The commission also voted to pay \$23,000 in refunding bonds, bringing to \$39,150 worth of bonds that will be called, and paid.

Guard Unit To Have Open House

Cisco National Guardsmen will intensify recruiting efforts during the coming weeks using as a springboard a February 24 observance of George Washington's birthday — a date symbolic of the establishment of the hometown militia.

The public has been invited to attend special ceremonies at 7:30 p. m. Monday, Feb. 24, at the National Guard Armory, which will include a program and refreshments, according to Winford Hogan. A Washington birthday cake will be decorated with candles representing the number of new men sought in the recruiting campaign.

Captain Hogan has outlined plans for a six weeks long program to acquaint young men with the National Guard and more specifically the role of the Cisco unit in the Nation's defense. The goal will be a sufficient number of enlistment to bring the Cisco unit to its authorized strength of 43 men.

The Cisco Guard unit is a part of the 49th Armored Division's 3d Battalion of the famous 132d Artillery. Its history traces to the Civil War times with services in every major conflict including the Cold War call-up of the 49th Armored Division in 1961.

Final Rites for H. R. (Pop) Garrett Held Tuesday Afternoon in Eastland

MR. GARRETT

Funeral Services for County School Superintendent H. R. (Pop) Garrett, 67, were held at 3:30 p. m. Tuesday in the First Methodist Church in Eastland. The Rev. Ray Cameron, pastor of the First Christian Church of Eastland, officiated, assisted by the Rev. Almon Martin, pastor of the Cisco First Christian Church.

Mr. Garrett died at 3:30 p. m. Sunday in Eastland Memorial Hospital. He was hospitalized Nov. 25th following a heart attack but had returned home. He suffered a second attack Saturday night and returned to the hospital.

County superintendent for the past 10 years, Mr. Garrett, known affectionally all over this county and area, as "Pop," was a veteran educator.

Burial was in Cisco Cemetery under the direction of Hamner Funeral Home.

Born March 4, 1896, in Milligan, Tenn., Mr. Garrett attended Texas Christian University and was a graduate of Lincoln Memorial University and earned his MA degree at Howard Payne College. He did graduate work at the University of Michigan and at Hardin-Simmons University.

In 1942-43 he taught at Riverside Military Academy at Gainesville, Ga. He moved to Cisco in 1927 and was coach of the girls basketball team at old Randolph College (now Cisco Junior College) that won the National AAU championship that year. He was a TCU letterman in football, basketball and tennis.

He taught and coached in the Cisco public schools and had served as Junior high school principal. He was vice president and registrar of Cisco Junior College as well as teaching there several years.

The Eastland Lions Club of which Mr. Garrett was a member, held a brief memorial service in his honor at the regular meeting Tuesday noon. The regular program was cancelled, and the club adjourned following the special service.

President of the Lions International Counsellors of Texas at the time of his death, he was a past Lions District Governor of District 2-EI.

A member of the permanent committee on admittance for the Lions Crippled Children's Camp at Kerrville, he held membership in the Veterans of Foreign Wars; was a life member of the Texas Parent-Teachers Association; past commander of veterans of World War I; Texas Association of School Administrators; and Texas Association of County School Superintendents. He was a member of the Masonic Lodge and the Eastern Star.

From 1927 until 1955 he was a member of the First Christian Church in Cisco and while an elder in that church, ordained as a minister, his son, Jack K. Garrett. He was a member of the Eastland First Christian Church and an elder there since moving to Eastland in January, 1955.

Survivors include the son, now pastor of the First Christian Church of Brownfield; two daughters, Mrs. G. Roy Heifrin of Hutchins, and Miss Dorothy Garrett of Eastland; two brothers, Ralph W. Garrett, a retired professor of TCU, Fort Worth, and Wade D. Garrett of Knoxville, Tenn.; one sister, Miss Beatrice Garrett of Washington, D. C.; and six grandchildren.

Lions Pay Tribute To Counselor Garrett

Words spoken in memory of H. R. (Pop) Garrett by O. L. Stamey of Cisco, during a special service at the Eastland Lions Club Tuesday afternoon:

"My fellow Lions and friends, today I'm sure that you, as I do, feel the great loss of not only a wonderful Lion but a true and sincere friend.

"It is on occasions such as this that words are inadequate and seem to have a hollow sound — but by your very presence, coupled with the words spoken and by the many acts of kindness — you have shown your appreciation for and respect to Lion Pop Garrett.

"Pop was not only a fine Lion, he was a good man. For many years our lives ran a parallel course and I found that he always stood for the right and did the proper thing as he saw it.

"He was a good father to his children, all of whom are making outstanding contributions to society today.

"He loved his church and served it well in many capacities. He was loyal to the many worthwhile organizations with which he was affiliated — Pop Garrett was his own man.

"And then, he was his neighbor's man — being a very friendly person and having the love for his fellowman in his heart. Many of his deeds of kindness went unnoticed. His was a long career of teaching and coaching — and thousands of his former students will mourn his going. There is scarcely a village or city in this state and others, but that someone will say, 'Yes, Pop Garrett helped me when I was a student in Lincoln Memorial University, Randolph College, Riverside or Cisco Junior College.'

"He was liked and talked with equal grace with the highest and the lowest and was loved by all.

"And then we can say: Pop Garrett was his country's man. He volunteered for service in World War I, serving in France and Germany. He offered his services in World War II and later taught in a military school in Georgia. He has been active in veterans organizations and has driven long miles to aid some buddy in his fight for life in a veterans hospital. He loved his home, his state and the flag he served.

Then with the reading of one of Mr. Garrett's favorite poems, "Crossing the Bar," and a moment of silent prayer, the club was adjourned.

Former Olden Man Dies; Rites Held Tuesday

Virgil A. Stewart, 73, of Compton, California, a former Olden resident, died in a Lynwood, California hospital.

The body arrived in Eastland Sunday. Funeral services were held at 2 p. m. Tuesday in the Eastland Church of Christ, with the minister, Larry Marshall, officiating. Burial was in the Eastland Cemetery with Hamner Funeral Home in charge.

Survivors are one daughter, Clara Toelker of San Angelo; two grandchildren; two brothers, Andy of Austin and William of Compton; and two sisters, Mrs. Alma Banta of Compton and Mrs. Minta Meroney of Odessa.

Pop Garrett Easter Seal Mail Continues

The 1964 Easter Seal mailing program will go forward as planned by the late H. R. (Pop) Garrett whose name appears on the envelopes for the contributions, according to Mrs. Marene Johnson, president of the county society.

Mr. Garrett was a loyal worker in the interest of Easter Seals for Crippled Children Society of Eastland County and gave much of his time and service in this work. The Society and Staff feel, as a tribute to his good work and interest that the program should be completed as he planned it, she said.

One Thing After Another —

... may and does happen in the life-span of every business. We all have our good days as well as bad. Yesterday, we had the Cuban crisis. Today it's a tax cut which, politicians say, will fix us up until after the National Election. Insurancewise where do we stand? Only a few days ago we had the official announcement that 1963 had a record fire loss of 1.4 billion dollars, an increase of 11 1/2% over 1962. Yes, it's bad news, but a good business signal for us to hang on to our insurance.

If desserts are a "must" at your house as they are at most, you'll find this a tasty treat on days when you are looking for something quick and easy.

I discovered the recipe in a book about Jacqueline Bouvier Kennedy. She exchanged the recipe, one of her favorites, with her dressmaker.

PINEAPPLE PLUFF

Combine a can of shredded pineapple, a tablespoon of lime or lemon juice and half pound of cut-up or miniature marshmallows and put on ice until chilled.

Before serving, whip cup of heavy cream, season with two tablespoons of sugar and fold into pineapple mixture.

Remember, if you have a favorite recipe — and everyone does — or a helpful household hint, send it to this column in care of Box 29, Eastland.

CADET C. R. THOMPSON Cadet Thompson Makes First Solo In Jet Trainer

Marine Aviation Cadet Charles R. Thompson, son of Mr. and Mrs. Joseph O. Thompson of 213 South Walnut, Eastland, made his first solo in a jet trainer, January 20, while undergoing flight training with Training Squadron Seven at McCain Field Naval Auxiliary Air Station, Meridian, Mississippi.

He made this memorable flight in a North American "Buckeye" jet trainer after having flown approximately eighteen hours of dual instruction.

Before entering the service in 1961, Thompson attended the University of Texas at Austin.

PIN CHATTER

By LYNELL TEMPLE

Twelve year old Grady Gregory had a 195 game in the Junior League at Fiesta Bowl. That is a pretty big game for such a little guy.

After games of 181, 168, and 171 for a nice 520 series on February 4th, Winnette Maynard came back Tuesday night and bowled a 198 game. Winnette says she is saving her 200 games for the state tournament. Frances Dooley, who has a 119 average on the Hollywood Vette team bowled a 188 game Tuesday night. Betty Thurman rolled a nice 200 game for her team, Modern Dry Cleaners.

On the Monday night Mens League Leo Gann rolled games of 187, 178 and 203 for a 568 series. James Smith had a 558 series with a 205 game. Harry Jordan bowled a 209 game and a 546 series.

In the Thursday night Couples League Raymond Beck bowled his first six hundred series, and what a series! Raymond bowled a 223-179- and a big 251 for a 653 series.

Following the couples league on the men's League Holman Bagwell rolled nine strikes out of a possible 12 for a big 259. T. M. Temple strung six strikes for a 221.

We are all proud of our new bowlers. Judy Inzer in her first season on a league, started the year with a 75 average. After 59 games Judy now carries a 110 average. Wednesday night she bowled a nice 184 game.

He is president of the Junior Class of Jeff-Davis High and was elected the most popular all-around boy in the school.

He is the son of Mr. and Mrs. Clyde C. King of Houston.

Olden W.M.U. Has Royal Service Program

The Olden Woman's Missionary Union met at the Baptist Church Monday for further study of "The Chaplain and His Work", this having been taught in the book "Apogee" last week by Mrs. Onis Dick.

The meeting was called to order by Mrs. J. D. Browning, and the opening song was "Onward Christian Soldiers" with Mrs. Jim Thackerson at the piano.

Call to prayer was by Mrs. E. W. Griffin, who also led in prayer for the missionaries and their work, and for the upcoming week of prayer.

The program was in the form of a panel discussion. Mrs. Browning acted as interrogator, and other members formed the panel. Many interesting facts about this work in the four fields was brought out in the discussion.

The work of the institutional Chaplain was discussed under the direction of Mrs. I. E. Talley, who also brought out some very important qualifications of any Chaplain, mainly the call of God, and the leadership of the Holy Spirit.

Mrs. Pete Rogers told of the duties, privileges, and opportunities of the Hospital Chaplain, in witnessing to patients and their relatives.

The Industrial Chaplain, the newest of the four, was explained by Mrs. Ola Mae Jackson, the qualifications of which seem to be the strictest, as employers seem to look into background, training, ordination and denomination.

All members took part in the closing meditation, then had silent prayer, with audibly closing prayer by Mrs. Browning.

Mr. and Mrs. Bill McFadden of Duncan, Oklahoma came to Mrs. Browning and after they visited her and Mrs. A. L. her two brothers Mrs. Butler, Eastland and Mr. Hazard of Meridian.

Mr. C. L. Hume home last Saturday Gorman Hospital has been confined several weeks from a cold which he caught while on duty.

The bride is the daughter of Mr. and Mrs. Marcus Leonidas Johnson of Kilgore. Dorr is the son of Mr. and Mrs. Floyd Scott Dorr of Eastland.

Mrs. C. D. Wyatt, organist, presented traditional wedding music.

The bride, given in marriage by her father, wore a full length gown of white silk face satin with chapel length train designed with draped belt crossed over in back, short bolero with oval neckline and long sleeves tapered to petal points. A crown of lace, pearls and crystals secured her waist length veil of white silk illusion.

She carried a crescent arrangement of frenched white carnations and stephanotis with tulle and satin streamers, accented with miniature ivy. She wore her grandmother's pearl and diamond heirloom lavalier and carried a lace handkerchief.

The bride's attendants were Mrs. James O. Gillaspie of Dallas, matron of honor, and Miss Bebe Woolley of Kilgore, maid of honor. Their floor length gowns of pale blue delustered satin featured scooped necklines accented with a pearl necklace. Small blue satin roses centered on a circle of blue illusion tulle formed their headdresses and they wore short white gloves and carried nosegays of pink, blue and white carnations.

David Allan Reeves of Kilgore was ringbearer and Tammy Todd of Kilgore was flower girl.

Bert Fisher of Odessa was best man, and Larry Edgeman of Odessa served as groomsmen. Ushers were George Orgeron of LaMarque, Seth Downs of Dallas and Joe Johnson of Kilgore.

The bride's mother

wore a street length dress of roses and surmounted by a cornflower blue chiffon and lace with matching hat and accessories. Her corsage was of pink carnations.

The bridegroom's mother selected a street length three piece suit of gold silk with a floral hat of complimentary spring colors. She wore a corsage of gold baby orchids.

A church reception followed in Laird Hall. A white taffeta cloth overskirted with ruffled net and accented with white velvet ribbon and bows covered the bride's table. The serving table was spread with Italian cutwork and appointed in crystal. Silver candelabra with white tapers and a silver and crystal epergne holding an arrangement of white stock and chrysanthemums formed the centerpiece.

The three tiered wedding cake decorated with sugar

Stock and gladioli decorated the piano. Guests registered in a bride's book placed on a table laid with white net.

For traveling to Hot Springs, Arkansas, the bride chose a white wool suit and coat with matching white lizard accessories and a blue and green silk hat.

The couple will reside in Dallas after February 15.

A dinner and reception, in honor of the bride and groom was held on Friday evening Feb. 7, at the Community Inn in Kilgore by the parents of the groom, Mr. and Mrs. F. S. Dorr of Eastland.

Mrs. Dorr graduated from Kilgore High School and attended Kilgore College. She received her degree from North Texas State University.

They are, from left to right: Sharon Sayre, daughter of Mr. and Mrs. Frank Sayre, queen; Terry Treadwell, son of Dr. and Mrs. M. A. PRINCE ALTON SPEAKS FOR FIRST BAPTIST BANQUET

Magic was the theme and the Rev. Prince Alton, associate pastor of Calvary Baptist Church in Abilene, was guests speaker for the annual Sweetheart Banquet at the First Baptist Church in Eastland Saturday evening.

Rev. Alton, grandson of Mr. and Mrs. Edgar Alton of Eastland, entertained with humor and piano monologues, closing with a brief inspirational message.

Mr. and Mrs. Bill Frazier were in charge of decorations and the Fellowship Hall of the Church was a "magic-land" of color, reflecting the theme. An "inner hall" was created with walls of crepe and tables were highlighted by "magicians in action," as well as with centerpieces of bubbling goblets.

Rev. Alton is a junior at Hardin-Simmons University.

Music-Education Director Bill Chance introduced guests and thanked committees for their contributions to the banquet. H. V. O'Brien was master of ceremonies.

Identities of the four celebrities was revealed in a mysterious fashion, and four young people were crowned as

royalty.

Selection was by votes in the Sunday School and Training Union Departments. Honored were Sharon Sayre, Terry Treadwell, George Simms and Shirley Smith.

Closing remarks were by Mr. and Mrs. Chance. Invocation was by the pastor, the Rev. Haston Brewer and Mr. Edgar Alton gave the benediction.

About 60 attended the event.
