Number 21

C. of C. Banquet Plans Complete

Plans for the annual Tahoka Chamber of Commerce Farmer-Businessman banquet on March 11 were completed at a meeting of the C-C board of directors Friday night.

Louie Throgmorton of Republic Life of Dallas, one of the most popular speakers in the Southwest, will be the principal speaker.

Clint Walker will be master of ceremonies, and the program will be streamlined to a minimum of program numbers in addition to the principal talk.

The Soil Conservation District "conservation farmer of the year" will be recognized.

Members of the arrangements and decorations committee are: A. M. Bray, H. B. McCord Jr., Johnny Reasonover, A. C. Verner, Wilton Payne, Mrs. H. W. Carter, Mrs. Calloway Huffaker, and Mrs. E. R. Edwards.

Members of the food committee are: E. R. Edwards, Harold Green, and C. W. Roberts.

Welcoming committee members are: Alton Cain, A. C. Verner, and A. M. Bray.

Eight new directors elected or re-elected by members on a recent vote by mail were: E. L. Short, Charles Townes, W. T. Kidwell, Frank Hill, A. M. Bray, Chas. Verner, Johnny Reasonover, and Mitchell Williams.

Holdover directors are: Jack Jaquess, the outgoing president; Wilton Payne, H. B. McCord Jr., Clint Walker, E. R. Edwards, Harold Green, Ray Adams, C. W. Roberts, and Herman Renfro.

The new president will be elected by the old and new board members and will be announced at the banquet.

Only 280 tickets will be available for the banquet. These may be obtained from Dean Taylor, C. of C. secretary, at Pioneer Natural Gas Co.

Local Youths On 4-H Council

Lester Ford of Tahoka and Mar-cheta Wood of O'Donnell will serve as representatives from District II 4-H Club on the State council and will meet with that group in August.

Ford, who is chairman of the District II Council and presided over its first meeting Saturday, is automatically a representative to the state governing body. Miss Wood was chosen to represent the 4-H Club for girls in the district. Linda Payton of Garza county is alternate.

The two were named at the District Council meeting Saturday held at the City-County Health Unit meeting room when 35 councilors attended from 20 counties. This was the first meeting of its kind, since the council has only been formed recently to replace the district committee. Each of the 20 counties has two representatives at district level, and those from Lynn are Miss Wood and Lyndell Askew of Route 3, O'Donnell, other than Chairman Ford.

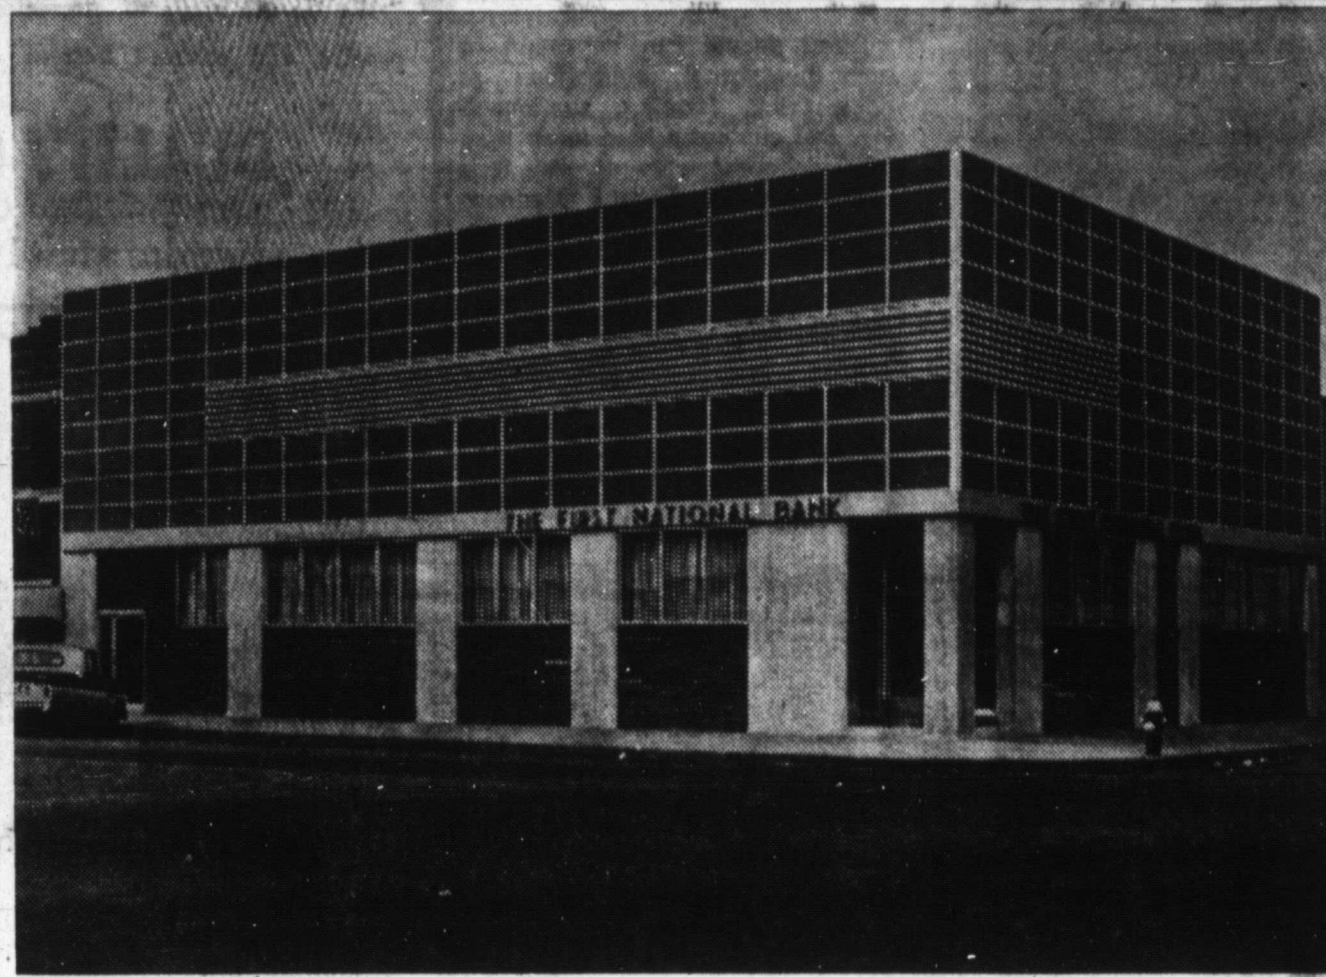

In other business Saturday the council went over and adopted the proposed council rules. The District group will meet again in December.

Also attending the meeting was Home Demonstration Agent Connie Anderson.

Teacher Is Burned In School Accident

Robin Vaught, Tahoka High School chemistry teacher received second degree burns on his hands and a slight burn on his face when he was cleaning the school lab Tuesday. A burner which Vaught did not know was still burning, ignited fumes from sulphur and zinc powder causing them to explode. He was taken to Tahoka Hospital, where he remained overnight for treatment.

"NEW LOOK" AT FIRST NATIONAL—Remodeling of Tahoka's First National Bank has been completed, making the building one of the most attractive in the area. In the remodeling job, done at a cost of more than \$25,000, the outside has been completely finished, the interior redecorated, and new drapery hung. (Photo by Finney)

113 Animals Shown By FFA, 4-H Boys

There were 101 hogs and 12 calves shown in the Tahoka FFA and 4-H community livestock show held Saturday at the farm west of town, sponsored by Vocational Agriculture teachers V. P. Carter and Lester Adams and County Agent Bill Griffin.

Champion steer was shown by Jack Wood, a heavyweight Hereford, and he was awarded a trophy donated by Mr. Griffin.

Tony Spruiell showed the grand champion barrow, a heavyweight Duroc, and his trophy was given by Mr. Adams. Fred Martin showed the reserve champion barrow, a Poland China.

Jerry Pewsorth had the champion gilt, a Duroc. Ribbons were given place winners.

County Agent Lewis Herron of Post judged the steers; and Bobby Lee, vocational agriculture teacher at Wilson, judged the hogs. Books were kept and trophies were presented by Miss Jackie Alexander, FFA sweetheart, and Miss Gail Phillips, outgoing district 4-H club co-chairman.

Following were the winners in the various classes:

Hereford Steers
Lightweight: 1 and 2, Lester Ford; 3, Billy Davis; 4 and 5, Marlin Milliken; 6, John F. Thomas; 7, Perry Flippin.

Heavyweight: 1 and champion, Jack Wood; 2, Rex Hamilton; 3, Billy Davis; 4, Dean Hamilton; 5, Perry Flippin.

Open Gilt
Lightweight: 1 and 3, Jerry Pewsorth; 2, Phil Adams; 4, Johnny Rogers; 5, Gary Grogan; Lexi Adams.

Heavyweight: 1, 3 and 4, Billy Davis; 2, Mike Taylor; 5, Jerry

O'Donnell Show This Week End

O'Donnell FFA and 4-H Club stock show will be held today and Saturday, and is expected to be one of the largest ever staged there.

Entries will be admitted this evening at the show barn and showing will be held Saturday.

General Superintendent of the show is Ken Pearson and the assistant is Shag Garrett. Division superintendents include Harold Mire, swine; Jerrell Barton, calf; and Arlys Askew, sheep.

A drive for premiums had been curtailed because of bad weather and those wishing to contribute to the show may contact Deen Davis at the O'Donnell bank.

Two Names Filed For School Trustee

Names of two men had been filed for school trustees in the Tahoka district Wednesday morning, these being Maurice Huffaker, current president of the board, and Olin Renfro, who would succeed W. W. Young.

Names of candidates must be filed by March 1, according to state law.

Holdover members of the board are Clint Sikes, Wilton Payne, Earl Terry, H. W. (Sam) Edwards, and Clint Walker.

Mrs. Rhudy, 83, Dies At Wilson

Mrs. Nannie Elizabeth Rhudy, 83, of Wilson, died at the home of her daughter, Mrs. J. W. Parker, Monday afternoon following an illness of about six years.

Funeral services were held Wednesday at 3:00 p. m. at the Wilson Baptist Church with Rev. H. F. Scott, pastor, officiating. Burial was in Wilson Cemetery.

Mrs. Rhudy came to Lynn county in 1941 from East Texas and had lived at Wilson since that time. She was a native of Tennessee.

Survivors include three daughters, Mrs. Parker of Wilson, Mrs. I. W. Clark of Pine City, Okla., and Mrs. J. R. Taylor of Dallas; three sons, B. H. Rhudy of San Antonio, C. W. Rhudy of Trenton, and D. A. Rhudy of Sherman; 27 grandchildren and several great grandchildren.

BIG STATE BASEBALL MEETING WEDNESDAY

Mr. Corrigan, owner and operator of the Big State Baseball School near Meridan, will be in Tahoka on Wednesday night, March 1, at 7:30 p. m. at the City-Legion Building.

He will show films of the 1960 World Series and also one on "Happy Summer Evening."

Sandwiches and cold drinks will be served.

All boys age 8 to 18 years interested in attending the Big State School, are urged to attend.

HAS OPERATION

Mrs. Irvin (Era) Stewart underwent surgery for removal of the gallbladder Monday in Methodist Hospital at Lubbock. She was reported resting fairly well Wednesday.

BOYCE EVANS

JAMES W. CARRAWAY

Sweet Street To Hold Revival

Revival services at Sweet Street Baptist Church will begin Sunday, February 26, and continue through the following week according to Rev. Joe Webb, pastor.

Services will be held twice daily, 10:00 a. m. and 7:30 p. m., Monday through Saturday. Prayer meetings will be conducted each evening at 7:00 preceding the worship services.

Evangelist for the series of meetings will be Boyce Evans, a native of Lynn county. His wife is the daughter of Mr. and Mrs. H. O. Hargett of Tahoka. He has been pastor of the Bellview Baptist Church of Midland. He built a great church there and among his many duties was also chosen and served as chaplain of the police department. Last year he surrendered his life of full time evangelism and has held many revivals in this area.

Directing music will be James W. Carraway, known as "the singing engineer" from Colorado City. He acquired the name, "The Singing Engineer" because of his service as a locomotive engineer for a number of years. He has presented a program entitled "Sacred

(Cont'd. on Back Page)

Monday's Snow Adds More Moisture To Saturated Soil

Contract Is Let On FM 211 Road

Contract for rebuilding of Farm Road 212 in eastern Lynn county was let Monday in Austin by the State Highway Department to Henry L. Stafford of Lubbock, the low bidder at \$83,125.00.

This is the paving taken over by the State extending north from US 380 at Central Church to Gordon and to intersect with FM 211 east of Wilson.

This road was originally built by the county under a bond issue, and now the State is rebuilding and improving the paving.

Student Council Elects Officers

The student body of Tahoka High School elected officers for the Student Council to serve during the 1961-62 school term Thursday, February 16.

Perry Flippin, who will be a senior, and the son of Mr. and Mrs. Welch Flippin, was elected president after a close race with Craig Leslie and Fred Hegi.

Campaign speeches were made for all candidates and votes were cast Thursday.

Craig Leslie, son of Mr. and Mrs. Meldon Leslie defeated Hegi and Jerry Forsythe in a runoff for the vice presidency. Leslie will be a junior. Sarah Wells, also to be a junior, and daughter of Mr. and Mrs. Geo. Claude Wells, won over Sue Walker and Dianne Falls in a close race for secretary. Tony Spruiell, also a future junior and son of Mr. and Mrs. Clyde Spruiell, topped Billy Davis and Frances Willhoit in the parliamentary's race. Larry Price, son of Mr. and Mrs. J. C. Womack, won over Donna Copelin and Elayne Buchanan for the reporter's berth. He will also be a junior.

This outstanding slate of officers promise an active future year. They will attend the Texas Association of Student Councils Convention at Odessa in March.

Assembly of God Holding Revival

Revival services are still under way at the Tahoka Assembly of God Church on Lockwood St., states Rev. H. C. Lonis, pastor.

A powerful ministry continues on such subjects as: Do men have power to heal? How to receive your healing; startling signs of the end of time; and demonology, etc.

Evangelists for the meeting are John and Elsie McAteer of Portland, Ore. Great inspirational singing is directed by Rev. McAteer, a national song director and a native of Belfast, Ireland.

Services are held each evening at 7:30 o'clock, except Monday and Saturday, rest nights.

People of all faiths are welcome to hear the McAteers.

MR. SLATON IMPROVING

Mrs. W. B. Slaton reported Wednesday that her husband, a patient in a Lubbock hospital for several days, is some improved. She expects to bring him home soon.

BAND BOOSTERS

Tahoka Band Boosters will meet Thursday, March 2, at 4:00 p. m. at the Band Hall, according to Mrs. Perry Walker, president. All band mothers are urged to attend.

Edgar Roberts is a patient in Tahoka Hospital where he was admitted Sunday.

Mrs. Ruth Halford of New Home was admitted to the hospital Sunday as a medical patient.

WADE HOWELL

Engineers Honor Wade Howell

Permian Basin Engineers climaxed their annual meeting Friday night in the Scharbauer Hotel in Midland by naming an Odessa man, Wade Howell, as the Basin's "Engineer of the Year." Howell, chief engineer of the Odessa consulting firm of Kenneth E. Esmond & Associates, was honored by the Permian Basin Chapter of the Texas Society of Professional Engineers when he was awarded a large bronze plaque "In recognition of his services and professional achievement." He resides at 3214 Blossom Lane with his wife, Kathryn, and three children, Sam, 10, Susan, 7, and Sarah, 4.

The annual banquet, held to

(Cont'd. on Back Page)

Candidates File For City Offices

Three names have been filed here for the positions of Mayor and two councilmen at City Hall for the April 4 election of as many places on the City Council, according to City Secretary J. M. Uzzle.

The name of Meldon Leslie has been filed for mayor. H. B. McCord, Sr. who has served as mayor for two terms, does not choose to run again. The terms of two councilmen also expire and the names of James F. (Sonny) Roberts and J. R. Autry have been submitted to succeed Dr. Skiles Thomas and Meldon Leslie.

Deadline for filing is March 4, Uzzle said.

Holdover members of the Council are Ronald Sherrill, W. T. Kidwell, and Winston Wharton.

Wilmer Smith Is Honored At Houston

Wilmer Smith of New Home recently was selected as "Cooperator of the Year" by the 10th District Farm Credit Bank for Cooperatives at a meeting in Houston.

The presentation was made by Horace Smith, president of the Producers Grain Association, Miami, Texas. Along with the honor Smith received a 27 jewel Elgin automatic wrist watch fittingly inscribed on the back case.

Among many other high offices, Mr. Smith is a director of the Central Bank for Cooperatives, Washington, D. C.

VERNON DAVIS IMPROVES

Vernon Davis, who had a mild heart "flare-up" Tuesday morning, was reported Thursday morning to be doing well at Tahoka Hospital, where he has been a patient.

Tahoka received an estimated six inches of snow which put .70 of moisture in the rain gauge Monday as other parts of the Plains received up to 20 inches of snow.

The fall here began as mist, turned to sleet, and then to snow, with much of the latter melting as it fell.

The western and northwestern parts of Lynn county received more snow than Tahoka, as did parts of the northern area of the county.

The snow at Lubbock was reported as one of the biggest on record, as was the case in Gaines, Terry, and Hockley counties. Plains reported more than 20 inches. Brownfield nine to 12, and Seagraves 10 inches or more.

Monday's snow brought Tahoka's snowfall for the winter to 27 inches, a record here since U. S. Weather Bureau records were started in 1913.

This brought the 1961 moisture in Tahoka to a total of 2.25 inches as compared to a normal of 1.29 inches for January and February.

Since October 1, Tahoka has received a total of 9.64 inches of precipitation to put as fine an underground season in the soil as is possible. With some planting showers later in the spring and some rains in July and August, this could be a big crop year, but August is usually the critical month in this section.

Duane Howell, farm editor of the Lubbock Avalanche, reported in his column Tuesday that Lubbock had recorded 9.20 inches in the period since October 1.

Tahoka recorded 5.72 inches in October, none in November, 1.67 from the December snows, 1.55 inches in January and the .70 in February. During the winter of 1959-1960 for the same period the moisture was 6.67 inches.

This is not a record here. In the winter 1913-1914, Tahoka received 13.23 inches for the same period. In the winter 1914-1915, the fall totaled 11.48. In the winter 1931-1932, precipitation totaled 10.23 inches. In 1941-1941, it was 9.53 inches. Highest winter precipitation during later seasons prior to this year was in 1959-1960 when 6.67 inches was recorded in these months.

Mrs. C. D. Morrel Is Death Victim

Funeral services for Mrs. C. D. Morrel, 69, of Post, mother of Mrs. Winston Wharton, were held Thursday at 2:00 p. m. in the First Presbyterian Church in Post with Rev. Ed Herring officiating.

Burial was in Terrace Cemetery in Post.

Mrs. Morrel died Monday night in Dallas as a result of a heart failure. She was visiting in the home of a sister after she and Mr. Morrel had attended the funeral services for his mother, Mrs. Lomax, 93, only a few days before in Denton.

Well known in Tahoka and this area, Mrs. Morrel had lived in Post since 1910. She was born in Farmersville on May 3, 1891 and was married to Doug Morrel Dec. 21, 1910 in Post. Mr. Morrel retired several years ago as business manager of the U. S. Ranch.

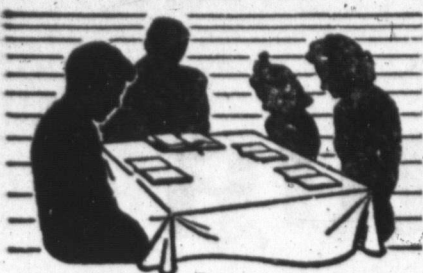

Mrs. Morrel was a long time member of the Presbyterian Church.

Survivors include her husband; one daughter, Mrs. Winston Wharton of Tahoka; one grand daughter, Ann Wharton of Tahoka; four sisters, Mrs. Kate Thomas of Throckmorton, Mrs. W. E. Clendenning of Dallas, Mrs. C. C. Sibley of Dallas, and Miss Nita Shepherd of Kerrville.

Homer Young of Wilson was a patient in Tahoka Hospital from Monday until Wednesday of this week.

Pythian Sisters Will Buy Piano

Pythian Sisters Lynn Temple No. 45 met Tuesday night, Feb. 21, at 7:30 p. m. in the W. O. W. Hall with Most Excellent Chief Bertha Williams presiding.

Plans were completed for the purchase of a new piano for the W. O. W. Hall. A bake sale will be held on March 11 from which funds will go on the project.

Several members are making plans to attend a district meeting at Midland on March 25.

Fourteen members attended the Tuesday night session when Mmes. Corene Cathcart, Emma Halamick, Eloise Chamblee and Blanche Burroughs served as hostesses.

Junior 4-H Boys Elect Officers

The Tahoka Junior 4-H Club met recently for the purpose of electing officers.

Officers include: Chris Roberts, president; Billy Applewhite, vice president; Gregg Thomas, secretary; and Charlie Brown, reporter.

Blind people today are found in more than 7,000 types of jobs, the American Foundation for the Blind reports.

As we entered the church, he looked up toward the ceiling and said, "I worked here as a carpenter when this church was built. Because I hated the church then and didn't like seeing this building constructed, I said more curses than there are nails in this building."

He was truly converted and born again. From being a denier and persecutor, he became a faithful and conscientious member of the church. As long as he lived, he remained a devout Christian, rejoicing in the Lord and always willing to serve Him.

PRAYER: Lord Jesus, Thou canst convert a persecutor and make of him a follower. Reveal to day Thy power to change the hearts and minds of those who these days go astray. Grant us courage to witness to Thee and to guide others to find in Thee forgiveness of their sins. In Thy blessed name we pray. Amen.

THOUGHT FOR THE DAY—Christ can change the sinner of today into the saint of tomorrow.—Carl Thunstorm (Sweden).

MISS BETTY RAMSOUR

Lubbock District Baptists Approve Integration Move In Church Colleges

At a meeting of the Lubbock Baptist Association held at the First Baptist Church in Tahoka Monday, the group approved unanimously a resolution advocating admission to all Texas Baptist-supported colleges of "qualified students of all races."

This association is the third Baptist Association in Texas to advocate integration of the colleges supported by the church, and represents about 20,000 members in 67 churches near and around Lubbock.

Rev. C. B. Hogue, president of the Plains Baptist Assembly, of which the Lubbock Association is a part, and pastor of the First Baptist Church in Post, submitted the resolution to the group attending.

The other two groups to advocate such a move are the Waco and Houston associations.

The group also appointed a committee to re-study missionary needs in missionary work in this area, because of the excessive increase in population in the area served by this association.

The resolution adopted by about 150 persons stated that the association is in favor of admitting "qualified students of all races" to Texas Baptist-supported colleges "because of the interest of missions around the world, and from a Christian attitude toward all peoples of all races and creeds."

Miss Ramsour Will Marry In Spring

The Rev. and Mrs. Lee Ramsour of Athens, Texas, announce the approaching marriage of their daughter, Betty Marcelyn, to Lt. Jerrell Stokes Reed, son of Mr. and Mrs. J. S. Reed of Athens.

A spring wedding is planned by the couple to take place in the First Baptist Church of Athens of which the bride-elect's father is pastor.

Miss Ramsour is a senior in Baylor University, Waco.

Rev. Ramsour is a former pastor of Tahoka First Baptist Church.

Blind people can be found in such diversified occupations as engineering, farming, auctioneering, and currently hold more than 7,000 different types of jobs, it is reported in the current "Manpower" radio series produced by the American Foundation for the Blind.

Blind workers are frequently found in highly skilled occupations as evidenced by the "Manpower" radio series produced by the American Foundation for the Blind and featuring actual interviews with an auto mechanic in Massachusetts and a telephone repair man from Washington, D. C.

University of Texas Permanent Fund received \$18,524,193 in petroleum lease rentals, bonuses, and royalty in 1960.

MISS FREDY ELSWOOD B RIGGS (nee Dixie Hewlett)

Miss Dixie Hewlett Married Saturday In Church Ceremony Held In Wilson

Miss Dixie Hewlett became the bride of Fredy Elwood Briggs at 10:00 a. m. Saturday in the Wilson First Baptist Church when the Rev. H. F. Scott read the double ring ceremony.

Parents of the couple are Mr. and Mrs. Harry Hewlett Wilson, and Mr. and Mrs. Fred Briggs, 2702 27th street, Lubbock.

Given in marriage by her father, the bride chose a gown of damask cotton fashioned with a fitted bodice, scoop neckline and three quarter length sleeves. The street-length skirt was accented with pleats to emphasize its fullness. A shoulder length veil of imported French silk illusion cascaded from a tiara of pearls and iridescent sequins. She carried a bouquet of white carnations and a white Bible.

Miss Neita Hewlett attended her sister as maid of honor. She wore a dress of woodrose cotton satin made along the same lines as the bridal gown. She carried a bouquet of split white carnations nestled in white net and ribbon.

Wedding music was provided by Mrs. Evelyn Nelson, organist, and Mrs. Don Boggus, soloist.

James Box of Lubbock was best man. Guests were seated by Bruce Hewlett and Harry Hewlett, brother of the bride.

A reception in the home of the bride's parents followed the ceremony. Assisting with hospitality were Mmes. Judson Hewlett, Claude Coleman, Joe Cookston, Cecil Cookston, Jerry Steen, sister of the bride, and Misses Hazel Rhea Cookston, Reba Gail Cookston and Jeannie Hewlett, sister of the

Garden Club In Meeting Tuesday

Tahoka Garden Club met Tuesday, Feb. 21, in the home of Mrs. Hubert Tankersley when 16 members attended and heard a program on "Espalier" and "The Art of Selecting the Right Plant for the Right Place."

Presenting the two topics were Mrs. Garland Pennington and Mrs. Natt Park, respectively.

A film entitled "Petunias Unlimited" arranged by Mrs. Emil Prohl was shown the group by Mrs. Skiles Thomas.

In addition, horizontal arrangements were explained to the group by Mrs. E. R. Edwards, Mrs. G. H. Hines and Mrs. L. C. Haney.

The club will have its next meeting in the home of Mrs. J. A. Robinson March 21 at 3:30 p. m.

WSCS Has Last Of Study Series

Eleven ladies met at Tahoka Methodist Church Monday for the last session of the study, "Heritage and Horizons" in home missions, which was presented this week by Miss Lois Montgomery, teacher in the local schools.

James Mischner's book, "Hawaii," which tells of the first missionaries to the islands, was also included in the program.

Mrs. E. R. Edwards presented the devotional and Mrs. Earl Tunnell acted as hostess.

Action of the home missions study was to enable the local organization and clubs who are undertaking the project of improving conditions in Tahoka, including the homes of the Mexican people.

Next Monday the Faith Circle will meet at 9:30 a. m. in the home of Mrs. Skiles Thomas, Mrs. E. R. Edwards will be hostess to the Margaret Circle which will meet at her home at 3:15 p. m.

Wesleyan Guild Observing Lent

Beginning today, the Wesleyan Service Guild of the First Methodist Church will hold a series of prayer groups to continue through the Lenten season.

The morning group will meet this morning at 9:30 a. m. in the home of Mrs. Jake Jacobs and will meet each week at the same hour and time in various members' homes. A time and place will be announced later for the afternoon group, of which Mrs. Pete Hegi will be in charge.

The prayer groups were started several years ago. Various concerns and questions about religion and the Bible are discussed by those participating. Anyone interested is invited to attend.

Thursday night of last week the Guild met in Fellowship Hall of the church for the third session of the study "Into All the World Together" being conducted by Mrs. Roscoe Treadway. Mrs. Larry Hagood presented the program and Mrs. Elmer Owens the devotional. The final session will be held Thursday, March 2, at 7:30 p. m.

When washing fine crystal and china, place a folded towel in the bottom of the dish pan. This will prevent chipping.

So you can tell which cotton dress shirts have French cuffs without unfolding them, put an indelible ink dot on the collarbands.

bride.

For traveling Mrs. Briggs chose a red wool sheath with black accessories.

The bride is employed as a home-making teacher at Monterey High School in Lubbock and her husband is employed by General Electric Credit Coop. in Lubbock. She received a bachelor of science degree in home economics at Texas Tech in January. She is a graduate of Wilson High School and attended Hardin-Simmons University.

Her husband who is a member of Phi Delta Theta fraternity, graduated from Tech in 1960 with a bachelor of business administration degree in marketing and management. He is a graduate of Littlefield High School.

MR. AND MRS. A. C. AYCOX (Photo by Finney)

Fiftieth Wedding Anniversary Observed By Mr. and Mrs. A. C. Aycox Sunday

Mr. and Mrs. A. C. Aycox celebrated their 50th wedding anniversary last Sunday when close friends and relatives attended the observance in the home of a daughter, Mrs. A. N. Norman, Jr.

The couple was married Feb. 8, 1911 at Criner, Okla. near their home town of Payne. They were honored with the observance by Mrs. Norman and their other daughter Mrs. Meldon Leslie, both of Tahoka.

Mrs. Aycox, the daughter of the late Mr. and Mrs. J. H. Cobb, was born in Cook County, Texas. She moved to Oklahoma with her parents in 1902. Mr. Aycox was born in Indian territory, or what was known as Old Oklahoma before obtaining statehood, and grew up near Pauls Valley, Okla. before moving to Payne where the couple met.

In 1923 Mr. and Mrs. Aycox came to Lynn county from New Mexico and began farming, a vocation he has followed all his adult life. In 1927 they moved to the farm and ranch about six miles north of Tahoka which they later bought and where they still live. In addition to farming, Mr. Aycox has ranch land where he raises stock and is still active in both operations.

The couple have two children and two grandchildren, Jim Norman and Craig Leslie.

At the Golden anniversary observance Sunday afternoon, the serving table was covered with an off-white cutwork cloth centered with an arrangement of jonquils and yellow roses in a white spode container. Coffee was served from a white china service and punch from a milk glass punch bowl.

They were presented a complete set of white china trimmed with gold by their family.

Out of town relatives attending were Mrs. J. R. McAtee of Henry, Okla. and Mrs. Lorene Edwards of Midland.

New '61 Chevy with Jet-smooth ride!

Impala 4-Door Sedan—Jet-smooth traveler that rivals the luxury cars in everything but price

The '61 Chevy loves to go because it goes so well. Purrs along pavements like a happy tabby. Takes rough roads in stride and all roads in style.

Just why does a Jet-smooth Chevy treat riders as royally as the high-priced luxury cars? It all came about through a delightful blend of Full Coil suspension, precision-balanced wheels, unique chassis cushioning, and a superb Body by Fisher insulated to hush away road sounds. All this adds

up to less sway, less bounce, less dip, less dive, less tilt, less noise, less... well you name it.

Now combine this Jet-smooth ride with conveniences to pamper you and roominess to relax in. Add a full measure of quiet good looks. Voilà, you've got Chevy's formula.

And the proof is in the riding. When you sample a Jet-smooth Chevy at your Chevrolet dealer's we think you'll find it just to your taste.

See the new Chevrolet cars, Chevy Corvairs and the new Corvette at your local authorized Chevrolet dealer's

Bulldogs Second In District Play

The Tahoka Bulldogs finished their season for 1960-61 with a record of 14 wins and 11 defeats, six of the victories and two losses in district play.

According to statistics announced by Coach Jake Jacobs, the Bulldogs scored 1162 points compared to 1007 points scored by opponents. The team won second in district, second in the Tahoka tournament, won the Lynn county championship trophy, and the Slaton tournament consolation trophy.

In individual action, Frank Greathouse had the highest field goal shooting percentage with 48 percent and Andy Bray claimed the highest free shot shooting with 65 percent. Greathouse was the leading scorer making an average of 20.6 points per game.

Following are the number of points and rebounds tallied by the individual team members, all of which will be back on the varsity team next year except Greathouse and Douglas McClellan, who are seniors:

Players	Points	Rebounds
Frank Greathouse	412	344
Perry Flippin	170	165
Billy Clinton	163	56
Andy Bray	138	67
Fred Hegi	135	46
Craig Leslie	83	151
Doug McClellan	82	81
Steve Ellis	25	16
Tony Spruiell	24	18
Jerry Forsythe	20	19
Billy Wallace	11	7

Juniors Win One of Four At Slaton

Tahoka won only one out of four junior basketball games at Slaton Monday night, closing out the season for this year. The seventh grade boys won 24-19 for the lone victory, but the eighth grade boys were unable to defeat the Tigers, who emerged the district junior champions after winning both the district tournament and the round robin schedule.

The seventh graders were paced by Larry Jolly who made nine points and Frankie Stanley and Stanley Renfro with seven each in their win.

Jose Cervantes made 13 points and Eddie Howard five for the eighth grade team when it dropped the game 41-30.

The seventh grade girls lost by a score of 22-13 when Joy Thomas made eight points and Mary Ellen Wyatt three for Tahoka.

Janie Florence and Carla Mc-

Juniors Place In Post Games

After two unsuccessful tries in the finals of the Post junior basketball tournament there last week end, Tahoka eighth and freshman boys teams both won second places while the freshman girls captured the consolation berth.

Post defeated the local eighth grade boys 37-12 in a game that saw everything turn out wrong for the Tahoka team even though Tahoka had defeated Post twice in district play. Eddie Howard and Terry Harvick made 5 and 4 points each for the losers.

Floydada defeated the Freshman boys 46-27 in the finals and although the Tahoka team has shown much improvement the past two weeks were unable to overcome the Whirlwinds. Billy Miller made eight points and Allen Cox and Macky McWhirter seven each for Tahoka.

The Freshmen girls turned the tide by beating Floydada 29-28 in the consolation finals in a tight game from beginning to end. Louella Tomlinson made 14, Linda Thomas nine, and Montie McGinty six for the winners. El Wanda Tekell was outstanding on defense in both the Floydada game and the opener.

Opening games saw the eighth grade boys take Floydada 32-23 with Jose Cervantes making 15 for Tahoka and Eddie Howard 5. All 15 boys on the squad saw action. Outstanding defense was displayed along with good shooting from several boys.

The freshman boys took their opener 25-24 over Idalou in a close battle with Gary Grogan hitting for six points and Allen Cox and Billy Miller five each.

Before winning consolation, the freshman girls dropped their first game with Idalou 38-18, the losers having a low shooting percentage. Louella Tomlinson made 13 points and Linda Thomas added five more.

Unable to find their range on the basket the eighth grade girls took two defeats in the tournament.

Floydada won the first battle 14-4 while Post won the second game 17-7. Although the forwards had bad luck, guards played good defensive ball in both games.

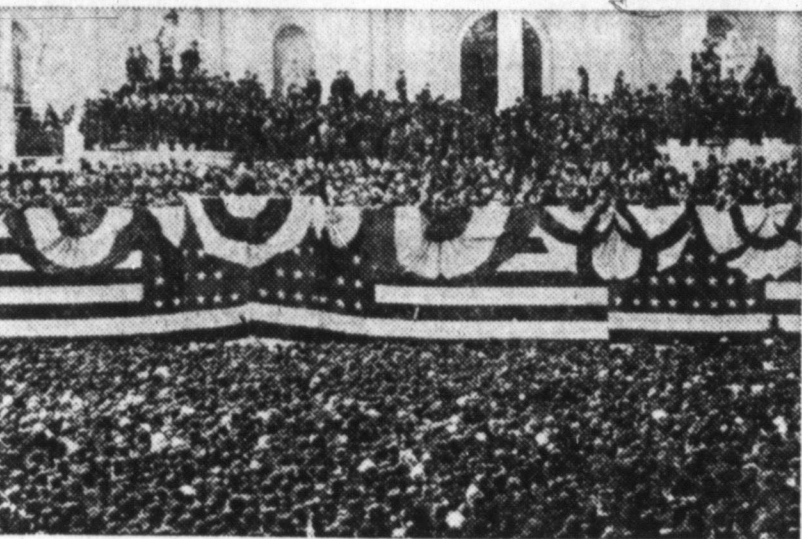

Neely made eight points and six points, respectively, when the eighth grade girls lost their game to Slaton in the tightest battle of the evening, 17-16.

Three out of every 10 gallons of U. S. major oil products are made in Texas refineries.

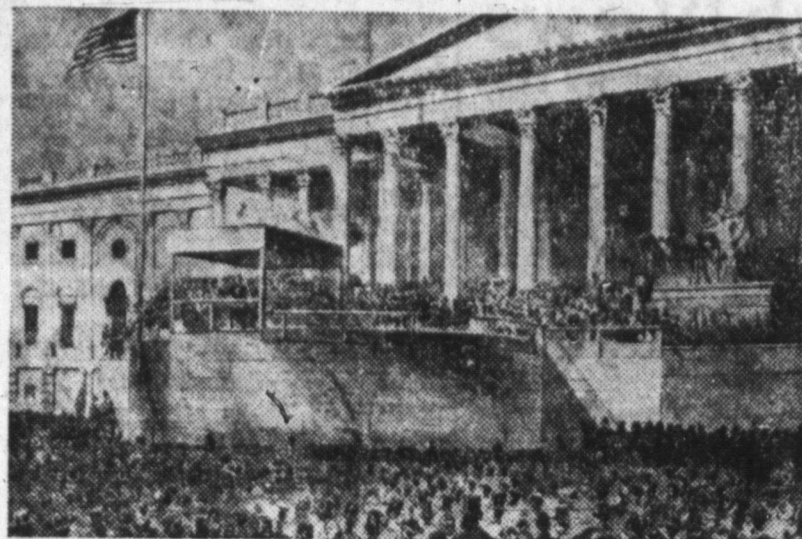

Scenes from Past Inaugurations ...

WASHINGTON'S INAUGURAL address delivered in April 1789 in the Old City Hall of New York City, then the nation's capital, served as a model for future inaugural addresses and embodied the Virginia-general's recommendations to the young nation.

A TIGHTLY PACKED THrong sees the first Inauguration of President Grover Cleveland in March 4, 1885. Cleveland is considered both the 22nd and 24th president of the United States, having served terms from 1885-1889 and 1893-1897.

LINCOLN'S INAUGURATION in the tension-filled days of March 1861 was a dramatic moment for the United States. This on-the-spot drawing of the crowds cheering Lincoln on March 4, the Inauguration day, records the feeling of the times.

THE WASHINGTON OF THE "NEW FREEDOM": A scene from President Woodrow Wilson's Inauguration. Wilson's administration saw America's victorious participation in the "Great War" and an endeavor to acquaint the United States with a League of Nations.

Loans Available For Farm Homes

An additional \$50 million has been made available to the Farmers Home Administration for farm homes. The agency's county supervisor announced today.

He said that the new loan funds assure an adequate supply of this type of credit for eligible farm families during the balance of the fiscal year. Loans made so far this year plus those being processed had practically exhausted the funds previously available.

Farm housing loans are made throughout the rural areas of the United States. The loans provide farm families with an opportunity to acquire an adequate house and efficient service buildings.

Applications for farm housing loans may be made at the local office of the Farmers Home Administration, Mr. Walker said. The loans bear 4 percent interest and are repayable over periods up to 33 years.

The major demand in Lynn County is for loans to construct and modernize farm houses, and most of the funds are used for new construction.

Improvements financed with the loans include the installation of central heating, and pressure water supply systems, the addition

of bathrooms and the modernization of kitchen.

To be eligible a farmer must own a farm that will annually produce for sale or home use at least \$400 worth of commodities based on 1944 prices and be of sufficient value to adequately secure the loan. In addition, he must have the resources needed to obtain credit elsewhere and have sufficient income to pay farm

penses and meet payments when operating and family living expense on his debts.

John Gifford of Spencer, Iowa, is cited by the American Foundation for the Blind's "Manpower" radio series as a fine example of independent blind people. He tunes the pianos of all the schools and radio stations in his city and many others over a ten county area as well.

Letters From News Readers—

(The News welcomes letters from its readers on any current subject, not libelous, of course. All communications must be of reasonable length and must be signed. On request, the signature will not be printed. The Editor.)

Citizens of Tahoka:

If you people who live on paved streets have not been including that fact on your list of blessings you count each day, you should start. It is a blessing, you know, because why should your street be paved when another isn't?

Just how long has it been since you tax-paying citizens, mayor, or City councilmen have driven down some of the streets in the south part of town? After a rain or some of this snow we've been having lately, you are missing an experience.

Summon a great amount of courage and try it. Believe me it takes courage for I live over there.

—An Irritant Citizen (Name withheld by request).

The state's farms and ranches will hum with activity once weather conditions become favorable for outdoor activities. The Texas Farm and Ranch Safety Council passes on this reminder—"Don't forget your safety manners. They could save a life."

Grassland News

by Mrs. R. H. Hoover

The farmers sure took advantage of the warm weather we had. One could hear tractors from dawn till dark.

Mrs. C. A. Walker has been ill this past week.

Mr. and Mrs. Albert Howard and family moved here from Pittsburg last week. Mr. Howard will manage and work in a machine repair shop for E. L. Vaughn. The building is under construction at present. So glad to have a repair shop in our town.

Mr. and Mrs. L. S. Turner have been gone the past 10 days visiting Mrs. Turner's father and mother, the Lon Crawfords at Center. Then on to New Orleans to visit their daughter, June and family and enjoy the Mardi Gras.

Mrs. Ray Norman has been very ill but is much better now. Mr. and Mrs. E. B. Gregg visited her Wednesday night.

Jack and Mike Burk went to Lubbock to see the Harlem Globe Trotters play the last time they were there. Both boys are great ball fans.

Mrs. M. L. Thomas visited her daughter, Jimmy Lou Wilson and family at Abernathy from Friday until Sunday.

Mrs. C. M. Greer and Mrs. C. B. King visited with Mrs. C. C. Jones Thursday.

Mr. and Mrs. Carl Jones are building a lovely new three bedroom two bath home in west Post. Mrs. Jones tells me its about half finished. Their move will be a big loss to our community.

Mrs. J. M. Inklebarger visited Friday morning with Mrs. W. G. McCleskey.

Grassland churches are trying to organize singings again. The one Friday night at the Nazarene Church was well attended. Several from Post, were there.

E. A. Thomas and M. L. Thomas fished at Buchanan Lake last week.

Mr. and Mrs. C. L. McCleskey celebrated their wedding anniversary and his birthday with a party in their home Friday night.

Jerrie Lou Terry niece of Mrs. C. A. Walker, had the misfortune to break her leg last Sunday, Feb. 12. She is doing okay and is back home with her leg in a cast.

Mr. and Mrs. Claude Chapman and two children of Plainview visited Sunday in the L. B. Burk home.

The ladies of the Central Baptist Church have organized a W. M. U. to meet the first three Tuesday at 4:00 p. m. at the church and the fourth Tuesday in the homes. They also have Bible study

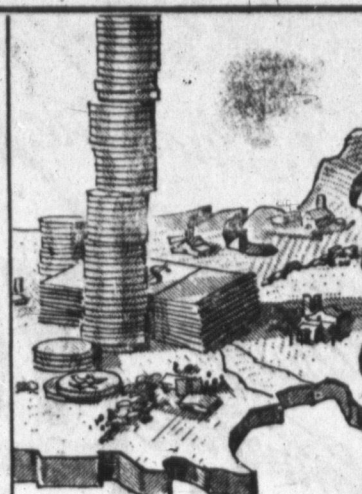

Farm Facts

Agriculture is big business. It is one of the nation's biggest businesses. Farm investment in the U.S. exceeds \$200 billion and it has been climbing steadily over the years.

The Agricultural Marketing Service of the U.S. Department of Agriculture points out that total assets of agriculture—value of land and buildings, machinery and motor vehicles, crop and livestock inventories, household equipment, and financial assets—increased from \$53 billion on January 1, 1940, to more than \$208 billion on January 1, 1960. This was almost a fourfold increase.

Approximately 30 per cent of the increase in total farm assets resulted from investment by farmers in the various types of farm capital assets, in excess of depreciation or depletion. The remaining 70 per cent represented capital gains to the owners.

The aggregate increase in value of farm assets from 1940 through 1959, net of farm investment, was \$109.6 billion, or an average of \$5.5 billion each year. Higher val-

Farm investment
in the U.S. exceeds
\$200 billion.

ues of farm real estate have been most important, accounting for about 80 per cent of all farm capital gains in the last 20 years. From 1952 to 1960 the value of farm real estate increased from \$96 billion to \$129.1 billion.

Wednesday night illustrated with picture slides.

Cordell Custer, son-in-law of Mr. and Mrs. Carl Jones, spent the week end with them recently. He is stationed temporarily in Amarillo. His wife, the former Dot Jones, is teaching in Little Rock, Ark.

Mrs. Emmet Ramsey went back to Methodist Hospital for a blood transfusion last week but we are glad to report she was able to come back to the home of her son, J. E. Ramsey.

Mr. and Mrs. Norris Workman and family have moved to Grassland from Frost. He is working for the Producers Gin Co. and living in the former home of Mrs. Lillian Roberts. We welcome them.

E. L. Vaughn has purchased the home of Mrs. Estell Roberts. Mrs. Roberts has moved to Post to live.

Mr. and Mrs. E. G. Gregg visited in Levelland Thursday with A. B. Norman and wife, coming home by Ropesville they visited Jess Gregg and family.

Gary McCrew, grandson of Mrs. J. M. Inklebarger, came by with his wife for a few days visit with relatives here on his way from Nashville, Tenn. to Santa Anna, Calif. where he will be stationed with the Marines.

Mrs. Donald Carpenter entered the West Texas Hospital Monday for surgery. We wish her a speedy recovery.

Miss Beulah Tew and mother visited with Mrs. Inklebarger Thursday.

Mrs. Modena Conrad and two children ate lunch with the Earl Greggs Sunday. Visiting in the afternoon were Mr. and Mrs. Tom Murray, Mr. and Mrs. W. G. McCleskey, and Mr. and Mrs. Gene Nunn, Jimmy and Danny of Abernathy.

Mr. and Mrs. L. B. Burk, Jack and Mike and Mrs. Eva Childs visited in Plainview Sunday with the Chapmans and with Mr. and Mrs. Mike Cross.

Mr. and Mrs. J. E. Thomas and Mr. and Mrs. Bob Norman left Sunday for a visit with their children in New Mexico. Mr. and Mrs. Norman are visiting Wanda and family.

QUESTIONS, PLEASE

QUESTION: "Is A Child Born In Sin?"

ANSWER: Our educational system was established with the thought in mind that we are born in sin. In learning the "ABC's" the children were required to learn certain sayings to support this doctrine. For "A" the saying was, "In Adam's fall, we sin all." There is an element of truth in this but it is not true that a baby is born in sin! No one could be any more pure and innocent than a baby. If little children are sinners then sinners will be in heaven. The Lord said, "Except ye be converted and become as little children ye shall in no wise enter into the kingdom of heaven." (Matt. 18:3). He said further, "... Suffer little children, and forbid them not, to come unto

me: for of such is the kingdom of heaven." (Matt. 19:14). Children can inherit the consequence of sin but never the guilt of another's sin. When God said, through Moses, "... visiting the iniquity of the fathers upon the children ..." (Ex. 20:5), we understand Him to mean the consequence of sin and not the guilt. If one gets drunk and strikes another with his automobile his guilt does not go to the person struck. The consequence of his sinful act does. "... the son shall not bear the iniquity of the father, neither shall the father bear the iniquity of the son ..." (Ezekiel 18:20). Each individual is responsible for his own deeds. We are thankful that a little baby can be born in the innocence that shrouds him.

You are invited to send your questions to: Bob Barnes, Box 812, Tahoka, Texas. You are also invited to attend all the services of the church of Christ.

How to save money before you get it

It's easy to spend money when it's in your pocket. And often you spend it for things you don't need. But thousands of Americans have found a way to save money before they get it: U. S. Savings Bonds, on the Payroll Savings Plan. All you do is ask your company to set aside a specific amount from each paycheck. From that moment on it's automatic, and you get the Bonds as they're paid for.

There's no easier way to save for the things you want. Why not join the Payroll Savings Plan today?

Some more advantages you might think about

You now get 3 1/2% interest, at maturity. This new rate, which went into effect June 1, 1959, makes your Bond money grow faster. Series E Bonds now mature 14 months earlier than before—in just 7 years, 9 months. Bonds bought before June 1, 1959 earn more, too—an extra 1/2% to maturity.

You can get your money, with interest, any time you want it. Bonds are a ready reserve that you can cash any time at any bank. But it pays to keep them.

Your money is guaranteed by the U. S. Government. Bonds are an absolutely riskless investment. The Government promises you that the cash value of your Bond will not drop—it can only grow.

Your money can't be lost or stolen. The Treasury will replace your Bonds, free, if anything happens to them.

You save more than money. You help save the peace. Every Bond you buy helps keep our Nation and our Nation's economy strong.

Here's how you can reach your savings goal with U. S. Savings Bonds in just 7 years, 9 months

If you want about	\$2,500	\$5,000	\$10,000
each week save	\$5.45	\$10.85	\$21.70

You save more than money with

U.S. Savings Bonds

Brotherhood Will Entertain Wives On Monday Night

The Brotherhood of the First Baptist Church will honor the ladies with their annual Ladies' Night Banquet at 7:30 Monday night, Feb. 27, at the school cafeteria. More than 200 are expected to attend. Tickets are being sold by Walthal Littlepage, Wes Owen, Borden Davis, and Terry Noble.

Rev. Clifford Harris, pastor of the South Fort Worth Baptist Church and former pastor of the First Baptist Church, Tahoka, will be the guest speaker. Robert Warren, Brotherhood president, will be master of ceremonies for the evening. Dinner music will be given by Miss Carol Jean Allen, and special music by a male quartet.

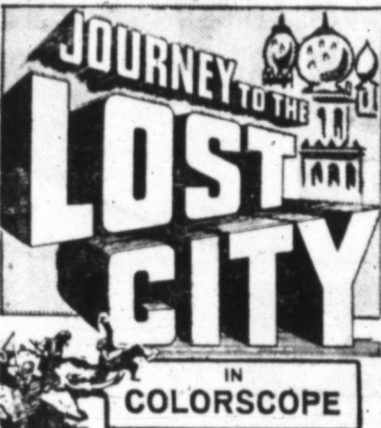

Those serving on the food committee are Troy Havins, chairman; Grady Lankford, Jimmy Huey, G. W. Grogan, Walthal Littlepage, Otis Hillhouse and Ed Hamilton. Decoration chairman is Mrs. Clyde Allen. Those on the program committee are Bill J. Choate, chairman; Robert Edwards, Robert Warren, and T. James Efrid, pastor.

A nursery will be provided at the church.

H. D. Council Plans Stock Show Booth

Lynn County Home Demonstration Council met Feb. 16 in the Lyntest kitchen with four clubs represented, nine members, Mrs. Anderson, and two visitors, Mrs. Anderson and Mrs. R. Russell.

Council discussed the county stock show which is March 3 and 4. The club ladies will have a concession stand and hope to have loads of good food and drinks for everyone. They also talked of ways to raise funds for the council.

District meeting will be April 20 at Brownfield when all ladies are urged to attend.

Mrs. Russell presented the program, "The Purposes of the Council." Mrs. Clyde Childress, reporter.

Party Is Given For Miss Jan Thomas

A pre-bridal luncheon honoring Miss Jan Thomas, bride-elect of Tim Roberts of Snyder, was held Saturday in the Hemphill Wells Tearoom by the honoree's grandmother, Mrs. M. L. Thomas, and Mrs. G. W. Cochran.

The hostess gift was silver. Green and white, chosen colors of the bride-elect, were featured in a floral arrangement of white stock, sweet William and ranunculi. Fifteen guests were in attendance including the mother of the bride-elect, Mrs. R. M. Thomas, and the mother of her fiancé, Mrs. Roberts of Snyder.

The couple plan a March wedding.

TRACK SCHEDULE

March 4—Brownfield, there.
March 11—Floydada, there.
March 18—Crosbyton, there.
March 25—Hale Center, there.
April 8—District meet, Denver City.
April 22—Regional meet.
April 29—Red Raider Relays.
May 5-6—State meet.
Only the ones qualifying at the regional meet for the state will be eligible to enter the Red Raider Relays.

Clean, fresh sheets are conducive to restful sleep. It is a good idea to change bedding at least twice a week.

Men Attend Co-op Meeting In Dallas

Two groups representing Poka-Lambro Rural Telephone Cooperative and Lyntegar Electric Cooperative attended national meetings in Dallas recently.

Attending the telephone meeting on Feb. 9 and 10 were Manager W. D. Harmon, C. W. Roberts, and Joe D. Unfried of here and Secretary Herman Wheatley of Brownfield and Herbert Green of Lamesa.

Those at the electric cooperative meeting on February 13 and 14 were Manager Garland Pennington and wife, Wilton Payne, Roger Blakney of Wilson, Graham Hensley of Dray, L. G. Thuet Jr. of Post, Bob Alexander of Sundown, Howard Moore of Dawson county, and Kenneth Purcell of Brownfield.

Telephone cooperatives are being "starved" by "profiteering and speculation" of commercial telephone companies, the general manager of the National Rural Electric Cooperative Association, Clyde T. Ellis, told the rural telephone men.

While a third of rural homes are still without telephone service, Ellis said, commercial companies continue to reap the bulk of loan funds provided for rural telephone systems by the REA. Commercial companies are failing to provide sufficient coverage of rural territories.

He said REA's record in telephone service is not so impressive. "Of \$29,451,000 in telephone loans made by REA last year, \$25,733,000 went to commercial companies."

Smith Will Attend Meeting of USDA

Wilmer Smith, New Home cotton producer, will attend the annual meeting of the U. S. Department of Agriculture's Cotton and Cottonseed Research and Marketing Advisory Committee in Cleason, S. C., 27, March 2 Mr. Smith was appointed to the committee in 1958 by the Secretary of Agriculture.

Established under the Research and Marketing of 1946, the committee is one of 24 functional and commodity advisory committees named by the Secretary to advise USDA on its research program. This 15-member group will develop recommendations to the Department regarding its current and future programs of cotton and cottonseed research.

If white linens are to be stored for some time, cover them with blue paper. Avoid excessive heat. Do not store in cedar-lined chest, as the fumes tend to yellow white linens.

Buy, build, live in Tahoka.

New Home FFA Has Record Year

The New Home FFA Chapter recorded a record year from projects. A total of \$17,517.94 was realized by 26 members of the chapter reporting projects. This average \$659.00 per boy with 2.5 projects average per student. This is one of the best averages reported by the chapter in recent years.

Members of the chapter had 177 acres of cotton, 115 swine for pork, 36 head of breeding swine, five lambs for mutton, five breeding sheep, 135 acres of grain sorghum, and 100 broilers reported by one student.

The chapter averaged one home improvement project per student and approximately 15 supplementary jobs per student. A supplementary job is designed to increase a student's skill and proficiency in the particular job performed.

The chapter has also been active in exhibiting livestock at various shows. Twelve were exhibited at the recent El Paso show and of the 12 showing eight placed in the top 10 of the show. Two animals were sold in the auction sale. Animals must place in the top three to be eligible for the sale. Those selling animals in the sale were Dave Hancock and Don B. Rudd.

Chapter members will exhibit about 60 barrows, one calf, and a few lambs at the forth coming county show in O'Donnell. Forty barrows will be exhibited at Lubbock March 18-22.

Benny Pryor is advisor of the New Home chapter.

Revival ...

(Cont'd. from Page 1)
Hymn Time" on radio and television stations for several years, and has made a number of sacred hymn recordings.

Mr. Carraway believes that the major emphasis must be placed on congregational participation in evangelistic song services, a special effort should be made to get every person attending the revival meeting to sing, the choir being used as a means to accomplish that end. He has worked in several revivals with Rev. Evans.

Tuesday night the Junior department will have a hamburger fry at 6:00 o'clock preceding the service. Men's night will be observed Thursday night when men will fill the choir. And Saturday night has been set aside as youth night with fellowship following the evening service.

On March 5, last Sunday of the revival, the Sunday School department will attempt to break the Sunday School attendance record of 211. During the Training Union period the attendance record of 113 will be changed when the department will work for an attendance of 156 that evening.

McKinnon Girl Is Honored At Slaton

Margaret McKinnon, daughter of Mr. and Mrs. Clyde McKinnon, was selected queen of the Sweetheart Banquet Feb. 13 at Westview Baptist Church in Slaton.

The honoree, an eighth grade student of Slaton Jr. High School, is a former student of the Tahoka schools. She represented the Slaton seventh and eighth grade football team this year as cheer leader and was selected first princess, runner-up for football queen.

She presided as president of her class and was recently selected "best all-around girl" by fellow students.

FERTILIZER MEETING IS HELD AT NEW HOME

About forty farmers attended a fertilizer meeting at New Home Tuesday morning according to Joe D. Unfried.

Dr. Ivan Miles, Houston, agronomist for Olin Mathieson Company, made a non-commercial talk on use of fertilizers, both for irrigated and dry land crops. He is reported to have given those present some valuable information on the use of fertilizers.

BE ALERT OF SNAKES

Watch out for snakes when in the field, or wear snakeproof boots. Don't think there are not snakes about just because of the calendar. A warm sun on a cold day often brings out the reptiles.

Also, remember that rattlers don't always rattle before striking. So don't depend on your ears. Look for moccasins around water and in damp places. Rattlers usually inhabit rocky or timbered country.

Always carry a snake-bite kit, to be on the safe side.

Honor Howell ...

(Cont'd. from Page 1)

celebrate the beginning of National Engineers Week (February 19-25) hosted G. W. McCullough, vice president of Phillips Petroleum Company, Bartlesville, Oklahoma, as guest speaker for the occasion.

The 39 year old Odessa is a native of Tahoka, and is the son of Mr. and Mrs. H. B. Howell, who still reside in that city. He is a graduate of Tahoka High School and received his engineering degree from Texas Tech College in Lubbock.

Wade served in the Armed Forces in World War II as an Air Force maintenance officer. He served two years in the European Theatre of Operations, taking part in combat operations in the Rhineland, Northern France, Normandy and Central Europe Campaigns. He was awarded the Bronze Star Medal for "able leadership, high technical skill, superior planning ability and devotion to duty" during operations in North France. He was promoted to the rank of

Major and released from active duty in November, 1945.

Following his release from military duty, Howell served as a construction supervisor during the construction of the Odessa High School in 1946. Joining a Lubbock engineering firm in 1947, he supervised construction work on the Ector County Airport and numerous highway building projects. He served as field engineer for the Texas Company from 1948 through 1950, and joined Muldrow Aerial Surveys in 1951 where he served as Midland manager.

He began working with Esmond & Associates in 1952, where he served as chief of the project-design

section on municipal engineering projects. In 1959 he was promoted to the position of chief engineer of the Consulting Engineering Firm, a title he currently holds.

He is a member of the First Methodist Church, Chamber of Commerce, Optimist Club and other organizations. He is a past president of the Permian Basin Chapter and is currently serving his second term as a State Director of the Texas Society of Professional Engineers.

James Bingham, son of Jim Bingham, arrived here Monday morning for a 30-day leave from the Army before going overseas.

Americanism Is Rotary Program

"The American Way of Life," a skit emphasizing the Bill of Rights and the freedoms Americans enjoy, was presented at Tahoka Rotary Club Thursday noon by a group of 25 sixth grade boys under direction of Mrs. Harold Green.

Mrs. Green, in introducing the program, stated that "The American Way" is being emphasized in the local schools and that special emphasis is being given this month, during which the birthdays of Lincoln and Washington fall.

Boys appearing on the program were: Tommy Kidwell, Chris Dyer, Wendell Medlin, Mitchell Williams, Bill Wright, David Dunn, Milton Edwards, Joe Meza, Louis Pierce, Robert Rodriguez, S. R. Pena, Bill Thomas, Joe Jaquess, Larry Grider, Emory Stokes, Dale Cunningham, Milton Miller, James Munsell, Mike Lankford, Leslie McCuiston, Donald Gosdin, James Walker, Eddie Glass, Wayne Thurman, and Jimmy Torres.

Hubert Eudy arranged the program. Dr. Emil Prohl read a letter

2 ways to feel good...

give a portrait—the truly personal gift... the one gift that only you can give... a gift that's always appreciated because it's a little bit of you.

give a portrait gift certificate—always in good taste... and always sincere... the nicest way to say "I want a portrait of you."

For your portrait, for a gift certificate, drop in soon.

Youth Activities Planned By New Committee Here

The Citizen's Committee for Youth, composed of a group of local citizens, met and organized on Feb. 10.

Purpose of the committee is to provide better entertainment in Tahoka for young people by securing better motion pictures and literature; to help youth with teenage problems through a series of articles in the newspaper; and by providing more educational opportunities to this effect in church and school.

The committee feels that the growing trend toward moral laxity in the nation and the world is best combatted by knowledge and education. Members feel that Tahoka is the best town in West Texas with the finest young people, and wish to keep it that way.

Any adult or youth is urged to attend these meetings and the committee will appreciate any helpful suggestions. The committee offers to assist the young people in any of their projects and assures them of its interest and cooperation in providing more creative activity for youth.

The next meeting will be on Wednesday, March 1, at 4:00 p. m. in the City-Legion building.

INFANT CHILD BURIED AT IDALOU THURSDAY

Funeral services for the infant child of Mr. and Mrs. Joe Meador were held Thursday of last week in Acuff and burial followed in Idalou. Only three or four days old, the child's grandparents were Mr. and Mrs. "Dub" Dunagan of Acuff. Attending the services from here were Mr. and Mrs. A. L. Dunagan, great grandparents, Irvin Dunagan, and Mr. and Mrs. Deck Dunagan.

from Hans Ignier, former student guest of the local club for a summer, who is now married, the father of a baby, and teaching in Zurich, Switzerland.

Dale Thuren read a letter from another such student, Patrick Ardant of Paris, France, who is now in the French Army and looking forward to getting his discharge.

Both youths expressed deep appreciation for the opportunity Tahad afforded them to visit America.

President H. B. McCord Jr. announced new club directors and officers will be elected at the first meeting in March.

Farm Facts

Many members of farm families today live on the farm and work in industries nearby, thus supplementing the family income.

The net income of farm operators in 1959 was more than \$18 billion. Net income from farm sales amounted to almost \$10.7 billion—about 59% of the total—while net income from non-farm sources amounted to more than \$7.4 billion, or approximately 41% of the total. This was a decline from 1958 when net income totaled more than \$19.3 billion. Farm sales accounted for almost \$12 billion and off-the-farm income amounted to almost \$7.4 billion.

Off-the-farm jobs loom more important for farm operators as net income from farm sales continues to decline. This is due to a cost-price squeeze which finds the farmer having to pay more for what he buys without a proportionate increase in prices for what he sells.

In 1948, for example, total net income of the farm population amounted to more

About 1/2 of the income of farm families comes from off the farm.

than \$21.1 billion. Net income from farm sales accounted for almost three-fourths of the total, or about \$15.8 billion. Off-farm income in 1948 was about \$5.3 billion, 25.2% of the total net.

Scouting News

(By Ed Redwine)

What is a Scout Circus? Several people have stopped me and asked this question. So I thought I would answer that question in this column this week.

Here is a quote from J. W. Smith, chairman for the scout circus. "Massed in a great show strength, hundreds of Cub Scouts, Boy Scouts and Explorers portray 'Scouting in Action.' Here is our opportunity to acquaint the general public with the aims and objectives of Scouting, to demonstrate the skills and training that Scouting offers the youth of our land. It is the 'Show Window' of Scouting and provides every unit with months of good programming, plus the opportunity for a real good money-making project."

The theme for the 1961 Scout Circus will be, Strengthen America, Character Counts. This is the same theme for our National Scouting Program for 1961.

The Scout Circus will be held at the Lubbock Municipal Auditorium Coliseum on Friday and Saturday night March 10 and 11th. Each unit in the Council has been asked to furnish a clown for the circus. Pack 782 will have three boys portraying clowns. This will lend a circus type atmosphere to the show.

Now if you are wondering what the show will consist of here is a short outline of the planned program:

Pre Opening — 30 Minutes of Marches and patriotic music; Grand Entry—All who are participating march in under massed colors of the United States; Cub Scout games—Cubs will play Cub Scout games on the floor; Rockets and Missile Age—Cubs portray scientists and future space men in action; Land of Make Believe—Cubs use their imaginations in portraying Fairy Tales and famous stories complete with costumes and props.

Young America, Strong and Prepared through Physical Fitness Scouts go through different phases of physical activity that help make young bodies physically strong; Pioneers of Today—Scouts demonstrate pioneering techniques that are used today in building bridges, towers, and the use of rope and lashings, woodcraft and engineering feats; Scout Skill Competition—One team from each Scout District will compete in feats of skill. This event is based on time and is in the form of an obstacle course.

New Frontiers for Young Men—Explorers in Action, covers nearly all phases of Explorer Scouting. (Explorers are boys 14 to 18); Moccasins and Tom Toms... The discovery of America found a new race, the American Indian. Complete with bows and arrows, costumes.

Tahoka 4-H Club Plans Activities

Tahoka 4-H Club recently held its second meeting of the year and discussed plans for the Get-Ready Show with the FFA boys.

Kenneth Hart and Stanley Renfour were elected to represent the club on the County 4-H Council.

Several of the boys are going out for livestock judging and the electric demonstrations teams.

Some of the boys are also interested in the leadership development contests leading to a trip to Chicago, Ill.—Reporter.

Starch ticking pillow covers lightly to keep feathers from sticking through and out of the case.

Sunday Funerals Out At Lubbock

The City of Lubbock has informed Stanley Funeral Home in Tahoka that effective March 5, 1961, there will be no Sunday interments in the City of Lubbock Cemetery.

The decision was made following a recent survey taken in which a ratio of 100 to four were in favor of stopping Sunday funerals, and has been unanimously approved by the Cemetery Board.

Make a "carpet" for baby's playpin by sewing two thick terry cloth towels together. The towels will keep him warm and can be washed frequently by machine.

MOTHER NATURE ON THE JOB...

Mother Nature tries to take care of things—sends down rain and snow, stores moisture in the soil for future use to keep life on the earth. We could follow the same example by storing money in the bank for future growth.

Printer's Ink-lings . . .

By F. P. H.

Mrs. L. B. (Rose) Moczygemba Wilson says one reason she married was so that she would have a name easier to spell and pronounce. Before her marriage to

L. B. she was Rose Dworaczky.

Had occasion to visit Seth Lewis' offices in the old McKaughan building, which he has remodeled into one of the nicest places in town—complete with three or four private offices and a coffee-break room, all carpeted and beautifully furnished. This firm is an asset to Tahoka, as it is one of the largest, electrical contracting firms west of Fort Worth. Lewis Construction Co. at times has more than fifty men in its employ, and frequently flies men from Tahoka to its far-flung operations.

Seth says we are wrong in a lot of our criticism of General Telephone. For one thing, General brings a lot of money to Tahoka through his firm. That day, he had 11 work orders on his desk for General Telephone construction or repair, including jobs at Muleshoe, Post, Brownfield, Denver City and Tahoka. He does a vast amount of work for General Telephone and also for Poka-Lambro and Lyntegar, as well as for other companies and for cities. All of this makes his firm and its work force possible, for which Tahoka reaps a profit in more ways than one.

Lewis says he has found all

THE AMERICAN WAY

Not Much Left!

General Telephone people nice to deal with and eager to render service.

We know General, like any other company, has its problems. The Printer counts "Dusty" Kemper, division manager, as a good friend and an asset to the company and to this area. Wayne King, district manager, and Jimmie Parrish, public relations man, are also personable fellows. But, we still think the Tahoka exchange needs, at the very least, a local business office as well as a repairman on duty at all times to take care of the company's customers in this county. The latter has already been taken care of by General, we're pleased to report.

Coincidence: Charles Townes, assistant postmaster, while at a service station Friday, Feb. 17, during the sandstorm picked up an unopened letter which blew in to the driveway addressed to Wiley Curry and bearing the postmark, New Orleans, Feb. 17, 1956, five years to a day after it had been mailed. A local postal clerk quipped, "President Kennedy shouldn't gripe about a letter being eight days late."

A lot of us gripe about postal service, but actually it's amazing how few are the times the mail fails to go through promptly. The News mails nearly 2,000 papers every week. Relatively few people complain of not getting their paper, and when they do it is usually due to a faulty address applied in The News office. For one, we tip the sombrero to the fine job the postal boys do.

T. R. Cathcart thinks he has been here long enough to be called an oldtimer. He came out to Snyder in 1905, and moved up to Dray community in 1916 to farm. He grew up down at Eddy, on the line of McLennan and Falls counties, along with Senator Tom Connally, who lived about two miles away.

A while back, Mrs. Buford Jones of Gordon wrote a letter to President John Fitzgerald Kennedy. Last week, the President sent her a large 18 by 24 inch color photograph of himself and wife. She had the picture framed, and it is about as beautiful a picture as we have seen.

We didn't know until Friday that Mr. and Mrs. Jones were in the race horse business. Horse fans all their lives, a year or two ago they joined a partnership with four others, and the group now owns 11 thoroughbreds and a colt. Four of their horses are now at Phoenix, the rest at El Paso. They showed the Newsman a picture of Malaysia, who has been in the money three out of five starts and late in November won the one mile race in the fast time of 1:37.2 at Sunland Park near El Paso. They are also proud of Ben's Boy, who has won four races, but they are elated over a new little mare, Meadow's Miss, a four-year-old who has run only once.

Buford will probably disagree with us, and it won't be the first time (we know he won't get mad just because we don't agree with him), but we're opposed to return of pari-mutuel betting to Texas on a local option basis as is being proposed in the Texas Legislature.

Fred Turner Jr. of Midland, wealthy oil operator and owner of

MICHAEL L. BROWNING STATIONED IN GERMANY

Bad Kreuznach, Germany—Army Pfc. Michael L. Browning, son of Mr. and Mrs. Lynn M. Browning, Route 5, Tahok, Texas, participated with other personnel from the 8th Infantry Division in Exercise-Winter Shield II at the Grafenwohr-Hohenfels training area in Germany. The exercise ended Feb. 8.

Winter Shield, an annual Seventh U. S. Army winter field training maneuver, involved 60,000 U. S. Army, German and French troops and marked the highpoint of a year's training for units in NATO's "Pyramid of Power."

Browning, a radio-operator in company B of the division's 8th Single Battalion in Bad Kreuznach, entered the Army in January at Fort Carson, Colo., and arrived overseas the following June.

The 21-year-old soldier is a 1958 graduate of Brownfield High School.

changed. Now we get frozen foods at the store, open a few cans, warm the contents up on an electric or gas range, draw a cup of hot water from a faucet and drop a passel of powdered coffee in the water, sit down in an easy chair and watch the goings-on the world over on the television screen—then gripe when a neighbor comes to visit while you're trying to watch our favorite program.

Why does no one ever give the groom a shower? Why do newspaper accounts go into detail about what the bride wore and have nary a word about the groom's apparel? Sometimes we're tempted to insert something like this: "The bridegroom wore a tailored blue suit the pants neatly creased and covering a pair of red and green striped drawers, etc., etc." Maybe we'll make this the last story we write before retiring from the newspaper business.

For a neater-looking linen closet place towels and sheets on the shelves with folds facing out.

BREAK THE GAS HABIT!

FALCON CAN GO UP TO 30 MILES ON ONE GALLON OF REGULAR GAS!

Falcon goes 4,000 miles between oil changes, too. Even parts, servicing, licensing and (in most states) insurance cost less. And as if that weren't enough, Falcon is America's lowest-priced* 6-passenger car... as much as \$505* less than other compacts! Economy never looked so good... or so luxurious. That low Falcon price includes chic upholstered interiors, handy coat hooks, arm rests, foam-padded front seat, sun visors... all at not a penny's extra cost! And Falcon is so dependable. Judging by the fan mail, Falcon owners are the happiest, most carefree group on wheels. They also have more to look forward to: recent automotive resale figures show Falcon brings from \$138 to \$175 more in trade than other compacts in its class! With so much more of what you buy a compact for, is it any wonder Falcon is America's best-selling compact?

*Based on comparison of manufacturers' suggested retail delivered prices. †Similar comparison of deluxe 4-door sedans equipped with radio, heater, automatic transmission. White sidekick optional at extra cost.

No. 4 In A Series of Stories About—

Businesses that Make Our Town "Tops"!

As hard-working townsmen, we are apt to overlook many personalities and programs that aid in making Tahoka a fine and progressive place in which to live.

Among the folks who deserve recognition and reward for outstanding help in reaching our town goals are the businesses and business men that serve our town and area.

To acquaint you with the folks and firms that mean much to us, The Lynn County News is printing a series of stories about these people and places. We know you will be interested in the stories we tell. We also feel that when you have need for what these friends and their firms sell, you will reward them with your purchases.

(By Frederic de Vries)

ONE OF MOST MODERN GIN PLANTS ON THE PLAINS—

Farmers Cooperative Ass'n. No. 1

Farmers Cooperative Gin of Tahoka, managed by C. W. Stevens, is one of the most modern and highly efficient gin plants on the entire South Plains, an area noted for its fine plants.

This organization offers the farmer "one-stop service" for many of his needs—not only top quality ginning service, but complete automobile service station, fuel for farm tractors, Mexican National labor to pull your cotton, cotton burs to put back on your land, your cotton handled and stored at Farmers Co-op Compress, your seed crushed at Plains Co-op Oil Mill, and a marketing service through Plains Cotton Cooperative Association.

The new gin, less than two years old, features the most modern equipment obtainable for proper cleaning drying, and ginning your staple, and is operated by experienced personnel. The older gin plant is a stand-by gin for use in peak times and is also kept in first class condition for the best turn-out.

But, one of the biggest factors, is the fact that patrons of Farmers Cooperative Association No. 1 of Tahoka participate in the savings

made by the above named farmer cooperatives.

This is one of the older cooperative farmer-owned gin associations in the area. This fact has proven to be an asset as years of experience have brought about solutions to many problems affecting ginning and operation of such a plant in

this area.

Directors are elected by the membership, and each director is ever ready to give an ear to constructive suggestions on operation of the business.

Present officers and directors, all farmers, are: John F. Thomas, president; J. D. Dunlap, vice presi-

dent; J. O. Allen, secretary; L. D. Howell, Charlie Lichey, Lois Smelser, and Cleve Littlepage.

You can not go wrong when you patronize this business, where "Service Plus Savings" is the watch-word.

Buy, build, live in Tahoka.

FRIENDLY, COURTEOUS PERSONALIZED SERVICE FEATURES—

STANLEY FUNERAL HOME

Stanley Funeral Home has made a name for itself in this area because it goes just a little bit further in giving people friendly, courteous service when there is a death in the family or on the occasion of accidents.

Mr. and Mrs. Martin White, who operate the business, are naturally friendly and courteous and try to treat their customers as they would want to be treated. Mrs. R. E. (Joyce) McKinney is owner of the business.

Stanley Funeral Home has just recently received delivery on an additional ambulance, a Cadillac combination, which is air-conditioned has equipment for administering oxygen, and also the latest facilities for rendering first aid.

For making calls to pick the ill or injured, the firm has three people qualified in first aid. Mrs. White is a licensed funeral director, which permits this funeral home to offer a service not available in many funeral homes. The firm has two licensed and experienced embalmers, and they are available any time, day or night.

One or more ambulances are

available at all times, day or night.

Stanley takes care of the many little details for the grieving, whether the services are desired in a church or in the modern, tastefully decorated and furnished funeral chapel.

Stanley Funeral Home also has burial insurance for those who desire it at a very economical cost. Contact Mr. White or phone WY 8-4433 for further information of a burial policy for yourself or the entire family.

This page will appear in The News twice a month, and during the series there will be two news stories, one with a picture on each business represented here.

Since 1910 there have been some 33,500,000 boys and men in the Scouting program. Some 41,550 churches of all faiths and denominations sponsor Scout Units in the United States of America.

New colors and styling give denim jeans, in red, blue, and beige, have matching waist-length jackets with big pockets.

Cotton on the Plains ...

A Multi-Million Dollar Wonder Crop!

Do you know that every dollar King Cotton earns on the Plains turns over at least seven times? That's good for everybody's business ... helps keep everybody's business on the move.

Because cotton helps everybody's business, we call it the multi-million dollar wonder crop of our area.

We are proud of the part our services to farmers and ginners play in keeping business on the move in the Tahoka area.
