Hospital board members take oath of office

Two recently re-elected members of the Mitchell County Hospital District board of directors Tuesday night were administered the oath of office. In addition, officers for another were elected.

Taking the oath of office were A.K. McCarley and Virgil Stone, both incumbents. The other newly elected board member, Margaret Baum, was unable to attend the meeting because of illness.

A plaque of appreciation was presented to outgoing board member Linden Solomon for his dedication and service to the hospital district. He chose not to seek re-election.

Re-elected president of the board was Gus Armstrong. Marion Bassham was re-elected vice president and McCarley was re-elected secretary.

The board approved the financial statements for both the hospital and nursing home.

Interim administrator Rick Hartwig said the hospital showed a net profit of \$33,000 for the month of April, but noted that all the tax monies have been spent and that the summer months usually mean a lower patient census count.

The board adopted a collection policy, the purpose of which, said Hartwig, is to meet the hospital's goal of providing quality patient care at affordable costs while at the same time employing sound financial management principles. He said unless a patient is indigent or qualifies for various social welfare programs, payment for hospital services rendered will be expected and that inpatients will receive an itemized statement within two weeks of dismissal.

The board also approved a bad debt policy which states that all

accounts receivable that have not had activity beyond 60 days following receipt of all insurance monies will be declared bad debts by the board and will be sent to a collection agency for further action.

Hartwig presented the board with a computer sheet of "bad debts" totaling \$531,581 which, at his recommendation, were written off because of the age of the debts.

The board reviewed a cash flow analysis prepared by a Lubbock CPA firm at no cost to the hospital district. The analysis provides an insight into the district's financial picture for the next 15-18 months.

"The analysis gives an idea of what the next few months will bring," said Hartwig.

The board also heard a report on a possible way to receive more funds from Medicare. Hartwig said new regulations by Medicare are designed to help rural community hospitals. He said if a hospital has 60 percent or more Medicare patients, more money can be generated from Medicare, possibly as much as \$200,000-\$700,000 for this hospital alone. He said Mitchell County Hospital stands at over 59 1/2 percent and he is going to ask Medicare to refigure the hospital's status to see if it meets the 60 percent guideline. If it doesn't, he said he will ask residents of the hospital district to write their congressmen to seek an exception in this case from Medicare.

In other business, the board approved the purchase of two computers and two printers to help increase productivity in the Home Health Agency and in the administrative offices.

Workshops are scheduled for literacy volunteers

Workshops designed to train volunteers to teach others to read and write have been scheduled for Saturday, June 16, and Saturday, June 23, at the First Baptist Church in Colorado City.

The workshops, conducted by the San Angelo unit on literacy, is free to anyone interested in becoming tutors. The teachers will be teaching the study of English as a second language, which

teaches oral communication as well as reading skills.

Although the workshop is free of charge, reservations are needed to make sure there is enough teaching material on hand. Those wishing to attend the workshop are encouraged to call Louree Upton, president of the newly formed Mitchell County Literacy Council, at 728-3088 or Betsy Aycock at 728-3639.

Pecan nut casebearer warning given

The pecan nut casebearer, a serious pecan pest in this area, will be with us earlier than usual this year, said Mitchell County Extension Agent Bryan Limmer.

The casebearer larvae (small worms) damage pecans by eating the nutlets. One worm can destroy an entire cluster of pecans.

"Present conditions indicate an optimum spray date of May 27-June 1," said Limmer, adding that accurate spray timing is important.

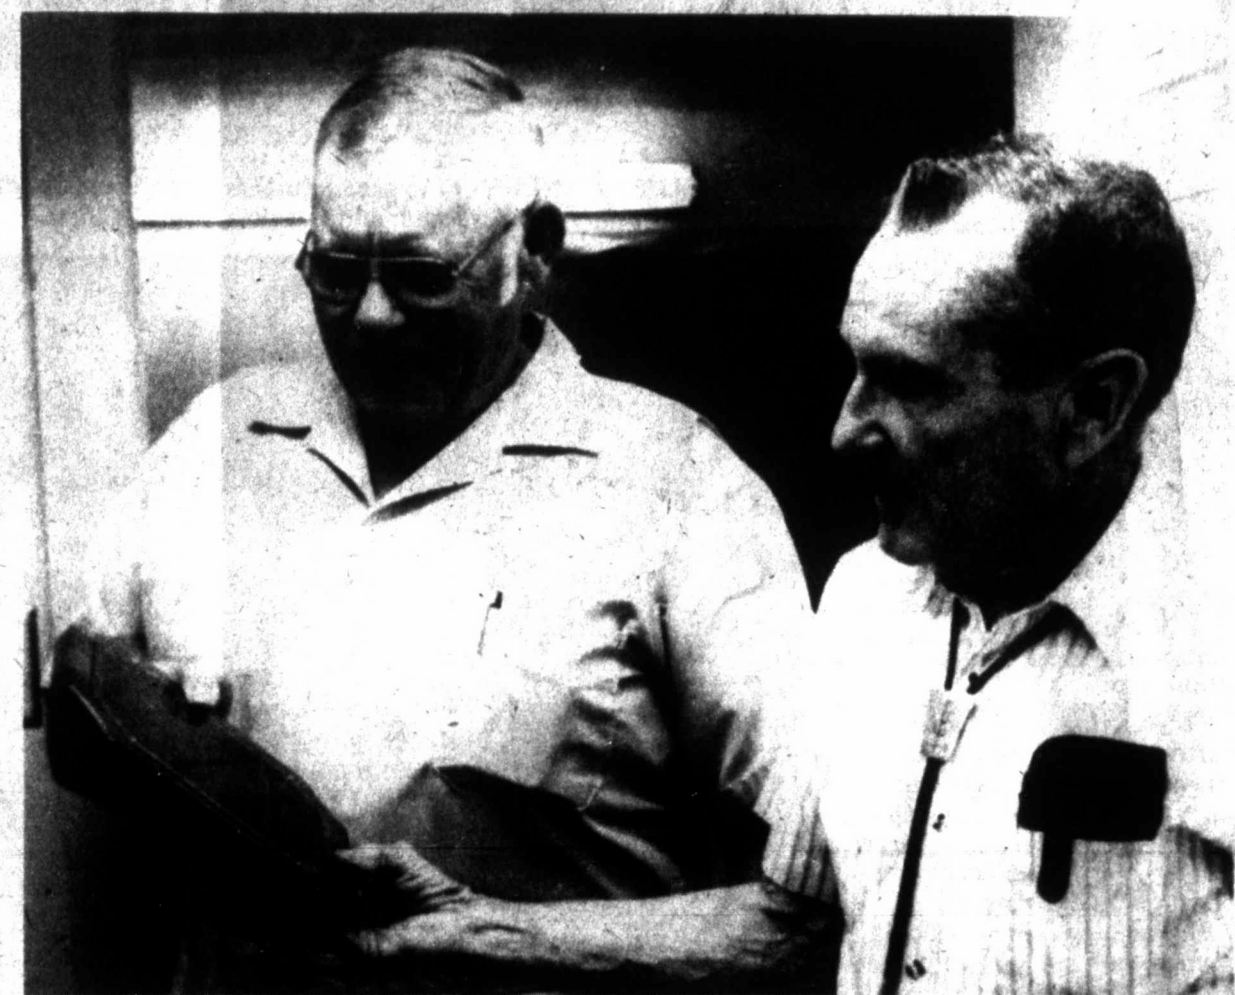

"Spray applied too early is wasted," he said. "Waiting too late to spray may result in serious damage to the crop."

The optimum spray date will vary from site to site. Individuals wishing to accurately target their spray date should examine pecan clusters for casebearer eggs, said Limmer. The eggs are usually

laid near the tip of a nutlet. The eggs can be seen as tiny grayish-white to reddish oval dots smaller than a pinhead. If more than two eggs per 100 nutlet clusters are found, the trees should be sprayed.

Limmer said insecticide choices for pecan nut casebearer control in yard trees include Diazinon, Malathion and non-poisonous materials such as Dipel, containing Bacillus thuringiensis (B.T.). The list for use in pecan orchards also includes Pydrin or Lorsban or Guthion. Limmer said to carefully follow safety precautions and label mixing directions for any of these chemicals. Spray schedules with a more detailed list of chemicals and mixing instructions are available from the county extension office.

A good deed Scouts schedule cemetery clean-up day

A Memorial Day weekend clean-up of the Mitchell County Cemetery is being organized for this coming Saturday morning by Boy Scout Troop 100. The effort is a large one and all civic groups, churches, and organizations are asked to volunteer their time to help the Boy Scouts in this good turn.

Scout leaders Frank Costabile and Keith Ruddick are heading up the ambitious project which is scheduled to take place between 8 a.m. and noon.

Volunteers willing to help and serve are asked to assemble at the west end of the cemetery. The area of the cemetery to be worked is the portion of the cemetery that has been fenced off from the larger section of the cemetery

grounds. Graves of veteran soldiers will be marked for Memorial Day.

Work to be performed includes the removal of the fence and posts that will allow for easier maintenance in the future. Overgrown vegetation will be pruned, grass mowed and unwanted vegetation removed. Much equipment is still needed, such as riding mowers, push mowers, gasoline weed whackers and hand tools such as hoes, rakes and shovels. Civic officials will be on hand to assist and provide trucks for the removal of refuse and trash.

The Scouts ask for everyone to contact people within their membership to assist in the cemetery clean-up. Anyone who would al-

low the group to use their mowers and equipment is urged to call Frank Costabile or Keith Ruddick. Persons with knowledge of veterans to be honored for Memorial Day should also contact Scout officials. Scouts also would like to remind groups that this is the cemetery located on 17th Street, not the Colorado City Cemetery. Scouting officials would like to comment that "With a spirit of cooperation and mutual concern, this much needed task can be completed and add to the attractiveness of our town."

The Boy Scouts in Mitchell County are active in such service projects as part of their participation in the Colgate Youth for America program.

Tickets remain for SBA luncheon

There are a few tickets remaining for the Small Business Administration luncheon honoring David and Melody Stubblefield of Colorado City who are the SBA's District Outstanding Business Person of the Year for 1990.

Tickets, \$7.50 each, are on sale at First National Bank, City Na-

tional Bank and at the chamber of commerce office, 157 West Second.

The luncheon will be held from 11:30 a.m.-1 p.m. Friday, May 25, at the Civic Center.

Featured speaker at the luncheon will be Charlie Hicks of Abilene, a certified financial

planner.

The Stubblefields, owners and operators of Gas 'N Grub, a multi-convenience complex, represent the 71-county area served by SBA's Lubbock District, according to David Fronstin.

"Monitoring your trees for casebearer eggs every couple of days starting before and continuing through the target spray period is the only way to assure that you make the right spray decision," said Limmer.

He added that reference to commercial products or trade names is made with the understanding that no discrimination is intended and no endorsement by the Cooperative Extension Service is implied.

Balloon Launch

On Friday, May 11, all second grade students and teachers at Kelley Elementary School participated in a balloon launch at Mitchell County Hospital as part of the celebration of National Hospital Week.

Upon arrival at the hospital, the students were greeted by several staff members. Each student was handed a helium-filled yellow balloon. After a count of three, the balloons were released. The students were treated to punch and given a package of bubble gum with Ninja Turtle cards.

"The second grade students and teachers would like to say "thank you" for including us in the balloon launch.

Students named to honor lists

SNYDER - Eight Mitchell County students were named to honors lists for the 1990 spring semester at Western Texas College.

Included on the President's List are Francesca Helm and Douglas Watkins of Colorado City.

On the Merit List are Marty Browne, Joyce Marian Chambers, Mary Alice Davila, Vicki Maloney and Michael Ray Smith of Colorado City and Guy Roy Campbell Jr. of Westbrook.

Twenty-four students were on the new President's List, which is made up of students enrolled for at least 15 hours of courses with no grade lower than A.

The Merit List is comprised of students enrolled for more than eight semester hours but fewer than 15 and who make a grade point average of at least 3.5 on a 4.0 scale. Fifty-one students were included on the new Merit List.

Bethel selected teacher of year

We're generating more than electricity.

Jobs Power The Future

Big cities and small towns across the area we serve are stretching their horizons. They're searching out new industries and new companies to bring new jobs. When the companies see what we have here - people who will work hard to build a better future, some of the most attractive electric rates in the nation, and an attitude

set on winning - they decide to move here.

Electricity Powers The Jobs

That's why we need to build new generating plants and power lines, and develop alternate fuel sources like nuclear power. To make sure we can keep expanding opportunities for young people who want to raise families here. To make

sure you have the electricity you need - today and tomorrow.

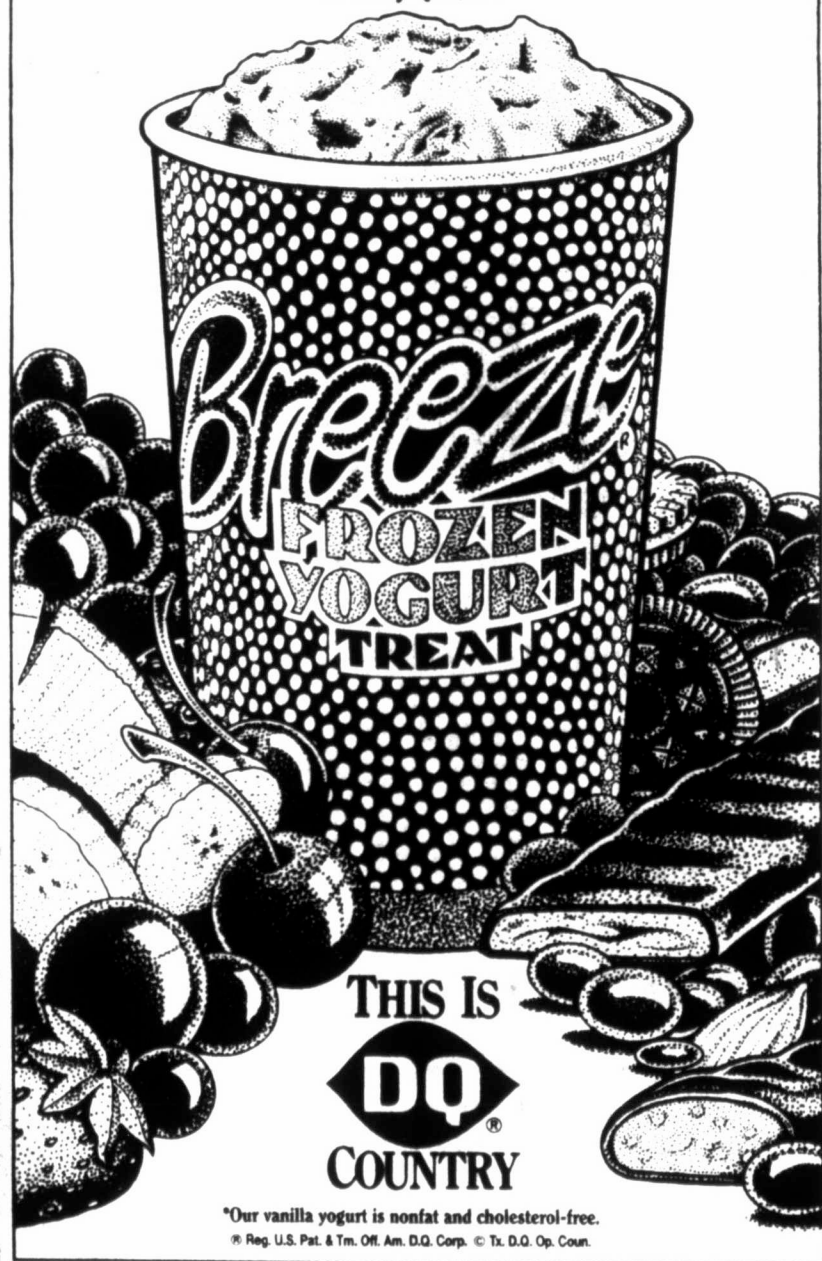

Power For Texas

TU Electric is committed to helping make a better future for all of us. And to provide all the power that is needed to fuel the new economy. Electric Power. The Power for Texas.

Loraine Personals

...by Lois Phillips

Trixie West has had lots of nice company lately and also has a new great-granddaughter named Kayli Lissa Norton of Snyder. She visited in Loraine with Trixie last Sunday along with her sister Laci and her mother Ginger Norton. Bonnie Ruth also came along as did Don and LaRue Riley of Sweetwater.

Bonnie Ruth called the other day to tell me she and a friend had put in a shop in the Woods Boots complex at Colorado City. It is a this and that, what nots, antiques etc. Go by and visit, she always has the coffee pot on.

Gary Mathis came to Loraine on Mother's Day. He and his mother went out to eat and enjoyed it.

Garek John Preston was born Tuesday of last week to Mr. and Mrs. John Preston. He is the grandson of Mr. and Mrs. Bill Preston and Mr. and Mrs. Richard Garcia, all of Loraine.

Chrystene Hall's recent visit to Scottsboro, Alabama included visits with the Jimmie Hall and Chris Hall families, Kyle Hall's graduation and the first Mother's Day celebration together in years. Chrystene enjoyed the Mother's Day luncheon, red roses and all the blessings a family can give.

Allie Ruth Wiggins and Ruby Lee Small were in Colorado City Monday afternoon for Ruby Lee to see the doctor about a foot she injured on their trip last week.

Bob and Wanza Graham want all the grandparents and all others who donated to their granddaughter's medical bills to know they appreciate you all very much and your donations helped a lot. May God bless you all.

Our school had an awards banquet last week and handed out lots of awards. Understand if I can I will bring you a list next week and you can have it for your child's year book.

Truman and Mavis Nix came in Monday and will take Mavis's mother, Inez Webb back to Waco with them where she will see a doctor for her back problems. She doesn't know how long she will be gone but we hope and pray she can find relief from her back problem.

We went out to visit my sister and brother-in-law Sunday afternoon and found Bill and Ruth Haggerton also visiting. We had not seen them for a while. Ruth is Adline Boyd's sister. They now live in Sherman.

Mrs. Frances Porter is improving so I was told and maybe she can come home soon. She is in the Roscoe Nursing Home

Registration set for classes here

Registration for summer classes at the Colorado City extension center of Western Texas College will be held from 6:30-8 p.m. on Tuesday, May 29, at the Wallace Center. Classes will begin on June 4 and end on Aug. 22 and all classes meet during evening hours.

Placement testing is scheduled at 6:45 p.m. on May 29 only.

Courses on the schedule are Introduction to Business (BUS 131) and English 131 (ENG 131), Beginning Composition. Joann Snider will be instructor for the business course. Students in English 131 are reminded that there is an \$8 lab fee.

Mark Merrell is coordinator for the Colorado City extension center. Persons wishing additional information can contact him at 728-3424 or the extension services office at WTC in Snyder at 573-8511, extension 390.

Registration for day and evening classes on the Snyder campus will be held May 31. Classes will begin on June 4.

recovering from a bout with pneumonia.

Donald and Doris Graham are grandpa and grandma and tickled to death about it. He is the son of Doug and Anita Graham of Colorado City. He has been named Bryan Douglas

Priscilla Thompson's sister Betty Mitchell of Louisiana came to visit her and another sister, Frances Davis recently. They met at Frances' home in Dallas. Betty and Priscilla went on to Houston to visit a sister-in-law, who is real sick. They enjoyed their time together except for Dorothy being so sick.

Lester and Lela Richburg went to Midland recently for Lela to see her doctor and he put her in the hospital for treatment where she stayed a week.

Jimmie and Joyce Ray took Lester home with them while Lela was in the hospital. Joyce Ray is Lester's great niece and they live in Midland.

Eldie Bryant is slowly getting better but she is still in Dallas with family. Her improvement is slow but after all she has had her

Mrs. Hall's granddaughter to wed June 23

Mr. and Mrs. Lewis Rushing of Birmingham announce the engagement of their daughter, Susan Leigh, to Anthony Kyle Hall, son of retired Col. and Mrs. James A. Hall of Scottsboro.

Miss Rushing is a 1984 graduate of Berry High School. She graduated from the University of Alabama in 1988 with a B.S. degree in education. She is employed by Hoover City Schools as an English teacher.

Hall graduated from the University of Alabama in 1989 with a B.S. degree in political science. He is employed by EBSCO Inc. as a sales representative.

Hall is the grandson of Chrystene Hall and the late Butsie Hall.

The wedding will be June 23 at Shades Crest Baptist Church in Birmingham.

90th birthday. I'll bet she still has her smile.

James Jacks and family of Waco spent the weekend with his mother, Jimmie Jacks and his grandmother, Effie Wheeler.

Iva Armstrong and Gladys spent Monday in Abilene.

Rosa Benitez and sons Eddie, Freddie and Daniel were honored with a house-warming last Sunday afternoon.

Hostesses were Edna Rivera, Diana Castro, Julie Sanchez, Petra Torrez and Rachel Moreno.

Others present were Laura Alvarez, Gloria Lucas, Alicia Moreno, Estella Ornelas, Odeleita Caballos Jude and Melissa Sel-

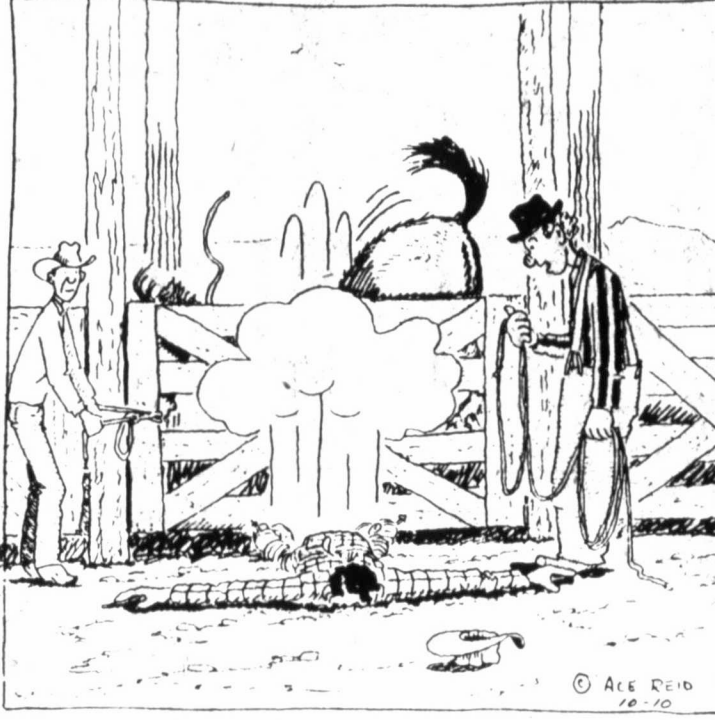

vera.

Rosa bought the house that Stanley Moore owned. It is Grandma Preston's house that she lived in so many years. We hope the Benitez's will be happy there. I am sure they will be.

By the time you read this, school will be out and some will have new driver's license and some won't. Some will be pleased with their year while others won't.

If you are looking for a summer job, get you a hoe and a rake and you can work for most anyone in town. I notice there is a ton or more weeds around. You probably could mow grass if you don't want to hoe. Well—I was just trying to help.

Public Notice

Southwestern Bell Telephone Company has filed an application with the Public Utility Commission (PUC) of Texas to add a new optional service for business customers called Departmentalized Customer Billing Reports. The proposed effective date for this service is June 25, 1990.

Departmentalized Customer Billing Reports will enable the business customer to facilitate rapid verification and approval of complex bills. These detailed Departmentalized Customer Billing Reports will show charges specifically related to each customer-specified name or identifier on a separate, easily identifiable report page. Business customers may choose from seven different formats for the reports. Departmentalized Customer Billing Reports are designed to serve as a categorized supplement to the business customer's regular bill, and are in addition to the customer's regular bill.

There will be a \$20.00 monthly charge for this service. In addition, a charge ranging from \$10.00 to \$50.00 per month will also apply for each of the seven supplemental reports. A \$1.00 non-recurring charge, per billing number, will apply to establish the service.

Departmentalized Customer Billing Reports have been forecasted to generate first-year revenues of \$848,812.

Persons who wish to comment on this application should notify the Commission by June 15, 1990. Requests for further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N, Austin, Texas 78757, or you may call the Public Utility Commission Public Information Office at (512) 458-0223 or (512) 450-0227, or (512) 450-0221, teletypewriter for the deaf.

Letters to the Editor

Hollow promises

TO THE EDITOR: This spring bluebonnets are not the only thing blooming on our clean West Texas horizon. As unwanted as "blue northerners" in May, proposals for hazardous waste incinerators are cropping up this spring in small and struggling West Texas towns. Hazardous waste disposal companies are luring local officials' support by sowing promises of a bountiful crop of jobs.

That's what Waste Management told the residents of Sumter County when they built the world's largest hazardous waste landfill at Emelle, Alabama. You would assume that the world's largest hazardous waste landfill would produce a great number of jobs, right? WRONG! According to the May 1987, Alabama Department of Industrial Relations data here is what really happened in Sumter County since

WMI opened its hazardous waste landfill:

UNEMPLOYMENT RATE - 1978, 5.8 percent; 1979, 6.7 percent; 1980, 12.2 percent; 1981, 14.2 percent; 1982, 19.0 percent; 1986, 21.1 percent.

That, my fellow West Texas, is a 264 percent jump in unemployment over the course of operations of this well managed, state-of-the-art hazardous waste landfill. This is not the rosy future

that the company promised Sumter County. This story has been repeated in town after town where a hazardous landfill or incinerator has been sited. Communities have learned only too late that the promises were hollow.

Let's learn from their misfortune because today it is not too late for West Texans to say NO to these companies' proposals. Write your local and state government officials and let them know

that West Texas would rather be known as a playground than a dump ground.

Sincerely,
Peggy Maddox,

Tourney set this weekend

The First Annual Velasquez Plumbing Softball Tournament will be played this weekend, May 26-27 in Snyder. Individual trophies will be awarded to the top two teams, and team trophies will be awarded for the top three places. Ten All-Tournament trophies will also be awarded and one MVP trophy as well. Entry fee is \$100. For more information, contact Bobby, at work, 573-6347; after 5:30 p.m., 573-1548.

Softball tourney scheduled here

There will be a men's slow-pitch softball tournament on June 8-10. The Optimist Club of Colorado City is sponsoring the three day tournament. Individual trophies will be awarded for first, second, and third place teams as well as a team trophy for the first three spots. Ten all-tournament trophies will be given, and ASA rules will be acknowledged. Entry fee is \$100 and Blue Dot balls. The deadline for the tournament is June 4 at 5 p.m., and the tourney is limited to just 15 teams. For information call, 728-8393 or 728-5886.
