$88,721 PROJECT

Lone Wolf Co-op Adds to Building

Construction of additions and alterations to Lone Wolf Electric Cooperative, Inc., building, just south of U. S. Highway 80 on State Highway 208 (to Robert Lee) east of Colorado City, is expected to begin within 15 days.

The $88,721 contract for the project was awarded to John Bright and Associates of San Angelo, reports Lone Wolf manager Raymond Perdue.

The additions will add 4,201 square feet of floor space to the present building — an enlargement of floor space of not more than 40 per cent. Additional construction will be connected on the north side of the present building and a parking lot with space for 30 to 40 cars, will be constructed behind the new section of the building.

The additions were designed and the plans drawn by architect Richard Buzard of Abilene.

The new portions will include a Director's room, Manager's Office and a new Work Room, where business machines will be operated — but of special interest is the addition of the new Community Room where groups and organizations may have meetings.

The Community Room will seat 200 people at chairs, or 150 people at tables. The stage will be equipped with an all electric kitchen where demonstrations will be performed. The same kitchen facilities may also be used by organizations from which to serve refreshments or meals.

Instead of the usual curtain, sliding doors will close off the stage from the Community room. Public rest room facilities will be included as well as space for chair and table storage.

The room will have its own lobby and entrances, making it possible to separate completely the activities of the community room and the working functions of the electric cooperative organization says Perdue.

Mahogany wood paneling will be used in the Directors' Room, Manager's Office and the Community Room. Generally, the exterior of the building will be of face brick, matching the existing brick work and the central portion of the building will be of cut shell stone.

32nd Grand Jury Indicts "Tumbleweed King" Here

Harry Snyder Facing Charges

A 32nd District Court Grand Jury returned 11 indictments here Wednesday — 5 against Harry F. (Tumbleweed King) Snyder.

Five separate indictments a total of 11 counts were returned against Snyder.

Snyder, former 50 per cent stockholder and president of Tumbleweed Co., Inc., a business he promoted and spearheaded the organization of here early in 1960, is charged with theft, embezzlement and theft by bailee from Tumbleweed Co. while he was both president and an employe of the incorporated company. It is alledged he stole, embezzled or misused property and checks of Tumbleweed Co. valued at $5,785.36.

An indictment of 2 counts of theft of bailee was also returned by the Grand Jury against Betty Williams, a former employe of the company. She is alledged to have taken property in the value of $340.80.

Snyder was recently arrested, reports District Attorney Weldon Kirk, in Cincinnati, Ohio, on a fugitive warrant issued from Kirk's office on the complaints filed by the present owners of Tumbleweed Co.

Snyder went before a magistrate in Cincinnati and was bound over to appear at a Jan. 31 hearing to determine whether he would be extradited to Texas, says Kirk. Kirk will apply to the Governor of Ohio for extradition. If extradition is granted, Mitchell County Sheriff Lewis Claxton will travel to Cincinnati to return Snyder here, the District Attorney said.

Former 32nd District Judge A. S. Mauzey received the Grand Jury.

Johnny B. Dehoyos of Scurry County was indicted for possession of marijuana. He was arrested at his farm home near Hermleigh Friday, Jan. 15. The action resulted from a search conducted at a dance here in Colorado City Saturday, Jan. 9. DeHoyos has been held in Mitchell County jail in lieu of $1,000 bond.

Perry Barnes Training in ASCS Office

Perry Barnes is now undergoing training at Mitchell County Agricultural Stabilization and Conservation office, 136 E. 3rd St., as an ASC office manager.

Barnes, 31, is under the supervision of Wayne Worley, local ASCS office manager for the past 4 years.

Barnes, a 1957 graduate of Howard Payne College in Brownwood, began training here Jan. 8. He is expected to be here from 8 to 18 months before being assigned to an office of his own in the state.

He and his wife, Delores, and 3 daughters live at 1333 Oak St. Their daughters are Debra, 6, Donna, 4, and Rhonda, 7 months.

Barnes was division traffic supervisor for Southwestern State Telephone Co. in College Station 3 years prior to entering ASCS work. He is a veteran of 4 years service in the U. S. Army and was district Boy Scout executive in Ballinger for 2 years before joining Southwestern States.

FOR LOCAL DISTRICT

Annual School Census Begins

The annual school census of Colorado Independent School District is being conducted this week, reports Superintendent Frank Wilson.

Census forms went out to each family with children in school, Wednesday with semester report cards.

Parents with children who will be 6 years old on or before Sept. 1, 1962, with no other children in school, may secure census blanks from Councilor T. D. Wiman's office at Colorado City High School or by calling Wiman at RA 8-3216 or by calling any principal. Blanks will be mailed in answer to telephone requests.

"It is of the utmost importance that each and every boy and girl in the district whose birthdate is on or between sept. 2, 1944 and Sept. 1, 1956, be enumerated," says Wilson, "as this is one of the areas of income for the district. Also, the number of 6-year-old children enumerated will determine the number of first grade teachers."

Wilson also reminds all parents that a birth certificate is necessary for all children entering the first grade in the district in September.

AT ANNUAL CHAMBER BANQUET

Jaycees to Name DSA Winner Tuesday Night

The annual Distinguished Service Award will be presented by The Junior Chamber of Commerce during the ceremonies of the annual Chamber of Commerce Banquet here Tuesday night at 7:30 p. m. in Civic House.

This year marks the first time the DSA has been presented at the Chamber Banquet. In years past, it has been presented at a separate banquet by the Jaycees.

The DSA is presented to the outstanding young man in the city each year. The 1960 DSA winner, Henry Lewis, will present the 1961 award. The identity of the outstanding young man will not be revealed until the Tuesday night program.

Master of ceremonies for the Chamber Banquet will be Paul Boyd Hunter, 1961 Membership Committee chairman.

Guest speaker for the banquet will be John B. Connally, former Secretary of the Navy. This speech will be on "Experiences while Secretary of the Navy."

Connally resigned the secretary's post after his acceptance of the invitation to speak at the banquet. He is now an announced candidate for Governor of Texas.

The DSA is presented to the young man chosen by the DSA Screening Committee. This committee is made up of representatives of 6 local organizations.

The organizations and their representatives for this year's award are:

Kiwanis Club, H. I. Berman and A. V. Shepherd; American Legion, Tom Goss and Roy Harrison; Junior Chamber of Commerce, Bob Ratliff and Henry Lewis; Ministerial Alliance, Rev. Rush Barnett and Rev. H. W. Bartlett; Chamber of Commerce, Porter Richardson and John Tom Merritt; and Lions Club, Jeff Taylor and Jay Craddock.

The committee will make its final selection for the outstanding young man, who will receive a plaque from the Jaycees, just before the Tuesday night banquet.

The plaque, engraved with the winner's name, reads:

"Distinguished Service Award, Presented by The Junior Chamber of Commerce for outstanding community serv-

Services for Victim of Accident Here

Funeral services for C. N. (Doc) Mayo, victim of an oil field accident, were conducted here Wednesday at 9:30 a. m. in Kiker and Son Chapel.

Officiating was Rev. Caddo Matthews, pastor of the Plainview church. He was assisted by Rev. E. V. Brooks, pastor of Oak Street Baptist Church.

Burial was in Oak Wood Cemetery in Corsicana Wednesday at 4 p. m. in graveside rite under the direction of Kiker and Son.

Mayo, 53, died early Monday afternoon at the Jameson Reef location on the Sun Oil Company lease about 6 miles southwest of Silver when struck in the chest by a cap from a high-pressure line.

He apparently was working on the line and opened a valve that resulted in pressure forcing off the cap. The cap struck Mayo in the chest, directly over the heart.

The body was discovered at 6:15 p. m. by a fellow employe. Death was estimated to have occured at approximately 2:15 p. m. Mayo was last seen at about 2 p. m. A search began for him shortly before 6 p. m. when he did not return home — he lived at 107 E. 14th St.

He had worked for Sun since 1944 and had lived in Snyder and Silver before moving to Colorado City 18 months ago.

Mayo was born Dec. 15, 1908, in Kerens. He married Miss Evelyn Campbell in Corsicana in 1936.

Deadline for Poll Tax Is 13 Days Away

Mitchell County's eligible voters have only 13 more days to secure their 1962 poll tax receipts — ONLY 13.

The deadline of 12 midnight Wednesday, Jan. 31, is fast approaching for purchasing the $1.75 receipts.

County Tax Collector-Assessor Monte Hardegree and his office staff have issued 280 receipts in the last 10 days. The total is now at 853 issued for the year a long way from the approximately 3,000 citizens eligible to vote in Mitchell County.

A member of Hardegree's staff will be at Lions Club Friday to issue receipts — as the Lions and other civic clubs have requested in the past as a public service. Other clubs may do the same by making arrangements with Hardegree.

All residents who have lived in the county 6 months and the state 1 year are eligible to vote in the 1962 elections. Anyone who reached the age of 60 before Jan. 1, 1961, is entitled to vote without securing a tax receipt or an exemption. However, exemptions are necessary for those who reached the age of 21 at any time during 1961 — although they do not have to purchase a receipt.

70-YEARS-OLD

Flames Destroy Historical Home

Fire destroyed one of the oldest homes in Mitchell County Tuesday afternoon.

The 10-room W. W. Jenkins house, owned by Mrs. Faye G. Jenkins, burned to the ground destroying almost all the furnishings and personal belongings of the Curt Shaw family.

The huge structure, 70-to-75 years old, was located approximately ½ mile north of Farm Road 1808 (to Cuthbert) — about 2½ miles west of the Colorado River in the Fairview Community.

The fire was reported to Colorado City Volunteer Fire Department at 4:05 p. m. When firemen arrived, the structure was completely engulfed in flames and beyond saving. A garage and smokehouse beside the house were only smoking embers when the firemen arrived.

Firemen surmised the fire started at or near either the smokehouse or garage to the east of the house. A gusty wind blowing from the northnortheast was blamed for the rapid spread of the flames.

Estimates of damages were at $6,000 on the house and at least $3,000 on its contents. A comparable house, if built today, would probably cost $13,600 said one builder here.

Farmer Shaw was stripping cotton approximately 500 yards south of the house when he noticed the flames just a few minutes before 4 p. m. His wife, Vesta, and their 2 daughters, Connie, 6, and Sheila, 1, were in the house at the time.

All escaped without injury but were able to save only a scant few articles of furniture and clothing before the flames forced them from the house. Included in the loss was a new television set and new bedroom furniture.

The house, partially constructed from sections of an old hotel moved from Colorado City probably in the 1880's or 1890's, had 2 stories. Mrs. Jenkins father, once Mitchell County sheriff moved to the house in 1902.

Also lost in the flames was a treasured piano of Mrs. Jenkins. She learned to play on the piano early in life.

Walter Smith Dies

Walter Smith, 69, died here at Root Memorial Hospital Monday night following a short illness. The ranch hand was a long-time resident.

Survivors include 2 sisters, Anna Dodd of Moody and Margaret Smith of Temple.

Funeral arrangements are pending at Kiker and Son Funeral Home.

St. Luke Dedication

St. Luke Methodist Church will dedicate its building, 1635 Walnut St., 4 p. m. here Sunday.

Bishop Paul V. Galloway, bishop of the San Antonio-Northwest Texas area, will preside at the services. Also taking part in the ceremony will be Dr. H. Clyde Smith, District Superintendent of the Big Spring District.

Rev. Tommy Nelson of Amarillo and Rev. Lynward Harrison of Goree, former pastors, will assist in the services.

Nelson, St. Luke's organizer and first pastor, will preach at the morning worship services. He pastored the church from 1954 until 1957.

Harrison served the church from 1957 until 1960. The present pastor, Rev. Weldon Rives, came to the church in 1960.

A reception will follow the dedication services. It will be hosted by the church's Woman's Society of Christian Service at the parsonage, 1446 Oak St.

Nelson organized the church in Primary School here July 11, 1954, with 15 members. The initial building program was started in September of 1954 with the purchase of the old Longfellow School for materials. Actual construction began Mar. 28, 1955.

Architect for the building was Rev. Hugh Hunt. Building committee was composed of chairman D. L. McWilliams, T. J. Trice, Bill Gray, W. O. Stewart, J. B. Motley and Forrest Yancy. Yancy is the only member of that committee still a member of the church or the committee when the building, located on the southwest corner of Walnut and 17th Sts., is valued in excess of $300,000 today.

HELP FOR SHAWS

Fairview Community's citizens will host a miscellaneous "shower" Saturday night for the Curt Shaw family at 7 p. m. in Fairview Baptist Church. Everyone is urged to attend to aid the Shaws in replacing all of their personal belongings lost in the Tuesday fire.

STATE REPRESENTATIVE

Max Carriker Asks Re-Election

State Representative Max D. Carriker of Roby announced this week as a candidate for re-election in District 80 composed of Mitchell, Nolan, Fisher, Dickens, King and Stonewall counties.

Carriker is seeking re-election to his third 2-year term in the Texas House.

In his announcement of candidacy, Carriker said:

Every district in Texas has its own individual programs. mine is no different, except by working together we are making vital progress, while some others are standing still.

"I ask the support of my old friends and I want to visit with the people of my district and invite any of them, if they are in Austin during this special session, to stop by my desk in the House of Representatives. Lets get acquainted so that I can better serve as your Representative.

"I urge all the voters of District 80 to pay their poll tax during January and I ask their vote both in the Democratic Primary and in the November general election."

A Fisher County native, Carriker graduated from Hardin-Simmons University in Abilene in 1941. He and his wife, Dorothy, are the parents of 2 sons and a daughter. He is a veteran of overseas duty with the U. S. Air Force in World War II.

Just recently he was reappointed to the Governor's Committee on Aging. He was the author of the committee when the Medical Assistance to the Aged measure was passed.

Cards Roll By Loraine

Hermleigh's Cardinals toppled Loraine's Bulldogs, winless in district play, 45-33, Tuesday night in a District 92-B basketball game played in Hermleigh.

Ken Bell scored 23 points to lead the Cards to the victory. Garcia's 10 was high for Loraine. In other Loraine scoring, Redwine had 9, Moore scored 9, Bright made 2 and Cane sunk 3.

The girl's game went to Hermleigh by a 38-36 score, Judy Ethredge led the winners with 18 points while Loraine's Betty Hall registered 26 in a losing cause.

FOR 1962 CROPS

County's Cotton Potential Hiked

A new Department of Agriculture policy on skip-row cotton planting in 1962 will increase Mitchell County's potential cotton production even though acreage allotments for the county were decreased 2.9 per cent.

Announcement that the 4-row limitation on skip-row planting will not apply to the 1962 crop was made this week by Secretary of Agriculture Orville L. Freeman.

The change in the program means Mitchell County growers have more latitude in planning and carrying out their operations and that each will determine for himself the pattern best suited to his operation.

Under the new system, only land actually planted to cotton will be counted as cotton land actually planted to cotton acreage allotment.

Mitchell County's acreage allotment for 1962 was cut 2.9 per cent from the 1961 allotment — to 74,203 bales.

For county farmers, the new system means that a greater potential for production, that better land can be put to its most productive use and that actually more acres of cotton can now be planted.

That's good news to the county's farmers who are presently ending one of the best cotton years in history with a production of more than 40,000 bales. With the increased potential, and favorable weather conditions, the annual $6,000,000 cotton crop of the county could be increased noticeably.

County farmers will produce more cotton, under favorable conditions, because in the past all cotton planted in a 2-skip 1, or 2-skip 2, pattern was countted 100 per cent cotton. Acreage planted at 2-skip 1 would actually only be 66 2-3 per cent cotton under the new program — where before it was counted at 100 per cent toward the producer's total acreage allotment.

It also means that land more suitable for growing cotton may be more fully or 100 per cent planted — avoiding the "waste" of good land in skip-rows.

Too, it means dryland farmers will not be penalized for skip-row farming. Skip-row planting is many times necessary on dryland in order for the plant to fully exhaust moisture from the soil.

AT COMMUNITY CENTER

Mr. and Mrs. Rogers to Observe 50th Anniversary

The children of Mr. and Mrs. J. M. Rogers, 602 Pine St., will host an open house honoring their parents at the Community Center, Sunday, Mr. and Mrs. Rogers are observing their 50th wedding anniversary.

REPORTS MRS. R. M. REED

City Needs More Special Classes for Ill Children

BY PEGGY BELVIN
Record Staff Writer

Each year in the United States alone, there are several thousand children born who are in some way retarded from their normal childhood characteristics. These children are born with a low mental capacity which makes it hard for them to progress in normal every-day functions and educations. For such children born in Colorado City and in Mitchell County, there is but one classroom which functions on a system most desired for an educational training for these children. This classroom is the Fourth, fifth and sixth grade classroom at Hutchinson that is taught by Mrs. R. M. Reed.

The children's ages vary from age 10 through 14 and they are taught primarily numbers reading, spelling and writing.

Mrs. Reed reports the class's main objectives are to teach the childen how to get along with other people and how to be a useful citizen in their communities. They are taught courses which require the use their minds and hands, such as handcrafts and the course es mentioned earlier. Each child is tested by Dr. Jeton, a psychologist from Hardin-Simmons University in Abilene. These tests determine the child's exact mental capacity. The children are then divided into groups of varying capacities and they compete with children only in their own mental division. This gives each child the will to strain his capacities without the feeling of being left far behind other students.

Such classrooms are set up by the state and classroom procedure and the selection of the teachers must be approved by the state. Teachers for such classes must meet more rigid standards than those for teachers of normal classrooms. It is largely because of this fact that the number of such qualified teachers is inadequate.

Mrs. Reed has been teaching the class at Hutchinson for 4 years. It is the only classroom of its kind in Mitchell County. Mrs. Reed has one daughter, Mrs. Janie Faye McNair. She and her husband are freshmen students at Mary Hardin Baylor College in Belton. Mrs. Reed said of her class: "I feel that our community should appreciate a class like this and should be ready and willing to tell others about it. We need special education classes in each school in Colorado City, and citizens should strive for them until the need is filled." The 1921 Study Club of Colorado City is fulfilling one need of the special education class. For 3 years the club has acted as the class's official room mothers. They plan parties and special activities for the class and give each student a true sense of belonging to his school and to his community.

HOME TOWN

Talk

By PEGGY BELVIN

This writer had a visit this week from relatives from that state of the Great Smoky Mountains, TENNESSEE.

The state of Tennessee has been unable to hold this writer's interest, until some of the facts were learned about the state.

It's hard to realize that citizens of Tennessee have about as much to brag about as do Texans. The state is listed as an industrial one, with manufacturing payrolls about twice that of farm income. Principal industries are chemicals, textiles, foods, apparel, printing and publishing, metal working and lumber products.

It leads the south in variety of minerals, with coal leading in value. It has cement, stone, ferro-alloys, phosphate rock, zinc and clay.

Twenty-seven leading agricultural crops in Tennessee in a recent year aggregated $318,645,000.

The state has 53 institutions of higher learning, including 28 colleges and universities.

There are 17 state parks covering 127,000 acres, 13 state forests totaling 143,752 acres, and 20 state-owned lakes, hatcheries and game preserves totaling 315,864 acres.

Norris Dam in Tennessee creates a beautiful lake covering 34,200 acres with a shore line of over 800 miles.

Tennessee has at least 3 natural wonders. Reelfoot Lake, the reservoir basin of the Mississippi River formed by an earthquake in 1811; Lookout Mountain, a rock-faced promontory carved by the currents of the Tennessee River and overlooking Moccasin Bend; and the Great Smoky Mountains National Park, which is about equally divided between Tennessee and North Carolina.

As former Texans, this writer's relatives decided to go into farming. Since Tennessee is a smaller state, naturally the farms would be smaller. The farm in question is a 30-acre one.

Won't grow much cotton there, you say?

Only 1 acres of the farm is to be planted in cotton, 3 acres is to be planted in strawberries and the remainder of the acreage is to be planted in corn.

Though Tennessee may have a lot of fine facts to their credit, this Texan will still argue that no other state in the Union can raise Boll Weevils to match those grown in our Lone Star State . . .

ON CIVIL DEFENSE

County HD Office Plans Programs

Mrs. Cricket B. Taylor, County Home Demonstration Agent, has announced a series of Civil Defense Programs has been planned by the county office. The series of programs will begin in February and will last through the month of April.

The programs will be presented to all Home Demonstration Clubs in Mitchell County. They are designed to acquaint the people with the necessary preparation steps for survival.

The topic to be discussed in the programs for February is "Survival in Case of Atomic Attack." Discussion topics for these programs are:

1. Why plan for a nuclear attack?
2. What are the dangers?
3. Warning signals
4. What to do in case of an attack.

The programs for the month of March are centered around the program title, "Family Fallout Shelters."

Topics for discussion for these programs are:

1. Facts about fallout protection.
2. Provisions for shelters and consideration common to each.
3. Food Supply for Fallout Shelters" is the topic title for the March Programs.

The topics for discussion are listed:

1. Provisions for safe look
2. Provisions for safe water supply.

Mrs. Taylor further stated that an invitiation is extended to all who wish to attend these meetings. If further information is desired, they are urged to contact the County Home Demonstration Office.

Local Pastor At Missions Board Meet

Rev. Darris Egger, pastor of First Methodist Church of Colorado City, was in Lubbock Tuesday of last week attending an executive committee meeting of The Texas Board of Missions.

Rev. Egger is secretary of the board. He is also the chairman of the Church Extension Committee of the Board of Missions.

The Board of Missions was organized to carry on the missionary program of the Methodist churches in the North west Texas Conference. One of the main duties of the Extension Committee is to work to establish new churches. They also provide loans and donations to needy churches.

The Board of Missions has 2 full meetings each year and the executive committee meets once yearly.

Mrs. Joe Lane Has Devotion For Meeting

Mrs. Joe W. Lane brought the devotional "Growing Old" to the Thursday night meeting of the Faith Sunday School Class of First Baptist Church. The meeting was in the home of Mrs. Charles Arledge.

Class members brought gifts to be presented to the patients of Colorado City Rest Home.

Refreshments were served to the following members: Mmes. Lonnie Bounds, E. A. Spann, De Witt Hardin, John Reed, Lane and the hostess Mrs. Arledge.

Next meeting will be Thursday night, Feb. 8, in the home of Mrs. Wayne Worley. Project for this meeting will be to bring valentines to send to The Buckner's Orphan Home

IN FRIDAY INSTALLATION

Mrs. Airhart Takes Office As Carr HD Club's Prexy

Mrs. Ruth Airhart repeated the creed that made her 196 president of the Carr Home Demonstration Club in their installation ceremonies Friday. The meeting was in the home of Mrs. C. N. Adams and was co-hosted by Mrs. F. A. Langley.

Other officers installed during the meeting were:

Mrs. D. G. Rollins, vice president; Mrs. John Latty, secretary-treasurer; Mrs. T. G. Sweatt, council delegate and Mrs. Emory Sweatt, reporter.

Mrs. Tom Jackson, outgoing president, presided until after the installation ceremonies, when Mrs. Airhart took charge. Mrs. Jackson distributed the new yearbooks and read letter of appreciation from the Travis State School in Austin. The letter was written to thank the members for their Christmas gifts to the patient the club sponsors.

Mrs. Airhart read a letter of appreciation from the Big Spring State Hospital. This letter was written in appreciation for the Christmas package the club sentt to the hospital.

Thank-you letters were also read from Mrs. T. L. McKenney and Mrs. Tina Johnson for gifts of flowers from the club members. Mrs. Airhart opened the meeting by leading the group in singing the club song and Mrs. Langley led the group in prayer. Mrs. John Latty called the roll and members answered with "What have I done to prevent accidents in the home?"

The members voted to contribute to the repairing of the roof of the Carr Community Center.

After her installation as new president, Mrs. Airhart gave a short talk to the club members. She announced that the members would serve pie and coffee at the 4-H and Future Farmers of America Livestock Show Friday and Saturday. She also appointed the following demonstrators for the new club year:

Mrs. Tom Jackson, food; Mrs. Louis Rees, gardens and landscape; Mrs. McKenney, housing and home furnishings and Mrs. D. G. Rollins, clothing. New committee chairmen for the year are; Mrs. T. G. Sweatt, program; Mrs. Latty, finance; Mrs. E. Sweatt, publicity; Mrs. T. A. Rees, education, expansion and exhibits; Mrs. L. Rees, recreation and Mrs. Curtis Stone 4-H and Civil Defense.

The hostesses through the month of May were recorded in the new yearbooks. Refreshments were served to the following members present: Mmes. Airhart, Rollins, Latty, T. Sweatt, E. Sweatt, Jackson, Rees, Adams and Langley.

The next meeting will be in the home of Mrs. Frank Neal, 715 Marshall St., Jan. 19. Mrs. Cricket Taylor Mitchell County Home Demonstration Agent, will present the program on the use and care of small electrical equipment.

PROGRAM BEGINS AT 8 P. M.

CHS Journalism Department Presents "Howl Night" Tonight

Tonight (Thursday) will mark the staging of the 14th annual Colorado High School "Howl Night." It is one of the school's most important activity and is sponsored by the journalism department.

The journalism department prepares the fete — from decorations to program. The all school favorites are elected by secret ballot and are unveiled in the activities of "Howl Night."

Among the favorites chose are King and Queen Howl. These 2 reign over a court which is made up of other favorites.

Among these favorites are Best All-Around Boy and Girl; Most Popular Boy and Girl; Most Studious Boy and Girl; Most Likely to Succeed Boy and Girl; Most Dependable Boy and Girl; Most Courteous Boy and Girl; Most Handsome Boy and Most Beautiful Girl; Best Citizen Boy and Girl; Most Sincere Boy and Girl; Neatest Boy and Girl; Friendliest Boy and Girl and Most Talented Boy and Girl.

The identities of all these favorites are not revealed until the curtain goes up "Howl Night."

Entertainment for the fete will be furnished by High School groups. Among these will be the cheerleaders, who will perform their traditional dance. Their dance this year will depict them as Southern Belles. Cheerleaders for this year are Gayle Hart, Linda Carter, Sun Ann Welter, Cecelia Lee and Sandy Landau.

The Colorado High School twirlers will also preform on the program. They will perform this year as Mardi Gras Maids. Twirlers are Ann Sellier, Janie Lee and Helen May.

The Junior Girls' Trio will be depicted as Colonial Debs. Members of the trio are Jean Findley, Annette Freeman and Carol Ellis.

The Roving Troubadours will sing and play guitar. They are Don Brown Calvin Bell and Henry Ross.

Presenting pantomines for the program will be the Riverboat Revelers. Members of this group are Roger Richards, Max Connell and Richard Smith.

The new members of the Quill and Scroll, International Society for High School Journalists, will be initiated and pinned. New members are Jeannie Gundrum, Brenda Bell, Roberta Craddock, Gayle Hart, Judy Rogers and Carolyn Cooper.

The program will begin at 8 p. m. Ushers will be Bill McGuire, Gene Bates, Dickie Summers, Mary Smith, Lanette Solvey and Jeanie Wood.

All profits will go to the Howl, high school newspaper.

Artists for Howl Night

Preparing the stage for Howl Night festivities are the stage manager and stage hands. They are, left to right, Max Connell, Mike Andrews, Richard Harrison (stage manager), Jim Womack and Jerry Whitaker. Howl Night is the annual event that discloses Colorado High School's favorites.

AT MONDAY NIGHT MEETING

Film Is Shown To Cancer Society

R. C. Taylor, District Staff member of the American Cancer Society, presented a film to the Mitchell County Unit of the Society when they met Monday night in the Westbrook School Cafeteria.

The film was based on the 7 danger signals that detect cancer.

H. I. Berman, president of this county's chapter of the American Cancer Society, presented a summary of the aims and methods of the society.

Dr. Kenneth Cowan, a Mitchel County Board Member, addressed the group. He spoke on the progress being made in the field of medicines to cure lung cancer and other such diseases.

He quoted from the latest Medical Journal an article on research at the Mayo Clinic in Rochestor, Minn. The article emphasized that most lung cancers are now curable with surgery and it is predicted that in the near future 50 per cent of all cancers will be curable with new methods now being developed.

A short talk on the developments and plans of the society on the state level was presented by Frank Kelley, secretary of the State Board.

Mrs. H. I. Berman, member of the Education Committee, presented a brief summary of the events of the State Convention in Fort Worth last month. She told of various cases that doctors presented to those present at the convention and how they then introduced the cured patients who had undergone the treatments described.

She also told of the appearance at the State Convention of a man who specializes in disclosing fake doctors, quack remedies and various contraptions used by unscrupulous persons who pose as doctors and take advantage of unwary persons afflicted with such difficult diseases as cancer, arthritis and others.

Present at the meeting were:

Kelley; Taylor; Mr. and Mrs. Berman, Mrs. H. H. Simons, vice president of the Mitchell County Unit of the Society; Miss Sally Tharp, secretary of the Unit; Mrs. Nell Scott, chairman of the Service Committee; and the following board members: Mrs. J. P. Nunn, Mrs. J. C. Womack, Mrs. Frank Wilson, Dr. Kenneth Cowan and Philip Berman.

Others present included:

Ralph C. Bryant, Faye Conoway and Mmes. Philip Berman, Ed Richardson, Lon Strain, W. A. Bell, George Sweat, Leroy Gressett, S. M. McElhatten and Margaret Powell.

Also present were Mr. and Mrs. Kenneth Andress and Mr. and Mrs. T. L. McKinney.

Mrs. Konecny Joins Sorority This Week

The Mu Pi Chapter of Beta Sigma Phi performed the pledge ritual for Mrs. Jerry Konecny Tuesday, Jan. 9, in the home of Mrs. Bobby Kimmell, 935 Rusk St.

A business meeting and program followed the ritual.

Miss Mary Hickman was granted a 3-month leave of absence during the business session. Mrs. Earl Keaton accepted the office of treasurer which was left vacant by Miss Hickman.

Mrs. George Gray was program chairman. She presented a program titled, "You and Your Audience."

She gave the members present some pointers to remember when speaking before a crowd. She emphasized that preparation, physical and mental poise, gestures, concentration on the subject and holding the attention of the audience were among those most important.

In conclusion, Mrs. Gray asked each member present to do a pantomine as the other members tried to guess what emotion she was pantomining.

Mrs. Kimmell served refreshments to the following members present:

Mmes. Konecny, John Brank, Bob Barman, Bo Merket, Sam Christy, Lindy Merket and Gray.

JAYCEE-ETTES ARE SPONSORS

Mothers' March of Dimes To Open Here on Jan. 30

The 30th of January has been set as the kickoff date for the Colorado City Mother's March of Dimes.

Each year the mothers of Colorado City work together to raise funds to prevent crippling diseases to children. And for those children for whom preventive measures are too late, the funds are used to find cures, to open and operate clinics and hospitals and to stage more campaigns to bring the facts of this horrible tragedy to more people.

The Mother's March is a part of the National Polio Fund. In each town, mothers get together to work for this, one of America's most worthy causes.

The Jaycee-Ettes are sponsoring this year's March. Mrs. Cummins Wood is chairman. They have devised an operation by which each block of Colorado City can be canvassed by a mother who lives on that block.

Colorado City has been divided into sections by the group captains who are working on the drive. Each group captain is assigned a section, which consists of several blocks.

The group captain then visits a mother on each block and appeals for help in canvassing that block.

All donations from each block will be turned over to the group captains, who will in turn put the donations in charge of the chairman. The chairman will send the donations to the national fund headquarters.

The mothers chosen from each block will receive literature to be used in explaining the destination of the donation funds. They will be shown a film Jan. 25 in Civic House demonstrating the treating and preventive measures for birth defects, arthritis and polio. It will show exactly where donation funds are used.

Mrs. Orbie Ray Linder is co-chairman and Mrs. Don Womack is publicity chairman.

Group captains are: Mmes. George Hudson, S. T. Pond, Jr., J. L. Sanderson, John Reeves, Kenneth Hardegree, Tom Barry, Bill Erwin and Wayne Worley.

Other group captains include Mmes. Thomas Bob Long, Perry Ellwood, Larry Moffatt, Travis Turner, Don Womack, Alvin Orr, Dave Sanders, Donna Keel and Drew Ballard.

For the 1962 Mother's March of Dimes to be successful, each citizen of Colorado City must participate. So, when a mother visits your house, give and give generously to this cause.

BARTLETT, GRAVES

Local Baptists Join in Crusade

Two Colorado City Baptists have been named to leadership positions in the Texas Baptist Crusade for Christian Education.

They are:

Rev. H. W. Bartlett, 625 Elm St., pastor of the First Baptist Church and pastor chairman for Mitchell-Scurry (Counties) Association.

And Mrs. H. B. Graves, 1405 Oak St., woman chairman for District 8.

The leadership for each of the 17 Baptist districts in the state is the responsibility of a pastor and woman co-chairman. Each of the 122 associations have a set of similar officers. Together these district and associational chairmen are responsible for the carrying out of the crusade program.

The purpose of the crusade is to strengthen the denomination's schools by encouraging more Baptist students to attend Baptist colleges, to participate in the Baptist Student Union at whatever college they might attend, and to consider prayerfully church related vocations as careers and by raising $28-million for buildings and equipment on Baptist campuses.

Texas Baptist schools are Baylor University, Waco; Decatur Baptist College, Decatur; East Texas Baptist College, Marshall; Hardin-Simmons University, Abilene; Howard Payne College, Brownwood; Mary Hardin-Baylor College, of this year.

Belton; San Marcos Baptist Academy, San Marcos; University of Corpus Christi, Corpus Christi, and Wayland Baptist College, Plainview. Also included in the crusade are 2 new Baptist colleges at Dallas and Houston.

Billy Mize Presents Kiwanis Program

Billy Joe Mize, pastor for the Northside Church of Christ here entertained the Kiwanis Club at its noon luncheon meeting Tuesday of last week in Civic House with a travel-logue made up of pictures he took in Alaska and along the Alaskan Highway.

Mize was in Alaska 2 years prior to moving to Colorado City in 1960. He is scheduled to return to Alaska in April.

Spade HD Gains 2 New Members

The application of 2 new members of the Spade Home Demonstration Club were approved at the all-day meeting of the club Wednesday in the home of Mrs. Harry Dockrey.

The 2 new members are Mmes. Billy Ray Jackson and Gene Parker.

Each member brought a covered dish to the meeting and the noon meal was served in buffet fashion.

Also on the agenda for the Wednesday meeting was the installation of new officers. Theme for the installation was "Hitch Your Wagon To A Star." Mrs. Beeman Dockrey was installing officer. Before the officers were installed, members sang, "Wish Upon A Star."

Newly-installed 1962 officers for the club are:

Mrs. Joe Boyd, president; Mrs. Jack Allard, vice president; Mrs. Nolan Fincher, secretary-treasurer; Mrs. J. C. Northcutt, reporter and Mrs. Ross Hargrove, council delegate.

Present at the meeting were guests Mmes. B. Dockrey, Kenneth Dockrey, J. R. Erwin, Dave Womack and Katherine Owens.

Also present were the following members:

Mmes. Robert Bolin, Gene Bradbury, Hargrove, Arthur Carter, Loyd Smith, Rice Hock, Herman Travis, Jackson, Boyd, Parker, Northcutt and the hostess Mrs. H. Dockrey.

Next meeting will be Feb. 1 in the home of Mrs. Robert Bolin.

CWF of First Christion In Luncheon

The Christian Women's Fellowship of First Christian Church met for a luncheon in Fellowship hall of the church Monday.

Hostesses were:

Mrs. A. O. Hickman and Mrs. L. H. Rudd.

Mrs. Charles Root, class president, presided over the business meeting which followed the luncheon. Opening prayer was led by Mrs. Rush Barnett.

Mrs. O. L. Simpson was program leader. The title of her program was "Attempt Great Things." She was assisted by Rev. Rush Barnett and Mrs. V. R. Trulock. Mrs. Jim Edison gave the worship.

The meeting closed with the Missionary Benediction.

The following were present:

Mmes. Root, Simpson, Trulock, Hickman, Rudd, Edison, Fay Jenkins, W. G. Hardison, R. P. Price, Ralph Lee, J. B. Pritchett, Mary Hickman, J. D. White, Don Womack and H. H. Simon.

Also present were Rev. and Mrs. Barnett and Rev. and Mrs. Claud Cogswell.

Alliance to Host Wives

Wives of members of the Mitchell County Ministerial Alliance will be guests at a dinner in the Terrace Room of the Baker Hotel Monday, Jan. 29. The dinner will begin at 7 p. m.

The dinner is sponsored by the Alliance to help all members meet the other members' wives. It is also designed to provide fun and fellowship for those present.

This is the first social of its kind the Alliance has sponsored.

Arrangements were made by a committee consisting of Rev. E. V. Brooks, Rev. Ed Simpson and Rev. Weldon Rives.

Latimer, Perkins May Oppose Ratliff

Incumbent 24th District Senator David Ratliff is expected to have at least 1 opponent in this race for re-election to a third 4-year term — and probably more.

Rep. Truett Latimer from Taylor County is almost a "sure bet" to enter the race although he has not officially announced his intentions to The Record.

Another possible candidate, also officially unannounced to The Record, is Dallas Perkins, mayor of Impact, a recently incorporated city on the edge of Abilene.

Latimer has been a Representative since 1952 — or 5 2-year terms. He is a native of Albany.

C. O. Willis, Ex-Resident of Loraine, Dies

Funeral services for Claude Olen (Skipper) Willis, former Loraine resident, were conducted at 3:30 p. m. Monday in the South Side Baptist Church in Abilene.

Willis, 54, died at 3 a. m. Saturday in Hendrick Memorial Hospital in Abilene following a heart attack at his home 317 Briarwood. He was principal of College Heights Elementary School.

He was born in Douglasville July 13, 1907 and came to Loraine with his parents at the age of 2. He graduated from Loraine High School in 1926 and married Billie Britton in Roscoe May 18, 1926.

He moved to Abilene in 1941 following teaching stints in Bowman, Fairview and Wylie. While teaching in Fairview here in Mitchell County, he began a long career in work with Boy Scouts by organizing a troop.

His many years of Scouting brought many honors — in 1952 he was elected District Commissioner of the Central District of Boy Scouts. He became president of the Abilene Youth Club board of directors in 1958.

Willis had been actively engaged in Scout work in the Chisholm Trail Council longer than any other person in the area at the time of his death. He received the highest award available to a Scout counellor, the Silver Beaver Award, in 1948 for his service.

He was also active in Abilene Kiwanis Club, Junior Chamber of Commerce and South Side Baptist Church.

He received his masters degree from Hardin-Simmons University in Abilene in 1952. He became assistant principal at College Heights Elementary in 1944 and principal of the school in 1953.

Officiating at the services were Dr. Frank Royal, pastor assisted by Rev. W. C. Ashford, retired. Burial was in Elmwood Memorial Park in Abilene.

Willis is survived by his widow; a daughter, Mrs. Charles Paschall of San Angelo; 2 sons, Myron Wendell Willis of Denver, Colo., and Billy Joe Willis of Fort Worth; a brother, Foster Willis of Abilene; a sister, Miss Emma Willis of Waco; and 4 grandchildren.

Brother of Resident Dies In Abilene

Funeral for William Dudley Lee, brother of a Colorado City resident, were conducted Saturday at 10 a. m. in First Presbyterian Church in Cisco.

Lee, 55, was the brother of Fielding E. Lee, 1220 Vine St. Lee and his wife, his son and family, Mr. and Mrs. Fielding E. Lee, Jr., Texas Electric Village, and daughter and family, Mr. and Mrs. Robert Aycock, Jr., 405 E. 15th St. attended the services.

Officiating at the services was Rev. Edward E. Mullier, pastor. Burial was in Oakwood Cemetery in Cisco.

Lee died at 7:30 p. m. Thursday in an Abilene Hospital following a 2-week illness. He was the owner of Dudley's Drive-In in Abilene at the time of his death and former co. of a drug store in Cisco.

He was born in Cisco April 6, 1906.

Survivors include a brother, Lee of Colorado City; 2 sisters, Miss Sarah Lee of Baton Rouge, La., and Mrs. Theresa Lee of San Antonio.

Ex-Resident Dies in Austin

Funeral services for Mrs. Paulina Newman, former Colorado City resident, were conducted at 4 p. m. Saturday in Weed-Corley Funeral Home in Austian. Burial was in Austin.

Mrs. Newman, 99, died at 4:25 a. m. Friday in Austin.

She lived in Colorado City from 1941 until 1960 when she moved to Austin. She made her home here with a daughter and son-in-law, Mr. and Mrs. Virgil Morgan.

Mrs. Newman was born in Fredericksburg and had been a resident of Texas her entire life.

Surviving are 2 daughters Mrs. A. A. Lawrence of Abilene and Mrs. Morgan of Austin; 3 grandchildren; and 2 great-grandchildren.

Butler Joins Thompson in Law Practice

Don R. Butler, who has been an assistant city attorney for the City of Waco, will be associated with C. C. Thompson here in the practice of law.

Butler will join the Colorado City law firm here Jan. 22, according to announcement today (Thursday) by Thompson.

Butler is a graduate of Baylor University's School of Law and is serving now as assistant city attorney in Waco. He is married and the father of 2 small children.

Mrs. Butler is a teacher in Waco public schools and will leave her teaching position after Waco school officials obtain a satisfactory replacement for her.

"The existing lobby area that is now being used for demonstrations and group meetings will provide needed additional office and storage facilities made necessary by the increased work load on the employees," says the manager.

The contract calls for 150 calendar days for completion of the construction — or approximattely July 1, 1962.

The additions and improvements are the first since Lone Wolf's present headquarters were built in 1949. During that time, reports Perdue, Lone Wolf has doubled in membership, doubled its miles of line and tripled its revenue income — all of which have increased the office operations.

The project has been under consideration by Lone Wolf's officers and directors for more than a year. Officers and Directors are:

W. H. Cooper of Champion president; Martin Murphy of China Grove, vice president; Gwan C. Strange of Westbrook, secretary-treasurer; John M. Worrell of Colorado City, attorney; Ed Roach of Colorado City; J. Forrest Porter of Colorado City; A. K. McCarley, Jr., of Colorado City; Raymond Althof of Roscoe; and Linden Solomon of Colorado City.

The entire cost of the project will be financed through loan funds and will cost individual members of Lone Wolf "only an approximate $1.20 annually during the amortization period," reports Perdue.

Contracts of 4 Extended For 1 Year

LORAINE — Loraine School extended the contracts of its 2 principals and 2 coaches for 1 year.

The action was taken Monday night of last week, in a meeting of Loraine School Board.

High School Principal Vance Dickenson, Grade School Principal Miss Edith Wilkerson, Coach Bobby Dodds and Coach Glenn Kimzey were granted the contract extensions which are for contracts through the coming school year, 1962-63, or through July of 1963.

The Board, in a December meeting, extended the contract of the School's superintendent, J. B. Cushing. The extension was for 1 year and gives him a contract with the School through July of 1965.

Cushing, Dodds and Kimzey will complete 2 years with Loraine School at the end of the present term in May. Miss Wilkerson and Dickenson have several years of service in the system.

Westbrook Moves into District Lead

Westbrook's Wildcats took over undisputed possession of first place in the District 92-B basketball race Tuesday night with a 52-28 triumph over Fluvanna in Fluvanna.

It was the Cat's fourth win in as many district games and put them one-half game in front of Ira, 3-0 in loop play, which had its Tuesday night game with Hobbs postponed.

Bill Bird led the Westbrook scoring attack with 14 points. Jesse Watts and Dale Byrd also hit in the double figures for the winners with 13 points. In other Westbrook scoring, Conaway sunk 4, L. Watson hit 4, Raschke scored 2 and D. Bird looped in 2.

Summers led the losing hosts with 15 points — high for the game.

The Westbrook girls won the night's initial contest, 69-30, behind the 24-point scoring of Marie Putman. Robyn Beaver's was high for Fluvanna.

SWEETWATER TRIUMPHS 67-48

Ponies Defeat Wolves; B-Team Wins 1st Game

Colorado City's Wolves opened their portion of the 1962 District 3-AAA basketball race with a 67-48 loss at the hands of Sweetwater's Mustangs Tuesday night in Sweetwater — but it wasn't all gloom for the Wolves as the B-Team won its first game of the year.

Coach Jeff Walker's B-team Wolves took a 36-33 victory over the Mustangs' B-squad.

The Wolves presently in fourth place in the 5-team race with an 0-1 district record, played the Mustangs for the first quarter — even leading at 12-3 in that stanza.

But then the Mustangs, behind the sharp-shooting of Don Groghan, pulled away in the second quarter and were never seriously challenged.

The first quarter ended in a 12-12 deadlock. Groghan took over the contest in the second quarter though. He poured through 14 of his 28 points of the night in that canto to put the Ponies out of reach for Coach Caddo Matthews' crew.

Groghan, of course, led the game's scorers with his 28 points. Only one other Pony hit in the double figures — Mike Perry with 14.

The Wolves "old faithful" Steve Hillhouse produced more of the locals' scoring punch. He dropped in 15 points on 3 field goals and 9-of-11 from the courtesy line.

Larry Oliver, hitting his stride in the Wolves' Red and Black, was the only other member of the Wolf Pack to score in the double figures. He accounted for 11 on 4 shots from the floor and 3-of-7 from the foul line.

The Wolves missed the services of their second leading scorer for the year Charles Houston in the entire contest. An infection kept Houston at home.

Another Wolf starter was also all but out. Mike Hart, who has been getting the starting nods along the entire season's route, only saw a few minutes service in the entire contest. Illness slowed his efforts.

Walker's B-team finally savored the sweet taste of victory in the opening game of the night in Mustang Gym. They battled off the Pony second squad 36-33, but beat the hosts more than the score indicates.

Richard Smith was the big scoring gun in the B-team's first victory as he amassed 13 points on 5 field goals and 3 at the charity line. Bill Boren added 12.

"The game rocked back and fourth all the way and it was any team's game until the closing seconds. The Wolves held a slight edge, a few points, most of the way.

FOR WOLVES IN '62

Kearns Announces Baseball Schedule

Colorado City High School baseball coach Ken Kearns today (Thursday) announced the Wolves' 1962 baseball schedule.

The Wolves will play a 22-game slate — including 6 District 3-AAA contests.

The Wolves open the season here Friday, Mar. 2, at 4 p. m. against Ector of Odessa. Big Spring's Steers come into Colorado City the next day, Mar. 3, for a doubleheader beginning at 1 p. m.

Mar. 6 the Wolves journey to Big Spring to meet the Steers at 4 p. m., Brownfield is here Mar. 10 in a 2 p. m. contest, the Wolves are in Kermit Mar. 13 in a 4 p. m. contest and Kermit returns the favor in a game here Mar. 16, also at 4 p. m. Kermit remains in town for a doubleheader the next day, Mar. 17, beginning at 1 p. m.

The Wolves meet Brownfield in Brownfield Mar. 20 in a 4 p. m. tilt and journey on to Odessa to play Ector Mar. 27 at 4 p. m. also. Andrews plays here at 2 p. m. Mar. 31 and the Wolves travel to Andrews for a 3:30 p. m. battle April 6.

The locals' non-district schedule ends Apr. 13 and 14 with 3 games in Monahans against the Lobos. Apr. 13 the 2 clubs square off in a 1 p. m. contest and meet in a doubleheader the next day at 1 p. m.

District play opens for the Wolves in Snyder Apr. 17 when the Tigers play host to a 4 p. m. contest.

Sweetwater opens the Wolves home district schedule here Arp. 21 in a 2 p. m. battle.

Lamesa's Golden Tornadoes come into town Apr. 24 for a 4 p. m. game. Snyder's squad comes calling Apr. 28 — game time is 2 p. m.

The Wolves end district play and the '62 season in out-of-town encounters. They meet the Mustangs in Sweetwater at 4 p. m. May 1 and Lamesa here at 2 p. m. May 5.

Hal Vineyard is assistant coach to Kearns for the squad.

Wildcat Boys Win 2 Tilts; Girls Beaten

Wallace Wildcats beat the Slaton Dragons 2 of 3 games in basketball action in Slaton Friday night.

The Cat's A-team and B-team won — the local girls lost, 25-20. The Cats' first unit won easily 74-30 and the B-team took a 41-20 decision.

Henry Burton, Curtis Scott and Frank Biggers all hit in the double figures to pace the Cat win — with help from Oscar Amos and Willie Hill. Buyers hit for 10 for the losing hosts.

The Wildcats, coached by W. D. Harris, were never challenged in the contest. They jumped into an immediate lead and were never headed. Wallace led 21-8 at the end of the first stanza and had a 35-18 intermission lead. The host Dragons had no better luck in the third canto and Wallace led at its end 42-26.

The victory was the 11th in 15 games for the Cats for the season.

The Wildcats host Odessa here tonight (Thursday) and meet McCamey in McCamey Friday night.

Bulldogs Lose 2 Games to Hobbs

Loraine's Bulldogs lose to Hobbs 44-36 in basketball action Friday night. In the girls' game, Hobbs won 62-31.

Don Redwine's 12 points was high for the Bulldogs. Chindo Soto led the winners with 14 points.

Cindy Mahon hit for 12 points in the girls' contest to lead Loraine. High for Hobbs was Doey Groves with 36 points.

The Bulldogs battle Fluvanna tonight (Thursday) in Loraine.

BOWLER of the Week

Maberry Willbanks

A league bowler who also handles executive duties within his association receives the plaudits as Bowler of The Week.

He is Maberry Willbanks Col-Tex Refining Company employe.

Willbanks is the new captain for the Burton-Lingo team in the Classic League. And at the same time he is serving his second term as vice president of Colorado City Bowling Association.

The Col-Tex tester is a sportsman who has been bowling for years. But, he never competed in league play until last year here in Colorado City.

But you can see that he's quick to catch on to organizational bowling, not only in team play, but also contributing with his time as an official in the City Bowling Association.

Willbanks has a healthy 169 average with a high sanctioned game of 224 and a high series of 560.

CROWN Bowl

Westbrook Wins Third District Tilt

WESTBROOK — Westbrook's Wildcats continued their domination of District 92-B basketball competition here Friday night with a one-sided 76-38 triumph over Hermleigh's Cardinals.

It was the third win in as many games for Coach Jerry Cunningam's charges. The loss was the second in 3 games for the Cards.

The high-scoring Cats cruised all the way. Five of the Westbrook cagers hit in the double figures in the contest.

Leslie Watson led the way with 16 points.

Conaway and Bird each hit for 15. J. Watson canned 14 and Byrd added 12 more in the Cats' cause. Ken Bell's 15 was high for the Cards. In other Westbrook scoring, Sullivan and Raschke each hit for 2 points.

The Westbrook girls made it a sweep for the hosts with a 47-25 victory. Faye Conaway led the attack for the winners with 13 points. Eddie Wemken scored 10 for the losers.

Scratch Bowling League Opens at Crown Bowl Here

A Scratch Bowling League has been formed at Crown Bowl, north of the city on State Highway 208 (to Snyder), reports manager Lonnie Bounds.

Play opens in the league Friday night at 7:30 p. m.

Spots are still open in the league for individual players or 3-man teams. Registration for the new league is now open at the desk at Crown Bowl, he reports.

The new Friday night loop is the first "scratch" bowling league organized in Colorado City. In scratch play, all scores are figured entirely on total pins without any handicaps — what you bowl is what you score.

Many spots are still open in the league — for either entire 3-man teams or individuals, says Bounds. Play in the new league begins at 7:30 p. m. each Friday.

Visit in Stanton

Mrs. Curtis Clemmer and Mrs. Altis Clemmer, both of Westbrook, were in Stanton Monday visiting Mr. and Mrs. S. W. Webster.

New Grandson

Mr. and Mrs. C. G. (Skeet) [illegible], Austin St., are the proud grandparents of a baby boy born recently in Baltimore, Md. The baby is the son of the Harkins' son and daughter-in-law, Mr. and Mrs. Girvin Harkins. He weighed 9 pounds and 6 ounces and was named Carl Girvin, Jr. Mrs. Harkins was in Baltimore last weeks visiting.

Quick Support Needed for Water Survey

The proposed underground water survey and study for Mitchell County and eastern Nolan needs a push. A quick earnest push in interest and financial support.

Pressing factor in this need is the upcoming deadline for local funds to finance the project. Deadline is Jan. 31 and that leaves only 13 more days.

Local interests must provide $3,000 toward the survey and study which will thoroughly chart the underground water conditions and potentials for this county. This is a small amount when compared with the overall cost of $26,100.

The State of Texas through the Texas Board of Water Engineers will foot the bill for the major portion of the survey—about $19,000. Mitchell County Commissioners Court will appropriate $3,000 more and Nolan County, for the study across one-third of its county, will give $1,000.

And it is not unreasonable in the least for private individuals — landowners and business men—to ante up $3,000 for local support.

The busy cotton harvest, holiday activities and the general of daily business probably has handicapped the campaign to inform individuals of the value of the water survey and obtain financial contributions.

But the deadline for local interests to raise their portion of the financing—or turn its water survey reservation back to the State Board of Water Engineers for some other eager county—makes it imperative that this campaign be hurried to successful completion.

Naturally, farm and ranch owners have been the first to be contacted for the project. But it is just as important that business men educate themselves to the survey and contribute their support.

This survey over a period of years will provide data on water reserves for present and future, determine the potential of irrigation wells, offer data for long-range agriculture and business planning.

And any project of this type—geared to the overall economy of our county—deserves unqualified support of both town business and agriculture.

Community Shame in Poll Tax Disinterest

Mitchell County's voice in the affairs of its local, state and national governments will be determined to a great extent within the next two weeks.

That's because Jan. 31 is the deadline for obtaining poll tax receipts—for the voting year of 1962.

The person who does not obtain his poll tax receipt—or does not qualify by age exemption—will forfeit his greatest citizenship rights for the next 12 months. He will give up his opportunity to vote.

In these trying times we make much of patriotism and Americanism. We talk loud against Communism. We talk long for the greatness of America.

But now—just as there has been in past years—these vocal declamations will be tramped upon by many who won't have the interest to go to the Courthouse, obtain their poll tax receipts, then vote.

It's a habit everyone of us should shame. It's a habit that makes a mockery of our freedom's right to vote. It's a habit that cancels the rights for individual participation in government by and for the people to little more than that which is obtained by enslaved peoples in Communist lands.

If you are wondering where the money goes when you pay a $1.75 for a poll tax receipt, this reminder: $1 goes to the state's available school fund, 50 cents to the state's general fund and 25c to the county.

Hurry to the Courthouse now . . . for your receipt and be sure you are a citizen with voting rights in 1962.

New Skip Row Plan Aids Farmer

The four-row limitation on "skip-row" planting will not apply to the 1962 cotton crop, according to an announcement by Secretary of Agriculture Orville L. Freeman.

Under regulations for 1961 and earlier crops, skip-row cotton planting was permitted provided the skips left idle or planted to other crops were equal in width to the four rows of cotton. If the skip rows were any narrower, the entire acreage was counted as planted to cotton for acreage allotment and marketing quota purposes.

The change will provide the cotton grower with more latitude in planning and carrying out his operations. Under the new system, only land actually planted to cotton will be counted as cotton land in determining compliance with acreage allotments and marketing quotas. Each grower will determine for himself the pattern best suited to his operation.

The decision to end limitations on the skip-row planting is in line with recommendations of the Cotton Advisory Committee and many members of the cotton industry, USDA officials said, and is expected to result in improved income for cotton growers through increased efficiency in production.

Legislators Move Toward Enacting Daniel's Program

BY VERN SANFORD
Texas Press Association

Substantial progress has been made by the Legislators toward enactment of Gov. Price Daniel's program.

Lawmakers seeking re-election this spring are diligently at work. They want to be home by the filing deadline . . . Feb. 5.

Loans: House of Representatives sent a much-amended loan regulatory bill to the Senate. Bill would set up light supervision over those who lend in amounts less than $1,500. Exceptions are banks, credit unions, savings and loan associations and various kinds of cooperative credit groups.

Those exempt from the regulatory law would be limited to 10 per cent interest per year. All loans over $1,500 would likewise be held to 10 per cent.

House bill allows a 3 per cent per month charge on loans under $100 . . . 2½ per cent on the part of the loan from $100 to $200 . . . 2 per cent on $200 to $500 . . . and 10 per cent on the part of the loan between $500 and $1,500.

When interest allowed on a loan over $20 is less than $4, the lender can charge $4 in lieu of interest.

Rural Roads: Senate passed the proposal by Sen. Neveille Colson of Navasota to cut the spending on farm-to-market road construction-improvement by $17,500,000 a year. This amount will be used for construction of secondary and primary highways.

A House rural bloc on the Agriculture Committee favored a smaller reduction. They preferred a 10 year graduated cut . . . to reach the goal set by Governor Daniel, Texas Farm Bureau, the County Judge and Commissioners Association and the Texas Good Roads Association.

Tourism: Large crowds turned out for the Senate and House committee meeting on these bills: (1) to appropriate $300,000 for advertising for tourists; (2) for expansion of the juvenile parole system; (3) and for repairs to the San Jacinto Monument.

Opposition came largely from advertising people who felt the Highway Department isn't the proper supervisor of an advertising program.

RACE BEGINS — Former Secretary of State Tom Reavley of Austin was the first candidate for Attorney General to pay the $1,000 filing fee at State Democratic Executive Committee headquarters.

This is Reavley's first state-wide race. The former Nacogdoches County Attorney was appointed Secretary of State in 1955. He now practices law in Austin.

Waggoner Carr of Lubbock, 2-term Speaker of the House of Representatives, already has announced as a candidate.

Although Carr lost the 1960 race to Will Wilson, he polled a half million votes.

The Lubbock lawyer says his platform has one basic plank, "strengthening our legal framework where needed, and more vigorous enforcement of those laws, once enacted."

Les Procter of Austin, who resigned his office as District Attorney, is expected to make a strong bid for the Attorney General's job.

Procter won prominence as prosecuting attorney during the veterans land scandals.

Rep. Tom James of Dallas, the fourth announced candidate for Attorney General, is busy with legislative duties.

HEALTH AND SAFETY TIPS

Lose Weight by Eating Correctly

Food, not starvation, is the hard core of any weight-reducing program that will get you back to your desirable weight and keep you there permanently.

Overweight is one of the major health problems in America today, says an article in Today's Health, the magazine of the American Medical Association. About 1 in every 5 men and women over 30 in the United States is carrying about a dangerous number of excess pounds.

Reducing diets abound. So-called "health" and "natural" foods, pills, vitamin supplements and drugs for weight control are legion. There are gadgets such as vibrating machines, electric belts and mechanical exercises. The article estimates "more than $100 million is wasted annually on these nonsensical products by the guileless fat".

Actually, no trick, miracle or special foods are needed, unless recommended by your physician. The most effective weight-reducing program is one which re-educates the individual to the amount of food needed per day and which stresses the importance of including a variety of foods in the daily diet.

Regardless of how fat you are, most experts in weight control would not recommend a diet of less than 1500 calories. On the 1500 calorie daily diet pattern, recommend by the American Dietetic Association, you will lose weight regularly, provided you take some moderate exercise every day.

THE 1500 calorie daily diet pattern:

One pint of whole milk.

One egg.

Five ounces of lean meat, poultry, fish (broiled, boiled or roasted), or cheese. Liver once weekly.

One-half cup enriched or whole-grain cereal, 1 small potato, 4 slices enriched or whole wheat bread (or ½ cup cooked spaghetti or noodles, cooked cereal, a muffin, biscuit or 2-inch square of cornbread.)

One serving green or yellow vegetable.

Two servings of other vegetables.

One serving citrus fruit or tomato (4-ounce glass grapefruit or orange juice; 8-ounce glass tomato juice.)

Two servings other fruit fresh or unsweetened.

Four teaspoons butter or enriched margarine.

* * *

IF YOU DON'T lose weight fast enough to suit you on this diet, you could drop to 1200 calories. To do so, use skim milk or buttermilk instead of whole milk and cut out cereal, potato, or one slice of bread and one teaspoon of fat daily.

Dieting and the daily caloric needs are personal matters. To be safe and effective, any dietary plan must take into account sex, age, activity and rate of weight reduction desired. The safest and surest route to a weight-reducing dietary program is to see your doctor and follow his advice.

LOCAL BUSINESS

Regularity Key To Ads Results

BY MADGE BELL
Record Staff Writer

"I have only one real strong piece of advice about advertising, only one statement I can make with certainty:

"Once you start your advertising, don't stop. Keep it up. Keep it regular."

This was the advice offered by an experienced and successful retailer to a group of young merchants.

The retailer was emphasizing a basic principle of advertising and selling, but one which is more often violated than observed.

Each year, every community is blighted by the failure of promising new enterprises. The promise of the new enterprise is usually signalled by vigorous advertising. And just as often the failure is signalled by gradual curtailment of advertising.

Two major mistakes of judgment concerning advertising are common among unsuccessful retailers. In the first place, it is often assumed that once a business is started it may continue to thrive without consistent advertising. This mistake is made by people who would never go to a movie, or a PTA meeting, or even to church, except for the influence of repeated advertising.

The second major mistake concerns expectancy from first efforts. A sudden spurt is never a good test of advertising. Occasionally, a few advertisements may bring remarkable results. But ordinarily, repetition of efforts over an extended period is the only sound approach to selling.

Thus, no firm has really tested advertising unless it has been used with constant regularity over a long period of time.

SHINNERY PHILOSOPHER

Bankers Needed In Government

Editor's note: The Shinnery Philosopher on his Johnson grass farm on Bone Hollow Creek gets into a complicated financial discussion this week, and leaves it complicated.

Dear editor:

I'm not saying we need more bankers in Congress, but if we had more Congressmen as bankers, things would certainly ease up for me and a few others I could name.

What I'm talking about is an item I read in a newspaper last night about a request the Secretary of the Treasury has made to Congress. He said he would like for congress to increase the national debt limit by a couple of billion dollars right away, as the government will need more money to operate on.

Asked why, he said the government's income is uneven, it doesn't flow in steadily, and even if the budget is balanced on a 12-months basis, there are months when erpenses far exceed income and the debt limit ought to be raised.

Only a few of us financial experts can understand this matter, but Congress indicated it would go along with the raise strictly on a temporary basis. Actually, the debt limit is 285 billion dollars, but Congress each session has raised it a little, temporarily only, till the government can work out of its financial difficulties, which takes a little time, and the limit has now been raised to 298 billion, with 2 more billion expected to be added shortly.

This is why I say I would like to see more Congressmen as bankers. The United States Treasury and my own financial situation are exactly alike. My income doesn't flow in steadily, it has its up and downs, and I don't want to go further into debt permanently, just temporarily. But it's hard to find a banker with Congressional ideas. When one of them fixes your debt limit, that's it until you increase your assets enough to justify the increase. Sometimes it's hard for me and impossible for the government to operate on these terms.

Come to think of it, though, it's probably better like it is, with bankers running bankers and Congressmen running Congress. If you think there is a crisis in Berlin and Africa, think what kind there'd be in Washington if the Secretary of Treasury had to confront a Congress run like a bank. On the other hand, think of how much fun I could have if I could find a bank run like Congress.

Yours faithfully,
J. A. ——

History Recitation By Junior Class

A junior English class taught by Miss Gladys Miller at Colorado City High School has come up with something new and something not only entertaining, but educational too.

The class of 22 juniors, with the assistance of 3 senior students, have compiled a recitation entitled "Living Words of American History." The program also includes some musical numbers.

The group, directed by Miss Miller in a musical fashion have presented the program to several clubs and organizations in Colorado City. Lions Club heard the program Friday.

The recitation traces America's history from the Mayflower Compact through the Gettysburg Address and includes the entire Declaration of Independence and the Preamble to the Constitution. All 4 are committed to memory by the students.

Music in the program is furnished by senior Donald Browne, vocal and guitar. Seniors Betty Buckner and assist him in singing one number "The Battle Hymn of the Republic."

The program opens with the Mayflower Compact. Brown then plays "Boston Tea Party."

The Declaration of Indepen dence follows. "Yankee Doodle" is sung and played by Browne.

Next comes the Preamble to the Constitution — followed by the singing of "The Battle Hymn of the Republic" led by the 3 seniors and assisted by the entire junior class.

The Gettysburg Address and "America" close the program.

Juniors participating in the recitation are:

Nelda Schoolcraft, Vicky Brown, Lorraine Bunell, Sue Holman, Judy Rogers, Jean Findley, Ricka Guitar, Beverly Grubbs, Alexis Cowan, Sue Ann Welter and Colene Moore.

Also Roger Stevens, Joe Dean, Dickie Summers, Allan Clendennen, Bobby Montgomery, Douglas Fite, Jimmy McGill, Terry Breeden, Don Hairston, Charles Houston and James Free.

"Invited Guest In More Than Three-Fourth of Mitchell County Homes"

CONVERSATION CORNER

By RUTH COFFEY

TWO DECADES AGO exactly, this corner covered her first Mitchell County Boys' Livestock Show by special request of **Joe Pickle**, Big Spring Daily Herald, the late **Wendell Bedichek**, Abilene Reporter, and Star Telegram's **Frank Reeves**. Had not **Harry Holt**, who used to write Chousin' Around for the Abilene paper showed up, this then-new society reporter would have yelled "calf rope" in short order.

Harry, a good guy, took trouble to teach that classes in barrows had nothing to do with wheels; that gilt was not a misprint meaning guilt complex; and that capons were sort of chickens, while calf did not mean baby cow, a-tall. It meant 1,000 lb steer.

* * *

GOT TO REMEMBERING those first few home talent stock shows when **Kack Price McClellan** (Mrs. Fred) who wears slacks with more aplomb than almost anybody, agreed to accompany us to the '62 version. Kack's an ardent show fan.

* * *

SHOWS USED TO BE staged in what is now our National Guard armory, though remembering brings back some judging done in an open ring roped off in front of T&P depot. Show day was, by tried and true tradition, signal for one of two other events—pounding rain, or a sand storm stampeding across the scenery.

The late **Sam Wulfjen**—never topped—was auctioneer. Remember? **P. K. Mackey** was Chamber of Commerce show chairman; **Pat Bullock**, Chamber manager; **Mallie Lou Wallace** (Mrs. Rip) office secretary. And it used to be fun to watch the show with **Doris Shillingburg**, wife of our F. F. A. coach back-when. Doris was the first, but far from the last, 100 lb. gal we ever knew to have a 1,000 lb. calf called "Curly" like a brother. Tempus fugit.

* * *

TEMPUS FUGIT, all right. Translated into West Texan, that means time gits up and gits like a dogie calf at branding season. Just how swiftly Mitchell County tempus fugits was demonstrated by stall cards marking second generation exhibitors with names like **Strain, Watlington, Stubblefield, Hackfeld, Dockrey, Conaway, Bynum, Mize**, and so on.

* * *

STROLLING ALONG in the show barn—it's now that bright green building just left of Highway 80 west of town—was like taking a walk backwards right down a hay-strewn memory lane. First few shows got old **John Baze** covered for the **Record** while the corner wired in winners to state papers, boasted exhibits by lads named **Waddell Strain . . . Raymond Watlington . . . Bobby and Ronny Fee . . . Alfred Hackfeld . . . C. N. Stubblefield . . . Hollis Mize.** And there was, at least one cute little gal named **Mary Jo Gregory.**

* * *

EXHIBITORS THIS YEAR included one **Eddie Strain**, son of **Waddell** and Jerry (Posey) Strain . . . **Charles Watlington**, whose parents are **Raymond** and Joan (Mann) Watlington . . . **Dale Bynum**, scion of the **Howard Bynum** outfit . . . **David and Dwayne Stubblefield** of the C. N. Stubblefield stock farm . . . **Charles and Delores Holman**, son and daughter of the **Charles Holmans**. Loraine's Hackfeld boys, **Stanley and Keith**, are sons of show president **Alfred**, who a short generation ago was grooming animals as boy contender himself.

Then there was **Jim Arron**, first year swine exhibitor, son of **Pat and Bob Fee Jr.**, who looked on with pride.

* * *

DID YOU KNOW that Bob's wife holds an animal husbandry degree from Texas Tech where he was graduated, too? **Pat Fee** is a slender brunet, quick on the smile, even when she gets introduced by Bobby across a show pig pen. She's a ranch loving gal with a friendly glow.

* * *

FRANK KELLEY the one who's 10 years old and bears the good name of his horse breeding grandfather Frank H. Kelley had a pen of pigs to show. Son of **Patty and Jimmie Kelley**, he's a new comer to showing.

* * *

SPOTTED SIDE-LINING were slack-clad **Mrs. Preston Morris and Jerry Strain** . . . A snazzy colorie of lasses wearing boots, jeans, and five-gallon hats: **Janet Hall, Sharon Byrne, Peggy Phillips, Loretta Hall**, flanked by some fellows named **Possum Mann, Don Redwine, and Jackie Narrell.**

At the pie and coffee counter in the annex shed were **Mrs. Earl Hunter, Mrs. R. E. McMillan, Mrs. Lester Webb**, whose son **Linton Ray** took several ribbons, Mrs. **Francis Winn** (nee Jan Geer) with her two little booted daughters, and **Mrs. Doc Simpson.**

Looking around outside were **Ed Strain** and **Jim Hestand.**

* * *

SITTING SADDLE after re-mounting their station wagon when judging was done were the **Bruce Byrnes** . . . Also saw **Jimmie Henderson** with small daughter **Jimmie Lou** dogging his foot steps . . . Two fellows named **T. J. Goss**, as alike as their names . . . **Jim Dockrey**, son of Harry.

LORAINE ACTIVITY

21 Present at Golden Age Club

LORAINE — A total of 21 members, including 1 new member were present at a Monday night meeting here of the Loraine Golden Age Club in Lions Club Building.

Hosting the session were Thomas Riden, Walter Teeters, Howard Combs and Mrs. Lynn Compton — members with birthdays in the month of January.

A short business meeting was conducted by Mrs. Tennis Wilson.

Games of 42 were played—followed by a "sing-song" led by Riden. Refreshments of hot chocolate, coffee and dough nuts were served.

The club's next monthly meeting, for February, has been scheduled at 7 p. m. — instead of the usual time of 7:30 p. m. — in Lions Club Building. At the session a committee will be named to formulate plans for the club's anniversary meeting in March.

* * *

Mr. and Mrs. Robert Bruce of Snyder spent Sunday here visiting Mrs. Bruce's mother Mrs. T. J. Coffee.

Candidate

State Senator Crawford C. Martin of Hillsboro has announced his candidacy for Lieutenant Governor in the Democratic Primary. The 45-year-old attorney is serving his fourth term in the Texas Senate. Martin said the basic plank in his platform would be to get the state on a sound financial basis.

Mrs. Martin, Mrs. Riden Hosts to Clubs

LORAINE — Mrs. Vanda Martin was hostess for the recent meeting of the 1950 Study Club here.

Games of canasta were played. A sandwich plate with jello fruit salad, fruit cake and coffee was served preceding the entertainment.

Present were:

Mmes. Lily Bennett, Fay McCollum, J. D. McDonald, Lynn Compton, Doris Martin, Jo Marshall, Cora Hall, Pauline Smiley and the hostess.

* * *

Hosting the first 1962 meeting of the Wednesday Club here was Mrs. W. H. Riden.

A refreshment plate of turkey sandwiches, potato chips, pie and whipped cream, coffee and spiced tea was served by the hostess to the following members present:

Mmes. T. F. Finley, M. A. Gann, Cora Hall, W. F. James, C. A. Land, J. D. McDonald, Wade Preston, W. M. Teeters and T. C. Wilson.

IN LORAINE

W.M.S. Plans All-Day Meeting

LORAINE — All circles of the Woman's Missionary Society of the First Baptist Church here will meet in an all day session Monday, Jan. 29.

The circle members will meet in the home of Mrs. Thomas Riden.

Plans for the all-day meeting were formulated at an all-circle W. M. S. meeting conducted here Monday in the Junior Department of the church beginning at 2:20 p. m. In other business, the group also approved sponsorship of a Sehor Banquet Feb. 8 here.

The Willie May Kennedy Circle presented the program in the session.

The meeting opened with Mrs. W. C. Rogers, accompanied by Mrs. Dexter Taylor on the piano, leading in the singing of "Bring Them In."

The program was under the direction of Mrs. Harold Hallmark, program leader.

The devotional, "Caring Not for the Ways of the World," was presented by Mrs. Pauline Smiley. She took the devotional from Isaiah 30:21.

The program, "The 30,000 Movements" was presented by Mmes. J. W. King, Edwin Hallmark, Taylor, James Hallmark, Dan Butler, Rogers and Smiley. Mrs. King presented the calendar of prayer.

HERE'S HOW YOU CAN BE SURE OF ABUNDANT HOT WATER *WORRY FREE!*

INSTALL A MODERN FLAMELESS ELECTRIC WATER HEATER

Important advantages:

1 **SAFE — NO FLAME**
Perfectly safe in *any* location, an electric water heater has no flame to blow out, no fuel to leak, no pilot light or flue to worry about. And the outside of an electric water heater is always cool.

2 **HIGH EFFICIENCY**
Electric heating elements are *in* the water, *inside* the tank. The tank is completely insulated, *even on the bottom*, to prevent heat loss. And no heat is wasted up a flue. You get hotter water faster and it stays hot longer.

3 **LONG LIFE**
With an electric water heater, the tank bottom is not subjected to the corrosive action of flames. There are no valves to stick, no moving parts to get out of order. An electric water heater assures you many years of trouble-free service.

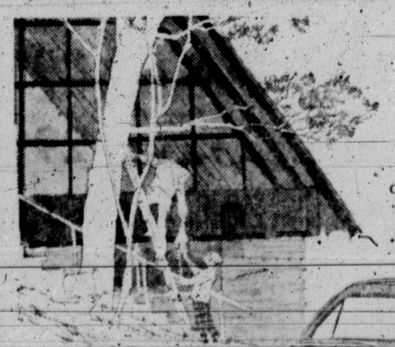

4 **INSTALL ANYWHERE**
Because an electric water heater requires no flue, it can be installed anywhere in the house, close to the point of greatest use. This saves long pipe runs and consequent waste of heat due to water cooling in the pipes.

5 **SUNSHINE CLEAN**
With an electric water heater, there are no by-products of combustion to soil walls or ceilings. No unpleasant fumes. No flue to accumulate soot. An electric water heater provides the cleanest method known for heating water.

6 **MODERN — COMPACT**
Choose from round or table top models at your plumber's or appliance dealer's. Compact round models require only four square feet of floor space. Table top models provide additional counter space in kitchen or laundry.

Sailors from the USS Terrell County carry a group of crippled children from their ship after treating them to a tour. The children, from a hospital in Bangkok, Thailand, received cake and ice cream later.

BY VERN SANFORD

When a race horse starts too soon it is known as breaking the barrier.

When a track man gets in a hurry he jumps the gun.

When an ammunition maker moves out ahead of a gun manufacturer, it is a headache for just about everyone concerned.

During the last 2 or 3 years there has been a tremendous craze for so-called magnum loads. These oversize loads have been around for a long time. But only recently have hunters wanted to try them.

When the magnum load was first developed, it was a 3-inch 12-gauge shotgun shell. It was ... shot than the regular high velocity loads but being a 3-inch shell, it required a gun with a longer chamber.

Then a new powder was developed and ammunition makers produced a magnum cartridge in the standard 2¾ inch length. Duck hunters began buying them and reaching for the moon. They could be used in almost any old shotgun.

If you could stand the kick you could shoot them.

* * *

These overloaded hulls were a definite advantage to the not-too-good-shooter. They carried more shot. Hence, they made a better killing pattern.

Unfortunately, most hunters thought the magnum load was almost equal to a rifle for distance. But they soon learned different. In most instances they would kill 5 yards farther, but mainly because of the more efficient patterns resulting from more pellets.

Although the magnums were first loaded in the 12s, they are now being loaded in 20s. Of course, there are 10-gauge magnums, too. But we'll pass over them because so few hunters own this type of cannon.

Federal Cartridge Corporation now has a 3-inch 20-gauge magnum, loaded with 1¼ ounces of shot. This is compared with ¾ ounces of shot in the original 20-gauge light load.

As shot loads are increased breech pressure also increases. This was a very important factor until a new slower burning powder was developed which did not increase the breech pressure.

The rub, however, is that there are not many guns around that will handle this 3-inch load. H. C. Russell, director of sales for Federal, shoots them in a Model-21 Winchester, which no longer is made except on special order at $1,000 each.

Col. Charles Askins of Fort Sam Houston shoots them in a rechambered over and under Browning. The lowest price of this gun is $260 retail.

Because they are ¼-inch longer than the standard hi-velocity cartridge, they cannot be chambered in the regular pump or automatic.

Sheldon Smith, president of Ithica, says "the Model-37 is NOT designed for that one nor is it chambered for it and that load should not be utilized in our Model-37."

Since Martin produces a double o/u gun we asked Lawrence Ferguson about rechambering for the 3-inch shell.

He says "the Marlin Model-90 cannot be chambered for the magnum 3-inch shells. It is chambered only for the 2¾ inch shells. It would be dangerous to attempt using a magnum in the 90."

Incidentally, he also said that it would not be practical to build a .44-magnum on the present Model-90 in the .410 frame.

Savage, which produces the Stevens and Fox doubles, says its guns should not be rechambered.

The first 12-gauge magnum ever developed was for a Fox gun many years ago. This gun, however, was specially bored for the heavier load.

Matador, the Spanish shotgun, is made in a double barreled model that is chambered for the 3-inch 20-gauge. It sells for $169.00.

Most recent magnum 20 gauge entry is a Remington Model-870 pump selling for around $100 to $160.

Stevens also produces a repeater which will handle the 3-inch 20-guage magnum shell, selling for about $80.

Shooters who have tried the 3-inch 20-gauge magnum shell geese and dove, say it will perform along with the 12-gauge standard load.

Price-wise the 20-gauge magnum with 3¼ drams of powder and 1¼-ounces of shot is listed to sell retail for $3.40. This is exactly the same price of the 12-gauge high-power load with 3¾ drams of powder and 1¼-ounces of shot. The regular high-speed 20 lists at $2.95.

In the medium brass shells, the 12-gauge lists at 2.65 and the 20-gauge at $2.40. In the target loads, the 12-gauge 2¾ drams with 11/8-ounce shot lists at $2.80 and the 20-gauge with 2¼ drams and 7/8-ounces shot lists at $2.30.

Since there is no doubt about the magnum giving cleaner kills, there is an advantage in them for the average shooter.

For the man who stretches his gun barrel, however, there will be little advantage.

Game frequently is killed at ranges in excess of 60 yards, but they can be considered as lucky shots. Consistent killing doesn't usually take place beyond 40 yards, or just about the depth of an ordinary city lot.

Actually, the lead you take may be the deciding factor in killing your game.

It's a good idea to know what shell throws the best pattern in your gun and to stick with that shell, be it magnum or regular load.

Take Army Physicals

Wendell Banks of Loraine was in Big Spring Wednesday of last week for his final physical examination prior to entering the U. S. Army. Three other Loraine men, Georg Martin, Gerald Martin and John Mayes, recently took their first physicals in Abilene.
