VOLUME 46 | 5c copy | ELDORADO, SCHLEICHER COUNTY, TEXAS THURSDAY, MAY 22, 1947 | $2yr | NUMBER 21

5 - MILE STRIP OF MENARD ROAD GETS TOPPING

The highway department has completed topping of four blocks in the business district of Eldorado and also about five miles of the new Menard highway from the available supply of asphalt.

The 80 carloads of gravel which was unloaded here will be sufficient for the entire strip. Three carloads of asphalt furnished topping material for the 5 miles completed and more will arrive when needed.

Of the 16-mile strip of Menard road which the highway department is now building, three-fourths of the grading has been done, and one-half of the caliche has been applied, with indications that three-fourth of the caliching will be completed by May 30.

To the 40 or 50 highway workers already on the job have been added maintenance men from San Angelo and Sonora to do the asphalt work. It is expected that the entire project will be completed by August 1 or August 15, weather determining the speed which can be made.

The second 16-mile strip of Menard road is due to be advertised for bids toward the latter part of June. If a satisfactory bid is received, work will probably start in August. This would assure opening the road to the public by the spring of 1948.

Traffic regulations will be worked out later. It is understood that an effort will be made to eliminate congestion in the post office block by routing highway traffic on the strip across the street.

REGULAR PASTOR IS EMPLOYED AT CHURCH OF CHRIST

Kenneth Arrington, ministerial student at the Abilene Christian College, has been employed as a full-time preacher and will hold services here each Sunday at 11 a. m. and at 5:00 p. m. Minister Arrington, who is married, will not move to Eldorado at present but will continue his college course this summer. The Church of Christ which he serves is known as the Rock Church of Christ.

Everyone is cordially invited to attend the preaching services as well as the Bible classes at 10:00 o'clock on Sunday morning.

West Side Church Opens Revival Sunday

Minister Lester Hathaway, who is already known here, will open a revival Saturday evening, May 24 at the West Side Church of Christ with Vernal Sudduth, local member, as song leader. The services will extend through June 1.

Services during the week will be held each evening at 8:00 o'clock and on Sunday at 11:00 a. m. and 8:00 p. m., with dinner on the ground at noon, Sunday, May 25. The members welcome all visitors to these services.

C. Bounds' Father Dies At Sweetwater

Hardy Bounds, a former resident of Eldorado, and father of Calvin Bounds of this place, died at his home in Sweetwater, May 2 and was buried in the Sweetwater Cemetery, May 3. He had been in ill health for some time. He is survived by nine children, all of whom were present for the services, with the exception of one son.

Mr. and Mrs. Calvin Bounds and family attended the services, and Mrs. Bounds spent three weeks in Sweetwater, prior to the death of her father-in-law.

Local Lions Attend Dist. 2A Convention

A very inspirational and interesting program was reported by local Lions returning Tuesday night from the three-day meeting of District 2A which convened in San Antonio Sunday through Tuesday. Those attending from here were Mr. and Mrs. Carroll White, Mr. and Mrs. W. M. Patterson, J. M. Christian, C. C. McLaughlin, W. C. Doyle, E. C. Hill, and Lum Davis.

Van McCormick has returned from Temple driving a Ford pick-up which is for use of the Soil Conservation office.

Locals Play Lowake Here Next Sunday

Minus the services of Faull, Martin, Faught, and McIntosh the Eldorado team fell an easy victim to J. T. Bailey's well balanced Ozona boys there Sunday.

Neill, a late addition to the local team, started on the mound and looked good in spots but showed the need of more conditioning.

Griffin relieved him in the 4th and help Ozona to 3 runs the rest of the way.

The Eldorado team has hopes of being at full strength this Sunday when they meet Lowake on the home ground.

RANCHERS SHEAR FIFTY PERCENT OF 1947 CROP

Sheep shearing, delayed by rain, continues, with indications that 50% of the 1947 clip has been sheared. Some wool has already moved into the Eldorado Wool Co., warehouse.

The clip will be a little short this year, as there are some less sheep in the county than average, but quality of the wool is average and the price satisfactory.

Board Members Draw For Length of Term

To avoid having all terms of school board members expire at once, the men drew for places, at a recent organization meeting. This was necessary because all members had been elected at once under the new county-wide set up.

Terms of board members are—one year: Jerry Pennington, Jimmie West, S. M. Oglesby, Jr.; two years: Henry Speck, Horace Linthicum; three years: W. R. Bearce, S. D. Harper. New officers are: S. M. Oglesby, Jr., president; Jerry Pennington, secretary; and Leslie Baker, asst. secretary.

ATTEND CONVENTION

Mr. and Mrs. Ed Hill of Eldorado and Mr. and Mrs. George Neill of Sonora left San Angelo Monday in a Pioneer Line plane for Houston to attend the 3-day 63rd annual convention of Texas Bankers. Mr. Hill represents the First National Bank of Eldorado and Mr. Neill the First National Bank of Sonora.

Fundamental Baptist Revival Is Postponed

A revival slated to have started this Sunday at the Fundamental Baptist Church, has been postponed for about two weeks, according to a wire received by Henry Mittel from Dr. Oscar Wells, who with the assistance of the Rev. Jay DeVoer, was to held the meeting.

Rev. DeVoer, who has held the pastorate of the church here for the past few months, has resigned, and a new pastor will probably be called soon.

Rev. French of the Bible Seminary at Ft. Worth, was a guest speaker at the church last Sunday morning.

Mrs. Hill's Brother Buried In Calvert

Funeral services for Jerry Blasienz of Calvert were held May 15 from the Little River Church, oldest organized church in Milam county, with Dr. John Bergin, Methodist pastor of Marlin, who had been a close friend of the family for many years, officiating. Interment was in the family burial plot at the same church.

Mr. Blasienz died suddenly of a heart attack at his home in Calvert May 14. He had been in reasonably good health most of his life. He was well known here, having visited Eldorado many times.

Survivors include the widow; two sisters, Mrs. E. S. Goens of Austin and Mrs. E. C. Hill of Eldorado, and a twin brother, Tom Blasienz of Eldorado. Mrs. Hill and Mr. Blasienz reached Calvert shortly after the death of their brother.

Mrs. E. S. Goens accompanied them home from Calvert for a few days visit here, returning to her home at Austin Wednesday.

To speed up work at his new place of business Cramer Sofge put on several men this week, and by next week he expects to have six new rooms ready to rent.

BOARD MEMBERS ADOPT SCEDULE $2200 MINIMUM

At a meeting of the school board last Thursday night, a salary schedule a little above the state's suggested minimum of $2,000.00 was adopted.

The following teacher qualifications and salary schedule were agreed upon:

Base pay, degree, no experience $2200.00

$45 per year additional for experience up to 10 years.

Credit given for 8 years experience prior to this year.

Masters degree, additional $200.

According to an interpretation of the new Texas minimum pay bill, every teacher must have at least 3 years' college work to hold a job in an accredited school; furthermore she must be working toward her degree.

Supt. Reynolds returned recently from a prospecting trip to Denton, and reports that he now has some applications on file and may have a few new teachers signed up by June 1. He states that an improved salary schedule may make prospects bright for the local school, and that he hopes to be able at last to secure Spanish and public school music teachers.

PRESBYTERIAN FROM EDINBURG ACCEPTS CALL

The Rev. F. E. King of Edinburg, who held a revival here recently, has accepted the pastorate of the Presbyterian Church, according to a wire received last week, and if approved by the official board, will come to Eldorado about July 1st.

More details concerning this news will be announced when all preliminaries have been dispensed with, and there is no possibility of a "hitch" in plans.

Rev. King was most favorably received by the church when he preached here recently, and members consider the local church very fortunate in securing his services.

MORE RAINFALL IS WELCOMED THIS WEEK-END

Scattered showers to add to recent rains were welcomed in some favored spots of Schleicher County during the week end. Coming as they did after heavier rains which had saturated the ground, the rains were of much benefit to the localities which they visited.

About ½ inch of rain fell Friday in Eldorado and some other parts of the county. On Saturday the Alexander community received a nice rain, and also had a three-eighths precipitation the preceding day.

The entire county has been much benefitted by the May rainfall but more would be welcomed, state ranchers and farmers.

Woodwards Open New Flower Shop In Eldorado

After several weeks of extensive preparation, Eldorado's newest business, the Eldorado Flower Shop under the management of Mrs. O. L. Woodward, will open Monday, May 26, specializing in pot plants, corsages, sprays, cut flowers and wreaths.

A modern greenhouse has just been completed and equipment moved in ready for business. Mrs. Woodward will be assisted by her daughter, Mrs. R. L. Nolen, botn having taken a course of instruction in their work, recently.

Mr. and Mrs. Woodward and their family have lived in Schleicher County for several years, coming here from Miles, to take up ranching interests in the east part of the county. After their ranch home burned about a year ago, the family moved to town, having bought the Myrtle Williams house. A son and family reside on the ranch at present.

The nursery is located on the new Menard highway.

The city is re-topping a small strip of alley between the post office and the ice house.

SHERIFF JOINER TO POISON PRAIRIE DOGS IN EAST SECTION OF COUNTY AS DIRECTED BY CO. COMMISSIONERS

The duties of a sheriff are sometimes exciting—maybe he is on the hunt for liquor law violator, or a fugitive from justice in Timbuctu, or a wet Mexican. Then again he may hunt something less glamorous—a prairie dog, for instance.

The following self-explanatory letter went out by registered mail from the office of Sheriff Wallace Joiner:

"Dear Sir: According to the Article 191, Vernon's Annotated Texas Statutes, the Commissioners Court of any county in which prairie dogs exist shall investigate and determine whether owner of land in their respective commissioners precincts have killed or caused to be killed all prairie dogs, and if such land owners have failed to do so, said commissioners shall immediately notify sheriff of his county of such failure, and of the name and post office address of such owner, or his agent, and said sheriff shall immediately mail, by registered letter, a notice to the said owner, or to his agent, that if he shall fail within thirty days from and after date of mailing of notice to kill or cause to be killed such prairie dogs, he, the said sheriff will proceed to destroy all prairie dogs on said land.

"The above order was passed by the Commissioners court at regular meeting on Feb. 10, 1947, and the sheriff of this county ordered to notify by registered mail all land owners which are infested with prairie dogs.

"If this order is not complied with after 30 days from this notice it will then be necessary to have the sheriff destroy those dogs and charge expenses of same and assess amount against said owner and enter same as lien against land.

"Said county may pay the sheriff not exceeding $5 per day for each day he has performed actual services in supervising the destruction of said prairie dogs.

"The order applies to all persons having prairie dogs on their premises and it is hereby respectfully requested that said dogs on your ranch be destroyed within 30 days from this date, Feb. 16, 1947.—Wallace Joiner."

As a few have not destroyed their pests, Sheriff Joiner was recently instructed by the Commissioners Court to proceed with killing of the pests.

For his attack on the enemy, Sheriff Joiner will choose the "simple way of poison," a supply of which is available in the office of Co. Agent W. G. Godwin, and the expense of the attack will be charged against the land owner.

Once upon a time when the county was young the prairie dog ruled supreme. Years of work to eradicate the pest resulted in practically freeing Schleicher County of this rodent. A migrant by nature, he moves in when and where he can; this time he has chosen the east end of Schleicher County, where, because a few landowners have not taken action, Sheriff Joiner will center his campaign.

The onlooker who does not have to worry about eradicating the pest invariably finds him most interesting. The prairie dog is plump, short tailed and squirrel-like. He makes a funnel-shaped entrance to his burrows, and when allowed to multiply unmolested, covers many miles of land with these "houses," in which thousands, or even millions, live. Because they feed on grass they are a rancher's pet aversion.

A strange aggregation of pests is often found in the mounds—rattlesnakes, owls and weasels predominating—but this does not prove that the family is happy; the snakes and owls eat the young prairie dogs, and the parent prairie dogs in turn destroy the young owls and have been known to bury the rattlesnakes alive.

The prairie dog has few friends in Schleicher County—he has eaten too much grass and lamed too many horses who have stepped in his burrows, to be popular.

It is understood that those few "Oakies" who have moved in will not last long.

Jewelry Store Opens About First of July

Louis Yasseen of Niagara Falls, who, with Mrs. Yasseen, has visited often in Eldorado, has made a deal with Bob Page to rent space in his drug store for a jewelry store, which will open about July 1. His son-in-law, Ernest Bauer, will run the business. Both men are from Niagara Falls, where Mr. Yasseen owns a jewelry store.

While here Mr. Yasseen bought the Horace Linthicum house for his own use and is making arrangements for a house for the Bauers and their child.

SCOUT PROGRAM NETS GOOD SUM FOR LOCAL TROOP

An interesting program of boxing and wrestling matches was presented by the Eldorado Boy Scouts before a small but appreciative audience last Saturday evening in the school gymnasium. About $80.00 was made through an advance sale of tickets, and the money will be used to finance a summer trip.

Coach Ernest Sutherland opened the program with an endurance test in skipping the rope, followed by wrestling matches with a five minute time limit. The matches which were draws were as follows: Jerry Perry vs. Jimmy Perry; Dan Kent vs. Billy Cheek; Jack Dodd vs. Bill Bearce; Derl Griffin vs. Truman Biggs; Gerald Hicks vs. Jimmy Woodward; Tart Mund vs. Wayne McGill; Gordon Hamm vs. Bobo Gunn.

Australian team matches with no time limit were between Gordon Hamm and Wayne McGill vs. Bobo Gunn and Tart Mund.

Boxing matches with a time limit of 1½ minute rounds were as follows: Durwood Rutland vs. Glenn Biggs with Glenn winner; Gerald Hicks vs. Truman Biggs, Gerald winner; Wayne McGill vs. Tart Mund, Wayne winner. The program ended with a comedy stunt with C. F. Jones, Ernest Sutherland and E. W. Perry in a wrestling match which ended with C. F. being chased from the ring, sadder and wiser.

H. S. PRINCIPAL PEYTON CAIN GETS BIGGER JOB

Peyton Cain, popular principal of Eldorado High School, will leave early this summer for Alpine, to become superintendent of the Alpine school system.

He received his Masters at Sul Ross, and is a former teacher and junior high principal in the Alpine system, resigning to enter service in 1942. He was an instructor in the officer candidate school at Ft. Bliss 2½ years, receiving his discharge from service last year.

The new job carries with it the responsibility of reorganizing the Alpine school as a teacher training institution for Sul Ross, and Mr. Cain will receive good salary compensation for his work.

While in Eldorado he has worked to help carry out a good athletic program and to aid students in other extra curricular activities, and while his friends are glad of his advancement, news of his resignation was received with regret by the school and community.

Lions To Sponsor First Aid Course

Mrs. Maurine Prescott, Red Cross executive, and her assistant, Miss Rodgers from San Angelo, were guests at the regular meeting of the Lions Club Wednesday.

Miss Prescott with the assistance of the club, made arrangements for a first aid course of instruction to be given two nights a week in Eldorado with the Red Cross chapter furnishing an instructor. The date the course will begin and the meeting nights will be determined by those taking the course, and it may be a mixed class, Miss Prescott stated. Further arrangements will be announced later. Some 15 or 20 Lions expressed themselves as interested in taking the course.

Supt. Reynolds displayed the silver cup to be presented the highest ranking student, and reports were given from Lions attending the District convention in San Antonio.

OIL ACTIVITY IN CO. CONTINUES TO INCREASE

With the bringing in of the 8th and 9th producers in Schleicher County's oil field and spudding in recently of three new tests in that locality, and digging cellar on two more, Eldorado's ever - increasing oil activity continues to develop a field of growing proportions.

Moving this week from the center of the stage are the two producing wells which have been completed. Cooper Gas Co. Bert Page 3-D takes its place in the oil history of the county as one of the bigger producers, having been finaled at 629.28 barrels. No. 1C Jess Koy was completed at 179 barrels.

The above Page location is C NE NE 39-L GH&SA, and the Koy is C SW NE 38-L- GH&SA.

Three Wells Drilling

The rotary which has been drilling 3D Page was moved to Cooper No. 5A Page, recently cemented in after drilling to 330 with a spudder. This new location is C NW NW 32-L-GH&SA.

George D. Morgan of San Angelo, trustee, No. 2 C Jess Koy (C SE NW 38-L GH&SA) is passing 2200 foot depth. This is a west offset of Morgan No. 1C Koy.

A third new test is Al P. Groebl of San Angelo No. 1 Jess Koy, 7-8 miles northeast of Morgan 1C Koy, now also drilling steadily with rotary at over 1000 depth. Location is C NW SW 34L GH&SA. Depth Wednesday morning was 1350.

The cellar on Koy 5A, one location north of 4A Koy, has been completed. The cellar on another new location, Page 3E, is being dug this week.

The county recently caliched a road through the field for the convenience of crews and visitors.

Cecil Elliott of Sonora was here Wednesday on business concerning the L. W. Elliott trustee Virge Tisdale well.

EIGHTH GRADE DIPLOMAS WON BY 33 GRADUATES

Teen-Age problems ranging from stern teacher and book reports to stray dogs, hay rides and love, were ably presented to their elders by the 8th grade graduating class, playing to a full house Wednesday night. Naturalness and good preparation characterized the production, which was staged by the youngest teen-agers of the school.

Between-act entertainment was furnished by two groups of musicians from the class.

The Lions' Club annual award for scholarship went to Betty May Doyle, with an average of 96.11, this being her second year to win this recognition; her prize was a loving cup. Wilson Humphrey with an average of 95.9 was a close second. A total of 18 grade students had an average of over 90.

Other honor students in the grades were:

Myrna Loy Ray 94.7.

Jo Ed Spencer 91.6.

Iretta Fay Mace 90.9.

Diplomas were presented by Grade Principal Wyndell Hall to: Irene Childers, Bobbie McKee, Durwood Rutland, Carol Dale, Bobo Gunn, Peggy McAngus, Carrol Doty, Joan Jenkins, Gordon Hamm, Peggy Rose Barbee, Jimmy Woodward, Myrna Loy Roy, Edwin Jackson, Johnnie Lewis, Glen Biggs Iretta Fay Mace, James Alexander, Octa Lou Brawley, Gerald Hicks, Gretchen Mund, O. T. Conner, Fern Cheatham, Joe Zucha, Mary Sproul, Maurice Christian, Ebba Gene Blaylock, George Ochsner, Patsy Taylor, Jack Mund, Myrta Bob Harper, Joe Ed Spencer, Rita Ann Elder, Joan Row.

A concluding number was an 8th grade chorus directed by C. F. Jones.

METHODISTS TO ATTEND ANNUAL CONFERENCE

The annual Methodist Pastor's conference will meet in San Antonio at the Travis Park Methodist Church, May 28 through June 1. The Rev. and Mrs. F. B. Faust will attend, and delegates will include L. A. Goss, principal, and R. J. Alexander, alternate. Delegates to the Boys' Conference, who will attend are Lewis Wilson, Jr., and Neill Dickens.

Spanish Art Studied In Classes At School

The second grade under the direction of their teachers, Mrs. Carl Stevens and Mrs. Ruth Prince, are working on Spanish art in their Spanish classes and as a project are building a house made of cardboard and covered with paper, which when completed will represent a typical Spanish home. Strings of pepper, pottery, vases and other objects made by the children will be used in decorating it.

This study of Spanish will be concluded Friday when teachers of the Latin-American school present the Girls Chorus in several songs, and other numbers. Some of the students will be dressed in native costumes.

Walls of the sixth grade room are also covered with Spanish murals made by the students under the direction of Miss Annie Herbert, Spanish instructor. The paintings are brilliant with color, and show both initiative and ability.

SENIORS ON TRIP

The seniors will leave at 5:00 a. m. Friday for the annual senior trip, going first to Austin where they will visit the Capitol, and on to Galveston for that night. Visits will be made to the San Jacinto monument, and the return trip May 27th will be made by way of San Antonio.

The trip will be made in the Chevrolet school bus, with B. L. Blakeway, driver on the Reynolds run, donating his services. The students will be accompanied by their sponsor, Miss Nora Koen, Supt. C. A. Reynolds and Mmes. L. D. Ochsner, R. C. Edmiston and W. A. Blaylock.

Mr. and Mrs. Truett Stanford and family will leave Friday for a visit in Houston with Mrs. Stanford's sister, Mrs. W. B. Means and family. They will return Tuesday.

Friends of J. H. Minyard and D. L. Rogers are glad to learn that these Parker Drilling Co., men have received promotions since they left Eldorado. Rogers has moved from Cisco back to Monahans, due to his promotion from tool pusher to superintendent, and Minyard, who has been a driller, takes Rogers' former job as tool pusher at Cisco.

Mrs. P. K. McIntosh is returning this week from Kilgore. Her mother, whom she has been visiting will return home with her to spend the summer on the ranch.

Mr. and Mrs. Alonzo Faught and son, Jim of Doss were week end visitors in the home of Mr. and Mrs. Otto Sauer. The two women are sisters.

Munds Announce Norah Ann's Wedding

Mr. and Mrs. Arthur Mund are announcing the marriage of their daughter, Norah Ann to Mr. James E. Jones of San Diego, Calif. The wedding took place on April 18 in Las Vegas, Nevada.

The bride is a 1941 graduate of Eldorado High School, attended TSCW, and graduated from the Nixon-Clay business college at Austin. She was employed for three years at Bergstrom Field, Austin, and for the past year and a half. has been working as clerk-typist for the Navy at San Diego. The couple are at home in San Diego.

Girl Scouts Camp At Camp Runge

The annual three-day Girl Scout camp will be held at Camp Runge May 28 through May 30 with several activities planned for the event

The girls and their leaders will leave after receiving their report cards next Wednesday afternoon and after pitching camp will begin work on their badges including hiking, swimming, outdoor cookery, nature study, etc. On Friday, parents are expected to call for their children, and will be guests at a barbecue at the home of Mr. and Mrs. J. F. Runge. The return trip home will be made following the barbecue.

Girls are expected to bring cots in addition to other equipment.

Presbyterians Picnic On Courthouse Lawn

Members of the Senior class, their sponsor, Miss Nora Koen, and Supt. anl Mrs. C. A. Reynolds were honor guests at the annual Presbyterian Sunday school barbecue on the court house lawn Tuesday evening. Barbecued chevon, beans, salad, coffee and iced tea were served to approximately 100, including several other guests of the church.

FIRST BAPTIST CHURCH

The date has been set for our vacation bible school, which is June 9th to June 20th. The principal and leader of each department have been elected and most of the faculty has been secured.

All departments from the beginners to the intermediates are included and we urge all to make plans to attend. All children are invited to come. There will be refreshments served some time during the three-hour period to all attending.

There will be a preparation day, which will be announced later; and commencement exercises on Friday evening, June 20th. We are asking all to do their best to make this the best vacation bible school that we have ever had.—Jim Hays, pastor.

Mr. and Mrs. Marvin McDonald, Mrs. Clyde Galbreath and Mrs. Roy Andrews went to Temple last week where Mr. McDonald underwent a medical check-up.

Recent visitors in the home of Mr. and Mrs. Carl Stevens included the latter's sister, Mrs. L. B. Sherman of Harlingen, and Mr. Stevens' friend, Joe Walla, geologist with the Standard Oil Co., at Carapito, Venezuela.

Mrs. A. H. Green and Ethelene spent last Sunday in Ballinger with their daughter and sister, Mrs. E. W. Word and family, and enjoyed a delayed Mothers Day dinner with all children of the family present including Mrs. Jim Patton of McCamey, Mrs. Reba Hendricks and Ellen Jane Moody of Crane, Mr. and Mrs. T. E. Parsons and daughter, Bonnie Fay of Rising Star, Mr. and Mrs. Word and family, Mrs. Green and Ethelene.

S. R. Neill of Ozona was a week end visitor in the home of his brother, J. A. Neill and family.

Mr. and Mrs. W. E. Bruton were business visitors in San Angelo on Monday.

Mrs. W. L. Johnson and son, Roger Lloyd of Stratford, are visiting this week with their mother and grandmother, Mrs. John Rodgers. Mrs. Johnson will return home in a few days and the baby will remain here while his parents accompany the Stratford high school senior class on their annual trip, Mr. Johnson is a member of the school faculty at Stratford.

Marion Wade has returned home from the hospital and is doing fine.

Wanda Lee Estes Williams of Brownwood spent the week end here with relatives and took her baby back with her for the week.

Latin-American News

At the school TB tests were given to all pupils and many of preschool age Monday, under the direction of Dr. Wiedenmann.

The Guerra family, well and favorably known among the Latin-Americans of Eldorado, started on Tuesday for San Jose, Calif., where they will make their home. Two of the sons have been working there for some time.

MRS. TOPLIFFE GUEST SPEAKER AT PTA MEETING

Mrs. E. H. Topliffe was guest speaker when the PTA held its final meeting of the year Tuesday afternoon in the school auditorium. The program opened with the PTA prayer repeated in unison, followed by Mrs. Topliffe's address on "Looking Toward Vacation."

In opening, Mrs. Topliffe stated that vacation means from the time school is out until school begins, and work as well as play time should be planned, and time not spent in wasteful play, but something useful should be accomplished. Organied activities should be planned for the youth, such as summer camps, vacation church schools, Scout activities, and teenage canteens. All school age children can read and can use the magazines and books available at subscription price, on the newsstnd, the public library, or a Book of the Month club.

"One of the most important things," she stated further, "is to teach each child to be dependent upon themselves, to plan each day or week without the help of others as children need to assume the duty of helping establish family relationship which might be neglected during the busy school days. Summer is a good time for health needs, and there should be a lot of rest for each child, and then a pleasure vacation of sightseeing, swimming, etc.

"Parents should create a 'yes' attitude instead of always saying 'No' and maintain a sense of humility. Admit to children that you don't know and above all keep an open mind to your children. During the summer months is a good time for children to learn that some day, they too, will have homes of their own." Mrs. Topliffe concluded her talk with a poem from the PTA magazine.

Mrs. Gwen Askew presented the following dance program:

Announcer: Carol Ann Arnold. Introduction, June Williams and Peggy Spencer: Ballet, Ellen Wheeler, Shirley Severns, Barbara Spencer and Jimmie Dell Williams; Apple Blossom Time, Barbara West, Jane Burleson, Carol Ann Arnold and May Runge; Tap dance, Lola Beth Ballew, Myrta Bob Harper and Suzy Linthicum; Rose story, June Williams, Pamela Walston, Prissy Linthicum and Peggy Spencer.

In the business session, Mrs. Perry Mittel gave a report from the health committee, stating that the TB patch test was given to 500 school children, and Mrs. L. L. Baker reported that the flood light had been installed at the school auditorium. Mrs. Howard Coleman reported that the girls' rest room would be remodeled during the summer months.

A report of delegates to the PTA convention in Del Rio in April was given by Mmes. Carroll Ratliff, John Williams and Palmer West, and Mrs. Payne Robinson gave her report as historian. Miss Mae Ellington, Mrs Edgar Spencer and Miss Ina Mae Lightsey were appointed to serve on the summer round-up committee.

Mrs. E. M. Jackson, retiring president, installed the following officers: Mrs. Carrol Ratliff, president; Mrs. E. W. Perry, first vice; Mrs. W. R. Bearce, second vice; Mrs. C. C. McLaughlin, third vice; Mrs. E. W. Mund, secretary, and Mrs. Palmer West, treasurer.

Mrs. West, treasurer, gave the following report: Cash brought in: $1,381.05. Total expenditures $1, 273.24. Leaving a balance on hand of $107.81.

The secretary announced that Mrs. Stevens' second grade and C. F. Jones' tenth grade won the attendance awards for last month. It was voted to present Nelson Johnson, auctioneer, with a woolen mill blanket.

Cradle Roll Day At Baptist Church

Cradle Roll Day was observed last Sunday morning at the First Baptist Church with Mrs. Fred Watson in charge of the program, which opened with a song and prayer followed by the introduction of workers by Mrs. Watson as follows: Mrs. J. A. Whitten, superintendent of nursery; Mrs. E. W. Perry, associate superintendent; and Mrs. A. L. Archer, worker; Mrs. Watson, superintendent Cradle Roll, and Mrs. J. M. Hays, worker.

Jimmy Perry gave a reading, "Welcome to Babies" folowed by the dramatization of three songs by the nursery children with Mrs. Watson and Mrs. Perry singing the accompaniment. Mrs. Hays sang a solo, and corsages were presented to the mothers by Carolyn Ratliff and Dorothy Nell Alexander. The program was concluded with a prayer.

Mr. and Mrs. Bert Page are fishing this week at their ranch on the San Saba river.

SCS CO-OPERATORS ARE ACTIVE IN THIS COUNTY

Albert Tisdale of the Cliff Community, a cooperator with the Eldorado Divide Soil Conservation District, sold 437 yearling muttons in Fort Worth on May 7, 1947. They weighed 88 pounds per head. These yearlings had sheared 8 pounds about two weeks before they were shipped.

Jim O'Harrow of the Rudd community planted 6 acres of Blue Grama grass and 4 acres of yellow Blue Stem grass in an old cultivated field. The plantings were made on April 18, with the assistance of the technicians of the Eldorado-Divide Soil Conservation District. A hundred and twenty-five pounds of 4-12-4 fertilizer was used per acre. The grass was seeded at about 5 pounds per acre for the Blue Grama and 2½ pounds per acre for the Yellow Blue Stem, and will be used as a trial planting and to multiply the seed for seeding other fields.

Truett C. Stanford, cooperating with the Eldorado-Divide Soil Conservation District, one mile north of the Bailey Ranch school house, planted four acres of weeping love grass last month. Stanford planted the love grass in a 4 acre cultivated field with a farm tractor and planter with grass seeder attachments to regulate the amount of seed planted. This plot will be used for trial and the seed harvested if seed is produced, states Mr. Stanford.

Wesley Garrett, cooperating with the Eldorado Divide Soil Conservation District, twenty miles north east of Eldorado had terrace lines run on 100 acres of land last week. This area is being put into cultivation and will be new land having conservation practices applied in accordance with its needs from the very start.

First Baptist WMU Has Circle Meetings

The Dorcas Circle of the Baptist WMU met Monday in the home of Mrs. Joab Campbell with Mrs. Campbell and Miss John Alexander as hostesses. Mrs. A. M. Nixon gave the devotional and Mrs. E. W. Mund was leader for a program on "The Cooperative Program Dollar." She was assisted by Mmes. E. W. Perry, W. T. Whitten, J. F, Kinser, and Miss John Alexander.

Mrs. Preston Brady, a member of the circle, who left Tuesday to make her home in Big Lake, was presented with a going away gift. A salad plate was served to 10 members and two children.

Other circles met as follows: No. 1 in the home of Mrs. J. A. Whitten with Mrs. Bill McWhorter giving the study. Circle 3 met with Mrs. Kenneth Cheek with 10 present, and Mrs. Fred Watson leading the missionary program. Mrs. Ed Finnegan was hostess to Circle 4 and leader of the study program.

Week end guests at the ranch home of Mr. and Mrs. Len Baugh included Mrs. Josh Ewing and Mr. and Mrs. John Sutton, Jr., of San Antonio, and their guests, Mr. and Mrs. Tom Irving of Georgia.

Gordie Alexander of Austin visited with his family over the past week end.

Washington News Letter

By Cong. O. C. Fisher

Grinding away toward a July recess, the House last week disposed of the Commerce, State and Justice departments appropriation bill, approved a conference report on the Greco-Turkish aid measure, sent the labor bill to a conference committee of the two Houses to iron out differences, and squared away for action on the Naval appropriations and wool bills this week.

The wool bill was put on the calendar for last week, but a parliamentary hiatus forced a postponement.

The House, in its economy drive, whacked the departmental appropriation measure $166 million below the budget estimate for the next fiscal year. After the Naval appropriation is disposed of, the next of the big money bills will be that for agriculture, probably coming up next week. Rumor has it the economy ax will cut deep into the President's budget estimate for funds to run agriculture during the next fiscal year. The bill, now receiving finishing touches by the appropriations committee, may cut funds for soil conservation and range practices by 50 percent, omit crop insurance, and reduce the allotment for school lunches to $25,000,000—$50 million below the budget figure. Some of these items will be contested on the floor of the House.

The President's action in signing the portal-to-portal bill last week was received with acclaim on Capitol Hill. It will asve the Federal government upwords of $2 billion. The new law will play havoc with the $6 bilion in phony lawsuits that have been filed by unions, mainly by the CIO. These followed the Supreme Court ruling last summer holding that working time might include, under the wage and hour law, such trivialities as time used in going to and from a place of work, regardless of contract, custom or understanding to the contrary.

By the terms of the new law such claims will be outlawed unless based upon contract or agreement between the employer and employee or upon prevailing custom. The measure was bitterly opposed by big labor leaders who contended it was "an attack upon the rights of labor."

Of much interest to Texas was the action of the Supreme Court last week in upholding the I. C. C. ruling to reduce freight rates by 10 per cent in the South and West.

But the good effect of that decision must not be overemphasized. In the first place, it applies only to class rates and not to commodity rates. The latter constitutes 95 per cent of our rail shipments.

For years the North, through lower rates, has had an advantage over the West and South.

The commodity rates apply mainly to movement of raw materials, like coal, iron, lumber, cotton, wool and so on. The class rates cover, in the main, finished manufactured items, like clothing and shoes.

In figuring the value of the Supreme Court decision, therefore, it is important to keep in mind that class rate goods comprise only 4 per cent of all goods shipped by rail and accounts for only 6 per cent of income to the railroads.

But, on the other hand, I. C. C. officials claim there's no "substantial difference" on commodity rates on goods shipped between North, South and West. We know, however, there are many exceptions to that statement.

In any event, it is certain that on class rates the Northerner certainly has a big competitive advantage over the Southerner and Westerner which the new ruling will help to alleviate.

A Northern manufacturer, for example, can ship a case of shoes from one Northern point to another Northern point or from the North to a Southern point at a much lower rate than a Southern manufacturer can ship a case of shoes to another Southern point or to a Northern point.

As a result of continued protests from the South, the I. C. C. began an investigation of this obvious discrimination in 1939, and two years ago ordered class rates cut 10 percent in the South and increased 10 percent in the North. And now the Supreme has put its okay on that I. C. C. order.

The decision is a victory for the South on "class rate" goods, but our big job now is to strive for a real equaliation on those commodity rates.

Sunday School Officers Installed

Officers and teachers of the Methodist Sunday School were installed at the conclusion of last Sunday morning's service, with the Rev. F. B. Faust as installing officer. "The Way" by E. Stanley Jones, a book of daily devotionals, with their names stamped in gold, was presented to A. J. Atkins, superintendent emeritus; E. H. Topliffe, superintendent; Mrs. Palmer West, nursery; Mrs. L. Wheeler, kindergarten; Mrs. Albert McGinnes, primary; Mrs. J. E. Tisdale, intermediate; Mrs. R. J. Alexander, junior; Mrs. Carl Ellington, former junior teacher; Mrs. S. D. Harper, MYF counsellor; Mrs. F. B. Faust, young people's class; L. A. Goss, Wesley class; A. T. Wright, adult class; Mrs. Beuben Dickens, former MYF counreal equalization on those commopresenting the W. S. C. S.

JOHNSON IMPROVES

Cecil Johnson, who was injured in a car wreck near Lamesa, May 12, was dismissed from the hospital Wednesday of last week and accompanied his parents, Mr. and Mrs. J. C. Johnson, to their home here. Although no bones were broken, Johnson suffered a severely cut right hand, cuts about the face, bruises and shock, but is recovering very nicely, though weak from the loss of blood. He will remain here with his parents until fully recovered.

From where I sit ... *by* Joe Marsh

When Ed's Crops Failed

Three years ago Ed Smith's luck went bad. His crops failed, and it wasn't long before Ed's home and furnishings were up for auction.

Half the town turned out, and Ed must have thought his neighbors were a bunch of hungry vultures—buying up all his precious possessions for a song.

When it was over, and the auctioneer had left, Sam Abernathy turns to the crowd and says: "All right, folks, let's take time out for a glass of beer, and then put this stuff back where it belongs!"

Two hours later, Ed was in possession of his home and furnishings; and the folks who'd paid for them were sitting around Ed's fire enjoying a neighborly glass of beer —to show their friendship and their confidence in Ed.

Today, Ed's back on his feet—another constructive member of the community. And from where I sit, we've all been well repaid—a good investment in a good man.

WILD FLOWERS ARE PLENTIFUL DURING SPRING

Does anything good ever come out of a drouth? Schleicher County's elaborate display of a succession of 1947 spring flowers did just that!

The official explanation is this: there was a dry March, which held back the weeds, giving the flowers a head start!

Lanes and highways have blossomed out with a succession of flower shows. The bluebonnets were prettier and more numerous than ever, and were reported in places where they had never been seen before. Abundant along all of the roads, they put on their biggest show along the Divide, south of the county line.

Sweet Williams have blossomed everywhere this spring. Wild verbenas have been as thick as blue bonnets, and are still in blossom. Right now the purples, blues and pinks of earlier spring are interspersed with huge clumps of the Engelman daisy, a perennial, and masses of maroon and yellow Indian blanket.

The stiff stalks of the stately white yucca are now in blossom; these, and the purple thistle and the lavendar sweet Solomon are doing their best to overshadow flowers of more modest height.

That it has been an unusually good year for wild flowers pleases the sheep, which especially like Engelman daisies and bluebonnets.

(A few ranchers strike a sour note—they say it has been a good year for bitterweed too!)

TO RECEIVE DEGREE

A. A. Millar, son of Mrs. Cora B. Millar of Corpus Christi, is a candidate for the bachelor's degree to be awarded June 1 at the North Texas State College spring commencement exercises. Three hundred and sixty-seven degree applications have been filed—49 for master's degrees and 318 for bachelor's degrees. Millar majored in economics.

METHODIST WSCS

Mrs. J. E. Tisdale was leader for the study on Race Relations when the WSCS met Monday afternoon at the Methodist Church. Others on the program included Mmes. S. D. Harper, Ben Isaacs, F. G. Clark, Ben Hext, and F. B. Faust. Mrs. Keno Ogden conducted a short business session, and Mrs. Tisdale, as hostess, served refreshment to 8 members.

Week end visitors in the home of Mr. and Mrs. Sam Oglesby included Misses Dorothy Richardson and Louise Woolum of Kerrville, and the Oglesby's son, Billy from Schreiner.

Mr. and Mrs. George Barnett spent the past week end in Fort Worth.

CHILDREN CONFIRMED

Instruction in catechism for ten Latin American children were completed last week with their first communion services held Sunday morning at the local Catholic Church. Father Fred Doran was assisted in the instruction and communion by Catholic sisters from San Angelo. Following the communion, breakfast was served to the children. On last Thursday Ascension Day devotional was observed at the church.

GIRL WINS RADIO

In a recent drawing at a furniture store in San Angelo, in which cards accompanied by a miniature cedar chest, were mailed to high school graduates in surrounding towns, Hazel Lewis won a small table model electric radio, and Margaret Hicks won a sewing cabinet. Both girls are members of the EHS senior class.

CARNIVAL TO COME

The Borderland Carnival, sponsored by the American Legion, will be here the week of June 23, according to an announcement received by A. E. Tree. It will be in San Angelo the week before coming here.

Mr. and Mrs. J. F. Runge and family spent Saturday visiting with Mrs. Runge's mother, Mrs. R. S. Winslow on her ranch near Menard.

PARTY AT CHRISTOVAL

The fifth grade class, accompanied by their teacher, Mrs. Frances R. Sellers, and several parents, enjoyed an outing at Christoval last Saturday. The trip was made in a school bus. Boating, wading and fishing provided amusement for the group and a picnic lunch was served to about 40 children and Mrs. Sellers, Mr. and Mrs. Gordie Alexander, Mr. and Mrs. Clyde Bauguess, Mmes. Jack Etheredge, Vernal Sidduth, W. E. Turnbow, E. W. Perry, Lavelle Meckel, Perry Mittel, J. W. Davis, Aaron Steward and Reuben Dickens.

Mr. and Mrs. James C. Riley of Dallas were week end visitors in the home of Mr. and Mrs. Charlie Trigg.

HOME EC PICNIC

The Future Home Makers Club of the Eldorado High School had an all-day picnic May 10 in Christoval. Attending were 21 girls, and Mrs. Coleman, Mrs. Ervin Mund, Miss Maxfield, and Mr. and Mrs. Wyndall Hall, who made the trip in a school bus.

They cooked breakfast at Christoval and some took boat rides in the rain. After a hurried dinner they went to San Angelo where they attended the show, returning to Christoval for supper.

Donnie Rae Furr, daughter of Mr. and Mrs. F. L. Furr, has joined her parents here and has started work as bookkeeper at her father's place of business, the Eldorado Motor Co.

Covered Dish Supper At Methodist Church

A visual education program will be presented at the Methodist Church next Sunday evening at 8:30 o'clock, preceding a covered dish supper at 7:30 p. m. E. H. Topliffe will show two sound pictures, "Journey Into Faith" and a technicolor film "Hills and Sea" and also two illustrated hymns, "Faith of Our Fathers" and "Jesus Calls Us." The program will last approximately 45 minutes.

All those interested are urged to attend the Fellowship supper, and the public is cordially invited to the educational program. There will be no admission charge.

Friends of the Irl Breedlove family of Sweetwater have received invitations from Billy Sam Breedlove to his graduation on May 26 from Newman High School at Sweetwater. He attended Eldorado High School and Ft. Stockton High prior to his enrollment at Sweetwater in January, and has been a popular football player. The Breedloves live at 1213 Beall St.

PIANO PUPILS PRESENTED IN RECITAL

Piano pupils of Miss Mae Ellington who had taken music less than a year were presented in recital Saturday afternoon in the home economics living room at the school. Pot plants and cut flowers were the room decorations. An interested and appreciative audience attended.

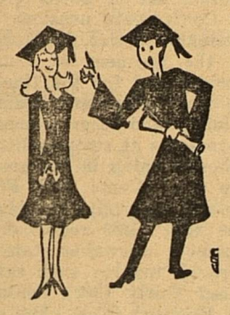

On the program were Riedale West, Bob Ratliff, Ellen Wheeler, Kenneth Paul Pennington, Mary Diane Padgett, Richard Copeland, Lora Mae Powell, Ralph Copeland, Retha Nell Lloyd, and Ruthie Dee Harris, each of whom played a group of selections; and Nancy Jo, Rita Ann and Patricia Elder in a piano trio, and Jane Belk, Betty Mae Doyle, Iretta Faye Mace and Suzy Linthicum in a two-piano number.

Mr. and Mrs. Ray Clary and family moved last week to Sonora. Mr. Clary is with the DePaw Drilling Co.

Bobby Oglesby is doing fine since being released from the hospital at Stephenville, following injuries received when thrown from a Brahma bull in a rodeo there recently. He accompanied his parents, Mr. and Mrs. Sam Oglesby, home from Stephenville last week and will remain here until next fall when he will return to John Tarleton College.

The Charlie Trigg Motor Co. delivered a new sedan coupe to R. J. Page Saturday.

LEGAL NOTICE

Senate Joint Resolution No. 4

Proposing an amendment to Article VII of the Constitution of the State of Texas by the addition of two new sections to be known as Sections 17 and 18 providing a special fund for the payment of Confederate pensions and providing a method of payment for the construction and equipment of buildings and other permanent improvements at state institutions of higher learning; providing for a five-cent reduction in the maximum allowable state tax on property; providing for an election and the issuance of a proclamation therefor. BE IT RESOLVED by the Legislature of the State of Texas:

Section 1. That Article 7 of the Constitution of the State of Texas be amended by adding thereto Sections 17 and 18 which shall read as follows:

"Section 17. In lieu of the state ad valorem tax on property of Seven (7c) Cents on the One Hundred ($100.00) Dollars valuation heretofore permitted to be levied by Section 51 of Article 3, as amended, there is hereby levied, in addition to all other taxes permitted by the Constitution of Texas, a state ad valorem tax on property of Two (2c) Cents on the One Hundred ($100.00) Dollars valuation for the purpose of creating a special fund for the payment of pensions for services in the Confederate army and navy, frontier organizations, and the militia of the State of Texas, and for the widows of such soldiers serving in said armies, navies, organizations or militia; provided that the Legislature may reduce the tax rate hereinabove levied.

"Also, there is hereby levied, in addition to all other taxes permitted by the constitution of Texas, a state ad valorem tax on property of Five (5c) Cents on the One Hundred ($100.00) Dollars valuation for the purpose of creating a special fund for the purpose of acquiring, constructing and initially equipping buildings, or other permanent improvements at the designated institutions of higher learning; and the governing board of each of such institutions of higher learning is fully authorized to pledge all or any part of said funds allotted to such institution as hereinafter provided, to secure bonds or notes issued for the purpose of acquiring, constructing and initially equipping such buildings or other permanent improvements at said respective institutions. Such bonds or notes shall be issued in such amounts as may be determined by the governing boards of said respective institutions, shall bear interest not to exceed three (3%) per cent per annum and shall mature serially or otherwise not to exceed ten (10) years from the first (1st) day of January of each year in which such funds are allocated or re-allocated to said respective institutions; provided, the power to issue bonds or notes hereunder is expressly limited to a period of thirty (30) years from the date of the adoption of this amendment; and provided further, that the Five (5c) Cent tax hereby levied shall expire finally upon payment of all bonds hereby authorized; provided further, that the state tax on property as heretofore permitted to be levied by Section 9 of Article VIII, as amended, exclusive of the tax necessary to pay the public debt, and of the taxes provided for the benefit of the public free schools, shall never exceed Thirty (30c) Cents on the One Hundred ($100.00) Dollars valuation. All bonds shall be examined and approved by the Attorney General of the State of Texas, and when so approved shall be incontestable; anl all approved bonds shall be registered in the office of the Comptroller of Public Accounts of the State of Texas. Said bonds shall be sold only through competitive bids and shall never be sold for less than their par value and accrued interest.

"Funds raised from said Five (5c) Cents tax levy for the ten (10) year period beginning January 1, 1948, are hereby allocated to the following institutions of higher learning, and in the following proportions, to wit:

Institution	Per Cent of Total
John Tarleton Agricultural College	5.72107
North Texas Agricultural College	6.17028
Texas State College for Women	11.52992
Texas College of Arts and Industries	4.75551
College of Mines and Metallurgy	4.71936
Texas Technological College	16.54877
East Texas State Teachers College	8.10657
North Texas State Teachers College	12.64522
Sam Houston State Teachers College	5.55068
Southwest State Teachers College	6.78474
Stephen F. Austin State Teachers College	4.55414
Sul Ross State Teachers College	2.15315
West Texas State Teachers College	5.41643
Prairie View Agricultural and Mechanical College of Tex.	5.34416

"Not later than June 1st of the beginning year of each succeeding ten (10) year period, the Comptroller of Public Accounts of the State of Texas, based on the average long session full-time student enrollment for the preceding five (5) year period of time, shall re-allocate, to the above designated institutions of higher learning then in existence, all funds to be derived from said Five (5c) Cent ad valorem tax for said ten (10) year period; and all such designated institutions of higher learning which participate in the allocation or re-allocation of such funds shall not thereafter receive any other state funds for the acquiring or constructing of buildings or other permanent improvements for which said Five (5c) Cents ad valorem tax is herein provided, except in case of fire, flood, storm, or earthquake occurring at any such institution, in which case an appropriation in an amount sufficient to replace the loss so incurred may be made by the Legislature out of other state funds. This amendment shall be self-enacting. The State Comptroller of Public Accounts shall draw all necessary and proper warrants upon the State Treasury in order to carry out the purpose of this amendment; and the State Treasurer shall pay warrants so issued out of the special fund hereby created for said purpose."

"Section 18. For the purpose of constructing, equipping or acquiring buildings or other permanent improvements, the Board of Directors of the Agricultural and Mechanical College of Texas is hereby authorized to issue negotiable bonds or notes not to exceed a total amount of Five Million ($5,000,000.00) Dollars, and the Board of Regents of The University of Texas is hereby authorized to issue negotiable bonds or notes not to exceed a total amount of Ten Million ($10,000,000.00) Dollars. Any bonds or notes issued hereunder shall be payable solely out of the income from the Permanent University Fund. Bonds or notes so issued shall mature serially or otherwise not more than twenty (20) years from their respective dates, and in no event later than twenty-five (25) years after the date of the adoption of this amendment. This amendment shall be self-enacting.

"Said Boards are severally authorized to pledge the whole or any part of the respective interests of the Agricultural and Mechanical College of Texas and of The University of Texas in the income from the Permanent University Fund, as such interests are now apportioned by Chapter 42 of the Acts of the Regular Session of the 42nd Legislature of the State of Texas, for the purpose of securing the payment of the principal and interest of such bonds or notes. The Permanent University Fund may be invested in such bonds or notes.

"All bonds or notes issued pursuant hereto shall be approved by the Attorney General of Texas and when so approved shall be incontestable."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this state at a special election to be held throughout the state on the fourth Saturday in August, A. D. 1947, at which election all ballots shall have printed thereon:

"For the amendment to Article VII of the Constitution of the State of Texas, adding Sections 17 and 18 providing for the levying of a state ad valorem tax on property in lieu of the present state ad valorem tax of Seven (7c) Cents for Confederate pensions in order to create special funds necessary for the payment of Confederate pensions and for the financing of the construction and equipment of buildings and other permanent improvements at state institutions of higher learning, in the amounts of Two (2c) Cents and Five (5c) respectively; providing for a Five Cent reduction of the maximum allowable state tax on property, making such tax not to exceed Thirty (30c) Cents on the One Hundred (100.00) Dollars valuation; providing a method of payment for the construction and equipment of improvements and buildings at the Agricultural and Mechanical College of Texas and The University of Texas."

"Against the amendment to Article VII of the Constitution of the State of Texas, adding Sections 17 and 18 providing for the levying of a state ad valorem tax on property in lieu of the present state ad valorem tax of Seven (7c) Cents for Confederate pensions in order to create special funds necessary for the payment of Confederate pensions and for the financing of the construction and equipment of buildings and other permanent improvements at state institutions of higher learning in the amounts of Two (2c) Cents and Five (5c) Cents respectively; providing for a Five (5c) Cent reduction of the maximum allowable state tax on property, making such tax not to exceed Thirty (30c) Cents on the One Hundred ($100.) Dollars valuation; providing a method of payment for the construction and equipment of improvements and buildings at the Agricultural and Mechanical College of Texas and The University of Texas."

Sec. 3. The Governor shall issue the necessary proclamation for said election and have the same published as required by the constitution and laws of this state.

Sec. 4. The sum of Ten Thousand ($10,000.00) Dollars, or so much thereof as may be necessary, is hereby appropriated out of any funds in the treasury of the state, not otherwise appropriated, to pay the expenses of such publication and election.

Mrs. Nixon Honored On 64th Birthday

Mrs. A. M. Nixon was honored with a surprise birthday party at the home of her daughter, Mrs. Ray Jones, Thursday afternoon. About 45 relatives and friends of the honoree attended the party, and she received many pretty gifts.

An informal program consisted of songs by Mrs. Roy Andrews, Nolan McDonald and C. F. Jones, and by Patsy Perry and Becky Mund.

Refreshments of cake and punch were served. Mrs. Nixon, who lives next door to her daughter, was 64 years old Thursday. She has a large number of relatives living here.

Mr. and Mrs. N. N. O'Brien, who ranch near Monahans and in Colorado, and Mrs. Margie Elrod and Ralph Elrod of Monahans visited in the C. O. Bruton and H. O. Graf homes Saturday and Sunday, and Mrs. Graf returned home with them for a several days visit. Mrs. O'Brien and Mrs. Elrod are sisters of Mrs. Graf and Mrs. Bruton.

Cooper Gives You 2 GREAT TIRES!

1. COOPER "ARMORED CORDS" FOR PASSENGER CARS

America's SUPER-SAFE tires! Each cord in tire's body sheathed or "armored" with live rubber to lessen friction and heat build-up—chief cause of premature tire failures. Thick, tough, cushioned treads . . . big, husky, bruise-resisting shoulders . . . smart, handsome, streamlined design. *More safe, economical miles for you* . . . when you drive on Cooper Armored Cord Tires!

2. COOPER DSC* TIRES FOR COMMERCIAL VEHICLES

Making sensational mileage records for leading commercial fleets and bus lines. Scientifically designed to distribute and lessen friction-and-heat-producing stresses in tire carcass. Built of heat-resisting rayon, Cooper DSCs are cooler-running, longer-running, *safer-running* truck tires . . . even under heaviest loads at high speeds!

Local News Items

Mr. and Mrs. A. T. Wright visited Sunday in Brady with the former's brother, Albert Wright, who has been ill. Mr. and Mrs. W. E. Humphrey and grandson, Eddie accompanied them to Brady, and Mrs. Humphrey and Eddie went on to Brownwood for a visit of several days with her sister, Mrs. Neil Chesser and family, and her mother Mrs. Nannie Sellman, who suffered a severe heart attack last week.

Mr. and Mrs. Lester Robertson are the parents of a daughter, Lynda Lee, born April 25. The baby weighed a little over 5 pounds at birth. Mr. Robertson is employed at the Red and White store.

Mrs. George Dickens, former resident here, received a broken left arm in a fall Wednesday of last week at the home of a brother, with whom she was visiting in San Marcos. The arm was placed in a cast and Mrs. Dickens is expected to return to her home in Menard soon.

Lions of Sonora have voted to underwrite a proposed athletic stadium to the extent of $6,000.00. The stadium is to be completed by fall, will seat 1050 people and is to be made of structural steel.

M. J. Leonard of Riverton, Wyo., left last Thursday morning after a 12 day visit here in the home of Mr. and Mrs. Preston Brady. Mr. Brady formerly worked with Mr. Leonard while living in Wyoming.

Bob McWhorter is expected home this Friday from A and M College and will remain here until May 30 when he will return to the college to receive his degree in business administration. His mother, Mrs. W. L. McWhorter, will accompany him to College Station for the commencement exercises.

Don Severns and Eldred Roach left last Saturday morning on a business trip to Findlay, Ohio. They were accompanied by Mr. Severn's mother, Mrs. Jennie Severns, who is returning to her home in Columbus, Ohio, after a four weeks visit here. While in Eldorado Mrs. Don Severns took her mother-in-law to several points in Texas including Balmorhea, Ft. Davis, Austin, San Antonio and Galveston, and to Via Acunia and Piedras Negras, Mexico.

Mrs. A. J. Roach had as their dinner guests Sunday, Father Frederick Doran of Sonora, several Catholic Sisters from San Antonio, Mrs. Valis and children of Eldorado, and Osley Bernier of Christoval, who was visiting in the Valis home.

Sunday guests in the W. C. Parks home were Mr. and Mrs. Claude Roth and son, Tommy of Rapid City, S. Dak., Mrs. Ida Mae Mapes and Georgia, Mr. and Mrs. Delbert Edmiston and children, Genelle Sue and Jerry, all of Mertzon; Mr. and Mrs. William Jarrett and son Bill, Mr. and Mrs. Joe Edens, Mr. and Mrs. Sidney Williams, and Mr. and Mrs. R. J. Alexander and sons, Junior and Gerald, all of Eldorado. Mrs. Roth is the former Miss Billie Miller, a grand daughter of the late Mrs. Annie R. Miller.

Mrs. Ray Bruton and children returned home Sunday from a week's visit in Brady with her parents, Mr. and Mrs. B. L. Hughes, who accompanied them home, and spent Sunday with the Brutons. While in Brady, the Bruton's young son, Bert, had his adenoids removed at the hospital there.

Mr. and Mrs. Claude Ward of Gouldbusk visited Mr. and Mrs. James Sloane Tuesday and took Jimmie Sloane, their grandson, back with them for a week's visit.

Control of Pecan Nut Casebearer Described By Agent

By W. G. Godwin, Co. Agent

The pecan nut casebearer is one of the most important insect pests of pecans in Texas, often causing the destruction of one-third to three-fourths of the total pecan crop.

The nut casebearer spends the winter as a partly grown larva (worm) in a small, tough silken case located at the base of the leaf buds. As soon as the trees begin new growth in the spring the young casebearers begin to feed on the buds to which the winter cases were attached. Later they bore into the young tender shoots, causing destruction of the new growth. About 30 days after the young case bearer begins to feed, development is complete and the adult moths emerge. In general the maximum number of moths emerge about the time the nuts are set and begin laying eggs two or three days later. This usually occurs during late April and early May. The eggs hatch in about 5 days and the young casebearer feeds for two or three days on buds and then begins to bore into the base of the small nuts. Most of the damage to the pecan crop is done by this first generation when the nuts are small.

The nut casebearer can be satisfactorily controlled if the trees are properly sprayed at the right time. Good control may be obtained by using lead arsenate at the rate of 6 pounds per 100 gallons of water, or a new spray that has recently been developed using 6 pounds lead arsenate, 1 pint of nicotine sulfate (Black leaf 40), 3 quarts of summer oil emulsion per 100 gallons of water.

The spray must be applied before the young casebearers have entered the nuts. This effective period is short and varies with the season and locality, but in general the spraying should be done as soon as possible after the nuts are set, that is after the blossom end of the nuts has turned brown. Best results will be obtained if spraying is done three to five days after the nuts are set and should not be delayed longer than ten days afterward. A spray machine that will develop at least 250 to 300 pounds pressure is essential for a good application. The spray should be directed at the outer branches so that the nut clusters as well as the buds are thoroughly wet with the spray.

Six pounds of 50% DDT wettable powder in 100 gallons of water is about as effective for pecan nut casebearer control as the above.

HIGHWAY DEPARTMENT ISSUES NEW ROAD MAP

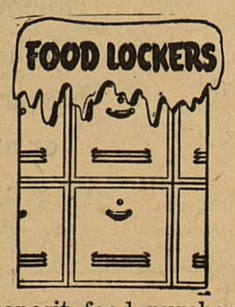

A new edition of the official State highway map is just off the press to aid Texas travelers in finding their way over the state's rapidly expanding road system.

Color photographs of things to see and do in the Lone Star State are featured on the map to help lure tourists from other States and inspire Texans to "See Texas First'

State Highway Engineer D. C. Greer announced free copies of the new map are available to the traveling public upon request. They will be distributed through the Highway Department's main office at Austin, the 25 district offices, and at the Department's information bureaus located at ports of entry into Texas.

Progress on the postwar building program is graphically indicated on the new map which carries more than 1,100 miles of new paved road which were not shown on the former edition.

Mrs. Coralie Mebane returned last Saturday from Houston where she attended the Golden Jubilee of the Texas Federation of Women's Clubs at which a number of the general federation officers were speakers.

Deposit food purchases in your frozen food locker for many a meal; withdraw what you need as you need it. Save on large quantity purchases, save time, save effort.

Ruby Butler Weds Long Beach Resident

Miss Ruby Butler, daughter of Mr. and Mrs. J. A. Butler of Eldorado, became the bride of M. L. Wiley, of Long Beach, Calif., April 22 at the Lake Side Church in Long Beach.

The bride, given in marriage by her uncle, Carlton Butler, wore a bridal dress of white satin and net with a bertha and peplum edged with lace, and full length sleeves extending to points over her hands. Her shoulder length veil was of bridal illusion, and she carried a bouquet of a dozen yellow orchids tied with streamers of satin ribbon. Her only ornament was a locket with a butterfly made on tiny strands of wire with each dot set with pearls, and hung on a golden chain. The locket, brought from the Philippines by her sister, a former WAC, was taken from the body of a Jap officer.

Jewel Burge, who attended her sister as bridesmaid, wore a floor length dress of acqua net over taffeta with bouffant sleeves of lace, and the same lace trimming the bodice.

Earl Wiley attended his brother as best man. Following the ceremony, a reception was held in the home of the bridegroom's parents, and afterwards, the couple left for a ten-day wedding trip to Sequoyah National Park, San Francisco, and other points on the West Coast. They will make their home in Costa Mesa where Mr. Wiley is proprietor of a service station.

Mrs. Wiley is a graduate of the Eldorado High School, and attended the Shannon Memorial Hospital Nursing School in San Angelo. For the past several months, she has been employed in Pasadena, where she has been living with her sister.

Mr. Wiley received his degree from the Long Beach Technilogical School, and is a veteran of five years service with the U. S. Navy.

TO VISIT TRIGGS

Mr. and Mrs. Charlie Trigg will go to San Angelo Thursday to meet Commander Barry Holton, USN, with whom Mr. Trigg was associated while in the Naval Service. Commander Holton, a former pilot in World War I, and a veteran of World War II, is now attached to the Naval Air Station in Dallas. He will speak at a meeting of the U. S. Naval Reserve Corp at the Cactus Hotel Thursday, and the Triggs expect to bring Commander Holton to Eldorado for a short visit in their home.

CRAIGS ATTEND FUNERAL

Mrs. M. E. Parker, 88, an aunt of Mrs. Annie Craig and greataunt of E. W. Craig of the Reynolds community, died at Abilene last Friday morning and funeral services were held at 4:00 p. m. Saturday at Goldthwaite. Mr. and Mrs. Craig and family and Mrs. Annie Craig went to Goldwaite Saturday, returning home Sunday.

Local News Items

E. M. Doty has returned from a visit at Hamilton, in Hamilton Co., where he was reared.

Preston Brady, who is employed with the DePaw Drilling Co., left Sunday for Big Lake where he has been transferred. Mrs. Brady and their son will move there some time this week.

Miss Iris Brooks of San Angelo spent the week end with her sister, Mrs. Albert McGinnes and family.

O. W. Duncan of Calf Creek has been visiting his daughter, Mrs. F. L. Furr and family.

Mr. and Mrs. Gene Koy came in Tuesday from their ranch at Barksdale for a visit with relatives.

Mr. and Mrs. Cecil Walston of Menard visited their son Jess Walston and family Sunday night and Monday.

Mrs. A. W. Bush of Sweetwater is visiting here with her brother, Calvin Bounds and family.

Mr. and Mrs. G. S. Cathoy of San Angelo spent Sunday with Mr. Cathoy's sister, Mrs. A. J. Halbert and family.

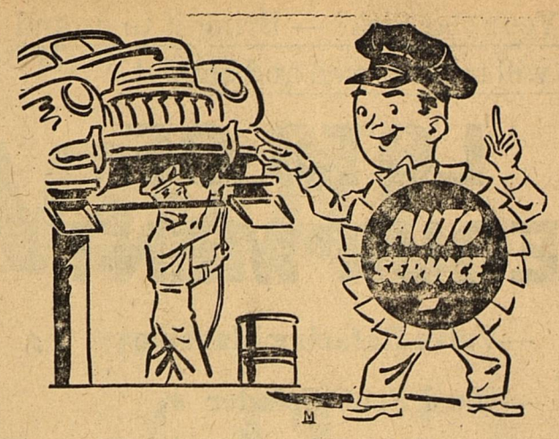

Jess Koy's 2-year-old stallion V-Day won second in the 2-year class in the horse show May 16, 17 and 18 at San Angelo.

TEACHERS PLAN BUSY SUMMER, TRIPS, SCHOOL

Summer school, sightseeing trips, visiting, rest, work and even building a house are some of the summer plans for Eldorado school teachers, who will round out a full school year next Wednesday following the issuing of report cards to all students. Most of them will close their desks, lock their doors, and with a sigh of relief, depart for a well earned and much needed rest.

"It's been a good year, and we've enjoyed working with the students and faculty," was the opinion expressed by the teachers, who, with the possible exception of two, will return to Eldorado next fall.

Supt. C. A. Reynolds plans to stay in Eldorado for most of the summer, overseeing the reconditioning of the football field, necessary repair work on the school buildings and other things which they have not had time to see to before. Working on schedules, and looking for teachers for next year, with an occasional visit or pleasure outing, will provide a busy summer for Eldorado's school head.

Peyton Cain, principal, will go to Alpine between the 1st and 15th of June to begin his new duties as superintendent of the Alpine school, having presented his resignation here recently.

Grade Principal Wyndall Hall and his family will leave as soon as school is out for California where they will visit with Mrs. Hall's mother. Later, he plans to do graduate work at the University of California or Fresno State Teachers College, and will return to Eldorado the middle of August.

C. F. Jones and his family expect to leave next week for Mullinville, in western Kansas, where they will spend Memorial Day, and after that will visit in Topeka for a week with his wife's mother. They will return to Texas, and will spend the remainder of the vacation months at Sul Ross College where he will take instruction in education and music.

Miss Pearl Leifeste plans to leave by car or bus June 15 for San Diego, Calif., where she will visit for a few weeks with a brother and sister-in-law, Mr. and Mrs. Riley Leifeste. Another brother, A. J. Leifeste, teacher in the Brady school, may accompany her there. After her visit in California she plans to spend the last six weeks at summer school in Alpine.

Coach Ernest Sutherland and his family will spend the summer months at their home in Archer City where they are planning to build a house. If plans are carried out, he will be busy assisting with the work, and will later attend the annual coaching school before returning here next fall.

Mrs. Carl Stevens will be at home for awhile, and later plans a trip with her husband to various parts in the States.

Mrs. D. C. Royster will spend her vacation here in Eldorado as will Mrs. Bennie Watson, who expects to visit relatives out of town some of the time.

Miss Ina Mae Lightsey plans to visit in Mertzon with her sister before going on to her in Dublin for a visit with her father. Her other plans are not complete.

Miss Thelma Ellington expects to stay at her home in Eldorado most of the summer, and Miss Annie Herbert will spend the summer at Dublin with a possible trip to Mexico scheduled for later.

Ruth Mund will spend most of her summer at home, and Mrs. Howard Coleman will stay in Eldorado for the first three weeks in June continuing her duties as H.E. instructor, and will return here the last week in August to complete and grade the girls' summer projects. The rest of the summer, she will spend at her home in Miles.

Miss Nora Koen will spend the summer months at Sul Ross College and will visit between terms with her family in Mineral Welsl.

Miss Jewel Shelton plans to attend the first summer session at TSCW, and will spend the remainder of the time at her home in Sweetwater.

Miss Dorothy Maxfield will attend Howard Payne College for the first six weeks session, and the rest of the summer will be spent at her home in East Texas, near Arp.

Mrs. Frances R. Sellers will attend summer school at Our Lady of the Lake for the first session where she will work on her MA degree, and after that, she and her mother, Mrs. Payne Robinson, plan a trip to points in the East.

Phi H-- ETAOIN shrdlu eta shhr

Mrs. E. C. Hill has made no definite plans for the summer months, but expects to spend most of the time at her home here, with occasional visits with relatives.

Plans of other teachers will be announced later.

Mr. and Mrs. Arthur Blades of Litchfield, Ill., were week end visitors in the home of Mr. and Mrs. W. T. Huber.

McRae Convalescing In San Antonio Hosp.

W. C. McRae, the father of Mrs. Len Baugh and Bill McRae, Jr., is improving in the M & S hospital in San Antonio following serious injuries received in an explosion at Carizzo Springs Tuesday night of last week. Mrs. Baugh returned home Sunday from San Antonio where she went to be with her parents.

Although not as seriously injured as at first thought, Mr. McRae has completely lost the use of his vocal chords, Mrs. Baugh stated.

Mrs. A. E. Kent has returned from a visit in Lubbock with Dr. Foster and family.

S. Cheatham Honored On 68th Birthday

S. H. Cheatham was honored on his 68th birthday when his wife entertained last Sunday with a surprise birthday dinner. A chicken dinner followed by pie, ice cream and the pink cake with 68 candles was served to Mr. and Mrs. E. W. Barrow of Kermit; Mr. and Mrs. O. H. Bailey and children, Mr. and Mrs. Richard Cheatham and family, Kenneth Hughes, Mrs. Stella Huckleby, Mrs. Cheatham and the honored guest.

Ora Ballew, who is employed in Abilene, spent the week end with her parents, Mr. and Mrs. G. L. Ballew.
