Rocket Tourney Opens Thursday

Wellington Skyrockets and Rockettes will be hosts to their annual basketball tournament Thursday, Friday and Saturday, January 4, 5 and 6.

Plans for the event are complete, said Coach James Stavenhagen.

Although the number of teams entered this year is smaller than in the past—12 altogether—it will be an exceptionally well rounded tournament, with at least four strong teams in each bracket, according to the coach.

Games will be played all day Thursday, starting at 9 a.m. Friday and Saturday action will begin at 1:30 p.m. The championship in both boys and girls brackets will be determined Saturday night.

Handsome trophies will be awarded to first, second and consolation winners in both divisions. In addition, a 5-man all tournament team and 6-girl all tournament team will be named. These will be selected by the officials and coaches.

"We have drawn the brackets so that there will be games to provide fast action and excitement each evening. These should be especially interesting to the fans," said Coach Stavenhagen.

The Wellington Skyrockets and Rockettes are the defending champions of their own tournament. Placing second last year were the Samnorwood girls and the Quail boys.

The Norwood Eaglettes are returning as strong contenders again this year, but Quail is not participating in the tournament this time.

The first round games Thursday will include:

9 a.m. Wellington and Shamrock girls.

10:15 a.m.; Altus B and Wellington boys.

1 p.m.; Paducah and Samnorwood girls.

2:15 p.m.; Quitaque and Samnorwood boys.

3:30 p.m.; Quitaque and Altus girls.

6 p.m.: Wellington B and Altus boys.

The second round will open with a girls game at 7:15 p.m. Thursday, to be followed by a boys game.

Second round games will continue Friday afternoon and the semi-finals in the girls division is slated for 7 p.m. and in the boys division at 8.

Girls consolation finals will be played at 1:30 p.m. Saturday and boys consolation finals at 3:00. The girls championship game will start at 7 p.m. and the boys finals at 8:30.

Heart Attack Takes Life of F. F. Popwell

A heart attack at his home Monday night, January 1, took the life of F. F. Popwell, widely known farmer in this area for almost 40 years. He was 73 years of age, and his death occured at 10:50 p.m.

Although he had a heart ailment for a number of years, Mr. Popwell's death was entirely unexpected, and earlier in the day he had been to his farm to look after livestock, a member of his family said.

The family home is at 1106 Dalhart Street.

Fulton Fuller Popwell was born at Clanton, Alabama, January 28, 1894, the son of Moses and Joyce Downs Popwell. He was still a young man when he came to the Vinson area where he lived for a number of years, then came to the Midway community east of Wellington.

Over a long period of time, he took a leading part in the community's life. He served on the school board for a number of years and he was a deacon in the Midway Baptist Church.

Rita Owens Asks for Second Term

Mrs. Rita Owens has authorized The Wellington Leader to announce her candidacy for Assessor and Collector of taxes for Collingsworth County, subjection to the action of the Democratic Primary.

Mrs. Owens is asking for re-election to her second term to the office to which she was elected in 1964.

In announcing she said, "I have no campaign promises but after having served you three years as your tax assessor and collector, I am familiar with every detail of the office and I am aware of the great responsibility this office has to the tax payers of the county.

"Before the primary, I will try to see each of you personally but if I should miss someone, this is my personal request for your vote and your influence in my behalf."

Nazarene Revival Set for January 5-14

Revival services will open at the Church of the Nazarene in Wellington Friday, January 5 and continue for 10 days, ending Sunday, January 14, the Rev. Ronald Crosley, pastor has announced.

The Rev. Leon Wyss of Bethany, Oklahoma, a full-time evangelist in the church, will preach, and the singing will be directed by Dwight and Norma Jean Meredith of Wichita, Kansas.

None has appeared here previously.

Services will be at 10 a.m. and 7:30 p.m., Rev. Crosley said.

Rev. Wyss is a graduate of Bethany Nazarene College and is considered one of the leading evangelists in the Nazarene Church.

Mr. and Mrs. Meredith have been full time song evangelists since 1948. Both were graduated from Wichita University with bachelor of science degrees in music education. The couple sings together and she is a pianist.

"I think the church board is to be commended in their decision of selecting this fine team to come to our church for this meeting. These are some of the finest evangelists in the Church of the Nazarene with excellent records as soul winners. The people of the church have been earnestly seeking the leadership of God for this meeting, and I believe we have done all that is humanly possible to bring the people of Wellington a Revival meeting with only the Spiritual betterment of everyone as our goal. We invite all to come and take part in this week of Spiritual growth."

"We extend to all a cordial invitation to come and worship with us," said Mr. Crosley.

Juniors Plan Variety Show on January 8

The junior class of Wellington High School is sponsoring a Variety Show Monday, January 8, in the new high school auditorium. Curtain time is 7:30 p.m.

By request, a number of the acts are those which appeared in the Classroom Teachers show earlier this winter. Some of these will include the Horns A-Plenty; Billy Lemons; Dennis Powell's imitations; numbers by one or more of the elementary and junior high grades; The Has Beens and several string bands.

There will be a "style show" put on by the boys of the junior class.

Jane Thompson is in charge of posters and Connie Hughs of the tickets.

This is the final money-raising project of the year planned by the junior class, according to Mrs. Bernice Welch, a sponsor.

Other class sponsors are Mrs. Clinton Norman, Tank Forrester and Ralph Word.

The public is urged to attend. Admission will be $1.00 for reserved seats and 50 and 75 cents general admission.

It was pointed out, also, that this will provide an opportunity for those who have not already seen the newly remodeled auditorium.

DODSON ROYALTY

Queens of the Dodson school were crowned at the Christmas program December 21. High School Queen was Nancy Gulley, seated at back, and her escort was Gary Norman, at back right. Seated at left, below, is Junior High Queen Ronnie Van, and standing behind her is her escort, Pat Gulley. Janice Gulley, front right, was elementary school queen and beside her is escort Tommy Roberson.

Mrs. J. T. Sexton of Dodson Dies Early Monday

Mrs. J. T. Sexton, 84-year-old Dodson woman, died at 7:30 a. m. Monday, January 1, in a Claude rest home after a long illness.

Mrs. Sexton had lived in the Dodson area 47 years, coming there in 1920 from Paducah.

She was a native of Benton County, Arkansas, born October

Changes Made in Two Wellington Ball Games

Changes in the location of Wellington high school basketball games to be played next week were announced by Coach James Stavenhagen.

The game set for Tuesday, January 9, with White Deer boys and girls here will be played Saturday, January 13 and will be at White Deer. Game time will be 7 p.m. The double header scheduled here against Clarendon Friday, January 12, will be played at Clarendon.

This will end the non-conference play for the Skyrockets and Rockettes.

District play will open Tuesday, January 16, against Olney there. Both boys and girls will play.

Driving Licenses Must Be Renewed in Person

AUSTIN—Col. Homer Garrison Jr., director of the Texas Department of Public Safety reminded Texans that a color photograph becomes a standard part of all drivers' license issued after January 1, 1968.

"The change makes it necessary for all drivers to renew licenses in person at one of our Department offices," Garrison said, "and we have been working toward setting up a procedure that will not cause excessive delay when a person comes to us to renew a license."

Garrison explained that the change in license was incorporated into law by the last legislature.

"Renewal notices will be mailed to each driver, just as always," Garrison said. "However, under the new procedure, each driver must take the renewal notice to the nearest DPS office. There he will be given a standard vision test, sign the renewal notice and step in front of our camera. The picture will be snapped and a receipt will be issued to enable the person to drive until he receives his new license in the mail."

An officer of the Department of Public Safety will be in the county courthouse in Wellington each Tuesday. The office used by the DPS is on the second floor and is next door to the sheriff's office.

Garrison explained that about 25 full-time license offices would be in operation over the state to service license renewals. Issuance of new licenses will also be conducted in many of these new offices as well as at offices already established.

There are currently over 5,800,000 licensed drivers in

John Rainey Asks Re-Election

John Rainey has authorized The Wellington Leader to announce his candidacy for re-election to the office of Sheriff of Collingsworth County, subject to the action of the Democratic Primary.

"I sincerely appreciate the fine co-operation the people of Collingsworth County have given me since I have been your sheriff," Mr. Rainey said.

"I am asking for re-election on my record during the time I have served you as sheriff. I have tried always to be fair and just in my dealings with all people handled through my department, and I will continue by this principle as long as I remain in office.

"All of you are aware that our county has a lower crime rate than most others, and it is my desire that it stay this way.

"I will try to see each of you before the first primary, but if I miss anyone, please take this as my personal solicitation for your vote."

Quick Work Restores LD Phone Service

A rectifier which burned out in the Wellington office of General Telephone Company cut long distance communication for several hours Thursday, December 21, company officials reported.

Immediate work by Wellington repairmen, plus others sent from the central office at Memphis by District Manager Sherron Lee, had service partially restored by 8 p.m. and completely restored by 10.

A spare rectifier was sitting in the Wellington office and only installation was necessary.

County's 20,500 Bale Cotton Crop Nearly Out

January 1 saw Collingsworth county's 1967 cotton almost completely harvested, a 20,500 bale crop that far exceeded in every way what was expected of it when the first bale was pulled.

The yield was higher than was anticipated.

The quality was the best since the early 1960's.

The staple length for the first time in the county's cotton growing history reached 1¼ and 1 9/32 inches. There is indication that more farmers are looking toward this exceptionally long staple even though it is a picker type cotton.

Also for the first time, yields north of Salt Fork River passed the two bale per acre mark. This was on irrigated land.

The price of cotton was good and the price held up for even the late cotton.

County-wide, the dry land cotton probably averaged half a bale per acre and the irrigated cotton a bale and a half.

In the Wellington area, not more than 150 bales remain to be pulled, W. E. Marchant, manager of the Co-op Gin, estimated.

This as an especially good crop from the standpoint of yields, he pointed out, and it was probably one of the most inexpensive crops the farmers have had as far as combatting insects are concerned.

Mr. Marchant, who ginned the 1¼ and 1 9/32 Del Cerro cotton raised south of Wellington said several other of his customers are considering this variety. This year it brought the growers a little more than 40 cents a pound. The micronaire and pressley strength on Wellington area cotton was good, and Mr. Marchant said that the only cotton with a low mike was some of the late cotton in a hailed out area.

An estimated 200 bales remains to be gathered in the Dodson area, where between a third and a fourth of the normally expected crop was lost when hail swept the Kelley - Dodson area in midsummer.

Quite a lot of the dry land cotton made a bale per acre, Grover Graham, manager of the Davis Gin, reported. However, it was an expensive crop to make in that vicinity, due to insects, fertilizer costs and labor, he said.

On the whole, Dodson area farmers not in the hailed out area have been well satisfied with their crop.

Late hail damage in the Quail area also cut the crop short in the west part of the county.

The crop is completely out in the Dozier area, Cortez Barnett of the Dozier Gin reported.

"We had a good crop, much better than we expected and a lot better staple," he said.

He reported that this year, cotton with 1 3/32 inch staple was ginned from dry land cotton—the highest the area has ever had. Mr. Barnett estimated that about half the growers of that area appear interested in a longer staple cottons, which while they are storm resistant, are not storm proof.

It was an expensive crop for Dozier farmers, he added, mostly for labor. There was lots of boll weevil damage, but not much from boll worms.

Warren Carter Dies of Heart Attack Monday

Warren Carter, prominent farmer of this area for more than 35 years, died of a heart attack while he and a friend were hunting near Quail Monday, January 1, about 11 a.m.

With him at the time was Z. J. Neeley. Mr. Carter had suffered from a heart ailment a number of months.

He lived at Quail until a few months ago, when he and Mrs. Carter moved to Wellington 1208 Dalhart Street.

Not only was he prominent in farming in his part of the county, Mr. Carter also was active in other community and church life. At the same time he was known and respected by a wide circle of friends.

Born May 11, 1905, at Weatherford, Warren Harrison Carter was the son of the late Alva and Willie Pittman Carter. He was only 10 years of age when the family came to Shamrock, and he also lived in the Dozier area as a youth. It was in the late 1920's, when others of his family moved to New Mexico, that he came to Quail.

He was married to Miss Mabel Shields of Quail on October 5, 1929, in Hollis.

Mr. Carter was a long-time member of the Church of Christ.

Funeral services were conducted at the Church of Christ in Wellington at 10 a.m. Wednesday, January 3. Officiating was Minister Grandol Forehand of Dalhart, former minister here, and burial was in Memorial Gardens under the direction of Kelso Funeral Home.

Pall bearers were Z. J. Neeley, Lonnie Neeley, Guy Bell, Frank Coleman and Wilbur DePauw.

Surviving Mr. Carter are his wife, Mrs. Mabel Carter of Wellington; one daughter, Mrs. Carolyn Musgrove of Los Angeles, Calif.; two sisters and two brothers, Mrs. Thelma Beall, Mrs. Navah Shields and Billy Carter of Abilene, and Jack Carter of San Jon, N.M. There are two grandchildren.

Marion Bruce Enters Race for Representative

Marion Bruce of Randall County this week announced his candidacy in the Democratic Primary as State Representative from the 75th District.

Bruce is a native of Randall County, where he was born in 1912, and where he still lives just outside the city limits of Amarillo.

He served as Lieutenant-Governor of Kiwanis International in 1961 and is a member of the Legion of Merit (25 years of perfect attendance).

He became a member of the Randall County School Board

Coyote hunters were warned this week by Sheriff John Rainey that they will be prosecuted if they are caught hunting on land without the permission of the owners.

This came after several ranchers and stock men from over the county have complained to the sheriff they have had cattle shot by coyote hunters operating at night with spotlights and guns.

Part of the animals killed have been registered Hereford Cows, Sheriff Rainey added.

The complaints have come from "pretty well over the county".

"These hunters are going to be prosecuted the first time they are caught hunting at night on land without permission," Mr. Rainey emphasized.

There also have been complaints to the sheriff's department that coyote hunters using dogs tear down fences, and in at least one case, a cow was reported as being run over after she had gotten out of her pasture and into the road.

Charges filed will be negligent destruction of private property if an animal is killed, and the penalty upon conviction is a heavy fine, Mr. Rainey said. Trespassing charges can also be filed.

Mrs. H. E. Lee Breaks Arm

Mrs. H. E. Lee received a broken arm as she slipped going out of her house on Sunday, January 1.

Mrs. Lee was taken to St. Joseph's Hospital where she is still a patient there. It was reported that she may have to be taken to Amarillo if she has not improved in the next few days.

Year Records Desirable Accomplishments

Highlights of 67 Found In Files of The Leader

The year 1967 brought many desirable accomplishments and improvements to the Wellington area and it also recorded adverse events in the weather, traffic and farming. One of the most cheering happenings was the decision of the Dominican Sisters to continue the operation of St. Josephs Hospital in Wellington.

Other satisfactory accomplishments were the remodeling of the Wellington High School building, the completion of the new First Baptist Church, building the new education building at The First Methodist Church, remodeling the American Legion building, paving a new runway at Marian Airpark and bank deposits in the county rising to a new high.

Occurances that were not so sanguine were: disastrous hail in certain parts of the county and the continued toll of the boll weevil and other insects.

The strangest and yet the most detailed story to appear in The Wellington Leader during 1967 dealt with the sighting of an Unidentified Flying Object near Loco as reported by Carroll Wayne Watts who saw the object on the ground and made more than one report to the Altus Air Force Base.

One historic event was the redistricting of the four precincts of Collingsworth County on a population basis to conform to what the Commissioners construed to be the meaning of the Supreme Court. The redistricting made some pecu-

Bank deposits passed the nine million mark with deposits standing at $9,157,620.59 which was over a million dollar increase above the deposit figure at the beginning of 1966. Farm income in Collingsworth County was second highest in the eastern Panhandle area totaling $11,047,000. Ochiltree County was first with a total of $14,213,000.

Jan. 19, 1967

First of county meetings of Panhandle Economic Programs held in Wellington Jan. 12 with James Murphrey of the Texas A&M extension service in charge of the program. Objectives set for installation of blood bank at St. Josephs Hospital prior to visit of Red Cross Bloodmobile on March 3.

Jan. 26, 1967

City buys $17,000 street maintainer, the first new one in 20 years, city officials said. As is the case this year voter registration lagged in the county with only 570 people having registered as late as Jan. 24.

Trustees of the Wellington Independent School District approved the preliminary plans for remodeling the high school and junior school and approved sale of $455,000 in bonds.

February 2, 1967

Burglars used a cutting torch to open the vault of The First State Bank in Dodson and remove $1,048. Memories of early days in Wellington caused Cliff Cook of Albuquerque, N. M., to send a check for $50 to the blood bank.

February 9, 1967

Milburn Derryberry receives Oak Leaf Cluster 23 years after Battle at Rapido River in Italy in one of the major campaigns of World War II. Jaycees participated in nationwide Heart Fund telethon.

HIGHER POSTAL RATES GO INTO EFFECT JANUARY 7

Increased rates for all classes of mail except parcel post and international mail will go into effect January 7, Postmaster L. B. Bratten reminded postal customers today.

"Even with the new rates of six cents for first-class mail and 10 cents for air mail, postal service is still a real bargain," Postmaster Bratten declared. "For six cents you can send a letter to any of the 50 States, to any United States territory or possession, to Canada or Mexico, or to an American serviceman stationed anywhere in the world."

Postmaster Bratten pointed out that the new rate for post cards will be five cents and for air mail post cards eight cents.

He said the added cent in the letter rate is a 20 per cent increase compared to a 24 per cent boost in the rates for mailing newspapers and magazines and a 34 per cent hike for advertising curculars, "Occupant" mail, and other material in the third-class ategory.

The new rate of six cents per ounce for first-class mail applies up to 13 ounces and the new rate of 10 cents per ounce for air mail applies up to 7 ounces. Under the new rate structure all first-class mail over 13 ounces and all air mail over 7 ounces will be merged into a single category.

These heavier pieces of first-class and air mail subject to the single rate schedule will be delivered by the fastest available means of transportation.

A flat rate of 80 cents will be charged for all air mail in this category up to one pound. For all mail weighing more than one pound, the present air parcel post rates will continue to apply, except that the postage on matter weighing between one pound and five pounds will change at half-pound intervals rather than one pound intervals.

Postmaster Bratten said that the new rate structure will mean a reduction of postage on some parcels.

Another rate change that will affect the general public is the increase from four to six cents for the first two ounces of individual piece of third-class mail. Unsealed greeting cards can be sent at this rate, Postmaster Bratten said.

He emphasized that the new rate on unsealed greeting cards will not go into effect until January 7 and until then they can be mailed at the old rate of four cents.

Postmaster Bratten also noted that effective January 7 special handling wil be available on third-class parcels weighing between eight and sixteen ounces. Special handling has not been available on these parcels since 1958, when packages weighing between eight and sixteen ounces were transferred from fourth to third-class mail.

There will be no change in the charges for special delivery special handling, registered mail, certified mail, cash on delivery or insurance, Postmaster Bratten said.

An Important Year

Major Political Dates Fill 1968 Calendar

1968 will be one of the major political years of the mid-century, and in Texas, the political calendar applies on all levels, down to the smallest voting precinct.

Listed here are not only the dates on which the elections and party conventions are held, but all other dates of political significance through the year.

January 11: (Thursday) the contents of the ballot box in the Constitutional Amendment shall be destroyed if there is no contest or criminal investigation.

January 31, 1968: (Wednesday) Last day of regular voter registration period.

February 5, 1968: (Monday) Last day to request place on primary ballot.

Feb. 12: (Monday) County Executive Committee to apportion cost of primaries among candidates.

District committeemen and chairmen of district committees shall be selected at the county executive committee meeting.

Precinct committees elect a Precinct Committee chairman.

Feb. 13: (Tuesday) County Chairman shall notify candidates by registered or certified mail of their assessments for the Primary.

Feb. 15: (Thursday) County Chairman files with county clerk a list of candidates whose applications have been received and sends a copy to the State Chairman. Also names of district committeemen.

Feb. 26: (Monday) Last day for candidates to pay assessments to County Chairman.

March 1: (Friday) County Tax Collector shall have 1968 list of registered voters completed and furnish statement of number to county clerk and secretary of state.

March 5: (Tuesday) First day to apply for absentee ballot by mail for voting in First Primary.

March 11: (Monday) Meeting of State Executive Committee.

March 13: (Wednesday) Last day for county committee to refund payment by Primary Candidate in excess of assessment.

March 18: (Monday) County committee shall determine by lot in open meeting, the order in which the names of candidates for all offices, including statewide races, shall be printed on the primary ballot.

The County Executive Committee shall set the place and time of the precinct and county conventions.

March 25: (Monday) Primary Committee of County Executive Committee shall make up the official ballot.

April 1, 1968: (Monday) Tax Assessor shall submit statement of number of registered voters to Comptroller of Public Accounts.

April 2, 1968: (Tuesday) First day for applying by mail for absentee ballot in Second Primary.

April 3, 1968: (Wednesday) Last day for new residents of Texas and persons recently reaching 21 years of age to register for voting in First Primary.

April 13, 1968: (Saturday) Last day for County Executive Committee of parties not holding primaries to fix hours and places for Precinct Conventions and County Convention.

April 15, 1968: (Monday) First day for absentee voting by personal appearance in office of county clerk for First Primary May 4. First day to cast absentee ballot by mail for First Primary May 4. Last day for County Judge to post notice of election in each precinct for First Primary. First day for voting by persons who otherwise are qualified voters except six-month residency qualification.

April 23, 1968: (Tuesday) Last day for County Chairman to post notices on the bulletin board of the county courthouse of the hours and places of Precinct Conventions.

April 24, 1968: (Wednesday) First day for each opposed candidate in the First Primary Election to file a sworn statement of Campaign contributions and expenses. Such statement shall be filed by each candidate for a county office with the County Clerk, for a state or district office with the Secretary of State. Such statements shall be open to the public and shall be preserved for at least two years after the date of the election.

April 26, 1968: (Friday) Deadline for filing sworn statements of campaign contributions and expenses by opposed candidates in the First Primary Election. Such statement shall be filed by each candidate for a county office with the County Clerk, for a state or district office with the Secretary of State. Such statements shall be considered filed if sent to the proper officer by registered or certified mail from any point in the state before the filing deadline, as shown by the postmark on the letter. Failure to file within the proper time shall cause such candidate to forfeit his right to have his name placed upon any subsequent runoff or general ballot. Such statement shall be open to the public and shall be preserved for a period of at least two years from the date of the election.

April 29, 1968: (Monday) Last day for Tax Assessor to have prepared supplemental registration lists for First Primary.

April 30, 1968: (Tuesday) Last day for absentee voting by personal appearance in office of County Clerk for First Primary.

Last day for County Chairman to post on the bulletin board of the county courthouse notice of the hour and place of County Convention or of Senatorial District Convention.

May 3, 1968: (Friday) County Clerk must deliver before the opening of the polls to each presiding judge, in person or by mail, the names of those who have voted absentee or made application to vote absentee for that election for that precinct.

Last day for the appointment of watchers for First Primary. Appointments may be made by two procedures, by a group of candidates or qualified voters.

May 4, 1968: (Saturday) FIRST PRIMARY ELECTION. Absentee ballots must be delivered by County Clerk to a special canvassing board not later than 1:00 p.m. on the day of the election. If delivered before 1:00 p.m., all subsequent ballots received by mail before one o'clock must be delivered at that time.

PRECINCT CONVENTIONS of all parties, between the hours of 2 p.m. and 9 p.m. as prescribed by County Executive Committee

May 5, 1968: (Sunday) Immediately after the counting of the ballots is completed, and in no case later than 24 hours after the closing of the polls, the presiding judge shall deliver to the County Clerk locked ballot boxes containing ballots voted, tally sheets, poll lists and return sheets; and he shall deliver the keys to the Sheriff, who shall keep them for 30 days.

May 7, 1968: (Tuesday) County Executive Committees shall canvass returns of First Primary Election at the county seat and determine the order of names of candidates for county and precinct officers for Second Primary Ballot.

Last day for Chairman of Precinct Convention of a party holding primaries to transmit record of convention proceedings to the County Clerk, who shall promptly deliver the original copy of such records to the Chairman of the County Executive Committee.

Last day for Precinct Chairman of party not holding primaries to transmit list of persons attending Precinct Convention to State Chairman and to County Clerk.

May 8, 1968: (Wednesday) County Chairman must send First Primary election results of State and District races by registered or certified mail to Chairman of State Executive Committee within 24 hours of the county canvass.

May 11, 1968: (Saturday) COUNTY CONVENTIONS (or Senatorial District Conventions) of parties holding primary elections.

Last day for requesting recount of First Primary Ballots in races for county and precinct races.

May 13, 1968: (Monday) Last day for a candidate in the Second Primary Election to request State Chairman or County Chairman, whichever is appropriate, that his name not be printed on the ballot.

May 14, 1968: (Tuesday) State Executive Committee meets to canvass the returns of the First Primary as to candidates for state and district offices as certified by the County Chairmen and shall prepare a tabulated statement showing the number of votes received by each candidate in each county. If such canvass shows that no candidate received a majority, the State Executive Committee shall certify the names of two candidates receiving the most votes to the County Chairman for placement on the Second Primary ballot.

Deadline for opposed candidates in the First Primary to file supplemental sworn statements of campaign contributions and expenses incurred prior to the election not specifically included in the sworn statement filed prior to the election. Failure to file shall cause the candidate to forfeit the right to have his name placed upon the ballot of any subsequent runoff or general election.

May 16, 1968: (Thursday) Last day for Chairman of County Convention or Senatorial District Convention of party holding primaries to forward record of convention proceedings by registered or certified letter to the Secretary of State, who shall deliver the original copies to the Chairman of the State Executive Committee prior to any State Convention.

Last day for requesting record of First Primary ballots in races for state and district offices covering parts of more than one county.

May 17, 1968: (Friday) Last day for filing in District Court a contest of First Primary Election, county, precinct and district offices which are wholly in one county.

May 18, 1968: (Saturday) DISTRICT CONVENTION of party not holding primaries.

Conference in Austin

J. L. Harper Attends Educational Meet

J. L. Harper, superintendent of the Wellington Schools, is in Austin this week attending the School Advisory Conference on Education which started Jan. 4 and will end Friday, January 5.

Some 2,500 administrators from high school, colleges and universities are attending the meeting.

The general session began at 9 a. m. Thursday, January 4, in the Terrace Motor Hotel Convention Center with J. W. Edgar, Texas Commissioner of Education, presiding.

The Texas Education Agency annually sponsors this conference so delegates can discuss new education programs, and review and suggest improvements in procedures used by the Agency in its relations with local public schools.

Don Robbins. Director of Administrative Services at the Agency, says the administrators will be discussing such topics as how to prepare teachers for change, how to decide what changes are needed in the organization of their respective schools, and how to develop a climate in the community that will be responsive to changes from the traditional methods of instruction and curriculum.

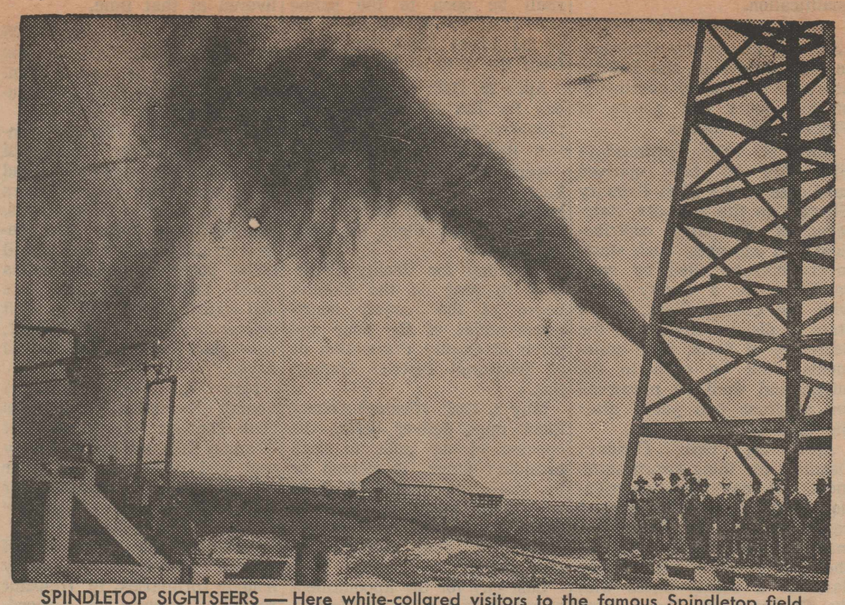

Conference participants will have an opportunity at three Work Group Sessions to discuss these topics and others they selected in a questionnaire mailed to them prior to the conference.

Two of these sessions will be held Thursday afternoon (January 4), and the third will be Friday morning. Topics for discussion include:

Evaluation of expanding vocational education programs, bilingual education for Spanish-speaking children, business procedures for schools participating in Federal jrograms allocated under the National Defense Education Act and the Elementary and Secondary Education Act, and development of the Regional Education Service Centers.

Also, evaluation of revised accreditation standards, the new State Plan for Driver Education in Texas Schools, new programs for exceptional children, and educational planning for better schools.

And the Texas Education Agency's methods of auditing special Federal programs in Texas schools, in-service training for program development, and the implications of international education to the public schools of Texas.

SPINDLETOP SIGHTSEERS — Here white-collared visitors to the famous Spindletop field are treated to a special performance by one of the new gushers brought in there.

Aoudad Sheep Permits Issued

SAN ANGELO. — Palo Duro Canyon landowners have been issued 84 permits for harvesting surplus aoudad sheep during the January 6-10 open season, according to the Texas Parks and Wildlife Department.

This number is one more than was issued last year and 14 more than the 1965 season.

Of the permits, 38 were issued in Armstrong County; in Randall County, eight were issued, while 38 were issued in Briscoe County. They are issued to landowners who have surplus aoudads on their property. Hunters who wish to hunt aoudad should contact the landowners issued permits.

Last season, when 83 permits were issued, hunters bagged 19 sheep despite uncomfortably cold winds with temperatures ranging from 7 to 20 degrees.

During the last hunt, trophy hunting was the favored rule of the day, and two hunters were known to have passed up shots at 34 sheep in trying for a big one. Even then the pair failed to score. The largest aoudad bagged weighed 230 pounds, field dressed, and had horns that measured 34¼ inches around the curl.

Department biologists expect this season to be as good or better than last year.

Anna Katherine Kelso Marries Thomas Lockridge Here Friday

Wedding vows were spoken by Miss Anna Katherine Kelso and Thomas Lockridge of Abilene on Friday, December 29, at six-thirty in the evening in the Church of Christ. Minister John Gay of Childress officiated at the double ring rites.

Parents of the couple are Mr. and Mrs. James Harvey Kelso and Mrs. O. Y. Lockridge of Waco.

Tall candle trees were on each side of the stained glass window at the front of the church and descending in pyramid fashion were other candelabras and spirals garlanded with smilax. At the center was a pedestal arrangement of deep red anthuriums and a peaked bank of fern and lemon leaves. Aisle pews were marked with tapers and white velvet Dior bows and heather leaves.

Wedding solos were presented by Mrs. B. M. Sims, who was joined by Paul Guthrie in the duets.

The bride, given in marriage by her father, chose a gown of silk peau de soie, designed with a sculptured empress bodice and portrait neckline. Alencon lace edged the elbow sleeves and neckline and bound the hem of the formal tubular skirt. Her train, attached at the low squared back neckline, extended to chapel length. Her headpiece of pearl loops with sequin accents held the shoulder length tulle veil and her flowers were a cascade of white orchids with stephanotis and seed pearl ropes.

Mrs. Robert Fleming of Austin, sister of the bride, was the matron of honor and bridesmaids were Miss Lee Ann Kelley of Canyon, Miss Jeannie Owens of Olney, Miss Glenda Kaye Gibson of Minco, Oklahoma, Miss Sylva Howell of Mexia, and Miss Jan Glenn, Miss Aleta Owens and Miss Beverly Singley.

Their red velveteen floor-length gowns, of A-line design, had three quarter length sleeves and boat necklines. Velvet petal headpieces held shoulder length veils. Each carried a panoramic ball of white malibu feathers, draped with loops of white velvet and adorned with red transparent berry clusters.

The best man was A. L. Fisher of Carlsbad, New Mexico, and groomsmen were Bill Eggar of Odessa and Bob Tomlin of Austin, brothers-in-law of the bridegroom; Robert Fleming of Austin, brother-in-law of the bride; Don Fisher and Dale Dillingham of Lubbock, and Raymond Horton.

Deborah and Darron Fleming of Austin, niece and nephew of the bride, were the flower girl and ring bearer.

Tapers were lighted by Richard and Randall Sims.

Guests were registered at the church by Miss Karen Richardson.

After the ceremony, Mr. and Mrs. Kelso were hosts at a reception to honor the couple in the club room of Bura Handley Community Center.

Arrangements of greenery flanked the bride's all-white table, and smilax garlands encircled the tiered duo-candelabra of crystal prisms. Miss Nicki Eoff of Winters and Miss Sue Granger of Abilene served the wedding cake and Mrs. Hugh Simmons of San Marcos poured.

Others in the house party were Mrs. John Coleman, Mrs. Ernest Harwell, Mrs. Elmer Hiett, Mrs. Lynn Jenkins, Mrs. Don Hood of Lubbock, Mrs. Earl Hunter, Mrs. Paul Bell, Mrs. Ted Brock and Mrs. Bura Handley.

The rice girls, Tina Jenkins and Becky Cunningham of Stamford, presided at a silver epergne topped by a red feather and velour wedding ring tree.

Reception music was presented by Miss Richardson at the piano.

The bride was graduated from Wellington high school and presently is a senior in Abilene Christian College. She is a former Collingsworth County Farm Bureau Queen and runner-up in the District. In college she was chosen the best supporting actress of ACC and is a member of Ko Jo Kai Social Club.

A graduate of Seminole High School and South Plains College at Levelland, the bridegroom also attended Texas Technological College at Lubbock. He is now a department manager for Penny's in Abilene.

Upon returning from their wedding trip, Mr. and Mrs. Lockridge will be at home at 2433 North Third, Abilene.

Ti-i-Ca Holds Holiday Dance

Ti-i-ca was the host of a Holiday Dance on December 30, at the Bura Handley Community Center.

The "Young Raiders" from Emporia, Kansas played for approximately 250 teenagers from Wellington, Shamrock, Memphis, Childress, Hollis, Altus, Mangum and Granite.

Mr. and Mrs. Barney Glenn and Mr. and Mrs. Millard Brown Jr., chaperoned the dance.

Mrs. J. L. Burt spent part of the Christmas holidays in Fritch with Mr. and Mrs. Roy Brinson and Mr. and Mrs. Burt Brinson and family.

Marilyn Clay, Denver R. Buck Marry in December Ceremony at Elkhart

Miss Marilyn Clay of Keys, Oklahoma, and Denver R. Buck of Elkhart, Kansas, were married Saturday, December 9, at three o'clock in the afternoon at the Church of Christ at Elkhart, Kansas. Minister Joe Duke of Allison officiated.

The bride is the daughter of Mr. and Mrs. A. B. Clay of Keys, formerly of Samnorwood and Arnett. She is also the granddaughter of Mr. and Mrs. John Groves of Samnorwood and Virgil Clay of Shamrock. Mr. and Mrs. E. R. Buck of Elkhart, are parents of the bridegroom.

Altar decorations were an arch of foliage with candelabras and baskets of white gladiolas and blue carnations at the sides. Wedding selections were sung by Mrs. Kenneth Mitchell, Donna and Debbie Clay, and by a double quartet.

Mr. Clay gave his daughter in marriage. She wore a formal gown of ivory satin, fashioned with a lace empire bodice and long sleeves which formed points overthe hands. Lace appliques enhanced the sheath skirt, which was fashioned with a pleated detachable train. Her dainty headpiece held an elbow-length veil, and she carried a bouquet of red roses, along with a lace-trimmed handkerchief which belonged to her great grandmother.

Mrs. Gary Higgins was matron of honor and the bride's maid was her sister, Miss Carolyn Clay. Carla Clay, another sister, was flower girl.

The best man was Gary Higgins, while Kenneth Mitchell was the groomsman. Ushers were Kenneth Davis, brother of the bridegroom, and John Aumiller of Elkhart, and Brian Mitchell was ring bearer.

After the ceremony, Mr. and Mrs. Clay were hosts at a wedding reception in the basement of the First Christian Church. The bride's table was laid with a satin and net cloth trimmed with ivory roses and sequins. Ivory tapers and the wedding cake, encircled by a floral arrangement, formed the center piece.

Mrs. Bradford Clay of Pampa served the cake and Mrs. Kenneth Davis presided at the punch bowl. Mrs. Jimmy Bellamy registered the guests.

The bride was graduated from Arnett High School as valedictorian of the class of 1967. She was chosen Miss Arnett and was a member of the high school quartet.

Mr. Buck was graduated from Elkhart High School and attended Oklahoma State University at Stillwater and Fort Hays State College at Fort Hays, Kansas.

Opon returning from a two-weeks honeymoon to the west coast, the couple will live near Elkhart, where the bridegroom has been engaged in farming since returning from the armed forces.

CARD OF THANKS

I would like to express my sincere thanks to each one for your many acts of kindness shown me while I was in the hospital and since my return home. To Dr. Jones and the hospital staff a special thank you, for your excellent care.

Mrs. G. C. Little

May we express our sincere appreciation to each of you for the sympathy extended us at the passing of our loved one.

We are especially grateful to Dr. Holcomb, the staff of St. Joseph's Hospital, to all those who sent flowers or brought food, and to everyone who in any way sought to bring us a measure of consolation.

May God bless each of you.

The family of William E. Hall

We wish to express our sincere appreciation and thanks for the many kindnesses shown us and for the beautiful flowers, the food and cards of sympathy sent by our many friends at the time of the death of our loved one.

We are especially grateful to Kelso Funeral Home, Strong's Flowers, Rev. Crane and the Full Gospel Church.

May God bless each of you.

The family of M. H. Glover

We wish to express our deepest gratitude to all those who were so thoughtful at the passing of our loved one. We do thank everyone for the many prayers in our behalf and for the beautiful flowers and cards expressing your sympathy.

We are especially grateful to the ones who prepared and served the food each day.

May God richly bless each of you.

The family of D. E. Wisdom

We wish to thank the people and the organizations who added so much to the happiness of the residents of the Thomas Nursing Home during the Christmas Holidays. We especially want to thank all of those who brought fruit and candy and other gifts and also those who came by to sing Christmas Carols. Our sincere thanks to you for your kindness and best wishes for you in the New Year.

Thomas Nursing Home

We wish to thank all of those who were so kind and considerate following the death of our father and grandfather, G. D. Thomas. We especially thank those who sent flowers and food and expressed their sympathy in other ways. Your thoughtfulness is sincerely appreciated.

Time to Register

Many elderly people in Collingsworth County and elsewhere as well will be disappointed when they go to the polls this year to vote and find they cannot vote because they failed to register.

These are the same people who have been exempt from paying the poll tax because they had reached the age of 60. The new law reads that every person who is 21 or older must register before January 31 to be eligible to cast a ballot in the approaching primaries and the general election.

In spite of the fact that cards have been sent to prospective voters an alarming number have failed to register.

This must be done by January 31.

Those who have not registered can do so in a few minutes at the office of the county tax assessor and collector. They will fill out the card for you which lists your name, age and address.

This is a most important election year. A president and vice-president will be elected as well as a new governor and other state officials. Besides the selection of officials the voters will also be called upon to ballot on a large number of constitutional amendments and perhaps bond issues and you may be asked to vote on a sales tax for the City of Wellington.

The issues this year will be just as important as any you have ever faced and perhaps more so. If there is someone in your family who has passed the age of 60 you should explain the new law to them and the fact that they must register in order to vote.

Remember January 31 is the deadline. Do not disfranchise yourself or allow some member of your family to do so.

OTHER EDITORS SAY . . .

Dollar's Heavy Burden

Through much of contemporary history trade between the nations of the world has been stabilized by the guaranteed value of the British pound and the American dollar. These two basic values carried the burden of the world's basic reserve and trading currency.

Now that the British pound has been devalued, our dollar will have to be the main support of international exchange. This fact will have some influence on the lives of each of us.

In spite of the fact the dollar is under attack by gold buyers in many places, we must make it sustain its comparative value. It can very well do so because the American economy and its currency are far stronger than Britan's in many ways.

However, to hold this strength the United States must bring into control the threat of greater inflation. The world pressure to acquire dollars will make itself felt on our domestic scene.

President Johnson said this week one of his principal efforts this year will be to protect the currency against that inflation. To this end he has asked a surtax and will probably call for the cut in some of our governmental spending. It is hoped this will cut the deficit in payments.

In the meantime the International Monetary Fund is trying to bring about the creation of an international money which can be used at steady value for international commerce. But until that day comes many years in the future, the American dollar will carry a heavy burden. —Wichita Falls Record-News

STATE Capital NEWS

By VERN SANFORD

AUSTIN—Any way you look at it, 1968 shapes up as the most action-packed political year for Texas in more than a decade.

It will start with a wide-open governor's race in the Democratic primary perhaps the roughest since 1956. Also, there may be some other races for less exciting offices. And of course, the presidential battle will hold the November general election spotlight. If Texas Republicans make good their threat to field a strong candidate for governor, and it seems they will,there will be plenty of action on that front almost the year around.

There is no sure way of predicting at this point whether U.S. Sen. Ralph Yarbrough, Lt. Gov. Preston Smith, Secretary of State John Hill, former Atty. Gen. Waggoner Carr, Dallas radio man Gordon McLendon, Houston attorney Don Yarborough or an unheralded dark horse will emerge the Democratic nominee for governor. Neither is it clear who the Republicans will put up to oppose him. Congressman George Bush of Houston? Sen. John Tower? An unknown?

While Texas national Democratic convention delegates obviously will be pledged to support President Johnson, state Republican leaders have not tipped their hands as to their favorite candidate for nomination.

Although the winners can't be picked in advance, red letter dates can be marked on the 1968 political calendar. Here are the main ones:

- February 5—Last day for filing as candidate in primaries.
- May 4—First primary election and party precinct conventions.
- May 11—County party conventions.
- June 1—Second primary election.
- June 8—State conventions to pick national convention delegates.
- September 17—State conventions to pick Texas party leadership (executive committees) and write the state party platforms.
- November 5—General election.

Remember that, to participate in any of the action, you must register (it's free) with the county tax assessor-collector or authorized deputy by January 31. Registration is simple and can be accomplished through the mail on forms provided by most newspapers.

ATTORNEY GENERAL RULES—State Welfare Department can pay medical aid directly to recipients of services or to physicians, Atty. Gen. Crawford C. Martin has held.

In other recent opinions, Martin concluded that:

- An anhydrous ammonia pipeline is subject to jurisdiction of the Railroad Commission.
- A qualified agricultural engineering major can be licensed as a professional engineer.
- Cochran County Memorial Hospital District can pay expenses of sending needy persons to outside hospital facility where it cannot discharge its full responsibility to provide adequate medical care.
- Requirements of newspaper advertisement (or posting) to take competitive bids does not apply to county expenditures for purchase of equipment for general use by the county payable out of current funds. Where the county wants to make a contract under competitive bidding requirements, bids must be stated in terms of gross price without "trade-in". However, county commissioners may ask for trade-in data and consider it in awarding the contract.

COURTS SPEAK—A negro mathematician at the spacecraft center in Houston who had a plate yanked out of his hand by a private club manager is entitled to $900 in damages for "battery". State Supreme Court agreed. Decision reversed lower courts.

Fourth Court of Civil Appeals, in a Webb County case, agreed the state has the right to regulate picketing in labor-management dispute. Labor group unsuccessfully attacked a ban against more than two pickets at a time within 50 feet of the struck establishment or other pickets.

APPOINTMENTS ANNOUNCED—Gov. John Connally announced appointment of Lawrence Miller Jr. of Dallas and George R. Bolin of Houston to Texas Real Estate Commission. He also appointed McLennan Co. Court at Law Judge Derwood Johnson of Waco as Judge of the 74th Judicial District Court.

Governor placed Dr. J. Robert Baier of Houston on the Texas Board for Chiropractic Examiners and reappointed Dr. Charles E. Courtion of San Angelo and Dr. C. T. Harkey Jr. of Victoria.

Miss Wathena Douglas of Midland was named to the State Board of Hairdressers and Cosmetologists.

COOPER DAM ROW RESOLVED — Controversy with federal authorities over Cooper Dam and Reservoir (Sulphur River in Northeast Texas) has been resolved to the state's interest.

New contract omitted the controversial water quality requirements, according to Joe G. Moore Jr., executive director of Texas Water Development Board.

Long-range issue of federal requirements concerning release of "flushing" water to control downstream water pollution statewide still is very much alive.

POLICY CANCELLATION GUIDELINES SET — State Board of Insurance announced these general guidelines for cancellation of certain insurance policies or company refusal to renew coverage:

- Family auto policies and auto coverage should be cancelled only for premium nonpayment or for license suspension or revocation.
- Companies should not balk at renewing family auto policies strictly on account of ages of insured.
- Thirty days' notice of nonrenewal should be given before declining to renew family auto policies and auto coverage, homeowners policies and standard fire policies on one-family dwellings.
- Cancellation cannot be ordered on home owner and standard fire policies for one-family dwellings solely because the company changes underwriting requirements during the policy term.

FOURTEEN CITIES START SALES TAX — January 1 marked the start of actual collections of the new one per cent city sales tax in 14 of more than 150 cities which have approved the tax since September. These 150 cities represent 65 per cent of Texas' urban population.

Cities starting the tax January 1 included Aransas Pass, Austin, Bracketville, Corpus Christi, Elgin, El Paso, Henrietta, Ingleside, Nacagdoches, Orange Grove, Port Aransas, Taylor, Texarkana, and Wichita Falls.

Collections of one per cent levy (added to the two per cent state tax) will begin April 1 in at least 140 other municipalities. Only about 20 city sales tax elections have failed.

State comptroller has a full quarter of a year to set up collection machinery after a city reports approval of the tax.

NEW BOOK ON CAPITOL—Winston Churchill once said, "We shape our buildings and they shape us." His quote is used in the handsome new book, "The Texas Capitol, Symbol of Accomplishment".

This 168-page volume is illustrated with color photographs and reproductions of historic documents. It was written and produced by the Texas Legislative Council in cooperation with the State Highway Department, at the direction of the 1965 Legislature.

It's so "hot off the presses" that it records some significant events of the 1967 session of the Legislature. "The Texas Capitol" reaches back graphically to those 18 days at Washington - on - the - Brazos in 1836 when Texas' independence was declared. That story is followed by a brief history of the Republic and the joining of the Union in 1845.

From that point on, the reader will find himself engaged in the story of the state's growth through the development of its government and the men who have guided it the past 122 years. Pictures and stories acquaint the reader with the present-day Capitol complex and surroundings.

This book should be read by every Texan who has seen, plans to see, or wishes he could see the State Capitol. It is available from the Travel and Information Division of the Texas State Highway Department in Austin. Price, $2.00.

MH-MR REORGANIZATION —Texas Department of Mental Health and Mental Retardation will undergo a "broad reorganization" during the next six months, says MH-MR Commissioner John Kinross-Wright.

CROSSROADS REPORT

Dear Editor:

Official news from Red China is that a man got cured of cancer in just a few months by studying the teachings of Chairman Mao.

My skeptician neighbor says this is pretty hard to believe, in spite of the word coming from official Chinese newspapers. But, then, there have been other cases in medical history where the cure was worse than the disease.

So he reckons there is always the possibility of good in anything, and it may develop that the teachings of Martin Luther King will cure dandruff or something.

Mrs. Effie L. Trout Celebrates 85th Birthday in Wellington

Mrs. Effie L. Trout celebrated her 85th birthday recently in the Club room of the Bura Handley Community Building.

She and her husband, the late Charley S. Trout, moved to this county in 1901 and lived in the Dodson community until 1923. They then moved to Greer County, Oklahoma. That was her home until she came in 1966 to live here with her daughter, Mrs. Silas Crawford.

Members of the family attending the celebration were Mr. and Mrs. T. O. Trout of Eileene and Karon from Pampa; Mr. and Mrs. C. A. McDaniel, Tommy, Charles, and Leonard of Willow, Okla.; LaWanda Leonard of Hurst; Mrs. Leona Leonard of Hinton, Okla.; Mr. and Mrs. Deloyce Morgan, Robert, Paul, and Jane of Mangum, Okla.; Della and Holly Bell of Mangum, Okla.; Mr. and Mrs. Dan Staton, Stillwater, Okla.; Mrs. Joe Raburn, Tommy and Janice, Dumas; Mrs. Dennis Cudd, Canyon; Mr. and Mrs. A. G. Tyler, Mr. and Mrs. Hurshel Tyler, C. A. Crawford, Peggie and Dan, and the host and hostess, Mr. and Mrs. Silas Crawford.

Auxiliary Holds Hodilay Meet

The St. Joseph's Hospital Auxiliary met Friday, December 8 at the hospital.

Mrs. Joe Thompson, vice president, conducted the business meeting in the absence of the president.

Members voted to send food for a needy family in Wellington. It will be delivered on December 23.

It was also voted to decorate the entrance to the hospital.

Members attending were Mrs. John Sherman, Mrs. Edd Henard, Mrs. Jennie Holcomb, Mrs. Lynn Courtney, Mrs. A. L. Elliott and Mrs. Thompson.

Mrs. Lucy B. Wells and daughter Hattie D. spent the Christmas holidays in Iowa Park with Mr. and Mrs. China B. Smith.

Mrs. Bessie Jean West of San Antonio was a visitor in the homes of Mack Willis and Miss Bonnie Willis and Mr. and Mrs. Deskins Wells. They were joined on Christmas day by Mr. and Mrs. Howard Frost and daughter Pam of Wichita Falls.

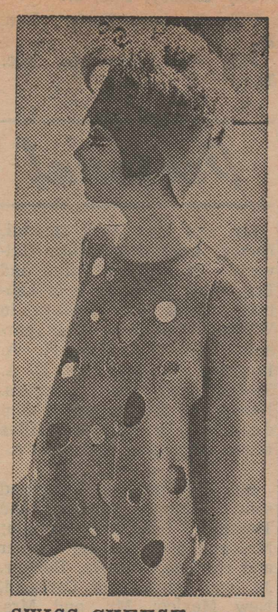

Mrs. Daisy Owen was the guest of Dr. and Mrs. Ansel L. McDowell in Perryton during part of the Christmas holidays and she also visited her brother and sister in law, Mr. and Mrs. Ansel L. McDowell in Hereford before returning to Wellington.

Mrs. Welch Hosts Coffee

Mrs. Bernice Welch was hostess at a coffee held in her home on Wednesday afternoon, December 21, for faculty members of Wellington High School and other guests.

Attending were Mrs. Ruth Norman, Mrs. E. W. Clement, Miss Joline Groves, Mrs. Barbara Williamson, Mrs. James Larson, Mrs. Thayne Amonett, Mrs. Bob McAlister, Mrs. Jim Forrester, Mrs. De Holliman, Mrs. Heber Brantley, and the hostess, Mrs. Welch.

Mr. and Mrs. Alvin Horton spent the Christmas holidays in Richardson with their son, John Alvin Horton.

SWISS CHEESE apparently inspired the designer of this little number, called "Moon Sprite," shown in Los Angeles. Cutouts alternate with circular mirrors intended to twinkle like stars.

Mrs. Hamilton Is Beta Speaker

Mrs. Richard Hamilton was the guest speaker at the Wellington Junior High Beta Club meeting on Monday, December 4.

Mrs. Hamilton described Germany and had pictures and postcards to show the club. She is from Germany and has been in the United States a little over two years. She is the wife of the assistant coach of Wellington High School.

The club decided to decorate the Junior High building for Christmas.

The new officers for 1967-68 school year who were elected at a previous meeting are: Leigh Nall, president; Vickie McAdams, vice president; Ann Smith, secretary; Karen Maxwell, treasurer; Mary Saied, reporter; Pam Kersten and Carole Cochran, historians; and Jane Campbell, sergeant at arms. Mrs. Rufus Sweat is the sponsor.

Approximately 30 members attended.

Luncheon Honors Bride-to-Be

A Christmas bride, Miss Anna Kay Kelso, was honored at a luncheon Saturday, December 23, by a trio of hostesses, Miss Beverly Singley, Miss Aleta Owens and Miss Jan Glenn.

The event was held in the dining room of Cherokee Inn Restaurant. Tables were covered in white and tiny white Christmas baskets marked each place. At the center was an early American candle stand holding a red votive candle. Surrounding this was a garland of greenery, holly and white chrysanthemums. This was presented to the honoree.

The hostesses gave a skit, "Do You Recall," using humorous episodes from the life of Miss Kelso. Miss Singley presented a reading, "What Are Husbands Like?"

Those attending were Miss Susan Sullivan, Miss Jan Cudd, Miss Karen Richardson, Miss Joan James, Mrs. Richard Mauldin, Mrs. Larry Donaldson, Mrs. Dwane Poteet, Mrs. Jones Singley, Mrs. Gorman Owens, Mrs. Barney Glenn, Mrs. Jimmie Kelso, the mother of the bride-to-be, and the honoree, Miss Kelso and the hostesses.

Mary Martha Class Celebrates

A Christmas party and dinner of the Mary Martha Sunday School Class of the First Baptist Church was held Thursday, December 14 in the home of Mrs. Charles Slay.

The invocation was given by the Rev. Leroy Gaston.

Gifts were distributed from a beautiful Christmas tree. A three-foot Santa Claus stood by the tree.

The Christmas program was presented by Mrs. Slay.

Mrs. P. E. Lowrie dismissed in prayer.

Members present were Mrs. W. W. McClaskey, Mrs. Josie Lowe, Mrs. V. J. Simpson, Mrs. Mattie Balch, Mrs. J. C. Scott, Mrs. Willie Estes, Mrs. W. R. Brantley, Mrs. Arthur Hudson, Mrs. P. E. Lowrie, Mrs. W. F. Roberts, and guests, the Rev. and Mrs. Gaston, Mrs. Silas Crawford, and the hostess, Mrs. Slay.

Mr. and Mrs. Austin V. Atkinson Will Celebrate Golden Anniversary

Mr. and Mrs. Austin V. Atkinson will be honored on the fiftieth wedding anniversary Sunday, January 7, with their family as hosts at an open house.

The event will be held at the home of Mrs. Betty Atkinson, 901 Childress Street from two until five o'clock in the evening.

The hosts will be Mr. and Mrs. Ansel Atkinson, Mrs. Betty Atkinson, Beverly Henry, of Wellington and Mr. and Mrs. Benny McDanel of Dumas.

Mr. and Mrs. Atkinson are long-time residents of the Buck Creek Community.

Mrs. K.A. Wood 90 Years Old

East Panhandle Cotton Harvest in Final Stage

The final stages of the Eastern Panhandle cotton harvest was again halted by inclement weather and the Memphis classing office for the first time this season had no unclassed samples on hand, according to K. E. Voelkel in charge of the local USDA office. In spite of the advanced season, the cotton in this section of the Panhandle continued to be of very good quality.

As of Thursday, Dec. 21, the Memphis office had classed a seasonal total of 128,000 samples compared with 106,000 as of the same date last year. During the period Dec. 16 thru Dec. 21, a total of 14,000 samples had been classed. In 1966 one of the shortest crops in this section of the Panhandle, a total of 113,000 samples were classed by this office.

Based on samples classed this week, 19% of the cotton was in the White grades, 63% Light Spotted, 16% Spotted, and 2% Tinged or Yellow Stained. 52% classed Middling Light Spotted.

With most of the harvesting currently originating in the better staple areas, the staple lengths 15/16 and 31/32 decreased and the 1 inch increased percentagewise. The predominant length continued to be 31/32, with 43%. Other length were: 15/16 inch, 16%; 1 inch, 35%; 1-1/32 inch, 4%; and 1-1/16 inch 2%.

The micronaire readings (for fineness and maturity) continued to reflect a very high percentage in the premium range of 3.5-4.9 with 64%, and only 1% read 5.0-5.2. The groupings under 3.5 were: 2.6 and below, 3%; 2.7-2.9, 6%; 3.0-3.2, 16%; and 3.3-3.4, 10%.

The fiber strength of Eastern Panhandle cotton continued to test strong. This factor together with the large percentage of premium mike readings perhaps were reasons for the excellent demand for this 12-county area's production. The seasonal Pressley strength test average was 79,000 pounds per square inch.

Cotton continued to sell freely with none having been placed in the government loan. Average prices paid for cotton with mike readings 3.5-4.9 were Middling 15/16 — 20.25; Middling 31/32 — 23.85; Middling 1 inch — 26.65; Middling Light Spotted 15/16 — 20.05; Middling Light Spotted 31/32—22.30; Middling Light Spotted 1 inch — 24.95; Middling Spotted, 15/16 —17.80; Middling Spotted 31/32 —18.75; and Middling Spotted 1 inch—19.80.

Cottonseed at most gin points brought the farmers 60 a ton.

By Jon La Baume

Grass planting time is upon us.

Usually the best time to seed grass is January through May. If a good cover is not present in which to seed grass, then a dead litter cover crop planted this year with grass seeding to be done next year is the best.

Without a good cover the strong winds during February, March and April will be harmful to the young grass.

Certain grasses such as Johnsongrass and Weeping lovegrass can be seeded after May 1 on a clean tilled seedbed and do very good.

Bermudagrass should not be planted until middle of May. No grass (warm season) except irrigated grass should be planted after June 1. The dry, hot summer months in this part of the country will do harm to young grass that is planted late.

Now is the time to contact your seed dealer for your seed and be ready to seed when the weather permits. To have a good stand of grass involves several management practices.

Weed control must be practiced to give the young grass a chance. Deferred grazing must be used on the young grass during the first growing season following seeding.

Grass plantings should be treated as any other crop if a good stand is to be obtained. No one would plant cotton or grain sorghum and then leave it until harvest and expect a good turnout. Grass is the same way.

There are about 40 Great Plains Conservation Program cooperators who plan to seed grass this year. Some of these are Barney Jones, Lewis Green, H. J. P. Field, Roy Canada, Lorraine Harwell, W. R. Ward, C. C. Taylor, Kenneth Hudson, J. B. Hollis, Walter Camp and many others.

Cost share for the grass plantings may be obtained through the Great Plains Conservation Program (SCS) and through the ACP (ASCS).

The new drivers license law will not be as tough this first year as some people fear. Neither will it be complicated. You will be sent a card as usual informing you that your drivers license will expire on a certain date. You will report to the courthouse in Wellington on any Tuesday before your license expires. There you will find an officer of the Department of Public Safety who will take your picture, test your eyesight and give you a certificate saying you have applied for a renewal of your drivers license under the new law.

★ ★ ★

The past Tuesday, January 2, Officer Leon Hughes was in the office on the second floor of the courthouse south of the sheriff's office. This is used by the DPS each Tuesday. The equipment for taking the color photographs was there just as it will be next Tuesday.

★ ★ ★

Drivers whose license number ends with an odd number will have their license renewed for two years and those ending in an even number will be extended for four years. The date of your birthday after your drivers license expires will determine the time the license will expire in the future. Thus it will be possible for some people to get their drivers license extended for nearly five years after appearing at the DPS office one time.

★ ★ ★

The licenses in our family end in odd numbers. If I pass the eye examination, my license will be extended for two years and fourteen days; but Louise's drivers license will be extended for two years and one month.

★ ★ ★

Holders of drivers license at the present time will not have too much to worry about except their eyesight. There are, however, new teeth in the law for drivers convicted of moving violations with those under 21 years of age requiring only two violations for a suspension of the license.

★ ★ ★

Older people may get by fairly well on their drivers license for the next few years; but a large percentage of them are in danger of being checked off when they go to vote this year. They are the people over 60 years of age who have not been paying a poll tax to vote. They must register; but many of them do not seem to understand the new law. All they have to do is to go to the office of the county tax assessor and collector, and the registration form will be filled out for them.

★ ★ ★

Thanks to Mr. and Mrs. Ernest Nunnelley we had black-eyed peas on New Years day that tasted very much like peas gathered fresh from the field. And from the Nunnelleys we learned Farris Cornelius' simple way of freezing them to preserve the original taste. You do not blanche the peas. Simply pick, shell or snap the peas, put them in a container, and then do all the washing when you take the peas out of the deep freeze prior to cooking.

★ ★ ★

Younger children have a tendency to sit down or lie down within two to four feet of the TV screen to watch their favorite programs. Yet the reports keep appearing that some color TV sets emit dangerous X-ray radiation. While the burns are not visible specialists say they are concerned with genetic damage and possible eye cataracts. It has never been advisable to allow children to sit too near the screen of a black and white set and now it appears that extra care should be taken about the colored sets.

★ ★ ★

There was such a glut of football games on TV the past weekend, many viewers may welcome the changes next week. This Sunday, Jan. 7, "The Vine" the repeat of the Life of Christ which was filmed in Israel and Jordan will be on NBC from 3 till 4 p.m. and there are a number of other good programs on the other networks.

You've got to hand it to Vince Lombardi—if he can't cook his opponents goose, he will put it in the deep freeze.

None Seriously Hurt

5 Hospitalized in Only Holiday Wreck

A two-car collision at the intersection of FM 1035 and Highway 203 about 4:30 p. m. Sunday, December 31 hospitalized a Wellington woman and four Amarillo residents, Sheriff John Rainey reported. Three others were treated and released.

This was the only accident reported during the holidays.

Sheriff Rainey said the Amarillo car, driven by Mrs. Iva Wilhite Carroll, was traveling west when the second car, driven by Elvis Lee Thomas of Wellington entered the intersection from the north. The accident occurred three miles north of Wellington.

Admitted to St. Joseph's Hospital were Mrs. Carrol and her 16-year-old daughter, Linda; Mrs. D. L. Maddox and Mrs. Helen Bussey of Amarillo, and Mrs. Elvis Lee Thomas.

Reported as treated for cuts and bruises and then released were Lisa Thomas, daughter of Mr. and Mrs. Thomas, Patricia Dunlap and Daniel Bussey of Amarillo.

Two other Bussey children, Mr. Thomas and one of his children were not listed as injured.

None of those hospitalized was considered seriously hurt and all had been released by Tuesday afternoon, January 2, according to hospital authorities.

Sheriff Rainey said his department was told the brakes on the Thomas car failed as Mr. Thomas attempted to stop at the intersection.

Investigating the accident along with the sheriff were Police Chief Donald Nunnelley and members of the Highway Patrol from Shamrock.

Drivers

Texas and about 2,500,000 licenses are renewed annually. To facilitate the process all licenses after January 1 will be renewed to expire on the birthdate of the licensee. If the person holds a license ending in an even number, it will be renewed for a four year term; if the license ends in an off number, it will be renewed for two years the first time then for four years each time thereafter. The cost to the driver remains the same per year.

The new license will be approximately 2⅛ inches wide by 3 3/8 inches long, or about the same size as a standard credit card.

"We anticipate fairly large crowds at many of our offices," said Garrison, "and we hope to be able to give each person completely satisfactory service. We look forward to making many new friends among the millions of persons we have been serving by mail before now."

Popwell

—from page one

For several years he had lived in Wellington.

Mr. Popwell was married to Miss Iona Carpenter on January 14, 1920, at Vinson.

Funeral services were conducted at First Baptist Church in Wellington at 2:30 p.m. Wednesday, January 3. Officiating were the Rev. Leroy Gaston, pastor, the Rev. Bill Bruce of Foss, Oklahoma, and the Rev. Charlie Abercrombie of Wheeler. Burial was in Independence Cemetery in Oklahoma under the direction of Kelso Funeral Home.

Pall bearers were Rolan Bryan, John L. Green, Floyd Chandler, Earl Jones, Boyd Derryberry and Clarence Wilbur.

Surviving Mr. Popwell are his wife, Mrs. Iona Popwell of Wellington; one son, Leo Popwell of Wellington, and a daughter, Mrs. Thelma Rogers of Amarillo. There are 9 grandchildren and two great-grandchildren.

Lt. Cudd Due From Viet Nam

Lt. Dennis Cudd, stationed in Viet Nam for the last year, is due here about January 6 to visit his wife, Judy, and his parents, Mr. and Mrs. Hiram Cudd.

Lt. Cudd participated in the battle at Dak To but came through it with no injuries. He lost good friends, however.

He has written his wife that the 173rd Airborne Brigade lost a total of 211 men killed and 564 wounded. B and C Companies of the 4th Battalion, 503rd Infantry, 173rd ABN Bde. took the hill late Thanksgiving Day. Dennis was at the time executive office of C Company. "The men were served Thanksgiving Dinner that night on the hill, but Dennis said none of them could enjoy the meal very much," she said Lt. Cudd is now Liason Officer for the 4th Bn. He has not yet received his new duty assignment and has no idea where he will be sent.

Certain SS Beneficiaries Must Report

Social security beneficiaries who earn over $1500 in 1967 must file an annual report of their earnings with the Social Security Administration by April 15, 1968, according to Travis C. Briggs, District Manager of the Amarillo social security office.

The exempt amount is $1500 and beneficiaries earning this amount or less are not required to file a report. The report is required in order that a proper determination of benefits paid and payable in 1967 can be made.

Reports will be automatically mailed to beneficiaries receiving some payments in 1967. They should be received sometime in February 1968. Beneficiaries not receiving a report by mail because of not having received benefits in 1967 or some other reason should contact the social security office before April 15, 1968.

Briggs said that the annual report should not be confused with a tax return. The annual report must be filed with the Social Security Administration while a tax return is filed with Internal Revenue Service.

Persons desiring help in the filing of this report should contact a representative of the Amarillo office who will be in Wellington at the Courthouse several times each month during the first quarter of the year.

in 1946, when his name was written in while he was attending the Plainview Dairy Show, which he later served as President. During the same period, he served on the Tax Equalization Board for the Canyon Independent School District.

Bruce is chairman of the Citizens Group Work and Recreation Council, Potter Randall Citizens Committee, and has been a Council member since 1956, when its work brought a sharp decrease in juvenile delinquency in the metropolitan area while the national rate was rapidly increasing.

He served as the first president of the Friends of Youth, which works with the Potter County Court of Domestic Relations, and which brought about the formation of the Amarillo Big Brothers. He has been a Kids Inc. coach and leader in establishing other youth recreation programs. He served as president of the Amarillo Community Center Board during a period of expansion in its program. He has been a worker in the United Fund and other civic and philanthropic drives. He has been a member of the First Baptist Church of Amarillo since boyhood.

Bruce has been a Milking Shorthorn breeder since 1936 and is a qualified judge of the breed, having judged fairs in most of the Western States, including the Texas State Fair in Dallas and the Kansas and Idaho State Fairs.

Bruce, a long time worker in the Democratic Party, is presently Chairman of the Randall County Democratic Executive Committee, a post to which he was re-elected in 1966 without opposition. He directed the 18th Congressional District Democratic campaign in 1956, and headed the Party headquarters again in 1962.

He has been a Randall County delegate to all Texas State Conventions since 1956, and attended the National Conventions of 1960 and 1964.

"I believe I am qualified to serve the interests of all citizens of the 75th District — urban and rural—for I have faced the same problems they have," he said.

"A farmer-stockman who survived the '30s and the drouths of the '50s learned every farm problem. And I have lived in a metropolitan community that nearly tripled its population in the last 15 years. In such a community, you learn urban problems fast!"

The 75th District includes Armstrong, Briscoe, Carson, Collingsworth, Donley and Randall Counties.

Six Register for Draft

Six Collingsworth County young men were registered with the Selective Service during December, according to Bill Hatch, registrar.

These included Manuel Cantu, Jr., Lonnie Darrell Colson, Tommy Chris Hubbard, Kenneth Wayne Brown, Joe Ray Lakey and Jimmy Doyle Black.

Seeds of the mistletoe are carried almost exclusively by birds.

Cotton

—from page one

There is considerable interest in block spraying for boll weevil control in the 1968 crop, he said.

Bill Oldham of Lutie Gin reported one of the best crops that area has had in recent years.

It was in this area that two-bale per acre cotton was grown on irrigated land, and there was a considerable amount of bale and a half cotton. Dry land cotton averaged about three-quarters of a bale.

There was a considerable amount of 1 1/16 inch staple, but Mr. Oldham pointed out it is the usual type cotton which reached this length.

It was not an especially expensive crop for the Lutie area farmers to grow. There was not a whole lot of insect damage, he added and the price is still pretty good on the late cotton.

He estimated probably a hundred bales remains to be ginned.

Texas oil and gas drilling in 1966 totaled 53 million feet of hole.

Waco Conference

Farm Bureau Officials to Attend State Meet

Three Farm Bureau officials from Collingsworth County will join some 250 Farm Bureau presidents and membership chairmen in Waco Jan. 9-10 for a two day conference on leadership.

Attending from Wellington will be Jim Ray, president of the Collingsworth County Farm Bureau; Early Patterson, membership chairman and Dee Coleman, District I director.

A line judge of the National Football League's officiating staff will pass along leadership techniques used in pro football in a Jan. 9 banquet talk entitled "The Challenge of a Pro." He is Art Holst of Peoria, Ill., who wears No. 33 on his officiating uniform. He is administrator of a foundation dedicated to financing community action programs.

Another general session speaker will be T. C. (Pete) Peterson, Chicago, director of program development for the American Farm Bureau Federation. Peterson will speak on "County Farm Bureaus—The Most Important Link." TFB President Sidney Dean of Victoria will make opening and closing remarks at the two-day meeting.

Purpose of the session is to explore ways and means by which county leaders can more effectively carry out their responsibilities in the coming year.

The presidents will participate in group topics on executive responsibilities, implementing program of work, effectiveness in public affairs, and working with people. The membership chairman will make plans for the 1968 state-wide membership drive which gets under way in early February.

Conference participants will also tour the Texas Farm Bureau headquarters office in Waco.

Both Boys and Girls Win Over Shamrock Dec. 29

With only 30 seconds left in the fourth quarter, Andy Henard sank a shot from the outside to tie the score in the game against Shamrock Friday December 29 and the Rockets went on to win in the overtime by a score of 62 to 56 with the Wellington team scoring six points in the overtime

The Rockettes defeated the girls from Shamrock 51 to 38 and were never in trouble as ing guards led by Cheryl Needham and Mary Ingram kept their forwards under control most of the evening.

High point player for Wellington in the girls game for Wellington was Mary Lou Holton and Terry Deck led with 19 for Shamrock.

Coach James Stavenhagen said both teams did not play up to their possibilities but said he hoped they would improve with more practice after the holidays.

Mrs. Sexton

—from page one

25, 1883. She and Mr. Sexton were married December 28, 1902 at McKinney.

Funeral services were conducted at the Church of Christ at 2 p. m. Wednesday, January 3, with Minister Van Bonneau officiating, assisted by Minister Claude Walkup of Gould. Burial was in Westview Cemetery north of Hollis under the direction of Coley Funeral Home.

Pall bearers were Walter Randall, Floyd Teutsch, Howard Hunt, Roy Ginn, Virgil Sommers and Archie Ketchersid.

Mrs. Sexton is survived by her husband, J. T. Sexton of Dodson; three daughters and three sons: Mrs. Eula McCarver of Gould; Miss Lena Sexton, Miss Marie Sexton and Weldon Sexton of Dodson; W. C. Sexton of Hollis and Granville Sexton of Oklahoma City. There are 27 grandchildren and 46 great grandchildren.

Altus Defeats WHS Players

Altus, Oklahoma boys and girls basketball teams defeated the Wellington Skyrockets and Rockettes at Altus on December 29.

The Rockettes lost their game, 42-35. High point girl for Wellington was Mary Lou Holton with 16. High point girl for Altus was Jan Martin with 19.

Coach James Stavenhagen said that he felt the Rockettes need to get loosened up after the holidays.

Altus won the boys game, 58-56. It was a close game the entire game until the last four minutes when Altus got a three point lead and ran a stall pattern in which the Skyrockets were never able to break the pattern.

High point boy for Wellington was Andy Henard with 25. Ted Caraway of Altus had 18.
