

THREE OLTON MUSTANGS were named to the All-District football team and five others received Honorable Mention. Named to the team were Doug Smith, Roy Luera and Jonny Hutson. Receiving Honorable Mention were Scotty Cannon, Lance Phares, Dwain DePrang, Rob Sivley and Darryl Quigley.

Winners Announced By Local Merchants

Some very valuable issues of The Olton Enterprise dated Nov. 30, were either destroyed or were not presented last week to local merchants to redeem gift-of-the-week prizes, according to Mrs. Lois Brimhall, secretary of the local Chamber of Commerce and Agriculture.

No numbers were matched in the Treasure Hunt contest last week. But drawings in local stores provided the following list of winners: Mrs. Paul F. Elliot was named winner of a 'cooling unit' at Leon's Grocery and Market; Celia Gonzales, a cutlery set, from Holton's Pharmacy; Larrie King, a Christmas decoration, from Duncan's 5c and 10c Store; Judy Redinger, a turkey, from Pay-N-Save; Mrs. Sharon Hamby, a gold leaf planter, from Northside Gift Shop; Mrs. Fred Smith, $10 gift certificate from Bizzell's; Mrs. Mary Bass, $25 gift certificate, from the Mini Mall; LeRoyce Kersh, a drill guide, from Olton Farm Supply; Mrs. Renee Williams, $25 gift certificate from Carmen's Western Wear; and Mrs. Linda Roper, $20 gift certificate, from The Country Lad.

White Auto Store reported no matching number, but still have last week's prize, a Toaster Oven, posted along with a second prize for this week, allowing number-matching-patrons a second chance to win one of these valuable prizes.

Olton State Bank reports many persons inquiring to match the number posted for $50 Savings Bond, but none corresponded. The registry box in the Bank lobby held no registered names last week, but has a goodly supply this week.

Bizzell's reports an active registry in the search for a diamond-winner, as do merchants who are giving lucky tickets for the three big drawings to be held Saturday, Dec. 20. Merchants giving these tickets are J.C. Jones Dry Goods, Thompson Chevrolet and Howell's Flowers, in addition to formerly named merchants.

Sue Cannon's Photography is also offering a valuable gold leaf frame to the lucky person whose name is drawn from the registry at her studio office.

Climaxing the Christmas-bonus-gifts, three separate drawings will be held on Olton State Bank parking lot Saturday, Dec. 20, at 2 p.m., 3 p.m. and 4 p.m. to the lucky ticket holders present. At each of these hours $100 gift certificates will be awarded, with the stipulation that each must be redeemed at local business houses before Jan. 1.

Of interest to the younger generation is the announcement by Mrs. Brimhall that Santa Claus will make his appearance at the Bank parking lot between the hours of 2 and 3 p.m. aboard the local Fire Truck. His appearance will signal the distribution of goodies and Christmas cheer.

Christmas Greeting To Aid Cemetery Fund

Olton Cemetery Association treasurer Gwen McClain reminds everyone that it's not too late to get your contribution in to the association and get your name in a special Christmas greeting ad to all your friends.

Instead of sending Christmas cards locally, residents are urged to contribute to the Cemetery Association the amount of money that would be spent on cards and postage. Then in the The Enterprise's Christmas edition, names of those who have given instead of sending cards will be printed in a special greeting ad so that everyone gets a "Christmas Card" through the pages of the newspaper.

Those making donations before Dec. 17 will be named in the greeting ad.

MRS. L.B. KENNEDY

The family suggested memorials to Olton Cemetery Association in lieu of flowers.

School Board Meets Monday

School board members were greeted with a light agenda Monday with little more to consider than routine business.

Members voted to rescind local board policy concerning the petition of persons running for the school board. It is not necessary to make petition to seek election to the board of education.

Because of a local policy, it was not necessary to adopt the TASB policy concerning correspondence courses.

Superintendent Joe Turner's contract was renewed and a new three year contract given.

Bands To Present Christmas Concert

Olton School Bands, under direction of Richard Hayden, will present the annual Christmas concert Thursday, Dec. 18 at 7:30 p.m. in the high school auditorium.

All three bands will play a variety of songs ranging from Christmas music to Korean folk music.

Sixth grade beginner band will play "Crusaders", "Join The Parade", and "Soldier Boy".

Junior High Colt Band will play "The Christmas Song", "Good Times", and "Jingle Bells" Fantasy.

Lions Club Serving Dinner

Olton Lions Club is hosting its third annual turkey and dressing dinner Sunday, Dec. 14 in the school cafeteria. Serving will begin at 12 noon for the bountiful meal which is slated as a benefit for the Jaws of Life Fund.

Cost of the dinner which includes all the "trimmings" is $4. Carry-out plates will be available. Only a limited number of at-the-door tickets will be offered so persons are urged to contact any member of the Lions Club for advance tickets.

Lions urge everyone in the community, "Attend the church of your choice and come to dinner. Enjoy a delicious meal and help us wipe out the indebtedness of the Jaws of Life."

Early Morning Robbery Reported

Unlawful entry, by person or persons unknown, was made into offices and warehouse of Olton Grain Coop during early morning hours Sunday, Dec. 7.

An employee of the firm was working as late as 11 p.m. Saturday and all was quiet until that hour. Sometime later a window to the rear of the building was broken to permit entry of the intruders.

Indications are that rifling of desks and merchandise areas was interrupted; the uninvited guests made a rather hasty exit, leaving good evidence behind.

The situation is being investigated by local police, county sheriff's officers and Texas Rangers. Because of Federal involvement there is a possibility that other law enforcement agencies may be called to assist in the investigation.

News And Ads Needed Early

All news and ads for the Christmas edition and the New Year edition of The Enterprise must be in the office by Dec. 17 due to different printing schedules for December.

Because of the holidays - Christmas and New Year's Day - falling on Thursdays....and because the employees would like to spend the holidays with their families, newspapers will be printed early each week during December.

We ask your continued cooperation in turning in your news and ads to us as soon as possible for ANY issue in December and the first issue in January.

Early Sunday

Fire Destroys Home

A fire of unknown origin early Sunday morning destroyed the farm home of Mr. and Mrs. Raymon Carson, northwest of the city, during the owners' absence.

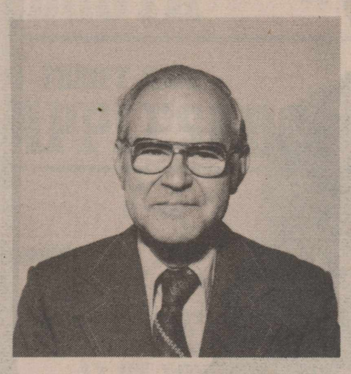

Robert Zamora, returning to his home about 3:30 a.m. made the first report of the fire at the home of Wilton Bodkin.

Several telephones in the area were out operation, and working their way south along the Hart Highway, the Olton Volunteer Fire Department could not be summoned until callers reached the home of Dennis Givens.

Several neighbors and a son, Billy Carson, fought the flames with water from garden hoses until fire trucks arrived but the situation was uncontrolable. Originating in the northwest bedroom of the house, flames were already burning through the roof. The front door was still locked and guns, appliances and other removable objects were still in place indicating that no robbery had been involved.

The Carsons, who were visiting relatives in Oklahoma, arrived home late Sunday afternoon.

Family members credit Olton volunteer firemen with a valiant effort to contain the blaze and are grateful that through their thoughtfulness a huge Colorado Blue Spruce was spared.

Santa Wants Letters

Santa Claus has asked the Enterprise to remind his little friends that letters must be mailed by Monday if they are to be printed in the Enterprise and forwarded to his headquarters in time for Christmas.

Letters written to Santa will be printed in the Christmas issue of the Enterprise, Dec. 21.

Thursdays..... Late Shopping

Thursday nights until Christmas, shoppers may shop with three local merchants late in the evening as they are keeping their stores open for the convenience of their customers who might be busy during the day or at a job.

Keeping late hours will be Country Lad, Mini Mall, and Carmen's Western Wear.

Everyone is invited to come and shop with these and other Olton merchants for quality goods at a reasonable price.

Changes Made In Awards

Chamber of Commerce directors have approved a change in the annual awards given to local citizens.

In past years, an award has been given to the outstanding man, woman and farmer. This year, a farm family will be recognized rather than an individual farmer.

Chamber manager Lois Brimhall said the group feels that outstanding achievement by a farmer is really a family affair and thus the change was made.

Persons in the community are invited to submit suggested honorees for the honors. An entry blank for the convenience in nominating persons for the honor is printed in this issue. Nominations should be taken in person or mailed to the Chamber of Commerce Box 487, Olton, Tx. 79064.

Date of the annual awards banquet will be announced in the near future.

Cablevision Okayed By City Council

City Council met Tuesday night in regular session, approving the audit presented by Webb, Webb and Wright, CPA firm from Littlefield, and securing the firm for another year.

Cablevision was discussed by the council and was given the okay provided work has begun within a two month period and completion of the installation of the service is within five months.

Sue Cannon was appointed to serve the unexpired term of councilman Bill Morris, who has moved from the community.

Council voted to secure the services of a firm in Amarillo for collecting delinquent taxes, and decided to sell the Plymouth automobile and fix up the Chevrolet car and keep it.

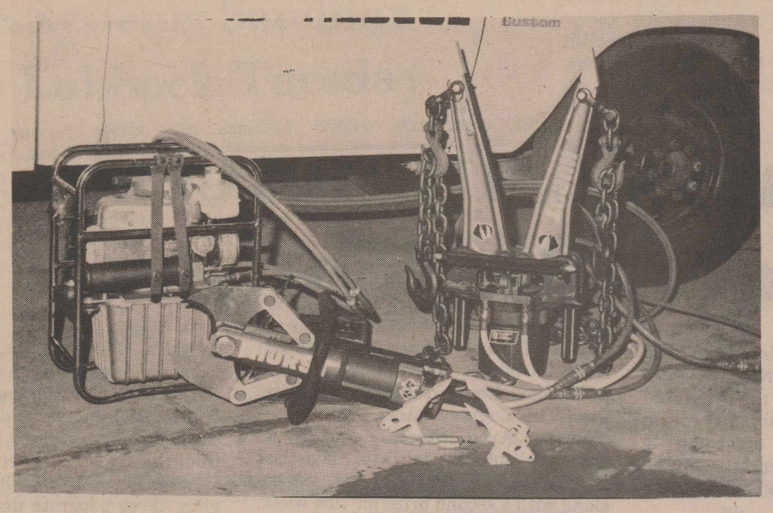

City offices will be closed Christmas Eve and Christmas Day.

In final action, council voted to pay $50 for each certified person who wishes to participate in the continuing education program for ambulance attendants.

Love Fund Begun For Carsons

A love fund has been set up at Olton State Bank for Raymon and Lena Carson whose home was destroyed by fire early Sunday. Away from home at the time, all their household items and personal possessions were lost.

Contributions may be left at Olton State Bank or mailed to the bank, P.O. Drawer X, Olton, Tx. 79064.

Dear Editor

We appreciate the efforts of the Olton Fire Dept. and thank you who gave so much in your efforts to save our home.

We thank everyone of the community for their prayerful concerns and expressions of love during our loss. We are once again reminded of why Olton is the community where we call home because of the good Christian people that live here. 'We love you all!'

Also, a special thank you to the Germania Farm Mutual Aid Association for their prompt response.

We ask for all your continued prayers.

Raymon and Lena Carson
and children

Dear Editor,

It was with pleasure that I read the November 9, 1980 article in your paper calling attention to the continuing efforts of your community to provide itself with reliable emergency medical services. It is the goal of the Emergency Medical Services Division of the Texas Department of Health to cover the State of Texas with emergency medical service by stimulating small towns and rural communities to emulate the efforts of Olton.

Congratulations on your successful effort to provide yourself with reliable ambulance service. We very much admire the attitude of mind that motivates a community to undertake this type of commitment.

Sincerely yours,
Charles H. Gregory, MD
Driector Division of Emergency Medical Services

I want to express my appreciation to the Olton Volunteer Ambulance personnel for their prompt response and efficient service to my uncle, Refugio Soza. They did a marvelous job. And I especially want to thank those on duty that night. I offer my heartfelt thanks to Jody Houston, Ray Lopez and Edisy Hackler.

These Pioneer® brand corn hybrids do well in our area.

3184 — This hybrid really showed up well under tough, 1980 conditions. And it has proven itself to be a top performer in good years, too. Our farmer customers like 3184 for its dependability, It can wait for water when other hybrids can't. And it adjusts ear size and kernel depth to make the most of growing conditions. 3184 shows good resistance to head smut and MDMV, too. If you could plant only one, it ought to be 3184. But since you don't have to, we recommend it as a companion to Pioneer hybrids 3195, 3183 and 3311.

3311 — Our customers who grew this hybrid in 1980 were so pleased with their results, they can't wait to see what it will produce in a good year! Despite hot, dry conditions that stole yields from most corn hybrids, 3311 came through with some of the highest yields and best overall performance we've ever seen. And it demonstrated its exceptional disease resistance including protection against head smut and MDMV.

We're eager for all of our customers to plant some of this hybrid and see for themselves what all the excitement is about.

Let's get together.

Miss Lewis-Mr. Smith Wed In Living Faith Center

Wedding vows were solemnized Sunday in Living Faith Christian Center for Miss Helen Elizabeth Lewis and Earnest Eugene Smith.

Officiating the double ring ceremony was the Rev. George Belford of Hereford. Vows were recited before an altar entwined with ivy and greenery garlands interspersed with hurricane lamps. Gold velvet bows and white bells completed the decor. A brass old fashioned high button shoe, filled with yellow ochre roses, greenery and gold bells, graced the piano.

Parents of the couple are Mrs. and Mrs. Charles Lewis and Howard Smith of McLean and the late Mrs. Smith.

Mrs. Elza Miller, organist, presented nuptial selections and accompanied Mrs. David Kersh as she sang The Wedding Song "There Is Love" and "We've Only Just Begun."

Given in marriage by her father, the bride wore a formal two piece gown of ivory antique lace. Fashioned with Gibson girl bodice, the gown featured a high wedding ring collar and full bishop sleeves gathered onto satin trimmed cuffs. Satin ribbon, English net and Brussels lace embellished the bodice. The A-line skirt fell from a peplumed waistline and swept to a chapel train.

Her veil of silk illusion drifted from a derby styled bridal hat covered with bands of lace, enhanced by silk roses. She carried an old fashioned lace parasol and wore a wrist corsage of small yellow ochre rose buds accented with candlelight ribbons with streamers adorned with rose buds.

Keeping traditions, the bride's gown was "new" and an antique brooch was both "borrowed" and "old". She wore the traditional "blue" garter and, in her shoe, carried pennies coined in the year of her own and the bridegroom's birth.

Donna Tidmore of Hereford was matron of honor. She wore a formal dress of forest green velvet styled with an empire bodice and A-line skirt. Candlelight lace enhanced the bodice with high choke collar. She carried a candlelight fan adorned with yellow ochre rosebuds accented with candlelight silk ribbons.

Guests were registered by Gay Smith of McLean, sister of the bridegroom.

Steve Hustead of Amarillo was best man. Guests were seated by brothers of the bride, Howard Lewis of Canyon and Billy Lewis.

For her daughter's wedding, Mrs. Lewis chose a formal ensemble featuring white pleated bodice with A-line skirt of maroon velvet.

A buffet reception was held in the home of the bride's parents. The bridal table was laid with an off white lace cloth over green. Centering the table was the matron of honor's fan and flowers.

The three tiered wedding cake was iced in candlelight and accented with yellow ochre roses. Adorning the top tier were kissing angels. It was served by Relda Setliff.

For a wedding trip to Angel Fire, N.M., the bride chose a gray shirt waist dress with French pleated skirt and ascot.

The bride is a 1973 graduate of Olton High School and a 1977 graduate of West Texas State University. She is a registered nurse.

Smith graduated from McLean High School in 1969. He is a carpenter with Barker Cabinets of Amarillo.

The couple will be at home in Amarillo after Dec. 14.

Out of town guests included Mr. and Mrs. Earl Lewis of Englewood, Colo.; Mrs. Saul Epstein of Denver, Colo.; Mr. and Mrs. W.D. Lewis of Stratford; Mr. and Mrs. Jerry Hembree of McLean; Mrs. Michael Powers and Mr. and Mrs. Ronnie Andrews, all of Hereford; Mr. and Mrs. Kenny Setliff of Lubbock and Miss Roxanne Schwertner.

Birthday Calendars Now On Sale

Community birthday calendars, a project of Band Boosters, have arrived for distribution.

A new slant was added this year to the annual project. All persons who were listed on the 1979 and 1980 calendars, were automatically listed on the new 1981 calendars. In the past, listings were sold prior to the calendar compilation. This year, the completed calendars are being sold and delivered at the same time.

Band students will be selling calendars. Persons who do not receive the opportunity to purchase a calendar in the next few days may call 285-2266 and request delivery.

Remember, anyone whose special dates were listed on either 1979 or 1980 calendar, will be listed on the new calendars.

Cost of the calendar is $4 each.

Olton Equipment Receives Coveted 'XL Award'

Olton Equipment Co., local International Harvester agricultural equipment dealer has been appointed an "XL Dealer" by International Harvester Company. The "XL" appointment is the highest form of recognition an IH dealer can earn. It symbolizes a total commitment to excellence in customer service, product knowledge, business management, merchandising and employee relations.

According to Charles R. Sailor, dealer business management manager of the southwest agricultural equipment region, "The coveted "XL Award" recognizes the outstanding contributions of key dealers to the success of U.S. agriculture and service to his customers. The standards for this award are the highest, and only a select group of dealers who have totally committed themselves to the pursuit of excellence qualify as "XL Dealers". Only those dealers are entitled to display the "XL" symbol.

Sailor added, "Customers of Olton Equipment Co., will benefit from the dealership's appointment to "XL" status. To achieve this honor, the dealership had to comply with a number of requirements, including computerized accounting and parts inventory, certified service, management training and modern facilities.

A formal presentation to the dealership of the "XL Award" by IH officials will be held locally in an upcoming ceremony.

Donations Needed For Boys Suits

The annual drive to outfit all of the 380 boys of Cal Farley's Boys Ranch with new suits is now underway.

Purchasing new suits for the boys with donations of $45 is a favorite way for many friends of the Ranch to help at Christmastime.

"His first suit is something a boy never forgets," Virgil Patterson, Ranch President said, "We want to make it a happy Christmas, not only for the boys now living at the Ranch, but also for new boys who will be coming to us during the coming year."

Amarillo department stores cooperate with the Christmas Suit Fund by giving special discounts on boys' suits. Other boys will receive gift packages of clothing that will include shirts, ties, jackets, trousers or other articles needed by them.

"A new suit or clothing package is the best Christmas gift any of our boys will receive," Patterson said, "It is a year-round reminder of those who really care."

Donations to the Christmas Suit Fund may be mailed to the Boys Ranch Office, P.O. Box 1890, Amarillo, Tx. 79174 or be taken to the office at 600 West 11th Street in Amarillo.

Listen To The Hum

It's the sound of growth, prosperity and progress in the Southwest. It's the sound of the Southwest making a bigger and bigger contribution to our nation's economy. It's the sound of electricity. Electricity that surrounds us with opportunities and jobs, pride and security. And with proper use of our resources, and new power plants using efficient, reliable fuels like coal, that sound is going to keep right on humming.

Thank you for calling 285-2068.

If we never had a Christmas
Then there could be no Easter
and no ressurected Lord,
No promise of Eternity
and no heavenly reward -
So let us thank our heavenly Father
Each time we kneel to pray,
For the Holy Little Christ Child,
Who was born on Christmas Day.

Latrell Hysinger and her mother, Lorene Stewart were in Plainview Monday, attending business.

Mr. and Mrs. Homer Curry have been in Floydada with his sister, Mrs. Robert Smith, who lost her husband recently.

Neither speak well nor ill of yourself. If well, men will not believe you; if ill they will believe a great deal more than you say.

Mr. and Mrs. J.E. Gibbs of Amarillo, Ronnie, Judy and Tawni were here all weekend recently with Virginia Miller. Judy and Tawni were here just last weekend and they attended the Blue Grass Musical in Littlefield Saturday night. Mrs. Henson joined the group for Sunday dinner.

Mr. and Mrs. H.B. Maxey had as house guests last week, her aunt, Mrs. Ada Firo of Garrison, S.D. Another aunt, Mrs. Elthier Starnes of Rapid, S.D. came Friday night to stay for the weekend. Both ladies left Sunday.

Recently the Maxeys' daughter, Bitsy and Bobby Brown and boys were here from Edmond, Okla. They report their mother Mrs. H.B. Maxey who now lives at the Heritage Home in Plainview to be doing fine.

Our sympathy to the Raymon Carson family in the loss of their home Sunday morning by fire. May the good Lord bless and keep you.

Learn as if you are to live forever; Live as if you were to die tomorrow."

Our sympathy to Twila Parker and family over the loss of her father, A.T. Kirby. Services were Tuesday at Dimmitt.

Mr. and Mrs. Jack Wood and son, Jacklee of Albuquerque, N.M. visited his parents Mr. and Mrs. V.G. Wood and their grandfather G.H. Wood.

Mrs. Audie Mae Wood was in Lubbock Tuesday, and visited Nell Wood who is in Methodist Hospital and Vera Crabtree in West Texas Hospital who had cataract surgery.

Mr. and Mrs. W.T. Hankins were in Eldorado, Okla. recently to attend the class of 29-30 reunion. There were about 40 students including two teachers.

Mrs. Mary Seawright flew to Tulsa, Okla. recently to be with her son, Tommy, who was finishing welding school. He finished one month early for putting in extra hours. They both flew home Wednesday.

Last week Mrs. Lillian Green flew to Long Beach, Calif. to be with a sister there who is quite ill. She returned home Tuesday.

OPPORTUNITY AWAITS

With doubt and dismay you are smitten.
You think there's no chance for you,, son?
Why, the best books haven't been written,
The best race hasn't been run,
The best score hasn't been made yet,
The best tune hasn't been played yet,
Cheer up, for the world is young!

No chance? Why, the world is just eager
For things that you ought to create
Its store of true wealth is still meager,
Its needs are incessant and great;
Don't worry and fret, faint hearted,
The chances have just begun.
For the best jobs haven't been started,
The best work hasn't been done.

INSUR-MATION

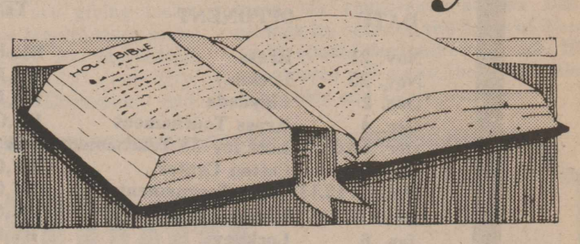

My daughter just got engaged and received an expensive diamond ring. They are not planning to be married for about a year and a half until the young man graduates. In the meantime, she will be living with us at home. I think I had better insure the ring but don't know how to go about it. How much will it cost?
For approximately the same cost, you can insure the ring through either your Homeowner's policy or through a "personal floater", an addition to that policy. The actual cost of coverage will depend on the value of the ring. You will need to obtain an appraisal from an accredited appraiser. Because of the effects of inflation and higher gold and diamond prices, many people are taking a second look at this type of coverage.

Sprinkler Systems Seminar Slated In Lubbock Tuesday

Irrigators with center pivot sprinkler systems are invited to attend an informal exchange of ideas and information on the benefits and problems of modifying a center pivot system to a low pressure drop line sprinkler system. The High Plains Underground Water Conservation District is hosting a meeting at their Lubbock headquarters at 2930 Avenue Q on Tuesday, December 16, beginning at 1 p.m. The three hour session for interested irrigators will focus on the experiences of irrigators using the modified drop line system and on what to consider before attempting to modify your present system to a drop line sprinkler.

Carl Butler, a center pivot irrigator at Anton, is planning to attend and share his experience of the past year with two unique low pressure drop line systems. One of the systems was a modified center pivot which circled a 640 acre tract over furrowed circle rows in Hockley County. The second system was a lateral move sprinkler modified with drop lines to row water a 320 acre tract. His modified irrigation systems used a series of rigid and flexible pipes, joints, flanges and socks to lay water down in the row in a diffused distribution pattern which prevented soil erosion and virtually eliminated evaporation loss in the water application.

Dr. Bill Lyle with the Texas Agricultural Experiment Station at Halfway and Leon New, irrigation specialist with the Texas Agricultural Extension Service in Lubbock will be there along with Lubbock County Extension Agent Randy Upshaw. They will discuss with water district staff and participants the effectiveness of the drop line system, what is involved in modifying a center pivot, and whether the expense is justified by increased water conservation and yield.

Cotton Burns In Trailer

Robert Akin suffered the loss of about two and one-half bales of cotton by fire Saturday afternoon.

Contained in a trailer standing in the field, the fire had smoldered until errupting into flame that consumed it. Akin said, "It is ironic, the cotton was too wet to pull - but not too wet to burn." The trailer was not too badly damaged.

The Akins, who lost a home via fire in 1951, were again reminded of the destructiveness of fire. They say, "although it has been almost 30 years, we still miss things we lost in the home fire."

Questions Asked About Eyes

Q: Do you do any charity work? By that I mean, do you take care of people who need your services but cannot afford to pay?

A: Yes. Our policy is the same as it has been for many years. If a person needs our services and has been certified by the School Nurse, the Welfare Department, the Lion's Club Sight Conservation Committee, or some other authorized agency and funds are not available from any Governmental Agency, we will provide our services at no charge. We will supply a frame at no charge and bill the school or Lion's Club [or other organization making the referral] for only the cost of the lenses.

Q: If I know someone, maybe a school child, who needs visual care, how do I help? What is the first step?

A: Contact the school nurse or a member of the local Lion's Club in your area. They then certify that a person is needy and refer them to us.

Q: Last year at this time, because of crop damage, you offered your patients some relief in the cost of eye care. Do you have any plans for helping them again this year?

A: Yes, we have. We are living in most unusual times when everyone is trying to cope with double digit inflation. No one can escape the erosions of their buying power when the forces of inflation continue. In order to help offset the effects of rampant inflation, we have decided upon the following course of action in order to help our patients obtain the very best in visual care. From December 1, 1980 through December 30, 1980, the following policies will be in effect:

1. We will make available to our patients new, but discontinued, frames at a savings of 50%. We have many current styles to choose from.

2. On second pairs of eyeglasses only, if the frame selected sells for $20.00 or less, we will give our patients the second frame at no charge [free].

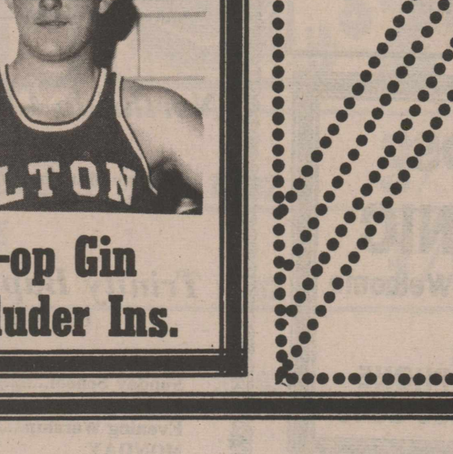

3. If the frame selected for a second pair sells more than $20.00 we will make the second pair available at a 50% savings. Many of our patients need a second pair as a "spare" or in prescription sunglasses.

4. We will offer a 20% savings off the regular cost of contact lenses. [This can amount to as much as a $55.00 savings on soft contact lenses.]

NOTE: If you have had your eyes examined anytime during the past year [at our office or elsewhere] and would like to have a "spare" pair of glasses or prescription sunglasses, you can take advantage of these savings. [Visa and Master Charge cards will be honored.]
