FRANTIC MOVES MADE BY MILLIKIN COUNSEL AS REPRIEVE ENDS

MOODY ABSENT AS NEW APPEAL FOR STAY MADE

JUDGE RULES CASE OUT OF JURISDICTION BUT JOINS IN PLEA

EXECUTION DUE

MILLIKIN WAS TO HAVE DIED IN CHAIR FEW MINUTES PAST 12

(By Associated Press) TEXARKANA, Tex., Nov. 4.—Frantic efforts were being made here by counsel at 11 o'clock tonight to reach Governor Dan Moody to obtain a 24-hour reprieve for A. V. Millikin, scheduled to die a few minutes after midnight. Moody was believed to be enroute from Victoria to Austin.

Mr. Hawkins was informed by the governor's office at Austin that the governor would grant no further clemency to Millikin. This was by long distance. Despite this word, Mr. Hawkins made one last appeal to the governor by telegraph for another 24 hour stay and then left on a midnight train for Dallas to await the governor's answer.

Mr. Hawkins will arrive in Dallas shortly after 8 a. m. Saturday.

OFFICE SAYS MOODY IS OUT OF TOWN.

AUSTIN, Nov. 4 (P).—Governor Dan Moody was not to be reached late Friday night on the report from Texarkana that Federal Judge W. Lee Eder had held himself without jurisdiction in the stay of execution plea of A. V. Millikin, condemned slayer, scheduled to die early Saturday morning, and that an appeal had been made for another stay for a plea before Federal Judge Hutcheson at Houston.

The mansion said the governor was not in town and his office would not say where he is. J. D. Hall, secretary, said the office had been notified of Judge Eder's decision. Mrs. Moody at the mansion said she understood that the governor's decision of Friday morning was not to interfere again, in final, regardless of developments.

PLEA IS REFUSED AT TEXARKANA.

TEXARKANA, Nov. 4 (P).—Hawkins ended his plea before Judge Eder at 3 p. m. and said that the state's reply. Eder's argument was brief and Judge Eder immediately ruled that the case was out of his jurisdiction in view of the fact that Millikin was in prison at Huntsville, but put in a long distance call for Governor Dan Moody to request another reprieve for the condemned man to permit Hawkins to appear before Judge J. C. Hutcheson, at Houston.

W. E. Hawkins, chief of Millikin's counsel, said he had conferred with Federal Judge J. C. Hutcheson, who told him he would be in Houston Saturday and that if Hawkins succeeded, in securing another 24 hour reprieve for Millikin he would look into the case Saturday.

BRIBERY IS CHARGED

Four Members of City Council Indicted on Investigation of Indianapolis Affairs

INDIANAPOLIS, Nov. 4 (P).—Four members of the Indianapolis City Council were indicted late today on charges of bribery. The indictments allege that they received money from filling station dealers and through the purchase of fire apparatus. Those indicted are: Walter Dorsett, republican; Byron J. Moore, republican; Otto Bartholomew, republican; Edward W. Ferguson, democrat. They were placed under bonds of \$1,000 each.

There are five other members of the city council, including Claude Negley, president who is mayor pro tem, until next Tuesday when the council will select a permanent mayor to fill the vacancy created by the resignation of John L. Duval.

STUDENT COST LOWER

Average Expense For Each Student At A. and M. Found \$504.85 in Place of \$1000 As Stated.

DALLAS, Nov. 4 (P).—A special audit just completed shows that the average cost to the state for each student at Texas A. and M. college during the last five years was \$504.85, instead of approximately \$1,000 a year, Boyd R. White, member of the board of directors, said here Friday.

Storm Kills Hundreds At City In India

LONDON, Nov. 4.—A dispatch to the Daily Mail from Madras, India, says the city and district of Nellore have been devastated by a cyclone. Three hundred deaths and hundreds of injuries are reported in the city of Nellore alone.

The dispatch says that the town hall, church, hospital and public buildings in the district of the capital were unroofed and several buildings were blown down.

Nellore, capital of the district of that name in the province of Madras, is a town of about 35,000 population, approximately 38 miles from the city of Madras.

RETAIL MERCHANTS OPPOSE NEW RULE

LOCAL ASSOCIATION VOTES FOR CONTINUING PLAN OF RECIPROCITY

Directors of the Lubbock Retail Merchants association went on record Friday in their regular monthly meeting as opposing the action taken by the Retail Credit Secretaries Association of Texas in their recent convention at Dallas, October 10 and 11, when the secretaries voted to change from the practice of giving reciprocal credit information to charging for reports. Taking the stand that a charge for reports will increase the direct inquiry between individual firms, will cripple the use and break down the effectiveness of the state association of merchants, the Lubbock Retail Merchants association board voted to go on record as favoring a continuance of the reciprocal exchange of credit information between associations in Texas.

Reeves Makes Reports. Lubbock was represented at the state secretaries convention by Garret Reeves who reported that Dallas, Houston, San Antonio, Fort Worth, Sherman, Waco and other large cities of Texas were opposed to action of the secretaries association and questioned the legality of the action while Corvina, Greenville and many other cities favored the change basis and pressed its adoption.

Several other matters were discussed and acted upon by the retailers' board Friday.

A committee was authorized to work with city officials in working out a parking limit ordinance that will be practical and can be enforced to provide more available parking space during the business hours.

Discuss Merchants Institute. The board discussed the holding of a merchants institute in Lubbock, and although no definite time was set for the institute, the managers of the association were authorized to investigate dates of

NEGROES FLOGGED

Two Blacks Bear Signs of Hard Beating: Had Been Working in Texas Road Gang.

MARSHALL, Tex., Nov. 4 (P).—Two negroes whose backs bore witness to flogging they claimed to have received while prisoners working with the Harrison county road gang were being detained here Friday to tell their stories Monday to the grand jury. Their scars extend from their shoulder blades to their ankles where shackles have worn large festering sores.

The negroes, Jack Taylor and "Doc" Smith, were released from the road gang with three other negroes Thursday night. They were picked up in Wadon, by Constable Smith after the alleged whippings had been reported to Sheriff Sanders's office. The other three negroes had obtained a ride Thursday evening and had crossed the state line into Louisiana. They also had been beaten, Taylor and Smith said.

LINDY FORCED DOWN

Flier and Companion Forced to Land in Sleet and Rain: Plane Is Undamaged

CURTIS FIELD, N. Y., Nov. 4 (P).—Col. Charles A. Lindbergh and Major Thomas H. Lanphier, who took off for Buffalo from Mitchell Field near here, in separate planes today were forced down by rain and sleet near Binghamton, N. Y. Colonel Lindbergh notified friends here.

The planes were undamaged, he said, and they planned to go on tomorrow, landing at Buffalo for fuel and continuing on to Bedford, Detroit, where Lindbergh will be the guest of Major Lanphier for several days.

CHARGE OIL KING CONSPIRED TO INFLUENCE JURY

SINCLAIR AND AGENT HELD ON WARRANT HOLDING "PLOT"

NEW TRIAL IS SET

FALL-SINCLAIR CASE TO BE RESUMED STARTING WITH JANUARY 15

(By Associated Press) WASHINGTON, Nov. 4.—A formal complaint charging Harry F. Sinclair and one of his agents, Henry Mason Day, with conspiracy to tamper with the jury which was hearing the criminal oil conspiracy charge against the wealthy oil operator and Albert B. Fall, was issued today by United States Commissioner Nedham C. Turnage.

A warrant against Sinclair also was sworn out, but subsequently dropped, but subsequently District Attorney Gordon said "the information about prospective jurors had been revoked."

It developed, however, that the warrant simply was held in abeyance, pending final action by the grand jury which is investigating activities of oil executives. The Bureau agency in shadowing members of the trial jury. The complaint was sworn to by Neil Burkhshaw, assistant district attorney in charge of the grand jury inquiry. Immediately after Chief Justice Mc Coy of the district of Columbia district court had ruled that Day could not be compelled to testify before the grand jury after he had taken the position that any evidence he would give might tend to incriminate him.

Day Surrendered. Day and his counsel, former Justice Daniel F. Wright, of the district court, accompanied Burkhshaw to the commissioner's office and were present while the grand jury was organized. Day surrendered himself, waiting a preliminary hearing and was liberated on \$25,000 bond to await the action of the grand jury.

While these stirring events were transpiring in and around the district court building, Albert B. Fall suffered a relapse in his confinement at the Mayflower hotel and was ordered to bed by his physician, J. J. Kilroy, who said the former interior secretary's physical condition was bad on account of his previous illnesses.

Fall's immediate ailment is a congestion of the lungs, superinduced by a chronic pleural condition. The

TO FIGHT WITHDRAWAL

Senator Pepper Named to Oppose Withdrawal of Teams From Western to Texas Loop

TOPEKA, Kan., Nov. 4 (P).—Senator Pepper of Pennsylvania will represent the Western League in its opposition to the withdrawal of Tulsa and Oklahoma City from the league. Dale Gear, president of the league, announced today that Pepper will appear before the board of the National Association of Minor Leagues at Dallas, December 4, to represent arguments that the Oklahoma clubs have no right to enter the Texas League.

BRAWL PROVES FATAL

Mexican Meets Death During Fight At Kyle, Town Near Austin: Four Flee After Shot

AUSTIN, Texas, Nov. 4 (P).—Jesus Arandondo, 28, was shot through the heart and instantly killed late Thursday during a brawl at a farm house five miles east of Kyle, it was learned Friday from Judge L. C. Calk, justice of the peace at the Hayes county town.

Five men fled after the fatal shot the justice learned from Arandondo's father, who witnessed the fight.

OIL OFFICE ENTERED

Marauders Disarrange Desk and Papers But Depart Without Taking Valuables.

Though papers and desks were left in an upheaval state, nothing of value was taken Thursday night by the burglars or burglar who entered the warehouse office of the Cities Service oil company, at Avenue J and Fourth street, a survey yesterday morning revealed.

Mrs. Grayson Starts Across Atlantic But She Goes By Ship—Not By Plane

MRS. FRANCES WILSON GRAYSON

After hoping and planning to cross the Atlantic ocean to Denmark by plane, Mrs. Frances Wilson Grayson, owner of the amphibious biplane, "The Dawn," started for her soul yesterday but boarded a vessel and not the plane. Mrs. Grayson hopes to make the flight next year, she says.

Tribal Dances Of Comanches Given In Quanah Square

(By The Associated Press) QUANAH, Tex., Nov. 4.—The representative Plains town of Quanah, named for the son of a white mother and an Indian who became a famous Comanche Chief, today saw that chief's son and successor, garbed in white man's clothing, bestowed on a white "chief," President R. W. Haynie, of the West Texas chamber of commerce, the proud regalia of the red man as a token of adoption into the tribe. The new Comanche was given the name of Pe-Ha-Ho-Cho-Si-Vit, meaning "Chief Eagle of the West."

Chief Baldwin Parker, presiding at the public ceremony, held on the courthouse square, explained that he wore white man's clothes in deference to the wishes of his father, who had left him a complete suit of buckskin and feathers in the tribute with the injunction that he must never put them on while alive, reserving them to be buried in, dressing as a warrior only when departing for the happy hunting grounds.

Chief Parker, in welcoming Haynie into the tribe, pointed to the loyalty and patriotism of the Comanches, good Americans, both before and after the coming of the white man.

President Haynie, in response vowed eternal friendship on the part of the white men for their red brothers, praised the bravery of Parker's grand-father, Pagancomi, and as a token of esteem, presented the chieftain with a silver life membership card in the West Texas chamber.

Following the ceremonies, the Indians feasted and held their tribal dance.

SCHOONER SINKS

Crew of Five Escape in Life Boat As Ship Goes Down Off Portland Coast.

ROCKLAND, Maine, Nov. 4 (P).—The three-masted schooner George D. Jenkins of New York, loaded with coal for Cuba, sank in 19 fathoms of water in East Penobscot bay, North Haven, in today's gale. The crew of five, including a woman who acted as cook, escaped in a life boat.

SPECIAL FORCE ORGANIZED FOR FIGHT ON STRIKE

COLORADO GOVERNOR IN EFFORT TO AVOID CALLING MILITIA

VETERANS ARE USED

PICKETING BRINGS NEW ARMED FORCE TO SEE THAT LAW REIGNS

(By Associated Press) DENVER Colo., Nov. 4.—A state law enforcement department was formed today by Governor Adams, in the hope that officers could cope with the strike situation in the Colorado coal fields and make it unnecessary to mobilize the national guard.

The sudden move of the chief executive was determined upon after several instances of picketing at coal mines had been reported to him today. The new organization is headed by Louis N. Scherf, former regular army captain. He immediately recruited 15 ex-service men for the organization and within an hour after they had been sworn in, the new officers were on their way to Walsenburg in Huernano county. They were armed and carried three riot guns.

A strikers demonstration was held on the public road outside the Walsenburg mine of the Colorado Fuel & Iron company in Huernano county this morning. Twenty-five armed mine guards kept the demonstrators off the company property.

HEART ATTACK IS FATAL TO WORKER

MAN WHO JUMPED FROM A HOTEL WINDOW WHILE IN DELIRIUM DIES

Funeral arrangements were in complete last night for Walter Jensen, 40-year-old pipe line worker, who died in the city jail early yesterday morning from heart failure. Jensen was the man who, according to officers jumped from a local hotel, while suffering from an attack of delirium tremens earlier in the week.

Jensen was lodged in the city jail early Thursday when he was arrested by Nightwatchman Baxter. Honey after he had strolled into a downtown restaurant sparsely clad. Prior to his arrest, Jensen had boarded through the hotel window, carrying along frame and pipe. Slight injuries resulting from the jump had no connection with his death, physicians declared.

Every possible medical attention was given the man. Dr. Sam Dunn, acting city health officer, called on him, but due to the delirium it was impossible to move him to a hospital, officers reported.

Early yesterday morning, Police Chief John Leonard, advised that Jensen's condition had taken a turn for the worse, summoned Dr. Dunn. Dr. Dunn found the man in the throes of a heart attack, from which he did not rally.

Jensen came to Lubbock several weeks ago working as a welder with the construction company laying the pipeline into this section. He had resided at a hotel in Dallas, and his personal effects were ordered to be sent from there to Lubbock, last night. Jensen gave his home address as Stockholm, Sweden, and said he had a brother-in-law, who was chief city electrician there. Efforts to communicate with the brother were being made last night.

DAIRY TESTING BEGUN

County Agent Examining, Cooperating With A. and M. Service, Has Charge of This Work.

Work of testing dairy cattle in this county to check up on unprofitable cows is now being started under the supervision of County Agent D. F. Eaton, who is working in cooperation with the A. and M. College extension service.

Four owners of herds have already entered into the survey. Mr. Eaton announced yesterday. Those are C. E. Merrill and W. H. Blackmon of the Hardy community, Fritz Pacha of the Abernathy community, and J. W. Duncan of Shalwater.

The test is made for butter fat and milk production, to see if off-springs of bulls imported into this region have been giving an increased production over their dams, and to eliminate unprofitable cows.

Quake Halts Rail Traffic In California

(By Associated Press) LOS ANGELES, Nov. 4.—A series of moderately heavy earthquake shocks along the Central California Coast today halted railroad traffic over the Southern Pacific line north of Santa Barbara and shook the inland town of Santa Maria more severely than any earth disturbance since 1906. The earth tremors continued during the day. Although they were not felt, seismographs at Santa Clara recorded tremors at 1:52 p. m.

The earth tremors apparently were heaviest in the vicinity of Honda, a rock-bound promontory 35 miles north of Santa Barbara. It was here the Southern Pacific tracks were thrown out of alignment. Trains were delayed for some hours and later they proceeded at a slow speed.

Ships at sea were rocked, the Mackay Radio station reported. The steamer Los Angeles radioed two shocks were felt after 12 noon. At Santa Maria five shocks were felt in five hours, the second of which at 5:45 a. m. was the most severe. Shocks in the Masonic Hall were dislodged and fell into the street while a few plate glass windows were cracked.

The zone of disturbance apparently extended to a point north of San Luis Obispo. The southernmost point of the disturbance is believed to have been in the Los Angeles sector where the shock was very light but distinctly felt.

CATTLE THEFT TO BE TRIED HERE

DAYS WHEN CATTLE WAS SUPREME RECALLED IN CASES ON TRIAL

Reminiscences of the days when the South Plains country was covered with cattle instead of cotton will be brought into the present day when the criminal docket of the Seventy-second district court is tried during the November term. But a different outcome from what would have happened in the earlier day will result.

Coming up for trial before Judge Homer L. Pharr are five cases of theft of cattle. Two of the complaints are made against J. W. Boyd, and one each against R. G. Aeschbacher, J. H. Dumas, and M. C. Myrick.

There are in addition 36 cases where the defendant is charged with violation of the prohibition law. Those charged with this offense are: Alfred Green, C. A. Vaughn, Mrs. B. Schaller (two cases), M. Lucera (four cases), J. F. Lynch, Homer L. Brown, Don McCombs, (three cases), Tom Elliott (two cases), F. Dillon (three cases), Frank Lynch (two cases), C. Weisinger, J. C. Anderson, H. E. Gibson (three cases), John Brooks, R. F. Blackman, Ernest Newbill (two cases), C. L. Jones, B. F. Hamlin, B. C. McCullum, J. E. McClung (two cases), Leroy N. Smith, Charles Davis and Fred C. Smith.

Nine cases of forgery come up for trial. Those charged with this offense are: Sam King, Alfred Green (two cases), C. C. Haggard, C. L. Langford (three cases), B. L. Moore, and Homer McCoy.

Swindling cases number six. Defendants on this charge are: E. W. See CATTLE THEFTS, Page 6

BALLOON IS LOST

Army Officer in Try For New Record Soars Above Clouds Add Is Not Heard From

SCOTT FIELD, BELLEVILLE, Ill., Nov. 4 (P).—Captain Hawthorne C. Gray, army air service officer here, who ascended from Scott Field in a balloon at 2:22 p. m. today in a new attempt to break the world's altitude record has not been heard from for four hours. The balloon and its occupant disappeared above the clouds and were lost to four army airplanes acting as escorts.

ACCIDENTAL SHOT KILLS

Rabbit Jumps From Brush As Man Are Working Causes Gun To Be Discharged

GRANBURY, Tex., Nov. 4 (P).—John Boyd, 28, was accidentally shot and killed ten miles from here today by Porter Beaver, his brother-in-law. Boyd and others were working when a rabbit was jumped and in the excitement Beaver's gun was accidentally discharged, the charge striking Boyd in the back of the head.

Boyd is survived by his widow and two children.

RUMORS REPORT HUNDREDS DEAD AS DAM BURSTS

GALE ACCOMPANIES BIG DELUGE IN PARTS OF NEW ENGLAND

FARMS DEVASTATED

SCORES KNOWN DEAD; DAMS BURSTING AND RIVERS RUN WILD

(By Associated Press) A steady mounting death toll and property damage of millions of dollars is indicated in reports from flood-ravaged towns of New England.

Unconfirmed reports were that from 137 to 212 persons lost their lives in Montpelier, Vt., with the collapse of a large reservoir.

A score or more of other deaths were reported from widely separated towns in Vermont, Connecticut and Massachusetts, in the grip of floods for two days, due to dams in rivers bursting as a result of excessive rains.

Mills Are Idle. The affected area comprises largely the New England mill district, which, due to lack of power, was idle today. Residents of many sections spent the night in darkness and thousands of families were forced from their flooded homes, took to higher ground.

Flood conditions extend to part of New York state, up into Maine where a 44-mile gale whipped the sea into a fury and sank at least one ship, and into Canada where crops were destroyed and railroad lines washed out.

Many Dams Burst. The flood began two days ago when dams in New England rivers, strained beyond endurance by excessive rainfall, began bursting asunder, to release the water, through which they ran more terrible torques than the inhabitants had ever seen.

Houses, whole districts, were washed away, livestock was swept to death by a fury and barn, factories from the rushing and were drowned and in the manufacturing centers industry was brought to a complete standstill.

Telephone and telegraph lines were disrupted, train service was brought to a halt while families were marooned. The countryside was placed in a state of siege under the relentless attack of the forces of nature.

LT-GOVERNOR OF VERMONT DROWNED

BINGHAMTON, N. Nov. 4 (P).—Lieutenant-Governor S. H. Jackson of Vermont, lost his life in the flood, which has engulfed Montpelier, according to a wireless telegram from amateur station B2BT at Rutland, Vt., signed by L. J. Kelly, the Montpelier correspondent of the Associated Press.

The message said also that nine persons were reported dead in the neighboring city of Barre.

HUDSON VALLEY MENACED BY WATERS

ALBANY, N. Y., Nov. 4 (P).—The Hudson river valley was menaced tonight by one of the worst autumn floods in its history.

In addition to swelling the overflow of its countless tributaries, swollen by more than 16 hours of driving rain, the bursting of dams See RAGING FLOODS, Page 6

The Junior Music club is meeting at 4 o'clock this afternoon at the high school auditorium.

The Junior Little Theatre is meeting at 10 o'clock this morning at the high school auditorium to try out for two plays that are to be given. Children between the ages of 8 and 14 are eligible.

The A. A. U. W. chapter meets at 4 o'clock this afternoon at 2421 Broadway and will hear a report on the state conference from Miss Margaret Weeks. Members have been requested by the president, Mrs. A. H. Leidigh to bring their dues.

Mrs. James H. Goodman is entertaining this afternoon at 3 o'clock at her home, 2301 18th Street, honoring Miss Bethany Swearingen, of Jackson, Miss.

Miss Lois Harker is entertaining the K. J. K. club this afternoon at 3 o'clock with a theatrical party.

Allan Hill Elected President of S. S. Class Thursday

Allan Hill was elected president and other officers were named when Dr. Paul W. Horn's Sunday school class met at his home on the Technological college campus Thursday evening.

Mrs. Horn and Miss Ruth Horn assisted Dr. Horn in receiving the guests and a program was given consisting of several songs by Edgar Schaefer accompanied by W. R. Waggoner, who then played a number of piano selections. Mrs. E. E. White gave a reading and short talks were made by Dr. Horn, Mr. Hill, J. L. Dow, Rev. E. E. White, O. H. Cline and W. R. Knox.

The class officers were named and committees appointed as follows: Vice-president, J. T. Shaver; secretary, J. E. Gibson; treasurer, C. E. Maedgen; membership committee, C. M. Mitchell, W. F. Stephenson and Clyde L. Beckwith; attendance committee, J. B. Morris; art, J. E. Gibson, and K. L. Riggs; camp, J. T. Shaver, E. W. Campbell, Jr., and Sidney Knowles; finance, C. E. Maedgen, Paul Hardwick and C. A. Gammit; social, C. F. Carlock; J. G. Allen and Sidney Knowles; and W. R. Campbell, Dr. R. E. Hutchinson and R. S. Williams; employment, Pink L. Parrish, W. E. Stinson and J. G. Williams; building, R. J. Murray, J. A. Humphries, Burton S. Burks and Rufus Scarbrough; publicity, W. P. Knox.

Mrs. Clark Smith is hostess honoring Mrs. Hunter.

Mrs. Clark Smith, 2315 Main Street, was bridge hostess Thursday afternoon honoring her sister-in-law, Mrs. James Hunter, of Tyler, Texas, who is visiting here.

Autumn flowers adorned the home and the hostess served brick tea, cream, angel food cake, mince, and coffee to her guests. Mrs. Glen Hearn received high score and Mrs. Carrie Thomas received low score in the games. The guest was presented with a favor.

Those playing during the afternoon were Mesdames Clayton Carter and Glen McKee, of Crosbyton, P. H. Friend, J. T. Hutchinson, W. B. Powell, J. E. Vickers, Carrie Thomas, Glen Hearn, W. H. Meador, L. E. Miller, Rankin Dow, Herbert Lowery, D. K. Bondurant, W. R. Spencer, M. L. Price, Bass Arnett and Miss Della Wilkerson.

Mrs. J. A. McCelvey Bridge Hostess To Club Members

Sew-Club members played bridge Thursday afternoon at 444 18th Street with Mrs. J. A. McCelvey as hostess. Miss Mary Meador and Mrs. Harold Griffith made first and second high scores in the games. There were three tables of bridge players.

The Woman's Day
By
Allene Sumner

The famous father of the seven, adopted Russian orphan, Rear Admiral Newton A. McCully, has recently taken unto himself a bride. He is 69. She is 23. No picture of the bride has been seen as yet. One wonders many things. Nature has made it more or less of a struggle for any woman to marry a man who is seven times her age when there are seven of them!

A KING BUT—
Even if he is a king, little King Michael of Rumania is just as apt to have muscled and chicken pox and whooping cough as his lowliest citizen, which truth is brought to mind with the frantic rushing of the little king from the royal palace when a case of infantile paralysis was found. One wonders if many mothers envy the king's mother, Princess Helena. It's bad enough to have a sick child without knowing that the eyes of a nation are upon one, reproaching even a mother if anything happens to her son.

WOMEN'LL HATE IT—
One of the most interesting, possibly irritating, and yet convincing "pieces" ever written about men and women and love and marriage is "The Tyranny of Love," by Louis Bromfield in the current and second number of the much needed new magazine called "Plain Talk."

Old-fashioned women who think that because they are women they have a right to everything, will hate it. Newer women who ask why they should be supported any more than a man should be, will give something in return, love it. Especially these sample paragraphs.

SAMPLE ONE
"The tremendous domination of women in American life sprang from the beginning from the rarity of them. The value of a thing is known by its scarcity, said that most untypical of American husbands, Ben Franklin, and in the beginning women were scarce in the rebel American colonies as hens' teeth. A woman on the frontier was worth her weight in gold. She won for herself a sort of queenly position but she paid for it. Those first women, who bore child after child, did the washing, the cooking, the sewing, the knitting and sometimes even worked in the fields, had little time to ponder over their value or to consider themselves creatures to be placed on a pedestal."

BUT—
"It was in the succeeding two or three generations that American women began to have ideas. She learned to put a price on herself and stepped proudly onto a pedestal whose lofty height had nothing to do either with common sense, the laws of nature or her own value in the scheme of things. She became a terrible creature who ruled her husband by means of martyrdom and fainting fits."

AND THEN—
"The third period of development in woman's domination has occurred within the memory of most of us. It was accompanied by great wealth and incredibly hard work and struggle on the part of the men. Women discovered birth control and began doing away with large families. The author lists nurses and governesses, schools, automobiles, mornings in bed, afternoon shopping sprees, all proving that the wife of this era is little but a kept woman."

THE BEST OF ALL
"The amount of sentimental bunk which exists in America over childhood and motherhood is simply staggering. A woman's natural functions have come to be regarded no longer as normal and logical."

Hike Is Planned By Camp Fire Girls For Today

Sunova Camp Fire girls met yesterday afternoon with Fern Holland and planned a hike for this morning meeting at 4 o'clock. The group is to meet next Friday with Jean Shelley Jennings.

Toyojako Camp Fire Group Meets

Toyojako Camp Fire girls met Thursday afternoon with their guardian, Mrs. H. A. Lattimore. Those in attendance were: Louise Adkinson, Alice Rachel Jones, Pauline and Lois Singleton and Elizabeth Montfort. These girls are preparing a box of toys to be given to a hospital.

The Morning Avalanche Menu for the Day

BREAKFAST—Grapes, Cereal cooked with chopped figs, cream fish cakes, crisp rye toast, milk, coffee.

LUNCHEON—Oyster stew, celery, and cabbage salad, chocolate bread pudding, milk tea.

DINNER—Ham baked in sweet cider, twice baked sweet potatoes, creamed spinach, head lettuce with French dressing, cheese sticks, combination sherbet, vanilla cookies, milk, coffee.

Since children under school age or under eight years of age were served oysters for their luncheon, meat is not necessary for their evening meal. They will find an excellent variety in the sweet potatoes, spinach salad and dessert without missing the ham.

Combination Sherbet
Three lemons, 3 oranges, 1 cup granulated sugar, 4 cups milk, 1 cup cream, 1 tablespoon granulated gelatin, 4 tablespoons cold water.

Squeeze juice from lemons and oranges and press pulp of bananas through sieve. Mix thoroughly with sugar and stir in gelatin softened for five minutes in cold water and dissolve over hot water. Add milk and turn into freezer. Freeze to a "mush" and beat in cream beaten until firm. Finish freezing and serve in orange shells.

Chicken Culling Is Demonstrated

County Agent D. F. Eaton, spent a busy day yesterday giving chicken culling demonstrations in the Harrell community. One demonstration was given on the R. L. Powell place, where there were approximately 500 chickens. The other was held on the Mark Williamson place.

23 Auto Licenses Given During Week

During the week, motor licenses have been issued from the tax collector's office here to 23 owners of new automobiles, bringing the total of cars in Lubbock county to 7671. Of the total, 19 were sold in Lubbock. Station dealers sold the other four.

NEW HANDKERCHIEFS

Geometric patterns, fine and wide stripes, triangles, circles, and soon, in vivid colors enliven the new handkerchiefs.

ORIENTAL LINES

A stunning dark blue georgette with uneven hemline has tightly swathed hips in gold cloth and a gold bolero for a bodice.

THE BEST OF ALL

The amount of sentimental bunk which exists in America over childhood and motherhood is simply staggering. A woman's natural functions have come to be regarded no longer as normal and logical."

Paris Demands Classic Beauty Of Furs, Experts Insist
Straight Lines Use Dyed Ermine To Match Head Pieces

Beige Rodier cloth is plaided with moleskin in this Revillon model.

BY ROSETTE
NEA Fashion Expert
PARIS, Nov. 4.—To a French woman a fur coat is distinctly a luxury, rather than a necessity, and whatever the mode may be she insists that her fur coat be made on what she calls classical lines. She counts her furs among her most prized possessions, and nothing but the very best, both in quality and workmanship, will satisfy her.

The furs of this season are rich and attractive. We have gone far from the heavy, ungainly coats which used to be worn, with comfort and warmth the main considerations and all ideas of lines disregarded.

Broadtail, mink, caracul, dyed ermine, pressed lamb (American broadtail), natural squirrel, Hudson seal, natural and dyed mole-skins are the most fashionable furs.

Another new fur is pressed lamb, often dyed beige or grey, worked by the furriers so it is nearly as supple as broadtail with the advantage of being of a much more approachable price. Hudson seal is said to be coming in again and several models are being shown trimmed with natural or dyed squirrel or beige or grey fox.

The Lining Matches Milady's Gown
Fur coats are being lined to match the dress with which they will be worn, thus carrying through the ensemble idea. Otherwise linings are generally of crepe de chine in a shade matching the fur or again of satin covered over with crepe georgette. Vivid linings are reserved for evening cloaks, where for example an ermine wrap will be lined with deep rose or sapphire blue chiffon velvet.

Although the idea of a fur hat may sound impossible some models which have been able to achieve some delightful models in the lighter furs. Daladier, for example, has created a mole-skin beret to accompany a mole-skin coat which is very smart and new and Jeanne Lanvin severely alone except as linings for

AMARILLO HI WINS FROM PLAINVIEW, 18 TO 6

HOWARD PAYNE, SIMMONS, M'MURRY WIN; HILL BILLIES HERE

WALKER STARS AS SANDIES COP THIRD CONFERENCE CONTEST IN SPIRITED TILT WITH BULLDOGS

SCHROEDER CARRIES BRUNT OF PLAINVIEW ATTACK; GREEN AND WHITE IS FIRST "A" TEAM TO PENETRATE BUTLER'S GOAL LINE

By James R. Dow
Avalanche-Journal Sports Editor
PLAINVIEW, Nov. 4.—Before the undefeated Golden Sandstormers of Amarillo high school, the under-rated Plainview Bulldogs bowed in defeat by a count of 18 to 6 here this afternoon before more than 1,000 frenzied and howling fans. Hugh Butler's offense continued on toward a district title culmination as the Sandie backfield worked harmoniously in their charging against the Green and White warriors here today.

Only 53 seconds of football had been played until the Butler combination had scored a touchdown on "Duckie" Allen's eleven bulldogs. Although defeated the Bulldogs have been the only conference team of the Class A loop to cross the Sandie goal line this season.

Walker Flashes Repeatedly
It was not until Walker, flashy halfback of the Sandies, had substituted for Hudgins that the visiting backfield seemed to strike their stride in the steady advancement of the ball. Walker in his first four or five attempts was smothered for losses but finally got into his usual stride and displayed a great array of side-stepping and stiff-arming which carried him through the secondary defense of the Bulldogs for repeated long gains.

His No. 3 flashed in most every long gain made by the Butler machine after the initial quarter. Walker, who has been making a strong bid for all-conference halfback, distinctly demonstrated his ability to handle any medium of the work of a halfback with both offensive and defensive tactics.

Butler's line was not what it had been in the two previous conference games and the handlers of the Amarillo athletes made numerous substitutions to obtain the sort of working line he desired to carry out the work against the Bulldogs. But his substitutions assisted but little as the improvement of the line work.

Schroeder Is Star
Schroeder, fleetly half of "Duckie" Allen's machine carried out the drive for the Bulldogs this afternoon. He was a hard back for the Sandies to stop and carried out about as flashy an exhibition of gridiron performances as did Walker for the visitors. Repeatedly the little fellow worked away from the Sandie defense and slashed off long gains for the local eleven.

Today's victory for the Sandies was the third conference game they have won and the second loss for the Bulldogs. Amarillo and Wichita Falls are the only two clubs of the Class A Panhandle Conference with a clear slate.

First Quarter
The scoring plays of the game were: Amarillo won the toss and chose to defend the South goal. Doebler kicked off to Waddill who returned the ball 20 yards to the Plainview 22 yard line. Plainview fumbled and Amarillo recovered. Gibson, Amarillo halfback, got loose for 22 yards and raced for a touchdown on the first offensive attempt in the game. Travis, Amarillo, pointed after touchdowns was 20-0. Score 6 to 0.

Doebler again kicked off to Magill who came back 18 yards to the Bulldog 22 yard line. Schroeder raced 44 yards on an off-tackle play to place the ball on the Amarillo 20 yard line. Magill and Schroeder counted another first down on off-tackle plays and after Waddill and Magill had worked the ball for eight yards then went over to Amarillo. R. Larsen substituted for Doebler in the Sandie line. After an exchange of punts Amarillo took the ball from her own 29 yard to the Bulldog 28 yard line with a series of off-tackle plays carried on by Gibson, Hudgins, and Travis. Hudgins lost a yard and then, a later pass Travis to Gibson. Gibson netted 7 yards, then Gibson counted a first down on a 14 yard line. Hudgins to Gibson, and the ball went to Plainview on their own 29 yard line. Both Amarillo and Plainview chose to punt for the rest of the first quarter and the ball was in possession of the Sandies on the Plainview 25 yard line at the whistle.

Second Quarter
Walker substituted for Hudgins for the Sandies. Walker ripped off 10 yards going out of bounds to place the ball on the Bulldog 15 yard line. Walker and Travis added 5 yards and then the Bulldogs charged on Walker for a 14 yard loss and the ball went over. After the Bulldogs and Sandies punted to each other the Sandies took the charge from the Plainview 44 yard line and on four downs handed the ball over to the Bulldogs. Smith for Travis for Plainview. Two successive punts were attempted. Bulldogs were penalized for 5 yards on the second pass. Another exchange of punts intervened and after one pass had failed incompletion for the Bulldogs they attempted another which was intercepted by Doebler who raced 22 yards before being downed. Walker again netted 4 yards and a pass. Walker ran 16 yards for the Sandie second touchdown. Travis's kick failed. Score Amarillo 12 Plainview 0. After the kickoff both Amarillo and the Bulldogs punted to one another and as the ball

Floydada Crushes Over Ralls, 27 to 0

(By Associated Press)
AMARILLO, Nov. 4.—The Floydada Whirlwinds defeated the Ralls Jackrabbits here this afternoon by a total of 27 yards in penalties as assessed against the visitors. One notable feature of the game was furnished by White of Floydada, who intercepted a Ralls pass in the fourth quarter to run 30 yards for a touchdown.

PONIES SET TO WIN EVEN ON KYLE GRID

DALLAS, Nov. 4.—The Southern Methodist University Mustangs were a determined lot as they left last night for College Station where they play the Aggies Saturday.

Coach Morrison is taking his men down a day early so that they may have an opportunity of limbering up on Kyle Field on Friday. He wants them to get somewhat accustomed to the historic field which in itself has downed so many visiting eleven.

In 1923 the Mustangs were able to break this Kyle Field jinx, winning from the Aggies, 10 to 3, but in 1925 the jinx got them. They were heavy favorites in the betting but lost 7 to 0. This year the Mustangs have their hearts set on proving to the Aggies that the Red and Blue of S. M. U. can again wave its victory on Kyle Field.

The Mustangs are in fair physical shape, having come out of the Missouri and Texas games in good condition. Injuries are not worrying Coach Morrison but there is a slight bit of worry outlined in his face when someone asks him if he thinks the Mustangs can hold their stride for the third consecutive Saturday. A good many dogs hounds believe that Missouri, Texas and A. and M. all in a row, will be too much for the Mustangs, and that the Aggies will reap the harvest.

The game will also bring out an individual battle between Gerald Mann and Hunt, who are the logical contenders for the quarterback position on the All-Conference team. If Mann plays he has played last year, and as he has been playing so far this year, it will mean that Hunt will have to rise to super-human heights to oust him.

STAGE ALL SET
AT AGGIELAND
COLLEGE STATION, Tex., Nov. 4.—The stage is all set at Aggie land for the coming of the Mustangs tomorrow and indications point not only to what promises to be the most thrilling struggle in the Southwest Conference so far this season, but to one of the most colorful aggregations of spectators as well.

The whole A. and M. cadet corps of nearly 2,000 will be at the game on buses to cheer on the Aggies and reports from Dallas, Houston, Waco and other places indicate the visiting delegations will be strong in numbers and enthusiasm. Dallas is expected to send a host of supporters with the Mustangs, reports being that possibly two special trains will be required. Special trains will bring Houston and Waco fans also.

In preparation for the coming conflict, Coach Dana Bible is outlining the Aggies through a daily round of intensive training behind closed gates. Work against S. M. U. formations is being given but dummy scrimmaging is being followed for the most part.

Captain Joel Hunt at quarter and Conover, Alsbach and Burgess at halves and full respectively are expected to start in the backfield for the Aggies. In the line Bible is expected to start Sikes and Petty at ends, Lister and Spratt at tackles. Holmes and Fugitt at guards and Bartlett at center.

Dundee Is Arrested As Bout Aftermath

(By Associated Press)
LOS ANGELES, Nov. 4.—Joe Dundee, world's featherweight boxing champion, was arrested by police officers of Pasadena, Cal., here early tonight on a Los Angeles warrant charging false advertising in connection with the title bout fiasco here last night.

Waxman, also was arrested on the false advertising charges. They were taken into custody by the Pasadena officers when the eastbound Santa Fe train "The Chief," pulled into the station there. The officers found Dundee and his manager aboard. Although Dundee put up an argument of several minutes, he and his companion accompanied the officers docilely. After being taken into police custody, Dundee and Waxman were loaded into an automobile and headed back for Los Angeles. Dick Donald, promoter of the fiasco bout, in which Ace Hudson, Nebraska, "Wild Cat," sought to win Dundee's crown, was the subject of another police hunt here tonight.

JACKETS STILL CRIPPLED WIN OFF TIGERS

(By Associated Press)
BROWNWOOD, Nov. 4.—Despite the fact that Howard Payne was playing without the services of Jones and Hodges, veteran tackles, and Baker, regular quarter, the Yellowjackets came through with a 7 to 0 victory over Trinity university here Friday afternoon. Howard Payne scored early in the second period when Fields punted four yards through the line for the game's only touchdown. Boyd added the extra point with a place kick.

During the last quarter the Jackets played strict defense, making only one first down in the last half.

Trinity opened up an offense from the Tigers' 12 yard line in the fourth period and carried the ball deep into Jacket territory before being stopped. A pass, Hale to Whitaker, for 35 yards in the fourth period threatened but went for naught. Trinity made six first downs in the last quarter but were unable to get within Howard Payne's 20 yard line.

SIMMONS OUT-GAINED, BUT BESTS AUSTIN

SHERMAN, Tex., Nov. 4.—Simmons university of Abilene defeated Austin college, 20 to 6, here Friday afternoon despite the fact that the Kangaroos were out-gained in scrimmage against 133 by Simmons, the former 19 first downs and the latter eight. Simmons scored in the first and fourth periods, Austin in the second.

H. Bonds was carried off the field in the first period with a broken knee. Hyde and Sanders showed up well for Simmons, the latter's punts keeping the ball in Austin territory during the first half. The Keeling-to-Lingo pass combination gained 157 yards. Dee gained 49 yards in line plunges, but breaks of the game and lack of punch when within scoring distance lost the game for Austin.

MCMURRY DEFEATS DENTON IN BLOW TILT

ABILENE, Tex., Nov. 4.—McMurry college maintained her undefeated standing in the T. L. A. A. with a 15 to 0 victory over the lovely North Texas Eagles from Denton.

It was slow football for the most part, only a few flashy runs by Bob Tharp and Mickey Pool for the visitors repaying the fans that turned out to see a title aspiring eleven in action. The Indians took the ball down the field 56 yards for a touchdown. Patterson going over, a wild pass from Center that Browning recovered behind his goal counted a safety in the third period. Denton made a free kick of 50 yards after the safety which Pool returned 46. A little later he passed to West for the last score.

HANSEN KNOCKS OUT SCOTT IN FIRST ROUND

(By Associated Press)
NEW YORK, Nov. 4.—Knute Hansen, Melancholy Dane, knocked out Phil Scott, British heavy-weight champion, in the first round of a 16-round bout at Madison Square Garden tonight.

Scott, making his debut in an American arena, was floored seven times when the referee stopped the bout. At the start Hansen sent the Englishman down for a count of three with a right jab to the head. Hansen kept pummeling Scott with right and left hooks, sending him to the resin six more times when the referee juggled the Britisher to his corner senseless.

The big Englishman, displaying no form, lasted only two minutes and 25 seconds of the first round, but in that time displayed a brand of gameness seldom seen in the historic Garden ring.

Almost at the very start Hansen drove a short left hook to the Briton's chin and the tumbling act was on. Badly hurt, Scott took a count of three and rose to meet a right cross that dumped him for five. Another right to the chin sprawled Scott for six. Finally Hansen knocked Scott out for five minutes. Hansen weighed 206 1-2 and Scott 195 1-2.

Earle Sande, Famed Jockey, Now Barred

BALTIMORE, Md., Nov. 4.—(AP)—Charged with deliberately forcing Jockey C. Lang's mount against the rail, Earle Sande, whose horse, Liscum, and Lang's, Reigh Count, were leading at the home stretch in the \$40,000 futurity classic, tonight was suspended from further racing at Pimlico this season.

The stewards contended that "after Sande failed to elbow Reigh Count against the rail, he deliberately cut across in front of him, causing Reigh Count to jump the rail and forcing him to lose his stride." The 20,000 spectators surmised something had happened when they saw the shuffling of horses at the bend and watched Glade taking advantage of the misadventure, dash ahead as the victor with Pecos Wrack second, and Eugene S. third.

Sande was immediately stripped of his jockey's badge and ejected from the grounds.

SCHREINER WINS FROM SOUTH TEXAS TEACHERS

KERRVILLE, Tex., Nov. 4.—Schreiner Institute outplayed South Texas State Teachers college in the second and fourth periods of a football game here Friday afternoon to win 13 to 0.

In the strong Freehold line the services of "Chubby" De Witt, Doc Harris, Toler, Barber, and Castile

TECH CRIPPLED FOR GAME IN AFTERNOON

The Texas Tech Matadors will no doubt go into the game with the Hill Billies of Daniel Baker College this afternoon at the Matador field with more fight and spirit than they have had since the beginning of the season for the team has been hampered with a long list of injuries and indigibilities and will take plenty of the battling spirit to check the veteran Goats under the Ransom and Blair regime.

To start the game this afternoon Coach Grady Higginbotham will have only one of his original starting backfield men for duty, Floyd Woodriddle, who has played in every quarter of every game since the initial tilt of the season. Percy Walker, flashy Texasador halfback has not been in uniform this week due to a bad knee he received in the Aggie game. "Tuba" Nicklaus fullback, will not likely start the game but will possibly be used in the latter stages of the contest.

In the strong Freehold line the services of "Chubby" De Witt, Doc Harris, Toler, Barber, and Castile

berry will be missed due to injuries and scholastic standings. Ewing Y. Freeland may shift Westerfelt regular tackle, to guard for this afternoon's game. "Mule" Fikes, letterman of Texas Tech's first football club, too, will probably count in the contest with the Goats.

Billies Take Workout.
Coaches Ransom and Blair arrived in Lubbock shortly before noon yesterday and took a light workout on the Texas Tech's gridiron late in the afternoon. The Blue and White warriors of the Brownwood institution displayed a battling spirit as they charged over the field with plenty of pep and drive. The Billies come to Lubbock for their first football game on the South Plains and are here to avenge the Goats of the scoreless tie the Matadors held them to last season in Brownwood. Spirited over the decisive victory they put over the Cowboys, 20 to 7, the Goats will be hard to handle here this afternoon.

The probable starting lineups will be:

Texas Tech	Pos.	Dan Baker
Jennings	1 e	Trammell
Vermillion	1 t	F. Roddie
Westerfelt	1 g	MacMiller
Corley	c	Cobb
Reed (c)	r g	Head
Carpenter	r e	La Sage
White	r t	Martin
Woodriddle	q b	Villa
Brothers	l b	McWilliams
Hodges	r b	Baker
Taylor	r b	Dillard

SLATON DEFEATS LOCKNEY WITH 12-6 COUNT

(Special To The Avalanche)
LOCKNEY, Nov. 4.—Flashing the same powerful offense that has swept them to victory in their games heretofore, the Slaton Tigers crashed over the Lockney Longhorns here this afternoon to get a merited 12-6 decision.

Shelton and Cooper turned in a fine bit of work for Lockney. The work of Pohl, fleet and powerful Slaton back, was outstanding for the victors.

What is Panama Joe Gans' real name? K. B. Cyril Quinton. Who is captain of the Vanderbilt football team this year, Spears or Sharpe? F. B. M. Sharpe.

"Mary Boland is right—Lucky Strikes are the most enjoyable"

Said Jean Ackerman to Murrel Finley, Blanche Satchel and Myrna Darby while they rested between acts of The Ziegfeld Follies.

You, too, will find that LUCKY STRIKES give the greatest pleasure—Mild and Mellow, the finest cigarettes you ever smoked. Made of the choicest tobaccos, properly aged and blended with great skill, and there is an extra process—"IT'S TOASTED"—no harshness, not a bit of bite.

"It's toasted"

No Throat Irritation—No Cough.

Mary Boland, the Delightful Actress, writes:

"For a number of years, I noticed that Lucky Strikes were the overwhelming popular cigarette with most actors. It was only natural, when I started to smoke, that I try Lucky Strikes. Now I know it is rightfully called 'the actors' favorite.' It is the most enjoyable cigarette and results in no throat irritation or harshness and this means everything to us of the stage."

Mary Boland

Hagen Wins Over Espinosa At 37th Hole and Will Play Joe Turnesa For National Title In Finals Saturday

(By Associated Press)
CEDAR CREST COUNTRY CLUB, DALLAS, Nov. 4.—Walter Hagen, of Pasadena, Fla., known as the "Great Hag," "Sir Walter" and "champion of champions," putted his way to one of his typical triumphs today and downed Al Espinosa, of Chicago, on the thirty-seventh hole of their semi-final match in the Professional Golfers' Association tournament in progress here.

When Hagen dropped the last putt of the match, he won the right to play Joe Turnesa of New York for the championship tomorrow, a championship which Hagen has held and which he has already held four times.

Turnesa reached the final bracket in a runaway match with John Golden of Patterson, N. J., whose putter acted like a sore thumb today and forced him to down 7 and 8 before the handsome Anglo-Italian from New York.

Espinosa put up one of the greatest battles of the tournament to date winning with his putter and niblick when his longer clubs deserted him, but the strain on the last holes robbed him of the services of these fickle friends and he threw the thirty-sixth and thirty-seventh groups while Hagen was dropping his safe par.

Turnesa played perfect golf in his morning round, every shot almost, taking the shortest line to the pin and the first putt either dropping for a birdie or hanging on the lip of the cup for a sure par.

Golden, on the other hand, was far off his putting game, he could not get close enough to the pins to be sure of his next putt and he failed to win a hole all morning, shooting 181 while Turnesa turned in a 23, two under par on the first nine, and finished the round in a par 71.

Legh V. A. Jr.
Turnesa's battle will be a battle between youth and age and the novice and the veteran. It will also contain a slight element of revenge as Turnesa was eliminated in the first round of the P. G. A. event last year by Hagen. Turnesa is no stranger to major competition having been a runner up in the open of 1924 but he has never won a big classic and, compared to the much belittled Hagen, he is a newcomer in the final ranks.

Turnesa is 27 years old and Hagen is 35.
The Scotch, who invented the ancient and honored game will not have a share for the title as Turnesa is an Italian-American and Hagen a blend of several Nordic nationalities.

FROGS READY TO HALT INVASION BY PORKERS

(Special To The Avance)

FORT WORTH, Nov. 4.—The T. C. U. Horned Frogs Thursday practiced through their final workout in preparation for their clash Saturday with the Arkansas University Razorbacks. The Porkers were expected to arrive here today for a light workout on the Frog gridiron. Coach Matty Bell will only give his men calisthenics today to limber them up.

With the exception of "Slim" Steadman, stellar Frog end, the Purple squad is in the best shape it has been this season. Captain "Blackie" Williams' bad leg seems to have completely healed and he more than likely will start the game at quarter. Orrin Thompson, also on the hospital list the past week with a lame ankle, will be able to start but it is likely that Bell will hold him out to give his bad leg a better chance to get well.

The starting backfield against the Porkers probably will be as follows: B. Williams, quarterback; Talar and Madden, halves; Joe Parrish, fullback. The starting line they will be Matthews and Acker, ends; J. Williams and Felix Reynolds, tackles; Brumfield and Fain Reynolds, guards; and Palmer, center.

The Frogs are more concerned over the probable outcome of their battle with the Arkansas boys than they have been over any other game. Against Texas University and the Texas Aggies the Frogs were such underdogs that they were concerned only with battling hard against big odds. But not that they have won their way to a shot at the conference title and only the Porkers separate them from their class with S. M. U., they are worried and realize that they have a big job Saturday.

COTTONSEED OIL

NEW YORK, Nov. 4 (AP).—The cottonseed oil market remained quiet today, prices fluctuating over narrow limits. Nearby positions closed to 2 points lower under liquidation reflecting the quietness of cash trade and unsettledness of substitute markets. The distant positions closed 1 to 4 points higher on covering following the steadiness of cotton and smaller private crop estimates. Sales 15,500 barrels. Prime crude 9.25; prime summer yellow spot 10.75; January closed 10.80; March 11.12; May 11.27.

HEARNE (AP).—A gray gander, 40 years old, owned by Charles Loter, is dead. He left a mate 30 years old, "Dick" the gander, was buried in Loter's back yard.

DAILY MARKETS

NEW YORK COTTON

NEW YORK, Nov. 4 (AP).—The cotton market was comparatively quiet today with the undertone generally steady. Early advances were followed by reactions. January sold off from 29.91 to 29.65 but rallied in late trading and closed at 29.85. The general market closed steady at net advances of 4 to 10 points with October relatively firm. The opening was steady at an advance of 7 to 12 points on buying promoted by relatively steady Liverpool cables, and a tendency to reduce estimates of the crop. Two private reports were issued early, one placing the indicated yield at 12,735,000 bales, compared with an estimate of 12,250,000 a month ago. The other made it 12,558,000 and estimated the ginning prior to November 2 at 3,861,000 bales.

There was probably some buying on these figures, and the early advance extended to 29.85 for December and 21.18 for May, or about 8 to 15 points above yesterday's closing quotations.

NEW ORLEANS COTTON

NEW ORLEANS, Nov. 4 (AP).—The cotton market was rather quiet today although prices fluctuated within a fairly wide range. Trading was confined mainly to evening up in advance of the government crop report to be issued November 9. After selling up to 21.05 during the morning, December contracts eased off in the afternoon to 20.75 on

liquidation, but rallied in the final trading on covering and closing at 20.92, unchanged compared with the previous close. The general market closed steady, net 2 points up to one down.

FORT WORTH LIVESTOCK

FORT WORTH, Nov. 4 (AP).—The hog trade here today was steady to 15c lower. Packing houses and pigs were steady. The cattle market was generally steady to 15c lower with slaughter calves quiet. Sheep were steady with a few grades nominal.

CHICAGO GRAIN MARKET

CHICAGO, Nov. 4 (AP).—Prospect of heavier deliveries of wheat by Canadian farmers as soon as fall plowing is completed did much to pull down wheat values today. Besides, new export demand for North American wheat appeared to have rattled out. Closing quotations on wheat were unsettled, 1c to 1 1/2c net lower, with corn 1-8c to 3-4c to 1-2c down, oats 1-8c to 1-4c off, and provisions varying from 15c decline to a shade advance.

CHICAGO LIVESTOCK

CHICAGO, Nov. 4 (AP).—Cattle 8000; fat steers steady, best \$14.00; few \$13.00 to \$13.50; she-stock strong to shade higher; bulls and vealers steady; grass cows \$8.25; grass heifers \$8.50 to \$9.50; vealers mostly \$11.50.

Striking the "HAPPY MEDIUM"

That expression, so we have been told, is the best kind of description of our store.

- merchandise—dry goods, clothing, millinery—not over exclusive.
- merchandise that is good—good style, good quality.
- merchandise not priced so high as to be exclusive.
- Not a store so large that high pressure sales methods are necessary to make sales balance against stocks.
- Not the highest priced store in town nor the lowest priced.

"The Happy Medium"

We believe that describes our store. Merchandise of such quality one never is called upon to apologize for—prices just as low as the kind of merchandise can be safely sold.

Buying regular—in smaller quantities—keeps the stock new and correct.

Have you ever heard anyone say merchandise from this store was of poor quality? Never have we been accused of high prices.

We invite your comparison of our goods and our prices—when ever you desire.

Will Detroit Vote Wet or Dry?

The candidates of these two men for majority has given Detroit a wet-dry issue this fall. Mayor John W. Smith (left) seeking re-election, declares that an attempt to enforce the prohibition law in New York, Chicago, Detroit or any other large city only "makes hypocrites, grafters and window peepers out of the community." John C. Lodge (right) who opposes him, is an uncle of Mrs. Evangeline Lindbergh, mother of Colonel Lindbergh. Lodge's candidacy is generally considered that of a "dry," though he is making a silent campaign.

SINCLAIR TRIAL

(Continued from Page 1)

former cabinet officer, who is 66 years old, had pneumonia less than a year ago and was in bad physical shape when he came here in mid-October for his trial with Sinclair. He had expected to leave today for his home at Three Rivers, N. M. Run Down "New Leads."

With attorneys and secret service men engaged in running down many rapidly developing new "leads" in the case, the grand jury inquiry proceeded only slowly, during the day with six witnesses questioned. They were Mrs. Amelia L. Bailey, Conrad J. Herzog, William H. G. Oucher and John P. Kern, members of the trial jury; Charles Marchal, a chauffeur, reputed to have been in Sinclair's employ here, and A. C. Gill, a Washington newspaper reporter, who investigated reports that private detectives were obtaining information about prospective jurors before the trial started on October 17.

The grand jury will meet for two hours tomorrow to carry forward the investigation and upon reassembling Monday, will have before it William J. Burns, head of the detective agency; his son, W. Sherman Burns, to whom the chief of the private operatives here reported, and Sheldon Clark, vice president, and general manager of the Sinclair Refining company who telegraphed today to District Attorney Gordon from Chicago that he would arrive here Monday or Tuesday.

Clark was in Washington while the trial was in progress and the government charges that the Burns men reported to him as well as to Mr. Day.

The day at the district court started out in a rather dramatic fashion with Justice Frederick L. Siddons, the trial judge, in the original Fall-Sinclair case, fixing Monday, January 16, as the date for the beginning of the oil conspiracy trial all over again.

Then came the first sensation. Former Senator Alben Pompey, associated with Owen J. Roberts, of Philadelphia, as oil counsel, filed a motion with Justice Siddons for the issuance of a rule against Harry M. Blackmer, former chairman of the board of the Midwest Refining company and a missing witness, to show cause why he should not be adjudged in contempt of court.

Try an Avalanche-Journal want ad and watch the results.

CAL SETS TAX LIMIT

Warns Reduction Must Be Kept Within \$225,000,000 Limit As Set By Treasury.

WASHINGTON, Nov. 4 (AP).—While witnesses before the House Ways and Means committee today were suggesting an overhauling of the nation's revenue laws President Coolidge let it be known that the \$225,000,000 reduction maximum set by the treasury must be adhered to in drafting the new law.

The president was pictured as standing squarely behind the treasury estimate and the White House discussion of the tax cut in advance of the treasury estimate when the president made known that he was opposed to the \$400,000,000 reduction proposed by the United States chamber of commerce.

As the house committee continued with its hearing of testimony from witnesses representing the legal profession, the business world and miners and farmers, it found itself confined again to a discussion of administrative features of the law rather than with the actual rate structure.

RAGING FLOODS

(Continued from Page 1)

along the Hoosick river, in Vermont, poured down into the Hudson a mighty volume of water that raised the river some 10 feet above its normal level.

However, the property damage was not extensive, in contrast with conditions in the adjoining states of Vermont and Massachusetts. Farms in the lowlands of the Lebanon valley from Petersburg to Lebanon between the New York and Massachusetts ridges of the Berkshire hills, were submerged, some livestock was drowned and a few homes were inundated. Highway bridges were submerged, traffic on some railway lines were halted and bridges were washed out, but the waters did not go on a general rampage of destruction.

RESERVOIR COLLAPSES AT MONTPELIER, VT.

WHITE RIVER JUNCTION, Vt., Nov. 4 (AP).—Unconfirmed reports of heavy loss of life in Montpelier, the state capital, where the collapse of a large reservoir was said to have flooded the city deeply, were in circulation tonight. Montpelier is about 56 miles

from this point and is completely isolated.

Telephone and telegraph service from the state capital failed early last evening and since that time no definite news has been received.

Two telephone girls who left Montpelier at 8 o'clock last night and arrived here today said water was running 10 feet deep in State street, the main street of the city at that hour.

Several persons here with relatives in the capital tonight were striving to find some means of reaching Montpelier over the rain-wrecked roads. Persons familiar with the layout of the capital said that collapse of the reservoir would place virtually the entire city under water.

ALL NEW ENGLAND IN GRIP OF FLOOD

BOSTON, Nov. 4 (AP).—Flood waters tonight still gripped New England. Rain had ceased in most sections but streams which had taken a toll of at least a dozen lives, and probably more, continued to rise. Railroad service was paralyzed in Vermont, New Hampshire and western Massachusetts. Scores of bridges had been swept away, with several dams. Highways were many feet deep in water over extensive areas. The damage will total several million dollars.

CATTLE THEFTS

(Continued from Page 1)

Jones, F. W. Pinkerton, and four non-arrests.

O. N. Bradford and G. V. Smith are charged with theft. S. A. Manton and Grady Burch are charged with assault with intent to murder. Grady Burch is also charged with driving car while intoxicated. Joe Allgaime is charged with burglary, and P. T. Calloway is charged with rape.

DEPENDABLE MERCHANDISE

We Give and Redeem Gold Bond Stamps

THE NUT CRACKER by Joe Williams

Ticket supply already exhausted for most of big grid contests, says headline. A fan will soon have to buy next year's tickets last year.

One sent tried to buy tickets for the big game, three years in advance. They told him they were sold out until 1946.

But the fan wouldn't take them, and told the guy that his children would be on the team by that time and he could get in for nothing.

When you get into one of the big modern stadiums, it doesn't mean you'll see a game.

One fan was so far away from the field he thought he was watching a flea circus.

He thought, from the way some of the spectators were acting, that a few of the fleas got into the stands.

His imagination got the best of him, so he went home and took a bath.

He may have been far-sighted enough to buy his ticket early, yet he couldn't see the athletes after he got in there.

BODY OF AGED MAN IS STILL BEING HELD HERE

Funeral arrangements for the body of Samuel E. Massey, aged man found dead in a local hotel early in the week, are still incomplete, and the body is still being held by Rix funeral directors. Telegrams to Proctor, Texas, where the man is said to have a nephew have not yet gained a reply.

TEXAS WELL BLAZING

Two Oil Field Workers Are Hurt in Blaze At Well in Vicinity Of Breckenridge, Texas.

BRECKENRIDGE, Tex., Nov. 4 (AP).—Frank Lacey, driller and Milton Haberty, tool dresser, were seriously burned this morning when the Nob well No. 5, of the Western Oil company at Southbend, near here, caught fire as it was drilled in. The injured men are in a local hospital.

The well was reported still afire late this afternoon. It is flowing oil by heads with a strong gas pressure. The fire makes it impossible to estimate the flow.

NEW JEWELRY

Jeweled heels are the latest in modern jewelry. Precious stones are set in a traced frame work of platinum on the heels of silver or gold broadened slippers.

BELIEVE THIS OR NOT, JUST AS YOU LIKE

I don't know who she had in mind when she said this but we heard Mrs. Walker say some men reminded her of an old kerosene lamp. Someone asked her why. She said, "Because they are not especially bright. They are quite often 'all lit up.' They often get turned down. That they generally smoke and quite frequently go out at night."

NO LONG WAITS AND NO SHORT WEIGHTS HERE

We are often asked why we do not buy our Oysters packed in the small sealed containers. Answer. Because we do not sell short measures. Metal containers are expensive and some one must pay for them. Who pays? The consumer. He often buys a pint or quart that will not measure out. Many small packages of oysters are packed by unscrupulous jobbers that are not under government supervision, packed in cans, 10 to the gallon and five 24 oz cans which are sometimes sold to the consumer for pints and quarts—full measure. Our Oysters are packed and shipped in sealed gallon cans. We in turn measure them out in sanitary seal—right containers. Every one full measure and dry packed. We have daily arrivals of fish, oysters and other sea foods.

218 CASES AWAIT ACTION OF COURT

152 CIVIL, AND 66 CRIMINAL CASES MUST BE DISPOSED OF IN 72ND COURT

Two hundred and eighteen cases, criminal and civil, await the disposal of the Seventy-second court next Monday when Judge Homer L. Pharr opens the November term of that court. Of these cases 152 are of civil and 66 of criminal nature.

Next Monday will be devoted to the calling of the civil docket, Tuesday to the appearance docket, and the remainder of the week to the disposal of non-jury cases, of which there are 44. The second, third and fourth weeks of the term will be taken up with civil cases, and the fifth, sixth and seventh with criminal cases. Of the civil cases to be called 44 are appearance cases, that is, suits filed since the last term of court, 44 are non-jury cases and 14 are jury cases.

Mines Near Alpine Will Be Developed

ALPINE, Nov. 4.—A contract has been signed by Cecil Smith and associated of North Texas to develop the old Bird Mine holdings, located about 10 miles east of Alpine near the S. P. railroad. Mrs. J. C. Bird is the owner of the property, which consists of three claims with a total of 63 acres. These claims were patented to the late J. C. Bird some 25 years ago. The company which will develop the holdings have plenty of capital with which to exploit the project, and plan to give the proposition a thorough test, entertaining the belief that a real mine can be developed.

Former assays of ore taken from the claims during the life-time of Mr. Bird ran as high as \$32 a ton, in silver and lead. No considerable amount of ore has been developed in the mine heretofore but attention is almost identical with that of the famous Shafter mines which have produced millions of dollars worth of silver in recent years. Mr. Smith, who is in charge of operations at the mine, already has a crew of workmen on the location and modern machinery and equipment will be unloaded within the next few days after which development will go forward at a rapid rate. Power-driven machinery will be used.

The mine is located on section 55, block 200, G. C. & S. P. R.

Armistice Day To Be Noted At T.C.U.

FORT WORTH, Nov. 4.—(AP)—Armistice Day program will be given by the members of the Geological society and Science club of Texas Christian university on the morning of November 11.

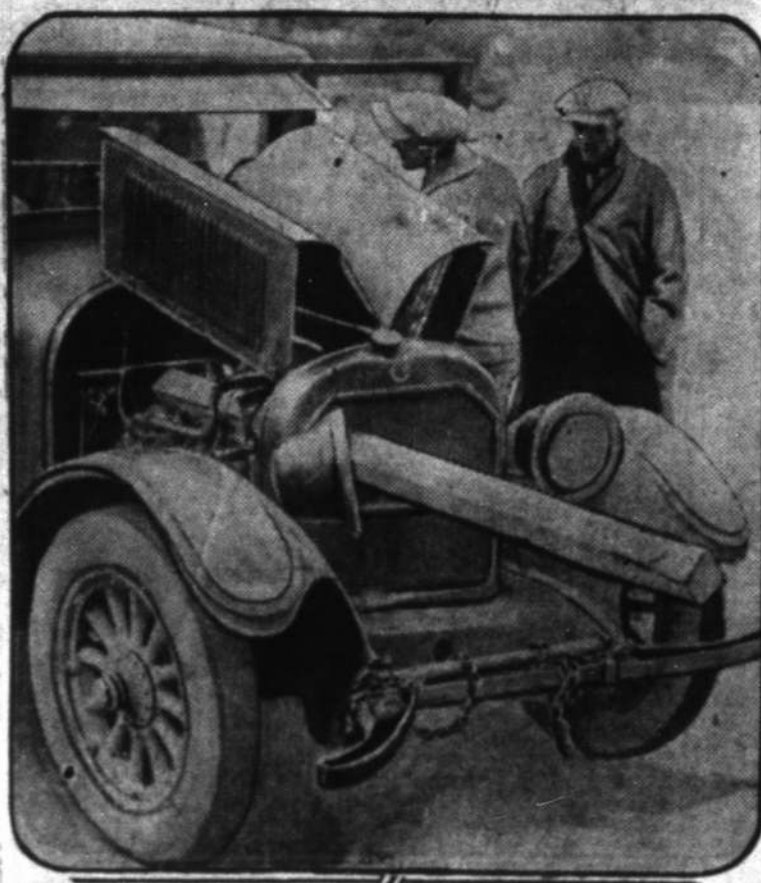

The program is light in character and consists of four main episodes in which are portrayed a few of the more characteristic events of World War which happened in different. Through the co-operation of Major H. W. Stines, U. S. Army, in charge of 144 Infantry, Texas National Guards, uniforms and equipment have been secured for the event.

This program will be the first of a series of patriotic programs sponsored by the various student organizations of the university. Faculty members are allowed to give programs, but may not speak.

ONE MARRIAGE LICENSE ISSUED HERE YESTERDAY

Marriage license was issued yesterday from the office of City Clerk Amos Howard to Ray A. Abbott and Marjo Dennis.

When Not to Fall Asleep

This is an object lesson when not to take a nap. M. P. Allen of Kansas City did, while driving at 35 miles an hour near Topeka, and crashed into a guard rail. The rail went through the radiator and on through the back of the front seat. Fortunately it struck between Allen and his son, who was beside him.

PIONEER AUTOS TO RACE IN FT. WORTH

GASOLINE BUGGIES OF OLD DAYS TO COMPETE IN UNIQUE CONTEST.

FORT WORTH, Nov. 4.—(AP)—Gasoline "buggies" of ancient vintage from the plains and hills of West Texas are expected to wheeze into Fort Worth for the Pioneer Automobile Day parade here in November. It was announced by the Chamber of Commerce.

More than 30 cities have been invited to resurrect old models of motor cars and link up with this city in reviewing scenes typical of the motor age dating back from 1910.

Mineral Wells already has begun an active search for such vehicles.

If the resort city is successful in obtaining such a model it will send its entrant here accompanied by a delegation of leading citizens headed by John Chamberlin, manager of the Chamber of Commerce.

Chamberlin pointed out that Mineral Wells was one of the first early towns to sponsor an endurance run during the age when the automobile was still in embryonic stage. The route selected was between Mineral Wells and Fort Worth, and three daring drivers, alternating at the wheel, made a successful run in a day.

Five models already have been entered and it is believed that at least 50 relics can be revived long enough to depict themselves in the pages of senility. The Star-Telegram, sponsoring the affair, is completing a list of attractive prizes to be awarded.

The drivers and passengers of the ancient vehicles will be dressed in fashions depicting the reigning fashions of that era.

TONGUE ANCHOR

If the tongue to your oxford slips to one side habitually, punch a hole in the other side of it and slip the lace through before tying.

SHALLOWATER BOY WINS FARM TRIP

HAROLD SMALLEY, 4-H CLUB LEADER, WILL ATTEND LIVESTOCK SHOW

Harold Smalley, member of the Shallowater Four-H club, has been announced as winner of a trip to Chicago to attend the Royal Livestock Exposition as the guest of Armour and company, who offered the trip, according to word received to this effect yesterday by County Agent D. E. Eaton. The announcement was made by Sterling C. Evans, state leader of boys' clubs under the supervision of the A. and M. extension service.

Young Smalley won the trip by virtue of the record he made in his baby beef project, the record of which was published in a recent issue of the Avalanche. He will leave in company with about 50 other boys from over the state in the latter part of the month.

Other boys in this region who won

a similar trip, given by the Santa Fe lines, are: Lowell Stoker of Snyder, baby beef project; Allen Rigler of Plainview, pig project; and Bernard East of Hereford, baby beef project.

Legion Commander To Visit Amarillo

FORT WORTH, Nov. 4.—(AP)—Walton D. Hood, San Antonio, state commander of the American Legion will visit Fort Worth and Amarillo on Armistice Day, Chester Hollis, member of the state campaign committee said.

The state chieftain will fly from San Antonio to this city and to either Amarillo or Tyler, he advised Hollis. He also said that it was the plan of all state officers of the Legion to visit posts throughout Texas on November 11.

FORT STOCKTON, (AP)—Goats are driving deer out of the mountains, ranchmen in this territory report.

10 MINUTES
TO MAKE - TO BAKE

And remember, too, that when you are through, there are no failures, no re-bakings, because everything comes from the oven light and evenly raised. Try the famous Calumet Biscuit Recipe. Of course, everybody will want more of them—but you won't mind because they can be made in a jiffy.

Coffee

like this—makes the whole day joyful

A cup of good hot coffee first thing in the morning starts the day off right—wakes you up—makes you feel like facing your task with a smile.

Housewives who appreciate the value of serving good coffee insist on Morning Joy Coffee. This wonderful blend of choice coffees from the world's producing regions is scientifically roasted and vacuum packed in one of the finest coffee roasting plants in the country. The delicate aromas and flavors, which reveal the difference between Morning Joy Coffee and ordinary coffee, are preserved until it reaches your table.

Why be satisfied with ordinary coffee, when you can get Morning Joy coffee? Ask your grocer.

Sunday-School Lesson

BY DR. J. E. NUNN

International Sunday school lesson for Nov. 5, 1927.

General topic: Amos Pleads for Justice.

Scripture Lesson: Amos 1: 1, 2, 10-15, 21-24.

1. Hear ye this word which I take up for a lamentation over you, O House of Israel.

2. The virgin of Israel is fallen; she shall no more rise; she is cast down upon her land; there is none to raise her up.

3. They hate him that reproacheth in the gate, and they abhor him that speaketh uprightly.

4. Forasmuch therefore as ye trample upon the poor, and take exactions from him of wheat; ye have built houses of hewn stone, but ye shall not dwell in them; ye have planted pleasant vineyards, but ye shall not drink the wine thereof.

5. For I know how manifold are your transgressions, and how many are your iniquities; that afflict the just, that take a bribe, and that turn aside the needy in the gate from their right.

6. Therefore he that is prudent shall keep silence in such a time; for it is an evil time.

7. Seek good, and not evil, that ye may live; and so Jehovah, the God of hosts, will be with you, as ye say.

8. Hate the evil, and love the good, and establish justice in the gate; it may be that Jehovah, the God of hosts, will be gracious unto the remnant of Joseph.

9. I hate, I despise your feasts, and I will take no delight in your solemn assemblies.

10. Yea, though ye offer me your burnt-offerings and meat-offerings, I will not accept them; neither will I regard the peace-offerings of your fat beasts.

11. Take thou away from me the noise of thy songs; for I will not hear the melody of thy viols.

12. But let justice roll down as waters, and righteousness as a mighty stream.

13. Time: The prophecies of Amos were delivered about B. C. 750, and were probably written down soon after they were delivered.

14. Place: They were spoken in Bethel, an important city in the south of Israel, and they were written probably in the home of Amos at Tekoa, six miles south of Bethel.

15. Golden Text: Let justice roll down as waters, and righteousness as a mighty stream.—Amos 5: 24.

16. Introduction.

17. These Old Testament prophecies are never out of date. This is especially true of Amos. After seven centuries we find John the Baptist, our Lord, and Paul echoing his words.

18. "What gives significance to the message of Amos is not his prediction of doom, but the reason for it—Jehovah in his essential nature is a God of righteousness. The only worship, therefore, that He will accept is one that manifests itself in social justice. It is the clearness with which Amos laid hold of this great truth that gives to his teaching its epoch-making significance, and that leads us to speak of him as in a special sense the prophet of righteousness."

19. No Man Liveth to Himself.

20. "Goodness in Hebrew prophecy has also always a social color; in Amos particularly it is the doing of justice in society, the securing of fair play between man and man. No man can live to himself—we are all members of society—but the man who would even try to live to himself could not be good, in the Old Testament sense of the term; however many of the positive virtues he might possess. The good man is not merely the man who practices prayer, who avoids intemperance and immorality; he is the man who considers the poor, who does what he can to right the wrongs of society, and to bring in the reign of justice."

21. Where is Amos?

22. "The first question which the Master asks is 'Where is Amos?' My church should be full of stalwart laymen; thinking men who consider the signs of the times; men who make a deep and thorough study of the church itself, its defects, its possibilities, its needs, its reputation, its influence, and who willingly respond to the suggestions and the demands which come out of such a study. Amos is the man who puts the church first in his life. He is in business for the church. He follows his profession for the church. He selects the location of his home with reference to the church. He arranges the engagements of his social life so as not to conflict with the services of the church. Where is Amos? Which of you is Amos?"

23. Seek Good, and Not Evil, v. 14.

24. "Seek good, and not evil, that ye may live." In spite of his terrible prognostications of the ruin that is to befall Israel, Amos leaves open a door of hope. God will not reject a repentant and sorrowing people. The way of righteousness will ever prove to be the way of life. It is not too late for Israel. "And so Jehovah, the God of hosts, will be with you, as ye say," Jehovah is the God of power; He commands all the hosts of Heaven. If He is with a nation, the nation is irresistible. Israel said that He was not with them regarding their prosperity and power as proof. Amos knew that He was not with them, and never would be unless they reformed.

25. The Remnant of Joseph, v. 15.

26. "It may be that Jehovah, the God of hosts, will be gracious unto the remnant of Joseph." No division of Palestine was set apart for "the tribe of Joseph," but a division was granted to the tribe of each of his sons. Ephraim and Manasse, and Ephraim was the most powerful tribe of the Northern Kingdom, and therefore is often referred to as "Joseph." The remnant of Joseph is the more fragment to which Israel would be reduced in the day of its punishment, though it then thought itself to be unconquerable, wanting nothing.

27. The Day of the Lord, v. 18.

28. But Amos says that in spite of

men like a black bull when the soul of his hearers.

God's Universal Ownership.

"Back to God all rights run. Back to Him, the ultimate creator, producing and sustaining and justifying every capacity and energy that His will has set in action, all ownership stands. All claims are made by Him, through Him, to Him; His righteousness is the bond of all human fellowship. And this is so just because personality is the image and image of the personality of God. In the Divine Fellowship in which God realizes Himself lies the source and justification of every fellowship into which man can enter. Man's authority to say of anything, 'That is mine,' rests, finally on his power to say, 'I am God.'"

Special Lesson.

1. Society should be so organized that each member of it shall do for the others the best he can, and receive from the others the best they can give. "We do not want poets to make us shoes. We could not wear them. Nor do we want shoemakers to write us poems. We could not read them. But we do want the poet to give the shoemaker a song, and the shoemaker to make the poet a pair of shoes."

2. The workingman should be able to buy Kipling's poems and Kipling should be able to buy the workingman's product.

3. Right relations among men depend on man's right relations to God. If we walk humbly before God, we shall do justly and love mercy. As we love Christ we shall love Christ's brothers and sisters on the earth. Genuine conversations are at the basis of a well-ordered society.

HASN'T FELT SO GOOD IN 20 YEARS

One package ALL-BRAN enables him to say good-bye to pills!

Read Mr. Awtry's testimonial as to what ALL-BRAN does in stamping out constipation.

"I'm a man 55 years of age, have had chronic constipation for 35 years. I have been taking all kinds of purgatives, secretly—if even—have a natural movement. Have spent a great deal of money and no permanent relief. . . . When I had used one package of your ALL-BRAN, I found I could discard my pills and tablets. I haven't felt as good in 20 years."

—J. W. AWTRY, Atlanta, Ga.

You can get permanent, natural relief from constipation by eating Kellogg's ALL-BRAN. Two table-spoonfuls daily—in chronic cases, more.

Kellogg's ALL-BRAN

with every meal. Guaranteed. Doctors recommend it because it is 100% bran.

Eat ALL-BRAN with milk or cream—and add fruits or honey. Use in cooking. Mix with other cereals. Served and sold everywhere. Ready to eat. Made by Kellogg in Battle Creek. Recipes on package.
