Colorado City, Lorraine & Westbrook

Answerline

Q. When was Memorial Day first celebrated?
A. Memorial Day was first celebrated on May 30, 1868. It was observed by placing flowers on the graves of Union and Confederate soldiers during the first national celebration. Gen. James Garfield made a speech at Arlington National Cemetery, after which around 5,000 participants helped decorate the graves of more than 20,000 soldiers buried there.

Local family affected by shooting

Nephew loses his life while trying to save fellow students

TRAGIC LOSS — Chris Stone was one of the students killed in the Santa Fe, Texas, school shooting last week. He was the nephew of Mario and Stephanie Yanas of Colorado City. A gracious man, who makes for all children killed in school shootings all over the United States, made one for Stone. Photo courtesy of Stephanie Yanas.

With the business of everyday life, it's easy to think school shootings are something that happens in other places. While that's been true so far, the latest school shooting in Santa Fe, Texas, hit one local family too close to home.

Chris Stone, one of the students killed in the shooting, was the nephew of Mario and Stephanie Yanas of Colorado City. After the terrible incident was over, the family learned that Chris died a hero's death.

The shooter was reportedly targeting a young lady in the high school that had repeatedly rejected his request for a date. Stone was in an art class with her that fateful day, and according to his classmates, his actions saved many others from being killed.

Stephanie Yanas said that the students ran to a storage room in the art class when they realized someone was shooting inside the school. Stone told his classmates to get in the storage closet, he shut the door and held it while the gunman pushed to gain entry.

Some of the students in the closet pushed ceramic kilns in front of the door to help hold it closed. Stone was still holding the door closed when the shooter shot through the door with a shotgun, hitting Stone in the chest. A friend of his held him on the floor as he passed away, Yanas said.

After shooting Stone, the gunman opened the door enough to shoot the girl five times in the face, Stone's

aunt said. Stone's fellow students and their parents are hailing him as a hero. They think more students may have been killed if not for Stone's heroic act.

The family is grieving for the young man who learned to deer hunt during a trip to Mitchell County at Thanksgiving last year. He went hunting with his Uncle Mario and brought home an eight-point buck. He proudly took the rack and hung it on his wall in Santa Fe.

Yanas said, "Chris was a delightful young man that loved family, football, basketball and hunting. We are proud of Chris and his love for family, friends and life. He will forever be in our hearts. Our loss is huge, but the Lord is in control."

Remember the fallen

Memorial Day is celebrated each May to commemorate the people who died in service of the United States of America. Even though barbecues and visions of the upcoming summer weather may command much of the attention come Memorial Day weekend, the holiday really serves as a remembrance for those military members who paid the ultimate sacrifice for their country, as well as the personnel who continue to protect and serve today.

WITH THE TOSS OF A CAP — Just like that, Colorado High School seniors became graduates following a graduation ceremony at Wolf Stadium Friday evening.

Oh happy day!

CHS, Wallace Class of 2018 in the books

Colorado and Wallace High Classes of 2018 took the walk and received their diplomas to officially make them graduates last week. Wallace Alternative High School graduated 19 students on Thursday, and 66 members of the CHS Class of 2018 received their diplomas Friday night.

Thursday evening, Wallace graduate Alyssa Martin welcomed families and friends to

the commencement exercises of 19 WAHS grads. She talked of the journey every graduate faces, and thanked parents and teachers for their support.

WAHS Principal Steven Reece thanked Wallace staff, Mr. Davis and Mrs. Frizzell, for their parts of a tremendous transformation of the students.

Another Wallace graduate Jordan Lopez gave the Appreciation

Address. He thanked the educators for a second chance to graduate from high school. "I didn't think I would ever graduate," he said.

Lopez was recognized as the 2018 Distinguished Student, received a plaque and a scholarship to help continue his education at Western Texas College in Snyder.

MCNRC gets grant for new beds

Mitchell County Nursing and Rehabilitation Center is the recipient of a grant that will help pay for new electric beds for the long term care facility. The announcement of the grant award was made in Tuesday's hospital board meeting.

Administrator Gary White said the nursing home will be

getting \$65,994.60 that will be spent on new electric beds. Total cost of the new beds will be about \$84,000, so the hospital district will foot the rest of the \$16,000 to make the purchase.

In his report to the board, White said the census at the nursing home has been down some. As of Tuesday, MCNRC

was home to 53 residents.

Because there are fewer patients in the facility, less contract labor, specifically CNAs, have been a necessity.

White also told the board that the air conditioning in the lobby is not working, but he is working to get it fixed. The rest of the air

OBITUARIES

Ona Mae Hallmark

Ona Mae Mercer Hallmark, age 81, of Floresville, formerly of Sweetwater and Loraine, passed away on Friday, May 11, 2018 at Regency Manor. Funeral services were held 2:00 P.M., Monday, May 21, 2018 at Cate-Spencer & Trent Funeral Home Chapel with Rev. Homer Reddic officiating. Burial followed at Loraine Cemetery. Arrangements were under the direction of Cate-Spencer & Trent Funeral Home.

Recent commerical vehicle inspections held by DPS yields several violations

As you may have read in last week's edition of the *Record*, several units within the Texas Department of Public Safety (DPS) worked together to work a two-day commercial vehicle inspection checkpoint in Mitchell County. Several unsafe commercial vehicles were taken out of service, some citations and warnings were given, and federal motor safety regulations were enforced.

According to State Trooper Jeremy Usener, 12 to 15 troopers conducted 74 Level 1 inspections during the operation. A Level 1 inspection is the most thorough inspection conducted on commercial vehicles, and it takes at least 45 minutes to conduct. Sometimes the inspections take one or two hours.

"That's if there's no violations," Usener said. "We understand it's not a perfect world."

Out of the 74 inspections conducted, 19 vehicles were put out of service until violations could be rectified, and six drivers were found to be improperly licensed. There were 35 citations written and 116 warnings.

Usener explained citations and warnings were issued for many types of infractions, from over-size and overweight to equipment violations, excessive driving time and more. Some of the vehicles were escorted to local businesses to have necessary repairs made.

Some may not be aware the commercial vehicle regulations being enforced by the DPS are federal laws. They are uniform across the contiguous 48 states and Canada. Officers in other states do the same inspections

on the same equipment as Texas State Troopers.

Usener said there are rewards for those who keep a good record with no violations. There is a decal affixed to a certain spot on the vehicle to let law enforcement know the driver had a clean inspection. He said the decals are affixed in the same spot every time to let law enforcement in other states know the good inspection is recent. And, it may allow drivers and vehicles to be exempt from further inspection for up to three months.

Usener said there was one unusual incident which occurred during the operation that led to a criminal arrest. A female drove her car around cones to enter the rest stop. The cones had been set up to block traffic from coming through, and it was an instant red flag to troopers.

The female driver was allegedly Driving Under the Influence, and she was carrying drugs as well. She was arrested and transported to Mitchell County Jail.

Troopers out of Brownwood, Eastland, Abilene, Aspermont, Sweetwater, Snyder and Colorado City helped make the operation successful. TxDOT assisted the DPS with the planning of the operation, the use of traffic control devices and the use of the rest area. As the inspection point was located at a rest area east of Loraine, the Loraine Volunteer Fire Department allowed the troopers to use the fire station during lunch breaks.

The main purpose of the inspections is to keep drivers safe. "This is what we do. This is our specialty," Usener said.

In Loving Memory of Mitchell County's Heroes

On this Memorial Day holiday, we pay tribute to the many Mitchell County service people who died protecting our freedom. Let us never forget the price these men and women paid serving our great country!

WALLACE CENTER NEWS

Two programs starting at Wallace Senior Center should offer lots of fun for participants, line dancing and low-impact Tai Chi.

There has been a postponement on the line dancing instruction. Due to an unfortunate accident, the dance instructor will be unable to teach line dancing for a couple weeks. An announcement will be made when this activity will be rescheduled.

Director Julie Erwin said, seniors are also planning to start low impact Tai Chi instruction. More information will be made available when details are finalized.

The Wallace Senior Center,

312 East 12th Street, is open 3 days a week, Tuesday, Wednesday and Thursday as a meeting place for the Senior Citizens of Mitchell County. In addition to the meals the center has many things designed to keep everyone entertained. A jigsaw puzzle is always being worked on and a fun and competitive game of Farkle are among other activities enjoyed at the center.

The center has a full library, exercise machines, and now a quilt being completed. Kindred At Home has a blood pressure clinic every Tuesday at 11 a.m. until noon and sponsors Bingo games the first and third Thurs-

days of each month. Come visit us and have some fun!

The center opens at 9 a.m. and closes at 2 p.m. Meals are served at noon at a cost of \$6.00.

The following will be served at the Young at Heart Café:

Wednesday, May 23rd — meatloaf, mac & cheese, spinach, roll, fruit cup

Thursday, May 24th — ranch chicken, whipped sweet potatoes, black eyed peas, cornbread, cake

Tuesday, May 29th — BBQ pork sandwiches, baked beans, cole slaw, pickles, onions, jello

Wednesday, May 30th — fiesta chicken, Spanish rice, pinto beans, corn bread, peaches and strawberries

Thursday, May 31st — chili cheese dogs, potato salad, tossed salad, onions, relish, fruit

Car seat check-up set at local church

Certified technicians will be on hand for a Car Seat Check-Up Event to be held at Christian Temple Thursday, May 31st. The event is perfect for parents, babysitters, grandparents and just about anyone who transports kids.

The checkup is set to be held at Christian Temple, located at 1927 Hickory Street in Colorado City.

During the child safety event, certified technicians will provide hands-on instructions on how to correctly place a child in a safety

seat. They will also assist parents/caregivers with installation of their child's safety seat in the vehicle. Techs will also ensure that the child's safety seat has not been recalled.

Those attending will also be offered tips on how to choose the appropriate safety seat based on their child's age, height and weight.

Summer reading program kicks off June 6th

The Mitchell County Public Library staff is getting ready to kick off this year's Summer Reading Program and more for children, teens and adults. All the fun begins Wednesday, June 6th. All programs are free.
This year's theme for the Summer Reading Program is "Libraries Rock!". Kids from birth to 5th grade can come to the library on Wednesday, June 6th at 10 a.m. to participate. The teen program begins on June 6th at 4 p.m., and anyone from 5th through 12th grades is eligible to participate.
Library Director Maggie Bootman said all teens and children from the county are encouraged to attend, and those visiting family here are welcome too.
There will also be a reading challenge throughout the summer for children and teens. The challenge begins May 29th, and registration is required. After completing five, 10 and 12 hours of reading, children and teens can come to the library to receive a prize. For every three additional hours after reaching 15 hours, names will be entered for a top reader prize and a drawing for 1st, 2nd and 3rd prizes.
For adults the library is offering unique reading challenges where readers have eight categories for competition, such as reading a local/Texas author or book. Completed reading logs can be entered in a drawing for a prize. This challenge also starts May 29th and will run through August 3rd.
Registration for the adult reading challenge is also required, and book discussions for adults will be held June 14th and July 12th at noon at the library.
Schedules and programs for

the Summer Reading Program follows.

COLORADO WOLVES

THE CHAIR IS EMPTY

THEY ARE NOT HERE

The **small table** is set for one, representing the frailty of one prisoner, alone against his or her suppressors.

The **table is round** showing our everlasting concern for our POW/MIA's.

The **cloth is white** symbolizing the purity of their intentions to respond to their country's call to arms.

The **single red rose** signifying the blood they may have shed in sacrifice to ensure the freedom of our beloved United States of American. This rose, reminds us of the family and friends of our missing comrades who keep the faith, while awaiting their return.

The **yellow ribbon** stands for the yellow ribbons worn on the lapels of the thousands who demand with unyielding determination a proper accounting of our comrades who are not among us tonight.

A **slice of lemon** reminding us of the bitter fate of those missing, captured and held as prisoners in foreign lands.

A **pinch of salt** denotes the tears of our missing and their families who long for answers after decades of uncertainty.

The **Holy Bible** represents the strength gained through faith in our country, founded as one nation under God, to sustain those lost from our midst.

The **lighted candle** reflects the light of hope which lives in our hearts to illuminate their way home, away from their captors, to the open arms of a grateful nation.

The **glass is inverted** symbolizing their inability to share this evening's toast.

Let us remember and never forget their sacrifices.
May God forever watch over them and protect them and their families.

Kiker-Seale Funeral Home is setting a table to honor those United States Servicemen and Servicewomen who have been held captive by our enemies in time of war. These Prisoners of War and Missing in Action are our unsung heroes who deserve our recognition this Memorial Day!

We remain hopeful that they will be reunited with their families.

The table will be set at 1PM on Thursday, May 24, 2018

Everyone is invited to see this display and share a moment of silence.

8AM - 5PM inside the main lobby or after hours through the front window, the table will be illuminated for night viewing

Superintendent Reggy Spencer congratulated the students on giving their best, persevering and succeeding on their own terms. After certification of the graduates, diplomas or certificates of completion were presented to the graduates as they walked the stage at Colorado High School Auditorium.

Friday evening, the home stands at Wolf Stadium were overflowing with well-wishers waiting to see the 66 members of the CHS Class of 2018 graduate. Student Miriam Hernandez introduced special guests, including board members and administrators. When it came time to introduce Mark Merrell, she called him, "The best principal in the state of Texas."

At the age of 91, Gene Parham took the walk to officially receive his diploma from Colorado High. And, the Class of 2018 had a special chair that held a memory box for their late classmate Asia Lane, who was killed in a vehicle accident as a young child.

Salutatorian Sara Roach gave the Salutatorian Address. She told her classmates to cherish the

memories they have, as they will provide comfort in the face of an uncertain future. She said the memories will always unite them as classmates and will continue to live in their hearts.

To the staff of CHS, Roach said, "You're welcome from the best class to ever go through CHS."

Clancy White gave the Valedictorian Address. She said that the class, as a group, withstood stress and heart-break to make it to graduation. She said it had been a school year of lasts, but a year of firsts is on the horizon.

White said while some of her classmates are ready for high school to be finished, she sees graduation as bittersweet. While the future brings excitement, the past is familiar. She warned her fellow graduates against fear and doubt. She challenged them to rise up, believe in themselves, spread love and make a difference in the world.

"Be the good in the world," White said. "And, trust in God."

All 66 members of the CHS Class of 2018 walked across the field to receive their diplomas.

A CHAIR RESERVED IN MEMORY – The Colorado High Class of 2018 reserved a special chair for their late classmate, Asia Lane, who died in a vehicle accident when she was just a young child.

HOSPITAL

FROM PAGE 1

conditioning in the facility is working fine.

Board member Kody Wood made the announcement he will be moving from Colorado City to Lubbock in July. His uncle is retiring after running the family's boot store there for 40 years, and Wood is taking over the position.

Wood will submit his official written resignation in June. Dewberry said Maria Rubio has agreed to serve on the board. She is expected to be appointed to replace Wood.

Mark Merrell is running unopposed for County Judge. He

will have to resign from the hospital board also at a later date.

Benny Cornett and John Davis from the hospital's Information Technology Department informed the board of a data breach that occurred with Fast Help, the company that hosts the hospital's website.

The breach actually occurred in the fall of 2017, but the company had to analyze the breach to see what, if any, data was compromised. In February 2018, letters were sent out to anyone whose information may have been compromised, which includes people applying

for jobs through the hospital's website.

Board member Brodie Harris asked why it took so long for the board to be notified. The IT

employees assured Harris that this type of event takes time to process, and no one wanted to prematurely notify citizens if no data had been compromised.

LOCAL NEWS

WELCOME TO COLORADO CITY — Hundreds of motorcycle riders were welcomed to town by waving flags and spectators Saturday morning, as they made their way to the Railhead Building for lunch. The riders were in the middle of their trip from California to the Vietnam Veterans Memorial in Washington, D.C.

RFTW riders enjoy good food, great program last Saturday

Run for the Wall 2018 is underway, and hundreds of riders made their way into Colorado City Saturday for lunch and a program put on by Colorado ISD students. This is the 30th annual run from California to the Vietnam Veterans Memorial in Washington, D.C.

Citizens lined the streets and flags were waving as riders made their way into town through a little different route this year. They fueled up at the Stripes Convenience Store east of town, then rode up 17th Street to Hickory and downtown to the Railhead.

The three fiddle-playing grandsons of Mark and Judy Merrell, Carter, Cooper and

Cameron Roberts, entertained the crowd with a couple of selections, including *Faded Love* by Bob Wills. Clancy White and Sterling Burleson played and sang *Fear is a Liar* and *God Bless the USA*. The Sweetwater Municipal Band played several selections and moved the veterans with their patriotic tunes.

Community members, school staff and civic club members served grilled steak and chicken, potato salad and green beans to the hungry riders. Kiwanis Club provided the cooks for the meat, and Judy Merrell's Family Consumer Science classes made the sides.

A couple of presentations were made during the program.

The family of Charles Victor "Chuck" Komppa accepted a plaque presentation made posthumously. Komppa was killed in Iraq when the vehicle he was traveling in hit an explosive device on October 22, 2006.

RFTW riders made a \$250 donation to help with the meal expenses and emotionally expressed their deep gratitude to the school and community for providing the meal and program every year.

A somber moment and *Taps* wrapped up the program, and the riders got back on their bikes to continue their travel after Rev. Jerry Shields prayed for safe travels and blue skies for the trip.

CARD OF THANKS

Card of Thanks

To Colorado City, Mitchell County and residents:
I would like to thank everyone for honoring our son Charles V. Komppa at the run this last weekend.
It is important never to forget our service men and women. They are the backbone of the United States.
It has been nearly 12 years since we lost Charles, but he felt it was important for us to be involved over there. His goals were to share Jesus, to help fight for freedom for them and then to show compassion by helping them rebuild.
We, in America, must remember Jesus first and that our freedom through the centuries is from men and women giving their all.
Also, thank you Dr. Sherwood for representing my son in the group you ride with and your group.
As a mother, we must never forget our service men and women.
Thank you again from the bottom of our hearts.

Charles V. Komppa family

New savings available for disabled population

A new program, Texas Achieving a Better Life Experience (Texas ABLE), is now available to residents of Texas with disabilities and their families.

Texas ABLE, based on federal and state legislation, provides recipients the opportunity to save money for disability-related expenses in a tax-advantaged account without losing their eligibility for certain public benefits such as Supplemental Security Income, Social Security Disability Insurance and Medicaid. Residents of the state who experience the onset of a disability before the age of 26 and meet program eligibility requirements may open a Texas ABLE account.

Those enrolled in the program can save up to \$15,000 annually or more if exceptions in the Tax Cuts and Jobs Act of 2017 apply. Withdrawals are tax-free when used to pay for qualified disability expenses and earnings on investments also are tax free.

Account holders will maintain control of the account, choose how funds are invested and will access and monitor the account on a secure online program. The new savings account also provides an online tool to permit family, friends, business entities and trusts to contribute to the account. More information is available at TexasABLE.org.

Applications being taken by CIA group

The Christmas in Action (CIA) Board of Directors is getting ready to kick off another year of providing necessary home repairs for the disabled and elderly of the community. This year is the 26th year in a row that volunteers have provided these services!

Applications are being taken now, and they can be picked up and dropped off at City National Bank and the Chamber of Commerce.

In order to be eligible for the services, the home must be owned by the resident and all taxes must be paid up or arrangements made.

Christmas in Action has always been a Christian organization, and this year volunteers are going back to a tradition that had been discontinued. Every home that receives repairs from CIA will now receive a copy of the Bible.

From April 28, 2017 to March 30, 2018, volunteers completed 104 projects, big and small, ranging from putting in new septic and sewer systems to replacing doors. Since the program's inception, repairs and installations have been performed on hundreds of homes.

All repairs and installations require materials, and Christmas in Action is taking donations to cover these expenses. Donations are tax deductible.

The organization also needs volunteers willing to provide help to those in need. Anyone wishing to donate or volunteer is encouraged to contact Jan Lemons at 325-242-0075.

Anyone needing the help of Christmas in Action can pick up an application at City National Bank or the Chamber of Commerce office, located at the Civic Center. Also, anyone with information about someone that may need help should contact Lemons.
