Tri-State Legion Convention Here Sunday-Monday, April 17-18

INVITE PUBLIC TO ALL LEGION SESSIONS HERE

Convention Will Open With Big Meeting At School Auditorium At 3:00 o'Clock Sunday

Expecting Large Crowd

Many Legion And Auxiliary Officials To Be Present For Tri-State Legion Rally

Sunday afternoon at 3:00 o'clock, will mark the opening hour of the Tri-State Legion rally to be held in Perryton on Sunday and Monday of this week. The opening program will be held at the school auditorium and is open to the public as are all of the convention meetings.

The Sunday afternoon meeting will be in the form of a religious service and will be a program of interest to everyone. Rev. John E. Wilson, state chaplain of Oklahoma for the American Legion will be the principal speaker and the community at large is urged to attend.

The convention program for Monday includes a special service of-ficers school in the morning at 10:00 o'clock, Jack Allen presiding. At the same period the Auxiliary will meet, Mrs. Freeman Garrett, president of the local unit, acting as chairman. At 1:30 in the afternoon special joint session of the Legion and Auxiliary will be held at the American Theatre, G. Ward Moody, district committeeman heading the meeting. A dance at Donley's hall at 8:30 o'clock in the evening will close the day's activities. This dance will also be open to the public as are the other convention affairs.

As a special attraction, the Ellis Theatre has booked for Monday the official pictures of the Detroit national convention, "Legion on Parade". This picture will be shown in conjunction with the regular feature program and a continuous show will be run from 4:00 o'clock in the afternoon until midnight, with shows starting at 4:00 o'clock, 6:30 and 8:45. The banquet that was scheduled for Monday night has been eliminated as it was found that the program was too full to include this feature.

The complete program for the Monday afternoon meeting which will be held under the direction of B. Irvin will include the following numbers:

Lions Club Male chorus, several songs; America, by audience! addressing of colors, Freeman Garrett and Sibley Jines; invocation, Rev. W. Hendrix; introduction of visitors from Oklahoma, Frank E. Prince, introduced by H. P. Lotz; introductions of Texas and

ROAD PROSPECTS

(Reprinted from the Amarillo Daily News of April 14, 1932)

Various Panhandle counties, eager to improve their roads, are more or less stumped at what action should be taken to get an immediate paving program launched. Political "feelers" in the form of public statements and a growing demand that the state divert the gasoline tax fund to the retiring of county bonds have left an air of uncertainty in the minds of most persons. Definite policies of the state looking toward a completion of the main roads to the extent that there will be some semblance of a connected system are the major need of the hour.

Oldham, Hartley and Ochiltree counties are among those in the Panhandle where public sentiment is enthusiastically back of road improvement programs but where there is a division of sentiment as to the policies that should be adopted. One common point of view, however, seems to be the realization that it is only a matter of time until a portion of the gasoline tax will be used by the state to take up outstanding county bonds. The county without roads has the question facing it: When the state starts paying off the bonds of other counties will there be sufficient funds left to build new roads?

LOCAL OFFICER RECEIVE AWARD

W. J. POTTORFF GIVEN NATIONAL POLICE OFFICER CERTIFICATE OF AWARD FOR WORK

W. J. Pottorff, officer in charge of the criminal bureau of identification and investigation in Perryton, was presented with a National Police Officer's Certificate of Award, for his outstanding work in clearing up the Booker bank robbery during February of this year.

The National Police Officers organization of St. Louis gives one award each month to some officer in the United States and the one for February went to Pottorff of this city. It is reported that Pottorff is the only officer in the Panhandle who has ever been given this citation and that there is only one other officer in Texas who has received the honor.

The basis of selection for the award was made in recognition of Pottorff's work in bringing out latent finger prints at the scene of the bank robbery with the subsequent investigation of the subjects, their arrest and the recovery of part of the bank loot.

CIRCUS FOLKS HOLD MEMORIAL SERVICES AT CEMETERY HERE

Circus folks, true to the time honored tradition of the "big top", held memorial services at Ochiltree cemetery last Friday afternoon when the Schell Brothers circus was playing in Perryton, when it was learned that the wife of one of the performers was buried here.

Mrs. Clifford Brooks, wife of the band leader for the Schell Brothers circus, died in Perryton four years ago when Mr. and Mrs. Brooks were here connected with another circus organization. Funeral services for the deceased were held at the Wilson Funeral Home with the local post of the American Legion assisting and the body was laid to rest in the local cemetery.

Lacking only one day of being the fourth memorial, the circus band and the executive staff conducted services at the cemetery, following the afternoon performance. Seven cars of performers were present. Three beautiful wreaths of flowers were placed on the grave while the band played "Long, Long Trail". Dr. Geo. D. Mackey, chaplain of the circus, conducted the short Episcopal services over the grave and the band closed the services by playing "Nearer My God To Thee".

$400,000 BOND ISSUE TO PAVE TWO HIGHWAYS

Nine Inch Caliche Base With Three Coat Rock Asphalt Topping Specified

To Include 65.67 Miles

Bond Issue Identical To One That Carried By 3 To 1 Vote In December

On Saturday, April 16, Ochiltree county voters will go to the polls for the third time to decide on their highway bond issue, both of the previous elections carrying by large majorities. The present election is called for $400,000 for the construction of 65.67 miles of paving over Highways No. 4 and No. 117.

According to the specifications of the highways called for in the bond election, they are to be built with a twenty-two foot caliche base of nine inches in thickness. Over this will be laid a three coat rock asphalt topping which is to be twenty-feet wide. Highways of similiar construction are now under construction in Hansford and Hutchinson counties.

The exact mileage on the two routes is 65.67 miles, No. 4 including 33.7 of this distance and No. 117 the remaining 31.97 miles. The state will share equally with the county in the paving of No. 117, while the Federal and State governments will each pay one-third in the paving of No. 4.

The proposition to be voted is identical to the issue that carried here on December 26 by a three to one vote only to be declared illegal by the attorney general. The first election carried on an issue of $700,000 but was also illegal. All precautions have been taken in the present bond issue to eliminate all of the previous faults and the transcript has been examined and declared correct in every detail by several bond attorneys.

The state highway department has offered to take over the bonds if voted, advance the necessary funds for the construction work and hold the bonds in escrow until a more favorable bond market is available before the county will be required to dispose of them. This offer will save the county a considerable amount by giving it the opportunity of constructing highways when costs are at the very lowest and selling their bonds on a high market.

Dr. G. J. Budd attended the Panhandle District Medical society in Amarillo Tuesday and Wednesday of this week.

Mr. and Mrs. H. C. Sanford returned Sunday after a weeks visit in Kansas and at Enid, Okla.

MUSIC JUBILEE A BIG SUCCESS

FIRST ANNUAL SPRING FESTIVAL DRAWS 150 CONTESTANTS HERE ON APRIL 8-9

Perryton's first annual music jubilee which was held in Perryton on Friday and Saturday, April 8 and 9, was a huge success. Over one hundred and fifty students were in Perryton to participate in the contest. Three bands and five glee clubs were entered in the competitions, beside several instrumental and vocal soloists.

The contest proper was held in the high school auditorium, while the band marching contest was held on the Main street of Perryton on Saturday afternoon in spite of the rain which was falling at the time. Perryton extended to the visitors her reputed friendliness in giving to the school the use of bedrooms and the like for the contestants. We feel confident that contestants left Perryton with a feeling of satisfaction as far as friendliness is concerned.

46 FARM LOANS TOTALS $7,772

ONLY ONE REJECTED IN COUNTY WHILE CHECKS FOR 23 HAVE ALREADY BEEN RECEIVED

Applications for forty-six farm loans have been made in Ochiltree county, according to Guy R. Sheets, county agent, who is handling this work, amounting to $7,772. Returns have been received on twenty-four of these applications, only one being rejected and one other reduced by twenty-six dollars. Checks have been received on twenty-three of these loans.

According to Glen W. Stinnett, field inspector for the Panhandle district, who is working out of the Dallas office organized for the purpose of making the loans under the act of congress creating the Reconstruction Finance, corporation, a meeting is being held in Amarillo at the Herring Hotel at 2:00 o'clock Friday afternoon, at which time several hundred thousand dollars of additional money will be available in the Panhandle during the next two weeks before the final date of accepting loans, which is April 30.

Some confusion regarding these loans seems to prevail in the minds of many farmers in this section, in that they are confusing this loan with former seed loans which are largely a charity measure. Such is not the case with this loan and farmers in this locality should feel free to make applications, if they are in need of money for crop planting or for machinery repairs for crop harvesting.

CHAMBER OF COMMERCE TO BROADCAST FRIDAY OVER KGRS, AMARILLO

Friday afternoon, April 15, at 3:00 o'clock, the Perryton Chamber of Commerce will broadcast over radio station KGRS, Amarillo. A thirty minute program will be used over this station and a varied musical program will be presented.

The program for the broadcast will include musical numbers by the Perryton High school orchestra, the Lions Club Male chorus, a duet number by the Truax brothers and one or more instrumental solo numbers.

Everyone in Perryton and Ochiltree county will be especially interested in this broadcast and should listen in to the program. It will open at 3:00 o'clock and last until 3:30, Friday afternoon, April 15.

School Taxes Lower

School Board Acts To Reduce Tax Levy In Perryton Independent School District

At a meeting of the school board of the Perryton Independent School district, held April 5, it was decided that the school tax levy could be lowered for the next school term. Although the schools have been operated on a close financial margin, the board feels that some lower rate may be set next year due to general conditions. It is not the idea of the board to impair the efficiency of the schools of the district but to keep expenses in line with conditions.

All employees of the district had ten per cent taken from the contracts this past year and an additional reduction of from five to ten per cent has been passed by the board and may be taken this coming year.

Any reduction in taxes will be made in the tax rate rather than in valuations.

DR. BUDD RECEIVES MEDICAL APPOINTMENT

Dr. G. J. Budd was appointed secretary of the medicine division at the meeting of the Panhandle District Medical society held in Amarillo on Tuesday and Wednesday of this week, it was announced.

One hundred, twenty-three medical men and women registered for the session which was declared one of the best in the history of the society.

GOLF TOURNEY STARTS FRIDAY

QUALIFYING ROUNDS MUST BE PLAYED BY SUNDAY; MATCH PLAY ON MONDAY-TUESDAY

Perryton's first annual invitation golf tournament will open Friday of this week with three days devoted for qualifying rounds. Matched play will be scheduled for Monday and Tuesday of next week following the qualifying rounds.

Golfers from three states have been invited to the tournament and many inquiries have been received insuring plenty of interest from clubs in neighboring communities. Players are expected from Texhoma, Goodwell, Amarillo, Spearman, Liberal, Canadian, Higgins, Guymon, Beaver, Shattuck, Dalhart, Hooker, Borger and possibly other points.

All of the trophies for the events have been received and are now on display. Other individual awards and prizes will also be offered to tournament players.

A banquet will be held on Monday night at the Hotel Perryton Coffee Shop at which all players will be present. An entrance fee of two dollars is required of all wishing to play in the tournament.

Will Examine Babies

Red Cross Nurse Will Meet Mothers And Babies At Courthouse Saturday, April 16

Miss Evelyn Cockerell, Red Cross nurse who has been examining the school children of Ochiltree county, will devote Saturday of this week for the examination of babies from four months to four years. Miss Cockerell will be located in the county court room at the courthouse from 10:00 o'clock in the morning until 4:00 in the evening.

All mothers of children between these ages are urged to take them to Miss Cockerell for weighing and examination.

In connection with the Red Cross work being done in this county, announcement is being made of National Child Day which will be observed in Ochiltree county for the first time, May 1. A complete program of the event will be announced next week.

In this connection the following statements made by H. W. Stanley of the Dallas Chamber of Commerce

Visitor Explains Measures To Refund Bonds Out Of Gas Tax

One of the most logical explanations of the question of refunding county bonds out of gasoline tax was presented to a large group of Perryton business men, Wednesday afternoon at a meeting held at the Hotel Perryton, by W. F. Lampe, highway director of the Amarillo Chamber of Commerce.

Mr. Lampe is closely in touch with the state highway commission as well as Judge Ely and Governor Sterling and is well posted on highway matters. In opening his remarks, Mr. Lampe stated that at the present time there were only forty-seven counties in Texas out of 157 counties, that do not have outstanding road bonds. Ochiltree county is in this minority group which includes only sparcely settled counties over the state.

According to Mr. Lampe, all the counties in the thickly populated centers are heavily bonded and that these counties are clamoring for a refunding measure to be passed, using the state gasoline tax for taking up county road bonds. A result of this attitude was the Brooks bill which was passed at the last session of the legislature only to be vetoed by Governor Sterling, Mr. Lampe stating that in his opinion this was done so that the remainder shrdl done so that the remaining small counties could go ahead with their road projects.

At the present time the state gasoline tax brings in a revenue of from thirty-three to thirty-five millions for highway construction. Should a refunding measure pass and be approved at the next session of the legislature it would take all of this amount except a few million. Mr. Lampe stated that if Ochiltree county did not vote their bonds at this election, that it would be at least twenty years before we could expect the state to get out this far with any kind of a paving program with such a limited amount of funds each year to work with.

"When this refunding bill passes, as it is going to do within a very short time", Mr. Lampe stated, "Ochiltree county is going to be left in the mud for many years to come unless they vote their highway bonds. After taking out the twenty-five million dollars required out of the gasoline tax to retire the bonds of the 210 counties who have already voted them, it will leave but a very small amount to be used for new construction. It will take years to supply the connecting links in the highway system down in the state. The Panhandle cannot expect roads to be built entirely out of state funds until all of that construction work is completed.

"Thickly populated sections of the state have completed their road programs. Their highways have

Vote For The Highway Bonds At The Election On Saturday

The following article is not written as a news item and should not be regarded as such. It is an out and out editorial favoring the carrying of the $400,000 bond issue which will come before the voters of Ochiltree county next Saturday, April 16. This newspaper has been for this highway proposition from the inception. We have studied the opposition from every angle and have sifted the many statements, both pro and con on the matter, some of them being true while others were not, and have come to the conclusion that the defeat of this proposition would be one of the greatest steps backward ever made by the citizens of the grand and free County of Ochiltree".

To you, who have followed this discussion on the issuance of these proposed bonds should bear this in mind, that in the discussions which have been public, that the arguments of those speakers favoring the bonds were based on actual figures which were quoted and set forth for the benefit of all. Has it been true of the arguments of those that were against the issue? We say that it has not. When a point went against them, they did not admit it, but met it with the statement that it was not so, however, no conerete evidence was presented to prove that the arguments of the proponents of the bond issue were in error. You, as voters, are the jury in this case. Are you going to demand evidence upon which to make your decision, or are you going to decide, just because a handful of non-progressives say that it is not right to vote this bond issue?

The "ring-leaders" in the fight against this bond issue are more interested in the advancement of other counties than they are of Ochiltree, at least that is our sentiment. None can dispute the fact that the leaders in the opposition are from the extreme outer portions of the county.

Perryton and Ochiltree county are but one. This is not a Perryton issue but one that the whole county is interested in. When the county as a whole progresses, so does Perryton, and when Perryton becomes a bigger and better city, the value of every acre of land in the county increases.

Do we want No. 4 or U. S. 83? If Ochiltree county wants this important highway which runs from the Canadian line to the Mexican border, connecting at both international boundaries with highways which lead far into the interior of both Canada and Mexico, then vote for the bond issue.

A defeat of this bond issue will mean that we lose this route. Public spirited citizens, who had the

OIL Gone...

He Drove from Banner to Sheridan on the GERM PROCESSED "Hidden Quart"

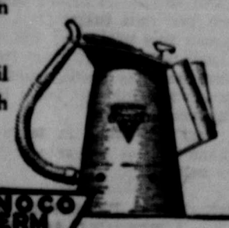

The driver for the Sheridan Motor Bus Company was ready to leave Banner, Wyoming, for Sheridan with his big Reo bus loaded with passengers.

Then he made a discovery. The oil line had been accidentally broken, allowing the Conoco Germ Processed Oil to drain out; and the crankcase was empty. With all Banner closed for Thanksgiving, he could not get oil and had to drive the 16 miles to Sheridan without oil. At Sheridan, inspection showed that the "Hidden Quart" of Conoco Germ Processed Oil had saved the motor from damage!

If Conoco Germ Processed Oil can protect a heavy bus with the crankcase empty, it will certainly give you sure, safe lubrication in everyday driving. It is the only oil that actually penetrates and combines with metal surfaces. That's why a "Hidden Quart" *stays up in your motor and never drains away.* It cuts down wear in the starting period, when other oils drain away and leave parts unprotected. It gives your motor longer life, with fewer repair bills.

Have this extra protection. Change to Conoco Germ Processed Motor Oil at the sign of the Conoco Red Triangle.

CHURCHES

NEWS BY THE MINISTERIAL ALLIANCE

What the Churches Have in Common

metimes the sectarian differences of Christians are emphasized but astors of the Perryton churches believe with the Apostle Paul in avoring to keep the unity of the Spirit in the bond of peace. We are ighting one another but we are united in our fight against sin and deavoring to lead souls to Christ..

Ephesians 4:4-6 Paul tells us about seven things all Christians have mmon irrespective of their church membership. These seven unities lievers are:

ne Body"—That one body is the church and every child of God con- es a part of that body.

ne Spirit"—Every Christian has been brought to God through the ence of the One Spirit.

ne Hope"—Every Christian has the hope of eternal life through st.

ne Lord"—All true Christians acknowledge the Lordship of Jesus in lives.

ne Faith"—All Christians base their hope of salvation through faith sus Christ.

ne Baptism"—"By one Spirit are we all baptized into one body". All stians are born of the One Spirit.

ne God and Father of All"—All Christians are serving the same God He is Father to all of them.

Revival Date

The date of the Baptist revival is May 29. Pastor R. E. Day of Big Springs will do the preaching and Singer C. T. Hodges of Abilene will direct the music. We are announcing this so that there may be as few conflicts as possible with meetings of organizations in the community. There are lots of organizations that are always asking churches to lend a hand in promoting their program but it never seems to occur to them to lend a hand once in a while.

Regular Schedule Resumed

With the close of the Christian meeting our church will resume its schedule of work both for the Sunday services and also for the week day activities.

FULL GOSPEL TABERNACLE

We are announcing our regular services for next Sunday morning, also our Young People's and Children's meetings for 7:00 p. m.

We are dismissing our Sunday evening church service to join in the revival at the Christian church.

McMILLEN NOTES

Earl Waide, Reporter

There were sixty-four members at Sunday school, Sunday, with two visitors. The quarterly report for the first quarter of this year showed an average attendance of sixty-six. We are very proud of this record for this time of year and are trying for an average of seventy-five for this quarter. Plans were made for an all day program to be given on Mother's Day. This will be a joint program commemorating Mother's, Father's and Children's Day. A program committee will be appointed next Sunday.

Mr. and Mrs. S. S. Mallett visited in the S. F. Waide home last Wednesday.

Miss Tula Goodman visited in the home of Mrs. Lucy Taylor this week. Mr. Goodman is moving his family from Texline, where he has lived since moving from here, and will make his home near Arnett, Okla.

Mr. and Mrs. A. R. Cook and family visited in the Audie Conley home Sunday.

Mrs. C. C. French and daughters, Iva and Maida, visited Mrs. Earl Waide Sunday.

Construction work was completed on the Phillip's booster station Monday, and the pump was put in operation. The resident engineers will move their families here this week.

TWICHELL ITEMS

Mrs. Robert Barlow, Reporter

Miss Evelyn Cockerell, the health nurse, was at Twichell school Thursday. We are glad to have her examine the children.

Mr. and Mrs. P. D. Thiessen and family were Sunday guests in the V. C. Carter home.

Jack Crum spent Thursday night with Chester Thiessen.

Mr. and Mrs. V. C. Carter visited Monday night in the P. D. Thiessen home.

Ben Crum visited James Brillhart Saturday night. On Sunday, James spent the day in the Crum home.

Mildred Kinsey and little son, J. A., are visiting in tht M. H. Crum home.

Miss Louise Brillhart visited Monday night with Miss Bess Crum.

Mr. and Mrs. Walter Stollings and family visited in the C. S. Hummer some Monday night.

Mr. and Mrs. Mrs. W. W. Ford, Imogene Bryan and Mrs. Velma McCracken were visitors in the V. C. Carter home Saturday night and Sunday.

P. D. Thiessen and family spent Saturday with the V. C. Carters.

D. E. Kunkel and children, Ernest and Isabell, and Rhinard Kunkel were Sunday dinner guests in the P. M. Phillips home.

Miss La Fern Wooten was a guest of Miss Bess Crum, Friday.

LONE TREE ITEMS

Mrs. Jacob Schwab, Reporter

The Red Cross nurse, Miss Ethlyn Cockerell, did two days of splendid work at Lone Tree last week. There were 22 pre-school age children examined. We wish to thank Dr. G. L. Kengle for his services Friday afternoon. The Community Day was a great success, over 120 ate dinner at the school house and much was accomplished. A fence was built, a cattle-guard was put in, and last but not least 27 Chinese elms were set out. One tree was christened the "Red Cross Tree" and will be cared for by the Junior Red Cross members.

The spelling match, held Friday evening, April 8, was well attended. Lone Tree defeated the First Creek school after a hard struggle. The last one to go down on the visiting side was Mrs. Dixon while Mrs. Byron Pletcher, Mrs. S. P. Whippo, Okla Mae Roberts and Eloise Holdeman were still standing for Lone Tree.

Mr. and Mrs. N. N. Flathers, Notla, spent Thursday night in the Jacob Schwab home.

Mrs. Spencer Whippo attended the Missionary society held in Perryton last Thursday afternoon.

Mrs. T. S. Pletcher and Mrs. Geo. Pletcher and children spent last Thursday afternoon with Mrs. Jacob Schwab.

The school grounds look lots better since it has been fenced and trees set out. The well driller came out on Monday and started work on the windmill and storage tank, that is to be put up.

J. B. Cartwright Sr. spent last Sunday in the home of Mr. and Mrs. Spencer Whippo.

Ben Walker, Twichell, preached at the school house last Sunday morning. Robert Girouard, Perryton, preached in the afternoon.

Monday evening, several men came out from Perryton to the school house where they held a meeting concerning the road bonds. Several musical numbers were sung by the Lions Club Male chorus of Perryton.

The TIRE That Taught THRIFT To MILLIONS!

FIRESTONE tires appeal to the thrifty. They give Extra Values at the lowest prices ever known.

Firestone do not manufacture tires under special brand names for mail order houses and others to distribute. Special brand tires are made without the manufacturer's name. They are sold without his guarantee or responsibility for service.

You take no chances on Firestone tires. They are silent, safe, long-wearing — and each tire bears the Firestone name, which is a guarantee of satisfactory service.

Firestone's greater economies in buying, manufacturing, and distributing make possible these greater values and lower prices.

Stop at our store today. See sections cut from Firestone tires—special brand mail order tires and others. Take these sections in your own hands — compare Quality and Construction. Then you, too, will know why—"*Firestone is the tire that taught thrift to millions!*"

Extra Values

GUM-DIPPED CORDS

The Firestone patented Gum-Dipping process transforms the cotton cords into a strong, tough, sinewy unit. Liquid rubber penetrates every cord and coats every fiber, guarding against internal friction and heat, greatly increasing the strength of the cord body, and giving longer tire life.

TWO EXTRA CORD PLIES UNDER THE TREAD

This is a patented construction, and the two extra cord plies are so placed that you get 56% stronger bond between tread and cord body, and tests show 26% greater protection against punctures and blowouts. It sets a new standard for tire performance on high speed cars.

NON-SKID TREAD

Tough, live rubber specially compounded for long, slow wear. Scientifically designed non-skid gives greater traction and safe, quiet performance.

Sorosis

* * * *

The Fine Arts department of the Sorosis met Wednesday afternoon, April 6, at the home of Mrs. R. T. Correll. Mrs. C. E. Whippo and Mrs. J. H. Woodward were assistant hostesses.

The lesson study was "Three Carolina Artists" led by Mrs. H. I. Hudson. Mrs. W. B. LaMaster, Mrs. J. M. Jackson and Mrs. Dewey Allen discussed the artists and their works. Two delightful vocal duets were given by Mrs. Earlene Jones and Miss Doris Horan.

Mrs. H. W. Lusher, who is a member of the Perryton Sorosis, and state chairman of the Federated pins, was present and gave an interesting talk on her work.

Delicious refreshments were served at the close of the entertainment.

T. E. L. Social

* * * *

Mrs. J. L. Wagnon and Mrs. J. F. Owens were joint hostesses at the Wagnon home, Tuesday afternoon, April 12, for the monthly social and business meeting of their Snuday school class.

A lovely two course menu was served to Mmes. Adell Callon, Ike Sharpe, J. W. Short, J. N. Conley, J. O. Wooten, G. L. Waitman, Clyde Cofer, J. W. Bennett, R. H. Gamel, J. M. Sibley, E. O. Bruner, L. L. Lance, J. F. Klapp, T. W. Johnson, J. A. Jones and J. W. Penn.

Bridge Guests

* * * *

Guests for progressive bridge in the home of Miss Myrtie Conley Saturday evening, April 9, were Mr and Mrs. Robert Lawrence, Mr. and Mrs. J. R. Thomas, Mr. and Mrs. John A. Black, Mr. and Mrs. Frank P. Dodson, Mr. and Mrs. Curtis O. Roach, Mrs. Blanche Reagan and Arch Talley.

Prizes for high score were awarded to Mrs. Dodson and Mr. Talley, while Mrs. Black and Mr. Dodson received the consolations.

Enjoy Weiner Roast

* * * *

An enjoyable time was spent last Friday evening, when S. S. Mallett took his Sunday school class to the Palo Duro. Thirteen boys made the trip but the number did not prove unlucky, for after playing several games, all gathered around the camp fire, where sizzling weiners and marshmallows were roasted until all said "nuff".

The class members who could not go, missed a most delightful evening.

Tres-Mas Club

* * * *

The Tres-Mas bridge club met Thursday evening, April 7, with Mr. and Mrs. Liel Lewellen, 806 Southwest Sixth street. A delicious buffet supper was enjoyed before the games. High score prizes went to Mrs. G. J. Budd and Jack O. Lusher.

Those playing were Mr. and Mrs. Fred Battle, Mr. and Mrs. A. E. Dyatt, Dr. and Mrs. G. J. Budd, Mr. and Mrs. T. D. Moss, Mr. and Mrs. J. B. Bockman, Mr. and Mrs. A. H. Nichols, Mr. and Mrs. H. I. Hudson, Mr. and Mrs. C. B. Rogers, Mr. and Mrs. Jack O. Lusher, Mrs. Henry C. Ranspot and Mr. Lewellen.

Birthday Dinner

* * * *

Little Miss Winona Allen celebrated her eighth birthday anniversary on Wednesday, April 6, and Mrs. Allen prepared a delightful dinner for the occasion and invited the eight cousins of school age to be present.

Plates were laid for Jack Harris Allen, Anna, Cecil, Bryan, Lillian, and AngiNell Tevis, Kathleen Allen, Robert Allen Powers, Jack Morris Allen, Winona, and Mr. and Mrs. R. C. Allen.

Brown-Pearson Nuptials

* * * *

The marriage of Miss Jewel Brown to Mr. Roger Pearson, both of Farnsworth, took place at the Baptist parsonage in Perryton on Friday, April 1. Rev. J. M. Sibley read the ceremony.

The bride was charmingly attired in blue crepe with accessories of white. Her parents, Mr. and Mrs. H. C. Brown, were present for the wedding.

The groom is the son of Mr. and Mrs. D. B. Pearson of the Black community, where the family have lived for many years. He is a graduate of the Perryton high school and of West Texas Teachers college, Canyon. He is an athlete of outstanding ability and won many honors in both high school and college.

Mrs. Pearson has lived with her parents at Farnsworth for the past eight years and has won many friends by her winning smile and pleasing personality. She graduated from the Farnsworth high school in 1931.

These young people will make their home in Farnsworth, where Mr. Pearson has taught as high school principal for the past two years. The good wishes of their many friends go with them in this new undertaking.

Honored on Birthday

* * * *

Mrs. Clyde Cofer served a delightful dinner Sunday in honor of the birthday anniversary of Mrs. J. W. Bennett. Other guests present were Mr. and Mrs. J. M. North, J. W. Bennett and children and the Cofer family.

Dorcas Class Meet

* * * *

The Dorcas class of the Baptist Sunday school met Tuesday afternoon, April 12, at the home of Mrs. Oscar Flowers with Mrs. F. M. McGee and Mrs. A. J. Landrum assisting in the hostess duties.

After a short business session, games of Hearts were enjoyed by all. And later dainty refreshments were served to the eighteen class members present.

Rebekahs

* * * *

On Tuesday evening, April 12, the local Rebekah chapter held their regular meeting. A small crowd was present to enjoy the report of Mrs. J. M. Anderson, the delegate to the Grand Assembly of Rebekahs at Waco.

After the business, a sewing circle was organized to hold weekly meetings during the summer. Mrs. J. W. Wright will be the hostess for the first meeting on Friday afternoon, April 15.

Missionary Social

* * * *

Mrs. T. D. Moss and Mrs. J. C. Hickernell entertained the ladies of the Christian church for their monthly social on Thursday afternoon, April 7, at the Moss home.

The lesson topic, "Education for the Worlds Intellectual Hunger", was interestingly led by Mrs. J. L. Couger. Mrs. M. M. Collier gave the devotional. "Bush School in Congo Land" by Mrs. S. P. Whippo; "China Farmers at School" by Mrs. C. E. Woods; "Rural Education in the Philippines" by Mrs. P. H. Sebastian, and "Short Cut to the Japanese Villiage" by Mrs. J. L. Couger proved very entertaining topics.

Musical numbers were given by Mrs. R. A. Peugh and Mrs. J. Wm. Hart, and by Miss Mary Ellen Moss.

Refreshments were served to eighteen members and Mrs. Frank Keith, Mrs. J. W. Sims and Mrs. Maude M. Stewart, Excelsior Springs, Mo., guests.

Mrs. Budd Hostess

* * * *

Mrs. G. J. Budd entertained delightfully Wednesday afternoon at bridge in her home 1005 Southwest Second street. The lunch sets, tallies and favors carried out the silver effect.

Score favors went to Mrs. J. M. Jackson and Mrs. Fred Battle.

Seated for the games were Mrs. W. C. Herndon, Mrs. Minnie Blank, Mrs. J. C. May, Mrs. R. T. Correll, Mrs. Carl Ellis, Mrs. H. C. Sanford, Mrs. T. D. Moss, Mrs. A. E Dyatt, Mrs. Jack O. Charming Hostess

* * * *

One of the most enjoyable affairs of the week was the bridge party given Wednesday evening by Miss Bessie Littleton and Miss Dorothy McLarty in the private dining room at the Coffee Shop.

Spring was emphasized in the blue bird tallies and table appointments and in the tasty three course menu served at the close of the games. High score prize was received by Miss Spencer, second high by Miss Coffee and Mrs. Shaw won the low score award.

Seated with the hostesses for the games were Miss Helen Mannen, Miss Beth Richardson, Miss Geneva Green, Miss Lola Belle Barbour, Miss Pauline Spencer, Miss Fern Leatherman, Miss Lorene Coffee, Mrs. Jack Shaw, Mrs. C. W. Claybaugh, Mrs. Claud Baber, Mrs. Ralph Shearer, Mrs. Miles Edwards, Mrs. Carroll Dodd and Mrs. Charley Kent.

Susanna Circle

* * * *

The Susanna Circle of the Methodist Missionary society met at the home of Mrs. Paul Bowen on Thursday afternoon, April 7, with Mrs. Wm. Foglesong assisting Mrs. Ballew in the hostess duties.

The study lesson, "Jesus, Our Ideal in Death", and "Jesus, Our Ideal in Resurrection", was ably led by Mrs. J. E. Eldridge. This lesson was the conclusion of the Book, "Jesus Our Ideal".

At the close of the program a very delicious plate lunch was served to eighteen members and guests.

Each Susanna is urged to be present at the next two meetings at the homes of Mrs. C. E. Forbes with Miss Neita Westbrook on Thursday, March 21, and with Mrs. Lewis Boston on Thursday, March 28.

AMERICAN LEGION RADIO PROGRAM PRESENTED SUN.

The radio program of the local post of the American Legion presented over station WDAG, Amarillo, was declared a decided success by listeners who received the program and many compliments have been tended the performers and the local Legion post.

The program, under the direction of G. Ward Moody, went off smoothly and the performers received many words of praise in the dozens of telegrams and telephone calls received during the hour broadcast period.

The local Legion post has been asked to prepare another program for some future broadcast.

G. T. LEATHERMAN THANKS VOTERS FOR THEIR SUPPORT

We have been requested by G. T. Leatherman, who was elected to the city council at the recent election, to express his appreciation to the many who cast their ballot in his favor. Mr. Leatherman states that he was not a candidate for this office, but now that he has been elected, he will do everything in his power to serve to the best of his ability.

TWO MUSICAL COMEDY STARS IN NEW FILM

Jeanette MacDonald left the musical comedy stage two years ago to make her film debut opposite Maurice Chevalier in "The Love Parade" and later gain screen stardom in such pictures as "The Vagabond King", "Monte Carlo" and "Let's Go Native".

The singing actress halted her screen career several months ago to go to Europe on a concert tour. She was forced to postpone an engagement in Berlin where Paramount offered her the featured feminine roles in Chevalier's next two pictures.

She plans to return to Europe to finish her concert engagements after the completion of her second picture with Chevalier.

In "One Hour With You", which comes to the Ellis Theatre Friday and Saturday, both Chevalier and Miss MacDonald have several singing numbers.

Mrs. Paul Bowen went to Canadian Thursday to be with her father, R. Bussell, who has been ill. On Saturday he was much improved and Mrs. Bowen returned home.

POMONA GRANGE TO FARNSWORTH

FIRST MEETING SINCE ORGANIZATION HELD LAST SATURDAY; TO HUNTOON ON MAY 7

The first Pomona or County Grange organized in Texas during the present expansion program of the National Grange, which was formed March 19, held its first meeting since organization at Farnsworth Saturday, April 9, Pomona Master L. R. Conner of Lone Star Grange, Farnsworth, presiding.

After a short business session before noon at which ten new members were received, tables were spread and the usual Granger feed was enjoyed.

Every Subordinate Grange in the county, except one, reported and even though recently established, the Granges at Huntoon and Ochiltree reported good work being done. It was remarked that in most every instance, the agitation for organization of taxpayer's associations, starts with members of the Grange. Resolutions which were read included one thanking the Ochiltree County Herald for cooperation in Grange publicity.

National Deputy Homer H. Holden who is also Lecturer of Oklahoma State Grange was present and made a very inspiring and encouraging talk. Holden especially commended the Pomona secretary, Miss Genevieve Slaughter, on the full and concise report made of the organization meeting.

Pomona Lecturer W. M. Truax, conducted a very interesting roll call on the subject of "land-marks". Many points of interesting information regarding old landmarks in Ochiltree county were brought out and these were all included in a summary by S. P. Whippo, who has made special research in early history of Ochiltree county.

Readings by Mrs. Olin Sheets and little Miss Suzanne Sellers were features of the literary program.

Visitors included C. W. Conner, father of Pomona Master L. R. Conner, and Miss Hattie Hines, Beaver county, Okla.

Invitations were extended for the next meeting by Ochiltree Grange and Huntoon Grange and it was voted to meet with Huntoon Grange, Saturday, May 7.

The fact that everyone of the twenty-one Pomona members in Ochiltree county that were formerly attached to Beaver County Grange, became charter members of Ochiltree County Pomona, evidenced the enduring interest of Grange members.

Reports were heard of the greatest growth of the order for the month of March, recorded in twenty-five years.

Here's Good News:

"THE OCHILTREE COUNTY ROAD BONDS ARE GOING TO CARRY BY A BIG VOTE IN SATURDAY'S ELECTION

CHILTREE COUNTY WILL PROBABLY LOSE ONE OR BOTH OF THE STATE HIGHWAYS IF ROADS ARE NOT IMPROVED!

The highway situation in Ochiltree County is a very precarious position. If we do not pave highways we are almost certain to lose one both of these roads. This is not a scare—s a fact. The state and Federal funds that will take to pave No. 4 through Ochiltree unty, without any county aid whatever, uld be sufficient to pave the road from Cadian north, through Booker to the Oklahoma e, where Oklahoma will gladly connect with oad into Beaver and on to Forgan to Fedl No. 64. This road can be paid for by the te and Federal governments over this te without any aid from Lipscomb County, t as cheap as they can build through Ochile County, with us paying one-third of the t. By routing the highway over Federal 64 m Forgan to south of Liberal, considerable ing could be made in the cost of the highway m Canadian to Liberal.

t has taken citizens of Ochiltree county nty years to work up and get state and deral designations on these two highways. s possible to lose them in one day's time if bonds are not voted next Saturday.

NDS WILL PROBABLY BE REFUNDED OUT OF GASOLINE TAX

We wish to call your particular attention to a ent statement made by Governor Ross rling: "I am still of the opinion that the nties should be refunded the money that y have placed in state highways and that r outstanding bonds should be assumed by state of Texas or other bonds issued in lieu reof."

his idea is gaining strength every day. Ev- county that is voting bonds is another nty that will be in favor of the refunding asure as proposed by Governor Sterling. ry representative to the state legislature is elected by the vote of these counties will equired to favor and sponsor this or a simi- measure. Every time the question has e before the legislature it has come a little closer to being passed. Eventually, as the people of Texas understand the issue, it will be put over in a manner similiar to the way it is now working in practically every state in the union.

Here's The Key To The Situation!

Here Are The Reasons Why The Bond Election Will Carry Saturday!

ALL OF BONDS WILL NOT BE ISSUED!

While the bond issue is called for $400,000 it does not mean that this entire amount of bonds will be issued for the paving of these two highways. In all probability not over $250,000 or $300,000 worth of these bonds will be sold, the balance of these bonds being cancelled. It's a certainty that only the bonds actually sold will bear interest and have to be retired.

It is estimated that $8,000 a mile will cover the cost of construction. Some maintain that it will be less but the actual construction cost cannot be determined until the contracts are let. There is approximately seventy miles to be paved, the cost at $8,000 a mile amounts to $560,000. The county's share of this is about $250,000. That means only $250,000 in bonds would be issued. Interest would be paid only on $250,000 worth of bonds and only $250,000 would have to be retired. This election is really for the issuance of $250,000 worth of bonds. The $400,000 amount given is the highest maximum that could be issued, for the paving of these two roads. No minimum amount is set. The balance of these bonds will never be in existance. They will not be issued.

HANSFORD COUNTY PAVING COSTS

Let's turn to Hansford County and determine these costs. What is true of their road construction will be true of ours. A special road district composed of the southeast precinct voted a $240,000 bond issue. According to Judge King only $120,000 worth of the bonds have been sold and this amount will be sufficient to complete the pavement which is the same type as proposed to be constructed in this county. Judge King also states that with only one precinct to pay the bill, the cost will not run over $20.00 to $25.00 per section per year.

Highways can be constructed just as cheaply in Ochiltree County and with the entire county participating in the cost, it will amount to but a very small increase in present taxes.

COST OF PAVING TO INDIVIDUAL TAX PAYER!

Let's figure this cost out for the individual land owner. The county valuation is a little over $6,500,000. Now supposing it were necessary to issue $300,000 worth of these bonds, which will be more than ample to construct these highways. It will require an interest payment of $15,000. A 24c tax levy on the $100.00 valuation will more than meet this amount. An additional 9c levy would retire two per cent of the bonds. A 33c tax levy would more than pay the interest and redeem two per cent of the bonds.

Land in Ochiltree County is valued for state and county taxation purposes at from $2.00 to $10.00 per acre. A section of the best land in the county is valued at $6,400. A 33 cent levy on this amount would be $21.12. That is the extra cost it would be to the land owner and we doubt if $21.12 a year in extra taxes for paved highways, on a section of the best farming land in the county, will bankrupt anyone.

WOULDN'T YOU PREFER A COUNTY WIDE ISSUE?

If Ochiltree County holds their two state highways, it means a paving program that must be started immediately. The State of Texas is too big to fool away time letting one county hold up an important highway program.

The southwest precinct, without any regard to their promises of supporting an issue to pave No. 117 made in the last campaign, have already tried to create a special road district which if formed would eliminate them from participation in a county-wide proposition. If the present bond election should fail to carry, this precinct will certainly be withdrawn before any further steps can be taken.

That will force the other three precincts to carry all of the burden should the issue be brought up again, as it undoubtedly will. Ochiltree County must save their highways even if this precinct withdraws, leaving only three-fourths of the county to supply them.

ET ON THE BAND WAGON AND GO TO THE POLLS SATURDAY WITH YOUR NEIGHBORS AND FRIENDS AND VOTE FOR THE BONDS!

Progress In The Southwest

(Editor's Note—The following interesting talk on "Progress" was delivered at a recent meeting of the Lions Club by Fred W. Hood, manager of the Panhandle Lumber company.

"In thinking over the matter of progress, this covers so many fields and so much territory, that we decided as there are quite a few Lions that have come to this country from older settled countries where improvements and progress along certain lines are taken as a matter of course, that we would try to cover a little of this part of the Panhandle, and when we say Panhandle, we mean that part of the country lying north of the Canadian river up through Oklahoma or that part of it that was known a few years ago as No Man's land and that part of western Kansas, south of the Akansas river.

"Coming to western Kansas as a small child in the spring of 1887, the closest railroad at that time to to this part of the country was the main line of the Santa Fe at Garden City. We traveled to what is now Seward county on a stage coach, no towns and very few settlers. We remember well the dirt grade of the Rock Island railroad before the steel was placed thereon, for many years there was a little mixed train that started out of Pratt,Kansas, and got to Liberal some time inside of twenty-four hours. Today, this is the main line of that great rail system between Chicago and Los Angeles. Fine towns and cities have built up along this line and the country has developed into one of the greatest farming countries in the United States, and passenger trains carrying the finest equipment make record time over this same grade.

"So many of us are always saying, 'I wish that we had the good old days again.' Let's see, when you turn on your city water for a drink, for your bath, or to water your lawn or any of the other many uses that we have for water do you ever think what progress has taken place in a few short years along the line of this water supply. We remember in those old days in Kansas of going with some older member of the family on a sled drawn by one horse and a cow to a dug, 150-foot well some mile and a half away, hitching this same cow to a windlass sort of an affair that would bring to the surface a half barrel of water at a time when we had made two such maneuvers and our barrel was full we were ready to start home to that half dugout on a claim in western Kansas.

"Today, towns and farms are hardly started 'till there is a supply of water on hand, how well we remember the trials for water the first few weeks of Perryton. Lion Whippo and his friends were trying to get us a supply of water. We have always thought that Lion Whippo was interested in water for he had no doubt drawn many a bucket out of that old dug well southwest of Perryton.

"We have pleasant recollections of seeing Lion Correll, Lion Shindler and several others bringing their water bucket with them when they came to work in hope that they might obtain during the morning a bucket of water for the family at noon, and lucky was the home that got a barrel of that water that some cow did not upset during the night. Lion Shindler had a standing order with several boys for a keg of water so that he could take a bath once in a while.

"One of the bright spots in my memory was the day about forty years ago that Dr. Smith at Liberal took me back in his office, had me stand on a chair so that I might turn a crank on a little box like affair on the wall, and to put a black object attached to this box by a cord to my ear. That was our first telephone which connected the doctor's office with his home and a little later this phone was connected to some of the outlying ranches. These country lines saved many a hard ride for the good doctor when he was needed. Today we talk to any city in the United States in very short order. It has brought the country and towns together, and has been one of the great improvements. In the last few years we have talked to California from Amarillo, and one of our friends told us about his father calling him Christmas Day from London, England. The phone has changed a great deal since that first one we saw forty years ago except one thing, the crank is still there to use for us here in Perryton.

"About the time of the World Fair in Chicago in the early nineties one of our good friends brought to Liberal the most wonderful music boxes ever heard of up to that time. Most everyone was invited in to hear this machine which was one of the first phonographs made by Thos. Edison. To hear this you had to put receivers into your ears and there was as many as six of these receiving sets attached to the machine. We saw people at a picnic that summer stand in line to get to hear this wonderful machine and to pay a dime for each record. Today you are all familiar with the high class recording machines and the radio that by turning a dial you have the finest music in the world in your own homes.

"When a little older we lived on a stock ranch which was about twenty miles northwest of where Perryton is now. This place was 36 miles from Liberal by wagon road up through the hills of the Beaver river. It was a good team that could take a wagon and bring a load back the next day. Outside of saddle horses the only way of travel was with wagons or buggies. We had one horse on the ranch that could take a light buggy and make that trip in four and a half hours and many a trip this same horse made for doctors and other emergencies for the neighbors. This place is a twenty minute drive from Perryton now.

"Soon after Perryton started we thought that we did well to get to Amarillo in a good Model T car inside of seven hours, and today the boy that cannot makeit in 3 hours or less thinks he is having engine trouble, thanks to our good roads and improved cars. Just a few days ago one of our friends out near Perryton was rushed to a hospital in Oklahoma City by plane.

"Today we must have our light, water, phone, cars and all the modern conveniences, and in looking back it seems just a few short years since we did without all of these.

"In closing will say that it seems that most of the progress in this country started less than twenty years ago and the greater part of it has come to us in the last ten.

"It has not been long since we thought a good coal oil lamp was a good light. We have traded the old cook stove that mother burned cowchips in for the electric and gas range of today, the old horse and buggy for the high powered car, the wash tub that Shindler used for our modern bath room and the old music box for the radio in the short time of one man's life that believes he will see greater progress yet in this Panhandle country."

Everyone is invited and urged to come. Get behind this child welfare movement. Children need parents guidance now more than ever before.

FARNSWORTH P.-T. A.

The last meeting for this year of the Farnsworth Parent-Teacher organization will be held in the school gym on Wednesday evening, April 20. A program of special interest is being planned and the delegates, who attended the district convention at Panhandle, Mrs. Steve Hardgrove, Mrs. P. W. Wermske and Mrs. R. W. Stratford, will make their reports.

A social hour with refreshments will follow. A large attendance is urged for this last meeting.

FORNSWORTH P.-T. A. HOLD SPRING ROUND-UP

Mrs. R. W. Stratford, spring round-up chairman for the Farnsworth Parent-Teacher unit, opened her home for the pre-school examination on Wednesday, April 13.

Mothers cooperating and attending were Mrs. H. C. Brown, Mrs. Elfreds Ediger, Mrs. J. M. Morgan, Mrs. C. C. Franks, Mrs. Dean Conner, Mrs. A. K. Wilson, Mrs. Rex Clark, Mrs. Charles Tongate, Mrs. Ed Doores, Mrs. Ben Peckenpaugh, Mrs. Herman Hargrove, Mrs. W. H. Ediger, Mrs. Steve Sargrove, Mrs. J. V. Eads, and Mrs. Wallace Buckhaults.

Miss Evelyn Cockerell, Red Cross nurse, started her day with a class for high school girls, instructing them on the care of small children.

In the course of the morning, Dr. G. J. Budd and Miss Cockerell examined 26 pre-school children, four of whom will enter school in the fall.

Our association wishes to extend thanks to Dr. Budd, Miss Cockerell and all parents who cooperated with them in this round-up.

"FOR THE LOVE OF JOHNNY"

For the encouragement of a community interest, for the support of a worthy cause, for the rewarding of those who really work to serve the public and to have a good time and to spend an evening of real pleasure and profit, attend the play given by the Blodgett P.-T. A. at the Blodgett school house Friday evening, April 15, at 8:15.

This is a play of western setting and western interest and you, as a westerner, will enjoy being a westerner with these western folks.

Quail Raising Profitable Pastime

Farm boys and girls of Texas may find a profitable venture in quail raising to release on their farms, leasing hunting rights, according to W. J. Tucker, state game commissioner at Austin. Here are some of the South Texas blue quail which can be obtained through county agents. They are as easy to raise as chickens, Tucker says.

SOROSIS ACTIVITIES

The Perryton Sorosis club has joined hands with the Better Homes in America movement, which is sponsoring home and yard improvements. The three Sorosis departments, the Current Events, the Home Economics and the Fine Arts, have each given $5.00 in prizes for home improvements.

The Fine Arts and the Current Events have each given $15 and the Home Economics gave $25 for library books.

The club is also working with the City Council in improving the city park. Just recently, $5.00 was spent for awards for high school essays on "The Life of George Washington".

On May 1st a public celebration is being planned in connection with health work, the Sorosis club joining with the county health chairman.

Mr. and Mrs. A. K. Wooten had as their Sunday dinner guests Mr. and Mrs. Oscar Flowers and Mr. and Mrs. R. H. Holland.

Mrs. J. E. Eldridge is in Vernon this week assisting with Methodist training school.

Atlas Flowers, who lives south of town, was brought to the Perryton hospital Tuesday with a severe case of pneumonia.

L. D. Hurn, Higgins, was in Perryton Tuesday visiting with his son, R. P. Hurn.

Mr. and Mrs. T. W. Johnson and Mary Beth were Amarillo callers Saturday.

Mrs. Lester Baumann left Friday for a two weeks visit with relatives in Kansas City, Mo. Bruce is staying with his grandmother, Mrs. P. Rogers, while his mother away.

Mr. and Mrs. J. D. Sims were guests Saturday night and Sunday in the home of his parents, Mr. and Mrs. J. W. Sims.

Mrs. J. B. Williams, Miami, returned Thursday to be at the bedside of her mother, Mrs. J. R. Millen, whose physical condition not improving and she is gradually growing weaker.

Mr. and Mrs. Luther Wade and children spent the day Sunday visiting in the home of her mother, Mrs. Fred Furnish.

K. K. Watson received treatment at the Plaza hospital Monday for broken arm.

Our Last Appeal To The Voters

My friends we are coming out in a short letter in this paper as our last appeal to the voters. We have tried to be reasonable and lenient, we have used no abusive language and made no threats. We are just putting up the best fight that we can for our homes, our children, and to lower taxes. Our friends tried to show us just what it would cost, that looks well on paper but is never borne out by facts at taxpaying time.

We know that by voting the bonds the cheapest sum we can get off with is $760,000. That is what it figures out and figures tell the truth. Now as to this road going out through Lipscomb county, Booker, and Beaver, that is propaganda pure and simple and originated right here in Perryton. Van London, the home engineer, agreed that the road should go south from old Ochiltree and used his influence to put it there, the State Commissioners tentatively agreed with him, but the Federal engineer laid out the road as it now is and said is where we will spend our money.

The state of Oklahoma has located the road on No. 4 to the State line north of Perryton, so that is where the road will go, our friends to the contrary, notwithstanding.

The opposition came out with an open threat that stuck in our craw and caused the writing of this letter. They told us that if we didn't vote these bonds they would withdraw from the Southwest quarter and force the bonds over on the other three-fourths of the county. Now that is a scarehead to catch the unwary and nothing else, and I am calling the bluff right now. Perryton would not dare do such a thing. As soon as they started a petition making it obligatory on the commissioners to call the election, business would pick up. I can't answer for the balance of the county but the northeast quarter would organize almost as a unit to fight Perryton as long as the bonds lasted and I believe the balance of the county would do the same. But don't worry they won't do it.

Another thing, some of your business men have been broadcasting the report that Beaver City is paying for the page ad in last weeks paper. No real He man would have done such a thing without calling up the Ochiltree County Herald and getting it verified. We consider it lowdown, dirty and contemptable politics.

Funny things happen and this is one of them. The business men of Perryton, laborers, cow punchers and farmers are all uniting without a dissenting voice in the organization of a taxpayers league to force down taxes. "Verily, verily I say unto you, let not your right hand know what your left doeth". We will sign the taxpayers league then and go to the polls and vote a tax burden that will cause our gray hairs to go down in sorrow to the grave. Did you read that piece in the Amarillo Daily where it said 39,699 farms had already gone on the block for taxes in the State of Mississippi, being just twenty-five per cent of all the farms in that State. Just think what the conditions will be if this panic holds on from two to four years longer. My friends, do we want to put ourselves in that position? God forbid.

Let me appeal to the God fearing, home-loving mothers of Perryton, don't go to the polls and vote a heavy burden against your children. Rather let's take the slogan Mark Hanna elected McKinley on, "Let good enough alone".

Respectfully,
J. B. CARTWRIGHT

SELECT SPEAKERS FOR COMMENCEMENT

The senior class of the local high school selected Rev. J. Wm. Hart, pastor of the Christian church, to deliver the annual commencement sermon to the members of the Perryton High school on May 15.

It is a custom in Perryton and community for all the local churches to dismiss their morning services and attend the commencement sermon in the school auditorium.

District Judge Ernest J. Pickens will deliver the commence address on the evening of May 20 in the school auditorium.

TO SELECT HONOR STUDENTS

Supt. W. B. Irvin has announced that the valedictorian and salutatorian of the senior class and the winners of the Lusher scholarship medal will be selected this week. Those winning these medals and honors will be announced in El Sombrero next week.

The Lusher scholarship medal is awarded annually to the student in P. H. S. in the eighth, ninth, tenth, or eleventh grade making the highest average in grades for the entire school year by Mrs. W. H. Lusher of Perryton.

The Allen oratorical medal is being awarded for the first time this year by Attorney Jack Allen of this city, this award to be given annually, beginning this year, to the high school student making the most progress in public speaking during the entire year.

DENTISTS MAKE WONDERFUL OFFER

Each of the three dentists of Perryton, namely Dr. E. R. Jarvis, Dr. J. H. Sims, and Dr. Manse Woods has just completed the examination of his quota of school pupils of the county. Much of their time was given to this work and much good will result if pupils and parents will do their best to have the corrections made as the dentist recommends.

All pupils in the county who are in grades 1 to 7 inclusive may see their dentist on any Saturday morning between this time and the closing of school in May. Any work that needs to be done for these pupils will be done for actual cost. Doctors will tell what this will cost before the work is done if parents so desire. This is indeed a splendid offer that is made by these three men and it is to be appreciated. We hope that every parent will see that corrective or repair work may be done at once.

SENIORS SELECT PLAY

The books for the senior play have arrived and work will begin some time this week. The cast has not been chosen, but it will include the entire senior class. "The Love Bug" includes musical choruses and comedies. The play will be given about May 18.

THANKS

We wish to express our sincere thanks to all of those who kept contestants during the "Music Jubilee". We had several rooms offered that were not needed, but we appreciate these just as much as those that were used. This kind of response by our people makes us able to handle these contests successfully.

We wish also to again thank the Chamber of Commerce and Lions Club Male chorus for financing the meet. The total expense was $73.80. This was $1.20 less than the amount allowed by the Chamber of Commerce. We greatly appreciate this help.

PERRYTON BOYS ENTER TENNIS TOURNAMENT

Four boys from Perryton High school entered the annual News-Globe tennis tournament held at Amarillo on April 9. They were: Charles Whippo, and Bill Stark, singles; Wilford Lance and Jack Lovett, doubles.

Charles was the only one to play, winning easily from Lockart, Dumas, 6-0, 6-0. Stark drew Littlefield and Lovett and Lance drew a bye the first round. They were unable to play because of the rain. The boys were accompanied to Amarillo by Coach Haggard and L. L. Lance.

Doubtless the Perryton netters would have given a good account of themselves for the entrants from Perryton have always placed.

BIG CROWD GREETS GOODWELL BOOSTERS

On Tuesday, April 12, the boosters from Panhandle A. & M. college of Goodwell, Okla., visited our city. A large crowd greeted them on Main street, where the P. A. M. C. band played and a miscellaneous program was given. Pauline Bryan addressed the seniors, and President Fanning made an interesting talk. After the program, the boosters drove to the front of the school building where another interesting program was given. The entire school was at that performance, while only the seniors were dismissed for the downtown program.

Over a hundred students and faculty members of P. A. M. C. were present with a twenty-nine piece band. Most of the students wore P. A. M. C. sweaters. A great many of them are former P. H. S. students. We welcome them and their friends and schoolmates to Perryton and invite them back.

Miss Lois Mae Jones was the gracious hostess of a surprise birthday dinner given at her home on Tuesday evening in honor of the seventeenth birthday of Miss Hazel Bryan.

Those present were Hazel Bryan, Revah McLain, Kathryn Orr, and the hostess.

SENIORS ELECT CAST FOR CHAPEL PROGRAM

The senior class had a meeting Wednesday during the physical education period and elected the cast for their chapel program to be given May 12. This will be our last chapel program of the year, and the seniors are planning to have a real good program. The cast is as follows: teacher, Jessie Price; girl graduate, Tommie Lea Hoghland; prophet, Dorothy Freeman; statistician, L. D. Garrison; lawyer, Edwin Lawson; class grumbler, Kathryn LaMaster; historian, Elmer Rupprecht.

SOPHS HAVE PICNIC

On Monday afternoon, April 4, the sophomore class with their sponsor, Miss Mitchell, and E. E. Marshall motored to the Jines Springs. After playing several interesting games a fire was built and everyone had an enjoyable time roasting weiners. About 6:30 o'clock everyone returned home.

MISS COCKERELL SPEAKS TO HIGH SCHOOL GIRLS

Friday morning at 10:15, Miss Cockerell, the Red Cross nurse, will speak to the high school girls in the auditorium. All mothers of these girls are urgently invited to be present. Please come.

TERM THEMES

Term themes on "Chaucer" or "Shakespeare" were handed in Monday, which makes the seniors realize that school is almost out. By several conversations overheard it seems that these men were "great pains in the necks".

HAVE ORATORICAL CONTEST

The local school elimination contest of the National Oratorical contest was held in the high school auditorium on Wednesday night, April 6, at 8 p. m.

Edwin Lawson, speaking on "The American People And The Constitution" was adjudged winner of first place in the contest. He will compete in the district finals to be held in Amarillo on April 21 which is being sponsored by the Amarillo News-Globe.

Margaret Rogers won second place speaking on "The Sacrifice for the Constitution".

Students participating in the contest delivered their original six minute orations and a four minute extemporaneous talk on some subject related to their orations given them by Mrs. Lorean Ulrey, director of public speaking in the local high school.

Contestants in the contest were Kathryn LaMaster, speaking on "The Citizen, His Privileges and Duties Under the Constitution"; Lura Mae Sharpe with, "The Flag and the Constitution"; Margaret Rogers giving, "The Sacrifice For the Constitution"; Arnold Krause, delivering "The Constitution in the Daily Life of the Individual"; and Edwin Lawson speaking, "The American People and the Constitution".

JUDGING TEAMS TO GOODWELL

E. E. Marshall, instructor of agriculture, has announced that two judging teams from the local high school will attend a stock and grain judging contest to be held in Goodwell, Okla., on Friday afternoon and Saturday morning of this week.

Two teams, one stock judging and one grain judging team, each composed of three members with one alternate for each team, will compete in the judging contests.

The two teams will be picked as a result of a field trip to be made by the class earlier in the week.

EDITORIAL

"Surrender and Defeat"
By W. B. Irvin

These two words carry with them many other meanings and attributes such as humiliation, regret, lost hope, remorse, sorrow, chagrin, anger, and retribution.

In American history there have been recorded many incidents of victory and many of defeat—some few of surrender. Surrender is the acceptance of defeat and its consequences. We should be extremely thankful that "surrender" is very rare in our history. One may be defeated and beaten from time to time but there is no need to surrender under ordinary circumstances. Just keep working and fighting and the idea of surrender will vanish, even in the face of defeat.

Our school work may be compared to the above. We may be defeated and often discouraged, but there is no need to surrender completely. We can never stop our efforts. We must work hard at the task set before us and each task will become easier because we have conquered and not surrendered. A strong will to do what is right is a mighty power that never surrenders and seldom knows defeat.

Let every parent and pupil work so that this year of school work may be a source of satisfaction and pride when the final reports are made.

Progress In The Southwest

(Editor's Note—The following interesting talk on "Progress" was delivered at a recent meeting of the Lions Club by Fred W. Hood, manager of the Panhandle Lumber company.

"In thinking over the matter of progress, this covers so many fields and so much territory, that we decided as there are quite a few Lions that have come to this country from older settled countries where improvements and progress along certain lines are taken as a matter of course, that we would try to cover a little of this part of the Panhandle, and when we say Panhandle, we mean that part of the country lying north of the Canadian river up through Oklahoma or that part of it that was known a few years ago as No Man's land and that part of western Kansas, south of the Akansas river.

"Coming to western Kansas as a small child in the spring of 1887, the closest railroad at that time to to this part of the country was the main line of the Santa Fe at Garden City. We traveled to what is now Seward county on a stage coach, no towns and very few settlers. We remember well the dirt grade of the Rock Island railroad before the steel was placed thereon, for many years there was a little mixed train that started out of Pratt,Kansas, and got to Liberal some time inside of twenty-four hours. Today, this is the main line of that great rail system between Chicago and Los Angeles. Fine towns and cities have built up along this line and the country has developed into one of the greatest farming countries in the United States, and passenger trains carrying the finest equipment make record time over this same grade.

"So many of us are always saying, 'I wish that we had the good old days again.' Let's see, when you turn on your city water for a drink, for your bath, or to water your lawn or any of the other many uses that we have for water do you ever think what progress has taken place in a few short years along the line of this water supply. We remember in those old days in Kansas of going with some older member of the family on a sled drawn by one horse and a cow to a dug, 150-foot well some mile and a half away, hitching this same cow to a windlass sort of an affair that would bring to the surface a half barrel of water at a time when we had made two such maneuvers and our barrel was full we were ready to start home to that half dugout on a claim in western Kansas.

"Today towns and farms are hardly started 'till there is a supply of water on hand, how well we remember the trials for water the first few weeks of Perryton. Lion Whippo and his friends were trying to get us a supply of water. We have always thought that Lion Whippo was interested in water for he had no doubt drawn many a bucket out of that old dug well southwest of Perryton.

"We have pleasant recollections of seeing Lion Correll, Lion Shindler and several others bringing their water bucket with them when they came to work in hope that they might obtain during the morning a bucket of water for the family at noon, and lucky was the home that got a barrel of that water that some cow did not upset during the night. Lion Shindler had a standing order with several boys for a keg of water so that he could take a bath once in a while.

"One of the bright spots in my memory was the day about forty years ago that Dr. Smith at Liberal took me back in his office, had me stand on a chair so that I might turn a crank on a little box like affair on the wall, and to put a black object attached to this box by a cord to my ear. That was our first telephone which connected the doctor's office with his home and a little later this phone was connected to some of the outlying ranches. These country lines saved many a hard ride for the good doctor when he was needed. Today we talk to any city in the United States in very short order. It has brought the country and towns together, and has been one of the great improvements. In the last few years we have talked to California from Amarillo, and one of our friends told us about his father calling him Christmas Day from London, England. The phone has changed a great deal since that first one we saw forty years ago except one thing, the crank is still there to use for us here in Perryton.

"About the time of the World Fair in Chicago in the early nineties one of our good friends brought to Liberal the most wonderful music boxes ever heard of up to that time. Most everyone was invited in to hear this machine which was one of the first phonographs made by Thos. Edison. To hear this you had to put receivers into your ears and there was as many as six of these receiving sets attached to the machine. We saw people at a picnic that summer stand in line to get to hear this wonderful machine and to pay a dime for each record. Today you are all familiar with the high class recording machines and the radio that by turning a dial you have the finest music in the world in your own homes.

"When a little older we lived on a stock ranch which was about twenty miles northwest of where Perryton is now. This place was 36 miles from Liberal by wagon road up through the hills of the Beaver river. It was a good team that could take a wagon and bring a load back the next day. Outside of saddle horses the only way of travel was with wagons or buggies. We had one horse on the ranch that could take a light buggy and make that trip in four and a half hours and many a trip this same horse made for doctors and other emergencies for the neighbors. This place is a twenty minute drive from Perryton now.

"Soon after Perryton started we thought that we did well to get to Amarillo in a good Model T car inside of seven hours, and today the boy that cannot makeit in 3 hours or less thinks he is having engine trouble, thanks to our good roads and improved cars. Just a few days ago one of our friends out near Perryton was rushed to a hospital in Oklahoma City by plane.

"Today we must have our light, water, phone, cars and all the modern conveniences, and in looking back it seems just a few short years since we did without all of these.

"In closing will say that it seems that most of the progress in this country started less than twenty years ago and the greater part of it has come to us in the last ten.

"It has not been long since we thought a good coal oil lamp was a good light. We have traded the old cook stove that mother burned cowchips in for the electric and gas range of today, the old horse and buggy for the high powered car, the wash tub that Shindler used for our modern bath room and the old music box for the radio in the short time of one man's life that believes he will see greater progress yet in this Panhandle country."

BLODGETT ITEMS

Mrs. L. W. Austin, Reporter

Mary Pearcy was a guest Sunday of Helen Austin.

Born to Mr. and Mrs. Dennis Reed, Wednesday, April 6, a baby girl.

J. M. Blodgett spent the day Saturday [illegible]sing the Parent-Teacher en[illegible]r the Love of Johnny", which is to be given Friday evening, April 15. ALFALFA SCHOOL NOTES

Iva Threadgill, Reporter

Quite a number attended the circus in Perryton, Friday. The reports were various as to the likes and dislikes of it.

Chas. E. Jackson and family are moving back to the country.

Ray Lynn and family were visiting in the J. H. Callihan home Sunday.

Elizabeth Erard spent Monday night with Opal Sayer.

Nig Freeman visited Lawrence Callihan Sunday afternoon.

Fern and Mildred Rogers were in Waka Sunday visiting their mother, Mrs. Harry Bishop, who is seriously ill. Mrs. Doc Keim is staying with Mrs. Bishop.

Miss Moore spent Sunday with Mr. and Mrs. Herndon.

The party given by Mr. and Mrs. Roy Sheets, Saturday night, was enjoyed by a nice crowd despite the fact that the weather was bad.

Mr. and Mrs. G. L. Patton and children spent Saturday night with the Fred Branhams.

The Grange held regular session Wednesday night. Our Grange is progressing nicely and several new petitions for membership have been tendered.

We would like to correct an error that we made last week by saying our play would be the 29th of April. It is to be given the 22nd, and is free to our friends. School will close with a graduating exercise April 29.

Jackie Callihan and Miss Iva Threadgill were shopping in town Saturday.

C. C. Freeman and A. H. Tandy were in Oklahoma City over the week-end attending to business.

Quite a crowd of young people attended the dance in Perryton, Friday night.

Herman Callihan is improving from a severe spell of rheumatism.

Frank Jackson spent Thursday night in town visiting Mr. and Mrs. Leland Rifenberg.

Little Obera Jackson happened to a painful accident in school Wednesday when her leg was caught in a wagon on which the primary children were riding. The limb was skinned and bruised rather seriously but she is able to be in school this week.

Miss Iva Threadgill was agreeably surprised by a visit from her uncle, E. E. Lewis, Duke, Okla., last Thursday. Mr. Lewis was accompanied by his daughter, Vivian, of Cameron college and her friend, Daisy Rosenbawn.

Miss Lactea King and Cora Lee Tandy called on Mrs. J. H. Callihan and daughters, Saturday.

PARENT-TEACHER

"Five point star" was discussed by Miss Ethelyn Cockerel, Red Cross nurse, at the Mondayafternoon meeting of the Parent-Teacher association. Miss Cockerell said the Junior Red Cross could put across the five point project. She is very desirous of forming a Mother's Conference and will be at the courthouse all day Saturday, April 16. All mothers with children under four years of age, are urged to meet there and have them examined. Special investigation will be given to the birth register.

A vocal solo by Miss Ella Rae Kutch, accompanied by Mrs. J. W. Wilson, was very pleasing. Miss Minnie Feely sponsored a short and interesting play.

Delegates elected for the County Council were Mrs. Dee Caldwell, Mrs. J. M. Jackson, Mrs. W. B. LaMaster, Mrs. W. E. McMillen, Mrs. R. O. James, Mrs. H. C. Brillhart, Mrs. R. T. Correll, Mrs. W. B. Irvin, Mrs. Frank F. Dodson, Mrs. J. H. Woodward, Miss Eugenia Mitchell, Miss Eula Marie Wales and Miss Mary Melton.

The reports of the delegates to the district convention were not given at this time but will be heard at the next meeting Monday evening, April 25. Mrs. J. W. Wilson will have charge of the program on this date and will feature her music pupils. Program to start promptly at 7:45.

Everyone is invited and urged to come. Get behind this child welfare movement. Children need parents guidance now more than ever before.

FARNSWORTH P.-T. A.

The last meeting for this year of the Farnsworth Parent-Teacher organization will be held in the school gym on Wednesday evening, April 20. A program of special interest is being planned and the delegates, who attended the district convention at Panhandle, Mrs. Steve Hardgrove, Mrs. P. W. Wermske and Mrs. R. W. Stratford, will make their reports.

A social hour with refreshments will follow. A large attendance is urged for this last meeting.

FORNSWORTH P.-T. A. HOLD SPRING ROUND-UP

Mrs. R. W. Stratford, spring round-up chairman for the Farnsworth Parent-Teacher unit, opened her home for the pre-school examination on Wednesday, April 13.

Mothers cooperating and attending were Mrs. H. C. Brown, Mrs. Elfreds Ediger, Mrs. J. M. Morgan, Mrs. C. C. Franks, Mrs. Dean Conner, Mrs. A. K. Wilson, Mrs. Rex Clark, Mrs. Charles Tongate, Mrs. Ed Doores, Mrs. Ben Peckenpaugh, Mrs. Herman Hargrove, Mrs. W. H. Ediger, Mrs. Steve Sargrove, Mrs. J. V. Eads, and Mrs. Wallace Buckhaults.

Miss Evelyn Cockerell, Red Cross nurse, started her day with a class for high school girls, instructing them on the care of small children.

In the course of the morning, Dr. G. J. Budd and Miss Cockerell examined 26 pre-school children, four of whom will enter school in the fall.

Our association wishes to extend thanks to Dr. Budd, Miss Cockerell and all parents who cooperated with them in this round-up.

Quail Raising Profitable Pastime

Farm boys and girls of Texas may find a profitable venture in quail raising to release on their farms, leasing hunting rights, according to W. J. Tucker, state game commissioner at Austin. Here are some of the South Texas blue quail which can be obtained through county agents. They are as easy to raise as chickens, Tucker says.

SOROSIS ACTIVITIES

The Perryton Sorosis club has joined hands with the Better Homes in America movement, which is sponsoring home and yard improvements. The three Sorosis departments, the Current Events, the Home Economics and the Fine Arts, have each given $5.00 in prizes for home improvements.

The Fine Arts and the Current Events have each given $15 and the Home Economics gave $25 for library books.

The club is also working with the City Council in improving the city park. Just recently, $5.00 was spent for awards for high school essays on "The Life of George Washington".

On May 1st a public celebration is being planned in connection with health work, the Sorosis club joining with the county health chairman.

Mr. and Mrs. A. K. Wooten had as their Sunday dinner guests Mr. and Mrs. Oscar Flowers and Mr. and Mrs. R. H. Holland.

Mrs. J. E. Eldridge is in Vernon this week assisting with Methodist training school.

Atlas Flowers, who lives south of town, was brought to the Perryton hospital Tuesday with a severe case of pneumonia.

L. D. Hurn, Higgins, was in Perryton Tuesday visiting with his son, R. P. Hurn.

Our Last Appeal To The Voters

My friends we are coming out in a short letter in this paper as our last appeal to the voters. We have tried to be reasonable and lenient, we have used no abusive language and made no threats. We are just putting up the best fight that we can for our homes, our children, and to lower taxes. Our friends tried to show us just what it would cost, that looks well on paper but is never borne out by facts at taxpaying time.

We know that by voting the bonds the cheapest sum we can get off with is $760,000. That is what it figures out and figures tell the truth. Now as to this road going out through Lipscomb county, Booker, and Beaver, that is propaganda pure and simple and originated right here in Perryton. Van London, the home engineer, agreed that the road should go south from old Ochiltree and used his influence to put it there, the State Commissioners tentatively agreed with him, but the Federal engineer laid out the road as it now is and said is where we will spend our money.

The state of Oklahoma has located the road on No. 4 to the State line north of Perryton, so that is where the road will go, our friends to the contrary, notwithstanding.

The opposition came out with an open threat that stuck in our craw and caused the writing of this letter. They told us that if we didn't vote these bonds they would withdraw from the Southwest quarter and force the bonds over on the other three-fourths of the county. Now that is a scarehead to catch the unwary and nothing else, and I am calling the bluff right now. Perryton would not dare do such a thing. As soon as they started a petition making it obligatory on the commissioners to call the election, business would pick up. I can't answer for the balance of the county but the northeast quarter would organize almost as a unit to fight Perryton as long as the bonds lasted and I believe the balance of the county would do the same. But don't worry they won't do it.

Another thing, some of your business men have been broadcasting the report that Beaver City is paying for the page ad in last weeks paper. No real He man would have done such a thing without calling up the Ochiltree County Herald and getting it verified. We consider it lowdown, dirty and contemptable politics.

Funny things happen and this is one of them. The business men of Perryton, laborers, cow punchers and farmers are all uniting without a dissenting voice in the organization of a taxpayers league to force down taxes. "Verily, verily I say unto you, let not your right hand know what your left doeth". We will sign the taxpayers league then and go to the polls and vote a tax burden that will cause our gray hairs to go down in sorrow to the grave. Did you read that piece in the Amarillo Daily where it said 39,699 farms had already gone on the block for taxes in the State of Mississippi, being just twenty-five per cent of all the farms in that State. Just think what the conditions will be if this panic holds on from two to four years longer. My friends, do we want to put ourselves in that position? God forbid.

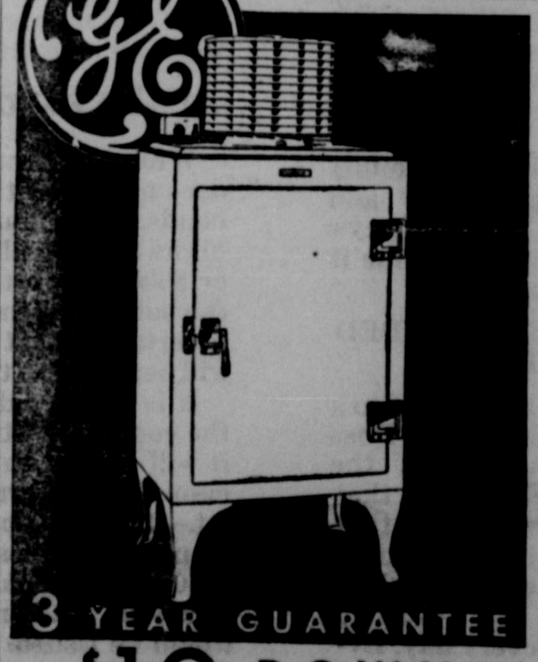

Let me appeal to the God fearing, home-loving mothers of Perryton, don't go to the polls and vote a heavy burden against your children. Rather let's take the slogan Mark Hanna elected McKinley on, "Let good enough alone".

Respectfully,
J. B. CARTWRIGHT

DOCTORS TO EXAMINE PERRYTON PUPILS

The physicians of Perryton will be busy equally in examining the pupils of the city schools just as soon as the nurse has done some of her work.

The four doctors, Dr. W. J. Bewer, Dr. G. J. Budd, Dr. G. L. Kengle and Dr. J. C. May, have given their time to the various rural schools of the county already. This is a valuable service that these men are rendering and each one should know them knew it is appreciated. If their findings are followed up and corrected by pupils and parents the general health of our boys and girls will be greatly improved.

RED CROSS NURSE CONTINUES WORK

Miss Cockerell, the Red Cross nurse, is continuing her work in the Perryton schools during the next two or three weeks.

Parents are invited to attend the examinations of their children.

The following is the remainder of the schedule to be carried out by Miss Cockerell: Monday, April 18—3B; Tuesday, April 19—4A; Wednesday, April 20—4B; Thursday, April 21—5A; Friday, April 22—5B; week of April 25-29—Junior High school; week of May 9—finish—reports, etc.

SELECT SPEAKERS FOR COMMENCEMENT

The senior class of the local high school selected Rev. J. Wm. Hart, pastor of the Christian church, to deliver the annual commencement sermon to the members of the Perryton High school on May 15.

It is a custom in Perryton and community for all the local churches to dismiss their morning services and attend the commencement sermon in the school auditorium.

District Judge Ernest J. Pickens will deliver the commence address on the evening of May 20 in the school auditorium.

TO SELECT HONOR STUDENTS

Supt. W. B. Irvin has announced that the valedictorian and salutatorian of the senior class and the winners of the Lusher scholarship medal will be selected this week. Those winning these medals and honors will be announced in El Sombrero next week.

The Lusher scholarship medal is awarded annually to the student in P. H. S. in the eighth, ninth, tenth, or eleventh grade making the highest average in grades for the entire school year by Mrs. W. H. Lusher of Perryton.

The Allen oratorical medal is being awarded for the first time this year by Attorney Jack Allen of this city, this award to be given annually, beginning this year, to the high school student making the most progress in public speaking during the entire year.

DENTISTS MAKE WONDERFUL OFFER

Each of the three dentists of Perryton, namely Dr. E. R. Jarvis, Dr. J. H. Sims, and Dr. Manse Woods has just completed the examination of his quota of school pupils of the county. Much of their time was given to this work and much good will result if pupils and parents will do their best to have the corrections made as the dentist recommends.

All pupils in the county who are in grades 1 to 7 inclusive may see their dentist on any Saturday morning between this time and the closing of school in May. Any work that needs to be done for these pupils will be done for actual cost. Doctors will tell what this will cost before the work is done if parents so desire. This is indeed a splendid offer that is made by these three men and it is to be appreciated. We hope that every parent will see that corrective or repair work may be done at once.

SENIORS SELECT PLAY

The books for the senior play have arrived and work will begin some time this week. The cast has not been chosen, but it will include the entire senior class. "The Love Bug" includes musical choruses and comedies. The play will be given about May 18.

THANKS

We wish to express our sincere thanks to all of those who kept contestants during the "Music Jubilee". We had several rooms offered that were not needed, but we appreciate these just as much as those that were used. This kind of response by our people makes us able to handle these contests successfully.

We wish also to again thank the Chamber of Commerce and Lions Club Male chorus for financing the meet. The total expense was $73.80. This was $1.20 less than the amount allowed by the Chamber of Commerce. We greatly appreciate this help.

PERRYTON BOYS ENTER TENNIS TOURNAMENT

Four boys from Perryton High school entered the annual News-Globe tennis tournament held at Amarillo on April 9. They were: Charles Whippo, and Bill Stark, singles; Wilford Lance and Jack Lovett, doubles.

Charles was the only one to play, winning easily from Lockart, Dumas, 6-0, 6-0. Stark drew Littlefield and Lovett and Lance drew a bye the first round. They were unable to play because of the rain. The boys were accompanied to Amarillo by Coach Haggard and L. L. Lance.

Doubtless the Perryton netters would have given a good account of themselves for the entrants from Perryton have always placed.

BIG CROWD GREETS GOODWELL BOOSTERS

On Tuesday, April 12, the boosters from Panhandle A. & M. college of Goodwell, Okla., visited our city. A large crowd greeted them on Main street, where the P. A. M. C. band played and a miscellaneous program was given. Pauline Bryan addressed the seniors, and President Fanning made an interesting talk. After the program, the boosters drove to the front of the school building where another interesting program was given. The entire school was at that performance, while only the seniors were dismissed for the downtown program.

Over a hundred students and faculty members of P. A. M. C. were present with a twenty-nine piece band. Most of the students wore P. A. M. C. sweaters. A great many of them are former P. H. S. students. We welcome them and their friends and schoolmates to Perryton and invite them back.

Birthday Dinner

* * * *

Miss Lois Mae Jones was the gracious hostess of a surprise birthday dinner given at her home on Tuesday evening in honor of the seventeenth birthday of Miss Hazel Bryan.

Those present were Hazel Bryan, Revah McLain, Kathryn Orr, and the hostess.

SENIORS ELECT CAST FOR CHAPEL PROGRAM

The senior class had a meeting Wednesday during the physical education period and elected the cast for their chapel program to be given May 12. This will be our last chapel program of the year, and the seniors are planning to have a real good program. The cast is as follows: teacher, Jessie Price; girl graduate, Tommie Lea Hoghland; prophet, Dorothy Freeman; statistician, L. D. Garrison; lawyer, Edwin Lawson; class grumbler, Kathryn LaMaster; historian, Elmer Rupprecht.

SOPHS HAVE PICNIC

On Monday afternoon, April 4, the sophomore class with their sponsor, Miss Mitchell, and E. E. Marshall motored to the Jines Springs. After playing several interesting games a fire was built and everyone had an enjoyable time roasting weiners. About 6:30 o'clock everyone returned home.

MISS COCKERELL SPEAKS TO HIGH SCHOOL GIRLS

Friday morning at 10:15, Miss Cockerell, the Red Cross nurse, will speak to the high school girls in the auditorium. All mothers of these girls are urgently invited to be present. Please come.

TERM THEMES

Term themes on "Chaucer" or "Shakespeare" were handed in Monday, which makes the seniors realize that school is almost out. By several conversations overheard it seems that these men were "great pains in the necks".

HAVE ORATORICAL CONTEST

The local school elimination contest of the National Oratorical contest was held in the high school auditorium on Wednesday night, April 6, at 8 p. m.

Edwin Lawson, speaking on "The American People And The Constitution" was adjudged winner of first place in the contest. He will compete in the district finals to be held in Amarillo on April 21 which is being sponsored by the Amarillo News-Globe.

Margaret Rogers won second place speaking on "The Sacrifice for the Constitution".

Students participating in the contest delivered their original six minute orations and a four minute extemporaneous talk on some subject related to their orations given them by Mrs. Lorean Ulrey, director of public speaking in the local high school.

Contestants in the contest were Kathryn LaMaster, speaking on "The Citizen, His Privileges and Duties Under the Constitution"; Lura Mae Sharpe with, "The Flag and the Constitution"; Margaret Rogers giving, "The Sacrifice For the Constitution"; Arnold Krause, delivering "The Constitution in the Daily Life of the Individual"; and Edwin Lawson speaking, "The American People and the Constitution".

JUDGING TEAMS TO GOODWELL

E. E. Marshall, instructor of agriculture, has announced that two judging teams from the local high school will attend a stock and grain judging contest to be held in Goodwell, Okla., on Friday afternoon and Saturday morning of this week.

Two teams, one stock judging and one grain judging team, each composed of three members with one alternate for each team, will compete in the judging contests.

The two teams will be picked as a result of a field trip to be made by the class earlier in the week.

EDITORIAL

"Surrender and Defeat"
By W. B. Irvin

These two words carry with them many other meanings and attributes such as humiliation, regret, lost hope, remorse, sorrow, chagrin, anger, and retribution.

In American history there have been recorded many incidents of victory and many of defeat—some few of surrender. Surrender is the acceptance of defeat and its consequences. We should be extremely thankful that "surrender" is very rare in our history. One may be defeated and beaten from time to time but there is no need to surrender under ordinary circumstances. Just keep working and fighting and the idea of surrender will vanish, even in the face of defeat.

Our school work may be compared to the above. We may be defeated and often discouraged, but there is no need to surrender completely. We can never stop our efforts. We must work hard at the task set before us and each task will become easier because we have conquered and not surrendered. A strong will to do what is right is a mighty power that never surrenders and seldom knows defeat.

Let every parent and pupil work so that this year of school work may be a source of satisfaction and pride when the final reports are made.

been paved. Now they are faced with the necessity of retiring the bonds and they are going to do it by voting a refunding measure and pay them out of gasoline tax. The time is not long distant until the gasoline tax we send to Austin will start refunding bonds instead of building more roads," Mr. Lampe continued.

"Does it seem reasonable to believe that forty-seven counties who do not have road bonds can control the vote of the legislature over 210 counties? And once the refunding measure is passed it will end highway construction in the Panhandle. Vote your bonds now, construct your highways, and then when the refunding bill is passed, let the gasoline tax refund your own bonds while it is retiring the bonds from the thickly populated counties", Mr. Lampe concluded.

are especially interesting:

"Preventable disease may be properly classified as negligent homicide when the people of Texas realize this, they will wipe out this scourge that is infinitely more destructive than wars. Immunization and vacation are means which science has given us for the elimination of disease and failure to avail ourselves of them is nothing short of criminal. To say nothing of its humanitarian meaning, the economic loss to the nation through preventable disease is appalling, being estimated at $50,000,000 annually and to the State of Texas $1,000,000.

Texas is the only state in the nation that has not reached the first milestone in public health. This milestone was set by the colonies when in 1639 they enacted a law providing for birth and death registration. Today there are many counties in Texas that have no record of vital statistics and in consequence not a few of the state's ex-soldiers are fighting for their lives unaided because no birth certificate can be found. We deplore our low ranking in literacy. We should awaken to our low ranking in a more vital thing—public health. Texas ranks 30th in public health, Arkansas 8th.

Texas has a sanitary livestock commission for whose work the legislature appropriated last year $500,000. For all measures that might be interpreted to be in the interest of the child, the appropriation was $217,000. The comparison is illuminating."

VOTE FOR BONDS

(Continued from page 1.)

interests of the county at heart, have given freely of their time and money to get the route of this most important highway, No. 83. Here is what will happen if this bond issue does not carry. The Texas Highway Department can build No. 4 stright north from Canadian to Booker, thence north to the Oklahoma line, where we know that Oklahoma will gladly connect with a highway south from Beaver City. From Beaver City, it is only a matter of a few miles north to intersect Federal No. 64, which runs west, then when just south of Liberal, the route can again be picked up straight north to Liberal. The above route as lined out is where Federal 83 will be located if this bond election is defeated. It will be far less expensive for both Texas and Oklahoma to route Federal No. 83 through Booker, Beaver, Forgan, than through Perryton, and don't think for a minute that this won't be done. Miss Maude Thomas, a resident of Beaver City, has recently been appointed to the Oklahoma State Highway commission. We are personally acquainted with Miss Thomas, know that she is well qualified for the important position which she now holds, but we also know that she is looking out for the interests of Beaver City.

What we have outlined above will happen. Federal 83 and Texas 4 will never enter Ochiltree county. This is no idle dream or just an argument to vote for the highway bonds. We know what we are talking about, and we have letters from the state highway commission of Texas to back up every word of this statement. We do not blame the citizens of Beaver City. That they have been able to pull the wool over the eyes of some of our citizens is to their credit, but not to the best interests of Ochiltree county.

Some have raised the question that the anti-bond advertising in last weeks issue of the Herald was paid for by Beaver City. Now here is the "low-down" on that proposition. Our contract was with J. B. Cartwright and J. H. Lawson, both of whom live in the east part of the county. Beaver City in no way entered into the deal and we feel in fairness to both sides that we should bring this matter to the attention of all.

We feel that very little, if any tax will ever be collected on these bonds. Thirty-seven states in the union have already adopted the gasoline tax method of building state highways and refunding counties for bonds already voted to build and construct state roads. Texas, in our opinion, will provide some legislation to do this at the next meeting of the governing bodies. It may be a straight refund from the present four cent gasoline tax, which we rather think it will be, or it might be a state highway bond issue. But whatever method is provided, the refund is bound to come. The only sound method to build state highways is by a tax on the user, by means of a gasoline tax, and Texas legislators are going to take this tax off the land owner and put it on the user of the highways, where it justly belongs.

As to the cost of the pavement, were the individual property owners required to pay it all, figure it out for yourself. Even the opponents of the bonds state that it won't cost over $8,000 a mile to put it down. Some say it will be even less, so much the better, for the cheaper the construction costs, the less Ochiltree county will be required to put up. The two routes total less than seventy miles. At $8,000 a mile this amounts to $560,000. The county's share of this is $250,000. That would mean that $150,000 worth of the bonds would never be issued. We certainly wouldn't have to retire bonds that weren't issued.

But supposing the roads cost even as much as $300,000 to construct. The county valuation is a little over six and one-half million dollars. A tax levy of twenty-four cents on the $100 valuation would more than meet the interest at five per cent. Nine cents in addition would retire two per cent of the bonds. A thirty-three cent tax levy would more than pay the interest and redeem two per cent of the bonds.

With a valuation on land of from $2 to $10 per acre in this county, it would only cost the owner of the best section of land in the county the small amount of $21.12 in additional taxes. The first possible assesament will come in October 1934 at which time one-half of the taxes would be due and the second half payment in April 1935. This will give ample time to allow the legislature to put through their tax refund measures.

If this bond is voted down, Precinct 3 will withdraw and create a special road district so that they cannot be included in another county-wide bond issue. They have already tried to do this but failed by a slight technicality, or they would not be included in this issue. If the proposition should be brought up again, as it is almost certain to be, it would leave only three precincts to vote the bonds. With the elimination of the almost solid opposition in Precinct 3, the bonds would carry by a large majority, but it would leave only three-fourths of the county to support them. Doesn't that sound logical? And it's the absolute truth.

This isn't Perryton's fight—it's Ochiltree county's fight. These are not entirely Perryton highways—they're for everyone. Now with only one day remaining before the bond election, get in the harness and put this election over, even in a bigger way than you did it last time and the time before.

The Ochiltree County Herald is predicting an overwhelming vote in favor of the bonds. Get on the band wagon and support them. Vote for progress and permanent improvement. Lift Ochiltree county out of the mud by voting for this highway program. We're counting on you.

Special Program Monday

Ellis Theatre Presenting "Legion On Parade" As Convention Feature For Monday

A special feature attraction at the Ellis Theatre for Monday will be the showing of "The Legion On Parade", official pictures taken at the Detroit convention of the American Legion last fall. This will be shown in conjunction with the regular picture program.

Because of the timely booking of this attraction, the Ellis Theatre management has decided to run a continuous show from 4:00 o'clock in the afternoon until midnight, in order that Legionnaires and Auxiliary members attending the Tri-State Rally here on that day may have an opportunity of seeing this picture.

The regular picture program will be William Haines in "Are You Listening?" This film is taken from the Colliers story by the same name and deals with "backstage" life in a big radio broadcasting station. A big cast of stars are in the supporting cast.

CHARLES N. ROWE

Charles N. Rowe, for many years a resident of Texas died suddenly following a collapse on the streets in Perryton, on March 30, 1932. The deceased was born December 20, 1862, in Giles county, Tenn. In 1879 he moved to Texas, settling in Montague county, near Dye Mound. He was married to Miss Ada Burk in 1882, the wife dying three years later. Two children were born, one dying in infancy, the other, Mrs. W. A. Jones survives and lives in San Antonio, Texas.

There are four brothers who survive: A. W. Rowe, Cokoma, Texas; H. M. Rowe, Rush Springs, Okla.; J. T. Rowe, Crawford, Okla.; and C. M. Rowe of this city, with whom he has made his home for the past two years.

Mr. Rowe underwent a major operation several months ago and seemingly had recovered from it. It is said of him, by those who knew him, that he was of a delightful disposition and splendid character, and always ready to assist those in need. During the short time that he had lived in this community, he had made friends by the score.

Funeral services were conducted at the Gray church on Saturday, April 2, by Rev. W. C. Bryan, after which the remains were laid to rest in the Gray cemetery.
