Plans Complete For Free Chest X-Ray

Gaither Is Lions' Zone Chairman

E. B. Gaither has been appointed Lions zone chairman of Lions International, according to John Sanders, president of the Tahoka Club.

The zone Mr. Gaither will serve includes clubs in O'Donnell, Denver City, Brownfield, Plainview, Ropesville, Sundown, and Tahoka. He is present Lion tamer and is a past president of Tahoka club.

The Lions Club met in regular session Tuesday night at the American Legion hall. Mr. Sanders reports plans were discussed for the coming year and what the club can do for the community under the present drought conditions.

The club recently sold covered garbage cans in a drive to raise funds for the crippled children's home in Kerrville. The response was good in comparison to the number of people contacted. Mr. Sanders said, but it was not "pushed" as much as it could have been because of the drought situation. However, the club made a profit of \$100, which will be sent to the home. A total of 216 garbage cans were sold.

Junior Play-Off Starting Sunday

The Lynn County Junior Baseball League play-offs will begin next Sunday afternoon, with Southland meeting Bill Strange Motors at Tahoka, and Bray Chevrolet playing the Wilson State Bankers.

The following Sunday, there will be games between the same teams. The winners of these sets will meet in a championship play-off on the first available Sunday.

Wilson Bankers, managed by Darrell Sims, is the team favored, having won eight games and losing none in league play. Leonard Breiger is expected to open the play-off on the mound for Wilson.

Bray Chevrolet is the under dog in its set against Wilson. They are managed by Dwayne Lee, and have won two and lost six games during the regular season.

Bill Strange Motors, managed by Gordon Smith, and Southland, managed by Donald Basinger, should prove a good match. The Ford boys won five and lost three, and Southland won four and lost four. James White will start for Tahoka, and Dobbs will probably start for Southland.

The teams have played some good ball during the regular season, and should play harder now that the play-offs are beginning. Fans are invited, and both games will start at 2:30 p. m.

Ted Pridmore is secretary of the league.

Several Top Teams Are Entered In Grassland's Softball Tournament

One of the top softball tournaments of West Texas will get underway at Grassland Monday night, and games will follow two nights until 14 games are played to determine the championship.

Several of the teams entered are among the best in West Texas, and will be competing for a first prize of \$115.00, second \$80.00, and third \$25.00, according to E. L. Short.

Monday night, Payne Oil plays Grassland and Snyder meets Farmer. San Angelo and Bozeman meet Tuesday night. This is a double elimination tournament, and a team must lose two games to be out of the running.

Plans have been completed for the free Tuberculosis Mass Chest X-Ray Survey to be held in Tahoka for all of Lynn county on Saturday, August 1, and Tuesday, August 4, 5, and 6.

A. M. Bray was recently named chairman for the survey by the general committee, and the test will be made in the air-conditioned Bray Chevrolet showrooms.

All people of the county are urged to participate in this free X-ray program, whether they have had tuberculosis, or have had a recent X-ray or not. In addition to tuberculosis, the X-ray may possibly locate evidences of cancer, bone diseases and mal-adjustments, etc.

Each X-ray picture is studied by experts, and a report is made to the physician of the individual's choice.

Two years ago, when a similar survey was held here, 2,000 people turned out to have the free chest X-ray made.

Mr. Bray has named Mrs. John Witt as chairman of the hostess committee and Miss Jane Moorehead as chairman of the secretaries committee.

State Health authorities have given the following basic facts concerning tuberculosis and the X-ray program:

1. Tuberculosis is Communicable. It can be spread generally by direct contact. No one is born with Tuberculosis; it is spread from one active case to another person.

2. It is possible to feel well and not know that you have Tuberculosis, as in early Cancer.

3. Tuberculosis can be cured, if found, early enough.

Knowing whether or not you have T. B., you can protect others and get early treatment for yourself.

You can find whether or not you have Tuberculosis simply by getting a chest X-ray at least once a year.

All persons 15 years of age or over can get an X-ray on any of the dates mentioned above in Tahoka.

This X-ray Survey is free. It is brought to you as a Public Health Service from the State Health Department in cooperation with the local unit in an effort to control Tuberculosis in this city and community.

Mr. and Mrs. Jake Leedy, who were residents of Tahoka for many years, have bought and are operating the dining room and lunch counter at the Lubbock Municipal Airport.

ENLIST IN AIR FORCE
Jimmy Dumas Small, Ronny Gurley, and Robert Adamson, all of Tahoka, went to Big Spring on Wednesday and enlisted in the Army Air Force for possible training in the Navigation school. They were sent to Lackland Airbase, San Antonio, Thursday, for further processing.

No admission fees will be charged, but all contributions will be appreciated and everyone is invited to the games.

Among the teams entered are: Payne Oil Co. and Bozeman, from Lubbock, the two teams tied for second place in the Lubbock City League; Farmer, a top team in any league, and winner of second place in the State Tournament last year; San Angelo All Stars, another top team; Santa Fe from Slaton, Humble Oil Co. from Snyder, Grassland, and one more to be selected.

Grassland will play Comanche of San Angelo this Thursday night at 9:00 p. m.

REV. ELTON WYATT

Wilson Methodist Meeting Announced

Wilson Methodist Church will hold its annual summer revival beginning Sunday and continuing through Sunday, August 2, according to Rev. Lynnwood Harrison, pastor.

Rev. Elton Wyatt of Mobeetie, a very successful pastor and evangelistic preacher, will do the preaching for the revival.

Morning services will be at 11 o'clock, and evening services at 8:15 o'clock. All people of the area are welcome.

Oil Test Going Down Rapidly

The new test south of the Tahoka-Pennsylvanian field near Petty is drilling below 7,500 feet. The News is informed.

This is the Claude E. Heard & Estill S. Heyser No. 1 Lonnie Lumsden 10,000-foot venture immediately south of the two producers. Location is 467 feet from the north and 660 feet from the east lines of section 143, block 12, EL&RR survey.

Last week announcement was made an offset would be drilled to the east known as the Hassie Hunt Trust Estates of Dallas No. 1 H. L. Cowart and E. H. Powell, but a derrick has not yet been moved in. This test will be located 660 feet from the west and 1,980 feet from the south lines of section 139, block 12, EL&RR survey.

Brays Guests of Top Hollywood Stars On Trip To California

Mr. and Mrs. A. M. Bray and Mrs. Rollin McCord returned home Monday night from Los Angeles and vicinity, where they spent nearly a week visiting and on business.

While there, Mr. and Mrs. Bray were guests of movie stars, William Holden and his wife, Brenda Marshall. Mrs. Bray spent much of her time at the Holden's home in North Hollywood while Mr. Bray attended to business.

Mrs. Bray and Brenda Marshall, whose real name in private life before she became a movie star and married William Holden, were class mates and friends at Texas State College for Women in Denton. Brenda, who was reared in San Antonio, later studied dramatics and made a name for herself in the movies. She is inactive now, but William Holden is one of the top stars. Naturally the Brays greatly enjoyed their visit with the couple.

Mrs. Bray says the couple, in contrast to some of the movie people, are fine folks.

Mrs. McCord visited with her sister who lives in Beverly Hills, also a suburb of Los Angeles.

Miss Grace Marie Sharp, spring graduate of McMurry College, Abilene, has been elected to teach physical education in Portales, N. M., High School this coming year. She is the daughter of Rev. and Mrs. Jim Sharp.

Mr. and Mrs. Corbin Douthit and little daughter of El Paso visited here this week with his parents, Mr. and Mrs. Henry Douthit.

Board Studying Building Bids

Tahoka School District trustees early this week opened bids for construction of the new home economics cottage building and the addition to the vocational agriculture building, but deferred the awarding of a contract because the bids were a little higher than had been expected.

Lowest bid received was \$41,500 for the work.

The plans, drawn by Arnold Maeker, Lubbock architect, call for a brick veneer home economics building of 3,000 square feet floor space and containing a living-dining room, food and sewing laboratories, bedroom, closets, pantry, and restrooms. The proposed addition to the vocational agriculture building would be 20 by 40 feet in size, and contain facilities for farm shop work.

City Contracts Pavement Top

West Texas Construction Company of Lubbock on Saturday was awarded a contract to re-top possibly as many as 84 blocks of Tahoka's asphalt streets, according to Mayor E. R. Edwards.

A seal-coat of asphalt and crushed rock will be applied at a contract price of 13 cents per square yard, and the total cost will be between \$17,000 and \$18,000.

The contractor expects to start the work within the next 10 days or just as quickly as materials can be assembled.

Much of the paving done a few years ago is getting in bad shape, and the City Council feels the work must be done immediately to prevent serious permanent damage.

Darvie Lavender Is Licensed To Preach

Following the worship service at the First Baptist Church last Sunday night, the Church in conference granted license to one of its members, Darvie D. Lavender, to preach the gospel under its auspices. He had just delivered the sermon at the evening service. He has been a devoted and faithful worker in the Church for some time and in recent months has made quite a record as a soul winner.

On Monday night the Brotherhood of the Church entertained the women and children of the Church with an ice cream supper. Cake and pie were served and a number of games were indulged in. The entertainment was staged and the supper served out on the Church lawn.

Mrs. Richard Wyatt underwent minor surgery Wednesday in the Tahoka Hospital.

Congratulations:

Mr. and Mrs. Buddy Gene Bragg on the birth of a daughter weighing 6 pounds 12 ounces Tuesday in a Paducah hospital. Name is Carolyn. The Braggs have another daughter age two. Mr. and Mrs. Cody Bragg are the paternal grandparents.

Mr. and Mrs. John George of Shamrock on the birth of a daughter weighing 6 pounds 10 ounces on July 10 in a Wellington hospital. The mother is a daughter of Mr. and Mrs. H. W. Benson of Tahoka. Mrs. Benson returned home Monday from a visit with her new granddaughter.

Rev. and Mrs. John Rakestraw, Pilot Point, on the birth of a son weighing 9 pounds 2 ounces in a McKinney hospital Sunday at 3:55 a. m. He has been named John Allen Jr. Mrs. Rakestraw is the daughter of Mr. and Mrs. J. G. Price of Tahoka. Mrs. Price is with her daughter and family.

The Rakestraws have a daughter, JoAnna, age two.

Mr. and Mrs. K. G. Halford Rt. 1, on the birth of a daughter weighing 6 pounds 13 ounces at 8:55 a. m. Tuesday in a Lubbock hospital.

REV. TROY DALE

Rev. Troy Dale In New Home Meeting

Rev. Troy Dale of Lubbock is doing the preaching and Bro. Gary Martin of Lubbock is leading the song services in a revival meeting which opened at New Home Baptist Church Wednesday. The services will extend through August 2.

Morning services, Monday through Friday are at 10 a. m., with week-day evening services at 8 p. m. Sunday, the usual program will be followed, with the evening evangelistic services at 8:30 p. m.

Rev. Bennie A. Hargrave is the pastor of the New Home Church.

Dr. Stapp Takes Work In Africa

Dr. and Mrs. Walter H. Stapp and their two lovely children will be sailing for Africa about the middle of August, according to Lee Ramsour, pastor of the First Baptist Church.

Since they left us about two years ago, Dr. Stapp has been on duty with the Army in Germany. His family has been with him most of the time. They returned to the States in June.

Dr. Stapp has a contract with Firestone Rubber Company to work in the company hospital with eight other doctors in Liberia. There are 150 Americans on the Firestone plantation, and the company hospital serves thirty thousand natives.

"Those of us who know the spirit of Mrs. Stapp will appreciate the fact that above all else she sees a wonderful mission opportunity in this work," Rev. Ramsour states.

Rutherford Sales Going Over Big

Randolph Rutherford, owner of Rutherford & Co. store here, states that his big Surplus Stock Liquidation Sale which will close on Saturday, August 1, is getting excellent results.

The sale is being promoted by Mr. and Mrs. Frank Bender and daughter of Kansas, and extensive advertising of the event is being done in The News.

There are 58 contestants for 10 grand prizes, and in addition other prizes are being awarded store visitors at 10 a. m. and 4 p. m. daily. Mr. Rutherford says there is keen competition in the grand prize contest, and the lead changes almost daily.

Among the prizes being offered include a 4-piece bedroom suite, 5-piece chrome dinette suite, air conditioner, vacuum cleaner, electric mixer, outdoor furniture, 3-piece luggage set, radio, electric coffee-maker, and an electric iron, a total of \$800 in prizes offered during the sale.

Prices of merchandise have been cut drastically during the sale.

Mr. and Mrs. Claude Slover and little daughter of Fort Worth arrived Wednesday for nearly a week's visit with his parents, Mr. and Mrs. John Slover.

Mrs. Herbert Smith underwent a minor surgical operation in the Tahoka hospital on last Friday.

Cooper Returns From Turkey

Major Truett Cooper, a military advisor to the Turkish army for the past year, is home visiting his family at Lubbock and his parents, Mr. and Mrs. E. J. Cooper, and other relatives in Tahoka.

Next month, he expects to move to San Antonio, where he will become an instructor in St. Mary's Military Academy.

A career Army man, Major Cooper has served with distinction and nearly six years of his service have been overseas and on both sides of the world.

Following his graduation from Tahoka High School, Cooper attended Texas A. and M., from which school he graduated and was commissioned a lieutenant in the U. S. Cavalry. He served in the Southwest Pacific, and was one of General MacArthur's aerial observers in the initial invasion of Leyte in the Philippines and also in the retaking of Manila from the Japs.

After the close of the war and prior to the "police action," he was food administrator for Korea. Returning from Korea, he became an instructor at Fort Sill, Oklahoma.

Last year, Major Cooper was sent to Turkey under the Marshall Program by the U. S. Army as an instructor and advisor to the Turkish army.

Rev. Sharp Holding Meeting In Church Of Old Home Town

Rev. and Mrs. Jim H. Sharp left Sunday afternoon for Forest Mississippi, to visit his father, C. P. Sharp, who is 88 years of age.

Rev. Sharp will also conduct a revival meeting in his childhood home community of Harperville Miss.

Next Sunday, Rev. Elmer Crabtree will preach at both the morning and evening services of the Tahoka First Methodist Church, in the absence of the pastor.

Last Sunday night Rev. D. D. Creecy, who has recently come from the Oklahoma Conference to become a pastor at Cotton Center, preached at the local church. Mitchell Williams was in charge of the services in absence of the pastor.

Water District Adopts New Method For Issuing Irrigation Well Permits

The Lynn County Water Committee has set the following meeting dates, starting the 1st of August, 1953: First Tuesday night will meet at the New Home Gin Co. Office 8:00 p. m., the third Tuesday night at the coop Gin Office in Wilson at 8:00 p. m.

Due to some failures of previous applicants not thoroughly understanding the requirements of the Water law, the committee feels that to avoid further misunderstanding the applicants should meet with the committee on the above nights to secure a permit. To date the Lynn County Committee has recorded 114

Spotted showers over Lynn county the past week have helped a lot, but the drought definitely has not been broken locally. However, sufficient moisture has been received in spots to plant a very late feed crop and to be of some benefit to irrigation farmers.

Wednesday afternoon and evening, Tahoka received only .06 of an inch, but several large areas of the county received moderate to heavy rainfall.

Ben Moore of O'Donnell, who drove over most of that territory, reported that O'Donnell received .65 of an inch, with possibly 100 sections of O'Donnell's trade territory getting good rains. East of that city, in the vicinity of the Prohl, Harris, and Ragan farms, up to three inches fell, but Draw received only about a half inch. Southeast of O'Donnell, in Dawson county and for about five miles south down the Lamesa highway, the rain was also heavy. Wells received an inch to an inch and a half, but fall was light at Newmoore, and also was lighter in the Hagood vicinity to the north of Wells.

Parts of T-Bar and the Three Lakes communities received light but beneficial rainfall.

Jack Fenton and Maurice Small reported a heavy shower west of Tahoka at the Crouch and R. W. Fenton places, then grew heavier at the Tom Hale place, with West Point receiving another heavy rain. The rain belt then extended north, with most of the Petty area getting from an inch to possibly two or two and a half inches. Some feed already up in the West Point area may have to be replanted.

H. G. Cook, Wilson banker, reported that community got a very light shower, but the fall was heavier toward Union and Slaton, Lubbock county.

Parts of the New Home community received about an inch, and north of Lakeview the fall ranged up to an inch and a half. Scattered showers had previously fallen over much of Lynn county.

Last Friday, Tahoka received .86 of an inch and on Saturday .17 of an inch. Spotted showers also fell Sunday.

During the week, Grassland received about .60 Leroy Davis reports. Northeast sections received showers, as did Redwine, Draw, and Joe Bailey in the southeast. Wells had two showers, one of possibly and inch, and south and southeast of Newmoore there was a good shower. West Point has had two or three good showers, as has Petty.

Aside from the approximately 50,000 acres of irrigated crops, the crop outlook is very bleak. Where sufficient rain has fallen, farmers are planting feed, but it is now getting late even for feed. However, they figure such feed, even if it does not make, will furnish a cover crop and in some instances livestock may be grazed on it.

Water District Adopts New Method For Issuing Irrigation Well Permits

The Lynn County Water Committee has set the following meeting dates, starting the 1st of August, 1953: First Tuesday night will meet at the New Home Gin Co. Office 8:00 p. m., the third Tuesday night at the coop Gin Office in Wilson at 8:00 p. m.

Dallas Hospital**

Dallas, July 23.—Elizabeth Steele, four-year-old daughter of Mr. and Mrs. C. L. Steele of Tahoka, was admitted July 15 to the Scottish Rite Hospital for Cripple Children in Dallas.

The hospital was founded 27 years ago by Texas Masons to

provide the best treatment for extra cost to the parent.

Since that time, the Scottish Rite Hospital has treated more than 15,000 children in the wards and 68,000 clinical patients. An expert staff of doctors, nurses and therapeutic technicians provides the treatment, both corrective and surgical, by means of contributions from the general public.

FORD SUNLINER

America's fastest selling convertible

Ford's Sunliner is the "top downers" delight! And its power-operated Breezeway top converts it to a snug, closed car in a jiffy. And it's the only low-priced convertible with V-8 power plus a choice of three great drives.

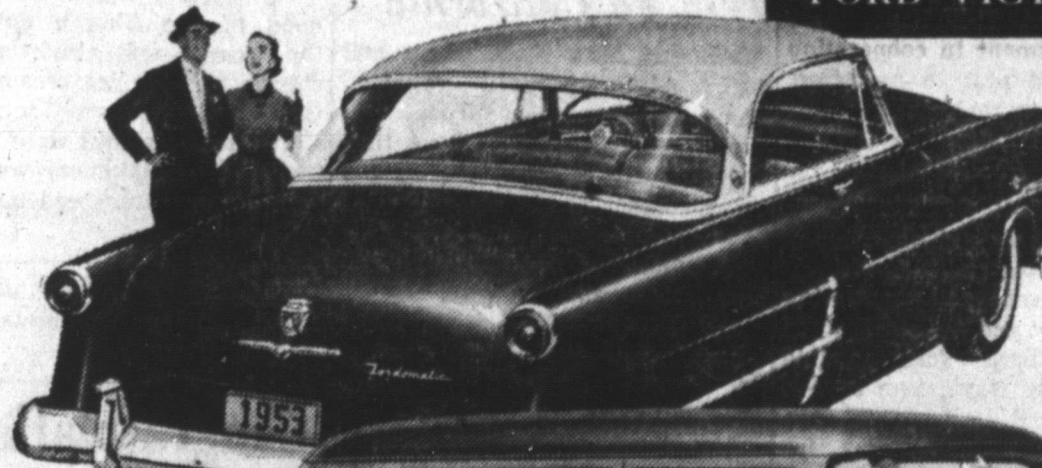

3 Best Sellers!

FORD VICTORIA

America's most
beautiful car of its type

Again for '53, Ford's Victoria is America's "best-dressed" car. Like all '53 Fords, its Crestmark body is huiltight, its picture windows give Full-Circle Visibility. And you ride in style on foam-rubber cushions over non-sag springs. Front-end road shock (the kind you feel most) is reduced up to 80%.

**FORD STATION WAGONS**

COUNTRY SQUIRE, COUNTRY SEDAN, RANCH WAGON (Illustrated)

America's most popular Station Wagons

Ford's wood-trimmed Country Squire is a "double-duty" beauty that changes from eight-passenger sedan to hard-working cargo hauler in three minutes flat. Ford offers two other popular "quick change artists" . . . the 2-door, 6-passenger Ranch Wagon and the 4-door, 8-passenger, all-metal Country Sedan.

Pointers Given On Baby Sitting

College Station, July.—Tonight several thousand teen-age girls will baby sit while parents have an evening away from home.

Baby sitting, a once-unheard-of practice, has practically become a profession with which nearly every family is familiar. According to Mrs. Eloise Johnson, family life specialist for the Texas Agricultural Extension Service, baby sitting can be safe and pleasant for the sitter, the children and the parents. The person who becomes the baby sitter should know what to do in case of an emergency, have explicit instructions as to special care of the child, and know exactly what is expected of her by the parents.

For safe, pleasant baby sitting remember that the sitter should know the child's name or his nick name and the schedule for meals, play, bath and sleep. She should know where his clothes, play equipment, bath articles and sleeping garments are kept and the customary undressing and bathing procedures.

Help her to know that the fires or heating systems are under control, and how the kitchen range is lighted and turned off and how to use or regulate fans or cooking system. She should be familiar with the safe areas where the child should be taught to play, and what first aid supplies are available in the house for treatment if necessary.

Mrs. Johnson suggests to parents they prepare such instructions to leave with the sitter before they leave the house. This will give the baby-sitter sense of understanding and relieve the parents themselves from worry.

Such a prepared statement for the sitter might include routine care, special instructions, other instructions including locking doors and answering telephone calls as well as what to do in illness, fire or other emergencies. Some parents include the name and telephone number of the family doctor along with the information as to how and where they can be reached.

Ten Teachers Are Attending Tech

Ten teachers in the Tahoka schools are attending Texas Tech the second summer term.

Mrs. Deck Dunagan, Mrs. Linnie Finch, Mrs. W. M. Mathis and Mrs. F. Wyatt, all grade teachers, will receive their Master of Arts degree in August. Mrs. Pat Hutchinson will graduate with a Bachelor of Science degree, and Mrs. Mitchell Williams is continuing work on her B. S. degree.

Four high school teachers are students. Floyd Tubbs, business administration teacher, will graduate with a Master of Arts degree in August. Tracy Brown, math teacher, and Bill Sharpley, assistant football coach are working towards their M. A. degrees. Lisle McWhirter is taking a course in driver's education work shop.

Wake Jacobs, high school principal, Archie Sims, grade school principal, and Bill Haralson, football coach, worked toward their Ph. D. degrees last six weeks. All three received their Master of Arts degrees from Texas Tech last summer.

Two Are Initiated By Rainbow Girls

The Tahoka Assembly of Rainbow Girls held initiation ceremonies Monday night, July 20, for Ann Wharton of Tahoka and Linda Davis of Grassland. They were elected to membership July 6.

A come-as-you-are breakfast was recently given by Susie Smith who holds a charity station. Approximately 75 people attended, bringing Miss Smith a profit of \$32.00. The money must be used only for charity, but she has not yet decided in what way it will be disposed.

Deanie Edwards is Worthy Advisor of the Tahoka Assembly and Mrs. Emil Prohl is the Mother Advisor.

The next meeting will be the first Monday in August.

California is the longest state being 770 miles in length.

Miss Nancy Ann Cobb Weds Delwin C. Stults in Ceremony Read At Lubbock

In a formal candlelight ceremony read Saturday night in St. John's Methodist Chapel in Lubbock, Miss Nancy Ann Cobb became the bride of Delwin Conrad Stults.

The Rev. Cecil Matthews officiated at a double-ring service before an altar banked with baskets of white gladioli and jade greenery.

The bride is the daughter of Mr. and Mrs. G. L. Cobb, Tahoka, and Mr. and Mrs. A. C. Stults of Dallas, are the parents of the bridegroom.

A medley of traditional wedding music was offered by Miss Myrla Holcomb on the organ. Miss Jeanne Stults sang "My Hero" and "The Lord's Prayer."

The bride's gown was an original model in imported white Chantilly-type lace and nylon net.

over taffeta designed with a strapless bodice. A lace bolero, which buttoned up the front, was styled with a soft roll collar and long sleeves.

The bustline of the fitted bodice was of shirred lace. The shirred net midriff joined an immense waltz-length skirt with an overskirt of pleated net encircled by three wide bands of lace and topped by a lace peplum.

Her veil of silk illusion fell from a tulip cap of handmade, heirloom lace with a pearl-trimmed opening in the back. She carried a cascade arrangement of angel feathers and pearls topped by a white orchid. She was given in marriage by her father.

Mrs. Pat Park of Tahoka attended the bride as maid of honor. Bridesmaids were Misses Jan Edwards and Janelle Toler both of Tahoka, and Pat Qualia of Del Rio.

Attendants' dresses were identical in nylon tulle over taffeta in moss green. The strapless bodices were complemented by net sleeves. The waltz-length skirts of shirred net were trimmed with a diagonal band of velvet reid by tiny flowers.

Their headresses were pose veils attached to velvet bandeaus. They carried basket arrangements of wine carnations.

Candles were lighted by Miss Margaret Durham of Tahoka and Don Moore. Miss Durham wore a dress of white nylon net over taffeta.

Phillip Boykin of Dallas served the bridegroom as best man. Ushers were Joe R. Hastings of Dimmit, Clyde Walter of Level and Gerald Woolam.

At the reception in the Methodist Student Center, the bride's table was laid with a lace cloth. A tiered wedding cake and nosegays of wine and white carnations served as decorations.

For traveling to Sterling Colo., where the couple will make their home, the bride wore a navy two-piece faille dress with navy accessories.

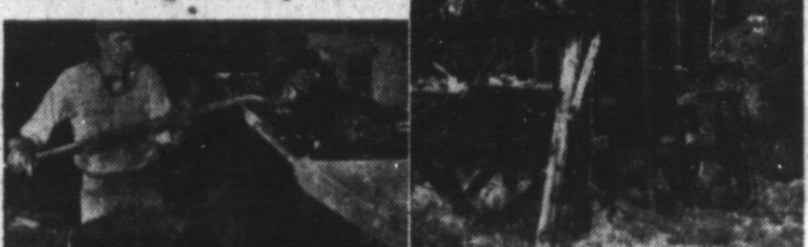

The bride received her Bachelor of Science degree in education and her Master of Science degree in education from Texas Tech. The bridegroom was graduated from Tech with a Bachelor of Science degree in petroleum engineering. He was a member of Phi Delta Theta. He is now employed by British-American Oil Producing Co. in Sterling.

Lofty Quest for Uranium

EVEN MORE dramatic than the gold rush days is America's quest for uranium ore, now under way high on the rugged Colorado Plateau. At Uravan, below, ore mined in the Rockies is refined. Town was named for "ura" in uranium, "van" in vanadium.

ONCE PROCESSING IS completed, uranium, below, has a black, sticky form. Drying reduces the material to powder.

SANDSTONE near this typical mining structure yields carnotite. From it are derived traces of uranium ore.

MOUNTAIN-CLIMBING International trucks, one of which is shown in background, haul the ore to mills from nearly inaccessible mines. Miners examine ore for yellow streak, proof of uranium.

gays of wine and white carnations served as decorations.

For traveling to Sterling Colo., where the couple will make their home, the bride wore a navy two-piece faille dress with navy accessories.

The bride received her Bachelor of Science degree in education and her Master of Science degree in education from Texas Tech. The bridegroom was graduated from Tech with a Bachelor of Science degree in petroleum engineering. He was a member of Phi Delta Theta. He is now employed by British-American Oil Producing Co. in Sterling.

4-H Club Boys Will Attend Meeting

Ten Lynn county 4-H club boys will attend the annual 4-H Club encampment being held at the fair grounds in Lubbock July 28 through July 30.

They are: Joe Wayne Roper, Wayne Hammonds, Alton Terry, James Hyles, Jerry Cain, and Hilton Wood, all of Tahoka; Don White and Jimmy Blankenship of Wilson; and Lanny Brewer and Tommy Gardenhire, O'Donnell.

The boys, 277 in the entire district (District 2), were chosen on the basis of the project activities. Meals will be furnished, and the boys will live in barracks.

In addition to other activities, there will be rifle practice, swimming, and softball.

Smith Tells Farm Loan Progress

Ross Smith, Secretary-Treasurer of the Tahoka-Post National Farm Loan Association, has recently received a communication from Mr. Sterling C. Evans, President of the Federal Land Bank of Houston, concerning the drastic increase in demand for long-term farm mortgage loans in Texas.

Mr. Evans stated that a greater volume of loans has been closed during the first six and one-half months of 1953 than was closed in any single year for twenty-nine of the Bank's thirty-six year history. He believes one of the controlling reasons for this increase is the desire of farmers and ranchers to consolidate their short-term debts on a long-term basis. He also felt that the fact loans are still being closed at a 4 percent interest rate, regardless of the rather sharp increase in the cost of money, is having some effect.

The Bank now holds about 25 percent of all of the farm mortgage debt in the State. Mr. Evans further stated that the Land Bank is now closing about 35 percent of the total number of loans being made in Texas.

The Tahoka-Post National Farm Loan Association is one of the 141 associations located through the State of Texas that are sole owners of the Federal Land Bank. These associations in turn are owned by local farmers and ranchers.

Messrs. Fred McGinty, Oscar Roberts, Vernon Willhoit, T. J. Jones (Post), and J. C. Fumagalli (Post) are directors of the local association.

Barron Cave of Lovington, N. M., was over Monday visiting old friends, looking for a tractor driver and some hoe hands. He is irrigation farming 15 miles north east of Lovington, N. M., and says he has some fair cotton.

Douglas McNeely, who is stationed in the Army at Camp Rucker, Alabama, left Thursday after having spent several days at home on furlough. He expects to remain at Rucker as an instructor.

Mrs. George McCracken is a patient in Tahoka Hospital, having undergone major surgery on Thursday morning.

Mr. and Mrs. Berry Fischer and children attended a family reunion of his relatives Saturday night and Sunday at the park in Seymour.

Simon Garcia underwent an appendectomy on Friday of last week in Tahoka Hospital. He lives near Slaton.

Martin Van Buren was the first President born in the USA.

New Home Church Sponsoring New Lubbock Church

New Home Baptist Church is sponsoring a revival meeting which it hopes will lead to the formation of a new church in an area of Lubbock not now served by a Baptist Church, according to Rev. Bennie A. Hargrave, pastor of the New Home Church.

The Lubbock area is in South west part of the city near the new Wheelock school, in which vicinity there are now about 800 homes.

The revival was opened Monday evening in a building at the corner of Flint Avenue and 39th

street. Rev. J. Henry Cox is doing the preaching and Marvin Aubrey is leading the song services.

Rev. Hargrave says it will be possible to buy the building for the starting of a new church if sufficient interest is found in the area.

CARD OF THANKS

We deeply appreciate the beautiful flowers, cards, and words of sympathy on the passing of our father, W. T. Campbell, 82, at Blum on July 14. We especially appreciate the fact that Elmer Rice, Floyd Heck, H. G. Cook, and D. A. Brown came down for the funeral rites. Jasper and Pat Campbell families.

Thuren's Relief Plan Wins Favor Of High Officials

Last week The News published a suggested plan by Dale Thuren, local farm store owner, whereby the Government could be of real benefit to this drought-stricken area in helping farmers get a cover crop growing on barren fields to prevent blowing and to furnish forage for cattle, if rains come in time.

He mailed a copy of the suggestion to various officials, and he has received favorable replies from some of them. Nothing may come of Dale's proposals, but they may have helped to better inform lawmakers and agricultural experts.

Don Paarlbery, assistant to the Secretary of Agriculture (Extra Staff Benson) writes: Your comments of agricultural practices, the drought, and efforts to alleviate it are much appreciated. Your suggestions for promoting forage production have been forwarded to those in the Department who are responsible for administering the drought relief program.

Congressman George Mahoo writes:

"If we do not get cover crops on the soil in the drought area we will have an uncontrollable dust bowl on our hands this winter and next spring."

"I think you have made some very, very fine suggestions, and I am taking the liberty of having copies of your suggested plan made. I shall present them to appropriate members of the House Committee on Agriculture and to Secretary Benson."

"A timid, half-way program will not get the job done. We have got to tackle our problem with courage and confidence, and we are going to have to reconcile ourselves to the fact that considerable government money will have to be expended if we are going to succeed in our efforts."

Senator Lyndon B. Johnson "I have read your plan carefully and with interest and I am taking the liberty of bringing it to the attention of the officials of the Department of Agriculture. . . . It is helpful to me to have the 'benefit of your thinking on the subject'."

Dr. Joe D. Nichols of Atlanta, Texas, who evidently got hold in some way of Dale's plan, sent the local man a reprint of a very interesting address he had made in which he (Nichols) used some of Dale's ideas.

Thurman Family Holds Reunion

Mr. and Mrs. Joe M. Thurman had all their children at home Sunday for the first time since 1937. The group enjoyed the day visiting, talking pictures, and partaking of a great noon-day feast.

Those present for the reunion were: Mr. and Mrs. J. B. Kelley and children, New Lynn; Mrs. W. L. Wilson and son, Silver City, N. M.; Mr. and Mrs. H. E. Mize and children, Meridian; Mr. and Mrs. H. Smith and children of Los Angeles, Calif.; Mr. and Mrs. N. O. Thurman and son, Waco; Mr. and Mrs. J. A. Thurman and son, Tahoka; James (Buddy), of the family home; Mrs. Billie Thurman and son, Tahoka; and friends, Mrs. Nan West and her daughter from Coleman.

IN MEMORIAM

In loving memory of our parents and grandparents, Mr. and Mrs. Lonnie Williams, who met tragic death a short time ago:

Oh! What we would give to clasp your hands—
Your dear, kind faces to see—
Your loving smiles, your well come voices
That meant so much to me.
No one knows the silent heart aches;
Only those who have such can tell
Of the grief we bear in silence
For the ones we loved so well.
—Mr. and Mrs. Silas Russ, Billy and Neal.

Lola Sue Ramsey Weds Bill Scott In Church Ceremony

Miss Lola Sue Ramsey became the bride of William Kavanaugh Scott of Coffeyville, Kansas, at 4 p. m. Saturday at the First Methodist Church in Tahoka. A double ring service, read by Rev. Jim Sharp, was performed under an archway of white gladioli, on each side of which were baskets of white gladioli and greenery.

The bride is the daughter of Mr. and Mrs. Blain Ramsey of Tahoka. Mr. and Mrs. D. A. Scott, Sr. of Dallas are the parents of the bridegroom.

Mrs. A. L. Shepherd, the bride's aunt, sang "I Love You Truly," accompanied by her daughter, Miss Jane Shepherd. As the bride, Shepherd sang "The Lord's Prayer." "Love's Old Sweet Song" was played throughout the ceremony, as it was at the wedding of the bride's parents.

Given in marriage by her father, the bride wore a ballerina length gown of white organdy. She wore a shoulder length veil of illusion. As something old, the bride wore a brooch belonging to her mother. A top white Bible belonging to her niece, she carried a nosegay of stephanotis, which held a removable corsage.

Attending her sister as maid of honor was Miss Lamyre Ramsey of Lubbock. She was dressed in a green organdy gown of ballerina length and wore a band of green organdy across her head. She carried a nosegay of pink daisies.

D. A. Scott Jr served his brother as best man. Ushers were Bill Ramsey and John Shepherd, brother and cousin, respectively, of the bride.

A reception following the ceremony was held in the Methodist Fellowship Hall. Carrying out the bride's chosen colors of green and white, the table was decorated with white gladioli, fern, and baby wreath, banking the punch bowl. The wedding cake was in the shape of a bell.

For a wedding trip to San Antonio, the bride chose a dressmaker's suit of brown and beige. The couple will be at home in Fremont, Texas.

The bride was graduated from Tahoka High School and attended McMurry College in Abilene. She is now employed by Magnolia Petroleum Co. in Premont.

The bridegroom is a graduate of St. Louis High School and Amherst University in Massachusetts. He is a veteran of the Korean War, having served for two years in the Army. He is employed by the Sun Oil Co. in Premont.

Sgt. Billy Ed Ware Married Recently

Miss Betty June Hall, daughter of Mr. and Mrs. Horace Hall of Perryton, and S/Sgt. William Edward Ware, son of A. E. Ware and grandson of Mrs. M. A. Godfrey of Tahoka, were united in marriage on July 12 in Ford Memorial Chapel of the Lubbock First Baptist Church, with Rev. D. E. McVey, assistant pastor of Asbury Methodist Church, reading the double-ring ceremony.

After a trip to Carlsbad, N. M., the couple returned to Lubbock. The bride is employed at Travelers Insurance company and lives at 2211 Main Street in Lubbock. The bridegroom has returned to England, where he has 13 months to serve in the Air Force.

The bride was given in marriage by her father, Miss Ruth Hall of Lubbock served her sister as maid of honor, and Charles Fulkerson of Odessa was best man. Charles Ware of Tahoka was one of the ushers, and Janey Ware was one of the candlelighters.

A reception followed in the home of the bride's grandmother, Mrs. Mary O. Hall.

The bride attended Texas Tech two years, majoring in home economics. The bridegroom was reared in Tahoka, attended McMurry College, Abilene, before entering the Army Airforce.

Paneuil Hall, in Boston, is known as the Cradle of American Liberty.

Thirty-two men have served as President of the United States.

In all these important ways...

Chevrolet's farther ahead than ever!

The striking new Del Air Sport Coupe. With 3 great new series, Chevrolet offers the widest choice of models in its field.

...IN POWER AND PERFORMANCE

Chevrolet's entirely new 115-h.p. "Blue-Flame" engine (teamed with Powerglide*) is the most powerful in the low-price field! In gear-shift models, you get the advanced 106-h.p. "Thrill-King" engine. Both give brilliant new performance and greater economy.

...IN STYLE AND LUXURY

The sleek, low-slung beauty of this fine new car provides one more reason for Chevrolet's truly amazing popularity. The new Fisher Body provides roomy luxurious interiors, modern appointments and colorful, fine-fabric upholstery that can be matched only in costlier cars.

...IN EASE OF DRIVING

Entirely new Powerglide automatic transmission, with faster getaway and greater economy, eliminates the clutch pedal completely. And Chevrolet's new Power Steering* does 80% of the work... lets you squeeze in or out of tight spaces with wonderful new ease.

...IN ECONOMY AND VALUE

Chevrolet now brings you the most important gain in gasoline economy in its history! And, you save substantial amounts on over-all upkeep, too. Yet with all its wonderful new things, Chevrolet remains the lowest priced line in the low-price field!

...IN FIRST PLACE POPULARITY

Again this year—as in every single postwar year—more people are buying Chevrolets than any other car. In fact, latest official registration figures show Chevrolet over 25% ahead of the second-place car. Nearly 2 million more people now drive Chevrolets than any other make.

*Optional at extra cost. Combination of Powerglide automatic transmission and 115-h.p. "Blue-Flame" engine available on "Ten-Ten" and Del Air models only. Power Steering is available on all models.

MORE PEOPLE BUY CHEVROLETS THAN ANY OTHER CAR!

RUTHERFORD & CO. TAHOKA, TEXAS

Well Spacing . . .

(Cont'd. from Page 1)

Water District.

The committee urges that all previous applicants who have NOT turned in the log and registration for wells do so immediately, even though the well was a dry hole, as the information from these holes can be valuable to a study in regard to recharging our underground water.

In addition to its general power to recharge reservoirs, the district is granted the specific power to acquire land for dam construction and for drainage and to install pumps and other equipment necessary to recharge the reservoir. Recharging means simply putting more water under the ground and into the reservoir. That helps keep the water level up, thus avoiding the cost of drilling deeper and the danger of having to use less water.

On the South Plains, for example, there are thousands of wet weather lakes on the surface. Some of these lakes have tight bottoms so that the water running into them stays right there until it evaporates. By disturbing the bottoms of such lakes it may be possible to drain their water into underground sands and put it to beneficial use. In other areas, creeks can be dammed and the water spread out so that more will be underground instead of subject to evaporation or running off. In many cases, recharging of reservoirs may be all that is necessary to keep the water level high, and other regulations can be avoided.

SMALL'S SISTERS HERE

Mrs. S. P. Burns, 84, of Brownwood and Mrs. David Hester, 78, of Spearman have been here this week visiting their brother, Geo. Small, 81, wife, and other members of the Small families. Mrs. Burns had just returned from a trip to Washington, D. C., accompanied by two grandsons.

William C. Wallace is now serving in the U. S. Marine Corps and is stationed at San Diego, Calif. He is the son of Mr. and Mrs. Clyde Wallace.

In view of this fact, the committee request that any property owner who has drilled a dry hole near the bottom of a lake and who would be willing to give an easement to the District to use such a well for recharging purposes, contact any of the committee: K. K. Moore, chairman; J. D. Unfred, secretary; D. W. Hancock, Wayne Smith, and A. E. Hagens.

Well spacing for all wells is 400 yards from any other irrigation well, and permits are required within the water district to replace a well that has gone dry.

Recent well permits issued include:

J. P. Unfred, one-half mile north of Petty.

L. N. Hancock, two wells, three miles west of New Home.

H. H. Hewlett, two miles south-east of Wilson.

Martin Wuensche, six miles northwest of Wilson.

Clarence Basinger, Southland.

C. C. Weaver, two wells seven miles east of Wilson.

CAMERAMAN'S HELPERS?—Three tiny patients at the Texas Scottish Rite Hospital for Crippled Children offer plenty of good-natured advice to cameraman Bob Alcott shooting a motion picture at the hospital in Dallas. Looking through the viewfinder of the Jamieson Film Company employee's camera is six-year-old Donald Ray Mathews of Lamesa. Chipping in with grins and comments are "Assistant Directors" (left) Linda Kay Morehead, five, of Italy, Texas, and four-year-old Deborah Jester of Dallas. These children and other patients at the Scottish Rite Hospital supported by generous Texans participated in a newly-completed film showing life at the big institution. Deborah is a cerebral palsy victim. The other children are recovering from polio.

Jaycee Ettes Meet With Mrs. McClellan

Tahoka Jaycee-Ettes met Tuesday, July 14, in the home of Mrs. Charles McClellan Jr.

The Jaycees gave the Jaycee Ettes a check for \$25.00 on June 23, for their cooperation and help with the Jaycee Rodeo.

Peggy McClellan was elected reporter, historian, and photographer to take the place of Mrs. Valene McMillan, who has moved to Lubbock.

Mrs. Darlene Gurley presided over the meeting in the absence of Mrs. Jeanine Jones, who was on vacation.

The next meeting will be in the home of Mrs. Iva Elliot on July 28. All ladies who have been contacted by Jaycee-Ettes are invited and urged to attend this next meeting.

BUY YOUR HOME MADE PIES and cakes at the Bake Sale Saturday, July 25, at Southwestern Public Service Company offices, and help the Tahoka Youths.

Eugene Butler Will Speak To Farmers

Eugene Butler, Dallas, widely known editor of The Progressive Farmer, will be the speaker at the monthly supper meeting of the Lubbock County Agricultural Club next Monday night at 8 o'clock at the Slide Community building.

Mr. Butler recently returned from a trip to Europe. He is this year's Hoblitzelle Award Winner for "leadership in advancement of rural living," and is a member of the State Cotton and Cotton Insect committee.

EASTERN STAR

Regular meeting of Tahoka Chapter 743, Order of The Eastern Star, Monday, July 27, 1953 8:00 P. M.

Jane Morehead, Worthy Matron.
Etta Lorene Ried, Secretary

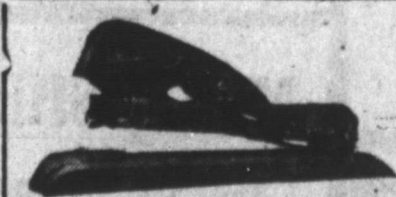

Mrs. J. B. Fulton of Waxahachie and Mrs. W. J. Pennington of Erick, Okla., spent last week end with Mrs. C. A. Thomas.

Mesdames Pennington and Thomas had just returned from a fine vacation trip to Los Angeles and San Francisco.

John Inman and family of Muleshoe were here Monday visiting old friends. John tried to make some of us sick by telling us he had 115 acres of fine cotton now blooming and 32 acres of alfalfa just as fine.

Arizona is known as the Valley of the Sun.

Texas is the widest state, being 620 miles in width.

Pythian Sisters Plan Big Meeting

Lynn Temple No. 45, Pythian Sisters, met in regular session Tuesday, July 21st, and initiation, which was to have been held, was delayed, due to illness of the candidate. Temple Deputy Helen Ellis read and discussed instructions from Grand Chief Margaret Wofford for the coming year.

M. E. C. Hannah Nordyke appointed Darlene Gurley as chairman of a Committee to help with the Chest X-Ray Mobile Unit; others appointed on the Committee were, Pearl Carter, Tiny Lee McNeely and Anna Pennington.

It was decided to invite Lubbock, Lamesa, Big Spring and Odessa Temples to our next meeting, August 4th, which is our Friendship Night. Hostesses for Friendship Night will be, Peggy Huey, Zella Taylor, Floyce Sherrod, Jean Freeman, Blanche Burroughs and Gean Fae Adams. We have invited our District Deputy to make her official visit that night.

On Sunday, July 26th, a tea honoring District Deputy Sally Turnbow, of Lamesa, will be held at the home of Mrs. Elmo Smith, 206 North 14th Street, Lamesa, from 3 to 5 p. m. It is hoped that a good representation will be present from Lynn Temple No. 45. We voted to send a check to our District Deputy to help defray her expenses for the coming year.

A Ritual quiz was conducted by Secretary Olabelle Lamb.

After closing, home made ice cream and cake were served by the hostesses, Pearl Carter, Lou Rusk, Becky Thurman and Helen Biggerstaff.

Miss Campbell Will Marry In August

Postmaster and Mrs. Pat Campbell of Wilson have announced the engagement and approaching marriage of their daughter, Mary Frances, to Carleton Wilke, son of Mr. and Mrs. B. O. Wilke of Wilson, route 2.

The rites will be read in the First Baptist Church of Wilson on August 22.

The bride-elect will be honored at a shower in the H. G. Cook home at Wilson from 4 to 7 p. m. on Tuesday, August 4.

Fishing Picture For Scout Program

"Fishing In Water Wilderness" is the title of a film scheduled to be shown to the Tahoka Boy Scout Troop 21 Monday night, July 27, at the WOW Hall at 8:00 o'clock.

This is a thirty minute color film photographed in the Everglades in Florida. Dr. Emil Prohl is in charge of the program.

Following the film a Court of Honor will be held. Three tenderfoot advancements will be made to Terry Spears, Lowell Bryan, and Terry Bryan. Larry Spruiell and Gerald Huffaker will be second class scouts. Merit badges will be presented Cecil Hammons,

Jay Gurley, Carlos Barnes, John Sanders, and Vernon Redwine.

H. B. McCord, Jr., Scout master, reports that the scouts are practicing swimming two nights a week in preparation for the swimming meet scheduled to take place in Tahoka August 1 at 7:00 p. m.

Mr. and Mrs. R. K. McClellan of Bowie and their daughter, Mrs. Billie Keith, and two children of Lubbock visited Wednesday here with Mr. McClellan's brother, C. E. McClellan, and family.

Mr. and Mrs. Jack Parris and two sons of Waco visited here Sunday with the Jim Hill family.

LYNN COUNTY COMMITTEE OF THE Hi-Plains Underground Water Dist**MEETS:**

1st Tuesday, 8 p. m. at New Home Gin Co. office

3rd Tuesday, 8 p. m., at Wilson Co-op Gin office

Permits will be issued at these meetings only.

Applicants should have following information available:

1. Accurate measured distances from own property lines.
2. Measured distances from three nearest existing wells.

Please be sure your measurements are correct—They will be checked.

Permits good for 120 days from date of issue.

Lynn Products For State Fair

An impressive display of products raised by South Plains farmers will be featured in this region's colorful "Agriculturama" exhibits at the 1953 State Fair of Texas, Oct. 10-25.

The South Plains is included in the Texas A. and M. College System Extension District 2, composed of the following counties: Bailey, Borden, Briscoe, Cochran, Crosby, Dawson, Floyd, Gaines, Garza, Hale, Hockley, Howard, Lamb, Lubbock, Lynn, Mitchell, Curry, Swisher, Terry and Yoakum.

Alfalfa, cotton bolls, grain sorghum, sudan, red top cane, and white potatoes will be displayed as part of an irrigation scene depicting how pump water flowing into ditches has been used to turn the South Plains into fertile fields.

Giant dahlias which grow in this region will be shown in daily to Dallas for the exhibits.

Agricultural leaders of District 2 who cooperated with the fair in working out the South Plains exhibits include Mrs. Enabeth Towery of Colorado City, W. B. Griffin of Tahoka, and Miss Clara Pratt, David W. Sherrill, Otis Green, Jack Creel and R. L. Johns all of Lubbock.

The dramatic three-dimensional "Agriculturama" will include individual exhibits for each of the

Mr. and Mrs. Luke Coleman. Frank Smith was also a supper guest at the Coleman home Thursday night.

Mr. and Mrs. Chester Swope went to Kerrville Saturday to get their son, Jerry, who has been in a Cripple Children's Camp, sponsored by the Slaton Lion's Club. The Swopes will go on to San Antonio before returning home.

Mr. and Mrs. Robert Aycock of Austin spent Thursday night with Mr. and Mrs. Prentiss Jones.

Mrs. Raymond Gatzki and son, Gordon spent Tuesday, in the home of Mrs. Gatzki's brother-in-law Mr. and Mrs. Sam Gatzki, and family.

Mrs. Josephine Smith was in Slaton Thursday for a medical check-up. Mrs. Smith is not doing so well at this writing.

Mr. and Mrs. G. P. Bailey and sons of Odessa spent Sunday with Mrs. Bailey's parents, Mr. and Mrs. J. O. King.

Mrs. Bess May and daughter, Wynona, of Lubbock visited their son and brother, Lawrence May, and family Sunday.

The Lillie Hundley and Blanche Grove Circles of the Baptist Church met jointly at the church Monday morning for their regular weekly meeting. Mrs. Earl Cummings conducted a program on "Old Ministers Relief", present were: Mesdames John Heck, Pat Laughlin, Jiggs Swann, George Williamson, Roger Blakney, Lonnie Lumsden, Erwin Sander, H. C. Fountain, and Earl Cummings.

Mrs. J. A. Brock and daughter of Lubbock are visiting in the home of their daughter and sister, Mrs. Floyd Heck and family.

Miss Lela Faye Crowder who is employed by Western Union in Lubbock, spent Sunday with her parents, Mr. and Mrs. Ed Crowder.

The M. Y. F. the young peoples organization of the Methodist Church met Sunday night at the church. Regular worship was held and a business meeting was conducted at which a party was planned for Wednesday night. Present were: Lynn Harrison, Gerald Coleman, Charles Coleman, John Hewlett, Benson Rice, Jerry Church, Deana and Glenda Ward, Juanita Murray, Helen, Carolyn Willingham, Joyce Church, and Mrs. Glen Ward, sponsor.

Miss Mona Ruth Campbell of Lubbock visited her parents, Mr. and Mrs. Homer Campbell, Sr. Sunday.

Mr. and Mrs. W. P. McDonald (Cont'd. on Back Page)

The Lynn County News

TAHOKA, TEXAS, FRIDAY, JULY, 24, 1953

Senator and Mrs. George Wade of Camp Hill, Pa., entertain two servicemen at Sunday dinner. This was part of USO hospitality program for GIs at Indiantown Gap army base which citizens of several nearby Pennsylvania communities are endorsing. USO is a member agency of United Defense Fund which is financed through Community Chest and other united community drives.

A. and M. Extension Service districts of Texas. They will carry out the "Water of Texas" theme of the Agriculture show, explaining the water resources problems of farmers and ranchers in different parts of the state.

A huge central exhibit will depict the hydrological cycle—what happens to water after it falls as rain and how it is returned to the air again. "Old Mother Nature" herself will turn the crank on a "Weather machine" that will cause simulated rain, thunder and lightning. The rainfall belt in Texas will be illustrated to show the relation of water to agriculture on a statewide basis.

Water was chosen as the central theme for the show because it is one of the most important single factors in Texas agriculture today, fair officials explained.

Mrs. J. F. Kelley of Burkburatt is here visiting Coach and Mrs. Bill Haralson and Kelley and the new grandson, Joe Ben. Mrs. Chas Pharris, and husband who is in the Airforce have also been here. The latter is being transferred from California to Florida.

H. G. Kindrick, who was reared in the New Lynn community, has recently moved from Zuni, New Mexico, where he and his family have lived the past several years, to Bryan, Texas.

Mrs. C. E. (Bunk) Chandler of Plainview writes that their son, Tommy, is now stationed at Kimpo Airbase in Korea. The Chandlers recently moved to Plainview.

Dunagan Ties Nuptial Knots For Two Couples

Justice of the Peace A. L. Dunagan tied his first nuptial knot Sunday, and on Monday morning performed his second such ceremony. He was just beginning to think he might never get to officiate at a wed-

ding, and his first opportunity came seven months and 19 days after he was sworn into office. Sunday, he united in marriage Santano Espinoza Duran and Julia Rosas Taylor at the Clint Sikes farm east of town. Early Monday morning, he performed the nuptial rites for Arturo Cedillo and Trinidad Ramirez in his office.

The Judge is said to have done jobs up in fine fashion, but he did not get to kiss the blushing bride at either. At the first, Mrs. Dunagan was present; and at the second, he possibly was afraid of the kidding he might get from Mrs. Dee Green, Guy Sherrod, Tom Reid, and other witnesses.

MRS. EUGENE R. MILLER
OF GUYMON, OKLAHOMA

describes her home freezer

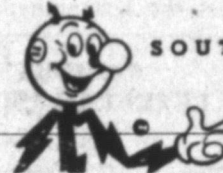

"Time & Money Saver"

Ladies, when you can save both time and money, you have the kind of economy that homemakers really love. Listen, then, to what Mrs. Miller says.

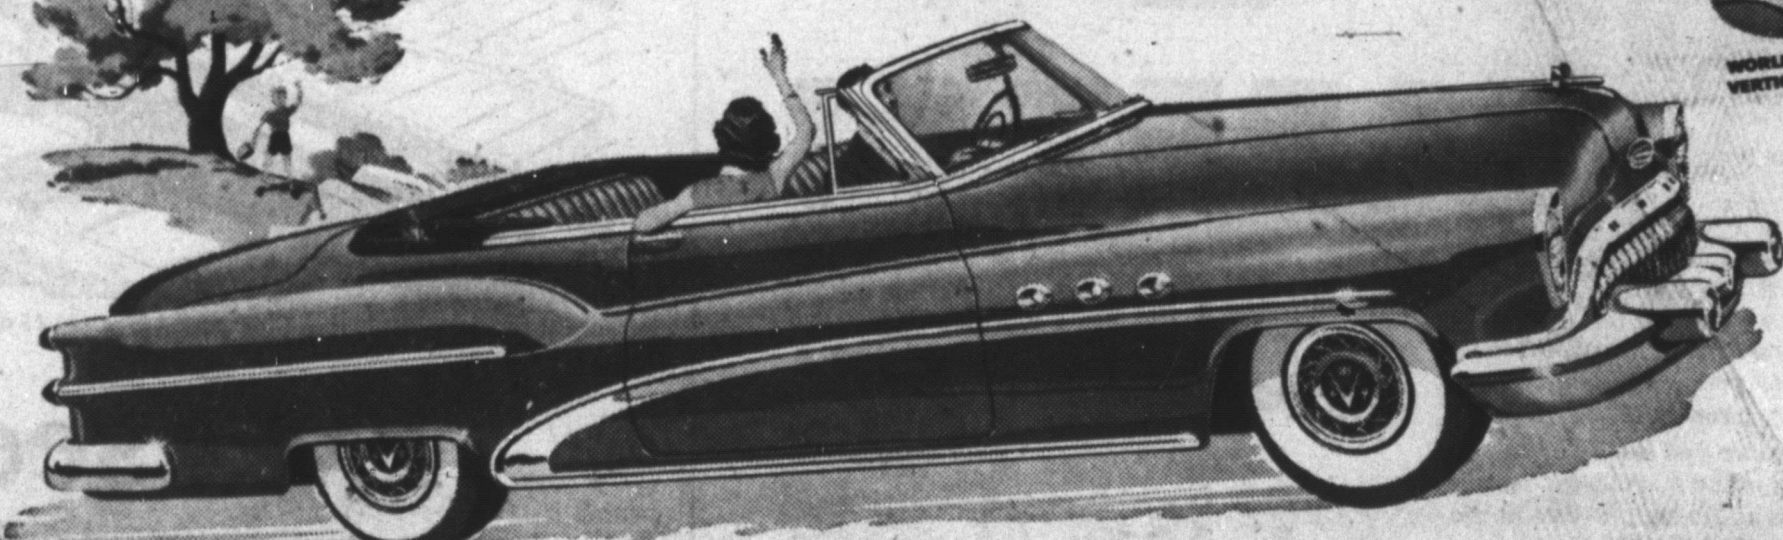

"Our home freezer has proven to be very economical, and has saved about 10 hours a week in grocery shopping and food preparation."

Think of saving money—and 10 hours a week—and you'll think it's time for a freezer in your home now.

SOUTHWESTERN
PUBLIC SERVICE
COMPANY

Have yourself
a HEART-LIFT!

FROM deep inside you comes a new stir and sparkle when you take the wheel of a fun-filled car like this Buick Convertible.

You feel happier just to be in a car with the lilt of larks to its styling—with the breeze-blessed airiness of all outdoors all around you.

It's a car that freshens your spirits with its sky-filled view—yet it can snug you in weather-tight shelter, when the need arises, with a mere finger-touch of hydraulic buttons.

But you get a heart-lift in this Convertible from something more than just its looks, or its versatility, or the push-button control of its top, its front seat and its windows.

You get it, too, from the sheer brilliance of its performance—

From the thrilling power of the great new Fireball V8 Engine found in every 1953 Buick SUPER and ROADMASTER—the modern and advanced V8 that reaches a new high in compression ratio—

From the new instant getaway of Twin-Turbine Dynaflo*—where you move from standstill to cruising pace in a quick sprinkling of seconds, and with truly infinite smoothness—

From the deep comfort of riding soft and even-level on all-coil-spring cushioning—of sitting in sumptuous luxury on really wide seats—of handling over two balanced tons of fine

automobile with finger-tip ease and the gentle assist, as you need it, of Power Steering.*

We'll be happy to have you guest-drive one of these stunning new Buicks—and let you see for yourself how much fun and fine feeling it can add to life. Why not drop in for a visit soon?

*Standard on Roadmaster, optional at extra cost on other Series.

Odds and Ends

(BY E. I. THE ELDER)

The Texas Revolution, about which we had much to say last week, was only another example of the inevitable clash of races or peoples having widely differing purposes and ideals, widely differing habits and customs, widely differing conceptions of religion and government, widely differing attitudes respecting human rights: such races or peoples being incapable therefore of understanding one another.

It was a clash on the one hand between liberty-loving, home-loving, peace-loving American individualists and of gold-hunting, power-seeking, domineering Spanish autocrats and exploiters on the other hand who were imbued with the idea that To Win is the most important thing in life regardless of the means used. That was the view-point of Cortez and the other Spanish Conquistadores who over-ran, ravaged, and subdued the ignorant and superstitious Indians who inhabited the country of Mexico when Cortez first set foot on its shores in 1519 and of the Spanish autocrats and crooks who held Mexico under the iron heel of Spain and the Holy Roman Catholic Church for 300 years; and it was the view-point of Santa Anna and his coadjutors who came into power after Mexico had thrown off the Spanish yoke in 1821 and there-

upon proceeded to rule the country, and especially Texas, by shot-gun methods until the people of Texas became so exasperated that they rebelled against such despotism and set up house keeping for themselves.

As for the Indians who joined Santa Anna's army and followed him across the Rio Grande, they scarcely knew what it was all about—they were just employing their savage instincts to please their masters.

They were no worse than the Comanches, the Kiowas, the Apaches, and some other tribes were in Texas at even a later date; no worse than the Algonquians had been in Massachusetts, or than the Iroquois had been in New York and further west, or than the Sioux had been in the Middle West or than scores of other tribes had been in all parts of North America. If the Whites had known the Indians better and had been careful to treat them right on all occasions, I feel that we would not have been the victims of so many Indian raids and conflicts. But being so different from the savage in many respects and being unable to speak their language, we could not understand them and they could not understand us, and clashes with them were almost inevitable.

And so, when we fought them in Texas and later in Mexico, it was just a clash between races—between civilized white men and superstitious and misled savages, between white Protestants who loved religious liberty and ignorant Indians who either were votaries of the Catholic Church or of heathen gods, in many cases of both.

The point is that the Spanish rulers of Mexico were a thousand times more blamable for the attitude of the Indians and Mestizos in Mexico respecting the American settlers in Texas than were the Indians and the Mestizos themselves.

Santa Anna had instituted the policy of inviting and encouraging the Americans to settle in Texas and he and his confederates had granted "colonization" privileges to fifteen empresarios who in accordance with their contracts with the Mexican government, had brought thousands of American families into Texas as bona fide settlers and home owners.

When it dawned upon him that

these new-comers were possessed of an independent spirit and could not be controlled like so many cattle, he decided that he had made a mistake, reversed his policy, and not only tried to bar further American immigration into Texas but deliberately undertook to drive out those who had already come. He brought an army into Texas to accomplish this purpose and in pursuance thereof perpetrated the slaughter at the Alamo followed by that at Goliad, where prisoners of war were unceremoniously murdered.

By that time patriotic citizens of Texas had met at Washington on the Brazos to declare their independence of Mexico, and as we stated last week, George C. Childress had already prepared such a declaration and had brought it to the convention where it was unanimously adopted. It is our purpose now to quote a portion of this Declaration, but first just another word about George C. Childress, the author of the Declaration. He was a well-known leader of his day and had prominent relatives in Texas at the time. One of his relatives, but of a later generation was Joe Childress, who lived in Temple, Texas, when I lived there in the early years of the present century. It is my understanding that he was a relative of the Sterling C. Robertson who established the Robertson colony in Central Texas, some of whose descendants live in Bell county yet. Mrs. Cone Johnson of Tyler, who before her marriage was a Robertson, was a relative of this same George C. Childress. Joe Childress Jr. of Abilene, a lawyer by profession, a member of the present generation and a son of the elder Joe Childress of Temple, belongs to the same family. I used to meet him often at the meetings of former Bell county residents who assembled annually at Buffalo Gap. All this may help you to remember where Childress county and the City of Childress got their name.

In the Texas Declaration of Independence, George C. Childress gave Texans an immortal document. For lack of space I am not quoting all of it but I am quoting that portion in which the author set out specific charges against the government of Mexico.

ST. JOHN'S LUTHERAN CHURCH
Wilson, Texas
Rev. C. C. Ehler, Pastor
Sunday School 9:00 A. M.
Worship Service 10:15 A. M.
Visitors Always Welcome!

I quote as follows, the sub-headlines being my own:

Colonists Invited
The Mexican Government, by its colonization laws, invited and induced the Anglo-American population of Texas to colonize its wilderness, under the pledged faith of a written Constitution, that they should continue to enjoy that constitutional liberty and republican government to which they had been habituated in the land of their birth, the United States of America.

Santa Anna Overturns Constitution

"In this expectation they have been cruelly disappointed, inasmuch as the Mexican nation has acquiesced in the late changes made in the government by Gen. Antonio Lopez de Santa Anna, who having overturned the Constitution of the country, now offers us the cruel alternative either to abandon our homes acquired by so many privations, or submit to the most intolerable of all tyrannies, the combined despotism of the sword and the priesthood.

Pleas For Separation From Coahuila Spurned

"It has sacrificed our welfare to the State of Coahuila, by which our interests have been continually depressed, through a jealous and partial course of legislation carried on at a far-distant seat of government, by a hostile majority, in an unknown tongue; and this too notwithstanding we have petitioned in the humblest terms for the establishment of a separate state government and have, in accordance with the provisions of the National Constitution, presented to the General Congress, a Republic Constitution, which was with out just cause contemptuously rejected.

A Citizen Imprisoned Without Cause

"It incarcerated in a dungeon for a long time, one of our citizens, for no other cause but a zealous endeavor to procure the acceptance of our constitution

and the establishment of a state government.

Right of Trial By Jury Denied

"It has failed and refused to secure, on a firm basis, the right of trial by jury, the palladium of civil liberty and only safe guarantee for the life, liberty and property of the citizen.

Has Failed To Establish System of Education

"It had failed to establish any system of education, although possessed of almost boundless resources (the public domain) and although it is an axiom in political science that, unless a people are educated and enlightened, it is idle to expect the continuance of civil liberty or the capacity for self-government.

The Military Exercises Arbitrary Power

"It has suffered the military commandants stationed among us to exercise arbitrary acts of oppression and tyranny, thus trampling upon the most sacred rights of the citizen and rendering the military superior to the civil power.

Has Dissolved By Force The State Congress

"It has dissolved by force of arms the State Congress of Coahuila and Texas, and obliged our representatives to fly for their lives from the seat of government, thus depriving us of the fundamental political right of representation.

Has Ordered the Military To Arrest Citizens

"It has demanded the surrender of a number of our citizens and ordered military detachments to seize and carry them into the interior for trial, in contempt of the civil authorities, and in defiance of the laws and the Constitution.

Has Engaged in Piracy

"It has made piratical attacks upon our commerce by commissioning foreign desperadoes and authorizing them to seize our vessels and convey the property of our citizens to far-distant ports for confiscation.

Freedom of Worship Denied

"It denies us the right of wor-

shipping the Almighty according to the dictates of our own consciences by the support of a national religion calculated to promote the temporal interests of its human functionaries, rather than the glory of the true and living God."

There are six or seven other specific charges against the Mexican Government, but surely this is enough.

Diabolical Nazi-ism as practiced by Hitler, atheistic Communism as practiced by the Russians and the Chinese Reds, were and are scarcely more autocratic and cruel than the despotism and infamy resorted to by Santa Anna and his criminal cohorts to crush the early Texans who had come to this "wilderness" at his behest in the beginning

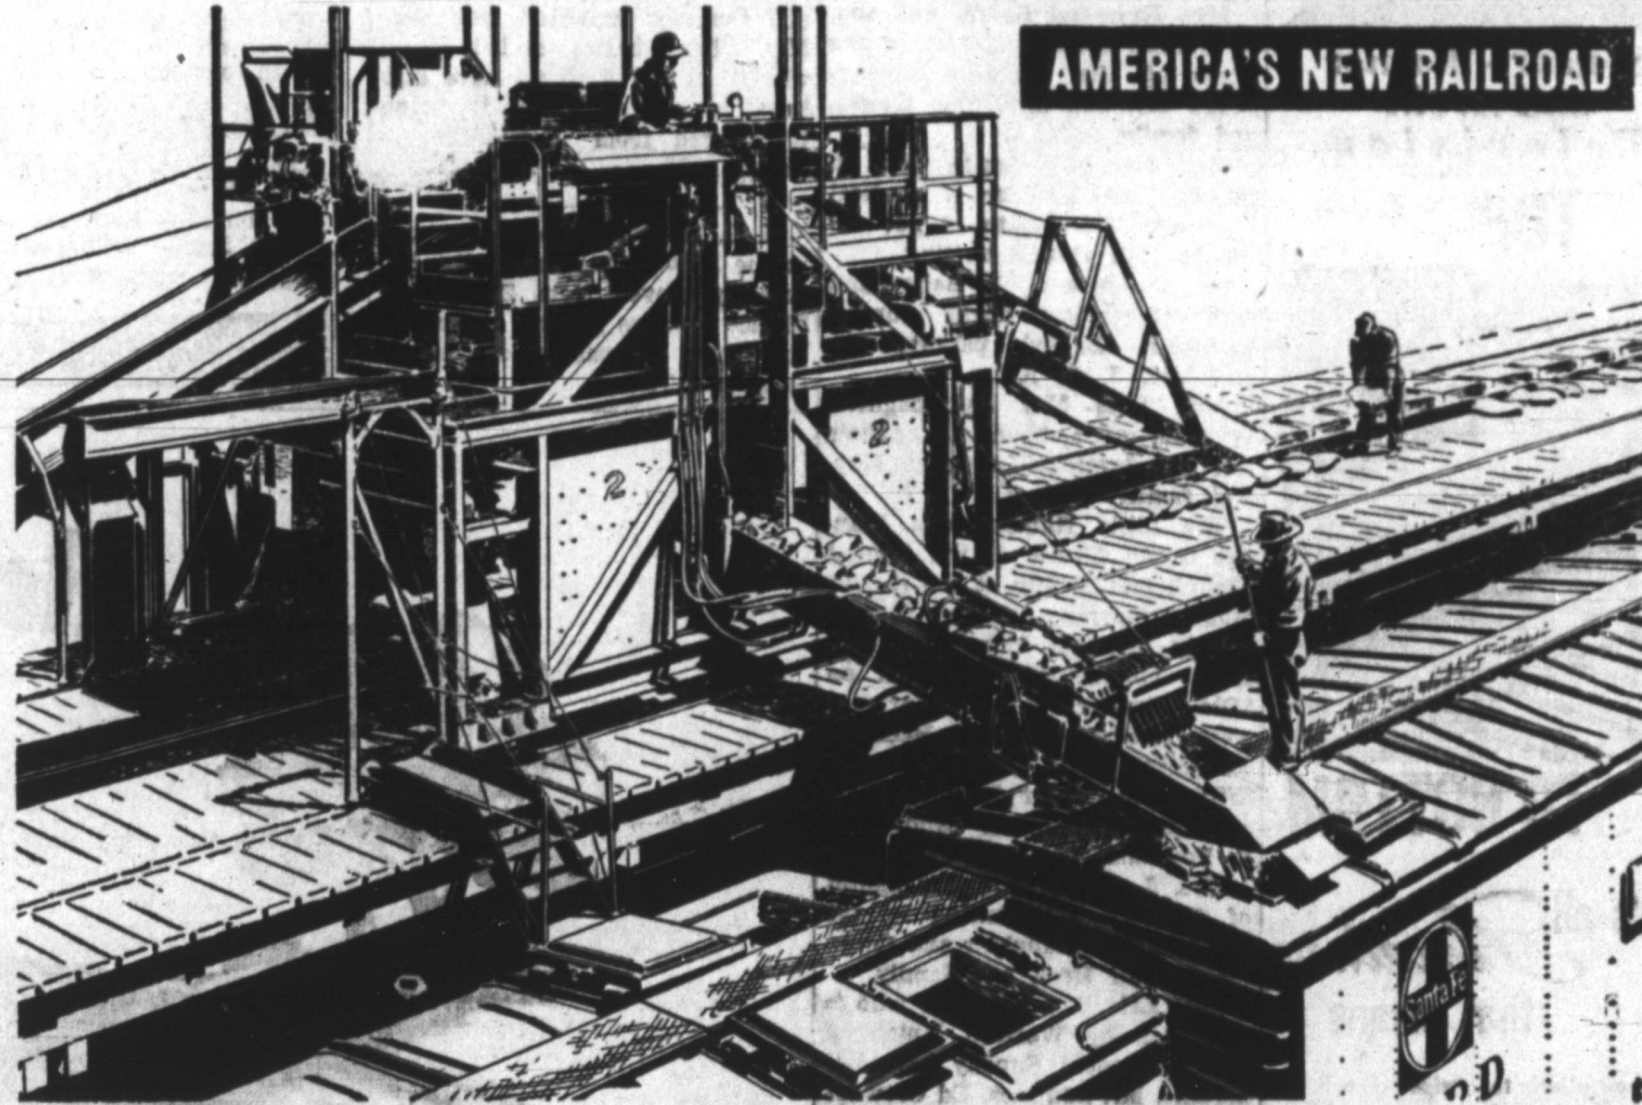

to build their homes and to convert the land into a veritable garden of the Lord.

15 of these big icing machines are in operation at ice-servicing points along the Santa Fe.

Ever see so much fuss just to chill an orange?

It's the best way there is today to refrigerate a "reefer"—but Santa Fe is developing an even newer and better way to do the job

In 60 seconds flat, the giant ice-crushing machines Santa Fe recently installed can fill the bunkers of a refrigerator car with five tons of ice!

They are the newest and fastest machines for icing cars yet devised. And Santa Fe "reefers" are the

most efficient type of refrigerator cars now on the rails.

These refrigerator cars and icing machines have carried the technique of ice refrigeration to the ultimate of present day knowledge.

WHAT ABOUT TOMORROW?

We can't be sure, BUT—Santa Fe is now experimenting with a newer way to refrigerate cars automatically for hauling foods which may require temperatures as low as 25° below zero.

30 new experimental refrigerator cars designed by Santa Fe, built in its own shops and each with a capacity of 128,000 pounds of frozen foods, are now being utilized in the movement of frozen foods.

Each of these new cars has its

own thermostatically-controlled diesel-driven compressor-type refrigerator unit. It carries 400 gallons of fuel (almost the exact amount Lindbergh used to fly the Atlantic). It can maintain sub-zero temperatures all the way from California to New York.

BENEFITS FELT ALL ALONG THE LINE

All along the line, people and communities feel the benefits of this building new wherever it actually occurs on the Santa Fe—and day-after-day, something new is done to make "America's New Railroad" a little better.

The millions of dollars this newness costs Santa Fe doesn't cost you a single penny in the taxes you pay.

PROGRESS THAT PAYS ITS OWN WAY

Surging Power with a Single Purpose

SAFETY!

When you choose a car for your family, you call on your good judgment to obtain every measure of safety.

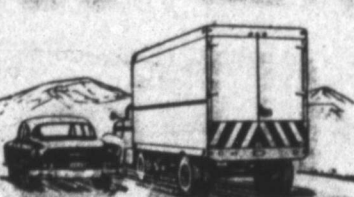

One safety factor you should certainly consider is the magnificent reserve of power that Dodge provides in the 140-h.p. Red Ram V-8 engine.

This power is there when you need it: For passing, for turning into highway traffic, for crossing intersections.

The cost of safety is very low: Dodge prices start below many models in the "lowest-priced" field.

Turning into traffic, you call on the surging reserve of acceleration that set new official AAA performance records for the Red Ram V-8.

Passing a truck on the highway, a touch of your toe brings instant, eager response. Dodge power reserve is a great safety factor.

Powerful brakes, capable of developing more than 700-h.p. in stopping power, mean with the Red Ram V-8 engine to bring you new mastery of every driving situation.

Farm Purchase More Difficult

COLLEGE STATION, July—The young family seeking to become a farm owner in Texas today seldom is heard to say "no help wanted." Acquiring title to a modern family-size unit requires a sizable chunk of capital, and this, says C. H. Bates, farm management specialist for the Texas Agricultural Extension Service, is not always easy to get. But, he adds, families with determination usually find a way to turn the trick.

This financial assistance is obtained from many sources and the specialist cites information obtained from a recently made study in Virginia on where this help comes from. In a majority of cases in that state, financial aid was provided young farmers by their parents or families. Some of the help was in the form of inheritance, family financing or the privilege of working on the home farm. The family help factor in the main was in the form of an assist for acquiring more land when the start was made on a small scale.

A big factor in becoming an owner, independent of family help was non-farm employment during prosperous times, says Bates. Farmers worked in industries and saved enough to make the down payment on their chosen farm. The average down payment, in the Virginia study, was about 40 percent of the total cost. The balance on the purchased farm was obtained from individuals, commercial banks, life insurance companies and the Federal Land Bank.

Farm tenancy, says Bates, remains a factor in the process of becoming a farm owner but is no so important as it was. Some young families find it easier, he explains, to put their available capital into machinery, equipment and livestock and rent land until they are able to purchase the farm of their choice. Experience has taught, he says, that good returns can be made on rented farms if they are operated under a sound rental agreement. This means that cost of such items as livestock, fertilizers, soil improvement practices and seed for legumes used for soil improvement and in some cases machinery and needed improvements on the farm are shared by the tenant and owner. Bates believes this is a good system to follow in growing into a farm owner and says it proves the old adage "there's more in the man than into the land" that influences success.

The first legislative body in America assembled in Virginia. It met at Jamestown in 1619.

NEVILL FAMILIES VISIT RELATIVES IN ARIZONA

Mr. and Mrs. Joe L. Nevill and their sons, Ray and Everton, and Everton's wife and their daughter, Sheryl Ann, have recently returned from a visit with the former's daughters at Flagstaff, Arizona. Mrs. Fay Fleming, Mrs. L. L. (Jodie Bob) Jones, and Mrs. M. A. (Jennie Reba) Flowers. Mrs. H. A. Riddle accompanied them out to Flagstaff but returned earlier than they with Mr. and Mrs. Clarence Crouch Jr. and children of Abilene.

While there, the Tahoka visitors attended the Crouch reunion in Oak Creek, near Flagstaff. Former Tahoka residents and others well known here who were present at the reunion were: C. H. Crouch, wife, and daughter, Sonnie Sue, from El Cajon, Calif.; C. D. Crouch and wife from Alamogordo, N. M.; Mr. and Mrs. Ovid Luallin and son, Allen, and wife and their daughter, Linda Sue, from Ruidoso, N. M.; Mr. and Mrs. Clarence Crouch Jr. and children from Abilene; Mrs. H. A. Riddle and the Nevill families, Tahoka; Mrs. Norvell Jones and two little daughter from Amarillo; and Mr. and Mrs. R. C. Crisp and the Fleming and wife of Flagstaff.

After the reunions, the Tahoka Nevill families remained a few days longer to visit and to attend the great Indian Pow-wow in Flagstaff on July 4. That is a great annual occasion. Many hundreds of Indians, rich and

Keep Good Hens Working At Job

COLLEGE STATION, JULY—poultrymen who are in the egg production business can keep profits up by following a rigid culling program through the summer months. W. J. Moore, poultry, husbandman for the Texas Agricultural Extension Service, says cull the non-layers keep egg production up and get the advantage of the favorable ratio between the price of eggs and feed.

Hens that go out of production now, he adds, will probably remain out until late fall or winter and feeding them is a dead loss.

Remove the hens that show a shrunken, dried-up comb, yellow beak, new feathers, yellow shanks and vent. Also hens that lack vigor and spend their time loafing should be given a one-way trip to town. A good egg producer must eat plenty of feed and drink lots of water and she can't do this by loafing. Of course, says Moore, the poultryman must do his part by supplying the essentials needed by the hen.

Producers are reminded that hens, like humans, don't care to spend a lot of time in the hot sunshine hunting for feed and water. When they cut down on consumption, a drop in egg production is sure to follow.

And finally, says Moore, the poultryman who does a good job of culling will be paid well for his trouble and at the same time will be following one of the important practices of efficient poultry farm management.

Mr. and Mrs. W. O. Thomas and Miss Lucille Collier are vacationing at the Thomas cabin near Eagle Nest, New Mexico.

McKaughans Home From Long Trip

Mr. and Mrs. J. S. McKaughan and daughter, Mrs. Odell King, and the latter's son, Jerry, returned home Sunday from a six weeks trip to Walla Walla, Washington. They went up by train and Johnnie McKaughan of Lubbock went up and brought them back home.

Mrs. McKaughan says they visited the scenic points of both Washington and Oregon and that the trip was one they will long remember.

Twenty-one guns constitute a presidential salute.

(Continued)

Mr. and Mrs. R. L. Luttrell of Tahoka, visited Mr. and Mrs. J. O. King on Mrs. King's birthday Tuesday. Mrs. McDonald is Mrs. King's sister, and Mr. Luttrell is her brother.

Mr. and Mrs. Luke Coleman and family went to San Angelo Sunday for a few days visit in the home of Mrs. Coleman's brother and sister-in-law Mr. and Mrs. Al Nelson and family.

Mrs. W. F. McLaughlin shopped in Slaton Saturday.

Calvin Cook of Lubbock has been visiting in the home of his grandparents, Mr. and Mrs. Ed Crowder.

Mrs. Frank Smith was in Slaton for medical attention for a migraine headache.

Mr. and Mrs. R. L. Willingham and daughter, Helen Carolyn, of Artesia, New Mexico, and Mrs. W. C. Church of Slaton were supper guests of Mr. and Mrs. Clarence Church and family Friday night. Helen Carolyn remained for an indefinite visit with her cousin Joyce Church.

W. F. Moore of Southland spent Sunday with his cousins, Mr. and Mrs. Ray Robinson.

Roland Rhoads was a Slaton visitor Saturday.

Mr. and Mrs. Fred Barger and family of Tulsa, Oklahoma, spent one night last week with Mr. Barger's brother and sister-in-law Mr. and Mrs. T. T. Barger.

Mrs. Alvin Koatz underwent surgery at Lubbock Memorial Hospital Wednesday.

Mr. and Mrs. Bill Craft and son of Peacock visited Mr. and Mrs. Ray Craft Sunday.

Ralph Kahlich of Plainview was a Wilson visitor Sunday.

The home of Mr. and Mrs. R. T. Moore was the scene of a reunion of some of Mrs. Moore's relatives Sunday. Lunch guests were Messrs and Mesdames S. C. Earwood and daughter of Bonham, Bud Self and daughter of Portales N. M. J. D. Earwood of Portales, Ross Barron of Slaton, Jess Earwood and son, and Mrs. Raymond Tabor and children of Causey, N. M.

Mr. and Mrs. Pat Campbell and daughter returned Thursday from Blum where they attended funeral services for Mr. Campbell's father. Another son Jasper Campbell and family returned home Saturday.

Mr. and Mrs. Glynn Moore and daughter and Mr. and Mrs. Walter Ray Steen and family spent

Sunday with Mr. and Mrs. Clarence Phillips and daughter at Snyder.

Mrs. John Lamb was a Slaton visitor Saturday.

Mrs. Jessie Earwood and son, Charles, left Sunday for a week's visit with Mrs. Earwood's parents, Mr. and Mrs. John Turner, at Commerce.

The young married peoples class of the Baptist Church enjoyed a swimming party at Slaton Friday night. Present were; Messrs and Mesdames Lawrence May, Roy Lynn Kahlich, Glynn Moore, Charles Baker, B. W. Hobbs Jr., Billy Crooks, Walter Ray Steen, members and guests, Mr. and Mrs. Delbert Kieschnick, Mr. and Mrs. James Hewlett, of Lubbock and Mr. and Mrs. Willard Meeks of Ekersfield, California.

Mr. and Mrs. John Covey left Saturday for a weeks vacation in various points in Colorado.

Mr. and Mrs. Charles Baker and daughter were Lubbock visitors Saturday.

Mr. and Mrs. Les Hammons and children and Mrs. Wilms Porter of Melissa have been recent visitors in the home of Mr. and Mrs. Ray Craft.

Mr. and Mrs. Arvan Holder and family and Mr. and Mrs. Frank Smith visited Mrs. Smith's parents, Mr. and Mrs. Ben Boston, in Lubbock Sunday.

The Lions Club met at the Wilson Cafe Thursday night.

Mrs. Clarence Church and son, Jerry, were Lubbock visitors Tuesday.

Mrs. Clyde Show was in Slaton Saturday.

Mrs. H. C. Fountain accompanied her son-in-law, Bill Deaver of Slaton to Amarillo Monday where she visited her son and daughter-in-law, Mr. and Mrs. J. T. Fountain, and family for several days.

Mr. and Mrs. Ernest Montgomery held a family reunion of Mrs. Montgomery's relatives from Thursday until Sunday. Guests included Messrs and Mesdames W. P. Meeks and family of Taft, California, H. B. Sloan and family of Pauls Valley, Oklahoma, G. D. Cherry and family of Fuller ton, Texas, M. D. Fanning and family of Taft, California, D. A. Kieschnick and family of Wilson, J. A. Hewlett and son of Lubbock, and Barbara Sylvia, and Cheryl Montgomery.

Mr. and Mrs. Prentiss Jones attended a farewell party at the Slaton club house Thursday night honoring Andy Burks and family who are moving to Carlsbad, N.

M. Mr. Burks, who has been the minister of the Slaton Church of Christ for the past several years, is moving to Carlsbad.

Charles Baker made a business trip to Tahoka Monday.

The Roberta Edwards circle of the Baptist W. M. S. met Monday night at the church. Mrs. Virgil Henderson taught the Bible study. Present were Mesdames Carl Gryder, Willa Wakeland, Henderson, and Miss Eva Williamson.

Mrs. Bruce Hood left Thursday for Glenwood, Ill., after a two-months visit with her brother-in-law and sister, Mr. and Mrs. Ross Williamson.

The Brotherhood of St. John's Lutheran Church met Tuesday night at the church. Jack, Creel, firm editor of KFYO, was principal speaker and showed films on South American farming. About forty-five were present including visitors from the Slaton Brotherhood. Devotional was conducted by Rev. C. C. Ehler. Refreshments were served.

Misses Peggy Jean and Vicky Jan Milliken of Wolforth spent from Thursday until Sunday with their grandparents, Mr. and Mrs. Ross Williamson. On Friday night Mrs. Williamson entertained with a weiner roast at Mrs. Clary's, honoring the two visitors. Present were Jo Carolyn and Gary Williamson, Karen Swann, Peggy Jean and Vicky Jan Milliken.

The Luther League of the St. Paul's Lutheran Church entertained Luther League members

from Lamesa, Littlefield, Lubbock and Slaton, Sunday night at the church. The Choral union practiced and refreshments were served to about twenty-five.

Among out of town people attending the dedication of the St. Paul's Lutheran Sunday were the following: Messrs and Mesdames Leonard Kunkel, Pastor and Mrs. Charles Schneider and family and Edwin Kunkel all of Sparenburg; Messrs and Mesdames Bill Hues and Byron Talkmitt of Lamesa; Messrs and Mesdames Walter Klatt, Fred Koats, Gilbert Koats, and Rev. and Mrs. Louis Pabor of Lubbock; Mr. and Mrs. John Albers and family of Amarillo, and Miss Doris Heckmann of Waco.

Mr. and Mrs. Wayne Kenney and daughter of Slaton visited Mr. and Mrs. Arvan Holder and family Monday night.

The Luther League of the St. John's Lutheran Church enjoyed a swimming party at the Slaton pool Thursday night. After the swimming the group came back for a picnic on the church lawn. About sixteen were present.

Mrs. Arvin Holder was in Slaton for medical attention Saturday.

Mr. and Mrs. Jim Hewlett and son of Lubbock are moving to Hillsboro, Kansas, July 22, where Mr. Hewlett a graduate of Texas Tech, will work in a dairy manufacturing plant. Both Mr. and Mrs. Hewlett are former Wilson residents. Mrs. Hewlett, the

former Patsy Montgomery, is the daughter of Mr. and Mrs. Ernest Montgomery of Wilson.

Mrs. Coleman Henderson and three daughters of Lamesa spent from Tuesday until Thursday in the home of Mr. and Mrs. Blake

Gregston and daughter. E. N. Milliken was a Slaton visitor Saturday.

Mrs. Joe Wayne Walsh and daughter left Saturday for their home in Rogers Arkansas, after a week's visit with their uncle

and aunt, Mr. and Mrs. Clarence Church.

Frank Smith transacted business in Lubbock Friday night. Mr. and Mrs. Blake Gregston and daughter fished at Buffalo Lake near Canyon Saturday.

Stretch your mileage!

In a gasoline efficiency means economy. So Phillips 66 Gasoline is packed with super-efficient Hi-Test elements! These are scientifically "controlled" to provide (1) easy starting (2) fast engine warm-up (3) quick acceleration, and (4) full power output under all driving conditions.

Phillips 66 Heavy Duty Premium Motor Oil stretches your mileage another way. It provides extra protection against wear and corrosion so as to keep engine power up and gas consumption down, over a long period of time.

USE PHILLIPS 66 GASOLINE AND PHILLIPS 66 HEAVY DUTY PREMIUM MOTOR OIL

is your
muffler on key?

Next time you back your Buick out of the garage, cock a critical ear at the sound of your exhaust.

Does it still have that tuneful, factory-new note? If not, that may mean your muffler has taken a beating and ought to be replaced—before it cuts down power, raises gas consumption, or leaks exhaust fumes.

Why not drop into our shop and let us bend our Buick-trained ears over it, and give it a close look for leaks? We're glad to do this with no charge—and if we can give your muffler a clean bill of health, you'll find it mighty reassuring!
