Walker Says Offensive To Get Underway Soon

Engineer Tells His Story Of Train Wreck

PITTSBURGH, Sept. 13. (AP) — A spare, graying Pennsylvania railroad engineer testified today he was trying to make up time when his crack passenger train rammed the rear of a troop train, killing 33 National Guardsmen.

William Eller, 65-year-old engineer of the Pennsylvania's "Spirit of St. Louis," testified in near whispers at opening of an investigation into the fatal Ohio crash by the Interstate Commerce Commission, the railroad, the Ohio Public Utility Commission and the Army.

LATE

Eller testified he was 29 minutes late leaving Pittsburgh and had lost another minute en route. He said visibility at the time of the wreck in the pre-dawn hours Monday was restricted because of fog. The crash occurred near Coshocton, Ohio.

The veteran engineer told how he reduced speed but "not enough" at the first approach block before the stalled troop train.

Eller guessed his speed at the time at 50 miles per hour. ICC regulations require that speed be reduced to 30 miles an hour at an approach block so the train can come to a complete stop at the next stop and proceed sign.

The engineer testified he did not apply his service break until he reached the stop and proceed signal near the crash scene. He said he did not apply his emergency until he passed the signal.

Maturing the Hard Way

Grim battle experience is reflected in the youthful face of Pfc. William McLendon, Columbia, S. C., who is shown taking a breather near the Masan sector front on Korea's southern defense perimeter. The 25th Division infantryman had just taken part in a tough hill battle against the Reds.

Thunderstorm Brings .15 of Inch of Rain

After almost a week of sunshine, Snyder skies grew cloudy about sundown last night, bringing .15 of an inch of rain from then until 7:30 o'clock this morning, according to the reading of Mrs. D. P. Stayhorn, official weather observer.

This brings the total rainfall for the month to 3.46 inches, which is .98 of an inch in excess of the average total for the entire month of September.

Total for the year to date is 19.03 inches, 3.46 inches more than the average total through September.

Marshall Will Take Over Top Defense Post

(By The Associated Press)

WASHINGTON, Sept. 13.—George Catlett Marshall, soldier by profession and diplomat by experience, is headed back to the Pentagon to become secretary of defense.

President Truman turned to the 69-year-old, five-star general and former secretary of state to replace Louis Johnson.

Johnson, bowing to presidential will and the "enemies I have acquired during the 18 months I have served as a member of your cabinet," submitted his resignation yesterday. Mr. Truman accepted it with official regret—but with alacrity.

TWO VACANCIES

Suddenly, in a single day, there were vacancies pending in the two top civilian posts of the huge and complex national military establishment.

For what appeared to be entirely personal reasons, Stephen Early resigned as deputy secretary. He had remained well past the year's leave granted him by the Pullman Standard Car Manufacturing Co., so that he could return to government work. None of the criticism that had welled up around Johnson had touched Early.

Johnson, in his resignation letter, said that Marshall was a "man of such stature that the very act of naming him to be secretary of defense will promote national and international unity."

LEGAL HURDLE

The President heartily agreed, and most congressional leaders expressed accord, but there was a legal hurdle.

The law which created the unified Defense Department contains a clause prohibiting the appointment as defense secretary of any man who within 10 yeas has been on active duty as a commissioned officer of the armed forces.

Marshall left the Army as chief of staff soon after the end of World War II in 1945. In fact he still is on active duty under the provisions of the law creating the special five-star rank.

Congressional leaders thought they could get quick action on an amendment to the law to clear the way for Marshall's appointment.

Marshall, who has taken orders all his life, accepted Mr. Truman's request to come back, for the third time, to the pressures and urgencies and demands of Washington official life. From his Leesburg, Va., home the general told reporters the President asked if he would accept the defense post and that "I told him I would."

Texas Democrats Showing Rare Middle Of The Road Harmony

By DAVE CHEAVENS
(Associated Press Staff)

MINERAL WELLS, Sept. 13. — Texas Democrats were lined up with rare unity today behind Gov. Allan Shivers on what he wants to be a harmonious middle course.

Many deserting Dixiecrats of 1948 were back in the party, pledged to support its nominees—at least in 1950. The new executive committee included some former states righters and some hold over liberals.

But most of all is was a carefully handpicked Shivers committee. Its acts for the party—and for the governor—between conventions.

There was a long, bitter convention committee struggle for places but it never erupted on the convention floor.

GOVERNOR'S SHOW

Early in yesterday's convention, the governor seized control by a whopping majority. After that, despite the flurry in the party officers' committee meeting, it was altogether a Shivers' show.

Not only is the new executive committee made up mostly of his friends, but of conservatives, Shivers lined up with this group to take over control of party affairs. Two years ago, the late Gov. Beauford H. Jester turned the trick with a liberal coalition group.

The convention named J. E. Wheat of Woodville, long time friend of Shivers, as executive committee chairman to succeed John C. Calhoun of Corsicana, who retired.

Wheat had been secretary. To succeed him, the convention elected Rancher-Banker Judd Stuart of Strawn.

Mrs. Claude Hudspeth of San Antonio was re-elected vice-chairman.

OPPOSE TAX

The convention adopted a platform opposing a general sales tax and an income tax. It advocated caution in state spending and said if new money has to be raised, the tax burden should be equitably distributed. It also approved a resolution urging a state law to make Communists register and carry "suitable identification" under penalty of "death or lesser penalty as a Texas jury may prescribe."

The platform re-stated the principles on which Shivers won the Democratic nomination: Conservation of the state's human resources, its soil and water resources, and funds. The platform also called for orderly development of water resources, with federal aid if necessary, but without federal control.

Korea News in Brief

(By The Associated Press)

8th Army Headquarters: Lt. Gen. Walton H. Walker announced U. S. troops "very soon" will take offensive and says enemy "will fold."

Northeast front: U. S. 24th Division task force under former West Point star snaps trap on 3,000 Reds. South Korean troops continue advance north of Kyongju-Yongchon road.

Northwest front: Give-and-take fighting continues northwest of Taegu. U. S. First Cavalry division attacks hill position.

Southwest front: U. S. artillery pushes back two Red attempts to take high positions.

Biggest Gains In 3 Weeks Made By U.S.

Threat On Pohang Air Field Lifted As It Is Termed 'Secure'

By LEIF ERICKSON
(Associated Press Staff)

TOKYO, Sept. 13. — Allied troops got word today that they will kick off on the offensive soon against the big Red Korean war machine they have battled to a standstill for a month.

Lt. Gen. Walton H. Walker, allied ground commander in Korea, said in a fighting talk to his front-line troops:

"Soon we are going to give up the attitude of defense . . . as soon as we start forward and break the crust in front of us, the enemy will fold.

"We can feel a weakening of the enemy now . . . in some positions they actually are pulling out."

NEEDED TIME

The U. S. Eighth Army commander described the long weeks of delaying action as necessary "agony and suffering."

Only through such an ordeal, he said, could the allies build up power for an offensive.

Walker's fighting talk came as allied troops flattened the Red Korean bulge on the northeast front in a triple-threat power drive.

The United Nations gains in a three-day offensive were the greatest in nearly a month. They sealed much of the gap torn last week by Communists in their massive breakthrough south from Kigye near the east coast.

Resurgent South Korean troops, driving east from Yongchon and northwest from Kyongju, rolled back the Communists.

SEAL TRAP

To the east, a mixed force of South Koreans and Americans rammed shut the southern gate of a mountain corridor, trapping 3,000 Red Koreans.

Along the 125-mile allied defense perimeter, this was the picture:

Pohang - Yongchon sector — "Task Force Davidson" closed a three-mile gap between Angang and Pohang. From the west, the South Korean Eighth Division thrust three-fourths of the way to Red-held Angang. It has punched 12 miles in three days. A South Korean regiment drove northwest from Kyongju to close this last gap. Reds dug in on Hill 343 southwest of Angang were resisting fiercely.

TAEGU AREA

Taegu sector—U. S. First Cavalry Division elements attacked a strongly-fortified hill eight miles north of Taegu. This was in the immediate area where they stormed and won a hill Tuesday at heavy cost. Other units seized high ground north of the Waegwan area, a few mile west. The Reds pushed foot troopers off an important peak nine miles northwest of Taegu.

Changnyong sector — All quiet.

Masan sector — American big guns wiped out 200 Red Koreans as they stormed a dominant peak four miles south of the Nam-Naktong River junction. U. S. 25th Division engineers battled 300 Reds who had infiltrated the line. Air support was called to help wipe out the pocket.

The triple-pronged drive on the northeast front lifted a threat to Pohang airport and eased a situation that was considered "desperate" only nine days ago.

PLASTER ALLIES

On the east coast, the Red Korean Fifth Division still plastered allied defenses around Pohang airport with mortar fire. The field w called "secure" by an American spokesman but only emergency flights to evacuate wounded were permitted.

Before typhoon weather socked in the battlefront, U. S. Fifth Air Force fighter destroyed three and damaged three Yak fighters at Pyongyang airfield in North Korea. They destroyed three Yaks and damaged one at the field Tuesday.

The Red Korean Pyongyang radio said the Communist troops smashed allied forces in the Pohang-Angang area and on the southwest front.

Senate Group Asks Contempt Count on Trio

WASHINGTON, Sept. 13. (AP)—The Senate Foreign Relations Committee voted today to ask the Senate to cite Communist Leader Earl Browder, Frederick Vanderbilt Field and Philip Jaffe for contempt of Congress.

The three were involved in an investigation by a foreign relations subcommittee into the charges by Sen. McCarthy (R-Wis) that Communists had infiltrated the State Department.

A resolution requesting contempt proceedings was adopted by a 9 to 0 committee vote. Chairman Connally (D-Tex) told reporters after a closed meeting.

He said he hoped to get Senate action on it before Congress adjourns or recesses.

The contempt move stemmed from the refusal of Browder, Jaffe and Field to answer questions during the subcommittee inquiry.

Scurry Representative Named To Democratic Executive Committee

C. T. McLaughlin yesterday was elected committeeman from the twenty-fourth legislative district to the state Democratic executive committee, the first representation Scurry County has had on that body in many years.

The committeewoman elected from this district was Mrs. Bryan Bradbury of Abilene, who is just completing her first term on the committee.

McLaughlin was elected by acclamation in the caucus of the district delegation held yesterday afternoon during the Democratic convention in Mineral Wells, Tex. The Snyder man succeeds Courtney Hunt, mayor of Haskell.

Contrary to the report in yesterday's Daily News, the Scurry delegation did not vote with the majority to seat the Harris County delegation, but voted with the minority to reject the delegation from Harris County.

Those attending the convention from Scurry County included Frank Sentell, chairman; Edgar Taylor, county judge; Bob Davie, Mat Bavousett, Haskell O. Beard, county chairman, and McLaughlin.

Provisions Of Anti-Red Bill

(By The Associated Press)

WASHINGTON, Sept. 13. (AP)—A bill aimed at stifling Communist activities all along the home front headed today for a Senate-House conference as the first step toward a pobable veto by President Truman.

It received an overwhelming 70 to 7 vote of approval in the Senate late yesterday after a day of hectic and often confused maneuvering that eventually welded two opposing measures into one.

PROVISIONS

Briefly the bill provides for:

1. The internment of dangerous Reds in time of war, invasion of insurrection.

2. Registration of Communist and Communist front organizations.

3. Barring Reds from government jobs and obtaining passports.

4. New legal curbs on sabotage and espionage.

5. New weapons to be used to exclude and deport aliens considered to be subversive.

6. Outlawing conspiracies to set up a "totalitarian dictatorship" in the United States.

Sen. Kilgore (D-WVa) had introduced the internment plan as a substitute for the sweeping catch-all bill sponsored by Chairman McCarran (D-Nev) of the Senate Judiciary Committee. As a substitute it was defeated 50 to 23.

LUCAS TAKES OVER

Meanwhile Senate Democratic Leader Lucas of Illinois grabbed the ball. When the voting was finally over, he had succeeded in nailing a somewhat modified version of the Kilgore plan onto the McCarran bill.

It was done by voice vote after the Senate had (A) batted down, 45 to 29, Lucas' mbve to substitute the plan for the Communist registration section, and (B) fejected, 37 to 35, his first attempt to write the plan into the bill. This vote was later reconsidered and acceptance followed.

New Assistant Manager For Ezell Motor Co.

A new official of the Ezell Motor Co., 1931 Twenty-fifth Street, is Guy Dixon of Sweetwater, who will be assistant manager.

Dixon, who comes here from the Choate Motor Co. of Sweetwater, Chrysler dealership, has had nine years experience as district service representative of the Chrysler Corp. and is familiar with all makes of automobiles, specializing in those of the Chrysler Corp., according to J. C. Ezell, owner of the Dodge-Plymouth firm.

"We are fortunate to have him associated with our firm, and we feel that this association will be an asset to the business," Ezell said. Dixon has been in the automobile business 33 years.

Born and reared in Hill County, Texas, Dixon has spent most of his life with automobile companies, being connected with the Central Service Division of the Chrysler Corp. from 1939 to 1948, except for three years that he was attached to the army by the corporation to supervise maintenance of Dodge trucks and Chrysler-built tanks.

Dixon, whose 17-year-old son, Jerry, will work in the parts department of the company here, will move his wife and 7-year-old daughter here soon. They also have a son in Texas Technological College, Lubbock, and one in Weatherford Junior College, Weatherford, Tex.

Minimum Of 370,000 To Be Drafted In Army By Next July 1

WASHINGTON, Sept. 13. (AP) — Maj. Gen. Lewis B. Hershey, is making plans for inducting between 370,000 and 500,000 men into the armed services before next July 1.

He told the Senate Appropriations Committee at a closed session Sept. 1 that his "most conservative estimate" was "at least 370,000, and maybe 400,000 and maybe 500,000."

Lightning Hits Clothes Line And Kills Woman

WELLSBURG, W. Va., Sept. 13. (AP)—Mrs. Jeff Soles, 68, was killed yesterday when lightning struck a wire clothes line at her home.

Mrs. Soles was hurrying to take a wash off the line before an approaching storm broke. Witnesses said lightning struck a tree and traveled along the clothes line, knocking the woman to the ground.

North Outpost To Kent Pool Is Scheduled

General Crude Oil Co. and Percy Jones will drill their No. 2-2 Percy Jones as a three-quarter-mile outpost to the Salt Creek field of West Central Kent County.

Location will be 660 feet from the west and 3,300 feet from the south lines of section 2, block ZZ, Boley Brown survey, and about eight miles northwest of Clairemont.

The No. 2-2 Pecy Jones will be drilled about three-fourth of a mile north and slightly east of the General Crude No. 1-193 D. R. Coleman, recently completed north extension to the Salt Creek field.

That extension was completed from open hole at 6,091-6,510 feet. It potentialed for 660 barrels of oil and one per cent water daily on a 16 hour natural flowing test through a ¼ inch choke. The No. 2-2 Percy Jones is projected to 6,600 feet with rotary.

ODOM WELL

Placid Oil Co. No. 1 R. H. Odom, small Ellenburger discovery two miles east of the north end of the Kelley-Snyder field of Scurry County, has been depleted and abandoned.

It was completed in December, 1949, for five barrels of oil daily from pay at 7,713-7,733 feet. Location is in section 338, block 37, H&TC survey.

SCURRY LOCATIONS

Sunray Oil Corp. has scheduled three 7,000-foot projects for the Kelley-Snyder field of Scurry County for immediate drilling.

That company's No. 1-B Charles S. Hardy will be drilled 467 feet from north and 2,020 feet from west lines of section 296, block 97, H&TC survey and eight miles northwest of Snyder.

Sunray's No. 2-B Charles S. Hardy will be dug 2,020 feet from west and 467 feet from south lines of the north half of section 296, block 97, H&TC survey and six miles northwest of Snyder in the Kelley-Snyder field.

The same operators No. 4-A E. Dennis is slated to be drilled 467 feet from east and 2,002.5 feet from south lines of the west half of section 337, block 97, H&TC survey and eight miles northwest of Snyder.

Another Sharon Ridge-Canyon field venture will be drilled by Humble Oil & Refining Co., 660 feet form north and 1,980 feet from east lines of section 96, block 25, H&TC survey and 8 miles southwest of Snyder.

This project will be the No. 3-H Gilbert Richter. It is to be drilled to 6,800 feet with rotary.

Stroube Oil Co. will drill its No. 13 H. H. Eiland, 660 feet from south and west lines of section 146, block 25, H&TC survey. Drillsite will be in the Diamond M-Canyon field about 15 miles southwest of Snyder.

MARTIN VENTURE

Gulf Oil Corp. has run seven-inch casing to 10,500 feet and is now waiting on cement in its No. 1-E-B George W. Glass, wildcat in Southwest Martin County.

Hole was plugged back to 10,823 feet after operator drilled to 12,915 feet and found no shows of oil or gas.

Operator recovered 10,170 feet of salt water in the Ellenburger on a drillstem test at 12,770-815 feet.

The No. 1-E-B Glass was plugged back to test the Pennsylvanian

West Pointer Of Football Fame Seals Trap On North Koreans

(By The Associated Press)

WITH U. S. 24TH DIVISION, Korea, Sept. 14. — Gar Davidson, a West Point football immortal, emerged today as a hero of the allied Korean campaign.

The handsome 47-year-old Brig. Gen. Davidson commands a secret United Nations task force that closed a trap on 3,000 Red Koreans northwest of Kyongju.

Sealing off the enemy in that quarter was completed today.

Davidson, a right end at the military academy and head coach of the Cadets from 1933 to 1937, led the swift striking "Task Force Davidson" in a wide left end sweep south of Pohang port.

SECURITY

Davidson's name had been withheld on the Korean warfront previously for security reasons.

The northern entrance to the corridor, lying between deep flanking hills, already had been jammed shut by a South Korean column.

As a result of "Task Force Davidson's" left end run, the Reds must either infiltrate back to their own lines by scrambling over the peaks or face capture or death.

The Reds drove a wedge five miles deep and three miles wide into the United Nations line between Angang and Pohang. Davidson said in an interview:

"Last Friday and Saturday we watched the penetration and it gradually grew worse."

INTO LINEUP

Maj. Gen. John H. Church, commander of the trail-blazing 24th Division, sent Davidson into the lineup to "correct the situation."

When the task force reached the Pohang perimeter, Davidson said, it found the South Koreans had already seized the first of three ridges dominating the breach in the south.

Davidson then sent his force to seize the second hill, which it did easily, but ran into trouble taking the third and highest ridge.

Air support was called for and a flight of planes came over with fire bombs and machinegun fire.

"They did a magnificent job," Davidson said.

The South Koreans went up with relative ease. By yesterday the task force had squeezed 150 Communists, remnants of a group of 700, into a pocket from three sides. When last seen the Reds were moving northwest in an effort to

(Continued on Page 3)

Snyder Man Still Owes Penny, and Government Is Tired of Waiting

The federal government is disturbed about one cent owed it by a Snyder man.

If the man doesn't pay or make a substantial partial payment—presumably in mills—with arrangements for the balance to be paid at a later date, the government will put the account in the hands of the United States district attorney for collection.

The letter, received recently, is from the College Station, Tex., office of the United States Department of Agriculture, Federal Crop Insurance Corp. The Snyder man was informed that the Washington office had instructed the College Station office to place his account in the hands of the United States district attorney for collection, unless the accounty is paid in full or a substantial partial payment made.

Enclosed in the letter was a form which indicated the Snyder man was one cent behind on his 1947 crop insurance payments.

Quick Action Is Predicted On Changing Law For Marshall

WASHINGTON, Sept. 13. (AP) — President Truman asked Congress today to make an exception and let Gen. George C. Marshall serve as secretary of defense even though he is a military man. The Senate Armed Services Committee immediately approved the necessary legislation.

The vote was 10 to 2.

Congress has to act because the law says nobody who has been on active duty as an officer of the armed forces within the past 10 years can be secretary of defense.

The Senate group acted even before a bill was introduced formally. The House Armed Services Committee postponed action until Friday.

Chairman Vinson (D-Ga) of the House group said the matter is so important "that I want a full committee present if possible."

QUICK FOLLOW DUE

The bill may be called up in the Senate tomorrow or Friday, in a quick follow-up of the Senate committee action.

"I don't look for any difficulty," Chairman Tydings (D-Md) told reporters.

Tydings said it was clear Mr. Truman wanted the exception to apply to no other person than Marshall, to no other circumstance and to no other time in the future.

An amendment to present law is necessary if Marshall is to succeed the resigned Louis Johnson as secretary of defense.

Mr. Truman wrote Tydings and Chairman Vinson (D-Ga) of the corresponding House committee, asking for the necessary legislation and inclosing a draft.

SOME OPPOSITION

There was some Republican opposition, however, to an interruption in traditional civilian control over the military.

Sen. Knowland (R-Calif) told reporters he doesn't think the committee ought to be rushed.

Sen. Capehart (R-Ind) told a reporter "the wrong man is resigning — it ought to be Acheson."

There was almost no criticism of Marshall, however.

Chairman Connally (D-Tex) of the Foreign Relations Committee called him "a splendid military man."

Sen. Lyndon Johnson (D-Tex), head of an armed service subcommittee investigating the war effort, said the general "can unite Americans in the preparedness effort that will be necessary to avert World War III."

Coffee—and Talk About Politics

Leading figures of the Texas State Democratic Convention are shown in Mineral Wells where they gathered for a cup of coffee and convention talk. Left to right, they are: John C. Calhoun, Corsicana, retiring chairman of the executive committee; Governor Allan Shivers; J. E. Wheat, Woodville, secretary of the executive committee and slated to be the new chairman, and Judd R. Stuart of Strawn, slated to be the new secretary of the committee.

The Weather

EAST TEXAS: Partly cloudy this afternoon, tonight and Thursday. A few scattered thundershowers in northwest and extreme north portions this afternoon and tonight. No important temperature changes. Moderate to locally fresh southeasterly winds on the coast.

WEST TEXAS: Mostly cloudy this afternoon, tonight and Thursday. A few scattered thundershowers this afternoon or tonight. No important temperature changes.

Speedier Rail Traffic Asked By Commission

(By The Associated Press)

WASHINGTON, Sept. 13.—Speedier handling of railway freight traffic "to promote the national 'defense" was ordered yesterday by the Interstate Commerce Commission.

The new spur to defense mobilization sets a 24-hour limit to the turn around of freight cars ready to move.

One section of the order called for a stiff increase in "demurrage" rates paid by shippers for keeping freight cars idle beyond the 48-hour free time period allowed for loading and unloading.

The charges were set at $5 a car per day for the first and second days after free time, $10 a car for the third and fourth days, and $20 for each succeeding day.

PRESENT RATE

The present rate is $3 a day for four days and $6 a day thereafter.

Another section of the order directed railroads to have loaded cars in a position for unloading within 24 hours after arrival at a terminal point. Then, when the cars are unloaded and perhaps reloaded with a new consignment of goods, the railroads must get them rolling within 24 hours.

In issuing the order, the ICC said that slow handling of cars is causing a shortage of badly needed equipment.

OTHER MOVES

In other mobilization moves:

1. Officials said an anti-hoarding order on steel, copper, tin, aluminum and other key materials may be expected before the end of the week.

2. The Interior Department began setting up a new agency, tentatively called the Minerals and Energy Administration (MEA), to prepare for possible emergency use of priorities and allocations of petroleum, gas, coal and electric power.

The organization is expected to start functioning, at least on a standby basis, within two weeks.

Outlining these steps to gear the nation's economy to a wartime footing, officials emphasized that there are in sight no immediate shortages such as gripped the country during World War II.

Second Set Of Quads Born In England In A Month Doing Fine

LONDON, Sept. 13. (AP) — The British Commonwealth's second set of quadruplets within a month was reported "all right but premature" a few hours after their birth today.

The newest four subjects of the king—all girls and born within an hour shortly after midnight to Mrs. Elizabeth Coles—were placed in oxygen incubators.

Last month's quadruplets — two boys and two girls—were born during a 50-hour period to Mrs. Betty Sara in Australia.

A nurse described the Coles babies as "tiny things." One weighed three pounds four ounces. Two more were each an ounce heavier. The fourth was three pounds 15 ounces.

The 27-year-old mother, a London housewife, was "quite comfortable," hospital officials said. The possibility of four babies had been predicted, but they were not expected until November.

Father David Coles, 31, is a brewery maintenance engineer. The couple has one other child, a five-year-old son.

General Walker Gives His Men Big Pep Talk

U. S. 8TH ARMY HEADQUARTERS, Korea, Sept. 13. (AP) — Lt. Gen. Walton H. Walker told his long suffering Eighth Army today "it will take the offensive in a very short period of time."

In a fighting talk to his front-line troops, Gen. Walker said:

"Soon we are going to give up the attitude of defense which the delaying action has forced on us. As soon as we start forward and break the crust in front of us, the enemy will fold."

"We can feel a weakening of the enemy now," he declared and added:

"And in some positions they actually are pulling out."

The Eighth Army commander said there has been weeks of "agony and suffering" for the army in the long, but necessary, stalling and holding while power was built up to take the offensive.

Sophomores are holding down nine of 11 starting positions on the 1950 University of Arizona football team.

Texas Quadraplets Take Draft Exam

Sgt. Truman L. Douglas, left, is shown matching coins in Houston with the 20-year-old Perricone quadruplets who reported for their physical examinations. Sgt. Douglas, who served with the quads' brother Jesse Perricone in World War II, lost the toss. Left to right the brothers are Anthony, Bernard, Carl and Donald Perricone of Beaumont, Tex.

Tobey Wins By Narrow Margin Over Powell

(By The Associated Press)

Sen. Charles W. Tobey, self-styled liberal fighting one of the toughest battles of his political career, won nomination to a third term in New Hampshire's rough and tumble Republican primary Tuesday.

The 70-year-old lawmaker squeezed by with a 1,127 vote margin over 34-year-old Wesley Powell, World War II veteran and former secretary to Sen. Styles Bridges (R-NH).

CAMPAIGN THEME

Powell campaigned on the theme that Tobey was a "Truman Republican" and "too liberal." He said he would ask for a recount. The unofficial tally was: Tobey 39,003, Powell 37,876.

States voting, besides New Hampshire, were Arizona, Colorado, Michigan, Minnesota, Vermont and Washington. Involved were four other Senate seats, 41 House memberships and six governorships.

Here's a summary of top races:

Arizona — Sen. Carl Hayden and other members of the Democratic congressional delegation were renominated. Republicans had no primary opposition. A woman, former state auditor, Ana Frohmiller, appeared to have won the Democratic nomination for governor.

Colorado — Sen. Eugene D. Millikin was renominated by Republicans without a contest. The Democratic nominee is Rep. John A. Carroll, also chosen without opposition. Former Gov. Ralph L. Carr was picked by Republicans as their gubernatorial candidate to oppose Gov. Walter W. Johnson, Democrat.

VERMONT

Vermont — Winston L. Prouty, lumber dealer, won the Republican nomination to the state's only House. He is virtually assured of replacing Rep. Charles A. Plumley, Republican. Retiring Sen. George D. Aiken, Republican was unopposed.

Michigan — Republicans picked former Gov. Harry F. Kelly to oppose Democratic Gov. G. Mennen Williams.

Minnesota—Republican Gov. Luther Youngdahl swamped four little known opponents. Harry H. Peterson led a six-man race for the Democratic-Farmer-Labor nomination.

Washington — W. Walter Williams, Seattle businessman, led two other candidates for the Republican nomination to the Senate. Democratic Sen. Warren G. Magnuson was unopposed.

Guest Speakers Will Address First Baptist Church Budget Meeting

Guest speakers at the Stewardship Team meeting of the First Baptist Church tonight will be the Rev. A. W. Smith of Roscoe, the Rev. R. Y. Bradford of Colorado City, and Ray Linsford, layman of the Union Baptist Church, west of Snyder, who will address church members concerning the drawing and support of a church budget.

The meeting will be held at 8 o'clock at the church auditorium, and all members and church officials are urged to attend, the Rev. E. K. Shepherd, pastor, said.

The meeting is called to discuss the budget, Mr. Shepherd said. No budget for the fiscal year of 1950-51 has yet been drawn, but this will be done before the first Sunday in October, when the church will adopt it.

In the fiscal year of 1949-50, which closed Sept. 1, a total of $[illegible] was raised through the regular church contributions, which exceeded the budget by $17,959. The budget was set for $25,200.

In addition to finance called for in the budget, the church raised $36,530.29 in cash and about $24,000 in pledges for the building fund.

Kiwanis Club Directors Hold Meeting Tonight

A meeting of the Kiwanis Club board of directors will be held tonight at 1208 Twenty-fifth Street, according to an announcement made at the club luncheon today.

Kicks From Home Cut Off Daily Can Of Beer For The Boys In Korea

WASHINGTON, Sept. 13. (AP) — Should front-line troops get free beer?

"Beer is absolutely essential for our boys in the Far East," stoutly insists Rep. Dingell (D-Mich). He says the water isn't fit to drink.

The Army, claiming it was getting kicks from back home, yesterday cut off the can-a-day it had been giving combat men. They can still buy beer—if they can find any.

A chaplain "somewhere in Korea" said wistfully, "Everyone looked forward to that one can of beer. It was the great relaxation of the day up front."

Dingell is going to ask Congress to make free beer a legal item in the Korean chow lines.

The 32-20 defeat at the hands of Michigan in 1942 is the worst setback ever handed a Frank Leahy coached Notre Dame team.

Reds Use 45th Veto To Halt U.S. Resolution

(By The Associated Press)

LAKE SUCCESS, Sept. 13. — Security Council delegates, after witnessing Russia's 45th veto, began consultations today for the opening of the United Nations General Assembly next Tuesday.

Weary from six weeks of almost daily meetings, they voted to take the rest of the week off and meet for their last pre-assembly session next Monday.

They will take up then Communist China's charges of U. S. aggression against the Island of Formosa.

Russia yesterday vetoed an American resolution to set up a commission to investigate other Red Chinese charges of American bombings of Manchuria. The council then decisively defeated a Russian move to condemn the U. S. for the alleged attacks. Only the Soviet Union voted for its proposal.

SET CONSULTATION

Informed sources here speculated that delegates voted the long recess not only to do spade work in preparation for the opening of the UN General Assembly, to which they are also delegates, but to consult their governments on the Formosan issue.

They said such consultation was probably vital to the British, American and French representatives whose foreign ministers are trying to thrash out a Formosan policy at their meetings in New York.

The sources said there would be little point in those delegates debating the Formosan question today, faced with the possibility that the meetings of the big three might result in a change of tactics, but that by Monday the situation should be clearer.

MAY REVEAL PLAN

This raised the possibility that the decisions of the foreign ministers regarding the Far East in general, and Formosa in particular, might first be revealed at Monday's session.

Many diplomats feared, however, that debate on the issue itself would be delayed by Russia's promised re-introduction of an appeal to invite a representative of the Peiping Government to participate.

Yesterday's Russian veto cleared the council's calendar of issues dealing with the Korean war. Observers here felt that the countries fighting under the UN flag to beat back aggression would now turn the problem over to the General Assembly, where Russia has no veto.

Diplomats said privately that Russia was now in the awkward position propagandawise of having prevented an impartial investigation of the alleged bombings. They qualified this somewhat by saying that the U. S. position on the propoganda front might have been even stronger if U. S. Delegate Warren R. Austin had not led the fight against permitting a representative of Red China to make the charges in person.

Gypsy Rose Lee Is Pegged Red

NEW YORK, Sept. 13. (AP) — The American Broadcasting Co. has declined to accept, without substantiating evidence—a Chicago story alleging Red sympathies of Miss Gypsy Rose Lee.

In a related move, an AFL Theatrical Union denounced "irresponsible smearing of the reputations of actors to an extent which is becoming alarmingly dangerous."

The union condemned the dismissal of Actress Jean Muir from a television show after she was listed in "Red channels," a privately published booklet listing 150 radio figures allegedly having Communist connections.

Miss Lee, stripteaser and author scheduled to star in a new ABC show starting Saturday, was assailed Monday by Edward Clamage, chairman of the Illinois Legion's anti-subversive committee.

He said she reportedly was a "dear and close associate of traitors to our country." Nothing that her name appeared in "Red channels," he wired ABC asking what it was going to do about her program.

Robert E. Kintner, ABC president, yesterday replied that Miss Lee had signed a sworn affidavit denying any Communist sympathies or ties. The message to Clamage added:

"If you have any evidence to the contrary, please advise."

Meanwhile, the council of the AFL Actors Equity Assn. said some employers in the industry were "allowing themselves to be intimidated by a few private individuals and publications who, in the irresponsible manner of vigilantes, have improperly assumed the functions of government."

The council specifically protested the dismissal of Miss Muir from a show by the sponsor, General Foods Corp. The company said she had become "too controversial." Miss Muir denied any Communist links.

THOUSANDS CHEER!
THIS NEW SPECTACULAR DISCOVERY FOR HAIR BEAUTY
Shampoo-Curl

Everybody Raves!
Takes Minutes!
THE MARVELOUS OIL CREAM SHAMPOO THAT "CURLS THE HAIR"
"Shampoo-Curl" is a luscious new kind of Cream Shampoo. You have never used a shampoo that gives so much rich creamy lather—that leaves the hair so soft, lovely and beautiful.
And you have never used any method to curl your hair that is so safe, so quick and leaves you with masses of glorious, silky curls or deep shining waves.
"Shampoo-Curl" works wonders in minutes in hot or cold, hard or soft water.
NEVER A NEED FOR A PERMANENT AGAIN
"Shampoo-Curl" keeps hair at its loveliest—always.
Use it today, with confidence, on all types of hair.
MEN — WOMEN — CHILDREN.
SAFE
QUICK
EASY
DIRECTIONS
1. Wet hair thoroughly. Place small amount of SHAMPOO-CURL on hands and apply—adding water to form rich creamy lather. Rinse and apply second application, forming luxurious lather—leave lather on hair approximately 3 to 5 minutes—then rinse.
2. Set hair into favorite fashion (waves, pin-curls or curlers), allow to dry thoroughly—then comb.
To change hair-do between SHAMPOO-CURL shampoos, just moisten hair lightly with water and set. No fuss—no muss.

North Outpost

(Continued from Page 1)

from the bottom of the casing set at 10,500 feet to the total depth. That gives it an interval of 323 feet of open hole to be tested.

The No. 1-E-B Glass is 1,980 feet from north and east lines of section 13, block 39, T&P survey, T-1-N. This venture was originally scheduled to be drilled to 13,500 feet.

Drillsite is 12 miles north of the City of Midland and 18 miles west of Stanton.

WELL TRANSFERRED

Tobe Foster of Lubbock has taken over operation of the Southeast Garza County wildcat formerly carried as R. L. York and Standard-Fryer Drilling Co. No. 1 Justice. This venture was originally scheduled to be drilled through the Strawn lime between 7,416 feet and 7,492 feet. The section at 7,460-92 feet also had some salt water.

It deepened to 7,685 feet and is now running a drillstem test on the interval at 7,650-85 feet. That section, which is in a lower Pennsylvanian lime, had logged some shows of oil and gas in the drilling samples.

This project was originally started under a permit from the Railroad Commission of Texas to drill to 7,500 feet to explore through the Pennsylvanian.

Fosetr has now made a deal to continue it to around 8,000 feet to test into the Mississippian. He had filed a supplemental application with the regulartory body requesting permission to continue to that depth.

A string of casing is on the location and the pipe will be run after the Mississippian is found and all shows which have been encountered will be thoroughly tested.

Location is 660 feet from south and west lines of section 19, block 6, H&GN survey.

REINECKE PRODUCER

Another producer has been added to the Reinecke field of Southwest Borden County.

Standard Oil Co. of Texas potentialed its No. 1-2 Griffin for 1,152 barrels of oil and no water daily through a one-half inch choke.

Production is from above a total depth of 6,997 feet. Gravity of the oil produced has not been reported.

The daily potential is based on an actual 10-hour natural flow of 480 barrels of oil. Gas-oil ratio on the test was 1,095-1. Casing pressure was 950 pounds and tubing pressure was 630 pounds.

The No. 12 Griffin is a one-quarter miles east extension of the Reinecke field. Location is 467 feet from east and 1,667 feet from south lines of section 60, block 25, H&TC survey, and six miles northwest of Vincent.

CROSBY LOCATION

Nine miles southwest of Crosbyton, in Central Crosby County, Natoinal Associated Petroleum Co. will drill its No. 1 T. M. Abel as an 8,000-foot wildcat.

Exact location of the new explorer will be 660 feet from south and west lines of northwest quarter of section 9, block 3, WC survey.

Nearest production to the proposed No. 1 T. M. Abel is in the Buenos field of Northwest Garza County.

MIDLAND OFFSET

Barnett & Rector will drill a one-half mile south offset to the Tex-Harvey Oil Co. No. 1 L. B. Floyd, discovery well of the Tex-Harvey field in Central-East Midland County. It will be the No. 1-16 Floyd estate.

This venture, scheduled to be drilled to around 8,000 feet, will be spudded by September 15.

Drillsite will be 660 feet from east and south lines of section 16, block 37, T3-S, T&P survey and 14 miles southeast of the City of Midland.

The discovery well was completed on a pumping potential for 135 barrels of 40.2-gravity oil plus 17 barrels of water daily from the Clear Fork through perforations at 7,865-75 feet.

NEAR ROBY

Drilling has started at Stanolind Oil & Gas Co. No. 1 W. L. Barbee, east outpost to the Eskota field in Southeast Fisher County about 17 miles southeast of Roby.

This explorer, projected to 5,600 feet with rotary, is 1,730 feet from west and 2,150 feet from north lines of the Barbee 280-acre lease in George Creath survey.

Drillsite is about four-fifths of one mile east of the Eskota field.

NOLAN WILDCAT

A wildcat has been staked nine miles east of Sweetwater in Central-North Nolan County by Texas Pacific Coal & Oil Co. to be drilled to 6,300 feet.

That prospector is the No. 1 May Sears Farm, account 1,669 feet from the west and 1,765 feet from the south lines of section 74, block 20, T&P survey.

Small Boy Rescued In Abandoned Well After Hours Of Hard Digging

RAINIER, Ore., Sept. 13. (AP) — Forty townsmen dug in frenzied relays last night to rescue unharmed, a little boy from an abandoned well.

Ronald Mysinger, 15-month-old toddler, fell from the porch of his suburban home here late yesterday afternoon. He rolled under the house, built on low posts, and tumbled feet-first into an unsuspected well.

His mother, hearing his cries, called for help. Just about the whole town of 1,500 turned out.

Dr. M. A. Kenney lay prone for two and a half hours feeding oxygen into the well while men worked in relays with pick and shovel, digging a parallel shaft outside the house.

Ronald cried himself into exhausted sleep an hour and a half after his fall 12 feet down into the 20-foot well. When his cries ceased, fear was felt by the workmen, but Dr. Kenney, looking down with a flashlight, said he appeared all right.

He was. The diggers, finishing their task by scooping out the earth by hand as they cut in under the child, found him lodged on a bucket in the dry shaft whose existence had been unknown to his parents, Mr. and Mrs. V. M. Mysinger.

Dr. Kenney wrapped the child in a blanket after a quick examination and placed him in the arms of his nearly hysterical mother.

"He is all right," the doctor said.

Fluvanna Schools Open With 135 Students On Roll; Six on Faculty

One hundred and thirty-five students enrolled last week in the Fluvanna school, J. M. Glass, superintendent, announced.

This years faculty will include: Lacy Turner, principal and English; Miss Mary Bell Weathersby, business administration; Weldon Boyd, history and mathematics; Mrs. J. M. Glass, home economics, fifth and sixth grades; Miss Eleanor Norton, third and fourth grades; Mrs. J. S. Norton first and second grades.

Mrs. Roy Reeder is manager of the cafeteria, and she is assisted by Mrs. Leslie Boatman. Fred Jennings is janitor. Driving the three busses are Hub Carmichael, Lacy Turner, and Bob Jennings.

Approval of O'Dwyer Appointment to Mexico

WASHINGTON, Sept. 13. (AP) — The Senate Foreign Relations Committee today approved the nomination of William O'Dwyer of New York to be ambassador to Mexico. The vote was 8 to 0.

O'Dwyer recently resigned as mayor of New York City to accept the diplomatic appointment.

Chairman Connally (D-Tex) of the foreign relations committee told reporters that Sen. Hickenlooper (R-Iowa) simply voted "present" on the nomination. The eight other committee members voted approval.

Cotton Consumption Boost Is Reported

WASHINGTON, Sept. 13. (AP) — The Census Bureau reported today cotton consumption for the period of July 30 to Aug. 26 averaged 40,392 bales for each working day.

This compared with 28,382 bales for the same period a year ago, and 32,134 for July this year.

Two Train Cars Are Derailed in Ohio

SCIO, O., Sept. 13. (AP) — A diesel unit and two cars of the Pennsylvania passenger train "Indianapolis Limited" derailed here early today after striking an automobile stalled at a crossing. No one was injured.

The cars derailed remained upright. Work was still under way this morning in an effort to clear the tracks.

UCLA's first football team, in 1919, dropped a 72-0 decision to Manual Arts high school of Los Angeles.

West Point

(Continued from Page 1)

reach their own lines.

TRAP SEALED

While Davidson was attacking the southern end of the penetration, the South Koreans sealed it at the top with a counterattack. It trapped the enemy.

Davidson's home address is Omaha. He was graduated from West Point in 1927.

The general, now 46, fought in the European theatre in World War II and won the Distinguished Service Medal and other decorations.

He was born in New York City, son of an official at the Metropolitan Museum of Art, and went to West Point in 1923.

He had two high school football letters, but failed to make the Army team during his first year. He came up fast as a third-classman, however, and in his final year got his second academy letter.

Better known in his playing days as "Car" Davidson, he scored the first Army touchdown ever made in the academy's Michie Stadium.

After being graduated in 1927, he was called back as head coach in 1933 and lead the Cadets for four years.

He was a major at the start of the war, and advanced quickly to brigadier general in 1943.

After the war, he became chief of staff of the Sixth Army.

He is married and has several children.

Livestock Market

FORT WORTH, Sept. 13. Hogs 700; butchers mostly 25c lower; sows and pigs unchanged; good and choice 190-270 lb butchers 23.25-50; good and choice 150-185 lb hogs 20.25-23.00; sows 18.00-21.00; feeder pigs 17.0020.00.

Sheep 1,600; slaughter spring lambs 50c higher; cull and common aged sheep 50c to 100 higher; others steady; medium to choice slaughter spring lambs 27.5029.00; good slaughter yearlings 22.00; cull and common slaughter ewes 12.00-14.00; few medium and good slaughter ewes 15.00; feeder lambs 25.00-26.50; feeder yearlings 21.50.

Stock Market

NEW YORK, SEPT. 13. (AP) — Stock traders swamped the exchange with buying orders today.

Gains piled up to around $1 a share before the most aggressive demand was satisfied. Dozens of issues sold at their best prices for 1950 or longer.

The general price level hit a new four-year peak and the rail group, for the second day running, reached the highest average level in 19 years.

COTTON

NEW YORK, Sept. 13. (AP) — Noon cotton prices were $2.35 a bale higher to $1.00 lower than the previous close. Oct. 40.39, Dec. 40.40 and March 40.37.

When the New York Yanks toppled the Chicago Cardinals, it was the first exhibition win for a Ted Collins-owned football team.

Kentucky football teams have been held to a total of six points against Tennessee in the last five meetings.

Battle Flags Are Returned To Mexicans

MEXICO CITY, Sept. 13. (AP) — The United States formally presents Mexico today with her captured battle flags, some of them taken 103 years ago on the very spot where the return takes place.

President Miguel Aleman himself receives the 69 flags in the shadow of Chapultepec Castle, captured by U. S. forces just 103 years ago today. The banners, which have been in the hands of the U. S. Army, were accompanied by a personal message from President Truman to President Aleman. The American Legion initiated the movement for their return and the U. S. Congress authorized it in a resolution.

But the return of the flags has met mixed reaction here. The left wing newspaper, El Popular, said several days ago it would be better if the U. S. would keep them and instead return the Chamizal, a suburb of El Paso, Tex., claimed by Mexico.

Even the newspaper, Ultimas Noticias, usually friendly to the U. S., said editorially yesterday that:

"The return of the flags has been very unpopular. . .The banners which were in foreign hands were, in the last analysis, symbols of an unequal fight and proof that Mexico went down fighting bravely in defense of her dignity."

However, the crowds which turned out yesterday when the flags arrived here accompanied by an honor guard of U. S. Army, Navy and Air Force cadets seemed enthusiastic.

The Mexican Government itself has taken every step to give dignity to the return and to show its gratitude.

Army football teams were batting .700 before the 1950 campaign —the Cadets had won 358 games, lost 117 and tied 36 since the Academy began playing football in 1890.

Stork Wins Race With Expectant Mother Hurrying to Hospital

The baby wasn't due for a week at least that's what Fred Jordan, Jr., thought when he went to the Diamond M field yesterday morning to join a drilling rig crew.

But a few hours later the baby was born in a car on the way to the Snyder Hospital. Attendants today report the 7 pound 14 ounce baby boy and his mother to be in good condition.

It was the Jordans' first child. When Mrs. Jordan realized the child was being born, she notified two of her neighbors, Mrs. Gile Atterbury and Mrs. J. A. Fowler, and another friend, Mrs. Don Jenkins. As quickly as they could the women put Mrs. Jordan in the car and rushed her to the hospital, but they were too late, and the child was born when the mother arrived at the emergency entrance.

Jordan, a derrick man on a drilling rig, lives at the Fowler Trailer Court on the Lamesa highway.

Heavy Bonds Set For Trio In Vote Fraud In District Court

CONROE, Sept. 13. (AP) — District Judge Ernest Coker set noon today as deadline for three Montgomery County residents to make bonds ranging from $18,600 to $18,900 on charges of ballot tampering.

He set bond at $300 on each of the 188 indictments returned Saturday by the county grand jury.

La Verne and Clyde Smith, brothers, and Mrs. La Verne Smith each were named on 11 counts of altering absentee ballots and 51 counts of destroying a ballot.

The two brothers also were indicted on one count each for burglary of the county courthouse.

Bond was set at $18,900 for each of the brothers and $18,600 for Mrs. Smith.

La Verne Smith was defeated in the Aug. 26 Democratic primary runoff election by 35 votes in a race for county commissioner.

The 1950 football campaign is George Melinkovich's second as Utah State head coach.

Reserved Seats Still Available In Tiger Stadium For Season

Anticipating a good season with the Snyder Tigers and their opponents this year, 324 fans are equipped with season reserved seat tickets for the remaining five home game.

Most of these seats were bought for the east side of the stadium, the Snyder side. However, there are seats left on both sides of the field, and tickets can be bought in the office of Forrest Beavers, county superintendent, and $2.00 for the season or 50 cents each game.

This cost is additional to the general admission price of 75 cents for adult and 40 cents for students and children.

Mexican Cotton Can't Leave This Country

BROWNSVILLE, Sept. 13. (AP) — A new customs order means that at least 200,000 bales of Mexican cotton now stored in Rio Grande Valley warehouses cannot be exported without a U. S. customs export license.

Deputy Collector of Customs Hugh T. Wood yesterday said owners of Mexican cotton stored in this country must file for regular export licenses. This involves having a buyer ready in a U. S. approved country before the license can be sought. Delays of various length are anticipated after application, Wood said.

Deffebachs Attending Methodist Convocation At Oklahoma City

Mr. and Mrs. Lyle Deffebach left here yesterday for Oklahoma City where they will represent the First Methodist Church at the Methodist Convocation this week at the Municipal Auditorium there.

The convention, which will run through Friday, is composed of representatives of churches in all south-central states of the nation, who are meeting to study Sunday School work, literature, and possible improvement in the Sunday School system of the Methodist Church.

Attendance at the meeting is expected to reach about 3,000, and a special feature at the assembly will be a young adult choir of 300, the Rev. W. W. Adcock, pastor of the Snyder church said.

The 59 points Notre Dame ran up against Tulane last season is the highest total ever registered by an Irish team under Frank Leahy.

Off And On Detroit Is Back In Lead; Yankees Lose To Indians

By RALPH RODEN
(Associated Press Staff)

With big Luke Easter as the ringleader, the smarting Cleveland Indians are moving out of the American League pennant race in the role of "spoilers."

Knocked out of contention and blasted by their bosses, the Indians the expense of the three remaining are out to redeem themselves at contenders—Boston, New York and Detroit.

They began to reap revenge last night by defeating the New York Yankees, 8-7, on a three-run homer by Easter in the ninth inning.

The defeat sent the Yankees into second place, a half game back of the Detroit Tigers who scored a 3-2 afternoon triumph over the Washington Senators.

Cleveland has one more game with the Yanks, six with the Tigers and two with the third place Boston Red Sox. The Red Sox, still moving relentlessly forward, climbed within a game of the lead by edging the Chicago White Sox, 2-1.

YANKS LEAD

Home runs in the first two innings by Joe Dimaggio, Phil Rizzuto and Yogi Berra shot the Yanks off to 6-0 lead in a rain-soaked game.

Early Wynn was the victim of the Yankee bombardment but after that the world champions were effectively checked by Dick Weik, Sad Sam Zoldaka nd Steve Gromek.

Homers by Larry Doby and Easter shaved the deficit to 6-4 by the fifth.

It appeared the Yanks had the game in the bag when Jim Hegan grounded out to open the Cleveland ninth.

Allie Reynolds, who had allowed only four hits, blew up in the ninth and walked two batters. He was hurriedly lifted for Tom Ferrick. Bob Kennedy greeted Ferrick with a run scoring double. Doby struck out but Easter then slammed Ferrick's first pitch over the rightfield fence to break up the game.

The Tigers had rough sledding before squashing the Senators. Old Diz Trout went all the way for the Bengals and permitted eight hits while his mates collected only five off Gene Bearden and Mickey Harris.

HOMERS PAY

Detroit clipped Bearden for two runs in the third on a walk and doubles by George Kell and Vic Wertz. Wertz homered for the winning run in the fifth. The Senators scored in the sixth and added their final run in the eighth on a homer by Ed Stewart.

All of the scoring took place in the first two innings. The Sox tallied in the first on singles by Johnny Pesky, Bill Goodman and Vern Stephens' long fly. They scored the winning run in the next inning on a single by Al Zarilla, infield out, wild pitch and a single by Dom Dimaggio.

The St. Louis Browns, behind the three-hit pitching of Al Widmar, blanked the Philadelphia Athletics, 6-0.

In the National League the Philadelphia Phillies moved a step closer towards the pennant by nosing out the St. Louis Cardinals, 1-0, behind the five-hit pitching of Robin Roberts who attained his 19th victory. The Cardu' Max Lanier and Al Brazle surrendered only three hits but one was a fifth inning homer by Andy Seminick who celebrated his 30th birthday.

PHILS IN FRONT

The victory kept the Phils 6 1-2 games ahead of the runner-up Brooklyn Dodgers who collected only one hit in beating the Ewell Blackwell and the Cincinnati Reds, 3-1.

Blackwell lost the game in the eighth inning when he hit a batter, committed an error and wild pitched home a run that broke a 1-1 tie. The third run scored on an infield out. Gene Hermanski singled in the fourth for the lone Brooklyn hit. Carl Erskine went the route for the Dodgers allowing three safeties.

The New York Giants' Sheldon Jones blanked the Pittsburgh Pirates, 3-0, for the 17th shutout by the Giants this year.

The Giants moved to within a half game of the third place Boston Braves who dropped a 3-1 night game decision to Bobo Rush and the Chicago Cubs.

Middleweight Title Boxers—

With the training grind over, middleweight title holder Jake LaMotta, left, of the Bronx, fondles a boxing glove in his hotel room whil e his wife Vickie, watches. At right, Challenger Laurent Dauthuille, of Paris, France, relaxes in a game of cards with his wife Andree. The boxers meet in Olympia Stadium in Detroit tonight for a 15-round world's middleweight title fight.

San Antonio, Tulsa In Lead Over Fort Worth, Beaumont In Playoff

(By The Associated Press)

San Antonio, which finished fourth over the regular season route, and Tulsa, which wound up third, held one-up leads over front-running Beaumont and second-place Fort Worth in the Texas League play-offs today.

It was not unexpected, however. On the basis of the league finish San Antonio and Tulsa were favored to push their way to the final play-off. Both Beaumont and Fort Worth closed out in a slump.

San Antonio knocked down Beaumont 51-1 at Beaumont last night as Southpaw Lou Sleater limited the Roughnecks to six hits. The lone Beaumont run was unearned.

Tulsa licked Fort Worth 5-2 with lanky Jim Blackburn giving up only three hits. One of those was a homer by Fred Storck with a man on in the eighth to account for both Cav tallies.

The clubs play second games tonight with Procopio Herrera (12-7) on the mound for San Antonio, opposed by Clarence Beers (7-7) at Beaumont, and Walker Cress (18-11) starting for Tulsa against Fort Worth's Bill McCahan (2-3) at Fort Worth.

A crowd of 5,334 turned out to see the heavy-slugging Missions batter Beaumont, which used four pitchers trying to stem the tide. San Antonio got two runs in the second and two more in the sixth to win easily.

At Fort Worth 4,336 were on hand to watch Tulsa clout four Fort Worth pitchers for 16 hits, six for extra bases. Walter Post slugged three doubles, a triple and a single in five trips to lead the assault. Blackburn pitched in a home run with the bases empty in the eighth.

San Antonio	020 002 100	5	8 1
Beaumont	000 000 010	1	6 1

Sleater and Balch; Nevel, Melignano, Schaeffer, Ferris and Courtney.

Tulsa	021 000 020	5	16 1
Fort Worth	000 000 020	2	3 0

Blackburn and Williams; McGlothlin, Moore, Lemish, Beringer and Bragan.

Dukes Run One Up On Lubbock In Playoff

(By The Associated Press)

Albuquerque's Dukes were one-up on Lubbock today in the West Texas-New Mexico League playoffs.

Albuquerque and Lubbock hooked up in an old-fashioned slug-fest with the Dukes pounding 21 hits and the Hubbers 15. Seven pitchers were used, four by Lubbock. Jordan Pitta, second Albuquerque twirler, got credit for the win although he wasn't around at the finish.

LaMotta Expected To Pound The Frenchman In Title Bout Tonight

DETROIT, Sept. 13. (AP) — Middleweight Champion Jake LaMotta is expected to tame Laurent (Tarzan) Dauthuille of France tonight as pleasing weather prevails for the fight at the Olympia Stadium. Ring time is 9:00 p.m. (CST).

Back in the city where he wrested the crown from another Frenchman—the late Marcel Cerdan—15 months ago, LaMotta rules a 5 to 1 favorite. No knockout is predicted.

With radio and television barred, Promoter Nick Londo looks for a crowd of 13,000 to pay $100,000.

LaMotta probably will weigh 159, Dauthuille will be around 165.

Seatback Earle Mundell, at five feet, four inches and 155 pounds, is the smallest man on the Penn State football squad.

Don't Be Satisfied With Symptomatic Relief! It's Now Possible To

RELIEVE THE CAUSE OF YOUR SICKNESS

Neuritis Pains, Stomach Disturbances, Indigestion, Gas, Heartburn, Constipation, Certain Nervous Disorders When Due to Lack of Vitamins B_1, B_2, Iron and Niacin in Your System!

HADACOL One of the Greatest Blessings of the Times!

Just a Few of Thousands Upon Thousands of Interesting Records of Folks With Such Deficiencies Who Have Been Helped

Mrs. C. C. Keller, 1629½ Frederick Avenue, St. Joseph, Missouri, says HADACOL really has put a stop to her neuritis pains. She was in a very bad condition with aches and pains and unable to sleep and was forced to give up her position as a practical nurse. She had severe pains in wrists and stiffness in her hips, being almost unable to walk. Now after taking one bottle of HADACOL, she is able to do her own housework. She most enthusiastically recommends HADACOL to all sufferers from neuritis pains.

Floyd Mabe, 1401A South 7th Street, St. Louis, Missouri: "For some time after a wartime injury I had been troubled with neuritis pains in my legs and could not work. Nothing seemed to help me until I tried HADACOL. After taking a half bottle, I seemed to feel better. My wife told me it was only my imagination, but I continued to take HADACOL and up to the present have taken 13 bottles. Now I feel fine, with no more pains in my legs." (HADACOL is so effective because it relieves THE REAL CAUSE of neuritis aches when due to such deficiencies. Why don't you give HADACOL a chance to help you?)

Link Robinson (a steel worker for over 20 years), 519 Lindsey, Newport, Kentucky: "When your stomach is in bad shape as mine, couldn't eat, gas pains, stomach bloating and nervousness, then your body doesn't get the proper foods it needs. My boss told me about HADACOL and I started taking it immediately. After the second bottle I could tell a definite improvement. Now I can eat anything I want to. Best of all I haven't got those terrific gas pains and stomach bloating."

Mrs. John Geary, 840 Ursuline Street, New Orleans, Louisiana: "I had such a nervous stomach I was unable to eat regularly. Lots of times I was unable to hold any food on my stomach. Then I heard about HADACOL. After the first few bottles I could tell a definite improvement. Now my stomach doesn't trouble me at all. I eat anything I want. HADACOL is wonderful. You can see that, if it did so much for me after suffering so." (A big improvement is often noticed within a few days' time. One of the many advantages of HADACOL is that continued use helps prevent such stomach distress from returning. Don't continue to suffer. Start taking HADACOL *today!*)

Mrs. L. Crifasi, 327 N. 14th Street, Springfield, Illinois: "I am elated with the wonderful results obtained by taking HADACOL. I had emotional indigestion, which is stomach distress and makes a person feel down and out. HADACOL seemed to be prepared for my ailment, for it made a new woman of me."

W. E. Hoxworth, a skilled maintenance man in Waco, Texas: "I almost had to give up my job because of suffering from stomach distress. I couldn't hold my food, as no food agreed with me. After hearing about HADACOL and completing a second bottle, I began to feel better and regain the weight I lost, and suffered no more indigestion. I now take HADACOL regularly to help stay well." (Why don't *you* try HADACOL?)

Mrs. J. Scieszinski, 514 Kruger, Ottumwa, Iowa: "My daughter, Marilyn Sue, is five years old and for some time lacked pep, had a poor appetite, was generally run-down. Since giving her HADACOL, we have noticed wonderful results. She has a much better appetite, eats everything on the table, and doesn't seem tired like she used to. Incidentally, she likes to take her HADACOL, too." (Kiddies sure do like HADACOL.)

Senator Dudley J. LeBlanc—the Man Responsible for the Great New HADACOL

Now! Thanks to the tireless efforts in scientific research of Senator Dudley J. LeBlanc—eminent statesman of Louisiana and creator of this great new HADACOL nutritional formula — it's at last possible to relieve the REAL CAUSE of such ailments as neuritis pains, stomach distress, gas pains, heartburn, indigestion, insomnia, certain nervous disorders and a general run-down condition due to lack of Vitamins B_1, B_2, Iron and Niacin.

Senator LeBlanc has just completed a modern $250,000 manufacturing plant and a similar one is well under way so that this wonderful HADACOL will always be available to the public.

What the Great HADACOL Does...

No longer do you have to be satisfied with symptomatic relief—you can start *this very day*, and relieve the REAL CAUSE of such ailments with HADACOL. Get that *wonderful* HADACOL feeling everyone is talking about! A big improvement in the way you feel is often noticed in a few days.

And continued use of HADACOL helps prevent such ailments from coming back. Naturally, there's an explanation for this. You see, HADACOL not only feeds deficient, run-down systems with extra quantities of Vitamins B_1, B_2, Iron and Niacin but also helpful amounts of precious Calcium, Phosphorus and Manganese — elements so vital to help maintain good health and guard against such deficiency sickness.

Sold on Strict Money-Back Guarantee

Don't continue to suffer! Be fair to your self — start taking HADACOL today. HADACOL

Senator Dudley J. LeBlanc

is very inexpensive—costs only a small amount daily. And HADACOL *must* help you, or your money will be returned. Trial size, only $1.25 a bottle. Large family or hospital size, $3.50. Refuse any substitute. There's only one true and genuine HADACOL.

MANY DOCTORS RECOMMEND

HADACOL

GET THAT WONDERFUL HADACOL FEELING

Refuse substitutes. There's only one true HADACOL.

NEWS FROM FLUVANNA

BY MRS. C. A. DAUGHERTY

Mr. and Mrs. J. M. Patterson and Mr. and Mrs. V. L. Patterson left Friday morning to visit friends and relatives in Mason, Tex., returning Sunday evening.

Mrs. Kerley Maynards took her mother to the hospital at Jayton this week.

Mr. and Mrs. Burl Belew and two sons Denny Burl and Joe Thell left last Sunday for Grand Prairie, Texas. Mr. and Mrs. Belew are under treatment at the Millings Sanatorium there.

Mrs. Myrtle McKnight was a visitor in the home of Mr. and Mrs. T. J. Rhea from Sunday until Wednesday before returning to Texas City.

Friends of Mack Westens are glad to have him back home from the Lamesa hospital where he has been a patient for several weeks. He spent Friday in the home of his sister, Mrs. [illegible] McCrum of Fluvanna.

A hearty welcome is extended to the Nortons, Mr. and Mrs. J. S. Norton and daughter, Miss Eleanor Norton and Mrs. Smith, mother of Ms. Norton, after spending the summer in Philadelphia. Mrs. Norton and Miss Eleanor Norton are teachers in the Fluvanna grade school.

Mr. and Mrs. Benny Benson and son Butch, returned to their home in Longview, Texas, after spending a week with Mr. Benson's parents, Mr. and Mrs. H. H. Benson. Benny Benson is with the Telephone Company in Longview.

A good time was had by all at the chicken fry last Saturday night given by Mr. and Mrs. V. L. Patterson and Mr. and Mrs. G. A. Milliken at the Patterson home. Guests included: Mr. and Mrs. J. S. Norton, Miss Eleanor Norton, Mrs. Smith, Mr. and Mrs. Mert Jones, Don Jones, Royce Patterson, Mr. and Mrs. Benny Benson, Kita Milliken, and Mr. and Mrs. H. H. Benson.

Mrs. W. E. Smith and baby spent last week in Big Spring visiting Mrs. Smith's sister.

Talk of the Town

By Frances Biow

THINGS TO NOTICE IN SNYDER: The little red billed cap you see whisking busily about town and you know it is FRANK STEPHENSON. He picked it up on his wedding trip recently, loves it, is never far from it. . .That every third car has some kind of sign painted on it. . .This might point to the fact that everybody is gainfully employed, none of this luxury riding around, all business. . .That it requires some five minutes longer to hard-boil an egg in Snyder than in say, El Dorado, Ark. . . This item turned up by the ladies who followed their husbands with Lion Oil Camp here. "The altitude is so much higher. —Coffee takes lots longer to perk," they all maintain. . ,

* * *

What do you do when your dog dies? I don't mean emotionally. . . we were all torn up about it. But, then logic made us face the hard fact that the dead pet must be spirited away as auspiciously as possible. Here is what you do if a pet succumbs to distemper or bad cold or too much soup bone, and you want it taken off the premises. First, if you contact the trash man, and Snyder city trash men are very hard people to contact, you will be apprized of the error of thinking. The matter is simply out of this jurisdiction. They won't touch it. . .You resort to the yellow pages of the phone directory.

"Hauling," it says. You are connected with a businesslike voic- which implies Oklahoma City and Western Union both are waiting to reach him on the line you have tied up. You inquire how much a hauling job will run. "Well, lady, under 15 tons it's just 20 bucks. 'Course, you got pipes that hafta be pulled, we charge, and if you want the cargo toted more than, say, Memphis, you pay the driver's grub bill."

This line of action fascinated me. I must admit. I could just picture my driver parked in a roadside park somewhere east of Dallas munching on a picnic lunch with my "cargo" very cold and still in his trailer bed!

Finally, to relieve your anxiety, here is what you do. You put the case squarely up to the Police Department, like any taxpaying citizen should. Officer Barrett, accomodating as all law enforcers are, combed the town and came up with a worried but able man in a pick up. He took it off!

* * *

Freak accident of the week would be that betalling 2-year-old BILLL BLUM, who had his parents DR, and MRS. JOHN BLUM racing to Big Spring one mornign for special treatment. Bill and his sister, 5-year-old Annette, sat enjoying an argument at the breakfast table at the family residence, 3000 Avenue U. To carry his point Bill took an extra-deep breath, just like courtroom lawyers do, jumped up and down once or twice, and down went a piece of the breakfast bacon completely wrong. Gasps and strangled sounds were about all Bill could manage until, under a general anesthetic, he parted with the trouble. Another short while and serious inflamation of a lung might have brought on pneumonia, so today Bill is a luck boy with not-too-bad after affects. And no more arguments at the table.

* * *

We contritely wish to correct yesterday's story about Mr. and Mrs. Travis Trussell taking a trip to Monahans. It seems Travis is the 13-year-old son of MR. and MRS. J. H. TRUSSELL, 808 Twenty-ninth Street. It is probably too late, though. His mother says she already mailed the clipping to him to enhance his vacation.

PERSONALS

Mr. and Mrs. Ray N. Slack of Denver, spent last week end with Mrs. Slack's parents, Mr. and Mrs. Van Sunruld, 2611 Avenue K.

Mr. and Mrs. Lokey Cockrell of Mt. Vernon, Tex., visited last week with Mr. and Mrs. C. L. Banks, 1001 Twenty-sixth Street. Mr. Cockrell is Mrs. Bank's brother.

Mrs. H. G. Towle, 2911 Avenue U, accompanied her daughter, Mrs. John Blum, to Big Spring today. They took Mrs. Blum's young son, Bill, for a medical check up.

Mr. and Mrs. Jack Morgan, and daughter, 3109 Avenue V, went to Carlsbad, N. M. over the week end. They made the trip through the caverns, returning Saturday

Cloudiness And Cool Weather Over Most Of The Midwest And East

CHICAGO, Sept. 13. (AP) — Skies were cloudy today over wide areas of the country and cool weather continued from the northern Rockies eastward to the New England states.

The sun was in hiding over the Central Rockies, the Central and Southern Plains, the Great Lakes region and the Middle Atlantic states. Showers fell over most of the cloudy regions. Rain also fell in Oklahoma, Arkansas and northern Texas.

Temperatures dropped below freezing at some points in the northern Rockies and were in the 30's over most of the region and in the northern plains. They were around normal over the southern third of the country.

Lubbock Woman Killed

BROWNFIELD, Sept. 13. (AP) —Miss Tommye Sue Morgan, 23, of Lubbock was killed yesterday when the automobile in which she was riding overturned.

ADVERTISEMENT

Now the Hard of Hearing Can Help Themselves to Hearing

Here is sensational news for the Hard of Hearing of Snyder and surrounding community. Science has overcome a major type of deafness. Now sufferers from middle ear deafness need no longer wear a Hearing Aid in either ear. No EAR BUTTON—NO HEADBANDS, NO PRESSURE IN EITHER EAR. A FREE Hearing Clinic will be held on Thursday Sept. 14, Manhattan Hotel from 10 A. M. to 5 P. M., by Mr. J. C. Hammer ("Specialist in the problem of the Hard of Hearing") at which time he will check the hard of hearing for their individual problem, and discuss with each the new scientific correction that may be theirs. He will also demonstrate to each sufferer of the middle ear deafness that they no longer need to wear a hearing aid in either ear, thanks to a discovery made by Acousticon, the world's first and oldest manufacturer of electric hearing aids. If you have "middle-ear" deafness or if you don't know what type of deafness you have, you are invited to visit, examine and try this sensational new discovery without cost or obligation — ABSOLUTELY FREE—

Think of it, if you now wear a hearing aid and have this type of deafness, you can take your hearing aid out of your ear forever, say goodby for life to ear buttons and head bands. If you have been too embarrassed to wear a hearing aid in your ear, you may now HEAR AGAIN with thrilling clarity and comfort with absolutely nothing in your ear. Only a limited number of this Acousticon invention are avialable, so come in to this Clinic for one of the great thrills of your life.

This may be the answer you have waited for a thrilling, exciting, new way to hear, science's astounding victory over middle ear deafness. Prove now that you can HEAR AGAIN with nothing in your ear. Attend this free clinic .

ACOUSTICON HAMMER CO.

Governor Turner A Scurry Visitor

The governor of Oklahoma and his oil associates are shown above with C. T. McLaughlin at the Diamond M ranch, west of Snyder, whe re the Oklahomans were guests briefly Saturday morning. Left to right, they are McLaughlin, F. E. Harper, and Roy Turner, governor of Oklahoma. Harper and Turner are partners in an Oklahoma City oil business. —(J. Lawrence Devers photograph).

Altrurian Club Will Hold Luncheon Friday

The Altrurian Club will hold a re-assembly luncheon in the home of Mrs. R. D. English 2304 Thirtieth Street, Friday afternoon at 1 o'clock, according to Mrs. W .R. Bell, Sr., president.

Disbanded the summer since May, the club will hear Mrs. J. O Dodson and Mrs. Ella Cooper discuss points of interest of their European trip.

The luncheon will be a covered dish meeting, with each member bringing a favorite dish.

Newcomers' Club To Hear Talk by Trost

Newcomers' Club, meeting at the Martin's Friday for the monthly program will hear a discussion on latest furniture trends and ideas, according to Mrs. V. V. McGrew, president.

Mrs. Jack Morgan, who is program chairman, has scheduled a talk by Jay Trost of Town and Country Furniture Store. Mr. Trost will tell the club of ideas gathered from several large furniture conventions he attended throughout the summer.

The group will meet at 2:30 o'clock. Light refreshments will be served. A business meeting will follow the program.

Fluvanna Woman Home After Vacation

Mrs. J. R. Brown of Fluvanna has returned to her home after a lengthy visit with her son and family, Mr. and Mrs. A. C. Boren in Paducah, Tex. Before returning, Mrs. Brown also stopped by the home of her son and family, Mr. Mr. and Mrs. J. R. Brown, Jr., in Lubbock.

The Borens brought Mrs. Brown back to her home and visited in this area a week. They are only partially recovered from a car accident last December which injured them seriously. Mr. and Mrs. Boren were in the Stamford Hospital six months. Mr. Boren, a forer resident of this area, is the manager of the Higgenbotham-Bartlett Lumber Co. in Paducah.

Mrs. Heinzelmann Is Hostess At Bridge

Mrs. Gerald Heinzelmann, 1108 Twenty-sixth Street, served luncheon to the Wednesday Bridge Club today.

The group met at Country Club where Mrs. Heinzelmann arranged four tables of bridge.

Bridge Party Tuesday In H. J. Brice Home

Mrs. H. J. Brice, 2712 Avenue U, entertianed the Tuesday Afternoon Bridge Club in her home yesterday afternoon.

Bright yellow fall flowers decorated the room in which Mrs. Brice arranged two tables of bridge.

She served a salad course to Mrs. H. P. Brown, Mrs. J. C. Dorward, Williams, and Mrs. W. J. Ely, Mrs. Joe Strayhorn, Mrs. John R. members. Guests Mrs. Brice had asked to join the group were Mrs. D. S. Bodie, Mrs. John Irwin, and Mrs. Hugh Boren

Famed Actress Dies While Deep In Debt

NEW YORK, Sept. 13. (AP)— June Cowl, one of the country's foremost actresses, was deeply in debt when she died last June.

It was disclosed in surrogate's court yesterday that she left assets of only $3,000 against debts of $15,000.

She had no known relatives.

Big Expansion Planned In The Steel Industry

By SAM DAWSON
(Associated Press Staff)

NEW YORK, Sept. 13 — The steel industry is on notice to increase its capacity to take care of record civilian demand and an additional still-undetermined tonnage for defense.

Congress has just given the President a $2 billion club—the power to lend up to that amount to private industry to swell the size of plants to produce war essentials. He can use this pressure if private industry doesn't expand on its own accord.

HUGE EXPANSION

But the steel industry is already in the midst of one of its largest expansion programs. Between Jan. 1, 1950, and Dec. 31, 1952, the industry's capacity will have been increased by 6,363,000 tons a year, the American Iron and Steel Institute says. This will bring it to a size capable of turning out 105,750,000 tons a year. In the peak war year of 1944 it strained all its facilities to produce 92,800,000 tons.

Already 1,170,000 tons of additional capacity have been added this year, and production now is estimated at an annual clip of 100,600,000 tons of steel ingots. That's 7,800,000 tons better than its best year in the last war effort.

The government thinks it is going to need still more steel. For one thing, what it wants is finished steel, and the industry's present capacity to produce finished steel, as distinguished from steel ingots, is 75 million tons a year. Military needs for the first round of the defense program are put at four million tons of finished steel in the coming year. And that will have to come out of the tonnage which civilian industries would like to divide among themselves. Shortages of many types of finished steel have been reported increasingly in recent months.

OTHERS EXPAND

For another thing, some civilian needs closely linked with defense are expanding. The new domestic transportation administrator, James K. Knudson, says the railroads need 150,000 more cars—all requiring a great deal of steel.

Shipyards building inland towboats and barges have a total backlog of orders for 180 new vessels, says Chester C. Thompson, president of the American Waterway Operators and they are crying for more steel.

The Independent Petroleum Assn. of America has been surveying the oil field pipe situation and reports today that supplies are getting tight and deliveries being delayed.

Olin D. Johnson Calls For Atom Bomb Use If Necessary To Stop Reds

LOS ANGELES, Sept. 13. (AP) — Sen. Olin D. Johnson (D-SC), who says he's tired of "striped pants and cocktail diplomacy," advocates getting tough with Russia, even using the atom bomb.

He told the convention of the National Federation of Federal Employes:

"We should serve notice on Russia without delay that the next act of aggression will mean that the United States will no longer fight in the remote corners of the world but will carry the fight to the very heart of Communist aggression, Russia itself.

"Russia has not progressed as far with the atom bomb as has the United States and I for one would not hestiate to use the atom bomb. The time has come to let Russia know that she can not go on forcing Communism on the rest of the world."

Surrender Tickets Are Bringing In The Reds

ON THE MASAN FRONT, Korea, Sept. 13. (AP) — United Nations surrender tickets are bringing in some Korean Reds.

One Communist came through U. S. 25th Division lines today waving a leaflet. He told an interpreter:

"Please give me more leaflets and I'll bring back other men. They want to surrender but do not have tickets."

He was given ahandful. Ten minutes later he returned with four more Reds.

Parents Keep Children Away From School In Protest Of Program

OAKLAND, Md., Sept. 13. (AP) — A strike by parents of students in the Kitzmiller area boiled over into court today with six parents being indicted in grand jury indictments.

The indictments charge them with "wilfully conspiring" to keep their children out of school. Names of the defendants were not disclosed.

When the Kitzmiller Elementary-High School opened last week 34 of 300 enrolled students turned up. The parents had told officials they were protesting a Garrett County school consolidation program.

Some objected that the new setup made it necessary for their children to travel to schools 17 miles from their homes.

Monday night Walter W. Dawson, president of the county board of education, warned he would take legal action if the strike continued.

Only 30 students reported yesterday.

The law under which the indictments were returned provides fines up to $50 for interfering with the attendance of children at school.

Perricone Quads Pass Army Physicals; To Report To Fort Sill

HOUSTON, Sept. 13. (AP) — The Perricone quadruplets pretty soon may be confusing some Army company clerk.

They passed their draft physical okeh and are going to ask that they serve together.

But not in the infantry. They hope its any branch but the walking one.

Anthony, Bernard, Carl and Donald—20,—the nation's only male quadruplets—came from Beaumont yesterday for their physical.

They'll go from the induction center here to Fort Sill, Okla., in 30 to 60 days.

And what about that poor company clerk?

Well, suppose he's making up the K.P. list. He hits the wrong letter on his typewriter. A. Perricone may pull kitchen police when it should be B. Perricone. Or maybe it'll be C. for D or D for C or C for B. See?

Sign Loyalty Pledges Three Reds Indicted

HYNDMAN, Pa., Sept. 13. (AP) — About 900 of Hyndman's 1,300 residents stood in line in the rain yesterday to sign loyalty pledges in a campaign sponsored by the local Veterans of Foreign Wars post.

Judge Levies Fine On Woman For Horse Bets

MIAMI, Fla., Sept. 13. (AP) — A deputy sheriff testified he found slips with more than $100 in bets in Mrs. Marion Stella's purse but Mrs. Stella, 28-year-old mother of five, concedes the bets were her own.

"How much do you usually bet?" Criminal Court Judge Ben C. Willard asked yesterday.

"Oh, $100 a week," Mrs. Stella replied.

"What does your husband do?"

"He's a painter."

"And you bet $100 a week on horses?"

"Yes."

"That explanation is an insult to my intelligence," said the judge. "Guilty."

He fined her $400 and costs.

Polio Victim Is Back In The United States

HOUSTON, Sept. 13. (AP) — Edward H. Rosenwasser, 22, of Fort Worth, stricken with polio in Europe this summer, arrived here last night by special plane from Frankfurt, Germany.

He was flown here by the Air Force and made the trip in an iron lung. On arrival at Ellington Air Force base he was taken to the Southwestern polio center.
