Thanksgiving Greetings To All

Lions Pledge Contributions, Name Two New Officers

Hart Lions met Monday noon in their regular luncheon meeting.

Guests were Fred McCluskey, Larry Robb and Freddy Upshaw. Upshaw was welcomed as a new member along with Quincy Hawkins and Jim Purcell.

Members voted to contribute funds for the purchase of coats and shoes for two girls at Girlstown. Cost of each, this year, is \$130.

Lion Boss Ed Ammons announced the Winter Conference for Jan. 31, 1981.

Bob Bowden was appointed as consignment coordinator for the consignment sale to be held Dec. 19.

Lions elected new officers to fill vacancies created when Everette Heller moves from the community next month and for Theron Morrison, who recently moved to Plainview. Ted Averitt was elected secretary-treasurer;

Bowden, tail twister.

In other action, Lions voted to again sponsor sacks of Christmas goodies for boys and girls in kindergarten through fourth grade.

Members voted to sponsor a pheasant hunters' breakfast Saturday, Dec. 13 and named Lions Ronnie Truelock and Freddy Upshaw as chairmen.

Lions voted to contribute \$750 to the track fund.

School Tax Office Closed

Hart ISD Tax Office will be closed for Thanksgiving holidays.

The two percent discount will be extended to Monday, Dec. 1.

Jane Alexander Wins Grid Guessing Game

Trailing close back from the lead throughout the twelve-week season, Janie Alexander put together the magic formula of proficiency and persistence and emerged as the grand prize winner of the Hart Beat football guessing game. Choosing the final contest to move into the lead gave Mrs. Alexander claim to \$50.

Four contestants were just one point back of Mrs. Alexander when the final count was tallied. Bob Reed, Deanna Huseman of Nazareth, Rusty Ammons and the winner's husband, Calvin, posted 126 points in one of the closest contests since the Hart Beat guessing

game was begun.

For the week, Alexander missed just three games and claims the week's top money, \$5. Cleve McLain missed just four games and wins \$3 for second place.

Four contestants missed five games each with the tie-breaker used to determine third place. Benny McLain was just 12 points off the actual score of the Texas-Baylor game with 7-21 to win third.

Others who missed five games and their tie-breaker predictions were James McLain, 17, 12-21; Cary McLain, 18, 14-12 and Tim Walker, 22, 14-24.

Proposed Track Funding Gets \$750 Boost From Lions

Track funds were swelled this week through the contribution of \$750 by Hart Lions Club.

Sponsors of the proposed track report that funds are needed in order to take the first step towards construction of track facilities at Hart schools. Contributions may be left at Farmers State Bank.

The proposed track will be constructed in a phase operation and

supporters hope to secure enough funds to begin the facilities with curbing and caliche base. Additional progress will be made as funds are obtained.

Track facilities are sorely needed at the school with present accommodations offering little or no inducement to participate in the track program. Outsiders in the community also may use the facilities for jogging, running or walking.

Consignment Sale To Be Dec. 19

Plans are still underway by Hart Lions Club for a consignment auction Friday, Dec. 19 with proceeds designated for the John Darryl McLain medical fund.

Auctioneers Cruce and Long have offered their services free of charge in the benefit sale. Farm equipment and other items have been listed for sale.

Although the deadline has passed for items to be listed on hand bills, merchandise is still needed and will be accepted up to the week of the sale. Persons interested in selling any merchandise are asked to contact Bill Rich or Doug Higgins.

Persons may also donate items for sale.

Pheasant Dinner To Be Served

Members of the Junior Class of Hart High School will sponsor a pheasant dinner Saturday, Dec. 13, opening day of pheasant season. Serving hours are 11 a.m. to 2 p.m. in the school cafeteria.

Cost of the meal will be \$3.50 for adults; \$2.50, pre-schoolers.

Menu will feature ham, corn, potatoes, tossed salad, rolls, dessert and beverage.

Hunters Breakfast Slated Dec. 13

Hart Lions will sponsor a "Hunters Breakfast" Saturday, Dec. 13, opening day of the 1980 pheasant season. Serving will begin at 5 a.m. and continue through 8 a.m. in the school cafeteria.

Sausage, bacon, scrambled eggs, gravy and biscuits will be served along with hot coffee. Hungry appetites may be whetted by the "all you can eat" promise. The meal will be \$3.50.

Proceeds will be used by the club in one of their community projects.

Achievement Tests Results Are In

The fall California Achievement Tests in reading results have been received by Hart Elementary School. Any parents interested in the individual results of their child is encouraged to see the elementary counselor.

This test was taken by all students in grades 2 through 6. Sixth grade students also took the CAT in math this fall. These results are available to sixth grade parents.

MRS. STEVE THOMSON

Cook Of The Week

Recipes for delicious hot drink to enjoy on cold wintry days are shared this week by Mrs. Steve Thomson. Along with these, Cristi also submits a yummy pie made from frozen lemonade and a tasty main dish which is a good way to use left-over Thanksgiving turkey.

Cristi and Steve are in their second year at Hart, coming here prior to the beginning of the 1979-80 school year. Steve is band director for Hart schools; Cristi teaches music in elementary school.

The Thomsons are parents of a little son, Matt, seventeen months old. They are expecting their second child next March.

In addition to all their activities at school, Cristi and Steve are sponsors of United Methodist Youth. Their most recent project with that group was a turkey shoot they held Saturday despite cold, cold temperatures.

Cristi and Steve are members of the Plainview Chamber Orchestra and performed with that group in concert Monday evening. Steve was one of the featured soloists.

The young Thomsons grew up in Oklahoma. Cristi's home was Enid; Steve hails from Muskogee. They met at Southwestern Oklahoma State University in Weatherford.

Cristi has played the piano since she was in first grade. She also plays the violin and clarinet. Immediately after Thanksgiving, she and her young charges will be hard at work getting a Christmas program ready to present for parents.

When there's time for hobbies, Cristi enjoys sewing and reading.

These Pioneer® brand corn hybrids do well in our area.

3184 — This hybrid really showed up well under tough, 1980 conditions. And it has proven itself to be a top performer in good years, too. Our farmer customers like 3184 for its dependability. It can wait for water when other hybrids can't. And it adjusts ear size and kernel depth to make the most of growing conditions. 3184 shows good resistance to head smut and MDMV, too. If you could plant only one, it ought to be 3184. But since you don't have to, we recommend it as a companion to Pioneer hybrids 3195, 3183 and 3311.

3311 — Our customers who grew this hybrid in 1980 were so pleased with their results, they can't wait to see what it will produce in a good year! Despite hot, dry conditions that stole yields from most corn hybrids, 3311 came through with some of the highest yields and best overall performance we've ever seen. And it demonstrated its exceptional disease resistance including protection against head smut and MDMV. We're eager for all of our customers to plant some of this hybrid and see for themselves what all the excitement is about.

Let's get together.

HAVE A... *Happy Thanksgiving*

Heap high the farmer's wintry hoard,
Heap high the golden corn,
No richer gift has Autumn poured
From out her lavish horn...
And now with Autumn's moonlit eyes
Its harvest time has come,
We pluck away the frosted leaves
And bear our treasure home.
O, let the good old crop adorn
The hills our fathers trod,
Still let us, for our golden corn,
Send up our thanks to God.

On The Hard Court

Linda Washington scored 17 points Tuesday against 3A Floydada. Final score was 45-53 in favor of the Winds.

Score at the end of the first period was 12-12 but Floydada moved into a 28-20 lead at halftime. At the end of the third, it was 32-38.

Playing Friday night at Happy, the Lady Longhorns took a 42-38 victory. Nena Castillo and Linda Washington scored 13 points each.

Rebounding were Linda, 18, and Suzahn Rowland, 17.

Score by quarter showed 6-7, 19-16, 36-26 and 42-38.

Happy's Cowboys handed the Horns a 57-41 loss Friday night in the first game of the season. Leading the scoring for the Horns was Chad Black with 17.

"We played hard but we made the usual first game mistakes," said coach Ken Hoskins. "Happy had already played two games and you could see the difference."

Other scoring was by Derek Rich, 6; Jorge Barretero, 6; Chris Clifford and Clay Barnes, 4; and Benny McLain and

Dave Ingram, 2.

The first half was the difference in the game as Happy rolled to a 16-8 first quarter score and led 35-19 at halftime. The Horns matched points the rest of the game with both teams scoring 8 in the third and 14 in the fourth.

Saturday night in Lubbock, the Horns took a 63-50 win over New Life Academy. Black was leading scorer with 25.

Coach Hoskins said, "We looked much better in our second outing. Our kids looked more confident and sure of themselves."

JUNIOR VARSITY

Hart High's JV girls lost Tuesday to Floydada, 25-39. "We just couldn't hit anything," said Coach Kathey Fisher. "And we made a lot of first game mistakes."

Lori Sarabia and Diana Perez scored 5 points each as leading scorers.

"We improved a lot over our first game but still have a lot of things to improve," said Coach Fisher of the JV girls' 46-49 loss Friday night to Happy. "We missed a lot of free shots that would have won the game."
