## Christmas Events Open Nov. 29

Wellington merchants and townspeople open the Christmas season Monday, Nov. 29, with the opening of the traditional Goodwill Trades Day events which will continue until Christmas Eve.

The Collingsworth Chamber of Commerce spearheads the activity.

Wellington merchants will give $300 in script on five designated days: Saturday, Dec. 4; Saturday, Dec. 11; Saturday, Dec. 18; Thursday and Friday, Dec. 23 and 24, according to N. M. Higdon, C-C manager.

Christmas decorations will go up around Dec. 1.

New this year will be the large Stars of Bethlehem—one at each corner of the town square. A considerable footage of Christmas lights has been ordered to repair and add to that which is used each year on the courthouse and around the square.

John Sherman is in charge of the decorations committee this year. Denver Powell and Jake Leach are assisting him.

In charge of the fund drive which will finance the Christmas decorations are Clyde DeMoss, Mack Saied, Jr., Sam Adams, J. B. Oney, Robert Lewis, Powell, Billy Moseley, Jack Sanford, Bob Goforth and J. Y. Martin.

Wellington's star atop the courthouse will be lighted again and the same general pattern of lighting will be used as that which has drawn so much favorable comment in the past.

The Trades Day activities will be handled as in the past. There will be two drawings on each Trades Day. One will be for $35 in script and numbers will be drawn until it is claimed. The other drawing will be for $25 in script and if this is not claimed on first drawing, it will be held over to the next drawing with the amount accumulating.

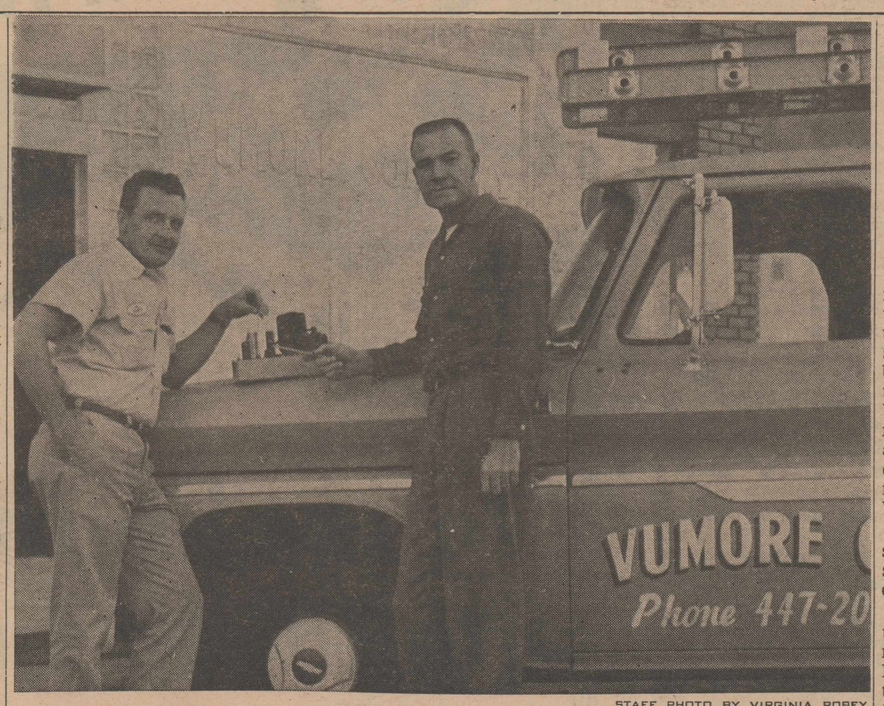

These drawings will be held on the courthouse lawn at 4 p.m. on the designated days.

Other Christmas activities sponsored by the Chamber of Commerce and the merchants will be announced within the next few days.

Merchants participating in Trades Day are Lewis Grocery and Market, Eddie Slay Clothier, Saied's Department Store, Sullivan Hardware, Ben Franklin Store, Hatch Dry Goods, C&H Pharmacy, Hale's Jewelers,

Raburn Grocery, French Clothier, Steve Owens, Parsons Drug, Pruden Drug, Fair Store, Fashion Shop, City Grocery, S & R Hardware, Just Rite Cleaners, Owens and Scott Grocery,

Wellington Leader, Vaughans Cleaners, Phipps Enco Service, Don's Texaco Service, Fabric and Hobby Shop, Skyrocket Service, Inc., Wellington Lumber Co., Town and Country, Homer and Howard Holton and Tiny's Automotive Service.

**VUMORE COMPLETES WORK**
Vumore Company has completed installation of 30,000 feet of aluminum shielded coaxial cable and 20,000 feet of steel strand to update its system in Wellington and give television viewers clearer reception. Two members of Vumore personnel are seen here, Don Latimer, left, and Jack Saunders, local manager.

## General Tel Puts Mile of Cable Underground

One mile of underground telephone cable construction has just been completed by General Telephone Company of the Southwest. This construction extends from the corner of 15th Street and US Highway 83 to the section line one mile south of Wellington. The construction took two weeks to complete.

The cable is replacing the aerial wire which has been serving customers south of town for the past several years. The cable will also enable more telephones to be installed if needed. The new cable will handle more than three times as many telephones as the old aerial wire.

C. D. Cummings, construction foreman from Memphis, was in charge of the construction. Jerry Lowe of Memphis ran the trencher and plowed the cable in. Danny Lee of Memphis was on hand to splice the cable.

The cable had to be burrowed under the highway at one

## Mish Dukeminier Critically Ill

Mish Dukeminier, prominent county rancher, is critically ill in St. Joseph's Hospital, after suffering from heart attacks.

Mr. Dukeminier was admitted Monday, Nov. 22, about 2 a. m. after becoming ill at his home.

He suffered a severe attack Wednesday shortly before 11 a. m. a member of the family said.

## County Part of Farm Bureau Stock Program

Collingsworth is one of two counties participating in the livestock division of the pilot program of the Texas Farm Bureau Agricultural Marketing Development Program.

In brief, this program enables cattle feeders to buy stock directly from raisers in the other pilot county and to sell to other feeders or feed lots direct. The Farm Bureau offices in the two counties act as the clearing house.

Dee Coleman, who lives in Wellington and operates farming and ranching enterprises in the Dozier area, is spearheading the work here.

He and his brother, Jess Coleman, recently brought in the first shipment of feeder steers, 105 head, dealing directly with the growers. An additional 112 head has been received, and 560 more will come into Collingsworth County within a few weeks, Dee Coleman said. The latter shipment will go to several feeders.

"The cattle are graded according to regular market grades and the market price determines what is paid for

## Many Business Houses Close for Thanksgiving

Many business houses in Wellington will be closed on Thursday, Nov. 25 for Thanksgiving in accordance with a proclamation Mayor Hiram Cudd issued Tuesday.

As is customary, however, part of those firms which directly serve or service the county's cotton economy will remain open in order that harvesting the crop may continue uninterrupted.

Community-wide Thanksgiving services were planned for Wednesday, Nov. 24 at 7:30 p.m. in the First Methodist Church. The Rev. Ronald Crosley of the Church of the Nazarene was named to preach the Thanksgiving service.

Services were also scheduled at Glen Davis Memorial Methodist Church at Dozier Wednesday evening.

## County to Get Major Highway Improvement

The Texas Highway Commission on Nov. 16 approved the expenditure of $344,000 for the reconstruction of grading, structures and surfacing on US Highway 83, extending from the Childress County line to Wellington, a distance of 7.5 miles, in Collingsworth County, as part of the 1967-68 Consolidated Highway Program announced by District Engineer V. J. McGee of Childress.

This work will be under the supervision of L. Clyde Drake, supervising resident engineer, of Wellington.

Work authorized for this county is part of a two-year $350 million Consolidated Highway Program, described as one of the most important in the history of the Texas Highway Department.

State Highway Engineer D. C.Greer said the 1967-1968 program includes work on 9,469 miles of roads under the department's jurisdiction and called it one of the "most meritorious programs ever formed by the department."

He stressed the program's many safety features, the protection of investment previously made from highway user tax funds and the immediate benefits that will add to the safe and efficient movement of traffic over the Texas highway system.

The commission approved projects to cost $337.9 million, with $12.7 million being held in reserve for future assignment. The ultimate program will approximate $350.6 million.

The program includes 1,809 miles of construction and reconstruction on highways that carry U.S. or State numbers at an estimated cost of $262.8 million.

It also includes the state's portion of the cost of 587 miles of right of way on US and State numbered highways at an estimated cost of $19.3 million.

Betterment work for the improvement of travel conditions and protection of investment on 3,143 miles of US and State numbered highways is included in the program at an estimated cost of $24.1 million.

Also covered is betterment work on 3,930 miles of existing Farm and Ranch to Market Roads at an estimated cost of $31.6 million.

Considering all features and types of roads covered in the program, some 1,900 miles which will cost $174.7 million to complete, fall in the category of highway safety.

The safety work included in the program represents about 52 percent of the total monies involved.

This covers widening of existing lanes, construction of additional lanes, paving of shoulders, widening of structures, grade separations, barrier fences and guard fences.

The safety projects included in the program take on added significance considering a recent report showing a decrease in traffic accidents and deaths on US and State numbered and Interstate highways.

## Games Slated with Shamrock, Norwood

A doubleheader at home is slated for the Skyrockets and Rockettes Friday night, Nov. 26, when the Shamrock Irish and Lassies come here.

Then half the county will be involved Tuesday night, Nov. 30, with the Wellington teams meeting the Samnorwood Eagles and Eaglettes.

This game will be played at Samnorwood. Both games will begin at 7 p.m.

The Shamrock games should be close, predicted Wellington Coach James Stavenhagen, as the teams are evenly matched.

The first meeting of these schools Friday, Nov. 19, saw the Wellington girls lose 34 to 29 but the boys won by a top-heavy 47-26.

This figure is deceiving, Stavenhagen warned, as Shamrock boys experienced a cold night.

"This year's Rockets will be real aggressive and they'll be tough defensively when they learn to play without fouling," Stavenhagen said. This roughness is a natural aftermath of football and coaches of schools

## County Rancher Dies Tuesday in Shamrock Hosp.

Edgar F. Wischkaemper, 80, retired farmer and rancher in the north part of Collingsworth County, died in Shamrock General Hospital Tuesday, Nov. 23 at 5:15 p.m. He had been in ill health about three years.

Funeral services for Mr. Wischkaemper will be conducted Friday, Nov. 26 at 2 p.m. in Trinity Lutheran Church at Shamrock. The Rev. Daniel Matasovsky, pastor, will officiate and burial will be in the Shamrock Cemetery. The Richardson Funeral Home of Shamrock is in charge of arrangements.

Mr. Wischkaemper came to the Nicholson community in 1909 from Yorktown, where he grew up. Through his long years of residence there, he was instrumental in securing much that was to benefit his immediate community and the area. He gave unselfishly of his time and his work, although he preferred to remain in the background.

He was among the small group responsible for the organization of Trinity Lutheran Church in Shamrock and in erecting the fine church which serves the congregation.

Mr. Wischkaemper was born at New Braunfels Jan. 31, 1885, the son of the late Henry and Sophie Wischkaemper. His father had come to Texas from Germany in the late 1870's. Because of his commanding stature, he was due for conscription to the Kaiser's personal guard, and to escape this he emigrated to Texas. He became a freighter between new Indianola and Fredericksburg before settling at New Braunfels.

Edgar Wischkaemper was only a small child when the family moved to Yorktown.

Surviving Mr. Wischkaemper are two daughters and two sons: Mrs. Clifford Bednorz of Shamrock; Mrs. Bill Bruton, Oliver Wischkaemper and Edgar Wischkaemper, who live in the north part of the county. Four brothers also survive: A. F. Wischkaemper of Fort Worth, Paul Wischkaemper and Herbert Wischkaemper of Victoria, and Joe Wischkaemper of Austin. There are nine grandchildren.

Mrs. Wischkaemper preceded him in death several years ago.

## 13 WHS Musicians to Play in Regional Band

Thirteen Wellington teen-age musicians will play in the Panhandle-wide all-regional band this year, almost 15 percent of its total membership.

The regional band concert will be held Saturday night, Dec. 4 at 7:30 p.m. in Stinnett, according to James Larson, Wellington high school band director. Rehearsals will begin Dec. 3.

It will be a 90-piece band, considerably smaller than in former years, and the members are made up of musicians from Class A and B schools. The concert is held each year under the sponsorship of the Texas Music Educators Association.

Selections for the band were made at tryouts in Amarillo Saturday. Two members of the Wellington band won first chair positions, John Barjenbruch, first chair bass, and Carol Burba, first chair bassoon.

Others who will play are Linda Moore, baritone saxophone; Bryant Harris, David Groves and Dwight Bowen, cornets; Regina Ferguson, French horn; Jan Bowen, Brenda Bobo and Cheryl Needham, clarinets; Jamie Larson, Cleland Stallings and Chris Hubbard, trombones.

Alternates are Jackie Barton, Jane Thompson, Peggie Crawford and Judy Porter. Jacqueline King participated in the tryouts.

## Five Shoplifting Cases Handled

Five cases of shoplifting have been handled by city and county law enforcement officers in the last month, the first reported for many months.

One of these was handled in juvenile court, the others pled guilty and paid fines, Police Chief Donald Nunnelley reported.

Most of the items taken were under $1.00 value, he added.

Chief Nunnelley said that under the new criminal laws, first offense shoplifting of articles valued under $50 can carry a fine of $1,000 and two years in the county jail.

Officers are unable to account for this sudden upswing of shoplifting in local stores.

## Legion Answers Antis With Lapel Flag Drive

Collingsworth county citizens are being urged to wear the small lapel U.S. flags being passed out this week by the two American Legion Posts, Frank King Post 249 at Wellington and Post 535 at Dodson. Plans for distributing the pins were announced by the post commanders, Mack Bush of Wellington and Dennis Holland of Dodson.

The pins will be distributed by Legion members, and they are available to anyone wishing them.

Dodson school children will receive the pins also, Holland said.

## No Motive Found in Stabbing of Woman Sunday

A Wellington woman, Mrs. Annie Merle Runnels, was stabbed Sunday evening, Nov. 22 as she visited in the home of friends, Sheriff John Rainey reported. The incident occurred about 8 p.m. in the Flats and a short time later L. J. Slaughter surrendered to officers.

Charges of assault with intent to murder were filed against him by Police Chief Donald Nunnelley Monday morning.

Sheriff Rainey said investigating officers were told that Slaughter came to the Tommy Davis home where Mrs. Runnels was visiting and asked to talk to her. When she refused, the man stabbed her in the stomach, the sheriff said. No motive has been determined, he added.

She was first taken to a local doctor's office, then transferred to Amarillo, according to Sheriff Rainey.

Slaughter was arraigned before Justice of the Peace Claude McKinney Monday and his bond was set at $2,000.

## Vickie Sherman Wins District Art Award

Fourteen-year-old artist Vickie Sherman won first place in the Purchase Scholarship Division of the third annual District Citation Art Exhibition in Childress Saturday, Nov. 20.

The exhibit is sponsored by Governor John Connally and the committeewomen of the State Democratic Executive Committee.

Vickie's still life, entitled "Seasonal Fruit" will be entered in the state Citation Art Exhibition in February to compete with student winners from the other 30 senatorial districts.

The young winner is the daughter of Mr. and Mrs. John Sherman and a freshman in Wellington high school.

There were two divisions in the exhibit, the merit division, open to artists of any age who do not derive more than half their income from the sale of art, and the student division. One hundred and sixteen entries were judged Saturday.

Scholarship awards in the name of the Democratic women of Texas, will be presented by the Governor of Texas and will consist of $500 first purchase-prize, $300 second purchase-prize, and $200 third purchase-prize. The scholarship awards are to be used for formal studies in the arts and/or in humanities.

There were eight exhibitors from Collingsworth County. Mrs. Floyd Teutsch and Mrs. Floyd Roberts of Dodson, Mrs. Hubert Bowen, Mr. and Mrs. John Sherman, Vickie Sherman and Marsha Elbert.

Miss Mary Cooke, committeewoman for the 30th senatorial district, was in charge of the exhibit arrangements. She was assisted by John Robinson, Childress County Democratic chairman. Mrs. John Coleman of Wellington was art chairman for Collingsworth County.

## Quails, Bobs Meet Memphis and Wellington

The Quail Quails and Bobwhites travel to Memphis Monday, Nov. 29 to face the Cyclones and their mates in a non-conference games.

When asked for a statement on the game with the Cyclones, Coach O. H. Churchwell said "I will make no comment, because the Memphis boys have just finished their football season and I haven't seen them play."

But when asked about the girls game, Coach Churchwell stated, "It could be a toss-up either way, because both teams lack experience."

On Friday, Dec. 3, the Quails and Bobwhites hit the road again. This time they come to Wellington to face the Skyrockets and the Rockettes in another non-conference game.

"It will be about the same with the Wellington teams as it will be with the Memphis teams," the Quail coach said.

# Girls Lose in Basketball at Shamrock Fri.

The Wellington Rockettes opened the 65-66 basketball season by meeting Shamrock at Shamrock on Friday, Nov. 19.

"We knew they had a good club and spent lots of time trying to prepare for them," Coach James Stavenhagen said. Shamrock proved to be too strong, though, and the Rockettes were defeated 34 to 29.

In height and speed the two clubs were fairly well matched, but Shamrock was better able to hit the basket than Wellington. Rockette high pointer was Nancy Holton with 17 points, followed by Becky Brewer scoring 10.

The two Shamrock high pointers were Sally Coffman, making 21 points, and Cherry Deck 14.

Coach Stavenhagen commented on the game, "I felt our kids looked rusty, but you can expect a young bunch to be that way in their first game. We have a great deal of improving to do. Our guards did not do a good job of ball handling, and both units fouled up too much."

Starters for the season opener were forwards Leslie Covey, Backy Brewer, and Nancy Holton, and guards Nancy Sanford, Regina Ferguson and Lou Helen Moore.

# *Rocket Basketball Team Wins Opener*

The Skyrockets basketball team opened their 65-66 season with a 47 to 26 win over the Irish basketeers at Shamrock on Friday, Nov. 19 after only four workouts.

Both teams were a little shaky in their ball handling, and neither could hit consistently. The Rockets defense was their strongest phase. Coach Stavenhagen said he hoped to continue making it their best asset.

This year the Rockets will have good depth throughout the lineup. Mike Smith, Johnny Maxwell, George Leathers, Danny White and Larry Henard made up the first unit. The second unit included James Smith, Steve Trapp, Andy Henard, Jimmy Barber and Claude Barber.

The three high scorers for Wellington were James Smith 13, Johnny Maxwell 8 and Andy Henard 6.

Our boys have the hustle and team spirit so necessry for a good club," Stavenhagen concluded. "We need polish in shooting and ball handling, but we feel time and practice will remedy this by the time district play starts."

# File Claim Now for Medical Ins. Benefit

"Anyone age 65 or older, who is not receiving social security, railroad retirement, civil service or old-age assistance from the Welfare department, should contact their social security office now to file a claim for the new medical health insurance benefits," Hal Geldon, district manager of the Amarillo social security office stated this week.

People meeting these requirements could be better served if they file their claim now, he stated, rather than waiting until the deadline to file.

Geldon said that anyone receiving old-age assistance from the State Welfare Department only should wait until they receive word from the Welfare as to when to file for these benefits.

"As mentioned on previous occasions, any person age 65 before 1966 needs to file a claim in this enrollment period and decide whether to elect the voluntary medical insurance supplemental benefits. This means persons who are still fully employed and who have no idea of retiring in the near future," Geldon said. The address of the local social security office is 1006 Adams Street, Amarillo.

## *Peach Irrigation Pays Growers*

Prices received for different size and quality of peaches should be considered when figuring the value of supplemental irrigation in an orchard, says U. A. Randolph of Texas A&M University's fruit investigation laboratory at Montague. He adds that if large attractive peaches are produced, then the expense and work of irrigation can be justified, because such fruit sells well.

Thanksgiving 1965

We greet our Friends and Customers

At this harvest season, we join our many customers in thanksgiving for the crops our fields have yielded . . . for the harvest of grain that is so much a symbol of the Thanksgiving Season, which through the years has been one part of this area's sturdy agricultural base.

As this season, too, we say "Thank You" to all our customers. By your patronage during the many years we have been in business, you have enabled us to share in the wealth of Collingsworth. This holiday, we wish for you and yours a true thanksgiving.

*Capacity Doubled Over 64*

# Co-Op Operating New Plant on Highway 203

Housed in its shining all-metal building, the new gin plant of The Farmers Co-op Gin of Wellington is now in full operation and the business offices have been moved to the new plant, according to W. E. (Dub) Marchant, manager of the gin. The old plant, which has been equipped with stands identical to those in the new plant, has been running for the past two months and will continue to be used during the peak season.

"This Continental Moss-Gordon plant is the largest single unit four-stand gin in the world," Mr. Marchant said, "and the capacity of the two plants is double that we were able to offer our members in 1964."

A red beacon light system has been worked out at the two gins which will enable the farmers to know which gin to take their cotton to in order to distribute the ginning equally. If the light is on at one plant it means that the grower should turn in at that gin. Each light will be visible for several miles.

The business offices have been moved to the new plant and it is there that members will receive their press tickets and it is there where the cotton buying will be done. Cotton will be weighed in and tagged at both plants; but all other business will be transacted at the new plant.

The gin has ample parking space for trailers at both of the plants; but with the increased capacity this is not expected to be the factor that it has been in other years.

The Farmers Co-op Gin is now in its 39th year of service to its members and in that time has paid back approximately $2,250,000.00 in rebates to its members.

Officers of the co-operative are J. C. Emmert, president; Fred Cox, vice president; Lewis Morris, secretary-treasurer; W. E. Marchant, assistant secretary, and Jack Kopp, assistant treasurer. Directors are Emmert, Cox, Morris, Louis Allred, E. D. Crawley, David Baumgardner and Travis McGuire.

## Soil Test Needed on All Farms

The farmer who still figures he can walk across a field or pasture and determine its fertilizer needs can't expect top yields. There are too many factors in determining soil fertility that can't be detected by the eye, reminds County Agent Sam Helmers. Therefore, a surer method must be used.

That's where the soil testing laboratory comes into the picture. Soil scientists have a knowledge of the amount of nutrients removed from the soil by a given yield on a crop. By making certain soil tests they can determine how much of the crop's needs can be supplied from the soil and how much must be supplied through fertilizer application, explains the county agent.

Alert farmers test their soil before planting to determine its ability to supply the necessary nutrients for top yields. If the soil test shows the soil is short on a certain nutrient, fertilizer of the recommended kind can be applied before deficiencies show up in the crop and yield is reduced.

Low production means a higher per unit cost and less potential profit while high yields have the opposite effect upon crop production, said Helmers.

Soil testing, the county agent believes, is a necessary part of today's agriculture. Maximum yields produced at the lowest cost per unit are a must and the basis for both is a fertile soil, concludes Helmers.

## Serenaders Begin 8 Weeks Tour of Europe

Sammie Thompson was one of the 14 Texas Woman's University student musicians who left Nov. 15 for eight weeks in Europe.

She is a member of the TWU Serenaders, all-girl dance and show band, which will be in Germany, France and Italy until Jan. 9 on an entertainment tour of U.S. military installations.

Arrangements were made through the USO and National Music Council.

The Serenaders has been called "one of the very best college or university stage and show bands."

The group has a number of instrumental and vocal soloists and a vocal ensemble. Its musical library contains arrangements of more than 600 different titles of popular music, many especially arranged for The Serenaders.

Director is Lowell Preston Little, trumpet soloist and associate professor of music at TWU.

This is the third time a TWU musical organization has been selected to make such a trip for the Department of Defense. The Choraliers, a singing group, went to the Caribbean Area in 1962 and to the Northeast Command in 1964.

Prior to departure, the Serenaders presented a show in the TWU main auditorium at 4 p.m. on Nov. 7. This was a concert and drama series program and included many of the numbers to be heard overseas.

Miss Thompson is a sophomore music major. The 19-year-old brunette is a tenor saxophonist and clarinetist. She also is a professional model.

Her parents are Mr. and Mrs. Sam Thompson of Wellington. They and their other daughter, Jane, attended the concert.

## Improvement of Beef Program Begun in Texas

By SAM HELMERS
County Agent

Cattlemen over the state are keeping close watch on a beef cattle improvement program launched in Tyler last week. If the plan to upgrade quality of East Texas cattle meets with success, it may set a precedent for cattlemen in other areas.

The plan was initiated by the East Texas Farm & Ranch Club, Tyler and the Build East Texas (BET) co-ordinators. BET is an improvement program itself—for all East Texans.

The beef improvement program is aimed ultimately toward the BET goal of 500 pounds of beef calf weaned per acre each year. The beef plan is centered around crossbred cattle producers and specifically three groups in the crossbred cattle industry:

1. Pure-bred breeders or registered herd owners. E. O. Doggett, president of the Farm & Ranch Club, says "Registered herd owners must furnish top quality cattle with records on their gainability, weaning weights, milk production and other traits that are highly heritable if the program is to succeed."

2. The F-1, or first cross, heifer producers (registered parents on both sides). The plan asks that the F-1 producers use only high quality registered or pure-bred parents (probably purchased from No. 1 above) to produce the heifers. Then, Doggett says, since it has been established by research done at Texas A&M and other universities that F-1 heifers make the best mothers, the F-1 heifers should be sold to ranchers, who make up the third group.

3. Slaughter and stocker calf producers. In the beef improvement program, these are the last link in the chain and will use the F-1 heifers to produce calves with hybrid vigor. "Note how the three groups complement each other," said Doggett.

To push the program along, Doggett said there will be an all-breeds bull sale in January 1966. Then, in the fall of 1966, there will be a sale of F-1 heifers. Heifers from registered or pure-bred parents will be given a certificate before this sale—others judged to meet rigid standards may also be sold.

In a kickoff meeting, Doggett noted three problems faced by the producing groups. The main problem is reducing the cost of raising cattle; second, producing for a market and third, increasing efficiency. With an emphasis on record keeping, and strict culling for each of the three groups, all problems can be lessened, Doggett said.

There is some feeling that the beef improvement plan may eventually evolve into a marketing co-op, but Doggett is quick to say, "If East Texans will raise good quality crossbred cattle, there will be plenty of demand for them." In the meantime, cattlemen in other areas are watching . . . and waiting to see what happens.

## Dunson Cautions Veterans Widows on Importance of Questionaire

Riley Dunson, Veterans service officer, today cautioned widows, dependent parents and orphans of war veterans of the importance of the new annual income questionnaire cards if they are to continue to receive assistance.

This card has been altered slightly, he said, and that he would attend a service officers clinic in Lubbock on Nov. 30 in order to get the changes and the answers to them.

He announced that he would be in his office on the second 1 to assist Wellington widows and others to help in filling out the cards and that he would be in Dodson at the American Legion Hall from 10 a.m. till 3 p.m. on Dec. 3. He said that failure to fill out the cards could result in the removal of a person's name from the list of those receiving assistance. floor of the courthouse on Dec.

## Mrs. Welch Reviews County History for Belles Lettres Club Members

A brief history of Collingsworth County was given for members of the Belles Lettres Club Tuesday evening, November 16, with Mrs. Bernice Welch as speaker. Mrs. Jim Woods was program chairman.

Mrs. Welch touched on historic highlights, some of them well known, others less familiar.

When Collingsworth County was organized in 1890, she reminded, it was attached to Childress County. The first order of business was the selection of a county seat, and a hot contest shaped up between Wellington and Pearl City, two miles to the north and the larger of the two. Wellington won the election, 56 to 32, and Pearl became the county's first ghost town!

Many "firsts" were cited by Mrs. Welch.

John (Jack) Elliott was the first man to file on land in Collingsworth, but Judge P. W. Myers was a close second.

The first white child born in what was to become Collingsworth was Dave Bowers.

The first sermon was preached by W. Y. Seale in the home of R. A. Dysart in 1889; the first teacher was the late Mrs. W. O. Richards.

The first hotel was operated by E. T. O'Neal.

Cotton was first grown by W. I. and T. S. Atkinson, but the first crop was not picked because there were no gins.

By 1905 there were about 1200 people in Collingsworth County, Mrs. Welch said.

The First National Bank and the Wellington State Bank were established in 1906 and the City State Bank in 1910.

The first brick school was built in 1913, when C. S. Carter was superintendent.

Judge R. H. Templeton was operating The Wellington Times about 1907, and built it into an active and influential newspaper. Thomas Durham founded The Wellington Leader in 1909.

The Wichita Falls and Northwestern Railway was assured in 1910.

Mrs. Welch told the group that by 1925 Wellington was a thriving town of 3,000, had 10 gins, three banks, 11 dry goods stores, two picture shows, seven cafes, and two newspapers.

Presiding at the business session of this meeting was Mrs. Coy Vaughan, president. During roll call each member told when she came to Collingsworth. Mrs. Howard Riggs gave the Federation report.

Attending were Mrs. E. F. Bartlett, Mrs. L. M. Bartlett, Mrs. Riggs, Mrs. F. A. Hatch, Mrs. S. B. Owen, Mrs. Bob Hightower, Mrs. J. M. Stowell, Mrs. Vaughan, Mrs. Joe Thompson, Mrs. Jim Wood, Mrs. Welch, Mrs. Bob McAlister, and the hostess, Mrs. Clark.

## Girls Town Discussd at Domestic Science Club Meeting November 13

Mrs. J. Frank Johnson was hostess for the regular meeting of the Domestic Science Club Thursday, November 13.

Mrs. John Coleman was in charge of the business meeting at which time the club voted to send a Christmas box to the Wichita Falls State Hospital. Mrs. Deskins Wells gave the treasurer's report and Mrs. J. B. Stevenson reported on the City Federation meeting.

Mrs. Coleman gave the program on "Girls' Town, U.S.A." The home was founded in 1949 by Mrs. Anthony for girls who needed a home and didn't have one. It is not a correctional or denominational home.

Girls from infancy to sixteen years of age are accepted as members of the home by two ways, either a court order or waiver of the parents. The home then accepts full responsibility until graduation from high school.

By-laws of the home prevent it from accepting money from the state or federal government. It is supported by private funds, and they grow much of their own food.

Girls' Town is located on 114 acres, eleven miles out of Whiteface, Texas. Marshall Cooper is the present director and there are 54 girls living there now.

Members present were Mrs. Coleman, Mrs. Troy Thomason, Mrs. Jerry Nix, Mrs. Deskins Wells, Mrs. L. C. Hill, Mrs. Clyde Drake, Mrs. Farris Wood, Mrs. J. B. Stevenson and the hostess, Mrs. Johnson.

## Friends Honor Mrs. Fisher

Mrs. R. S. Fisher was honored on her 83rd birthday Wednesday evening, November 17 by a group of friends, who made this completely a surprise affair.

Birthday cakes were presented by Mrs. Eugene Bawcom and Mrs. Ray Love.

Those who attended were Mrs. Lewis Green, Mrs. V. P. Robertson, Mrs. Mattie Armstrong, Mrs. Lula Turner, Mrs. Ed Ward, Mrs. Grady Finley, Mrs. W. L. Green and Beth, Mrs. Bawcom and family, Mrs. Love,

Mrs. W. L. Miller of Fort Worth; Mrs. H. T. Johnson of Austin; Mr. and Mrs. Ralph Vance of Stockton, Calif.; and Jamie Johnson of Waco.

Those attending from Wellington were Mr. and Mrs. Ralph Messer; Mrs. Virginia Thomas, Patrick, Eric Ired and Phyllis Ann; Sam Berryman; Miss Marie Berryman; Mr. and Mrs. O. B. Johnson, Barry Johnson, Dickie Johnson; Mrs. France Holley, James Holley, and Mrs. Orville Tyler.

## Wesleyan Guild Begins Study

The Wesleyan Service Guild met for their regular meeting in the home of Mrs. Roy Horn on Thursday night, November 11.

Mrs. David Baumgardner, president, was in charge of the business meeting.

The Guild study is "The Realm of Our Calling" by Howard Grimes. Mrs. Gorman Owens opened the meeting with prayer and Mrs. Barney Glenn was in charge of the program, choosing as her topic "The World Is Our Parish." In the discussion Mrs. Glenn pointed out the missionary mandate of the church and the ways and means of carrying out this mission—reminding each that "The Word of witness grows out of the Life of witness."

Assisting with the program were Mrs. Owens, Mrs. Arlon Williamson, Mrs. W. B. Wilson and Mrs. J. F. Michael, who gave detailed accounts and figures of what the Methodist Church is doing in other countries.

A salad course was served to Mrs. Byron Duncan, Mrs. Ellis Todd, Mrs. Bernice Welch, Mrs. Jennie Holcomb, Mrs. Jack Davis, Mrs. J. T. Forbis, Mrs. Joe Thompson, Mrs. Baumgardner, Mrs. Wooldridge, Mrs. Michael, Mrs. Owens, Mrs. Wilson, Mrs. Williamson, Mrs. Glenn, and one guest, Mrs. Lynn Courtney.

## Fidelis Class Holds Social

The Fidelis Sunday School class of First Baptist Church met in the home of Mrs. T. B. Wilkins Tuesday, November 9 for the monthly social meeting.

Mrs. J. M. Stowell gave the devotional, using a Thanksgiving theme. The president, Mrs. Guy Clement, directed the business meeting and Mrs. Henry Davidson gave a prayer.

The class members voted to prepare a box for a needy family for Thanksgiving, and plans were made for the Christmas party.

Refreshments and decorations featured a Thanksgiving theme.

Those who attended were Mrs. Bruce Hite, Mrs. Riley Dunson, Mrs. Stowell, Mrs. Ben Wilhelm, Mrs. Howard Riggs, Mrs. Ernest Maxwell, Mrs. Ray Clubb, Mrs. John Ingram, Mrs. Coy Vaughan, Mrs. O. B. Raburn, Mrs. Bill Harbin, Mrs. John L. Brim,

# CONGRATULATIONS

We are proud to have been selected to do all of the concrete work on the new gin plant of The Farmers Co-Op Gin just as we did all of the concrete work on the old gin plant when it was remodeled.

This new plant is a marvel of engineering construction and its superior efficiency will do much to benefit the members and the community.

We offer our sincere congratulations upon its completion.

# Hearty Best Wishes
## To The Farmers Co-op Gin

We are pleased to offer our Hearty Congratulations to The Farmers Co-Op Gin upon the completion of their Gin which is of the most modern type. This is not only the largest single unit four stand gin in operation, its main benefit is its efficiency with which it can turn out cotton better and faster.

We have valued The Farmers Co-Op Gin as a customer through the years and have taken pride in its growth and service. Many of its members are also our friends and customers of long standing so on this Thanksgiving Day it is a double pleasure to express our appreciation of everyone who is connected with The Farmers Co-op Gin.

# OUR NEW PLANT
# IS NOW OPERATING

## Watch The Red Beacons

A Red Beacon Light has been installed on top of both the New and Old Gin Plants. If the Red Light is on on the new plant it means you can get your cotton ginned quicker at the new plant .

If the Red Light is on at the old plant on 8th street, it means that cotton can be divided between the two plants.

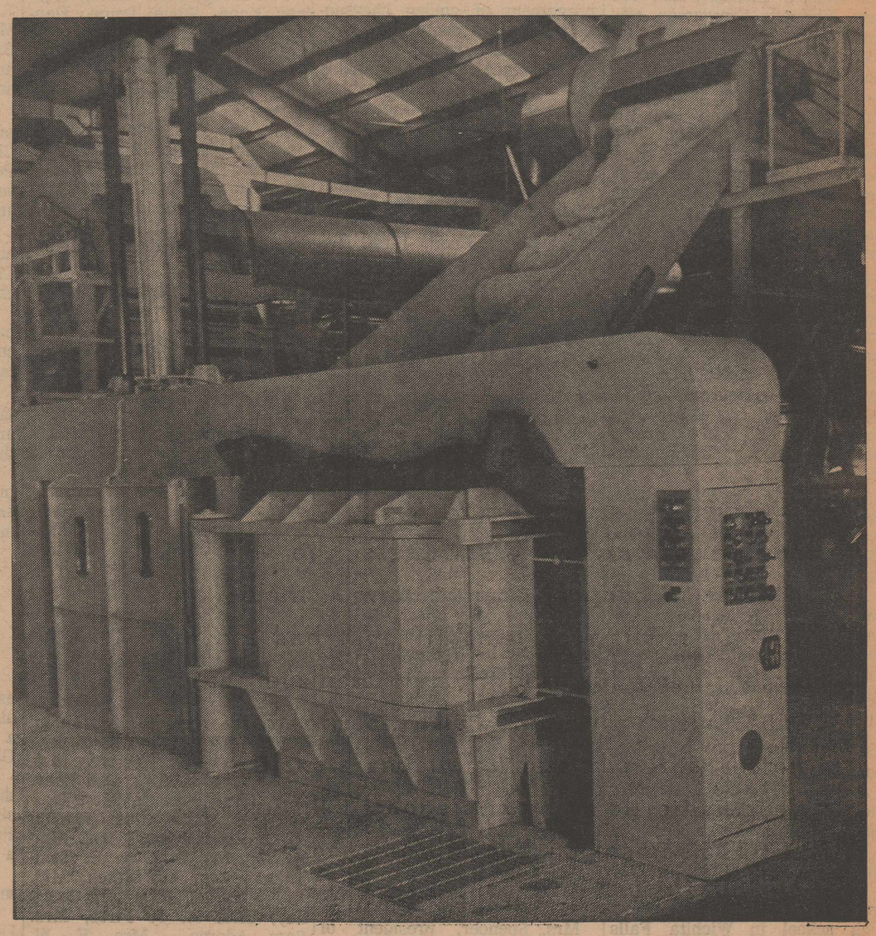

## Largest Single Unit 4-Stand Gin In The World

## To Serve You Better

We are pleased to announce that our new Continental Moss-Gordon Gin plant on Highway 203, commonly called the Mangum road, is now in operation and we are ready to receive your cotton. This is the largest single unit 4-stand gin in the world, but it was not selected by your officers and directors solely for its capacity or speed. It was selected for its efficiency and economy in order to gin your cotton better as well as faster thereby enabling our members to realize more net return from their cotton crop. We would like to remind you that the same excellent ginning can be secured if the Red Beacon indicates that you should drive your cotton to the plant on 8th St.

**Our 39th Year of Ginning Service**

## Offices In New Gin

The business office is now located in the new plant. Cotton will be weighed in at both plants and tags attached to trailers: but all other business transactions will be made at the new offices. There you will receive your press tickets and it is there that the cotton buying will be done as well as all other business between the gin and its members.

## Cotton Insured

The Farmers Co-Op Gin has always maintained insurance to insure against loss by fire the cotton of its customers while in the process of being ginned.

But in recent years the Gin also carries a "floater" which insures the seed cotton of its customers from the field and on the gin premises.

To afford this broad coverage the insurance company has stipulated that the customer must agree prior to the beginning of the season to have all his cotton ginned at The Farmers Co-Op Gin in Wellington.

## Firecrackers Mothers Honor Team at Post-Football Banquet Friday

The mothers of the Firecrackers were hostesses at a banquet to honor their sons after a job well done during the past football season. The banquet took place in the club room of the Bura Handley Community Center Saturday, Nov. 20 at 7 p.m.

The master of ceremonies was Nickey Watts of the Firecrackers.

The invocation was given by Danny West.

Entertainment for the evening was furnished by Debbie Helmers, Mary Saied, Mitzie Pendleton, Vicky McAdams, Jan McGill, Karen Ray, Landy White and Connie Bearden who did dances to "On the Good Ship Lollipop," "Holiday Melody," and "Five Foot Two."

The boys of the Firecracker team elected Cindy Saied their Queen, based on her help to the spirit of the team. She was crowned by Dallas Holland.

Guest speaker for the evening was Coach James Stavenhagen, Wellington high school basketball coach. Coach Stavenhagen spoke on "What It Means to Be a Champion."

The boys presented Coach Carroll Nunnelley with a gift to show their appreciation to him for being such a wonderful coach in the past football season.

Special guests were Mr. and Mrs. A. A. McQueary, Wellington junior high principal; and Firecracker Coach and Mrs. Carroll Nunnelley.

The benediction was given by Mrs. Rufus Sweat.

After the banquet the boys and their dates were invited to a party sponsored by Mr. and Mrs. Robert Lewis, Mr. and Mrs. Sam McGill, Mr. and Mrs. Glen Taylor, and Mr. and Mrs. Jones Singley. This was held in the American Legion Hall.

## Music Club Dinner Honors Mrs. Dan Spencer, President of District

A traditional Federation Day dinner was held November 16 by the Wellington Music Club in the home of the president, Mrs. Mack Bush. Hostesses were Mrs. S. H. Thompson, Mrs. Hiram Cudd, Mrs. L. W. Wells and Mrs. B. M. Sims.

Special guest was the First District president, Mrs. Dan Spencer of Dalhart.

Group singing of the National Federation of Music Club's Collect was directed by Mrs. Orville Vaughan, with Mrs. B. M. Sims at the piano.

A "Federation Orientation Forum" featured the junior and senior divisions of the NFMC. Mrs. Sims, First District junior counselor, TFMC, briefly told of the framework of the junior division; she was assisted by Mrs. Bush, counselor for The Vibratos.

The senior division was directed by Mrs. Spencer; she was assisted by Mrs. L. W. Wells, district board member. As a charter member of the Wellington Music Club, Mrs. Wells gave a history of the club's fifteen years. The district president then related briefly on the NFMC's history, its structure, and the history of TFMC. This forum was designed to orient both old and new members.

One stanza each of the NFMC "Federation Hymn" for senior and junior divisions was sung by the group with Mrs. Vaughan directing. She also led the singing of the NFMC Hymn of the Month.

This year's theme, "Say It with Flowers—Musically" was used in dinner decorations. Gold was featured as the TF MC is in its fiftieth year. The dinner was served buffet style from a table covered with white lace. A long, slender arrangement of golden chrysanthemums was centered with a tall, white treble clef sign. Golden place mats and napkins were set in individual tables, which encircled the dining area. Each table held a metallic gold rose, portraying the evenings theme, "A Flower Idyl."

Present at the Federation Day function were Mrs. Spencer, First District president; Mrs. Hiram Cudd, First District treasurer; Mrs. Wells, district board member; Mrs. Sims, TFMC and district board member; Mrs. Bush, club president and district officer-elect; also Mrs. Claude Groves, Mrs. D. C. Lacy, Mrs. A. J. Peters, Mrs. Sam Thompson, Mrs. Vaughan, Mrs. Velman Warrick, and Mrs. H. L. Patterson.

## Harwell-Bristow Vows Repeated

Miss Judith Ann Harwell and James Merton Bristow were married Saturday, November 20 at 8 p.m. in Lamar Baptist Church, Wichita Falls. The Rev. Kenneth Emmerson officiated.

Mr. and Mrs. Tom E. Harwell, 4114 Seymour Road, Wichita Falls, are the parents of the bride and she is also the granddaughter of Mrs. Tom Harwell and the late Mr. Harwell of Wellington. The bridegroom is the son of Merton Bristow of 1101 Amber in Wichita Falls and the late Mrs. Bristow.

Given in marriage by her father, the bride wore a white peau de soie gown with a portrait neckline accented in reembroidered Alencon lace motifs and seed pearls. The skirt swept to a cathedral train. A Dior bow held her illusion veil and she carried white orchids, with spider chrysanthemums and rosebuds.

The bride's attendants were Miss Pam Henricksen, Miss Pat Smith, Miss Nancy Prior, Miss Nancy Lyles and Miss Cheryl Johnson of Denton.

Mr. Bristow was his son's best man and groomsmen were Sonny Bennett, Kenneth Pierson, Bob Arbucle and Virgil Blevins. Ushers were Lynn Mason, James Morgan, Bureau Milford and Elton Milford.

Debra Schroth of Dallas, a cousin of the bride, was the flower girl.

After the ceremony the couple was honored with a reception in the church parlor.

They will live at 2915 Cunningham, Wichita Falls.

Both the bride and bridegroom were graduated from high school in Wichita Falls and are now attending Midwestern University.

Mr. and Mrs. Ernest Harwell attended the ceremony from Wellington.

## Who's New — in the — Wellington Area

**Mr. and Mrs. Frank Roberts of Las Cruces, N.M., are the parents of a son, Joseph Rush, born Nov. 16 in El Paso. He weighed seven pounds and two ounces. Mrs. Roberts is the former Anita Savage, daughter of Mr. and Mrs. Claude Savage.**

## Travel Trio Meets Here

A trio from three corners of the Panhandle who went around the world together had a reunion in Wellington Tuesday and Wednesday, Nov. 17 and 18.

Mrs. Dan Spencer of Dalhart and Mrs. R. E. Lee of Spearman were the houseguests of Mr. and Mrs. Mish Dukeminier.

Not only were the three women together on a world tour, they also traveled in the same party to Europe this summer, visiting both Western Europe and the Soviet Union.

Mrs. Spencer, president of the District Federation of Music Clubs, was here to make her official visit to the Wellington Music Club Tuesday evening.

With slides collected by Mrs. Dukeminier on the tour, the three plus a few guests reviewed the summer 1965 trip.

## Festive Thanksgiving Dinner Entertains Members of VFW

One of the highlights of the year for the Glynn Moore Post and Auxiliary of the Veterans of Foreign Wars was the annual Thanksgiving dinner on Saturday night, November 20 at the VFW Hall. Mr. and Mrs. Jake Leach, Mr. and Mrs. Don L. Jones and Mr. and Mrs. Keith Smith were hosts for the festive occasion.

A cut-out turkey and pumpkin, fall flowers, and artificial fruit were used for decorating the tables in the newly decorated dining hall. The Entertainers, a talented teen-age group of musicians who recently won the Texas Farm Bureau Talent Contest in Dallas and who are on their way to the national convention for the Farm Bureau in Chicago, furnished the entertainment for the group. The Entertainers are composed of Sharon Daves, Earl Lynn Feemster, Don Morris, Kenneth Patterson and John Abernathy.

J. C. Hartman gave the invocation.

Attending were Mr. and Mrs. Vernon Rudy, Mr. and Mrs. John M. Harris and Bryant, Mr. and Mrs. John Rainey, Mr. and Mrs. L. R. Brinkley, Mr. and Mrs. M. W. Paschall and family, Mr. and Mrs. Joe Coleman, Mr. and Mrs. Herbert Bearden and Connie,

Mr. and Mrs. Kenneth Kromer, Mr. and Mrs. V. K. Orr, Jr., and family, Mr. and Mrs. Jim Ray and family, Mr. and Mrs. J. C. Hartman, Mr. and Mrs. Louis E. Berg and Louanne, Mr. and Mrs. Jimmie Bowen, Mr. and Mrs. Gene Morrow and Geney, Mr. and Mrs. Donald Curry, Mr. and Mrs. Hezze Jones and Tim,

Mr. and Mrs. J. W. Tarver, Mrs. Quentin Brewer and family, Sharon Daves, LaDonna Jones, Jonell Christoph, Janey Christoph, Ann Smith, Joe Christoph, Sam McGill, Herbie Clay, Don Morris, John Abernathy, Earl Lynn Feemster, Paul Jones, and the hosts and hostesses.

## Bouchelles Give Club Dinner

Mr. and Mrs. Pat Bouchelle were hosts Tuesday, November 16 at the Thanksgiving dinner given for members of the Loco Club and their families.

After the Turkey dinner, the guests played 42 through the evening.

Attending were Childress County Agent Ellis Helmers and Mrs. Helmers, Cody Helmers, Mr. and Mrs. G. T. Austin, Mr. and Mrs. Herman Belew and Michael, Mrs. Mary Scott of Childress, Mr. and Mrs. Bill Harbin, Mr. and Mrs. B. C. Harris,

## Mothers Honor Football Team

Mothers of the Skyrocket football team entertained the boys and coaches with a hamburger supper Thursday evening, Nov. 18 at the American Legion Hall.

This was fun-time and eating was the entertainment.

Those who attended were Andy Bell, Freddy Mayhugh, Jimmie Barber, Jackie Needham, Claude Barber, Tommy Yarbrough, Lewis Watkins, Michael Gilmore, Randy West, Neal Roberts, James Smith, Johnny Maxwell,

Jim Rudy, Mike Smith, Rodney Kane, Steve Trapp, Danny White, Larry Pippins, Ronald Barr, Marion Barton, Gary Killiam, Fred Bobo, Andy Henard, Larry Henard and Don Sweat,

Mr. and Mrs. Don Beck, Mr. and Mrs. James Stavenhagen, Mr. and Mrs. Carroll Nunnelley, Mr. and Mrs. Denzil Lacy, and Raymond Kauffman.

One player, Jimmie Black, was ill and unable to attend.

## Club Observes Thanksgiving

"The First Thanksgiving" was presented in poetry by Mrs. Lynn Courtney when the 1954 Study Club met November 18 in the home of Mrs. James Richardson. The recording, "America, the Beautiful" was spoken by Vincent Price. First was The Landing of the Pilgrim Fathers, Thanksgiving Day, Paul Revere's Ride, The Village Balcksmith, The Star Spangled Banner, The House by the Side of the Road, Trees, The Barefoot Boy, In Flanders Field and America the Beautiful. The group then gave the Preamble to the Constitution, led by Mrs. Leon Hartman.

Members attending were Mrs. Paul Spillman, Mrs. Don Lacy, Mrs. Glen Warrick, Mrs. Denzil Lacy, Mrs. Sam McGill, Mrs. Glenn Taylor, Mrs. Jimmy Moates, Mrs. R. L. Templeton, Mrs. Bill Hatch, Mrs. L. B. Bratten, Mrs. Lynn Courtney, Mrs. A. J. Fires, Mrs. Sam Adams, Mrs. E. W. Clement, Mrs. Hartman, and the hostess, Mrs. James Richardson.

Mrs. Tom Parker of Santa Fe, N.M., is visiting in the home of Mrs. Paul Hardy and other friends this week.

## FHA Studies Flag Courtesy

Wellington's Future Homemakers of America met Monday evening, November 8, for a program given over to "Knowing Your Flag." Pat Thomas, Polly Browning and Nancy Sikes were in charge.

The girls discussed and demonstrated the correct way to give the Pledge to the Flag, as well as other forms of flag etiquette. The program closed with the singing of "The Star Spangled Banner."

During the business session the girls voted to collect Christmas cards for patients in the Wichita Falls State Hospital, to collect metal articles to be used in the "Help the Blind to See" project, to collect household articles for a needy family in Kentucky, and to send clothing to Girls Town.

Special guests were the chapter parents, Mrs. Tom Ferguson, Mrs. Verrell Leeper and Mrs. Clifford Christian; Mrs. David Peters, and Mrs. Dee Coleman, sponsor. Approximately 30 members attended.

## WMU Holds Bible Study

The Circles of the Woman's Missionary Union of the First Baptist Church met Monday and Tuesday of this week in homes for Bible study.

The Frances Crawford Circle met in the home of Mrs. Claude Groves with Mrs. Oscar Peeples teaching the Bible lesson from the Books of Judges and Ruth.

Mrs. Henry Davidson was hostess for the Beverly Bryan Circle with Mrs. Davidson in charge of the Bible Study.

The Josephine Skaggs Circle met in the home of Mrs. Roscoe Land. Mrs. J. G. Finley taught the lesson.

Mrs. V. J. Simpson entertained the Bertha Smith Circle and Mrs. Howard Riggs taught the lesson.

The Mary Cannon Circle met in the home of Mrs. Olan Lowe, with the hostess teaching the Bible lesson.

## Coffee Given for Visitors

Mrs. Dick Sweat was hostess Tuesday morning, Nov. 23, at a coffee given in honor of a Wellington visitor, Mrs. Frank Gahagan of Okema, Okla.

Mrs. Gahagan is a guest in the home of her brother and sister-in-law, Mr. and Mrs. Frank Light, and she is also a former county resident.

A fall motif was carried out in the entertaining rooms.

The guests were Mrs. John Deger, Mrs. S. L. Lindsey, Mrs. Wayne Cudd, Mrs. Hiram Cudd, Mrs. Ola Mae Smith, Mrs. James Richardson, Mrs. Jack Lackey, Mrs. Jimmie Strickland and Mrs. Light.

## JFF Club Has Annual Dinner

The annual Thanksgiving dinner for members of the JFF Club and their husbands was held Thursday evening, Nov. 18 when Mr. and Mrs. Joe Coleman were hosts.

After the salad supper, the group played 42 through the evening.

Attending were Mr. and Mrs. Herman Belew, Mr. and Mrs. Wayne Cudd, Mr. and Mrs. Howard Holton, Mr. and Mrs. Drury Lacy, Mr. and Mrs. Hubert Leach, Mr. and Mrs. R. L. Mabery,

## Good Neighbors Hold Dinner

The Good Neighbor Club members held their annual Thanksgiving banquet on Friday evening, Nov. 19, in the community building.

Informal in nature it enabled these friends, some of whom have moved from the Houselog community, to have an evening of light-hearted visiting.

Those who attended were Mr. and Mrs. Merritt James, Mr. and Mrs. Ray Clubb, Mrs. Doshia Dix, Mr. and Mrs. Willie Smith, Mrs. Nell Cook, Mr. and Mrs. Lloyd Holloway, Mr. and Mrs. Bob Stephenson,

Mr. and Mrs. B. C. Harris, Mrs. Keith Smith and Ann, Mr. and Mrs. Grady Van Pelt, Mrs. H. A. Davis, Ed Smith, Mr. and Mrs. Coy Vaughan, Sue Ann and Billie Vaughan, Mr. and Mrs. John Trew, Mr. and Mrs. R. L. Karnes, Mr. and Mrs. O. A. Kiker and Glenda Ann Kiker; Mr. and Mrs. C. A. Wilbur, Chuck, Barbara and Paul.

## Luncheon Given for Bride-to-Be

A luncheon given in Austin honored Miss Lynda Orr, whose wedding to Joe Davis will come during the Christmas season.

Miss Frances Hill was hostess at the event held in the Table Royal Restaurant in the Cambridge Towers.

Tables were laid with gold cloths and decorations were in shades of green, Miss Orr's chosen colors.

The honoree was presented a gift which was a piece of her silver service.

The guests were Miss Vickie Allen, Miss Barbara Bennett, Mrs. Kay Haynes, Miss Bess Cooper, Miss Martha Cooper, Mrs. W. E. Cooper and Mrs. Marvin Cook.

## Goforths Have 50th Anniversary

Friends from Wellington attended the golden wedding celebration honoring Mr. and Mrs. J. W. Goforth Sunday, November 21 at Hale Center.

The couple was married Nov. 1, 1915, in Wellington and lived here until 1929, when they moved to the South Plains.

Their four daughters and son were hosts at the open house.

Those who attended from here were Mr. and Mrs. Pic Bartlett, Mr. and Mrs. Alvin Horton, Mrs. Frank Gulley, Mrs. Lucille Baird, Mr. and Mrs. W. L. Green and Mr. and Mrs. Frank Goforth.

## Rainey Completes Marine Training

Jerry Rainey has completed his six-months active duty with the Marine Corps and is now visiting his parents, Mr. and Mrs. John Rainey. He was stationed at Camp Pendleton.

He will complete his enlistment as a member of the Marine Corps Reserve Unit at Denton. At mid-term he will enroll as a junior in North Texas State University, Denton.

## 1924 Club Has Homemaker Study

With Mrs. Velman Warrick as hostess, the 1924 Study Club met Nov. 18.

In observance of Know Your America Week, a symposium was given on "The American Homemaker . . . Her Voice in National Affairs . . . Her Care of Family . . . Her Place in Marketing research." This was given by Mrs. B. M. Sims, a charter member of the Mrs. America Homemaking Council.

Newest family living techniques available were mentioned for the alert homemaker who uses modern methods and materials. These would benefit home management when applied to the individual situation. Pamphlets for the audience illustrated addiitonal ways to facilitate effective family well-being.

Statistics from a recent Mrs. America Homemaking survey were discussed. This collective report from 100 homemakers over the nation was from a food and newspaper survey. It was pointed out that at least three members of this club are "testers" for products from various companies. Such material is practical and valuable for marketing research and is of definte importance to those businesses and industries whose products and services are vital to the successful management of any home.

A "Label IQ" game was played and scored. Label blanks were given each one present, who were asked to list information found on a "good canned food label." Points were given for items recommended by the National Canners Association (5 items) as well as information legally required (6 items). A discussion period followed the game, which attempted to help homemakers understand the legal and technical problems involved in good descriptive food labels. It was explained that the best label in the world would be useless if the shoppers do not take the time to read what it says. Reading labels will enable shoppers to buy exactly what they want. Opinions and comments were prevalent on consumer trends.

A seasonal dessert plate was served to Mrs. Mack Bush, Mrs. R. R. Crawley, Mrs. Otis Emmert, Mrs. Chester Fires, Mrs. Sam Helmers, Mrs. J. B. King, Mrs. Scott Neill, Mrs. Sims, Mrs. R. H. Tyler, Mrs. Don Van Pelt, Mrs. Warrick, Mrs. Edward White, Mrs. D. F. Cook, Mrs. J. F. Michael, Mrs. J. R. Ross, Mrs. Henry Vaughan, and Miss Sara E. Jones and Miss Hattie D. Wells.

## Mrs. Willie Estes Entertains Class

Mrs. Willie Estes was hostess at a luncheon for members of the Mary Martha Sunday School Class of First Baptist Church on Thursday, November 11.

The invocation was given by Mrs. P. E. Lowrie, and following the luncheon a business session was conducted by Mrs. J. A. Lowe. Devotional was given by Mrs. E. C. Clement, and prayers were by Mrs. W. F. Roberts and Mrs. M. L. Lynn.

Next meeting of the class will be in the home of Mrs. Charles Slay, December 16, when a luncheon will be served, a Christmas program presented, and the class will have an exchange of gifts.

Those present for the Nevember luncheon were Mrs. W. W. McClaskey, Mrs. J. L. Burt, Mrs. E. C. Clement, Mrs. W. M. Horton, Mrs. Roberts, Mrs. Lowrie, Mrs. S. R. Davis, Mrs. Slay, Mrs. Lowe, Mrs. L. D. McMinn, Mrs. R. W. Brantley, Mrs. J. C. Whisenant, Mrs. Lynn, Mrs. V. J. Simpson and Mrs. Estes.

Mr. and Mrs. Ruel D. Estes of Santa Barbara, Calif., visited Thursday and Friday with his grandmother, Mrs. Edith Estes. Other relatives the couple visited were Mr. and Mrs. Virgil Estes, Mrs. Nobie Browning and Mr. and Mrs. Cecil Browning. He is the son of Mr. and Mrs. Ruel Estes of Las Cruces, N.M., and after leaving here the young couple went to Lubbock to visit Mrs. Opal Boverie, his aunt.

Mr. and Mrs. Billy Britton were visited by Mr. and Mrs. T. E. Weaver, Mr. and Mrs. Robert Payne, and Mr. and Mrs Edgar Weaver of Mangum, Okla., recently. The Brittons were also visited by Carolyn Weaver, Sherley Dickerson and Linda Williams of Mangum.

Minnesota boasts the greatest water area of any state.

## Birthday Dinner for Mrs. Mayhugh

A surprise birthday dinner honored Mrs. Roland Mayhugh Sunday, Nov. 21 in the home of Mr. and Mrs. Russell Hill.

Other members of the families present were Roland Mayhugh, Mr. and Mrs. James Bruton and sons, Mr. and Mrs. Joe Beard, Mrs. Harold Kennedy and Jay, Ricky Motsenbocker and Mr. and Mrs. Hill.

Mr. and Mrs. V. P. Robertson and Miss Dorothy Robertson had as guests Sunday other members of the family, including the Rev. and Mrs. Gerald Squyres of Anaheim, Calif.; Mr. and Mrs. Garth Abernathy of Medicine Lodge, Kan.; Mr. and Mrs. Dwight Robertson and Mr. and Mrs. John D. Ingram of Amarillo.

## To The Citizens of Wellington

Words cannot express the gratitude I have for all the Councilmen and Mayor for the beautiful Memorial dedication of the Bura Handley Community Center.

I would like especially to thank Henry Sullivan for the very fine job he did as chairman of the Council on arrangements. To all the city employees who worked so diligently to make the building the beauty spot of our city, I shall ever be grateful to each of you.

I desire now most heartily to thank the many kind friends who were present for the dedication service honoring a gentleman who served you so faithfully and well. Loving memories shall ever be with me for all of you.

Sincerely
*Mrs. Bura Handley*

# Eaglettes Handed First Defeat of Season

The Samnorwood Eaglettes saw their nine-game winning streak ended and the Samnorwood boys lost their fourth game of the season at Briscoe Friday, Nov. 19. The Eaglettes in tasting defeat for the first time this season, lost to the Briscoe girls in a tight 30-27 game. The boys lost 69 to 42.

Samnorwood jumped ahead in the slow moving girls game by a 6-2 score at the end of the quarter and increased that lead to 14-9 at halftime.

Briscoe came back strong in the third quarter to tie the game 18-18. The last quarter was a little faster as the lead changed hands until Diane Dodd made two free throws for Briscoe with a minute of play left and this put the Bronchoettes ahead by one point.

The Eaglettes then missed two free throws and had a pass for a lay-up barely miss the target as the game ended. Eaglettes scoring, which was the lowest of the season, was led by Suzy Bentley with 20 points. The most outstanding feature of the game as far as the Eaglettes were concerned was the fact that they made only 11 of 24 free throw attempts and were able to score only 8 field goals.

Briscoe's more experienced boys quickly moved ahead in the fast boys game and led all the way. The Bronchos are led by 6'5" Arville Atherton with 26 points and 5'8" playmaker Tom Hays with 11 points. The Eagles put up a spirited battle and continued to play hard right up to the final buzzer.

The Eagles were led by the 14 points scored by Danny Tate and the over-all hustle of the entire team. Players seeing action were Paul Clark, Augustin Zermeno, Alvin Lisle, Acie Boyd, Nelson Dwyer, J. D. Ward, Stanley Oldham and Thomas Zermeno.

The loss for the Eagles was the fourth against six wins.

**Norwood-Shamrock**

Earlier in the week, Tuesday night, Nov. 16, the Samnorwood boys and girls spoiled the opening for Shamrock's teams as they won both games. The girls defeated the Lassies 61-43 and the boys won over the Irish 53 to 44 in games played at Samnorwood.

Samnorwood's Eaglettes had a closer game than the score indicates against the young, hustling Shamrock team. They led only 23-17 at half and were able to pull away only in the later stages of the game. Kay Purkey led the way scoring-wise for Samnorwood as she had 35 points, 30 coming in the final half. Suzy Bentley had 21, Brenda Coleman 4 and Odessa Stice 1 to round out the Eaglettes' scoring.

Terri Deck had 18 to lead Shamrock scoring and Sally Coffman made 17. As in the Briscoe game Friday night, Samnorwood guards were outstanding. Led by Eunice Stice, Billie Purkey and Judy Martindale, the guards have played superbly all season. Sherry Kindrick, Charlotte Conner and Betty Coleman have filled in well at guard positions.

The Eagles had a closer game with the Irish also but were ahead most of the time. The Irish, playing with only two practice sessions since football ended, had trouble with their ball-handling but played a clean hard game and stayed close all the way.

The Eagles were led by three players with 10 points each, Paul Clark, Danny Tate and J. D. Ward. All the Eagles played a hustling game and earned the victory.

# Rotary Plans More Auctions

Wellington Rotarians declared their first auction sale highly successful and announced that another, possibly more, will be held within a short time. The sale was held Monday night, Nov. 22 in the Robert Lewis building.

"There was lots of merchandise, a lot of buyers, and a lot of bargains," declared J. B. Oney, auction co-chairman.

The date for the next merchandise auction will be announced within a short time and it probably will be held before Christmas.

The amount of the proceeds cannot be determined until those who brought merchandise have been paid, Oney pointed out.

# *Breedings Recover From Injuries*

County Commissioner W. R. Breeding and his 11-year-old son, Laron, are recovering from injuries sustained in a two-vehicle collision Tuesday, Nov. 16. Both were dismissed from the Shamrock Hospital several days ago.

Mr. Breeding received bruises in the accident while Laron had gashes on his forehead and behind one ear, cuts on the ear and a broken right arm, his mother said.

The accident occurred at a blind corner on a dirt road five miles west and a mile south of Dozier. The Breedings were riding in a pickup.

Donald Bradley of Shamrock and Paul Bradley of Abra were in a truck carrying two horses. Neither was reported injured.

## *Latest Design and Sound Planning Part of New Gin*

The world's largest single-unit four-stand gin is now in full operation in Wellington, and in addition to the service it will render members of the Farmers Co-op Society, it is a tribute to the years of planning by the directors of that organization.

Congratulations are due these men who were big in their thinking when they built a gin that is one of the most modern in the Southwest, adding electronic operation to all that is new in gin machinery design.

Cotton remains one of the basic money crops of the Wellington area and all these new ginning devices point in only one direction, to help the farmers of this same area who are customers of the Farmers Co-op to derive as much money as they can from their crop.

From the time the seed is prepared for the ground until the fiber comes out as some newly-developed product, the cotton industry has been revolutionized in every phase within the lifetime of all adults. Gins of the type the Farmers Co-op Society has built are part of this revolution.

The Wellington Leader would also suggest that people of this area go to see the new gin. It represents of the biggest investments in Collingsworth County.

## CROSSROADS REPORT

Dear Editor:

I see where Alabama juries turned loose some suspected killers, and our high courts are freeing scads of proved criminals and ordering the police to go easy on them.

My cynikook neighbor says about the only drawback to life as a tax-free criminal any more is that government has not yet disarmed the civilians who occasionally shoot one of these law-nursed brigands.

Says Congress is going to have to get on the ball and pass an anti-gun law to keep victims unarmed, if the politicians expect to hold the criminal bloc vote.

---

I see where a herd of 4- to 13-year-old kids in an Ohio town threw a picket line around an ice cream peddler who wasn't giving them satisfactory service.

My child expert neighbor says this shows that our little citizens are catching on to the Progressive Way, where folks get whatever their hearts desire by picketing somebody until he comes across with it.

Says kids who used to behave for a few days before Christmas, so as to get what they wanted, may now take up the more sophisticated method of procurement and start-picketing Santa Claus.

---

News report says us taxpayers are paying one U.S. Congressman's wife $1,608 a month to watch over this public servant and keep him from making mistakes.

My ponderator neighbor says he hears that another Congressman's wife is paid only $692 a month, but maybe the job of Congressman caretaker is tougher in some cases than in others. And some lawmakers' wives even do this work as a public service.

He says we had ought to require each Congressional candidate to give us a firm figure on how much his wife will charge us to ride herd on him if we elect him.

---

In the papers it says a psychologist has invented a handy machine which can be hooked up to a man and it reads off his IQ as quick as taking his temperature.

My scientizzy neighbor says this probably will be useful, but what we need for a real great Great Society is a testing machine for babies, as soon as they are born, to tell how they are going to turn out.

Says they could be isolated from society before they got big enough to cause any trouble, if the test showed they would grow up to be criminals or conservatives.

## Thomas With Ag Extension

COLLEGE STATION. — John G. Thomas, on study leave from February 1964 until Oct. 31, 1965, on Nov. 1 returned to his former position as entomologist on the headquarters staff of the Texas Agricultural Extension Service.

Extension Director John E. Hutchinson said Thomas has completed all work and will be awarded a Ph.D. in entomology from Kansas State University in June 1966. In his doctoral studies, he specialized in entomology and plant pathology.

Thomas was first employed by the Extension Service in June 1960 as area entomologist at Lubbock. He was transferred to the headquarters staff in February 1963 as associate entomologist. As Extension entomologist, he will serve as leader for all of the Service's educational programs in the field of entomology, the director said.

The Gray County native is a graduate of Wellington high school and was an outstanding 4-H and FFA member during his high school days. His work with bees started his interest in entomology. He was a state and national 4-H entomology winner and holds the Lone Star degree in FFA work.

He holds B.S. degrees in entomology and agricultural economics and an M.S. in entomology from Texas A&M University and was a distinguished student at A&M throughout his undergraduate career. He was awarded three scholarships for outstanding academic achievements.

As entomology leader, Thomas will work closely with research entomologists in developing educational programs in the broad field of entomology as well as those aimed at specific insects and eggs. He will also develop materials for county agent use and work with all segments in the field of entomology to make the Service's programs more effective.

Thomas is the son of Carson County Agent J. W. Thomas and Mrs. Thomas.

COLD WEATHER DRIVING EXPERT PREPARES FOR WINTER

# Why more motorists switch to the Tiger when it gets cold.

Many cars that ran just fine all summer get into trouble when ear-muff time rolls around — stalling at stoplights and coughing and chugging halfway into town.

That's when a lot of people switch to the Tiger. Winter-formula Enco Extra gasoline is blended to match the weather conditions in your area — including a special additive to help guard against icing. Result: easier starting, faster warm-up and a lot less worry about stalling.

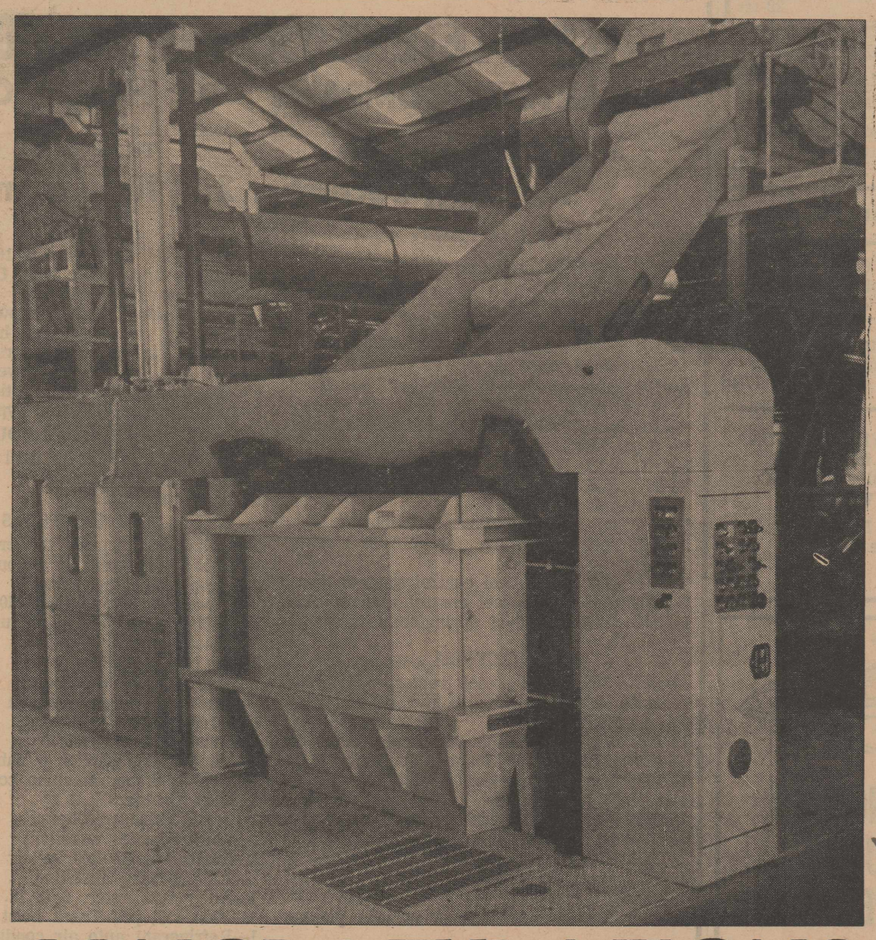

You'll like the way new Enco Extra behaves on the open road, too. It's the High-energy gasoline with the: (1) cleaning power; (2) firing power; (3) octane power to help preserve the performance of new cars and restore lost power and mileage to many older cars.

Switch to the Tiger and get that nice warm feeling. *Happy Motoring!*

# CONGRATULATIONS TO A FELLOW CO-OPERATIVE

We are pleased to offer our Warm Congratulations to The Farmers Co-Op Gin of Wellington upon the completion of their marvelous new gin plant which makes it the most modern gin in Texas

It is designed to give the members the utmost in service and efficiency thereby enabling them to receive greater returns for their crop as well as the rebates from the gin itself.

Best Wishes through all the future years.

## Greenbelt Electric Co-op, Inc.

# CONGRATULATIONS

We take pleasure in congratulating the Farmers Co-operative Gin of Wellington upon the completion of their new gin plant which will enable them to give their members and customers an even greater and more efficient service.

It has been our pleasure to have had this outstanding service institution as a friend and customer through the years.

We commend its officers and directors and the management and employees of the gin plant for the splendid contribution they have made to the economic life of the community as we extend our best wishes for many more years of success.

*District Contests*

# Wellington FFA Places in All Events

The Wellington Future Farmers of America placed in every event they entered in the annual district Leadership Contests held in Childress Saturday, Nov. 20.

Of the six contests, the Wellington Chapter entered five and placed one third, two fourths, and two fifths. Other teams competing from the Greenbelt District were Childress, Paducah, Estelline, Lakeview, Turkey, Quitaque, Memphis, Quail, Samnorwood and Clarendon.

The junior chapter conducting team placed the highest of any of the Wellington teams with a third place. Members of this team were Chuck Wilbur, president, Gary Brewer, vice president, Ricky Brown, secretary, Eddie Orr, treasurer, Teddy Martin, reporter, Lonnie Driver, sentinel, Mike Poteet, advisor, Terry Hannah, member, and Jimmy Bohannon, member.

The senior conducting team placed fifth. Team members were Tim White, president, Alfred Allred, vice president, Alan Fires, secretary, Sandy Covey, treasurer, Kenny Brown, reporter, Kent Clark, advisor, Jim Henard and Glen Gilmore, members.

The radio broadcasting team placed fourth. Team members were Tommy Yarbrough, John Henard, Rodney Kane and Gary Killian.

The FFA quiz team placed fifth. Team members were Jim Clark, Chuck Wilbur, Gary Brewer and Teddy Martin.

The other contest was the junior farm skills and Wellington did not have a team entered in this one.

"We did not do as well as we expected to do," said Don Lacy, ag instructor, "however we did have the largest number of boys participating in the district. Perhaps if we had entered less events and concentrated more on these, we may have won them. We felt, however, that one of the main purposes of the contests was to have the boys participate, and we tried to enter as many boys as possible. We had a total of 25 boys entered which is more than half the number taking vocational agriculture. I was very well pleased and think the boys gained some valuable experience from participating in these contests."

## SALT FORK SOIL CONSERVATION DISTRICT NEWS

By DOUG LOWE

The Great Plains Conservation Program had its beginning in Collingsworth County in 1958. Since that time, 218 contracts have been prepared on approximately 131,000 acres. Farmers and ranchers agree to complete all of the conservation practices needed on their land during a period of from three to ten years.

Practices that are cost shared are gress seeding, 80%; windbreak planting, 70%; waterway shaping, and establishing grass, 80%; terracing 70%; diversion construction, 70%; erosion control dams, 70%; irrigation pipelines, 50%; land leveling, 50%; livestock wells, storage facilities and pipelines, 50%; farm ponds, 50%; brush control 50%; and fencing, 50%.

Of the 218 contracts, written to date, 71 are complete, 12 have been canceled because of the inability to finish the work, and 135 contracts are still active.

This has been a good year. In the 1965 fiscal year, 21 contracts were developed primarily for grass seeding on soil bank land where sorghum almum has died out.

Some recent contracts developed are for B. C. Damron, Harry Ingram, George M. Davis and Murl Lacy.

Collingsworth County ranks near the top in the nation in the number of contracts written.

## Beta Club Elects Officers

Beta Club members elected Henry Wells president for the current school year in their recent election meeting.

Other officers are Marsha Elbert, vice president; Linda Richardson, treasurer; Virginia Patterson, reporter; Linda Moore, historian; and Jimmy Campbell, sergeant-at-arms.

Twenty-three students were accepted as new members of the Beta Club.

The initiation for these 23 was held Tuesday night, Nov. 16. They were Kathy Kiker, Peggie Crawford, Steve Trapp, Brenda Bobo, Beth Smith, Beth Kelly, Cherry Lewis, Alfred Allred, Patricia Thomas, Lewis Watkins, David Groves, Jan Bowen, Jan Blain, Marilyn Philley, Larry Henard, Nancy Sikes, Johnny Harris, Harry Patterson, George Kopp, Vikki Saunders, Tanya Horton, and Rhonda Kersten.

Others present were Dennis Leeper, Don Sweat, Jimmy Campbell, Linda Richardson, Virginia Patterson, Marsha Elbert, Linda Moore, Regina Ferguson, Carolyn Christian, Leslie Covey, Henry Wells and Nancy Sanford.

## NROTC Exam Due Dec. 11

High school seniors and graduates have only until Nov. 19 to apply for the Navy's Reserve Officer Training Corps. Applicants will take the nationwide competitive examination on Dec. 11 as the first step toward an appointment as Midshipman.

Designed to supplement the officer output of the Naval Academy, the NROTC program makes it possible for a young man to earn a regular commission while studying at one of the 52 civilian colleges that has an NROTC unit. All tuition, fees and books are furnished by the Navy, and the student receives a subsistence allowance of $50.00 per month for not more than four years. During the summers the student goes on interesting training cruises to many parts of the world. After completing a four year college course, he is commissioned in the Regular Navy or Marine Corps and goes on active duty as a career officer in the Naval service. He receives the same promotional opportunities, duty assignments and benefits as Naval Academy graduates.

High school seniors and graduates who will be at least 17 but not 21 years of age on June 30, 1966 may apply for the Navy College Aptitude Test. Those who make a qualifying score will be given a thorough physical examination in January and February 1966. From the number of qualified young men remaining in competition, approximately 1,600 will be selected to begin their naval careers in college next September.

Application forms are available at local high schools and Navy Recruiting Stations or from the Chief of Naval Personnel, Department of the Navy, Washington, D.C. 20370.

**BASIC BOOZE**

College courses in "Basic Bourbon," "Introduction to Martinis," and "Sippin' Scotch" should be taught on the college level, top college and university administrators in California have been told.

College administrators should adopt a forthright policy of teaching youngsters how to drink, Ira H. Cisin, research sociologist from Washington, D.C. says.

"Drinking can be dangerous and the young deserve to be instructed in its uses just as they are taught how to swim or drive a car," Cisin says.

# Vumore Puts in 30,000 Feet of Coaxial Cable

Vumore Company construction personnel have completed the installation of 30,000 feet of aluminum shielded cable and 20,000 feet of steel strand according to an announcement made this week by Fred T. McElroy of Dallas, area supervisor of Vumore.

This new aluminum coaxial cable is the most advanced cable manufactured by suppliers for the community antenna industry, Mr.McElroy said. The new cable along with the special aluminum fittings and connections keeps the television signals cleaner, carries the signal farther without additional amplification, helps to eliminate water problems and service interruptions.

Mr. McElroy also announced an entirely new service by the Vumore Company in Wellington. In co-operation with the law enforcement officers of the city and county, Vumore is installing a warning system. In the event an officer needs to issue a warning, such as a storm warning for example, all he will have to do is pick up the mike on his car and the message will come to you by TV. The picture will still be on, but the sound program will be silent for the time being.

Vumore has also installed a new high-quality camera for the time-weather channel which provides free space for public service announcements. This free space may be used by civic organizations, churches, schools or any worthwhile non-commercial organization.

Jack Sanders is the local manager for Vumore and Lucile Baird is office secretary.

*Capt. Raymond R. Powell*

# Marine Aviator of Year Is A Wellington Native

A Marine Corps pilot who was born in Wellington and started to school at Samnorwood has received the Alfred A. Cunningham Trophy as Marine Corps Aviator of the Year for 1965.

He is Capt. Raymond R. Powell, the son of Mr. and Mrs. Raymond L. Powell, 1559 Smiley, Amarillo. He is also the nephew of Mr. and Mrs. Oran Starkey, Bert Starkey, and Mrs. Charley Starkey.

After he and his family moved to Perryton when he was still a small boy, he returned from time to time to visit for several weeks or to spend the summer with his Collingsworth County relatives.

Earlier this year it was revealed that as a project pilot he was one of those who "put the finishing touches" on the Snakeye, an air-to-surface weapon now in operational use by the Navy that the Defense Department believes could cut combat air sorties by fifty percent.

For this, he received the Navy Commendation Medal, one of the highest given for non-combat service.

His citation, presented by the Secretary of the Navy, said that Capt. Powell "was directly responsible for conducting, on a highest priority basis, a complete operational evaluation of the SNAKEYE I air-to-ground weapon. This weapon had been developed to give jet aircraft a high-speed, low altitude bombing capacity by providing existing bombs with a retarding device to reduce the inherent dangers of ricocheting bombs or fragments.

" . . . Capt. Powell brought about a change in the U. S. Navy policy concerning minimum bomb arming time so that maximum benefits could be derived from SNAKEYE employment." He also wrote the Advanced Evaluation Notes which gave fleet attack squadrons the immediate knowledge necessary to successfully use this weapon.

"The tactics developed by Captain Powell will afford the attack pilot a greater margin of safety and result in meaningful savings in weapon expenditures," his citation continued.

Capt. Powell has called the Snakeye "just the article we've been looking for." He verified his claim with the results of repeated evaluation tests on bombing ranges.

Snakeye's key feature is the folding "dive-brake" device that is retrofitted to 250 to 500 pound general purpose bombs.

The retardation device is employed as a final, pre-strike decision by the pilot, whose options enable him to make a low-level or high altitude delivery.

The personality of today's sub-limited warfare introduces a necessity for pilots to have this optional choice, it was noted by Powell.

Accuracy is the Snakeye's trademark. Retardation aspects of the delivery has completely eliminated the once-dreaded fragmentation hazard to pilots making low level attack on targets.

Additionally, the tail fins which serve as a retarding device also acts as a "land anchor", digging into the target and sharply reducing "skip" or ricochet tendencies.

Capt. Powell was graduated from high school in Perryton, where he was an outstanding athlete.

He is a member of the Powell family of athletes for whom Wellington's Powell Stadium is named. He has played there—but as a member of the undefeated Perryton Rangers opposing the Skyrockets. He also was a Golden Gloves champion.

He attended the University of Oklahoma on a football scholarship and graduated from there in 1952. He joined the Marines as a pilot trainee.

Capt. and Mrs. Powell have five children.

# Veteran Housing Benefits Listed

Peacetime veterans have a definite advantage under the Federal Housing Administration Mortgage Insurance for veterans provided by the new Public Law 89-117, but war veterans will benefit more under the GI Loan Guaranty Program, the Veterans Administration says.

Jack Coker, manager of the VA Regional Office in Waco, said war veterans who still have entitlement for a GI loan are not required to make a down payment. They pay an interest rate of only 5¼% with no mortgage insurance premium. They pay no prepayment fee and the VA encourages extensions and or reamortization when needed to help a veteran keep his home.

Under the FHA plan down payments are required on a graduated scale running from none for a loan of up to $15,000 of appraised value to 10% of the next $5,000 and 15% of the next $10,000. The interest rate, like the GI loan, is only 5¼% but an additional one-half percent mortgage insurance premium is required.

However, the peace time veteran, who is not eligible for the provisions of the GI Loan Guaranty Program, will find he has a definite advantage over the non-veteran under the FHA program, Coker said.

World War II veterans with maximum eligibility will have until July 25, 1967 to take advantage of the GI Loan Guaranty Program. The nearest VA office will be glad to figure out any veterans remaining eligibility by use of the established formula, the VA manager pointed out.

The formula adds ten years to the date of the veteran's discharge from active wartime service and then adds one additional year for each three months of service to reach a date that becomes the terminating deadline of the entitlement.

Korean Conflict veterans with maximum entitlement will have until Jan. 31, 1975 to take advantage of a VA GI loan.

War veterans who have not used their GI entitlement but who have already passed their eligibility deadline will find the FHA mortgage insurance plan to their advantage, Coker said.

# Moreman Named in Who's Who

David Eugene Moreman of Hedley is among the 36 Texas A&M University seniors named to "Who's Who in American Universities and Colleges" for 1966.

He is the son of Mr. and Mrs. Ray Moreman of Hedley and brother of Jack Moreman.

Moreman has been president of the Pre-Veterinary Medicine Society, executive editor of the Southwestern Veterinarian, a student publication; member of the Memorial Student Center directorate; and vice president of the Junior Chapter of the American Veterinary Medicine Association.

During the summer vacation he worked for Dr. Bob Jones and Dr. Fred Becker, Childress veterinarians.

TO OUR MANY FRIENDS

Thank You!

We have much to be thankful for in this land of freedom every year — and Thanksgiving of 1965 is no exception especially in this fine community of ours—a bountiful harvest, a clean decent citizenship, with fine churches, good schools and businesses and industries that are providing valuable services.

We are grateful for such a community just as we are thankful for you—the residents of the area.

We appreciate your continued patronage and especially the warm expressions of friendship we have received so we hope the coming holiday will be a true Thanksgiving for you and yours.

## News Bulletin

## To Serve You Better

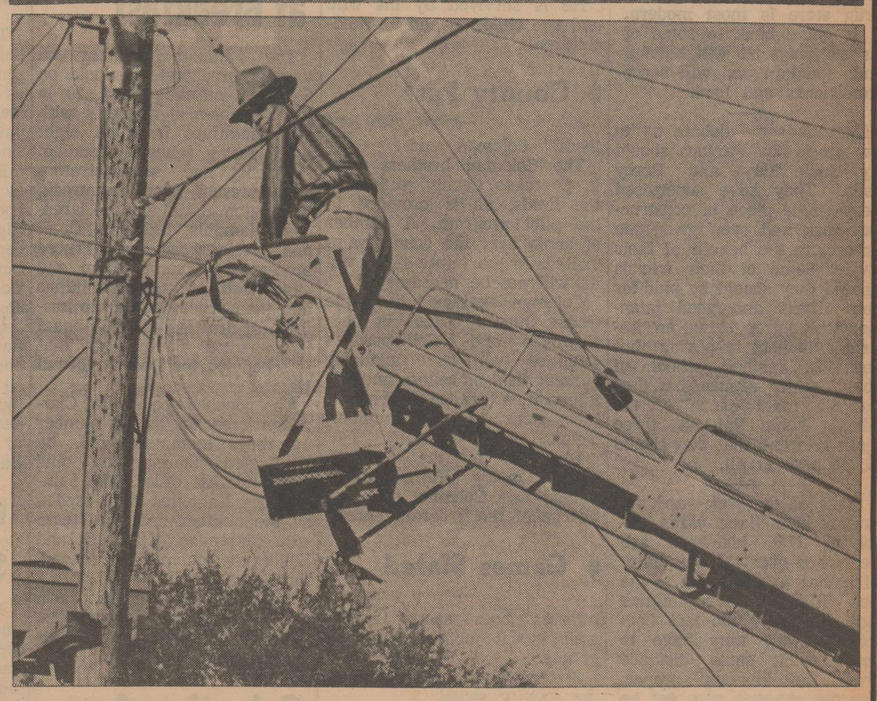

**Vumore company construction personnel have just completed the installation of 30,000 feet of aluminum shielded coaxial cable and 20,000 feet of steel strand. This new aluminum coaxial cable is the most advanced cable manufactured by suppliers for the community antenna industry. This new cable, along with the special aluminum fittings and connectors, keeps the television signals "cleaner", carries the signal farther without additional amplification, helps to eliminate water problems and service interruptions. These qualities mean better and more trouble free service to our customers.**

## A New Service

**In co-operation with law enforcement officers of Wellington, Collingsworth County and the Highway Department and the Wellington Fire Department we are installing a Warning System as a part of the Vumore Service. In event an officer needs to issue a warning such as a storm warning, etc., all he will have to do is to speak into the mike on his car or office and the message will come to you over your TV set. The picture will still be on, but the sound of the program will be silent while the message from the official is being given to you.**

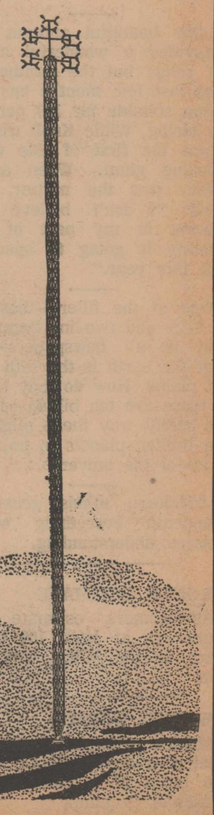

## A Reminder

**Vumore cable service calls are free! We are anxious to maintain the cable in the best operating condition possible and to do this we rely on you to let us know when cable trouble may be developing in your area. When you have any kind of trouble with Vumore Cable TV reception, we ask that you call us first. Even if it does turn out to be set trouble, we welcome the opportunity to check your cable connection to see that it is working properly.**

## More Good News

**We are also happy to announce the installation of a new high quality camera for the time-weather channel . . . incidentally, there is free space available on the weather channel for public service announcements. This free space may be used by civic organizations, churches, schools, clubs, or by any worthwhile non-commercial organization in this community.**

# Deck's DIDACTICS

—By Deskins Wells

Progress and improvement are reflected in the news this week and the new development is the announcement by the Highway Department that work will begin soon on widening 7½ miles of Highway 83 just south of Wellington. This will be a $344,000 expenditure. It is an omen of the day when Highway 83 will be a four lane thoroughfare from Mexico to Canada. The traffic on this highway has been increasing at an appreciable rate every year for two decades.

**We have written so much about the new plant of the Farmers Co-op Gin during the summer that there is little new to write about now that it is in operation. There is one thing however that we had never had the opportunity of observing before and that is the pleasing spectacle the gin presents when lit up at night. At a distance it makes you think that a carnival has decided to set up shop on the Mangum road.**

Two other projects designed to bring better service to our people are the stringing of 30,000 feet of aluminum shielded coaxial cable by Vumore and the G eneral Telephone Company taking a considerable portion of its wiring system underground.

**The big news around the square is that Sandy Parsons is moving to his new building this week. From across the square the old brick give the effect of being pink. It is quite distinctive. While the drug store is most modern, it is going back to some of its old ways. It will have a soda fountain and will serve sandwiches and food.**

There is some debate as to how much Mr. Parsons should pay Eddie Slay and Percy Wells. They have supervised every single piece of construction work and even given the contractors the benefit of their advice. Some of their friends contend they should be paid for their efforts and good intentions—the latter being an important element in paving; but there is another school of thought which argues that they are the main cause of the building being finished three weeks late and that they should not be paid at all.

**Some of the junk yard operators who have yards adjoining U.S. highways are perturbed over the possibility of having to move due to the new Highway Beautification Act passed by the last Congress. They may have to move back some distance from the highway proper, but the changes may not be too drastic after all, according to D. C. Greer, state highway engineer. He proposes to screen the yards by plantings, fences and other means in the near future.**

The Texas Highway Department is already taking steps to start an expanded program of landscaping and beautification. The two-year program will cost $10,000,000 and will provide planting projects, rest areas, irrigation systems and selected overlooks at natural beauty spots. Texas has 17,589 miles of Federal Aid highways and it is on these that the beautification work will be done.

**Our beautiful autumn has provided a wonderful array of color; but the weather of the last few months has not been suitable for 100 percent rejoicing. Willie Knoll was in town the first of this week looking glum. When asked what was the matter, he said: "I don't believe the cotton in my part of the county is going to open at all this year."**

One of the fillers—those little one- and two-line items you find in all newspapers—says that the earth is the fifth largest planet. How do they know? If there are ten billion suns in the milky way there might be ten million planets in unknown parts of the universe.

# Revival Opens November 28 at Assembly of God

Revival services will open at the Assembly of God Sunday, Nov. 29 and continue through Sunday, Dec. 12, the Rev. J. R. Jackson, pastor, announced.

The evangelist will be the Rev. R. V. Luna of Andlrews.

Services will be held at 9:30 a.m. and 7:30 p.m.

Rev. Luna was pastor of two churches in East Texas before going to Muleshoe, where he was pastor 7 years. In that time, he was Sunday School representative and Sectional Presbyter of the West Texas District of Assembly of God Churches.

Since moving to Andrews three years ago, he again has served as Sectional Presbyter.

Rev. Luna was educated at Southwestern Assembly of God College in Waxahachie.

His son-in-law is pastor of the Assembly of God at Seagraves and his son is a student in Southwestern College.

# T. E. Barton Dies Monday

T. E. Barton, about 75, formerly of Wellington, died in an El Paso hospital Monday, Nov. 22 at 2 p.m. He was the brother-in-law of Mrs. Coy Vaughan, Mrs. Joe Thompson, Mrs. Ray Clubb and Ray Godbey.

Relatives left early Tuesday to attend the funeral, which was planned for Wednesday.

Mr. Barton came to Wellington in 1923 from Elmer, Okla., where he operated a hardware store for many years. He farmed in Collingsworth county until 1933, then he moved to El Paso.

He was a veteran of World War I.

He is survived by his wife and two children, and 5 grandchildren.

them," Coleman said.

The Coleman brothers went to Cherokee County to inspect the herds, as is provided in the pilot program. A number of herds over the county were visited. In the future these visits will not be necessary.

Coleman explained that the Farm Bureau offices in both Cherokee and Collingsworth Counties will have available current lists of sellers and the information needed concerning their stock, including number, weight, grade, etc.

Directors of the Collingsworth County Farm Bureau named Dee Coleman to be in charge of the program here.

offering both sports simply wait it out for the first few games.

Sixteen boys are trying for the varsity squad.

Four good players were added to the Rockets from Booker T. Washington. These are boys who, as members of last year's Panthers, who played in the Negro Interscholastic League state competition. James Smith, then a freshman, won a place on the all-state basketball team.

With Jimmie Barber he showed up well in the Rockets' first game, Coach Stavenhagen said.

"I was also impressed with Mike Smith, Johnny Maxwell and Andy Henard," he added.

The Rocket rebounding strength was evident in their opener. The club will be a little faster this year and have overall better size.

"We should have a real good season," their coach remarked. "The desire to win these boys have seems to be their strong point. I feel they will beat some strong clubs just because they want to play."

Stavenhagen has eight seniors — Johnny Maxwell, 6'2", George Leathers, 6', Danny White 6'3", Larry Henard 6'2", Freddy Bobo 6'2", Claude Barber 5'8", Jackie Needham 5'7", and Don Sweat 5'8".

Juniors are Mike Smith 5'11', Steve Trapp 6', Marion Barton 5'9", Paul Jones 5'11', Jimmie Barber 6'2", Bowden Jones 6'2".

There are two sophomores, Smith, who is 5'11' and Andy Henard 6'3".

Larry Henard and White are this year's captains.

# Married Men in Group Sent for Induction

Texas Local Board No. 20, serving Childress, Cottle, Hall, Briscoe and Collingsworth counties, forwarded to the Armed Forces Entrance and Examining Station at Amarillo registrants for armed forces pre-induction examination and induction on Nov. 22.

The call for pre-induction examination was for 31 registrants. Mrs. Frances Starkey, clerk, announced registrants forwarded for pre-induction examination were those registrants whose age at the time of examination was 18 years and 11 months, single registrants, and married men without children.

This is the first month married men have been sent for pre-induction examination from this board since the new executive order has been signed by the President authorizing married men to be examined and inducted.

A registrant cannot be issued induction orders until he has reached his 19th birthday, except volunteers.

The following registrants were ordered for induction: Paul R. Lisenby, Turkey; Douglas D. Peters, Memphis; Wesley J. Ivory, Quitaque; James E. Ford, Childress; Gary E. Phillips, Wellington; Billie B. Farley, Jr., Turkey; Marvin T. Spencer, Memphis; Kenneth W. Vines, Quitaque; Jackie C. Row, Memphis; and Curtis W. Castro, Memphis.

Local Board No. 20 has a call for nine registrants for induction and 34 registrants for pre-induction examination.

# Officers Trace Burglary Tools

The acetylene bottle used in the burglary of the First State Bank at Dodson has been traced to Snyder, where it was stolen from an auto salvage yard, Texas Ranger Bill Baten said Tuesday, Nov. 23.

Baten and Sheriff John Rainey traced the bottle to Lubbock, where it was refilled, to Big Spring and then to Snyder. It was reported stolen on Oct. 17, eight days before the Dodson bank was entered, according to the Ranger.

Ownership of the oxygen bottle used in the attempt to cut open the vault has been traced to a company operating in four states, but it has not been determined which distributor of the company handled it, Baten said.

# Garcias Go to Santo Domingo

Mr. and Mrs. Danny Garcia and their sons, Dusty and David, left Tuesday, Nov. 23 for Santo Domingo, where he will work for Texas A&M University during the next three years.

As an agricultural technician Garcia will be attached to an aid mission of the Agency for International Development which aims at the agricultural development of Santo Domingo.

The couple has been at College Station studying Spanish since the beginning of the school year. Their address will be:

college students and others, has received an initial response exceeding expectations.

The first pin was placed on the lapel of Legionnaire Governor John Connally as the Texas Department kicked off the program. When pinned, Gov. Connally gave his wholehearted support of the aims and purposes of "Operation Show Your Colors."

The lapel flags to be passed out by the millions will be accompanied by a small card carrying the message: Operation Show Your Colors — Americans are serving the cause of freedom in Vietnam. I wear my country's flag to show that I support their efforts.

"The pins and cards are being mass produced and are ready for distribution," said the commanders.

They emphasized this is not just for Legion members only, but for all loyal Americans as a symbol of American unity.

"Any business or other civic organization interested in obtaining a supply of the pins for distribution to its employees or members, may do so without charge by contacting The American Legion Department Headquarters, Drawer L, Capitol Station, Austin, Texas, 78711. All requisitions will be filled as rapidly as possible," Holland and Bush stated.
