

January is busy month for C-C police department

January was anything but a slow month-crime-wise for the Colorado City Police Department, said Police Chief Ed Wheat.

The most dramatic increase was in thefts. The January figure for thefts was 21, the January Crime Report stated. The Police Department answered 1,478 calls in January which was a tremendous increase from the same time last year.

The C-City Police Department also answered 11 vandalism calls for January.

"The thefts were way up," Wheat said. "What is amazing is the DWI

calls (arrests) which was zero. This is what makes me proud of the new DWI laws."

The department also had three vehicle theft calls last month and investigated 90 crimes. The department cleared 37 cases and filed seven cases to the District and County Attorney's office.

The city had 27 Part I crimes, (homicide, rape, robbery, aggravated assault, burglary, theft, vehicle, and arson) in January.

The department also made 13 arrests during the month of January, the report stated.

Crime Stoppers to change charter to read non-profit

The Mitchell County Crime Stoppers organization passed a resolution to authorize attorney Frank Conard to amend the organization's charter to include that it is a non-profit organization during a meeting Thursday night.

Crime Stoppers also authorized a trip to Austin by members Martha

Martinez and Lona Cook to attend the Advisory Council Meeting February 17.

The Crime Stoppers organization also discussed the few number of calls being received by the organization.

The next meeting is scheduled for February 16 at the Civic Center at 7:30 p.m.

Mitchell County Briefs

Brush & Palette Club

The Brush & Palette Club will be having an all-day paint session at the studio of Margaret Costin at 10 a.m. Wednesday February 8. The studio is located at 105 E. 11th St. Everyone attending is asked to bring a sack lunch.

Gospel singing

Gospel Singing will be held at 7 p.m. Sunday, February 5 at St. Luke Methodist Church, 1635 Walnut. Come and enjoy local talents with all denomination gospel singing and musical instruments. Schedule and share your talent with us. Phone 728-5779 or 728-3868. Everyone welcome.

CYO cleaning yards

The Catholic Youth Organization is looking for yards to clean. Anyone wishing to have a yard cleaned should contact Jesse Munoz at 728-5566 or Barbara Heredia at 728-3739.

A minimum donation of \$30 for a large yard is required.

The CYO is selling chocolate and almond bars at \$1 a bar. Proceeds will go toward a summer trip.

Answerline

Answerline is a regular feature of the Colorado City RECORD. Readers with questions on any subject may write or telephone the RECORD with questions they would like to have answered. Letters must bear the reader's name, address and phone number for verification, although names will not be published. Mail inquiries to: Answerline, P.O. Box 92, Colorado City, Texas 79512.

(Q) When does a local resident need to register to be eligible to vote in the May primary?

(A) A resident must register 30 days before the primary. In 1984, the deadline is April 5.

High percentage have paid

Taxing units' collections up

By LUIS RIOS
The three taxing entities in Colorado City

have reported a high average of taxes collected through the period of

January 31, 1984, according to spokespersons from those entities.

Mitchell County Tax Collector-Assessor C. C. "Mike" Burt said Friday that the county had collected 95.3 percent of the taxes for the year. The percentage figure equals \$2,399,918.81. The county Tax Roll for the year is \$2,518,281.76.

"I feel we are just doing great," Burt said. "I just can't believe it, I feel like we are one percent ahead of last year."

The county tax collection basis for July 1, 1984 is 96 percent, Burt said. He noted that that figure had almost been collected by January 1.

City Tax Collector-Assessor Rita Espinoza said that 87 percent of the city's taxes had been collected by January 31. The money figure for

the percentage is \$311,000.

"Our collections are good, but we would like to see them better," City manager Rick Crowley said. He also said that the aggressive delinquent tax collection by the city's attorney's has helped the delinquent tax situation.

The School district reported that it had collected 81.66 percent of the taxes. The money figure for the percentage is \$1,937,814.

School District Tax Collector-Assessor Geneva Findley said that the 18.34 percent of the taxes not collected are delinquent and that a property owners will have to pay seven percent interest in February and one percent

extra every month that the taxes remain delinquent.

The School District had collected 70.34 percent of the taxes by the same period last year, Mrs. Findley said.

The Tax Roll for the year is \$2,402,421. The School District collected 96.75 percent of the Tax Roll last year.

Mrs. Findley also said that 1,019 of the real estate pieces taxes had not been paid. The School District taxes 5,601 pieces of real estate excluding oil and gas holdings.

The city, county and school taxes became delinquent January 31, 1984. All delinquent taxes will be assessed a monthly interest penalty for being late.

COLORADO CITY FIREMEN battle a blaze at the dump grounds Thursday afternoon. The firemen put the blaze out hours later.

Postal Service looking for new Westbrook location

Westbrook Postmaster Billy Sweek announced Friday that the U.S. Postal Service is seeking a suitable site upon which to build a new postoffice building in Westbrook.

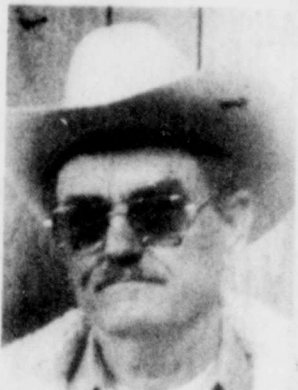

"This has been in the planning stage for the last six months," Sweek said. "All the administrative paperwork has been cleared. We are now dealing at the local level."

The preferred area for the site consideration is: bounded on the North by Morrison Street; on the South by Turner Street; on the East by Crump Street; and one the West by Morgan Street.

The minimum site size is 12,500 square feet. However, the site size is negotiable, Sweek said. Copies of the advertisement for site may be obtained from the Postmaster at Westbrook, TX, 79565.

Property owners are asked to submit their site offerings not later than 4:20 p.m. March 1, 1984. The site offerings See LOCATION, Page 2

Hardegree joins race for Pct. 3 Commissioner

Weldon Hardegree

Local farmer Weldon Hardegree, 55, announced to the RECORD that he was seeking the Precinct 3 County Commissioners spot for 1985.

Hardegree is now one of three Colorado City residents seeking the spot. Incumbent Paul

Hunter and Frank Conard announced their intentions for seeking election earlier in January.

Hardegree said he had lived in Colorado City for 52 years.

"I am willing to work and serve the people of Precinct 3," Hardegree said. "I am a life-long resident of Mitchell County and I have dealt in livestock, trucking and farming in this county."

Hardegree, who is a graduate of Colorado High School, and his wife, Verta, have four children, Sid, Deana, Becky and Kim. Hardegree is a member of the Church of Christ.

ASCS SPOKESPERSON DON STEWART explains the 1984 Farm programs to county farmers Wednesday morning.

1984 Farm programs discussed by area farmers in meeting

Mitchell County Agricultural Stabilization and Conservation Service director Don Stewart presented the county farmers with the 1984 farm programs Wednesday at the C. C. Thompson Room.

The cotton program for 1984 will not see a Payment-In-Kind stipulation, Stewart said. The wheat program will allow for a PIK in 1984.

Stewart said the sign up deadline date for all the farm programs for 1984 will be February 24. Secretary of Agriculture John R. Block announced in 1983 that a 25 percent acreage reduction program for the 1984 crop of upland cotton, with a program sign-up period from January 16 through February 24. The sign-up date for cotton is the same for the wheat and feed grains.

The 25 percent set-aside is mandatory for the cotton program, Stewart said. Under the 1984 program, one or more approved covers or practices shall be

established on the land designated ACR (Acreage Conservation Service) by the end of the planting season for spring-seeded crops.

The target prices and national loan rates for 1984 for upland cotton (lb) is \$.81 (target price and \$.55 loan rate). Stewart said it was mandatory that the applicant have all signatures on the contract by March 9. He also added that it was necessary that the applicant certify the planted acres by July 15.

Block said an acreage reduction program for upland cotton is needed to prevent ending stocks from rising to excessive levels. "With the payment-in-kind program, we have made excellent progress in bringing cotton supplies into line with demand," Block said. "We urge farmers to cooperate once more in an effort to avoid burdensome production and low prices."

To be eligible for price support benefits, producers must agree to limit

upland cotton planted acreage to not more than 75 percent of their cotton acreage base. An acreage of cropland equal to 33.33 percent of the cotton planted acreage must be devoted to approved conservation uses, said Block in a news release.

Upland cotton price support provisions include a base loan rate for Strict Low Middling 1-one-sixth inch cotton, micronaire 3.5-4.9, of 55 cents per pound and the minimum target price allow by law. The current statutory minimum target price for the 1984 crop is 81 cents per pound. Other 1984 upland cotton program provisions include: -The 1984 acreage base will be the average of the acres planted and considered planted to upland cotton in 1982 and 1983.

-Land designed for conservation use must have been devoted to row crops or small grains in two of the last three years, except for a summer fallow farm. In

the case of summer fallow, conservation use acreage must be land that would have been planted to small grains or row crops in 1984 in the absence of the 1984 upland cotton program. The land must be protected from the wind and water erosion through the year.

-Offsetting and cross compliance will not apply to the 1984 program.

-No advance deficiency payments.

-Recourse loans will be available for seed cotton in 1984. The loan rate for seed cotton will be the same as the loan rate applicable to lint cotton adjusted to a lint basis. Recourse means that the borrower must repay the full dollar amount of the loan plus accrued interest.

-Contracts signed by program participants will be considered as binding and will provide for liquidated damages in cases of failure to comply with program requirements.

Hill seeking position as Tx. Supreme Court Chief Justice

John Hill

Former Texas Attorney General John Hill announced Friday that he will be a candidate for Chief Justice of the Texas Supreme Court in the May 5 Democratic

Primary. Hill, who served two terms as Attorney General from 1973 to 1978, said he would devote his six-year term of office to "trying to help lead the effort to improve our system of justice by utilizing the judicial and administrative responsibilities of the office of Chief Justice."

Hill, 60, said that improved continuing legal education and codes of professional conduct for lawyers and judges would be the dominant themes of this campaign. "The competency and integrity of our lawyers

and judges must be unquestioned," Hill told supporters and reporters who attended his announcement in the Old Supreme Court Room of the State Capitol.

Hill called the discouraging "even the appearance of judicial impropriety" and for reasonable limits on political contributions to judicial candidates.

In his kickoff address, Hill noted that bigger and bigger backlogs of cases are developing in the state's court system. If that system is going to be made more efficient, Hill said, it will require closer cooperation and understanding between the judicial, legislative and executive branches of state government.

"We must improve our ability to efficiently and fairly dispose of our growing case load—justice delayed is justice denied," Hill said.

Hill suggested that his experience as a lawyer, and Attorney General and his two years as Secretary of State offer "a background of public service and hands-on practice of law that can be helpful to resolving those problems."

Hill is a senior partner in the firm of Hughes and Hill with offices in Dallas and Austin.

He serves on the Texas Judicial Council and is a member of the American College of Trial Lawyers and the International Academy of Trial Lawyers. He has received numerous other honors during his legal career of more than 30 years.

He is a member of the national board of the Muscular Dystrophy Association and the administrative board of Tarrytown Methodist Church in Austin.

Hill and his wife, Betsy, make their home in Austin.

The small letter "a" first appeared during the fourth century. It was a rounded letter used in place of a capital. By about 1500 it was seen in its present shape.

Block urges participation in 1984 farm programs

After a recent meeting with Secretary of Agriculture John R. Block in Chicago, J. Lynn Futch, Farmers Home Administration (FmHA) State Director for Texas, said the most immediate challenge stressed by Block for 1984 "is to achieve heavy participation in the 1984 farm programs."

State Directors for USDA's Farmers Home Administration and State Executive Directors for USDA's Agricultural Stabilization and Conservation Service from over the nation attended the meeting with the Secretary. Emphasis was placed on the benefits producers will receive by signing up for the commodity programs.

Block said that both government and private sector analysts are saying basically the same thing: It will prove advantageous for the average American farmer to participate in these 1984 farm programs. He said the programs will not only provide a needed conservation effort, but they will also offer producers a protection against serious downward price fluctuations.

"It's essential that agriculture show its willingness to do its part in maintaining the thrust of its own recovery," Block said. "These programs and our federal crop insurance could be two of the best tools producers can work with in 1984."

Block said the farm programs, in combination with the federal crop insurance, will provide protection against the risks of drought, freeze, flood or other unanticipated acts of nature.

Frank Naylor, USDA Under Secretary for Small Community and Rural Development, told Futch that while federal crop insurance has existed since 1938, the current insurance has been significantly revised, expanded and improved.

"Today's program offers high coverage on more crops in more places," Naylor said. "The cost per unit of protection is also much lower. Most importantly, farmers today can obtain crop insurance protection that is custom tailored to individual circumstances."

Block emphasized that farmers who question the need for crop insurance should direct their questions toward

those farmers who benefited from the coverage after the unanticipated weather of 1983. "I believe this insurance was the salvation of many of those farmers."

In a separate meeting with FmHA personnel, FmHA Administrator Charles W. Shuman said they will continue to work with farmers on a fair and business-like basis, "going the extra mile to help deserving farmers."

Shuman asked the state officials to explain to borrowers who are having repaying loans the requirements they must meet to qualify for loan servicing options. He said these options include: Consolidation of loans, rescheduling, re-amortizing loans or deferral of payments.

Births

Mr. and Mrs. Elias Martinez are the proud parents of a three-pound 10-ounce baby boy, Elias Robert Martinez. The baby was born January 17 at 3:01 p.m. at the Women and Children's Hospital in Odessa. The mother's parents are Ruben and Amelia Garza and the father's parents are Frances and Albert Martinez.

xxx
 Kristopher Edward, son of Mr. and Mrs. Audie Mitchell of Colorado City was born in Root Memorial Hospital January 29 weighing 8 lbs., 4 ozs.

Cook's Corner

Arispe does lots of cooking without recipes

Peggy Arispe

Getting married, going to school, cleaning the house and cooking is a hard adjustment for anybody, but Peggy Arispe did it at the age of 17.

She got married when she was still in high school and didn't know how to cook.

But after six years of foul-ups, bleeps and blunders, she made it.

"I cook a lot of tortillas and beans, because those are easy to make."

Her husband, Benny, works nights and she works as well, so Mrs. Arispe usually cooks one meal, which is supper.

She used a lot of re-

cipes after she got married, but now just throws a little of this and a little of that into whatever she is preparing.

"I like to try new recipes out, but I don't have to use as many as when I first got married. My husband has always eaten anything I've fixed, so I've been real lucky there."

She won't eat sweets, but her husband likes them, so she prepares them for him.

Today she is sharing three of her recipes with RECORD readers.

MEXICAN MEATLOAF
 1 1/2 lbs. ground beef
 1 can (10 oz.) Old El Paso tomatoes-green

chilies.

1 1/2 cups soft bread crumbs
 1 egg
 3 tablespoons instant minced onion (optional)
 1 1/4 teaspoons salt
 3/4 cup shredded cheddar cheese

Mix together ground beef, tomatoes and green chilies, bread crumbs, egg, onion and salt. Shape into loaf in shallow pan. Set oven on 375, cook for one hour. Sprinkle cheese on top. Return it to oven until cheese melts. Makes four servings.

BUTTERSCOTCH BROWNIES
 1 cup unsifted flour
 1 teaspoon baking

powder
 3/4 teaspoon salt
 1-6 oz. pkg. butterscotch morsels
 1/4 cup butter
 1/2 cup firmly packed brown sugar
 2 eggs
 1/2 teaspoon vanilla extract
 1/2 cup chopped nuts
 Preheat oven to 350 degrees. In small bowl, combine flour, baking powder and salt; set aside. Melt over hot water, butterscotch morsels and butter; remove from heat. Place in large bowl. Stir in brown sugar. Cool at room temperature five minutes. Beat eggs and vanilla. Blend in flour mixture. Stir in nuts. Spread evenly in greased 13x9x2 baking pan. Bake 25-30 minutes, cool and cut.

2 teaspoons grated lemon peel
 1 teaspoon lemon juice
 1/2 teaspoon salt
 One-third cup brown sugar
 1/2 cup almonds (optional)
 Wash yams; drain; place in slow-cooking pot. Cover and cook on low for four to six hours.

Cool, peel and place in large bowl. Mash until smooth. Add butter, 1/4 cup brown sugar, lemon peel, juice and salt, mix well. Spoon onto greased 1 1/2 quart baking dish. Sprinkle remaining one-third cup brown sugar and almonds on top. Bake at 350 degrees for 40 to 50 minutes. Makes six to eight servings.

Loraine Bulldogs fall

Losses come two in a row

By TONY FRANCO

The Loraine Bulldogs, have swept through the first round of district play with a 5-0 record, are now 5-2 after two consecutive losses, the latest a 66-60 overtime setback at Roscoe last Tuesday night.

With the district 12-A loss the Bulldogs fall into a second place tie with the Plowboys, who play district leading Highland next Tuesday.

Highland, with only one loss, can take a commanding lead in the district race with a win over Roscoe.

Should Roscoe beat the Hornets, the district race would be in a three way tie with two games remaining.

A Highland win would give Roscoe three losses and leave the Loraine Bulldogs in sole possession of second place.

In case of a three way tie a coin flip would decide the district's fate, any one of a number of possibilities.

All this, of course, is barring any losses for the remainder of the year. Loraine and Highland both have Westbrook remaining on their

schedules.

Westbrook, at 3-3, still has a shot at the playoffs. The Wildcats were to have hosted Highland, last Friday night, then host Ira Tuesday before playing Loraine Friday.

With three wins Westbrook could cause havoc on all reckoning and find itself in post season play or play the role of spoiler.

Against the Roscoe Plowboys, a team Loraine beat by one point earlier in the season, the Bulldogs pushed the game into overtime despite losing three starters to fouls.

James Griffin, Loraine's leading scorer, left the game in the second quarter with only two points.

Ruben Garcia, who also fouled out, had a team high 22 points for Loraine.

At the end of regulation the score stood at 52-52 but then the Plowboys outscored the Bulldogs 14-8 in overtime for the victory.

Behind Garcia the Bulldogs held a 28-21 halftime lead. Aundra Rose, who finished with

17 points, scored 15 in the second half-including four in overtime. Rose also collected a team high 23 rebounds.

Brother Tracy Rose finished with 13 points, two in overtime. Tony Morris, the third to foul out, scored four points as did Landy Smith.

Also scoring for Loraine which shot a blistering 74 percent from the floor and 67 from the

free throw line, was Ricky Banks with two points in overtime.

Roscoe had three players in double figure, led by Cravey's 23 points.

The Loraine Lady Bulldogs, despite 21 points and 15 rebounds by Leslie Rose, lost to the Plowgirls 59-40.

Four Bulldogs, including Rose, fouled out of

the game.

Julie Wells left the game with seven points and five rebounds. Janie Barrera, who along with Tencia DeLoera also fouled out, scored six points.

Also scoring for Loraine now 2-4 in district, were Beverly Griffin, Mitzie Hallmark and Adelina Vasquez with two points.

YARDY POWELL puts up two of his 12 points against Ballinger last Tuesday night. The Wolves defeated the Bearcats 53-51 on their home court to win the first half title with a perfect 5-0 record.

C-City junior varsity teams fall to Bearcats

By TONY FRANCO

At Ballinger last Tuesday, the Colorado City junior varsity boys and girls lost both games to the Bearcats.

The boys squad took an early first quarter lead then fell 63-39.

Albert Rivera, who finished as high point for the Wolves with nine points, scored six in the first half. Colorado City led Ballinger 12-10 after the first quarter and only trailed 25-20 at half-time.

In the second half the Bearcats doubled the Packs output.

Also scoring for the Wolves, who shot 40 percent from the floor and 44 percent from the free throw line, were Heath Blassingame and Wylie Dakan with six points, Moises Molina five, Terry Jackson and Paul Arellano four, Mike Ligon three and Kevin McLean two.

The junior varsity girls, who committed 24 fouls to Ballingers sev-

en, lost 47-33, despite a 16 point performance by Yolanda Lee.

After being outscored 23-11 in the first half, the Wolves made 22 second half points to 24 for the Bearcats.

Diane Gregory and Jody Huff added four points for Colorado City. Melanie Rees scored three and Priscella Dawkins, Kellie Beights and Dora Andrews each made two points.

The Colorado City ninth grade girls traveled to Big Spring last Monday and returned with a 36-10 loss.

Coach Linda Mathis revealed "They had some really big girls."

For the Wolves, Gann Parker, Holly Tarter, Robin Edwards, Audelia Rivera and Mary Salazar all scored two points.

Wildcats are breaking even in district play

By TONY FRANCO
The Westbrook Wildcats, now with both the boys and girls teams at 10-10 on the year and 3-3 in district play, hosted Hermleigh last Tuesday night, sweeping both District 12-A contests.

Dewayne Hayes, who scored all 15 of his points in the first half, led Westbrook in mounting a big early lead to defeat the Cardinals 55-42. Including high point Donald Burnett with 16 points, the Wildcats had four players in double figures.

Clay Browne, who finished with 14 points, had 10 in the first half.

Westbrook build leads of 22-10 and 37-21 in the first and second quarters then led by 20 points after the third period.

With the win the Wildcats find themselves with a chance at the playoffs.

Westbrook was to have hosted league-leading Highland Friday night. By upsetting them, then following that with wins over Ira and Loraine, the Wildcats could throw the district race into a scramble and force playoffs or coin tosses within the district.

Hayes finished the game as the leading rebounder with 13 and Burnett 11.

Don Ginkinger added 10 points for the Wildcats, who shot 34 percent from the floor and 35 percent from the free throw line.

The Westbrook Lady Wildcats beat Hermleigh 34-33 in their district 12-A contest, and even

took the Cardinals on in some three on three basketball.

Both teams got into second half foul trouble, with Hermleigh having to finish the game with only three players.

Westbrook coach Keith Bundas, out of sportsmanship, took two players out to even thing sup.

The final score could have been much different either way, if not for poor shooting.

Westbrook shot 23 percent from the floor and 37 percent from the free throw line. Hermleigh, which had only eight first half points, made only seven of 22 free throw attempts.

Elena Lopez, herself playing with four fouls, finished as high point for Westbrook with 14 points.

Gracie Fuentes scored five points for the Wildcats before fouling out, as did Elizabeth Burnett and Kellye Smith.

Also scoring were Lydia Vigil with three points and Gayla Cook two points.

LADY WILDCAT Kellye Smith puts up a shot during Westbrook's win over Hermleigh last Tuesday night. With the win, the Wildcats upped their records to 10-10 and 3-3 in district. At left is teammate Gayla Cook.

Westbrook JV Action

By TONY FRANCO
The Westbrook junior high teams split their

two games with Ira last Monday night. Buddy Lopez, with 22

points, led the Wildcat boys to a 58-17 thumping of the Bulldogs.

WESTBROOK

Varsity boys and girls vs. Ira there 6:30 p.m.

Also scoring were Clayton Cannon with 18 points, James Woods eight, Marty Browne four and Neal Ginkinger, Junior Lentz and Scott Harrison two points.

The girls team went into three overtimes before losing 28-27.

Amy Harrison finished as high point with eight points, Kate Walls and Veronica Lopez six, Jimmie Kelly three and Jeanne Rogers and Rachel Simon two.

Westbrook hosts Loraine Monday in the last game of the season.

Insurance Tips By Randy Phillips & Associates

WHO OWNS THESE CARS?

Is each automobile on your policy titled in the name shown as the named insured on the policy?

Does the person in whose name the policy is written have any ownership interest in each car shown on the policy?

Are the usual drivers of the cars listed on this policy, members of the named insured's immediate household?

If any car is owned, registered or titled in another's name, or usually driven by a non-resident of the named insured's household, such as a son, daughter, or ex-spouse, notify your agent immediately. Otherwise, you may find, following an accident, that you do not have the insurance coverage you anticipated. Don't let any misunderstanding or lack of knowledge about the ownership of any car void your insurance coverages.

If you have any questions about this, contact Randy Phillips & Associates at 728-5268 or Come by 2308 Hickory.

Loraine JV action

By TONY FRANCO

In Loraine junior high action last Monday, the girls won 35-14 while the boys team, due to illness, didn't have enough players to field a team.

Jolinda Troutt led the Lady Bulldogs with 12 points.

"It was a fine game," said coach B. D. Trice. "They're coming along as good as I expect them."

Also scoring for Loraine, which closes out its season Monday against Westbrook, were Christa McNary with 10 points, Terry Munoz six, Cheryl Alvarez five and Isabelle Barrera two.

FOLKS WHO ARE DIFFERENT

First United Methodist Church Loraine & Westbrook Reta Richards, Pastor

Mathew 5:43-48. So much of the time when people asked Jesus a question he answered with a question. I think that Jesus is telling the people that he expects his followers to be different than those around them. Jesus was different. He came to do something for us that we couldn't do for ourselves. He endured the cross that we might have eternal life. Did his coming make any difference in our lives? There should be something special about us who profess to be Christian. If there is nothing, then our Christianity doesn't amount to much. It is a big disappointment to ourselves and I am sure a bigger disappointment to our Lord and Master.

It would seem that the difference between the person who claims to be a Christian and the one who doesn't is not so much now as it is in a pagan land where the Gospel is just beginning to come alive. There is a difference in the people who really know Jesus Christ. A little girl in India was asked to describe a Christian and she said, "The folks are different." That description is good in any land.

In the early Church Christians specialized in brotherliness. They loved one another. Jesus had taught them that all men "shall know that you are my disciples." Loving one another would be one mark of a Christian. That kind of love took in everybody. They loved strangers, foreigners and outsiders.

But look at what else! Not only did they love strangers, outsiders and foreigners, but they loved their enemies! That is something that most people don't do and don't even want to do. Real Christians loved their enemies. Sometimes we say, "Must I love that person?" Jesus says that we must. We don't have to like our enemies enough to have them as our guest, but we must love them with a love that shows them an active and sacrificial good will. Jesus said that we should bless them that persecute us and pray for them that despitefully use us. He didn't say that we had to like what they were doing. Jesus prayed on the cross, "Forgive them for they know not what they do." Even Stephan, when he was stoned, asked the Lord to not lay this sin to their charge. He didn't like what they were doing but he loved them enough to pray for them. He didn't like what they were doing but he loved them enough to pray for them. That is one of the characteristics of a Christian even today.

The followers of Jesus knew that it wasn't going to be easy, but they went out and tried to act as he had taught. Jesus makes it plain that we must do the same thing. It was hard for Jesus, too. He said, "If any man will come after me, let him deny himself and take up his cross daily and follow me." Not too many people deny themselves anything these days.

There just isn't any cheap way to be a Christian. None of the people in the Old Testament or the New Testament that followed God got any special treatment. Not even Jesus. God was not concerned as much for their comfort as he was for their character. But there is a better side to that. Even if they had a hard time they also had the best time of anyone. Remember at Pentecost the people all thought they were drunk on new wine, when they were really just happy in the Holy Spirit. They didn't have a hangover—they went out laughing and singing all over the countryside. Real Christians are happy. That is the only way we have of being like Christ. In spite of the cross, Jesus lived a joyous rich life. Probably more so than any other person on earth. He wants to share that abundant life with us. When we love each other, and all others especially our enemies, we can have that joyous, abundant, rich radiant life. When we share this life with Christ we are making life worthwhile both now and for eternity. That is some tall order but we must love everyone even enemies to be able to wear the name of Christ.

TUESDAY - Corn dogs, mustard, cheese

Stocker fish sale to be held by Upper Colorado SWCD

The Upper Colorado Soil and Water Conservation District, serving Scurry and Borden Counties, plans to conduct a stocker fish sale for interested pondowners. The long drought of last year caused many ponds to go completely dry. This condition allowed many pondowners to clean out and deepen older ponds that had silted in and lost much of their original storage capacity. Pondowners should also be aware that ponds which maintained a small amount of water during the

drought may have experienced fish die-offs due to crowding, high daily temperatures and oxygen shortages. Recent rains have partially filled many ponds in the district making them prime for restocking this spring. Plenty of channel catfish are available and largemouth bass may be arranged in this program.

At this time the district would like to determine the interest of pondowners in restocking their ponds. If a sufficient number would like to participate the

district would contract with a commercial fish farmer to supply the desired fish. Soil Conservation Service recommendations on stocking rates for ponds of one surface acre or less are:

100 4-6" stocker catfish per surface acre if a feeding program is not planned.

300 4-6" stocker catfish per surface acre if fed occasionally.

500 4-6" stocker catfish per surface acre if fed daily.

For ponds greater than one surface acre: channel catfish can be stocked alone or in combination with largemouth bass and a forage species such as bluegill. Stocking recommendations for your ponds and other items of pond management can be obtained from the Soil Conservation Service office in Snyder. SCS personnel will also be taking your

orders for the fish.

Fish orders will be prepaid to the Upper Colorado Soil and Water Conservation District when you place your order. Notice will be given in the Snyder Daily News and The Borden Star and all parties contacted when fish will be available for pickup at the SCS office in Snyder on or around April 1st. Cost of the fish will be determined before you place your order. Our emphasis now is to develop a list of persons interested and the approximate number of fish they would need. For more information come by the SCS office at 3423 Ave. T or call 573-0171.

Pondowners in Mitchell County are also eligible to purchase stocker fish in this program.

Cost of the 4-6" channel catfish will be about \$47.50-hundred.

Mechanics course offered by Wallace

A 30 hour Auto Mechanics Course will be offered at the Colorado High School in Colorado City beginning Monday, February 6, through the Wallace Community Education Program. Classes will meet on

Monday from 5-10 p.m. through March 19, with Glenn Dunn as instructor. The fee is only \$15 per person. Students are to pre-register at the Wallace Center.

The course will include instruction in engine tune-up, fuel system, electrical system, anti-pollution devices and trouble shooting.

The class is for men and women, ages 17 and over. For more information call 728-2392, Community Education Office.

Goss places in Houston Hay Show

Tom Jay Goss III, 37, former Colorado City resident, took top honors at the Texas Hay Show in Houston recently.

His Coastal Bermuda with a protein value of 19.62 competed against all type of hay, including alfalfa and was judged the grand champion hay.

The Hay Show was held in the Sheraton Crown Hotel with 310 entries from all parts of the state.

Goss was a graduate of Colorado High School and was president of his FFA chapter here. He owns farms in the Nacogdoches area. His wife is the former Ida Bassham. He has two children.

If you can't stop smile as you go by.

WTC - Wallace Center team up to sponsor eight college courses

Western Texas College will offer eight courses at Wallace Center in Colorado City in a Spring Opportunity Session starting February 20 and ending May 9.

Persons interested in enrolling are invited to contact Barbara Gray at Wallace Center for information about registration and the class schedule. Formal registration will be held from 6:30-8 p.m. on February 13 at Wallace Center. Textbooks are to be available on the first night of class meetings.

Courses on the schedule are Art 232, English 131, History 131, Management 132 and 135, Mathematics 135, Psychology 232 and Sociology 232.

High school seniors who would like to enroll under the Early Admissions Program must first obtain the permission of their school principal. Credit earned will

be applied to the student's transcript following high school graduation.

WTC will be offering a wide variety of courses on the Snyder campus during the Spring Opportunity Session. Information about those courses may be obtained by contacting the Student Services office.

SADD group announces organization

Kellie Beights, reporter for the organization, would like to announce the formation of SADD—Students Against Drunk Driving. Beights said "We've just started getting it all together," and listed the officers as Doug Baum, president; Rayleigh Marion, vice president; Sally Mendoza, secretary and Audelia Rivera, treasurer.

Garner, Barber chosen 'Band students of Dec.'

By TONY FRANCO
Lisa Garner and Rhonda Barber, who both play the flute for Colorado High School, have

been chosen as Band Members of the Month for the month of December 1983.

On being selected Garner

said, "I think it's an honor. I'm surprised." Lisa added "We've come a long way and we're going to have a good band. Mr. Shipp (band director) has helped us a lot."

Rhonda Barber said "I'm surprised and think it's really neat." Rhonda added "I think we're going to do well at contest. We have improved a lot since the beginning of the year. Mr. Shipp is very good and patient. Band is worth the time and effort it takes to be good."

Garner made the All-District Band January 28 and will be in concert with the Band February 11. Barber did not compete for All-District because of tendinitis in her left wrist.

The band is currently preparing for solo and ensemble contests to be held February 25 at Abilene.

Sociology class to have new approach

Members of Dr. Gil Fleer's Sociology 232 class in Colorado City this spring will have the opportunity to survey a variety of current social situations against the background of John Naisbitt's best selling book "Megatrends."

Dr. Fleer, Professor of Sociology at Western Texas College, will be teaching the class on Monday evenings during WTC's Spring Opportunity Session. Class discussion will be encouraged, Dr. Fleer says, and persons who have already had Sociology 232 will find this new approach can give an added dimension to the class.

In "Megatrends," Naisbitt defines 10 major forces sweeping through American society today. We are in a period of great change and exciting transition, Naisbitt says, and adds, "It is a fantastic time to be alive."

Yet the more techno-

logy around us, the more the need for human touch, Dr. Fleer points out, and this need can affect the lives of everyone.

Prospective students who would like more information about the new class are invited to call Dr. Fleer at WTC, 573-8511.

Registration for the Spring Opportunity Session classes in Colorado City will be held from 6:30-8 p.m. on February 13 at Wallace Center. Classes will meet during evening hours from February 20-May 9 at Wallace Center.

Card Of Thanks

Card Of Thanks

Our hearts overflow with sincere appreciation for all who expressed their love and sympathy in so many comforting ways during our recent sorrow. We are truly grateful for the prayers, soothing words, cards of condolence, visits, telephone calls, telegrams, flowers and memorials. We also wish to express our gratitude to those who furnished and supplied food and to those who prepared food as well as those who served the food.

Bids will be received for any one of the items or for a combination of the items. The equipment may be inspected at City Hall, 180 W. 3rd Street, beginning February 6, 1984 thru February 10, 1984 between the hours of 8:00 A.M.-5:00 P.M. The equipment will be sold "As is." The City of Colorado City reserves the right to accept or reject any and all bids.

SIGNED: Elmer Martin
Mayor

ATTEST: Rita Espinoza
City Secretary
Dated: January 29, 1984

NOTICE OF APPLICATION FOR FLUID INJECTION WELL PERMIT

Tuthill & Barbee 900 Fisk Building Amarillo, TX 79101 has applied to the Railroad Commission of Texas for a permit to inject fluid into a formation which is productive of oil or gas.

The applicant proposes to inject fluid into the Mississippian Ellwood Estate, Well Number 1. The proposed injection well is located South 25 miles from Colorado City in the Jameson, N. W. (Miss) Field, in Mitchell County. Fluid will be injected into strata in the subsurface depth interval from 7162 to 7204 feet.

LEGAL AUTHORITY: Chapter 27 of the Texas Water Code, as amended, Title 3 of the Natural Resources Code, as amended, and the Statewide Rules of the Oil and Gas Division of the Railroad Commission of Texas. Requests for a public hearing from persons who can show they are adversely affected, or requests for further information concerning any aspect of the application should be submitted in writing, within fifteen days of publication, to the Underground Injection Control Section, Oil and Gas Division, Railroad Commission of Texas, Drawer 12967, Capitol Station, Austin, Texas 78711 (Telephone 512/445-1373).

LOST: 3 year old Brangus cow. Branded BX left side. Phone Johnny Shackelford or Grady Beach.

Gotten out of back yard at 705 7th Street, red Cocker Spaniel. Answers to name of Marty. Has winter coat of hair. Will be a reward. Phone 728-5036.

LOST: 6 month old Doberman Pinscher, red, ears trimmed. Answers to Fred. Reward. Phone 728-5036.

Brinel and white screw tail Bulldog, answers to Button. Strayed from 1540 Hickory. Reward offered. She has lost collar and tag. Phone 728-5735.

\$200 REWARD!
Leading to the recovery of three Goodyear 7.50-16LT 8 ply tires and two Goodyear 7.50-16LT 10 ply tires. Phone 728-2224 or 728-3720.

1984 Cotton crop forecast 'about the same'

The 1984 cotton crop could be headed for the "same song, second verse" scenario—overproduction followed by lower prices.

"Because the 1983 PIK program reduced supplies and thus caused some strengthening in prices, many farmers will be inclined to plant

more cotton in 1984," believes Dr. Carl Anderson, economist with the Texas Agricultural Extension Service, Texas A&M University Sys-

tem. "That will bring prices down again by harvesttime."

Anderson views the government's '84 cotton program as not suffi-

ciently attractive to cotton producers to keep them from planting substantially more acres than in 1983. Such increased production in the U.S., coupled with an expected increase in foreign production, would cause the world crop to exceed consumption levels. This would also put

pressure on the export market for U.S. cotton. "Because the '84 cotton program allows for a large deficiency payment—the maximum is 26 cents a pound for eligible producers, many large-scale operators will probably reach the \$50,000 payment limitation," points out Anderson. "This drastically reduces the program's effectiveness to

Malone & Hogan offers continuing education

"We invite any West Texas health professional to participate in Malone and Hogan Hospital's continuing medical

education program in Big Spring. Each presentation is accredited by Texas Tech University's Health Sciences

Center," said Dr. Bernard Zilberg.

The Malone and Hogan Clinic pediatrician has announced the following schedule of Wednesday seminars. Each begins at 12:30 p.m. in the hospital's first floor classroom.

Odor eaters that will keep your refrigerator sweet: charcoal, dried used coffee grounds, a piece of vanilla bean or vanilla-soaked cotton, baking soda or a wad of crumpled newspaper.

Letter to the Editor

Dear Editor:
The Annual Cotton Arts and Crafts Show will be held in the Lubbock Civic Center in conjunction with the Texas Cotton Ginners Convention on April 12 through April 14th, 1984.

Welcome are paintings of all media, photography, graphics, sculpture and fiber art. The entries need to reflect cotton or a cotton country theme. Entries are due on Wednesday, April 11 in the main banquet hall of the Civic Center. The fee is \$4 per entry.

Of special interest to persons engaged in fiber art is the special Style Show held on Thursday, April 12, featuring batic, screen printing, creative painted, knit, crochet, handwoven garments, or other unusual fiber creations.

McElroy listed on dean's list

Kathryn McElroy, a student from Colorado City, has been named to the Dean's List for the fall semester at Sul Ross State University.

According to Dr. Earl Elam, vice president for Academic Affairs, undergraduate students who have been enrolled for as many as 12 semester hours during the previous semester and earned a grade point average of at least 3.3 on a 4.0 scale are named to the list each semester.

Ms. McElroy earned a grade point average of 3.3.

Thanks again,
JoAnn T. Mock

The Adult Education Division of Western Texas College is sponsoring:

Emergency Medical Technician (EMT) in Colorado City

Instructor: Ray Dillard

Cost Per Student: \$135.00 plus books

Class Begins Tuesday, February 7, 1984

Class Ends Tuesday, May 1, 1984

Minimum Enrollment: 10

Maximum enrollment: 25

Class will be held in the C.C. Thompson Room

The class will meet each Tuesday and Thursday nights for the duration of the class. Mr. Dillard will be assisted by Donnie Phillips as the skills instructor.

Students completing this course will be certified by the Texas Department of Health in CPR (adult and infant). They will also learn:

Management / control of bleeding
Shock
Heart Attack, Strokes, Suffocation

The course graduates will qualify for job opportunities such as technicians for EMT services.

Students must call 573-8511, ext. 240 or Ray Dillard, 728-3431 to reserve space in this class.

Art show wants artwork from area women

Women from Abilene and the surrounding area are being encouraged to enter works of art for a show to be held in connection with the observance of Women's History Week at McMurry College.

Women's History Week will be observed February 26-March 4 with several events on the McMurry campus. The art show will open with a reception on February 26 in the gallery of the Ryan Fine Arts Center.

Works of art must be entered on February 14 for consideration in the show. Women wishing to enter artwork should bring them to the gallery between 8 a.m. and 5 p.m. on the 14th. A fee of \$3 will be charged for each work and each artist will be allowed to submit one work of art.

Catherine Benson, instructor of art at McMurry and coordinator of the event, noted that all types of artwork will be considered for the show. "We are trying to bring together as many works from as wide a variety as possible," said Ms. Benson.

The event will be a juried show. Works will be judged by Jean Cheatham, professor of art at Texas Tech University.

Persons seeking further information should contact Ms. Benson at 692-4130, Ext. 310 or Dr. Fane Downs at 692-4130, Ext. 266.

Gymnastic program slated Tuesday

All parents and interested persons are invited to attend a Gymnastics Program on Tuesday, February 7, at 7:30 p.m. in the Hutchinson Gym.

At this time Kim Anderson's gymnastic classes will exhibit what they have learned in their classes. Students need to be at the Hutch-
