Do you know a handicapped child who would like to spend two wonderful weeks at summer camp . . .free?

If you do, then you are urged to call Leon Musgrove of the Eastland Lions Club, and administrator at Eastland Memorial Hospital. He is taking applications now for campers to spend two weks this summer at the Texas Lions Camp for Crippled Children at Kerrville.

It's free _ _ _ and transportation is handled by the local Lions. All applications are handled locally. That number to call is MA 9-2601 and ask for Mr. Musgrove.

It was a 16-pound yellowcat that J. C. and Parks Poe took off that trot line at Leon Tuesday. Word downtown had it up to 25 and 30 by afternoon. 'Course J. C. didn't mind his goo dcatch growing'. In fact, he didn't even seem to mind that the yellowback had chomped down on his hand a bit when he was being strung either.

The Highway Committee of the Chamber of Commerce met Wednesday afternoon in Cisco with a like-group to discuss ways and means of luring traffic off Interstate 20 when it is built. This is wise thinking to get busy in advance and be ready when the time comes. A joint committee from the two towns, made up of the talent that's available can surely come up with some clicking ideas. From Eastland these were to meet: Virgil Seaberry, who chairs the important highway committee here, Don Pierson, James T. Pipkin, Judge Cecil Collins, Parks Poe, Bruce Pipkin and Lewis Tiner. Plans and announcements will likely be forthcoming from this group, and wouldn't be surprised if they wouldn't appreciate hearing your suggestions ——"The Bluebonnet Trail," "Avenue of the Meadows," "The King's Highway." Something to make tourists want to leave Interstate 20 west of Cisco or east of Eastland and travel what we now know as U.S. 80, and maybe stop either in Cisco or Eastland, and preferably both, regardless of the driection being traveled. You know how nice it is to travel a super highway and you have to be offered something special to attract your interest off it. So let's have a public "think" and come up with tourist-pullers for our towns.

You're invited to attend the annual meeting of the Eastland County Chapter of the American Cancer Society to be held at 7:30 p.m. Thursday at the First Presbyterian Church in Cisco. Dr. Meadows of Abilene will discuss lung cancer and show recent slides. Refreshments will be served.

ATTENTION, all stamp savers. There's a bonanza giveaway of stamps in progress at MacMoy's Super Save and at Safeway in Eastland. Both firms have contests going, and the grand prize winner will take home seven and a half MILLION Gold Bond stamps. Individual drawings are being held at both stores and winners in the local contests will be eligible for the big drawing to be held at a later date. And besides many thousands of stamps will be given right here in Eastland in the local drawings. So be sure to sign up at either or both places. No obligations.

EASTLAND, TEXAS

100 More Copies Scrip Up for Claim Saturday

Another $100 in Old Rip Scrip will be given away Saturday, May 16th on the west side of the square in Eastland. There will be a $50, a $30, and two $10 drawings. Drawing will be held at 2 p. m.

Shoppers are reminded to ask the local merchants for the trades day tickets when they do their shopping in Eastland. Ticket stubs may be deposited in any of the boxes provided by the merchants or in the hopper which is located at MacMoy's Super Save, or wait until Saturday and deposit them in the hopper on the square.

The Chamber of Commerce is sponsor of the event with local merchants participating in the program. Whoever wins the scrip may shop anywhere in Eastland with the Chamber members, select whatever he or she likes, and pay for it with the scrip. The merchant then redeems the scrip at the Chamber office for cash.

Everyone benefits — especially the shoppers who earn the extra bonuses for shopping in Eastland — so be sure to remind the clerk to give you your drawing tickets — you might be the lucky one. (Local merchants have special bargains on all day). So come early — get a good place to park and do your shopping before drawing time.

A business meeting is scheduled for 3 p. m. and new officers will be elected.

Little Business On City Agenda

Only one item is on the agenda so far, for Monday night's regular city commission meeting, City Manager Lewis Tiner reports.

A request for an additional street light is the only listed item of business so far, he said, but added that other matters will probably be brought up.

Most likely the failure of the man to return to tear down the old city hall will be discussed. The Midland man had promised to return to the demolition job Tuesday of last week, but hasn't shown up.

Tintr reported that the crew cleaning the sewer line from the end of S. Green St. to the old pump station on the Leon River finished last Friday.

JAMES McCRACKEN

McCracken Is Governor Of District Lions Clubs

James P. McCracken of Cisco was elected District Governor of District 2E-1 Lions Clubs at the annual convention held last Friday and Saturday in Wichita Falls.

A large delegation of Cisco Lions Club members were there working in behalf of their candidate, Mr. McCracken. The nominating speech in his behalf was made by Lion Horace Condley of Abilene, an international councellor. Election took place at the final session of the convention Saturday afternoon.

The Eastland Lions Club, which had been leading for several months in a contest for new members, attendance, and other qualifications for points, was edged out by the Bowie Club, which won the trophy and cash award in their division. Marcus O'Dell, president of the Eastland Club said their club made a good showing, however.

Cisco's Leannah Leveridge was second runner-up in the Lions Queen contest. One of the high-lights of the convention was the appearance of the Cisco Junior College Combo, with vocalists Jane Williford and Carol Ann Needham, under the direction of Earl Hesse. They played at the luncheon Saturday and participated in the parade.

The new District Governor is president of the First National Bank of Cisco and has a long record of achievements as a Lion. He is a past president of the Cisco club, a past zone chairman and deputy district governor. He is also a life member of the Kerrville camp for crippled children and a member of the board of directors there.

A native of Cisco, Mr. McCracken is a veteran of World War II, an active member of the First Presbyterian Church, past president of the Chamber of Commerce, and has long been prominent in community affairs.

Approximately 180 Dogs Are Vaccinated

Approximately 180 dogs were vaccinated at the Eastland Fire station Saturday May 9th, according to City Manager Lewis Tiner.

The amount vaccinated this year was more than twice as many than was vaccinated last year. Last year showed a total of 80 dogs vaccinated compared to the 180 this year.

Dr. John Foster of Ranger was at the Fire Station from 9 a.m. until 1 p.m. and it was reported that there was a long line of dogs and their owners all during the morning. City Manager Tiner expressed his appreciation for the cooperation of all the citizens in this project.

"There will be a concerted dog pick-up now to eliminate unvaccinated and untagged dogs", Manager Tiner said.

Those Over 40 Reminded Of Glaucoma Screening

Are you 40 years of age or over?

If you are, one of the wisest things you can do is have your eyes tested for glaucoma at the Free Glaucoma Screening to be held Sunday afternoon from 2 to 5:30, this Sunday (May 17) in the Eastland High School Gymnasium.

The test is simple and painless but it could be the means of saving your eyesight. The gym is located two blocks south of Main St. (Highway 80) on Ammerman St.

The test will take but a few minutes.

The glaucoma screening program is sponsored by the Texas Society for the Prevention of Blindness, Eastland, Ranger and Cisco Lions Clubs, in cooperation with the Eastland County Medical Society and local health departments.

Tests will be administered by members of the Eastland County Medical Society and Dr. James C. Whittington of Fort Worth, serving as a public service. The doctors will be assisted by local volunteer nurses.

Dr. B. B. Alexander of Eastland and Dr. Whittington will serve as medical chairmen of the project. Mrs. Pauline Outland, Houston, executive director, Texas Society for the Prevention of Blindness, will be in Eastland to assist in coordinating the program.

Marcus S. O'Dell, president, Eastland Lions Club, Roy Benton, president, Cisco Lions Club, and David Allsup, president of Ranger Lions Club, urge all citizens of this area, who are 40 years of age or older, to take advantage of the free glaucoma test.

"Often victims of glaucoma are not aware that a serious eye disease is slowly robbing them of their ability to see, as the disease can rob you of sight without warning and most often without pain," Mr. O'Dell said. Sight destroyed by glaucoma cannot be restored, but if detected early enough, treatment can prevent further loss of sight.

It is hoped that area residents will come out and bring their neighbors to take the simple test which can detect symptoms indicating the possibility of glaucoma, the disease that strikes an estimated one out of every 50 persons in the over-40 age bracket," he said.

Eastland County Democrats convened without incident Saturday, organized their permanent structure and named delegates to the forthcoming state convention.

Approximately 150 persons attended the meeting in 91st District Court. In the audience was a government class from Ranger Junior College, the members of which were reported to be slightly disappointed that there were no clashes to observe.

Organization of the convention went like clock-work with Grady Hogue, president of Cisco Junior College Junior College, elected permanent chairman, and Mrs. Cyrus Justice of Eastland, permanent secretary.

THANKS FOLKS, WE GOT ELECTED —

. . . and it is a nice tribute to be favored with the confidence and good will of one's neighbors and friends. Getting elected, however, may apply to business as well as politics. I doubt if we could get very far in a political race, but when it comes to writing quality insurance a host of customers for more than 40 years have favored us with a vote of confidence, for which we are deeply grateful.

Behind many 'For Sale" signs there is a sad story: A family borrowed more than they could afford to pay for a home, or payments and interest rates were too high; the home had to be sold, often at a loss. This tragedy could often be avoided if the families would seek help from a home loan specialist, such as our Association.

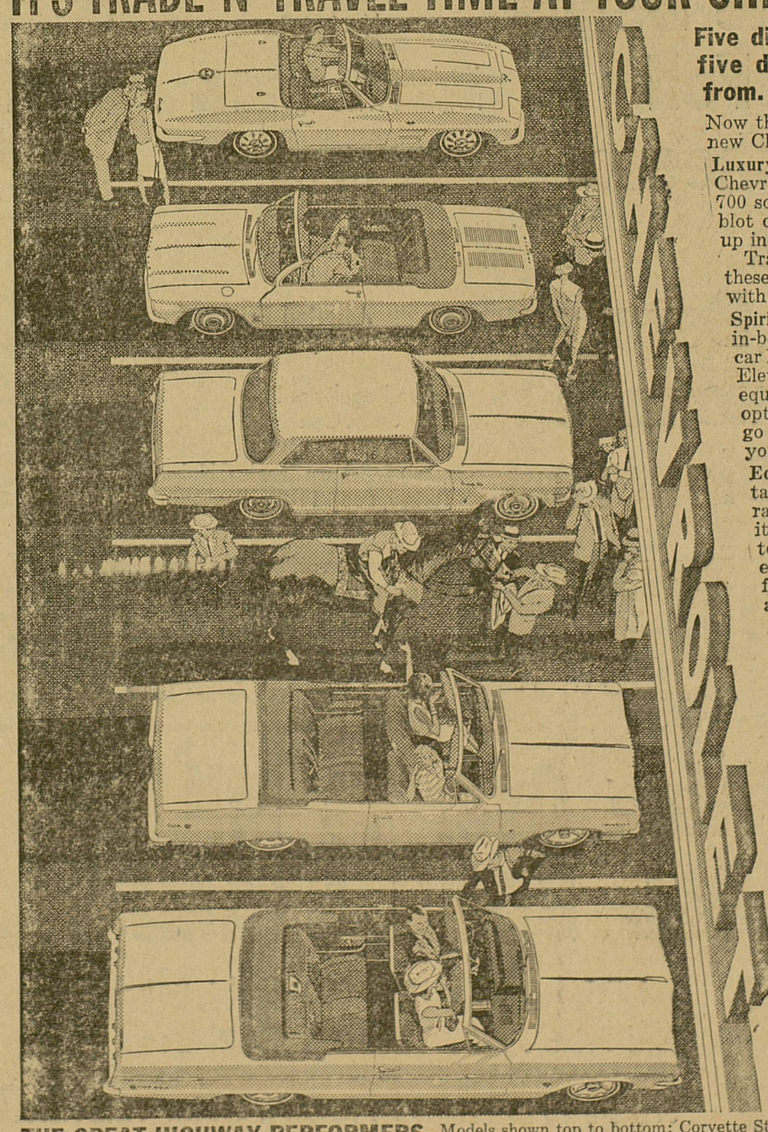

We work with you to arrange for a loan that's as easy to handle as monthly rent.

IT'S TRADE 'N' TRAVEL TIME AT YOUR CHEVROLET DEALER'S

Five different lines of cars—forty-five different models to choose from. Come early and trade great!

Now that spring's in full swing, you'll find new Chevrolets perfect for picking.

Luxury—First, there's the big Jet-smooth Chevrolet. Sumptuous and soft riding. Over 700 sound stoppers throughout the car to blot out noise. Interiors luxuriously done up in the newest and softest vinyls.

Trade what you're driving for one of these, and you won't want to trade seats with anybody else on the road.

Spirit—Next, Chevelle. The beautifully in-between size car that combines small car handling oomph with big car comfort. Eleven different models that you can equip with just about any extra-cost option you can imagine. No place to go this summer? Get a new Chevelle—you'll think of something.

Economy—Chevy II—the car that takes to inexpensive vacations naturally. It just goes and goes, and where it stops nobody knows. Eight models to pick from, including wagons with enough room to swallow up an eight-foot Christmas tree. (Plan ahead, we always say.)

Fun—Then there's Corvair. The fun one with the engine in the rear for unbelievable traction. Spring mud, summer sand, winter snow—nothing stops it.

Corvette. The enthusiast's car. Sting Ray Sport Coupe and Convertible. Still America's only true sports cars. They do for your driving what holidays do for kids.

Performance—And with any new Chevrolet you choose, you can pick from a wide range of standard or extra-cost high performance engines.

Either way, whether you've got some place special to go this summer or not, when you trade for one of Chevrolet's five great highway performers—you'll travel!

We drove 3,243 miles to make a point about our Super Turbine transmission

You can do it on the way to the grocery store

Would we drive a Buick with a Super Turbine transmission* all the way from Pasadena to New York City just to win Class C in the Mobil Economy Run?

Of course. And just in case anyone failed to get the message, we did it twice again. And won Class D and Class G. In all, Buick entered 4 classes, and won 3—more than any other make of car. (Remember when people used to think Buicks used a lot of gas?) Did we make our point about the Super Turbine transmission? You bet.

Obviously you aren't planning to drive 3,243 miles to prove your new Buick is economical. And you can't expect to get as many miles per gallon as the experts in the Economy Run. Still, it is nice to know you can win the economy run around town. And the good looks prize at the same time. See your Buick dealer about it. No doubt he'll think of a number of other reasons to drive a Buick.
