THE SIGN ABOVE is prophetic of the many manhours which lie ahead for the county, city and state road crews in the aftermath of last week's heavy rains. The torrents of rushing water cut wide swaths across the county, leaving behind deep gullies, scattered debris and a great deal of road work. Work has already begun in the Sand's area of the city (above, left) and the state crews are hard at work (above, right) correcting damage to areas such as this gaping trench near the Champion Creek Bridge.

Old Timers Gather For Bi-Centennial

Porter Richardson as Master of Ceremonies, Chris Hubbard's Barber Shop Quartet, special guest Judge Eldon Mahon and a recital by Carl Beery Moore will highlight the program for the "Old Timers' Reunion" Saturday in the Civic Center.

More than 100 reservations have already been made by residents and past residents to attend the annual affair.

Now in its fiftieth year, the reunion will celebrate this centennial year for Colorado City with a gathering anticipated to rival any ever held.

Advance reservations made by past residents from all corners of the United States have been received by Reunion Chairwoman Margaret Oyler.

Doors to the Civic Center will open at 8:30 a.m., when "Old Timers" will register. Coffee will be served.

Registration will be followed by a social hour which will give participants an opportunity to meet, talk and reminisce with ex-Mitchell County residents, as well as "Old Timers" who still live in the area.

"Newcomers are very welcome because their ideas and actions will be a part of the history of this county in coming years," Mrs. Oyler said.

Federal Judge Eldon Mahon will address the reunion at 10:30 a.m. He is a past District Attorney and District Judge for Mitchell County. Also, on the program will be a recital by Carl Beery Moore from the original

City Opts For New Police Car

The City Council of Colorado City meeting in a called session Friday afternoon voted to accept a bid for another police car, provided a 1980 model can be found.

The low bid was submitted by Anderson Motor Co., in March. The bid was for two cars but because the total amount was for more than was budgeted, it was decided to buy one and wait on buying the second.

However, the second unit now used by the Colorado City Police is experiencing mechanical problems and another new car is needed. The new car purchased in March and delivered in June has proved excellent, according to police and since the bid was still good, the council decided to go ahead and buy another one. The bid is \$5,428.

That type car, a Volvo, will not be made See CITY Page 2

St. Ann's Fall Festival Opens Doors Saturday

Candidates for the St. Ann's Fall Festival Queen are busy making preparations for the event to be held Saturday and Sunday in the

County Ag Barn on West Highway 80.

Two lovely young ladies are vying for the coveted title of queen this year.

Norma Molina, 15, daughter of Mr. and Mrs. Pascual Molina of Colorado City, and Priscilla Garza, 12, daughter of Mr. and Mrs. Juan Garza of Colorado City, have been sponsoring fund raising events for the title this summer.

The honor of "Queen" will go to the contestant who raises the most money. Proceeds from the events and the Fall Festival will go toward paying for the new education building at St. Ann's

Catholic Church.

The coronation of the Fall Festival Queen will take place during the festivities Sunday at 9 p.m.

Good food, games for all ages, bake sales and drawings will be offered See FALL Page 2

Chairman of the Festival is Renee Alvarez.

Cast Chosen For 'Wait Until Dark'

Casting is complete and rehearsals are in session for the next Colorado City Playhouse production, "Wait Until Dark."

Presentation dates for the production are set for October 23, 24, 25 and again October 30, 31 and November 1.

Grand Jury Indicts Ten

Mitchell County Grand Jury handed down ten indictments, including one on a local man for criminal attempt to murder, when they sat in session Friday.

Of the ten indictments, three were sealed.

James Arthur Hutto, Rt. 3, Colorado City, was indicted on a charge of criminal attempt to murder. Charges resulted from an in-

Porter Richardson will demonstrate his directing abilities with this endeavor.

Cast in the lead role of Susie, a blind young woman, is Debbie Kelly.

The villainous male lead, "Roe," will be brought to life by Carl Beery Moore.

George Womack and Jon Millington will characterize two other "bad guys" Mike and Carlino.

Rev. Monte Jones has been cast in the role of Susie's husband, Sam.

Daneshu Lusk has been chosen to portray Susie's upstairs neighbor, who is about 12-years-old.

Tommy Baker and Tom Kelly have been selected to fill the roles of two policemen in this presentation.

Plans Underway For Annual County Fair

Mitchell County residents are making preparations for the Annual County Fair.

Fair dates have been tentatively set by the Colorado City Area Chamber of Commerce for October 2-4.

Workers will begin to prepare the county barn for the affair on September 29 and entries will be accepted at the barn beginning at 7:30 a.m. and will continue on October 2.

The barn will be closed to the public from noon until 6 p.m. to

allow placement of entries. Beginning at 2 p.m. until 6 p.m., judging of all entries will take place.

The barn will open to the public at 6 p.m. until 10 p.m. on that day.

October 3 and 4, the barn will be open to the public from 10 a.m. until 10 p.m.

Prize ribbons will be given by the chamber for the event.

A side show and carnival will open on the fair grounds October 2 and continue nightly through the fair.

-Police-Roundup-

Felony criminal mischief charges were filed against Toby Lynn Pickens, 17, of Slaton after an incident which occurred September 5 between 7-8 p.m. at Eddie's of Colorado City.

An estimated \$320 worth of damage was done to a glass display case in the front of Eddie's of Colorado City when a glass bottle was apparently thrown through the sign.

Pickens was arraigned before Justice of the Peace Mary Lee Moore and bond was set and posted at \$2,500.

Sergeant Don Hamilton is investigating the incident.

Another criminal mischief occurred September 1 at the White Way Motel on Highway 80, when a bottle was thrown from outside through a window. An estimated \$15 in damages was done and Assistant Chief of Police Jimmy Roundtree is investigating the incident.

George Lewis, who re-

Chamber Meeting Slated

The Colorado City Area Chamber of Commerce will hold a special called session of the board of directors Thursday at 7 p.m.

Action will be taken on several items of business which were discussed but not voted on at the regular meeting September 8.

Listed for action are: the October Playday, call ropings to take place in the arena and the Clarence Taylor Fund.

The quantity of water in a lake is staggering. I never really had thought about this until talking with a Texas Electric official Thursday in an effort to determine the total rise in the two local lakes due to the rains earlier this week.

As it turned out, Lake Colorado City only caught four-tenths of a foot. However, Lake Champion caught 19.25 feet. The elevation of Lake Colorado City is now 2057.30 while the elevation of Lake Champion is 2057.85.

However, just because the figure for Lake Champion is higher doesn't mean it contains more water. Figures show there are 15,098 acre feet of water in Lake Colorado City while Lake Champion has 14,805 acre feet.

Before the rains came, Lake Champion held only 4,601 acre feet and the raise brought in 10,294 acre feet. Now that figure probably doesn't mean much to you. It certainly didn't to me until TESCO converted it into gallons.

There are 325,851 gallons in one acre foot, meaning that the rains brought into Lake Champion 3,324,533,604 gallons of water—that's more than three billion gallons if you, like myself, are not familiar with terms that large.

TESCO officials are now pumping from Lake Champion into Lake Colorado City in an effort to keep it above the 2057 foot level. They are pumping 15,264,000 gallons a day (46.8 acre feet). This means they could pump for more than seven months (not providing for evaporation) before Lake Champion would be at the level it was before the rains.

However, even with the water being pumped in, Lake Colorado City is losing ground due to a staggering evaporation rate with the hot weather, low humidity and winds.

It has been estimated that the city and TESCO plant pump four million gallons of water out of the lake each day.

If more than 15 million gallons are being pumped into the lake, that means the lake should be gaining about 11 million or so gallons a day and would soon fill up. Right? Wrong!

TESCO officials say the rate of evaporation takes away more than 11 million gallons that the lake should be gaining each day. The exact amount that evaporates is not known but to lose that much to evaporation is astonishing.

a mystery drama written by Frederick Knott.

This is a masterfully constructed thriller, which moved from one moment of suspense to another as it builds toward an electrifying breath-stopping final scene.

The movement revolves around an enterprising young woman, Susie, who is forced to use her wits and guiles to overcome a terrifying situation which takes place in her Greenwich Village apartment house.

Three slinking criminal types enter the scene after Susie's husband, a photographer, leaves the house on assignment.

In the course of the blind girl's next harrowing two days, she must fend off the mysterious scoundrels with only some slight, but valuable aid from a prying little girl who lives upstairs.

For all her skill and bravery, the young wife is in for some frightening moments, including a startling shock in the final act.

as he slept, about \$30 from the pocket of the shirt he was wearing and left by the same window.

Sergeant Hamilton is investigating the incident. He reported a suspect is indicated in the case.

Criminal mischief occurred at 1119 Walnut between 1-4 p.m., September 4 when the tires on a 1975 Buick owned by Calvin Daven were slashed. An estimated \$125 in damages was done.

Officer Thomas Heck is investigating the slashing.

Theft of 30 gallons of gasoline from three pickup trucks parked at the G-Kell building and belonging to Soil Conservation Service was reported to have occurred between 5:15 p.m. September 4 and 7:30 a.m. September 5.

The missing fuel is estimated to be valued at about \$36.

Roundtree is investigating the theft.

The burglary of a habitation located at 612 Hickory Street was reported to have occurred some time between 4:30-10 p.m. September 4.

Larry Stark reported someone had entered the house through a window and stolen a diamond dinner ring, valued at about \$50, a handful of prescription pills and numerous pictures of his family and friends. The house was totally ransacked, according to Investigating Officer Thomas Heck. Investigation into the incident is continuing.

James Hall reported he was victimized at his residence at 513 Front Street. The intruder reportedly entered through an unlocked front door and stole a wallet containing about \$80 from Hall as he slept. The wallet was in Hall's pocket when it was taken.

Officer Richard Johnson is investigating the burglary and reports he currently has three suspects in the case.

Criminal mischief occurred on the Colorado High parking lot when a 1974 Chevrolet, two-door Sedan received extensive damage to the windshield and two headlights sometime between midnight and 1 a.m. September 6.

The damage to the car, belonging to David Silva of 225 New Street, is estimated at about \$120.

Officer Johnson is investigating the incident.

A portable black and white television was reported stolen from a residence at 441 1/2 Cypress Street. The burglary of habitation occurred sometime between 9 a.m. September 6 and 9 a.m. September 7.

Entry was gained through an unlocked back door. Also, reported stolen from the residence is a 1967 Pontiac Station Wagon, white in color, and without a rear axle.

According to Sergeant Hamilton, who is investigating the burglary, the vehicle would have to have been towed away. Estimated value of the vehicle was set at about \$350.

composition by Joe Earnest, "Welcome Old Timers."

A barber shop quartet formed by Chris Hubbard will perform renditions of old and new tunes and Hubbard will lead the reunion guests in a sing-song.

Cecile Hubbard will accompany her husband on the piano.

Interlude music will be rendered by Ann Gregory and the invocation will be presented by Rev. Ron Hamby of the First United Methodist Church, which is also celebrating one century of existence this year.

A catered luncheon is planned and tickets may be purchased during registration at a cost of \$5 per person.

Tours will be conducted throughout the afternoon of historical sites, such as the playhouse, library and museum.

Historical markers and medallions around the county will be toured about 3:30 p.m.

"Our reunion first began in 1931 and has been held annually since. At times, interest in the reunion has waned, but it has remained constant and we hope to have the best reunion ever held this year," Mrs. Oyler said.

"I encourage every county resident to attend and participate in this one-hundredth year celebration," she said.

for 1981 and the problem is whether or not a 1980 model with a police package can be found at this late date in the model year.

After the council meeting, Mayor Elmer Martin told the Record that there are now several sites that are possible locations for the city's sanitary landfill.

The state has told the city it must abandon or make expensive changes at the existing landfill due to the type soil that could lead to contamination of underground water if it is used for a landfill any longer.

Paul's Persuasions

Jim Hill
Pastor
First Christian Church

At least six times in the writings of Paul, he uses a form of the word persuade relative to an action he has taken in his own life. Persuade is a very interesting word. It means either; to move or to remove or a combination of both. We shall consider these usages in the following verses.

Acts 26:26-In this verse Paul says to King Agrippa that he (Paul) was moved by observation to believe that the king was well aware of the person and ministry of Jesus and consequently could not plead ignorance as an excuse for ignoring his own Spiritual need.

Romans 8:38-39-In these verses Paul is saying he has been persuaded of the inescapable "Love of God" by his own life experiences. Paul had been so aggressively anti-Christian that he had held the coats of the Stephen-stoners and had raised an army to persecute the Christians at Damascus. Yet the deathstyle of Stephen, the Damascus road experience and the Christian ministry of Ananias, persuaded him that where sin did abound, God's Love did more abound.

Romans 14:14-In this instance, Paul is moved by Revelation from Jesus that things are a moral and only man's misuse of them creates an immorality.

Romans 15:14-Paul says here he is intellectually persuaded that people who are filled with goodness and knowledge are able to counsel wisely.

II Timothy 1:5-Paul here assured Timothy that he (Paul) is persuaded that Timothy is an adequate pastor for his people because of Timothy's indwelling faith which he received from his mother and grandmother.

II Timothy 1:12-Paul here professes his persuasion of his soul's salvation. This was a particularly difficult persuasion for Paul. He first had to remove his Jewish disbelief in Jesus as the Messiah and then move in his Christian belief that Jesus was indeed the Savior that God had so long promised.

Today-Do we have the intellectual and religious courage to move from behind our inherited persuasions to consider Biblical teachings without prejudice? A dangerous activity you say? I think not. In pre-pasteurization days, you could shake that jar of raw milk all you wanted, but when you sat it down, the cream always rose to the top. Truth has a way of doing the same.

I had never really thought about it in those terms.

xxxx
Rainfall in Mitchell County also helped out other West Texas cities which are in the Colorado River Municipal Water District. Those cities include Big Spring, Midland and Odessa, all of which use water out of Lake Spence which caught some 45,000 acre feet of water. A large part of this drained into the Colorado River in Mitchell County.

It has been estimated that that amount will be more than a year's supply and should improve the quality of the water.

Sweetwater also got a lot of help as they have now lifted water rationing after the three lakes that provide water for the city there caught a lot of water. Oak Creek Lake caught about 10 feet, Lake Trammel rose five feet and Lake Sweetwater is up two feet.

In regard to Sweetwater, I was in the opening night crowd for the first play of the newly formed Sweetwater-based community theatre group, "Off Broadway."

Their first play is a courtroom murder mystery by Ayn Rand entitled "Night of January 16."

It will continue this coming Thursday, Friday and Saturday.

Sweetwater has given the Colorado City Playhouse a lot of support over the years and was instrumental in helping to form the Colorado City theatre group.

A large number of Colorado City people have attended this Sweetwater production to return the help Sweetwater has provided Colorado City.

The Sweetwater production is well done and is very unique. A jury is selected from members of the audience and they actually deliver a verdict. The ending of the play is determined by the verdict.

There are some very suspenseful turn of events during the course of the trial with those testifying coming out of the audience, giving the audience a feeling of being in an actual courtroom.

Members of the cast that include Pete Van Dusen who starred in the Colorado City Playhouse production of "Picnic," did an excellent job.

The final three performances this Thursday, Friday and Saturday start at 7:30 p.m. at the Lamppost Restaurant and Club. Tickets are \$3 per person and are available at the Sweetwater Sports Center, Sweetwater Chamber of Commerce or from Vivian Littleton, 235-5391.

Another performer who has starred on the Colorado City Playhouse stage is Quin Thornburg. She is now in the lead female role of "Fiddler On The Roof" at Odessa's Permian Playhouse. "Fiddler" gets underway this coming Friday and will continue on Friday and Saturday for four weekends.

Mrs. Thornburg taught music at Kelley Elementary and starred in the local productions, "Oklahoma," and "Showboat."

cident in which Glenn Reynolds received gunshot wounds.

Henry Lanier Williams, Ruth Louise Williams and Henry David Williams, all of Rt. 3, Colorado City, were individually indicted on charges of possession of more than four ounces of marijuana.

Gustano Lopez Arrequin of Odessa was indicted on a subsequent offense of Driving While Intoxicated. The first offense allegedly occurred in October of 1978. The subsequent offense allegedly occurred on August 8, 1980.

Jose Hernandez Jaramillo of Snyder was also indicted on a subsequent offense of Driving While Intoxicated. The first offense allegedly being April, 1970 and the latter allegedly occurring on August 24, 1980.

Toby Lynn Pickens, 17 of Slaton was indicted for felony criminal mischief. Charges stemmed from an incident occurring at Eddie's of Colorado City on September 5, 1980. Damages were estimated to be \$320.

EARLINE SELLIER (right) is the incoming president for the new year of the Beta Epsilon Chapter of Delta Kappa Gamma and Frances Godwin is the first vice president. They were recognized during the initial meeting in the Civic Center Tuesday evening.

Officers Elected For Westbrook Golden Age Club

The Westbrook Golden Age Club met Sept. 2 with 38 members and visitors present.

Wallace Center Offers Slate Of Fall Classes

Registration is continuing at the Wallace Community Education Center, Barbara Gray, coordinator announced.

The new slate of Fall classes and activities include a wide range of choices. Enrollment may be made by coming out to the Wallace Center or mailing in a 1980 entry brochure.

Some of the classes to be offered are aerobic fitness, auto mechanics, body conditioning, book-keeping I and II, baton twirling, business math, cake decorating, build-

ing trades, creative dramatics for children and country and western dancing.

Also, offered are embroidery, defensive driving, GED studies, guitar, gymnastics, home decorating, Lamaze-prepared childbirth, office machines, photography, stained glass art, spinning and weaving, typing and tennis.

Activities continuing at the Wallace Center on a regular basis are volleyball for adults on Thursday nights, including junior and seniors in high school; skating on Saturdays and physical fitness. The gym is open daily, stated Mrs. Gray. Classes to be offered through Western Texas College are mid-management, psychology and small engine repair.

In conclusion, she said the community education project is constantly seeking new instructors and new classes to offer.

The president conducted the business meeting. Under new business, the officers for the new year were elected. Helen Oglesby, chairman of the nominating committee, read their list and they were

elected by acclamation as follows: Mrs. A.G. Anderson, president; Mrs. A.G. Board, vice president; Mrs. Elmo McDaniel, secretary and Mrs. A.G. Board, treasurer.

The president asked

the members to bring their year books for the October meeting for additions and to review the by-laws.

Mmes: Juanita Coker, Margaret Oyler and Alvin Byrd served refreshments of sandwiches, chips, cake and coffee.

The following were present: Mmes. Bessie Shaw, Nella Adams, Viola Ellett, Ethel Dunn, Rena Brown, P.E. Clawson, Blanche Bell and Lela Byrd.

Others attending were Messrs. and Mmes. A.G. Anderson, H.H. Salley, H.O. McNew,

J.B. Harris, Elmo Daniel, Wayne Newton, Doug Barber, Marvin Claxton, N.W. Stokes, Oren Moore, John Miller, Pat Myers and A.G. Board.

Also, attending were Perry Echols, Doc Alvis, Hoyt Roberts and J.W. Lewis.

Wolves By 1

"We didn't all week to settle," Colorado City Wolves Coach Tom said Friday night his team lost 7-0. Post Antelopes decided to try points instead for one and the game.

"It hurts whip them all field and lose," said of the game.

Whip them did, as the show. The Wolves plenty of offense of 386 yards rushing passing to yards for Post.

However, the once again as it week was to with the Wolves two fumbles and two passes intercepted. In addition, the were penalized times for 40 yards coming at critical in what could have scoring drives.

Ironically, Antelopes can sympathize with Wolves as they week to Lockne game dominating Post.

The Wolves score their own victory as three successive drives in half were turnovers and half they inside the Post came away empty, once after back by a penalty again when dropped passes their hands.

Twice in the the Wolves almost completed long passes but it just to be, one which what Wolves thought should been an interception call at the goal.

The Wolves line put on a game as they dominated line of scrimmage the backs pick yardage.

Mark Piliandning at fullbacking the injured Johnson, and big night running ball picking chunks of red almost every handled the play.

Jay Green at to be hard to the Quarterback had a game passing and for yardage protection from.

There were injuries during none thought rious. Gary taken from the ambulance at his back but out to be an back muscle believed he right after tre.

Post only to score two game. The was on their session of the in the first quarter they drove own 34 to score came a play of the setter with Q Drew Kirkpa the final yard Lamb kicked point which the winning 11:58 to go in quarter.

Post had kick-off to game but it was stopped covered by Randy Uselt.

The Wolves after touchdown the only other Post threat stopped on fourth down Wolves 34.

The Wolves second half drove from the Post.

Wolves Defeated 7-6 By Post Antelopes

"We didn't practice all week to settle for a tie," Colorado City Wolves Coach Tom Ramsey said Friday night after his team lost 7-6 to the Post Antelopes after he decided to try for two points instead of going for one and a tie late in the game.

"It hurts when you whip them all over the field and lose," Ramsey said of the game.

Whip them the Wolves did, as the statistics show. The Wolves had plenty of offense, a total of 386 yards rushing and passing, to only 153 yards for Post.

However, the story once again as it was last week was turnovers with the Wolves losing two fumbles and having two passes intercepted. In addition, the Wolves were penalized eight times for 40 yards, all coming at critical times in what could have been scoring drives.

Ironically, the Post Antelopes can probably sympathize with the Wolves as they lost last week to Lockney 7-6 in a game dominated by Post.

The Wolves seemed to be their own worst enemy as three impressive drives in the first half were stopped on turnovers and in the second half they twice got inside the Post 10 and came away empty handed, once after being set back by a penalty and again when receivers dropped passes right in their hands.

Twice in the first half, the Wolves almost completed long passes for scores but it just was not to be, one which involved what Wolf fans thought should have been an interference call at the goal line.

The Wolves offensive line put on a good show as they dominated the line of scrimmage and the backs picked up big yardage.

Mark Piland was running at fullback, replacing the injured Doug Johnson, and he had a big night running the ball picking up huge chunks of real estate almost every time he handled the pigskin.

Jay Green also proved to be hard to tackle and Quarterback Mark Carter had a good night passing and scrambling for yardage with good protection from the line.

There were several injuries during the game, none thought to be serious. Gary Rowe was taken from the field by ambulance after he hurt his back but it turned out to be an injury to a back muscle and it is believed he will be all right after treatments.

Post only threatened to score twice in the game. The first time was on their third possession of the night late in the first quarter when they drove from their own 34 to score. The score came on the first play of the second quarter with Quarterback Drew Kirkpatrick going the final yard and Gary Lamb kicked the extra point which proved to be the winning margin with 11:58 to go in the second quarter.

Post had received the kick-off to start the game but their drive was stopped on a fumble covered by the Wolves Randy Uelton.

The Wolves possession after the Post touchdown resulted in the only other serious Post threat but it was stopped on a dramatic fourth down stand at the Wolves 34.

The Wolves took the second half kick-off and drove from their own 31 to the Post nine but were

stopped there. They took their next possession from their own 36 to the Post nine but were stopped there. They took their next possession from their own 36 to the Post seven and got stopped at that point. On the Wolves third possession of the second half, they drove from their own 43 to go in for their first score of the year with Quarterback Mark Carter going over from the one.

Then the attempt for two extra points on a pass from Carter to Tight End Kirk Evans was batted away by a defender, making the score 7-6 with 4:46 to go in the game.

Next week, the Wolves travel to Denver City.

Wolves Junior Varsity Loses To Post 26-6

Colorado City's junior varsity lost to Post Thursday 26-6.

Post scored their first touchdown when Colorado City fumbled the ball in the first part of the game. Their second score came from a punt. The ball hit a player on the ten yard line. Post recovered the ball and ran it into the end zone after a few downs.

"Defense just didn't move or play as well as they have been playing," said Coach Mike Hart. Post scored three times on passes and once on a run.

Wolves scored their lone touchdown when Richard Ligon passed to Willie Martinez in the end zone. The extra point was no good.

Junior varsity will play Stamford at Wolf Stadium next week.

"They are a tough

bunch of kids, but it will be an advantage to us being at home," said Hart.

Persons Receive Safety Certificates

Some 18 persons received hunting safety certificates Thursday when they graduated from a Hunter's Safety Course presented by Game Warden Ronnie Aston, assisted by Dwain McGuire.

The course consisted of instruction in fire-arms handling, wildlife management, game laws, survival methods and first aid.

This was the only

course of its type offered in the area this year and persons from Abilene, Big Spring, Snyder and Mitchell County attended.

"The lowest test score made was a 90," Aston commented.

The course was designed as eight hours of instruction and is necessary to obtain hunting licenses in several states including Colorado and New Mexico.

Wolves 7th Grade Wins 14-0 Over Post

Wolves seventh grade team took a 14-0 victory over Post Thursday in Post.

Ronny Lowrance made the first touchdown in the second quarter leaving the score 7-0.

The second touchdown came in the fourth quarter when John Davila crossed the goal line making the score 14-0.

"It was their first game and everyone did good," said Coach Ronnie Gainey. "I was especially proud of the defense. They held them out of the end zone when they were inside the five yard line. The defense held them for four downs."

"Albert Rivera and Sammy Rivera had an exceptional game. They were all over the ball defensively," said Coach Gainey.

"It was a pretty good game all in all. The boys gained a lot of confidence," said Gainey. "They handled themselves really well and they should do just as good against Stamford next week. I'm proud of them; they did a good job," he said.

The eighth grade did not fair quite as well as the seventh grade. The score for their game

was 20-14 in Post's favor.

Post scored first in the first quarter leaving the score 6-0. They scored again in the second quarter for 12-0.

Kevin Norman made a 50 yard run for a Colorado City touchdown, bringing the score to 12-6. The try for two points was successful making the score 12-8.

Post scored their third and final touchdown in the third quarter making the score 20-8.

Wolves came back and scored as Doug Chitsey made a 45 yard pass to Mike Davila to make the score 20-14.

"The defense, as a whole, showed what they could do," said Coach Raymond Zamarrilla. "We had a couple of mental mistakes, but the boys never gave up. They hung in there until the last minutes. We just ran out of time on the clock. The boys gave a good effort and did their best."

Both Wolves' teams play Stamford Thursday for their second games.

"It should be an easy game. We beat them last year 20-0. It shouldn't take too much to do the same again this year," said Coach Zamarrilla.

Booster Club Meeting Set For Tuesday

Colorado City Sports Booster Club met Tuesday night in the Middle School Cafeteria.

The Booster Club viewed the film of the Slaton game while coaches commented on the game.

The next meeting is scheduled for Tuesday at 7:30 p.m. in the Middle School Cafeteria.

Colorado City-Post

game will be viewed and comments will be heard from the coaches. Also, a scouting report on Denver City will be heard.

"Not many parents came to the meeting," said Ruby Carter, secretary. All parents are encouraged to attend the meetings. Refreshments will be served at meetings.

Wolves Tie Game With Antelopes

Wolves freshman football game ended in a tie of 12-12 against Post Thursday.

The Wolves first touchdown came when Dennis Rivera ran 12 yards on the option play. Larry Hamilton made the second touchdown when he broke for a long run of 53 yards.

Total yards rushing was 183 with Larry Hamilton making 128 yards.

Dennis Rivera passed four of 11 for the 20 yards of passing made in the game.

"It was a good game," said Coach Bill Barnard. "We just had too many penalties and too many mental mistakes."

The Wolves had a two point conversion called back due to offensive pass interference.

Post scored the final touchdown tying the game with less than two minutes left in the game. Wolves prevented Post from scoring the two point conversion.

"Larry Hamilton and Dennis Rivera did a good job," said Coach Barnard, "as well as the offensive line; Manuel Molina, Franklin Marsh, Raymond Basinger, David Salazar, John Mayo, Britt Standefer and Jesse Martinez. Other teammates doing well were Mike Luera and Ben Gonzalez on blocking."

Freshmen play Stamford next week at Wolf Stadium.

Coach Barnard said he believes in a good game. "I see improvement each week and I think the boys will continue to improve."

Tennis Tournney Deadline Is Set

The Annual Colorado City Open Tennis Tournament is to be held beginning Friday, Sept. 26, and will end Sept. 28. The tournament will be held at the Colorado Country Club.

The tournament is a tribute to Ken Godsey for his efforts on behalf of the Club's tennis program. A Ken Godsey Memorial Trophy will be kept at the club and the names of the winners in the ladies' and men's doubles will be inscribed thereon.

Entries for the tournament must be postmarked no later than Friday. Mail entry forms to 925 E. 13th St., Colorado City, TX 79512 or phone 728-2052.

Tournament draw will be available by Sept. 23 and posted at the Colorado Country Club courts and C.C. Athletics. Information can also be obtained through Joanne Sanderson at the address and phone number above.

All tennis balls will be

supplied and are included in the entry fee of \$20 per team.

Entries will be accepted only if the fee is included with the form.

No umpires will be available, unless circumstances warrant a decision over continuation of a match over a score conflict.

The courts at Chestnut and 15th Streets, as well as those at the Country Club will be used the first day of the tournament.

The tournament is open to all ages and non-members, as well as members. The tournament is not limited to residents of Colorado City.

Proper tennis attire is a necessity.

Bar privileges will be available for a \$2 temporary club membership.

Entry forms may be picked up from C.C. Athletics, Colorado Country Club or Joanne Sanderson.

HELLO World

 Mr. and Mrs. David Stinnett, Snyder, are the proud parents of a 8 lb., baby girl, Adrean Faith, born September 5 in Root Memorial Hospital. She was 19 1/2 inches long.

Lieb, Anderson United
 Angela Denise Lieb and Alan Anderson exchanged wedding vows in the First Baptist Church during a 7:30 p.m. double ring ceremony. Rev. Ken Branam officiated the evening ceremony.
 Mr. and Mrs. Charles H. Lieb of Snyder are the parents of the bride and the groom's parents are Mr. and Mrs. Ernest Anderson of Colorado City.
 The bride, given in marriage by her father, was attired in a long white bridal gown adorned with lace and seed pearls. To complete her ensemble, she wore a layered hat accented with lace and seed pearls.
 Her bridal bouquet was of white roses sprinkled with daisies and blown glass interspersed with lace and silk.
 Keeping with the traditional something old, something new, she wore heirloom earrings for something old, her dress served as something new, she wore a borrowed veil and her garter was blue.
 Carrie Lieb, sister of the bride, served her as maid of honor. She wore a gown of blue lace accented with a headpiece of blue flowers.
 Elizabeth Anderson was the bridesmaid. She was attired in a yellow gown in the same fashion of the maid of honor's. They each carried bouquets of blue and yellow carnations.
 Wayland Edwards of Colorado City was the best man and Doug Klotz was the groomsman. Bob Lieb of Big Spring and Mike Tabot of Odessa were the ushers and candlelighters.
 Mrs. Kathy Talbot of Odessa registered guests.
 Vows were exchanged before an altar decorated with two brass candelabras and a brass archway accented with greenery.
 Darrell Collins sang "You Light Up My Life," "More" and "We've Only Just Begun" while Mrs. Earl Watts accompanied him on the organ.
 A reception followed in the garden room of the church Mrs. Dana Lynch and Mrs. Glenda Edwards, both of Colorado City served at the bride's table.
 The bride's table featured a four-tiered white wedding cake accented with baby blue bells and yellow flowers with a white bell adorning the top. The cake was made by Mrs. Doris Defreeze. Mrs. Sandra Lieb of Big Spring served at the groom's table.
 The couple make their home in Snyder where the bridegroom is employed by Hanks Oilfield Service. The groom is a graduate of Colorado High School and attended Sweetwater Technical School.

Trucks Wreck In Rainstorm

Two accidents occurred on Interstate 20 Wednesday morning as heavy rains fell.

About two miles east of Lorraine at about 12:05 a.m., a 1979 Freightliner, pulling a semi-trailer and driven by Michael McMichie, 30, of Phenix City, Alabama, flipped over, blocking both lanes of traffic for almost eight hours.

The truck was loaded with frozen chicken legs and was bound for Los Angeles when it approached Lorraine and the rainslick highway apparently caused the truck to skid sideways on a curve and leave the road. The truck turned over on its right side.

Texas Highway Patrolman Tom Johnson arrived at the scene only minutes after the accident was reported. The driver of the vehicle refused medical attention, reportedly stating he was uninjured.

Trooper Johnson contacted "87" Wrecker Service of Big Spring and a refrigerator truck was brought to the scene to transport the frozen chickens to Big Spring, where they would be inspected by the Texas Health Department.

Removal of the wreckage and transfer of the load was hampered by the falling rain

and limited number of personnel making the transfer, Johnson said.

At about 2:30 a.m., Michie began to complain of chest pain and difficulty breathing. Trooper Johnson contacted the Mitchell County Ambulance Service and the driver and co-driver, Thomas Hall, 46, of Marrow, Georgia, were taken to Root Memorial Hospital. Michie was admitted with possible internal injuries.

As the men continued to transfer the load of frozen chickens, Trooper Johnson contacted Reserve Deputies Donnie Phillips and Ted Petty and the Highway Department to assist in diverting traffic to the access road around the wreckage.

About 6:30 a.m., a 1968 Chevrolet truck, pulling an empty flat-bed trailer and driven by David Irwin, 20, of Troy, Texas, came within seeing distance of the three men directing traffic. Reportedly thinking the lights were a vehicle stopped on the road, he tried to drive around them on the left side.

The truck and trailer jackknifed. The driver was uninjured and when the truck was straightened out, the driver continued his journey.
