## Team Work And Individual Effort Pay off For Lions As Season's Best Effort Friday Night Produced 22-6 Win Over Bronte

The Ozona Lions came to play football Friday night and well before the final whistle, had shocked and delighted home fans and soundly trounced their mildly favored visitors from Bronte 22 to 6.

From start to finish the effort was a team one as the squad's better known players had to move over in the spotlight to allow their team mates a share of the outstanding play for the night.

The Lions were out manned, outweighed, and probably a few other things but Friday night the Lions were not out-hustled or outfought as they turned in a determined effort all the way to win.

The Lions picked up all of their points in the first half, taking the opening kickoff and driving 73 yards for the game's first score, on a pass from Phil Carnes to Gary Studdard for the final 12 yards. Three key running plays set the stage for the payoff, all three coming from fullback Carl Montgomery, who was a raging runner all night. The big, fast Lion fullback chalked up runs of 12, 32, and 9 yards for first downs in the drive that sent the Lions ahead.

Quarterback Phil Carnes had his best night of the season as he passed, ran, and mixed his plays cleverly. Carnes went into the air on 13 occasions completed 7, two touchdowns and one other not counted in the total for 2 points, altogether accounting for 14 points and 137 yards.

The Lions missed the first passing try for two points but early in the second quarter struck suddenly for their second marker.

Bronte, held for downs deep in their own territory by the Lion defense, were forced to kick with Ozona taking over at mid-field.

After one running play placed the ball on the Longhorn 44, Carnes hit wing back Brent Moore on the 25 yard line and the Ozona back made the catch and then

worked his way into the end zone on a nice run to cap a 47 yard drive. This time Carl Montgomery drove into the end zone and the Lions led 14 to 0.

Fans had hardly had time to get settled before the Lions were after another marker.

With slightly more than a minute to play in the half, Bronte gambled on a fourth-down pass that failed to connect and the Lions took over on the Horn's 33 yard line. With time running out and Ozona's passing game cutting big hunks of real estate, the visitors deployed loosely to defend against the air arm but the full back drove (Continued on Page Seven)

### Junior High And High School B Teams Play In Big Lake Tonight

By Ernie Boyd

The Ozona Jr. High and the Ozona High School B team will travel to Big Lake today to engage the Owls in a football double header this afternoon.

The first game is scheduled to get under way about 5 p. m. with the second game starting about 6:30 or 7 p. m.

Last week in Ozona the Ozona Junior High team fought on even terms with the Sonora Jr. High for four quarters in a game that ended in a 6 to 6 tie.

Pon Seahorn and Ronnie Mason were the big guns in the Cub attack as well as being important cogs in the defense but in the latter department there were many who made good showings for the Ozona team.

Sonora completed a long pass for its only score in the third period only to see Ozona promptly launch a 55 yard drive for its marker which wound up in the fourth quarter.

Both teams had one more opportunity each but stout defensive play on the part of the opponent stalled both efforts.

In the B game the Ozona reserves were soundly trounced 32 to 0 by the stronger Rankin team. Ozona held out over half of its squad for the game Friday while the Rankin team left only 13 boys available for Friday night's action.

Despite getting trounced thoroughly, the Ozona team played in a determined fashion.

Coach Brooks Dozier with his green and inexperienced squad was minus the services of 5 freshmen and 2 sophs on the varsity and their presence would doubtless have made some difference in the outcome.

### Ozonans Win Prizes At Big Lake Tourney

Those attending the golf-bridge tournament in Big Lake last Saturday were Mrs. Jess Marley, who won low net in the golf tournament; Mrs. Joe Pierce, Jr., who won low net in the golf tournament; Mrs. Joe Pierce, Jr., who won low net runner-up in 9-hole play; Mrs. Hillery Phillips, who won high at bridge; Mrs. Marshall Montgomery, winner of the door prize; Mrs. J. S. Pierce, III, winner of the "lucky chair" prize, and Mrs. Early Baggett, Mrs. Ewart White, Mrs. Jack Baggett, Mrs. Frank McMullan and Mrs. J. M. Baggett.

There were 60 women registered for play in either golf or bridge from towns in this area. A delicious luncheon was served at noon at the country club by the Big Lake Ladies Association.

RECEIVING THE KEY to her new home, built without cost to her by the Institute for Essential Housing through their authorized dealer, Wm. Cameron & Co. of Sonora, is Mrs. K. R. Stanton of Ozona, whose husband died suddenly after the couple had contracted for

the new home here. Through credit insurance provisions, Wm. Cameron & Co. of Sonora, as IEH dealers, completed the new home and presented it to Mrs. Stanton debt free at no cost to her. Presenting the key to the home above is H. M. Smith, manager of the Wm. Cameron Co. at Sonora.

### Widow Gets New Home Debt Free Result Of Credit Insurance Plan

Just before K. R. Stanton's recent sudden death from a heart attack here, he and Mrs. Stanton had signed contracts for construction of a new home in Ozona.

Although Mr. Stanton's death occurred before actual construction of the new home began, a credit insurance policy provided by the Institute For Essential Housing, through its authorized dealer, Wm. Cameron & Co. of Sonora, paid for the entire construction balance and the new home was presented to Mrs. Stanton entirely debt free.

Contract for the new home was signed by Mr. and Mrs. Stanton on June 2 and by June 6 plans were in effect to begin construction, but in that short interim Mr. Stanton had passed away.

"We have proceeded with the plans you chose, and are happy to present to you the IEH home Mr. Stanton wanted you to have," the Institute wrote Mrs. Stanton. "It is free of all encumbrances; principal, interest and all costs stemming from the purchase of a new home. All this is possible because when you selected an IEH home you were selecting complete protection in such an eventuality."

### Ozona PTA Meeting Monday Night Opens New Season Program

Ozona PTA met Monday night in the North Elementary school auditorium for the first meeting of the new school year. Mrs. R. L. Bland, Jr., president, welcomed the teachers and parents.

Mrs. S. E. Carnes, program chairman, gave an outline of programs for the year. Mrs. Joe Couch finance chairman, reported on plans for the PTA Carnival which is to be held the night of October 31, Halloween night.

Mrs. Charlie Gotcher, kindergarten teacher, gave a reading on a day in kindergarten and Miss Lola Mae Daniel and Roy Killingsworth told why they chose to be teachers.

L. B. T. Sikes, superintendent of school, introduced each principal who in turn introduced teachers in his school.

After the formal meeting, members and guests met their own children's teachers in home rooms and examined displays of student work. Mrs. Lennington's 5th grade won the attendance award.

Refreshments were served to approximately 125 persons by Mr. and Mrs. Huey Ingram and Mrs. G. E. Glynn.

### New Olds, Cadillacs, Pontiacs On Display This Week At Knox

Knox Motor Co., Ozona dealer for Oldsmobile, Cadillac, Pontiac and Chevrolet, was aglow with new 1962 model cars this week as Oldsmobile, Cadillac and Pontiac all placed their new models on display and Chevrolet, which announces next week, nevertheless came out with its new line of trucks this week too.

Featuring thirteen new 1962 models, Pontiac offers an imposing line of all new cars in four distinctive series reflecting advanced standards in beauty, reliability, performance and serviceability.

The beautiful new Cadillac for 1962, featured as "The Master Work of the Motoring Age" offers crisp new styling and a "look of rightness" as its designers declare. Independent front and rear braking and many other new advances are featured.

The all new 1962 Oldsmobile, another General Motors leader, is also on display this week with glittering new beauty in the dependable new Nine-eights, the Super Eighty-eights and the Dynamic Eighty-eights, plus the "fun to drive" F-85s and the Starfire.

You are invited to get an eye-ful of new-car beauty at the Knox dealership this week and next as the new models put in their appearance.

### Ozonans To Party For Grandparents On 70th Wedding Anniversary

Mr. and Mrs. Charles Applewhite attended the 70th wedding anniversary Sunday of Mr. Applewhite's grandparents, Mr. and Mrs. John Woods, who live at Leander, Texas.

Seven persons were present at the anniversary who were present at the couple's wedding 70 years ago at Mt. Gainor, Texas.

Hosts for the anniversary celebration were Mr. Applewhite's parents, Mr. and Mrs. I. A. Applewhite who live near Leander.

Mr. Woods is 96 years old and Mrs. Woods is 89. They had four children, three of them still living, nine grand-children and fifteen great grandchildren.

### Range Field Day At Experiment Station Reset For Sept. 27

Sonora Experiment Station Range Field Day, slated for Sept. 13 but postponed on account of threatening weather occasioned by the arrival of hurricane Carla, will be held Wednesday, Sept. 27, it has been announced by Stanton personnel.

### Screw Worms, Salt Water Pollution To Be TS&GRA Topics

#### Directors In Quarterly Meeting Fri. & Sat. In Abilene

San Angelo — Discussion of a program to rid the Southwest of the costly screw-worm fly and a report on progress in curbing salt water pollution of range fresh water in oil field areas will receive the primary attention of Texas Sheep and Goat Raisers Association Directors in Abilene, September 22-23. The TS&GRA Directors representing the wool and mohair industry from all sections of the state will be convening in quarterly meeting to consider these and other matters of importance to growers.

The meeting will get under way Friday afternoon, September 22, in the Windsor Hotel with committee sessions at 2:00 and 4:00 p. m. The general business meeting of the Board will begin at 9:30 Saturday morning in the Hotel ballroom. Registration for the two day meeting will start on Friday at 10 p. m. on the Hotel mezzanine.

Directors will hear a full report on the newly chartered Southwest Animal Research Foundation, a unit with the initial objective of securing funds to launch a screw-worm fly eradication program employing the sterile male fly technique conducted successfully in Florida and the Southeastern states. The Foundation, originated by the Texas Animal Health Council composed of 31 Texas livestock organizations, hopes to get voluntary contributions from the industry and then ask for matching (Continued on Page Seven)

### 11 New Shearers Being Trained In Crockett County

#### Ranchers Here Donate \$600 To TSGRA Program of Training

Eleven trainees have been issued shearing equipment in Crockett County this year in the Texas Sheep & Goat Raiser Association sheep shearing training program. Seven of the trainees completed their training season this summer. Four additional trainees have been enrolled for the fall shearing season in the county.

Crockett County sheep producers donated \$600 toward the TSGRA sponsored training program, headed by Bill Childress, Crockett County ranchman. Reports indicate that some of the trainees have become excellent shearers already.

Trainees are furnished a shearing head, combs and cutters, by the TSGRA. Notes in amount of \$51.00 are signed by the trainees and their adult sponsors on the shearing crew. If at the end of the shearing season, the trainee has made progress and shows promise of continuing in the profession, the note is returned marked "paid in full."

The shearing program is supervised by a county committee of Joe Tom Davidson, Chairman, W. E. Friend, Jr., James Childress and county Agent Pete Jacoby.

Trainees who have completed the training program are Miquel Flores, Benito Badillo, Doroteo Sato, Jesus Avedo, Zaragosa Valdez, Valentin Gonzales and Juan Castellanos Moreno. The four trainees presently enrolled are Ernest Delgado, George Enriquez, Daniel Enriquez, Jose Rey Chanez.

Shearing captains who have cooperated in the training program are Julian Silos, Raul H. Gonzales, Gabriel Flores, Jose Perez and Mariano Morales.

Cadillac presents for 1962  
the Masterwork of the  
Motoring Age

Fleetwood Sixty Special, above; Sedan de Ville, below.

You have had your first look at the new "car of cars".

Its name is Cadillac—and its destiny is a place among  
the most renowned automobiles of our time.

Its new styling is remarkably clean and crisp and  
graceful—with a look of "rightness" in every line and  
contour and detail.

Cadillac's new Fleetwood interiors beckon with a jewel-  
like beauty. There are marvelous new fabrics and leathers  
... and new conveniences on every hand.

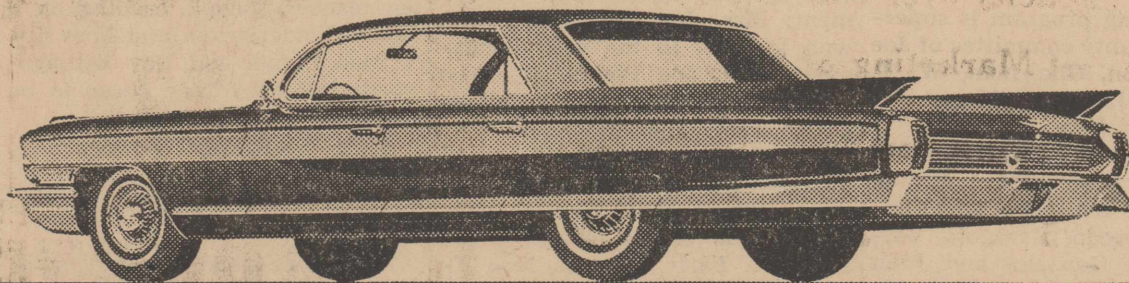

Engineering triumphs include independent front and  
rear braking ... exclusive new cornering lamps that light  
your way around turns ... a revolutionary three-phase rear  
lighting system ... and many other important advances.

Yet, some of the noblest advances cannot be seen. They  
must be felt and sensed—performance that is incredibly  
quiet and smooth and nimble ... handling ease so great  
that the mere weight of your hand puts you in command  
of the road ... craftsmanship that is so practiced and so  
precise that the car has become a marvel of construction  
and a paragon of dependability.

These new Cadillac wonders are evident in each of  
twelve new body styles—and are available with the widest  
selection of interiors in Cadillac history.

Even if you have never before considered a Cadillac—  
you should take a journey in this one.

It's Cadillac for 1962. You'll be hearing a lot about it.

## BLACK MONSTER CLEARS OUT ALL BUT CLEERE

The pep rally, last Friday had a special skit put on by the cheerleaders. They had captured a horrible monster and wrapped it in a sheet. When it was shown to two of our brave football boys, Darrell Rasberry and Dude Melton, they fled in horror. Drum major, Glenda Friend and Jan Pridemore also got a peek at the "thing" with the same frightening results. Coach Cleere was finally led out to take a look which led to more screaming, not from our coach, but from the monster (alias Judy Black).

The twirlers staged a fine series of twirling routines.

The pep rally ended with coach Cleere, Hal Long and Darrell Rasberry giving pep talks.

## STUDENT COUNCIL MAPS YEAR'S PLANS

A meeting of the Ozona High School Student Council was held first period Monday, September 18.

The new president is Johnny Childress, vice-president is Penn Baggett, and Janet North is secretary.

The group decided to have a Freshman Day. This year it will be more of a mental torture for freshmen than a physical torture. There has been no date set.

The group also decided to have assembly sponsored by the freshmen on Wednesday. Mrs. Ira Carson is to speak about her travels in Alaska. Each class in hi school is expected to plan and present a program for assembly with members of the class participating.

The student council also planned to sponsor a western dance and get-together on October 13 after the Sonora game.

They discussed money making projects and they decided to sell Ozona Lion stickers. These can be purchased from any member of the student council for 15 cents each or two for 25 cents.

## 32 FFA MEMBERS CHOOSE YEAR'S PROJECTS

Thirty-two vocational agriculture students are busy selecting supervised projects. These projects will be used in carrying out different experiments for study by the FFA boys.

These students of agriculture plan to feed 90 lambs, 60 Angora goats, and 10 calves. Different rations of feed will be fed to all classes of livestock and comparisons studied by the students.

During the month of January or February a commercial grading show and demonstration will be scheduled for the purpose of learning results from the experiments of livestock feeding.

## FREEDOM OF SOME SHOULD NOT INFRINGE UPON FREEDOM OF OTHERS

By Janet Mason

In America we enjoy what is known as freedom. This freedom belongs to everyone just as long as he doesn't infringe upon the rights of others.

We live in a nation of democracy; however, sometimes in our interpretation of democratic freedom as a boundless thing, we may think that some people are trying to dictate to us. Sometimes when people tell us something for our own good we think that they are trying to dictate to us and we resent this advice.

However these words are in our Declaration of Independence, "We hold these truths to be self evident; that all men are created equal, that they are endowed by their Creator with certain inalienable rights; that among these are life, liberty, and the pursuit of happiness."

This is to assure everyone of some freedom and we should not abuse it by infringing upon the freedom of others.

## CONCESSION STANDS CLEAR PROFITS FOR SENIORS

Friday night the seniors operated two concession stands which cleared over two hundred dollars.

Thursday night for the "B" team

and junior hi games they cleared about thirty dollars from the concessions.

Profits from these projects will finance a senior class trip in May. The Ozona High School pep band is composed of 16 members this year.

They practice weekly for their Friday appearances at pep rallies.

Members are Brad Harris, Pat Womack, Diana Coates, Richard Ross, Priscilla Spurgers, Kathy Stiles, Beverly Alford, Pauline Maness, Marcia Haire, Ramona Powers, Janie Lara, Janie Gilliam, Gary Boyd, Helen McCaleb, Justo Lopez, and Matias Gutierrez.

## ALFORD PRIDEMORE GILLIAM LEAD BAND

Beverly Alford will serve the band as captain this year. She was elected Monday by the band members.

Jan Pridemore will be first Lieutenant and Janie Gilliam will be second Lieutenant.

A run-off was held between Beverly Alford, Bill Cornelius, Janie Gilliam, and Jan Pridemore last Monday.

The captain will take the place of band president, while the first or second Lieutenant will fill in in case of her absence.

These officers were nominated by petitions signed by ten band members and all petitions were handed in to Mr. Morgan and voted upon last Thursday.

## JUNIORS SELL MUMS FOR SONORA GAME

The junior class of the Ozona High School has started its annual

mums sale. The sale will end October 3rd and the mums will be delivered October 13 for the Sonora game.

Plain mums will cost \$1.50 a piece, mums with numbers will cost \$2.00.

Kathy Doran, class secretary, will take all orders and money from class members. If you want a mum contact any member of the junior class before October 3.

## THE LINES MAKE THE COLUMN

Darrell Rasberry has lately been sporting a heavily bandaged thumb on his right hand. The thumb had been injured during football practice early this year, and it was beginning to heal until the Ozona-Bronte game last Friday, when Darrell again injured the thumb, this time more seriously.

Last Friday, Charley Bingham was seen displaying a space in his gums that hinted of a missing tooth. Actually, the tooth was there; Mr. Leath had painted it with tooth enamel in a demonstration of make-up procedures to his Speech I Class. Charley is unlucky enough to be seated on the front row and therefore a handy guinea pig for such demonstrations.

After the football game Friday night there was fellowship at the First Baptist Church, and a dance sponsored by the cheerleaders was held at the country club. At the dance were many Ozonans and a number of Sonora natives on their way home from an Iraan football game.

Interest in the Ozona-Bronte game could probably have been

gauged by the cheerleaders posters in the O. H. S. halls Friday. "Sack the Steers!" screamed one poster, portraying a defeated-looking Longhorn trying to extricate himself from a monstrous bag. "Dehorn the Steers!" proclaimed another of these colorful signs, on which there was another defeated-looking Longhorn with a bloodthirsty Lion busily engaged in breaking the horns off this sad-looking beast. It seems as if these sinister signs, however, served to spur the Lions on to victory!

The cheerleaders were perturbed last week over the non-appearance of some of their pep-rally uniforms; those which they had received were wrong sizes. Finally the complete uniforms arrived just previous to game time Friday evening.

Judging from two recent incidents, there seems to be a mad "gift wrapper" loose in the vicinity of OHS. This fiend (or fiends) runs around drapping bathroom tissue all over the car of his or her victim. The night of the Coahoma-Ozona game, a car was to be seen parked before the band hall draped in a generous supply of the tissue. A car parked at the movies Sunday night received the same treatment, plus a trash barrel on top of the car for good measure.

Mr. Fife and Mr. Moody went to Commerce over the week - end. While there, they attended a football game.

## The News Reel

A re-run of "The Ozona Story" as gleaned from the files of The Ozona Stockman

From the Stockman, Sept. 23, 1932

Hereafter members of the Crockett County Commissioners Court, with the exception of the county judge will be on a straight salary of \$60 a month instead of the per diem of \$5 heretofore paid for time in which they were attending court sessions. The order sets the county judge's salary at \$100 a month and \$5 per diem attending sessions of the court and in addition a salary of \$300 a year as ex-officio county schools superintendent.

—news reel—

Short one member in numerical strength from the record class of 1932, the graduating class of 1933 this week completed class organization, and launched into the spirit of the closing year of high school careers with determination to write their names into the tradition of Ozona High School with everlasting impression. Miss Tommy Smith pep squad leader and winner of the 1932 Woman's Club award for outstanding student, was named class president. Lee Dudley was named vice president, Joe Rape, secretary - treasurer, and Hubert Westfall, reporter.

—news reel—

Dr. F. T. McIntire, who was seized with an acute attack of appendicitis Thursday night, underwent an operation in a San Angelo hospital Saturday. He is reported doing fine.

—news reel—

An abundance of rain followed by warm, spring-like weather in the last few weeks even fooled old mother Nature. A four-year-old pear tree in the A. W. Jones yard burst into full bloom this week. The tree did not bloom in the spring and has never borne fruit.

—news reel—

Dock Lee, son of Pat Lee, Crockett county ranchman, was awarded the \$150 hand made saddle given away Saturday afternoon by Jones Saddlery.

—news reel—

Ed Lockhart, lineman for the West Texas Utilities Co., was seriously injured Saturday afternoon when he fell from a 25-foot electric light pole here. Mr. Lockhart suffered a broken knee on one leg and a shattered ankle on the other.

Mr. and Mrs. Welton Bunker are staying on the ranch this winter sending their children to school at Pandale.

—news reel—

Mr. and Mrs. Wayne West and children will spend the winter on the ranch. A tutor has been employed to keep up the school work of the children during the school term.

## GARDEN REMINDERS

Reap the benefits of fall planting. The greatest opportunity of the entire year for improving the attractiveness of one's home surroundings lies in what is done during the next two months.

Dig and divide non-blooming peonies for planting in better locations in improved soil.

All types of iris can be planted now as well as all early blooming bulbs.

Are you arranging your dried

flowers? It isn't too late to be collecting pods, seeds, twigs and grasses. Broomweeds and thistles are just right now to gather and dry.

Everyone should have a compost pile. Clean up your fallen leaves

and put them on the pile. The leaves can be shredded by piling on the cement drive and using the lawn mower to chop them.

## Ozona-Bronte —

(Continued from Page One)

play found the Lions fullback Carl Montgomery racing all the way to the eight yard line. From there, brother Pete darted around left end for the score. The Lions then did go upstairs and Carnes found Hal Long in the end zone on a pass that picked up 2 more points.

Bronte, with its big forward wall and single wing power, pretty well dominated play in the second half but the Lions had all they needed and threw up a determined defense that allowed but one score in the last two periods, that coming largely on the seringth of two penalties.

Among the faces who came through in a big way Friday night were Gary Studdard, little Leroy Cooper, Charlie Bingham and Brent Moore, who along with regulars, Carl and Pete Montgomery, Phil Carnes, and line stalwarts Hal Long, Penn Baggett, Robert Cox and Darrell Raspberry all of whom were all over the ball carriers all night, blocking, tackling and giving their all on every play.

In addition to being the best game the Lions have turned in this season the locals for the first time used a balanced attack which produced 188 yards rushing and 137 passing each making the other more effective.

Both teams emerged from the cleanly played game without injuries. Only one personal foul was called, that for piling on. Only four penalties for each team were called.

Carl Montgomery turned in another fine punting performance, kicking twice for a 42 yard average. Bronte got off two good punts but got one block and wound up with a 28.4 average on four kicks.

Carl Montgomery was the game's leading ground gainer with 135 yards on 17 tries. Tailback Charles Lee had 62 yards on 25 efforts.

Other Lion ball carriers were Pete Montgomery with 26 yards on 11 runs and Carnes with 22 yards on 5 carries. Brent Moore carried the ball twice losing 10 on the first try and gaining 15 on the second for a net of 5 yards.

government funds to finance the program.

Representatives of the Colorado River Municipal Water District will make a presentation with pictures to illustrate the method used by the Colorado Water District in locating the source of salt water pollution in the Colorado River. The TS&GRA is urging all interested ranchmen to attend this discussion and the one on the blow fly eradication program.

Other matters up for discussion will include wool and mohair marketing and promotion, livestock tax, ranch labor, predatory animal control, sheep and goat theft inspection, and lamb marketing problems.

The TS&GRA Ladies Auxiliary sessions will be held in the Windsor with the quarterly coffee-business meeting convening at 9:30 a. m. Saturday.

"All members and non-member ranchmen are cordially invited to attend the meeting", says Charles Schreiner of Kerrville, TS&GRA President.

### CARD OF THANKS

The family of Dickie Butterfield wish to express deep appreciation and thanks for the flowers, cards and thoughtfulness shown at our bereavement. Especially do we wish to thank those who stood by us at the hospital, the Rev. Harry Trulove and people of the First Baptist Church.

The Butterfield family

In the air, Hal Long caught 4 passes for 66 yards, Brent Moore had 1 for 4.7 yards, and Gary Studdard had 2 for 14 yards. In addition Hal Long had a fifth pass for two points.

First down wise the Lions had 11 to the Bronte teams 12, even though the Lions outrushed the visitors 188 to 147 and outpassed them 137 to 38.

Only three fumbles were lost by both teams during the contest. Darrell Raspberry recovering two for the Lions, and Jack Corley capturing the one lost by the Lions.

## AFTER GAME FELLOWSHIP AT FIRST BAPTIST CHURCH

## GROWTH

Keynote of the Center of the Southwest

West Texas Utilities Company's service facilities are growing as the area we serve grows.

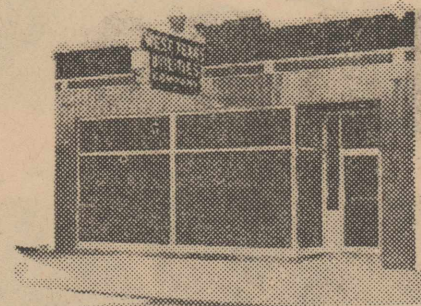

This service area is the Center of the Southwest—the very heart of a five-state region that is growing 25 per cent faster than the Nation.

A multi-million-dollar growth program is now under way, and even more expansion is in the planning stages. Major examples are our new generating, transmission and distribution facilities, where much construction is now going on.

Our continuing growth program is seen also at the local level. Pictured here, for example, are three of our local offices which have been remodeled recently.

This Company is convinced that we face Growth Unlimited. The money we are spending for expansion today is our INVESTMENT IN THE FUTURE.
