AMERICAN
CANCER
SOCIETY
Get a checkup. Life is worth it.

The Site Selection Committee for the Aldersgate Enrichment Center announced that the final three sites to be considered are Brownwood, Weatherford and Corsicana.

Eastland County was left out, but only after establishing that the county has much to offer.

Why don't we find an industry to offer it to?

She said she was thrilled to see him and she did get his autograph.

Linda (Pharr) Moss and her husband, John and son Johnathon were visiting in Cisco last weekend. They are doing fine and really had an enjoyable visit.

They live in Winnboro, Texas.

We received the following letter in the mail last week. It read,

Dear Friends,
Our recent bean and cornbread supper was a big success, and we enjoyed visiting with a good many Cisco residents who stopped by and joined us. Again many thanks for the publicity.

Sincerely, Shackelford County Unit of American Cancer Society.

Standlee McCracken said his son, Stan C. will be in Cisco visiting him and his wife for a couple of weeks. Stan came in last Wednesday from Newport Beach, California.

The display window at Tradition's Restaurant has been decorated up with a Halloween theme. It looks really nice.

The young DeLeon man, Todd Whitehead, who was hurt last month during a football game is now at a rehabilitation hospital in Colorado.

I talked to last Thursday, Wade is a student at Cisco Junior College. Wade said Todd has lost about 30 pounds but he is doing better and getting a lot stronger. Todd maybe able to come home in December.

If you would like to send him a card, his address is:

Todd Whitehead

Hubert Kennedy stopped by The Press last week and gave us his newest pens and calendars. The pens having the saying "If you don't like to way we drive, get off the sidewalk. Hubert, Snookie, Smokey Joe, Pinkie, Killer, The Kennedys".

The calendars say, "If we follow you home, will you keep us? Compliments from Hubert, Snookie, Pinkie, Killer and Smokey Joe".

Francis Shong of Cisco was checking groceries at Super Duper in Eastland recently when Ray Price, a famous country-western singer, went into the store.

Two Brothers Run Boys Ranch

There are 18 young men attending the Cisco Public Schools who live out east of Cisco on a ranch. These young men have come from all across Texas to live at two separate homes on the ranch owned and operated by Mel and Wade Matthews.

Mel and Wade, who are brothers, moved to Cisco a little over a year ago with the Boys Ranch. They have a contract with the State of Texas to provide a home for these boys. They are also responsible for providing other expenses for them.

There are two separate homes on the ranch. Wade and his wife Belinda have eight boys in their home. They are also the parents of two girls, ages 3 and 5. Wade said they have a 5 bedroom, 4 bath, 2 story home. Their home has 5,000 sq. ft.

Mel and his wife Vera, have ten boys living in their home. Their home has 3,500 square feet. It is a 2 story house with the upstairs being one large room for the boys. Downstairs is the living quarters for the couple.

The boys are required to stay at least 6 to 9 months on the Boys Ranch, but they can stay longer if they want to. Mel said there is one young man who has lived with them for three years.

Wade said he and his brother were raised on a Boys Ranch in Weatherford. Their parents, Jerry and Myrna Matthews, have operated a Boys Ranch for several years. They are the ones who helped the brothers to get started on their Boys Ranch. But, the ranches Mel and Wade operate are not affiliated with their parent's Boys Home in any way.

The boys who live on the ranch have come here for several different reasons. Wade said nearly 85 percent of the boys have come from single parent homes. The boys usually have delinquency problems at home and the Texas Youth Commission requires them to reside at the Boys Ranch.

Wade said they do not have delinquency problems from the boys while they live on the ranch. He said there will

always be normal boy problems, but that is just natural whenever you get a group of young men together.

The Boys Ranch is a fully operating ranch. The boys help to work cattle, break horses, build fences and help with other chores around the ranch before and after school and on weekends.

Belinda Matthews said some of these boys have never been on a horse and

this is a real adventure for them.

The Matthews have help with Kevin Murray who works at the Boys Ranch. Kevin said he knew the Matthews' brothers when they all lived in Weatherford.

Vera, who is from Comfort, Texas, is a licensed school teacher and Mel has a degree from Tarleton State University. All four of the adults are trained in juvenile behavior but Belinda said

anytime the boys need it they can get outside counseling services.

Mel said he really appreciates the way the whole community of Cisco and the Cisco Public Schools have accepted the young men. Most of the boys are football players for the Cisco junior and senior high school football teams and are very active in other school functions.

Cisco Jr. High Football Teams Give Eastland Stiff Competition

The Cisco Junior High School football teams met with disappointment Thursday night.

The 7th grade team was tied by the Eastland Doggies with a 6-6 score. Cisco's lone touchdown was set-up as defensive end Ray McDaniel blocked a Doggie punt. Running back Jay Nixon turned

in some fine runs. Even though the defense allowed their first touchdown, Coach Jones was very pleased with all of the defensive players as they stopped Eastland many times for no gains.

The 8th grade suffered their first defeat of the season 28-0. It was a night where mistakes were very

costly as Eastland took advantage of their opportunities to score. The 8th grade Lobos have dedicated themselves to avenge their loss and get back on the winning track by hard work and spirit.

The teams play next Thursday at Ranger, beginning at 5 p.m.

OPEN HOUSE— Shauna York, (left) a third grade student and Sara Thomas (right) a 2nd grade student at Cisco Elementary School would like to invite everyone to the Cisco Elementary School Open House. The Open House will be held from 6:30 to 8:00 p.m., Monday, October 19. (Staff Photo, courtesy of Cotton's Studios).

Cisco Elementary School Open House Set For Monday Night

An open house will be held at the new Cisco Elementary School Monday, Oct. 19, from 6:30 to 8 p.m., according to Principal Bob Lindsey.

**"Picnic" Is
Recommended
For Everyone**

By Wanda Hallmark
If you haven't made your reservation for the Cisco Junior College play "Picnic", then call 442-2567 and make it now.

Tuesday evening, which is a preview night, is already booked up and so is Saturday evening. But there are still a few openings on Monday, and Wednesday for preview nights and Thursday and Friday for the dinner theater nights. After 4:00 p.m. you can call 442-2589.

I saw the dress rehearsal for "Picnic" Thursday evening and I can truthfully say, this is the best play that I have seen by the Cisco Junior College crew.

The actors and actresses work so well together and they all have their parts down pat. They will seem as though they are really the people in the play.

My favorite is Millie played by Cecelia Aragon. She has played many other parts in previous dinner theaters, but as Millie, she is very lovable and hilarious.

Everyone is invited to the open house to see the new school facilities which were completed in September. Mr. Lindsey issued a special invitation to Cisco residents who have no children in school to the open house. "We are very proud of our new school and facilities, and we want everyone to have the opportunity to see it," he added.

Refreshments, furnished by the P-T-O, will be served in the cafeteria.

Mr. Lindsey reminded everyone that open house is not the best time for parent/teacher conference, and he asked that anyone needing to confer with a teacher call that teacher to set up a time for the conference.

HERSHEL JONES

Hershel Jones Was High School Football Star

This week's story is about one of our new coaches in the Cisco School System. This person is Hershel Jones who came to us from Anson, Texas.

Hershel Lee Jones was born on April 24, 1954, in Abilene, Texas. His parents are Wilma Gene and Harold Jones who reside in Abilene. Hershel's mother works at Nutone Cleaners and his father is a self-employed

welder. Hershel attended public schools in Abilene and graduated from Abilene's Cooper High School. He played football as a fullback and linebacker for the Cooper Cougars. His team won district in 1971. Hershel also played basketball and ran track for the Cougars.

In 1972, Hershel attended Continued On Next Page...

Shannon Sharp (22) of the Eastland Jr. Varsity advances the ball Thursday as Cisco's Joe Campbell (81) positions for the tackle. Eastland won 8 to 0.

Lobo JV Drops Close Game

The Cisco Lobo Junior Varsity football team just couldn't get the ball across the goal line to make a point Thursday night, according to a report by Coach Bryan McCullough. The Cisco Lobos lost to Eastland 9-8, in a game played here at Chesley.

JV Coach McCullough said he is proud of the JV team.

They all played well defensively. Eastland recovered a fumble in the second quarter on the 35 yard line and were able to push the ball on down for their touchdown.

When asked who the outstanding players were, he said just the whole defensive team. He said all the defensive players did well at the game. He said the team was able to keep Eastland from

making any other scores.

He said that Joe Sinches, David Hammond, Brandon Honea and the right side of the offensive team did a super job. The Cisco JV offense had 300 yards and they were inside the 20-yard line several times, but they just couldn't get it across.

The team will travel to Ranger and go against the Bulldogs next week.

FFA Field Day To Be Sat.

The annual field day put on by the Cisco Livestock Raisers and the Cisco FFA will be Saturday, Oct. 17. It will start at 9 a.m. at Cisco High School.

The order of events will be

Judging Contest, Showmanship, lunch and then awards.

The Judging Contest will have three divisions: junior, senior and adult. The showmanship will be two divisions: junior and senior.

There will be cattle, sheep and swine showmanship. Entry fee for this is a covered dish for the covered dish luncheon.

Nimrod Church To Hold Cook-Off

There will be a Chili Cook Off held on Saturday, October 24, beginning at 6:00 p.m. at the Nimrod Baptist Church, located south of Cisco.

There will also be a

costume judging contest held after the chili eating and then the church will sponsor a hayride to top off the day.

Everyone is invited to attend this fun filled evening.

There will be no charge for the chili eating, but donations will be appreciated.

Jim Parker To Speak On Proposed Amendments

State Representative Jim Parker will be in Ranger on Tuesday, October 27, to address area residents on the upcoming November 3 Special Election. The Special Election is for proposed Constitutional Amendments. There are 25 propositions on the ballot plus 2 referendum entries.

Some of the items included in the proposed amendments include limiting school tax increases in residence homesteads of the elderly; assistance to encourage economic development in

the state; to allow legislature to exempt from ad valorem taxation certain personal property not held or used for income; giving the state a limited right to appeal in criminal cases; creation and financing of jail districts; and a referendum calling for voters to decide whether pari-mutuel wagering should be legal in Texas on a county-by-county local option basis. This is one of the most talked about items to be voted on by Texans. The afore-mentioned proposed amendments are just few

to be discussed by Representative Parker. We will go in to more detail on the proposals in upcoming issues.

These proposals to the Constitution affect all of us, and will affect our children in the future. Make plans to attend the meeting in Ranger in order to learn more about what all these proposals mean to us as Texans.

Mr. Parker will explain in detail what each amendment would mean to us, and in order for the people of Texas to vote for what they feel is best for them, everyone needs to be able to understand each proposal in full and what could happen if the proposal is passed or it is not passed.

Parker will address the public at the Ranger School Cafeteria, Hwy. 80 East, at 7:00 p.m. on Tuesday, October 27.

CJC Art Department to Spotlight Artists

Theatre goes attending Cisco Junior College's production of "Picnic," opening on October 19, will have an extra treat in store for them when the CJC Art Department spotlights several artists.

Sue Mullinax, instructor of art at CJC with students Frances Walters and Dorothy Williams will exhibit selected works during "Picnic." The display will be in the upper foyer of the Hilton Community Center adjacent to the museum.

Mrs. Mullinax, a resident of Olden, will be exhibiting pieces in oil, acrylic, tooled aluminum and several mixed media works. Experienced in all elements of visually applied art, Mrs. Mullinax states that she paints because the making of art is necessary to her. "Those forms that arise in my imagination are incomplete until they are visibly expressed. It is a great pleasure when my viewer responds to my work."

Mrs. Mullinax also teaches photography at CJC and

although she enjoys that aspect of visual art she finds the most satisfaction in the process of painting. "Painting is the joyful process of allowing an interaction between the imposition of my will on the medium and the life that seems to spring from the canvas on its own."

Frances Walters is an art student from Eastland and will be exhibiting selections in oil. Her work is totally original but studies of various periods have had an influence in her style. "My recent paintings are based on impressionism. I am especially intrigued with paintings by Camille Pissano, Edouard Manet, Claude Monet and Auguste Renoir."

Mrs. Walters feels that the use of oils is the best way to transfer her particular feelings onto the canvas. "Oil painting is an ambition that presents a constant challenge, intense interest and complete fascination."

Dorothy Williams, also of Eastland, feels that learning to paint has been like open-

ing a new door in her life.

The discovery process for Ms. Williams has included the observation of familiar objects and items to stimulate ideas. "I paint things that are intensely interesting to me. My still lifes are composed of my own collection of antiques. The landscapes are painted from my own photographs of the places I have visited."

Indeed, visitors to the Cisco Junior College production of "Picnic" will have a very special opportunity. Mrs. Mullinax and students have arranged a most exciting display of visual art that will be on view every evening during the production. The Hilton Community Center is open during the day from 9-5, during which time guests of the center may view the display.

Breckenridge Fun Run

The Breckenridge Youth and Fitness Center will be sponsoring a 10K, 5K and 1 mile fun run Saturday, November 14 beginning at 9 a.m.

Registration fee will be \$7.00 if you register before November 1, \$10.00 at the race or a family of five or less can enter for \$15.00.

The race will start and finish on Merrill Street next to Breckenridge Youth and Fitness. The course will be generally flat with a few

small hills.

There will be six male and female divisions with trophies given to the top three in each division and ribbons to all fun runners. There will also be prizes awarded to the overall top male and female. Division will be as follows: 1-10; 11-15; 16-25; 26-35; 36-45; and 46 and over.

For more information call Breckenridge Youth and Fitness Center, 559-2414 or write 300 East Walker, Breckenridge 76024.

Joe McCollum President Of Farm Bureau Board

Joe McCollum was elected President of the Eastland County Farm Bureau Board of Directors during their regular meeting October 6.

Joe was born, and presently resides, in the Okra Community of Eastland County. He is a graduate of Rising Star High School and attended Texas Tech University in Lubbock. While a student at Tech, he worked on the family-owned irrigated cotton farm. Eventually Joe took over full responsibility of the Lubbock land where he lived until 1980 when he returned to Eastland County.

Joe is married to the

former Barbara Phillely. They have three children and two grandchildren.

Joe has been a farmer-rancher all of his life and is dedicated to working towards a significant improvement in our rural conditions. He believes the family farm and rural America in general are in great jeopardy. Joe is convinced that Farm Bureau is an organization strongly committed to correcting present unjust rural conditions.

Joe is the son of Mrs. Bessie McCollum of Eastland the late Edgar McCollum.

Lenorah Wilson Alford

EASTLAND—Lenorah Wilson Alford, 70, died Wednesday at a Fort Worth hospital. Services were held at 10 a.m. Saturday at the Bethel Baptist Church. Burial was in the Eastland Cemetery under the direction of Edwards Funeral Home in Eastland.

Born in Proctor, she attended school in DeQueen, Ark. She was a member of the Olden Baptist Church. She was a housewife. She also worked at the Old Ripe Cafe and, in the 1960s, managed the Cattleman's Restaurant. As a painter, she won second place in the Texas State Fair in 1983 and 1984. She was also active in the Eastland bowling league.

Survivors include three daughters, Helen Sizelan of Irving, Margaret Southern of Weatherford and Elizabeth Smith of Broken Bow, Okla.; and a son, Tommy Alford Jr. of Eastland; 12 grandchildren; and 10 great-grandchildren.

Lottie Barker Thompson

Lottie Barker Thompson, 83, of Houston, formerly of Ranger, passed away Tuesday at her home in Houston.

Graveside services will be at 3 p.m. Saturday at Colony Cemetery.

Ronnie Lowe, minister officiating.

She was born in Ranger. Her husband Hanes Thompson preceded her in death.

She is survived by 1 daughter, Mildred Knox of Houston; 3 sons, Boyd Thompson of Livingston, Bobby Thompson of Houston, and Glenn Thompson of Richardson; 1 sister, Nora Hines of Medina; 2 brothers, Paul Barker of Hobbs N.M., and Jake Barker of Medina, Texas.

Billy Joe

McKinnerney

CROSS PLAINS—Billy Joe McKinnerney, 54, of Cross Plains, died Wednesday at the Dallas Rehabilitation Center.

Services were held at 10:30 a.m. Saturday at the First Baptist Church, with the Rev. Bill Wright and Michael Hale officiating. Burial was in Romney Cemetery, under the direction of Higginbotham Funeral Home in Rising Star.

GOING HOME

As morning breaks the amber sky
And the clouds of night roll away.
We praise the Lord for the night of rest
And the start of a new day.

As we travel down the pathway of life
Through heartaches, troubles, and tears,
May we ever turn our eyes to the Lord
For guidance through all these years.

As we come to the crossroads of life
And we don't know which way to turn,
If we kneel in prayer, Jesus

Fishing Outdoors

By Terry Wilson

At a recent meeting of our local bass club, we heard mention again of the projected removal of regular gasoline by January 1988. This isn't a new topic but it is certainly one still on the minds of most boating enthusiasts.

The folks at EPA are moving to get harmful lead additives out of gasoline. This will require the reduction of lead levels to .1 grams per gallon or less after the first of the year, a 91 percent lead reduction from "standard" leaded fuel. And in this amount many marine engineers say it is useless in improving octane and reducing knock and engine wear in both outboard and inboard engines.

In an effort to retain octane ratings, many petroleum companies are adding methanol or ethanol alcohols to their gasoline. The alcohol say boat builders, can permeate fuel lines, destroy fiberglass fuel tanks, cause carburetor problems and contribute to water buildup in fuel systems.

The lead reduction won't cause problems in small outboards most manufacturers

say, because power loads and compression in these engines are minimal. But those motors producing much over 50 horses may not take to the new fuels very well.

The folks at Mercury Marine state "so long as octane rating remains above 86 we don't anticipate major problems with the typical fishing outboard as a result of decreased lead levels.

If you would like to check your local dealer to see if you are purchasing non-alcoholic gas there is a very simple test.

Fill a clean glass container half full of gasoline, mark the level, then add an equal amount of water to top off the glass. Agitate the mix for 60 seconds then let it set for two minutes. The water will separate from the gas and settle to the bottom, with the lighter gasoline floating on top. If the gas contains alcohol, the apparent level of water will be higher than the level reached by the gas. The alcohol preferentially mixes with the water, making its volume greater.

Many refineries could get a little slack from the EPA January 1 lead reduction re-

quirement. A system called "lead credits." What this program does is, companies that have attained relatively low average lead levels in overall production will be allowed to continue to produce a limited amount of leaded gas through 1988. A few of the majors have a stock pile of these credits and should be able to maintain reasonable lead levels in their products for a few years.

As we understand the recent Breckenridge Bass Club Open Invitational held October 10th on Hubbard Creek Lake was won by Butch Willingham from Cisco. Exact details are not available at this time. Congratulations to Mr. Willingham on this victory and his excellent winning record this year.

Texas ranks second only to California in numbers of fishing licenses sold, according to the Spot Fishing Institute.

During fiscal year 1986, Texas had 1,934,808 paid fishing license holders, compared to California's 2,347,323.

While California had only about 400,000 more license purchasers than Texas, its anglers paid considerably more for licenses, tags, permits and stamps. The gross cost to California fishermen during the year was some \$36.7 million, while Texas anglers spent only about \$15.5 million.

Lake reports are falling in to those Fall patterns: Leon black bass good around points in main lake on Rat-L-Traps, crappie good near the main river channels in 15 feet of water on minnows. Catfish slow.

Lake Cisco: black bass very good to three pounds. On crank baits and jig and pork.

Brownwood: water clear, one foot low, black bass fair to four pounds on wide variety of topwaters; striped slow; crappie good to 25 fish per string on minnows; white bass slow; catfish slow.

Fork: water clear, 79 degrees, two feet low; black bass good to bluetail worms, June bug and plum worms fished around points; crappie good with limits to three pounds each on minnows and jigs, catfish good to nine pounds on shrimp on rod and reel.

Granbury: water clear, 69 degrees, normal level, black bass good to six pounds on plastic worms, striped slow, crappie good to 15 fish per string on minnows, white bass schooling in the evening, channel catfish good to nine pounds on shrimp and stinkbait.

Hubbard Creek: water clear, two feet low, black bass real good to 5½ pounds on buzz baits and spinners, hybrid striped good to six pounds on silver slabs, crappie good to 1½ pounds on minnows with limits, white bass fairly good on jigs and silver slabs, catfish good to 35 pounds on trotline baited with perch.

Possum Kingdom: water clear, 13½ feet low, black bass fairly good to eight pounds on dark worms, striped good to nine pounds on artificials, crappie good with some limits of 25 fish, white bass good with good strings on slabs, catfish slow.

Proctor: water clear, 76 degrees, five feet low, black bass fair to five pounds on worms and cranks, striped poor, crappie good on green jigs around the brushpiles and willows, catfish fair to two pounds on trotlines baited with shad.

Gibson To Speak To Texas Educators

Judy Gibson, Regional President for the Association of Texas Professional Educators, will be speaking and installing officers for the Cisco Unit on October 26, 1987. The meeting will be at Olney Savings at 7 p.m.

Mrs. Gibson, who was selected as ATPE Elementary Educator of the Year in 1986, lives with her family in Breckenridge. During the past summer she met with Ruth Stewart and shared ideas about forming an active local unit.

Although there have been

a few ATPE members at large in Cisco, this is the first year that a local unit has organized. Officers were elected at the September meeting and are as follows: Ruth Schaefer Stewart, president; Susan Watts, vice president; Rhonda Walker, treasurer; Debra Gosnell, secretary; David Sumners,

and \$100 per team (other flights).

Winners will have choice of gift certificate or cash.

Other activities will include closest to pin and longest drive, both Saturday and Sunday. Dinner will be held at 7:30 p.m. Saturday.

For more information call Mehaffey Sport & Apparel 817-559-3455 or Lakeside Country Club 817-629-2892.

Anterless Deer Permits To Be Issued November 2

Landowners in Eastland County are reminded by the Texas Parks and Wildlife Department that a mail-out system for issuing anterless deer permits was initiated for the 1987-88 regular deer hunting season. Landowners or their agents

that received anterless deer permits last year were automatically mailed a renewal notice and anterless deer permits will be mailed directly to them. As the result of deer surveys that have recently been complete, permit issuance rates

have been determined and permits issued by mail. Landowners that did not receive their permits were not on the mailing list from last year may apply for anterless deer permits by completing an application card. Application cards may be obtained

from local wildlife biologist, game wardens, and Department offices throughout the Possum Kingdom Regulatory District. Also, department personnel will be available to landowners in Eastland County on Monday, Nov. 2, 1987 between 8:00 a.m. and 12:00 noon and 1:00 p.m. and 5:00 p.m. at the County Courthouse in Eastland to assist landowners in obtaining anterless deer permits they

may qualify for. A map has been posted in the County Courthouse and in local news media indicating anterless deer permit issuance rates and compartments or areas where permits will be issued. Landowners and hunters are reminded that a valid hunting license is required to hunt white-tailed deer and the appropriate tag attached to the deer following the kill. For 1987, the head of the deer must remain with the deer until it reaches its final destination. Please refer to the 1987-88 Texas Hunting Guide for all regulations concerning seasons, bag limits, and means and methods of taking game animals.

Soil Conservation District Election

J.W. Sadberry of DeLeon, Texas was recently re-elected to the Upper Leon Soil and Water Conservation District board of directors. Sadberry represents Zone 3 of the district.

The Upper Leon district covers all of Eastland and Comanche counties and the west one-third of Erath county. George Steel of Rising

Star and W.D. (Bill) Brown of Gorman represent Eastland County on the board of directors.

The purpose of the Upper Leon Soil and Water Conservation district is to promote sound soil and water conservation programs on farm and ranch lands within the district and to serve as a voice for farmers and ran-

chers on conservation matters and other issues affecting private property rights of landowners.

As one of the five individuals serving on the district board of directors, Sadberry will be responsible for district policies and procedures for carrying out the district program within the framework of the Texas soil and conservation district law.

Letter To The Editor

Editor:

I would like to take my hat off in salute to the football fans of Ranger.

As a sportswriter and photographer I have been at quite a number of football games in the last ten years and have found the people in some towns to be friendly while other towns aren't friendly.

The people of Ranger have always been friendly, but even more they have shown a higher level of character and sportsmanship under adverse conditions than I have seen anywhere else.

I have seen Ranger have several losing seasons and sometimes they lost regularly by one-sided scores.

The boys wanted to win and the fans wanted to see them win. Losing hurts and losing badly hurts badly. I have seen the tears in a student's eyes because there was nothing more that the students could do to change

the game outcome. They didn't have the numbers, size, speed, or maybe experience that the other team had.

Ranger lost to Eastland Friday by one of those one-sided scores, but the Ranger people didn't let their hurt pride show. They were as friendly and neighborly as they could be to the Eastland fans, and fans of both cities visited around the field after the game.

The only game that I have seen where both sets of fans acted like their team had won was played in Ranger. It was the way a ballgame should ideally be handled.

Ranger fans celebrated because their players in a losing cause had achieved more than could be expected of them.

And in last Friday's game the lasting winners, after the scores were forgotten, was probably those Ranger

seniors who had the character to continue to give their best even though they were getting outscored, so that the younger players might follow them and develop into future Bulldog leaders when R.H.S. has a larger number of boys who can develop into players.

Some six man football teams have more boys to select from for the different positions than Ranger has this year.

And an excellent job was also done when Ranger improved their stadium.

Better luck next year, Richard Kurkin

Proposition #14 would give the state the right of appeal in criminal cases. In the interest of justice, this should be approved.

Proposition #15, #16, and #25 should not become amendments to our state constitution, but rather should be listed on ballots in those specified counties, decided by residents of those counties, and funded by same.

Proposition #17 reflects the legal confusion which now reigns supreme in our contemporary society. How does the Legislature propose to determine or differentiate as to whether a municipal function is governmental or prepolitical? To exempt governmental functions from liability suits but to make prepolitical functions fair game is ridiculous.

Proposition #21 which would require the Speaker of the House to become a member of the executive branch, or at least have a voice in executive decisions would only give more power to the position of Speaker which has more power now than is good for responsible government.

Proposition #22 would eliminate some of the partisan politics which has served as a bottle neck holding back efficient expedition of government functions for decades.

Proposition #24 could be replaced with common sense, that of cooperative use of equipment and labor among the various departments of county and state roads and highways. Why do we need an act of the Legislature to O.K. same?

Referendum #1 gives us the choice of placing state education back under our control of leaving it in the hands of a group of drawing board theorists who ignore the fact that the mental and intellectual development of children takes as long as physical development, and thus insist on yanking youngsters right out of their diapers into adulthood, depriving them of a childhood. This panel is also intent on creating a master race of geniuses, also ignoring the fact that there isn't room at the top for everyone. Part of our society must sever as the foundation and support for those at the top, or our society would collapse. Education should be returned to our control.

Referendum #2 - Proponents of pari-mutual betting claim that this would be a financial windfall for our state and list states which has pari-mutual betting as examples. However, they have yet to inform us of the tax base of those example states or whether the government of those states operate in the red or black. New Mexico and Louisiana has had pari-mutual betting as well as oil production, yet travel through those states gives no indications that their roads and hi-ways are any better than ours, nor their schools enjoy any more financial benefits that ours. Why can't they be honest and state that they want pari-mutual betting because they enjoy horse racing, raising race horses, and admit that large numbers of our society like to gamble? A lot of people enjoy other sports events such as football, and certainly a lot of people gamble on these games. Let's be honest for a change.

We do not need for amendments to our constitution. We need to review our present laws and insist that state government limit its functions to those specified.

We, supposedly, are a free, independent, self-sufficient people. Lets keep it that way. Its a lot less expensive.

Adams And Kang Gang To Perform At The Ritz

Marcia Adams, Cisco musician, and the band Kang Gang will entertain at Cisco's Puttin on the Ritz Friday, Oct. 23, and at Tradition's Restaurant in Cisco Saturday, Oct. 24. Performances both nights will begin at 6 p.m.

Mrs. Adams grew up in Lometa and graduated from Lometa High School. She attended Cisco Junior College, where she was active in the choir and a cheerleader.

She is married to J. Darryl Adams and they have two children, Jonathan 8, and Shanna 4. They have lived in Cisco for eight years.

She started playing guitar at age 12, and has taught guitar, ukelele, mandolin, banjo, and autoharp for the past six years.

While in high school, she played and sang for community events.

Mrs. Adams enjoys singing country, folk and popular music.

The group Kang Gang is a group of four Cisco Junior College Fine Arts Students. Their names are Randy King, Mark Lewis, Todd Stinnett and Wade Whitehead. The group performed at the Cisco Rotary Club last Thursday.

Change In Command

After 42 years with the State Department of Highways and Public Transportation, Lawrence Schulz, (right) district engineer at Brownwood retired September 30. Schulz had headed the nine-county Brownwood district, which includes Eastland County, for the past 14 years. Charles W. (Wes) Heald (left) was named to succeed him.

About 300 people attended an appreciation luncheon given in Schulz's honor in Brownwood on September 30.

Schulz, an Austin native, began working for the department in 1940. In 1942, he received a bachelor's degree in engineering from The University of Texas. After serving with the Army Air Corps, he returned to the

Austin District in 1946. Schulz progressed through various engineering and managerial capacities, including assistant district engineer. He was appointed district engineer at Brownwood in December 1973.

Heald is a 1960 graduate of Texas A&M University with a bachelor's degree in civil engineering. After his military service, he entered the department at the Houston Urban Project Office. He transferred to the Brownwood District design office, then served as Brown County resident engineer from 1968 until his appointment in 1987 as district construction and right-of-way engineer. Heald, 50, has 27 years of service.

Brazos Electric Power Coop Files To Lower Fixed Fuel Factors

Brazos Electric Power cooperative filed a petition with the Public Utility Commission yesterday to lower the cooperative's fixed fuel factor effective in November.

"The cooperative is pleased to have been able to pass on fuel cost savings worth more than \$44 million to our consumers during the past three years," said Richard E. McCaskill, executive vice

president and general manager of Brazos. "In September, we were able to negotiate another fuel price reduction that will further lower consumers' electric bills. Consumers will see a

reduction of about \$2.80 for each 1000 kilowatt hours used," he said.

McCaskill stated that in August 1984, the cooperative built a 25-mile natural gas pipeline that gave it access to the natural gas spot market. As gas prices declined, Brazos purchased cheaper spot market gas and also negotiated lower prices for its long-term contracts.

With headquarters in Waco, Brazos Electric Power provides wholesale power to 20 member distribution cooperatives and 7 municipal customers. These wholesale customers serve 229,000 consumers in 66 counties in Texas.

The Next Best Thing -

.....to a clear conscience and a good night's sleep is the feeling of security in owning your own home with a clear title. Peculiar to the real estate field, titles are based on land and the improvements thereon, if any. But values on these are based on the title. The title then becomes the most important item to be considered when purchase of real property is contemplated. So be careful to buy good title based on an abstract of title or a policy of title insurance.

Lady Loboes 2nd In Coleman

Led by Ginny Pope's 3rd place finish the Lady Loboes Cross Country team won the 2nd place trophy. The following girls made their week's varsity team: Ginny Pope,

Robin Musser, Mariena Trice, Cindy Choate, Shoshoni Clark, Kay Ingram and Angie Mitchell. Also running this week were Jana Muller and Amy Hounshell.

On Saturday, Oct. 17, we will run in the ACU Cross-Country meet at Nelson Park in Abilene at 9 a.m. This will be our last meet before the regional meet in Arlington on Nov. 7.

Safety First

The Cisco High School Student Council has started a new program, The Safety Committee. They would like to remind you to be cautious in preparing and attending the bonfire Tuesday night at 8:30 at the Football Field parking lot.

Lobo Of The Week

This week's Loboes of the Week include four guys who have done an outstanding job this year for our team. The first Lobo is number 77, Curtis Taylor. Curtis is a 215 pound senior who plays tight end. Gordon Davis, number 79, is a 201 pound senior who also plays tight end. Mike

Dominguez, number 82, is a 125 pound senior who plays the position of flanker, also Mark McGinness, number 88, who is a 188 pound senior who plays tight end. All these guys show real Lobo spirit and we are behind them all the way.

Homecoming '87

Cisco High School's 1987 Homecoming Game will feature a myriad of activities. The Varsity game vs. Ranger begins at 7:30 p.m. Friday, and includes the crowning of the 1987-88 Homecoming Queen during the half-time show. The list of nominees from which this year's Homecoming Queen will be selected is as follows: Debbie Endsley, Gina Kinser, Leigh Callarman, Jill Reynolds, Christy Smith, and Krista Shepard.

There will be a Homecoming Victory Dance sponsored by the Junior class immediately following the game Friday night and continuing until 1 a.m. Both current High School Students and Exes are welcome and admission will be \$3 for individuals and \$5 for couples. On the preceding Tuesday,

the bonfire pep rally will be held at 8:30 p.m. in the parking lot next to the football field. On Thursday, the Jr. High and J.V. teams will be playing in Ranger. Also on Thursday is the always enjoyable Sing-Song in the High School Auditorium at 7 p.m.

Also, the Student Council will be sponsoring the Annual Homecoming Parade beginning at 4 p.m. in downtown Cisco. Many entries have been received and prizes will be given for outstanding entries. Float competition among the High School Classes has been intense for the past two or three weeks, and many creative and beautiful entries are sure to be seen during Friday's Parade.

High School 1987 Football Sweetheart

Last Friday night at the game the 87-88 Football Sweetheart was announced. This year there were three girls who were named foot-

ball sweetheart. They are as follows: Leigh Callarman, daughter of Judy and David Callarman, Debbie Endsley, daughter of Ginger and

Bruce Stovall; and Christy Smith, daughter of Beverly and Bobby Smith. The nominees for football sweetheart were Krista Shepard, Keri Campbell,

Laurie Cagle, Leigh Callarman, Debbie Endsley, and Christy Smith.

Cisco High Class Favorites

Named as Class Favorites at Cisco High School for the school year 1987-88 are as follows:

Freshmen Class Favorites

- Lela Beckett and Bobby Shelton. Sophomore Class Favorites- Shannon Anderson and Brandon Honea.

Junior Class Favorites- Philip Shackelford and Ginny Pope.

Senior Class Favorites- Keri Campbell and Shannon Berry.

Homecoming Queen Nominees

Debbie Endsley, Krista Shepard, Gina Kinser, Jill Reynolds, Leigh Callarman, and Christy Smith are the nominees this year for Homecoming Queen. Each girl is an outstanding leader and shows a great deal of school pride.

Debbie Endsley, as you all

well know, is our Varsity Head Cheerleader and is a senior; Krista Shepard, a senior, is Drum Major for Cisco High's Band; Gina Kinser, a senior, is one of our Cisco High School twirlers; Jill Reynolds is a senior and our Student Council President; Leigh Callarman,

another senior, is a Cheerleader for our varsity team; Christy Smith is a Varsity Cheerleader and a senior.

All of the nominees have great qualities and would make beautiful Homecoming Queens.

87-88 Flag Corp For CHS

This year the Cisco High School Band has a large Flag Corps. They are bottom row L to R: Jamie Roberts, Teresa Gaeta, Michele Flet-

cher, Tammy Glover, and Michele Prickett. Middle row L to R: Christine Deadman, Jana Yowell, Rachel Valek, Ingrid Valek, Jana Muller, and Lori Ann Speegle. Top row L to R:

Kim Rhodes and Danna Casey.

The Flag Corp is great this year due to their hard work and cooperation.

Try outs for the Flag Corp are held in the Spring. A student must be a member of the band in order to try out. The band director makes the selections.

Don't Forget

Even though this week is homecoming, there are a lot of things not to forget. One thing that goes unnoticed quite a bit is the Cisco High School Band. The band is on a lucky winning streak, two years running. The band has won sweepstakes the past two years, collecting

trophies in UIL marching and concert contests. This Saturday the band is going to "March" their stuff and win once again. The contest is held at Shotwell Stadium so be supportive and show the band Lobo Pride.

Appreciation Luncheon Is Held Wed. For J.W. Sitton

The Cisco Lions Club held an appreciation luncheon for J.W. (Jerry) Sitton last Wednesday at Puttin On The Ritz Restaurant in Cisco. There were close to 80 people in attendance.

Mr. Sitton has been a major influence in Cisco during the years he has lived here. He said he has always believed that Cisco is a fine community to live in and to raise your children. He and his wife Dorcas have two children and six grandchildren.

Several of Mr. Sitton's friends, past employees and dignitaries spoke of knowing

Jerry. Jerry was presented with plaques and other mementos in honor of his special day. Among those who spoke were Mabel Fletcher, who read a letter from Congressman Charles Stenholm; Ivan Webb, president of the Cisco Lions Club; Roy Dennis, Chamber of Commerce president; Dick Woolley, president of the Cisco Junior College Board of Regents; Joe Wheatley, Mayor of Cisco; Willard Johnson and E.L. Jackson from the American Legion; H.V. O'Brien publisher of the Eastland Callahan County Newspapers; and Ralph

Glenn of the Cisco Lions Club.

Mr. Wheatley signed a proclamation declaring Wednesday, October 17, 1987, as Jerry Sitton Day in Cisco and gave the proclamation to Mr. Sitton. Mayor Wheatley said, "All too often we fail to tell people they are loved and appreciated, but this day is to tell you that you are loved and appreciated."

Mr. Sitton has been a member of the American Legion since 1943 and the Cisco Lions Club since 1948. He served as president in the Lions Club during the 1956-57

year. Jerry received a plaque from Mr. Glenn who was president of the Lions Club

when Jerry joined. Mr. Dennis, Chamber of Commerce president,

presented Mr. Sitton a plaque for being an outstanding member of the CofC for 40

Jerry W. Sitton was honored at a luncheon in Cisco Wednesday. Mr. Sitton and Mrs. Sitton hold a Texas flag that was presented to him as their son Jim (l) and daughter Judy (r) hold some of the other awards that he received.

A large crowd is present as Jerry W. Sitton is honored.

Cisco Jr./Sr. High Schools Are Shown Video On AIDS Wed.

Dr. E.E. Addy, retired Cisco physician showed a video film on the disease AIDS (Acquired Immunity Deficiency Syndrome), to the Cisco junior and senior high students last Wednesday, in the high school auditorium.

The video, presented by the American Red Cross, explained some of the facts about AIDS, a disease that is a severe threat to our country and world. Robert Vaughn was the narrator in the film.

The film explained that no one can get AIDS from casual contact. The only way to become infected with the AIDS virus is through sexual contact or by blood, through intravenous needles and blood products, such as blood transfusions.

There is now a test that can be taken before anyone donates blood, that shows if

a person is infected with the virus.

This disease seemingly came from nowhere, Mr. Vaughn said. It is also universally fatal. As to date, no one has recovered from AIDS he said.

The AIDS virus, HTLV3, attacks the very cell that protects us, the T4 cell. When the T4 cells attack the AIDS virus, the T4 cells are destroyed, and then an ordinary virus can come in and kill. There is no defense in the human body with AIDS.

With AIDS, physicians are seeing forms of cancer in the young that are normally found in elderly patients.

Mr. Vaughn said it's hard for scientist to find a cure for the AIDS virus because it can change so fast. He also said there are different AIDS viruses in different parts of the country. Scientist are presently trying to find a vaccine to kill the virus and then restore the body strength of the person.

After the film the students

then had a chance to ask Dr. Addy any questions. One of the students asked anyone can get AIDS by kissing and he assured them that no, this is not possible.

One of the teachers asked if mosquitoes are carriers of AIDS, and Dr. Addy explained that even though mosquitoes can carry other diseases, they are not able to carry the AIDS virus.

Mr. J. W. Sitton
1104 West 14th
Cisco, Texas 76437

Dear Mr. Sitton:

It is a distinct pleasure for me to join your countless friends in congratulating you and your family on the occasion of **J. W. SITTON DAY** -- a much deserved honor.

It should be a genuine source of pride to know that you and the Sitton family have played an important role in the growth and progress of Cisco, Ranger and Eastland.

For two decades, from 1968 when you and the late Ted Read purchased the newspapers until 1968, you provided these three communities with excellent newspapers; you provided retail businesses with advertising media second to none; and, you were tireless in your efforts to build those communities.

Another of your many attributes which shouldn't be overlooked is the fact that you chose to sell your newspapers to the H. V. O'Briens, knowing full well they would continue the tradition of excellence you demanded. They have.

Cisco, Ranger Eastland, the State of Texas and the newspaper industry have benefitted from your publishing career and tireless efforts toward maintaining a free press.

The Texas Press Association, its officers, directors and Central Office staff join me in this congratulatory message. We wish you and your fine wife, Dorcas, many more years of good health and happiness. You deserve no less.

With kindest personal regards, I am...

Yours sincerely,

Janet Thomas To Help Form Cisco Club

All women in the Cisco area are invited to attend a program on "Exotic Fruits and Vegetables" at the First National Bank of Cisco community room. The program will be at 10 a.m. until 11 a.m. on Tuesday, October 20.

This program is being sponsored by the Eastland County Extension Homemakers. Plans are to organize a new Extension Homemaker Club in the town of Cisco.

Extension Homemaker Club programs are on home economics subjects. Programs benefit the family, home and community. Extension Homemakers Clubs have programs that include such subjects as foods and nutrition, clothing, family resource management, housing, and health. Beside home economics programs, club members enjoy doing community service projects.

Extension Homemakers Clubs have open membership and all interested persons are welcome to join. Clubs do not have dues. Extension Homemaker Clubs are sponsored by the Texas Agricultural Extension Service and the advisor is Mrs. Janet Thomas, County Extension Agent - Home Economics.

We invite you to join us and enjoy the friendship and learning new ideas with others. Children are welcome to attend with their mothers.

We hope you can come to our organizational meeting. For more information, contact Mrs. Janet Thomas, County Extension Agent, 629-2222.

Christian Women Meet To Discuss Bazaar

Christian Women Fellowship Night Group met in the home of Nona Stevens with ten present.

The group was filled with enthusiasm. It is almost time for the Bazaar Nov. 6-7.

Mable Fletcher, the group captain, called the meeting to order. Hellen Hathaway led in prayer.

Hattie Weathers reported on what had been done and what needed to be completed in time for the bazaar. With everyone telling of things they had made and others of what they were in the process of making, "we all became excited."

Mable called for sick report. Standlee McCracken is home after having surgery. W. H. Cooper is in Dallas for tests. Ruby Tullis has returned to Cisco after her second trip to hospital with broken bones. Lela Lloyd is in Humana recovering after surgery. We were glad to know they are all improving.

Velda Witzsche gave the devotional and the ladies were truly lifted by her well chosen thoughts.

Olga Fay Parker gave the lesson on Beatitudes. Thanks to each of you for your efforts. It was a blessing to each of us.

The group dismissed with missionary benediction.

With an abundance of coffee and refreshments, the group continued to enjoy an hour of fellowship.

The next meeting will be with Helen Surles and all members are urged to attend.

MICHELLE, SHERRY AND JOHN RAY Sherry Ray Adopts Her Two Step-Children

Sherry Ray will celebrate her birthday this Sunday, October 18. But, she has already received something for her birthday last Tuesday that she has been wanting now for over seven years. She became the legal parent for her two step children.

Sherry and her husband John David Ray were married May 19, 1980. He was the single parent of Michelle Lee Ray, who at that time was 6-years of age, and Michael David Ray, who was 4-years old. Sherry said she wanted to adopt the children then, but was unable to.

Sherry and her husband asked Leslie Vance, an attorney, to help them get the adoption started about a year ago. The adoption was approved Tuesday, October

13, 1987. Michelle who is in the 8th grade and Michael, who is in the 6th grade are the grandchildren of Ples and Aline Ray of Cisco. They are now also the legal grandchildren of Gene and Dolores Schaefer of Austin and the great grandchildren of Rudolph and Lola Schaefer and Ella Burns of Cisco.

Moran Class Of 1937 Holds Fiftieth Anniversary

Moran, Texas 10-10-87
It was two thousand miles from Orgeon for Hubert Brooks and a whoop and a holler for Aline (Gunn) Brewster of Moran.
It was a drive up from San Antonio for Tommie Pheil, but Charles B. Chaney didn't make it thirty-five miles from Eastland--nor did Arlyne (Grace) Blue come from Fort Worth.
"It" was the fiftieth anniversary of the graduation from Moran High School of the Class of '37.

Cisco Writers' Club Met

Marie Boney came from Fort Worth to read her prize-winning "Saturday Child", a short story, to members and guests of the Cisco Writers' Club at the October meeting.
With Marie was her daughter, Carla Weber who teaches at Slidell. Carla was first place winner in the modern poetry category. The mother-daughter writers are not only prize winners, they now are members of the club.
Duluth Jackson of Eastland was present to

read her two first-prize poems. "Winter in the Oil Patch" was the selection from traditional poetry, and "Little Rabbit in May Cabbage Patch" was chosen first in light verse.
Mary Ann Ziehr of Cisco read her paper about her grandmother, Lena Quade, which was first place in historical category, and Janice Casey, also of Cisco, read her "Short Shot," which featured a four-year-old's acceptance of "God is everywhere."

Gordon Attends Management Seminar

Eastland County Extension Agent, DeMarquis Gordon, was one of 26 Extension Agents in Texas to attend a Financial Management Training Seminar on the campus of Texas A&M University. The week long seminar was sponsored by the G. Rollie White Trust to provide training in financial management for Extension Agents.
Dr. Wayne Hayenga, Extension Economist-Management was director of the seminar. He and other economists trained the

agents in areas of accounting statements, cash flow planning analysis, investments, evaluation of borrowers, leasing and land purchase, taxes and estate planning. The training was designed to help Extension Agents council farmers and ranchers in financial management matters.

when he came to a "city school" with all the advantages Moran offered.
Bobby Hamilton, class of '47, remembered the positive effects he felt from the instruction and support of the teachers in the Moran schools.
William "Happy" Gay, of Azle and a 1930 graduate, summed up the intangibles for the homecoming crowd. "There is a spirit that holds us to our roots: it is the spirit of Moran that made us the way we were, the way we are, and the way Moran

Ruth York, also a double winner with a first in inspirational writing and a juvenile story, read her papers.
Jo Baldwin and Shirley Strawn, both of Abilene, were unable to present their first prize papers, so program director Viola Payne called on Weems Dykes to read some of his poetry which was not entered in the contest. Elsa Turner, member from Albany, read her fellow townsman's article of reminiscing. Bettie Townsend's Christmas article placed third in the general articles. Julia Worth read Ruth York's short story, "Love's Crucible," which placed in short story. The club's next meeting is

Exes always will be."
Ms. Ricks introduced other members of the spotlighted class to the assembly: Ella Reese (Jackson) Shelton from California, Lathan Jackson from Alabama, and Hubert Brooks from Oregon came the greatest distances to join Veda Ben (Pinnell) Evans and Oma Lea (Elliot) Maynes from the Metroplex, Julia (Ballard) Worth of Eastland and the aforementioned Ricks of Abilene. Snyder of Baird, Pheil of San Antonio and Brewster of Moran.
Bill Raymond and Carolyn Louder were crowned king and queen of the Homecoming events. Wiley Williams received a gift as representative of the Class of 1916, and Hubert Brooks was the ex-student who came the longest distance to sing "The Eyes of Moran." The cheerleaders, present and past, led the group singing of the school's alma mater.

A brief business session elected Cynthia Gilmore, president; Mary Anna Snyder, vice president; and Linda Cozart, secretary-treasurer for the Homecoming '89.

4-H NEWS

By Crystal Wilbanks, County Agent

The Eastland Senior 4-H Club will meet Tuesday, October 20th at 7:00 p.m. at the Texas Electric Reddy Room. The program will be presented by Jeannie Griffen. She will show a slide-set of Philadelphia and touch on the 200th anniversary of the United States Constitution. It should be very interesting and fun, so come to the meeting and enjoy an evening of entertainment and fun!

The 4-H Horse Project Group have planned a trail ride and cook-out for Saturday, October 24th. The trail ride will begin at 3:00 p.m., with the cook-out to start at 5:00 p.m. Cost is \$2.00 per person to cover food and drink expenses. We will gather at Jim Golden's horse barn, which is located across the road from the Spanish

Baptist Church, north of Eastland, on Ringling Lake Road.
Directions are from the intersection of Seaman Street & Main Street (Hood King Ford), head north on Seaman St., go over the railroad tracks and cross the bridge at the Leon river, turn left on the first dirt road (Ringling Lake Road) past the bridge. Go approximately 1 mile and Jim Golden's barn is on the right, across from the church. The trail ride will be to Ringling lake and back again.
4-H members are asked to pre-register by calling 629-1093 before Friday, October 23rd. You are asked to bring your money for the trail ride and give to Evelyn Grace, trail ride coordinator, upon your arrival. Children under 12 will not be allowed to ride without parents and all parents are encouraged to ride, help supervise and assist with the cook-out. For further info, call Crystal Akers Wilbanks at the County Extension Office.

County Junior Leaders

A meeting of the Eastland County Junior Leaders was held Sunday, October 11 at 3 p.m. in Eastland National Bank. Two major items were discussed during the meeting:

On Saturday, October 17, at Camp Inspiration the 4-H and Youth Committee are sponsoring a program called B.I.O.N.I.C. (Believe It Or Not I Care). Sessions dealing with Stress, Pressures, Drugs, Communication will last from 2 p.m. until 6 p.m. A free supper follows the program and a dance after the meal. This program is offered to adults as well as youth.

Also discussed was a Jr. 4-H Leadership Training to be held on November 14. Sessions lasting from 6 p.m. until 8 p.m. will touch on Parliamentary Procedure, duties of all the officers, and also games and a session for Jr. 4-H'ers will be served after the sessions. A dance will be held from 8 p.m. until 10 p.m. at the County Show Grounds, this is also where the sessions will be held.

The next Junior Leaders meeting will be held on November 8 from 3 p.m. to 5 p.m. in the Texas Electric Reddy Room. The Junior Leaders meet regularly every 2nd Sunday of every month. Anyone age 13 to 18 and that has completed two years of 4-H is urged and welcome to come.

Maner Memorial Library To Have Shakespeare Exhibition

SHAKESPEARE, a unique photographic exhibition which celebrates the life and world of William Shakespeare, goes on display Monday, October 19, at the Maner Memorial Library on the Cisco Junior College campus, Library Director Oleta Shirley announced today.

Developed by the Texas Humanities Resource Center under a grant from the National Endowment for the Humanities, SHAKESPEARE is based on the great Folger Library multi-media exhibition, SHAKESPEARE, THE GLOBE, AND THE WORLD, which has been making a six-city tour of the United States. The small exhibit was created with special assistance and support from the Folger Shakespeare Library.

The exhibit will be on display in the Maner Memorial Library for two weeks, through October 31. Special public showings of an accompanying slide-tape program, "Shakespeare, the Globe, and the World," are planned for group tours and special visits.

The exhibit consists of ten panels of photographs which illustrate major aspects of the Renaissance world and Shakespeare's world of the theater. Of special interest is a panel of photographs and lithographs showing how the

balcony scene in Romeo and Juliet has been staged in productions dating from 1750 to 1970. Other panels highlight

the religious turmoil of the age, including the publication of the King James Version of the Bible; the

Elizabethan notion of America; and fashions and costumes of the day.

"This traveling exhibition gives us a Shakespeare who was an actual person living in a very real world," Mrs. Shirley stated. "For most people Shakespeare unfortunately is the name of a man who wrote plays that are hard to read and harder to understand, even though teachers in school told us that they are great. Now, thanks to a grant from the Texas Committee for the Humanities, we can let the public see how people have responded to Shakespeare through the ages. We can introduce them to his plays again in a more favorable setting."

Hours for the exhibition are 8:00 a.m. to 4:00 p.m. and 6:00 p.m. to 9:30 p.m. Monday through Thursday, and 8:00 a.m. to 4:00 p.m. Fridays. Group tours and special visits may be arranged by calling Mrs. Oleta Shirley at 442-2567. There is no admission charge.

Commissioners Learn That County Eligible For Funds

Eastland County Commissioners Court held a regular meeting Tuesday, Oct. 13 in the Commissioners Courtroom. All the Commissioners were present, with County Judge Scot Bailey presiding.

Judge Bailey reported that a letter from the U.S. Department of Commerce informed him that Eastland County is eligible for redevelopment funds, due to "depressed conditions" here. Stephens County was also on this list. The Judge said that Brown and Comanche counties "had been eligible for a long time."

A two-year study of unemployment by the Commerce Department led to this classification. This finding could assist people who need jobs, the Judge said.

On agenda items, the Commissioners voted to pay a \$1844 from Patterson Ambulance Service for medical transportation billed during the fiscal year 1985-86. These charges ranged to more than \$100 each trip for carrying jail

prisoners back and forth to a local Doctor's office.

The Commissioners said the County had bought memberships in the Ambulance Service, and they thought that entitled the County to be billed at "reduced rates." In voting to pay this old bill, it was decided that any new contract with the Ambulance Service must detail exact charges.

In another item, Billy Bacon, Comm. of Pct. 4, reported that the County Jail was currently within the State Jail Standards population requirement. Tuesday's count was 19 inmates, down seven from a population of 26 last weekend. No prisoners were presently held in jails outside the county.

In other business, Comm. Billy Bacon required permission of the Court to a purchase a used road grader. This was approved. Bacon

said he would trade in two old graders, 18-51 model and a 1959 70 D; neither of which he thought was worth repairing.

Richard Robinson, Comm. of Pct. 1, amended his current budget to provide a payment of \$100 each month to Eastland Memorial Library. The four County Libraries are budgeted for \$1200 annually from the County funds.

In another matter, the Commissioners designated the south entrance of the Courthouse as the area for posting notices of Real Estate Foreclosures and Foreclosure sales. A plexiglass-covered board will be provided for these notices.

A request was approved for a pipeline crossing S.E. of Cisco. J.R.B. Operating Co. was granted permission to cross County Road 180 in Pct. 4 with a gas line.

Swindle-Black Reunion Held

Mr. and Mrs. Ray Bailey (Beth Swindle) hosted the annual Swindle-Black Family Reunion Oct. 9-11 at their home in Cisco.

In attendance were: Mr. and Mrs. Jack Swindle, Monahans; Mr. and Mrs. Roy Solomon (Bonnie Sue Swindle), De Leon; Mr. and Mrs. Jim Swindle and Mrs. Elizabeth Bailey, Abilene; Mr. and Mrs. Ben Black, Weatherford; Mrs. Ida Lee (Black) Hunter, Roscoe; Mrs. Annie Mae (Black) Walker, Roundup, Mont.; Mr. and Mrs. Doug Teague, Joshua and Nikki, Breckenridge; Mr. and Mrs. Louis Simmons, Ronny and B. J., Mr. and Mrs. Luke Farleigh, Mrs. Ila Stuard, Mrs. Jessie Mae Richards, Mrs. Winnie Ben Wood, Mrs. Bonnie Snyder and Tammie, Raymond Smith and Mrs. Stuart Slatten (Laverne), all of Cisco.

Lee Liske To Celebrate 100th Birthday Sunday, Oct. 18

Lee Liske, long time Cisco resident, will observe his 100th birthday with an open house Sunday, Oct. 18, at his home, 1100 Avenue F.

All friends and relatives have been invited to drop by any time Sunday to help Mr. Liske celebrate this important occasion.

Mr. Liske was born on Wednesday, October 19, 1887, in Gruzlivier, Moldavia, which is located 165 miles southwest of Zhitomir, Russia. His parents were August and Emily (Gerth) Liske.

On May 25, 1895, Mr. Liske departed Bremerhaven, Germany with his parents, five brothers and one sister for the United States. They arrived in New York City June 9, 1895, and spent a few days sightseeing before leaving for Texas, via Key West, Florida, on June 15. The Liske family arrived in Galveston on steamship Concho on June 23 and departed immediately by railroad via Houston to Schulenburg, and then to Converse.

They lived in Converse until moving to Eastland County in 1900.

Mr. Liske married Lula Jane McSpadden April 28, 1914, in Baird. They have four daughters, Erna Carroll, Dorothy Stephens and Adeline Speir, all of Cisco, and Pat Metcalf of Fort Worth. Their son, Albert Liske, died May 29, 1984. There are seven grand-

children, eight great-grandchildren, and three great-great-grandchildren. All are expected in Cisco this weekend for the birthday celebration.

Probably best known for his work with pecan trees, it has been said that Mr. Liske has grafted almost all the pecan trees in Cisco and most of the pecan trees in Eastland County. He was instrumental in saving the first Burkett Pecan Tree, located on I-20 between Cisco and Putnam.

His pecans won many ribbons at pecan shows throughout the state.

Mr. Liske has been a farmer, dairyman, trucker, and cattle hauler. He dragged roads, and ran a cafe for a while in Cisco. He helped bring Germania Insurance in this area.

At the age of 90 years, he and his daughter, Erma, put a tin roof on their home.

He enjoys visits from friends and is able to remember names and dates clearly.

Mr. and Mrs. Liske and their family would like to invite everyone to drop by Sunday for refreshments.

CJC Board Of Regents To Buy Wagon

Purchase of an 18-passenger club wagon and new equipment for the automotive shop was approved as bids were opened Monday night at the monthly meeting of the board of regents of Cisco Junior College.

The wagon was purchased from Pierce Ford of Cisco on a low bid of \$16,786.82. College officials said the vehicle would be used to transport basketball teams and for other college purposes.

An automobile engine electronic analyzer was purchased from Bear Automotive of North Texas, Dallas, on a low bid of \$11,880. It will be used in the classes that teach automobile mechanics, Dr. Henry E. McCullough, college president, said.

Admissions Director Olin Odom reported to the board that the final enrollment for the 1987-88 spring semester was 1,692 students, including 692 on campus in Cisco. This is the largest enrollment in recent years, he added.

A resolution of appreciation to J. W. Sittin, board member for more than 11 years, was passed. Ralph Glenn, vice president for finance, gave a monthly report.

President Dick Woolley presided at the meeting.

Lions Club Fish Fry To Be Held Fri.

Tickets for the annual Lions Club fish fry that will be part of the 1987 homecoming program for students of Cisco High School on Friday, Oct. 23, are on sale by all club members, Chairman Ivan Webb reported Friday.

The fish fry will be held at the new elementary school cafeteria from 5 to 7 p.m. Friday. The football game at 7:30 p.m. Friday between Cisco and Ranger High Schools will be the program climax. The tickets are \$4 each if purchased before going to the cafeteria where they will cost 50 cents more.

Lions Ralph Glenn, Eddie McMillan and Brad Kimbrough will be in charge of cooking fish and all the trimmings, Mr. Webb said. Other club members will handle various details. Mr. Webb said assignments would be passed out at next Wednesday's club luncheon.

CJC Band Plays For Rotary

A band from the Cisco Junior College Fine Arts Department played several songs at the regular weekly meeting of the Cisco Rotary Club, held last Thursday at Tradition's Restaurant.

The band was directed by Tim Jones. Members of the band were Randy King from Woodson, Mark Lewis from Shamrock, Todd Stinnett from Anson and Wade Whitehead from DeLeon. This was the first time the band has performed in public, according to Mr. Jones.

Randy King sang a George Strait song "This Is Where The Cowboy Rides Away" to open the program. In the second number Mark and Todd played a duet with their guitars. Then Tim Jones joined the group with his cornet and Randy sang "Proud Mary". Mark, Todd and Wade played the instrumental "Crazy Train" and in the final song, Randy sang a Ronnie Milsap song, "In Love" with Todd singing backup.

Henry McCullough was in charge of the program. The members of the Rotary Club really enjoyed the music.

Otto Urban presided over the meeting and gave the invocation. Rev. Urban said the committee for the Polio Plus campaign will have a meeting on Monday night at the college.

Joe Cooper will be in charge of next week's program.

MRS. HOWARD (Gloria) Turner's leg should be well by Nov. 5th. That's the date of the first meeting of the Cisco area Scrabble Club that will be holding its first meeting at 6 p.m. at Olney Savings' meeting room.

Mrs. Turner, who suffered a broken leg a good many months ago when she fell from a ladder while painting their house at Round Rock, took the leg to the doctors the other day and they cut into it and took out a steel plate that had served its usefulness. And she's on the mend these days out at the Turner home.

The national scrabble organization has given Mrs. Turner the signal to go ahead with a Cisco area club. So... scrabble players of Cisco and area communities and cities will be welcome to play every Thursday from 6 to 10 p.m. at Olney Savings. No dues, no rules except regular scrabble regulations. They'll be nationally affiliated, which means local players may enter tournaments anywhere and others can come here.

Mrs. Turner has been meeting with scrabble players in Abilene for several months. She has found quite a number of local folks interested and expects a good turn-out. Mrs. Turner and sister Betty (Mrs. Jay Williams of Fort Worth) will go to Oklahoma City this weekend to play in a scrabble tournament. Husband Howard will stay in Fort Worth and help his brother-in-law, Jay, watch assorted football and maybe even some World Series.

BACK HOME AND resting after five weeks in their travel trailer are the John McGuires. They pulled in at their Lake Cisco place Wednesday afternoon. Over a month ago, the McGuires joined five other travel trailer couples on a trip to Lake Powell in Nevada and Utah. After a week's trip on a big boat, they then drove on to see the beautiful canyon country of Utah and that area.

Then, the McGuires slowly trailered east and south. They enjoyed beautiful scenery through the mountains and elsewhere.

MR. JASPER Cook, long-time Ciscoan who now serves as pastor of the First United Methodist Church in Cross Plains, reports that they've got at least 40 folks pledged to show up here Oct. 23rd for the first ever reunion of the Cisco High School Class of 1933. And that's pretty good, considering that there were 76 members of the class who graduated 54 years ago.

Plans call for the group to meet at 5:30 p.m. Friday at the high school auditorium. They'll attend the Lions Club Fish Fry at the high school cafeteria and then go to the Cisco-Ranger football game, annual homecoming event.

The Class of 1933 will meet again at 10 a.m. Saturday at the high school auditorium, and Mr. Cook will be their host for a luncheon that Mrs. Shirley Darr and her cafeteria staff will cater. Afternoon plans include a visit to the old Mobley Hotel and an area tour and, possibly, dinner some place... Mr. Derwood McClelland, who played in the 1933 band with Mr. Cook, is among those planning to return. Local members of the class include Mr. Cook, Mrs. Sterling Drumwright, Mrs. Kit Carson and Mrs. Bill Qualls Howell.

YOU'LL WANT to join us in offering best wishes and congratulations to Mr. Lee Lieske, long-time Cisco area resident, who will be observing his 100th birthday Sunday (see story and picture elsewhere). He is one of our area's leading pecan orchard men... Mr. and Mrs. Clois Purvis and Misses Christy Purvis and Ingrid Valek attended the Cowboy football game in Dallas last Sunday... Our scouts report that the bus station will be closed out this weekend at Batteas Builders. And if another location is not obtained, you'll have to go to Eastland to catch the bus next week.

THEY USHERED Mr. Bobby Smith, local CPA, into the 40s the other day. Mr.

Smith and wife Beverly and two youngsters Christy and Robert had planned to observe his birthday quietly and attend dinner at the home of Bobby's parents, the Wilson Smiths.

But Mr. Ken Parker, a partner in the CPA firm, decided turning 40 should be an occasion to celebrate. So... he and a group of buddies dropped in at Bobby's office. A birthday cake was brought in, and 25 or 30 friends stopped by to add their good wishes and enjoy a piece of cake. And, of course, there were some appropriate gifts.

FORMER BOSS Manufacturing Company employees have been reminded that they're having a reunion luncheon at the Corral Room of the Laguna Hotel this coming Saturday at noon... Sunday will be observed as Laity Sunday at First United Methodist Church and Mrs. Billy (Sherry) Wright will be the morning pulpit speaker. Public's invited. And immediately after church, the young people will go to a pizza parlor for lunch. What is more, the choir from the Methodist Home will be here Saturday and Sunday, Oct. 24 and 25, and local church members are preparing to house them.

THE WEEKLY luncheon of the Cisco Lions Club turned out to be a special day honoring this old pro on "his" day. Looking over the audience, we could see a number of people we felt were more qualified for the honors. But we didn't see any that we thought would have appreciated it more.

Many thanks to everyone who helped make the day very special and one to remember. It makes us want to pledge anew to do everything possible to contribute to the progress and well being of our community... And wasn't that a nice column that Publisher H. V. O'Brien wrote? It, too, was most appreciated.

Two Person Golf Tournament To Be Held Oct. 24

Lonnie Crosby, Lake Cisco Country Club manager has announced that there will be a Two-Person Partnership Golf Tournament held on Lobo Homecoming Weekend, Saturday, October 24th.

The championship flight (pre-flighted) will be a 2-person lowball. All other flights will be a 2-person scramble format and flighted after play begins.

Tee times will be 1 p.m. for the championship flight and all other flights may choose either a 9:00 a.m. or a 1:00 p.m. tee time with a shotgun start.

Entry fee will be \$50 per team for each flight and this fee will include four tickets to a Saturday evening Bar-B-Que catered by the Crosby Family. Winners will receive cash prizes.

Cisco Council Decides To Cancel Lake Lots

The City of Cisco council members approved a motion to cancel four delinquent lake lots that belong to the city, located at Lake Cisco at the regular meeting held last Tuesday.

Ginger Johnson, city secretary, told the council members that the people who had been leasing the lots have received two regular notices and one certified notice stating it was time to renew their Cisco Lake lot lease. Four have responded to the notices and four have not.

Another certified notice will be sent to the delinquent leasee on the north side of Lake Cisco, informing them they have 60 days to remove their personal belongings. The ones on the south shore will have 30 days to remove their belongings. After this time, anything left on the property will belong to the City of Cisco.

Mike Moore, city manager, said all of the lots, except one are quite a distance from the water. Mike also made a suggestion for the city to wait until Spring before making the lots available for leasing. The lots will be leased for \$100.00 a year, to be reviewed every five years.

In the other matters, council members approved a request by the owner of a duplex located in the 800 block of Avenue O, for the City of Cisco to vacate the right of way. Council members agreed to the request.

The City of Cisco voted to vacate the right of way, but the city will still retain access to the utilities.

Owners of the property were trying to sell the duplex and found out it is on the City of Cisco easement right-of-way. This was the reason that the request for the close of the right of way was presented to the council.

City Council members also approved the quarterly report of the Municipal Court Judge Doug Fry.

Ginger Johnson reported that the City of Cisco received \$100 from the court because of the new State of Texas laws that went into ef-

fect September 1. The new laws state that cities are required to fine a violator \$10.00 for proof of liability insurance and defensive driving cost.

During the months of July, August and September, the City of Cisco received \$5,472.00 from the municipal court. Cisco police officers issued 245 tickets during these months.

Mayor Joe Wheatley said he is very pleased with the way Judge Fry runs the court. He said this is one department where there are never any complaints.

The next city council meeting will begin at 5:00 p.m. on Tuesday, October 27, at the council chambers.

The group will then adjourn and take a tour of the new Waste Water treatment facility and the new water treatment facility.

The council members will tour the facilities in a "People Mover" from Cisco Junior College. The tour will take about one hour. The council members will travel back to the council chamber to finish their meeting.

Mr. Moore said members of The Cisco Press and any other individual will be welcome to go on the tour.

Mr. Moore said he would like to thank Cisco Junior College for providing the "People Mover" for the tour and for the other times the city of Cisco was in need of it.

Mayor Joe Wheatley, City Secretary Ginger Johnson, and City Manager Mike Moore were in attendance at the meeting.

Council members in attendance were John Muller, Bural Chambers, Vernetta Pierce, Roy Dennis, Arlie Whitley and Allen Masters.

Arlie Whitley gave the invocation and there were two visitors at the meeting.
