Wolves Smash Hamlin, 18-7

Prior to Friday night's game between the Wolves and the Hamlin Pied Pipers, Colorado High Athletic Director Mike Farda said Hamlin might very well be the best team in District 6-AA.

Following the Wolves 18-7 thrashing of the Pied Pipers at Wolf Stadium, Coach Farda said the Wolves might very well be the best team in District 6-AA now.

It was the last game of the season for the Wolves, ending the season with a 5-5 record, the best record since 1970, tied for fourth in the district with a 3-3 record.

The district was won by Anson who defeated Ballinger 13-7 with one second to play Friday night. Coahoma defeated Stamford in the only other district contest Friday, 26-14.

The Wolves victory Friday night was sweet revenge over the Pied Pipers as Colorado City had lost to Hamlin the last two years in games played at Hamlin. In

1972, the Wolves won over Hamlin, evening the record between the two schools at 2-2, a record of which few schools can boast due to Hamlin's dominance because of their size and speed.

However, Friday night, it was the Wolves all the way with the Colorado City team matching Hamlin's size and containing their speed.

The game opened with the Wolves receiving the kick-off. They marched to mid-field before having to punt. Two plays later, a Hamlin runner coughed up the ball and the Wolves had good field position. However, three plays later on fourth down and six to go, the Wolves attempted a 36-yard field goal which failed.

For the rest of the first and part of the second quarter, the Pied Pipers moved the ball from deep in their own territory and threatened to score but once inside the Wolves 20, they could go no further. On one such drive, they attempted a 35 yard field goal which was blocked by the Wolves Jackie Ellis. On another drive, the Pied Pipers came up short on fourth down and turned the ball over to the Wolves.

Midway through the second quarter, a Hamlin defensive back took a pass away from the Wolves Jackie Ellis and with the aid of

Christmas Preview Saturday

Colorado City merchants are planning a Christmas-On-Parade for Saturday in the Civic Center.

Sponsored by the Chamber of Commerce, the event is planned as a preview of merchandise available from local merchants for Christmas gift-giving.

There is no charge for attending and items will not be for sale but the display is planned as a way for shoppers to see Christmas gift selections in one location so that they can make their plans for Christmas buying.

Santa Claus will visit the Civic Center about 4 p.m.

two penalties. Hamlin moved to the Wolves one-yardline where Daniel Ellis plunged over for the score. The point after kick was good.

Following the score, when the Hamlin runner attempted to do his touchdown dance, a fight broke out in the end zone and from that point on, a mad Wolf Pack would not be denied.

With 1:15 left in the first half, Wolves Quarterback Ray Torrez directed the Wolves in a skillful attack from the Wolves own 26. Five pass plays and two running attempts later, Torrez rolled out to the right, eluding a hard Pied Piper rush, waved his left hand to back up receivers in the end zone and looped a pass over the outstretched fingertips of two defenders into the

Westbrook Plans 2-4

Open House

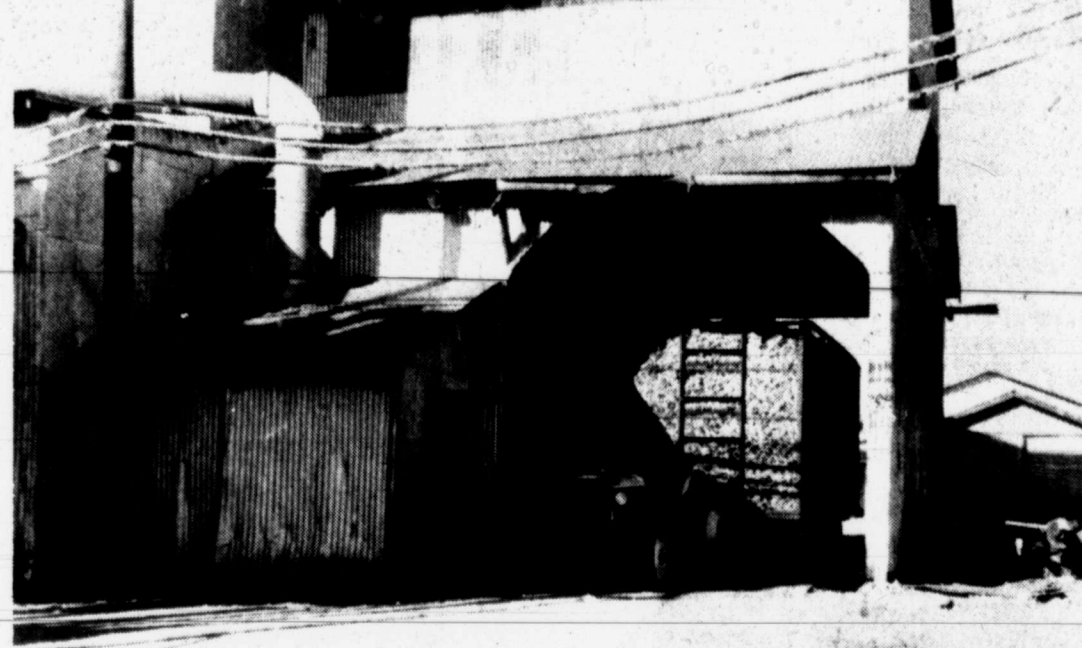

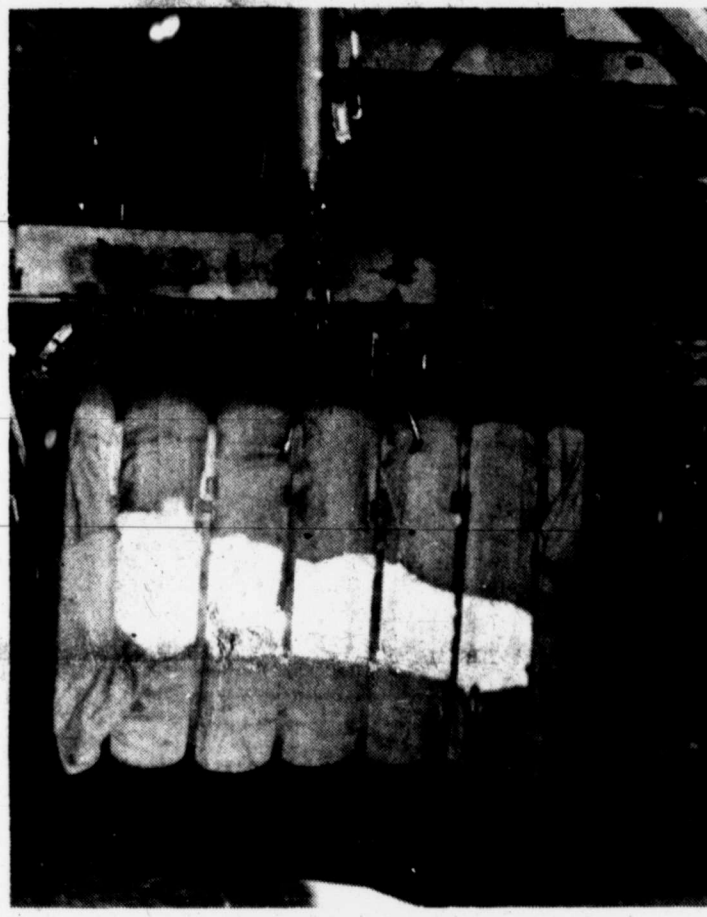

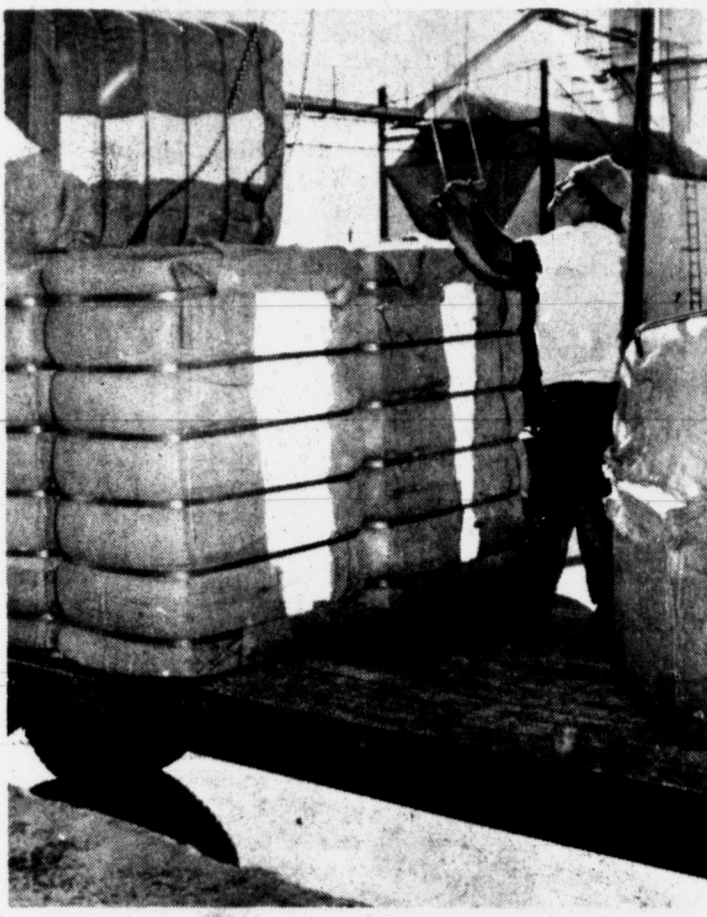

The school board and faculty of Westbrook High School are holding an open house reception at the school this afternoon so that their friends and neighbors may see the newly constructed auditorium and renovated school building.

Hours of the reception are from 2-4 p.m. today.

School district voters approved a \$400,000 bond issue last year and about half the amount was spent on the new auditorium, including a 398 seating capacity, restrooms and dressing rooms and lobby. About half was spent in remodeling the existing building, including new ceilings and a heating and cooling system, carpeting throughout classrooms and hallways and a modern study center and library in the center of the building.

Members of the board are T. A. Whitesides, Floyd Ritchey, Jerry Putman, E. A. Oden, Cleburne Rich, Jerry Webb and James Dorn.

Superintendent L. M. Dawson has invited everyone to attend the open house.

COTTON BALES are coming off the presses of the gins in the county now and, following last Thursday's freeze, will be coming off even faster in the next few weeks if weather conditions remain favorable. Gins report 1,482 bales already processed and more coming from another good cotton crop in the county this year. Best crop ever recorded in the county was year before last, and although cotton producers are not expecting to break that record, they are expecting good yields and good prices for this crop.

NEW BUSINESS in Westbrook opened last week, Hale's Westbrook Grocery, owned and operated by Marvin and Pansy Hale who also own and operate the Hale's Westbrook Truck Stop and Cafe on Interstate 20. Hale and Drue Cawthron are pictured here as they help a customer with purchases. The grocery offers a wide selection of items and Hale said he would be adding to the stock from time to time as he finds out which things sell best.

Specialist Plans Move

Colorado City will soon get its second doctor in less than a year's time when Dr. Jan W. Buettgen (BetKin) moves to the city.

Dr. Buettgen, a native of West Germany who received his degree from the University of Tuebingen in West Germany in 1953, will move to Colorado City with his wife and three children shortly before the first of the year.

His offices in the Medical Building are now being remodeled in preparation for his beginning a solo practice here, said Michael Choate, assistant administrator of Root Memorial Hospital.

Gins Busy, Turn Out 1,482 Bales

Ginning activity in the county picked up this past week as the county's first freeze fell early Thursday morning, Nov. 13.

Many fields are being stripped because of earlier defoliation and when bolls have dried a few more days, gins will be busier than ever before with one of the best crops coming in.

There have already been 1,482 bales ginned in the county with about 110 more bales waiting to be ginned.

Individual bale counts from the county's gins show the following:

- Buford Coop, 185.
- China Grove Coop, 58.
- Farmers Gin, 490.
- Lorraine Gin, 358.
- Planters Gin, 52.
- Producers Coop, 339.
- Total, 1,482.

"We're very fortunate to have a doctor of Dr. Buettgen's caliber coming to practice here," Choate said, citing Dr. Buettgen's certification by the board of Obstetrics and Gynecology.

"He will be the only such qualified specialist for a city this size," Choate noted, mentioning that neither Snyder nor Sweetwater have such a specialist and that Big Spring has one, "but usually, they locate in larger towns like Abilene or San Angelo," Choate said.

Dr. Buettgen has practiced medicine in Metropolitan Hospital, Lynn Hospital and Detroit Memorial Hospital, all in Detroit, Michigan and is moving from El Paso where he has been affiliated with Eastwood Hospital.

Mrs. Buettgen holds the Ph.D. in Economics, Choate added.

Dr. Buettgen contacted Charles Root, Root Hospital administrator, following Root's placing notice in several medical publications of Colorado City's need for a physician. Subsequently, he visited the city and Root Memorial Hospital and was favorably impressed with both.

Business Expansion In City

Colorado City has been the scene of business addition and expansion recently and will get another new business next week when the Town & Country Furniture Store opens for business in the Earnest Building on Walnut Street.

Jon Honea and his father will own and operate the new furniture business. They also own and operate a furniture store in Big Spring.

The business location was leased from the Industrial Team, Inc. and has been given a remodeling of the interior and exterior.

Ed Newton's new business, The Silver Horseshoe Eatery, has opened to big crowds, selling breakfast and sandwiches and featuring pit-smoked barbecue plate lunches. It is also located on Walnut Street.

Beasley's Feed and Seed store on East Highway 80 is undergoing a change as Pam Beasley's interest in growing greenhouse plants has meant a remodeling of the greenhouse part of the building and addition of a gazebo for display of hanging baskets.

Trotter apologized for any misunderstanding over the matter.

Payne Presents Program For FHA

LORAIN - Mrs. Addie V. Payne brought cultural enrichment to the meeting of the Future Homemakers of America on Thursday

when she talked of her tour of South East Asia.

Mrs. Payne, introduced by president, Susan Mahon, directed her program toward arts, crafts and cultural peculiarities of the different countries she recently visited.

Her display of silks, embroideries, beaded cashmeres and bags, jewelry and silver work, tooled leathers and ivory pieces all enchanted her informational and entertaining talk.

The FHA group plans an "adopted Grandparent" project for November, working within the Loraine Nursing Home.

Shultz Services Today

Mrs. Ola Shultz, 87, of Loraine died at 6:15 a.m. Friday at Root Memorial Hospital. Services will be 4 p.m. today at the First Baptist Church in Loraine.

The Rev. Jimmie Roberts, pastor, will officiate. Burial will be in Loraine Cemetery, directed by Kiker-Seale Funeral Home of Colorado City.

Born Jan. 9, 1888, in Comanche County, she married Edgar N. Shultz in 1903 in Sweetwater. He died Dec. 19, 1957.

She had lived in Loraine for 61 years and was a Baptist.

Survivors include a son, Orval Shultz of Texas; a foster son, Armon L. Shultz of Sapulpa, Oklahoma; a sister, Maggie Bryant of Loraine; six grandchildren and several great-grandchildren.

★ How does IRA work?

Through the IRA program, you can save money now - during your most productive years - and then pay taxes on it during your retirement years when your tax bracket will be lower. It is like a pension fund working for one person - you.

★ Who is eligible for an IRA?

You are, if you are a working individual not currently participating in a retirement plan and are younger than 70 1/2 years of age. Your husband or wife can set up a separate program if he or she is eligible.

★ How much can be invested in an IRA?

The Employee Retirement Income Security Act of 1974 permits you to invest 15% of your annual compensation up to a maximum of \$1500 in the IRA each year. You cannot include interest, dividends or rental income in figuring your income. Contributions can be made throughout the year or in one lump sum.

Letter To The Editor

To Whom It May Concern:
Our mailbox was recently blessed with a letter from a "self-professed Christian."

"Mr. Tammen,
Please don't sell your soul for a few pieces of silver, for happiness is not found in the dollar."

God loves you and has a better plan for your life. We are praying for you, that you will find that new life in Jesus, God's son."

Which after reading thoroughly, I would like to change that name to a "self-elected judge."

This person took it upon himself or herself to proclaim Mr. Tammen's soul was lost and perhaps with

help could be regained. (However, this very dedicated person evidently felt that signing his or her name would lose him or her brownie points with God, or me, or someone.) The letter was even printed like a school child might do, except the letters were very even and the spelling exact.

Anyone who professes to be a Christian (as I know this person does) should remember Jesus said in St. John 13:47: "I come not to judge man. I come not to judge the world." There is only one judge and we all know who that is, or I thought we did.

(The Bible also states that

(Romans 13:2) "Whosoever therefore resisteth the power, (or legal means of government) resisteth the ordinance of God: and they that resist shall receive to themselves damnation."

Let it be known now, if it wasn't already, that the Bible's scriptures can be quoted, written and repeated by any Jew, Catholic, Protestant, Jehovah's Witness or even atheist, and no one will read, hear or understand it quite the same as the others.

So please if you want to judge, either go through law school and work at it or keep it to yourself. If you are truly a well-meaning Christian person, you know it's not our place to judge.

Here's food for thought: "There are going to be three surprises when you get to Heaven: 1. You are going to see a lot of people there you never expected to see. 2. You're not going to see a lot of people you thought you'd see, and 3. You'll be surprised as heck that you got there!"

In closing I would like to say that this anonymous letter is really a detriment and an insult to all the good and decent Christians and churches in Colorado City. I appreciate your prayers, (everyone needs prayers) but, I do not appreciate being prejudged!

Respectfully, B. J. Tammen

How Kids Can Help Save Energy.

You'll be surprised how easy it will be for you to conserve energy. Put an X in the box in front of each way you think you can help.

PS. Parents: Have your children seen this message? If not, you may want to call it to their attention. Cut it out and use it to remind your children that they can help you and all of us conserve energy in many ways.

- ☐ Don't keep the refrigerator or freezer door open any longer than necessary.
- ☐ Turn off the lights when you leave a room.
- ☐ Turn off the TV set when no one is watching it.
- ☐ Turn off the radio or record player when no one is listening.
- ☐ Be sure the hot water is turned off after you've used it. Remind your mom or dad when a faucet leaks and needs repairing.
- ☐ Don't turn on more lights than you really need.
- ☐ If the furnace or air-conditioner is running, keep the doors closed. And don't make unnecessary trips in and out of the house.
- ☐ Ride the bus whenever you can, rather than asking your parents to drive you.
- ☐ Ride your bike or walk to the store for your parents. If they don't run the car, they will save gasoline.

☐ Help plan family errands that require the car so they can all be done at one time.

☐ If you're a little cool, don't ask your parents to turn up the thermostat. A sweater will warm you up.

☐ Tell your parents if heating or cooling ducts are blocked by furniture or draperies.

☐ If no one uses a particular room, close the heat registers and keep the door shut.

☐ If you're helping with cooking, use an element that is about the same size as the pan. And don't be an oven-peeper.

☐ If the sun is shining on a cold day, open the drapes so the sun can help heat up your house.

☐ If you have a fireplace, be sure the damper is closed when there is no fire. Otherwise, heat will escape up the chimney.

☐ Write down any other energy conservation methods you can think of on these extra lines. Mark those boxes too.

BLESS THE LORD, WHO HEALS ALL YOUR DISEASES

Bobby Chaney

Pastor

David, in Psalms 103, informs us of the benefits in the Lord. He commands his soul (will, emotion, mind) to bless the Lord, and to forget not all his benefits. Then he mentions several of these benefits. One of the things brought to our attention is the fact that the Lord heals all our diseases. There are some points that need to be emphasized in the reception of healing.

First we must recognize that Jesus purchased our healing on the cross. Matthew 8:16 states: "When the even was come, they brought unto him many that were possessed with devils; and he cast out the spirits with his word, and healed all that were sick. That it might be fulfilled which was spoken by Esaias the prophet, saying, Himself took our infirmities, and bore our sicknesses." Peter confirms this statement in 1 Peter 2:24, "Who his own self bare our sins in his own body on the tree, that we being dead to sins, should live unto righteousness: by whose stripes you were healed. The death of Jesus on the cross brought to us forgiveness, a transformed life, eternal life, abundant life, and healing. Healing can come the moment Jesus Christ becomes a reality in our lives.

Second, the Lord will heal physically to save spiritually. There are several instances in the Bible which illustrate this truth. One illustration is found in St. John, chapter 9. Jesus heals a blind man who was saved later in the temple. People of unbelief have been healed while attending a worship service or while being prayed for simply because God knew that salvation would come through the seeing of the miracle.

Third, Jesus heals through the prayer and faith of others. Mark 2 records a healing of a person sick of the palsy by the faith of others. The individual was carried to Jesus by four people. When Jesus saw their faith, he said unto the sick of the palsy, Son, your sins be forgiven you. Then he said unto him, arise, take up your bed and go your way into your house. In that moment the man was healed. There are numerous illustrations in the word of God showing people being healed by Jesus at the request of others. People have been healed immediately at home and in the hospital when faith has been exercised elsewhere. Many have been saved, delivered and healed when prayer was given by proxy.

Fourth, there are times when certain conditions need to be met for healing. One of these conditions is fasting. Mark, in chapter 9 of Mark, states a case concerning a father bringing his son to Jesus for deliverance. The man talked to Jesus's disciples first about the situation, but they could not help. Jesus arrived and conversed with the crowd; and commanded the evil spirit to leave. The boy was set free. Later the disciples asked Jesus, why couldn't we cast out the devil? Jesus answered, "This kind can come forth by nothing, but by prayer and fasting." Another condition to be exercised is the calling of the elders of the church to anoint the sick with oil. Again, the scripture gives evidence to this procedure. The scripture declares in Mark 6:12-13 "and they went out, and preached that men should repent, and they cast out many devils, and anointed with oil many that were sick and healed them." Then in James 5:14: "Is any sick among you? Let him call for the elders of the church; and let them pray over him, anointing him with oil in the name of the Lord and the prayer of faith shall save (deliver) the sick and the Lord shall raise him up and if he has committed sins, they shall be forgiven him." The sick has the responsibility to call the elders to come and pray. This scripture points out another important condition for the reception of healing. The prayer of faith is a requirement for the power of healing to operate. The word faith in this passage means faithfulness. A vow of faithfulness needs to be ministered to the sick and to the ones anointing with oil. The reason many do not receive their healing is because of unfaithfulness and rebellion; especially in the lives of Christians. Unfaithfulness and rebellion will hinder healing quicker than anything. In fact, rebellion and unfaithfulness will stop the flow of all the blessings of the Lord. He will remove his protecting hand when we begin to rebel and become unfaithful. The first thing to be done when praying for a sick individual is to concentrate on faithfulness. I Corinthians 4:2 says, "Moreover it is required in stewards that a man be found faithful."

Be encouraged today that the Lord will heal us and cause us to say with the Psalmist, "Blessed the Lord, who heals all your diseases."

Garden Club Has Regular Meeting

The Colorado City Garden Club met Wednesday afternoon at 3 p.m. in the Charlie Thompson Room at the City National Bank Annex for their regular monthly business meeting.

The meeting was called to order by the president Mrs. Robert Chambers. Members

brought gifts for Christmas to be taken to the Big Spring State Hospital.

The annual Bake Sale will be held Friday at 9 a.m. in the Kirshbaum building.

After the business meeting, program chairman Mrs. Clara Shoemaker introduced Mrs. Lynn Halbert who brought the program on "The Evolution of Art in Flower Arranging."

Mrs. Halbert said flower arrangement is the art of arranging selected elements according to the principles of design to attain beauty, simplicity, expression and harmony. She showed pictures to illustrate this from the 1976 Flower arrangement calendar.

Mrs. Roy Davis Coles brought a vertical flower arrangement in a red composite made of red chrysanthemums, red berries and foliage from the sumac tree. Mrs. Robert Chambers judged it a blue ribbon winner.

Members present were Mrs. Earl Brown, Mrs. John Brown, Mrs. Robert Chambers, Mrs. Roy Davis Coles, Mrs. Ben Elliott, Mrs. Walter Gaylor, Mrs. Lynn Halbert, Mrs. Bruce Johnson, Mrs. Therian Tyle, Mrs. E. M. Owen, Mrs. S. A. Palmer, Mrs. John Bell, Mrs. Floyd Shepherd and Mrs. Bernice Hilliard.

Here's a plow that gets right down to the root of your problem.

The versatile Athens 156 Chisel Plow penetrates deep to root out stubborn weeds and crop stalks, and increase soil's moisture absorption. It's also ideal for shallow plowing, stubble mulching and preparing seedbeds.

But more important, it's built to last. This field tested plow features an exclusively designed spring mounting and tine pivot assembly that virtually eliminates spring fatigue and tine pivot wear problems.

Available in 7' to 16' widths, mounted and pull types, with 22" or 32" tines. Pull types feature center-mounted gauge wheels for level plowing and uniform depth control.

Designed for tractors with 35 to 135 drawbar horsepower.

Bulldogs

Lose, 62-6

The Jayton Jaybirds wiped out Loraine's Bulldogs in Friday's last game of the season for the Bulldogs in Jayton. Final score was 62-6.

Loraine's only score was made on a 14-yard pass from Jeff Merket to end Oscar Vallejo in the fourth quarter.

Jaybird Mark Fincher, a pre-season pick for all-state honors, scored three touchdowns in the first 11 minutes of play, later scoring again and kicking five extra points for the night.

Discovery Finaled

Dorchester Exploration, Inc., Midland, No. 2-A Spade, Mitchell County Clearfork oil discovery, 25 miles southwest of Colorado City, five miles north of the Ellwood (Yates and Mississippi) field and 3 1/2 miles northeast of the Ray Albaugh (Wolfcamp) field, was finalized to pump 33.1 barrels of .29 gravity oil, with gas-oil ratio of 30-1.

Production was through perforations at 3,628-653 feet, which had been acidized with 2,750 gallons.

The following tops were picked on ground elevation of 2,056 feet; Clearfork, 1,824 feet; Wolfcamp, 4,010 feet; Cisco, 5,224 feet; Strawn, 7,510 feet; Mississippian, 7,570 feet; Woodford, 7,690 feet and Ellenburger, 7,690 feet.

Drilled to 7,800 feet, operator plugged back to 4,007 feet and set 4 1/2-inch casing at that depth.
Location is 933 feet from the north and east lines of 11-18-SPRR.

Location For Wildcat Set

Duncan Drilling Co. of Big Spring will drill a 2,500-foot wildcat ten miles south of Colorado City. It is the No. 1 Duncan - Levens - Gilstrap. There is no nearby production.

Location is 467 feet from most northerly south line and most northerly west line of Section 10, J. P. Smith Survey. It is one-fourth miles south of a 1,316-foot failure.

Musical Program Thursday

A musical program presented by Mrs. Trina Taylor of Snyder has been set as the Cultural Program for November.

It will be presented Thursday night starting at 7:30 in the Charles C. Thompson Room at City National Bank Annex.

Mrs. Taylor is a music teacher at East Elementary in Snyder and is well-known in Colorado City for her portrayal of the Mother Abbess in "The Sound of Music" and for directing "The Silver Whistle," both productions of Colorado City Playhouse Inc.

Thursday's program is free of charge and everyone in the community is invited to attend. It is sponsored by the Cultural Affairs Committee of the Chamber of Commerce.

Mrs. Micah Mitchell, who appeared as leading lady in "The Silver Whistle" and accompanied Mrs. Taylor during her performance as featured entertainer for the 1975 Chamber of Commerce banquet, will accompany Mrs. Taylor for Thursday's performance.

Wallace Reunion Planned

A reunion for former D. W. Wallace School students has been set for November 28.

This will be the first reunion ever held for former faculty and students who attended the Wallace School and is being organized by David Woods, former Wallace teacher who teaches at Colorado High School.

Woods said that anyone interested in attending the get-together is invited and he may be contacted at his home at 1440 Pine Street, phone 728-2195.

The reunion will be held in the Wallace Center on the Robert Lee Highway.

Mrs. Hattie Wallace Branch, daughter of D. W. (80 John) Wallace, will be present to hang a photo of her father which she has donated to the Wallace Center.

Other Wallace relatives will also be present and all former faculty and students.

In Contest

The Wolf Band went to Odessa Saturday to participate in the annual marching contest.

Colorado Middle School Band also competed in the marching and sightreading contest.

The CHS band has taken part in the contest periodically for the past 20 years and tried for the famed Sweepstakes award, a first division rating in both marching and sightreading.

CHARTER PRESENTATION for organizing a Shriners Club in Mitchell County was made during the first stated meeting of the new group Thursday night in the Civic Center by the Illustrious Potentate of the Suez Temple, Sam Harris of San Angelo, to president of the local group James Campbell. Others in the photo from left are Charles Godwin, High Priest and Prophet of the Divan, Ray Robinson of Sanderson, Oriental Guide of the Divan, Harris, Campbell, Myrte Martin of San Angelo, treasurer of the Temple and Ben Godfrey of San Angelo, Recorder. The Mitchell County Shriners Club will meet the second Thursday of each month at 7:30 in the Civic Center.

★ Wolves From Page 1

waiting hands of the Wolves Pete Parham for the touchdown. The kick after failed, leaving the score at halftime at 7-6 in favor of Hamlin.

The touchdown play was run after time had expired as an official ruled after a protest from Hamlin coaches that the time clock had continued running for seven seconds at one time after a timeout was called, giving an extra seven seconds to be played after time ran out on the field clock.

Coach Farda said the Wolves could hardly wait to get back out on the field at halftime.

Their eagerness showed on the scoreboard and in the statistics.

During the final half of play, Hamlin had only one first down and put no points on the board.

It was a brutal second half with possibly the hardest hitting of the year. Hamlin runners coughed up the ball on two of their first three possessions of the second half and then Bill Everett partially blocked a Hamlin punt on the second of the first three Hamlin possessions of the second half.

After recovering the first Hamlin fumble of the second half, the Wolves marched to the Hamlin nine and Steve Belvin, whose toe has been credited with giving the Wolves the margin of victory in their first four wins of the year, attempted a field goal which went wide.

After the blocked punt the Wolves marched to the one-yardline and were sent back to the six on a motion penalty. On third down on a pass to Pete Parham in the end zone, interference was ruled, giving the Wolves first down on the one-yardline. Three plays later, Bill Everett plunged over for the score. An attempt for two points failed.

On Hamlin's other fumble, the Wolves marched deep into Hamlin territory but were stopped.

The two teams traded possessions several times and then early in the fourth quarter, the Wolves got the ball on their own seven yardline, leading by only 12-7 with some eight minutes left in the game.

Quarterback Torrez directed the Wolves on a skillfully executed 93 yard drive, using a wide variety of plays and formations, and when Torrez plunged over from the one foot-line over the back and behind the blocking of center Jim Jordan to make the score 18-7, there were only about 20 seconds left on the clock. The try for extra point on the final touchdown failed.

Wayne McKee to end the game.
Coach Farda said the game was a tremendous effort by everyone. All 23 players suited up for the game got into the action and turned in good efforts.

Farda has special praise for the five seniors on the team who have provided their leadership as well as playing efforts to the team this season. Playing their last football game as Wolves were Bill Everett, Andy Chalker, Robert Rivera, Drex Grisham and Kenneth Lain.

Farda praised efforts by members of the offensive line, led by center Jim Jordan; tackles Santos Reyes, Ray Ritchey and Ed Adams; guards, Kevin Herm and Ruben Ornelas; ends, Wayne McKee, Andy Chalker and Pete Parham and split ends Bennie Arispe and Drex Grisham.

Turning in good performances both running and blocking in the back field were Bill Everett, Jackie Ellis, Manuel Arellano, Gary Hulme, all led by Ray Torrez who did an excellent job at quarterbacking and getting the job done, including some

big third down plays in the long drive in the fourth quarter, Farda noted.

Wayne McKee's high punts gave his teammates time to get downfield to give good coverage and keep Hamlin deep in their own territory. Snaps for kicks are done by Gerald Hill, who does a good job. Helping on that kick coverage was Danny Torrez, Freddie Rivera, Ray Ritchey, Manuel Arellano and other members of the team, the coach added.

On defense, which also had an outstanding game shutting off the highly powerful Hamlin offensive machine, were linebackers Bill Everett and Ruben Ornelas, tackles Kenneth Lain and Steve Belvin, ends Robert Rivera and Jackie Ellis, cornerbacks Wayne McKee and Manuel Arellano, safety Ray Torrez and outside linebackers Ed Adams and Andy Chalker.
