## American Legion Sponsors Armistice Program First WPA Project Starts In Ochiltree County November 6th Red Cross Roll Call Drive Opens In County Armistice Day

### NOVEMBER 15 IS DEAD-LINE WHEAT CONTRACTS

County Agent J. T. Stovall issues a warning to all wheat growers that November 15, will be the absolute deadline for the signing of applications for wheat contracts for the 4 year period of 1936-37-38-39. Those who have not signed on or before that date will be out of the program with no recourse. It is desired that every wheat grower make application for contract, even though they do not intend to put their land under contract. Parties signing applications are under no obligation to complete signing of contract. Parker D. Hanna, district agent, will come to Perryton to check the applications.

### New Nazarene Pastor

Rev. E. F. Robinson Fills Pulpit At Church Last Sunday; Services Announced

Rev. E. F. Robinson is the new pastor of the Nazarene church in Perryton, filling the local pulpit for the first time last Sunday morning. Rev. Robinson and his family moved here from Hedley.

Regular services are announced at the Nazarene church at 11:00 o'clock in the morning and 7:30 in the evening for Sunday, with Sunday School at 9:45 o'clock. Special prayer meeting services will be held each Wednesday and Friday evening.

### HIGHWAY WORK IN PRECINCT ONE IS FIRST

First Project Includes Culverts and Over Five Miles of Caliche Paving

Jobs Ready For Forty-five

Other Projects Will Be Started As Soon As More Men From Rolls Are Available

The first of the WPA work projects designed to take men from the relief rolls and give employment was started in Ochiltree county Wednesday when work on construction of culverts and five and one-half miles of caliche paving got under way.

All of the culvert work and four miles of the paving is in Precinct No. 1, the northeast precinct of the county. The paving starts at the city limits on the Uncle Sam highway and extends east. The other one and one-half miles of caliche paving starts five miles south of Perryton, where the new No. 83 highway veers to the southeast. The road to be paved is from this point and extends over old No. 4 to the Ochiltree cemetery. When the paving program on No. 83 is completed, this will give a hard surfaced highway from Perryton to the cemetery.

The estimated cost of this first project is \$30,000.00. It calls for the employment of 45 men and the number may be increased to 60. Men are being put to work just as fast as they come into the relief offices, where they register and are removed from the relief rolls. Other projects in the county will be started just as soon as workers are available.

Clifford Davis of the district WPA office at Amarillo with F. L. Stone and L. H. Girard of the NRS were here to get the work started. Mr. Girard will remain in Perryton this week to supervise the operations. H. Shindler former county relief administrator, has been appointed as project manager by the WPA.

### Hi-Y Secretary Here

Patrick Henry Jr. Holds Services Here Sunday and Monday For Hi-Y Club

Patrick Henry Jr., Wichita Falls, Y. M. C. A. secretary of the Northwest Texas district, was in Perryton Sunday and Monday in the interest of the newly organized Hi-Y club in the local schools.

Mr. Henry addressed a large crowd at the union church services Sunday evening and also talked at the Hi-Y meeting Monday evening. Before leaving here Mr. Henry expressed his appreciation for the fine attendance at the services and also for the hearty cooperation and support the town and school has given the Hi-Y club.

### RANGERS AND LYNX ARE EVEN IN GRID HONORS

When the Perryton Rangers and Spearman Lynx meet here Armistice Day they will do so on even basis, as far as past record is concerned. It will be the twelfth such contest entered into by the two teams, and of the eleven previous games, each team has won five, with one tie game recorded.

The complete grid history is given below:

	Rangers	Lynx
Nov. 11, 1927.....	22	0
Nov. 24, 1927.....	13	6
Oct. 19, 1928.....	40	0
Oct. 11, 1929.....	40	0
Oct. 31, 1930.....	6	19
Oct. 16, 1931.....	0	6
Nov. 4, 1932.....	0	6
Oct. 6, 1933.....	6	6
Nov. 11, 1933.....	13	0
Oct. 12, 1934.....	0	6
Nov. 9, 1934.....	8	28
Total.....	148	77

The Rangers took the first four straight games, but out of the last seven, the best they could do was win one and tie one. In total scores, the locals have nearly doubled their ancient rivals.

### RANGERS MEET LYNX IN FOOT BALL CLASSIC

Public Armistice Day Program In School Auditorium at 10:30 Monday Morning

### Senator Rizley To Speak

American Legion in Charge of Armistice Dance at Donley Hall in Evening

Hundreds of people from over this section of the Southwest are expected to assemble in Perryton Monday, November 11, for the observance of the cessation of hostilities in the World War. The program for the day will be under the auspices of the Pierce Johnson Post of The American Legion.

Senator Ross Rizley, Guymon, Oklahoma will appear as the principal speaker on the special Armistice program to be held in the school auditorium at ten-thirty in the morning. Senator Rizley is one of the outstanding orators and entertainers of the Sponser state, and the Legion feels very fortunate in having secured him to make the address for this important occasion.

Post Commander Compton C. Bull will preside at the morning program to which everyone is invited and no admission will be charged. The Perryton High Band will open with a concert of patriotic and appropriate airs. After the colors have been advanced by E. B. Gyger and B. H. Peckenpaugh, the invocation will be delivered by W. B. Vaughn, pastor of the Methodist church. Past Commander, Jack R. Allen will deliver the address of welcome and Bill Miller, editor of the Spearman Reporter, will make the response to the words of welcome. A vocal solo by A. R. Houghland will precede the "Zero Hour" ceremonies which will be under the direction of Commander Bull. Senator Rizley will be introduced by Van W. Stewart, present 18th district commander. After the main address, W. B. Irvin, superintendent of the Perryton schools, will lead the entire audience in the "Pledge to the Flag," concluding the program.

At the noon hour, all visiting ex-service men and their families will join with ex-service men and women of this community in a "Pot Luck" dinner at the Legion Hall, followed by a general get together and visit. Members of the local Legion Post and Auxiliary Unit stress the fact that this affair is for all ex-service men, regardless of whether they are now or have ever been members of the Legion.

In the afternoon at two-thirty, the Perryton Rangers and the Spearman Lynx will meet on Ranger Field in the football classic of the North Panhandle. With "dope" favoring the Rangers, the local team will go to the field as favorites, but with the intense rivalry that always exists between these two clubs, football dope is liable to go awry. Tickets for the game are on sale in Perryton drug stores and school officials request local people to purchase their tickets before the game in order to lessen the confusion and jam at the field. Prices are fifty cents for adults and twenty-five cents for students tickets. Of the eleven contests played be-

### PANTRY DAY IS OBSERVED WED.

MRS. REECE TAYLOR AWARDED FIRST PLACE; MRS. M. J. GROVES AND MRS. J. FLOWERS TIE

Wednesday proved an ideal day for the annual visit to the pantries of the demonstrators of the Ochiltree county home demonstration clubs. Mrs. Reece Taylor of the New Hope club won first place and was awarded a cash prize of \$7.50. Second place was a tie between Mrs. M. J. Groves of the Waka club and Mrs. J. L. Flowers of the "4 in 1," the \$5.00 award was divided between them. Mrs. French Lawrence, the Missouri Avenue demonstrator, placed third and received \$2.50.

Eight club women, the judge, Miss Dalton Burleson, home demonstration agent of Carson county, Miss Marie Ludwick, Ochiltree county demonstrator, and Miss Myrtle Mae Conroy started the tour at seven o'clock in the home of Mrs. French Lawrence. During the day fifty-three persons were added to the list of visitors and 105 miles traveled in reaching the nine clubs.

The second visit was with Mrs. L. D. Turner of the Ochiltree club and others in order were: Mrs. W. L. Herndon Jr. of the Wolf Creek club; Mrs. J. L. Flowers, "4 in 1" club; Mrs. Milo Blodgett, cooper, and Mrs. E. S. Uptergrove, demonstrator of the Blodgett club; Mrs. M. J. Groves, Waka; Mrs. L. R. Conner, Farnsworth; and Mrs. Reece Taylor, New Hope. At noon a delicious lunch was served by the active Blodgett club in the Uptergrove home.

Each demonstrator was scored on six points: budget, storage, menus, results, story and pictures. The

### MAN KILLED IN FARM ACCIDENT

FRANK MORRIS CRUSHED TO DEATH BETWEEN TRACTOR AND DRILL NEAR BOOKER WEDNESDAY

Frank Morris, age 24, was instantly killed when he was caught between a tractor and drill hitch in a field one and one-half miles north of Booker Wednesday afternoon.

Young Morris, whose home was at Harrisonville, Mo., was employed by his cousin, John Hocking, as a tractor driver. He left the Hocking home at noon, Wednesday to start a wheat drill. After making a round or two, he apparently stopped to adjust the drill hitch, and in some manner was caught standing upright between the hitch and the tractor seat, crushing his chest and killing him instantly.

It is thought that the accident occurred about two o'clock in the afternoon. Another cousin, Mrs. Paris Hurst, who lived in sight of the field where he was working noticed him standing at the rear of the tractor, with the machine running, a number of times during the afternoon. About six o'clock she decided to go to the field and investigate. She found the young man dead and from the condition of his body, it appeared that he had died without a struggle.

Dr. Smith of Booker was called but he had been dead for several hours. The remains were brought to the Wilson Funeral Home in this city, where the body is being prepared for shipment to his home in Missouri.

The deceased had made many trips to this section, but had only been here since September 9 this time. Surviving relatives are the parents, Mr. and Mrs. Edwin Morris, a sister, Mrs. Clyde Taylor, and one brother, Dick Morris, all of Harrisonville.

### COMMUNITY 'AG' ASSOCIATIONS

ORGANIZATIONS WILL BE COMPLETED IN EVERY COMMUNITY IN COUNTY FRIDAY, NOV. 8

Meetings have been called in every community in Ochiltree county for Friday, November 8, at 7:30 p. m. for the purpose of completing the organization of Community Agricultural Associations. Owing to the attack that is being made on the AAA by large industrial and business interests throughout the nation, it is imperative that farmers and those interested in agriculture protect their own interests by organizing for a solid front in the fight against those who are determined to destroy them.

Each community will organize their own association and elect the following officers: president, vice-president, secretary and program chairman.

Communities designated as follows will hold meetings in their schoolhouses: New Hope, Cedar Bluff, Farnsworth, McMillen, Lone Tree, Notla, Waka, Blodgett, and Ochiltree. The people of the Missouri Avenue community will meet in the district courtroom in Perryton.

The officers elected to represent the different communities will meet at the courthouse in this city on Tuesday, November 12, 2:00 p. m. to complete the county-wide setup.

Mr. and Mrs. Harry King, Mr. and Mrs. Ben Lippold and Mr. and Mrs. J. C. Barton, all of the Wolf creek community, were visiting in Perryton Sunday evening.

### CHRISTIAN REVIVAL SUNDAY

REV. M. K. GRIFFITH, NEW PASTOR OF CHURCH WILL CONDUCT SERVICES DURING MEETING

Rev. M. K. Griffith, pastor of the First Christian Church who has just succeeded Rev. M. C. Jackson, announces that he will start a series of revival services at the church Sunday, November 10. He will be assisted in the meeting by his daughter, Mrs. Gertrude Butcher.

Rev. Griffith comes to Perryton from Clovis, New Mexico, where he has been very successful in his work as pastor of the Clovis church. During his stay at Clovis, his regular Sunday morning sermons were broadcast and he became known over the state as the "radio preacher."

Rev. Griffith, a native of Indiana, has been in all parts of the nation in evangelistic work. He has had charge of churches in Illinois, Kansas, Oklahoma, New Mexico and other states and glowing testimonials as to his ability and service as a preacher of the word of God and as a citizen come from those who know him.

He will be assisted in the revival meeting and work in the local church by his daughter, Mrs. Gertrude Butcher, who is an experienced church worker. We quote him as follows concerning the meeting that will open Sunday:

Revival meetings will begin at the Christian Church Sunday, November 10. The minister, assisted by the local forces, will conduct the services. The sermons will be practical, intended to help people live better lives. The gospel will be preached in a plain, straight-from-the-shoulder manner. Men of Perryton, it is to your interest to attend these meetings. What we

### DISTRICT COURT OPENS TUESDAY

GRAND AND PETIT JURORS REPORT FOR SERVICE TUESDAY, NOVEMBER 12; ONE DAY LATE

On account of Monday, November 11, being Armistice Day, the regular fall term of the Ochiltree county district court will not convene until Tuesday, November 12. Petit jurors for a two weeks term have been summoned by Sheriff Talley.

From present indications the coming term of court will have a very light docket unless cases are transferred into this court from other counties in the district by District Judge E. J. Pickens.

The grand jury panel will report for service on Tuesday morning, the petit jury panel reporting in the afternoon of the same day. The petit jurors for the second week of court have been summoned to appear on Monday, November 18.

Mr. and Mrs. Frank F. Dodson and daughter, Miss Yvonne Zoe, and V. W. Richardson were in Amarillo Saturday for the annual get-together meeting for all employees of the Magnolia company of this district. In the evening a banquet and dance was enjoyed at the Amarillo Country club. Two hundred and seventy-five were present.

### Building Activity Is Under Way On Perryton Main St.

Once more the sound of the carpenter's hammer is heard in the Perryton business district. While its nothing like a building boom, yet there has been so little building activity in Perryton during the past few years of drouth, the improvement now under way indicates that business is on the "up and up" in Perryton.

Even in the face of the general world-wide depression and a five year drouth in this immediate sector, Perryton has never faltered and it has stayed at the head of the procession of Plains towns in business and general activities. And in the present miniature building boom, it is almost alone among the cities and towns of the Southwest.

On the north end of Main Street, across the tracks, is heard the sound of the hammers of the workmen who are remodeling the Lilly Tourist Camp. A number of cabins are being enlarged and modernized and W. B. Lilly, proprietor of the camp and service station, plans the erection of a number of modern tourist cottages.

### Ochiltree Is Contributing To Will Rogers Memorial Fund

People of Perryton, Ochiltree county and surrounding communities are responding liberally to the nation-wide appeal for funds for the building of memorials to that great American, the late Will Rogers. The campaign was formally opened on November 4, the 56th anniversary of Will Rogers' birth. Contributions will be received until Thanksgiving Eve, November 27.

Subscriptions are being received in Perryton at the Herald office, the First and Perryton National banks, and the Ellis Theatre. At the end of the campaign period the money will be forwarded to the headquarters office of the Will Rogers Memorial Commission in New York City, with a list of the donors. Special group contributions are being raised in the schools of the county, the Lions Club, and other organizations.

The opportunity is now open to those who hold Will Rogers and his humanitarian principles in affectionate regard to express their sentiment by contributing to this fund.

### Building Activity Is Under Way On Perryton Main St. (Continued)

Mrs. L. B. Ranson, local wholesale agent for the Texas company, recently purchased the old People's Supply Co. building from J. L. Donley. The old warehouse on the rear of this property has been wrecked. The building in the front is being remodeled for the use of a modern one-stop Texaco filling station.

On the south end of Main Street, H. L. Rice, the contractor for the erection of the Sinclair filling station, has a large force of workmen digging trenches preparatory to pouring concrete for the foundation for this modern station. It will cost \$4,500 and will be the last word in service for the motorist. W. B. La-service is owner of the property. The building formerly occupied by the Armour Creamery and located on the site where the new Sinclair Station is going up, has been moved to the rear of the same property. Ed Morgan, contractor, is supervising a complete remodeling of the building, the plans calling for a new foundation and concrete floor with the exterior of the old frame building being stuccoed.

## International Sunday School Lesson

By A. C. Williams, Minister, Perryton Church of Christ  
 NOVEMBER 10, 1935  
**Ezekiel As A Watchman On the Wall**

Verses to memorize: Rom. 14:12; Psa. 38:15a.  
 Lesson Text: Ezekiel 33:7-16.

**I. Personal Background**  
 Ezekiel, the son of Buzi, was of priestly descent and was carried into Babylon with Jehoiachin, the king, after the capture of Jerusalem by Nebuchadnezzar, about 597 B. C. His home was at Tel-abib on the river Chebar. Here the elders of Judah came at intervals to meet. He prophesied about twenty-two years, being highly respected by reason of his great strength of character. Ezekiel occupied a place between Jeremiah and Daniel, overlapping a portion of each of their ministries.

**II. Israel's Watchman**  
 It was the duty of a watchman to stand in the towers along the wall of a city and keep close observation of the country round. In event of an approaching army, he was to sound the alarm, rouse his fellowtownsmen to arms.

God used this picture to bring Ezekiel his commission. The prophet was to warn his people against the terrible sins of the day. Like a shadowy spectre of the night, the forces of the devil gathered together around God's people. Ezekiel must warn the people against this siege.

**III. A Warning To the Wicked**  
 The prophet was to tell sinners their sins. He must warn them of the consequences of an ungodly life. If possible, he must persuade them to turn away from evil. But if Ezekiel did his part in warning yet his hearers refused to give up their ways, they would perish. But he would be guiltless. The watchman would receive as much credit at the court of heaven as though every man turned from his sin. But in the event the prophet failed to warn the people, then what? Both the watchman and the city would fall.

**III. Conclusion**  
 Thousands of men and women are trusting false, sectarian watchmen. The rank and file of denominations are accepting what our "preacher says" and "what our church teaches" regardless of God's word. Blind leaders and watchmen are leading those to trust them into the ditch. Remember the words of Jehovah to Ezekiel and "warn them from me." Christians must hold forth the oracles of God in humility and courage and expose every attempt of Satan to approach the hearts and homes of men.

### McMILLEN NEWS

**Earl Waide, Reporter**  
 (Too late for last week)  
 Even perfect strangers notice the smiles worn by the farmers in this community these days. And why shouldn't they smile, for all the wheat is up and makes good grazing. Almost everyone made enough feed to feed their stock through the winter, and then Uncle Sam comes along and pays a few wheat checks and promises to pay more in the near future. We haven't found that long looked for corner yet but maybe the next turn will be it.  
 Mr. and Mrs. H. B. Urban and family visited with their friends, Mr. and Mrs. Carl Craig near Texoma Sunday.  
 Mr. and Mrs. Forrest Forgy entertained a group of friends with a pitch party last Friday night. As

usual G. B. Mears got high score. There is some talk of ruling Gould out of these games unless he quits winning all the time. Those enjoying the games were: Mr. and Mrs. Clifford Finney, Mr. and Mrs. Delbert Davis, Mr. and Mrs. Bryon Perry, Mr. and Mrs. Ben Plummer, Mr. and Mrs. S. F. Waide, Mr. and Mrs. G. B. Mears, Mr. and Mrs. Arthur Morgan, Mr. and Mrs. Waldo Tarbox, Mrs. D. P. Tarbox, Mrs. Etta Brennan, Cowboy and Mr. and Mrs. Forgy.

Mr. and Mrs. James Hardy and family went to Amarillo, Friday to see the marine exhibit on display there.

Mr. and Mrs. Clifford Finney visited in the Woodie Hugely home near Balke, Okla., on Wednesday of last week.

Mr. and Mrs. Joe Reid and children, Canadian, were visitors in the S. F. Waide home Sunday.

There were seventy-eight at Sunday school last Sunday. Sunday School will be at 2 o'clock next Sunday and Rev. J. M. Sibley will preach at three.

Mr. and Mrs. Audie Conley and children and Mrs. Mrs. Lucille Davids and daughter spent Saturday and Sunday with Mr. and Mrs. A. R. Cook in Sharon, Okla.

Mr. and Mrs. Calep Howard and Mrs. Earl Ernest visited in Borger Monday.

Omar Barnes and Paul Hardy made a trip to Amarillo Friday. Miss Rachel Finney visited in the James Hardy home Sunday.

Well the spook convention at McMillen Thursday night is expected to break all attendance records. If you are interested in ghosts be there that night.

B. L. Barnes left for a hunting trip in New Mexico last Thursday morning.

If the weather permits, many from this community will attend the program at Cedar Bluff Friday night.

Mr. and Mrs. Arthur Morgan came in Friday night from Woodward, Oklahoma, to spend the week end visiting here.

### LUTHERAN CHURCH ITEMS

**Sentinels**  
 The morning is the gate of day. But ere you enter there see that you set to guard it well. The sentinel of prayer. So shall God's grace your steps attend. But nothing else pass through. Save what can give the countersign; The Father's will for you. When you have reached the end of day Where night and sleep await, Set there the sentinel again To bar the evening's gate. So shall no fear disturb your rest. No danger and no care. For only peace and pardon pass The watchful guard of prayer.  
 "Family Worship" will be the sermon topic Sunday morning at 10:30. Following the morning service the Sunday School and Bible classes will meet. A German service is also to be conducted at 3 o'clock in the afternoon.  
 The Lutheran congregation of Kingsville, Texas, has extended a call to the local pastor to take over the spiritual leadership of their church down in the Rio Grande Valley. A special meeting of the local congregation will be held following the service on Sunday afternoon to decide whether the undersigned, who has served the Perryton territory for more than ten years, shall accept the new pastorate or not.  
 H. W. Hartenberger, Pastor.

### FAIRVIEW ITEMS

**Hattie E. Collins, Reporter**  
 (Too Late for Last Week)  
 We received a little shower Wednesday night which was nice on the wheat.

Lewis Hardy and W. L. Collins made a business trip to Beaver, Saturday.

Mr. and Mrs. E. L. Smith dismissed school Thursday and Friday, so they could attend the teachers meeting at Alva, Okla.

Lewis Hardy is working for Mr. Selz near Booker, this week.

Mr. and Mrs. Thomas L. Collins attended teachers meeting at Alva last week and visited with Mrs. Collins' parents.

Lloyd Collins spent Saturday night with his parents and sister. Mr. and Mrs. Lester Tyler visited Sunday with Mr. and Mrs. Charles Thomas.

There will be a Hallow'en program at the Fairview school house Thursday night, sponsored by Mrs. E. L. Smith. Everyone is invited to attend and enjoy the fun.

### BALKE COMMUNITY

**Mrs. J. W. Cayler, Reporter**  
 I. M. Whitaker has been quite ill for the past week.

Dr. and Mrs. W. H. Rhodes, Enid, Okla., were calling on friends in this community and visiting his sister, Mrs. M. M. Cudd, at Perryton. They also visited in Liberal, Kansas. We wish that their visits were oftener as we enjoy talking over by-gones.

Mr. and Mrs. Jackson northeast of Balke had the great misfortune of losing everything in a fire last week.

Mr. and Mrs. W. R. Cayler were with his parents, Mr. and Mrs. J. W. Cayler, for supper Tuesday evening.

Mr. and Mrs. Verne Nicholson only reached Holly, Colorado, on their trip when Mr. Nicholson took a severe cold and was advised to return home until he recovered.

The W. M. S. met Thursday in an all day meeting and tacked a comfort and collected some household articles for Mr. and Mrs. Jackson, who lost their home by fire.

H. H. Miller, N. G. Nelson, Elmer Miller and Mr. Holiday made a trip to Beaver, Thursday.

Mrs. Amy Renfrow, mother of P. C. Renfrow, visited with her granddaughter, Mrs. Amy Daniel, at Perryton last week.

Mr. Venable called at J. W. Cayler's Thursday on business.

### CHRISTIAN SCIENCE

"Adam and Fallen Man" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, November 10.

The Golden Text is: "Lord, who shall abide in thy tabernacle? who shall dwell in thy holy hill? He that walketh uprightly, and worketh righteously, and speaketh the truth in his heart" (Psalms 15: 1, 2).

Among the citations which com-

prise the Lesson-Sermon is the following from the Bible: "Wherefore take unto you the whole armour of God, that ye may be able to withstand in the evil day, and having done all, to stand" (Ephesians 6:13).

The Lesson-Sermon includes also the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "It is true that a knowledge of evil would make man mortal. . . . Has evil the reality of good? Evil is unreal because it is a lie,—false in every statement" (page 527.)

### Aid to H. S. Students

#### Needy High School Students Can Secure Aid Through National Youth Administration

Austin, Texas, October 28—Modification of federal regulations, to permit needy students, as well as those on the rolls of the Texas Relief Commission, to participate in the high school aid program, was announced today by Lyndon B. Johnson, state director of the National Youth Administration.

Heretofore students whose families were on relief in May, 1935, were eligible for certification for the \$5 a month job appointments. The \$6 for which the students perform various duties assigned them by school officials is to provide, lunch money, funds for supplies and incidental expenses.

The order in which students now

may be selected for high school aid is as follows:

First, students whose families were on relief in May, 1935.

Second, students whose families are now on relief whose heads are employed by the Works Progress Administration.

Third, students members of rural rehabilitation families.

Fourth, students who are needy. They need not be certified for relief, but must be unable to attend high school if they do not receive one of the jobs provided under the high school program.

All students, no matter under which classification they fall, Johnson said must be capable of doing high grade academic work, and be judged worthy of receiving assistance by the county placement committee.

Procedure in the selection of students was outlined by Johnson as follows:

In each county there is a placement committee, composed of the county superintendent, the case worker-in-charge and the superintendent of any school district with a scholastic population of 500 or over. This committee allocates the county's quota to the various participating schools.

The student applies to the principal of his high school who recommends the application to the placement committee. In the case of relief children the relief status must be certified to on the student's application by the case worker-in-charge. Rural rehabilitation students are certified by the rural supervisor and cases where need is the deciding factor, are certified by the principal of the high school, who must testify that without this aid the student could not remain in school. The principal of the high school, who must testify that without this aid the student could not remain in school. ## How Calotabs Help Nature To Throw Off a Bad Cold

Millions have found in Calotabs a most valuable aid in the treatment of colds. They take one or two tablets the first night and repeat the third or fifth night if needed. How do Calotabs help Nature throw off a cold? First, Calotabs are one of the most thorough and dependable of all intestinal eliminators, thus cleansing the intestinal tract of the germ-laden mucus and toxins.

Second, Calotabs are diuretic to the kidneys, promoting the elimination of cold poisons from the system. Thus Calotabs serve the double purpose of a purgative and diuretic, both of which are needed in the treatment of colds.

Calotabs are quite economical; only twenty-five cents for the family package, ten cents for the trial package. (Adv.)

8 1/2 chilly hours since he parked BUT NO CHANCE OF DAMAGE... HIS ENGINE

stays oiled

Today you can use a winter oil which builds itself right into the "innards" of your engine. That is, a certain portion of Conoco Germ Processed Oil really forms a BOND with metals, and stays on continuous duty where all the worst friction used, to come.

This uncanny action, created by the patented Conoco Germ Process, automatically wipes out the costliest winter wear . . .

"Dry," unlubricated, wracking starts? . . . Not with the oil that's Germ Processed to stay up on the job every minute, every hour, every day that you park—"whatever the weather" . . . Not when Germ Processed Oil has become

a part of all metal surfaces . . . Not with the Hidden Quart, which has enabled many an engine to run with the crankcase absolutely empty—in verified show-down tests.

And this same patented Germ Process means extra protection not only for the conventional babbitt bearings, but for the newest bearings—whether copper-lead, high-lead or cadmium-alloy. Germ Processing also creates the high-durability oil film . . . hence a light, free-flowing winter oil that's tougher too, for the toughest going of all the year. You and your Conoco man can make this whole Winter "act gentle" to your motor, beginning today. Drive in.

De Luxe and Standard Chevrolets for 1936 show marked advance in engineering. Perfected hydraulic brakes, high speed with full-length water jackets, and balanced carburetion mechanical improvements. The solid steel Turret Top Fisher on the Standard as well as the Master De Luxe models.

Either Knee-Action or conventional springing may be had in the Master models. The illustrations show: Top left, the Master De Luxe sport sedan, with built-in trunk; top right, the re-styled, deeply moulded radiator grille, used on all models; lower left, the simple arrangement of Chevrolet's perfected hydraulic brakes, all models; and, lower right, a Standard sedan

pressed steel wheels, instead of wire wheels, are used on all Standard models.

Body interiors of Master models show marked advance in comfort and style. An important innovation is found in the design of the front seating arrangement of the Master coach and town-sedan. Instead of the usual divided and hinged front seat of two-door models, a single cushion extends the full width of the car, permitting three passengers to ride comfortably. The seat-back is divided, the right side section being hinged to fold forward over the seat cushion to open a passage way to the rear compartment.

**Standard Models Completely New**

Chevrolet's Standard models for 1936, besides incorporating features that appear for the first time on the Masters, take their place in the line as entirely new models, with new box girder chassis frame, more powerful engine, longer wheelbase and larger bodies. The line of body types has been increased to seven by the addition of three models—the four-door sport sedan with built-in trunk, the two-door town sedan with built-in trunk, and the cabriolet.

The Standard model wheelbase, formerly 107 inches, is now 109, while its overall length, last year 170-1-2 inches, is 12 to 13 inches greater. Bodies are longer and wider, with more leg room, wider seats and additional head room. Car weight is increased 135 pounds. Springing has been improved by the use of longer front and shorter rear springs, which possess more nearly equal frequencies and so minimize pitching.

Side rails and cross members of the new Standard frames are all of rigid box section, a type of construction that has appeared on costly European cars but never before in the low price field in this country. Although greatly increased in strength and in stiffness, the box girder members add so greatly to the rigidity of the structure that only three cross members are required. The extreme simplicity of

to its own design of brake mechanism within the brake drums. Instead of the cable operated floating cam formerly used at each wheel, a master hydraulic cylinder with double opposed pistons is used to actuate each pair of one-piece articulated brake shoes.

The master cylinder, whose piston is moved by the brake pedal to transmit pressure by a column of fluid to each of the wheel cylinders is mounted on the frame. The master piston is one inch in diameter, while wheel pistons are larger to effect an increase of braking effect at the wheels. Front wheel pistons are larger than those of the rear wheels, to balance the breaking effect when, in stopping, extra weight thrown on the front wheels gives them greater traction. This arrangement prevents locking the rear wheels by themselves by heavy brake application.

The hand brake level actuates both service brake shoes in both rear wheels. The connection is by

flexible cable, operating a lever and toggle mechanism within the rear brake drums.

On the Masters, brake drums are of composite construction, comprising a cast iron rim and a pressed steel web. The braking surface is accurately machined, after assembly to the wheel hub, assuring true concentricity. Long life, freedom from scoring, and more effective braking are advantages claimed for cast iron. The outer surface of the drum is machined in deep grooves that form five ribs, to promote cooling.

On the Standard equally effective braking is obtained by using pressed steel drums, which are one-inch larger in diameter than last year's, increasing the brake lining area to 158 1-4 inches, 17 square inches, more than formerly. An improved grade of closely grained steel is used for the drums, and their braking surfaces are machined to actuate form and smooth finish. Dirt shields have been added.

**Engines Have Been Refined**

Engines of the Master and Standard models are identical in design and in horsepower and torque. Maximum horsepower is 79 at 3200 r. p. m. (an increase of 5 h. p. for the Standard.) At 1000 r. p. m. horsepower is 30; at 2000, it is 60. Maximum torque is obtained over an unusually wide range of engine speeds, 156 foot pounds being maintained all the way between 900 and 2000 r. p. m. The increase in compression ratio to 6 to 1 is credited with effecting a 6 per cent improvement in fuel economy. Combustion chambers are reshaped to attain smoothness with higher compression. The new chamber follows the "blue flame" combustion principles pioneered by Chevrolet several years ago, the form having been worked out by newly devised mechanical laboratory methods to attain maximum effectiveness.

Chevrolet's balanced carburetor is another innovation to promote fuel economy and easy starting. Air pressure in the float chamber is balanced with that inside the carburetor intake to effect a constant ratio of air to gasoline in the fuel mixture and to offset the choking effect that gradually increases as the air cleaner becomes clogged with dust.

**Cooling System Improvements**

Major improvements have been made in the Chevrolet cooling system to maintain lower engine temperatures and to obtain important benefits in the control of engine oil temperature and of cylinder block and valve push rod expansion. The chief change is the adoption of full-length water jackets. Formerly only the upper part of the cylinders was water jacketed. In the new

engines, the water jacketing extends far below the lowermost point reached by the head of the piston, nearly to the lower edge of the piston skirt at the bottom of the stroke. The rings thus come in contact only with cylinder wall surface that is constantly cooled. Since the full depth of the cylinders is surrounded by water, the cylinders warm up evenly.

The most valuable effect of full length water jacketing, however, is its automatic control of engine oil temperature. In the previous design, the engine oil would attain a temperature 125 degrees hotter than the water, by coming in contact with the uncooled lower part of the cylinders. With the new full length jackets, oil temperature runs 50 degrees cooler than formerly. Still further cooling of the oil supply to the valve rocker shaft is effected by running the supply line through the cylinder block, where it is surrounded by water, and the oil is further reduced in temperature by 10 degrees.

The new system not only maintains a lower constant oil temperature, but acts to warm up the oil supply to the valve mechanism more quickly after a cold start. Since the water in the cylinder block, held there by a thermostat, quickly heats when the engine is started, it begins to warm the cop-

per tube carrying oil to the rocker arms almost immediately after the engine is started. The effect is to cause a more nearly even expansion of the cylinder block and the valve mechanism.

Water capacity of the entire system, formerly 11 quarts, is now 15.

**Changes In Springing**

Chevrolet's all enclosed knee action units, now entering their third year, remain unchanged from their original design except for an improvement in the methods of attaching the wheel spindle to the support arm. The spindle is now pressed into the arm under 10,000 pounds pressure, and its inner end is then peened over. Suspension of the Master model with conventional springs has been improved. Riding qualities of the Standard have been improved by an entirely new design of springs and suspension. The front springs are now 36 inches long, 3 inches longer than formerly, and their deflection rate is reduced from 315 pounds per inch to 209. Rear springs are 49 inches long, or 5 inches shorter, their deflection rate being increased from 105 pounds per inch to 112. The front springs are now shackled at their rear ends.

## Chi Sigma Phi

The Chi Sigma Phi club was entertained Monday evening in the home of Mrs. Sheldon Caradine. The hostess chose a motif in keeping with Armistice Day for her bridge appointments and favors. Miss Gray played high in the games and received a lovely gift.

Following the games a tasty and appetizing refreshment plate was served to Miss Elizabeth Richardson, Miss Helen Buckland, Miss Bessie Littleton, Miss Johnnie Helen Gray, Mrs. Cromwell Rogers, Mrs. LaRue Norris, Mrs. Harold Thrush, Mrs. Henry Richardson and the hostess.

## Farnsworth Bridge Club Entertained

Members of the Farnsworth Bridge Club were entertained by Mrs. Dean Conner at her home on Thursday afternoon. At the close of the games Mrs. L. R. Conner was high, and Mrs. Steve Hargrove, second high, both receiving appropriate gifts, and Mrs. Ray Chase was winner of the cut prize.

A delicious refreshment course was served to Mrs. Steve Hargrove, Mrs. John Luthi, Mrs. Herman Hargrove, Mrs. Ray Chase, Mrs. H. C. Brown, Mrs. L. R. Conner, Mrs. Ben Peckenpaugh and the hostess, Mrs. Dean Conner.

## Joint Hostesses

Miss Betty Jo Perry and Miss Joan Balzer very graciously entertained a few of their classmates with a lovely Halloween party in the H. H. Balzer home Thursday evening. After enjoying a treasure hunt and several party games, delicious refreshments were served and the remainder of the time spent "Die-tac-ing."

The table was set for Geraldine Cropper, Eunice Schroeder, Betty Jean Coleman, Kathryn McLarty, Vernon Hergert, Jimmy Palmer, Glen McWilliams, George Symons, Billy Tindle, Ralph Cudd and the hostesses.

## Bridge Guests

Mrs. A. W. Blue and Mrs. Carroll Dodd had a few guests for bridge in the Dodd home Saturday evening. Miss Richardson won the prize for high score and Mrs. Holland received the traveling favor.

A two course refreshment plate was served to Miss Lois Blue, Canadian, Miss Elizabeth Richardson, Mrs. Johnny Holland, Mrs. Harold Thrush, Mrs. Nina Buckland, Mrs. Seldon Caradine, Mrs. Ray Christopher and the hostesses.

## Enjoy Foursome

Mrs. Henry Richardson had as her guests for bridge Thursday evening Miss Helen Buckland, Mrs. LaRue Norris and Miss Elizabeth Richardson.

A tasty menu followed the games.

## Lucky Twelve

The Lucky Twelve club met Tuesday evening at 808 Southwest Second Street, with Miss Clara Camack as the gracious hostess. Interesting games of bunco were enjoyed with Miss Hutchison winning the prize. Miss Wingren won the rifle contest and was awarded with a gift.

At the close of a very pleasant evening, refreshments were served to Misses Pauline Shifflett, Lida Beasley, Eugenia Mitchell, Nellie Wingren, Nora Stump, Roberta Hutchison, Mary Louise Yoe, Annie Bruce Henderson, Mary Britton, and Margaret Prewitt.

## Honored On Birthday

Mrs. Emma Glasgow celebrated her birthday anniversary Sunday and in the evening, her daughters, Miss Eva Glasgow and Mrs. W. C. Williams had a few guests in for several happy hours, during which dainty refreshments were served to Mrs. W. W. McLarty, Mrs. Seldon Caradine, Willard McLarty, Billy and Wayne Glasgow, the honoree and the hostesses.

## Entre Nous Club

Mrs. Ray Nelson entertained the club Wednesday for their regular afternoon of progressive contract. Bridge appointments, favors and prize wrapping were in keeping with Armistice Day.

Mrs. Christopher played high and Mrs. Richardson second. Each received lovely gifts. At the close of the play a delicious fried chicken dinner was served to Miss Helen Buckland, Mrs. Claud Boyd, Mrs. S. S. Dodson, Mrs. Carroll Dodd, Mrs. Jake LeMaster, Mrs. W. R. Caylor, Mrs. Cromwell Rogers, Mrs. Harold Thrush, Mrs. A. W. Blue, Mrs. C. W. Claybaugh, Mrs. Ray Christopher and Mrs. Henry Richardson.

## Busy Ladies Meet

The Busy Ladies class of the Methodist church met in the country home of Mrs. G. M. Cooper on Friday, November 1, for their monthly all day meeting. A lovely potluck luncheon was served a noon hour.

The business meeting was opened with prayer by Mrs. Ed Bryan; scripture reading, Mrs. W. C. Hinds; reading, Mrs. L. Burgess; class song by sextette. The following officers were elected: Mrs. French Lawrence, president; Mrs. Jim Burgess, secretary; Mrs. J. M. Willey, treasurer; Mrs. W. E. Bowen, reporter; Mrs. L. H. Lance, teacher; Mrs. E. L. George, first assistant teacher; Mrs. H. J. Wilson, second assistant teacher; Mrs. L. Burgess, Mrs. D. K. Baumann and Mrs. Clarence Zirkle, work committee; Mrs. W. C. Hinds, Mrs. Geo. Cutter and Mrs. J. M. Bull, program committee; Mrs. J. T. Guthrie, Mrs. Geo. Cutter, Mrs. P. W. Wernscke and Mrs. H. C. Graham, courtesy committee; Mrs. W. C. Bryan, Mrs. Ursula Vinton and Mrs. J. M. King, Mrs. Ed Bryan, Mrs. Kate Dowers, Mrs. H. W. Ragan and Mrs. Garnett Witt, good hand committee.

## Give Hallowe'en Party

Miss Florence Brillhart was the charming hostess at a lovely Halloween party given Thursday evening in the home of her aunt, Mrs. Howard Holt, 321 Southwest Second street.

The home was transformed into a scene of spooks, witches, grinning Jack-o'-lanterns and black cats and all kind of old fashioned games made the evening a lively one. The refreshments, marked with unusual beauty and charm, were served in two courses as the guests were seated around the large dining table.

The guest list included Misses Anna Tevis, Anna Mae Klapp, Elsie Lee Thornton, Geddis and Hazel Morris, Edna Huston, Ruby Eads, Charlene Nowlin and Messrs. Jack Allen, Leo Russell, Floyd Price, Cleo Woods, Andy Morris, Cecil Tevis, Rayford Nowlin and Ray Huston.

## Triple Four

Mrs. Virby Conley was the Tuesday hostess for the regular meeting of the Triple Four Bridge club at her home, 802 Southwest Second street on November 5. High score in the contract games was held by Mrs. Jackson.

Beautiful fall flowers were attractively displayed. The tasty refreshment plate was in keeping with the season.

Seated for the games were Mesdames Carl Ellis, C. B. Rogers, Jack Allen, Liel Lewellen, C. E. Woods, J. M. Jackson, H. C. Sanford, A. E. Dyatt, A. H. Nichols, Paul Ballew, Paul Bowen and Van W. Stewart.

## Celebrates Birthday

Little Ennis Buri Parsons, son of Mr. and Mrs. Ralph Parsons, enjoyed his first birthday party when he entertained a few of his little friends, Sunday, November 3. Pink and white chrysanthemums were used in the decorating, with pink and white streamers swung from the ceiling to the center of the table where stood his cake adorned with one white candle.

After the gifts had been opened and an hour of fun, ice cream and cake were served, and each guest went away wishing Ennis Buri many more birthdays.

Advertise it if you stock it.

## Federated Missionary

A nice crowd of ladies was present at the Baptist church last Thursday afternoon for the federated missionary meeting. Mrs. C. F. Jones, vice-president, was leader in the absence of the chairman, Mrs. M. C. Jackson. The program was on "Peace." Scripture reading was given by Mrs. Jim Burgess. Two papers, "Work Being Done for Peace by the Different Peace Agencies" by Mrs. Oscar Flowers and "The Only Hope for World Peace," by Mrs. Milt Todd, were very interesting and produced much food for thought.

After the program the meeting was adjourned to the basement where the hostesses had attractive decorations in keeping with Halloween. Lovely refreshments were served.

## Visitors Honored

Mr. and Mrs. John Knox, former teachers of the Huttoon school, and little twin sons, Marvin and Garvin, of Pampa, Texas, spent the week-end visiting in the Turner R. Shirley, A. C. Emberson, and J. D. Wade homes, in the Huttoon community. On Sunday they were honored with a delicious chicken dinner in the Wade home.

Plates were laid for Mr. and Mrs. Knox and twins, Mrs. Turner R.

### CLOVER LEAF CLUB

Edna Huston, Reporter

"Start your Christmas gifts now," stated Miss Marie Ludwick, home demonstration agent, Monday, October 28, in the home of Miss Lucille McGarraugh. The Christmas gifts should be planned now to make the gift attractive and delightful to the one we are making them for. Gifts were discussed and afterward Miss Ludwick gave us a demonstration on salads.

Those present were Julia and Ceddes Morris, Lucy, Clara and Eula Copeland, Mrs. Earl McGarraugh, Edna and Ruth Huston, Mrs. L. L. McGarraugh, Mrs. J. H. Kershaw, our sponsor, and the hostesses, Lucille and Della McGarraugh and their mother, Mrs. C. E. McGarraugh.

Our next meeting is Monday, November 11, at the Court House. Come and bring something to make for Christmas. Visitors are always welcome.

### BUSY BEE 4-H CLUB

Lillian Williams, Reporter

"Homemade handkerchiefs, tea towels, pot holders and children's toys are very appropriate for Christmas gifts. These gifts are cheaply made and also easily to make," stated Miss Marie Ludwick, when she gave a demonstration on Christmas gifts and recipe files to the members of the Busy Bee 4H Club in the home of Lillian Williams November 1.

Officers elected at this meeting for the coming year were: Wilma Leicht, president; Lillian Williams, vice president; Pearl Turner, secretary-treasurer; Lillian Williams, wardrobe demonstrator; Dorothy Osborne, pantry demonstrator; Beryl Dodson, council delegate; Mrs. Jim Dodson, sponsor; Waldeen Dodson, reporter.

Those present were Miss Marie Ludwick, Dorothy and Ruth Osborne, Waldeen and Beryl Dodson, Josie and Pearl Turner, Wilma Leicht, Lillian, Vivian and Virginia Williams, Mrs. Jack Dodson and Mrs. Kirt Williams.

### 4 IN 1 CLUB TO HOLD ACHIEVEMENT PROGRAM

The next meeting will be with Mrs. E. D. Clement on Thursday, November 14, at which time the pantry demonstrator, Mrs. J. L. Flowers, and the wardrobe demonstrator, Mrs. J. L. Bryan will have their achievement day program. Roll call will be to display a gift package of something you have made or raised, properly wrapped and with an appropriate card.

### Jim Miller Buried

Dies Saturday Following Operation for Appendicitis; Masonic Funeral

James Hendrix Miller, age 28 years, 5 months and 27 days, died Saturday following an appendicitis operation. Last rites were observed on Tuesday afternoon at the Church of Christ with Rev. A. C. Williams officiating. Pall bearers were Lester Norris, LaRue Norris, Grace Patton, Earl Waide, Herring Lance and Claude Allen. The body was laid to rest in the Ochiltree cemetery with members of the Perryton Masonic lodge in charge of the services at the grave. The deceased was a member of the Perryton lodge.

James Hendrix Miller was born May 5, 1907 at Dombey, Oklahoma to Mr. and Mrs. E. M. Miller, pioneer citizens of that community. He departed this life at 10:15 p. m. on Saturday, November 2, 1935. He received his education in the schools near where he was born and raised to manhood. In 1927, he became a citizen of this city where he has engaged in the motor business, working for the Johnson Motor Co., the Texas Co. and at the time of his death was driving a produce truck for Harve Holdeman.

On January 28, 1932, he was married to Miss Lora Mae Mears. Two children blessed this union, James Duane, age 3, and William Ernest, age 1. He had an attack of appendicitis on Monday, October 28, but when he went on the operating table on the following Wednesday, the appendix had already broken. Everything that loving hands and medical skill could think of was made available but nothing could check the call of the Grim Reaper.

Besides the parents, the widow and two children, there are ten surviving brothers and sisters. They are M. G. Miller, Walden, Colo.; W. G. Miller, Dombey, Okla.; J. A. Miller, Fort Pierce, Fla.; T. W. Miller, Lycan, Colo.; C. E. Miller, Perryton; Mrs. G. Rahenkamp, Waka; Mrs. L. A. Forgye, Walsh, Colo.; Mrs. Hazel Harrison, Perryton; Mrs. Paul B. George, Perryton; and Miss Julia Miller, Perryton.

Mr. and Mrs. W. J. Hein and Mr. and Mrs. Willard Hein and daughter, Betty Jean, parents and brother of Mrs. Thompson, returned to their home at Fairview, Okla., Monday after spending the weekend in the Jim Thompson home.

Mrs. Nettie Doerr and Cyril Peters, aunt and brother of Mrs. Deborah Johnson, came in Sunday from Vanburen, Ark., for a few weeks visit in the Johnson home.

### METHODIST ANNUAL CONFERENCE MEETS AT PLAINVIEW

The Northwest Texas Annual Conference will meet in Plainview, Texas, Wednesday, November 13. This Conference is composed of 9 Presiding Elder's districts and about 260 pastoral charges. Bishop Boaz will preside. The pastor of the Perryton church will carry a good report to the Conference. The financial report will be in full for the first time in three years. Other parts of the church work have done well through the year. At this Conference the preachers receive their appointments for the next year. Rev. W. B. Vaughn, the local pastor, is serving his first year with this church. Rev. W. C. Hinds, the Presiding Elder, has served two years in the Perryton district.

Herald want-ads bring results.

## BEAT TEXHOMA BY ONE POINT

**RANGERS NOSE OUT RED DEVILS IN THRILLING 14 TO 13 GAME LAST FRIDAY**

Coach Burk's Rangers carried out a tough assignment last Friday afternoon to win by a scant one-point margin from the husky Texhoma Red Devils, the perfect converting record of Jones accounting for the difference in the 14 to 13 score. Texhoma not being in any kind of a conference, plays men on their athletic teams that would otherwise be ineligible, and are always more or less of an unknown power, and proved to be so against the youngsters wearing the red and white colors.

Statistics showed the two teams to be on nearly an even footing, with the Rangers getting some advantage, accounting for 14 first downs to 11 by Texhoma and showing a net gain of 22 yards in scrimmage to 176 by the host team.

Two Ranger fumbles that were recovered by Texhoma, two intercepted passes and two occasions where the locals failed to punt on the final downs were costly errors that gave the Red Devils quite an advantage in position. A questionable decision was made in the final quarter when a Texhoma fumble over the goal line was declared a touchdown for the Red Devils.

Playing before a large crowd, gathered for the dedication ceremony at the new Texhoma high school, the Rangers opened the session receiving the kickoff on the one yard line and circled end and pounded the line for steady gains with six consecutive first downs, Jones scoring the first counter and converting from placement. Play was resumed with the Rangers kicking off, Texhoma repeating the treatment, making two first downs when Johnson, Red Devil quarterback, got loose on the Ranger 28 yard stripe and sprinted over for a touchdown, converting from placement.

The Rangers were forced to punt after receiving the kickoff and when Texhoma made three attempts without gain they returned. The quarter closed with the Rangers taking a 5 yard penalty, putting the ball in their possession on their own 11 yard stripe.

Again the Ranger offensive show up in the first of the second period, a pass to Kent accounting for 34 yards and one to Tucker good for 14. These with running plays advanced the pigskin to the Texhoma 17 yard marker where the Rangers fumbled, Texhoma recovering. A Red Devil punt is blocked but they recover on the 5 and try it again. This time the kick goes out of bounds on the 24 and the Rangers start a drive that carries McWilliams over on the final lunge, Jones again converting.

After the Ranger kickoff, Texhoma starts a drive that results in two first downs but they are forced to punt. A long Ranger pass is intercepted just as the whistle blows ending the half and it is carried back to the Ranger 22 yard line.

The second half opens with a return of punts without advantage. The locals advance to the Texhoma 41 yard line and fumble, Texhoma recovering. Johnson gets away for a 26 yard run and they add another first down to the Ranger 21 where they are held for downs without gain. The Rangers are pulling out as the third period closed.

Play is resumed and the locals punt. They get an advantage when Hergert intercepts a long Red Devil punt but lose it when they are held for downs in mid-field, failing to kick on the fourth play. Texhoma is forced to punt and again the Red Devils intercept a Ranger pass, returning to the 34. They battle their way with two first down to the Ranger 5 yard stripe and fumble, the pigskin rolling into the end-zone, a Ranger makes an attempt at it but it is recovered behind the goal and in a questionable decision the officials declare it a touchdown, although according to the new rules the ball was dead when it crossed the goal line and becomes a touchback, without points. The attempt to convert around end fails. Time remains only for the kickoff and one play, the game closing with the ball in possession of the Rangers on the 50 yard stripe.

The lineup for the start of the contest follows:

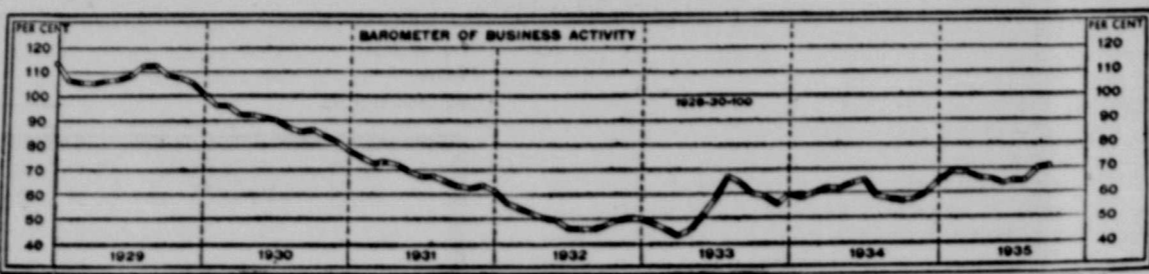

Rangers	Position	Texhoma
Lilly	l. e.	Nichols
Johnson	l. t.	Hale
Hergert	l. g.	Dotson
Kuhn	c.	Odum
Nowlin	r. g.	Osborn
Ferguson	r. t.	Humphrey
Correll	r. e.	Oldham
Tucker	l. h.	Watson
Schroeder	r. h.	Long
McWilliams	q.	Johnson
Jones	f.	Darden

Summaries of the game follow: Score, Rangers 14, Texhoma 13; touchdowns, Rangers 2, Texhoma 2; points converted, Rangers 2, Texhoma 1; first downs, Rangers 14, Texhoma 11; offensive plays, Rangers 54, Texhoma 47; yardage gained in scrimmage, Rangers 243, Texhoma 204; yardage lost, Rangers 23, Texhoma 28; net gain, Ran-

## Nation's Business Map Shows Improvement

This map represents business conditions in every state of the Union as shown in November, 1935, issue of "Nation's Business," official publication of the United States Chamber of Commerce.

September trade and industry advanced a wide front showing percentages of gain ranging from five to ten per cent above a year ago. This was accomplished despite a heat wave in the West, a later harvest of cotton and the shifting over of automobile production to new models.

Commodity prices were also strong, the Dun & Bradstreet compilations recording gains to levels not reached since 1930. The October 1 price level is seven per cent above that of January 1 and 60 per cent above March 1, 1933.

Some of the price strength is traceable to the straightened supplies of cereals and meat producing animals, but more is chargeable to the war talk abroad.

Steel production remained at about 50 per cent of capacity the entire month and, like pig iron, was practically double the September, 1934, output. Textile buying, wool-ers 220, Texhoma 176; forward passes, Rangers attempt 9, complete 2 for 48 yards, 5 incomplete, 2 intercepted, Texhoma attempt 6, complete 2 for 12 yards, 3 incomplete, 1 intercepted; kickoffs, Rangers 2 for 78 yards, Texhoma 4 for 193 yards; kickoffs returned, Rangers 4 for 88 yards, Texhoma 2 for 40 yards; punts, Rangers 3 for 96 yards, Texhoma 5 for 142 yards; punts returned, Rangers 2 for 4 yards, Texhoma 1 for 15 yards (all other punts outside); fumbles, Rangers, 3 Texhoma 1; own fumbles recovered, Rangers 1, Texhoma 1; opponents recovered, Rangers 0, Texhoma 2; held for downs, Rangers 1, Texhoma 1; penalties, 1 for 5 yards, Texhoma 6 for 50 yards, penetrations of 20 yard line, Rangers 3, Texhoma 2.

Ranger substitutions during the game included Garrison for Ferguson in the first quarter, Kent for Correll and Ferguson for Garrison in the second period and Flowers for Nowlin in the final quarter.

ens, and silk especially, rallied. Cotton goods, too, improved. Carloadings reflected better crops this year than last, although the strike of bituminous coal miners reduced freight business sharply for a week. Many copper mines reopened. The canning industry recorded a new high record output.

**The Map**  
Marketing of late crops and the expansion of trade in the first half month have combined still further to brighten the map.

**The Barometer**  
With other factors holding firm or reacting but little, the slight rise in the Barometer of Business was due mainly to the expansion of freight carloadings.

### HOSPITALIZED VETS RE-MEMBERED AT CHRISTMAS

Expansion and improvement of the American Legion Auxiliary's work for the disabled World War veterans will be undertaken this year under a program adopted by the national convention in St. Louis last month. Mrs. Sibley Jines, rehabilitation chairman of Pierce-

Johnson Unit of the Auxiliary here, has announced.

The first project of the year will be the Christmas program under which every veteran forced to spend Christmas in a hospital will receive a remembrance from the Auxiliary. The activity will follow the general plan of last year when more than 100,000 hospitalized veterans were

**Dr. Clarence Poe in The Progressive Farmer.** Says Dr. Poe:—  
 "No matter whether war comes  
 this particular year or not, the les-  
 son for America is the same:—  
 "1. There are going to be dis-  
 putes between nations and these  
 disputes are going to be settled by  
 war. . . so long as no potent ma-  
 chinery is available to settle them  
 in peace.  
 "2. In the fury and hate and  
 madness of war's 'free-for-all fight  
 in a crowded room' we shall inevi-  
 tably suffer injuries or insults  
 sooner or later that will drag us  
 into war. And this is true regard-  
 less of all our pious resolutions to  
 stay out—and will be true as long  
 as there is no effective Supreme  
 Court of Nations to safeguard our  
 rights.  
 "Even if Mussolini and Haile  
 Selassie should not fight, there-  
 fore, they will nevertheless  
 have performed a priceless service  
 to America if they wake us up to  
 the seriousness of the dangers to  
 which we are exposed. . . the ser-  
 iousness of the dangers to which  
 young men who read this article  
 and the sons of older mothers and  
 fathers who read this article are  
 exposed. Vividly indeed has the  
 money-cost of war been presented  
 by Dr. Nicholas Murray Butler,  
 president of Columbia University  
 in these four unforgettable senten-  
 ces:—  
 "The World War, all told, cost—  
 apart from lives—400 billion dollars.  
 With that money we could have  
 built a \$2,500 house, furnished it  
 with \$1,000 worth of furniture, plac-  
 ed it on 5 acres of land worth \$100  
 an acre and given this home to  
 each and every family in the United  
 States, Canada, Australia, England,  
 Wales, Ireland, Scotland, France,  
 Belgium, Germany, and Russia. We  
 could have given to each city of  
 20,000 inhabitants and over in each  
 country named a five million dollar  
 library and a ten million dollar uni-  
 versity. Out of what was left we  
 could have set aside a sum of 5 per  
 cent that would provide a \$1,000  
 yearly salary for an army of 125,000  
 teachers and a like salary for 125,-  
 000 nurses.  
 "Such is the appalling money-  
 cost of war—a cost so great it dooms  
 half the men and women around  
 us to live out their whole lives  
 hounded by a poverty that real  
 world peace could convert into com-  
 parative independence and comfort.  
 And yet even this appalling money  
 cost of war must seem but a little  
 thing. . . when we think of the  
 millions of corpses and other mil-  
 lions of maimed, gassed, and per-  
 manently-invalided suggested by  
 these World War figures for only

eight nations:—

	Men Mobilized	Dead and Wounded

### ENGLISH CLUB

The English club met the fifth period, Friday. The roll was called by Imogene Howlett. Maxine Prewitt was program chairman, but it was postponed until next week. We divided into groups of four to make up a one-act play, working on it for the remainder of the period.

### NEWS 5-B

Mrs. A. C. Williams gave us a Halloween party, Thursday night. We all enjoyed it very much. We had a party in our room Friday afternoon.

### SPECIAL CHAPEL

A special chapel was called the fourth period Monday, November 4. The orchestra played as the school marched into the auditorium. W. I. Bryon led the song, "America." After prayer the entire period was turned over to Patrick Henry, Wichita Falls. He is a representative of the Hi-Y association of the state. He gave a very interesting talk.

### SENIOR NEWS

LeRoy Carter is back in Perryton high school after a short stay in California. He had attended this school in the preceding years and we are glad to have him report again in our class.  
Eliel Guffey, Chester Thiessen, and Efton Rabenkemp were absentees last week.

## SOCIETY

Minnie Kathryn Gamel entertained Luella McMillen with a lovely birthday dinner Sunday. Carmen Cofer ate dinner with Effie Jones Sunday.  
Abbie Hooper returned Sunday from Oklahoma where she has been visiting the past week with relatives.  
Virginia Correll, Minnie Gamel, LaVilla Funk, Elegene Funk, Marvin Funk, and Harvey Funk of Hillsboro, Kansas, enjoyed a delightful evening at the home of Luella McMillen Sunday.

### Thursday Nite Party

Winifred Butler entertained at her home Thursday night with a delightful party. Dances and card games were enjoyed throughout the evening.  
At a late hour the hostess served lovely refreshments.

Those who were invited were: Bette Bryon, Carmen Cofer, Ruth King, Virginia Correll, Virginia Holland, Edna Brillhart, Doris Cofer, Mary Lee Wilson, Imogene Pitts, La Vern Wooten, Imogene Howlett, Elsie Clark, Ruby Eads, Opal Rowe, Philo Butler, Bill Carr, Novis Livingston, Lee Kent, George Rowe, Marion Palmer, Gene Reynolds, Jack Allen, George H. Andress, R. T. Correll, Albert McGarrugh, Lloyd Holland and Glen Tindle.

### CHAPEL

The orchestra played as the school assembled for chapel the second period, Thursday, October 31. W. I. Bryon led as we sang, "Home On the Range." After prayer the program was turned over to Miss Beasley and her department. The first number was a piano solo by Anita Jackson. The second number was a short one-act play, entitled "The Initiation." The program was well given, and enjoyed by everyone.

## RANGERS DOWN TEXHOMA TEAM

POWERFUL OKLAHOMA ELEVEN DEFEATED 14-13; JONES' KICKING WINS THE GAME

The Rangers turned in one of the best games of the season last Friday when they defeated a powerful eleven in Texhoma. Texhoma's team was, on an average, larger boys and at least two years older per man. The difference in age is quite a handicap, but the difference was made up by the clever maneuvers of the Ranger team.

The offense of each team loomed at the beginning. Each team made a touchdown the first time they became in possession of the ball. The Ranger defense was not as good at first as it should be. Big Fat Ferguson gave up too many yards until he retired in favor of Truman Garrison who held the left tackle position secure while the Coach and Pat held a conference. Back in the game in the second quarter, Pat held the boys at bay throughout the contest.

The second counter came as a result of a long pass to Lee Kent, the right wingman, who took Correll's place at end during the second period. Kent, carried the ball to the opponents thirty yard strip, and a succession of running plays put the ball over.

The honor of winning the ball game goes to Clyde Jones. After each touchdown the burly fullback stepped back, took his stance and placed the old ball squarely between the uprights, from placement. Good blocking on the part of the linemen, an accurately timed pass from Kuhn, and the set-up by Tucker gave Clyde plenty of time to do kicking.

Along with the rest Ray McWilliams, Schroeder and Tucker gave a good exhibition of football.

It takes a good man to work out all year and not play all time. Some of these boys are considered regular starters, but they can't play all time. Two boys that have been outstanding this year in that capacity are Truman Garrison and James Flowers.

The boys in practice Monday decided to dedicate the game November 11, with Spearman, to the seniors on the team, namely: Joy Hergert, Gene Tucker, Reese Nowlin, Cap Correll, George Prewitt, and James Flowers. Each member of the team declares they were going to play the best game of their football career up to now against the Lynx.

### PUBLIC SPEAKING

The work for the public speaking class has been outlined weekly for the term. On Mondays, a lesson is taken from the text book, on Tuesdays, one-act plays are to be practiced, Wednesdays are given to extemporaneous speeches, Thursdays, declamations are practiced in the auditorium, and on Fridays another lesson from the text. The extemporaneous speeches are to be on Texas this year.

### MEET YOUR TEACHER

Miss Annie Bruce Henderson was born on July 27, 1915, in Frederick, Oklahoma. She graduated from Abilene high school in 1932; then entered McMurray College, where she graduated in August, 1935.

Miss Henderson has dark hair and dark eyes. She is 5 ft. 4 1/2 inches tall and weight 118 lbs. She says her favorite food is heavenly hash which has nuts, marshmallows, pineapples, and everything good in it. She says she likes to do everything, just as long as it's going some place. She helps Mr. Kelly in coaching the basketball girls, but her hobby is not basketball; she likes dramatics much better. Her pet hobby, however, is shoes. She has 13 pairs. The size is AAAA "and just as long as I can get them" she says.

She is home room teacher for 4-B.  
Her favorite color is red. Notice the bright red combs she wears in her hair, and also notice the three wedding rings, bound together, that she wears on her left hand. Wonder what they stand for?

### BOYS GLEE CLUB

O. A. Bush has started us on quartet numbers. We have four quartets and later Mr. Bush will select judges to pick out the best one of these four. We shall start on solo numbers soon.

### TEN MINUTE CHAPEL

The ten minute chapel programs for Thursdays has been given to the Texas history class. Every Thursday, a member of the class will talk on some Texas hero. Thursday, October 31, Arlene Slaviv gave an interesting talk on Moses Austin.

### NEWS 1-A

A Halloween party was enjoyed by the entire room and several visitors who were present. Our room sponsors, Mrs. C. F. Jones, and Mrs. I. R. Buchanan, came and furnished the big feature which was the eats. Mrs. W. G. Caldwell also sent individual iced cakes for each child.

We are very sorry Netty Mack Brillhart and Billie Ray Butler are ill. We hope they will soon be back with us again.

We have finished all three of our pre-primers and are ready for a real book this year.

### SPANISH NEWS

Our Spanish class may not be doing so well, but we think we are, so we might as well all be honor roll students. We now know two verses of America, the days of the week, months of the year, how to tell time, add, subtract, and multiply in Spanish, besides being able to translate English to Spanish and Spanish to English. I almost forgot to mention the conjugation of verbs, and the agreement of adjectives with the word they modify, which of course are very important.

Our lesson for today deals with the parts of the body in Spanish. Adios.

### JOKES

Officer: You know, Brown, when I disturbed you in the park last night, I had no idea you were kissing your own wife.

Brown: Neither did I until you flashed your light.

Mr. Irvin: This week I shall read you the most unfortunate thing that ever happened in the Bible.

Boy: Oh! he read that last week.

Girl: What was that.

Boy: The creation of woman.

### Back To Normal

Nurse: I think he's gaining consciousness; Dr., he tried to blow foam off of his medicine.

Barbers in some towns are charging more for shaves. They state that owing to the depression their customers faces are longer.

George: If Mrs. Woods doesn't take back what she said, I'm going to drop English.

Albert: What did she say.

George: You failed.

### 7-2-3 NEWS

In health we are learning how many calories our food contains. After we learn caloric value of foods, we are going to plan correct diets for ourselves.

Clifford Gyger was the only one to make one hundred in spelling Friday.

Emma Fae Bull spent Wednesday night with Irene Rowe.

We had perfect attendance, Thursday.

### ROOM 4-B

Miss Henderson gave our room a Halloween party Thursday afternoon. We played games and Miss Henderson served the refreshments.

### MEL-ROY PROGRAM RECEIPTS

The total receipts from the Mel-Roy program were \$140.00. Mel-Roy received \$90.10 and the Rangers \$49.90.

## REVIVAL FULL GOSPEL CHURCH

**INTEREST GROWING DAILY AT FULL GOSPEL TABERNACLE REVIVAL. EVANGELIST SCHULTZ LEADER**

The revival which began October 27 at the Full Gospel Tabernacle continues to increase in interest and support as the meeting progresses. The services begin each evening at seven-thirty. Last Sunday, three services were held, and the same schedule will be repeated each Sunday until the close of the meeting on November 17.

On Tuesday and Thursday at 2:30 p. m., there is a prayer meeting and Bible study. The young people meet for their special services on Tuesday, Thursday and Sunday at 6:30 p. m.

The order of the night evangelistic meetings is choir and special numbers; the George sisters of this city in charge of the special numbers and Joe Lilly directing the choir. Brother Robert Girouard, pastor of the Tabernacle, has charge of the devotional. Gail W. Schultz, evangelist, is the speaker each evening. He brings sermons of knowledge and interest to all.

The public is invited to meet with the Full Gospel congregation and enjoy the soul stirring services of the revival.

Mrs. Pansy Weaver, Mancos, Colo., visited Monday and Tuesday with her sister, Miss Iva Pectom. Tuesday they visited in Shattuck, Okla., and Mrs. Weaver remained for a two weeks stay with her mother.

T. M. Roper, Oklahoma City, Oklahoma, was in Perryton Wednesday renewing acquaintances.

Mr. and Mrs. M. M. Cruse, who have been transferred to Drumright, Oklahoma, where he is manager of the McLelland store, left for their new home Thursday.

Miss Winona Allen is confined to her home with scarlet fever.

## TO LOSE FAT EAT SENSIBLY

Go light on fatty meat, butter, cream, and sugary sweets—eat fresh vegetables, fruits, fowl and fish (except salmon and mackerel).

Be sure and take a half teaspoonful of Kruschen Salts with the juice of half a lemon in a glass of hot water before breakfast every morning.

Mrs. J. E. McCausland of Pittsburg writes: "I took off 8 lbs. in two weeks with Kruschen. I ate as usual and feel fine."

Pay no attention to gossipers who say there is no safe way to reduce. Millions the world over take the little daily dose of Kruschen not only to banish excess fat but to keep stomach, liver, gall bladder, bowels and kidneys in healthy working condition.—Kruschen costs as low as 40c.

No more cathartics—no more laxatives, and no constipation when you take your little daily dose of Kruschen. Perryton Drug Co. and druggists everywhere. 4-Adv.

## ARMISTICE DAY

(Continued from page 1)

Between the two teams, the Rangers have won five, the Lynx five, with one tie game, so the contest this year will be of more than passing interest.

An American Legion sponsored dance will be held at Donley Hall in the evening. Dancing will start at nine o'clock.

## REVIVAL

(Continued from page 1)

want is a better Perryton, and remember that Perryton will be no better than its religious life. We want these meetings to accomplish several things. There are some sleepy church members in Perryton who need to be aroused. They only go to church when their feelings are just right. Also there are some sinners who need the saving power of the gospel. The pastors and members of other churches are invited to these services. Members of the church, let us get together and make this the greatest revival Perryton has ever had. A large chorus with special music at each service.

## PANTRY DAY

(Continued From Page 1)

results were graded highest as they were the primary aim of the demonstrator.

The pantries showed a general improvement over last year's work, despite the spring dust storms and the dry weather, which caused all the gardens to be late and made it impossible to raise certain vegetables.

The club women deserve much credit for their accomplishments and for the growing interest in this great work. The well filled pantries, showing a balanced menu for the families needs, and the spirit of cooperation and friendliness prevailing among the club members, is a reward worth striving for.

Dr. and Mrs. Manse Wood were in Amarillo for a visit in the home of his sister, Mrs. Euell Wright and family, over the week-end.

Mrs. Johnny Holland and Mrs. Atwood Croson were Liberal, Kans., visitors Monday.

Mr. and Mrs. T. J. Sudeth announce the birth of a daughter on Tuesday, November 5.

Mr. and Mrs. G. D. Stanfield and children, Shirley and Stanley, came in Sunday from Drumright, Okla., and will make their home in Perryton. Mr. Stanfield is the new manager of the local McLelland store, taking the place of M. M. Cruse, who was moved to Drumright.

Buster Tacket underwent an appendicitis operation at the Perryton hospital Sunday. At present his condition is quite favorable.

W. L. Anderson, commissioner from Precinct No. 1, was in Floydada, Texas, last week attending court.

Mr. and Mrs. Joe Pittman and daughter, Mary Elizabeth, Ashland, Kans., and his brother, Sam Pittman, Prairie Grove, Ark., came in Saturday for a few days visit in the A. B. Hammon home. Mrs. Pittman and Mrs. Hammon are sisters.

## FARNSWORTH P. T. A.

A large crowd enjoyed the following program rendered by the members of the Farnsworth Parent Teacher Association on Monday night at the Farnsworth gymnasium: talk—Roger Pearson; piano solo—Mrs. O. C. Rodgers; selections—Rhythm Band; reading—Morris Moore and Rowlin Pearson.

During the business meeting it was announced that the P. T. A. would sponsor an old time box supper to be preceded by two plays, on November 15.

## RANGER-LYNX TICKETS SOLD AT DRUG STORES

Tickets for the Armistice Day football game between the Rangers and Lynx, football teams of the Perryton and Spearman high schools are now on sale at all drug stores in Perryton. The admission for the contest is 50c for adults and 25c for students. The tickets can be obtained at the Shindler Drug, Perryton Drug, City Drug and Theatre Drug. School officials urge all Perryton people who intend to see the game buy their tickets down town before going to Ranger Field. This will avoid much confusion and delay at the park. A large stock of tickets has been sent to Spearman for advance sale.

## Mrs. J. F. Peters Dies

Wife of Prominent Merchant Is Buried Sunday Afternoon At Ochiltree

Funeral services for Mrs. Jno. F. Peters, wife of Jno. F. Peters, manager of the Home Town Grocers, were held Sunday afternoon at two-thirty at the Methodist Church in this city, with Rev. W. B. Vaughn and Rev. F. D. Koehn officiating. Interment was in the Ochiltree cemetery. Pall bearers were J. M. Brown, Amarillo; J. J. Schwaik, Boyd; L. D. Brown, Hitchcock, Okla.; J. F. Kroeker, Corn, Okla.; and Barney and Jake Dehn, Okeene, Okla.

Anne Thiessen was born March 4, 1897 in Blaine County, Oklahoma. In 1914 she was united in marriage to Elbert Hoch. Two children, Viola and Wesley, were born to Mr. and Mrs. Hoch before the father passed on. On September 11, 1920, she married Jno. F. Peters, and this union was blessed with four children: Johnnie, Sammie, Doris and a child who died in infancy.

Mrs. Peters was converted at the age of 14 and united with the Church of the Mennonite Brethren. In 1914, she became a member of the Methodist church in Oklahoma. When the Peters' family came to Perryton about five years ago, she placed her membership in the local Methodist church.

The deceased had devoted her life to the profession of nursing and many people who are enjoying life today, owe their health to the devoted service she rendered them during illness and suffering. Mrs. Peters was a true friend, a devoted wife, a loving mother, and above all else, she was a Christian. She placed her faith in Him early in life and remained true to His cause until death, which came on the afternoon of Thursday, October 31.

Following her work in the nursing profession, Mrs. Peters lived in Colorado, Paxton, Nebraska, and Meade, Kansas. During her last illness, everything possible was done by skilled medical men and loving hands. She received treatment in hospitals at Savannah, Mo.; Laredo, Texas; Muscatine, Iowa; and Claremore, Oklahoma.

Surviving relatives are the husband and children; father and step-mother, Mr. and Mrs. D. Thiessen, Okeene, Oklahoma; brothers: Dick and Ben Thiessen, Okeene; J. L. Thiessen, Rogers, Ark.; John Thiessen, Perryton; and Pete Thiessen, Healdon, Okla.; sisters: Mrs. Tina Croker, Corn, Okla.; and Mrs. Susie Brown, Colony, Okla.

Turner R. Shirley, Huntoon, spent the week end in Lubbock, visiting his mother, Mrs. B. C. Shirley, who is ill in the hospital there.

Mr. and Mrs. Sam Hergert and Mrs. M. R. Coffee visited Tuesday in Liberal, Kans.

## Proved in '35- NOW BETTER THAN EVER FORD V-8 TRUCKS FOR 1936

TRUCK operators bought nearly 100,000 Ford V-8 Trucks and commercial cars the first 6 months of 1935—58% more than in the same period last year.

These operators found the 80 h. p. Ford V-8 engine ideal for modern trucking. It has exceptional power, flexibility, stamina—and their records prove that the V-8 is the most economical Ford Truck ever built.

And they prove far more—the Ford's ability to stay on the job, out of the repair shop—its rock-bottom upkeep costs—the tremendous strength of Ford's heavy-duty chassis and frame.

You get these proved qualities in the 1936 Ford V-8 Truck—plus new improvements for even greater efficiency and dependability. Read the features at the right. Think what value they mean at Ford's low prices.

Make Your Own "On-the-job" Test  
Ask your Ford Dealer to loan you a 1936 Ford Truck. Let your driver and load prove Ford V-8 value to you with the greatest truck Ford ever built. There's no obligation.
