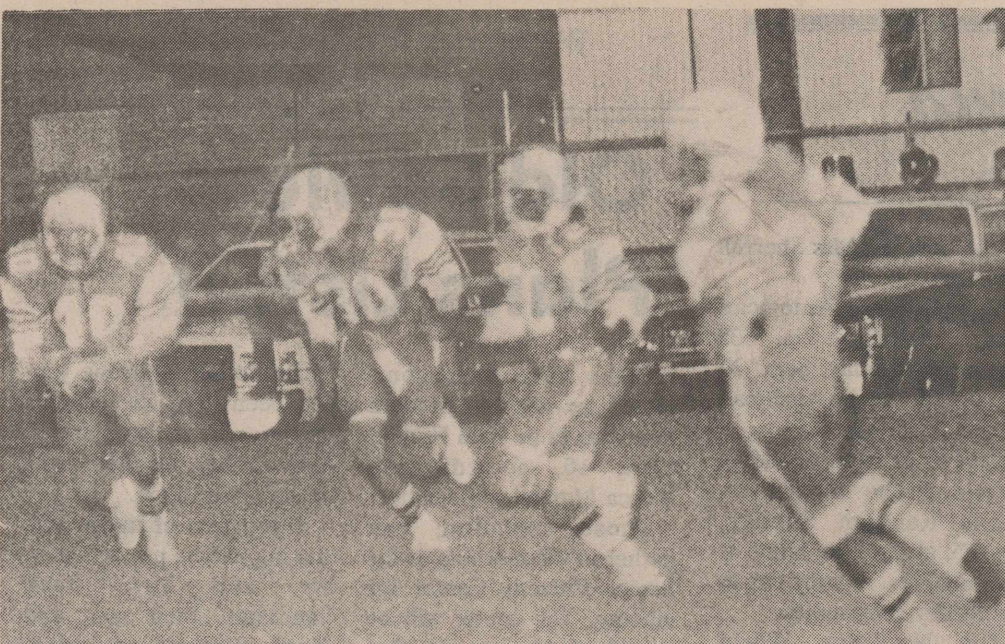

A practice run Monday night shows beyond doubt that one of the liveliest Fun Fair events is going to be the Bed Race, followed closely by the Bucket Brigade.

Some of the same teams will compete in both.

"We're excited," declares Loretta Wright, chairman. She is assisted by Mary Sanford.

Races start at 4 p.m. at

son, 12 James McIntosh, 20 Al Forrester, 81 Samuel Garza, 30 Curtis Nash, 32 Shaun Cobb, 50 Bobby Wilkerson, 80 Tommy Joe Chambers, 23 Marvin Nash, 43 Alex Johnson, 5 Tony Fike, 7 Michael Trout, 4 Sam Roberts, 15 Louis Granados, 22 red suit, 29 white Joseph Hernandez, 76 Toby Jackson, 13 red, 18 white Bradley Campbell, and 3 Eddie Encinia.

Tigers Claw Skyrockets, 28-6

Hollis Tigers unleashed a triple-threat ground offense to defeat the Wellington Skyrockets 28-6 in the traditional season opener. Friday, Sept. 3.

The first half looked to be a repeat of the low-scoring affairs that this opening game often produces. Neither team lit the scoreboard in the first quarter, although Hollis returned a punt for a 60-yard touchdown that was called back on a clipping penalty.

In the second quarter Hollis put together a 14-play, 4-first-down drive that ended with quarterback Kip Cummins score from inside the 1 with 5:56 to play. Kent Metcalf's extra point kick gave Hollis a 7-0 lead.

Just before halftime Skyrocket Shane Cobb's punt soared 50 yards and Otis Lewis downed the Hollis punt returner on the Hollis 12-yard line.

The Tigers could not

move the ball, they fumbled the punt with 18 seconds to play in the half, and the Rockets took over on the 8 yard line. A penalty backed the Rockets to the 24 with 10 seconds to play.

Rocket quarterback Wade Williams took the snap, ran left, looked left, then came back right and fired to Darren Hall who hauled in the pass in the end zone after the scoreboard clock had run to zero. Mark Hunnicutt's extra point kick fell wide and the Rockets trailed 7-6 at halftime.

Late in the third quarter, Tiger Kip Cummins connected with Myron Moore for a 28 yard pass that left Hollis on the Rocket 10. From the 10 fullback Ray Wilson followed some good blocking to score with 2:26 to play in the third quarter.

Metcalf's extra point kick was wide right and Hollis led 13-6.

Hollis' weight advantage began to tell the tale in the fourth quarter.

On the next series, Hollis intercepted a Rocket pass at the Rocket 38-yard line and moved the ball on the ground to the 5. Tailback Michael Williams took the ball in for the score. Metcalf faked an extra point kick and Cummins scored 2 on the run to give Hollis a 21-6 lead with 11:23 to play.

Hollis final score came with just 26 seconds to play. Runs by Michael Williams, Robert Whitman, Kent Metcalf and Ray Wilson had ground the ball down to the Rocket 10. Williams scored from the 10 and Metcalf's extra point kick was good to leave the final score a 28-6.

SOIL CONSERVATION NEWS

In many cases erosion is worse on leased and rented land than it is on owner-operated land. This land often gets less conservation treatment than other land. Some absentee land owners are not aware of, or are not concerned about their land eroding and needs some kind of conservation treatment.

A reason for these erosion problems is that conservation measures cost money and won't pay their way in a short time. Absentee landowners are encouraged to consider offering tenants some financial help for part of the costs for installing conservation measures or offer longer leases or rentals to farmers and ranchers who will install conservation practices.

The Soil Conservation Service can help every land owner in our conservation district assess erosion occurring on their land and help them and their tenants figure out ways to solve their erosion problems.

Today's farmer needs conservation more than ever. The USDA Soil Conservation Service along

with the Salt Fork Soil and Water Conservation District will be glad to meet with any landowner or tenants, to discuss ways to improve the land.
