Comparing Yearbooks

A group of local college students gathered this week to refresh old friendships and compare the colleges they attend. Looking over their yearbooks are, left to right, Jay Shimer, who just finished his sophomore year at Tarleton State College in Stephenville; Mary Ann Merritt, who finished her freshman year at Texas Woman's University in Denton; Patricia Kuhn, who finished her sophomore year at San Angelo Junior College and Billy Bobo, who finished his sophomore year at McMurry College in Abilene.

RAPE SENTENCES REMANDED

Court of Appeals Reverses Decision

The Court of Criminal Appeals in Austin this week reversed and remanded for new trial the 15-year sentences of four men convicted of rape here last September 2.

In a written decision handed down Wednesday by Judge W. T. McDonald, the Appeals court held that "Review of all evidence shows no evidence of rape by use of force and/or threat."

At the end of the five-day trial here, District Judge Eldon Mahon charged the trial jury to render a verdict of "guilty" if the jury was convinced of rape by force and/or threat.

The men were indicted on a charge of "rape by force and/or threat." The case was transferred on a charge of venue to Colorado City when the prosecutor could not get a jury in Sweetwater.

The jury found the men guilty as charged, and sentenced each of them to a 15-year prison term. The four accused men were Richard May, 33, Archie Dean May, 19, Dyan Ronnie Houston, 19, and Jimmy Wayne Rogers, 22, all of Sweetwater.

District Attorney Weldon Kirk said Saturday that his view of the Appeals Court decision.

PIONEER OIL MAN

Mobil Staff Landman Frank Kelley Resigns

After 38 years as division staff landman, Frank H. Kelley retired this week, effective "At midnight Thursday night," he said. Kelley has a long record as oilman and as one of Colorado City's most widely known public-spirited citizens.

"You might add to that," his statement of retirement continued, "that my association with Mobil is anything but finished." Kelley will continue to maintain offices in the Mobil building, 4th and Walnut, and while it is not official he will in all probability, sign a new contract to act as consultant for his company, friends here predict.

Kelley, just back from Houston where he attended a meeting of the executive board of the American Cancer Society, is one of the pioneers of the oil and gas industry in West Texas. He was employed in 1924 as a landman by Magnolia now Mobil Oil. He first entered the oil business 43 years ago.

During his 38 years as a citizen of Colorado City, Kelley has exhibited interest in a number of other widely-separated fields. He has taken enthusiastic part and frequently served as leader in civic projects, school affairs, public service, plus West Texas Chamber of Commerce, Texas as Research Council on Water, and the Good Neighbor policy of the state of Texas.

He currently serves as chairman of his state's Good Neighbor Council. He is a past president of West Texas

CORRECTING PAVING FINANCE PLAN

Four Payments For All Buyers

Citizens who live or own property in the 52-block new paving project, do not have to have "Owned their home for four years," to be eligible for financing of new pavement costs, as was reported in the Record Thursday.

Game, Fish Hearing Set For County

The Texas Game and Fish Commission, Possum Kingdom Authority Area, has set a public hearing for Mitchell County to be held at 2 p. m. Tuesday, June 12, in county court house, in accordance with Fish and Game Regulatory Authority Acts.

One hundred and six Texas counties are now operating under Regulatory Authority Acts. Mitchell County is one of them. When a county turns over to the Fish and Game Commission the responsibility for setting seasons, bag limits, and methods of taking game and fish, several steps are taken to comply with the law.

Game and fish technicians are assigned to the county. They set up game management and fisheries survey projects. The technicians make lake and stream surveys, determine vegetative and soil types, locate game populations, check production of and determine the annual harvest of each game species, and carry out research where more information is needed.

The technicians and game wardens then draw up proposals for hunting and fishing regulations for the area. A public hearing is scheduled for the county. At the hearing, the proposed regulations are read and explained to sportsmen and landowners, who may also recommend regulations.

After the hearing, the proposed regulations are presented to the Game and Fish Commission in Austin. If the proposals are accepted, they become law either 10 or 15 days after the Commission meeting depending upon the Regulatory Act affecting the particular county.

Joe Earnest New Member College Board

Joe Earnest left Friday for Sewanee, Tennessee, where he will, next Wednesday and Thursday attend sessions of Trustees of University of the South. Following the meetings, on Friday and Saturday, his class will have its reunion.

Earnest, who was for twelve years a trustee of Sewanee, has been off the board for three years, and is now serving again, representing the Episcopal diocese of Northwest Texas.

Sewanee, an Episcopal school for about 600 men, supported by 21 dioceses of the South, is located in the Cumberland mountains of Eastern Tennessee, and was founded before the Civil War.

On his way to Tennessee, he will stop in Jackson, Mississippi, to visit his nephew, Earnest Porter, and family. After leaving Sewanee, he will visit Major and Mrs. Jack Whitley of Tyndall Air Base, near Panama City, Florida. Mrs. Whitley, his niece, will be remembered in Colorado City as Mabel Earnest Cooper.

Home owners are simply required, under the paving project financing plan, to have been "Making payments on their property for a four-year period."

Home mortgages big or small, to the contrary, people who have been in the process of buying a home four years are definitely eligible for that "First of Texas" financing now being offered.

Methods of payment for paving which have been set up by the city follow:

1. You may pay cash. Money will be placed in escrow with City National Bank and will not be released to the contractor until paving has been completed and accepted by the city engineer and City Council.

2. You may sign a paving contract. This contract will provide that you may pay the amount due in four installments. First installment will be due 20 days after paving has been completed and accepted.

The remaining three payments will be due one each year, respectively, for the three following years. The contract provides for 7% simple interest and may be paid any time on or before its due date.

'Hopeful' For New Solution

In a called meeting Thursday night, the City Council directed City Attorney John M. Worrell to draw up an ordinance creating a library department under the city government.

Worrell, however, said Friday afternoon that he was "still hopeful" that a way could be found for the city to legally enter into a contract with the present Federated Library. He indicated that he will try to meet with the attorney for the Municipal League in Austin Monday, and discuss possibilities.

The action came after Councilman Martin Weaver read to the Council an opinion written by Worrell, at the Council's request, on the feasibility of creating such a department. In Worrell's opinion, the City Council has the power to institute a "Library Department" under the city government.

During a round-table discussion of the proposal, City Manager Earl Keaton said: "The Federated Women's Clubs have done a good job, but the question is, is the City financially and politically ready to go into the library business?"

Councilman Martin Weaver then asked Mrs. Boyd Dozier, See LIBRARY Pg. 7

Club Women's Urgent Meeting

All club women in town and county are being urged by Mrs. Donna Reed, president of Mitchell County Federation of Women's Clubs, to attend a meeting here Monday at 3 p. m.

At that time club women are to meet in Conference Room, Chamber of Commerce, to hear a report from the Library Board. Mrs. George O. Witten, chairman of the board, and Mrs. Boyd Dozier, librarian, will report the current financial status of Federation Library.

Federated women will be asked to vote on the critical question facing Federation Library: as a last resort, shall the city be granted by the Federation, proprietorship of the library if funds for city support are to be available no other way?

All clubs are urged by Mrs. Reed to send delegates. All club women are urged to attend the critical meeting.

BY BISHOP GALLOWAY

Many Pastors Are Re-Appointed

The Rev. Darris L. Egger was returned to the pastorate of the First Methodist Church Friday morning by Bishop Paul V. Galloway. Rev. Egger was among 285 given appointments by Bishop Galloway this week at the Northwest Texas Conference meeting in Big Spring.

The Rev. Weldon Rives, pastor for two years at St. Luke's Methodist Church, was transferred to the First Methodist Church at Meador, Texas. Rives and his wife came from the

Perkins School of Theology, Dallas, to Colorado City. The new pastor will be the Rev. Kiel Quisenberry, who has been pastor at the Methodist Church at Fritch.

The Rev. Larry Sullivan was returned as pastor of the Westbrook Methodist Church. The Rev. Frank Story was re-appointed as pastor at Lorraine, and the Rev. Luther J. Helm was returned to the Dunn-Buford Churches.

Five former pastors of the First Methodist Church in Colorado City were re-appointed to their respective churches. Rev. Collins to Lubbock, Rev. Jack Elzey to Littlefield, Dr. J. E. Shewbert as District Superintendent of the Plainview District, Rev. H. L. Thurston to the First Methodist Church, Hereford, and Rev. Jim H. Sharp to Fairmont Methodist Church, Abilene.

Two former pastors of St. Luke's Methodist Church, Colorado City, were reassigned. Rev. Lynward Harrison was moved from the Methodist Church at Gore to Rochester, Texas, while Rev. Tommy Nelson, first pastor of St. Luke's was returned to the Forest Hill Methodist Church in Amarillo.

Judge Eldon Mahon was named one of the seven members of a committee to study "Communism and the Churches" by Bishop Galloway. Mahon is also a member of the Northwest Texas and South Central Texas Commissions on Social Concerns.

Record Gets New Staffer

Thomas P. (Pat) Barry, III son of Mr. and Mrs. T. P. Barry of Colorado City, will be on the Record staff this summer.

Barry, who graduated from Colorado High School in 1956, returned here last year after having served three years in the Army.

He is now a Junior at the University of Texas, majoring in Journalism.

FEED GRAIN PROGRAM

Mahon Will Propose Farm Bill Changes

Representative George Mahon reported Saturday that he is drafting a series of amendments to the farm bill scheduled for House consideration shortly.

The Senate passed May 25 a farm bill which provides a mandatory control program on feed grains — if two-thirds of the feed grain producers who vote in a referendum favor it. The bill further provides a multiple-price system on wheat. Non of the amendments affect cotton.

Mahon's amendments will provide, he said, that "cotton farmers would have the option of planting feed grain on cotton-allotment land in the event that the cotton is destroyed late in the season." The amount of grain planted could not exceed the total cotton and feed grain allotments.

Another Mahon proposal will be that the feed grain allotment of cotton farmers who

chose the "B" route in 1959-1960 would not be reduced because of the choice.

Mahon further proposes to "raise the percentage of the national feed grain allotment for new growers to provide relief for those who have put new land to grain since 1960."

The House bill, said Mahon, proposes a total of three percent of the national allotment be put aside for new growers and hardship cases.

The House version provides

Dr. Bridgford, New Dentist, USAF Officer

Dr. Billy B. Bridgford, son of Dr. and Mrs. R. D. Bridgford, 512 E. 13th, will be graduated from Baylor University College of Dentistry, Dallas, Texas, on June 4. Commencement exercises are to be held at the Gaston Avenue Baptist Church at 4:00 p. m.

Dr. Earle Williams, nationally prominent oral surgeon of Dallas and an alumnus of the College of Dentistry, is Commencement speaker. Degrees are being conferred by Dr. William R. White, Chancellor of Baylor University.

Dr. Bridgford was a member of the Junior American Dental Association, a junior member of the Texas Dental Association and the American Society of Dentistry for Children and Psi Omega Dental Fraternity.

A graduate of Colorado City High School in 1955, the new Dr. Bridgford's father is senior member in the Bridgford Steakley Dental Clinic here, 446 Walnut St. Dr. Bridgford Sr. has practiced dentistry in Colorado City since Sept. 1929. He received his dental in Washington University, St. Louis, Mo.

Dr. Billy Bruce Bridgford holds his Bachelor of Science degree from the University of Oklahoma. He has recently

that if two-thirds of the growers of feed grain in a referendum do not vote for mandatory controls there will be no support program on grain in 1963 or after.

Mahon said that he will propose a 50 percent parity loan so that, if quotes are voted down "the producers will have a less drastic alternative to mandatory controls."

Under pending bills feed grain allotments in 1963 would be based on planting during the 1959 and 1960 crop years, Mahon said. He stated that in his opinion West Texas feed grain farmers would prefer to continue in 1963 a feed grain program similar to the 1961 and 1962 programs.

Mahon said that there is "mounting resentment against the payment of huge sums" for the storage of surplus grain, and that "Members of Congress from non-farm areas tend to support the position of Secretary Freeman that if meaningful support loans are to be provided, an effective control program must be adopted."

The proposed legislation would effect a control program on feed grains similar to the cotton control program, See MAHON Pg. 7

STARTS IN JUNE

Farm to Market Paving Contract

Two Farm to Market roads in Mitchell County, both in the immediate Colorado City trading area, are to be paved. Work is to start in June, Ben R. Wilkinson, Supervising Resident Engineer for the Texas State Highway Department, said Friday.

The State Highway Commission announced in Austin this week that the contract for eight miles of paving was awarded to a Ballinger firm, F. A. Seidel. Of the five bids on the contract, the Seidel firm near at Abilene.

was low bidder with \$145,414. The surfacing will begin at an oil camp four miles north of Westbrook, and continue west 4.2 miles. Construction from Interstate 20 south on the east side of Lake Colorado City to the intersection of State 163 just north of the Texaco powerplant will complete the project. The job is expected to take 80 working days, according to J. C. Roberts, District Highway Engineer.

Gayle Williams Visits Parents
Gayle Williams, daughter of Dr. and Mrs. J. D. Williams, 202 E. 10th St., is visiting her parents this summer. She has just completed her freshman year at Texas Technological College in Lubbock and will be attending the summer session there the last 6 weeks.

San Marcus Guests
Guests this week in the home of Mrs. Jack Johnston, 1246 Oak St., were her daughter and family; Mr. and Mrs. Bob Corneliussen and daughter, Misti Lynn of San Marcus.

CONVERSATION CORNER

By RUTH COFFEY

Where did the month of May go so soon?

Last week it was April. This week—June!

First Primary, tumbleweed, Mother's Day, Mahon, Scott Carpenter, whoops! There went May!

CISCO, one of the three towns in a row between Abilene and Dallas, Highway 80, has gone rugged individual. Cisco has adopted daylight saving time for the summer. The speeded up clocks, say Cisco citizens, will grant everybody more time for fun, more daylight for fishing, water skiing, swimming, picnicking, and "just being."

JUST BEING has always been the finest part of summer. Just being lazy. Just being keyed to the mood of cantaloupes, watermelons, ice cream, iced tea, summer sandwiches. And just being air-conditioned.

IN THE FINAL ANALYSIS, as we see it, the trouble with Cisco's daylight saving time is that it's bound to work both ways. To get off from work an hour earlier must mean showing up for work an hour earlier. And then one's for the birds—at our house on Chestnut St.

THAT MAN we know best—the one we married in our pay, progressively irresistible, irresponsible youth—is just naturally opposed in principle to getting up with the birds. Should C. City join Cisco in running up the clock. Our Bill would most likely be one hour late for work for the duration.

And nothing in this world would keep him from going to bed when the clock showed ten o'clock. "Just being" to most husbands means just being let alone.

Sleeping right through the alarm is a man's most cherished privilege. And should not be tampered with by city fathers. Not to mention wives and mothers.

Early to bed and late to rise

Seeks for most husbands, Paradise.

They may arise, with sighs, on Monday.

But rarely on time. And NEVER ON SUNDAY.

LOCAL SEEN LATELY include the Elmer Martins (nee Billie Wyatt) and Mrs. Lattie Wilson, lunching out... John M. Worrell Sr. being happy about going to Austin to see son Dr. John M. Worrell Jr. receive his P. H. D. John M. Jr. is already a M. D. He's now earned his doctorate at the University of Texas.

Another P. H. D., Dr. Thomas Ronald Pritchett, his wife, his children Rhonda, Randy, and Rebecca, arrived this week-end by car from their home in Spokane, Washington, where he is head of aluminum research for Kayser, Ronald is a '42 CCHS grad and is the only son of the J. T. (Tom) Pritchett, corner of Cedar and East 10th. He's a Texas University alumnus, too.

WHICH BRINGS up the new face at The Record. The tall, deep-voiced young man at the news desk for the summer is Pat Barry who will be a senior at Texas U. come fall. He's a native of C. City, CCHS grad, recent Army vet, son of Tom and Emily Dulaney Barry, Texas University's Pat and Baylor University's Conversation Corner collaborated this issue and last. You'll be seeing—and reading—him. He's a journalism major, English minor.

BRIEF ENCOUNTERS: Lily Bennett of Lorraine was saying she plans to go visit son Dr. Byron Bennett and

his family in Montana, then go with them to admire the World's Fair in Seattle, about the time June bows out to July... Austin McCloud joining the coffee coppers... Ditto Bob May... Dick Kendall, of the Chamber, and Earl Kenton, city manager, both called up for jury duty this week, being happy when the whole thing got called off Thursday... District Judge Eldon Mahon and D. A. Weldon Kirk lunching late at the Baker after a day in court.

ADD THESE to names of new high school graduates you know: Bobby Parmelee, son of Mrs. Deolere Parmelee, former English teacher here, finished Monahans High and will attend Sewanee, University of the South, come September... Barbara Hunt, daughter of Jim and Mary Hunt, former C. Citizens, was graduated in Houston this week... Buddy Keller, son of the late Ralph Keller and Babe Roddy Keller is a '62 grad at Midland... And over at Sweetwater the scion of the George and Maurine Leonard household, Tommy, completed Sweetwater High.

It takes the sound of children in a house

to make it hum

Our house is full of laughter. Jim and Betsy Ruth have come!

THAT'S JUST by way of adding that daughter Doris Ann, her husband Ralph Marvin Mann, son Jim, and little almost-first-grader daughter Betsy Ruth arrived by car from Houston at exactly three o'clock in the morning yesterday, Saturday. Course it was FOUR o'clock, Cisco time. "Summer time... And the livin' is dizzy."

Miss Janet Stone Visits Parents

Miss Janet Stone, daughter of Mr. and Mrs. V. E. Stone, 2037 Locust St., is visiting in the home of her parents. She has just finished her freshman year at North Texas State University in Denton. She and her sister, Gayle, will be in Denton for 6 weeks this summer to attend a study session. They will both return to Denton next fall.

Rosemary Thomas Visits Here

Miss Rosemary Thomas, daughter of Mr. and Mrs. L. L. Thomas, 932 Elm St., is visiting in the home of her parents for the summer. She has just completed her junior year at North Texas State University in Denton and will return to that school next fall. She will serve as counselor at the YWCA Camp Tres Rios near Fort Worth this summer.

Texas Tech Degree, Son for Doyle Peck

Mr. and Mrs. Doyle Peck announced this week birth of a son Roy Don, born in Lubbock May 25, weighing six pounds, one and one-half ounces. Mrs. Peck was before their marriage Miss Jean Bolin.

Peck was awarded his degree in chemical engineering Monday, May 28, at Texas Technological College. The young couple, visiting in the home of her parents here, Mr. and Mrs. Robert Bolin, route two, will move to Longview. Peck has accepted a position with Texas Eastman Corporation.

Paternal grandparents of the new baby are Mr. and Mrs. C. E. Peck, formerly of Colorado City and now of Crane.

HOME TOWN

Talk

By PEGGY BELVIN

THE MONTH OF JUNE has just begun. June is the traditional month for brides and 1962 should show no decline in the large number who pick this month for their marriages.

June . . . the 6th month in the year, is the month in which the summer solstice occurs in the northern hemisphere. What this fact means, and if it has any bearing on the large number of weddings, is beyond this struggling writer's comprehension.

But the fact that more brides choose this month for their weddings could be accredited to . . .

the fact that June provides the most satisfactory weather . . .

the fact that the number of flowers needed to "do up" a wedding right are more readily available in June . . . or the fact that since June is in the middle of the year, she may have half a year to hint about the upcoming anniversary date and the latter half of the year to reprimand an absent-minded husband for forgetting it.

IT SEEMS THAT about this time . . . 50 years ago . . . the wedding bells were ringing for one of our favorite couples . . . MR. AND MRS. JIM BODINE of Buford. They were married in Mitchell County and have lived here all their married life.

They are parents of PEGGY, cute and unpredictable wife of our BOB RATLIFF, owner of BOB RATLIFF INSURANCE; ALDRED, married to SEFTON PICKENS, former resident; LUCILLE BAER and CAMILLE, remembered here as "COOTSIE," and married to an FBI agent, JOHN E. DAILEY. The Bodine son, JAMES ERWIN (STEVE) was killed in the war in 1942.

Mr. and Mrs. Pickens will also be celebrating their anniversary this month . . . their 25th. Their daughter, ANITA, will present the Bodines with their first great-grandchild, this year.

The Bodines, not slowed down by their 50th anniversary observance, have been in the truck-garden business since they sold their dairy farm in 1948. Bodine is presently in the process of remodeling their huge and lovely farmhouse in the Buford Community.

Don Thomas Home For Summer

Don Thomas, who has just completed his freshman term at North Texas State University in Denton, is visiting this summer in the home of his parents, Mr. and Mrs. G. S. Thomas, 219 E. 9th St. He plans to return to Denton next year and is employed with the Texas Highway Department here this summer.

Lee, Claxton United In Double-Ring Rites

Double-ring rites read before an arch covered with greenery and flanked by baskets of white gladioli, stock and candelabra united Miss Barbara Gail Lee and James Weldon Claxton in marriage Saturday night at 7 p. m.

The bride is the daughter of Mr. and Mrs. H. P. Lee, 898 E. 7th St. and the groom is the son of Mr. and Mrs. Lewis Claxton, 3rd and Pine Sts.

The bride, given in marriage by her father, wore a gown of white chantilly lace over taffeta. The bodice was fashioned with a sabrina neckline and long pointed sleeves fastened with tiny covered buttons. The

skirt was fashioned of lace draped over front panels of ruffles, forming an apron effect. The lower ruffles swept into a chapel train in back.

Her elbow-length veil of silk illusion fell from a tiara of seed pearls. She carried a white bridal bouquet atop a white Bible.

Miss Kay Adrian of Lubbock, soloist, was accompanied at the organ by Miss Joretta Hall of Lorraine. Miss Adrian sang "I Love You Truly" and "Because."

Sharon Kay Allard of Colorado City was matron of honor. She wore a blue brocade satin sheath dress with a scalloped neckline. She wore white accessories and carried a bouquet of white carnations.

Miss Jo Ann Webb of Abilene and Miss Charla Warren of Colorado City were bridesmaids. Their dresses were identical to that of the matron of honor but had a matching organza overskirt. They wore white accessories. They carried single long-stemmed carnations.

Mrs. Morris Hammond and Miss Linda Beauchamp of Colorado City were candle-lighters to those of the bridesmaids.

Jay Allen, cousin of the groom, served as best man. Groomsmen and ushers were

Wendell Rehm of Colorado City and Billy Cornutt of Lorraine.

A reception was conducted following the ceremony in Fellowship Hall of the church. The serving table was clothed with a white lace over blue.

The bride and matron of honor bouquets accented the table. They were flanked by white candelabra.

The bride's attendants were members of the house party. Wedding cake and punch were served.

For a honeymoon trip to Carlsbad, N. M., the bride wore a three piece ensemble of aqua blue silk linen. The sheath skirt was topped with a short-sleeved sweater with a round high neckline. A self-colored sleeveless over-blouse completed the ensemble. The over-blouse was fashioned with a round neckline. Black and white accents were featured on the neck, sleeves and lapels.

She wore black and white accessories and a corsage from her bridal bouquet.

The bride is a 1961 graduate of Colorado City High School. She is employed with Port Insurance Agency. The groom is a 1960 graduate of Lorraine High School and is employed by the Cosden Petroleum Corporation.

The couple will reside at 640 E. 12th St.

3 Local Chiropractors To Meeting

Three Colorado City, chiropractors, Dr. Elton H. Berkman, Dr. Virginia B. Berkman and Dr. William M. Franklin, the staff of Chiropractic Health Clinic here, will be among the 700 Texas chiropractors attending the annual convention of the Texas State Chiropractic Association in Fort Worth, June 7-9.

The convention offers discussions on better practices plus refresher training in chiropractics.

The local group must arrive at the convention headquarters a day before others so Dr. E. Berkman may present committee reports. He is a member of 2 yearly committees, the President's Advisory Committee and the Ethics Committee. He has also served on the board of directors, president of the Texas State Chiropractic Association and served as vice president of the past presidents' club.

Presidents of the 2 national chiropractic organizations and leading chiropractic educators will be among the convention speakers.

One of the highlights of the convention will be the selection of the 1962 Posture Queen of Texas. Twelve district winners, representing all sections of the state, will compete for the title won in 1961 by Miss Beth Lollar of San Angelo.

Garrett Guests

Mr. and Mrs. Charles R. Garrett and daughter, Nancy, were guests last weekend in the home of Mrs. W. H. Gar-

rett and Miss Nelda Garrett, 132 W. 9th St. Also guests were Mrs. Garrett's mother, Mrs. Bille Schmidt and the J. C. Garrett family.

Worrell Son Receives PhD Degree

Dr. John M. Worrell, Jr., son of Mr. and Mrs. John M. Worrell, 806 Locust St., was recognized Saturday night in commencement exercises conducted at the University of Texas in Austin. Dr. Worrell received his PhD degree last August and received recognition at the Saturday night exercises.

Worrell is a 1950 graduate of Odessa High School. He received his bachelor of arts degree in pre-med and did a 1-year internship at the Denver General Hospital in Denver, Colo. Before receiving his BA degree, he also worked in the University Health Center on the TU campus.

Worrell received his doctor of medicine degree while working on a national science post-doctoral grant. He also has studied on a grant from the university. His PhD was received in Math. He plans to work in medical research.

Mr. and Mrs. John Worrell, Sr. and their daughter, Betty Jean, left Saturday morning to attend the commencement exercises at the university. The Worrell daughter will be enrolling at the university next weekend.

Alvin Smith Receives Degree

Alvin Smith, son of Mr. and Mrs. J. P. Smith, 749 E. 6th St., was ordained as an elder in the ministry at the Little River First Methodist Church recently.

Smith is a 1938 graduate of Colorado City High School. He is a graduate of Howard County Junior College in Big Spring, attended McMurry College in Abilene, Texas Technological College in Lubbock and received his degree from West Texas State University in Canyon.

Visit In Carlsbad

Mr. and Mrs. Chester Berry Butch and Miss Anne, Fairview Community, were in Carlsbad, N. M. last weekend visiting his grandparents.

CROWN BOWL TIPS By Lonnie Bounds

One Clean Motion

The secret of building a good consistent bowling game lies in the delivery.

Regardless of how many steps you take, the ball should be ready to leave your hand when you have completed the last step.

So many bowlers go into their slide while their ball is still behind them. They end up throwing it at the pins instead of rolling it.

Other bowlers take a little hop to overcome their loss of motion.

While these methods seem to work some of the time, the way to improve is to make one clean delivery motion. (ADV.)

FOR BELL, AVERETT

Engagement Told

Mr. and Mrs. John J. Bell, 920 Rusk Street, are announcing the engagement and approaching marriage of their daughter, Carolyn Jo, to William Denson Averett, the son of Mr. and Mrs. H. D. Averett of Farmington, N. M.

The wedding is planned for August 19 in First Baptist Church here. A reception will follow the ceremony in the church parlor.

Miss Bell is a graduate of Baylor University in Waco. Her fiancé, also a Baylor graduate, is presently employed by Core Lab, Incorporated, Alaskan Operations. He will enter Baylor Dental School in September.

Ruddick Park Pool Opened

The Colorado City Municipal days and Saturdays and at Swimming Pool at Ruddick 6 p. m. on Sundays, Mondays, Park opened May 24 for the and Fridays.

Admission prices are 15c for those 12 years old and under, and 35c for those over 12. Admission is free to children under 12 from 4 to 6 p. m. every days, Wednesdays, and Thurs- day.

Mrs. Ellwood Jaycee-Ette President

Mrs. Perry Ellwood has been elected president of the Jaycee-Ettes. Her election was confirmed in installation ceremonies performed by Mrs. Cummins Wood, install officer, at the Thursday, May 24, meeting of the organization in the Baker Hotel. Mrs. Wood is a regional vice president of the organization.

Other officers installed at the meeting were: Mrs. Wood, vice president; Mrs. Drew Ballard, secretary; Mrs. Don Womack, reporter; Mrs. Billy Keel, historian; Mrs. Bill Erwin, parliamentarian; Mrs. Wayne Worley, director and Mrs. Thomas Bob Long, state director.

It was announced that Mrs. Ellwood has been named Out-

standing Jaycee-Ette of 1961 and a gift was presented to her by the organization members.

Miss Janie Lee, the organization's representative for the 1962 Tumbleweed Festival, was a guest at the supper served after the business session. A gift of appreciation was presented to her.

AT COMMUNITY CENTER STARTING JUNE 4

Recreation Program Scheduled For Summer

Opening date for the City Summer Recreation Program has been scheduled for June 4, Mrs. Dick Wistrand, recreation director, has announced. The program is to be conducted in the Community Center building and is under the sponsorship of the City Park and Recreation Board.

Activities will include pool, ping pong, shuffleboard, table games and other new activities that have been added since last year's program. Registration fee is \$1.50 for the entire summer.

The program will be on schedule Monday through Friday and all groups will be based on the 1961-62 school year.

The primary age group, grades 1-3, will be engaged in primary activities, handwork, stories and recreation. Their meeting time is 9:30-11:30 a. m.

The elementary age group, grades 4-6, will be divided into 2 sessions. The crafts session will be scheduled at 1:30-3 p. m. and their recreation session will be scheduled at 3:45-5 p. m.

The oldest group included in the summer program, the junior high and high school group, grades 7 and up, will have 3 sessions. The first session, recreation, will be scheduled 10:30 to 11:30 a. m. The second session, also a recreation session, will be scheduled at 1:30 to 3 p. m. The last session, crafts, will be scheduled at 3 to 4:30 p. m.

The preschool age group will have a story-hour scheduled each Thursday starting June 21 for 6 weeks from 9:30 to 10:30 a. m. It will be sponsored jointly by the 1949 Study Club, the Federated Library and the junior high and senior high school Home Economics classes. This activity will be conducted in the south party room of the building.

AT BILL S. COOPER HOME

Reunion Held For Employees

The home of Mr. and Mrs. Bill S. Cooper, Lake Colorado City, was the scene of the 6th annual reunion of the Shell Pipeline Corporation Female Employees and Former Employees of the West Texas Division, Saturday, May 26.

Mrs. Claude Rogers of Hobbs, N. M., registered guests. Entertainment provided for the all-day occasion included an informal coffee, swimming, boating and a western style lunch.

Mrs. Stattie Rice of Midland opened the meeting with invocation. Centerpieces for the tables were arrangements of drift wood and dried flowers, designed and contributed by Mrs. Shurtliff.

Incoming officers were elected during a brief business session following the lunch hour. Mrs. Cooper outgoing vice-president presided at the

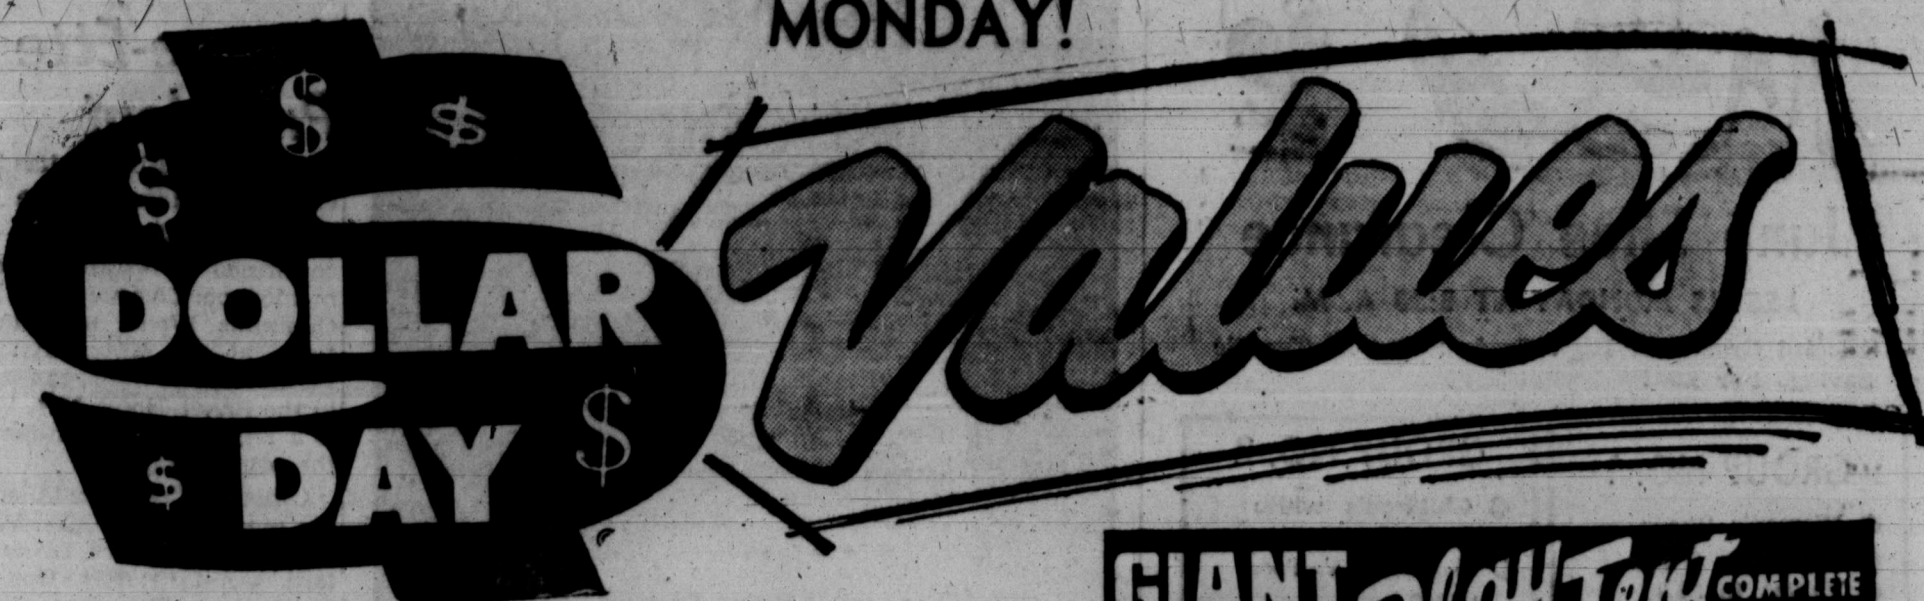

meeting in the absence of the outgoing president.

Mrs. James Eaton of Midland was named president; Mrs. Claude Rogers, vice president; Mrs. James Powell of Midland, secretary-treasurer; and Verdie Mize of Midland, reporter.

Others attending the affair were: Mmes Horace Wood of Sweetwater, Harry Webber, Denver, City; Orville Rollins, Plainview; Russell Harlow, San Angelo; Joe Reeder, De Boyd and Miss Lillian Pond of Odessa.

Next year's meeting will be in Midland.

Mr. and Mrs. Donald Ray Seale, 976 E. 15th St., have returned from their vacation in Centerville. While there, they were guests in the home of Seale's parents, Mr. and Mrs. Fletcher Seale and attended a family reunion.

LIBRARY—

Continued From Page 1
the librarian "Would the clubs keep contributing if the City took over?" to which Mrs. Dozier replied "Much less".
City Manager Keaton asked Mrs. Dozier how much the library got from private contributions last year. She said about \$225.
Keaton said, "You can't buy many books with that. The library isn't enough books, especially research books."

"I was over there, and there was a fellow looking for a book on city management," Mayor Berman interjected jokingly.
Mrs. Dozier and Mrs. George O. Witten, of the Library Board, were asked if the Federated Women's Clubs were prepared to give the library to the city.
Mrs. Witten replied "We're here to hear Mr. Worrell's opinion. We'll get a statement from the FWC. They haven't given permission to turn it over to you. Our opinion is that we need an answer from the FWC before we proceed."

It was at this point that the motion was made to have Worrell draw up the library ordinance, which, according to Mayor Berman, will be discussed with the Commissioners' Court Tuesday.

Federated Club women here, too, are getting set for a special meeting to be held Monday at 3 p. m. in Conference Room at Chamber of Commerce, in Civic House.
Mrs. Donna Reed, president of Mitchell County Federated Women's Clubs issued a public plea here for all club members to attend. All members of the Hesperian, Self Culture, 1921, Hesperian Daughters, 1949, Zetaganian, Maranatha Garden Club, Home Demonstration Council, and the Atheneum Club of Loraine are to meet.

Purpose of the meeting is a serious one for local club women. One question is to be considered: are women of the Federation willing — as a last resort — to give the city the Federated library, provided such a move proves the only solution to the current library fund crisis?
Support from the city was cut off — or suspended — April 1. City and county officials had, until that date, borne equally the cost of the library with each contributing \$250 per month. County funds have not been affected by the legal snarls and tangles encountered this spring by city officials.

The legal problem arose when study of the city charter seemed to prove gift of regular city funds to a library not belonging outright to the city was downright illegal.

In a May 14 city council meeting Mayor H. L. Berman ordered City Attorney John M. Worrell to study the legal problems and to come up with a report in time for the special council meet held Thursday evening.

sell at market prices up to 10 million tons of government stored grain, while under the cotton program government owned cotton cannot be sold on the domestic market at less than 115 percent of the support level.

Mahon stated that "The present feed grain law, which is the basis for the 1962 program, expires this year, and some kind of substitute legislation is anticipated."

Mahon said that he "needs and will welcome the advice and counsel" of feed growers in regard to the proposed farm legislation, and the amendments which he is proposing.

housewife "freely submitted" to the defendants.
The prosecution, on the other hand, contended that the woman had been forced into a car by the men and there had been subjected to "at least 11" attacks. The woman testified that she had not resisted because she feared for her life. The alleged rape was said to have taken place on the night of June 25, 1961, about 25 miles south of Sweetwater.

The four men are still in the Nolan County Jail in Sweetwater.

Recreation Program Scheduled For Summer

Opening date for the City since last year's program. Recreation Summer Recreation Program registration fee is \$1.50 for the entire summer.

The program will be on schedule Monday through Friday and all groups will be based on the 1961-62 school year.

The primary age group, grades 1-3, will be engaged in primary activities, handwork, stories and recreation. Their meeting time is 9:30-11:30 a. m.

The elementary age group, grades 4-6, will be divided into 2 sessions. The crafts session will be scheduled at 1:30-3 p. m. and their recreation session will be scheduled at 3:45-5 p. m.

The oldest group included in the summer program, the junior high and high school group, grades 7 and up, will have 3 sessions. The first session, recreation, will be scheduled 10:30 to 11:30 a. m. The second session, also a recreation session, will be scheduled at 1:30 to 3 p. m. The last session, crafts, will be scheduled at 3 to 4:30 p. m.

The pre-school age group will have a story-hour scheduled each Thursday starting June 21 for 6 weeks from 9:30 to 10:30 a. m. It will be sponsored jointly by the 1949 Study Club, the Federated Library and the junior high and senior high school Home Economics classes. This activity will be conducted in the south party room of the building.

AT BILL S. COOPER HOME

Reunion Held For Employees

The home of Mr. and Mrs. Bill S. Cooper, Lake Colorado City, was the scene of the 6th annual reunion of the Shell Pipeline Corporation Female Employees and Former Employees of the West Texas Division, Saturday, May 26.

Mrs. Claude Rogers of Hobbs, N. M., registered guests. Entertainment provided for the all-day occasion included an informal coffee, swimming, boating and a western style lunch.

Mrs. Stattie Rice of Midland opened the meeting with invocation. Centerpieces for the tables were arrangements of drift wood and dried flowers, designed and contributed by Mrs. Shurtleff.

Incoming officers were elected during a brief business session following the lunch hour. Mrs. Cooper outgoing vice-president presided at the

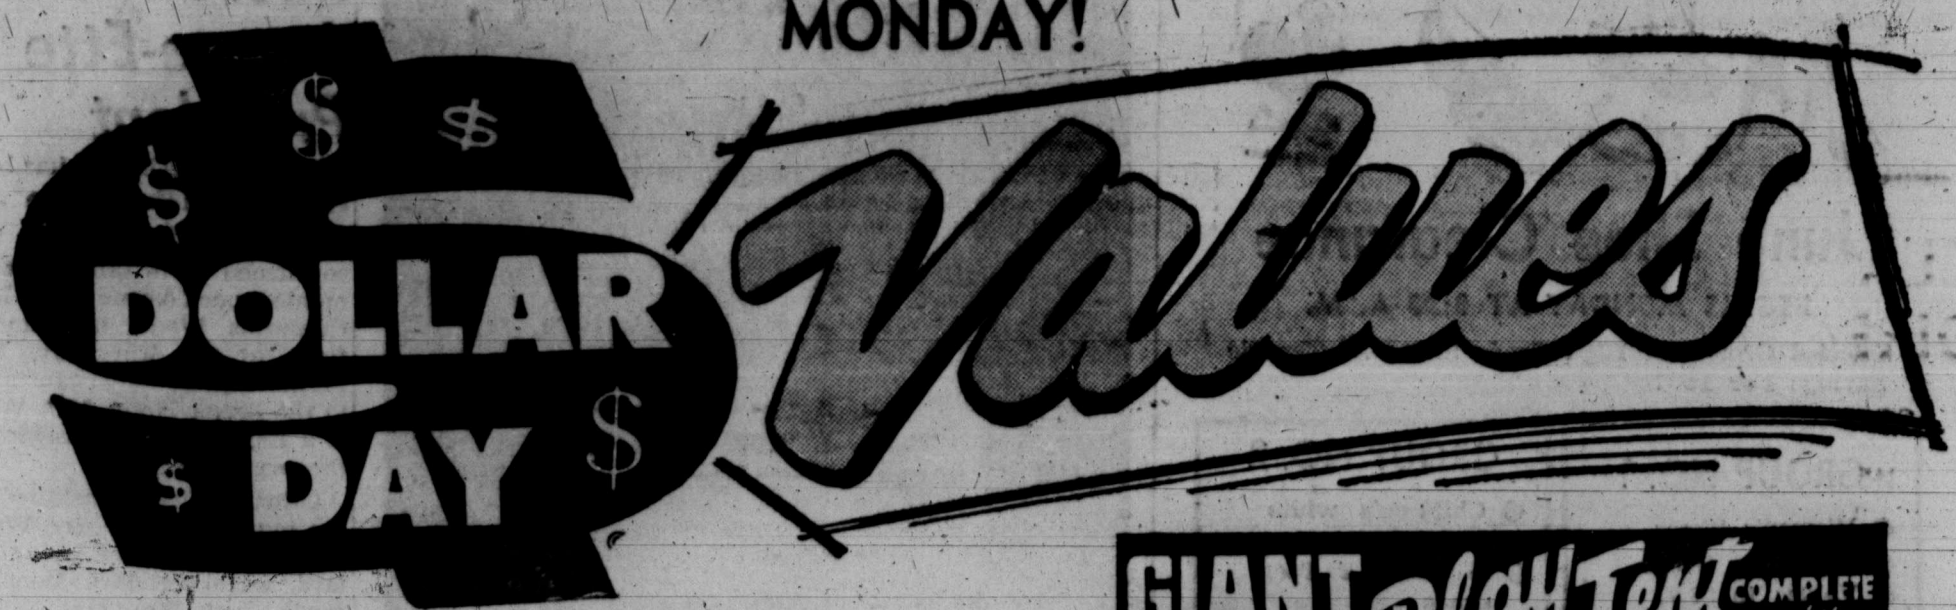

meeting in the absence of the outgoing president.

Mrs. James Eaton of Midland was named president; Mrs. Claude Rogers, vice president; Mrs. James Powell of Midland, secretary-treasurer; and Verdie Mize of Midland, reporter.

Others attending the affair were: Mrs. Horace Wood of Sweetwater; Harry Webber, Denver, City; Orville Rollins, Plainview; Russell Harlow, San Angelo; Joe Reeder, De Boyd and Miss Lillian Pond of Odessa.

Next year's meeting will be in Midland.

Mr. and Mrs. Donald Ray Seale, 976 E. 15th St., have returned from their vacation in Centerville. While there, they were guests in the home of Seale's parents, Mr. and Mrs. Fletcher Seale and attended a family reunion.

LIBRARY

Continued From Page 1
the librarian "Would the clubs keep contributing if the City took over?" to which Mrs. Dozier replied "Much less".
City Manager Keaton asked Mrs. Dozier how much the library got from private contributions last year. She said about \$225.

Keaton said, "You can't buy many books with that. The library aren't enough books, especially research books."

"I was over there, and there was a fellow looking for a book on city management," Mayor Berman interjected jokingly.

Mrs. Dozier and Mrs. George O. Witten, of the Library Board, were asked if the Federated Women's Clubs were prepared to give the library to the city.

Mrs. Witten replied "We're here to hear Mr. Worrell's opinion. We'll get a statement from the FWC. They haven't given permission to turn it over to you. Our opinion is that we need an answer from the FWC before we proceed."

It was at this point that the motion was made to have Worrell draw up the library ordinance, which, according to Mayor Berman, will be discussed with the Commissioners' Court Tuesday.

Federated Club women here, too, are getting set for a special meeting to be held Monday at 3 p. m. in Conference Room at Chamber of Commerce, in Civic House.

Mrs. Donna Reed, president of Mitchell County Federated Women's Clubs issued a public plea here for all club members to attend. All members of the Hesperian, Self Culturers, 1921, Hesperian Daughters, 1949, Zetaganathian, Maranatha, Garden Club, Home Demonstration Council, and the Atheneum Club of Loraine are to meet.

Purpose of the meeting is a serious one for local club women. One question is to be considered: are women of the Federation willing—as a last resort—to give the city the Federated library, provided such a move proves the only solution to the current library fund crisis?

Support from the city was cut off—or suspended—April 1. City and county officials had, until that date, borne equally the cost of the library with each contributing \$250 per month. County funds have not been affected by the legal snarls and tangles encountered this spring by city officials.

The legal problem arose when study of the city charter seemed to prove gift of regular city funds to a library, not belonging outright to the city was downright illegal.

In a May 14 city council meeting Mayor H. I. Berman ordered City Attorney John M. Worrell to study the legal problems and to come up with a report in time for the special council meet held Thursday evening.

LEGAL

sell at market prices up to 10 million tons of government-stored grain, while under the cotton program government-owned cotton cannot be sold on the domestic market at less than 115 percent of the support level.

Mahon stated that "The present feed grain law, which is the basis for the 1962 program, expires this year, and some kind of substitute legislation is anticipated."

Mahon said that he "needs and will welcome the advice and counsel" of feed growers in regard to the proposed farm legislation, and the amendments which he is proposing.

housewife "freely submitted" to the defendants.

The prosecution, on the other hand, contended that the woman had been forced into a car by the men and there had been subjected to "at least 11" attacks. The woman testified that she had not resisted because she feared for her life. The alleged rape was said to have taken place on the night of June 25, 1961, about 25 miles south of Sweetwater.

The four men are still in the Nolan County Jail in Sweetwater.

JOHN MAHONS

Visit World's Fair At Seattle, Wash.

BY MRS. ROY WELLS
Record Correspondent

LORAIN — Mr. and Mrs. John Mahon returned Monday from their trip to the World's Fair and other places. They left two weeks ago. They drove to Lubbock, where they visited their daughter, Mrs. J. C. Rickman. Then they drove to Val Cedar Lake near Durango, where they joined Mrs. Mahon's brother. The next day they left for Seattle, Washington, going through Salt Lake City, Utah.

After leaving Seattle, they went to Victoria, British Columbia, then to Vancouver, Canada, and back home through Montana, Idaho, and Colorado. In Lubbock, Sunday evening they saw Congressman George Mahon receive an honorary Doctor's degree from Texas Tech.

The Ready Sunday School class of the First Baptist Church met in the home of Mrs. Herbert Mearse Thursday evening. Mrs. Billie Schroeder was co-hostess. A salad

supper with ice cream and cake was served. Mrs. Lloyd Wiggins gave the invocation. Mrs. Schroeder conducted a short business meeting. Mrs. Wilman Tarrt gave the devotional.

Present were Mrs. Wiggins, Mrs. Tarrt, Mrs. Joe Terry, Mrs. A. G. Furlow, Jr., Mrs. Bill Bowles, Ms. George Lee, and Mrs. Elwood Graham.

The Companion Class of the First Baptist Church held their social and business meeting in the home of Mrs. W. H. Long Thursday afternoon. The devotional was given by Mrs. L. E. Crutcher. Mrs. J. C. Hall, president, conducted the business meeting. Group leader reports were given and it was voted to give \$5 to the Vacation Bible School for materials, and a box was packed for the Mexican Orphan's Home.

KELLEY—

Continued From Page 1
ton bow to seat 25,000 spectators should the town's growth warrant expansion of school ty.

"The night I realized I had been on the school board for exactly 25 years, I just resigned," Kelly said later. "I figured 25 years was long enough for one man to serve."

Another major interest of oil man Kelley has been the raising of show horses. His Frontier Farms, where he breeds and trains gaited American Saddle horses, is one of his keenest and best known personal interests.

Born the son of a physician in Washington County, Indiana, Kelley's love for horses began when he was a small lad. As a man he has lived to see his own gaited horses prance to many prizes in various horse shows.

He attended Indiana University, Indiana State Normal, and Columbia University as a young man. He served in the United States Navy during World War I. Later, he taught in a Naval school and collaborated in writing of 27 text books, which helped establish the first school of artisans in the US Navy.

More recently, he has added land and cattle to his energetic outside-office life. In partnership with his son Jim, he owns about 3,000 acres of land which the father-son combination operate as stock-farms.

With the exception of some land in Borden County, his holdings are in Mitchell County.

Red Angus cattle, the nucleus of a registered herd, happen to be his latest enthusiasm. Part of the cattle are at Frontier Farm headquarters, the 224 acre stock-farm where the Jim Kelleys make their home, not far from the city limits of Colorado City, just off East Highway 80.

Kelley himself lives in town at 664 East 6th St. He and Mrs. Kelley are also parents of a daughter, Mary Anne, who is now Mrs. Austin McCloud. The Kelleys have eight grandchildren.

BRIDGFORD—

Continued From Page 1
volunteered for military duty and was commissioned Air Force lieutenant in the medical corps.

After a visit home, Lt. Bridgford will report for three-weeks officers' training in Alabama, July 13.

His orders then call for him to be stationed at a SAC base in England, 70 miles from London.

His parents, his brother David Bridgford of Maryneal, and his maternal grandmother Mrs. T. E. Arledge of Sweetwater are to leave today, Sunday, for Dallas to attend graduation exercises at Baylor University College of Dentistry in Dallas. Dr. Bridgford Sr. will also attend a luncheon honoring class fathers Monday noon.
