Doug Manning, pastor of the First Baptist Church in Hereford, Texas, is the guest speaker for the Colorado City Area Chamber of Commerce Annual Banquet scheduled for Jan. 22 at 7 p.m. in the Civic Center.

Manning has been engaged in personal counseling for twenty years and is also active in civic and cultural activities in his community. He has served on the Juvenile, YMCA and Child Welfare Boards and serves as M.C. for Hereford Chamber of Commerce breakfasts.

In 1978, this column won for Manning a first place award from the National Press Association.

Bob Reilly will act as Master of Ceremonies for this year's banquet with the invocation being given by Vicar Monte Jones and dinner music performed by Mrs. Cecile Hubbard.

Banquet Chairperson Shirley Delaney noted tickets for the banquet will go on sale after the first Monday in January and are priced at \$10 each.

Friday is the final day for returning ballots in the election of five new directors for the chamber.

Results of the election will be announced as soon as the ballots have been counted.

Report Projects Sewerage Needs

In ten years, Colorado City and Loraine will probably be unable to meet sewage treatment standards, according to a notice released by 208 Water Quality Management Planning Study.

A preliminary report, released in October, indicated that several cities in the 208 planning area have sewerage treatment facilities that are projected to be unable to meet treatment standards by 1990.

Additional study, including more field inspections, reduced the list to three cities; Colorado City, Loraine and Ballinger.

Information on the studies will be released

in January to Citizens' Advisory Committees.

The 208 planning is being conducted by the Colorado River Municipal Water District (CRMWD) within the Upper Colorado River Basin under contract with the Texas Department of Water Resources in accordance with Section 208 of Federal Clean Water Act and the State of Texas Contin-

uing Planning Process.

City Manager Brenda Tarter said, "At the present time, the city is experiencing no pressing problems with sewerage, but by 1990, we will probably have problems and the timing is right to start consideration of that problem now."

City officials have been working with

Suspects Arrested In Kent Station Holdup

Two men are in custody as a result of a reported robbery at the Kent Service Station on East Highway 80 Saturday.

Station attendant David Wayne Callaway, 22, walked into the Colorado City Police Station at 7:10 p.m., Saturday and reported the service station had been robbed a few minutes earlier, Assistant Chief of Police Jimmy Roundtree reported.

Callaway stated two men, armed with .22 caliber pistols, held him at gunpoint, took \$550 in cash and the keys to the station, tied his hands with speaker wire and locked him in the station

restroom, padlocking the door from the outside. He said he kicked a door panel out to escape.

A description of the two men was given to the police, indicating

both gunmen wore ski masks.

Surrounding law enforcement agencies were notified and Callaway's statement was taken, Roundtree said.

City National Ready For NOW Account Openings

Two desks are being used at City National Bank, until after the first week in January, to open NOW (Negotiable

Order of Withdrawal) accounts for bank customers, Vice President Ray Anne Carlock announced in a Press Conference Tuesday.

NOW accounts are the result of a Federal law, called the "Consumer Checking Account Equity Act of 1980," which takes effect on January 1.

NOW accounts will enable customers to earn interest on some check-

ing accounts which meet certain requirements, where previously no interest was paid.

Requirements on NOW accounts at City National Bank include a minimum opening deposit of \$500 and a minimum balance of \$500, which must be maintained to avoid a service charge.

Bank customers will soon be receiving a let-

Scholarship Bowl Set By Optimists

The Colorado City Optimist Club is planning a Second Annual Scholarship Bowl to be held after the first of the year.

To play in the bowl, a person must be 18-years-of-age and out of school.

National Football League rules will be observed.

Bowl Chairman Johnny Tammen stressed the need for all interested persons to sign up for the roster as soon as possible by coming by Colorado Plumbing at 1218 Hickory.

Final deadline for signing up is Dec. 30 and practice begins Jan. 2.

"A meeting with coaches and players will be held before the first of the year and we need a complete roster as soon as possible," Tammen said.

"This will be a rematch of the same teams, Coaches Critics vs. Grandstand Officials, which played last year," he added.

Funds raised by the

game will be used for the scholarship offered by the Colorado City Optimist Club to any deserving individual interested in attending a qualified trade school.

Mark Fincher was the recipient of last year's scholarship.

Ruby Ross

Fun Christmas Hobby

By Lulu Turner

Sometimes we look for that special, unique, one of a kind gift that you know someone will not receive another like it, but sometimes they are a little hard to find.

I met a lady, Mrs. Sherman (Ruby) Ross, longtime resident of Mitchell County, who makes those unique gifts. She crochets dolls, makes stuffed animals and so many more toys for children and also quilts and rugs and oddly enough, they are reasonably priced.

She said that she has taken many orders for Christmas and says she will take some more. Her phone number is 728-5150.

She and her husband came to Mitchell County

in 1943 and they moved from a farm north of Lorraine to Colorado City in 1956. She has five children and is a housewife. She says that she has done just about everything there is to do in her lifetime. She has farmed, worked in the

hospital, local cafes and more.

Mrs. Ross said that she makes these little crafts purely for the pleasure of doing it. In these inflation days, Santa can use all the help he can get.

Library To Close For Holidays

For Christmas holidays, Dec. 21 through Dec. 29 inclusive, the Mitchell County Public Library will be closed. No books will be stamped as being due during these days and for anyone wanting to return

library books, there is a book drop on the north side of the building, stated Geneva Jones, librarian.

The library will reopen on Dec. 30th and the library will be closed on New Year's Day only.

VFW Set Christmas Party

The VFW Post No. 9178 will have their annual Christmas party tonight beginning at 7 p.m., and everyone is invited to attend.

There will be an exchange of gifts and to determine what gift you will need to bring and since no names are being drawn, men are asked to bring a gift for a woman, little boys for little boys and little girls for little girls.

Santa Claus will be present for the party and will arrive around 7:30 p.m., stated Nellie Bunch, member of the Ladies' Auxiliary and VFW Post.

The Consumer Alert

by Mark White
Attorney General

The Christmas gift-buying season inevitably is followed by the post-Christmas gift-returning season and most consumers expect to be able to return or exchange gifts with little or not trouble beyond, perhaps, the inconvenience.

The fact is that stores are not legally required to refund money, exchange merchandise or accept goods for store credit unless the item is defective or is not as represented.

Most merchants, though, are very agreeable about adjustments since this is a form of customer service which encourages repeat business.

If you find you must return merchandise to a store, you should:

- Take all tags, price labels and all sales or charge receipts with you. A store that might otherwise give a full refund may only offer a credit or exchange or refuse any adjustment without proof of purchase.

- Return goods in their original containers, including all packing materials and papers, such as warranties and instructions.

- Return goods in their original condition.

- Return goods to the department where they were purchased or to the adjustment desk if there is one.

- Explain the reasons for the return.

- If you have a problem with an adjustment you think is deserved, try to settle it with the manager of the store. If that doesn't work, contact the Attorney General's Consumer Protection and Antitrust Division in Austin, Houston, Dallas, El Paso, Lubbock, McAllen or San Antonio.

Wittas Are Back From Long Trip

The Rev. and Mrs. Fred Wittas arrived home December 8 after a four week trip and visit in the Eastern States.

They spent the first night in Shreveport, La., and they followed side and back roads in order to see all the beauty of the landscape instead of the interstate. There were still some beautiful Fall colors, stated Mrs. Wittas.

In Tennessee, they visited the Great Smokies National Park and traveled on through the state.

They spent four days in Cedar Bluff, Va., with their son and his family, Mr. and Mrs. George

Witta, Lori, Chris and Benjamin.

Again traveling the back roads, they went through Kentucky, into Indiana and into lower Michigan where they visited her sister and her husband, Mr. and Mrs. Joseph Chrony. They were there four days before traveling to Detroit, Mich., where they were met by kissing cousins. Going back to her sister's home in Detroit, they were joined by Mrs. Wittas's two sons and their wives, Mr. and Mrs. Steve Davenport of La Grange, Ill., and Mr. and Mrs. Gerald Davenport of Finley Park, Ill., and also by the Chrony's daughter, Madelyn Chrony, from Chicago, Ill. Leaving there Friday morning, they went home with her sons, spending Friday night with Gerald and his wife and to Steve's home on Saturday. Steve had put up their Christmas tree and had planned an early Christmas for them. They had their home decorated and exchanged Christmas gifts, knowing they would not have Christmas together.

They traveled home by interstate, driving through Missouri and Oklahoma.

Mrs. Percy Bond gave the opening prayer and Mrs. Frank Crowover led the group in singing "Joy To The World."

Mrs. Lily Bennett brought an article on the blessedness of giving to the poor needy stranger, in comparison to giving to our family or friends who have plenty.

Mrs. Bond read a story from Texas Methodist concerning an Apache Indian family who traveled hundreds of miles to get their daughter into McCurdy School (a Methodist school) at Espanola, N.M. This school served in a poorly level area and is supported largely by contributions.

Mrs. C.H. Martin read Peter Marshall's poem "Old Things Are Best." A mission pledge service followed the program and in the business session Mrs. Frank Crowover was elected

to serve as mission treasurer at the present time.

They group voted to contribute to the Deaconess's Retirement Fund in the Northwest Conference.

Plans were made regarding the Lion's Christmas dinner that will be served on Tuesday.

Mrs. Wheeler gave the dismissal prayer.

Dirt can hurt

...in your filter, on your bill.

The filter in your heating and cooling unit is there to collect dust and lint. But when the filter's full, the unit has to work longer to force air through. And that forces up your energy bills.

It's a good idea to check your filter once a month. A dirty filter should be cleaned if it's a permanent filter or replaced if it's a disposable. And that's an easy job ... to overlook.

To help you remember when you checked your filter, we've included a filter checklist with your December bill. You can tape it right to your unit.

At Texas Electric, we think the more you know about using —and saving—energy, the better.

Annual Christmas Dinner Reservation Deadline Is Set

Reservations for the traditional Christmas dinner at the Wallace Center need to be made by tomorrow (Friday), announced Barbara Gray, coordinator for the center.

The dinner is set for Christmas Day and Rev. Glenn Roenfeldt, pastor of the First Baptist Church, said, "We are inviting those who would like a well-balanced meal and would like someone with whom to eat with. Also, we will

deliver meals to anyone who cannot get out of their home to attend this dinner."

To make a reservation, phone the Wallace Center at 728-2392. This is necessary to be sure there will be enough food prepared.

The program will include Christmas music, fellowship and games. Edith Fuqua, Eleanor Jefferies and Louise Sweat will be in charge of the meal.

Funds for the dinner

are being provided by the local churches through the Mitchell County Ministerial Alliance, stated Rev. Roenfeldt.

Mr. and Mrs. Drew Clark, Ira, are the proud parents of a 4 lb., baby boy, Drew L., born December 12 in Root Memorial Hospital.

Income Packages To Be Mailed Soon

Taxpayers will receive their Federal income tax packages within the next two weeks, the Internal Revenue Service says.

The IRS sends taxpayers either a 1040 or 1040A package, depending on the form the taxpayer filed last year. Taxpayers who need to

file a different form this year, because of a change in tax status, can pick up the proper form and schedules from their local IRS office, or from one of the many post offices that stock them. Extra forms are also available by using the order blank in the back of the tax package.

Self Culture Club Has Christmas Gathering

Mrs. Linden Solomon hosted the Self Culture Club when they met Friday.

During the business session, Lucretia Small and Harvey Stockton reported on visitation and serving refreshments at the Valley Fair Lodge. The club voted to contribute money for a book to the public library for their Christmas project.

Poems were read and carols were sung, accompanied by Juana Solomon at the organ.

Joy Culwell gave a discourse on Christmas carols. "Simplicity is so badly needed in these confused and troubled times, that when carol season comes around, it is like rain on a parched field. Simplicity is one of the magics that has

kept carols flourishing for seven centuries," she said.

Dicken's Christmas poems were read by Lil Brown, also carols found on the flyleaf of a 16th century English Prayer Book were read.

Louise Logsdon discussed Handel's "Pastorale Symphony" and "The Messiah." She stated to this day in Beth-

lehem, Pa., on Christmas dawn the trombone choir plays old German Christmas carols from the church tower to remind them of their rescue. In 1750, a group of Indians were about to attack the settlement at dawn. They suddenly heard loud, blaring noises-trombones announcing Christmas morning. Indians, who knew

only drums and flutes, were frightened out of their wits and fled.

Gifts were distributed and refreshments were served to Mmes. Earl Brown, E.L. Tiller, Small, Elizabeth Elliott, C.P. Gary, John Brown, Dona Reed, Della Fox, Paul Logsdon, L.A. Keith, Culwell, Pearl Watson, Solomon and Harvey Stockton.

Oyler Presents Program On The "Christmas Story"

The Mitchell County Chapter No. 1461 of the American Association of Retired Persons (AARP) met Tuesday for their December meeting at 11:45 a.m. in the C.C. Thompson Room with a covered dish luncheon.

Dona Reed welcomed the guests attending and

Roger Wells gave the invocation. Margaret Oyler presented the "Christmas Story" using Bible scriptures from Matthew as scriptural reference.

Joy Culwell led the Christmas carols for the group and was accompanied at the piano by Lois Sweatt.

The business meeting was presided over by the first vice president, Mrs. Reed. A treasurer's report was given and a report on the seminar attended Mrs. Reed was given.

Members attending were Mrs. Sweatt, Juanita Coker, Dora Winn, Oyler, Reed, Elizabeth Gary, Bonnie Burt, Della Fox, Alma Palmer, Edna Pace, Nell Scott, Elean. Jeffries and Geneva Killian.

Others attending were Jewell Tiller, Dewey and Beulah Davis, Leslie and Ida Keith, R.W. and Syble Wells, L.E. and Pauline Ashford and W.E. and Angie Harris.

Guests present were Betty Oyler, Mamie Lou New and Mrs. Culwell.

Richters Services Monday

Dovie Richters, 94, of Loraine, a longtime resident of Mitchell County, died at 8:45 p.m. Thursday in Root Memorial Hospital in Colorado City following a lengthy illness.

Funeral services were held Monday at 1:30 p.m. in the First Baptist Church in Coahoma, directed by Kiker-Seale Funeral Home.

Born Dovie Branch on March 8, 1886 in Hopkins County, she came to Mitchell County in 1928 and moved to Loraine in 1963. She married Robert August Richters in 1906 in Hopkins County. She was a homemaker and a member of the Faith Tabernacle in Midland.

She was preceded in death by her husband in 1964.

She is survived by two daughters, Ruby Land of Loraine and Mrs. Clyde Randolph of Sulphur Springs; two sons, Pete C. of Houston and E.A. of Kaufman; two sisters, Opal Merrell and Trixie Hogan, both of Mt. Vernon; four brothers, Bert Branch of Mt. Vernon, Dolphus Branch of Midland, Loyd Branch of Rockport and Jack Branch of Dallas; 18 grandchildren; 43 great-grandchildren and 12 great-great-grandchildren.

Wolves' varsity girls' basketball team was defeated by Odessa Permian 40-54 Tuesday.

"Permian had a tough and tall team," said Wolves' Varsity Girls' Basketball Coach George Martin. "The girls fought the best they could."

"The team is not giving up. We're still progressing and working together for our first district game," said Martin. "Clyde's coach and girls' team were at last night's game. They wouldn't have been at the game watching if they weren't worried about us."

Scores by quarters

were: first, 16-6; second, 24-24; third, 37-29 and fourth, 54-46, with Permian leading through all but the second quarter.

High pointer for the game was Kim Feaster with 13 points. Others scoring in the game were Karla Herm, nine; Angi Neff, six; Saraeand Mitchell, five; Darlene Mitchell, four; Stacy Hamrick, two and Tomika Randle, one.

"Tracy Gassiot and Della Ausbie did an exceptional job on defense," said Martin.

"Our free throws are progressing somewhat," said Martin. The team made 16 success-

ful shots of 33 tries for a percentage of 49.

Field goals equaled at 27 per cent for the game.

The girls will be playing in the Roscoe Tournament Thursday, Friday and Saturday. Their first game will be played against Highland at 1 p.m. Thursday.

The boys' varsity basketball team will also be playing in the tournament. Their first game will be played at 2:30 p.m. following the girls on Thursday.

Wolves' junior varsity basketball team was defeated by Odessa Permian 28-46 Tuesday in Wolf Gym.

Mrs. Teance Hays was hostess for the annual Christmas party for members of the Ruth Class of the First Baptist Church of Loraine. The party was held at 2:30 p.m. Friday.

Mrs. Clara Butler presided over the meeting which opened with the group singing "Silent Night" and prayer was led by Mrs. Butler.

Mrs. Homer Mearse read minutes and gave the treasurer's report.

Mrs. Hal Bennett gave the devotional, reading Psalms 116 and talking on "How The World Is Changing." Mrs. Ida Baird read the Christmas story, "The Three Christmas Guests."

Mrs. Vada Preston and Mrs. Hays, group leaders, gave reports and all members told of a Christmas happening they remembered from childhood.

Mrs. Butler directed a game and refreshments of punch, candies, nuts and cookies were served. The refreshment table held a lovely Christmas centerpiece. Gifts were exchanged

from the tree. The class presented the teacher, Mrs. Frances Proctor, with a money tree and she gave gifts to each.

The birthday song was sung to Mmes. L.E. Crutcher, Hal Bennett and Frances Porter.

In closing, the group joined hands and sang "Blest Be The Tie That Binds."

Present were Mmes. Crutcher, Porter, Preston, Bennett, Baird, Harvey Leach, Lois Hobbs, Mearse, Butler, A.G. Furlow, Pauline Smiley and Hays.

McNarys Have Open House

The parsonage of the First Baptist Church of Loraine was decorated throughout with colorful holiday colors, lighted candles, lighted tree, nativity scene, etc., when the pastor and his wife, Rev. and Mrs. David McNary, Krista and Scott and deacons of the church and their wives hosted open house Sunday.

Approximately 90 persons visited during the hours from 3 p.m. until 5 p.m. This is the Mc-

Nary's first Christmas in Loraine.

The register table held potted poinsettia and the refreshment table, laid in red Christmas cloth, was centered with a colorful Christmas arrangement.

Coffee, punch and party cookies were served. Table appointments were crystal and silver. Hanging on the side of the crystal punch bowl were miniature red and white candy

canes. Mrs. Rex McDaniel played piano music during the calling hours.

Presiding at the register table, serving refreshments and showing guests through the home were the deacon's wives: Mmes. George Lee, Danny Butler, Herbert Mearse, J.C. Wells, T.L. Holman, Ray Preston, Herman Mitchell, Clifton Henderson, S.E. Hallmark, Calvin Forbes and Ben Bowlin.

Senior Citizens Celebrate 4th Annual Christmas Fete

Loraine Senior Citizens will gather tonight (Thursday) at 6 p.m. at the Loraine Senior Center to celebrate their Fourth Annual Christmas Party.

This will be a "dress up" Christmas party with all the trimmings, according to Adeline Witta.

Santa Claus will distribute the gifts from under the tree. Each person who attends is asked to bring a fun gift not to exceed \$2, Mrs. Witta said.

Men will bring gifts for men and ladies will bring gifts for ladies and all are asked to wrap them in Christmas wrapping, Mrs. Witta said.

Theme for the party is the Melody of Christmas and guest musicians, plus congregating singing of Christmas melodies and hymns, will follow a supper with all the sugar and spices of Christmastime, she noted.

The center will furnish baked ham and guests are to bring a dessert or potluck dish.

All members of the surrounding communities over 55-years-of-age are urged to attend.

Children of the Loraine Community are invited to attend the Third Annual Christmas Party for children.

This will be held at the

Loraine Senior Citizens' Center from 2 p.m. until 4 p.m.

Youngsters 10-years-of-age and under are invited to attend and enjoy hot dogs, chips, punch and ice cream.

"We hope to have Santa Claus with us sometime during this two hour period so the youngsters can speak to him about Christmas Day," Mrs. Witta said.

Santa will also have a pack full of gifts for the children who attend the party.

The Center will not be serving nutritional meals on December 24 and 26. Meals will be served on December 29 and 31, Mrs. Witta said.

Wolves' ninth grade girls' basketball team defeated Merkel 48-20 Monday.

"The girls were ready to play up to their capabilities as the final score proves 48-20," said Wolves' Ninth Grade Girls' Basketball Coach Laura Wiley. "Laura Baum, Linda Scott, Becky Albin, Naomi Mize and Robyn Turner started with a full court press on Merkel and never allowed the Badgers to score or set up their offense."

"Our next group, consisting of Pam Ehret, Carla Callaway, Sonja Mercer, Pat Martinez and Kathy Scott, kept the pressure on Merkel and did a good job on defense to hold the score to 17-0 at halftime," said Wiley.

"We had excellent hustle, leadership and quickness from our ninth graders. If this bunch stays together, plays together and keeps up the great work, we will have reason to be proud of them in the future," said Wiley.

High pointer for the game was L. Scott with 20 points. Others scoring in the game were Baum, 17; Albin, five; Mercer, four and Mize, two.

Wolves' ninth grade boys' basketball team was defeated by Merkel Monday 31-32.

"We lost the ball game at the free throw line. We made only five of 24 attempts," said Ninth Grade Boys' Basketball Coach Bill Barnard. "Going into the

fourth quarter, we had a 29-21 lead and went coast. We put several good shots up, but they wouldn't fall for us."

Scores by quarters were: first, 3-5; second, 10-21; third, 21-29 and fourth, 32-31, with Colorado City leading throughout the first through third quarters.

High pointer for the game was Larry Hamilton with 10 points. Others scoring in the game were Dennis Rivera, eight; Jardy Powell, seven and Ben Gonzales, six.

Loraine junior high boys' basketball team was defeated 34-54 by Highland Monday.

"We had two or three boys that played really well," said Loraine Boys' Basketball Coach Ted Wiley. "Aundra Rose and Tony Morris both did outstanding jobs in handling the ball and the pressure."

"Both of these boys worked together to break the full court press," said Wiley. "They had great quickness and a lot of interceptions. I believe this was one of the best dribbling exhibitions that I've seen in a long time on the junior high level," he said.

High pointer for the game was Rose with 12 points. Others scoring in the game were Morris and Lupe Rodriguez, six each; Jeff Butler, four; John McAdams and Tommy Munoz, two each and Landy Smith and Kelly Harmon, with one each.

Loraine junior high girls' basketball team was defeated 10-30 by Highland Monday also.

"Our girls are playing a lot better than they were," said Loraine Girls' Basketball Coach Jim Fine. "This is the first year that they have really had the chance to play ball together. I believe the girls are picking up and will play some good basketball for us."

High pointer for the game was Teresa Lopez with six. Others scoring in the game were Janie Guerrero with two points and Karon Harmon and Mary Ann Leija with one point each.

Westbrook junior high girls' basketball team was defeated 17-24 by Roscoe Monday.

"They had us beat out by height," said Westbrook Junior High Girls' Basketball Coach Lisa Walker.

Scores by quarters were: first, 2-10; second, 7-14; third, 10-17 and fourth, 17-24, with Roscoe leading throughout the game.

High pointer for the game was Elena Lopez and Evon Bradshaw with four points each.

Others scoring in the game were Gracie Fuentes and Cynthia Cantu with three points each; Jessie Fuentes, two and Kelley Smith, one.

Westbrook junior high boys' basketball team was defeated 13-44 Monday by Roscoe.

"We were just out-personneled by Roscoe," said Westbrook Junior High Boys' Basketball Coach Jerry Tucker.

Scores by quarters were: first, 0-16; second, 5-26; third, 5-40 and fourth, 13-44, with Roscoe leading throughout the game.

High pointer for the game was Donald Burnett with seven points. Charles Rice also scored six points for the game.

Westbrook high school boys' basketball team defeated Blackwell the previous Tuesday 58-39.

"We played real well in the second half," said Westbrook High School Boys' Basketball Coach Jerry Tucker. "This was our first district game."

Scores by quarters were: first, 9-7; second,

16-17; third, 33-25 and fourth, 58-39, with Westbrook leading the game except for the second quarter.

High pointer for the game was Larry Dawson with 17 points. Others scoring were Trey Smith, 14; Greg Colbert, 12; Alan Moody, eight and T.J. Parson, seven.

Westbrook high school boys' basketball team defeated Grady Friday 60-44.

"The boys are improving a great deal," said Westbrook High School Boys' Basketball Coach Jerry Tucker. "If we can begin playing our first halves like we have been the second halves, we will be tough to beat."

Scores by quarters were: first, 14-10; second, 33-21; third, 47-29 and fourth, 60-44, with Westbrook leading throughout the entire game.

High pointer for the game was Larry Dawson with 20 points. Others scoring in the game were Greg Colbert and Alan Moody, 13 each; Doug Wilson, five; T.J. Parson, Trey Smith, Jeff Boon and DeWayne Pierce, two each and Billy Sweek, one.

pany's application to the RRC for approval of a proposed polymer augmented waterflood project for the Westbrook Southeast Unit of the Westbrook Field.

The application calls for an exception to well density and spacing rules of the Westbrook field.

This would be necessary to allow the unit to be treated as an entity for density purposes.

The program must meet the requirements for classification as a qualified tertiary recovery project under the federal Windfall Profits Tax of 1978 before the U.S. Internal Revenue Service will make a determination on such a project.

The RRC was called upon to make that certification.

Under the Act, producers who pay or incur allowed expenses attributable to a qualified tertiary enhanced recovery project may sell otherwise controlled oil as tertiary incentive oil at an uncontrolled price.

Rieman reportedly explained the 1.7 million barrels, expected to be produced through the process, would augment the 6.1 million barrels expected to be produced with secondary recovery methods still in use.

Primary production of the unit is 100 per cent

depleted, he reportedly noted.

American Petrofina proposes to add five injection wells to the 19 active injection wells now in the unit and begin polymer injection by January 1, Rieman reportedly told the commission.

In the project described, polymer will be injected to make water, used to flood the well, thicker.

This would allow the viscosity of the water to approach that of oil and provide a more piston-like drive mechanism, a representative of Dow Chemical Co., reportedly explained to the commission.

This process would al-

The following day, Roundtree said he questioned the attendant on several apparent discrepancies in the statement.

Another man suspected of involvement in the theft was then questioned. At that point, David Wayne Callaway, 22, of 505 East 4th and Wayne Garrett, 18, of Colorado City were arraigned before Justice of the Peace Henry Doss on charges of felony theft and bond was set at \$10,000 each.

Roundtree said, "Inventory of the cash register indicated \$490 was stolen from the station and, of that amount, \$134 has been recovered and the rest has been accounted for."

Roundtree said apparently no firearms were involved in the incident.

ter in the mail explaining NOW accounts, noted Mrs. Carlock.

Current monthly statement processing procedures will remain the same at City National Bank.

All financial institutions will be eligible under the law to offer the NOW accounts.

Guidelines set by Homestate Savings Association include a \$500 minimum monthly average balance for regular NOW accounts and a \$300 minimum monthly average for persons preferring the truncation checking method.

Truncation is the method by which checks are written with a carbon copy and no cancelled checks are returned with the monthly statement.

No minimum opening deposit has been established by Homestate Savings.

Minimum average daily balance for NOW accounts established at Colorado Savings and Loan is \$1,500 with a minimum deposit of \$400.

Interest on all NOW accounts will be compounded daily and paid monthly at an annual rate of 5 1/2 per cent as stated in guidelines established by federal authorities.

Persons wishing to open NOW accounts must visit the financial institution of their choice in order to sign new signature cards for the accounts.

CRMWD Manager Rod Lewis to obtain a federal sewerage grant, Mrs. Tarter noted.

"A community has to be invited to make application for funding of this type. It takes two years to complete grant application paperwork," she said.

Mrs. Tarter estimated the total project cost of a new sewerage system to be well in excess of one million dollars.

The type of grant available is on an 80-20 basis, with the city bearing 20 per cent cost and the government paying 80 per cent.

Council members will probably be asked to consider funding for the project at some point in the future, she said.

A project of this magnitude will take a long range savings project or a bond issue, Mrs. Tarter said.

higher than in past years.

This is the first year for the "\$100 Club," noted Benson.

Any individual or business donating \$100 to the livestock show becomes a member of the \$100 Club.

Benson stated a special luncheon will be given to honor the 31 members of the club during the week of the stock show.

"This year's show will be as big or bigger than last year's show and we invite the public to come and see as much of this year's show as possible," said Benson.

The show is open to the public at all times and there is no admission charge.

Mrs. Verna West and Ms. Emily Collins of Snyder will furnish an evening of entertainment for the affair.

"This will be a very informal and fun evening and I hope everyone will make plans to come eat with us," Mrs. Tarter said.
