Negro Chorus Coming Monday

The nationally known Negro spiritual singers from Southwest Christian College of Terrell, will present a program of hymns and spirituals at the Tahoka Church of Christ on Monday Nov. 15, at 7:30 p. m., according to Doyle Kelcy, local minister.

This group has been selected from the larger A Capella of the Negro school and consists of quartets, sextets and other special arrangements. The chorus has attracted favorable attention in Texas, Oklahoma, Arkansas, Colorado, New Mexico and Louisiana.

The college is fully approved for the training of veterans. Founded in 1900, the Terrell school is directed by a board of trustees of both White and Negro members. Primarily it seeks to train young people for active church service, while at the same time providing a standard junior college education. Singing is emphasized in all of the activities of the college, and over half of the students of the past year were in the college chorus.

S. W. C. C. has a faculty staff of some twelve persons, and has matriculated over 300 students in its short history. Many of the graduates of the junior college are now enrolled in standard colleges and universities, and others are receiving a terminal third year of work at Southwestern. This is your invitation to attend this program; you will enjoy it.

J. A. Havens, 56, Buried Sunday

John Allen Havens, 56, a retired farmer, died at his home four miles northeast of Tahoka Friday morning after an illness of about two years.

Funeral services were held Sunday at 3 p. m. in the First Baptist Church, with Rev. V. J. Lowrance of Lubbock and Rev. C. L. Jarrett of Floydada, both Primitive Baptist Church ministers, officiating.

Mr. Havens was born October 2, 1898 in Jackson county. He was married at Farwell on October 30, 1921, to Miss Bonnie Leah Morris. He moved to Tahoka from Motley county in 1945, and for several years worked for the Tahoka Schools. He was a quiet, unassuming man who was respected by all who knew him.

Survivors include his wife; two daughters, Miss Elda Havens of Lubbock and Mrs. Elsie Schlessner of Houston; four sons, J. A. of Quanah, Orvil of Happy, and Richard and Wayne, both of Tahoka; one brother, Arthur of Wellington; and four sisters, Mrs. Ida Sims of Floydada, Mrs. Mattie Lucius of Dallas, Mrs. Essie Rogers of Dickens, and Mrs. Linnie Austin of Porterville, Calif.

Congratulations:

Mr. and Mrs. Dale S. Thuren on the birth of a daughter weighing 8 pounds 2 ounces at 12:28 p. m. Thursday of last week in a Lubbock hospital. She has been named Shannon, and has a "big" sister named Sharman.

Mr. and Mrs. Charles Ray Polk on the birth of a daughter weighing 3 pounds 13 ounces in a Lubbock Hospital at 9:45 a. m. on October 23. The tiny babe has been named Charla DeNiece. The Polks have one other child, Deborah Sue, age two.

Frank Brown Is Improving Slowly

Frank Brown, who was critically ill in a Houston hospital for about two weeks, was brought home Monday and is reported to be showing steady improvement.

Frank and his mother, Mrs. Pearl Brown, were visiting in Houston when he was stricken. Mr. and Mrs. W. R. Sanders and Mrs. O. D. Pierce came up with them and visited here a few days. Mrs. Pierce is still here.

Negro Spiritual Singers from Southwestern Christian College of Terrell who will appear in a program at Tahoka Church of Christ Monday at 7:30 p. m.

Junior Teams Close Season

Tahoka junior football teams have had a very successful season this fall, the Seventh Grade ending their schedule undefeated and the Eighth Grade ending up with five games won and four games lost.

They are coached by Bill Haralson and Dean Wright, the High School Coaches.

The Seventh Grade defeated O'Donnell twice, Seagraves twice, Post twice, and Abernathy and Slaton once each.

The Eighth Grade defeated Post twice, Seagraves twice, and Slaton once. They lost two to Abernathy and O'Donnell.

The two teams closed out their season Tuesday night at O'Donnell, with the Eighth Grade losing to the Junior Eagles 26 to 0 and the Seventh Grade making it an undefeated season by defeating O'Donnell 20 to 0.

Perry Walker Is Award Recipient From Gen. Hershey

Perry Walker this week received a certificate of commendation from Gen. Hershey, head of the Selective Service, for five years of service as the Lynn County representative on the Lubbock, Lynn, and Garza county Selective Service Board.

Perry gives his time free of charge, as do all other "draft" board members. On occasions, they are the object of criticism by individuals, but most people realize they are just trying to do a service for their country and community in carrying out policies set by authorities higher up.

Dodge, Plymouth Coming Wednesday

Gaigat Motor Co. will display the new 1955 Dodge and Plymouth cars on Wednesday of next week.

Many changes have been made in both cars, and they are longer, lower, and feature new sweeping body lines.

D. W. Gaigat, owner of the local agency, states that Lawrence Harvick is again associated with his firm. For a little over a year, Lawrence has been traveling for the Premier Autoware Co.

Blan Draper Is In Critical Condition

Blan Draper, son of Mr. and Mrs. Howard Draper, underwent major surgery in a Levelland Hospital Monday, and still was in critical condition Thursday.

Blan, who is a senior in Abilene Christian College, was injured internally about two weeks ago when a horse kicked him in the side at Abilene.

After receiving treatment in an Abilene hospital for nearly two weeks, he was moved to Levelland Thursday of last week to be under the care of his uncle, Dr. Rogers. His doctor and members of the family have been fearful that he may not recover.

The new home of Mr. and Mrs. Lewis Murray on North Seventh is nearing completion.

Approve Terry Telephone Line

Engineering and construction on the Terry county segment of the Poka-Lambro Rural Telephone Cooperative line will begin in the near future, W. D. Harmon, manager of the cooperative with headquarters in Tahoka, announced this week.

Funds for the work were released in Washington by the REA this week.

The Terry county system will have two central station areas, serving about 250 rural customers.

The Osborn exchange area will serve the area around Meadow and north of Brownfield.

The Wheatley exchange will serve a territory roughly west of Brownfield, including Gomez, Tokio, and Johnson community.

Hamilton To Enlarge Store

Ed Hamilton this week announced that he has bought from H. B. McCord the service station building adjoining his store at the southwest corner of the square.

He will remodel and modernize this building and also the building he owns into one store building for his auto parts and television and radio business. Plate glass will be installed on the west and north, and the main entrance moved to the north of the building, which faces the square. The addition will give him a building 25 feet by 125 feet in size.

He will continue his Maytag and appliance store in the Larkin building across the street west.

The \$64.00 question is: Why do pedestrians stand in the street waiting for a signal?

Tahoka V. F. W. Wins Contest

First place in the 1955 membership drive was won by Tahoka Post 3905 of the Veterans of Foreign Wars, it was announced Sunday at the District 7 VFW Encampment held at Lubbock, according to N. T. Conner, local post commander.

As a result, ten posts of the district will meet here soon to entertain the Tahoka post with a banquet. Date of the meeting was to be set this Thursday night.

The membership contest was on a percentage basis. Attending the VFW and Auxiliary district meeting were Mr. Conner, Mr. and Mrs. J. B. Oliver, Mrs. R. L. Richardson, Mrs. I. I. Gattis, and Pauline Smith.

Mr. and Mrs. Herman Renfro are building a nice modern home on North Seventh.

49 Members Signed For Country Club

Forty-nine memberships at \$100 each in the new country club and recreation center had been signed up through Wednesday.

Directors of the T-Bar Country Club met Monday night and adopted a number of resolutions affecting membership in the organization.

Charter members will be acceptable up to and including December 15.

There will be three types of membership, namely:

1. Full participation, in which the member buys his \$100.00 share of stock, pays monthly dues of about \$5.50 (to be assessed only after club is completed), and is entitled to all club house and golf course facilities.

2. Partial participation, in which the member pays his \$100.00, does not wish to play golf, and may use club house facilities for \$2.00 monthly dues.

3. Inactive membership, in which case no monthly dues are assessed. Such a member may become an active member at any time he desires.

The Board has provided that memberships may be taken out on time, if the member desires, on payment of \$25.00 down and the rest in monthly installments.

Stock may become transferable, but not refundable, when a member moves out of the county, on (Cont'd. from Page 1)

Baptists Will Break Ground On Educational Building Sunday

Wildcat Test On May Land

Western Drilling Co., Inc., of Lubbock, has announced a 3,800 foot wildcat oil test to be made immediately on the W. H. May land, seven miles southeast of Wilson.

The test will be seeking oil production from San Andreas formation.

The drillsite is 1,980 feet from the west and 660 feet from the south lines of section 16, block L.

X-Ray Survey Plans Formed

Lynn county's third annual free chest x-ray survey will be held this year on Friday and Saturday, November 26 and 27, and Tuesday, November 30, according to A. M. Bray, county chairman.

The State Health Department portable x-ray unit will be set up in Tahoka on Nov. 26 and 27 and in O'Donnell on Nov. 30.

Every person in Lynn county 15 years of age or older is urged to take advantage of the free x-ray service.

Not only has the program located people in this county with tuberculosis who never suspected they had the disease but it has also located other cases of chest disorders and even heart ailments.

Results of the survey are strictly a private matter between the individual and some physician of his choice, and only then when the technicians find negatively. In every case where tuberculosis has been found by the chest x-ray survey in Lynn county, the patient has had time to make proper treatment leading to eventual cure.

The x-ray survey in Texas is materially cutting down the number of serious tuberculosis cases, the State Health Department declares.

Mr. Bray's county-wide committee on the chest x-ray is: Mrs. Burl Koeninger, O'Donnell; Mrs. Luther Thomas, Grassland; Mrs. Howard Cook, Wilson; and Mrs. Loyd McCormick, New Home.

Area Baptists Will Meet Here

Worker's Conference of the Brownfield Baptist Association will be held with the Tahoka First Baptist Church next Thursday evening, Nov. 18.

Hooper Dilday of Dallas, associate State Sunday School Secretary, will be the principal speaker. Special music will be furnished by the Tahoka Church.

Board and WMU meeting will be at 6 p. m., followed by a supper at 7:00. The night service will begin with singing led by Alton Webb.

During the Conference period, the following are in charge: Adults, Ed Rogers; Young People, Mrs. Jones Weathers; Senior Intermediate, Mrs. Willa Wakeland; Junior, Mrs. G. W. Dotson; Primary, Mrs. A. W. Stell; Beginner, Mrs. L. D. Howell; Nursery, Mrs. Ed Rogers; Cradle Roll, Mrs. Theda Baggett; Extension, Mrs. Dennie Polk; and Pastors and Superintendents, Mr. Hooper Dilday.

Four Are Named Football Captains

Four football captains for the current year were elected by the 1955 Bulldog squad Wednesday of this week.

They are: I. V. J. Melton, back; Duane McMillan, tackle; Garland Huddleston, center and end; and Jimmy Williams, tackle. All are seniors.

Coach Bill Haralson said the boys intended to elect three members of their squad for this honor, but the voting was so close that all four were selected.

A. I. Thomas reports that his son, Paul, of Albany, who was seriously ill for several weeks last spring and underwent major surgery, is now well and back at work. Paul spent most of the summer at his dad's cabin at Chama, N. M., and on two weeks won the prize for catching the largest trout.

The First Baptist Church will break the ground Sunday for their new Educational building. The entire morning worship period will be given to the special occasion, states Rev. Clifford Harris, pastor.

The committee in charge of plans for the day is composed of W. A. Reddell, Mrs. H. P. Cave, and Mrs. Terry Noble. They have asked the pastor to bring the message at the morning hour. Special recognition will be given those who have been members of the church here as many as forty years. A brief history of the church will be given.

At 11:45, the entire congregation will go out of the building to the site where the new building will be constructed. Here a hymn of Thanksgiving and praise will be sung, and the only charter member of the church, living here and still a member, Mrs. G. C. Shaffer, will turn the first spadeful of soil.

Following this ceremony and the taking of pictures, Bro. E. I. Hill will lead in the special prayer.

The Sunday School forces of the church will be working toward a high attendance in Bible School for Sunday, and it is hoped that many classes, and several departments will have their entire enrollment present, and remaining for the groundbreaking services.

Rev. Ira Parrack, Childress, first pastor of the Tahoka Baptist Church will be the honored guests at the morning hour, and the speaker for the evening service.

The church was organized on July 5, 1903, just three months after Lynn County was organized and the town of Tahoka laid out. Rev. Ira Parrack was called as pastor on the same day the church was organized. During his ministry, the services were held in the court house.

In 1904, Rev. J. R. Miller was called as pastor, and during his (Cont'd. On Back Page)

Wilson, Lorenzo Game Tonight

Since Tahoka has no football game this week end, Wilson has issued a special invitation to local fans to see the Mustangs' last home game tonight with Lorenzo.

Coach Ralph Huntington has a fine team this year at Wilson, but the Mustangs were nosed out last Friday by Meadow 26 to 20. It was the first conference defeat for Wilson. Lorenzo is also considered a top team in the district.

Friday is Homecoming at Wilson, and immediately preceding the game, the Sootball Queen will be crowned.

Following the game, the Football and Pep Squad Mothers Club will serve a meal for both members of the Wilson and Lorenzo teams.

Grand Jury Will Meet Monday

District court will be in session next week, according to W. S. Taylor, district clerk.

The grand jury in scheduled to go into session Monday morning. Also Monday morning, hearing on jury civil cases will begin, three cases being on the docket. Non-jury civil cases will be heard by Judge Louis B. Reed beginning Friday morning, Nov. 19.

Mr. and Mrs. Ivan McWhorter and son Macky, who have recently moved into their new home on North Third. The beautiful new home was completed several weeks ago, but still lacks the laying of the brick, which will be done in the immediate future.

Above is some Lynn county farm, the picture having been taken by aerial photographers. The News does not know its identity. The first rural reader and the first city reader correctly identifying the place will each receive free six months' credit on subscriptions to The News. Owner of the farm gets free an enlarged picture of his place on calling at The News office.

Rotarians Told Of Country Club

The proposed new country club and recreation center was discussed at Tahoka Rotary Club last Thursday noon by O. C. Elliott, Truett Smith and Frank Hill. Tom Gill had charge of the program. Winston Wharton, vice president, presided in the absence of A. M. Bray.

Secretary Johnny Reasonover announced that the previous meeting had 100 percent attendance, and only one was absent Thursday.

I. V. J. Melton and Garland Huddleston are the Junior Rotarians for the month of November.

Banister's Brother Buried Wednesday

Walter Banister, 81, brother of Jim Banister of Tahoka, died Monday at his home at Thalia, Ford county.

A resident of that county for 55 years, Mr. Banister is survived by his wife and eight children.

Jim Banister, accompanied by Johnny Johnson, attended funeral services there Wednesday at 2 p. m. He was Mr. Jim's only surviving brother.

Check them and you'll find such exclusive features as: Hundreds of burner settings, smokeless broiling, continuous oven temperature control for better baking, and instant heat. See these wonderful ranges at your dealer's today. Buy an automatic gas range. No range is more automatic!

3,000,000 SAFE MAN-HOURS
J. E. Cunningham, president, A. R. Watson, executive vice president and Travis Aaron, safety supervisor, 1 to 11 happily accept gift of 3,000,000 man hours, without a lost time accident, from Southwestern Public Service Company employees with longest safety records. They represent the almost 2,000 Public Service men and women who have built up the impressive safety record made previously by only one other company in the electric business. Continuing left to right, they are: Claude C. Bell, Roswell, 27 years; Ganess (Curly) Sanders, Clovis, 35 years; Ernest Allen Fowler, Amarillo, 35 years; Ervin O. Hopson, Texhoma, 27 years; and W. S. (Mike) Jones, Lubbock, 32 years.

O'Donnell Host To Baptist Men

Brownfield Association Brotherhood met with the O'Donnell First Baptist Church Tuesday night with 80 men present, 13 from Tahoka.

Rev. Jack Harrell of Meadow was the principal speaker, and Jake Fulford of Meadow was in charge of the program. The O'Donnell church presented special music, including a male quartet.

Tahoka men say the meal served was one of the best ever served the Association Brotherhood.

Next meeting will be held with Tahoka's First Baptist Church on February 15.

Garden Club Meets Tuesday

Tahoka Garden Club will meet Tuesday, Nov. 16, with Mrs. Garland Pennington at 3:30 p. m. Mrs. H. R. Tankersley is co-hostess.

"Drama in Design" is the theme to be studied. Mrs. Emil Prohl and Mrs. Garland Pennington will discuss the principles of flower arrangement.

The program committee will show two films in color and sound on bulbs. The films are "Planting Dutch Bulbs" and "Springtime in Holland."

WEST POINT LADIES H. D. CLUB MEETS

West Point Home Demonstration Club met Wednesday in the home of Mrs. Tom Hale Jr.

Miss Wanda Roach, the agent, showed a film on the various types of meats and how to cut and serve them.

The club will hold a special meeting Tuesday, Nov. 3 in the home of Mrs. N. E. Wood.

The hostess served cakes, coffee and cookies to 13 members and Miss Wanda Roach, according to Mrs. Edward Bartley, club reporter.

JAYCEE-ETTES MEET WITH MRS. LEWIS

The Tahoka Jaycee Ettes met in a regular business session, Nov. 9 in the home of Mrs. Seth Lewis. Plans were made for a Christmas party for club members. There will be a special announcement next week as to the time and the place for the next meeting.

Give death a holiday on your next trip.

GIVES OWL STAMPS

Mrs. Hegi Will Give Book Review

Mrs. Madeline Hegi will review the book "The Seven Steeples" next Thursday night at 7:30 o'clock in Fellowship Hall of the Methodist Church. All ladies of the Methodist and Baptist Churches are invited to the meeting, which is being sponsored by the Wesleyan Service Guild.

Coffee will be served. Last Thursday night, the Guild completed its study on "Jesus' Teachings Concerning Women," conducted by Mrs. Maurice Hufaker.

Mrs. Roddy Wins At State Fair

Mrs. H. L. Roddy won five first places and a third place in the woman's handwork department of the State Fair of Texas, and on Monday received checks totaling \$29.00 for the premiums.

She won first place on a leather billfold, knitted baby set, baby shawl, ladies blouse and skirt, and third place on a hot dish holder.

Her daughter, Mrs. Arnold Akin of Brownfield, won two first places also, on knitted gloves and knitted baby suit.

Both recently won a number of prizes in the Panhandle-South Plains Fair at Lubbock and in the Lynn County Fair at Tahoka.

Take it easy, Bud, Heaven ain't crowded.

Beat the High Cost of Hand Picking

with the **NEW BOONE TWO-ROW COTTON STRIPPER**

Fits More Makes and Models of Tractors than any other Mounted Harvester

NEW Sealed Anti-friction Bearings eliminate daily lubrication, reduce friction, increase efficiency and provide longer life.

NEW Full Floating Stripper Boxes are self-adjusting from 38" to 40" row centers. They are pivoted on the center of gravity, enabling the flexible pickup fingers to maintain sliding contact with the ground, gathering in the lowest bolls.

NEW Longer Double Stripper Rolls harvest taller cotton. There are no projections on the rolls to tear the cotton and reduce the grade. Smooth double rolls gently remove the cotton from both sides of the stalk, resulting in a higher stripping efficiency than is possible with a single roll.

NEW Design for Tractor Mounting makes the Boone easiest to install of all mounted strippers available today.

NEW Power Train with larger, hardened steel gears operating in an oil bath; high carbon steel sprockets; sealed ball bearings throughout; and separate slip-clutches on each conveyor shaft, gives long life with low power requirements and minimum maintenance.

Walter Gasper Works Mystery Farm No. 18

Walter Gasper farms the place shown in the picture above, a half section irrigated farm located four miles north of New Hope.

Jim Applewhite of Tahoka and Elmer Rice of Wilson were the first to guess the farm's identity.

Also correctly identifying it were Dick Turner, Aubrey Smith, James Farr, E. R. Blakney, Lonnie Isbell, Mrs. George Turner, Mrs. Marvin Wood, and Miss Edwena Overstreet.

The farm is owned by Herbert Hunt and wife of Claude. Mr. Hunt is a brother of Mrs. Truett Smith, and Mrs. Hunt is the former Miss Vida West, daughter of Mrs. Ione West, who lives 10 miles north of Tahoka.

Mr. and Mrs. Gasper have been farming the place six years. They have two irrigation wells, an eight and a six, but Mr. Gasper says they are not full-pipe wells. Naturally, they raise cotton and grain sorghums, and the operation of the farm keeps Mr. Gasper pretty busy.

Mr. Gasper was reared in Burleson county, and spent eight

years at Sweetwater before coming to this section.

He married a Lynn county girl in 1938, Miss Annie Laura Blakney, whose mother, Mrs. E. R. Blakney Sr., now lives in Lubbock but who lived west of Wilson before her late husband's death. Walter met his wife-to-be while visiting an uncle, Tom Dulin, who used to live near Wayside. The couple have two children, Walter Lewis Jr., 13, and Ann, 9.

The Gaspers are members of the Methodist Church, and he is a Mason.

He is a little modest about telling of his farming operations, but his neighbors claim he is one of Lynn county's better farmers.

FASTEST KNOWN PAIN RELIEF FOR ARTHRITIC, RHEUMATIC VICTIMS—NOW AVAILABLE

Seven "Film-Coated" Ingredients Offer Positive Relief

The crippling, torturing, twisting pain of Arthritis and Rheumatism may soon be forgotten, thanks to an exciting new laboratory discovery named Ar-Pan-Ex.

Ar-Pan-Ex was perfected by a noted scientist at a world-famous university, working with all known facts about these crippling ailments. The result is a safe, easy to take tablet that promotes the fastest relief known from that stubborn agony.

Ar-Pan-Ex is compounded of seven active ingredients including a special new medicine to help provide longer lasting relief. Ar-Pan-Ex is exclusively perfected to curb chronic, deep-seated pain.

Why AR-PAN-EX Helps

Ar-Pan-Ex does not dissolve uselessly in the stomach—avoids stomach distress. Ar-Pan-Ex is scientifically "Film-Coated" so that ALL

the powerful, pain-relieving medicine is released only in the small intestine where it can be quickly carried by the blood stream to every pain-ridden muscle joint and nerve. Swelling, stiffness and soreness may seem to be miraculously eased when Ar-Pan-Ex helps the system throw off excess Uric Acid that can also aggravate pain.

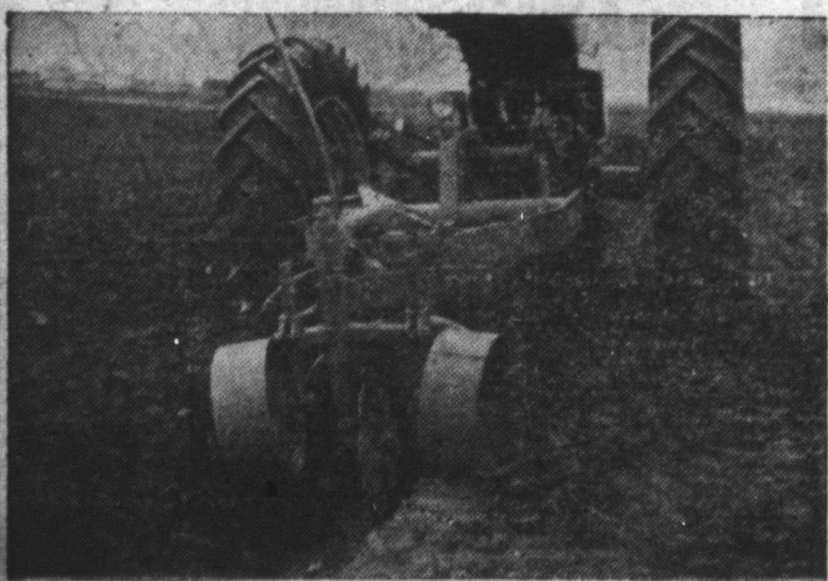

Nothing Like AR-PAN-EX

Nothing ever offered before can bring results faster, more effectively or with longer lasting benefits than Ar-Pan-Ex. It may mean a renewed life of usefulness and pleasure to millions.

Ask for genuine Ar-Pan-Ex today at any drug store for the kind of relief no other product can claim to equal. If your druggist is out of it, he will be glad to order it for you.

Speed Shifters Adopt Rules

Tahoka Speed-Shifters met Monday night and discussed its constitution and by-laws.

Members of the O'Donnell Road Runners were guests, and reported on the progress of their club.

Lamesa has also formed a club which is progressing rather well. The Speed-Shifters and Road-Runners expect to meet with the Lamesa club next Monday night at 8 o'clock, and all members are asked to attend, if possible.

The Speed-Shifters have dedicated their organization "to the promotion of safety and interest in the 'hot-rod' movement to provide an outlet for automotive interest in this area."

The organization has stringent rules governing its members, some of which are: Subject to losing membership for any major traffic violation or failure to co-operate with the law, participating in drag races in city or on any public road, or for use of "cut-outs or straights."

Similar clubs formed elsewhere have been effective in preventing juvenile delinquency, promoting safety and cooperation with officers of the law.

B. M. James has recently moved back from Winters to his farm on route 3.

All You Need for Child's Cough

"I taught Mother how to cook on our ELECTRIC RANGE!"

says Linda, 10 year old daughter of S/Sgt. and Mrs. Frank P. Stinchfield
1207 W. 7th, Roswell, New Mexico

"Since I attended the Girl Scout Cooking Class I helped convince Mother that we needed an electric range. The feature that I like best is the broiler, because you can fix a meal in a hurry. I also like the timer on our new range because it is the only clock that we can cook by. All the other clocks in our house tell a different time."

A REAL REDDY KILOWATT FUTURE HOMEMAKER

"Both Mother and Daddy are good cooks. I have shown Mother how to use lots of the features on our electric range. The thing she likes best about it is the broiler. She works part time so the automatic timer has been a big help to her and, of course, I showed her how to use it. I help Daddy make some of the desserts and his favorite recipe is doughnuts in the deep-well. Daddy likes the even heat that you can get on this range."

"I am working on my Girl Scout Cooking Badge and I do a lot of practicing at home. I have cooked before but this is the first time I have cooked on an electric range. It sure is lots of fun."

Methodist Men Hold Program

Tahoka Methodist Men will entertain their families at the December 13th meeting of the body, it was decided at Monday night's meeting.

The program will be arranged by Clint Walker, Rev. J. B. Stewart, and some lady yet to be named. The dinner will be prepared by "Hick" Gibson, Louie Weathers, Calloway and Maurice Huffaker, Maurice Bray, and Roy Edwards.

A variety program was presented Monday night. Musical numbers arranged by Mrs. E. W. Patterson included vocal solos by Gordon Smith and Johnnie Clem, a duet by the couple, and a piano solo by Ann Reasonover.

Alton Cain presented a very fine talk on "Thanksgiving."

The program was arranged by Bill Thompson and Johnny Reasonover.

Harold Green and Geno Jones prepared and served the meal (such as it was, members told The News.)

M. P. Garner was nominated as the incoming president of the Methodist Men.

If a driver wrecks you once, shame on him—If you let him wreck you twice—Shame on you.

New Lynn Club Names Chairmen

Thursday, Nov. 4, at 2:30 p. m. the ladies of the New Lynn Home Demonstration Club met in the home of Mrs. T. B. Mason.

A very interesting film on the "A. B. C's. of canning meats," was shown to the group by Miss Wanda Roach, Lynn County Home Demonstration agent.

Officers for the coming year had already been elected and the Committee Chairmen to serve with these officers are as follows: Year Book Chairman, Mrs. Newman Bartley; Finance Chairman, Mrs. Harold Smith; Consumer Education, Mrs. T. B. Mason; and Recreation and Exhibit, Education and Expansion Chairman, Mrs. Ira Vaughn.

The ladies have been baking and selling cakes and pies at the New Lynn Grocery Store and it was decided to continue this for another week.

Refreshments of cookies and punch were served the following members: Mmes. Newman Bartley, C. B. Terry, Harold Smith, T. A. Stone, Ira Vaughn, James Smith, G. A. Cawthorn and the hostess and three visitors, Mrs. Guy Smith, B. W. Barton and Mrs. Bernie Bingham.

Next meeting will be Nov. 18, in the home of Mrs. Anton Muel-

Tomlinson Bragg Rites December 2

Mr. and Mrs. Grover Tomlinson announce the engagement and approaching marriage of their daughter, Joy, to Jimmy Bragg, son of Mr. and Mrs. Cody Bragg of the West Point community.

The wedding ceremony will take place in the home of the bride's grandparents, Mr. and Mrs. J. L. Tomlinson, on Thursday, December 2.

WILSON GIRLS WIN TWO OVER NEW HOME GIRLS

The Wilson Girls' Basketball team played the New Home team Monday night in the Wilson High School Gym. The "B" team played the first game. They won with a score of 16-12. Wilson high point girl for this game was Frankie Benson with 11 points. New Home high point girl was Brewer with 7 points.

The "A" team game was a victory for the Wilson team. The score was 39 to 34. Wilson high point girl was Julia Benividez with 21 points and Kay Bohall was trailing close with 14 points for Wilson. Clem was the high point girl for the New Home team with 16 points.

Slow down at sundown unless you want to lie down—In a marble orchard.

MRS. NEIMAN HOSTESS TO HANDIWORK CLUB

Mrs. Willie Nieman Jr. was hostess to the Petty Handi-Work Club Monday afternoon at 2:30. Everyone enjoyed the meeting so much. Glorified glass painting was done.

Refreshments were served to Mmes. J. W. Schucknecht, Philip Hemmeline, Roy Blevins, Owen Blevins, Bill White, Jesse Hill, Jr. Merrit, W. T. Rogers, H. C. Hodges, and Miss Jackie Smith. Secret Pal gifts were exchanged and the grab bag gifts were passed.

The next meeting will be Nov. 22, with Miss Jackie Smith. Glass painting will be done.

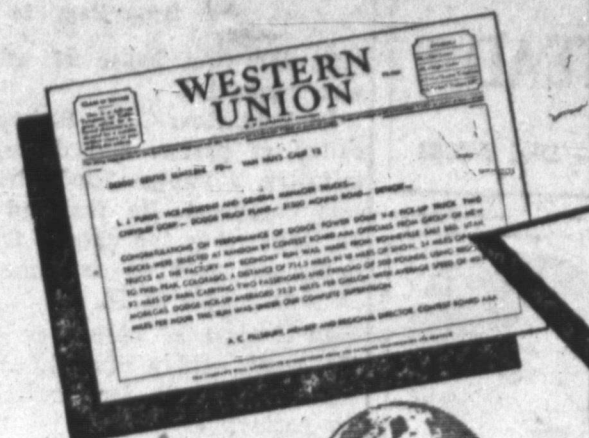

It's cheaper to hold out your hand than stick out your neck.

(Cont'd. from Page 1)

stay, the first house of worship
was completed.

In 1908, Rev. C. M. Bishop was
called as pastor, and during his
ministry, a Baptist Sunday School
was organized. He resigned July
18, 1909, with the church free of
debt, and with an enrollment in
Sunday School of 76.

In August of 1909, Rev. T. J.
McKenzie held a revival, and ac-
cepted the call for the church
as pastor.

In 1910, Rev. A. R. Tyson be-
came pastor. Later the same
year, Rev. J. R. Balch became
pastor, and organized a B. Y. P.
U. the following year, 1911.

Early in 1912, Rev. J. H. Vinson
of Post became pastor and served
until 1913, at which time Rev.
J. T. Nicholson became pastor. In
1915, Rev. W. J. Durham came to
serve as half time pastor. In Feb-
ruary of 1917, Rev. L. L. F. Par-
ker became the minister, and led
in building the first pastor's
home. In 1920, Rev. J. H. Hunt
became pastor and served less
than one year. Rev. J. M. Doshier
followed him serving until 1924.

Rev. B. N. Shepherd was called
then, and led in the building
of the basement of the present
church. The first service in the
basement was held on August 9,
1925, with a record attendance
of 200 present. When Bro. Shep-
herd resigned in 1929, the church
had 435 resident members, with
225 enrolled in Sunday School.

Rev. O. J. Hull came in 1930,
and served until his death two
years later. Bro. Lawrence Hays
succeeded him and ministered un-
til 1934.

In August of this year, Bro.
George Dale of Madill, Okla. was
called and began work in Sep-
tember. In 1937, work toward the
present auditorium was com-
menced, and it was completed in
1938 on September 18, at a cost
of \$40,000.00.

Rev. A. C. Hardin followed Bro.
Dale, as pastor and served until
1945, leading the Church in a
real evangelistic program.

Rev. Levi Price followed him
coming in 1945 and serving until
1948. The church had grown un-
til there were 819 members, with
650 enrolled in Sunday school.

Rev. C. T. Aly was called to
succeed Bro. Price. During his
ministry a beautiful four bedroom
pastor's home was completed at a
cost of \$16,000.00. During his pas-
torate, membership rose to 938.

Rev. Lee Ramsour followed Br.
Aly as pastor, coming in 1950.
Membership passed the 1000 mark
and S. S. enrollment rose to 685,
the pastor's home was paid for,
and the Sweet Street Chapel
building was constructed and paid
for, and work progressed on the
Mexican Mission. During these
years of prosperity, a high of
\$56,983.43 was given into the
church during 1951.

Bro. Ramsour resigned late in
1913 to accept the church at
Athens. On the last Sunday of
1953, Rev. Clifford Harris was
called as pastor, and moved to
Tahoka in January of 1954 from
Salinas, Calif. Despite the two or
three years of drought, the church
has good reason to give thanks.
In September, the membership
had reached 1072 mark even after
a large number were granted let-
ters to form the Sweet Street
Church. The Sunday enrollment
has increased until there is a
total of 72 enrolled. The month
of September showed an average
attendance of 443 with 403 of
these in the main school. The
Sunday School now has 15 depart-
ments, with 95 officers and teach-
ers serving through 46 separate
classes.

The new Educational Building,
along with the present facilities,
will adequately care for an at-
tendance of 500 to 600 pupils.
The church voted unanimously in
October to build this building
which will be 40x90 feet and of
two stories.

**Sister Mrs. Reid
Died Last Week**

Mrs. Helen Hartsell 25, who
spent three months here recently
with her sister, Mrs. Geo. M. Reid,
died Tuesday at her home in
Amarillo of a malignant disease.
She and her husband formerly
lived in Fort Worth, and her
body was taken there for burial
on Wednesday. Mr. and Mrs. W.
A. Reddell and Mr. and Mrs. Geo.
M. Reid and Marihelen, all of
Tahoka, and Mrs. Eva Jo Berkley
of Slaton, attended the rites.

Mrs. Hartsell is survived by her
husband, Dewey F. Hartsell Jr.,
a son, Don R., and a daughter,
Linda Kay; her parents, Mr. and
Mrs. Lee Harms of Paradise; and
two sisters and a brother.

Get wise, yoose guys! Nobody
cares how fast you made your
trip.

WHO NEEDS X-RAYS?

(An Editorial)

The goal of the county-wide chest X-ray program which
will be held November 26, 27 and at O'Donnell November 30, is
the X-raying of every resident 15 years of age and over, short,
and tall, thin and fat, puny and powerful—yes, even you who
say "I never had a sick day in my life."

Why X-ray the apparently healthy? Did you know that people
can look and feel well and still have tuberculosis? Did you know
that TB may have no outward symptoms in its early stage?
By the time the symptoms which we all recognize appear—loss
of weight, coughing, spitting blood—chances are the disease is in
an advanced stage, difficult to cure. Did you know that any
active case of TB can spread germs?

Whatever the outcome of a person's chest X-ray, he has noth-
ing to lose—everything to gain. If his X-ray is clear, he will know
his lungs are healthy. If tuberculosis is discovered, he knows
he can take steps toward checking the disease before his ill-
ness becomes more serious. X-ray program officials report that
the majority of cases found during such a project are in an early
stage. And the earlier tuberculosis is found, the easier it is to
cure and the quicker the patient can return to a normal, use-
ful life.

The X-ray is free, and no disrobing is necessary. It only takes
a few moments of time. Don't be one of the "apparently healthy."
Find out for sure.

Country Club . . .

(Cont'd. from Page 1)

approval of the Board of direc-
tors.

Since the T-Bar Country Club
s being built from these member-
ship fees, J. E. (Red) Brown, O.
C. Elliott, and others working on
the drive, request that everyone
interested sign membership blanks
immediately so that work can
progress on the country club lay-
out.

About \$5,000.00 in member-
ship fees had been paid in up to
Thursday. Many are holding back
on signing for one reason or an-
other, but leaders in the move-
ment declare work can not pro-
ceed unless those desiring to
join come in at an early date.

J. T. Forbes and Lynn Birdwell
of O'Donnell reported Thursday
morning they had checks from
16 members in that city, and that
they expected a number of others
to sign.

Fairways have been laid out
and were put in condition this
week for planting cover crop and
grass. Drilling of a water well is
expected to start next Wednesday,
and a bulldozer will be moved in
to start work excavating for the
grass greens.

Everyone interested in the T-
Bar Country Club is requested to
meet at the Legion Hall in Taho-
ka again next Tuesday night at
7:30 o'clock. This is a county-
wide proposition, and is open to
everyone.

Other improvements on the 125-
acre site already planned include
two airplane landing strips and
a Boy Scout camp area.

Officials and directors elected
at the meeting last week are:
Fruett Smith, chairman; Ray
Adams, Secretary; A. L. Holder,
director from Wilson; Kay Moore,
director from New Home; Jimmy
Forbes, director from O'Donnell;
Lester Storch, director from Ta-
hoka; and Mrs. Charles Verner,
director representing the ladies.

CARD OF THANKS

I wish to thank our friends
for the many kindnesses shown
during the long illness of my
sister, who died in Amarillo last
week. May God bless each of
you.— Mrs. Geo. M. Reid.

The smartest thing in new suits
this year is a courteous driver.

There he goes! Driving his fam-
ily to the hospital.

Cruising along at 75 is a fast
way to live but a hard way to die

Speed up your mind and slow
down your car.

THE NEWS

**Huddleston Is Now
In Germany**

VII Corps, Germany—Cpl. Wen-
dell Huddleston, 22 son of Mr.
and Mrs. William J. Huddleston,
Route 1, Tahoka, Tex., recently
participated in the VII Corps
maneuver "Westwind," a training
exercise using all of south central
Germany for its mock battlefield.

A photo interpreter in the 9th
Infantry Division, he entered the
Army in March 1953 and arrived
overseas last December. Corporal
Huddleston attended Texas Tech-
nical College in Lubbock.

CARD OF THANKS

Mrs. Luella Sayles and family
want to extend their grateful ap-
preciation to Dr. Prohl, Dr. Thom-
as, and the hospital staff for their
magnificent service, and to our
many friends for the floral of-
ferings, cards and letters sent
during my stay in the Tahoka
Clinic. May God bless each of
ou. Mrs. Luella Sayles and fami-
ly.

Smart drivers give their pas-
sengers freedom from fear.

He was just dying to see how
fast he could drive.

Slaton Tigers Fall To Bulldogs 26 To 6

SECOND SECTION
The Lynn County News

Tahoka Texas

November 12, 1954

Watch him go! He's carrying the mail to Heaven.

There is too much small change spending lives on our highways

Tahoka Bulldogs are again back on top in District 5-AA after defeating the Slaton Tigers 26 to 6 last Friday night in that city, but they still have to defeat the Spur Bulldogs, who come to Tahoka Friday night of next week, to win a clear-cut championship.

The charges of Coach Bill Halalson and Dean Wright, battered and bruised for several weeks, are idle this week end and may be able to get in fair shape for Spur.

End L. W. Castleberry who has an injured foot is definitely out for the remainder of the season. Halfback Tommy Franklin, who has an injured shoulder, may see limited action in the Spur game.

Quarterback Gordon Smith received a sprained ankle in the Slaton game, and Halfback Jerry Williams, has both knees injured, but they may be able to get in shape for Spur. Garland Huddleston, Don Reed, Bill Moore, and Frankie Jones are also still hampered by injuries.

However, in spite of the injuries, the patched-up first string, with fine help from the reserves, put up a great game against Slaton last Friday both on offense and on defense.

Offensively, the Bulldogs rolled up 373 yards net on running plays, attempted only one pass, and had 18 first downs. Set back by penalties and miscues in the first half, which ended 6-6, the Bulldogs came back in the second half to cinch a victory.

Meanwhile, Tahoka's line, out-weighted 152 to 180, stopped the much-publicized massive Slaton line cold, allowing the Tigers only three first downs, and opened

Statistics

5 for 65 Penalties, yds.	4 for 54

gaping holes for the Bulldog ball carriers. Slaton was held to a net gain of only 18 yards during the second half, and 66' of their 98 yards net in the first came on Fullback Ronald Smith's 66 yard touchdown run.

Gordon Smith had a great night, running for 149 yards on 14 plays, and scoring two TD's, one from 24 yards out and the other for 69 yards on one of the most beautiful jobs of broken field running, with the aid of some timely blocks, anyone could desire. Donald Blair reeled off 94 yards, including one TD, on 19 carries. I. V. J. Melton carried 19 times for 70 yards, intercepting two passes, kicked two extra points, and punted four times for a 39 yard average. Jerry Williams, injured early, made 35 yards on four carries, four times stopped the Slaton ball-carrier for little or no gain. Ted Pridmore carried six times for 25 yards, scored once. Halfback Lyndell Wood, playing in the fourth quarter, made 6 on two tries. Jimmy Harter did a fine job at quarterback during the last six minutes, after Smith's injury, but lost six on his only carry.

On defense, Ware High and Huddleston were tops with six and five tackles, respectively. Guy Witt and Jimmy Williams each came up with four, and Duane McMillan, Stanley Stone, Bill Moore, Ronnie Brooks, Larry Simons, Bobby Paris, N. E. Wood, Karl Prohl, and Frankie Jones were all in on key tackles.

The News is indebted to J. E. (Red) Brown, for the following running account of the game.

First Quarter

Melton kicked-off to the Slaton 15, and HB. Waymon Muse brought out to the 36. Muse made 3, a 15-yard penalty set the Tigers back to the 24. QB Wendall Akin's pass was incomplete, and Ronald Smith, fullback, made 6. (Smith carried the ball on 18 of Slaton's 26 running plays for 106 of his team's 116 net yards). On fourth, RE Tommy Shearer punted 40 yards to the Tahoka 30.

Melton made 6, Blair 17, Williams 4, Melton 5, Smith 3, Melton 5 to the Slaton 20, but here Tahoka drew a 15 yard holding penalty and on the next play another of 15 yards back to the Tahoka 40. Melton made 2, then Slaton covered a Tahoka fumble on the Tahoka 33.

On the second play, Huddleston covered a Slaton fumble, but Slaton covered a Tahoka fumble on the T 41 on the next. Tigers made 4 yards on two plays, a pass was incomplete, and Shearer's punt went only 8 yards out of bounds.

Tahoka started its 71-yard touchdown drive. Williams went for 23, Blair 9 on two plays, Smith 3, Blair covered a Tahoka fumble on the Slaton 37 and went 6 yards on the next play. Melton carried to the 24. Then, on a keeper play Smith faded around left end, cut to the right in the secondary, and with good down-field blocking went over to score, with one minute left in the quarter. Melton's kick was no good.

Second Quarter

Muse took the kick-off from the 15 to his 39, one play failed to gain, and Slaton drew a 5-yard penalty back to the 34. The Tigers went into a spread, and on a keeper Smith went around his right end, and traveled 66 yards behind perfect blocking for Slaton's lone touchdown. Shearer's place kick was no good. Score 6-6.

The world's greatest builder of V-8's presents

THE TOTALLY NEW '55 FORD!

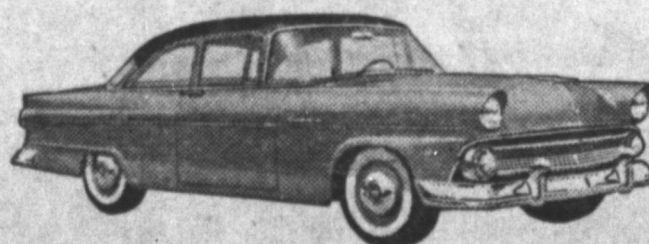

ON DISPLAY TODAY!

with styling inspired by the Ford THUNDERBIRD

New FAIRLANE Series... The new Club Sedan, like all six models in Ford's new Fairlane Series, features the new wrap-around windshield, new luxurious interiors and wide choice of stunningly new, single and two-tone exterior colors.

Longest, Lowest, Roomiest...most Powerful ever built!

New CUSTOMLINE Series... The Tudor Sedan (above) and Fordor offer a wide selection of new color and upholstery combinations. Like all '55 Fords, they have a new wider grille, new visored headlights and sturdier, extra-narrow pillar-posts for better visibility.

New STATION WAGON Series... The new 6-passenger, 4-door Country Sedan (above) is one of five new 4-door beauties. There's also an 8-passenger Country Sedan, an 8-passenger Country Squire and a 2-door, 6-passenger Ranch Wagon and Custom Ranch Wagon.

We invite you to see for yourself. And we tell you in advance you'll be amazed. For this new Ford is totally new—outside, inside, and in thrillingly different performance.

The long, low lines of the Thunderbird were its styling inspiration. Inside, you'll be greeted by rich, roomy luxury... by fabrics never before offered in a motorcar.

Mighty engines, mightier than in any Ford before—supply its exciting power. And each of Ford's three new engines offers the safe, split-second response of Trigger-Torque Power.

Your ride will be up to 15% smoother. Best of all, you'll find your kind of car, for there are 16 body styles in four fresh new lines.

When you come in, don't be surprised if you tell yourself: why look farther—why delay—you just can't buy better than Ford.

New MAINLINE Series... Each of the three Mainline beauties offers the same engineering advancements, the same graceful contours and clean lines that distinguish all '55 Fords. Fordor Sedan is illustrated above.

EXCLUSIVE TRIGGER-TORQUE POWER IN 3 MIGHTY ENGINES

1. 162-h.p. Y-block V-8
2. 182-h.p. Y-block Special V-8
3. 120-h.p. I-block Six

(1) The new 162-h.p. Y-block V-8 has a higher (7.6 to 1) compression ratio, greater displacement. And, like all '55 Ford engines, it has Ford's famous deep-block build... short-stroke design.

(2) The new 182-h.p. Y-block Special V-8 (offered in combination with Speed-Trigger Fordomatic on Fairlane and Station Wagon models) features 4-barrel carburetion, dual exhausts and extra-high (8.5 to 1) compression ratio.

(3) The new 120-h.p. I-block Six has a new higher (7.5 to 1) compression ratio. It's the most advanced six-cylinder power plant in the industry.

ALL WITH TRADITIONAL FORD ECONOMY

PLUS ALL THESE OTHER BRAND-NEW WORTH-MORE FEATURES

- ★ New Speed-Trigger Fordomatic Drive
- ★ New Turbo-Action Spark Plugs
- ★ New 10% Larger Brakes
- ★ New Tubulon Tires
- ★ New Angle-Peaked Ball-Joint Suspension (Fordomatic Drive optional)

GETTING STRAIGHTENED OUT?

Many people are now settling up their accounts and getting their finances straightened out—an excellent and necessary practice for everyone in order to keep a sound credit and our country in good shape. We are glad to advise with you on your financial problems.

The First National Bank

of Tahoka, Texas

MEMBER OF F. D. I. C.

of that day, Dr. Luke apparently resorted to that form of figurative language which modern Rhetoricians call Hyperbole, another word for Exaggeration which is used not to deceive any one but merely to emphasize the truth being recorded. When he described those present in Jerusalem that day as consisting of "devout men out of every nation under heaven," he probably did not mean to include Japanese, Chinese, Burmese, Filipinos, American Indians, Esquimaux, Hotentots and Bushmen from the jungles and deserts of Africa, or from heatien nations covering the large part of the earth's surface. Those he mentions as being present were inhabitants of the countries surrounding the Mediterranean sea, or the vast stretches of Mesopotamia in southern Asia.

Of the fifteen or more countries and provinces which he mentioned by name, the very first one was Parthia—which would indicate that it was either a land of much importance or which was represented by many citizens visiting in Jerusalem at that particular time. But how many of you Church people who have read the story of Pentecost scores of times know anything about these Parthians mentioned by Dr. Luke? Who were the Medes? The Elamites, the dwellers in Cappadocia? In Pontus? In Phrygia and Pamphylia? In Lybia and Cyrene? In Crete, and in Arabia? What purpose did the Holy Spirit have in enabling the Galileans to preach the gospel to all these strangers from other lands who happened to be in Jerusalem on the day of Pentecost. If all of them had believed and had become evangelists for Christ, to what extent would that probably have changed the history of the world. What countries of today probably would still be feeling the impact of such a wide-spread missionary crusade? Suppose we look into the matter a bit.

Since Parthia no longer exists as a nation or a distinctive people and since we find so little about it in our histories, it is not strange that we do not know and never suspect that for hundreds of years it was one of the powerful nations of the world, even rivaling Rome at one period of its history. Like almost everybody else, I have heretofore known very little about Parthia or the Parthians, but recently I got wondering about them and read up on them a little in Peloubet's Bible Dictionary and the World Book, an excellent encyclopedia for Public Schools and Colleges.

Parthia was a mountainous country situated just south of the Caspian sea and east of Turkey. It varied greatly in extent during the approximate 500 years of its history. For much of this time Parthia was practically co-extensive with the present, recently constituted country known as Iraq, which is now much in the limelight on account of its rich oil fields, which both Russia and the allied free countries of Europe and America hope to control. At one time Parthia stretched its territory from the Tigris River to the western limits of India. It embraced much of the entire land known as Mesopotamia, the land of the Tigris-Euphrates River Valley, extending from the heart of the mountains on the north to the western limits of India. It em-

braced much of the entire land known as Mesopotamia, the land of the Tigris-Euphrates River Valley, extending from the heart of the mountains on the north to the shores of the Persian Gulf on the south. But that was a long time ago. Parthia, which had become an independent country in 256 B. C., lost its independence and its identity as a separate and distinct people during the third century A. D.

There was much fertile land and much irrigable land in the realm of the Parthians, which grew grains of various kinds and even some cotton. We imagine that a Texas farmer, with farm tractors and other modern farming equipment could have converted much of Parthia into a garden spot; but the Parthians were not agriculturally minded. They raised a few cattle—all Brahma and long-horns, no doubt—but in the hot summer months they preferred to lie up in the shade and take it easy. When the weather became pleasant or cold they went on the war-path. They fought with bows and arrows, according to the World Book, and became expert archers. In fact, they seem to have become the Comanche and Apache Indians of Central Asia.

Right here, I want to quote from the World Book a bit. "The Parthians were of Turanian stock" the World Book says, "of the same race as the Huns, Bulgarians, and

attained that the warrior could use his weapon with ease and effectiveness whether his horse was stationary or at a gallop, advancing or retreating. Since his object was to keep constantly in motion before the enemy, he would ride backward as if in retreat, after he had discharged an arrow, in order to gain time to adjust another arrow to the bow."

Say, folks, this World Book historical sketch of the Parthians is becoming so interesting that I believe I will give you the rest of it. Here it is, beginning far back of where I began:

"The Parthians maintained their independence from the time of their settlement in the district to the sixth century B. C., when Cyrus, the great Persian conqueror, took the country and organized it into a satrapy, or principality, under Darius Alexander the Great included Parthia in his conquests, and following his death, the country became a part of the kingdom of Syria, founded by Seleucus.

this column of a newspaper event which was announced last week and which brings a pall of sadness over my soul. The death of a newspaper that has long rendered valuable service to its community and county is much like the death of a friend. Well, the Terry County Herald, as a separate and distinct publication, has quietly passed out of existence. Its owners, Jack Stricklin and Son, have sold the paper to the Brownfield News publishers, and the two papers have been combined. For many years, Jack Stricklin has conducted a very unique Column in the Herald, and we understand that he will continue to conduct this column in the News. That will be some consolation to Jack's former subscribers, for the

Brownfield News has grown to be an excellent newspaper, one of the best on all the South Plains, but Jack has given the Herald a character and personality all its own, and its weekly visits in the homes of hundreds of Terry County people will doubtless be greatly missed.

Andrew Jackson Stricklin, a native Tennessean, came to Brownfield in 1901, where the town was little more than an impassable sand-bed. The Terry County News had just moved from Gomez to Brownfield, and Jack went to work for the news paper. He bought the paper in 1909. For most of the years since he has been assisted by his wife. Jack Junior grew up in the Herald Office and a few years ago

Mustangs Lose First Game

The Mustangs lost their first game in 4-B district play Friday to the Meadow Broncos, 26 to 21.

Jimmy Schneider and Quarterback Daniel Verkamp led the Mustangs, but despite runs of 30, 50, and 31-yards by half back Schneider and the completion of 12 of 18 passes by Verkamp, the Mustangs failed to rack up the victory.

Meadow opened the scoring spree, sending Halfback Dale Andrews on a 35-yard run into paydirt in the initial quarter. Fullback Larry Lockett kicked the extra point. The Broncos made another point when Joe Longly plunged two yards to finish a 30-yard drive.

Schneider and the Mustangs took the lead, as the hard-running Halfback Schneider went 30-yards and 50-yards around end. Verkamp passed to Javan Schneider for the extra point.

Wilson lengthened their lead in the second canto when Jimmy went 31-yards and then ran the extra point.

The Broncos were not to be held back. Quarterback Manuel

became associated with his father in the publication of the Herald. The Stricklins sold the newspaper but did not sell the plant.

Our sympathy goes out to the kids as well as to most of the grown folks of Terry county who will hereafter miss the weekly visits of the Herald in their homes.

Please continue to tell us, Jack, about them thar trips that you make nearly every year back to the old worn-out hills of dear Old Tennessee.

The Lynn County News, Tahoka Texas

November 12, 1954

Garcia ended a 50 yard drive with a three yard plunge in the third, and Longley got loose for a 70-yard run in the final period, then kicked the extra point.

The outstanding lineman for Wilson was tackle Alton Hobbs. This Brought the district standings to two wins and one loss for Wilson and three wins and no

losses for Meadow. The scores at the end of the game were 26 to 21.

Let's stop kidding ourselves — Speed is the common denominator of all traffic accidents.

A (me-first) driver wears his halo cocked over one eye.

*Come in and See
the All-New '55 Pontiac*

with the 180-HP Strato-Streak V-8!

INCOMPARABLE ALL-NEW ROADABILITY

Pontiac's all-new roadability starts with a long wheelbase. Its all-new chassis provides a heavier, more rigid frame; all-new front suspension and new wider-spaced parallel rear springs provide road-hugging stability so greatly advanced you'll notice the welcome difference the moment you take your first drive. You'll get a lullaby ride on any road in this big, solid car with every worthwhile comfort advancement of the year.

SENSATIONAL ALL-NEW STRATO-STREAK V-8 PERFORMANCE

Here's an engine so responsive, so alert it almost anticipates your demands for getaway and passing power. But most important, here's an engine so thoroughly proved that it will make even more enviable Pontiac's famed reputation for dependability, long life and economy. Three and a half million miles of testing stand back of Pontiac's all-new perfected 180-horsepower Strato-Streak V-8.

DARING ALL-NEW FUTURE-FASHIONED STYLING

Pontiac's brilliant new styling steps you years ahead in a single bold move. From its "dream car" front end with its twin silver streaks to the new upswep rear fenders, Pontiac for 1955 is far and away the most-distinctive car on the road. Its long, low lines are a visual complement to its spectacular performance.

BEAUTIFUL ALL-NEW PANORAMIC BODY

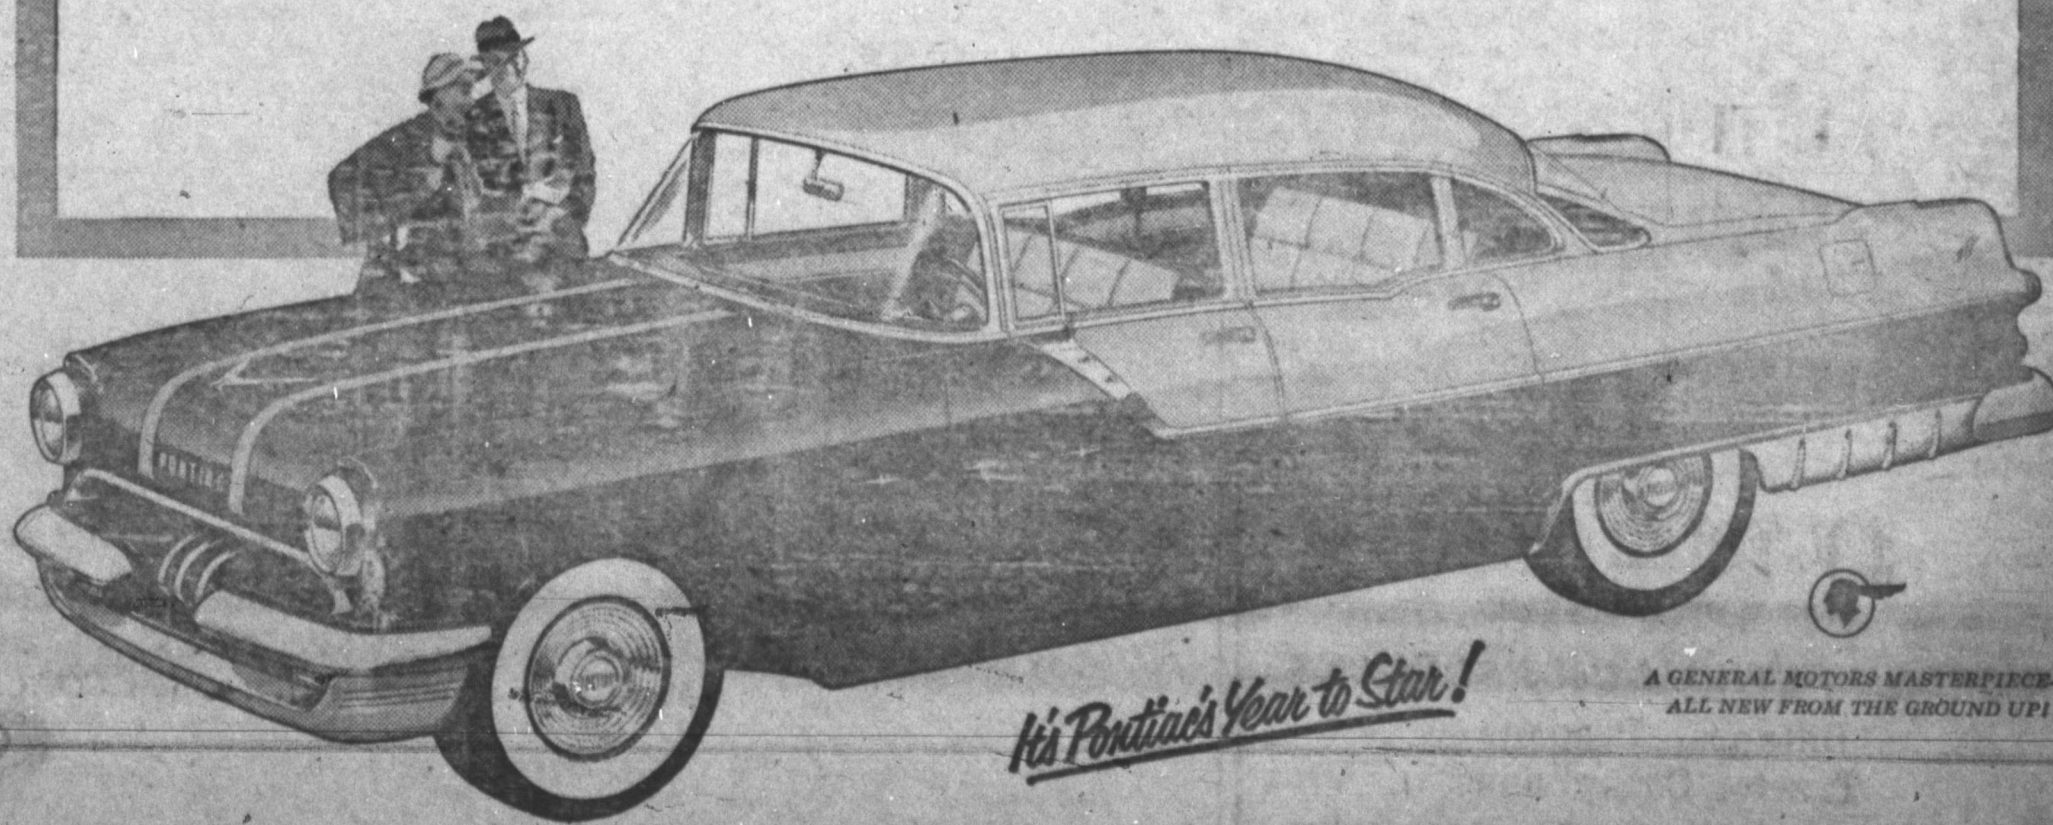

Lower, wider, roomier, Pontiac's new panoramic body provides sweeping vision all around, with new panoramic windshield and extra-wide rear window. Front seats are three inches wider and, despite a roof line almost three inches lower, there is no sacrifice of head room. Underneath this dramatic new beauty and comfort is the rugged safety and quiet of incomparable Fisher Body construction.

ALL-NEW HANDLING EASE

New vertical king-pin front suspension and new recirculating ball steering let you take corners and curves almost effortlessly—cushion road shock so effectively you experience a new driving sensation. Bigger brakes stop you surely and quickly.

EXCITING ALL-NEW INTERIORS

Never has a car priced so low extended so exciting an invitation to relax amid so much luxury. Pontiac's all-new interiors—with fabrics and leather keyed to the Vogue Two-Tone body colors—are unsurpassed for beauty at any price.

It's Pontiac's Year to Star!

A GENERAL MOTORS MASTERPIECE—
ALL NEW FROM THE GROUND UP!

Football...

(Cont'd. From Page 1, Sec. 2)
Smith brought Slaton's kick-off from the 5 to the 32, three plays made 5 yards, then Melton punted 43 yards to Slaton's 20, where End Jerry Don Ross took the ball and lost five to the 15. Tiger's Smith made three, then Akin passed 11 yards to Shearer for Slaton's second first down of the game. Three more plays netted 4 yards, and Shearer punted 37 yards to Tahoka's 20. Williams and Melton made it a first on the 42, and then Tahoka tried its only pass of the game, incomplete. Blair moved up to the 47, and Melton punted 30 yards out of bounds on the Slaton 23. Four plays for Slaton netted 9 yards, and then Shearer got a way a beautiful 56 yard punt to Tahoka's 12, which Smith brought back to the 27. His run-back was nullified by a Tahoka clipping penalty back to the 5, but Smith came right back on a 14 yard gallop, and Melton, Blair and Smith alternated in carrying to the Slaton 30 on four first downs as the half ended. The Bulldogs had rolled up 11 first downs to Slaton's 2 but the score was 6-6.

Third Quarter

Melton brought the kick-off from the 5 to the 20, Pridmore and Blair Picked up a total of 14 yards, but had to make up a 5-yard penalty, and Melton kicked 44 yards from the 24 to Slaton's 32. Here, Slaton made its other first down on carries of 5 and 6 yards by Smith, but the Tigers bogged down on their 49, a pass for a 5-yard loss being included in the drive, and Shearer punted 31 yards to the Tahoka 20, and Tahoka's Smith brought it back to the 41. Then Slaton drew a 15 yard penalty, two plays later Tahoka was set back by a 15-yard penalty to its 41, Smith made 10 on two carries, and then Melton punted 39 yards to the Slaton 10, with the Tiger Smith bringing to the 21. Three plays netted 8 yards, and Shearer punted 50 yards to Tahoka's 20, with Melton bringing to the 23. Pridmore made 8 to the 31.

Then, there appeared to be a mix-up in Tahoka's backfield, QB Gordon Smith seemed to be hemmed in for a loss, but he evaded a bunch of charging Tiger line-men, went up the middle, side-stepped some more tacklers, cut to the left as Tahoka blockers formed down field, weaved and cut to the left sideline, and when he appeared to be hemmed in a gain by two Tigers on the 20 cut to the right and went all the way. Melton's kick was good and Tahoka led 13 to 6 with 2:37 left in the quarter.

On the kick-off Slaton's Smith brought back 6 yards to the 36, but fumbled and Huddleston recovered to set up another quick

Tahoka score. Blair and Melton ate away yardage down to the 9.

Fourth Quarter

Then on a line buck Blair made four and the next carry went over for Tahoka's third score. Melton's kick was again good, and Tahoka led 20-6.

The Tigers' back was broken, and three plays after the kick-off Melton intercepted a pass on the Slaton 38 and carried down to the Tiger 29. Four running plays lost 2 yards, and Gordon Smith was hurt, Tigers taking over on their 31. On their first play, Witt and Stone broke through to smear Tiger Smith for a 16 yard loss to the 15. Then, Slaton drew a penalty back to the 1. One play moved out to the 3, a pass was incomplete, and Shearer got away another booming 56-yard punt to Tahoka's 41.

With little Jimmy Harter the man-under and Lindell Wood and Pridmore in the backfield, Tahoka moved down to the Slaton 19, but fumbled and Shearer covered for the Tigers on their 14. Tiger Smith lost one, and on the next play, Melton intercepted another Tiger pass on the 28 and carried the ball to their 17. Pridmore Wood, Melton, and Blair moved down to the 1, from which point Pridmore went over right guard to score with only three seconds left. Score 26-6.

The game ended on the kick-off with Smith returning 10 yards.

In no place does a passenger have less control of his life than in an automobile.

Wilson News

MISS JUANITA MURRAY Correspondent

The Rev. and Mrs. Lynward Harrison and son visited in the home of their daughter and son-in-law, Mr. and Mrs. Weldon Newton and family of Tye, over the weekend.

Miss Mary Alice Hanes was Sunday dinner guest in the home of Miss Othelda Freeman of Tahoka.

Mr. and Mrs. Robert Maeker and family of Lubbock were Sunday visitors in the home of Mr. Maeker's parents, Mr. and Mrs. R. J. Maeker.

Mrs. Foch Staley of Cleburne visited in the home of Mr. and Mrs. T. T. Barger and daughter over the weekend.

Mr. Bud Young of Roswell is visiting in the home of his parents, Mr. and Mrs. Hub Young. Mr. and Mrs. Glen Ward and family visited in the home of Mr. Ward's mother, Mrs. Minnie Ward of Slaton.

Troy Bullock visited in Leveland over the weekend in the home of Jimmy Payne. Jimmy returned home with Troy Sunday for Sunday dinner and afternoon visit with Troy's parents, Mr. and Mrs. C. K. Bullock.

Miss Onita Ehlers and Miss Joyce Hoffmann both of Texas Lutheran College at Seguin visited with relatives over the weekend. Miss Ehlers visited with her parents and brothers and sisters, Mr. and Mrs. Herbert Ehlers and family. Miss Hoffmann visited her brother and family, the Rev. and Mrs. Malcolm Hoffmann.

Mr. and Mrs. Curley Sloan and family visited in the home of Mr. Sloan's brother and family, Mr.

and Mrs. J. R. Sloan, Jr. and family of Evans. They also visited in the home of Mrs. Sloan's cousins, Mr. and Mrs. J. A. Hendrix of Hico, over the weekend.

Mr. and Mrs. D. E. Evans of Dimmitt visited in the home of Mrs. Evans' parents and sister Mr. and Mrs. T. T. Barger and Raynette.

Marvin Hagens, now discharged from the Navy and Junior return to Albuquerque after a Special Air Force Training School at St. Louis, are both home visiting their parents and sisters, Mr. and Mrs. Arthur Hagens and daughters.

The hearty maple-y flavor of Karo adds extra goodness to every bite

Buy
KARO WAFFLE SYRUP
in the handsome
full quart decanter!

1 1/2-pound and 3-pound bottles
... 5-pound cans

It's got a "V" in its bonnet—
or your choice of two new sixes!

The motoramic Chevrolet for '55

Great new 8

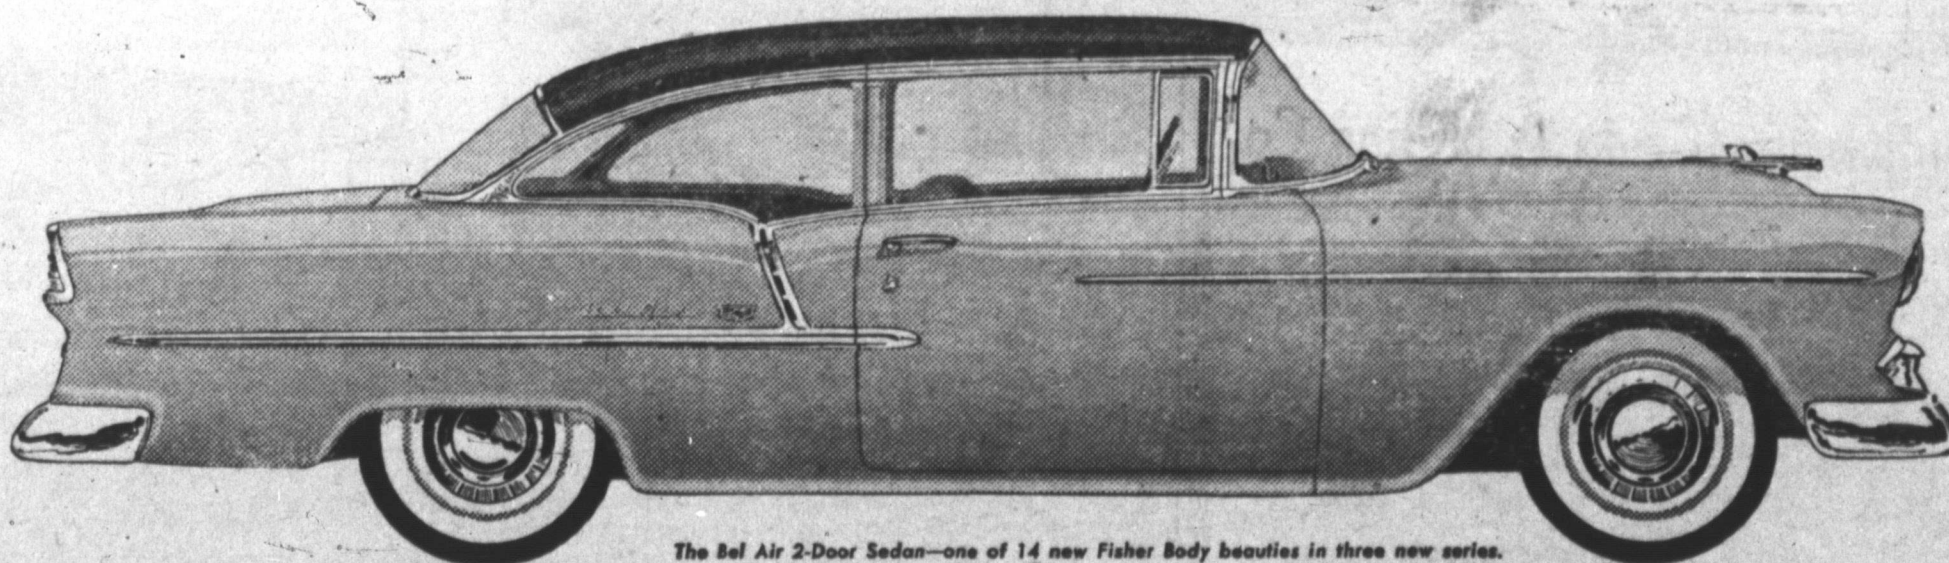

Two new 6's 6

It's the valve-in-head V8 as only
the valve-in-head leader can build it!

You'd expect Chevrolet to out-V8 the field—and it has! Chevrolet's new "Turbo-Fire V8" puts a brand-new kind of excitement under your foot. The excitement of 162 horsepower! The excitement of an 8 to 1 ultra-high compression ratio that squeezes more pure fun out of a gallon of gas than you ever dreamed possible! The new "Turbo-Fire V8" is so wonderfully efficient that it requires only four quarts of oil instead of the usual five or more. And it has the shortest piston stroke in the low-price field, for longer engine life. But we can't even begin to give you the whole story here. Come in and let the new "Turbo-Fire V8" speak for itself. You'll like what it has to say!

With enough new advances
to fill a book!

Chevrolet offers two new highstepping sixes for 1955! There's the new "Blue-Flame 136" (teamed with Powerglide as an extra-cost option) and the new "Blue-Flame 123." Both bring you new, higher-rated power—the zippy, thrifty high-compression kind. Both have new, more efficient cooling and lubrication systems... new engine mounts that result in almost unbelievable smoothness. And, like the new "Turbo-Fire V8," both are sparked by a new 12-volt electrical system for finer performance and faster cold-weather starting. All in all, they're the liveliest, smoothest sixes Chevrolet ever put into a passenger car. As you know, that covers a lot of territory. And so will you—with either of these two new sixes!

The Bel Air 2-Door Sedan—one of 14 new Fisher Body beauties in three new series.

More than a new car... a new **CONCEPT** of low-cost motoring
(and much too good to miss driving!)
