Much Activity In New Cedar Lake Field

To Drill Two New Tests Is Report

It was reliably reported in Lamesa Thursday morning that Nobles Drilling Company has two new contracts for wells in the Cedar Lake Pool.

It is understood that these are in addition to the four wells already going down. This will make six new locations in the field.

Although no further information has been released on the proposed test to be drilled by H. James Cox, independent operator of Fort Worth, it is understood that this information will be released within the next few days.

From present indications it appears that a rapid development of this field is contemplated.

Tornadoes Will Play Next Game On Midland Grid No Game Scheduled For This Week

The Lamesa Golden Tornadoes will play Midland on the night of November 10 which will be the Armistice Day game for both teams. By mutual consent they prefer to play on Friday night rather than on Saturday. Midland has lost only one game and that with Sweetwater which Midland still feels they might have won had their ace ball carrier not been crippled for the last part of the game.

The Lamesa team has improved as was evidenced in their game with Abilene as well as in previous games. The game with Midland is expected to be one of the hardest fought of the season and the Golden Tornadoes are hopeful that a large squad of fans will follow them to Midland on the occasion of this game.

The game the week following, that is of November 17, will be in Sweetwater, with the conference leading Mustangs. The Lamesa boys expect to shoot the works in this game in an effort to do as they did last year except just a little more. It will be remembered that they threw a scare into the league leading Amarillo team in their game last year and had a lead until the final minutes of the game. This year the boys are hopeful that the lead may be accomplished and continued until the game is finished.

They have only won one Conference game this season which is the same number won last year in District One competition, but they are not satisfied with winning one his season and are still gunning for another.

The final and concluding game of the conference play is that with San Angelo on Friday night of November 24. This game will be played in Lamesa. San Angelo authorities have already stated that they expect about two hundred fans to want reserved seats and they desired accommodations to be (Continued on Back Page)

Classifieds Get The Greatest Results

Your attention is called to the large number of Classified Ads which are carried in the Courier each week.

There is a reason why this list is constantly growing. Those who advertise get results and those who read them profit thereby.

If you have something to sell, trade, rent, or want to buy, rent, or many other services, you will find that Courier Classified Ads are the cheapest workers you can find.

In most instances it costs only 25c to put one of these busy little salesmen to work for you. You will find it profitable to use them and profitable to read them.

Stores Will Not Close Armistice Day

Thanksgiving To Be Observed Here On November 30

Question Is Decided Wednesday Morning

At a called meeting of Lamesa business men Wednesday morning, it was decided that Armistice Day, which falls on Saturday, would not be observed by closing, but that every cooperation would be given to the American Legion, who plan a program.

It has been the custom of retail stores here to observe the day by closing, when it fell on any day except Saturday, but in view of the fact that it would prove inconvenient to shoppers to have the stores closed on that day, it was decided to stay open.

The question of what day Lamesa would observe as Thanksgiving was also decided. In view of the fact that people of this area have become accustomed to the observance of the last Thursday in November as the day, and with the idea that it might cause confusion if another day was observed, it was unanimously agreed that Lamesa would observe the customary last Thursday which this year falls on November 30th. It was agreed that all stores would close in observance of the day.

It was further agreed that the official Christmas shopping season would open on Friday, December 1, with all stores urged to open their advertising campaign on Thursday November 30th, with the idea of giving as much time for holiday shopping as possible.

It was also decided at the meeting that windows of the town would be officially unveiled on Friday night, December 8th, at 7:30. The Christmas lights would be turned on at the same time, under the plan.

It was unanimously agreed upon, following a suggestion by L. R. Tidwell of Earnest and Nix Motor Parts, that a contest be staged for the best windows in four contests. One for the dry goods and department stores, another for drug stores, one for hardware and furniture and one for variety stores. This list might be enlarged to include other lines of business. Details will be given later. The awarding of blue, red, and white ribbons will be made to the winners.

Mattress Making Demonstration Dates Announced

The Texas Extension Service in cooperation with various other agencies in the state has launched a campaign for better sleep, laying emphasis on better mattresses.

During the month of November, the county home demonstration agent with the help of home demonstration club members will give mattress making demonstrations in the following communities:

Lamesa, at Mrs. J. H. Adkins, November 1.

Spartanburg, Mrs. Lee Hansens, November 3.

South O'Donnell community, at Mrs. Eddie Smith's, November 7.

Bartlett, November 8, exact place not yet known.

Higginbotham, November 19, the exact place not yet known.

Key, at Mrs. J. M. Riley's, November 24th.

Shumake, November 14, place as yet not known.

Harmony, at Mrs. C. Floyd's, November 15.

O. K., November 16, place not yet known.

Fairview, November 21, place not yet known.

Wilson, at Mrs. E. L. Craddock's, November 22.

Woody, November 23, place not yet known.

Klondike, at Mrs. J. W. Smith's, November 23.

These demonstrations are open to the public. Work on the mattresses will begin at 9:00 and will (Continued on Back Page)

Courier Bargain Rates Are Proving Most Attractive as Many Subscriptions Taken

Many people of this area are taking advantage of the savings opportunity offered by the Courier in its big Bargain Campaign.

For a limited time those living in this trade territory can get the paper for 75c per year, whether they are a new subscriber, or just want to set their date a year ahead.

With the new oil development in the Cedar Lake territory, as well as the regular news which the Courier carries every week, you will not want to miss one single issue of this big standard size newspaper. More especially when you consider that it costs you less than one and one half cents per week to have it delivered by mail to your home each week.

From purely a business proposition, you cannot afford to not have and read the Courier, each week, for many subscribers report that they save more than enough each week by shopping the ads to pay for the paper a full year. The merchants of Lamesa each week give you the greatest values in West Texas through the advertising columns of the Courier.

The time is limited, however, and you are urged to get your order in at once. After the bargain days are over, the regular subscription price will be charged. Those whose time expires and who have not renewed will be dropped from the list. Better come in today and check up on your time so that you will not miss a single issue.

Estimated Over Twenty Thousand Bales Ginned In County During 1939

Install New Sign At Collins Store

The modernization program of Collins Dry Goods Company was completed last week when workmen installed the modern new sign across the front.

This sign is a decided departure from the regular run of signs. It is made of large block letters, approximately three feet high. They are closed in on three sides, with white neon tubing enclosed. The sign is set a few inches from the white wall and the light reflects from the wall and stands the letters of the sign out in bold relief. The one word, "Collins" is used in the sign.

In the modernizing program, the entire front of the building has been completely refinished with white orietal stucco, the top wall finished off in a modernistic design, and a modern roll down awning installed. This is now one of the most modern buildings in West Texas.

Remodeling Of Palace Theatre Nearly Finished

The remodeling and modernizing program of the Palace Theatre in Lamesa is rapidly going forward.

This week a special crew from Dallas has been busy installing the new neon flasher sign and decorative and colorful neon tubing along the marquee.

The finishing touches are being added to the walls along the front and to the lobby interior. It is expected that the work will be completed within the next few days.

This will give Mr. and Mrs. Audrey Cox, owners and operators of the Palace, Majestic and Mesa Theatres, one of the most modern theatres in West Texas.

A more complete account of the modernization will be given upon completion.

Mrs. O. E. Guye is visiting in Breckenridge this week.

Annual Red Cross Roll Call Opens Here November 15th

The annual roll call of the Dawson County Chapter of the American Red Cross will be held November 15, according to Mayor W. L. Marr, Roll Call Chairman. About 75 workers have been enlisted for the drive and it is hoped that this year's campaign will net at least 500 members.

The Dawson County Chapter had 365 members last year, but this year the National headquarters announces that an effort is

Prior to October 18th of this year Dawson County had ginned 16,375 bales from the 1939 cotton crop, according to information revealed by R. S. Stanfield, special agent for the Department of Commerce in this county.

This compares with 17,920 bales ginned at the same date last year and 7,651 bales October 1st this year.

Estimates still place the yield at thirty thousand bales or better. Although ginnings for October 18th were about the same as last year, and the country produced a little over forty thousand bales in 1938, it was pointed out that the pretty weather which featured this fall has made it possible to gather the crop with a great deal more rapidity than is usually the case.

It is estimated that to date, better than twenty thousand bales have been ginned and some place the figure as high as twenty-five thousand bales.

Colored School To Get Repairs

Contract was awarded this week by the Lamesa School Board to J. D. Jones of Albany, for a general remodeling program of the Lamesa Colored School Building, located in southeast Lamesa.

The building will be roofed, the floors refinished, the walls repaired, and a general renovation and remodeling program, which will put the building in A-1 condition.

At the same time a contract was awarded to the Practical Drawing Company of Dallas, for desks and chairs and other equipment.

Total cost of the project will run approximately \$2,000, according to V. Z. Rogers superintendent of the Lamesa school system. This ends the present building program of the local school board in which more than one hundred and fifty thousand dollars has been expended for new buildings, remodeling of existing structures, a new football stadium, etc. This represents money received from a bond issue and a WPA grant.

being made to enlist one million new members in the United States and 500 members is a reasonable quota for the Dawson County Chapter it is believed. The increased membership need is brought about because of the stricken populations of the warring nations of the world, and the necessity of strengthening domestic operations in this country. The membership campaign this year, through the American Red Cross will be the

Pipeline Will Be Built From Big Spring To Serve Wasson, Seminole, Cedar Lake

Tornadoes Take Abilene In First Conference Win

Passing Of Lamesans Turns Tide Of Battle

With a perfect passing attack, the Lamesa Golden Tornadoes barely edged out a stubborn Abilene team here last Friday night in a 3AA Conference affair, 14 to 13.

The visitors took possession of the ball at the opening kickoff on their own thirty-five yard line, and with sensational ground-gaining of Dalton, star of the Eagle squad, they never gave up the ball until they had crossed into pay dirt. The try for point was wide.

Lamesa came back in the second quarter with a perfect pass from Reeves to Wilson which was good for a touchdown. White kicked the extra point to make the score 7 to 6. Later on in the same period another pass, Reeves to White, hit paydirt and White again kicked the point for conversion to place the locals out in front and provide the final margin of victory.

In the closing minutes of the final period the Eagles, by successive ground and air attacks scored again. They added the extra point and the score stood at 14 to 13. The Eagles continued to threaten as the closing minutes, but a stubborn defense which intercepted an Abilene pass on the twenty yard line thwarted their scoring efforts as the final gun sounded after Lamesa had run only two plays following the interception.

The visitors showed a marked advantage in first downs, leading the locals 13 to 6 in this division. Vaughn, Reeves, Wilson and White stood out for the Tornadoes while Dalton proved the star for the Eagles.

This was the first conference win for the Tornadoes, and the third successive conference defeat for Abilene.

The local squad will rest this week as they have an open date. They engage the Midland squad at Midland, Friday, November 10th. A large delegation of rooters and fans are expected to follow them there. On the 17th they play the Sweetwater squad at that place and close out their season on the 24th when San Angelo comes to Lamesa.

Park-In Market Adds Equipment

Park-In Food Market, owned and operated by Bob Ryan, this week announces the installation of a new steam table in their modern food store.

With this new equipment they will be able to handle dry cooked boneless barbecue, roast, potato salad, chili, etc. They announce that this will be cooked each day from the choicest meats.

The new equipment is now in operation and offers a new service to their ever growing list of customers. See their ad in this issue of the Courier for week end specials.

At the same time the Red Cross must be prepared to battle against human suffering in this country. The Red Cross has been constantly increasing its service during the past few years. Along the nations highways, in the homes of the underprivileged, in hospitals, and in schools and at the scenes of disaster, the Red Cross is facing a greater challenge. May we answer that challenge by enrolling at least 500 members in their annual drive November 15.

Among The Younger Set

Photos By Ash Studio

This week the Courier is happy to present the smiling little bundle of baby loveliness above, Miss Melba Dee Smith, as Her Royal Highness, Ruling Queen of the Younger Set for this week. She is the daughter of Mr. and Mrs. Montell J. Smith of Lamesa. She was born December 15, 1937. She has brown eyes and blond hair. She likes to play cowboy.

Contract Is Let On Dawson Rural School Buildings Purcell And Purcell Bidders

Contract was awarded last week by the Dawson Rural High School for the erection of two new buildings.

Purcell and Purcell of Lamesa were the successful bidders and work was scheduled to get under way this week.

Both structures will be of brick veneer. The first will contain seven class rooms, an office and study hall and library combined. The other will be a gymnasium, forty by eighty feet. It will contain a playing court and will have a seating capacity of approximately four hundred.

The buildings are expected to be completed and ready for occupancy about March 1st of next year.

FARM SALE IS BIG SUCCESS

The first Farm Sale of the season was conducted Wednesday of this week by H. H. Barron, veteran Dawson County auctioneer.

The sale was held at the I. H. McMasters farm seven miles northwest of Lamesa. "It was one of the finest sales we have ever held in Dawson County", Mr. Barron stated this morning. "Buying was spirited and there was a large crowd in attendance."

Hunting is not permitted in Texas from a motorboat, sailboat, boat under tow or from an airplane.

AD IS OMITTED

Last week, through an error, the ad of J. T. Oates was omitted from the columns of the Courier. We are very sorry this occurred. We call your attention to his ad in this issue, listing some rare bargains in real estate. You are invited to see these listings each week for real estate bargains.

Bill Weaver spent the week end at Temple visiting his mother, Mrs. J. R. Weaver, who underwent an operation there last week.

Work Under Way On Four Locations Near Discovery

Expect Other Tests Will Start Soon

With ever increasing activity, the new Cedar Lake Pool, west of Lamesa, is taking on the appearance of a real oil field.

Stanolind No. 1 American Warehouse, west of the discovery well, is drilling ahead below 250 feet. This well is located out in the lake No. 1 Green. South offset is also drilling below 250 feet. It is expected that these two offsets will be completed within the next sixty days. Water well is being dug for the No. 1 Riley, wildcat located three and one half miles north of the discovery.

Road building activity has kept pace with the development, at least in Gaines County, as Seagraves now boasts a fine graded road direct to the discovery well. Progress on the Dawson County road from Lamesa to the well, has slowed local businessmen by the slowness which has been shown. Bending every effort to get a road to the new field ahead of any other town, Lamesa business men have put forth a great deal of time and energy, and to have Seagraves beat them to the punch has created a great deal of anxiety. Pressure is being brought to bear to speed the construction of this important road, to the highest possible degree.

It has been decided by the steering committee of the Chamber of Commerce, to hold a meeting every week on Tuesday, until further notice. At the meeting last Tuesday, reports were heard from the finance committees, relative to the raising of money for the purpose of employing a special man to take care of Lamesa's interest as the field develops. Although no definite report was released as to the amount of money subscribed, it is understood that the campaign is meeting with a great deal of success, not only among members of the Chamber of Commerce but other business men, as well.

CLASS VISITS WITH COURIER LAST TUESDAY

Tuesday morning, Miss Ethel Barron, teacher in the Lamesa elementary school, took her third grade class for an educational tour of some of the interesting places in town. Among other places visited, the class was the guest of the Courier.

The little folks filed in and had the different pieces of machinery used each week in the printing of the paper, explained to them. The consensus of opinion among the Courier staff was that they were the most orderly and best behaved group of youngsters to ever visit this newspaper.

Those in the group were Miss Barron, Robert Halmesa, Billie Margaret Gilbert, Frank Reyer, Neva La Grace Harris, Bobbie Williams, Georgia Lee Daniels, Robert Harris, Juanita McNeese, Mayor Koonce, Winnie Ruth Martin, H. T. Peterson, Joan Stanley, Jimmie Von Lanken, Winnie Roach, James Madce, Wanda Pay Cassidy, Alton Quinn Gross, Nelda Pay Wall, Ruben Covington, Maxine Breeding, Sidney Fuller, Earline Blackwood, Calvin J. Key, Rex R. Burns, Sammie Loo Hester, La Vern Cherry, Verlynn Prather, Wilma Faye Cates, Audrey Mae Kidd, Wanda Mae Cates, Mary Jo Blackstock, Willie Mae Fuller, Jonelle Patterson and Ann Carlisle.

citizens are warned to not bring any friends or relatives into the town with the expectation of securing work on these projects.

BRING BACK DEER

Dan Davis, John Cason and J. B. Gresham returned Thursday afternoon from a hunting trip to the Guadalupe Mountains of New Mexico. They left Lamesa Monday night and hunted only one day, Wednesday, the day the season opened. They brought back one buck each.

Development Of New Field To Be Rapid

According to an article in this month's issue of the Oil and Gas Journal, the Stanolind Company plans a rapid development of their new Cedar Lake Pool.

The Journal is a magazine devoted to the interests of oil and gas men of the entire nation, and the information therein is considered as most authentic, as it is released from Company headquarters only.

There has been some fear on the part of local people that the development would be slow in view of the large acreage which Stanolind owns in the field and also the fact that most of it has quite a long lease left.

With the action which is now being shown in the new field, it appears that these fears were unfounded.

O. K. R. W. Calling All Cars

Thousands of people in over 30 States who wouldn't think of having a tire vulcanized are satisfied customers of the new tire repair called Rubber Welding. We want you to know about the permanent, no bounce... no shimmy... no bulge performance of a welded repair. Then you, too, will be saying "It's O. K. Rubber Welding now!"

Ask your local O. K. Rubber Welding man to solve your tire problems.

Enjoy Better Light Tonight

• You need a good light, one without shadows, to enable you to look your best. An artist cannot work in a half-light, and neither can you give the proper shading to make-up in a poorly lighted room.

Good light is easy and inexpensive to have in your home. New attractive low cost lighting fixtures that fit in present sockets will greatly improve the lighting.

Why not drop by a store which sells these new fixtures and see how easy it is to have Better Light at small cost?

Lamesa Music Club Enjoys Second Meeting Of Year

On last Thursday evening the Lamesa Music Club met at 5 p. m. at the Country Club, with the president, Mrs. R. A. Stuart, presiding. Hostesses for the occasion were Mrs. Owen C. Taylor and Mrs. Sam Bailey. As the members and guests arrived a corsage of roses was pinned on them. The Club house was very attractively decorated with bouquets of roses and huge baskets of autumn leaves and flowers. The following program was rendered during the afternoon: A discussion on music, by Mrs. Weldon Lindsey; Waltz from "The Nutcracker Suite," given by Mrs. Lester Gregg as a piano solo; a violin solo by Mrs. J. E. Hardesty; a chorus composed of Lilljedahl, Burleson, Wilkowske, Beckhara, Rountree, Ruth Merrick, Ferguson, rendered a musical selection. The next meeting will be November 18 at the Country Club.

Anna Marie Bailey Honored On 12th Birthday

Anna Marie Bailey was honored on her 12th birthday with a party given by her mother, Mrs. E. T. Bailey, at their home, 501 South Houston. The house was decorated with autumn flowers and leaves. The Halloween motif was carried out in the decorations and refreshments. After an hour's entertainment of games, refreshments were served to George D. Norman Jr., Billy Taylor, Bobbie Oats, Dan Boone, Jack Reese, Angus Roberts, Glenn Ray White, Jimmie Pope Smith, Robert Max White, Billie Womack, Lynette Carroll, Virginia Merle Middlebrook, Wynelle Cotten, Betty Jean Stanfield, Alice Joyce Smith, Sue Bearden, Margie Green and the honoree.

Linda Lou Jones Is Honored On 3rd Birthday

Mrs. Davis Jones honored her daughter, Linda Lou, with a birthday party on her 3rd birthday, at their home on North Katherine. The house was very attractively decorated with the Halloween motif being carried out in the decorations throughout the house. Favors of jack-o-lanterns and balloons were given the guests. Various games were enjoyed during the afternoon. At the conclusion of the games ice cream and cake were served to Marilyn and Dennis Lamphere, Sharon Ballew, Margaret Ann Miller, Yvonne Ridgeway, Darlene Mayfield, Shirley Jones, Neil Pruitt, Bill Nelson, Morris, Jackie Lee Goodloe, Gary Mitchell, Donna Lantz, Michael Jones and the honoree.

Mrs. R. E. Jones Is Hostess To Club

Mrs. Ross Edward Jones was hostess to members and guests of the Thursday Bridge Club, last Thursday afternoon. Games of bridge were enjoyed during the afternoon with Mrs. Elwin Kutch winning high score and claim prizes. After the games, a delicious salad course was served to Mesdames Ralph Fry, Dave Jones, Maurice Lamphere, Elwin Kutch, C. L. Schmidt, C. M. Baldwin, Johnnie Kline, Sidney Randall, Lloyd Mitchell, Robert Koger, Ben Allen, Dodd, Hamilton of Abilene, J. C. Bayless of San Antonio, Stanley Wilkes and the hostess, Mrs. Jones. See us for the Hearth Glo Gas Heaters at lowest prices. Also water heaters and Continental Ranges. Dyer Hdw. & Auto Supply, pd. adv.

A Professional Service For Women

Remember when you visit the Palace Beauty Salon, you are availing yourself of professional service!

The beautician of today has taken a prescribed course in cosmetology. She has passed an examination and received a state certificate.

The licensed Beautician knows what is good for your skin, scalp, hair, nails — and she knows what is NOT GOOD FOR THEM. We exercise our knowledge and training in your interest.

Give us a trial and be convinced. Our service is reasonable.

Mrs. John Alldredge Entertains Sew And Sew Club

Members of the Sew and Sew Club met with Mrs. John Alldredge Wednesday afternoon. Knitting and crocheting were enjoyed during the afternoon. After a short business session a picnic was planned for next Friday. A dainty Halloween menu was served to Mesdames Herbert Caudle, Fred Coll, O. P. Lindley, Enoch Steen, Clifford Firestone and the hostess Mrs. Alldredge.

Methodist Missionary Societies To Observe Week Of Prayer

The Methodist Societies of the First Methodist Church will observe their annual week of Prayer program at the Church, Monday, November 6. The first group will meet from 9 until 11 a. m. with Mrs. E. B. Wright as leader. The second group will meet from 3 until 5 p. m. with Mrs. W. K. Crawley as leader. An offering will be taken and proceeds for home mission work and foreign mission work in Brazil will be taken at this time. All ladies of the church are urged to attend this meeting.

Richardsons Observe 33rd Wedding Anniversary

Mr. and Mrs. J. A. Richardson celebrated their 33rd wedding anniversary Sunday with all their children present. Mr. and Mrs. Richardson were presented with a beautiful floor lamp by their children. Those attending were Mr. and Mrs. H. A. Hancock and children, Mr. and Mrs. A. B. Middleton and children, Curtis Richardson of Lamesa, and Rev. and Mrs. J. P. Cundiff and children of Evans.

Maydelle Barron Becomes Bride Of Thomas H. Moore

Mr. and Mrs. E. A. Cash announce the marriage of their daughter, Miss Maydelle Barron to Thomas H. Moore, October 9. Mr. and Mrs. Moore will make their home in California, where Mr. Moore is employed.

Sixth Grade Pupils Honored At Party Monday Night

Mrs. Sam James and Mrs. Franklin entertained the sixth grade pupils and their mothers at the City Park Monday night with a party and surprise shower for their teacher, Mrs. Cox, who was formerly Miss Robinson. The party was beautifully decorated and games and contests were enjoyed after which Mrs. Eddie Guynes in a very clever manner presented the gifts in a lovely bouquet of white roses. Refreshments of pumpkin pie, hot chocolate and marshmallows were served to about 65 guests.

BARTLETT H. D. CLUB REPORT

The Bartlett Home Demonstration Club met with Mrs. Homer Herring, October 25, with ten members present. Miss Phenix announced their booth at the Fair won fifth place, for which we were very thankful. After a short business session, Miss Phenix served a delightful breakfast.

Our next meeting will be with Mrs. J. V. Chapman, November 8. Miss Phenix will give a mattress demonstration.

Future Homemakers To Attend Meeting At Lubbock

Saturday, all of the chapter officers and sponsors of all the Future Homemakers Clubs of Area 2 will meet at the Senior High School in Lubbock for an area meeting. The theme of the day will be: "The All-American Girl." At 2:45 p. m. the members of the Tech Home Economics Club will entertain the visitors with a reception. Girls going from Lamesa are Addie Ruth Fulkerson, Marjorie Rogers, Mary Frances Barnard, Pattie Gill, Mozelle Terral, and Frances McCollum. O. E. S. Honor New Members Last Thursday

The stated meeting of the Lamesa Chapter 363 order of the Eastern Star, was held Thursday night at the Masonic Hall with Sister Beulah Hoback presiding in the absence of the worthy Matron, Sister Floy Austin, who is attending Grand Chapter at San Antonio. The meeting was dedicated to the new members, and the following program was had:

"The By-Laws of the Chapter and the Work in General," Sister Ethel Barron; Vocal duet, "Look for the Beautiful," Sisters Ina Speck and Ethel Barron, with Sister Emma Morris at the piano; "Being Proficient in Our Work" by the Worthy Patron, Brother Vernon Bryant. Talks for the good of the Order were given by Sisters Alice Boardman, Ethel Barron, Ruth Snell, Lois Cates, Ina Speck, and Armina Yates. All of these talks were greatly enjoyed by all present. Sisters Mae Jones and Cynthia Neaves gave very interesting reports of the meeting which they had attended at Seagraves.

The speedy quarterback and field general of the Hardin-Simmons University Cowboys, from Abilene, who invaded Odessa for Saturday night game with Dixie Howell's undefeated Arizona State Bulldogs, is Kirk McKinnon, pride of Lamesa on this year's gridiron. Kirk turned in the 95-yard dash returning a kick-off for a touchdown that won the Centenary battle for H-SU, and is a sure enough spark plug on the sturdy cowboy eleven that has lost only one of its last 12 games, and only 3 of 33. At the holiday season last Christmas, Kirk and a childhood sweetheart, Bobbie Dee Hull, of Lamesa, were married. Both are seniors at H-SU this year.

Mrs. Bill Harrington, and baby, Florence Louise, of Monahan, arrived in Lamesa Sunday afternoon for a visit with relatives. Her mother, Mrs. Arthur Standerfer, who has been in Monahan for the past three weeks, returned to her home here at the same time.

Texas U. Students To See Industries

To integrate actuality with theory, two groups of University of Texas student engineers will leave the campus November 5 for industrial sight-seeing in the state's important plants.

A four-day excursion through various utility and manufacturing plants in Dallas has been scheduled for 33 senior students in electrical engineering. They will be accompanied by B. N. Gafford and E. W. Hamlin, University professors of electrical engineering.

Forty seniors in mechanical engineering will also leave with H. E. Degler and M. L. Gegeman, mechanical engineering professors, November 5, for inspection tours of plants in Lufkin and Houston. Machine companies, sawmills, refineries, cement plants, and drilling equipment factories are on their itinerary.

Texas U. To Observe Thanksgiving Nov. 30

Tradition will guide the University of Texas in its observance of Thanksgiving. Its officials have announced.

Thursday, November 30, marks the beginning of a four-day fall holiday for the University's more

than 10,000 students, and also provides the occasion for the traditional fight-to-the-finish Texas-A. & M. football game, this year to be played at College Station.

November 23 will be just another school day for University students though boarding houses and dormitories may serve turkey and all the "fixins" in deference to the national holiday.

Texas Retail Sales Below Last Year

Total dollar sales of 99 Texas department stores during September gained seasonally 31.7 per cent over August, but dropped 1.5 per cent below September 1938. University of Texas business research statisticians have announced.

Business was 0.6 per cent better for the first nine months of this year than for the corresponding period last year, the business research bureau reported.

Flight Training Starts Soon At School Of Mines

Ground work has already started and flight training will begin within a short time in the Civil Aeronautics Authority flight training program at the College of Mines and Metallurgy at El Paso. A branch of the University of Texas. Twenty-three students are enrolled.

Public Demand For Chevrolets Hits Record High

Detroit, Oct. 26—Public demand for the new 1940 Chevrolets, introduced in the company's 8,600 dealerships throughout the country on October 14, has hit a new record high for immediate post-announcement orders, it was announced here today by W. E. Holler, general sales manager.

Mr. Holler reported that the new cars have won instant approval of the car-buying public, interest being expressed not only in the offerings as a whole, but in individual models of the most comprehensive line ever introduced by Chevrolet.

"Never before in my experience have I seen such a heavy demand for all models of the new car," Mr. Holler said. "The unusually strong backlog of orders built up during the pre-announcement activities has been further bolstered by purchasers who were simply waiting to get a glimpse of the new car before selecting model and color."

"Ordinarily, of course, we expect liveliest demand for the two-door and four-door sedans. This year, not only are the sedans in great demand, but buyers are asking for many more of the other models than in previous years. Especially popular is the four-passenger coupe introduced by Chevrolet last year and further refined and made roomier in 1940. Station wagons too have won widespread public approval and are in great demand."

Mr. Holler pointed out that "eye

Movement Of Eggs And Poultry Off

Movement of poultry and eggs from Texas farms shipped to a new low point for the year during September as only nine cars of chickens, two cars of turkeys and 38.5 cars of eggs were shipped. The University of Texas Bureau of Business Research has reported.

New car orders are being handled as rapidly as possible, Mr. Holler said.

Doe deer, fawns and spike bucks are protected by law in Texas.

Cedar Lake, Texas

Surveying will be complete this week.

Water company has agreed to build water mains and furnish water. Water rates will not be greater than being paid in Lamesa.

STATE OF TEXAS: COUNTY OF DAWSON: TO THE SHERIFF OR ANY CONSTABLE OF DAWSON COUNTY, GREETING:

You are hereby commanded to summons G. T. Blankenship, Farmers Royalty Holding Co., Farmers Mutual Royalty Syndicate, Inc., Lion Oil Refining Co., Stanolind Oil and Gas Co., and W. L. Pickens to appear at the next regular term of the District Court of the County of Dawson, Texas, to be at the Court House thereof in the Town of Lamesa the Third Monday of November 1939 being the 20th day of November 1939, then and there to answer a petition filed in said Court on the 14th day of October 1939. The file No. 2275. In which suit J. F. Stokes and Lena Stokes are Plaintiffs and these here and before named and whom you are hereby commanded to summons are Defendants and are all the defendants, because of action being as follows: An action of Trespass and Titled Title. The Plaintiffs are alleging that on Oct. 8, 1931 they were the owners of Fee Simple Title all the North half of Section 2 and the South Half and N. E. 1-4 of Section 3 all in Block C-39, Dawson County, Texas, and that they have owned same since said date and are entitled to Title and Possession thereof including all minerals in and under the same. That on said date the Defendant by false and fraudulent representations made to Plaintiffs caused them to execute certain mineral deeds to the same, 1-8 royalty conveyed to G. T. Blankenship and 3-8 royalty conveyed to Farmers Royalty Holding Co. That on May 8, 1934 G. T. Blankenship conveyed his 1-8 interest to The Farmers Royalty Holding Co. and Farmers Mutual Royalty Syndicate Inc., 1-32 to the former and 3-32 to the latter. That the Plaintiffs relying upon fraudulent and false statements to the effect that they would receive a dollar per acre every ninety days and stock in said two Companies one share for each acre of royalty. That said statements and representations were false and were known to be false when made and were made for the purposes of cheating and defrauding Plaintiffs that they have received no stock certificates and no money or other things of value. That the defendants Lion Oil Refining Co., Stanolind Oil and Gas Co., and W. L. Pickens have a lease for oil on said land which provides for deferred rental payments of fifty cents per acre and that they have failed to pay the deferred payments and Plaintiffs have elected to declare said leases become forfeited. Prayer is for title and possession of said premises, for the cancellation of said deeds and lease, that the title to said property be quieted in the Plaintiffs, for general and special relief, cost of suit and damages.

tion of said deeds and lease, that the title to said property be quieted in the Plaintiffs, for general and special relief, cost of suit and damages.

You are commanded to so summons the defendants and to serve this Citation by making publication of said Citation once in each week for four consecutive weeks previous to the return day hereof in a newspaper published in your County, if there be a newspaper published there, but if not, then in the nearest County where a newspaper is published.

HEREIN FAIL NOT, but have you then and there before said court this writ with your return thereon, showing how you have executed the same.

Witness W. W. Petteway, Clerk of the District Court, Dawson County, Texas.

Given under my hand and the seal of said Court in the Town of Lamesa, Texas, this the 14 day of October, 1939.

W. W. Petteway, District Clerk. (SEAL)
Issued 14 day of October, 1939.
W. W. Petteway District Clerk. 40 41c

STATE OF TEXAS: COUNTY OF DAWSON: TO THE SHERIFF OR ANY CONSTABLE IN DAWSON COUNTY, GREETING:

You are hereby commanded to summons G. T. Blankenship, Farmers Royalty Holding Company, Farmers Mutual Royalty Syndicate, Inc., Lion Oil Refining Company, to appear at the next regular term of the District Court of Dawson County, Texas, to be at the Court-

house thereof, in the town of Lamesa, on the Third Monday of November, 1939, being the 20th day of November, 1939, then and there to answer a petition filed in said court on the 14th day of October, 1939, the file number of which is 2274 in which suit Everett J. Turner and Carrie Turner, are plaintiffs, and those hereinbefore named and whom you are hereby commanded to summons, are defendants, and are all of the defendants, the cause of action being as follows:

An action in Trespass to try Title plaintiffs alleging that on October 8, 1931, they were the owners of the fee simple title to the South Half Section 2 Block C-39, Dawson County, Texas, and that they have owned since said date, and are entitled to the title and possession thereof including all minerals in and under the same. That on said date the defendants by false and fraudulent representation made to plaintiffs caused them to execute certain mineral deeds to the same 1-8 royalty conveyed to G. T. Blankenship and 3-8 royalty conveyed to the Farmers Royalty Holding Company. That on May 8, 1934 that G. T. Blankenship conveyed his 1-8 interest to the Farmers Royalty Holding Company and Farmers Mutual Royalty Syndicate, Inc., 1-32 to the former and 3-32 to the latter. That the plaintiff relying upon such fraudulent and false statement to the effect that they would receive \$1.00 per acre every 90 days, and Stock in said two companies one share for each acre of royalty, that said statements and representations were false and were known to be false when made and were made for the purpose of

cheating and defrauding the plaintiffs. That they have received no stock certificates and no money or other things of value. That the defendant Lion Oil Refining Company has a lease for oil on said land executed in June 26, 1936 which provides for deferred rental payment of 50c per acre each year thereafter, and that they failed to pay the rentals and the lease became forfeited.

Prayer is for title and possession of said premises, for the cancellation of said deeds and lease, that the title to said property be quieted in the plaintiffs, for general and special relief, cost of suit and damages.

You are commanded to so summons the defendants, and to serve this Citation by making publication of said Citation once in each week for four consecutive weeks previous to the return day hereof in a newspaper published in your county, if there be a newspaper published there, but if not, then in the nearest County where a newspaper is published.

DAWSON School News

We wish to thank the merchants of Lamesa, Welch, and other towns for the donations for the Auction Sale that was held Friday night. We also thank the people who helped us to raise the money. Part of this money is to be used for the senior boys basketball suits and for playground equipment. We received approximately one hundred and ten dollars.

The Dawson Football Club played Sparsburg, Wednesday, October 25. We received some bad breaks and were defeated 19 to 12. Jack Griffin our first string quarterback was thrown against a car in the first quarter of the game and was unable to play in the rest of the game. The teams did some excellent blocking and tackling, showing some real football.

Next Friday, November 3rd, we are to play Ackerly at that place. We guarantee a game that will hold your interest.

The girls' basketball club played Loop, October 19th. They did some excellent playing and won the game 15 to 14. They also played Union October 26, but were defeated 15 to 12.

About daylight, Wednesday, contractors began selecting a location for the new school building. By noon, about thirty contractors had gathered at the Baptist church. The P. T. A. served lunch and cold drinks. Mr. Purcell of Lamesa was the lowest bidder and work will begin Monday. Both of the buildings will be of brick veneer. One will consist of seven classrooms, an office, study hall and library. The other will be a gymnasium with a playing court which will be 80x40, with a seating capacity of about 400. These buildings are expected to be finished by the first of March.

The Dawson Homemakers met

HANCOCK School News

The Carnival was a great success and the school and teachers wish to thank each person personally for their help in making it a success. We have never called on the community for their help that they have not responded wholeheartedly.

The primary room has begun a unit of work centered around the Thanksgiving theme.

Ben Mac Dopson was absent from school Friday when he went to Whitewright with his parents.

Most of the activities for the past week have been working on the carnival and the rooms feel definitely relieved to know that their efforts were not in vain.

The Red Raiders do not have a game for this week but the 'Chiggers' have a game for Friday with the McCarty boys at Hancock.

The Ninth grade has finished the first part of the "Idylls of the Kings" and have started on the second part.

The winners in the ticket selling contest were Mary Pearl Nelson, first, Claudine McCallay, second, and Nila Pounds, third.

The program was very interesting and amusing. It included a baby contest which was won by Mrs. Harvick and her mother, Pauline Qualls; second were the twins, Mrs. Dottie Houston and Mrs. Lula Hamilton and their mother, Claudine McCallay, and third was Mary Bob Harrell and her mother, Nila Pounds.

The bathing beauty contest was won by Archie McCurry, who represented Mrs. Ralph Ranson, second place by Donald Butcher who represented Agnes McLendon, and third was Eugene McLendon, who represented Mrs. W. Williams.

The one act play and the moon-shiner act were also a success if the laughs can be counted.

ed now. Under provisions of the Department of Agriculture water facilities program Matthews last year obtained a long-time loan at a low rate of interest for installation of a well, windmill and stock tank. The loan was made by the Farm Security Administration and the Soil Conservation Service did the construction work and gave technical assistance.

Last summer a home garden made possible through irrigation from the well provided the Matthews family with an abundance of fresh vegetables, and, in addition, Mrs. Matthews canned over a hundred quarts of beans, peas, squash and soup mixture. These canned vegetables insure the family of a good food supply during the winter.

The well and windmill now furnish plenty of water for all household and farm use. Not only has the necessity for hauling water for the livestock been eliminated, but Matthews now has contracted to graze an additional 110 head this fall since he has sufficient water. He expects this to increase materially his farm income.

Matthews now is planning to build a milk house with a water storage tank on top of the structure. Inside the milk house will be a trough for cooling milk and cream. The trough will be kept filled with cold water from the storage tank above. The overflow from the cooling trough will go into the stock tank in the barnyard.

"I don't know how we ever got along for twelve years without the well," Mrs. Matthews recently declared to D. C. Bascom, in charge of the Soil Conservation Service phase of the water facilities program at Dalhart.

October 23. The club voted on their motto, flower and colors. The motto is: "A winner never quits and a quitter never wins." The flower is the rose and the colors are red and white. It was decided to embroider at the next club meeting, which will be held November 6.

LOYOLA
Mrs. H. A. Duke

The Loyola Halloween Carnival was a great success. The Queen's Race was the outstanding event of the affair. Miss Dorris Bertram, was Senior Queen, and her escort was Glenn Mitchell; Dorothy Mae Hale, freshman, Earl Newland, escort; Sarah Evelyn Griffin, sophomore, James Gist, escort; Onita Pittman, Junior, Wade Morton, escort. Miss Bertam won the title of School Queen and was presented with a large bouquet. The carnival cleared about \$200.00 for the school. W. F. Bertram is on the sick list this week, as is Mr. O. Phelan.

The Senior and Junior classes presented the school with a mimeograph machine, and we now have a school paper.

Our Senior girls won over the Ackerly girls in a basketball game last Wednesday 16 to 14.

Mrs. Bonnie Smith visited relatives in Lubbock over the week end. Our school has a new windmill and will have a large storage tank put up this week.

Mr. and Mrs. Felix Huse, Mr. and Mrs. H. A. Duke attended a Halloween party at Patricia Monday night in the home of Mr. and Mrs. C. G. Painter.

S.C.S. NOTES

Water shortage had been a serious problem on John L. Matthews' 1,640 acre ranch eight miles northwest of Channing for twelve years. Water had to be hauled at considerable expense and loss of time for home use as well as for the eleven head of livestock. There was no water for a home garden with the result that living costs were increased through necessary purchase of fresh vegetables and canned food.

But all of this has been changed now.

First of Series of Musical Arts Programs To Be Held Nov. 16

Plans have been completed for the sponsoring of the Musical Arts series of concerts in Lamesa again this year. The concerts will be presented in the high school auditorium and will feature five groups of artists entertaining on these programs.

The first program scheduled for November 16 will present the beautiful young soprano, Rose Paldar with Russell Curtis, concert pianist. These two young artists are well known throughout the Southwest, having each given many concerts in this territory. Miss Paldar was in Lamesa on this tour last year and besides the fine impression she made as a concert artist, she made many personal friends who are looking forward to her return. Mr. Curtis was formerly a member of the Fine Arts Department of North Texas State Teachers College, Denton, and North Texas Agricultural College, Arlington and is familiar to Texas audiences.

One of the highlights in this year's series of programs is Frank W. Asper, who needs little introduction to the people of the United States. He is widely known for his weekly broadcasts over the Columbia Broadcasting System each Sunday when he is heard from the Mormon Tabernacle, Salt Lake City, with the famous Tabernacle Choir. This has long been a favorite radio program. Dr. Asper's masterly handling of the organ is remarkable and a thing of beauty. With Dr. Asper on this concert is Beatrix Mayo, brilliant singer, who has appeared many times in the famous Hollywood Bowl. Miss Mayo has a voice ideally suited to sing with the organ accompaniment and this concert will be long remembered.

Mr. Asper's program will be presented Sunday afternoon, January 28, in the Methodist Church. The third concert, February 16, will be one of popular appeal and will present two young artists in a program of musical comedy and familiar piano literature. Annette Stahley, lovely and winsome lyric soprano, will sing a light, gay, program of songs, and Roy Cooper, young pianist of exceptional ability will play. This program is of an exciting nature but not too heavy for an evening's enjoyment.

The fourth concert of the series March 28, will present Mrs. Gladys Petch, lecturer and broadcaster, who will present one of her most interesting and educational lectures "Where the Gulf Stream Dies". Mrs. Petch will take her audience on the "Stella Polaris" for a cruise through the gorgeous fjords and breathtaking scenery to the great ice barrier. The trip will be illustrated by beautiful hand-colored slides and Mrs. Petch will tell her story in her own inimitable way. Mrs. Petch was here last year on this series of programs and proved her ability as an educational entertainer with her pictures, lecture music and song on "Beautiful Sunlit Norway". There are no doubts about the value of this program.

The final concert of the Musical Arts series, April 24, will present two young people who are outstanding in their chosen field. Elora Sornsen, who does "song drama" in costume and Harold Gelman, American pianist and commentator of the Los Angeles Philharmonic Orchestra, who will render a brilliant program of piano compositions. Miss Sornsen, who has made a study of costumes and uses authentic copies in her share of the program, has a flare for humor and each number is a complete story. Each of these artists offer extreme-

ly entertaining programs. Mr. Gelman, being a pianist of rare talent, is able to put into few words the very things we all wish to know and yet have difficulty in understanding when we hear music of the great masters.

This series of programs is made possible through the cooperation of the various organizations of the community; the Music Club, Recreational Department, Rotary and Lions Clubs, and the public schools. Season tickets for the entire five programs will be available until the first program.

Special arrangements have been made for giving a matinee of each program, except the Asper program for the benefit of students on the afternoon of the night performance.

ATTENDED DAIRY PRODUCTS DEMONSTRATION LAST WEEK

Miss Mattie Phenix and Mrs. Olive Smith of Klondike, attended a Dairy Products Demonstration by Mr. Maddox of the Extension Service at Big Spring, last Tuesday. The products made were Cottage Cheese, Cooked Cheese, Neufchatel Cheese and butter. Follow up work will be done in Dawson County by the Home Demonstration Agent, the first part of December.

LAMESA BOY MAKES BAYLOR UNI. BAND

Waco, Oct. 27.—Charles Cole, Baylor University freshman from Lamesa, is one of the 92 members of the 1939-40 Baylor Golden Wave Band.

Cole plays the trombone in the musical organization directed by Everett McCracken which has been voted the best college band in the southwest for the past several years. Songstress Helen Jepson praised the band highly when she heard its opening concert of the season, recently.

Harley Sadler, West Texas' own showman, who is bringing his company of actors, musicians and vaudeville performers to Lamesa for a three night engagement starting Monday night, November 13th, auspices Fire Department.

For many years, Harley Sadler has been bringing high class tent show entertainment to Lamesa, and this year, is said to have one of the best shows he has ever brought here, with all new equipment, many new actors on the stage and a line of brand new big time vaudeville, with two feature attractions, Henry, famous artist and magician, and Jesse Rogers, popular radio entertainer from KERA, Del Rio, Texas.

The play to be presented opening night in Lamesa is "He Couldn't Take It", with Harley Sadler playing the part of "Dad". The tent will be located west of the Pig Stand, and is waterproofed and well heated.

Conservation Practices Pays Big Dividends

Soil and water conservation practices have been very beneficial to B. Fancher, who owns an eighty acre farm joining Lamesa townsite on the south and a 160 acre farm

five miles southeast of Lamesa. Although rainfall has been far below normal this year Mr. Fancher states "I have the best crops I have ever made on these farms. The contour rows held most of the rain where it fell and as a result I produced 40 bales of cotton on one 56 acre farm and 20 bales on another 26 acre field. If my land had been

terraced in time to have conserved all the rain that fell in January I am sure that the yield would have been over a bale to the acre." While the 80 acre farm has been under a Cooperative Agreement with the Soil Conservation Service at Lamesa for several years and has been farmed on the contour and planted in strip crop pattern,

the 160 acre farm was just put under agreement last March. Due to lack of equipment Mr. Fancher was unable to get his land terraced before planting time so he planted grain sorghums on the terrace lines with cotton between the lines. He now has his grain harvested and is ready to terrace while some of his cotton is still in the field.

Mrs. Frank Rose left Friday for Temple to visit with her husband, who is receiving medical treatment at a hospital there.

You will save money on your stove needs at Dyer Hdw. & Auto Supply. 2 joints of that good St. Louis Blue Tempered 1500 Pipe for 35c. pd. adv.

MIDWAY

Donnalita Love

Sunday school and church were well attended Sunday morning. Our District Missionary delivered a wonderful message at the time. B. T. U. was well attended Sunday night. The seniors rendered a special program to the entire assembly entitled "Our Missions in Foreign Fields."

We are sorry to report that Mrs. A. B. Guinn is on the sick list. We wish her a speedy recovery.

Mr. and Mrs. Duncan Kingston of Balmorhea are here visiting the Claud Dean family.

Mr. and Mrs. H. P. Bullion entertained the seventh, eighth and ninth grades with a weiner roast Friday night. Everyone reported a nice time.

Mr. and Mrs. Howard Moore and son are visiting in Dallas this week.

Mr. and Mrs. Otis Peterson and family of Mt. Olive visited Mr. and Mrs. W. V. Love, Sunday.

Miss Fernie Strickland entertained the young folks with a Halloween party honoring Denver Truitt on her birthday, Saturday night. Everyone reported a nice time.

BARTLETT

Mrs. Eulus Damron

Sunday school and singing were not very well attended Sunday or Sunday night.

Mr. and Mrs. J. V. Chapman and children spent Saturday night with Mr. and Mrs. W. J. Chapman of Five Mile.

Mr. and Mrs. Norman Wallace spent Sunday with Mr. and Mrs. W. E. Womack.

Mrs. T. E. Temple and Mrs. L. Thomas visited Mrs. J. V. Chapman Thursday afternoon.

Mr. and Mrs. J. C. Barrett and her two brothers who have been working in this community left Saturday for their home in Roscoe.

Mrs. Dewey Sharpshire who has been ill is reported better at this writing.

Anna Lois and L. D. Thomas visited Ernestine and Earl Palvado Sunday.

KEY

Denver Truitt

Most of the farmers have finished gathering their crops which we believe are 30 to 60 days early due to the excellent weather.

Mr. and Mrs. C. J. Smith and little daughter spent Sunday visiting Mr. and Mrs. Ed D. Smith of Matador.

Elmer Miller, principal of Key school, Pete Stricklin and Roy Truitt, attended a district school meeting at Lubbock the past week.

Mrs. S. J. Owen who has spent several months visiting her daughter, Mrs. Hub Spraberry, returned to her home in Houston, Saturday.

Mr. and Mrs. Tom Ellis of Tahoka spent Wednesday night with Mr. and Mrs. Pete Ellis and family.

Mr. and Mrs. M. P. Ivy and daughter of Manteca, California, are visiting Mr. and Mrs. W. S. McCarty.

Mrs. J. C. Langham is on the sick list this week.

A large crowd attended the Halloween party Friday night at the home of Mr. and Mrs. Lanell Barton.

Byron Southard Jr., who is attending Texas Tech at Lubbock, spent the week end with his parents.

S. N. Allen who has been attending to some business out on his

ranch, has returned to his home in Abilene.

Mr. and Mrs. Byron Southard and family made a business trip to Lubbock, Saturday.

Twenty-five attended a 42 birthday party Saturday night at the home of Mr. and Mrs. Strickland given in honor of Denver Truitt.

HANCOCK

Jack Meares, Jr.

The Halloween Carnival proved to be a great success Friday night. The school faculty said they had a real success and thanked the people for their attendance.

Sunday school was very well attended. There were 71 present. We invite everyone back next Sunday and bring some one with you.

Rev. Jack Thompson preached his last sermon Sunday afternoon for this year. There were not so many present.

Prayer meeting was not at all well attended Sunday night because of sickness and the cold spell.

Mr. and Mrs. S. B. Hodge and grandson, Sammy Mac, Hodge, of Lamesa, attended a reunion at Mrs. Hodge's sister of Eden over the week end.

Mrs. Julia Chapman and sons, Mr. and Mrs. W. H. Evans and son visited in Big Spring last week.

Mrs. Julia Chapman and Mrs. Jack Fisher spent last week at Patricia.

ACKERLY

Jerry Ward

We were proud to see the good crowd out at Sunday school and church, Sunday.

Mrs. George Rhea had as her guest over the week end her parents, Mr. and Mrs. Joe Bell and her sister, Ruth Bell, of Anson.

Mr. and Mrs. Floyd Higgins went to New Mexico Friday where they were called by the death of a sister-in-law. They returned home Sunday.

Mr. and Mrs. Rob Mabry and daughter of Sparenberg spent Sunday evening visiting in Ackerly.

Mrs. Judd Myles entertained the entire high school with a picnic at Big Spring. She served them a real feast. All reported a good time and thanks to Mrs. Myles.

Mr. and Mrs. Lee Cannon have moved to Haskell. We regret to have them go but wish them success in their new home.

The following visited in the J. L. W. Coleman home, Sunday: Mr. and Mrs. Willie Witt and children of Big Spring, Jerry Ward and Verne Coleman of Ackerly.

The Intermediate League entertained with a social at the church last Friday. Refreshments were served. A good time was had by all who attended.

SPARENBERG

Mable Parchman

Mrs. William Gay and Glenna Sue, have been visiting Mrs. Gay's mother in Denton this week. Mr. Gay met them at his mother's, who lives at Moran, over the week end.

A large crowd enjoyed the carnival last Friday night at the Five Mile school house.

Mr. and Mrs. J. H. Airheart and son of Knott visited here Sunday afternoon.

Mr. and Mrs. Emmett Fisher spent a few days last week at Hereford.

Mrs. Burchell of Knott spent last week here visiting her daughter, Mrs. J. E. Airheart.

Willard Martin of Tech, Lubbock spent the week end at home.

Several from here went to Big Spring, Sunday.

Mr. and Mrs. W. A. Sutphen Jr. of Big Spring, and Mr. and Mrs. Vernon Sutphen and Mrs. Bud Derington and children of Flower

LOCAL MAN TO HEAD GROWERS

Completely reorganizing, with a 100 per cent membership, Texas Certified Seed Growers association named five directors, who in turn selected officers and made plans for the sale of an estimated 2,000,000 pounds of seed through the association at a meeting at Texas Tech, Lubbock, Tuesday afternoon. Every one of the 13 growers of certified seed indicated intentions of cooperating with the group.

James T. Dunn of Lamesa was reelected chairman; H. L. McCauley, Lubbock, was named vice chairman and W. M. Pool Jr., Muleshoe, secretary. The three, with George C. Beakley, Levelland, and A. B. Brown, Anton, were named directors.

W. H. Cunningham, Littlefield; J. Lynn West, Wilson, and Pool were named a committee to arrange for setting up a sales organization to handle all of the production of the association members. It was also agreed to have a salesman or two go as soon as possible to South Texas, where, it is believed, 10 or 12 cars of seed can be sold.

Dunn presided over most of the session, with W. E. Goeth, Abilene, a state inspector, presiding during the election of officers. Dunn, McCauley, H. Floyd Walden, Littlefield; Cunningham and J. I. Bowling, Littlefield, resigned as directors when it was decided to go into a reorganization.

Only Brown of the breeders on the Plains was absent and he had previously stated he would cooperate in the united program.

Prices were discussed and figures of \$3.25 per hundred pounds for small orders, in 100 pound sacks; \$2.25 a hundred to dealers and \$2 a hundred in carload lots, were agreed upon.

Producers present gave an estimated yield for their crops to the secretary, for use in establishing the probable amount of seed to be handled.

Crops were reported for the most part good, a better average this year than for several years in color and yield. Most of the producers expect to sell more than for a number of years.

J. R. West of Idalou and J. W. Hammock of Sudan also were present as members of the association.

Lamesa's Father Dies At Midland

Russell Reising of Lamesa received a message Tuesday stating that his father, J. M. Reising, of Midland, had suffered a stroke. He succumbed at 3:30 following the attack about an hour earlier. Mr. Reising and family went immediately to that city to be at his bedside.

The elder Mr. Reising had been a resident of Midland for the past three years, where he was a building contractor. He had been in excellent health prior to the stroke. He was 65 years of age.

Surviving are his widow, three sons, Russell of Lamesa, Hobart and David of Midland, three daughters, Mrs. Clyde Gwynn, Misses Mary and Mahdeen of Midland.

Funeral services were held from the First Methodist Church in Midland Wednesday afternoon. Interment followed in the Midland Cemetery.

BRUNK'S COMEDIANS

Brunk's Comedians, who have been showing here all the week under the auspices of the American Legion in their large tent, report large crowds every night. Besides the regular 3-act comedy drama, they offer a complete change of vaudeville acts each night. They also have an 8-piece swing band which has proven most popular. They close their engagement in Lamesa Saturday night. Your attention is called to their program in this issue.

Course Offered County Teachers

The extension course promised the teachers of the county was organized under the direction of Dr. McDonald of Texas Tech, Saturday, and the first meeting of the class will be held at 6:00 p. m. Monday, November 6, in the county court room.

Education 338, Every Teachers Problems is the course which has been chosen and Dr. D. D. Jackson will be the instructor. Dr. Jackson has offered extension work to the teachers of this county before and has proven extremely popular.

This course is a three hour course and will serve for credit on a high school, elementary school, or administrative certificate and will count for either graduate or undergraduate credit.

About sixteen teachers expressed desire to take the course and several others have paid fees since the organization last Saturday.

Any teacher interested in taking the course is urged to meet the class Monday night so as to not miss any of the lectures.

DEAN TO SHOW HEREFORDS AT CHICAGO SHOW

Chicago, Ill., Oct. 31—A show herd of 18 purebred Herefords is among the early entries from Texas for the 1939 International Live Stock Exposition, to be held at the Chicago Stock Yards, December 2 to 9. They will be shown by John Henry Dean of Lamesa.

The exposition will mark its 40th anniversary this year as the country's largest annual showing of livestock and crops. The management predicts that by the entry closing date for the livestock classes, November 1, a new record entry will have been made.

According to B. H. Heide, secretary-manager of the show, entries have thus far been received from stockmen in 23 states and Canada. It is expected that the showing this year will exceed 14,000 animals. Cash prizes will total over \$100,000.

Two \$1,000 Gifts Accepted By T. U.

Two \$1,000 bequests were accepted by University of Texas regents at a recent meeting in Austin. E. H. Stoltzfus presented the board a trust fund for Texas Child Welfare and the Humble Oil and Refining Company added that sum to continue fellowships in chemistry and physics.

The Board of Regents also accepted a patent assignment from E. H. Degler, mechanical engineering professor, on a device to filter hay fever producing pollens from air entering homes.

Lubbock To Hold Children's Clinic

On the invitation extended by the Lubbock-Crosby County Medical County Association and the Lubbock County Crippled Children's Council, the Crippled Children's Division of the State Department of Education will hold a Clinic for Crippled Children in Lubbock, November 15th.

The Clinic will be held at the First Baptist Church, beginning at 8:30. All parents in the Lubbock territory are urged to bring their child for a free examination if they have some form of bone or muscle disability or a hair lip or cleft palate. Any child who is mentally deficient will not be eligible for an examination.

The examinations will be made by Dr. Frank Goodwin, El Paso, Texas, Dr. Chas. F. Clayton, Fort Worth, Texas, and Dr. Girard of Dallas, Texas. The above named orthopedic surgeons are prominent in their field and are giving their time free of charge to this Clinic.

The following counties are included in the territory selected for the clinic: Bailey, Cochran, Cottle, Crosby, Dickens, Floyd, Gaines, Garza, Hall, Hockley, Kent, Lamb, Motley, Scurry, Stonewall, Terry, Yoakum, Hale, Dawson, Lynn, Andrews.

Also any person who is physically handicapped and wishes to learn some vocation they can follow with their handicap, may get in touch with Mr. V. B. Watson, Supervisor of Rehabilitation at the Clinic. Any communication concerning the Clinic or a vocational training program may be sent to Mr. V. B. Watson, P. O. Box 1319, Lubbock, Texas. His offices are on the third floor of the County Court House.

University Bureau Is Recognized As Most Outstanding

The University of Texas Bureau of Business Research, recognized as one of the outstanding agencies of its kind in the nation, will be used as a pattern for future business research units growing out of a federal-state government cooperative movement.

The University bureau's director, Dr. A. B. Cox, has returned from a three day conference with United States Department of Commerce officials in Washington, D. C. Object of the conference was to plan a coordinating program among business research agencies throughout the nation.

Dr. Cox said that within the next three months, a department official will inspect business fact-finding organizations in the various state universities. With an eye toward synchronizing institutional research the department will also conduct a nation-wide questionnaire survey.

Butter Production Is Up In Texas

Mounting 15.9 per cent above the 1930-37 average for September, creamery butter production in Texas totaled 2,796,000 pounds, University of Texas business records show.

The output was 2.3 per cent higher than in September, 1938, but seasonally below August's 3,415,000 pounds.

Manufacture of cheese dropped sharply to 951,457 pounds, 16.4 per cent below August and 13.2 per cent below September, 1938.

Ice cream production of 340,359 pounds was 7.9 per cent below August but 24.7 per cent higher than in September a year ago.

Deficit Is Termed "Fiscal Indigestion"

Termining the twenty million dollar general fund deficit in the Texas treasury as a case of "fiscal indigestion," Fladger F. Tannery, University of Texas accounting authority, said the legislature should give the governor responsibility and power to plan and execute a budget directed by an extensive budgetary-accounting system.

Mr. and Mrs. Cecil Bryant and Weldon, and Mrs. Ed Hatch and son spent the week end at Breckenridge, visiting with friends and relatives.

All species of game birds taste better if cooled 24 hours.

Look before you shoot, the Texas Game Department warns. It might save a life.

MATTRESS—

(Continued from Front Page)

be completed within the day. Women attending all day may bring a covered dish. Those who desire to may come at any time during the day and leave when they feel that they should. However, the last operation will be the making of the roll around the edge of the mattress and this is most important.

Any one living in a community other than the ones mentioned above and who would like to have a mattress made should contact the home demonstration agent to learn details.

The purpose of the mattress making demonstrations is to help those who desire this particular kind of a mattress and those who do not have the ready cash to purchase a mattress with. With a cash outlay of approximately \$2.50 and by using home grown cotton, one may have a good mattress that will give many years of service.

TORNADOES—

(Continued from Page 1)

reserved for 65 band members and 60 drill squad members who will accompany their team here for that game.

Unfortunately for Lamesa, the turnout for the Abilene game was a disappointment. Under the arrangements for games within this District, each team bears its own expense to the place of the game and shares in the gate receipts. It was disappointing to the Lamesa officials that the receipts at this game were insufficient for Abilene's portion to bear their expense account which was modest. Similar situations can result in only one thing and that is that Lamesa will likely find it necessary to schedule many of her games away from home. This statement is made that the public may know some of the problems confronting the football management.

For complete Winter Comfort and Happiness, go to Dyer Hdw. & Auto Supply and buy a good gas or oil heater, the wife a lovely set of dishes, the kids a popcorn popper, the family a new long distance Zenith Radio, deposit the SAVINGS you make in the bank, sit back with a feeling of security, and let the rest of the world go by—

LIONS CLUB IN REGULAR MEET

The Lamesa Lions Club held a most interesting meeting at the Plaza Hotel last Wednesday afternoon.

The Courier was unable to secure a detailed report of the day's activities, but it is understood that some interesting talks were made by members of the club.

They will hold their regular weekly meeting next Wednesday at noon at the Plaza, at which time a very interesting program is promised.

Mexican Killed In O'Donnell On Saturday Night

Palatine Cardino, Mexican, was slain late Saturday night in the negro section of O'Donnell, according to information released by the Lynn County Sheriff's department.

There was a fight and in the altercation, Cardino was stabbed by an unknown assailant. It was stated that another Mexican was also stabbed at the same time, but his condition was not serious.

Although Lynn County officials have a line on the suspect, he had not been apprehended early this week.

Paving Started On South First

Grading on South First Street, just south of the elementary school buildings, preparatory to paving, was begun this week.

This street has long been an eyesore to school property and during rainy weather is very muddy. The City placed caliche on it several years ago, which improved it, but it was still very rough and at times very sloppy.

The paving will be greatly appreciated, not only by the residents in that section, but by the hundreds of students and parents who use it.

Just two Superflex Oil Heaters left that you can buy at a real saving—and we mean a SAVING. Dyer Hdw. & Auto Supply. pd. adv. relatives this week.

Hallowe'en Very Quiet In Lamesa

Hallowe'en was quietly observed in Lamesa last Tuesday night, with the younger generation conducting themselves in a very orderly manner.

Although plate glass windows of Lamesa received a complete soaping by the pranksters and some rubbish and junk was piled in the streets, nevertheless, there has been scarcely no damage to property reported.

Several parties were held over town and the theatres did a rushing business with their mid-night shows.

Reports from many towns over the state say that property damage in some instances was very heavy. Among others Dallas reports Tuesday nights celebration to be the most expensive from the standpoint of property damage than any Hallowe'en in the history of the city. Youngsters in Lamesa are to be congratulated upon their good behaviour.

ROTARIANS MET FRIDAY

The regular weekly meeting of the Lamesa Rotary Club was held at the Plaza Hotel, Friday at noon.

Swanson Hurt was master of ceremonies. He called on several Rotarians for short talks. Those who responded were Charnel Jude, O. H. Morris, David Murray, Dod Arnett, Irvin Wright, V. Z. Rogers, J. D. Dyer, W. J. Beckham, telling in a few words what Rotary Club meant to them. According to Mr. Hurt, he intended calling on Noble Price and C. A. Hollingsworth, but they disappeared before it came their turn. Millard McDonnell also gave a short talk.

A. L. Duff and W. E. Cox Jr., of Seminole were visitors, as well as Rotarians Smith and Strange of Lubbock.

The club will hold their regular weekly meeting at the Plaza Hotel Friday at noon.

Rev. and Mrs. J. P. Cundiff of Evans, Texas, are visiting Mr. and Mrs. J. A. Richardson and other relatives this week.
