Watson Signs With Toronto

Kingsville -- Texas A&I University defensive tackle Robert Watson has become the second Javelina to sign with a Canadian Football League team this spring.

The 6-3, 250-pounder from Lubbock Dunbar High School signed with Toronto.

Watson has been a three-year letterman with the Javelinas. He has played on teams that have compiled a 38-8-0 record, won three Lone Star Conference championships and consistently ranked near the top in the NCAA Division II national poll.

He was named to the All-Lone Star Conference roster last fall.

Watson had 30 tackles last season, had two interceptions and was credited with three sacks.

Linebacker James King signed earlier with Saskatchewan.

HUD: Census Earnings Won't Affect Housing Subsidy

On March 28, HUD Secretary Jack Kemp signed a Federal Register notice excluding money earned as a Census Taker from income for determining eligibility or benefits under public or assisted housing programs.

This means that people in low income, rent-subsidized or public housing development can work for the Census Bureau to help in

canvassing their communities without getting their rent increased because of the added income.

HUD is the third agency to modify their regulations to assist the Bureau in carrying out the 1990 Census.

The Department of Health and Human Resources earlier exempted income earned as a Census Taker when computing benefits under the Aid to Families with Dependent Children program, and the Department of Agriculture exempted this income when computing Food Stamp program benefits.

Persons interested in applying for these temporary Census jobs should contact the local Census Bureau office or their state employment commission. They will be paid an hourly rate plus mileage for use of their private automobile when applicable.

Crazy Horse

According to a recent edition of The Austin Light, the city officials of Austin have come up with an innovative and sensitive plan for including minority businesses in the competition for city contracts. This effort is being made because the General Services Department of Austin reported that minorities, including women, received only 5% or \$236,457 of the \$4.7 million in contracts for fiscal year 1988-89. Only 19 of the 515 vendors who contracted with the city were minority-owned businesses.

The plan is to divide the city into districts for purposes of bids for contracts under \$5,000. There would still be competition for the bids, but folks bidding would simply be geographically restricted for small contracts. In this way small local businesses in the community would have a chance to obtain contracts. This plan should stimulate economic development in the targeted communities.

Over the years there has been a steady stream of complaints about the use of federal monies by the city of Lubbock. Hearings are held, input received, and then the city seems to do something else with the money. Similar problems have been raised by folks who feel the school district is not sensitive to minority concerns. There have been complaints that the Chamber of Commerce has not been particularly sensitive to economic development in north and east Lubbock.

Would there be any benefit to studying the possibility of creating the new city of Quirt. It would be made of north, east, and central Lubbock. It would include Texas Tech, downtown Lubbock, the airport, the three major hospitals, most of the banks, city hall, the administration building for LISD, all the courts, and the federal building. It would also be eligible for a large portion of the federal money targeted for the poor community in Lubbock.

I suspect the city council of Quirt would not spend money in the same way as the current city council and staff. Perhaps, things would also be different in the new Quirt Chamber of Commerce and in the Schools of G. I. S. D. If I am correct that such a new city would do things differently, then why not demand a new sensitivity on behalf of city officials to minority needs. And if that sensitivity is not forthcoming, well, how about T. J. Patterson for Mayor, Den Benson for city attorney, Linda DeLeon as school superintendent, McKinley Shephard, Emilio Abeyta,

When the powers that be do not change to reflect the needs of the people, then maybe the powers that be should not be the powers that be any longer.

I watched most of Farm Aid IV this past Saturday. Little Joe, Willie Nelson, Joe Ely, Texas Ag. Commissioner Jim Hightower and other Texans were on TV fighting for the family farmer. The show was up in Indiana inside the Hoosierdome. As I recall the statistics, West Texas has more farm land, farmers, and produces more crops than almost any place on earth. Maybe Farm Aid V should be in West Texas.

You may be critical of some things that are written, but, at least you will have the satisfaction of knowing they are truthful and to the point.

People will react to that which is precise, and we will publish the articles as precisely and factually as is humanly possible. We will also give credit and respect to those who are doing good things for the Lubbock Area and the people. A man named Myles Horton died on January 19, 1990, in New Market, Tennessee. In 1932 he founded the Highlander Research and Education Center located in the Appalachian Mountains north of Knoxville, Tennessee. Rosa Parks was at Highlander a couple weeks before she sparked the Montgomery bus boycott in 1955. In 1956, "We Shall Overcome" was written at Highlander by Pete Seeger and Zilphia Horton. In 1957, the governor of Georgia sent a spy into Highlander to take pictures during its 25th anniversary celebration. Shortly thereafter, billboards across the South pictured Martin Luther King, Jr. with the caption stating King attended a communist training school.

Voting rights activists, unionists, SNCC and SCLC folks conferenced at Highlander. Mr. Horton and his friends started a place where activists could relax and go about the business of changing the world. We need more places like Highlander.

In Sunday's Avlanche-Journal it was reported that Mayor Othal Brand argued against the total ban of the pesticide chlorodane during a March 7th meeting of the Agricultural Resource Protection Board stating: "Sure, it's going to kill a lot of people, but they may be dying of something else anyway."

Mayor Brand is also a nominee to sit on that board. Governor Clements appears to have knowledge that there may be trouble with getting his nomination approved by the Texas Senate.

Some of you may have heard of Mr. Brand. Jack Griffin of Hereford and Othal Brand of McAllen are the founders of Griffin & Brand, Inc. and other spinoffs that make up one of the largest agribusinesses in Texas. G&B has been on the losing end of countless of law suits filed by TRLA, Inc. in Hereford and in the Rio Grande Valley. After being privy to some of those law suits during my years with TRLA, Mr. Brand's statement comes as no surprise. Someone should ask Clayton Williams if he supports the appointment of Brand.

On May 5, 1990, the Second Annual Frankie Randolph Social Justice Award will be presented to Ernesto Cortes, Jr. and the Organizers of the Texas Interfaith Network at a benefit dinner for The Texas Observer at the Palmer Auditorium in Austin.

Health Editorial:

Going To The Dentist

Dr. Heenan Johnson, III

You should visit a dentist about every six months. Regular examinations are necessary not only to minimize tooth decay, but also to check the health of your whole mouth. A neglected mouth can create

the risk of infections entering the bloodstream, which can endanger your general health. Dentures, like natural teeth, need to be checked regularly, and all dentures eventually wear down and need to be replaced. If you have dentures and have no problems with them, you should visit a dentist about once every two years.

During your check up, the dentist first examines your mouth for signs of any diseases that are not confined to the teeth. Red, puffy gums indicate gingivitis (gum disease) or periodontitis (gum and jaw bone disease). A white discoloration of the inside of the mouth may signify oral thrush, leukoplakia, or oral lichen planus. There are other more serious and life threatening disorders which occur in the mouth.

The dentist then examines or inspects your teeth with a mirror and a needle shaped probe, looking for discolorations that may indicate decay or any crack indications the beginning of a cavity. Existing fillings are examined to see if any parts have been chipped off or if any fresh cavities are developing around the edge of a filling.

Before the examination, the dentist or dental assistant usually will ask about your general health. This is VERY IMPORTANT. It may have direct bearing on your treatment. If, for example, you have some types of heart condition and have a tooth extracted, or any other treatment that causes bleeding of the gums, you run the risk of contracting bacterial endocarditis. Diabetics whose disease is not carefully controlled may become ill if they undergo stress in the dentist's chair. Also, if dental treatment of a person with diabetes requires a general anesthetic, it may have to be carried out in a hospital, if the person diabetes is not controlled through diet or insulin. If you have an allergy, you may react

THIS N THAT

NEEDS SOMETHING DONE NOW!! THIS N THAT

is like many others ... THERE NEEDS TO BE SOMETHING DONE ... in our area of the town ... as the ... PICTURE OF GRAFFITI ... is being seen on various properties ... and even some church properties ... Who ever is responsible for this ... ILL ACTIVITY ... should cease what they are doing ... and ... HELP KEEP OUR AREA LIKE IT SHOULD BE ... It would help if ... PARENTS OF THESE KIDS ... would get involved ... and help with this bad situation ... Just think of what happened at a local ... BLACK CHURCH ... while the Ministerial Alliance Fellowship was having its monthly meeting at the ... CHURCH OF THE LIVING GOD ... 408 N. Zenith ... when some unknown ... PERSONS ... KNOCKED OUT WINDOWS OF OUR BLACK BROTHERS & SISTERS CARS ... while they were parked ... This is not the way it should be done ... but it is happening in our community ... and something needs to be done about it ... THIS N THAT ... knows ... as well as you ... that by arresting these persons involved ... is not the answer ... There has to be a ... BETTER WAY ... Now what that way ... IS ... THIS N THAT ... does not know ... It is best ... that this kind of activity cease ... before someone is ... hurt ... and the police will arrest some of our kids ... Let's hope this will not be taken ... LIGHTLY ... and that there will be some kind of a solution ... Just the evening ... THIS N THAT ... was talking with local officials ... about the need for more of our young people in East Lubbock ... to receive ... JOBS FOR THE SUMMER ... now this could be a great beginning ... This would be a terrific opportunity for the ... LUBBOCK BLACK CHAMBER ... to find some means to employ many of these young people ... from ... EAST & NORTHEAST LUBBOCK ... this summer ... This could ... DEFUSE A TIME BOMB ... which we are apparently sitting on ... and it could go off at anytime ... What is so ... FRIGHTENING ... is the young fellow who was shot recently at the car wash ...

located on East Broadway ... and believed to be dope related ... and the young ... BLACK WOMAN ... who was apparently shot by a passing car ... early this week ... Anyway ... let's pray to ... GOD ... that we get something done now ... before someone we love dearly is critically wounded ... by some person involved in this dope ... And at the same time ... LET'S BE CONCERNED ABOUT OUR SENIOR CITIZENS ... who live by themselves ... and are not immune from this kind of negative activity ... WILL YOU HELP??

D. C. KINNER THE BARBER SAYS: "LET'S HELP ... our kids today ... by involving them in some kind of ... SUMMER ACTIVITY ... this year ... TOO MUCH AT STAKE! THIS N THAT ... would like to ... WARN ... persons responsible for the destruction of ... our ... BLACK COMMUNITY ... that it has taken ... MANY YEARS ... to get our posture into an ... ECONOMIC DEVELOPMENT MODE ... and we won't allow anyone to destroy what we have been working for ... ALL THESE YEARS!! LET IT BE KNOWN ... that we will not ...

TOLERATE ANY OF THIS NEGATIVE ACTIVITY IN EAST LUBBOCK OR NORTHEASTS LUBBOCK Perhaps you have won ... the skirmish ... at this time ... but ... YOU WILL NOT WIN THE WAR!! THIS N THAT ... wants you to know that ... THERE IS TO MUCH AT STAKE ... to allow those unknown persons ... to continue to destroy ... our neighborhood ... THIS N THAT ... will do anything it can to ... HELP ANYONE ... but we will never ... be a part of ... or help those unknown persons destroy our ... BLACK COMMUNITY!! THIS N THAT ... hopes the ... PARENTS OF THESE KIDS ... understand where we are coming from ... because we are very much ... CONCERNED WITH WHAT IS GOING ON ... At the same time ... BLACK CHURCHES ... you need to take your ... RIGHTFULLY STAND AGAINST THIS EVIL ... which is happening in our community ... and let the word go out that you don't tolerate this kind of activity!! Let pray that you will!! BETHEL CAFETERIA CLOSED!! THIS N THAT ... feels very sad over the present closing of the ...

BETHEL CAFETERIA ... There are those in the ... BLACK COMMUNITY ... who could care less about ... BLACK OWNERSHIP ... and will work behind the scenes to see that there is not prosperity ... when it comes to ... BLACKS OWNING & OPERATING ... their own ... Really ... these kinds of persons do us more damage than ... the ... WHITE COMMUNITY ... does ... Anyway ... BETHEL CAFETERIA ... is only closed ... TEMPORARILY ... and with the help of ... GOD ... it will return ... but only ... STRONGER!! THIS N THAT ... remembers ... when the ... BETHEL CAFETERIA ... first opened ... and the pastor ... REV. A. L. DUNN ... had young ... BLACK BOYS & GIRLS ... working ... and being tutored ... by adults ... and there were those who ... EVEN FOUGHT THAT ... But at the same time ... before the ... VACANT FACILITY ... became a new project ... NOBODY SAID ANYTHING ... but there were illegal action in the building ... and ... GOD ... sent a man to Lubbock ... and we ... REFUSED TO HELP HIM ... Well ... as mentioned above ...

The Outreach Prayer Breakfast

The Outreach Prayer Breakfast met last Saturday morning at 9 a. m. in the lovely home of Sister Christine Burleson. Opening devotion scripture was 1 Timothy 6:1-6 by Annie Richards. Prayer and praise to God filled the meeting.

The scripture lesson was again taught by Rev. Henry Lee. His text was 11 Corinthians 10:1-6.

(3) For though we walk in the flesh, we do not war after the flesh; (4) for the weapons of our warfare are not carnal, but mighty through God to the pulling down of strong holds.

This teacher said: "Satan comes to disturb the family. I'm sure when Adam sinned he lost a portion of the knowledge he had. See how he can bring things upon the family to interrupt the family and destroy it. We wrestle not against flesh and blood, but principalities wickedness. Jesus came down through a line of sinners, but God sent his Son. When he looked at that baby in her arms, he saw hope for the world in the midst of a storm. He looked at Mary and said, he will be a Prince of Peace, Wonderful Counselor, Saviour of the World. Remember this, sin is the only thing that keeps us apart. 11 Cor. 10:4"

"For the weapons of our warfare are not carnal, but mighty through the pulling down of strong holes. Paul was very rude. When you're confident, you're bold. He tells us to come boldly to the

throne of grace. Come in confidence in the word and your heart, when we walk in the flesh that evil nature he gives us a tool to work by which is love. Casting down imaginations and every high thing that exaltes itself

against the knowledge of God, and bringing into captivity every thought to the obedience of Christ.

"Are you having problems with your son? Daughter? Or some other family member? Is there someone on drugs? Living deep in sin? Whatever the problem is, we have the word, and also God has ministering angels. They act by the word, walk according to the word. He will send out those guarding angels to help out in times just like these are today? Satan is trying to upset the family. We have the tools of Love, Faith and Prayer!"

Thanks, Rev. Lee. This lesson strengthened our faith. We love you. Keep preaching and teaching the Word.

Thought from last week:

"Mathew 6:33 -- Seek ye first the Kingdom of God and his righteousness and all these things that are killing; for stealing to get. Selling drugs to get -- betraying your Brother to get -- bring a radical to get! Being an outright devil to get! Lying to get. It all will be added; he said, all these things shall be added -- Health, Love, bearing Good Fruit -- Loving your neighbor, things you want, I don't know what all these things consist of to you, but he said, it in the sermon on the Mount. Start reading at the 5th - 7th chapters. We are the salt of this earth. Salt has saving power. And if it loses it, it's good for nothing but to be trampled under the foot of me. Look what's happening, Christians! Do you think we have lost the savoring power?"

We will meet with our

friends at the Parkway Nursing Center, 114 Cherry Avenue, Saturday morning at 10:00 a. m. See you there! Thank you for your continued support, spiritually and prayerfully.

Our guest list last week were: Sister Hazel Dison, Rev. Henry Lee, Rev. Gail Wigley, Annie Richard, Thelma Stovall, Shelia Burleson, and Larry Burleson. Thank you for coming!

We love you. Keep smiling and dealing fairly with all men, and you will make it!

Closing prayer was offered by Rev. Henry Lee.

FROM THE OF
PARSON D. A. SMITH

The story of Barabbas and Jesus is puzzling to many. The Bible says Jesus died so Barabbas would have a new life. It wasn't a judicial decision. It wasn't a historical accident. It was revelation.

Barabbas is identified as a notorious criminal. The state charges pending against him were insurrection and murder, for he had committed murder in the insurrection and the penalty he face was death by crucifixion. But as Providence would have it Pilate, the Roman Governor gives the crowd the opportunity to choose between two men in an apparent gesture of Roman magnanimity, a passover amnesty. The two men were Barabbas and Jesus. The crowd chooses Barabbas and he's freed from the traitor's death.

We can only speculate about the moral blindness of both the priests and people who preferred Barabbas to Jesus but the record tells us something about God. The record is there to say that the priests and people really didn't free this son of a teacher of Jewish law. God freed Barabbas. It was liken unto Pharaoh not setting free the children of Israel from Egypt, but God; or as to Cyrus the Persian who really didn't free the Jews from Babylonia, but God who sent freedom in motion; or as Judas Maccabeus who didn't free his people from Greek tyranny, but God was the liberator. So Pilate or the crowd did not free Barabbas. God freed him. That's why the story is written in the Bible -- written so the meaning of the cross would be specific.

The story is recorded to reveal God chose Barabbas to tell you he chooses you. It reveals that Jesus died to give new life he gave Barabbas.

We Thank God For Jesus

"It's Tuesday Night; But Sunday is Coming!!!"

Luke 9:22 -- Jesus said, the son of men must suffer many things, and be rejected of the elders and chief priests and scribes, and be slain, and be raised on the third day. (Christ was dead for three full days and nights. He was put into the grave on Wednesday night, the Jews began when the sun did rise and ended when it set, from Thursday morning to Saturday night would be three days and three nights. Don't count Wednesday night!)

Jesus came into the world, and the plan was to die on Calvary's cross. Him and God had worked out this plan, "so no one would be lost."

John 10:18 -- Jesus said, no man taketh it from me but I lay down of myself. I have power to lay it down, and I have power to take it again. This commandment have I received of my father.

On Tuesday night Jesus went into the Garden to pray, and follow by his sheep. They were concerned about their rest, and not his health; and fell asleep.

Luke 22:46 -- And Jesus said unto them, why sleep ye? Rise and pray, lest ye enter into temptation.

Then Judas, to betray him, gave them a sign which was a phony kiss. Jesus told Peter: I can call my Father and He could make a bloody mess.

Matthew 26:49-53 -- And forthwith he (Judas) came to Jesus, and said, hail Master; and kissed him. Jesus said, thinkest thou that I cannot pray to my father, and he

shall presently give me more than twelve legions of angels? (A legion was 6,000; 12 legions, 72,000 men for Jesus and his eleven apostles, meaning 6,000 men to it's Tuesday Night, but Sunday is coming!!!)

Jesus told Peter, you'll deny me three times, before the cock would crow. Peter said he wouldn't but began to curse and talk like the worldly folks.

Matthew 26:73-74 -- After a while came unto him they that stood by, and said to Peter, surely thou also art one of them; for thy speech betrayeth thee. Then began he to curse and to swear, saying, I know not he man, and immediately the cock crew.

Now the Christians wanted Jesus dead; because he told them the truth. They're like Pilate was: "talking to the truth, but turned and went to the Jews."

John 18:38 -- Pilate said unto him, what is truth? And when he had said this, he went out again unto the Jews, and said unto them, I find no fault at all.

Pilate after saying, I find in him no fault; he is a just man. Would you want him killed or Barabbas? I'm washing my hands.

Jesus was whipped and put on a purple robe, and a thorn of crown for his head, nails were put in his hands and feet, pierced in his side and gamble for his treads. Jesus then cried in a loud voice, and his spirit went away.

It's now Wednesday 3 p. m., waited three days, "He arose on Sunday."

As the song writer has written: "Ain't no power on earth can keep him down."

God is not through with us yet. So let's pray for one another always.

St. Matthews Baptist News

Sister Imatha Isaac

The Sunday School was called to order at 10:00 a.m. last Sunday by the Superintendent with the singing of hymn "Precious Lord, the lesson for the day was a beautiful lesson. The subject was "Death and Burial." John 19:28-42. The teacher took charge of the classes and Pastor Stanley reviewed the lesson with the emphasis being placed on the human and the divine sides of Jesus.

The Sunday morning devotion took place with the Deacons at their post. The choir marched in on "It's Another Day's Journey." The Holy Ghost took control of the services.

During the announcements, we had testimony service at the Lord's altar. Adn souls were made in the Lord.

The Rev. Sister Linda Johnson, associate minister of St. Matthew Baptist Church, brought the message of the hour. Her topic was "Are You Blessed Or Are You Cursed?" Her text was found in Deut. 28:1-28, and the message was informative and spiritual bread for the hungry souls.

At the 3:00 p.m. services, the St. Matthew Senior Choir traveled to Plainview to join with the Happy Union Baptist Church in their 11th Choir Annual, and the Lord blessed us. We thank God for His traveling mercies.
