Guthrie Common ISD Cited For Outstanding Safety Program

Keith Richardson, Superintendent of the Guthrie Common Independent School District, was recently honored for oustanding employee safety by the North Texas Educational Insurance Association at its annual meeting conducted in Austin.

The Association consists of 121 participating school districts located throughout northern and central Texas. The district is a member of a uniquely designed partially self-funded worker's compensation program developed by Hibbs-Hallmark & Company and administrated by Claims Administrative Services, Inc., both located in Tyler.

Hibbs-Hallmark & Company currently provides worker's compensation programs to over 25 percent of all schools in Texas. The purpose of the meeting was to recognize those districts that have held both the number and severity of employee accidents to a very low level. The combined savings during the 1993-94 school year, for all participating district, was over 2.4 million dollars when compared to the costs of fully insured programs. The total savings for all districts since inception of the programs in 1991 exceed $13 million dollars.

The Guthrie Common Independent School District was a Diamond Star award recipient with the actual losses from employee accidents equaling less than 10 percent of the fund set aside by the district for claims expenses. The actual savings to the school district was $15,483. "Our self insurance program was designed to provide the highest level of safety and offer the greatest potential for premium savings to the districts," Billy Hibbs, President of Hibbs-Hallmark & Company, said. "We have a team of safety professionals who help the districts to implement a strict set of safety policies and procedures."

Claims Administrative Services, Inc. President, Barry Jones, stated "Safety in the workplace is such an important issue and the administrators who have achieved such a high level of success in the area of employee safety deserve this special recognition. The taxpayers should also be pleased to know that the Board of Trustees and the administrative staff of the Guthrie Common Independent School District is doing everything possible to insure a safe working environment for its employees while reducing the cost of workers' compensation insurance," Jones continued.

GUTHRIE SCHOOL SUPERINTENDENT Keith Richardson, left, was honored for outstanding employee safety by the North Texas Educational Insurance Association at their May meeting in Austin. Making the presentation is Gary Martin of Claims Administrative Services. (Courtesy Photo)

Johnny Helms Calls It 'Quits' After 31 Years

Joining the retirement group this week is Johnny Helms, who retired Friday after 31 years as motor rewinder and repairman for Lynn Electric Motor Co. of Knox City.

Johnny began work there on August 14, 1963, and has been a dependable, hard worker for these many years.

Asked what his plans are for retirement, Johnny said he was planning a little relaxation, maybe a little traveling, and a lot of 'honey-do' jobs around the house.

Johnny also has a shed in his back yard where he plans to 'stay busy' when he needs to retreat from the house, he said.

Johnny and his wife, Ramona, are the parents of four children, John Jr. of Las Cruces, N.M., Karen West, Jim Helms, and Diane Wachsman, all of Wichita Falls. The couple has eight grandchildren.

Johnny and Ramona are active members of First Baptist Church in Knox City.

WTRC Club Lamb Sale Set For Saturday, June 17

The sixth annual Club Lamb Sale to benefit West Texas Rehabilitation Center in Abilene and San Angelo is set for 8:00 p.m., Saturday, June 17, 1995, at the new Wylie FFA Showbarn located behind the Wylie High School football field on Antilley Road in Abilene. Only lambs purchased at this sale are eligible for the WTRC Jackpot Show on December 2, 1995.

John Kearney and Russell Kott of Sterling City are co-chairmen for the annual event, assisted by Hunter Smith. Last year, club lamb breeders from a wide area of Texas as well as from Oklahoma, New Mexico and Colorado donated 139 lambs which raised $16,792 for the Center.

Anyone wishing to donate lambs or needing more information should call West Texas Rehabilitation Center at (915) 691-7290 (Abilene) or (915) 949-9535 (San Angelo).

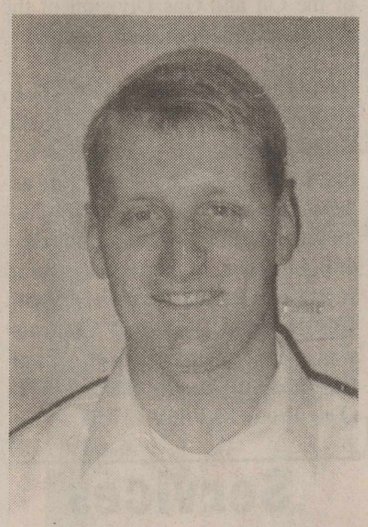

John Kearney may be reached at O: (915) 264-5149 or H; (915) 378-6881; Russell Kott may be contacted at O: (915) 378-3181 or H: (915) 378-5771; Hunter Smith's number is (915) 378-5871.

Thunderstorms Bring Hail and Wind Damage

It happens occasionally this time of year when wheat fields are ripening and almost ready to cut and cotton farmers are anxious to get those seed in the ground, but no one is ever ready for it. This statement is referring to spring thunderstorms that usually bring a lot of damage to fields and property.

Knox City and the area had two storms on Sunday - one about 10:00 a.m. and another about 8:00 p.m. Hail damage was reported in the morning storm and then on Monday afternoon about

DEREK OVERSTREET

Minister Begins Duties At Local Church of Christ

Derek Overstreet, who has been serving temporarily as minister of the Knox City Church of Christ since February, moved here Friday of last week from Lubbock to assume fulltime duties.

Overstreet, 23, and his wife, Melanie, 21, are both natives of Richland, Washington, but the new minister said that they had ties to the state as his grandfather, the late Charles Elledge Hill of Bonham, served as a Church of Christ minister in Fort Worth for 52 years.

Melanie graduated from Lubbock Christian on May 13, 1995.

Wild Hog Country Classic Is Termed 'Huge' Success

The first annual Wild Hog Country Classic Three-Person Scramble, sponsored by the Knox City Ladies Golf Association, was a huge success with 48 entries, who enjoyed the golf course, the food and friendship and promised to come back next year.

'Trooper Joe' Urges Trip Pre-Planning For Summer

Trooper Joe Clement, Public Information Officer for the Texas Department of Public Safety, advises that summer driving too often combines hot weather, hot cars, and hot tempers. Pre-trip planning can help minimize these dangerous symptoms of summer driving.

Pre-trip planning includes vehicle preparation. Check the belts, hoses, and coolant fluid. Other fluids to check are motor oil, transmission oil, brake fluid, power steering fluid and windshield washer fluid. Wiper blades should also be checked. With summer often being dry and dusty, check the air, oil and fuel filters to preserve engine life. Also, check tires for correct and even air pressure, along with checking treadwear and sidewall cracking.

Lengthy trips should begin with route planning. A call to nearby Department of Transportation or law enforcement agency may help avoid construction area delays. Let someone know of your determined routes and scheduling. Part of the scheduling may include driving during cooler hours and resting your car and yourself during peak hours of heat.

"Now", Trooper Joe says, "prepare yourself." Take proper clothing should you be exposed to extended heat and use quality sunglasses. Most of all, have a safe travel attitude before grasping the car keys. This safe travel attitude (being alert, courteous, and wary) is the key to safe summer traveling.

Benjamin News

By Gladene Green

Are you all ready for another "dry spell"? I think nearly everyone has had just about enough rain for a while. But let it stop for a day or two and we would probably have a dust storm! So goes Texas and Knox County weather! Other than the rain, not much out of the ordinary happening. The wheat harvesters are in the area but, of course, not getting to work. Very little grain has been cut and no telling when the combines will be able to get in the fields. But one of these days, I guess things will get back to normal.

ABOUT OUR ILL

Darlene Benson was admitted to the Knox County Hospital Sunday morning. According to her family, she is having a pretty rough time but hopefully, she will begin to feel better again soon.

Reports from Houston are that Bud Clower is still having some difficult days. Did get a little more encouraging news tho as the temperature he has had is gone so hopefully that is a good sign. He's getting near the 100 day period that it was first thought he would be there and maybe that will be the case. We hope and pray for his quick return to good health. Meanwhile, their three small children here have all had chicken pox so they must stay away from Bud until they are completely free of them. They are doing OK though.

Zula Conner is about the same. Getting weaker but other than that, pretty well holding her own.

Travis Radford, six year old son of Geri Shaver, had his tonsils and adenoids removed last Tuesday. He was in the Seymour hospital and was able to return home Wednesday. He is the nephew of Joann Hamilton.

Era Brown returned home Tuesday after several days stay inthe Knox County Hospital. She's feeling today (Sunday) and that's good news.

As always, please keep all these friends in your prayers.

MOORE-RUSSELL

VOWS EXCHANGED

On Friday evening, June 2, at the ranch home of the bridegroom's sister and brother-in-law near Post, Kim Conner Russell and Billy Moore were united in marriage. Performing the double ring ceremony was Rev. Tommy Henderson, uncle of the bridegroom.

The bride's daughters, Samijo and Shelby, were her only attendants. Travis Henderson served as his cousin's best man.

Following the ceremony, a dinner of barbecue and all the trimmings was enjoyed by all attending.

The couple's parents are Bud Conner and the late Von Conner of Benjamin and Mr. and Mrs. Hilton Moore of Spur.

Attending from Benjamin were Bud Conner, Steve Conner, Michele and Blaine, Hazel Stockton, Jimmy Barrientez and Gladene Green.

VET CLINIC SET

There will be a vet clinic for those interested June 13 from 6:30 until 8:00 p.m. at the old Collins Moorhouse Conoco station.

HERE 'N THERE

Raul and Reyes Barrientez returned home Sunday from several days vacation in Mexico City and Puerto Vallarta. They were accompanied on the trip by their daughter and her husband, Sean and Mary Wiedmer of Dallas.

The annual Young family reunion was held this past weekend at Runaway Bay near Bridgeport. Attending from Benjamin were Dutch and Imagean Young, Dee Ann and Anthony Lamb, Pat Benson, Bubba Benson and Jack and Mary Young.

Kenneth and Jessie Roberts visited her brother and his wife, Art and Mary Stoy in Hereford, the first of last week, then attended the annual Northwest Texas Methodist Conference in Amarillo last of the week.

Mark Brown of Saudia Arabia is here for a few days visit with relatives and friends.

Craig Hertel of Lindsey was here last week for a few days visit with his parents, Don and Louise.

Nora Hertel is still a resident at the Munday Nursing Center. She has some days beter than others but seems to be having a pretty tough time. A card or visit, I'm sure would make her feel better so if you go that way and have a few minutes, stop by to see her. If not, send her a note of encouragement.

Joy Yancey of Wichita Falls and Joe Nunley of Dickens visited relatives here Saturday.

The annual Coody reunion was held this past weekend at the Memorial Building. Approximately 50 persons were in attendance and a good time was had by all.

Bob and Marie Meinzer of Albuquerque, New Mexico, are here for a few days visit with relatives and friends.

SOROSIS CLUB ENDS YEAR

On the morning of May 24, 1995, the Benjamin Sorosis Club ended their club year with a tour of the Burnett House on Highway 82, Howell Street in Benjamin. The Burnett home is the original home of Tibb Burnett and the recent home of the late Juanita Burnett and has been made a Bed 'n Breakfast place by Jane Penman of Benjamin. Jane has spent much time and effort in renovating this old home to the beautiful place it now is. The club members were delighted to tour the rooms which were all arranged in a comfortable and attractive setting with each room in a special and unique decor.

After visiting and looking, Jane served the members and guests breakfast of coffee cake, banana breaad, blueberry muffins and coffee.

A brief business meeting was held, ending the club year. Eight members and four years were present, Jessie Roberts, Lucille Moorhouse, Pearl Ryder, Ruth Ressell, Eunice Friday, Mary Powell, Dickie Lloyd and Louise Leathers. Guests were Nancy McGregor, Mary Beth Smith and Sarah and Anna Leathers.

The last thing to be enjoyed by the ladies was the exhibit of a treasured quilt made by Rosalie McGreger, grandmother of Chris McGreger, for whom the quilt was made, who is the son of Fred and Nancy McGreger.

Nancy explained the history of the quilt by saying that "the quilt was made for Chris because of his interest in mythology. It depicts Thor the Norse God of thunder and lightning, riding in his chariot drawn by his two black goats. Thor is carrying his hammer which was believed to have made lightning.

Also depicted is Odin, Thor's father. Odin is standing in the foreground amidst boulders and beautiful trees with his wolf and two ravens. One raven is sitting on Odin's shoulder and the other is coming to land supposedly bringing Odin messages.

In the sky are storm clouds amidst which Thor is riding, swinging his hammer causing lightning.

In the background is a fiord with colorful Viking ships sailing toward shore.

Especially beautiful are the trees and boulders around the fiord.

The quilt is bordered with intricate Celtic designs representing the wish for continuity of life as know, byt hose people of old.

Mrs. McGreger worked on the quilt for several years. All of the work on the quilt is embroidered and/or appliqued."

Truscott - Gilliland News

By Clara Brown

MAY 28 NEWS

The wheat harvest rains poured in last week. Totals were from three to five inches all over the Divide. Jack Brown even admitted to getting enough rain to fill some of his small tanks out on Antelope Flat, but says he could still use some rain around the bigger tanks. But that's normal. They say that during Noah's flood, Antelope Flat and Vivian got a quarter of an inch, almost.

Combines and wheat trucks are parked everywhere. Jo Heard said they were going to sample Sunday afternoon, but most fields were too wet to pull into. Quite a few farmers have wheat ready to cut, if the fields will dry out. We need a new kind of wheat or a weather change. Either we need a wheat that is ready to cut in February when the fields are dry, or we need to switch our monsoon season to February or early March.

Truscott had two graduating seniors this year. They were Crystal Dishman and Isabell Moya Rodriquez who graduated from Crowell High School.

Crystal's graduation guests included Kay and Don Miller of Guthrie, Pam and Christopher Key of Shallowater, Brenda Miller of Lubbock, Pam Wade and Lou Ann and Chelsea Heddon of San Angelo, and Scott Stephens of O'Brien.

Gilliland contributed four boys to the seven member senior class at Benjamin including Russell W. Carroll, Jason Simmons, Trey Stone, and Pablo Naranjo, the Colombian exchange student who has been staying with the Carrolls. All four boys went on the senior trip that left last Sunday May 21, from Orlando, Florida, for the Bahamas and returned Thursday. Kenneth Carroll got to go along as a sponsor as another person was unable to go.

A fifth Benjamin graduate was Jim Bob Conner, a former Truscott resident.

Tyler Russell graduated from the eighth grade at Benjamin last week.

Visiting Elmo Shaw and Tracy and Ken Smith and children Saturday afternoon were Mr. and Mrs. Tommy Shaw of Fort Worth.

Crystal Dishman is working as a flagger on the road construction between Crowell and Seymour for the summer.

L.D.Welch got 3.8 inches in last week's rains.

Dennis and Adam Welch and Linda Oustad of Munday were visiting E.D. and Mary Welch when the news lady called Sunday afternoon.

Jo Heard took her mother, Mrs. Lois Chilcoat, to Perryton last Friday to visit their sister and daughter, Nancy Anderson. They stayed until Monday.

Jo says she hasn't fished much lately, too much rain.

Allen and Glen Ray Heard left last Friday night for Raton with a truckload of cattle. They said they drove in a storm to Childress and then in light rain on to Raton. That was one of those 'general' rains everyone is always wanting.

Monday, May 29, is grey, windy, a cool 60 degrees. and looking like rain. It sure isn't looking like a wheat cutting day. Rain is predicted for Tuesday, Wednesday, and Thursday.

STORMS

From Page One

5:30, a storm made up about the Brazos River between Knox City and Benjamin and did considerable damage to wheat fields and homes near the river. M.L. Verhalen said that the hail stripped trees, flowers, and roses in their yard and broke out about half of the windows in their house. Bruce and Sandy Railsback also had windows broken out, as did Greg and Kim Clonts on the house they are renovating near the Railsbacks and Verhalens. The wind and hard rain also caused damage to the wheat and haygrazer fields. About five and one-half inches of hail was reported at the Clonts' home.

Allen McGaughey reported the wheat demolished on the Wayne Watson and Howell farms.

Excerpt from the By-Laws of B-K Electric Cooperative, Inc.

ARTICLE IV
DIRECTORS

SECTION 4.01. NUMBER AND GENERAL POWERS. The business and affairs of the Cooperative shall be managed by a Board of seven (7) directors. The Board shall exercise all of the powers of the Cooperative except such as are by law or by the Cooperative's Articles of Incorporation or Bylaws conferred upon or reserved to the members.

SECTION 4.02. QUALIFICATIONS. No member shall be eligible to become a director or to hold any position of trust in the Cooperative who is not a member receiving service from the Cooperative at his primary residential abode in the area served by the Cooperative, or is in any way employed by or financially interested in a competing enterprise or a business selling electric energy or supplies to the Cooperative, or a business primarily engaged in selling electrical or plumbing appliances, fixtures or supplies to the members of the Cooperative, and no person shall take or hold office as a director who is the incumbent of or candidate for an elective public office in connection with which a salary is paid. When a membership is held jointly by a husband and wife, either one, but not both may be elected as director, provided however, that neither one shall be eligible to become or remain a director or to hold a position of trust in the Cooperative unless both shall meet the qualifications herein above set forth. Any director who shall miss three (3) Board of Directors' meetings in a row, without an excuse duly accepted and noted by the Board, shall lack eligibility to further serve and it shall be the duty of the Board of Directors to remove him from the Board. No former employee whose employment has been terminated by the Cooperative may be eligible to serve as director. Any employee who resigns or retires from employment by the Cooperative shall not be eligible to serve as a director for a period of ten (10) years following such resignation or retirement. Nothing contained in this Section shall, or shall be construed to, affect in any manner whatsoever the validity of any action taken at any meeting of the Board of Directors, unless such action is taken with respect to a matter which is affected by the provisions of this Section and in which one or more of the directors have an interest adverse to that of the Cooperative.

In the event an incumbent director, having served on the Board of Directors a minimum of six years, ceases to meet the requirement of receiving service from the Cooperative at his primary residential abode, such incumbent director shall nevertheless be qualified to continue to serve as director so long as he remains a member of the Cooperative and his primary residential abode is located within the area served by the Cooperative, or in close proximity thereto.

SECTION 4.03. ELECTION. At each annual meeting of the members, directors shall be elected by secret written ballot by the members and from among those members who are natural persons; provided however, that when the number of nominees does not exceed the number of directors to be elected, and if there is no objection, secret written balloting may be dispensed with and voting may be conducted in any other proper manner. Directors shall be elected by a plurality of the votes cast unless the members in advance of any balloting resolve that a majority of the votes cast shall be required to elect, and this Bylaw provision shall be drawn to the attention of the members and explained to them prior to any balloting. Drawing by lot shall resolve, where necessary, any tie vote.

SECTION 4.04. TENURE. The business and affairs of the Cooperative shall be managed by a Board of seven (7) directors which shall exercise all of the powers of the Cooperative except such that are by law, or by the Articles of Incorporation of the Cooperative, or by these Bylaws conferred upon or reserved to the members. Beginning with the Annual Meeting of the members of the Cooperative held on August 21, 1954, two (2) members of the Board of Directors shall serve for a period of one year, two (2) members shall serve for two years, and three (3) members shall serve for three years, and that lots be cast as to the length of time each director shall serve; and beginning with the Annual Meeting of the members held in 1954, those directors whose terms expire, such vacancy shall be filled for a period of three years.

SECTION 4.05. NOMINATIONS. It shall be the duty of the Board of Directors to appoint, not less than sixty (60) nor more than ninety (90) days prior to the date of a meeting of the members at which directors are to be elected, a Committee on Nominations, consisting of not less than five (5) nor more than eleven (11) members of the Cooperative who are not existing Cooperative employees, agents, officers, directors or known candidates for director, who are not close relatives (as hereinafter defined) or members of the same household of such existing employees, agents, officers, directors or known candidates for director, and who are so selected so as to give equitable representation on the committee to the geographical areas served or to be served by the Cooperative. The Committee shall prepare and post at the principal office of the Cooperative at least thirty (30) days prior to the meeting a list of nominations for directors to be elected. Any fifteen (15) or more members of the Cooperative, acting together, may make additional nominations in writing over their signatures, listing their nominee(s) in like manner, not less than twenty (20) days prior to the meeting, and the Secretary shall post such nominations at the same place where the list of nominations made by the Committee is posted. The Secretary shall mail to the members with the notice of the meeting, or separately, but at least ten (10) days prior to the date of the meeting, a statement of the names and addresses of all nominee(s) showing clearly those nominated by the Committee and those nominated by petition, if any. The chairman at such meeting, after all nominations so made have been duly announced, shall call for additional nominations from the floor. Notwithstanding the provisions contained in this Section, failure to comply with any of such provisions shall not affect in any manner whatsoever the validity of any action taken by the Board of Directors after the election of directors.

Counts Says Session Good For West Texas

AUSTIN - "This has been a good session for the folks back home," said State Representative David Counts (D-Knox City). "The legislature had a number of bid issues before it and we have dealt with all of them in a way that will be good for all Texans."

Counts cited the issues of education, welfare, juvenile justice, and tort reform as a few of the major measures handled by the legislature. Counts specifically recognized House Speaker Pete Laney for his leadership on these important issues. "Speaker Laney had the foresight to call for committees to study these issues and come back with workable solutions. There has been a great deal of work by these committees which sought input from folks around the state. This hard work during the interim is the reason for the success of these reform measures."

He went on to state the proudest accomplishment of this session was the Education Reform measure which passed the House recently. "This legislation has taken thousands of hours of hard work, but the results are well worth the effort. Schools will have a lot more flexibility while maintaining high accountability standards to local taxpayers."

O'Brien Happenings

By Audie Johnston

While chatting with a women on the bus, I happened to notice that she was wearing a key on a chain around her neck. "What's that?" I asked.

"Oh, this," she replied. "My boyfriend gave it to me and told me it was the key to his heart."

"How sweet!" I said.

"Not really," she answered. "It's the extra key to his car."

HERE AND THERE

Visiting Bessie Duncan last week was a nephew of Bessie's and his wife and her daughter Sue Burleson of Oklahoma is visiting for a few days.

Dwight Gothard was visited by a former O'Brien resident one day last week, Lynn McAda, who resides in Florida and is a truck driver across many states.

I returned this morning from Jonesboro, Louisiana, where my sister Mildred LaDuke of Olton and her daughter Billie Jean Manuel of Throckmorton, Danny and Cathy Walsworth and my granddaughter Traci Walker and daughter Taylor of Bossier City and John Tom Johnston of Haughton, Louisiana, all attended a Walsworth reunion on Sunday at a small country church, Center Point Methodist. There were lots of 'kissin' cousins and other relatives and friends attended the reunion. Mildred, Billie and I spent two nights at Granbury Lake with Mildred's son Max LaDuke and wife Pat, who live there. We spent some time on the lake boating on Thursday.

Vacation Bible School at O'Brien Baptist got off with a bang this morning with 49 kids enrolling. Charlene Brothers is VBS leader and helpers are George and Gena Yarger, Joany and Rob Wills, Sharla Carver, Wanda Barnett, Buck Ivie, Audra Dale and Brandi Larned. Jennifer Holmes is in charge of music and Bertie Ivie, Betty Poe and Marilyn Talbot are in charge of refreshments.

"Traveling on a busy interstate, I passed a vehicle that was moving slowly in the curb lane. Assuming the car had a mechanical problem, I stopped and offered assistance. The driver was a young pastor, and his car was running out of gas. As I drove him to a nearby station, I teased him. "A minister stranded! Isn't the man up above supposed to watch out for you?"

"Yes," he replied, "and I have to assume he sent *you*!"

IN CROWNOVER HOME

Guests in the home of Doris Crownover last weekend included her sister, Frankie Middleton of Texarkana, another sister, Virginia Mitchell of Wharton and Virginia's daughter, Mary Evans of Sugarland, and Doris's daughter, Ginger Johnston of Sweetwater.
